

AN ACT to revise the law by combining multiple enactments and making technical corrections.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 1. Nature of this Act.

(a) This Act may be cited as the First 2016 General Revisory Act.

(b) This Act is not intended to make any substantive change in the law. It reconciles conflicts that have arisen from multiple amendments and enactments and makes technical corrections and revisions in the law.

This Act revises and, where appropriate, renumbers certain Sections that have been added or amended by more than one Public Act. In certain cases in which a repealed Act or Section has been replaced with a successor law, this Act may incorporate amendments to the repealed Act or Section into the successor law. This Act also corrects errors, revises cross-references, and deletes obsolete text.

(c) In this Act, the reference at the end of each amended Section indicates the sources in the Session Laws of Illinois that were used in the preparation of the text of that Section. The text of the Section included in this Act is intended to include the different versions of the Section found in the Public Acts included in the list of sources, but may not

include other versions of the Section to be found in Public Acts not included in the list of sources. The list of sources is not a part of the text of the Section.

(d) Public Acts 98-1174 through 99-492 were considered in the preparation of the combining revisories included in this Act. Many of those combining revisories contain no striking or underscoring because no additional changes are being made in the material that is being combined.

Sec. 7. Exemptions.

(1) When a request is made to inspect or copy a public record that contains information that is exempt from disclosure under this Section, but also contains information that is not exempt from disclosure, the public body may elect to redact the information that is exempt. The public body shall make the remaining information available for inspection and copying. Subject to this requirement, the following shall be exempt from inspection and copying:

(a) Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing federal or State law.

(b) Private information, unless disclosure is required by another provision of this Act, a State or federal law or a court order.

(b-5) Files, documents, and other data or databases maintained by one or more law enforcement agencies and specifically designed to provide information to one or more law enforcement agencies regarding the physical or mental status of one or more individual subjects.

(c) Personal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, unless the disclosure is consented to in writing by the individual subjects of the information. "Unwarranted invasion of personal privacy" means the disclosure of information that

is highly personal or objectionable to a reasonable person and in which the subject's right to privacy outweighs any legitimate public interest in obtaining the information. The disclosure of information that bears on the public duties of public employees and officials shall not be considered an invasion of personal privacy.

(d) Records in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes, but only to the extent that disclosure would:

(i) interfere with pending or actually and reasonably contemplated law enforcement proceedings conducted by any law enforcement or correctional agency that is the recipient of the request;

(ii) interfere with active administrative enforcement proceedings conducted by the public body that is the recipient of the request;

(iii) create a substantial likelihood that a person will be deprived of a fair trial or an impartial hearing;

(iv) unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or

penal agencies; except that the identities of witnesses to traffic accidents, traffic accident reports, and rescue reports shall be provided by agencies of local government, except when disclosure would interfere with an active criminal investigation conducted by the agency that is the recipient of the request;

(v) disclose unique or specialized investigative techniques other than those generally used and known or disclose internal documents of correctional agencies related to detection, observation or investigation of incidents of crime or misconduct, and disclosure would result in demonstrable harm to the agency or public body that is the recipient of the request;

(vi) endanger the life or physical safety of law enforcement personnel or any other person; or

(vii) obstruct an ongoing criminal investigation by the agency that is the recipient of the request.

(d-5) A law enforcement record created for law enforcement purposes and contained in a shared electronic record management system if the law enforcement agency that is the recipient of the request did not create the record, did not participate in or have a role in any of the events which are the subject of the record, and only has access to the record through the shared electronic record management system.

(e) Records that relate to or affect the security of correctional institutions and detention facilities.

(e-5) Records requested by persons committed to the Department of Corrections if those materials are available in the library of the correctional facility where the inmate is confined.

(e-6) Records requested by persons committed to the Department of Corrections if those materials include records from staff members' personnel files, staff rosters, or other staffing assignment information.

(e-7) Records requested by persons committed to the Department of Corrections if those materials are available through an administrative request to the Department of Corrections.

(f) Preliminary drafts, notes, recommendations, memoranda and other records in which opinions are expressed, or policies or actions are formulated, except that a specific record or relevant portion of a record shall not be exempt when the record is publicly cited and identified by the head of the public body. The exemption provided in this paragraph (f) extends to all those records of officers and agencies of the General Assembly that pertain to the preparation of legislative documents.

(g) Trade secrets and commercial or financial information obtained from a person or business where the trade secrets or commercial or financial information are

furnished under a claim that they are proprietary, privileged or confidential, and that disclosure of the trade secrets or commercial or financial information would cause competitive harm to the person or business, and only insofar as the claim directly applies to the records requested.

The information included under this exemption includes all trade secrets and commercial or financial information obtained by a public body, including a public pension fund, from a private equity fund or a privately held company within the investment portfolio of a private equity fund as a result of either investing or evaluating a potential investment of public funds in a private equity fund. The exemption contained in this item does not apply to the aggregate financial performance information of a private equity fund, nor to the identity of the fund's managers or general partners. The exemption contained in this item does not apply to the identity of a privately held company within the investment portfolio of a private equity fund, unless the disclosure of the identity of a privately held company may cause competitive harm.

Nothing contained in this paragraph (g) shall be construed to prevent a person or business from consenting to disclosure.

(h) Proposals and bids for any contract, grant, or agreement, including information which if it were

disclosed would frustrate procurement or give an advantage to any person proposing to enter into a contractor agreement with the body, until an award or final selection is made. Information prepared by or for the body in preparation of a bid solicitation shall be exempt until an award or final selection is made.

(i) Valuable formulae, computer geographic systems, designs, drawings and research data obtained or produced by any public body when disclosure could reasonably be expected to produce private gain or public loss. The exemption for "computer geographic systems" provided in this paragraph (i) does not extend to requests made by news media as defined in Section 2 of this Act when the requested information is not otherwise exempt and the only purpose of the request is to access and disseminate information regarding the health, safety, welfare, or legal rights of the general public.

In addition to the foregoing, in the absence of competent evidence presented at such hearing by a party substantially challenging the results of a random sample, or showing a different result obtained by an additional sample, this certificate of a county clerk or board of election commissioners shall be presumed to establish the ratio of valid to invalid signatures within the particular election jurisdiction.

The electoral board shall take up the question as to whether or not the certificate of nomination or nomination papers or petitions are in proper form, and whether or not they were filed within the time and under the conditions required by law, and whether or not they are the genuine certificate of nomination or nomination papers or petitions which they purport to be, and whether or not in the case of the certificate of nomination in question it represents accurately the decision of the caucus or convention issuing it, and in general shall decide whether or not the certificate of nomination or nominating papers or petitions on file are valid or whether the objections thereto should be sustained and the decision of a

Application for a voter's identification card for persons with disabilities or a nursing home resident's identification card shall be made either: (a) in writing, with voter's sworn affidavit, to the county clerk or board of election commissioners, as the case may be, and shall be accompanied by the affidavit of the attending physician specifically describing the nature of the physical incapacity or the fact that the voter is a nursing home resident and is physically unable to be present at the polls on election days; or (b) by presenting, in writing or otherwise, to the county clerk or board of election commissioners, as the case may be, proof that the applicant has secured an Illinois Person with a Disability Identification Card indicating that the person named thereon has a Class 1A or Class 2 disability. Upon the receipt of either the sworn-to application and the physician's affidavit or proof that the applicant has secured an Illinois Person with a Disability Identification Card indicating that the person named thereon has a Class 1A or Class 2 disability, the county clerk or board of election commissioners shall issue a voter's identification card for persons with disabilities or a nursing home resident's identification card. Such identification cards shall be issued for a period of 5 years, upon the expiration of which time the voter may secure a new card by making

application in the same manner as is prescribed for the issuance of an original card, accompanied by a new affidavit of the attending physician. The date of expiration of such five-year period shall be made known to any interested person by the election authority upon the request of such person. Applications for the renewal of the identification cards shall be mailed to the voters holding such cards not less than 3 months prior to the date of expiration of the cards.

Each voter's identification card for persons with disabilities or nursing home resident's identification card shall bear an identification number, which shall be clearly noted on the voter's original and duplicate registration record cards. In the event the holder becomes physically capable of resuming normal voting, he must surrender his voter's identification card for persons with disabilities or nursing home resident's identification card to the county clerk or board of election commissioners before the next election.

The holder of a voter's identification card for persons with disabilities or a nursing home resident's identification card may make application by mail for an official ballot within the time prescribed by Section 19-2. Such application shall contain the same information as is included in the form of application for ballot by a physically incapacitated elector prescribed in Section 19-3 except that it shall also include the applicant's voter's identification card for persons with disabilities card number and except that it need not be sworn

to. If an examination of the records discloses that the applicant is lawfully entitled to vote, he shall be mailed a ballot as provided in Section 19-4. The ballot envelope shall be the same as that prescribed in Section 19-5 for voters with physical disabilities, and the manner of voting and returning the ballot shall be the same as that provided in this Article for other vote by mail ballots, except that a statement to be subscribed to by the voter but which need not be sworn to shall be placed on the ballot envelope in lieu of the affidavit prescribed by Section 19-5.

Any person who knowingly subscribes to a false statement in connection with voting under this Section shall be guilty of a Class A misdemeanor.

For the purposes of this Section, "nursing home resident" includes a resident of (i) a federally operated veterans' home, hospital, or facility located in Illinois or (ii) a facility licensed under the ID/DD Community Care Act, the MC/DD Act, or the Specialized Mental Health Rehabilitation Act of 2013. Unless the Commission disapproves such classification plan or any revision thereof within 30 calendar days, the Director shall allocate every such position to one of the classes in the plan. Any employee affected by the allocation of a position to a class shall after filing with the Director of Personnel within 30 calendar days of the allocation a request for reconsideration thereof in such manner and form as the Director may prescribe, be given a reasonable opportunity to be heard by the Director. If the employee does not accept the decision of the Director he may, within 15 calendar days after receipt of the reconsidered decision, appeal to the Merit Commission.

(15 ILCS 335/4) (from Ch. 124, par. 24)

Sec. 4. Identification Card.

(a) The Secretary of State shall issue a standard Illinois Identification Card to any natural person who is a resident of the State of Illinois who applies for such card, or renewal thereof, or who applies for a standard Illinois Identification Card upon release as a committed person on parole, mandatory

supervised release, aftercare release, final discharge, or pardon from the Department of Corrections or Department of Juvenile Justice by submitting an identification card issued by the Department of Corrections or Department of Juvenile Justice under Section 3-14-1 or Section 3-2.5-70 of the Unified Code of Corrections, together with the prescribed fees. No identification card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The card shall be prepared and supplied by the Secretary of State and shall include a photograph and signature or mark of the applicant. However, the Secretary of State may provide by rule for the issuance of Illinois Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. The Illinois Identification Card may be used for identification purposes in any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

(a-5) If an applicant for an identification card has a current driver's license or instruction permit issued by the

Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(a-10) If the applicant is a judicial officer as defined in Section 1-10 of the Judicial Privacy Act or a peace officer, the applicant may elect to have his or her office or work address listed on the card instead of the applicant's residence or mailing address. The Secretary may promulgate rules to implement this provision. For the purposes of this subsection (a-10), "peace officer" means any person who by virtue of his or her office or public employment is vested by law with a duty to maintain public order or to make arrests for a violation of any penal statute of this State, whether that duty extends to all violations or is limited to specific violations.

(a-15) The Secretary of State may provide for an expedited process for the issuance of an Illinois Identification Card. The Secretary shall charge an additional fee for the expedited issuance of an Illinois Identification Card, to be set by rule, not to exceed \$75. All fees collected by the Secretary for expedited Illinois Identification Card service shall be deposited into the Secretary of State Special Services Fund. The Secretary may adopt rules regarding the eligibility, process, and fee for an expedited Illinois Identification Card. If the Secretary of State determines that the volume of

expedited identification card requests received on a given day exceeds the ability of the Secretary to process those requests in an expedited manner, the Secretary may decline to provide expedited services, and the additional fee for the expedited service shall be refunded to the applicant.

(b) The Secretary of State shall issue a special Illinois Identification Card, which shall be known as an Illinois Person with a Disability Identification Card, to any natural person who is a resident of the State of Illinois, who is a person with a disability as defined in Section 4A of this Act, who applies for such card, or renewal thereof. No Illinois Person with a Disability Identification Card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the Secretary of State, and shall include a photograph and signature or mark of the applicant, a designation indicating that the card is an Illinois Person with a Disability Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in Section 4A of this Act. However, the Secretary of State may provide by rule for the issuance of Illinois Person with a Disability Identification Cards without photographs if the applicant has a bona fide religious

objection to being photographed or to the display of his or her photograph. If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Person with a Disability Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Person with a Disability Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant, a determination of disability from an advanced practice nurse, or any other documentation of disability whenever any State law requires that a person with a disability provide such documentation of disability, however an Illinois Person with a Disability Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Notwithstanding any other provisions of law, an Illinois Person with a Disability Identification Card, or evidence that the Secretary of State has issued an Illinois Person with a Disability Identification Card, shall not be used by any person

other than the person named on such card to prove that the person named on such card is a person with a disability or for any other purpose unless the card is used for the benefit of the person named on such card, and the person named on such card consents to such use at the time the card is so used.

An optometrist's determination of a visual disability under Section 4A of this Act is acceptable as documentation for the purpose of issuing an Illinois Person with a Disability Identification Card.

When medical information is contained on an Illinois Person with a Disability Identification Card, the Office of the Secretary of State shall not be liable for any actions taken based upon that medical information.

(c) The Secretary of State shall provide that each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall be of a distinct nature from those Illinois Identification Cards or Illinois Person with a Disability Identification Cards issued to individuals 21 years of age or older. The color designated for Illinois Identification Cards or Illinois Person with a Disability Identification Cards for persons under the age of 21 shall be at the discretion of the Secretary of State.

(c-1) Each original or renewal Illinois Identification Card or Illinois Person with a Disability Identification Card issued to a person under the age of 21 shall display the date

upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(c-3) The General Assembly recognizes the need to identify military veterans living in this State for the purpose of ensuring that they receive all of the services and benefits to which they are legally entitled, including healthcare, education assistance, and job placement. To assist the State in identifying these veterans and delivering these vital services and benefits, the Secretary of State is authorized to issue Illinois Identification Cards and Illinois Person with a Disability Identification Cards with the word "veteran" appearing on the face of the cards. This authorization is predicated on the unique status of veterans. The Secretary may not issue any other identification card which identifies an occupation, status, affiliation, hobby, or other unique characteristics of the identification card holder which is unrelated to the purpose of the identification card.

(c-5) Beginning on or before July 1, 2015, the Secretary of State shall designate a space on each original or renewal identification card where, at the request of the applicant, the word "veteran" shall be placed. The veteran designation shall be available to a person identified as a veteran under subsection (b) of Section 5 of this Act who was discharged or separated under honorable conditions.

(d) The Secretary of State may issue a Senior Citizen discount card, to any natural person who is a resident of the

State of Illinois who is 60 years of age or older and who applies for such a card or renewal thereof. The Secretary of State shall charge no fee to issue such card. The card shall be issued in every county and applications shall be made available at, but not limited to, nutrition sites, senior citizen centers and Area Agencies on Aging. The applicant, upon receipt of such card and prior to its use for any purpose, shall have affixed thereon in the space provided therefor his signature or mark.

(e) The Secretary of State, in his or her discretion, may designate on each Illinois Identification Card or Illinois Person with a Disability Identification Card a space where the card holder may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall indicate in appropriate language that the card holder has renewed his or her Illinois Identification Card or Illinois Person with a Disability Identification Card.

Section 60. The Children and Family Services Act is amended by changing Section 7 as follows:

(20 ILCS 505/7) (from Ch. 23, par. 5007)

Sec. 7. Placement of children; considerations.

(a) In placing any child under this Act, the Department shall place the child, as far as possible, in the care and custody of some individual holding the same religious belief as the parents of the child, or with some child care facility which is operated by persons of like religious faith as the parents of such child.

(a-5) In placing a child under this Act, the Department shall place the child with the child's sibling or siblings under Section 7.4 of this Act unless the placement is not in each child's best interest, or is otherwise not possible under the Department's rules. If the child is not placed with a sibling under the Department's rules, the Department shall consider placements that are likely to develop, preserve, nurture, and support sibling relationships, where doing so is in each child's best interest.

(b) In placing a child under this Act, the Department may place a child with a relative if the Department determines that the relative will be able to adequately provide for the child's safety and welfare based on the factors set forth in the Department's rules governing relative placements, and that the placement is consistent with the child's best interests, taking into consideration the factors set out in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

When the Department first assumes custody of a child, in placing that child under this Act, the Department shall make reasonable efforts to identify, locate, and provide notice to all adult grandparents and other adult relatives of the child who are ready, willing, and able to care for the child. At a minimum, these efforts shall be renewed each time the child requires a placement change and it is appropriate for the child to be cared for in a home environment. The Department must document its efforts to identify, locate, and provide notice to such potential relative placements and maintain the documentation in the child's case file.

If the Department determines that a placement with any identified relative is not in the child's best interests or that the relative does not meet the requirements to be a relative caregiver, as set forth in Department rules or by statute, the Department must document the basis for that decision and maintain the documentation in the child's case file.

If, pursuant to the Department's rules, any person files an administrative appeal of the Department's decision not to place a child with a relative, it is the Department's burden to prove that the decision is consistent with the child's best interests.

When the Department determines that the child requires placement in an environment, other than a home environment, the Department shall continue to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources, except when the Department determines that those efforts would be futile or inconsistent with the child's best interests.

If the Department determines that efforts to identify and locate relatives would be futile or inconsistent with the child's best interests, the Department shall document the basis of its determination and maintain the documentation in the child's case file.

If the Department determines that an individual or a group of relatives are inappropriate to serve as visitation resources or possible placement resources, the Department shall document the basis of its determination and maintain the documentation in the child's case file.

When the Department determines that an individual or a group of relatives are appropriate to serve as visitation resources or possible future placement resources, the Department shall document the basis of its determination,

maintain the documentation in the child's case file, create a visitation or transition plan, or both, and incorporate the visitation or transition plan, or both, into the child's case plan. For the purpose of this subsection, any determination as to the child's best interests shall include consideration of the factors set out in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department may not place a child with a relative, with the exception of certain circumstances which may be waived as defined by the Department in rules, if the results of a check of the Law Enforcement Agencies Data System (LEADS) identifies a prior criminal conviction of the relative or any adult member of the relative's household for any of the following offenses under the Criminal Code of 1961 or the Criminal Code of 2012:

- (1) murder;
  - (1.1) solicitation of murder;
  - (1.2) solicitation of murder for hire;
  - (1.3) intentional homicide of an unborn child;
  - (1.4) voluntary manslaughter of an unborn child;
  - (1.5) involuntary manslaughter;
  - (1.6) reckless homicide;
  - (1.7) concealment of a homicidal death;
  - (1.8) involuntary manslaughter of an unborn child;
  - (1.9) reckless homicide of an unborn child;
  - (1.10) drug-induced homicide;
- (2) a sex offense under Article 11, except offenses

For children who have been in the guardianship of the Department, have been adopted, and are subsequently returned to

the temporary custody or guardianship of the Department, a "relative" may also include any person who would have qualified as a relative under this paragraph prior to the adoption, but only if the Department determines, and documents, that it would be in the child's best interests to consider this person a relative, based upon the factors for determining best interests set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987. A relative with whom a child is placed pursuant to this subsection may, but is not required to, apply for licensure as a foster family home pursuant to the Child Care Act of 1969; provided, however, that as of July 1, 1995, foster care payments shall be made only to licensed foster family homes pursuant to the terms of Section 5 of this Act.

Notwithstanding any other provision under this subsection to the contrary, a fictive kin with whom a child is placed pursuant to this subsection shall apply for licensure as a foster family home pursuant to the Child Care Act of 1969 within 6 months of the child's placement with the fictive kin. The Department shall not remove a child from the home of a fictive kin on the basis that the fictive kin fails to apply for licensure within 6 months of the child's placement with the fictive kin, or fails to meet the standard for licensure. All other requirements established under the rules and procedures of the Department concerning the placement of a child, for whom the Department is legally responsible, with a relative shall apply. By June 1, 2015, the Department shall promulgate rules

establishing criteria and standards for placement, identification, and licensure of fictive kin.

For purposes of this subsection, "fictive kin" means any individual, unrelated by birth or marriage, who is shown to have close personal or emotional ties with the child or the child's family prior to the child's placement with the individual.

The provisions added to this subsection (b) by Public Act 98-846 ~~this amendatory Act of the 98th General Assembly~~ shall become operative on and after June 1, 2015.

(c) In placing a child under this Act, the Department shall ensure that the child's health, safety, and best interests are met. In rejecting placement of a child with an identified relative, the Department shall ensure that the child's health, safety, and best interests are met. In evaluating the best interests of the child, the Department shall take into consideration the factors set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall consider the individual needs of the child and the capacity of the prospective foster or adoptive parents to meet the needs of the child. When a child must be placed outside his or her home and cannot be immediately returned to his or her parents or guardian, a comprehensive, individualized assessment shall be performed of that child at which time the needs of the child shall be determined. Only if race, color, or national origin is identified as a legitimate

factor in advancing the child's best interests shall it be considered. Race, color, or national origin shall not be routinely considered in making a placement decision. The Department shall make special efforts for the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of the children for whom foster and adoptive homes are needed. "Special efforts" shall include contacting and working with community organizations and religious organizations and may include contracting with those organizations, utilizing local media and other local resources, and conducting outreach activities.

(c-1) At the time of placement, the Department shall consider concurrent planning, as described in subsection (1-1) of Section 5, so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

(d) The Department may accept gifts, grants, offers of services, and other contributions to use in making special recruitment efforts.

(e) The Department in placing children in adoptive or foster care homes may not, in any policy or practice relating to the placement of children for adoption or foster care, discriminate against any child or prospective adoptive or foster parent on the basis of race.

The Department of State Police shall investigate any report from a State-operated facility indicating a possible murder, sexual assault, or other felony by an employee. All investigations conducted by the Inspector General shall be conducted in a manner designed to ensure the preservation of evidence for possible use in a criminal prosecution.

Upon receipt of a reportable allegation regarding an adult student with a disability, the Department's Office of the Inspector General shall determine whether the allegation meets the criteria for the Domestic Abuse Program under the Abuse of Adults with Disabilities Intervention Act. All investigative reports prepared by the Office of the Inspector General shall be considered confidential and shall not be released except as provided by the law of this State or as required under applicable federal law. Unsubstantiated and unfounded reports shall not be disclosed except as allowed under Section 6 of the Abused and Neglected Long Term Care Facility Residents Reporting Act. Raw data used to compile the investigative report shall not be subject to release unless required by law or a court order. "Raw data used to compile the investigative report" includes, but is not limited to, any one or more of the following: the initial complaint, witness statements, photographs, investigator's notes, police reports, or incident reports. If the allegations are substantiated, the accused shall be provided with a redacted copy of the investigative report. (n) Written responses and reconsideration requests.

(1) Written responses. Within 30 calendar days from

receipt of a substantiated investigative report or an investigative report which contains recommendations, absent a reconsideration request, the facility or agency shall file a written response that addresses, in a concise and reasoned manner, the actions taken to: (i) protect the individual; (ii) prevent recurrences; and (iii) eliminate the problems identified. The response shall include the implementation and completion dates of such actions. If the written response is not filed within the allotted 30 calendar day period, the Secretary shall determine the appropriate corrective action to be taken.

(2) Reconsideration requests. The facility, agency, victim or guardian, or the subject employee may request that the Office of Inspector General reconsider or clarify its finding based upon additional information.

(o) Disclosure of the finding by the Inspector General. The Inspector General shall disclose the finding of an investigation to the following persons: (i) the Governor, (ii) the Secretary, (iii) the director of the facility or agency, (iv) the alleged victims and their guardians, (v) the complainant, and (vi) the accused. This information shall include whether the allegations were deemed substantiated, unsubstantiated, or unfounded.

(p) Secretary review. Upon review of the Inspector General's investigative report and any agency's or facility's written response, the Secretary shall accept or reject the

written response and notify the Inspector General of that determination. The Secretary may further direct that other administrative action be taken, including, but not limited to, any one or more of the following: (i) additional site visits, (ii) training, (iii) provision of technical assistance relative to administrative needs, licensure or certification, or (iv) the imposition of appropriate sanctions.

(q) Action by facility or agency. Within 30 days of the date the Secretary approves the written response or directs that further administrative action be taken, the facility or agency shall provide an implementation report to the Inspector General that provides the status of the action taken. The facility or agency shall be allowed an additional 30 days to send notice of completion of the action or to send an updated implementation report. If the action has not been completed within the additional 30 day period, the facility or agency shall send updated implementation reports every 60 days until completion. The Inspector General shall conduct a review of any implementation plan that takes more than 120 days after approval to complete, and shall monitor compliance through a random review of approved written responses, which may include, but are not limited to: (i) site visits, (ii) telephone contact, and (iii) requests for additional documentation evidencing compliance.

(r) Sanctions. Sanctions, if imposed by the Secretary under Subdivision (p)(iv) of this Section, shall be designed to

prevent further acts of mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation or some combination of one or more of those acts at a facility or agency, and may include any one or more of the following:

- (1) Appointment of on-site monitors.
- (2) Transfer or relocation of an individual or individuals.
- (3) Closure of units.
- (4) Termination of any one or more of the following:
  - (i) Department licensing,
  - (ii) funding,
  - or
  - (iii) certification.

The Inspector General may seek the assistance of the Illinois Attorney General or the office of any State's Attorney in implementing sanctions.

(s) Health care worker registry.

(1) Reporting to the registry. The Inspector General shall report to the Department of Public Health's health care worker registry, a public registry, the identity and finding of each employee of a facility or agency against whom there is a final investigative report containing a substantiated allegation of physical or sexual abuse, financial exploitation, or egregious neglect of an individual.

(2) Notice to employee. Prior to reporting the name of an employee, the employee shall be notified of the Department's obligation to report and shall be granted an

opportunity to request an administrative hearing, the sole purpose of which is to determine if the substantiated finding warrants reporting to the registry. Notice to the employee shall contain a clear and concise statement of the grounds on which the report to the registry is based, offer the employee an opportunity for a hearing, and identify the process for requesting such a hearing. Notice is sufficient if provided by certified mail to the employee's last known address. If the employee fails to request a hearing within 30 days from the date of the notice, the Inspector General shall report the name of the employee to the registry. Nothing in this subdivision (s) (2) shall diminish or impair the rights of a person who is a member of a collective bargaining unit under the Illinois Public Labor Relations Act or under any other federal labor statute.

(3) Registry hearings. If the employee requests an administrative hearing, the employee shall be granted an opportunity to appear before an administrative law judge to present reasons why the employee's name should not be reported to the registry. The Department shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that the substantiated finding warrants reporting to the registry. After considering all the evidence presented, the administrative law judge shall make a recommendation to the Secretary as to whether the substantiated finding warrants reporting

the name of the employee to the registry. The Secretary shall render the final decision. The Department and the employee shall have the right to request that the administrative law judge consider a stipulated disposition of these proceedings.

(4) Testimony at registry hearings. A person who makes a report or who investigates a report under this Act shall testify fully in any judicial proceeding resulting from such a report, as to any evidence of abuse or neglect, or the cause thereof. No evidence shall be excluded by reason of any common law or statutory privilege relating to communications between the alleged perpetrator of abuse or neglect, or the individual alleged as the victim in the report, and the person making or investigating the report. Testimony at hearings is exempt from the confidentiality requirements of subsection (f) of Section 10 of the Mental Health and Developmental Disabilities Confidentiality Act.

(5) Employee's rights to collateral action. No reporting to the registry shall occur and no hearing shall be set or proceed if an employee notifies the Inspector General in writing, including any supporting documentation, that he or she is formally contesting an adverse employment action resulting from a substantiated finding by complaint filed with the Illinois Civil Service Commission, or which otherwise seeks to enforce the employee's rights pursuant to any applicable collective

bargaining agreement. If an action taken by an employer against an employee as a result of a finding of physical abuse, sexual abuse, or egregious neglect is overturned through an action filed with the Illinois Civil Service Commission or under any applicable collective bargaining agreement and if that employee's name has already been sent to the registry, the employee's name shall be removed from the registry.

(6) Removal from registry. At any time after the report to the registry, but no more than once in any 12-month period, an employee may petition the Department in writing to remove his or her name from the registry. Upon receiving notice of such request, the Inspector General shall conduct an investigation into the petition. Upon receipt of such request, an administrative hearing will be set by the Department. At the hearing, the employee shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that removal of the name from the registry is in the public interest. The parties may jointly request that the administrative law judge consider a stipulated disposition of these proceedings.

(t) Review of Administrative Decisions. The Department shall preserve a record of all proceedings at any formal hearing conducted by the Department involving health care worker registry hearings. Final administrative decisions of the Department are subject to judicial review pursuant to

provisions of the Administrative Review Law.

(u) Quality Care Board. There is created, within the Office of the Inspector General, a Quality Care Board to be composed of 7 members appointed by the Governor with the advice and consent of the Senate. One of the members shall be designated as chairman by the Governor. Of the initial appointments made by the Governor, 4 Board members shall each be appointed for a term of 4 years and 3 members shall each be appointed for a term of 2 years. Upon the expiration of each member's term, a successor shall be appointed for a term of 4 years. In the case of a vacancy in the office of any member, the Governor shall appoint a successor for the remainder of the unexpired term.

Members appointed by the Governor shall be qualified by professional knowledge or experience in the area of law, investigatory techniques, or in the area of care of the mentally ill or care of persons with developmental disabilities. Two members appointed by the Governor shall be persons with a disability or a parent of a person with a disability. Members shall serve without compensation, but shall be reimbursed for expenses incurred in connection with the performance of their duties as members.

The Board shall meet quarterly, and may hold other meetings on the call of the chairman. Four members shall constitute a quorum allowing the Board to conduct its business. The Board may adopt rules and regulations it deems necessary to govern its own procedures.

The Board shall monitor and oversee the operations, policies, and procedures of the Inspector General to ensure the prompt and thorough investigation of allegations of neglect and abuse. In fulfilling these responsibilities, the Board may do the following:

(1) Provide independent, expert consultation to the Inspector General on policies and protocols for investigations of alleged abuse, neglect, or both abuse and neglect.

(2) Review existing regulations relating to the operation of facilities.

(3) Advise the Inspector General as to the content of training activities authorized under this Section.

(4) Recommend policies concerning methods for improving the intergovernmental relationships between the Office of the Inspector General and other State or federal offices.

(v) Annual report. The Inspector General shall provide to the General Assembly and the Governor, no later than January 1 of each year, a summary of reports and investigations made under this Act for the prior fiscal year with respect to individuals receiving mental health or developmental disabilities services. The report shall detail the imposition of sanctions, if any, and the final disposition of any corrective or administrative action directed by the Secretary. The summaries shall not contain any confidential or identifying

information of any individual, but shall include objective data identifying any trends in the number of reported allegations, the timeliness of the Office of the Inspector General's investigations, and their disposition, for each facility and Department-wide, for the most recent 3-year time period. The report shall also identify, by facility, the staff-to-patient ratios taking account of direct care staff only. The report shall also include detailed recommended administrative actions and matters for consideration by the General Assembly.

(w) Program audit. The Auditor General shall conduct a program audit of the Office of the Inspector General on an as-needed basis, as determined by the Auditor General. The audit shall specifically include the Inspector General's compliance with the Act and effectiveness in investigating reports of allegations occurring in any facility or agency. The Auditor General shall conduct the program audit according to the provisions of the Illinois State Auditing Act and shall report its findings to the General Assembly no later than January 1 following the audit period.

(x) Nothing in this Section shall be construed to mean that a patient is a victim of abuse or neglect because of health care services appropriately provided or not provided by health care professionals.

(y) Nothing in this Section shall require a facility, including its employees, agents, medical staff members, and health care professionals, to provide a service to a patient in

contravention of that patient's stated or implied objection to the provision of that service on the ground that that service conflicts with the patient's religious beliefs or practices, nor shall the failure to provide a service to a patient be considered abuse under this Section if the patient has objected to the provision of that service based on his or her religious beliefs or practices.

(1) To authorize examinations in English to ascertain the qualifications and fitness of applicants to exercise the profession, trade, or occupation for which the examination is held.

(2) To prescribe rules and regulations for a fair and wholly impartial method of examination of candidates to

exercise the respective professions, trades, or occupations.

