

AN ACT concerning transportation.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 1. Purpose. The General Assembly recognizes the desire of many commendable civic organizations and causes to be acknowledged by a special license plate and further recognizes that the issuance of special license plates may raise funds that will benefit these organizations and causes. However, the General Assembly also recognizes that the proliferation of special license plates in Illinois creates a significant challenge to law enforcement officials who are required to be familiar with, recognize, read, and record information from more than 100 types of special license plates now being issued in Illinois. To address this situation, the purpose of this amendatory Act of the 99th General Assembly is to authorize the issuance of Universal special license plates.

Section 5. The Illinois Vehicle Code is amended by changing Section 3-600 and by adding Section 3-699.14 as follows:

(625 ILCS 5/3-600) (from Ch. 95 1/2, par. 3-600)

Sec. 3-600. Requirements for issuance of special plates.

(a) The Secretary of State shall issue only special plates that have been authorized by the General Assembly. Except as

provided in subsection (a-5), the ~~The~~ Secretary of State shall not issue a series of special plates, or Universal special plates associated with an organization authorized to issue decals for Universal special plates, unless applications, as prescribed by the Secretary, have been received for 2,000 ~~10,000~~ plates of that series; ~~except that the Secretary of State may prescribe some other required number of applications if that number is sufficient to pay for the total cost of designing, manufacturing and issuing the special license plate.~~ Where a special plate is authorized by law to raise funds for a specific civic group, charitable entity, or other identified organization, or when the civic group, charitable entity, or organization is authorized to issue decals for Universal special license plates, and where the Secretary of State has not received the required number of applications to issue that special plate within 2 years of the effective date of the Public Act authorizing the special plate or decal, the Secretary of State's authority to issue the special plate or a Universal special plate associated with that decal is nullified. All applications for special plates shall be on a form designated by the Secretary and shall be accompanied by any civic group's, charitable entity's, or other identified fundraising organization's portion of the additional fee associated with that plate or decal. All fees collected under this Section are non-refundable and shall be deposited in the special fund as designated in the enabling legislation,

regardless of whether the plate or decal is produced. Upon the adoption of this amendatory Act of the 99th General Assembly, no further special license plates shall be authorized by the General Assembly unless that special license plate is authorized under subsection (a-5) of this Section.

(a-5) If the General Assembly authorizes the issuance of a special plate that recognizes the applicant's military service or receipt of a military medal or award, the Secretary may immediately begin issuing that special plate.

(b) The Secretary of State, upon issuing a new series of special license plates, shall notify all law enforcement officials of the design, color and other special features of the special license plate series.

(c) This Section shall not apply to the Secretary of State's discretion as established in Section 3-611.

(d) If a law authorizing a special license plate provides that the sponsoring organization is to designate a charitable entity as the recipient of the funds from the sale of that license plate, the designated charitable entity must be in compliance with the registration and reporting requirements of the Charitable Trust Act and the Solicitation for Charity Act. In addition, the charitable entity must annually provide the Secretary of State's office a letter of compliance issued by the Illinois Attorney General's office verifying the entity is in compliance with the Acts.

In the case of a law in effect before the effective date of

this amendatory Act of the 97th General Assembly, the name of the charitable entity which is to receive the funds shall be provided to the Secretary of State within one year after the effective date of this amendatory Act of the 97th General Assembly. In the case of a law that takes effect on or after the effective date of this amendatory Act of the 97th General Assembly, the name of the charitable entity which is to receive the funds shall be provided to the Secretary of State within one year after the law takes effect. If the organization fails to designate an appropriate charitable entity within the one-year period, or if the designated charitable entity fails to annually provide the Secretary of State a letter of compliance issued by the Illinois Attorney General's office, any funds collected from the sale of plates authorized for that organization and not previously disbursed shall be transferred to the General Revenue Fund, and the special plates shall be discontinued.

