

AN ACT concerning certain court orders.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Code of Criminal Procedure of 1963 is amended by changing Section 112A-22 as follows:

(725 ILCS 5/112A-22) (from Ch. 38, par. 112A-22)

Sec. 112A-22. Notice of orders.

(a) Entry and issuance. Upon issuance of any order of protection, the clerk shall immediately, or on the next court day if an emergency order is issued in accordance with subsection (c) of Section 112A-17, (i) enter the order on the record and file it in accordance with the circuit court procedures and (ii) provide a file stamped copy of the order to respondent, if present, and to petitioner.

(b) Filing with sheriff. The clerk of the issuing judge shall, or the petitioner may, on the same day that an order of protection is issued, file a copy of that order with the sheriff or other law enforcement officials charged with maintaining Department of State Police records or charged with serving the order upon respondent. If the order was issued in accordance with subsection (c) of Section 112A-17, the clerk shall on the next court day, file a certified copy of the order with the Sheriff or other law enforcement officials charged

with maintaining Department of State Police records. If the respondent, at the time of the issuance of the order, is committed to the custody of the Illinois Department of Corrections or is on parole or mandatory supervised release, the sheriff or other law enforcement officials charged with maintaining Department of State Police records shall notify the Department of Corrections within 48 hours of receipt of a copy of the order of protection from the clerk of the issuing judge or the petitioner. Such notice shall include the name of the respondent, the respondent's IDOC inmate number, the respondent's date of birth, and the LEADS Record Index Number.

(c) Service by sheriff. Unless respondent was present in court when the order was issued, the sheriff, other law enforcement official or special process server shall promptly serve that order upon respondent and file proof of such service, in the manner provided for service of process in civil proceedings. Instead of serving the order upon the respondent, however, the sheriff, other law enforcement official, special process server, or other persons defined in Section 112A-22.10 may serve the respondent with a short form notification as provided in Section 112A-22.10. If process has not yet been served upon the respondent, it shall be served with the order or short form notification if such service is made by the sheriff, other law enforcement official, or special process server.

(c-5) If the person against whom the order of protection is

issued is arrested and the written order is issued in accordance with subsection (c) of Section 112A-17 and received by the custodial law enforcement agency before the respondent or arrestee is released from custody, the custodial law enforcement agent shall promptly serve the order upon the respondent or arrestee before the respondent or arrestee is released from custody. In no event shall detention of the respondent or arrestee be extended for hearing on the petition for order of protection or receipt of the order issued under Section 112A-17 of this Code.

(d) Extensions, modifications and revocations. Any order extending, modifying or revoking any order of protection shall be promptly recorded, issued and served as provided in this Section.

(e) Notice to health care facilities and health care practitioners. Upon the request of the petitioner, the clerk of the circuit court shall send a certified copy of the order of protection to any specified health care facility or health care practitioner requested by the petitioner at the mailing address provided by the petitioner.

(f) Disclosure by health care facilities and health care practitioners. After receiving a certified copy of an order of protection that prohibits a respondent's access to records, no health care facility or health care practitioner shall allow a respondent access to the records of any child who is a protected person under the order of protection, or release

information in those records to the respondent, unless the order has expired or the respondent shows a certified copy of the court order vacating the corresponding order of protection that was sent to the health care facility or practitioner. Nothing in this Section shall be construed to require health care facilities or health care practitioners to alter procedures related to billing and payment. The health care facility or health care practitioner may file the copy of the order of protection in the records of a child who is a protected person under the order of protection, or may employ any other method to identify the records to which a respondent is prohibited access. No health care facility or health care practitioner shall be civilly or professionally liable for reliance on a copy of an order of protection, except for willful and wanton misconduct.

(g) Notice to schools. Upon the request of the petitioner, within 24 hours of the issuance of an order of protection, the clerk of the issuing judge shall send a certified copy of the order of protection to the day-care facility, pre-school or pre-kindergarten, or private school or the principal office of the public school district or any college or university in which any child who is a protected person under the order of protection or any child of the petitioner is enrolled as requested by the petitioner at the mailing address provided by the petitioner. If the child transfers enrollment to another day-care facility, pre-school, pre-kindergarten, private

school, public school, college, or university, the petitioner may, within 24 hours of the transfer, send to the clerk written notice of the transfer, including the name and address of the institution to which the child is transferring. Within 24 hours of receipt of notice from the petitioner that a child is transferring to another day-care facility, pre-school, pre-kindergarten, private school, public school, college, or university, the clerk shall send a certified copy of the order to the institution to which the child is transferring.

(h) Disclosure by schools. After receiving a certified copy of an order of protection that prohibits a respondent's access to records, neither a day-care facility, pre-school, pre-kindergarten, public or private school, college, or university nor its employees shall allow a respondent access to a protected child's records or release information in those records to the respondent. The school shall file the copy of the order of protection in the records of a child who is a protected person under the order of protection. When a child who is a protected person under the order of protection transfers to another day-care facility, pre-school, pre-kindergarten, public or private school, college, or university, the institution from which the child is transferring may, at the request of the petitioner, provide, within 24 hours of the transfer, written notice of the order of protection, along with a certified copy of the order, to the institution to which the child is transferring.