(4) To prescribe rules and regulations defining, for the respective professions, trades, and occupations, what shall constitute a school, college, or university, or department of a university, or other institution, reputable and in good standing, and to determine the reputability and good standing of a school, college, or university, or department of a university, or other institution, reputable and in good standing, by reference to a compliance with those rules and regulations; provided, that no school, college, or university, or department of a university, or other institution that refuses admittance to applicants solely on account of race, color, creed, sex, sexual orientation, or national origin shall be considered reputable and in good standing.

(5) To conduct hearings on proceedings to revoke, suspend, refuse to renew, place on probationary status, or take other disciplinary action as authorized in any licensing Act administered by the Department with regard to licenses, certificates, or authorities of persons exercising the respective professions, trades, or occupations and to revoke, suspend, refuse to renew, place

on probationary status, or take other disciplinary action as authorized in any licensing Act administered by the Department with regard to those licenses, certificates, or authorities.

The Department shall issue a monthly disciplinary report.

The Department shall deny any license or renewal authorized by the Civil Administrative Code of Illinois to any person who has defaulted on an educational loan or scholarship provided by or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State; however, the Department may issue a license or renewal if the aforementioned persons have established a satisfactory repayment record as determined by the Illinois Student Assistance Commission or other appropriate governmental agency of this State. Additionally, beginning June 1, 1996, any license issued by the Department may be suspended or revoked if the Department, after the opportunity for a hearing under the appropriate licensing Act, finds that the licensee has failed to make satisfactory repayment to the Illinois Student Assistance Commission for a delinquent or defaulted loan. For the purposes of this Section, "satisfactory repayment record" shall be defined by rule.

The Department shall refuse to issue or renew a license to, or shall suspend or revoke a license of, any person

who, after receiving notice, fails to comply with a subpoena or warrant relating to a paternity or child support proceeding. However, the Department may issue a license or renewal upon compliance with the subpoena or warrant.

The Department, without further process or hearings, shall revoke, suspend, or deny any license or renewal authorized by the Civil Administrative Code of Illinois to a person who is certified by the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) as being more than 30 days delinquent in complying with a child support order or who is certified by a court as being in violation of the Non-Support Punishment Act for more than 60 days. The Department may, however, issue a license or renewal if the person has established a satisfactory repayment record as determined by the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) or if the person is determined by the court to be in compliance with the Non-Support Punishment Act. The Department may implement this paragraph as added by Public Act 89-6 through the use of emergency rules in accordance with Section 5-45 of the Illinois Administrative Procedure Act. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to implement this paragraph shall be considered an emergency and necessary for the public interest, safety,

and welfare.

(6) To transfer jurisdiction of any realty under the control of the Department to any other department of the State Government or to acquire or accept federal lands when the transfer, acquisition, or acceptance is advantageous to the State and is approved in writing by the Governor.

(7) To formulate rules and regulations necessary for the enforcement of any Act administered by the Department.

(8) To exchange with the Department of Healthcare and Family Services information that may be necessary for the enforcement of child support orders entered pursuant to the Illinois Public Aid Code, the Illinois Marriage and Dissolution of Marriage Act, the Non-Support of Spouse and Children Act, the Non-Support Punishment Act, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, the Illinois Parentage Act of 1984, or the Illinois Parentage Act of 2015. Notwithstanding any provisions in this Code to the contrary, the Department of Professional Regulation shall not be liable under any federal or State law to any person for any disclosure of information to the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) under this paragraph (8) or for any other action taken in good faith to comply with the requirements of this paragraph (8).

(8.5) To accept continuing education credit for

mandated reporter training on how to recognize and report child abuse offered by the Department of Children and Family Services and completed by any person who holds a professional license issued by the Department and who is a mandated reporter under the Abused and Neglected Child Reporting Act. The Department shall adopt any rules necessary to implement this paragraph.

(9) To perform other duties prescribed by law.

(a-5) Except in cases involving default on an educational loan or scholarship provided by or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State or in cases involving delinquency in complying with a child support order or violation of the Non-Support Punishment Act and notwithstanding anything that may appear in any individual licensing Act or administrative rule, no person or entity whose license, certificate, or authority has been revoked as authorized in any licensing Act administered by the Department may apply for restoration of that license, certification, or authority until 3 years after the effective date of the revocation.

(b) The Department may, when a fee is payable to the Department for a wall certificate of registration provided by the Department of Central Management Services, require that portion of the payment for printing and distribution costs be made directly or through the Department to the Department of Central Management Services for deposit into the Paper and

Printing Revolving Fund. The remainder shall be deposited into the General Revenue Fund.

(c) For the purpose of securing and preparing evidence, and for the purchase of controlled substances, professional services, and equipment necessary for enforcement activities, recoupment of investigative costs, and other activities directed at suppressing the misuse and abuse of controlled substances, including those activities set forth in Sections 504 and 508 of the Illinois Controlled Substances Act, the Director and agents appointed and authorized by the Director may expend sums from the Professional Regulation Evidence Fund that the Director deems necessary from the amounts appropriated for that purpose. Those sums may be advanced to the agent when the Director deems that procedure to be in the public interest. Sums for the purchase of controlled substances, professional services, and equipment necessary for enforcement activities and other activities as set forth in this Section shall be advanced to the agent who is to make the purchase from the Professional Regulation Evidence Fund on vouchers signed by the Director. The Director and those agents are authorized to maintain one or more commercial checking accounts with any State banking corporation or corporations organized under or subject to the Illinois Banking Act for the deposit and withdrawal of moneys to be used for the purposes set forth in this Section; provided, that no check may be written nor any withdrawal made from any such account except upon the written

signatures of 2 persons designated by the Director to write those checks and make those withdrawals. Vouchers for those expenditures must be signed by the Director. All such expenditures shall be audited by the Director, and the audit shall be submitted to the Department of Central Management Services for approval.

(d) Whenever the Department is authorized or required by law to consider some aspect of criminal history record information for the purpose of carrying out its statutory powers and responsibilities, then, upon request and payment of fees in conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400), the Department of State Police is authorized to furnish, pursuant to positive identification, the information contained in State files that is necessary to fulfill the request.

(e) The provisions of this Section do not apply to private business and vocational schools as defined by Section 15 of the Private Business and Vocational Schools Act of 2012.

(f) (Blank).

(g) Notwithstanding anything that may appear in any individual licensing statute or administrative rule, the Department shall deny any license application or renewal authorized under any licensing Act administered by the Department to any person who has failed to file a return, or to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest, as

required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirement of any such tax Act are satisfied; however, the Department may issue a license or renewal if the person has established a satisfactory repayment record as determined by the Illinois Department of Revenue. For the purpose of this Section, "satisfactory repayment record" shall be defined by rule.

In addition, a complaint filed with the Department by the Illinois Department of Revenue that includes a certification, signed by its Director or designee, attesting to the amount of the unpaid tax liability or the years for which a return was not filed, or both, is prima facie evidence of the licensee's failure to comply with the tax laws administered by the Illinois Department of Revenue. Upon receipt of that certification, the Department shall, without a hearing, immediately suspend all licenses held by the licensee. Enforcement of the Department's order shall be stayed for 60 days. The Department shall provide notice of the suspension to the licensee by mailing a copy of the Department's order by certified and regular mail to the licensee's last known address as registered with the Department. The notice shall advise the licensee that the suspension shall be effective 60 days after the issuance of the Department's order unless the Department receives, from the licensee, a request for a hearing before the Department to dispute the matters contained in the order.

Any suspension imposed under this subsection (g) shall be

terminated by the Department upon notification from the Illinois Department of Revenue that the licensee is in compliance with all tax laws administered by the Illinois Department of Revenue.

The Department may promulgate rules for the administration of this subsection (g).

(h) The Department may grant the title "Retired", to be used immediately adjacent to the title of a profession regulated by the Department, to eligible retirees. For individuals licensed under the Medical Practice Act of 1987, the title "Retired" may be used in the profile required by the Patients' Right to Know Act. The use of the title "Retired" shall not constitute representation of current licensure, registration, or certification. Any person without an active license, registration, or certificate in a profession that requires licensure, registration, or certification shall not be permitted to practice that profession.

(i) Within 180 days after December 23, 2009 (the effective date of Public Act 96-852), the Department shall promulgate rules which permit a person with a criminal record, who seeks a license or certificate in an occupation for which a criminal record is not expressly a per se bar, to apply to the Department for a non-binding, advisory opinion to be provided by the Board or body with the authority to issue the license or certificate as to whether his or her criminal record would bar the individual from the licensure or certification sought,

should the individual meet all other licensure requirements including, but not limited to, the successful completion of the relevant examinations.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were

ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful

completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section.

(2) Minor Traffic Offenses. Orders of supervision or

convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.

(3) Exclusions. Except as otherwise provided in subsections (b) (5), (b) (6), (b) (8), (e), (e-5), and (e-6) of this Section, the court shall not order:

(A) the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or conviction of: (i) any sexual offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, unless the arrest or charge is for a misdemeanor violation of subsection (a) of Section 11-503 or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a) (1) (G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or

charges not initiated by arrest which result in an order of supervision or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or the Criminal Code of 2012 or a similar provision of a local ordinance, except Section 11-14 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(ii) Section 11-1.50, 12-3.4, 12-15, 12-30, 26-5, or 48-1 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(iii) Sections 12-3.1 or 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012, or Section 125 of the Stalking No Contact Order Act, or Section 219 of the Civil No Contact Order Act, or a similar provision of a local ordinance;

(iv) offenses which are Class A misdemeanors under the Humane Care for Animals Act; or

(v) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act.

(D) the sealing of the records of an arrest which results in the petitioner being charged with a felony offense or records of a charge not initiated by arrest

for a felony offense unless:

(i) the charge is amended to a misdemeanor and is otherwise eligible to be sealed pursuant to subsection (c);

(ii) the charge is brought along with another charge as a part of one case and the charge results in acquittal, dismissal, or conviction when the conviction was reversed or vacated, and another charge brought in the same case results in a disposition for a misdemeanor offense that is eligible to be sealed pursuant to subsection (c) or a disposition listed in paragraph (i), (iii), or (iv) of this subsection;

(iii) the charge results in first offender probation as set forth in subsection (c) (2) (E);

(iv) the charge is for a felony offense listed in subsection (c) (2) (F) or the charge is amended to a felony offense listed in subsection (c) (2) (F);

(v) the charge results in acquittal, dismissal, or the petitioner's release without conviction; or

(vi) the charge results in a conviction, but the conviction was reversed or vacated.

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not

initiated by arrest when:

(A) He or she has never been convicted of a criminal offense; and

(B) Each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known

or ascertainable, in lieu of the aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in

connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court that finds the petitioner factually innocent of the charge shall enter an expungement order for the conviction for which the petitioner has been determined to be innocent as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(8) If the petitioner has been granted a certificate of innocence under Section 2-702 of the Code of Civil

Procedure, the court that grants the certificate of innocence shall also enter an order expunging the conviction for which the petitioner has been determined to be innocent as provided in subsection (h) of Section 2-702 of the Code of Civil Procedure.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults.

(2) Eligible Records. The following records may be sealed:

(3) When Records Are Eligible to Be Sealed. Records

identified as eligible under subsection (c)(2) may be sealed as follows:

(A) Records identified as eligible under subsection (c)(2)(A) and (c)(2)(B) may be sealed at any time.

(B) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsection (c)(2)(C) may be sealed 2 years after the termination of petitioner's last sentence (as defined in subsection (a)(1)(F)).

(C) Except as otherwise provided in subparagraph (E) of this paragraph (3), records identified as eligible under subsections (c)(2)(D), (c)(2)(E), and (c)(2)(F) may be sealed 3 years after the termination of the petitioner's last sentence (as defined in subsection (a)(1)(F)).

(D) Records identified in subsection (a)(3)(A)(iii) may be sealed after the petitioner has reached the age of 25 years.

(E) Records identified as eligible under subsections (c)(2)(C), (c)(2)(D), (c)(2)(E), or (c)(2)(F) may be sealed upon termination of the petitioner's last sentence if the petitioner earned a high school diploma, associate's degree, career certificate, vocational technical certification, or bachelor's degree, or passed the high school level Test

of General Educational Development, during the period of his or her sentence, aftercare release, or mandatory supervised release. This subparagraph shall apply only to a petitioner who has not completed the same educational goal prior to the period of his or her sentence, aftercare release, or mandatory supervised release. If a petition for sealing eligible records filed under this subparagraph is denied by the court, the time periods under subparagraph (B) or (C) shall apply to any subsequent petition for sealing filed by the petitioner.

(4) Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (c) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (c). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b), (e), and (e-6) and sealing

under subsections (c) and (e-5):

(1) Filing the petition. Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, if not waived.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address. If the petitioner has received a certificate of eligibility for sealing from the Prisoner Review Board under paragraph (10) of subsection (a) of Section 3-3-2 of the Unified Code of Corrections, the certificate shall be attached to the petition.

(3) Drug test. The petitioner must attach to the petition proof that the petitioner has passed a test taken

within 30 days before the filing of the petition showing the absence within his or her body of all illegal substances as defined by the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, and the Cannabis Control Act if he or she is petitioning to:

(A) seal felony records under clause (c) (2) (E);

(B) seal felony records for a violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act under clause (c) (2) (F);

(C) seal felony records under subsection (e-5); or

(D) expunge felony records of a qualified probation under clause (b) (1) (B) (iv).

(4) Service of petition. The circuit court clerk shall promptly serve a copy of the petition and documentation to support the petition under subsection (e-5) or (e-6) on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest.

(5) Objections.

(A) Any party entitled to notice of the petition may file an objection to the petition. All objections shall be in writing, shall be filed with the circuit court clerk, and shall state with specificity the basis

of the objection. Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, an objection to the petition may not be filed.

(B) Objections to a petition to expunge or seal must be filed within 60 days of the date of service of the petition.

(6) Entry of order.

(A) The Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, if any, shall rule on the petition to expunge or seal as set forth in this subsection (d) (6).

(B) Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency, or the chief legal officer files an objection to the petition to expunge or seal within 60 days from the date of service of the petition, the court shall enter an order granting or denying the petition.

(7) Hearings. If an objection is filed, the court shall set a date for a hearing and notify the petitioner and all parties entitled to notice of the petition of the hearing date at least 30 days prior to the hearing. Prior to the hearing, the State's Attorney shall consult with the

Department as to the appropriateness of the relief sought in the petition to expunge or seal. At the hearing, the court shall hear evidence on whether the petition should or should not be granted, and shall grant or deny the petition to expunge or seal the records based on the evidence presented at the hearing. The court may consider the following:

(A) the strength of the evidence supporting the defendant's conviction;

(B) the reasons for retention of the conviction records by the State;

(C) the petitioner's age, criminal record history, and employment history;

(D) the period of time between the petitioner's arrest on the charge resulting in the conviction and the filing of the petition under this Section; and

(E) the specific adverse consequences the petitioner may be subject to if the petition is denied.

(8) Service of order. After entering an order to expunge or seal records, the court must provide copies of the order to the Department, in a form and manner prescribed by the Department, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest, and to such other criminal justice

agencies as may be ordered by the court.

(9) Implementation of order.

(A) Upon entry of an order to expunge records pursuant to (b) (2) (A) or (b) (2) (B) (ii), or both:

(i) the records shall be expunged (as defined in subsection (a) (1) (E)) by the arresting agency, the Department, and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order; and

(iii) in response to an inquiry for expunged records, the court, the Department, or the agency receiving such inquiry, shall reply as it does in response to inquiries when no records ever existed.

(B) Upon entry of an order to expunge records

pursuant to (b) (2) (B) (i) or (b) (2) (C), or both:

(i) the records shall be expunged (as defined in subsection (a) (1) (E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the

same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for such records from anyone not authorized by law to access such records, the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(B-5) Upon entry of an order to expunge records under subsection (e-6):

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the

circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed under paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for these records from anyone not authorized by law to access the records, the court, the Department, or the agency receiving the inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Upon entry of an order to seal records under subsection (c), the arresting agency, any other agency as ordered by the court, the Department, and the court shall seal the records (as defined in subsection (a) (1) (K)). In response to an inquiry for such records,

from anyone not authorized by law to access such records, the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(D) The Department shall send written notice to the petitioner of its compliance with each order to expunge or seal records within 60 days of the date of service of that order or, if a motion to vacate, modify, or reconsider is filed, within 60 days of service of the order resolving the motion, if that order requires the Department to expunge or seal records. In the event of an appeal from the circuit court order, the Department shall send written notice to the petitioner of its compliance with an Appellate Court or Supreme Court judgment to expunge or seal records within 60 days of the issuance of the court's mandate. The notice is not required while any motion to vacate, modify, or reconsider, or any appeal or petition for discretionary appellate review, is pending.

(10) Fees. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the

petition to seal or expunge, the circuit court clerk shall deposit \$10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and forward the Department of State Police portion of the fee to the Department and it shall be deposited in the State Police Services Fund.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

(12) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner or any party entitled to notice may file a motion to vacate, modify, or reconsider the order granting or denying the petition to expunge or seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure. Upon filing of a motion to vacate, modify, or reconsider, notice of the motion shall be served upon the petitioner and all parties entitled to notice of the petition.

(13) Effect of Order. An order granting a petition under the expungement or sealing provisions of this Section shall not be considered void because it fails to comply with the provisions of this Section or because of any error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable and to vacate, modify, or reconsider its terms based on a motion filed under paragraph (12) of this subsection (d).

(14) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to seal, all parties entitled to notice of the petition must fully comply with the terms of the order within 60 days of service of the order even if a party is seeking relief from the order through a motion filed under paragraph (12) of this subsection (d) or is appealing the order.

(15) Compliance with Order Granting Petition to Expunge Records. While a party is seeking relief from the order granting the petition to expunge through a motion filed under paragraph (12) of this subsection (d) or is appealing the order, and unless a court has entered a stay of that order, the parties entitled to notice of the petition must seal, but need not expunge, the records until there is a final order on the motion for relief or, in the case of an appeal, the issuance of that court's mandate.

(16) The changes to this subsection (d) made by Public Act 98-163 apply to all petitions pending on August 5, 2013 (the effective date of Public Act 98-163) and to all orders ruling on a petition to expunge or seal on or after August 5, 2013 (the effective date of Public Act 98-163).

(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose

of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. The Chairman may approve applications for exemption that meet the criteria set forth in rules or refer them to the full Board. The Chairman may approve any unopposed application that meets all of the review criteria or refer them to the full Board.

Such rules shall not abridge the right of the Center for Comprehensive Health Planning to make recommendations on the classification and approval of projects, nor shall such rules prevent the conduct of a public hearing upon the timely request of an interested party. Such reviews shall not exceed 60 days from the date the application is declared to be complete.

(9) Prescribe rules, regulations, standards, and criteria pertaining to the granting of permits for construction and modifications which are emergent in nature and must be undertaken immediately to prevent or correct structural deficiencies or hazardous conditions that may harm or injure persons using the facility, as defined in the rules and regulations of the State Board. The transcript of the State Board meeting shall be incorporated into the Board's final decision. If the Board denies or fails to approve an application for permit or exemption, the Board shall include in the final decision a detailed explanation as to why the application was denied and

identify what specific criteria or standards the applicant did not fulfill.

(12) Require at least one of its members to participate in any public hearing, after the appointment of a majority of the members to the Board.

(13) Provide a mechanism for the public to comment on, and request changes to, draft rules and standards.

~~institutions~~ of higher education contracting with such firms. Section 155. The Illinois Income Tax Act is amended by changing Sections 304 and 507DDD as follows:

(35 ILCS 5/304) (from Ch. 120, par. 3-304)

Sec. 304. Business income of persons other than residents.

(a) In general. The business income of a person other than a resident shall be allocated to this State if such person's business income is derived solely from this State. If a person other than a resident derives business income from this State and one or more other states, then, for tax years ending on or before December 30, 1998, and except as otherwise provided by this Section, such person's business income shall be apportioned to this State by multiplying the income by a fraction, the numerator of which is the sum of the property factor (if any), the payroll factor (if any) and 200% of the sales factor (if any), and the denominator of which is 4 reduced by the number of factors other than the sales factor which have a denominator of zero and by an additional 2 if the sales factor has a denominator of zero. For tax years ending on or after December 31, 1998, and except as otherwise provided by this Section, persons other than residents who derive business income from this State and one or more other states shall compute their apportionment factor by weighting their property, payroll, and sales factors as provided in subsection (h) of this Section.

(1) Property factor.

(A) The property factor is a fraction, the numerator of which is the average value of the person's real and tangible personal property owned or rented and used in the trade or business in this State during the taxable year and the denominator of which is the average value of all the person's real and tangible personal property owned or rented and used in the trade or business during the taxable year.

(B) Property owned by the person is valued at its original cost. Property rented by the person is valued at 8 times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the person less any annual rental rate received by the person from sub-rentals.

(C) The average value of property shall be determined by averaging the values at the beginning and ending of the taxable year but the Director may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the person's property.

(2) Payroll factor.

(A) The payroll factor is a fraction, the numerator of which is the total amount paid in this State during the taxable year by the person for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year.

(B) Compensation is paid in this State if:

(i) The individual's service is performed entirely within this State;

(ii) The individual's service is performed both within and without this State, but the service performed without this State is incidental to the individual's service performed within this State; or

(iii) Some of the service is performed within this State and either the base of operations, or if there is no base of operations, the place from which the service is directed or controlled is within this State, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this State.

(iv) Compensation paid to nonresident professional athletes.

(a) General. The Illinois source income of a nonresident individual who is a member of a professional athletic team includes the portion of the individual's total compensation for services performed as a member of a professional athletic team during the taxable year which the number of duty days spent within this State performing services for the team in any manner during the taxable year bears to the total number of duty days spent both within and without this

State during the taxable year.

(b) Travel days. Travel days that do not involve either a game, practice, team meeting, or other similar team event are not considered duty days spent in this State. However, such travel days are considered in the total duty days spent both within and without this State.

(c) Definitions. For purposes of this subpart (iv):

(1) The term "professional athletic team" includes, but is not limited to, any professional baseball, basketball, football, soccer, or hockey team.

(2) The term "member of a professional athletic team" includes those employees who are active players, players on the disabled list, and any other persons required to travel and who travel with and perform services on behalf of a professional athletic team on a regular basis. This includes, but is not limited to, coaches, managers, and trainers.

(3) Except as provided in items (C) and (D) of this subpart (3), the term "duty days" means all days during the taxable year from the beginning of the professional athletic team's official pre-season training period through the last game

in which the team competes or is scheduled to compete. Duty days shall be counted for the year in which they occur, including where a team's official pre-season training period through the last game in which the team competes or is scheduled to compete, occurs during more than one tax year.

(A) Duty days shall also include days on which a member of a professional athletic team performs service for a team on a date that does not fall within the foregoing period (e.g., participation in instructional leagues, the "All Star Game", or promotional "caravans"). Performing a service for a professional athletic team includes conducting training and rehabilitation activities, when such activities are conducted at team facilities.

(B) Also included in duty days are game days, practice days, days spent at team meetings, promotional caravans, preseason training camps, and days served with the team through all post-season games in which the team competes or is scheduled to compete.

(C) Duty days for any person who joins a team during the period from the beginning of the professional athletic team's official

pre-season training period through the last game in which the team competes, or is scheduled to compete, shall begin on the day that person joins the team. Conversely, duty days for any person who leaves a team during this period shall end on the day that person leaves the team. Where a person switches teams during a taxable year, a separate duty-day calculation shall be made for the period the person was with each team.

(D) Days for which a member of a professional athletic team is not compensated and is not performing services for the team in any manner, including days when such member of a professional athletic team has been suspended without pay and prohibited from performing any services for the team, shall not be treated as duty days.

(E) Days for which a member of a professional athletic team is on the disabled list and does not conduct rehabilitation activities at facilities of the team, and is not otherwise performing services for the team in Illinois, shall not be considered duty days spent in this State. All days on the disabled list, however, are considered to be included in

total duty days spent both within and without this State.

(4) The term "total compensation for services performed as a member of a professional athletic team" means the total compensation received during the taxable year for services performed:

(A) from the beginning of the official pre-season training period through the last game in which the team competes or is scheduled to compete during that taxable year; and

(B) during the taxable year on a date which does not fall within the foregoing period (e.g., participation in instructional leagues, the "All Star Game", or promotional caravans).

This compensation shall include, but is not limited to, salaries, wages, bonuses as described in this subpart, and any other type of compensation paid during the taxable year to a member of a professional athletic team for services performed in that year. This compensation does not include strike benefits, severance pay, termination pay, contract or option year buy-out payments, expansion or relocation payments, or any other payments not related to services performed for the team.

For purposes of this subparagraph, "bonuses"

included in "total compensation for services performed as a member of a professional athletic team" subject to the allocation described in Section 302(c)(1) are: bonuses earned as a result of play (i.e., performance bonuses) during the season, including bonuses paid for championship, playoff or "bowl" games played by a team, or for selection to all-star league or other honorary positions; and bonuses paid for signing a contract, unless the payment of the signing bonus is not conditional upon the signee playing any games for the team or performing any subsequent services for the team or even making the team, the signing bonus is payable separately from the salary and any other compensation, and the signing bonus is nonrefundable.

(3) Sales factor.

(A) The sales factor is a fraction, the numerator of which is the total sales of the person in this State during the taxable year, and the denominator of which is the total sales of the person everywhere during the taxable year.

(B) Sales of tangible personal property are in this State if:

(i) The property is delivered or shipped to a purchaser, other than the United States government, within this State regardless of the f. o. b. point or

other conditions of the sale; or

(ii) The property is shipped from an office, store, warehouse, factory or other place of storage in this State and either the purchaser is the United States government or the person is not taxable in the state of the purchaser; provided, however, that premises owned or leased by a person who has independently contracted with the seller for the printing of newspapers, periodicals or books shall not be deemed to be an office, store, warehouse, factory or other place of storage for purposes of this Section. Sales of tangible personal property are not in this State if the seller and purchaser would be members of the same unitary business group but for the fact that either the seller or purchaser is a person with 80% or more of total business activity outside of the United States and the property is purchased for resale.

(B-1) Patents, copyrights, trademarks, and similar items of intangible personal property.

(i) Gross receipts from the licensing, sale, or other disposition of a patent, copyright, trademark, or similar item of intangible personal property, other than gross receipts governed by paragraph (B-7) of this item (3), are in this State to the extent the item is utilized in this State during the year the gross receipts are included in gross income.

(ii) Place of utilization.

(I) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If a patent is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts of the licensee or purchaser from sales or leases of items produced, fabricated, manufactured, or processed within that state using the patent and of patented items produced within that state, divided by the total of such gross receipts for all states in which the patent is utilized.

(II) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If a copyright is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts from sales or licenses of materials printed or published in that state divided by the total of such gross receipts for all states in which the copyright is utilized.

(III) Trademarks and other items of intangible personal property governed by this paragraph (B-1)

are utilized in the state in which the commercial domicile of the licensee or purchaser is located.

(iii) If the state of utilization of an item of property governed by this paragraph (B-1) cannot be determined from the taxpayer's books and records or from the books and records of any person related to the taxpayer within the meaning of Section 267(b) of the Internal Revenue Code, 26 U.S.C. 267, the gross receipts attributable to that item shall be excluded from both the numerator and the denominator of the sales factor.

(B-2) Gross receipts from the license, sale, or other disposition of patents, copyrights, trademarks, and similar items of intangible personal property, other than gross receipts governed by paragraph (B-7) of this item (3), may be included in the numerator or denominator of the sales factor only if gross receipts from licenses, sales, or other disposition of such items comprise more than 50% of the taxpayer's total gross receipts included in gross income during the tax year and during each of the 2 immediately preceding tax years; provided that, when a taxpayer is a member of a unitary business group, such determination shall be made on the basis of the gross receipts of the entire unitary business group.

(B-5) For taxable years ending on or after December 31, 2008, except as provided in subsections (ii) through (vii),

receipts from the sale of telecommunications service or mobile telecommunications service are in this State if the customer's service address is in this State.

(i) For purposes of this subparagraph (B-5), the following terms have the following meanings:

"Ancillary services" means services that are associated with or incidental to the provision of "telecommunications services", including but not limited to "detailed telecommunications billing", "directory assistance", "vertical service", and "voice mail services".

"Air-to-Ground Radiotelephone service" means a radio service, as that term is defined in 47 CFR 22.99, in which common carriers are authorized to offer and provide radio telecommunications service for hire to subscribers in aircraft.

"Call-by-call Basis" means any method of charging for telecommunications services where the price is measured by individual calls.

"Communications Channel" means a physical or virtual path of communications over which signals are transmitted between or among customer channel termination points.

"Conference bridging service" means an "ancillary service" that links two or more participants of an audio or video conference call and may include the

provision of a telephone number. "Conference bridging service" does not include the "telecommunications services" used to reach the conference bridge.

"Customer Channel Termination Point" means the location where the customer either inputs or receives the communications.

"Detailed telecommunications billing service" means an "ancillary service" of separately stating information pertaining to individual calls on a customer's billing statement.

"Directory assistance" means an "ancillary service" of providing telephone number information, and/or address information.

"Home service provider" means the facilities based carrier or reseller with which the customer contracts for the provision of mobile telecommunications services.

"Mobile telecommunications service" means commercial mobile radio service, as defined in Section 20.3 of Title 47 of the Code of Federal Regulations as in effect on June 1, 1999.

"Place of primary use" means the street address representative of where the customer's use of the telecommunications service primarily occurs, which must be the residential street address or the primary business street address of the customer. In the case of

mobile telecommunications services, "place of primary use" must be within the licensed service area of the home service provider.

"Post-paid telecommunication service" means the telecommunications service obtained by making a payment on a call-by-call basis either through the use of a credit card or payment mechanism such as a bank card, travel card, credit card, or debit card, or by charge made to a telephone number which is not associated with the origination or termination of the telecommunications service. A post-paid calling service includes telecommunications service, except a prepaid wireless calling service, that would be a prepaid calling service except it is not exclusively a telecommunication service.

"Prepaid telecommunication service" means the right to access exclusively telecommunications services, which must be paid for in advance and which enables the origination of calls using an access number or authorization code, whether manually or electronically dialed, and that is sold in predetermined units or dollars of which the number declines with use in a known amount.

"Prepaid Mobile telecommunication service" means a telecommunications service that provides the right to utilize mobile wireless service as well as other

non-telecommunication services, including but not limited to ancillary services, which must be paid for in advance that is sold in predetermined units or dollars of which the number declines with use in a known amount.

"Private communication service" means a telecommunication service that entitles the customer to exclusive or priority use of a communications channel or group of channels between or among termination points, regardless of the manner in which such channel or channels are connected, and includes switching capacity, extension lines, stations, and any other associated services that are provided in connection with the use of such channel or channels.

"Service address" means:

(a) The location of the telecommunications equipment to which a customer's call is charged and from which the call originates or terminates, regardless of where the call is billed or paid;

(b) If the location in line (a) is not known, service address means the origination point of the signal of the telecommunications services first identified by either the seller's telecommunications system or in information received by the seller from its service provider where the system used to transport such signals is

not that of the seller; and

(c) If the locations in line (a) and line (b) are not known, the service address means the location of the customer's place of primary use.

"Telecommunications service" means the electronic transmission, conveyance, or routing of voice, data, audio, video, or any other information or signals to a point, or between or among points. The term "telecommunications service" includes such transmission, conveyance, or routing in which computer processing applications are used to act on the form, code or protocol of the content for purposes of transmission, conveyance or routing without regard to whether such service is referred to as voice over Internet protocol services or is classified by the Federal Communications Commission as enhanced or value added. "Telecommunications service" does not include:

(a) Data processing and information services that allow data to be generated, acquired, stored, processed, or retrieved and delivered by an electronic transmission to a purchaser when such purchaser's primary purpose for the underlying transaction is the processed data or information;

(b) Installation or maintenance of wiring or equipment on a customer's premises;

(c) Tangible personal property;

(d) Advertising, including but not limited to directory advertising.

(e) Billing and collection services provided to third parties;

(f) Internet access service;

(g) Radio and television audio and video programming services, regardless of the medium, including the furnishing of transmission, conveyance and routing of such services by the programming service provider. Radio and television audio and video programming services shall include but not be limited to cable service as defined in 47 USC 522(6) and audio and video programming services delivered by commercial mobile radio service providers, as defined in 47 CFR 20.3;

(h) "Ancillary services"; or

(i) Digital products "delivered electronically", including but not limited to software, music, video, reading materials or ring tones.

"Vertical service" means an "ancillary service" that is offered in connection with one or more "telecommunications services", which offers advanced calling features that allow customers to identify callers and to manage multiple calls and call connections, including "conference bridging services".