(e) If fewer than 1,000 sets of any special license plate authorized by law and issued by the Secretary of State are actively registered for 2 consecutive calendar years, the Secretary of State may discontinue the issuance of that special license plate or require that special license plate to be exchanged for Universal special plates with appropriate decals.

(f) Where special license plates have been discontinued pursuant to subsection (d) or (e) of this Section, or when the

special license plates are required to be exchanged for Universal special plates under subsection (e) of this Section, all previously issued plates of that type shall be recalled. Owners of vehicles which were registered with recalled plates shall not be charged a reclassification or registration sticker replacement plate fee upon the issuance of new plates for those vehicles.

(g) Any special plate that is authorized to be issued for motorcycles may also be issued for autocycles.

(625 ILCS 5/3-699.14 new)

Sec. 3-699.14. Universal special license plates.

(a) In addition to any other special license plate, the Secretary, upon receipt of all applicable fees and applications made in the form prescribed by the Secretary, may issue Universal special license plates to residents of Illinois on behalf of organizations that have been authorized by the General Assembly to issue decals for Universal special license plates. Appropriate documentation, as determined by the Secretary, shall accompany each application. Authorized organizations shall be designated by amendment to this Section. When applying for a Universal special license plate the applicant shall inform the Secretary of the name of the authorized organization from which the applicant will obtain a decal to place on the plate. The Secretary shall make a record

of that organization and that organization shall remain affiliated with that plate until the plate is surrendered, revoked, or otherwise cancelled. The authorized organization may charge a fee to offset the cost of producing and distributing the decal, but that fee shall be retained by the authorized organization and shall be separate and distinct from any registration fees charged by the Secretary. No decal, sticker, or other material may be affixed to a Universal special license plate other than a decal authorized by the General Assembly in this Section or a registration renewal sticker. The special plates issued under this Section shall be affixed only to passenger vehicles of the first division, including motorcycles and autocycles, or motor vehicles of the second division weighing not more than 8,000 pounds. Plates issued under this Section shall expire according to the multi-year procedure under Section 3-414.1 of this Code.

(b) The design, color, and format of the Universal special license plate shall be wholly within the discretion of the Secretary. Universal special license plates are not required to designate "Land of Lincoln", as prescribed in subsection (b) of Section 3-412 of this Code. The design shall allow for the application of a decal to the plate. Organizations authorized by the General Assembly to issue decals for Universal special license plates shall comply with rules adopted by the Secretary governing the requirements for and approval of Universal special license plate decals. The Secretary may, in his or her

discretion, allow Universal special license plates to be issued as vanity or personalized plates in accordance with Section 3-405.1 of this Code. The Secretary of State must make a version of the special registration plates authorized under this Section in a form appropriate for motorcycles and autocycles.

(c) When authorizing a Universal special license plate, the General Assembly shall set forth whether an additional fee is to be charged for the plate and, if a fee is to be charged, the amount of the fee and how the fee is to be distributed. When necessary, the authorizing language shall create a special fund in the State treasury into which fees may be deposited for an authorized Universal special license plate. Additional fees may only be charged if the fee is to be paid over to a State agency or to a charitable entity that is in compliance with the registration and reporting requirements of the Charitable Trust Act and the Solicitation for Charity Act. Any charitable entity receiving fees for the sale of Universal special license plates shall annually provide the Secretary of State a letter of compliance issued by the Attorney General verifying that the entity is in compliance with the Charitable Trust Act and the Solicitation for Charity Act.

(d) Upon original issuance and for each registration renewal period, in addition to the appropriate registration fee, if applicable, the Secretary shall collect any additional fees, if required, for issuance of Universal special license

plates. The fees shall be collected on behalf of the organization designated by the applicant when applying for the plate. All fees collected shall be transferred to the State agency on whose behalf the fees were collected, or paid into the special fund designated in the law authorizing the organization to issue decals for Universal special license plates. All money in the designated fund shall be distributed by the Secretary subject to appropriation by the General Assembly.

(625 ILCS 5/3-633 rep.)

Section 10. The Illinois Vehicle Code is amended by repealing Section 3-633.