"Voice mail service" means an "ancillary service" that enables the customer to store, send or receive recorded messages. "Voice mail service" does not include any "vertical services" that the customer may be required to have in order to utilize the "voice mail service".

(ii) Receipts from the sale of telecommunications service sold on an individual call-by-call basis are in this State if either of the following applies:

(a) The call both originates and terminates in this State.

(b) The call either originates or terminates in this State and the service address is located in this State.

(iii) Receipts from the sale of postpaid telecommunications service at retail are in this State if the origination point of the telecommunication signal, as first identified by the service provider's telecommunication system or as identified by information received by the seller from its service provider if the system used to transport telecommunication signals is not the seller's, is located in this State.

(iv) Receipts from the sale of prepaid telecommunications service or prepaid mobile telecommunications service at retail are in this State

if the purchaser obtains the prepaid card or similar means of conveyance at a location in this State. Receipts from recharging a prepaid telecommunications service or mobile telecommunications service is in this State if the purchaser's billing information indicates a location in this State.

(v) Receipts from the sale of private communication services are in this State as follows:

(a) 100% of receipts from charges imposed at each channel termination point in this State.

(b) 100% of receipts from charges for the total channel mileage between each channel termination point in this State.

(c) 50% of the total receipts from charges for service segments when those segments are between 2 customer channel termination points, 1 of which is located in this State and the other is located outside of this State, which segments are separately charged.

(d) The receipts from charges for service segments with a channel termination point located in this State and in two or more other states, and which segments are not separately billed, are in this State based on a percentage determined by dividing the number of customer channel termination points in this State by the total

number of customer channel termination points.

(vi) Receipts from charges for ancillary services for telecommunications service sold to customers at retail are in this State if the customer's primary place of use of telecommunications services associated with those ancillary services is in this State. If the seller of those ancillary services cannot determine where the associated telecommunications are located, then the ancillary services shall be based on the location of the purchaser.

(vii) Receipts to access a carrier's network or from the sale of telecommunication services or ancillary services for resale are in this State as follows:

(a) 100% of the receipts from access fees attributable to intrastate telecommunications service that both originates and terminates in this State.

(b) 50% of the receipts from access fees attributable to interstate telecommunications service if the interstate call either originates or terminates in this State.

(c) 100% of the receipts from interstate end user access line charges, if the customer's service address is in this State. As used in this subdivision, "interstate end user access line

charges" includes, but is not limited to, the surcharge approved by the federal communications commission and levied pursuant to 47 CFR 69.

(d) Gross receipts from sales of telecommunication services or from ancillary services for telecommunications services sold to other telecommunication service providers for resale shall be sourced to this State using the apportionment concepts used for non-resale receipts of telecommunications services if the information is readily available to make that determination. If the information is not readily available, then the taxpayer may use any other reasonable and consistent method.

(B-7) For taxable years ending on or after December 31, 2008, receipts from the sale of broadcasting services are in this State if the broadcasting services are received in this State. For purposes of this paragraph (B-7), the following terms have the following meanings:

"Advertising revenue" means consideration received by the taxpayer in exchange for broadcasting services or allowing the broadcasting of commercials or announcements in connection with the broadcasting of film or radio programming, from sponsorships of the programming, or from product placements in the programming.

"Audience factor" means the ratio that the audience or subscribers located in this State of a station, a network, or a cable system bears to the total audience or total subscribers for that station, network, or cable system. The audience factor for film or radio programming shall be determined by reference to the books and records of the taxpayer or by reference to published rating statistics provided the method used by the taxpayer is consistently used from year to year for this purpose and fairly represents the taxpayer's activity in this State.

"Broadcast" or "broadcasting" or "broadcasting services" means the transmission or provision of film or radio programming, whether through the public airwaves, by cable, by direct or indirect satellite transmission, or by any other means of communication, either through a station, a network, or a cable system.

"Film" or "film programming" means the broadcast on television of any and all performances, events, or productions, including but not limited to news, sporting events, plays, stories, or other literary, commercial, educational, or artistic works, either live or through the use of video tape, disc, or any other type of format or medium. Each episode of a series of films produced for television shall constitute separate "film" notwithstanding that the

series relates to the same principal subject and is produced during one or more tax periods.

"Radio" or "radio programming" means the broadcast on radio of any and all performances, events, or productions, including but not limited to news, sporting events, plays, stories, or other literary, commercial, educational, or artistic works, either live or through the use of an audio tape, disc, or any other format or medium. Each episode in a series of radio programming produced for radio broadcast shall constitute a separate "radio programming" notwithstanding that the series relates to the same principal subject and is produced during one or more tax periods.

(i) In the case of advertising revenue from broadcasting, the customer is the advertiser and the service is received in this State if the commercial domicile of the advertiser is in this State.

(ii) In the case where film or radio programming is broadcast by a station, a network, or a cable system for a fee or other remuneration received from the recipient of the broadcast, the portion of the service that is received in this State is measured by the portion of the recipients of the broadcast located in this State.

Accordingly, the fee or other remuneration for such service that is included in the Illinois numerator of the sales factor is the total of those fees or other remuneration received from recipients in Illinois. For purposes of this paragraph, a taxpayer may determine the location of the recipients of its broadcast using the address of the recipient shown in its contracts with the recipient or using the billing address of the recipient in the taxpayer's records.

(iii) In the case where film or radio programming is broadcast by a station, a network, or a cable system for a fee or other remuneration from the person providing the programming, the portion of the broadcast service that is received by such station, network, or cable system in this State is measured by the portion of recipients of the broadcast located in this State. Accordingly, the amount of revenue related to such an arrangement that is included in the Illinois numerator of the sales factor is the total fee or other total remuneration from the person providing the programming related to that broadcast multiplied by the Illinois audience factor for that broadcast.

(iv) In the case where film or radio

programming is provided by a taxpayer that is a network or station to a customer for broadcast in exchange for a fee or other remuneration from that customer the broadcasting service is received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. Accordingly, in such a case the revenue derived by the taxpayer that is included in the taxpayer's Illinois numerator of the sales factor is the revenue from such customers who receive the broadcasting service in Illinois.

(v) In the case where film or radio programming is provided by a taxpayer that is not a network or station to another person for broadcasting in exchange for a fee or other remuneration from that person, the broadcasting service is received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. Accordingly, in such a case the revenue derived by the taxpayer that is included in the taxpayer's Illinois numerator of the sales factor is the revenue from such customers who receive the broadcasting service in Illinois.

(B-8) Gross receipts from winnings under the Illinois

Lottery Law from the assignment of a prize under Section 13.1 ~~13-1~~ of the Illinois Lottery Law are received in this State. This paragraph (B-8) applies only to taxable years ending on or after December 31, 2013.

(C) For taxable years ending before December 31, 2008, sales, other than sales governed by paragraphs (B), (B-1), (B-2), and (B-8) are in this State if:

(i) The income-producing activity is performed in this State; or

(ii) The income-producing activity is performed both within and without this State and a greater proportion of the income-producing activity is performed within this State than without this State, based on performance costs.

(C-5) For taxable years ending on or after December 31, 2008, sales, other than sales governed by paragraphs (B), (B-1), (B-2), (B-5), and (B-7), are in this State if any of the following criteria are met:

(i) Sales from the sale or lease of real property are in this State if the property is located in this State.

(ii) Sales from the lease or rental of tangible personal property are in this State if the property is located in this State during the rental period. Sales from the lease or rental of tangible personal property that is characteristically moving property, including,

but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are in this State to the extent that the property is used in this State.

(iii) In the case of interest, net gains (but not less than zero) and other items of income from intangible personal property, the sale is in this State if:

(a) in the case of a taxpayer who is a dealer in the item of intangible personal property within the meaning of Section 475 of the Internal Revenue Code, the income or gain is received from a customer in this State. For purposes of this subparagraph, a customer is in this State if the customer is an individual, trust or estate who is a resident of this State and, for all other customers, if the customer's commercial domicile is in this State. Unless the dealer has actual knowledge of the residence or commercial domicile of a customer during a taxable year, the customer shall be deemed to be a customer in this State if the billing address of the customer, as shown in the records of the dealer, is in this State; or

(b) in all other cases, if the income-producing activity of the taxpayer is performed in this State or, if the

income-producing activity of the taxpayer is performed both within and without this State, if a greater proportion of the income-producing activity of the taxpayer is performed within this State than in any other state, based on performance costs.

(iv) Sales of services are in this State if the services are received in this State. For the purposes of this section, gross receipts from the performance of services provided to a corporation, partnership, or trust may only be attributed to a state where that corporation, partnership, or trust has a fixed place of business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust receiving the service does not have a fixed place of business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed. If the taxpayer is not taxable in the state in which the services are received, the sale must be excluded from both the numerator and the denominator of the sales factor. The Department shall adopt rules

prescribing where specific types of service are received, including, but not limited to, publishing, and utility service.

(D) For taxable years ending on or after December 31, 1995, the following items of income shall not be included in the numerator or denominator of the sales factor: dividends; amounts included under Section 78 of the Internal Revenue Code; and Subpart F income as defined in Section 952 of the Internal Revenue Code. No inference shall be drawn from the enactment of this paragraph (D) in construing this Section for taxable years ending before December 31, 1995.

(E) Paragraphs (B-1) and (B-2) shall apply to tax years ending on or after December 31, 1999, provided that a taxpayer may elect to apply the provisions of these paragraphs to prior tax years. Such election shall be made in the form and manner prescribed by the Department, shall be irrevocable, and shall apply to all tax years; provided that, if a taxpayer's Illinois income tax liability for any tax year, as assessed under Section 903 prior to January 1, 1999, was computed in a manner contrary to the provisions of paragraphs (B-1) or (B-2), no refund shall be payable to the taxpayer for that tax year to the extent such refund is the result of applying the provisions of paragraph (B-1) or (B-2) retroactively. In the case of a unitary business group, such election shall apply to all members of such

group for every tax year such group is in existence, but shall not apply to any taxpayer for any period during which that taxpayer is not a member of such group.

(b) Insurance companies.

(1) In general. Except as otherwise provided by paragraph (2), business income of an insurance company for a taxable year shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the direct premiums written for insurance upon property or risk in this State, and the denominator of which is the direct premiums written for insurance upon property or risk everywhere. For purposes of this subsection, the term "direct premiums written" means the total amount of direct premiums written, assessments and annuity considerations as reported for the taxable year on the annual statement filed by the company with the Illinois Director of Insurance in the form approved by the National Convention of Insurance Commissioners or such other form as may be prescribed in lieu thereof.

(2) Reinsurance. If the principal source of premiums written by an insurance company consists of premiums for reinsurance accepted by it, the business income of such company shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the sum of (i) direct premiums written for insurance upon property or risk in this State, plus (ii) premiums written

for reinsurance accepted in respect of property or risk in this State, and the denominator of which is the sum of (iii) direct premiums written for insurance upon property or risk everywhere, plus (iv) premiums written for reinsurance accepted in respect of property or risk everywhere. For purposes of this paragraph, premiums written for reinsurance accepted in respect of property or risk in this State, whether or not otherwise determinable, may, at the election of the company, be determined on the basis of the proportion which premiums written for reinsurance accepted from companies commercially domiciled in Illinois bears to premiums written for reinsurance accepted from all sources, or, alternatively, in the proportion which the sum of the direct premiums written for insurance upon property or risk in this State by each ceding company from which reinsurance is accepted bears to the sum of the total direct premiums written by each such ceding company for the taxable year. The election made by a company under this paragraph for its first taxable year ending on or after December 31, 2011, shall be binding for that company for that taxable year and for all subsequent taxable years, and may be altered only with the written permission of the Department, which shall not be unreasonably withheld.

(c) Financial organizations.

(1) In general. For taxable years ending before

December 31, 2008, business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For the purposes of this subsection, the business income of a financial organization from sources within this State is the sum of the amounts referred to in subparagraphs (A) through (E) following, but excluding the adjusted income of an international banking facility as determined in paragraph (2):

(A) Fees, commissions or other compensation for financial services rendered within this State;

(B) Gross profits from trading in stocks, bonds or other securities managed within this State;

(C) Dividends, and interest from Illinois customers, which are received within this State;

(D) Interest charged to customers at places of business maintained within this State for carrying debit balances of margin accounts, without deduction of any costs incurred in carrying such accounts; and

(E) Any other gross income resulting from the operation as a financial organization within this State. In computing the amounts referred to in paragraphs (A) through (E) of this subsection, any amount received by a member of an affiliated group

(determined under Section 1504(a) of the Internal Revenue Code but without reference to whether any such corporation is an "includible corporation" under Section 1504(b) of the Internal Revenue Code) from another member of such group shall be included only to the extent such amount exceeds expenses of the recipient directly related thereto.

(2) International Banking Facility. For taxable years ending before December 31, 2008:

(A) Adjusted Income. The adjusted income of an international banking facility is its income reduced by the amount of the floor amount.

(B) Floor Amount. The floor amount shall be the amount, if any, determined by multiplying the income of the international banking facility by a fraction, not greater than one, which is determined as follows:

(i) The numerator shall be:

The average aggregate, determined on a quarterly basis, of the financial organization's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, as reported for its branches, agencies and offices within the state on its "Consolidated Report of Condition", Schedule A,

Lines 2.c., 5.b., and 7.a., which was filed with the Federal Deposit Insurance Corporation and other regulatory authorities, for the year 1980, minus

The average aggregate, determined on a quarterly basis, of such loans (other than loans of an international banking facility), as reported by the financial institution for its branches, agencies and offices within the state, on the corresponding Schedule and lines of the Consolidated Report of Condition for the current taxable year, provided, however, that in no case shall the amount determined in this clause (the subtrahend) exceed the amount determined in the preceding clause (the minuend); and

(ii) the denominator shall be the average aggregate, determined on a quarterly basis, of the international banking facility's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, which were recorded in its financial accounts for the current taxable year.

(C) Change to Consolidated Report of Condition and in Qualification. In the event the Consolidated Report of Condition which is filed with the Federal Deposit

Insurance Corporation and other regulatory authorities is altered so that the information required for determining the floor amount is not found on Schedule A, lines 2.c., 5.b. and 7.a., the financial institution shall notify the Department and the Department may, by regulations or otherwise, prescribe or authorize the use of an alternative source for such information. The financial institution shall also notify the Department should its international banking facility fail to qualify as such, in whole or in part, or should there be any amendment or change to the Consolidated Report of Condition, as originally filed, to the extent such amendment or change alters the information used in determining the floor amount.

(3) For taxable years ending on or after December 31, 2008, the business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its gross receipts from sources in this State or otherwise attributable to this State's marketplace and the denominator of which is its gross receipts everywhere during the taxable year. "Gross receipts" for purposes of this subparagraph (3) means gross income, including net taxable gain on disposition of assets, including securities and money market instruments, when derived from transactions and activities in the regular course of the financial

organization's trade or business. The following examples are illustrative:

(i) Receipts from the lease or rental of real or tangible personal property are in this State if the property is located in this State during the rental period. Receipts from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are from sources in this State to the extent that the property is used in this State.

(ii) Interest income, commissions, fees, gains on disposition, and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property are from sources in this State if the security is located in this State.

(iii) Interest income, commissions, fees, gains on disposition, and other receipts from consumer loans that are not secured by real or tangible personal property are from sources in this State if the debtor is a resident of this State.

(iv) Interest income, commissions, fees, gains on disposition, and other receipts from commercial loans and installment obligations that are not secured by real or tangible personal property are from sources in this State if the proceeds of the loan are to be

applied in this State. If it cannot be determined where the funds are to be applied, the income and receipts are from sources in this State if the office of the borrower from which the loan was negotiated in the regular course of business is located in this State. If the location of this office cannot be determined, the income and receipts shall be excluded from the numerator and denominator of the sales factor.

(v) Interest income, fees, gains on disposition, service charges, merchant discount income, and other receipts from credit card receivables are from sources in this State if the card charges are regularly billed to a customer in this State.

(vi) Receipts from the performance of services, including, but not limited to, fiduciary, advisory, and brokerage services, are in this State if the services are received in this State within the meaning of subparagraph (a) (3) (C-5) (iv) of this Section.

(vii) Receipts from the issuance of travelers checks and money orders are from sources in this State if the checks and money orders are issued from a location within this State.

(viii) Receipts from investment assets and activities and trading assets and activities are included in the receipts factor as follows:

- (1) Interest, dividends, net gains (but not

less than zero) and other income from investment assets and activities from trading assets and activities shall be included in the receipts factor. Investment assets and activities and trading assets and activities include but are not limited to: investment securities; trading account assets; federal funds; securities purchased and sold under agreements to resell or repurchase; options; futures contracts; forward contracts; notional principal contracts such as swaps; equities; and foreign currency transactions. With respect to the investment and trading assets and activities described in subparagraphs (A) and (B) of this paragraph, the receipts factor shall include the amounts described in such subparagraphs.

(A) The receipts factor shall include the amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements.

(B) The receipts factor shall include the amount by which interest, dividends, gains and other income from trading assets and activities, including but not limited to

assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from such assets and activities.

(2) The numerator of the receipts factor includes interest, dividends, net gains (but not less than zero), and other income from investment assets and activities and from trading assets and activities described in paragraph (1) of this subsection that are attributable to this State.

(A) The amount of interest, dividends, net gains (but not less than zero), and other income from investment assets and activities in the investment account to be attributed to this State and included in the numerator is determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the gross income from such assets and activities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such assets and activities.

(B) The amount of interest from federal funds sold and purchased and from securities

purchased under resale agreements and securities sold under repurchase agreements attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (A) of paragraph (1) of this subsection from such funds and such securities by a fraction, the numerator of which is the gross income from such funds and such securities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such funds and such securities.

(C) The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book and foreign currency transactions (but excluding amounts described in subparagraphs (A) or (B) of this paragraph), attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (B) of paragraph (1) of this subsection by a fraction, the numerator of which is the gross income from such trading assets and activities which are

properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such assets and activities.

(D) Properly assigned, for purposes of this paragraph (2) of this subsection, means the investment or trading asset or activity is assigned to the fixed place of business with which it has a preponderance of substantive contacts. An investment or trading asset or activity assigned by the taxpayer to a fixed place of business without the State shall be presumed to have been properly assigned if:

(i) the taxpayer has assigned, in the regular course of its business, such asset or activity on its records to a fixed place of business consistent with federal or state regulatory requirements;

(ii) such assignment on its records is based upon substantive contacts of the asset or activity to such fixed place of business; and

(iii) the taxpayer uses such records reflecting assignment of such assets or activities for the filing of all state and local tax returns for which an assignment

of such assets or activities to a fixed place of business is required.

(E) The presumption of proper assignment of an investment or trading asset or activity provided in subparagraph (D) of paragraph (2) of this subsection may be rebutted upon a showing by the Department, supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding such asset or activity did not occur at the fixed place of business to which it was assigned on the taxpayer's records. If the fixed place of business that has a preponderance of substantive contacts cannot be determined for an investment or trading asset or activity to which the presumption in subparagraph (D) of paragraph (2) of this subsection does not apply or with respect to which that presumption has been rebutted, that asset or activity is properly assigned to the state in which the taxpayer's commercial domicile is located. For purposes of this subparagraph (E), it shall be presumed, subject to rebuttal, that taxpayer's commercial domicile is in the state of the United States or the District of Columbia to

which the greatest number of employees are regularly connected with the management of the investment or trading income or out of which they are working, irrespective of where the services of such employees are performed, as of the last day of the taxable year.

(4) (Blank).

(5) (Blank).

(c-1) Federally regulated exchanges. For taxable years ending on or after December 31, 2012, business income of a federally regulated exchange shall, at the option of the federally regulated exchange, be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For purposes of this subsection, the business income within this State of a federally regulated exchange is the sum of the following:

(1) Receipts attributable to transactions executed on a physical trading floor if that physical trading floor is located in this State.

(2) Receipts attributable to all other matching, execution, or clearing transactions, including without limitation receipts from the provision of matching, execution, or clearing services to another entity, multiplied by (i) for taxable years ending on or after

December 31, 2012 but before December 31, 2013, 63.77%; and (ii) for taxable years ending on or after December 31, 2013, 27.54%.

(3) All other receipts not governed by subparagraphs (1) or (2) of this subsection (c-1), to the extent the receipts would be characterized as "sales in this State" under item (3) of subsection (a) of this Section.

"Federally regulated exchange" means (i) a "registered entity" within the meaning of 7 U.S.C. Section 1a(40)(A), (B), or (C), (ii) an "exchange" or "clearing agency" within the meaning of 15 U.S.C. Section 78c (a)(1) or (23), (iii) any such entities regulated under any successor regulatory structure to the foregoing, and (iv) all taxpayers who are members of the same unitary business group as a federally regulated exchange, determined without regard to the prohibition in Section 1501(a)(27) of this Act against including in a unitary business group taxpayers who are ordinarily required to apportion business income under different subsections of this Section; provided that this subparagraph (iv) shall apply only if 50% or more of the business receipts of the unitary business group determined by application of this subparagraph (iv) for the taxable year are attributable to the matching, execution, or clearing of transactions conducted by an entity described in subparagraph (i), (ii), or (iii) of this paragraph.

In no event shall the Illinois apportionment percentage computed in accordance with this subsection (c-1) for any

taxpayer for any tax year be less than the Illinois apportionment percentage computed under this subsection (c-1) for that taxpayer for the first full tax year ending on or after December 31, 2013 for which this subsection (c-1) applied to the taxpayer.

(d) Transportation services. For taxable years ending before December 31, 2008, business income derived from furnishing transportation services shall be apportioned to this State in accordance with paragraphs (1) and (2):

(1) Such business income (other than that derived from transportation by pipeline) shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of 1 passenger or 1 net ton of freight the distance of 1 mile for a consideration. Where a person is engaged in the transportation of both passengers and freight, the fraction above referred to shall be determined by means of an average of the passenger revenue mile fraction and the freight revenue mile fraction, weighted to reflect the person's

(A) relative railway operating income from total passenger and total freight service, as reported to the Interstate Commerce Commission, in the case of

transportation by railroad, and

(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(2) Such business income derived from transportation by pipeline shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For the purposes of this paragraph, a revenue mile is the transportation by pipeline of 1 barrel of oil, 1,000 cubic feet of gas, or of any specified quantity of any other substance, the distance of 1 mile for a consideration.

(3) For taxable years ending on or after December 31, 2008, business income derived from providing transportation services other than airline services shall be apportioned to this State by using a fraction, (a) the numerator of which shall be (i) all receipts from any movement or shipment of people, goods, mail, oil, gas, or any other substance (other than by airline) that both originates and terminates in this State, plus (ii) that portion of the person's gross receipts from movements or shipments of people, goods, mail, oil, gas, or any other substance (other than by airline) that originates in one state or jurisdiction and terminates in another state or

jurisdiction, that is determined by the ratio that the miles traveled in this State bears to total miles everywhere and (b) the denominator of which shall be all revenue derived from the movement or shipment of people, goods, mail, oil, gas, or any other substance (other than by airline). Where a taxpayer is engaged in the transportation of both passengers and freight, the fraction above referred to shall first be determined separately for passenger miles and freight miles. Then an average of the passenger miles fraction and the freight miles fraction shall be weighted to reflect the taxpayer's:

(A) relative railway operating income from total passenger and total freight service, as reported to the Surface Transportation Board, in the case of transportation by railroad; and

(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(4) For taxable years ending on or after December 31, 2008, business income derived from furnishing airline transportation services shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of one passenger or one net ton of

freight the distance of one mile for a consideration. If a person is engaged in the transportation of both passengers and freight, the fraction above referred to shall be determined by means of an average of the passenger revenue mile fraction and the freight revenue mile fraction, weighted to reflect the person's relative gross receipts from passenger and freight airline transportation.

(e) Combined apportionment. Where 2 or more persons are engaged in a unitary business as described in subsection (a) (27) of Section 1501, a part of which is conducted in this State by one or more members of the group, the business income attributable to this State by any such member or members shall be apportioned by means of the combined apportionment method.

(f) Alternative allocation. If the allocation and apportionment provisions of subsections (a) through (e) and of subsection (h) do not, for taxable years ending before December 31, 2008, fairly represent the extent of a person's business activity in this State, or, for taxable years ending on or after December 31, 2008, fairly represent the market for the person's goods, services, or other sources of business income, the person may petition for, or the Director may, without a petition, permit or require, in respect of all or any part of the person's business activity, if reasonable:

- (1) Separate accounting;
- (2) The exclusion of any one or more factors;
- (3) The inclusion of one or more additional factors

which will fairly represent the person's business activities or market in this State; or

(4) The employment of any other method to effectuate an equitable allocation and apportionment of the person's business income.

(g) Cross reference. For allocation of business income by residents, see Section 301(a).

(h) For tax years ending on or after December 31, 1998, the apportionment factor of persons who apportion their business income to this State under subsection (a) shall be equal to:

(1) for tax years ending on or after December 31, 1998 and before December 31, 1999, 16 2/3% of the property factor plus 16 2/3% of the payroll factor plus 66 2/3% of the sales factor;

(2) for tax years ending on or after December 31, 1999 and before December 31, 2000, 8 1/3% of the property factor plus 8 1/3% of the payroll factor plus 83 1/3% of the sales factor;

(3) for tax years ending on or after December 31, 2000, the sales factor.

If, in any tax year ending on or after December 31, 1998 and before December 31, 2000, the denominator of the payroll, property, or sales factor is zero, the apportionment factor computed in paragraph (1) or (2) of this subsection for that year shall be divided by an amount equal to 100% minus the percentage weight given to each factor whose denominator is

equal to zero.

Sec. 507DDD. Special Olympics Illinois and Special Children's Checkoff. For taxable years beginning on or after January 1, 2015, the Department shall print on its standard individual income tax form a provision indicating that if the taxpayer wishes to contribute to the Special Olympics Illinois and Special Children's Charities Checkoff Fund as authorized by Public Act 99-423 ~~this amendatory Act of the 99th General Assembly~~, he or she may do so by stating the amount of the contribution (not less than \$1) on the return and that the contribution will reduce the taxpayer's refund or increase the amount of payment to accompany the return. Failure to remit any amount of increased payment shall reduce the contribution accordingly. This Section shall not apply to an amended return. For the purpose of this Section, the Department of Revenue must distribute the moneys as provided in subsection 21.9(b) of the Illinois Lottery Law: (i) 75% of the moneys to Special Olympics Illinois to support the statewide training, competitions, and programs for future Special Olympics athletes; and (ii) 25% of the moneys to Special Children's Charities to support the City of Chicago-wide training, competitions, and programs for

future Special Olympics athletes.

Section 160. The Service Use Tax Act is amended by changing Section 3-10 as follows:

(35 ILCS 110/3-10) (from Ch. 120, par. 439.33-10)

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the selling price of tangible personal property transferred as an incident to the sale of service, but, for the purpose of computing this tax, in no event shall the selling price be less than the cost price of the property to the serviceman.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the selling price of property transferred as an incident to the sale of service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018, and (iii) 100% of the selling price thereafter. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at

the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 but applies to 100% of the selling price thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of the selling price thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 but

applies to 100% of the selling price thereafter.

At the election of any registered serviceman made for each fiscal year, sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred as an incident to the sale of those services.

The tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969. The tax shall also be imposed at the rate of 1% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption and is not otherwise included in this paragraph) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, urine

testing materials, syringes, and needles used by diabetics, for human use. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of

this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug"

label includes:

(A) A "Drug Facts" panel; or

(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical Cannabis Pilot Program Act.

If the property that is acquired from a serviceman is acquired outside Illinois and used outside Illinois before being brought to Illinois for use here and is taxable under this Act, the "selling price" on which the tax is computed shall be reduced by an amount that represents a reasonable allowance for depreciation for the period of prior out-of-state use.

Section 165. The Service Occupation Tax Act is amended by changing Section 3-10 as follows:

(35 ILCS 115/3-10) (from Ch. 120, par. 439.103-10)

Sec. 3-10. Rate of tax. Unless otherwise provided in this

Section, the tax imposed by this Act is at the rate of 6.25% of the "selling price", as defined in Section 2 of the Service Use Tax Act, of the tangible personal property. For the purpose of computing this tax, in no event shall the "selling price" be less than the cost price to the serviceman of the tangible personal property transferred. The selling price of each item of tangible personal property transferred as an incident of a sale of service may be shown as a distinct and separate item on the serviceman's billing to the service customer. If the selling price is not so shown, the selling price of the tangible personal property is deemed to be 50% of the serviceman's entire billing to the service customer. When, however, a serviceman contracts to design, develop, and produce special order machinery or equipment, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the completion of the contract.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act shall apply to (i) 70% of the cost price of property transferred as an incident to the sale of service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an

incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018, and (iii) 100% of the cost price thereafter. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 but applies to 100% of the selling price thereafter.

With respect to biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of the selling price thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with

more than 10% but no more than 99% biodiesel material, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 but applies to 100% of the selling price thereafter.

At the election of any registered serviceman made for each fiscal year, sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the sale of those services.

The tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969. The tax shall also be imposed at the rate of 1% on food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been

prepared for immediate consumption and is not otherwise included in this paragraph) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to

be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. Beginning August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by

prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug" label includes:

(A) A "Drug Facts" panel; or

(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on January 1, 2014 (the effective date of Public Act 98-122), "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical Cannabis Pilot Program Act.

Section 170. The Property Tax Code is amended by changing Sections 9-195, 15-168, 15-169, 15-172, and 15-175 as follows:

(35 ILCS 200/9-195)

Sec. 9-195. Leasing of exempt property.

(a) Except as provided in Sections 15-35, 15-55, 15-60, 15-100, 15-103, 15-160, and 15-185, when property which is

exempt from taxation is leased to another whose property is not exempt, and the leasing of which does not make the property taxable, the leasehold estate and the appurtenances shall be listed as the property of the lessee thereof, or his or her assignee. Taxes on that property shall be collected in the same manner as on property that is not exempt, and the lessee shall be liable for those taxes. However, no tax lien shall attach to the exempt real estate. The changes made by Public Act 90-562 ~~this amendatory Act of 1997~~ and by Public Act 91-513 ~~this amendatory Act of the 91st General Assembly~~ are declaratory of existing law and shall not be construed as a new enactment. The changes made by Public Acts 88-221 and 88-420 that are incorporated into this Section by Public Act 88-670 ~~this amendatory Act of 1993~~ are declarative of existing law and are not a new enactment.

(b) The provisions of this Section regarding taxation of leasehold interests in exempt property do not apply to any leasehold interest created pursuant to any transaction described in subsection (e) of Section 15-35, subsection (c-5) of Section 15-60, subsection (b) of Section 15-100, Section 15-103, Section 15-160, or Section 15-185 of this Code, or Section 6c of the Downstate Forest Preserve District Act.

(35 ILCS 200/15-168)

Sec. 15-168. Homestead exemption for persons with

disabilities.

(a) Beginning with taxable year 2007, an annual homestead exemption is granted to persons with disabilities in the amount of \$2,000, except as provided in subsection (c), to be deducted from the property's value as equalized or assessed by the Department of Revenue. The person with a disability shall receive the homestead exemption upon meeting the following requirements:

(1) The property must be occupied as the primary residence by the person with a disability.

(2) The person with a disability must be liable for paying the real estate taxes on the property.

(3) The person with a disability must be an owner of record of the property or have a legal or equitable interest in the property as evidenced by a written instrument. In the case of a leasehold interest in property, the lease must be for a single family residence.

A person who has a disability during the taxable year is eligible to apply for this homestead exemption during that taxable year. Application must be made during the application period in effect for the county of residence. If a homestead exemption has been granted under this Section and the person awarded the exemption subsequently becomes a resident of a facility licensed under the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, then the exemption shall

continue (i) so long as the residence continues to be occupied by the qualifying person's spouse or (ii) if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

(b) For the purposes of this Section, "person with a disability" means a person unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months. Persons with disabilities filing claims under this Act shall submit proof of disability in such form and manner as the Department shall by rule and regulation prescribe. Proof that a claimant is eligible to receive disability benefits under the Federal Social Security Act shall constitute proof of disability for purposes of this Act. Issuance of an Illinois Person with a Disability Identification Card stating that the claimant is under a Class 2 disability, as defined in Section 4A of the Illinois Identification Card Act, shall constitute proof that the person named thereon is a person with a disability for purposes of this Act. A person with a disability not covered under the Federal Social Security Act and not presenting an Illinois Person with a Disability Identification Card stating that the claimant is under a Class 2 disability shall be examined by a physician designated by the Department, and his status as a person with a disability determined using the same standards as

used by the Social Security Administration. The costs of any required examination shall be borne by the claimant.

(c) For land improved with (i) an apartment building owned and operated as a cooperative or (ii) a life care facility as defined under Section 2 of the Life Care Facilities Act that is considered to be a cooperative, the maximum reduction from the value of the property, as equalized or assessed by the Department, shall be multiplied by the number of apartments or units occupied by a person with a disability. The person with a disability shall receive the homestead exemption upon meeting the following requirements:

(1) The property must be occupied as the primary residence by the person with a disability.

(2) The person with a disability must be liable by contract with the owner or owners of record for paying the apportioned property taxes on the property of the cooperative or life care facility. In the case of a life care facility, the person with a disability must be liable for paying the apportioned property taxes under a life care contract as defined in Section 2 of the Life Care Facilities Act.

(3) The person with a disability must be an owner of record of a legal or equitable interest in the cooperative apartment building. A leasehold interest does not meet this requirement.

If a homestead exemption is granted under this subsection, the

cooperative association or management firm shall credit the savings resulting from the exemption to the apportioned tax liability of the qualifying person with a disability. The chief county assessment officer may request reasonable proof that the association or firm has properly credited the exemption. A person who willfully refuses to credit an exemption to the qualified person with a disability is guilty of a Class B misdemeanor.

(d) The chief county assessment officer shall determine the eligibility of property to receive the homestead exemption according to guidelines established by the Department. After a person has received an exemption under this Section, an annual verification of eligibility for the exemption shall be mailed to the taxpayer.

In counties with fewer than 3,000,000 inhabitants, the chief county assessment officer shall provide to each person granted a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the person's qualifying property. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay an administrative fee of \$5 to the chief county assessment officer. The assessment officer shall then file the executed

designation with the county collector, who shall issue the duplicate notices as indicated by the designation. A designation may be rescinded by the person with a disability in the manner required by the chief county assessment officer.

(e) A taxpayer who claims an exemption under Section 15-165 or 15-169 may not claim an exemption under this Section.

(Source: P.A. 98-104, eff. 7-22-13; 99-143, eff. 7-27-15; 99-180, eff. 7-29-15; revised 10-20-15.)

(35 ILCS 200/15-169)

Sec. 15-169. Homestead exemption for veterans with disabilities.

(a) Beginning with taxable year 2007, an annual homestead exemption, limited to the amounts set forth in subsections (b) and (b-3), is granted for property that is used as a qualified residence by a veteran with a disability.

(b) For taxable years prior to 2015, the amount of the exemption under this Section is as follows:

(1) for veterans with a service-connected disability of at least (i) 75% for exemptions granted in taxable years 2007 through 2009 and (ii) 70% for exemptions granted in taxable year 2010 and each taxable year thereafter, as certified by the United States Department of Veterans Affairs, the annual exemption is \$5,000; and

(2) for veterans with a service-connected disability of at least 50%, but less than (i) 75% for exemptions

granted in taxable years 2007 through 2009 and (ii) 70% for exemptions granted in taxable year 2010 and each taxable year thereafter, as certified by the United States Department of Veterans Affairs, the annual exemption is \$2,500.

(b-3) For taxable years 2015 and thereafter:

(1) if the veteran has a service connected disability of 30% or more but less than 50%, as certified by the United States Department of Veterans Affairs, then the annual exemption is \$2,500;

(2) if the veteran has a service connected disability of 50% or more but less than 70%, as certified by the United States Department of Veterans Affairs, then the annual exemption is \$5,000; and

(3) if the veteran has a service connected disability of 70% or more, as certified by the United States Department of Veterans Affairs, then the property is exempt from taxation under this Code.

(b-5) If a homestead exemption is granted under this Section and the person awarded the exemption subsequently becomes a resident of a facility licensed under the Nursing Home Care Act or a facility operated by the United States Department of Veterans Affairs, then the exemption shall continue (i) so long as the residence continues to be occupied by the qualifying person's spouse or (ii) if the residence remains unoccupied but is still owned by the person who

qualified for the homestead exemption.

(c) The tax exemption under this Section carries over to the benefit of the veteran's surviving spouse as long as the spouse holds the legal or beneficial title to the homestead, permanently resides thereon, and does not remarry. If the surviving spouse sells the property, an exemption not to exceed the amount granted from the most recent ad valorem tax roll may be transferred to his or her new residence as long as it is used as his or her primary residence and he or she does not remarry.

(c-1) Beginning with taxable year 2015, nothing in this Section shall require the veteran to have qualified for or obtained the exemption before death if the veteran was killed in the line of duty.

(d) The exemption under this Section applies for taxable year 2007 and thereafter. A taxpayer who claims an exemption under Section 15-165 or 15-168 may not claim an exemption under this Section.

(e) Each taxpayer who has been granted an exemption under this Section must reapply on an annual basis. Application must be made during the application period in effect for the county of his or her residence. The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire, or other reasonable methods. The determination

must be made in accordance with guidelines established by the Department.

(f) For the purposes of this Section:

"Qualified residence" means real property, but less any portion of that property that is used for commercial purposes, with an equalized assessed value of less than \$250,000 that is the primary residence of a veteran with a disability. Property rented for more than 6 months is presumed to be used for commercial purposes.

"Veteran" means an Illinois resident who has served as a member of the United States Armed Forces on active duty or State active duty, a member of the Illinois National Guard, or a member of the United States Reserve Forces and who has received an honorable discharge.

(35 ILCS 200/15-172)

Sec. 15-172. Senior Citizens Assessment Freeze Homestead Exemption.

(a) This Section may be cited as the Senior Citizens Assessment Freeze Homestead Exemption.

(b) As used in this Section:

"Applicant" means an individual who has filed an application under this Section.

"Base amount" means the base year equalized assessed value

of the residence plus the first year's equalized assessed value of any added improvements which increased the assessed value of the residence after the base year.

"Base year" means the taxable year prior to the taxable year for which the applicant first qualifies and applies for the exemption provided that in the prior taxable year the property was improved with a permanent structure that was occupied as a residence by the applicant who was liable for paying real property taxes on the property and who was either (i) an owner of record of the property or had legal or equitable interest in the property as evidenced by a written instrument or (ii) had a legal or equitable interest as a lessee in the parcel of property that was single family residence. If in any subsequent taxable year for which the applicant applies and qualifies for the exemption the equalized assessed value of the residence is less than the equalized assessed value in the existing base year (provided that such equalized assessed value is not based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years), then that subsequent taxable year shall become the base year until a new base year is established under the terms of this paragraph. For taxable year 1999 only, the Chief County Assessment Officer shall review (i) all taxable years for which the applicant applied and qualified for the exemption and (ii) the existing base year. The assessment officer shall select as the new base

year the year with the lowest equalized assessed value. An equalized assessed value that is based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years shall not be considered the lowest equalized assessed value. The selected year shall be the base year for taxable year 1999 and thereafter until a new base year is established under the terms of this paragraph.

"Chief County Assessment Officer" means the County Assessor or Supervisor of Assessments of the county in which the property is located.

"Equalized assessed value" means the assessed value as equalized by the Illinois Department of Revenue.

"Household" means the applicant, the spouse of the applicant, and all persons using the residence of the applicant as their principal place of residence.

"Household income" means the combined income of the members of a household for the calendar year preceding the taxable year.

"Income" has the same meaning as provided in Section 3.07 of the Senior Citizens and Persons with Disabilities Property Tax Relief Act, except that, beginning in assessment year 2001, "income" does not include veteran's benefits.

"Internal Revenue Code of 1986" means the United States Internal Revenue Code of 1986 or any successor law or laws relating to federal income taxes in effect for the year

preceding the taxable year.

"Life care facility that qualifies as a cooperative" means a facility as defined in Section 2 of the Life Care Facilities Act.

"Maximum income limitation" means:

- (1) \$35,000 prior to taxable year 1999;
- (2) \$40,000 in taxable years 1999 through 2003;
- (3) \$45,000 in taxable years 2004 through 2005;
- (4) \$50,000 in taxable years 2006 and 2007; and
- (5) \$55,000 in taxable year 2008 and thereafter.

"Residence" means the principal dwelling place and appurtenant structures used for residential purposes in this State occupied on January 1 of the taxable year by a household and so much of the surrounding land, constituting the parcel upon which the dwelling place is situated, as is used for residential purposes. If the Chief County Assessment Officer has established a specific legal description for a portion of property constituting the residence, then that portion of property shall be deemed the residence for the purposes of this Section.

"Taxable year" means the calendar year during which ad valorem property taxes payable in the next succeeding year are levied.

(c) Beginning in taxable year 1994, a senior citizens assessment freeze homestead exemption is granted for real property that is improved with a permanent structure that is

occupied as a residence by an applicant who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) is liable for paying real property taxes on the property, and (iv) is an owner of record of the property or has a legal or equitable interest in the property as evidenced by a written instrument. This homestead exemption shall also apply to a leasehold interest in a parcel of property improved with a permanent structure that is a single family residence that is occupied as a residence by a person who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) has a legal or equitable ownership interest in the property as lessee, and (iv) is liable for the payment of real property taxes on that property.

In counties of 3,000,000 or more inhabitants, the amount of the exemption for all taxable years is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount. In all other counties, the amount of the exemption is as follows: (i) through taxable year 2005 and for taxable year 2007 and thereafter, the amount of this exemption shall be the equalized assessed value of the residence in the taxable year for which application is made minus the base amount; and (ii) for taxable year 2006, the amount of the exemption is as follows:

- (1) For an applicant who has a household income of

\$45,000 or less, the amount of the exemption is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount.

(2) For an applicant who has a household income exceeding \$45,000 but not exceeding \$46,250, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.8.

(3) For an applicant who has a household income exceeding \$46,250 but not exceeding \$47,500, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.6.

(4) For an applicant who has a household income exceeding \$47,500 but not exceeding \$48,750, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.4.

(5) For an applicant who has a household income exceeding \$48,750 but not exceeding \$50,000, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.2.

When the applicant is a surviving spouse of an applicant for a prior year for the same residence for which an exemption under this Section has been granted, the base year and base

amount for that residence are the same as for the applicant for the prior year.

Each year at the time the assessment books are certified to the County Clerk, the Board of Review or Board of Appeals shall give to the County Clerk a list of the assessed values of improvements on each parcel qualifying for this exemption that were added after the base year for this parcel and that increased the assessed value of the property.

In the case of land improved with an apartment building owned and operated as a cooperative or a building that is a life care facility that qualifies as a cooperative, the maximum reduction from the equalized assessed value of the property is limited to the sum of the reductions calculated for each unit occupied as a residence by a person or persons (i) 65 years of age or older, (ii) with a household income that does not exceed the maximum income limitation, (iii) who is liable, by contract with the owner or owners of record, for paying real property taxes on the property, and (iv) who is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In the instance of a cooperative where a homestead exemption has been granted under this Section, the cooperative association or its management firm shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to credit that savings to an owner who qualifies for the

exemption is guilty of a Class B misdemeanor.

When a homestead exemption has been granted under this Section and an applicant then becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, the exemption shall be granted in subsequent years so long as the residence (i) continues to be occupied by the qualified applicant's spouse or (ii) if remaining unoccupied, is still owned by the qualified applicant for the homestead exemption.

Beginning January 1, 1997, when an individual dies who would have qualified for an exemption under this Section, and the surviving spouse does not independently qualify for this exemption because of age, the exemption under this Section shall be granted to the surviving spouse for the taxable year preceding and the taxable year of the death, provided that, except for age, the surviving spouse meets all other qualifications for the granting of this exemption for those years.

When married persons maintain separate residences, the exemption provided for in this Section may be claimed by only one of such persons and for only one residence.

For taxable year 1994 only, in counties having less than 3,000,000 inhabitants, to receive the exemption, a person shall submit an application by February 15, 1995 to the Chief County

Assessment Officer of the county in which the property is located. In counties having 3,000,000 or more inhabitants, for taxable year 1994 and all subsequent taxable years, to receive the exemption, a person may submit an application to the Chief County Assessment Officer of the county in which the property is located during such period as may be specified by the Chief County Assessment Officer. The Chief County Assessment Officer in counties of 3,000,000 or more inhabitants shall annually give notice of the application period by mail or by publication. In counties having less than 3,000,000 inhabitants, beginning with taxable year 1995 and thereafter, to receive the exemption, a person shall submit an application by July 1 of each taxable year to the Chief County Assessment Officer of the county in which the property is located. A county may, by ordinance, establish a date for submission of applications that is different than July 1. The applicant shall submit with the application an affidavit of the applicant's total household income, age, marital status (and if married the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January 1 of the taxable year. The Department shall establish, by rule, a method for verifying the accuracy of affidavits filed by applicants under this Section, and the Chief County Assessment Officer may conduct audits of any taxpayer claiming an exemption under this Section to verify that the taxpayer is eligible to receive the exemption. Each application shall

contain or be verified by a written declaration that it is made under the penalties of perjury. A taxpayer's signing a fraudulent application under this Act is perjury, as defined in Section 32-2 of the Criminal Code of 2012. The applications shall be clearly marked as applications for the Senior Citizens Assessment Freeze Homestead Exemption and must contain a notice that any taxpayer who receives the exemption is subject to an audit by the Chief County Assessment Officer.

Notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 30 days after the applicant regains the capability to file the application, but in no case may the filing deadline be extended beyond 3 months of the original filing deadline. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner, and the date on which the applicant regained the capability to file the application.

Beginning January 1, 1998, notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 3 months. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, and that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner.

In counties having less than 3,000,000 inhabitants, if an applicant was denied an exemption in taxable year 1994 and the denial occurred due to an error on the part of an assessment official, or his or her agent or employee, then beginning in taxable year 1997 the applicant's base year, for purposes of determining the amount of the exemption, shall be 1993 rather than 1994. In addition, in taxable year 1997, the applicant's exemption shall also include an amount equal to (i) the amount of any exemption denied to the applicant in taxable year 1995 as a result of using 1994, rather than 1993, as the base year, (ii) the amount of any exemption denied to the applicant in

taxable year 1996 as a result of using 1994, rather than 1993, as the base year, and (iii) the amount of the exemption erroneously denied for taxable year 1994.

For purposes of this Section, a person who will be 65 years of age during the current taxable year shall be eligible to apply for the homestead exemption during that taxable year. Application shall be made during the application period in effect for the county of his or her residence.

The Chief County Assessment Officer may determine the eligibility of a life care facility that qualifies as a cooperative to receive the benefits provided by this Section by use of an affidavit, application, visual inspection, questionnaire, or other reasonable method in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The Chief County Assessment Officer may request reasonable proof that the management firm has so credited that exemption.

Except as provided in this Section, all information received by the chief county assessment officer or the Department from applications filed under this Section, or from any investigation conducted under the provisions of this Section, shall be confidential, except for official purposes or pursuant to official procedures for collection of any State or local tax or enforcement of any civil or criminal penalty or sanction imposed by this Act or by any statute or ordinance

imposing a State or local tax. Any person who divulges any such information in any manner, except in accordance with a proper judicial order, is guilty of a Class A misdemeanor.

Nothing contained in this Section shall prevent the Director or chief county assessment officer from publishing or making available reasonable statistics concerning the operation of the exemption contained in this Section in which the contents of claims are grouped into aggregates in such a way that information contained in any individual claim shall not be disclosed.

(d) Each Chief County Assessment Officer shall annually publish a notice of availability of the exemption provided under this Section. The notice shall be published at least 60 days but no more than 75 days prior to the date on which the application must be submitted to the Chief County Assessment Officer of the county in which the property is located. The notice shall appear in a newspaper of general circulation in the county.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

(35 ILCS 200/15-175)

Sec. 15-175. General homestead exemption.

(a) Except as provided in Sections 15-176 and 15-177, homestead property is entitled to an annual homestead exemption limited, except as described here with relation to cooperatives, to a reduction in the equalized assessed value of homestead property equal to the increase in equalized assessed value for the current assessment year above the equalized assessed value of the property for 1977, up to the maximum reduction set forth below. If however, the 1977 equalized assessed value upon which taxes were paid is subsequently determined by local assessing officials, the Property Tax Appeal Board, or a court to have been excessive, the equalized assessed value which should have been placed on the property for 1977 shall be used to determine the amount of the exemption.

(b) Except as provided in Section 15-176, the maximum reduction before taxable year 2004 shall be \$4,500 in counties with 3,000,000 or more inhabitants and \$3,500 in all other counties. Except as provided in Sections 15-176 and 15-177, for taxable years 2004 through 2007, the maximum reduction shall be \$5,000, for taxable year 2008, the maximum reduction is \$5,500, and, for taxable years 2009 through 2011, the maximum reduction is \$6,000 in all counties. For taxable years 2012 and thereafter, the maximum reduction is \$7,000 in counties with 3,000,000 or more inhabitants and \$6,000 in all other counties. If a county has elected to subject itself to the provisions of Section 15-176 as provided in subsection (k) of that Section,

then, for the first taxable year only after the provisions of Section 15-176 no longer apply, for owners who, for the taxable year, have not been granted a senior citizens assessment freeze homestead exemption under Section 15-172 or a long-time occupant homestead exemption under Section 15-177, there shall be an additional exemption of \$5,000 for owners with a household income of \$30,000 or less.

(c) In counties with fewer than 3,000,000 inhabitants, if, based on the most recent assessment, the equalized assessed value of the homestead property for the current assessment year is greater than the equalized assessed value of the property for 1977, the owner of the property shall automatically receive the exemption granted under this Section in an amount equal to the increase over the 1977 assessment up to the maximum reduction set forth in this Section.

(d) If in any assessment year beginning with the 2000 assessment year, homestead property has a pro-rata valuation under Section 9-180 resulting in an increase in the assessed valuation, a reduction in equalized assessed valuation equal to the increase in equalized assessed value of the property for the year of the pro-rata valuation above the equalized assessed value of the property for 1977 shall be applied to the property on a proportionate basis for the period the property qualified as homestead property during the assessment year. The maximum proportionate homestead exemption shall not exceed the maximum homestead exemption allowed in the county under this Section

divided by 365 and multiplied by the number of days the property qualified as homestead property.

(e) The chief county assessment officer may, when considering whether to grant a leasehold exemption under this Section, require the following conditions to be met:

(1) that a notarized application for the exemption, signed by both the owner and the lessee of the property, must be submitted each year during the application period in effect for the county in which the property is located;

(2) that a copy of the lease must be filed with the chief county assessment officer by the owner of the property at the time the notarized application is submitted;

(3) that the lease must expressly state that the lessee is liable for the payment of property taxes; and

(4) that the lease must include the following language in substantially the following form:

"Lessee shall be liable for the payment of real estate taxes with respect to the residence in accordance with the terms and conditions of Section 15-175 of the Property Tax Code (35 ILCS 200/15-175). The permanent real estate index number for the premises is (insert number), and, according to the most recent property tax bill, the current amount of real estate taxes associated with the premises is (insert amount) per year. The parties agree that the monthly rent set

forth above shall be increased or decreased pro rata (effective January 1 of each calendar year) to reflect any increase or decrease in real estate taxes. Lessee shall be deemed to be satisfying Lessee's liability for the above mentioned real estate taxes with the monthly rent payments as set forth above (or increased or decreased as set forth herein).".

In addition, if there is a change in lessee, or if the lessee vacates the property, then the chief county assessment officer may require the owner of the property to notify the chief county assessment officer of that change.

This subsection (e) does not apply to leasehold interests in property owned by a municipality.

(f) "Homestead property" under this Section includes residential property that is occupied by its owner or owners as his or their principal dwelling place, or that is a leasehold interest on which a single family residence is situated, which is occupied as a residence by a person who has an ownership interest therein, legal or equitable or as a lessee, and on which the person is liable for the payment of property taxes. For land improved with an apartment building owned and operated as a cooperative or a building which is a life care facility as defined in Section 15-170 and considered to be a cooperative under Section 15-170, the maximum reduction from the equalized assessed value shall be limited to the increase in the value above the equalized assessed value of the property for 1977, up

to the maximum reduction set forth above, multiplied by the number of apartments or units occupied by a person or persons who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For purposes of this Section, the term "life care facility" has the meaning stated in Section 15-170.

"Household", as used in this Section, means the owner, the spouse of the owner, and all persons using the residence of the owner as their principal place of residence.

"Household income", as used in this Section, means the combined income of the members of a household for the calendar year preceding the taxable year.

"Income", as used in this Section, has the same meaning as provided in Section 3.07 of the Senior Citizens and Persons with Disabilities Property Tax Relief Act, except that "income" does not include veteran's benefits.

(g) In a cooperative where a homestead exemption has been granted, the cooperative association or its management firm shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor.

(h) Where married persons maintain and reside in separate residences qualifying as homestead property, each residence

shall receive 50% of the total reduction in equalized assessed valuation provided by this Section.

(i) In all counties, the assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption and the amount of the exemption by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department, provided that the taxpayer applying for an additional general exemption under this Section shall submit to the chief county assessment officer an application with an affidavit of the applicant's total household income, age, marital status (and, if married, the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January 1 of the taxable year. The Department shall issue guidelines establishing a method for verifying the accuracy of the affidavits filed by applicants under this paragraph. The applications shall be clearly marked as applications for the Additional General Homestead Exemption.

(i-5) This subsection (i-5) applies to counties with 3,000,000 or more inhabitants. In the event of a sale of homestead property, the homestead exemption shall remain in effect for the remainder of the assessment year of the sale. Upon receipt of a transfer declaration transmitted by the recorder pursuant to Section 31-30 of the Real Estate Transfer

Tax Law for property receiving an exemption under this Section, the assessor shall mail a notice and forms to the new owner of the property providing information pertaining to the rules and applicable filing periods for applying or reapplying for homestead exemptions under this Code for which the property may be eligible. If the new owner fails to apply or reapply for a homestead exemption during the applicable filing period or the property no longer qualifies for an existing homestead exemption, the assessor shall cancel such exemption for any ensuing assessment year.

(j) In counties with fewer than 3,000,000 inhabitants, in the event of a sale of homestead property the homestead exemption shall remain in effect for the remainder of the assessment year of the sale. The assessor or chief county assessment officer may require the new owner of the property to apply for the homestead exemption for the following assessment year.

(k) Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Section 175. The Electricity Excise Tax Law is amended by changing Section 2-10 as follows:

(35 ILCS 640/2-10)

Sec. 2-10. Election and registration to be self-assessing purchaser. Any purchaser for non-residential electric use may elect to register with the Department as a self-assessing purchaser and to pay the tax imposed by Section 2-4 directly to the Department, at the rate stated in that Section for self-assessing purchasers, rather than paying the tax to such purchaser's delivering supplier. The election by a purchaser to register as a self-assessing purchaser may not be revoked by the purchaser for at least 2 years thereafter. A purchaser who revokes his or her registration as a self-assessing purchaser shall not thereafter be permitted to register as a self-assessing purchaser within the succeeding 2 years. A self-assessing purchaser shall renew his or her registration every 2 years, or the registration shall be deemed to be revoked.

Application for a certificate of registration as a self-assessing purchaser shall be made to the Department upon forms furnished by the Department and shall contain any reasonable information the Department may require. The self-assessing purchaser shall be required to disclose the name of the delivering supplier or suppliers and each account numbers for which the self-assessing purchaser elects to pay the tax imposed by Section 2-4 directly to the Department. Upon receipt of the application for a certificate of registration in proper form and payment of a ~~an~~ non-refundable biennial fee of

\$200, the Department shall issue to the applicant a certificate of registration that permits the person to whom it was issued to pay the tax incurred under this Law directly to the Department for a period of 2 years. The Department shall notify the delivering supplier or suppliers that the applicant has been registered as a self-assessing purchaser for the accounts listed by the self-assessing purchaser. A certificate of registration under this Section shall be renewed upon application and payment of a non-refundable biennial \$200 fee, subject to revocation as provided by this Law, for additional 2-year periods from the date of its expiration unless otherwise notified by the Department.

Upon notification by the Department that an applicant has been registered as a self-assessing purchaser, the delivering supplier is no longer required to collect the tax imposed by this Act for the accounts specifically listed by the self-assessing purchaser, until the delivering supplier is notified by the Department as set forth below that the self-assessing purchaser's certificate of registration has been expired, revoked, or denied.

The Department may deny a certificate of registration to any applicant if the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant, is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer, of another self-assessing purchaser that is in default for

moneys due under this Law.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Law and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given. Upon the expiration, revocation, or denial of a certificate of registration as a self-assessing purchaser, the Department of Revenue shall provide written notice of the expiration, revocation, or denial of the certificate to the self-assessing purchaser's delivering supplier or suppliers.

Section 180. The Illinois Pension Code is amended by changing Sections 7-172.1 and 16-152 as follows:

(40 ILCS 5/7-172.1) (from Ch. 108 1/2, par. 7-172.1)

Sec. 7-172.1. Actions to enforce payments by municipalities and instrumentalities.

(a) If any participating municipality or participating

instrumentality fails to transmit to the Fund contributions required of it under this Article or contributions collected by it from its participating employees for the purposes of this Article for more than 60 days after the payment of such contributions is due, the Fund, after giving notice to such municipality or instrumentality, may certify to the State Comptroller the amounts of such delinquent payments in accordance with any applicable rules of the Comptroller, and the Comptroller shall deduct the amounts so certified or any part thereof from any payments of State funds to the municipality or instrumentality involved and shall remit the amount so deducted to the Fund. If State funds from which such deductions may be made are not available, the Fund may proceed against the municipality or instrumentality to recover the amounts of such delinquent payments in the appropriate circuit court.

(b) If any participating municipality fails to transmit to the Fund contributions required of it under this Article or contributions collected by it from its participating employees for the purposes of this Article for more than 60 days after the payment of such contributions is due, the Fund, after giving notice to such municipality, may certify the fact of such delinquent payment to the county treasurer of the county in which such municipality is located, who shall thereafter remit the amounts collected from the tax levied by the municipality under Section 7-171 directly to the Fund.

(c) If reports furnished to the Fund by the municipality or instrumentality involved are inadequate for the computation of the amounts of such delinquent payments, the Fund may provide for such audit of the records of the municipality or instrumentality as may be required to establish the amounts of such delinquent payments. The municipality or instrumentality shall make its records available to the Fund for the purpose of such audit. The cost of such audit shall be added to the amount of the delinquent payments and shall be recovered by the Fund from the municipality or instrumentality at the same time and in the same manner as the delinquent payments are recovered.

camera must be turned on when the officer has reason to believe that the person on whose behalf the officer is performing a community caretaking function has committed or is in the process of committing a crime. If exigent circumstances exist which prevent the camera from being turned on, the camera must be turned on as soon as practicable.

(5) The officer must provide notice of recording to any person if the person has a reasonable expectation of privacy and proof of notice must be evident in the recording. If exigent circumstances exist which prevent the officer from providing notice, notice must be provided as soon as practicable.

(6) For the purposes of redaction, labeling, or duplicating recordings, access to camera recordings shall be restricted to only those personnel responsible for those purposes. The recording officer and his or her supervisor may access and review recordings prior to completing incident reports or other documentation, provided that the officer or his or her supervisor discloses that fact in the report or documentation.

(7) Recordings made on officer-worn cameras must be retained by the law enforcement agency or by the camera vendor used by the agency, on a recording medium for a period of 90 days.

(A) Under no circumstances shall any recording

made with an officer-worn body camera be altered, erased, or destroyed prior to the expiration of the 90-day storage period.

(B) Following the 90-day storage period, any and all recordings made with an officer-worn body camera must be destroyed, unless any encounter captured on the recording has been flagged. An encounter is deemed to be flagged when:

(i) a formal or informal complaint has been filed;

(ii) the officer discharged his or her firearm or used force during the encounter;

(iii) death or great bodily harm occurred to any person in the recording;

(iv) the encounter resulted in a detention or an arrest, excluding traffic stops which resulted in only a minor traffic offense or business offense;

(v) the officer is the subject of an internal investigation or otherwise being investigated for possible misconduct;

(vi) the supervisor of the officer, prosecutor, defendant, or court determines that the encounter has evidentiary value in a criminal prosecution; or

(vii) the recording officer requests that the

video be flagged for official purposes related to his or her official duties.

(C) Under no circumstances shall any recording made with an officer-worn body camera relating to a flagged encounter be altered or destroyed prior to 2 years after the recording was flagged. If the flagged recording was used in a criminal, civil, or administrative proceeding, the recording shall not be destroyed except upon a final disposition and order from the court.

(8) Following the 90-day storage period, recordings may be retained if a supervisor at the law enforcement agency designates the recording for training purposes. If the recording is designated for training purposes, the recordings may be viewed by officers, in the presence of a supervisor or training instructor, for the purposes of instruction, training, or ensuring compliance with agency policies.

(9) Recordings shall not be used to discipline law enforcement officers unless:

(A) a formal or informal complaint of misconduct has been made;

(B) a use of force incident has occurred;

(C) the encounter on the recording could result in a formal investigation under the Uniform Peace Officers' Disciplinary Act; or

(D) as corroboration of other evidence of misconduct.

Nothing in this paragraph (9) shall be construed to limit or prohibit a law enforcement officer from being subject to an action that does not amount to discipline.

(10) The law enforcement agency shall ensure proper care and maintenance of officer-worn body cameras. Upon becoming aware, officers must as soon as practical document and notify the appropriate supervisor of any technical difficulties, failures, or problems with the officer-worn body camera or associated equipment. Upon receiving notice, the appropriate supervisor shall make every reasonable effort to correct and repair any of the officer-worn body camera equipment.

(11) No officer may hinder or prohibit any person, not a law enforcement officer, from recording a law enforcement officer in the performance of his or her duties in a public place or when the officer has no reasonable expectation of privacy. The law enforcement agency's written policy shall indicate the potential criminal penalties, as well as any departmental discipline, which may result from unlawful confiscation or destruction of the recording medium of a person who is not a law enforcement officer. However, an officer may take reasonable action to maintain safety and control, secure crime scenes and accident sites, protect the integrity and confidentiality of investigations, and

protect the public safety and order.

(b) Recordings made with the use of an officer-worn body camera are not subject to disclosure under the Freedom of Information Act, except that:

(1) if the subject of the encounter has a reasonable expectation of privacy, at the time of the recording, any recording which is flagged, due to the filing of a complaint, discharge of a firearm, use of force, arrest or detention, or resulting death or bodily harm, shall be disclosed in accordance with the Freedom of Information Act if:

(A) the subject of the encounter captured on the recording is a victim or witness; and

(B) the law enforcement agency obtains written permission of the subject or the subject's legal representative;

(2) except as provided in paragraph (1) of this subsection (b), any recording which is flagged due to the filing of a complaint, discharge of a firearm, use of force, arrest or detention, or resulting death or bodily harm shall be disclosed in accordance with the Freedom of Information Act; and

(3) upon request, the law enforcement agency shall disclose, in accordance with the Freedom of Information Act, the recording to the subject of the encounter captured on the recording or to the subject's attorney, or the

officer or his or her legal representative.

For the purposes of paragraph (1) of this subsection (b), the subject of the encounter does not have a reasonable expectation of privacy if the subject was arrested as a result of the encounter. For purposes of subparagraph (A) of paragraph (1) of this subsection (b), "witness" does not include a person who is a victim or who was arrested as a result of the encounter.

Only recordings or portions of recordings responsive to the request shall be available for inspection or reproduction. Any recording disclosed under the Freedom of Information Act shall be redacted to remove identification of any person that appears on the recording and is not the officer, a subject of the encounter, or directly involved in the encounter. Nothing in this subsection (b) shall require the disclosure of any recording or portion of any recording which would be exempt from disclosure under the Freedom of Information Act.

(c) Nothing in this Section shall limit access to a camera recording for the purposes of complying with Supreme Court rules or the rules of evidence.

Section 205. The Counties Code is amended by changing Sections 3-3013, 3-8007, 3-9005, 5-1006.5, 5-1006.7, 5-12020, and 6-1003 as follows:

(55 ILCS 5/3-3013) (from Ch. 34, par. 3-3013)

Sec. 3-3013. Preliminary investigations; blood and urine analysis; summoning jury; reports. Every coroner, whenever, as soon as he knows or is informed that the dead body of any person is found, or lying within his county, whose death is suspected of being:

(a) A sudden or violent death, whether apparently suicidal, homicidal or accidental, including but not limited to deaths apparently caused or contributed to by thermal, traumatic, chemical, electrical or radiational injury, or a complication of any of them, or by drowning or suffocation, or as a result of domestic violence as defined

in the Illinois Domestic Violence Act of 1986;

(b) A maternal or fetal death due to abortion, or any death due to a sex crime or a crime against nature;

(c) A death where the circumstances are suspicious, obscure, mysterious or otherwise unexplained or where, in the written opinion of the attending physician, the cause of death is not determined;

(d) A death where addiction to alcohol or to any drug may have been a contributory cause; or

(e) A death where the decedent was not attended by a licensed physician;

shall go to the place where the dead body is, and take charge of the same and shall make a preliminary investigation into the circumstances of the death. In the case of death without attendance by a licensed physician the body may be moved with the coroner's consent from the place of death to a mortuary in the same county. Coroners in their discretion shall notify such physician as is designated in accordance with Section 3-3014 to attempt to ascertain the cause of death, either by autopsy or otherwise.