Section 15. "An Act concerning transportation", approved August 10, 2015, Public Act 99-333, is amended by adding Section 99 as follows:

(P.A. 99-333, Sec. 99 new)

Sec. 99. Effective date. This Act takes effect December 30, 2015.

Section 20. If and only if Senate Bill 627 of the 99th General Assembly becomes law as passed by both houses, then the Illinois Vehicle Code is amended by changing Sections 6-205 and 6-206 as follows:

(625 ILCS 5/6-205)

Sec. 6-205. Mandatory revocation of license or permit;
Hardship cases.

(a) Except as provided in this Section, the Secretary of State shall immediately revoke the license, permit, or driving privileges of any driver upon receiving a report of the driver's conviction of any of the following offenses:

1. Reckless homicide resulting from the operation of a motor vehicle;

2. Violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof;

3. Any felony under the laws of any State or the federal government in the commission of which a motor vehicle was used;

4. Violation of Section 11-401 of this Code relating to the offense of leaving the scene of a traffic accident involving death or personal injury;

5. Perjury or the making of a false affidavit or statement under oath to the Secretary of State under this Code or under any other law relating to the ownership or operation of motor vehicles;

6. Conviction upon 3 charges of violation of Section 11-503 of this Code relating to the offense of reckless driving committed within a period of 12 months;

7. Conviction of any offense defined in Section 4-102 of this Code;

8. Violation of Section 11-504 of this Code relating to the offense of drag racing;

9. Violation of Chapters 8 and 9 of this Code;

10. Violation of Section 12-5 of the Criminal Code of 1961 or the Criminal Code of 2012 arising from the use of a motor vehicle;

11. Violation of Section 11-204.1 of this Code relating to aggravated fleeing or attempting to elude a peace officer;

12. Violation of paragraph (1) of subsection (b) of Section 6-507, or a similar law of any other state, relating to the unlawful operation of a commercial motor vehicle;

13. Violation of paragraph (a) of Section 11-502 of this Code or a similar provision of a local ordinance if the driver has been previously convicted of a violation of that Section or a similar provision of a local ordinance and the driver was less than 21 years of age at the time of the offense;

14. Violation of paragraph (a) of Section 11-506 of this Code or a similar provision of a local ordinance

relating to the offense of street racing;

15. A second or subsequent conviction of driving while the person's driver's license, permit or privileges was revoked for reckless homicide or a similar out-of-state offense;

16. Any offense against any provision in this Code, or any local ordinance, regulating the movement of traffic when that offense was the proximate cause of the death of any person. Any person whose driving privileges have been revoked pursuant to this paragraph may seek to have the revocation terminated or to have the length of revocation reduced by requesting an administrative hearing with the Secretary of State prior to the projected driver's license application eligibility date;

17. Violation of subsection (a-2) of Section 11-1301.3 of this Code or a similar provision of a local ordinance;

18. A second or subsequent conviction of illegal possession, while operating or in actual physical control, as a driver, of a motor vehicle, of any controlled substance prohibited under the Illinois Controlled Substances Act, any cannabis prohibited under the Cannabis Control Act, or any methamphetamine prohibited under the Methamphetamine Control and Community Protection Act. A defendant found guilty of this offense while operating a motor vehicle shall have an entry made in the court record by the presiding judge that this offense did occur while

the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b) (3) be

effective immediately.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of

State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the

offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state;

that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an

ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one year period has elapsed during which that person had his or her driving privileges revoked or a one year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a

restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the

revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d) (1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3

of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3.5) If a person's license or permit is revoked or suspended due to a conviction for a violation of

subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one year period has elapsed during which that person had his or her driving privileges revoked or a one year period has elapsed during which that person had a restricted driving permit which required the use of an

ignition interlock device on every motor vehicle owned or operated by that person.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6

month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's

regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to

transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving

permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B-5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an

ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one year period has elapsed during which that person had his or her driving privileges revoked or a one year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of

issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected

driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.