In cases of accidental death involving a motor vehicle in which the decedent was (1) the operator or a suspected operator of a motor vehicle, or (2) a pedestrian 16 years of age or older, the coroner shall require that a blood specimen of at least 30 cc., and if medically possible a urine specimen of at least 30 cc. or as much as possible up to 30 cc., be withdrawn

from the body of the decedent in a timely fashion after the accident causing his death, by such physician as has been designated in accordance with Section 3-3014, or by the coroner or deputy coroner or a qualified person designated by such physician, coroner, or deputy coroner. If the county does not maintain laboratory facilities for making such analysis, the blood and urine so drawn shall be sent to the Department of State Police or any other accredited or State-certified laboratory for analysis of the alcohol, carbon monoxide, and dangerous or narcotic drug content of such blood and urine specimens. Each specimen submitted shall be accompanied by pertinent information concerning the decedent upon a form prescribed by such laboratory. Any person drawing blood and urine and any person making any examination of the blood and urine under the terms of this Division shall be immune from all liability, civil or criminal, that might otherwise be incurred or imposed.

In all other cases coming within the jurisdiction of the coroner and referred to in subparagraphs (a) through (e) above, blood, and whenever possible, urine samples shall be analyzed for the presence of alcohol and other drugs. When the coroner suspects that drugs may have been involved in the death, either directly or indirectly, a toxicological examination shall be performed which may include analyses of blood, urine, bile, gastric contents and other tissues. When the coroner suspects a death is due to toxic substances, other than drugs, the coroner

shall consult with the toxicologist prior to collection of samples. Information submitted to the toxicologist shall include information as to height, weight, age, sex and race of the decedent as well as medical history, medications used by and the manner of death of decedent.

When the coroner or medical examiner finds that the cause of death is due to homicidal means, the coroner or medical examiner shall cause blood and buccal specimens (tissue may be submitted if no uncontaminated blood or buccal specimen can be obtained), whenever possible, to be withdrawn from the body of the decedent in a timely fashion. For proper preservation of the specimens, collected blood and buccal specimens shall be dried and tissue specimens shall be frozen if available equipment exists. As soon as possible, but no later than 30 days after the collection of the specimens, the coroner or medical examiner shall release those specimens to the police agency responsible for investigating the death. As soon as possible, but no later than 30 days after the receipt from the coroner or medical examiner, the police agency shall submit the specimens using the agency case number to a National DNA Index System (NDIS) participating laboratory within this State, such as the Illinois Department of State Police, Division of Forensic Services, for analysis and categorizing into genetic marker groupings. The results of the analysis and categorizing into genetic marker groupings shall be provided to the Illinois Department of State Police and shall be maintained by the

Illinois Department of State Police in the State central repository in the same manner, and subject to the same conditions, as provided in Section 5-4-3 of the Unified Code of Corrections. The requirements of this paragraph are in addition to any other findings, specimens, or information that the coroner or medical examiner is required to provide during the conduct of a criminal investigation.

In all counties, in cases of apparent suicide, homicide, or accidental death or in other cases, within the discretion of the coroner, the coroner may summon 8 persons of lawful age from those persons drawn for petit jurors in the county. The summons shall command these persons to present themselves personally at such a place and time as the coroner shall determine, and may be in any form which the coroner shall determine and may incorporate any reasonable form of request for acknowledgement which the coroner deems practical and provides a reliable proof of service. The summons may be served by first class mail. From the 8 persons so summoned, the coroner shall select 6 to serve as the jury for the inquest. Inquests may be continued from time to time, as the coroner may deem necessary. The 6 jurors selected in a given case may view the body of the deceased. If at any continuation of an inquest one or more of the original jurors shall be unable to continue to serve, the coroner shall fill the vacancy or vacancies. A juror serving pursuant to this paragraph shall receive compensation from the county at the same rate as the rate of

compensation that is paid to petit or grand jurors in the county. The coroner shall furnish to each juror without fee at the time of his discharge a certificate of the number of days in attendance at an inquest, and, upon being presented with such certificate, the county treasurer shall pay to the juror the sum provided for his services.

In counties which have a jury commission, in cases of apparent suicide or homicide or of accidental death, the coroner may conduct an inquest. The jury commission shall provide at least 8 jurors to the coroner, from whom the coroner shall select any 6 to serve as the jury for the inquest. Inquests may be continued from time to time as the coroner may deem necessary. The 6 jurors originally chosen in a given case may view the body of the deceased. If at any continuation of an inquest one or more of the 6 jurors originally chosen shall be unable to continue to serve, the coroner shall fill the vacancy or vacancies. At the coroner's discretion, additional jurors to fill such vacancies shall be supplied by the jury commission. A juror serving pursuant to this paragraph in such county shall receive compensation from the county at the same rate as the rate of compensation that is paid to petit or grand jurors in the county.

In every case in which a fire is determined to be a contributing factor in a death, the coroner shall report the death to the Office of the State Fire Marshal. The coroner shall provide a copy of the death certificate (i) within 30

days after filing the permanent death certificate and (ii) in a manner that is agreed upon by the coroner and the State Fire Marshal.

In every case in which a drug overdose is determined to be the cause or a contributing factor in the death, the coroner or medical examiner shall report the death to the Department of Public Health. The Department of Public Health shall adopt rules regarding specific information that must be reported in the event of such a death. If possible, the coroner shall report the cause of the overdose. As used in this Section, "overdose" has the same meaning as it does in Section 414 of the Illinois Controlled Substances Act. The Department of Public Health shall issue a semiannual report to the General Assembly summarizing the reports received. The Department shall also provide on its website a monthly report of overdose death figures organized by location, age, and any other factors, the Department deems appropriate.

In addition, in every case in which domestic violence is determined to be a contributing factor in a death, the coroner shall report the death to the Department of State Police.

All deaths in State institutions and all deaths of wards of the State in private care facilities or in programs funded by the Department of Human Services under its powers relating to mental health and developmental disabilities or alcoholism and substance abuse or funded by the Department of Children and Family Services shall be reported to the coroner of the county

in which the facility is located. If the coroner has reason to believe that an investigation is needed to determine whether the death was caused by maltreatment or negligent care of the ward of the State, the coroner may conduct a preliminary investigation of the circumstances of such death as in cases of death under circumstances set forth in paragraphs (a) through (e) of this Section.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes

for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

Beginning on the January 1 or July 1, whichever is first, that occurs not less than 30 days after May 31, 2015 (the effective date of Public Act 99-4) ~~this amendatory Act of the 99th General Assembly~~, Adams County may impose a public safety retailers' occupation tax and service occupation tax at the rate of 0.25%, as provided in the referendum approved by the voters on April 7, 2015, notwithstanding the omission of the additional information that is otherwise required to be printed on the ballot below the question pursuant to this item (1).

(2) The proposition for transportation purposes shall be in substantially the following form:

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation

purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public facilities purposes shall be in substantially the following form:

"To pay for public facilities purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every \$100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures,

and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed by a county under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Illinois Department of Revenue and deposited into a special fund created for that purpose. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution

under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required

to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all

taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority

granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month,

beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, and (iii) any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by

the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than \$500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

A county may direct, by ordinance, that all or a portion of the taxes and penalties collected under the Special County Retailers' Occupation Tax For Public Safety or Transportation be deposited into the Transportation Development Partnership Trust Fund.

(d) For the purpose of determining the local governmental

unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998 and through December 31, 2013, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next

following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election authorizing a proposition to impose a tax under this Section or effecting an increase in the rate of tax, along with the ordinance adopted to impose the tax or increase the rate of the tax, or any ordinance adopted to lower the rate or discontinue the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the adoption and filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

(h) This Section may be cited as the "Special County Occupation Tax For Public Safety, Public Facilities, or Transportation Law".

(i) For purposes of this Section, "public safety" includes, but is not limited to, crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services. The county may share tax proceeds received under this Section for public safety purposes, including proceeds received before August 4, 2009 (the effective date of Public Act 96-124), with any fire protection district located in the county. For the purposes of this Section, "transportation" includes, but is not limited to, the construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation. For the purposes of this Section, "public facilities purposes" includes, but is not limited to, the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

(j) The Department may promulgate rules to implement Public Act 95-1002 only to the extent necessary to apply the existing rules for the Special County Retailers' Occupation Tax for

Public Safety to this new purpose for public facilities.

Sec. 5-1006.7. School facility occupation taxes.

(a) In any county, a tax shall be imposed upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for school facility purposes if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question as provided in subsection (c). The tax under this Section shall be imposed only in one-quarter percent increments and may not exceed 1%.

This additional tax may not be imposed on the sale of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The Department of Revenue has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of

taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection. The Department shall deposit all taxes and penalties collected under this subsection into a special fund created for that purpose.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act permits the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this subsection.

Persons subject to any tax imposed under the authority

granted in this subsection may reimburse themselves for their seller's tax liability by separately stating that tax as an additional charge, which may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service.

This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department and deposited into a special fund created for that purpose. The Department has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this

subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties and definition of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that that reference to State in the definition of supplier maintaining a place of business in this State means the county), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the county), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their

serviceman's tax liability by separately stating the tax as an additional charge, which may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(c) The tax under this Section may not be imposed until the question of imposing the tax has been submitted to the electors of the county at a regular election and approved by a majority of the electors voting on the question. For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542) ~~this amendatory Act of the 97th General Assembly~~, upon a resolution by the county board or a resolution by school district boards that represent at least 51% of the student enrollment within the county, the county board must certify the question to the proper election authority in accordance with the Election Code.

For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542) ~~this amendatory Act of the 97th General Assembly~~, the election authority must submit the question in substantially the following form:

Shall (name of county) be authorized to impose a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the county may, thereafter, impose the tax.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542) ~~this amendatory Act of the 97th General Assembly~~, the regional superintendent of schools for the county must, upon receipt of a resolution or resolutions of school district boards that represent more than 50% of the student enrollment within the county, certify the question to the proper election authority for submission to the electors of the county at the next regular election at which the question lawfully may be submitted to the electors, all in accordance with the Election Code.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542) ~~this amendatory Act of the 97th General Assembly~~, the election authority must submit the question in substantially the following form:

Shall a retailers' occupation tax and a service occupation tax (commonly referred to as a "sales tax") be imposed in (name of county) at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For the purposes of this subsection (c), "enrollment" means

the head count of the students residing in the county on the last school day of September of each year, which must be reported on the Illinois State Board of Education Public School Fall Enrollment/Housing Report.

(d) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the School Facility Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the regional superintendents of schools in counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each regional superintendent of schools and disbursed to him or her in accordance with Section 3-14.31 of the School Code, is equal to the amount (not including credit memoranda) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that

were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a regional superintendent of schools under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the regional superintendents of the schools provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the School Facility Occupation Tax Fund.

(e) For the purposes of determining the local governmental

unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This subsection does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(f) Nothing in this Section may be construed to authorize a tax to be imposed upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(g) If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542) ~~this amendatory Act of the 97th General Assembly~~ at a rate below the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c), then the county board may, by ordinance, increase the rate of the tax up to the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c). If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542) ~~this amendatory Act of the 97th General Assembly~~, then the board may, by ordinance, discontinue or reduce the rate of the tax. If a tax is imposed

under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) ~~this amendatory Act of the 97th General Assembly~~, then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-5) of this Section. If, however, a school board issues bonds that are secured by the proceeds of the tax under this Section, then the county board may not reduce the tax rate or discontinue the tax if that rate reduction or discontinuance would adversely affect the school board's ability to pay the principal and interest on those bonds as they become due or necessitate the extension of additional property taxes to pay the principal and interest on those bonds. If the county board reduces the tax rate or discontinues the tax, then a referendum must be held in accordance with subsection (c) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

Until January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall

proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(h) For purposes of this Section, "school facility purposes" means (i) the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the capital facilities and (ii) the payment of bonds or other obligations heretofore or hereafter issued, including bonds or other obligations heretofore or hereafter issued to refund or to continue to refund bonds or other obligations issued, for school facility

purposes, provided that the taxes levied to pay those bonds are abated by the amount of the taxes imposed under this Section that are used to pay those bonds. "School-facility purposes" also includes fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes set forth under Section 17-2.11 of the School Code.

(h-5) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) ~~this amendatory Act of the 97th General Assembly~~ may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility retailers' occupation tax and service occupation tax (commonly referred to as the "school facility sales tax") currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate)) (discontinued)?

If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

(i) This Section does not apply to Cook County.

(j) This Section may be cited as the County School Facility Occupation Tax Law.

Sec. 5-12020. Wind farms. Notwithstanding any other provision of law, a county may establish standards for wind farms and electric-generating wind devices. The standards may include, without limitation, the height of the devices and the number of devices that may be located within a geographic area. A county may also regulate the siting of wind farms and electric-generating wind devices in unincorporated areas of the county outside of the zoning jurisdiction of a municipality and the 1.5 mile radius surrounding the zoning jurisdiction of a municipality. There shall be at least one public hearing not more than 30 days prior to a siting decision by the county board. Notice of the hearing shall be published in a newspaper of general circulation in the county. A commercial wind energy facility owner, as defined in the Wind Energy Facilities Agricultural Impact Mitigation Act, must enter into an agricultural impact mitigation agreement with the Department of Agriculture prior to the date of the required public hearing. A commercial wind energy facility owner seeking an extension of a permit granted by a county prior to July 24, 2015 (the effective date of Public Act 99-132) ~~this amendatory~~

~~Act of the 99th General Assembly~~ must enter into an agricultural impact mitigation agreement with the Department of Agriculture prior to a decision by the county to grant the permit extension. Counties may allow test wind towers to be sited without formal approval by the county board. Any provision of a county zoning ordinance pertaining to wind farms that is in effect before August 16, 2007 (the effective date of Public Act 95-203) ~~this amendatory Act of the 95th General Assembly~~ may continue in effect notwithstanding any requirements of this Section.

Sec. 6-1003. Further appropriations barred; transfers. After the adoption of the county budget, no further appropriations shall be made at any other time during such fiscal year, except as provided in this Division. Section 210. The County Economic Development Project Area Property Tax Allocation Act is amended by changing Section 10 as follows:

(55 ILCS 85/10) (from Ch. 34, par. 7010)

Sec. 10. Conflicts of interests, disclosure. If any member of the corporate authorities of a county, or any employee or consultant of the county involved in the planning, analysis, preparation or administration of an economic development plan or an economic development project, or any proposed economic development plan or any proposed economic development project, owns or controls any interest, direct or indirect, in any property included in any economic development project area or proposed economic development project area, he or she shall disclose the same in writing to the county clerk, which

disclosure shall include the dates, terms and conditions of any disposition of any such interest. The disclosures shall be acknowledged by the corporate authorities of the county and entered upon the official records and files of the corporate authorities. Any such individual holding any such interest shall refrain from any further official involvement regarding such established or proposed economic development project area, economic development plan or economic development project, and shall also refrain from ~~form~~ voting on any matter pertaining to that project, plan or area and from communicating with any members of the corporate authorities of the county and no employee of the county shall acquire any interest, direct or indirect, in any real or personal property or rights or interest therein within an economic development project area or a proposed economic development project area after that person obtains knowledge of the project, plan or area or after the first public notice of the project, plan or area is given by the county, whichever shall first occur.

Section 215. The Illinois Municipal Code is amended by changing Sections 8-11-1.6 and 11-13-26 as follows:

(65 ILCS 5/8-11-1.6)

Sec. 8-11-1.6. Non-home rule municipal retailers occupation tax; municipalities between 20,000 and 25,000. The

corporate authorities of a non-home rule municipality with a population of more than 20,000 but less than 25,000 that has, prior to January 1, 1987, established a Redevelopment Project Area that has been certified as a State Sales Tax Boundary and has issued bonds or otherwise incurred indebtedness to pay for costs in excess of \$5,000,000, which is secured in part by a tax increment allocation fund, in accordance with the provisions of Division 11-74.4 of this Code may, by passage of an ordinance, impose a tax upon all persons engaged in the business of selling tangible personal property, other than on an item of tangible personal property that is titled and registered by an agency of this State's Government, at retail in the municipality. This tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. If imposed, the tax shall only be imposed in .25% increments of the gross receipts from such sales made in the course of business. Any tax imposed by a municipality under this Section ~~Sec.~~ and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. An ordinance imposing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified

copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda, arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12

and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-1.7 of this Act.

Persons subject to any tax imposed under the authority granted in this Section, may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant, instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax Fund, which is hereby created.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department

of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement

certification to the municipalities provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

As used in this Section, "municipal" and "municipality" means a city, village, or incorporated town, including an

incorporated town that has superseded a civil township.

(65 ILCS 5/11-13-26)

Sec. 11-13-26. Wind farms. Notwithstanding any other provision of law:

(a) A municipality may regulate wind farms and electric-generating wind devices within its zoning jurisdiction and within the 1.5 mile radius surrounding its zoning jurisdiction. There shall be at least one public hearing not more than 30 days prior to a siting decision by the corporate authorities of a municipality. Notice of the hearing shall be published in a newspaper of general circulation in the municipality. A commercial wind energy facility owner, as defined in the Wind Energy Facilities Agricultural Impact Mitigation Act, must enter into an agricultural impact mitigation agreement with the Department of Agriculture prior to the date of the required public hearing. A commercial wind energy facility owner seeking an extension of a permit granted by a municipality prior to July 24, 2015 (the effective date of Public Act 99-132) ~~this amendatory Act of the 99th General Assembly~~ must enter into an agricultural impact mitigation agreement with the Department of Agriculture prior to a decision by the municipality to grant the permit extension. A municipality may allow test wind towers to be sited without formal approval by the corporate authorities of the

municipality. Test wind towers must be dismantled within 3 years of installation. For the purposes of this Section, "test wind towers" are wind towers that are designed solely to collect wind generation data.

(b) A municipality may not require a wind tower or other renewable energy system that is used exclusively by an end user to be setback more than 1.1 times the height of the renewable energy system from the end user's property line. A setback requirement imposed by a municipality on a renewable energy system may not be more restrictive than as provided under this subsection. This subsection is a limitation of home rule powers and functions under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

Section 220. The Civic Center Code is amended by changing Sections 170-50 and 240-50 as follows:

(70 ILCS 200/170-50)

Sec. 170-50. Contracts. All contracts for sale of property of the value of more than \$10,000 or for a ~~an~~ concession in or lease of property, including air rights, of the Authority for a term of more than one year shall be awarded to the highest responsible bidder, after advertising for bids. All

construction contracts and contracts for supplies, materials, equipment and services, when the expense thereof will exceed \$10,000, shall be let to the lowest responsible bidder, after advertising for bids, excepting (1) when repair parts, accessories, equipment or services are required for equipment or services previously furnished or contracted for; (2) when the nature of the services required is such that competitive bidding is not in the best interest of the public, including, without limiting the generality of the foregoing, the services of accountants, architects, attorneys, engineers, physicians, superintendents of construction, and others possessing a high degree of skill; and (3) when services such as water, light, heat, power, telephone or telegraph are required.

All contracts involving less than \$10,000 shall be let by competitive bidding to the lowest responsible bidder whenever possible, and in any event in a manner calculated to ensure the best interests of the public.

In determining the responsibility of any bidder, the Board may take into account the past record of dealings with the bidder, the bidder's experience, adequacy of equipment, and ability to complete performance within the time set, and other factors besides financial responsibility, but in no case shall any such contracts be awarded to any other than the highest bidder (in case of sale, concession or lease) or the lowest bidder (in case of purchase or expenditure) unless authorized or approved by a vote of at least three-fourths of the members

of the Board, and unless such action is accompanied by a statement in writing setting forth the reasons for not awarding the contract to the highest or lowest bidder, as the case may be, which statement shall be kept on file in the principal office of the Authority and open to public inspection.

From the group of responsible bidders the lowest bidder shall be selected in the following manner: to all bids for sales the gross receipts of which are not taxable under the Retailers' Occupation Tax Act, there shall be added an amount equal to the tax which would be payable under said Act, if applicable, and the lowest in amount of said adjusted bids and bids for sales the gross receipts of which are taxable under said Act shall be considered the lowest bid; provided, that, if said lowest bid relates to a sale not taxable under said Act, any contract entered into thereon shall be in the amount of the original bid not adjusted as aforesaid.

Contracts shall not be split into parts involving expenditures of less than \$10,000 for the purposes of avoiding the provisions of this Section, and all such split contracts shall be void. If any collusion occurs among bidders or prospective bidders in restraint of freedom of competition, by agreement to bid a fixed amount or to refrain from bidding or otherwise, the bids of such bidders shall be void. Each bidder shall accompany his bid with a sworn statement that he has not been a party to any such agreement.

Members of the Board, officers and employees of the

Authority, and their relatives within the fourth degree of consanguinity by the terms of the civil law, are forbidden to be interested directly or indirectly in any contract for construction or maintenance work or for the delivery of materials, supplies or equipment.

The Board shall have the right to reject all bids and to readvertise for bids. If after any such advertisement no responsible and satisfactory bid, within the terms of the advertisement, shall be received, the Board may award such contract, without competitive bidding, provided that it shall not be less advantageous to the Authority than any valid bid received pursuant to advertisement.

The Board shall adopt rules and regulations to carry into effect the provisions of this Section.

shall be kept on file in the principal office of the Authority and open to public inspection.

From the group of responsible bidders the lowest bidder shall be selected in the following manner: to all bids for sales the gross receipts of which are not taxable under the Retailers' Occupation Tax Act, there shall be added an amount equal to the tax which would be payable under said Act, if applicable, and the lowest in amount of said adjusted bids and bids for sales the gross receipts of which are taxable under said Act shall be considered the lowest bid; provided, that, if said lowest bid relates to a sale not taxable under said Act, any contract entered into thereon shall be in the amount of the original bid not adjusted as aforesaid.

The Board shall adopt rules and regulations to carry into effect the provisions of this Section.

Section 225. The Flood Prevention District Act is amended by changing Section 25 as follows:

(70 ILCS 750/25)

Sec. 25. Flood prevention retailers' and service occupation taxes.

(a) If the Board of Commissioners of a flood prevention district determines that an emergency situation exists regarding levee repair or flood prevention, and upon an ordinance confirming the determination adopted by the affirmative vote of a majority of the members of the county board of the county in which the district is situated, the county may impose a flood prevention retailers' occupation tax

upon all persons engaged in the business of selling tangible personal property at retail within the territory of the district to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness issued under this Act. The tax rate shall be 0.25% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as

to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

If a tax is imposed under this subsection (a), a tax shall also be imposed under subsection (b) of this Section.

(b) If a tax has been imposed under subsection (a), a flood prevention service occupation tax shall also be imposed upon all persons engaged within the territory of the district in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness.

The tax rate shall be 0.25% of the selling price of all tangible personal property transferred.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State means the district), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the district), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the district), 9 (except as to the disposition of taxes and penalties

collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the district), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

(c) The taxes imposed in subsections (a) and (b) may not be imposed on personal property titled or registered with an agency of the State; food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption); prescription and non-prescription medicines, drugs, and medical appliances; modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability; or insulin, urine testing materials, and syringes and needles used by diabetics.

(d) Nothing in this Section shall be construed to authorize the district to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States

may not be made the subject of taxation by the State.

(e) The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or a serviceman under the Service Occupation Tax Act permits the retailer or serviceman to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section.

(f) The Department shall immediately pay over to the State Treasurer, *ex officio*, as trustee, all taxes and penalties collected under this Section to be deposited into the Flood Prevention Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county is equal to the amount (not including credit memoranda) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department in administering and enforcing the provisions of this Section on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different

taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the counties provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the Flood Prevention Occupation Tax Fund.

(g) If a county imposes a tax under this Section, then the county board shall, by ordinance, discontinue the tax upon the payment of all indebtedness of the flood prevention district.

The tax shall not be discontinued until all indebtedness of the District has been paid.

(h) Any ordinance imposing the tax under this Section, or any ordinance that discontinues the tax, must be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(j) County Flood Prevention Occupation Tax Fund. All proceeds received by a county from a tax distribution under this Section must be maintained in a special fund known as the [name of county] flood prevention occupation tax fund. The county shall, at the direction of the flood prevention district, use moneys in the fund to pay the costs of providing emergency levee repair and flood prevention and to pay bonds, notes, and other evidences of indebtedness issued under this Act.

(k) This Section may be cited as the Flood Prevention Occupation Tax Law.

He shall give such member a copy of the charges against him and an opportunity to be publicly heard in person or by counsel in his own defense upon not less than 10 days' ~~day's~~ notice. In case of failure to qualify within the time required, or of abandonment of his office, or in case of death, conviction of a felony or removal from office, the office of such member shall become vacant. establish or acquire any or all manner of mass transit facility. The Board may engage in the business of transportation of passengers on scheduled routes and by contract on nonscheduled routes within the territorial limits of the counties or municipalities creating the District, by whatever means it may decide. Section 240. The Regional Transportation Authority Act is amended by changing Section 4.03 as follows:

(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in Public Act 95-708 ~~this amendatory Act of the 95th General Assembly~~ is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after January 1, 2008 (the effective date of Public Act 95-708) ~~this amendatory Act of the 95th General Assembly~~.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed

5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and

exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the metropolitan region. In Cook County the tax rate shall be 1.25% of the gross receipts from sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by

diabetics, and 1% of the gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1.25% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act that is located in the metropolitan region; (2) 1.25% of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than

alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics; and (3) 1% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry and Will Counties the rate shall be 0.75% of the selling price of all tangible personal property transferred.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to

the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund

established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal

property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act, and are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be

made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of \$50 on any passenger car as defined in Section 1-157 of the Illinois Vehicle Code purchased within the metropolitan region by or on behalf of an insurance company to replace a passenger car of an insured person in settlement of a total loss claim. The tax imposed may not become effective before the first day of the month following the passage of the ordinance imposing the tax and receipt of a certified copy of the ordinance by the Department of Revenue. The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation

Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the Authority. The amount to be paid to the Authority shall be the amount collected hereunder during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for the payment of refunds, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be

required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by Public Act 95-708 ~~this amendatory Act of the 95th General~~

~~Assembly~~. The tax rates authorized by Public Act 95-708 ~~this~~  
~~amendatory Act of the 95th General Assembly~~ are effective only  
if imposed by ordinance of the Authority.

(n) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each County other than Cook County in the metropolitan region, (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii). Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each

year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain in effect only until

the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this Section shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

(b) The board of commissioners may impose a County Water Commission Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the territory of the commission at a rate of 1/4% of the gross receipts from the sales made in the course of such business within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an

incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act and under subsection (e) of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

For the purpose of determining whether a tax authorized under this paragraph is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the

sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

If a tax is imposed under this subsection (b) a tax shall also be imposed under subsections (c) and (d) of this Section.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a County Water Commission Service Occupation Tax shall also be imposed upon all persons engaged, in the territory of the commission, in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property within the territory. The tax rate shall be 1/4% of the selling price of tangible personal property so transferred within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so

collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the territory of the commission), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4 (except that the reference to the State shall be to the territory of the commission), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the commission), 9 (except as to the disposition of taxes and penalties collected and except that the returned

merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the territory of the commission), the first paragraph of Section 15, 15.5, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, and any tax for which servicemen may be liable under subsection (f) of Section ~~Sec.~~ 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

Nothing in this paragraph shall be construed to authorize a

county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and

enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers, and except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that

are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c) or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the county water commission as of September 1 next following the adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or

discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(g) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the commission. The taxes shall be held in a trust fund outside the State Treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the

Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the commission, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the commission, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the commission, the Comptroller shall cause an order to be drawn for the payment for the amount in accordance with the direction in the certification.

(h) Beginning June 1, 2016, any tax imposed pursuant to this Section may no longer be imposed or collected, unless a continuation of the tax is approved by the voters at a referendum as set forth in this Section.

14-8.02, 19-1, 21B-20, 21B-45, 22-30, 27-8.1, 27-24.2, 27A-5, 32-5, 34-2.4, and 34-8.1, by setting forth and renumbering multiple versions of Sections 2-3.163 and 22-80, and by setting forth, renumbering, and changing multiple versions of Section 10-20.56 as follows:

(105 ILCS 5/2-3.25a) (from Ch. 122, par. 2-3.25a)

Sec. 2-3.25a. "School district" defined; additional standards.

(a) For the purposes of this Section and Sections 3.25b, 3.25c, 3.25d, 3.25e, and 3.25f of this Code, "school district" includes other public entities responsible for administering public schools, such as cooperatives, joint agreements, charter schools, special charter districts, regional offices of education, local agencies, and the Department of Human Services.

(b) In addition to the standards established pursuant to Section 2-3.25, the State Board of Education shall develop recognition standards for student performance and school improvement for all school districts and their individual schools, which must be an outcomes-based, balanced accountability measure. The State Board of Education is prohibited from having separate performance standards for students based on race or ethnicity.

Subject to the availability of federal, State, public, or private funds, the balanced accountability measure must be

designed to focus on 2 components, student performance and professional practice. The student performance component shall count for 30% of the total balanced accountability measure, and the professional practice component shall count for 70% of the total balanced accountability measure. The student performance component shall focus on student outcomes and closing the achievement gaps within each school district and its individual schools using a Multiple Measure Index and Annual Measurable Objectives, as set forth in Section 2-3.25d of this Code. The professional practice component shall focus on the degree to which a school district, as well as its individual schools, is implementing evidence-based, best professional practices and exhibiting continued improvement. Beginning with the 2015-2016 school year, the balanced accountability measure shall consist of only the student performance component, which shall account for 100% of the total balanced accountability measure. From the 2016-2017 school year through the 2021-2022 school year, the State Board of Education and a Balanced Accountability Measure Committee shall identify a number of school districts per the designated school years to begin implementing the balanced accountability measure, which includes both the student performance and professional practice components. By the 2021-2022 school year, all school districts must be implementing the balanced accountability measure, which includes both components. The Balanced Accountability Measure Committee shall consist of the following individuals: a

representative of a statewide association representing regional superintendents of schools, a representative of a statewide association representing principals, a representative of an association representing principals in a city having a population exceeding 500,000, a representative of a statewide association representing school administrators, a representative of a statewide professional teachers' organization, a representative of a different statewide professional teachers' organization, an additional representative from either statewide professional teachers' organization, a representative of a professional teachers' organization in a city having a population exceeding 500,000, a representative of a statewide association representing school boards, and a representative of a school district organized under Article 34 of this Code. The head of each association or entity listed in this paragraph shall appoint its respective representative. The State Superintendent of Education, in consultation with the Committee, may appoint no more than 2 additional individuals to the Committee, which individuals shall serve in an advisory role and must not have voting or other decision-making rights. The Committee is abolished on June 1, 2022.

Using a Multiple Measure Index consistent with subsection (a) of Section 2-3.25d of this Code, the student performance component shall consist of the following subcategories, each of which must be valued at 10%:

- (1) achievement status;
- (2) achievement growth; and
- (3) Annual Measurable Objectives, as set forth in subsection (b) of Section 2-3.25d of this Code.

Achievement status shall measure and assess college and career readiness, as well as the graduation rate. Achievement growth shall measure the school district's and its individual schools' student growth via this State's growth value tables. Annual Measurable Objectives shall measure the degree to which school districts, as well as their individual schools, are closing their achievement gaps among their student population and subgroups.

The professional practice component shall consist of the following subcategories:

- (A) compliance;
- (B) evidence-based best practices; and
- (C) contextual improvement.

Compliance, which shall count for 10%, shall measure the degree to which a school district and its individual schools meet the current State compliance requirements. Evidence-based best practices, which shall count for 30%, shall measure the degree to which school districts and their individual schools are adhering to a set of evidence-based quality standards and best practice for effective schools that include (i) continuous improvement, (ii) culture and climate, (iii) shared leadership, (iv) governance, (v) education and employee

quality, (vi) family and community connections, and (vii) student and learning development and are further developed in consultation with the State Board of Education and the Balanced Accountability Measure Committee set forth in this subsection (b). Contextual improvement, which shall count for 30%, shall provide school districts and their individual schools the opportunity to demonstrate improved outcomes through local data, including without limitation school climate, unique characteristics, and barriers that impact the educational environment and hinder the development and implementation of action plans to address areas of school district and individual school improvement. Each school district, in good faith cooperation with its teachers or, where applicable, the exclusive bargaining representatives of its teachers, shall develop 2 measurable objectives to demonstrate contextual improvement, each of which must be equally weighted. Each school district shall begin such good faith cooperative development of these objectives no later than 6 months prior to the beginning of the school year in which the school district is to implement the professional practice component of the balanced accountability measure. The professional practice component must be scored using trained peer review teams that observe and verify school district practices using an evidence-based framework.

The balanced accountability measure shall combine the student performance and professional practice components into

one summative score based on 100 points at the school district and individual-school level. A school district shall be designated as "Exceeds Standards - Exemplar" if the overall score is 100 to 90, "Meets Standards - Proficient" if the overall score is 89 to 75, "Approaching Standards - Needs Improvement" if the overall score is 74 to 60, and "Below Standards - Unsatisfactory" if the overall score is 59 to 0. The balanced accountability measure shall also detail both incentives that reward school districts for continued improved performance, as provided in Section 2-3.25c of this Code, and consequences for school districts that fail to provide evidence of continued improved performance, which may include presentation of a barrier analysis, additional school board and administrator training, or additional State assistance. Based on its summative score, a school district may be exempt from the balanced accountability measure for one or more school years. The State Board of Education, in collaboration with the Balanced Accountability Measure Committee set forth in this subsection (b), shall adopt rules that further implementation in accordance with the requirements of this Section.

(105 ILCS 5/2-3.25f) (from Ch. 122, par. 2-3.25f)

Sec. 2-3.25f. State interventions.

(a) The State Board of Education shall provide technical

assistance to assist with the development and implementation of School and District Improvement Plans.

Schools or school districts that fail to make reasonable efforts to implement an approved Improvement Plan may suffer loss of State funds by school district, attendance center, or program as the State Board of Education deems appropriate.

(a-5) (Blank).

(b) Beginning in 2017, if, after 3 years following its identification as a priority district under Section 2-3.25d-5 of this Code, a district does not make progress as measured by a reduction in achievement gaps commensurate with the targets in this State's approved accountability plan with the U.S. Department of Education, then the State Board of Education may (i) change the recognition status of the school district or school to nonrecognized or (ii) authorize the State Superintendent of Education to direct the reassignment of pupils or direct the reassignment or replacement of school district personnel. If a school district is nonrecognized in its entirety, it shall automatically be dissolved on July 1 following that nonrecognition and its territory realigned with another school district or districts by the regional board of school trustees in accordance with the procedures set forth in Section 7-11 of the School Code. The effective date of the nonrecognition of a school shall be July 1 following the nonrecognition.

(b-5) The State Board of Education shall also develop a

system to provide assistance and resources to lower performing school districts. At a minimum, the State Board shall identify school districts to receive priority services, to be known as priority districts under Section 2-3.25d-5 of this Code. The school district shall provide the exclusive bargaining representative with a 5-day notice that the district has been identified as a priority district. In addition, the State Board may, by rule, develop other categories of low-performing schools and school districts to receive services.

Based on the results of the district needs assessment under Section 2-3.25d-5 of this Code, the State Board of Education shall work with the district to provide technical assistance and professional development, in partnership with the district, to implement a continuous improvement plan that would increase outcomes for students. The plan for continuous improvement shall be based on the results of the district needs assessment and shall be used to determine the types of services that are to be provided to each priority district. Potential services for a district may include monitoring adult and student practices, reviewing and reallocating district resources, developing a district leadership team, providing access to curricular content area specialists, and providing online resources and professional development.

The State Board of Education may require priority districts identified as having deficiencies in one or more core functions of the district needs assessment to undergo an accreditation

process as provided in subsection (d) of Section 2-3.25f-5 of this Code.

(c) All federal requirements apply to schools and school districts utilizing federal funds under Title I, Part A of the federal Elementary and Secondary Education Act of 1965.

(Source: P.A. 98-1155, eff. 1-9-15; 99-193, eff. 7-30-15; 99-203, eff. 7-30-15; revised 10-9-15.)

(105 ILCS 5/2-3.64a-5)

Sec. 2-3.64a-5. State goals and assessment.

(a) For the assessment and accountability purposes of this Section, "students" includes those students enrolled in a public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, a charter school operating in compliance with the Charter Schools Law, a school operated by a regional office of education under Section 13A-3 of this Code, or a public school administered by a local public agency or the Department of Human Services.

(b) The State Board of Education shall establish the academic standards that are to be applicable to students who are subject to State assessments under this Section. The State Board of Education shall not establish any such standards in final form without first providing opportunities for public participation and local input in the development of the final academic standards. Those opportunities shall include a

well-publicized period of public comment and opportunities to file written comments.

(c) Beginning no later than the 2014-2015 school year, the State Board of Education shall annually assess all students enrolled in grades 3 through 8 in English language arts and mathematics.

Beginning no later than the 2017-2018 school year, the State Board of Education shall annually assess all students in science at one grade in grades 3 through 5, at one grade in grades 6 through 8, and at one grade in grades 9 through 12.

The State Board of Education shall annually assess schools that operate a secondary education program, as defined in Section 22-22 of this Code, in English language arts and mathematics. The State Board of Education shall administer no more than 3 assessments, per student, of English language arts and mathematics for students in a secondary education program. One of these assessments shall include a college and career ready determination that shall be accepted by this State's public institutions of higher education, as defined in the Board of Higher Education Act, for the purpose of student application or admissions consideration.

Students who are not assessed for college and career ready determinations may not receive a regular high school diploma unless the student is exempted from taking State assessments under subsection (d) of this Section because (i) the student's individualized educational program developed under Article 14

of this Code identifies the State assessment as inappropriate for the student, (ii) the student is enrolled in a program of adult and continuing education, as defined in the Adult Education Act, (iii) the school district is not required to assess the individual student for purposes of accountability under federal No Child Left Behind Act of 2001 requirements, (iv) the student has been determined to be an English learner and has been enrolled in schools in the United States for less than 12 months, or (v) the student is otherwise identified by the State Board of Education, through rules, as being exempt from the assessment.

The State Board of Education shall not assess students under this Section in subjects not required by this Section.

Districts shall inform their students of the timelines and procedures applicable to their participation in every yearly administration of the State assessments. The State Board of Education shall establish periods of time in each school year during which State assessments shall occur to meet the objectives of this Section.

(d) Every individualized educational program as described in Article 14 shall identify if the State assessment or components thereof are appropriate for the student. The State Board of Education shall develop rules governing the administration of an alternate assessment that may be available to students for whom participation in this State's regular assessments is not appropriate, even with accommodations as

allowed under this Section.

Students receiving special education services whose individualized educational programs identify them as eligible for the alternative State assessments nevertheless shall have the option of taking this State's regular assessment that includes a college and career ready determination, which shall be administered in accordance with the eligible accommodations appropriate for meeting these students' respective needs.

All students determined to be English learners shall participate in the State assessments, excepting those students who have been enrolled in schools in the United States for less than 12 months. Such students may be exempted from participation in one annual administration of the English language arts assessment. Any student determined to be an English learner shall receive appropriate assessment accommodations, including language supports, which shall be established by rule. Approved assessment accommodations must be provided until the student's English language skills develop to the extent that the student is no longer considered to be an English learner, as demonstrated through a State-identified English language proficiency assessment.

(e) The results or scores of each assessment taken under this Section shall be made available to the parents of each student.

In each school year, the scores attained by a student on the State assessment that includes a college and career ready

determination must be placed in the student's permanent record and must be entered on the student's transcript pursuant to rules that the State Board of Education shall adopt for that purpose in accordance with Section 3 of the Illinois School Student Records Act. In each school year, the scores attained by a student on the State assessments administered in grades 3 through 8 must be placed in the student's temporary record.

(f) All schools shall administer an academic assessment of English language proficiency in oral language (listening and speaking) and reading and writing skills to all children determined to be English learners.

(g) All schools in this State that are part of the sample drawn by the National Center for Education Statistics, in collaboration with their school districts and the State Board of Education, shall administer the biennial academic assessments under the National Assessment of Educational Progress carried out under Section 411(b)(2) of the federal National Education Statistics Act of 1994 (20 U.S.C. 9010) if the U.S. Secretary of Education pays the costs of administering the assessments.

(h) Subject to available funds to this State for the purpose of student assessment, the State Board of Education shall provide additional assessments and assessment resources that may be used by school districts for local assessment purposes. The State Board of Education shall annually distribute a listing of these additional resources.

(i) For the purposes of this subsection (i), "academically based assessments" means assessments consisting of questions and answers that are measurable and quantifiable to measure the knowledge, skills, and ability of students in the subject matters covered by the assessments. All assessments administered pursuant to this Section must be academically based assessments. The scoring of academically based assessments shall be reliable, valid, and fair and shall meet the guidelines for assessment development and use prescribed by the American Psychological Association, the National Council on Measurement in Education, and the American Educational Research Association.

The State Board of Education shall review the use of all assessment item types in order to ensure that they are valid and reliable indicators of student performance aligned to the learning standards being assessed and that the development, administration, and scoring of these item types are justifiable in terms of cost.

(j) The State Superintendent of Education shall appoint a committee of no more than 21 members, consisting of parents, teachers, school administrators, school board members, assessment experts, regional superintendents of schools, and citizens, to review the State assessments administered by the State Board of Education. The Committee shall select one of its members as its chairperson. The Committee shall meet on an ongoing basis to review the content and design of the

assessments (including whether the requirements of subsection (i) of this Section have been met), the time and money expended at the local and State levels to prepare for and administer the assessments, the collective results of the assessments as measured against the stated purpose of assessing student performance, and other issues involving the assessments identified by the Committee. The Committee shall make periodic recommendations to the State Superintendent of Education and the General Assembly concerning the assessments.

(k) The State Board of Education may adopt rules to implement this Section.

Sec. 2-3.163. Prioritization of Urgency of Need for Services database.

(a) The General Assembly makes all of the following findings:

(1) The Department of Human Services maintains a statewide database known as the Prioritization of Urgency of Need for Services that records information about individuals with developmental disabilities who are potentially in need of services.

(2) The Department of Human Services uses the data on Prioritization of Urgency of Need for Services to select

individuals for services as funding becomes available, to develop proposals and materials for budgeting, and to plan for future needs.

(3) Prioritization of Urgency of Need for Services is available for children and adults with a developmental disability who have an unmet service need anticipated in the next 5 years.

(4) Prioritization of Urgency of Need for Services is the first step toward getting developmental disabilities services in this State. If individuals are not on the Prioritization of Urgency of Need for Services waiting list, they are not in queue for State developmental disabilities services.

(5) Prioritization of Urgency of Need for Services may be underutilized by children and their parents or guardians due to lack of awareness or lack of information.

(b) The State Board of Education may work with school districts to inform all students with developmental disabilities and their parents or guardians about the Prioritization of Urgency of Need for Services database.

(c) Subject to appropriation, the Department of Human Services and State Board of Education shall develop and implement an online, computer-based training program for at least one designated employee in every public school in this State to educate him or her about the Prioritization of Urgency of Need for Services database and steps to be taken to ensure

children and adolescents are enrolled. The training shall include instruction for at least one designated employee in every public school in contacting the appropriate developmental disabilities Independent Service Coordination agency to enroll children and adolescents in the database. At least one designated employee in every public school shall ensure the opportunity to enroll in the Prioritization of Urgency of Need for Services database is discussed during annual individualized education program (IEP) meetings for all children and adolescents believed to have a developmental disability.

(d) The State Board of Education, in consultation with the Department of Human Services, shall inform parents and guardians of students through school districts about the Prioritization of Urgency of Need for Services waiting list.

Such rules shall ensure that a free appropriate public education be available to all children with disabilities as defined in Section 14-1.02. The State Board of Education shall require local school districts to administer non-discriminatory procedures or tests to English learners coming from homes in which a language other than English is used to determine their eligibility to receive special education. The placement of low English proficiency students in special education programs and facilities shall be made in accordance with the test results reflecting the student's linguistic, cultural and special education needs. For purposes of determining the eligibility of children the State Board of Education shall include in the rules definitions of "case study", "staff conference", "individualized educational program", and "qualified specialist" appropriate to each category of children with disabilities as defined in this Article. For purposes of determining the eligibility of children from homes in which a language other than English is

used, the State Board of Education shall include in the rules definitions for "qualified bilingual specialists" and "linguistically and culturally appropriate individualized educational programs". For purposes of this Section, as well as Sections 14-8.02a, 14-8.02b, and 14-8.02c of this Code, "parent" means a parent as defined in the federal Individuals with Disabilities Education Act (20 U.S.C. 1401(23)).

(b) No child shall be eligible for special education facilities except with a carefully completed case study fully reviewed by professional personnel in a multidisciplinary staff conference and only upon the recommendation of qualified specialists or a qualified bilingual specialist, if available. At the conclusion of the multidisciplinary staff conference, the parent of the child shall be given a copy of the multidisciplinary conference summary report and recommendations, which includes options considered, and be informed of their right to obtain an independent educational evaluation if they disagree with the evaluation findings conducted or obtained by the school district. If the school district's evaluation is shown to be inappropriate, the school district shall reimburse the parent for the cost of the independent evaluation. The State Board of Education shall, with advice from the State Advisory Council on Education of Children with Disabilities on the inclusion of specific independent educational evaluators, prepare a list of suggested independent educational evaluators. The State Board

of Education shall include on the list clinical psychologists licensed pursuant to the Clinical Psychologist Licensing Act. Such psychologists shall not be paid fees in excess of the amount that would be received by a school psychologist for performing the same services. The State Board of Education shall supply school districts with such list and make the list available to parents at their request. School districts shall make the list available to parents at the time they are informed of their right to obtain an independent educational evaluation. However, the school district may initiate an impartial due process hearing under this Section within 5 days of any written parent request for an independent educational evaluation to show that its evaluation is appropriate. If the final decision is that the evaluation is appropriate, the parent still has a right to an independent educational evaluation, but not at public expense. An independent educational evaluation at public expense must be completed within 30 days of a parent written request unless the school district initiates an impartial due process hearing or the parent or school district offers reasonable grounds to show that such 30 day time period should be extended. If the due process hearing decision indicates that the parent is entitled to an independent educational evaluation, it must be completed within 30 days of the decision unless the parent or the school district offers reasonable grounds to show that such 30 day period should be extended. If a parent disagrees with the

summary report or recommendations of the multidisciplinary conference or the findings of any educational evaluation which results therefrom, the school district shall not proceed with a placement based upon such evaluation and the child shall remain in his or her regular classroom setting. No child shall be eligible for admission to a special class for children with a mental disability who are educable or for children with a mental disability who are trainable except with a psychological evaluation and recommendation by a school psychologist. Consent shall be obtained from the parent of a child before any evaluation is conducted. If consent is not given by the parent or if the parent disagrees with the findings of the evaluation, then the school district may initiate an impartial due process hearing under this Section. The school district may evaluate the child if that is the decision resulting from the impartial due process hearing and the decision is not appealed or if the decision is affirmed on appeal. The determination of eligibility shall be made and the IEP meeting shall be completed within 60 school days from the date of written parental consent. In those instances when written parental consent is obtained with fewer than 60 pupil attendance days left in the school year, the eligibility determination shall be made and the IEP meeting shall be completed prior to the first day of the following school year. Special education and related services must be provided in accordance with the student's IEP no later than 10 school attendance days after notice is

provided to the parents pursuant to Section 300.503 of Title 34 of the Code of Federal Regulations and implementing rules adopted by the State Board of Education. The appropriate program pursuant to the individualized educational program of students whose native tongue is a language other than English shall reflect the special education, cultural and linguistic needs. No later than September 1, 1993, the State Board of Education shall establish standards for the development, implementation and monitoring of appropriate bilingual special individualized educational programs. The State Board of Education shall further incorporate appropriate monitoring procedures to verify implementation of these standards. The district shall indicate to the parent and the State Board of Education the nature of the services the child will receive for the regular school term while waiting placement in the appropriate special education class.

If the child is deaf, hard of hearing, blind, or visually impaired and he or she might be eligible to receive services from the Illinois School for the Deaf or the Illinois School for the Visually Impaired, the school district shall notify the parents, in writing, of the existence of these schools and the services they provide and shall make a reasonable effort to inform the parents of the existence of other, local schools that provide similar services and the services that these other schools provide. This notification shall include without limitation information on school services, school admissions

criteria, and school contact information.

In the development of the individualized education program for a student who has a disability on the autism spectrum (which includes autistic disorder, Asperger's disorder, pervasive developmental disorder not otherwise specified, childhood disintegrative disorder, and Rett Syndrome, as defined in the Diagnostic and Statistical Manual of Mental Disorders, fourth edition (DSM-IV, 2000)), the IEP team shall consider all of the following factors:

(1) The verbal and nonverbal communication needs of the child.

(2) The need to develop social interaction skills and proficiencies.

(3) The needs resulting from the child's unusual responses to sensory experiences.

(4) The needs resulting from resistance to environmental change or change in daily routines.

(5) The needs resulting from engagement in repetitive activities and stereotyped movements.

(6) The need for any positive behavioral interventions, strategies, and supports to address any behavioral difficulties resulting from autism spectrum disorder.

(7) Other needs resulting from the child's disability that impact progress in the general curriculum, including social and emotional development.

Public Act 95-257 does not create any new entitlement to a service, program, or benefit, but must not affect any entitlement to a service, program, or benefit created by any other law.

If the student may be eligible to participate in the Home-Based Support Services Program for Adults with Mental Disabilities authorized under the Developmental Disability and Mental Disability Services Act upon becoming an adult, the student's individualized education program shall include plans for (i) determining the student's eligibility for those home-based services, (ii) enrolling the student in the program of home-based services, and (iii) developing a plan for the student's most effective use of the home-based services after the student becomes an adult and no longer receives special educational services under this Article. The plans developed under this paragraph shall include specific actions to be taken by specified individuals, agencies, or officials.

(c) In the development of the individualized education program for a student who is functionally blind, it shall be presumed that proficiency in Braille reading and writing is essential for the student's satisfactory educational progress. For purposes of this subsection, the State Board of Education shall determine the criteria for a student to be classified as functionally blind. Students who are not currently identified as functionally blind who are also entitled to Braille instruction include: (i) those whose vision loss is so severe

that they are unable to read and write at a level comparable to their peers solely through the use of vision, and (ii) those who show evidence of progressive vision loss that may result in functional blindness. Each student who is functionally blind shall be entitled to Braille reading and writing instruction that is sufficient to enable the student to communicate with the same level of proficiency as other students of comparable ability. Instruction should be provided to the extent that the student is physically and cognitively able to use Braille. Braille instruction may be used in combination with other special education services appropriate to the student's educational needs. The assessment of each student who is functionally blind for the purpose of developing the student's individualized education program shall include documentation of the student's strengths and weaknesses in Braille skills. Each person assisting in the development of the individualized education program for a student who is functionally blind shall receive information describing the benefits of Braille instruction. The individualized education program for each student who is functionally blind shall specify the appropriate learning medium or media based on the assessment report.

(d) To the maximum extent appropriate, the placement shall provide the child with the opportunity to be educated with children who do not have a disability; provided that children with disabilities who are recommended to be placed into regular education classrooms are provided with supplementary services

to assist the children with disabilities to benefit from the regular classroom instruction and are included on the teacher's regular education class register. Subject to the limitation of the preceding sentence, placement in special classes, separate schools or other removal of the child with a disability from the regular educational environment shall occur only when the nature of the severity of the disability is such that education in the regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. The placement of English learners with disabilities shall be in non-restrictive environments which provide for integration with peers who do not have disabilities in bilingual classrooms. Annually, each January, school districts shall report data on students from non-English speaking backgrounds receiving special education and related services in public and private facilities as prescribed in Section 2-3.30. If there is a disagreement between parties involved regarding the special education placement of any child, either in-state or out-of-state, the placement is subject to impartial due process procedures described in Article 10 of the Rules and Regulations to Govern the Administration and Operation of Special Education.

(e) No child who comes from a home in which a language other than English is the principal language used may be assigned to any class or program under this Article until he has been given, in the principal language used by the child and used in his home, tests reasonably related to his cultural

environment. All testing and evaluation materials and procedures utilized for evaluation and placement shall not be linguistically, racially or culturally discriminatory.

(f) Nothing in this Article shall be construed to require any child to undergo any physical examination or medical treatment whose parents object thereto on the grounds that such examination or treatment conflicts with his religious beliefs.

(g) School boards or their designee shall provide to the parents of a child prior written notice of any decision (a) proposing to initiate or change, or (b) refusing to initiate or change, the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to their child, and the reasons therefor. Such written notification shall also inform the parent of the opportunity to present complaints with respect to any matter relating to the educational placement of the student, or the provision of a free appropriate public education and to have an impartial due process hearing on the complaint. The notice shall inform the parents in the parents' native language, unless it is clearly not feasible to do so, of their rights and all procedures available pursuant to this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446); it shall be the responsibility of the State Superintendent to develop uniform notices setting forth the procedures available under this Act and the federal Individuals with Disabilities Education Improvement Act of

2004 (Public Law 108-446) to be used by all school boards. The notice shall also inform the parents of the availability upon request of a list of free or low-cost legal and other relevant services available locally to assist parents in initiating an impartial due process hearing. Any parent who is deaf, or does not normally communicate using spoken English, who participates in a meeting with a representative of a local educational agency for the purposes of developing an individualized educational program shall be entitled to the services of an interpreter.

(g-5) For purposes of this subsection (g-5), "qualified professional" means an individual who holds credentials to evaluate the child in the domain or domains for which an evaluation is sought or an intern working under the direct supervision of a qualified professional, including a master's or doctoral degree candidate.

To ensure that a parent can participate fully and effectively with school personnel in the development of appropriate educational and related services for his or her child, the parent, an independent educational evaluator, or a qualified professional retained by or on behalf of a parent or child must be afforded reasonable access to educational facilities, personnel, classrooms, and buildings and to the child as provided in this subsection (g-5). The requirements of this subsection (g-5) apply to any public school facility, building, or program and to any facility, building, or program

supported in whole or in part by public funds. Prior to visiting a school, school building, or school facility, the parent, independent educational evaluator, or qualified professional may be required by the school district to inform the building principal or supervisor in writing of the proposed visit, the purpose of the visit, and the approximate duration of the visit. The visitor and the school district shall arrange the visit or visits at times that are mutually agreeable. Visitors shall comply with school safety, security, and visitation policies at all times. School district visitation policies must not conflict with this subsection (g-5). Visitors shall be required to comply with the requirements of applicable privacy laws, including those laws protecting the confidentiality of education records such as the federal Family Educational Rights and Privacy Act and the Illinois School Student Records Act. The visitor shall not disrupt the educational process.

(1) A parent must be afforded reasonable access of sufficient duration and scope for the purpose of observing his or her child in the child's current educational placement, services, or program or for the purpose of visiting an educational placement or program proposed for the child.

(2) An independent educational evaluator or a qualified professional retained by or on behalf of a parent or child must be afforded reasonable access of sufficient

duration and scope for the purpose of conducting an evaluation of the child, the child's performance, the child's current educational program, placement, services, or environment, or any educational program, placement, services, or environment proposed for the child, including interviews of educational personnel, child observations, assessments, tests or assessments of the child's educational program, services, or placement or of any proposed educational program, services, or placement. If one or more interviews of school personnel are part of the evaluation, the interviews must be conducted at a mutually agreed upon time, date, and place that do not interfere with the school employee's school duties. The school district may limit interviews to personnel having information relevant to the child's current educational services, program, or placement or to a proposed educational service, program, or placement.

Sec. 19-1. Debt limitations of school districts.

(a) School districts shall not be subject to the provisions limiting their indebtedness prescribed in the Local Government Debt Limitation Act ~~"An Act to limit the indebtedness of counties having a population of less than 500,000 and townships, school districts and other municipal corporations having a population of less than 300,000", approved February 15, 1928, as amended.~~

No school districts maintaining grades K through 8 or 9 through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 6.9% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No school districts maintaining grades K through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 13.8% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes

or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No partial elementary unit district, as defined in Article 11E of this Code, shall become indebted in any manner or for any purpose in an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, plus an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes. Moreover, no partial elementary unit district, as defined in Article 11E of this Code, shall become indebted on account of bonds issued by the district for high school purposes in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, nor shall the district become indebted on account of bonds issued by the district for elementary purposes in the aggregate exceeding 6.9% of the value of the taxable property for that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for

State and county taxes.

Notwithstanding the provisions of any other law to the contrary, in any case in which the voters of a school district have approved a proposition for the issuance of bonds of such school district at an election held prior to January 1, 1979, and all of the bonds approved at such election have not been issued, the debt limitation applicable to such school district during the calendar year 1979 shall be computed by multiplying the value of taxable property therein, including personal property, as ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness, by the percentage limitation applicable to such school district under the provisions of this subsection (a).

(b) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, additional indebtedness may be incurred in an amount not to exceed the estimated cost of acquiring or improving school sites or constructing and equipping additional building facilities under the following conditions:

(1) Whenever the enrollment of students for the next school year is estimated by the board of education to increase over the actual present enrollment by not less than 35% or by not less than 200 students or the actual present enrollment of students has increased over the previous school year by not less than 35% or by not less than 200 students and the board of education determines

that additional school sites or building facilities are required as a result of such increase in enrollment; and

(2) When the Regional Superintendent of Schools having jurisdiction over the school district and the State Superintendent of Education concur in such enrollment projection or increase and approve the need for such additional school sites or building facilities and the estimated cost thereof; and

(3) When the voters in the school district approve a proposition for the issuance of bonds for the purpose of acquiring or improving such needed school sites or constructing and equipping such needed additional building facilities at an election called and held for that purpose. Notice of such an election shall state that the amount of indebtedness proposed to be incurred would exceed the debt limitation otherwise applicable to the school district. The ballot for such proposition shall state what percentage of the equalized assessed valuation will be outstanding in bonds if the proposed issuance of bonds is approved by the voters; or

(4) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if the school board determines that additional facilities are needed to provide a quality educational program and not less than 2/3 of those voting in an election called by the school board on the question approve the issuance of bonds for the

construction of such facilities, the school district may issue bonds for this purpose; or

(5) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if (i) the school district has previously availed itself of the provisions of paragraph (4) of this subsection (b) to enable it to issue bonds, (ii) the voters of the school district have not defeated a proposition for the issuance of bonds since the referendum described in paragraph (4) of this subsection (b) was held, (iii) the school board determines that additional facilities are needed to provide a quality educational program, and (iv) a majority of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose.

In no event shall the indebtedness incurred pursuant to this subsection (b) and the existing indebtedness of the school district exceed 15% of the value of the taxable property therein to be ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979.

The indebtedness provided for by this subsection (b) shall

be in addition to and in excess of any other debt limitation.

(c) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, in any case in which a public question for the issuance of bonds of a proposed school district maintaining grades kindergarten through 12 received at least 60% of the valid ballots cast on the question at an election held on or prior to November 8, 1994, and in which the bonds approved at such election have not been issued, the school district pursuant to the requirements of Section 11A-10 (now repealed) may issue the total amount of bonds approved at such election for the purpose stated in the question.

(d) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, a school district that meets all the criteria set forth in paragraphs (1) and (2) of this subsection (d) may incur an additional indebtedness in an amount not to exceed \$4,500,000, even though the amount of the additional indebtedness authorized by this subsection (d), when incurred and added to the aggregate amount of indebtedness of the district existing immediately prior to the district incurring the additional indebtedness authorized by this subsection (d), causes the aggregate indebtedness of the district to exceed the debt limitation otherwise applicable to that district under subsection (a):

(1) The additional indebtedness authorized by this subsection (d) is incurred by the school district through the issuance of bonds under and in accordance with Section

17-2.11a for the purpose of replacing a school building which, because of mine subsidence damage, has been closed as provided in paragraph (2) of this subsection (d) or through the issuance of bonds under and in accordance with Section 19-3 for the purpose of increasing the size of, or providing for additional functions in, such replacement school buildings, or both such purposes.

(2) The bonds issued by the school district as provided in paragraph (1) above are issued for the purposes of construction by the school district of a new school building pursuant to Section 17-2.11, to replace an existing school building that, because of mine subsidence damage, is closed as of the end of the 1992-93 school year pursuant to action of the regional superintendent of schools of the educational service region in which the district is located under Section 3-14.22 or are issued for the purpose of increasing the size of, or providing for additional functions in, the new school building being constructed to replace a school building closed as the result of mine subsidence damage, or both such purposes.

(e) (Blank).

(f) Notwithstanding the provisions of subsection (a) of this Section or of any other law, bonds in not to exceed the aggregate amount of \$5,500,000 and issued by a school district meeting the following criteria shall not be considered indebtedness for purposes of any statutory limitation and may

be issued in an amount or amounts, including existing indebtedness, in excess of any heretofore or hereafter imposed statutory limitation as to indebtedness:

(1) At the time of the sale of such bonds, the board of education of the district shall have determined by resolution that the enrollment of students in the district is projected to increase by not less than 7% during each of the next succeeding 2 school years.

(2) The board of education shall also determine by resolution that the improvements to be financed with the proceeds of the bonds are needed because of the projected enrollment increases.

(3) The board of education shall also determine by resolution that the projected increases in enrollment are the result of improvements made or expected to be made to passenger rail facilities located in the school district.

Notwithstanding the provisions of subsection (a) of this Section or of any other law, a school district that has availed itself of the provisions of this subsection (f) prior to July 22, 2004 (the effective date of Public Act 93-799) may also issue bonds approved by referendum up to an amount, including existing indebtedness, not exceeding 25% of the equalized assessed value of the taxable property in the district if all of the conditions set forth in items (1), (2), and (3) of this subsection (f) are met.

(g) Notwithstanding the provisions of subsection (a) of

this Section or any other law, bonds in not to exceed an aggregate amount of 25% of the equalized assessed value of the taxable property of a school district and issued by a school district meeting the criteria in paragraphs (i) through (iv) of this subsection shall not be considered indebtedness for purposes of any statutory limitation and may be issued pursuant to resolution of the school board in an amount or amounts, including existing indebtedness, in excess of any statutory limitation of indebtedness heretofore or hereafter imposed:

(i) The bonds are issued for the purpose of constructing a new high school building to replace two adjacent existing buildings which together house a single high school, each of which is more than 65 years old, and which together are located on more than 10 acres and less than 11 acres of property.

(ii) At the time the resolution authorizing the issuance of the bonds is adopted, the cost of constructing a new school building to replace the existing school building is less than 60% of the cost of repairing the existing school building.

(iii) The sale of the bonds occurs before July 1, 1997.

(iv) The school district issuing the bonds is a unit school district located in a county of less than 70,000 and more than 50,000 inhabitants, which has an average daily attendance of less than 1,500 and an equalized assessed valuation of less than \$29,000,000.

(h) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1998, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27.6% of the equalized assessed value of the taxable property in the district, if all of the following conditions are met:

(i) The school district has an equalized assessed valuation for calendar year 1995 of less than \$24,000,000;

(ii) The bonds are issued for the capital improvement, renovation, rehabilitation, or replacement of existing school buildings of the district, all of which buildings were originally constructed not less than 40 years ago;

(iii) The voters of the district approve a proposition for the issuance of the bonds at a referendum held after March 19, 1996; and

(iv) The bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(i) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1998, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27% of the equalized assessed value of the taxable property in the district, if all of the following conditions are met:

(i) The school district has an equalized assessed

valuation for calendar year 1995 of less than \$44,600,000;

(ii) The bonds are issued for the capital improvement, renovation, rehabilitation, or replacement of existing school buildings of the district, all of which existing buildings were originally constructed not less than 80 years ago;

(iii) The voters of the district approve a proposition for the issuance of the bonds at a referendum held after December 31, 1996; and

(iv) The bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(j) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1999, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27% of the equalized assessed value of the taxable property in the district if all of the following conditions are met:

(i) The school district has an equalized assessed valuation for calendar year 1995 of less than \$140,000,000 and a best 3 months average daily attendance for the 1995-96 school year of at least 2,800;

(ii) The bonds are issued to purchase a site and build and equip a new high school, and the school district's existing high school was originally constructed not less than 35 years prior to the sale of the bonds;

(iii) At the time of the sale of the bonds, the board of education determines by resolution that a new high school is needed because of projected enrollment increases;

(iv) At least 60% of those voting in an election held after December 31, 1996 approve a proposition for the issuance of the bonds; and

(v) The bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(k) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, a school district that meets all the criteria set forth in paragraphs (1) through (4) of this subsection (k) may issue bonds to incur an additional indebtedness in an amount not to exceed \$4,000,000 even though the amount of the additional indebtedness authorized by this subsection (k), when incurred and added to the aggregate amount of indebtedness of the school district existing immediately prior to the school district incurring such additional indebtedness, causes the aggregate indebtedness of the school district to exceed or increases the amount by which the aggregate indebtedness of the district already exceeds the debt limitation otherwise applicable to that school district under subsection (a):

(1) the school district is located in 2 counties, and a referendum to authorize the additional indebtedness was approved by a majority of the voters of the school district

voting on the proposition to authorize that indebtedness;

(2) the additional indebtedness is for the purpose of financing a multi-purpose room addition to the existing high school;

(3) the additional indebtedness, together with the existing indebtedness of the school district, shall not exceed 17.4% of the value of the taxable property in the school district, to be ascertained by the last assessment for State and county taxes; and

(4) the bonds evidencing the additional indebtedness are issued, if at all, within 120 days of August 14, 1998 (the effective date of Public Act 90-757) ~~this amendatory Act of 1998.~~

(1) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 2000, a school district maintaining grades kindergarten through 8 may issue bonds up to an amount, including existing indebtedness, not exceeding 15% of the equalized assessed value of the taxable property in the district if all of the following conditions are met:

(i) the district has an equalized assessed valuation for calendar year 1996 of less than \$10,000,000;

(ii) the bonds are issued for capital improvement, renovation, rehabilitation, or replacement of one or more school buildings of the district, which buildings were originally constructed not less than 70 years ago;

(iii) the voters of the district approve a proposition for the issuance of the bonds at a referendum held on or after March 17, 1998; and

(iv) the bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(m) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1999, an elementary school district maintaining grades K through 8 may issue bonds up to an amount, excluding existing indebtedness, not exceeding 18% of the equalized assessed value of the taxable property in the district, if all of the following conditions are met:

(i) The school district has an equalized assessed valuation for calendar year 1995 or less than \$7,700,000;

(ii) The school district operates 2 elementary attendance centers that until 1976 were operated as the attendance centers of 2 separate and distinct school districts;

(iii) The bonds are issued for the construction of a new elementary school building to replace an existing multi-level elementary school building of the school district that is not accessible at all levels and parts of which were constructed more than 75 years ago;

(iv) The voters of the school district approve a proposition for the issuance of the bonds at a referendum held after July 1, 1998; and

(v) The bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(n) Notwithstanding the debt limitation prescribed in subsection (a) of this Section or any other provisions of this Section or of any other law, a school district that meets all of the criteria set forth in paragraphs (i) through (vi) of this subsection (n) may incur additional indebtedness by the issuance of bonds in an amount not exceeding the amount certified by the Capital Development Board to the school district as provided in paragraph (iii) of this subsection (n), even though the amount of the additional indebtedness so authorized, when incurred and added to the aggregate amount of indebtedness of the district existing immediately prior to the district incurring the additional indebtedness authorized by this subsection (n), causes the aggregate indebtedness of the district to exceed the debt limitation otherwise applicable by law to that district:

(i) The school district applies to the State Board of Education for a school construction project grant and submits a district facilities plan in support of its application pursuant to Section 5-20 of the School Construction Law.

(ii) The school district's application and facilities plan are approved by, and the district receives a grant entitlement for a school construction project issued by, the State Board of Education under the School Construction

Law.

Before July 1, 2013, the State Board of Education shall implement a system of educator licensure, whereby individuals employed in school districts who are required to be licensed must have one of the following licenses: (i) a professional educator license; (ii) a professional educator license with stipulations; or (iii) a substitute teaching license. References in law regarding individuals certified or certificated or required to be certified or certificated under Article 21 of this Code shall also include individuals licensed or required to be licensed under this Article. The first year of all licenses ends on June 30 following one full year of the license being issued.

The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may adopt such rules as may be necessary to govern the requirements for licenses and endorsements under this Section.

(1) Professional Educator License. Persons who (i) have successfully completed an approved educator preparation program and are recommended for licensure by the Illinois institution offering the educator preparation program, (ii) have successfully completed the required testing under Section 21B-30 of this Code, (iii) have successfully completed coursework on the psychology of, the identification of, and the methods of instruction for

the exceptional child, including without limitation children with learning disabilities, (iv) have successfully completed coursework in methods of reading and reading in the content area, and (v) have met all other criteria established by rule of the State Board of Education shall be issued a Professional Educator License. All Professional Educator Licenses are valid until June 30 immediately following 5 years of the license being issued. The Professional Educator License shall be endorsed with specific areas and grade levels in which the individual is eligible to practice.

Individuals can receive subsequent endorsements on the Professional Educator License. Subsequent endorsements shall require a minimum of 24 semester hours of coursework in the endorsement area, unless otherwise specified by rule, and passage of the applicable content area test.

(2) Educator License with Stipulations. An Educator License with Stipulations shall be issued an endorsement that limits the license holder to one particular position or does not require completion of an approved educator program or both.

An individual with an Educator License with Stipulations must not be employed by a school district or any other entity to replace any presently employed teacher who otherwise would not be replaced for any reason.

An Educator License with Stipulations may be issued

with the following endorsements:

(A) Provisional educator. A provisional educator endorsement in a specific content area or areas on an Educator License with Stipulations may be issued to an applicant who holds an educator license with a minimum of 15 semester hours in content coursework from another state, U.S. territory, or foreign country and who, at the time of applying for an Illinois license, does not meet the minimum requirements under Section 21B-35 of this Code, but does, at a minimum, meet the following requirements:

(i) Holds the equivalent of a minimum of a bachelor's degree, unless a master's degree is required for the endorsement, from a regionally accredited college or university or, for individuals educated in a country other than the United States, the equivalent of a minimum of a bachelor's degree issued in the United States, unless a master's degree is required for the endorsement.

(ii) Has passed or passes a test of basic skills and content area test, as required by Section 21B-30 of this Code, prior to or within one year after issuance of the provisional educator endorsement on the Educator License with Stipulations. If an individual who holds an

Educator License with Stipulations endorsed for provisional educator has not passed a test of basic skills and applicable content area test or tests within one year after issuance of the endorsement, the endorsement shall expire on June 30 following one full year of the endorsement being issued. If such an individual has passed the test of basic skills and applicable content area test or tests either prior to issuance of the endorsement or within one year after issuance of the endorsement, the endorsement is valid until June 30 immediately following 2 years of the license being issued, during which time any and all coursework deficiencies must be met and any and all additional testing deficiencies must be met.

In addition, a provisional educator endorsement for principals or superintendents may be issued if the individual meets the requirements set forth in subdivisions (1) and (3) of subsection (b-5) of Section 21B-35 of this Code. Applicants who have not been entitled by an Illinois-approved educator preparation program at an Illinois institution of higher education shall not receive a provisional educator endorsement if the person completed an alternative licensure program in another state, unless the program has been determined to be equivalent to Illinois program

requirements.

Notwithstanding any other requirements of this Section, a service member or spouse of a service member may obtain a Professional Educator License with Stipulations, and a provisional educator endorsement in a specific content area or areas, if he or she holds a valid teaching certificate or license in good standing from another state, meets the qualifications of educators outlined in Section 21B-15 of this Code, and has not engaged in any misconduct that would prohibit an individual from obtaining a license pursuant to Illinois law, including without limitation any administrative rules of the State Board of Education.

In this Section, "service member" means any person who, at the time of application under this Section, is an active duty member of the United States Armed Forces or any reserve component of the United States Armed Forces or the National Guard of any state, commonwealth, or territory of the United States or the District of Columbia.

A provisional educator endorsement is valid until June 30 immediately following 2 years of the license being issued, provided that any remaining testing and coursework deficiencies are met as set forth in this Section. Failure to satisfy all stated deficiencies

shall mean the individual, including any service member or spouse who has obtained a Professional Educator License with Stipulations and a provisional educator endorsement in a specific content area or areas, is ineligible to receive a Professional Educator License at that time. An Educator License with Stipulations endorsed for provisional educator shall not be renewed for individuals who hold an Educator License with Stipulations and who have held a position in a public school or non-public school recognized by the State Board of Education.

(B) Alternative provisional educator. An alternative provisional educator endorsement on an Educator License with Stipulations may be issued to an applicant who, at the time of applying for the endorsement, has done all of the following:

(i) Graduated from a regionally accredited college or university with a minimum of a bachelor's degree.

(ii) Successfully completed the first phase of the Alternative Educator Licensure Program for Teachers, as described in Section 21B-50 of this Code.

(iii) Passed a test of basic skills and content area test, as required under Section 21B-30 of this Code.

The alternative provisional educator endorsement is valid for 2 years of teaching and may be renewed for a third year by an individual meeting the requirements set forth in Section 21B-50 of this Code.

(C) Alternative provisional superintendent. (i) Graduated from a regionally accredited college or university with a minimum of a master's degree in a management field other than education.

(ii) Been employed for a period of at least 5 years in a management level position in a field other than education.

(iii) Successfully completed the first phase of an alternative route to superintendent endorsement program, as provided in Section 21B-55 of this Code.

The endorsement may be registered for 2 fiscal

years in order to complete one full year of serving as a superintendent or assistant superintendent.

(D) Resident teacher endorsement. A resident teacher endorsement on an Educator License with Stipulations may be issued to an applicant who, at the time of applying for the endorsement, has done all of the following:

(i) Graduated from a regionally accredited institution of higher education with a minimum of a bachelor's degree.

(ii) Enrolled in an approved Illinois educator preparation program.

(iii) Passed a test of basic skills and content area test, as required under Section 21B-30 of this Code.

The resident teacher endorsement on an Educator License with Stipulations is valid for 4 years of teaching and shall not be renewed.

A resident teacher may teach only under the direction of a licensed teacher, who shall act as the resident mentor teacher, and may not teach in place of a licensed teacher. A resident teacher endorsement on an Educator License with Stipulations shall no longer be valid after June 30, 2017.

(E) Career and technical educator. A career and technical educator endorsement on an Educator License

with Stipulations may be issued to an applicant who has a minimum of 60 semester hours of coursework from a regionally accredited institution of higher education and has a minimum of 2,000 hours of experience outside of education in each area to be taught.

The career and technical educator endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed. For individuals who were issued the career and technical educator endorsement on an Educator License with Stipulations on or after January 1, 2015, the license may be renewed if the individual passes a test of basic skills, as required under Section 21B-30 of this Code.

(F) Part-time provisional career and technical educator or provisional career and technical educator. A part-time provisional career and technical educator endorsement or a provisional career and technical educator endorsement on an Educator License with Stipulations may be issued to an applicant who has a minimum of 8,000 hours of work experience in the skill for which the applicant is seeking the endorsement. It is the responsibility of each employing school board and regional office of education to provide verification, in writing, to the State Superintendent of Education at the time the application is submitted

that no qualified teacher holding a Professional Educator License or an Educator License with Stipulations with a career and technical educator endorsement is available and that actual circumstances require such issuance.

The provisional career and technical educator endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed only one time for 5 years. For individuals who were issued the provisional career and technical educator endorsement on an Educator License with Stipulations on or after January 1, 2015, the license may be renewed one time if the individual passes a test of basic skills, as required under Section 21B-30 of this Code, and has completed a minimum of 20 semester hours from a regionally accredited institution.

(i) Possesses adequate speaking, reading, and writing ability in the language other than English in which transitional bilingual education is offered.

(ii) Has the ability to successfully communicate in English.

(iii) Either possessed, within 5 years previous to his or her applying for a transitional bilingual educator endorsement, a valid and comparable teaching certificate or comparable authorization issued by a foreign country or holds a degree from an institution of higher learning in a foreign country that the State Educator Preparation and Licensure Board determines to be the equivalent of a bachelor's degree from a regionally accredited institution of higher learning in the United States.

A transitional bilingual educator endorsement shall be valid for prekindergarten through grade 12, is

valid until June 30 immediately following 5 years of the endorsement being issued, and shall not be renewed.

Persons holding a transitional bilingual educator endorsement shall not be employed to replace any presently employed teacher who otherwise would not be replaced for any reason.

(H) Language endorsement. In an effort to alleviate the shortage of teachers speaking a language other than English in the public schools, an individual who holds an Educator License with Stipulations may also apply for a language endorsement, provided that the applicant provides satisfactory evidence that he or she meets all of the following requirements:

(i) Holds a transitional bilingual endorsement.

(ii) Has demonstrated proficiency in the language for which the endorsement is to be issued by passing the applicable language content test required by the State Board of Education.

(iii) Holds a bachelor's degree or higher from a regionally accredited institution of higher education or, for individuals educated in a country other than the United States, holds a degree from an institution of higher learning in a foreign country that the State Educator Preparation and Licensure Board determines to be

the equivalent of a bachelor's degree from a regionally accredited institution of higher learning in the United States.

(iv) Has passed a test of basic skills, as required under Section 21B-30 of this Code.

A language endorsement on an Educator License with Stipulations is valid for prekindergarten through grade 12 for the same validity period as the individual's transitional bilingual educator endorsement on the Educator License with Stipulations and shall not be renewed.

(I) Visiting international educator. A visiting international educator endorsement on an Educator License with Stipulations may be issued to an individual who is being recruited by a particular school district that conducts formal recruitment programs outside of the United States to secure the services of qualified teachers and who meets all of the following requirements:

(i) Holds the equivalent of a minimum of a bachelor's degree issued in the United States.

(ii) Has been prepared as a teacher at the grade level for which he or she will be employed.

(iii) Has adequate content knowledge in the subject to be taught.

(iv) Has an adequate command of the English

language.

A holder of a visiting international educator endorsement on an Educator License with Stipulations shall be permitted to teach in bilingual education programs in the language that was the medium of instruction in his or her teacher preparation program, provided that he or she passes the English Language Proficiency Examination or another test of writing skills in English identified by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board.

A visiting international educator endorsement on an Educator License with Stipulations is valid for 3 years and shall not be renewed.

(J) Paraprofessional educator. A paraprofessional educator endorsement on an Educator License with Stipulations may be issued to an applicant who holds a high school diploma or its recognized equivalent and either holds an associate's degree or a minimum of 60 semester hours of credit from a regionally accredited institution of higher education or has passed a test of basic skills required under Section 21B-30 of this Code. The paraprofessional educator endorsement is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed through application and payment of the appropriate fee, as

(K) Chief school business official. A chief school business official endorsement on an Educator License with Stipulations may be issued to an applicant who qualifies by having a master's degree or higher, 2 years of full-time administrative experience in school business management or 2 years of university-approved practical experience, and a minimum of 24 semester hours of graduate credit in a program approved by the State Board of Education for the preparation of school business administrators and by passage of the applicable State tests, including a test of basic skills and applicable content area test.

The chief school business official endorsement may also be affixed to the Educator License with Stipulations of any holder who qualifies by having a master's degree in business administration, finance, or accounting and who completes an additional 6 semester hours of internship in school business management from a regionally accredited institution of higher education and passes the applicable State tests, including a test of basic skills and applicable content area test. This endorsement shall be required

for any individual employed as a chief school business official.

The chief school business official endorsement on an Educator License with Stipulations is valid until June 30 immediately following 5 years of the endorsement being issued and may be renewed if the license holder completes renewal requirements as required for individuals who hold a Professional Educator License endorsed for chief school business official under Section 21B-45 of this Code and such rules as may be adopted by the State Board of Education.

(3) Substitute Teaching License. A Substitute Teaching License may be issued to qualified applicants for substitute teaching in all grades of the public schools, prekindergarten through grade 12. Substitute Teaching Licenses are not eligible for endorsements. Applicants for a Substitute Teaching License must hold a bachelor's degree or higher from a regionally accredited institution of higher education.

Substitute Teaching Licenses are valid for 5 years and may be renewed if the individual has passed a test of basic skills, as authorized under Section 21B-30 of this Code. An individual who has passed a test of basic skills for the first licensure renewal is not required to retake the test again for further renewals.

Substitute Teaching Licenses are valid for substitute teaching in every county of this State. If an individual has had his or her Professional Educator License or Educator License with Stipulations suspended or revoked or has not met the renewal requirements for licensure, then that individual is not eligible to obtain a Substitute Teaching License.

A substitute teacher may only teach in the place of a licensed teacher who is under contract with the employing board. If, however, there is no licensed teacher under contract because of an emergency situation, then a district may employ a substitute teacher for no longer than 30 calendar days per each vacant position in the district if the district notifies the appropriate regional office of education within 5 business days after the employment of the substitute teacher in the emergency situation. An emergency situation is one in which an unforeseen vacancy has occurred and (i) a teacher is unable to fulfill his or her contractual duties or (ii) teacher capacity needs of the district exceed previous indications, and the district is actively engaged in advertising to hire a fully licensed teacher for the vacant position.

There is no limit on the number of days that a substitute teacher may teach in a single school district, provided that no substitute teacher may teach for longer than 90 school days for any one licensed teacher under

contract in the same school year. A substitute teacher who holds a Professional Educator License or Educator License with Stipulations shall not teach for more than 120 school days for any one licensed teacher under contract in the same school year. The limitations in this paragraph (3) on the number of days a substitute teacher may be employed do not apply to any school district operating under Article 34 of this Code.

Sec. 21B-45. Professional Educator License renewal.

(a) Individuals holding a Professional Educator License are required to complete the licensure renewal requirements as specified in this Section, unless otherwise provided in this Code.

Individuals holding a Professional Educator License shall meet the renewal requirements set forth in this Section, unless otherwise provided in this Code. If an individual holds a license endorsed in more than one area that has different renewal requirements, that individual shall follow the renewal requirements for the position for which he or she spends the majority of his or her time working.

(b) All Professional Educator Licenses not renewed as

provided in this Section shall lapse on September 1 of that year. Lapsed licenses may be immediately reinstated upon (i) payment by the applicant of a \$500 penalty to the State Board of Education or (ii) the demonstration of proficiency by completing 9 semester hours of coursework from a regionally accredited institution of higher education in the content area that most aligns with one or more of the educator's endorsement areas. Any and all back fees, including without limitation registration fees owed from the time of expiration of the license until the date of reinstatement, shall be paid and kept in accordance with the provisions in Article 3 of this Code concerning an institute fund and the provisions in Article 21B of this Code concerning fees and requirements for registration. Licenses not registered in accordance with Section 21B-40 of this Code shall lapse after a period of 6 months from the expiration of the last year of registration. An unregistered license is invalid after September 1 for employment and performance of services in an Illinois public or State-operated school or cooperative and in a charter school. Any license or endorsement may be voluntarily surrendered by the license holder. A voluntarily surrendered license, except a substitute teaching license issued under Section 21B-20 of this Code, shall be treated as a revoked license. An Educator License with Stipulations with only a paraprofessional endorsement does not lapse.

(c) From July 1, 2013 through June 30, 2014, in order to

satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee with an administrative endorsement who is working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, per fiscal year.

(d) Beginning July 1, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee may create a professional development plan each year. The plan shall address one or more of the endorsements that are required of his or her educator position if the licensee is employed and performing services in an Illinois public or State-operated school or cooperative. If the licensee is employed in a charter school, the plan shall address that endorsement or those endorsements most closely related to his or her educator position. Licensees employed and performing services in any other Illinois schools may participate in the renewal requirements by adhering to the same process.

Except as otherwise provided in this Section, the licensee's professional development activities shall align with one or more of the following criteria:

- (1) activities are of a type that engage participants over a sustained period of time allowing for analysis, discovery, and application as they relate to student learning, social or emotional achievement, or well-being;

(2) professional development aligns to the licensee's performance;

(3) outcomes for the activities must relate to student growth or district improvement;

(4) activities align to State-approved standards; and

(5) higher education coursework.

(e) For each renewal cycle, each professional educator licensee shall engage in professional development activities. Prior to renewal, the licensee shall enter electronically into the Educator Licensure Information System (ELIS) the name, date, and location of the activity, the number of professional development hours, and the provider's name. The following provisions shall apply concerning professional development activities:

(1) Each licensee shall complete a total of 120 hours of professional development per 5-year renewal cycle in order to renew the license, except as otherwise provided in this Section.

(2) Beginning with his or her first full 5-year cycle, any licensee with an administrative endorsement who is not working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, in each 5-year renewal cycle in which the administrative endorsement was held for at least one year. The Illinois Administrators' Academy course may count toward the total of 120 hours per 5-year

cycle.

(4) Any licensee holding a current National Board for Professional Teaching Standards (NBPTS) master teacher designation shall complete a total of 60 hours of professional development per 5-year renewal cycle in order to renew the license.

(5) Licensees working in a position that does not require educator licensure or working in a position for less than 50% for any particular year are considered to be exempt and shall be required to pay only the registration fee in order to renew and maintain the validity of the license.

(6) Licensees who are retired and qualify for benefits from a State retirement system shall notify the State Board of Education using ELIS, and the license shall be maintained in retired status. An individual with a license in retired status shall not be required to complete professional development activities or pay registration

fees until returning to a position that requires educator licensure. Upon returning to work in a position that requires the Professional Educator License, the licensee shall immediately pay a registration fee and complete renewal requirements for that year. A license in retired status cannot lapse.

(7) For any renewal cycle in which professional development hours were required, but not fulfilled, the licensee shall complete any missed hours to total the minimum professional development hours required in this Section prior to September 1 of that year. For any fiscal year or renewal cycle in which an Illinois Administrators' Academy course was required but not completed, the licensee shall complete any missed Illinois Administrators' Academy courses prior to September 1 of that year. The licensee may complete all deficient hours and Illinois Administrators' Academy courses while continuing to work in a position that requires that license until September 1 of that year.

(8) Any licensee who has not fulfilled the professional development renewal requirements set forth in this Section at the end of any 5-year renewal cycle is ineligible to register his or her license and may submit an appeal to the State Superintendent of Education for reinstatement of the license.

(9) If professional development opportunities were unavailable to a licensee, proof that opportunities were

unavailable and request for an extension of time beyond August 31 to complete the renewal requirements may be submitted from April 1 through June 30 of that year to the State Educator Preparation and Licensure Board. If an extension is approved, the license shall remain valid during the extension period.

In consultation with statewide professional organizations representing physicians licensed to practice medicine in all of its branches, registered nurses, and school nurses, the State Board of Education shall make available resource materials consistent with criteria in this subsection (h) for educating trained personnel to recognize and respond to anaphylaxis. The State Board may take into consideration the curriculum on this subject developed by other states, as well as any other curricular materials suggested by medical experts and other groups that work on life-threatening allergy issues. Sec. 22-80. Student athletes; concussions and head injuries.

(a) The General Assembly recognizes all of the following:

(1) Concussions are one of the most commonly reported injuries in children and adolescents who participate in sports and recreational activities. The Centers for Disease Control and Prevention estimates that as many as 3,900,000 sports-related and recreation-related concussions occur in the United States each year. A concussion is caused by a blow or motion to the head or body that causes the brain to move rapidly inside the skull. The risk of catastrophic injuries or death are significant when a concussion or head injury is not properly evaluated and managed.

(2) Concussions are a type of brain injury that can range from mild to severe and can disrupt the way the brain normally works. Concussions can occur in any organized or unorganized sport or recreational activity and can result

from a fall or from players colliding with each other, the ground, or with obstacles. Concussions occur with or without loss of consciousness, but the vast majority of concussions occur without loss of consciousness.

(3) Continuing to play with a concussion or symptoms of a head injury leaves a young athlete especially vulnerable to greater injury and even death. The General Assembly recognizes that, despite having generally recognized return-to-play standards for concussions and head injuries, some affected youth athletes are prematurely returned to play, resulting in actual or potential physical injury or death to youth athletes in this State.

(4) Student athletes who have sustained a concussion may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered. To that end, all schools are encouraged to establish a return-to-learn protocol that is based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines and conduct baseline testing for student athletes.

(b) In this Section:

"Athletic trainer" means an athletic trainer licensed under the Illinois Athletic Trainers Practice Act.

"Coach" means any volunteer or employee of a school who is responsible for organizing and supervising students to teach

them or train them in the fundamental skills of an interscholastic athletic activity. "Coach" refers to both head coaches and assistant coaches.

"Concussion" means a complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns and which may or may not involve a loss of consciousness.

"Department" means the Department of Financial and Professional Regulation.

"Game official" means a person who officiates at an interscholastic athletic activity, such as a referee or umpire, including, but not limited to, persons enrolled as game officials by the Illinois High School Association or Illinois Elementary School Association.

"Interscholastic athletic activity" means any organized school-sponsored or school-sanctioned activity for students, generally outside of school instructional hours, under the direction of a coach, athletic director, or band leader, including, but not limited to, baseball, basketball, cheerleading, cross country track, fencing, field hockey, football, golf, gymnastics, ice hockey, lacrosse, marching band, rugby, soccer, skating, softball, swimming and diving, tennis, track (indoor and outdoor), ultimate Frisbee, volleyball, water polo, and wrestling. All interscholastic

athletics are deemed to be interscholastic activities.

"Licensed healthcare professional" means a person who has experience with concussion management and who is a nurse, a psychologist who holds a license under the Clinical Psychologist Licensing Act and specializes in the practice of neuropsychology, a physical therapist licensed under the Illinois Physical Therapy Act, an occupational therapist licensed under the Illinois Occupational Therapy Practice Act.

"Nurse" means a person who is employed by or volunteers at a school and is licensed under the Nurse Practice Act as a registered nurse, practical nurse, or advanced practice nurse.

"Physician" means a physician licensed to practice medicine in all of its branches under the Medical Practice Act of 1987.

"School" means any public or private elementary or secondary school, including a charter school.

"Student" means an adolescent or child enrolled in a school.

(c) This Section applies to any interscholastic athletic activity, including practice and competition, sponsored or sanctioned by a school, the Illinois Elementary School Association, or the Illinois High School Association. This Section applies beginning with the 2016-2017 school year.

(d) The governing body of each public or charter school and the appropriate administrative officer of a private school with students enrolled who participate in an interscholastic

athletic activity shall appoint or approve a concussion oversight team. Each concussion oversight team shall establish a return-to-play protocol, based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, for a student's return to interscholastic athletics practice or competition following a force or impact believed to have caused a concussion. Each concussion oversight team shall also establish a return-to-learn protocol, based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, for a student's return to the classroom after that student is believed to have experienced a concussion, whether or not the concussion took place while the student was participating in an interscholastic athletic activity.

Each concussion oversight team must include to the extent practicable at least one physician. If a school employs an athletic trainer, the athletic trainer must be a member of the school concussion oversight team to the extent practicable. If a school employs a nurse, the nurse must be a member of the school concussion oversight team to the extent practicable. At a minimum, a school shall appoint a person who is responsible for implementing and complying with the return-to-play and return-to-learn protocols adopted by the concussion oversight team. A school may appoint other licensed healthcare professionals to serve on the concussion oversight team.

(e) A student may not participate in an interscholastic athletic activity for a school year until the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion. The form must be approved by the Illinois High School Association.

(f) A student must be removed from an interscholastic athletics practice or competition immediately if one of the following persons believes the student might have sustained a concussion during the practice or competition:

- (1) a coach;
- (2) a physician;
- (3) a game official;
- (4) an athletic trainer;

- (7) any other person deemed appropriate under the school's return-to-play protocol.

(g) A student removed from an interscholastic athletics practice or competition under this Section may not be permitted

to practice or compete again following the force or impact believed to have caused the concussion until:

(1) the student has been evaluated, using established medical protocols based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, by a treating physician (chosen by the student or the student's parent or guardian or another person with legal authority to make medical decisions for the student) or an athletic trainer working under the supervision of a physician;

(2) the student has successfully completed each requirement of the return-to-play protocol established under this Section necessary for the student to return to play;

(3) the student has successfully completed each requirement of the return-to-learn protocol established under this Section necessary for the student to return to learn;

(4) the treating physician or athletic trainer working under the supervision of a physician has provided a written statement indicating that, in the physician's professional judgment, it is safe for the student to return to play and return to learn; and

(5) the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student:

(A) have acknowledged that the student has completed the requirements of the return-to-play and return-to-learn protocols necessary for the student to return to play;

(B) have provided the treating physician's or athletic trainer's written statement under subdivision (4) of this subsection (g) to the person responsible for compliance with the return-to-play and return-to-learn protocols under this subsection (g) and the person who has supervisory responsibilities under this subsection (g); and

(C) have signed a consent form indicating that the person signing:

(i) has been informed concerning and consents to the student participating in returning to play in accordance with the return-to-play and return-to-learn protocols;

(ii) understands the risks associated with the student returning to play and returning to learn and will comply with any ongoing requirements in the return-to-play and return-to-learn protocols; and

(iii) consents to the disclosure to appropriate persons, consistent with the federal Health Insurance Portability and Accountability Act of 1996 (Public Law 104-191), of the treating

physician's or athletic trainer's written statement under subdivision (4) of this subsection (g) and, if any, the return-to-play and return-to-learn recommendations of the treating physician or the athletic trainer, as the case may be.

A coach of an interscholastic athletics team may not authorize a student's return to play or return to learn.

The district superintendent or the superintendent's designee in the case of a public elementary or secondary school, the chief school administrator or that person's designee in the case of a charter school, or the appropriate administrative officer or that person's designee in the case of a private school shall supervise an athletic trainer or other person responsible for compliance with the return-to-play protocol and shall supervise the person responsible for compliance with the return-to-learn protocol. The person who has supervisory responsibilities under this paragraph may not be a coach of an interscholastic athletics team.

(h) (1) The Illinois High School Association shall approve, for coaches and game officials of interscholastic athletic activities, training courses that provide for not less than 2 hours of training in the subject matter of concussions, including evaluation, prevention, symptoms, risks, and long-term effects. The Association shall maintain an updated list of individuals and organizations authorized by the

Association to provide the training.

(4) For purposes of paragraph (2) of this subsection (h):

(A) a coach or game officials, as the case may be, must take a course described in paragraph (1) of this subsection (h).

(B) an athletic trainer must take a concussion-related continuing education course from an athletic trainer continuing education sponsor approved by the Department; and

(C) a nurse must take a course concerning the subject matter of concussions that has been approved for continuing

education credit by the Department.

(5) Each person described in paragraph (2) of this subsection (h) must submit proof of timely completion of an approved course in compliance with paragraph (4) of this subsection (h) to the district superintendent or the superintendent's designee in the case of a public elementary or secondary school, the chief school administrator or that person's designee in the case of a charter school, or the appropriate administrative officer or that person's designee in the case of a private school.

(6) A physician, athletic trainer, or nurse who is not in compliance with the training requirements under this subsection (h) may not serve on a concussion oversight team in any capacity.

(7) A person required under this subsection (h) to take a training course in the subject of concussions must initially complete the training not later than September 1, 2016.

(i) The governing body of each public or charter school and the appropriate administrative officer of a private school with students enrolled who participate in an interscholastic athletic activity shall develop a school-specific emergency action plan for interscholastic athletic activities to address the serious injuries and acute medical conditions in which the condition of the student may deteriorate rapidly. The plan shall include a delineation of roles, methods of communication, available emergency equipment, and access to and a plan for

emergency transport. This emergency action plan must be:

(1) in writing;

(2) reviewed by the concussion oversight team;

(3) approved by the district superintendent or the superintendent's designee in the case of a public elementary or secondary school, the chief school administrator or that person's designee in the case of a charter school, or the appropriate administrative officer or that person's designee in the case of a private school;

Sec. 22-81 ~~22-80~~. Heroin and opioid prevention pilot program. By January 1, 2017, the State Board of Education and the Department of Human Services shall develop and establish a 3-year heroin and opioid drug prevention pilot program that offers educational materials and instruction on heroin and opioid abuse to all school districts in the State for use at

their respective public elementary and secondary schools. A school district's participation in the pilot program shall be voluntary. Subject to appropriation, the Department of Human Services shall reimburse a school district that decides to participate in the pilot program for any costs it incurs in connection with its participation in the pilot program. Each school district that participates in the pilot program shall have the discretion to determine which grade levels the school district will instruct under the program.

The pilot program must use effective, research-proven, interactive teaching methods and technologies, and must provide students, parents, and school staff with scientific, social, and emotional learning content to help them understand the risk of drug use. Such learning content must specifically target the dangers of prescription pain medication and heroin abuse. The Department may contract with a health education organization to fulfill the requirements of the pilot program.

The State Board of Education, the Department of Human Services, and any contracted organization shall submit an annual report to the General Assembly that includes: (i) a list of school districts participating in the pilot program; (ii) the grade levels each school district instructs under the pilot program; and (iii) any findings regarding the effectiveness of the pilot program.

Sec. 27-8.1. Health examinations and immunizations.

(1) In compliance with rules and regulations which the Department of Public Health shall promulgate, and except as hereinafter provided, all children in Illinois shall have a health examination as follows: within one year prior to entering kindergarten or the first grade of any public, private, or parochial elementary school; upon entering the sixth and ninth grades of any public, private, or parochial school; prior to entrance into any public, private, or parochial nursery school; and, irrespective of grade, immediately prior to or upon entrance into any public, private, or parochial school or nursery school, each child shall present proof of having been examined in accordance with this Section and the rules and regulations promulgated hereunder. Any child who received a health examination within one year prior to entering the fifth grade for the 2007-2008 school year is not required to receive an additional health examination in order to comply with the provisions of Public Act 95-422 when he or she attends school for the 2008-2009 school year, unless the child is attending school for the first time as provided in this paragraph.

A tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of

tuberculosis. Additional health examinations of pupils, including eye examinations, may be required when deemed necessary by school authorities. Parents are encouraged to have their children undergo eye examinations at the same points in time required for health examinations.

(1.5) In compliance with rules adopted by the Department of Public Health and except as otherwise provided in this Section, all children in kindergarten and the second and sixth grades of any public, private, or parochial school shall have a dental examination. Each of these children shall present proof of having been examined by a dentist in accordance with this Section and rules adopted under this Section before May 15th of the school year. If a child in the second or sixth grade fails to present proof by May 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed dental examination or (ii) the child presents proof that a dental examination will take place within 60 days after May 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a dentist. Each public, private, and parochial school must give notice of this dental examination requirement to the parents and guardians of students at least 60 days before May 15th of each school year.

(1.10) Except as otherwise provided in this Section, all children enrolling in kindergarten in a public, private, or parochial school on or after the effective date of this

amendatory Act of the 95th General Assembly and any student enrolling for the first time in a public, private, or parochial school on or after the effective date of this amendatory Act of the 95th General Assembly shall have an eye examination. Each of these children shall present proof of having been examined by a physician licensed to practice medicine in all of its branches or a licensed optometrist within the previous year, in accordance with this Section and rules adopted under this Section, before October 15th of the school year. If the child fails to present proof by October 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed eye examination or (ii) the child presents proof that an eye examination will take place within 60 days after October 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or to a licensed optometrist. Each public, private, and parochial school must give notice of this eye examination requirement to the parents and guardians of students in compliance with rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain an eye examination for the child.

(2) The Department of Public Health shall promulgate rules

and regulations specifying the examinations and procedures that constitute a health examination, which shall include the collection of data relating to obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), and a dental examination and may recommend by rule that certain additional examinations be performed. The rules and regulations of the Department of Public Health shall specify that a tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. The Department of Public Health shall specify that a diabetes screening as defined by rule shall be included as a required part of each health examination. Diabetes testing is not required.

Physicians licensed to practice medicine in all of its branches, licensed advanced practice nurses, or licensed physician assistants shall be responsible for the performance of the health examinations, other than dental examinations, eye examinations, and vision and hearing screening, and shall sign all report forms required by subsection (4) of this Section that pertain to those portions of the health examination for which the physician, advanced practice nurse, or physician assistant is responsible. If a registered nurse performs any part of a health examination, then a physician licensed to practice medicine in all of its branches must review and sign

all required report forms. Licensed dentists shall perform all dental examinations and shall sign all report forms required by subsection (4) of this Section that pertain to the dental examinations. Physicians licensed to practice medicine in all its branches or licensed optometrists shall perform all eye examinations required by this Section and shall sign all report forms required by subsection (4) of this Section that pertain to the eye examination. For purposes of this Section, an eye examination shall at a minimum include history, visual acuity, subjective refraction to best visual acuity near and far, internal and external examination, and a glaucoma evaluation, as well as any other tests or observations that in the professional judgment of the doctor are necessary. Vision and hearing screening tests, which shall not be considered examinations as that term is used in this Section, shall be conducted in accordance with rules and regulations of the Department of Public Health, and by individuals whom the Department of Public Health has certified. In these rules and regulations, the Department of Public Health shall require that individuals conducting vision screening tests give a child's parent or guardian written notification, before the vision screening is conducted, that states, "Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has

been administered within the previous 12 months."

(3) Every child shall, at or about the same time as he or she receives a health examination required by subsection (1) of this Section, present to the local school proof of having received such immunizations against preventable communicable diseases as the Department of Public Health shall require by rules and regulations promulgated pursuant to this Section and the Communicable Disease Prevention Act.

(4) The individuals conducting the health examination, dental examination, or eye examination shall record the fact of having conducted the examination, and such additional information as required, including for a health examination data relating to obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), on uniform forms which the Department of Public Health and the State Board of Education shall prescribe for statewide use. The examiner shall summarize on the report form any condition that he or she suspects indicates a need for special services, including for a health examination factors relating to obesity. The individuals confirming the administration of required immunizations shall record as indicated on the form that the immunizations were administered.

(5) If a child does not submit proof of having had either the health examination or the immunization as required, then the child shall be examined or receive the immunization, as the case may be, and present proof by October 15 of the current

school year, or by an earlier date of the current school year established by a school district. To establish a date before October 15 of the current school year for the health examination or immunization as required, a school district must give notice of the requirements of this Section 60 days prior to the earlier established date. If for medical reasons one or more of the required immunizations must be given after October 15 of the current school year, or after an earlier established date of the current school year, then the child shall present, by October 15, or by the earlier established date, a schedule for the administration of the immunizations and a statement of the medical reasons causing the delay, both the schedule and the statement being issued by the physician, advanced practice nurse, physician assistant, registered nurse, or local health department that will be responsible for administration of the remaining required immunizations. If a child does not comply by October 15, or by the earlier established date of the current school year, with the requirements of this subsection, then the local school authority shall exclude that child from school until such time as the child presents proof of having had the health examination as required and presents proof of having received those required immunizations which are medically possible to receive immediately. During a child's exclusion from school for noncompliance with this subsection, the child's parents or legal guardian shall be considered in violation of Section 26-1 and subject to any penalty imposed by Section

26-10. This subsection (5) does not apply to dental examinations and eye examinations. If the student is an out-of-state transfer student and does not have the proof required under this subsection (5) before October 15 of the current year or whatever date is set by the school district, then he or she may only attend classes (i) if he or she has proof that an appointment for the required vaccinations has been scheduled with a party authorized to submit proof of the required vaccinations. If the proof of vaccination required under this subsection (5) is not submitted within 30 days after the student is permitted to attend classes, then the student is not to be permitted to attend classes until proof of the vaccinations has been properly submitted. No school district or employee of a school district shall be held liable for any injury or illness to another person that results from admitting an out-of-state transfer student to class that has an appointment scheduled pursuant to this subsection (5).

(6) Every school shall report to the State Board of Education by November 15, in the manner which that agency shall require, the number of children who have received the necessary immunizations and the health examination (other than a dental examination or eye examination) as required, indicating, of those who have not received the immunizations and examination as required, the number of children who are exempt from health examination and immunization requirements on religious or medical grounds as provided in subsection (8). On or before

December 1 of each year, every public school district and registered nonpublic school shall make publicly available the immunization data they are required to submit to the State Board of Education by November 15. The immunization data made publicly available must be identical to the data the school district or school has reported to the State Board of Education.

Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required dental examination, indicating, of those who have not received the required dental examination, the number of children who are exempt from the dental examination on religious grounds as provided in subsection (8) of this Section and the number of children who have received a waiver under subsection (1.5) of this Section.

Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required eye examination, indicating, of those who have not received the required eye examination, the number of children who are exempt from the eye examination as provided in subsection (8) of this Section, the number of children who have received a waiver under subsection (1.10) of this Section, and the total number of children in noncompliance with the eye examination requirement.

The reported information under this subsection (6) shall be provided to the Department of Public Health by the State Board of Education.

(7) Upon determining that the number of pupils who are required to be in compliance with subsection (5) of this Section is below 90% of the number of pupils enrolled in the school district, 10% of each State aid payment made pursuant to Section 18-8.05 to the school district for such year may be withheld by the State Board of Education until the number of students in compliance with subsection (5) is the applicable specified percentage or higher.

(8) Children of parents or legal guardians who object to health, dental, or eye examinations or any part thereof, to immunizations, or to vision and hearing screening tests on religious grounds shall not be required to undergo the examinations, tests, or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed Certificate of Religious Exemption detailing the grounds for objection and the specific immunizations, tests, or examinations to which they object. The grounds for objection must set forth the specific religious belief that conflicts with the examination, test, immunization, or other medical intervention. The signed certificate shall also reflect the parent's or legal guardian's understanding of the school's exclusion policies in the case of a vaccine-preventable disease outbreak or exposure. The

certificate must also be signed by the authorized examining health care provider responsible for the performance of the child's health examination confirming that the provider provided education to the parent or legal guardian on the benefits of immunization and the health risks to the student and to the community of the communicable diseases for which immunization is required in this State. However, the health care provider's signature on the certificate reflects only that education was provided and does not allow a health care provider grounds to determine a religious exemption. Those receiving immunizations required under this Code shall be provided with the relevant vaccine information statements that are required to be disseminated by the federal National Childhood Vaccine Injury Act of 1986, which may contain information on circumstances when a vaccine should not be administered, prior to administering a vaccine. A healthcare provider may consider including without limitation the nationally accepted recommendations from federal agencies such as the Advisory Committee on Immunization Practices, the information outlined in the relevant vaccine information statement, and vaccine package inserts, along with the healthcare provider's clinical judgment, to determine whether any child may be more susceptible to experiencing an adverse vaccine reaction than the general population, and, if so, the healthcare provider may exempt the child from an immunization or adopt an individualized immunization schedule. The

Certificate of Religious Exemption shall be created by the Department of Public Health and shall be made available and used by parents and legal guardians by the beginning of the 2015-2016 school year. Parents or legal guardians must submit the Certificate of Religious Exemption to their local school authority prior to entering kindergarten, sixth grade, and ninth grade for each child for which they are requesting an exemption. The religious objection stated need not be directed by the tenets of an established religious organization. However, general philosophical or moral reluctance to allow physical examinations, eye examinations, immunizations, vision and hearing screenings, or dental examinations does not provide a sufficient basis for an exception to statutory requirements. The local school authority is responsible for determining if the content of the Certificate of Religious Exemption constitutes a valid religious objection. The local school authority shall inform the parent or legal guardian of exclusion procedures, in accordance with the Department's rules under Part 690 of Title 77 of the Illinois Administrative Code, at the time the objection is presented.

If the physical condition of the child is such that any one or more of the immunizing agents should not be administered, the examining physician, advanced practice nurse, or physician assistant responsible for the performance of the health examination shall endorse that fact upon the health examination form.

Exempting a child from the health, dental, or eye examination does not exempt the child from participation in the program of physical education training provided in Sections 27-5 through 27-7 of this Code.

(9) For the purposes of this Section, "nursery schools" means those nursery schools operated by elementary school systems or secondary level school units or institutions of higher learning.

Sec. 27-24.2. Safety education; driver education course. Instruction shall be given in safety education in each of grades one through ~~through~~ 8, equivalent to one class period each week, and any school district which maintains grades 9 through 12 shall offer a driver education course in any such school which it operates. Its curriculum shall include content dealing with Chapters 11, 12, 13, 15, and 16 of the Illinois Vehicle Code, the rules adopted pursuant to those Chapters insofar as they pertain to the operation of motor vehicles, and the portions of the Litter Control Act relating to the operation of motor vehicles. The course of instruction given in grades 10 through 12 shall include an emphasis on the development of knowledge, attitudes, habits, and skills necessary for the safe operation of motor vehicles, including

motorcycles insofar as they can be taught in the classroom, and instruction on distracted driving as a major traffic safety issue. In addition, the course shall include instruction on special hazards existing at and required safety and driving precautions that must be observed at emergency situations, highway construction and maintenance zones, and railroad crossings and the approaches thereto. The course of instruction required of each eligible student at the high school level shall consist of a minimum of 30 clock hours of classroom instruction and a minimum of 6 clock hours of individual behind-the-wheel instruction in a dual control car on public roadways taught by a driver education instructor endorsed by the State Board of Education. Both the classroom instruction part and the practice driving part of such driver education course shall be open to a resident or non-resident student attending a non-public school in the district wherein the course is offered. Each student attending any public or non-public high school in the district must receive a passing grade in at least 8 courses during the previous 2 semesters prior to enrolling in a driver education course, or the student shall not be permitted to enroll in the course; provided that the local superintendent of schools (with respect to a student attending a public high school in the district) or chief school administrator (with respect to a student attending a non-public high school in the district) may waive the requirement if the superintendent or chief school administrator, as the case may

be, deems it to be in the best interest of the student. A student may be allowed to commence the classroom instruction part of such driver education course prior to reaching age 15 if such student then will be eligible to complete the entire course within 12 months after being allowed to commence such classroom instruction.

Such a course may be commenced immediately after the completion of a prior course. Teachers of such courses shall meet the certification requirements of this Act and regulations of the State Board as to qualifications.

Subject to rules of the State Board of Education, the school district may charge a reasonable fee, not to exceed \$50, to students who participate in the course, unless a student is unable to pay for such a course, in which event the fee for such a student must be waived. However, the district may increase this fee to an amount not to exceed \$250 by school board resolution following a public hearing on the increase, which increased fee must be waived for students who participate in the course and are unable to pay for the course. The total amount from driver education fees and reimbursement from the State for driver education must not exceed the total cost of the driver education program in any year and must be deposited into the school district's driver education fund as a separate line item budget entry. All moneys deposited into the school district's driver education fund must be used solely for the funding of a high school driver education program approved by

the State Board of Education that uses driver education instructors endorsed by the State Board of Education.

(Text of Section before amendment by P.A. 99-456)

Sec. 27A-5. Charter school; legal entity; requirements.

(a) A charter school shall be a public, nonsectarian, nonreligious, non-home based, and non-profit school. A charter school shall be organized and operated as a nonprofit corporation or other discrete, legal, nonprofit entity authorized under the laws of the State of Illinois.

(b) A charter school may be established under this Article by creating a new school or by converting an existing public school or attendance center to charter school status. Beginning on April 16, 2003 (the effective date of Public Act 93-3) ~~this amendatory Act of the 93rd General Assembly~~, in all new applications to establish a charter school in a city having a population exceeding 500,000, operation of the charter school shall be limited to one campus. The changes made to this Section by Public Act 93-3 ~~this amendatory Act of the 93rd General Assembly~~ do not apply to charter schools existing or approved on or before April 16, 2003 (the effective date of Public Act 93-3) ~~this amendatory Act~~.

(b-5) In this subsection (b-5), "virtual-schooling" means

a cyber school where students engage in online curriculum and instruction via the Internet and electronic communication with their teachers at remote locations and with students participating at different times.

From April 1, 2013 through December 31, 2016, there is a moratorium on the establishment of charter schools with virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This moratorium does not apply to a charter school with virtual-schooling components existing or approved prior to April 1, 2013 or to the renewal of the charter of a charter school with virtual-schooling components already approved prior to April 1, 2013.

On or before March 1, 2014, the Commission shall submit to the General Assembly a report on the effect of virtual-schooling, including without limitation the effect on student performance, the costs associated with virtual-schooling, and issues with oversight. The report shall include policy recommendations for virtual-schooling.

(c) A charter school shall be administered and governed by its board of directors or other governing body in the manner provided in its charter. The governing body of a charter school shall be subject to the Freedom of Information Act and the Open Meetings Act.

(d) For purposes of this subsection (d), "non-curricular health and safety requirement" means any health and safety

requirement created by statute or rule to provide, maintain, preserve, or safeguard safe or healthful conditions for students and school personnel or to eliminate, reduce, or prevent threats to the health and safety of students and school personnel. "Non-curricular health and safety requirement" does not include any course of study or specialized instructional requirement for which the State Board has established goals and learning standards or which is designed primarily to impart knowledge and skills for students to master and apply as an outcome of their education.

A charter school shall comply with all non-curricular health and safety requirements applicable to public schools under the laws of the State of Illinois. On or before September 1, 2015, the State Board shall promulgate and post on its Internet website a list of non-curricular health and safety requirements that a charter school must meet. The list shall be updated annually no later than September 1. Any charter contract between a charter school and its authorizer must contain a provision that requires the charter school to follow the list of all non-curricular health and safety requirements promulgated by the State Board and any non-curricular health and safety requirements added by the State Board to such list during the term of the charter. Nothing in this subsection (d) precludes an authorizer from including non-curricular health and safety requirements in a charter school contract that are not contained in the list promulgated by the State Board,

including non-curricular health and safety requirements of the authorizing local school board.

(e) Except as otherwise provided in the School Code, a charter school shall not charge tuition; provided that a charter school may charge reasonable fees for textbooks, instructional materials, and student activities.

(f) A charter school shall be responsible for the management and operation of its fiscal affairs including, but not limited to, the preparation of its budget. An audit of each charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter school. To ensure financial accountability for the use of public funds, on or before December 1 of every year of operation, each charter school shall submit to its authorizer and the State Board a copy of its audit and a copy of the Form 990 the charter school filed that year with the federal Internal Revenue Service. In addition, if deemed necessary for proper financial oversight of the charter school, an authorizer may require quarterly financial statements from each charter school.

(g) A charter school shall comply with all provisions of this Article, the Illinois Educational Labor Relations Act, all federal and State laws and rules applicable to public schools that pertain to special education and the instruction of English learners, and its charter. A charter school is exempt from all other State laws and regulations in this Code

governing public schools and local school board policies; however, a charter school is not exempt from the following:

(1) Sections 10-21.9 and 34-18.5 of this Code regarding criminal history records checks and checks of the Statewide Sex Offender Database and Statewide Murderer and Violent Offender Against Youth Database of applicants for employment;

(2) Sections 24-24 and 34-84A of this Code regarding discipline of students;

(3) the Local Governmental and Governmental Employees Tort Immunity Act;

(4) Section 108.75 of the General Not For Profit Corporation Act of 1986 regarding indemnification of officers, directors, employees, and agents;

(5) the Abused and Neglected Child Reporting Act;

(6) the Illinois School Student Records Act;

(7) Section 10-17a of this Code regarding school report cards;

(8) the P-20 Longitudinal Education Data System Act;

(9) Section 27-23.7 of this Code regarding bullying prevention; ~~and~~

(10) Section 2-3.162 of this Code regarding student discipline reporting; and

(11) Section 22-80 of this Code.

The change made by Public Act 96-104 to this subsection (g) is declaratory of existing law.

(h) A charter school may negotiate and contract with a school district, the governing body of a State college or university or public community college, or any other public or for-profit or nonprofit private entity for: (i) the use of a school building and grounds or any other real property or facilities that the charter school desires to use or convert for use as a charter school site, (ii) the operation and maintenance thereof, and (iii) the provision of any service, activity, or undertaking that the charter school is required to perform in order to carry out the terms of its charter. However, a charter school that is established on or after April 16, 2003 (the effective date of Public Act 93-3) ~~this amendatory Act of the 93rd General Assembly~~ and that operates in a city having a population exceeding 500,000 may not contract with a for-profit entity to manage or operate the school during the period that commences on April 16, 2003 (the effective date of Public Act 93-3) ~~this amendatory Act of the 93rd General Assembly~~ and concludes at the end of the 2004-2005 school year. Except as provided in subsection (i) of this Section, a school district may charge a charter school reasonable rent for the use of the district's buildings, grounds, and facilities. Any services for which a charter school contracts with a school district shall be provided by the district at cost. Any services for which a charter school contracts with a local school board or with the governing body of a State college or university or public community college

shall be provided by the public entity at cost.

(i) In no event shall a charter school that is established by converting an existing school or attendance center to charter school status be required to pay rent for space that is deemed available, as negotiated and provided in the charter agreement, in school district facilities. However, all other costs for the operation and maintenance of school district facilities that are used by the charter school shall be subject to negotiation between the charter school and the local school board and shall be set forth in the charter.

(j) A charter school may limit student enrollment by age or grade level.

(k) If the charter school is approved by the Commission, then the Commission charter school is its own local education agency.

Sec. 27A-5. Charter school; legal entity; requirements.

(a) A charter school shall be a public, nonsectarian, nonreligious, non-home based, and non-profit school. A charter school shall be organized and operated as a nonprofit

corporation or other discrete, legal, nonprofit entity authorized under the laws of the State of Illinois.

(b) A charter school may be established under this Article by creating a new school or by converting an existing public school or attendance center to charter school status. Beginning on April 16, 2003 (the effective date of Public Act 93-3) ~~this amendatory Act of the 93rd General Assembly~~, in all new applications to establish a charter school in a city having a population exceeding 500,000, operation of the charter school shall be limited to one campus. The changes made to this Section by Public Act 93-3 ~~this amendatory Act of the 93rd General Assembly~~ do not apply to charter schools existing or approved on or before April 16, 2003 (the effective date of Public Act 93-3) ~~this amendatory Act~~.

(b-5) In this subsection (b-5), "virtual-schooling" means a cyber school where students engage in online curriculum and instruction via the Internet and electronic communication with their teachers at remote locations and with students participating at different times.

From April 1, 2013 through December 31, 2016, there is a moratorium on the establishment of charter schools with virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This moratorium does not apply to a charter school with virtual-schooling components existing or approved prior to April 1, 2013 or to the renewal of the charter of a charter

school with virtual-schooling components already approved prior to April 1, 2013.

On or before March 1, 2014, the Commission shall submit to the General Assembly a report on the effect of virtual-schooling, including without limitation the effect on student performance, the costs associated with virtual-schooling, and issues with oversight. The report shall include policy recommendations for virtual-schooling.

(c) A charter school shall be administered and governed by its board of directors or other governing body in the manner provided in its charter. The governing body of a charter school shall be subject to the Freedom of Information Act and the Open Meetings Act.

(d) For purposes of this subsection (d), "non-curricular health and safety requirement" means any health and safety requirement created by statute or rule to provide, maintain, preserve, or safeguard safe or healthful conditions for students and school personnel or to eliminate, reduce, or prevent threats to the health and safety of students and school personnel. "Non-curricular health and safety requirement" does not include any course of study or specialized instructional requirement for which the State Board has established goals and learning standards or which is designed primarily to impart knowledge and skills for students to master and apply as an outcome of their education.

A charter school shall comply with all non-curricular

health and safety requirements applicable to public schools under the laws of the State of Illinois. On or before September 1, 2015, the State Board shall promulgate and post on its Internet website a list of non-curricular health and safety requirements that a charter school must meet. The list shall be updated annually no later than September 1. Any charter contract between a charter school and its authorizer must contain a provision that requires the charter school to follow the list of all non-curricular health and safety requirements promulgated by the State Board and any non-curricular health and safety requirements added by the State Board to such list during the term of the charter. Nothing in this subsection (d) precludes an authorizer from including non-curricular health and safety requirements in a charter school contract that are not contained in the list promulgated by the State Board, including non-curricular health and safety requirements of the authorizing local school board.

(e) Except as otherwise provided in the School Code, a charter school shall not charge tuition; provided that a charter school may charge reasonable fees for textbooks, instructional materials, and student activities.

(f) A charter school shall be responsible for the management and operation of its fiscal affairs including, but not limited to, the preparation of its budget. An audit of each charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter

school. To ensure financial accountability for the use of public funds, on or before December 1 of every year of operation, each charter school shall submit to its authorizer and the State Board a copy of its audit and a copy of the Form 990 the charter school filed that year with the federal Internal Revenue Service. In addition, if deemed necessary for proper financial oversight of the charter school, an authorizer may require quarterly financial statements from each charter school.

(g) A charter school shall comply with all provisions of this Article, the Illinois Educational Labor Relations Act, all federal and State laws and rules applicable to public schools that pertain to special education and the instruction of English learners, and its charter. A charter school is exempt from all other State laws and regulations in this Code governing public schools and local school board policies; however, a charter school is not exempt from the following:

(1) Sections 10-21.9 and 34-18.5 of this Code regarding criminal history records checks and checks of the Statewide Sex Offender Database and Statewide Murderer and Violent Offender Against Youth Database of applicants for employment;

(2) Sections 10-20.14, 10-22.6, 24-24, 34-19, and 34-84a of this Code regarding discipline of students;

(3) the Local Governmental and Governmental Employees Tort Immunity Act;

(4) Section 108.75 of the General Not For Profit Corporation Act of 1986 regarding indemnification of officers, directors, employees, and agents;

(5) the Abused and Neglected Child Reporting Act;

(6) the Illinois School Student Records Act;

(7) Section 10-17a of this Code regarding school report cards;

(8) the P-20 Longitudinal Education Data System Act;

(9) Section 27-23.7 of this Code regarding bullying prevention; ~~and~~

(10) Section 2-3.162 of this Code regarding student discipline reporting; and

(11) Section 22-80 of this Code.

The change made by Public Act 96-104 to this subsection (g) is declaratory of existing law.

(h) A charter school may negotiate and contract with a school district, the governing body of a State college or university or public community college, or any other public or for-profit or nonprofit private entity for: (i) the use of a school building and grounds or any other real property or facilities that the charter school desires to use or convert for use as a charter school site, (ii) the operation and maintenance thereof, and (iii) the provision of any service, activity, or undertaking that the charter school is required to perform in order to carry out the terms of its charter. However, a charter school that is established on or after April

16, 2003 (the effective date of Public Act 93-3) ~~this amendatory Act of the 93rd General Assembly~~ and that operates in a city having a population exceeding 500,000 may not contract with a for-profit entity to manage or operate the school during the period that commences on April 16, 2003 (the effective date of Public Act 93-3) ~~this amendatory Act of the 93rd General Assembly~~ and concludes at the end of the 2004-2005 school year. Except as provided in subsection (i) of this Section, a school district may charge a charter school reasonable rent for the use of the district's buildings, grounds, and facilities. Any services for which a charter school contracts with a school district shall be provided by the district at cost. Any services for which a charter school contracts with a local school board or with the governing body of a State college or university or public community college shall be provided by the public entity at cost.

(i) In no event shall a charter school that is established by converting an existing school or attendance center to charter school status be required to pay rent for space that is deemed available, as negotiated and provided in the charter agreement, in school district facilities. However, all other costs for the operation and maintenance of school district facilities that are used by the charter school shall be subject to negotiation between the charter school and the local school board and shall be set forth in the charter.

(j) A charter school may limit student enrollment by age or

grade level.

(k) If the charter school is approved by the Commission, then the Commission charter school is its own local education agency.

(105 ILCS 5/34-8.1) (from Ch. 122, par. 34-8.1)

Sec. 34-8.1. Principals. Principals shall be employed to supervise the operation of each attendance center. Their powers and duties shall include but not be limited to the authority (i) to direct, supervise, evaluate, and suspend with or without pay or otherwise discipline all teachers, assistant principals, and other employees assigned to the attendance center in accordance with board rules and policies and (ii) to direct all other persons assigned to the attendance center pursuant to a contract with a third party to provide services to the school system. The right to employ, discharge, and layoff shall be vested solely with the board, provided that decisions to discharge or suspend non-certified employees, including disciplinary layoffs, and the termination of certified employees from employment pursuant to a layoff or reassignment policy are subject to review under the grievance resolution procedure adopted pursuant to subsection (c) of

Section 10 of the Illinois Educational Labor Relations Act. The grievance resolution procedure adopted by the board shall provide for final and binding arbitration, and, notwithstanding any other provision of law to the contrary, the arbitrator's decision may include all make-whole relief, including without limitation reinstatement. The principal shall fill positions by appointment as provided in this Section and may make recommendations to the board regarding the employment, discharge, or layoff of any individual. The authority of the principal shall include the authority to direct the hours during which the attendance center shall be open and available for use provided the use complies with board rules and policies, to determine when and what operations shall be conducted within those hours, and to schedule staff within those hours. Under the direction of, and subject to the authority of the principal, the Engineer In Charge shall be accountable for the safe, economical operation of the plant and grounds and shall also be responsible for orientation, training, and supervising the work of Engineers, Trainees, school maintenance assistants, custodial workers and other plant operation employees under his or her direction.

There shall be established by the board a system of semi-annual evaluations conducted by the principal as to performance of the engineer in charge. Nothing in this Section shall prevent the principal from conducting additional evaluations. An overall numerical rating shall be given by the

principal based on the evaluation conducted by the principal. An unsatisfactory numerical rating shall result in disciplinary action, which may include, without limitation and in the judgment of the principal, loss of promotion or bidding procedure, reprimand, suspension with or without pay, or recommended dismissal. The board shall establish procedures for conducting the evaluation and reporting the results to the engineer in charge.

Under the direction of, and subject to the authority of, the principal, the Food Service Manager is responsible at all times for the proper operation and maintenance of the lunch room to which he is assigned and shall also be responsible for the orientation, training, and supervising the work of cooks, bakers, porters, and lunchroom attendants under his or her direction.

There shall be established by the Board a system of semi-annual evaluations conducted by the principal as to the performance of the food service manager. Nothing in this Section shall prevent the principal from conducting additional evaluations. An overall numerical rating shall be given by the principal based on the evaluation conducted by the principal. An unsatisfactory numerical rating shall result in disciplinary action which may include, without limitation and in the judgment of the principal, loss of promotion or bidding procedure, reprimand, suspension with or without pay, or recommended dismissal. The board shall establish rules for

conducting the evaluation and reporting the results to the food service manager.

Nothing in this Section shall be interpreted to require the employment or assignment of an Engineer-In-Charge or a Food Service Manager for each attendance center.

Principals shall be employed to supervise the educational operation of each attendance center. If a principal is absent due to extended illness or leave of ~~or~~ absence, an assistant principal may be assigned as acting principal for a period not to exceed 100 school days. Each principal shall assume administrative responsibility and instructional leadership, in accordance with reasonable rules and regulations of the board, for the planning, operation and evaluation of the educational program of the attendance center to which he is assigned. The principal shall submit recommendations to the general superintendent concerning the appointment, dismissal, retention, promotion, and assignment of all personnel assigned to the attendance center; provided, that from and after September 1, 1989: (i) if any vacancy occurs in a position at the attendance center or if an additional or new position is created at the attendance center, that position shall be filled by appointment made by the principal in accordance with procedures established and provided by the Board whenever the majority of the duties included in that position are to be performed at the attendance center which is under the principal's supervision, and each such appointment so made by

the principal shall be made and based upon merit and ability to perform in that position without regard to seniority or length of service, provided, that such appointments shall be subject to the Board's desegregation obligations, including but not limited to the Consent Decree and Desegregation Plan in U.S. v. Chicago Board of Education; (ii) the principal shall submit recommendations based upon merit and ability to perform in the particular position, without regard to seniority or length of service, to the general superintendent concerning the appointment of any teacher, teacher aide, counselor, clerk, hall guard, security guard and any other personnel which is to be made by the general superintendent whenever less than a majority of the duties of that teacher, teacher aide, counselor, clerk, hall guard, and security guard and any other personnel are to be performed at the attendance center which is under the principal's supervision; and (iii) subject to law and the applicable collective bargaining agreements, the authority and responsibilities of a principal with respect to the evaluation of all teachers and other personnel assigned to an attendance center shall commence immediately upon his or her appointment as principal of the attendance center, without regard to the length of time that he or she has been the principal of that attendance center.

Notwithstanding the existence of any other law of this State, nothing in this Act shall prevent the board from entering into a contract with a third party for services

currently performed by any employee or bargaining unit member.

Notwithstanding any other provision of this Article, each principal may approve contracts, binding on the board, in the amount of no more than \$10,000, if the contract is endorsed by the Local School Council.

Unless otherwise prohibited by law or by rule of the board, the principal shall provide to local school council members copies of all internal audits and any other pertinent information generated by any audits or reviews of the programs and operation of the attendance center.

Each principal shall hold a valid administrative certificate issued or exchanged in accordance with Article 21 and endorsed as required by that Article for the position of principal. The board may establish or impose academic, educational, examination, and experience requirements and criteria that are in addition to those established and required by Article 21 for issuance of a valid certificate endorsed for the position of principal as a condition of the nomination, selection, appointment, employment, or continued employment of a person as principal of any attendance center, or as a condition of the renewal of any principal's performance contract.

The board shall specify in its formal job description for principals, and from and after July 1, 1990 shall specify in the 4 year performance contracts for use with respect to all principals, that his or her primary responsibility is in the

improvement of instruction. A majority of the time spent by a principal shall be spent on curriculum and staff development through both formal and informal activities, establishing clear lines of communication regarding school goals, accomplishments, practices and policies with parents and teachers. The principal, with the assistance of the local school council, shall develop a school improvement plan as provided in Section 34-2.4 and, upon approval of the plan by the local school council, shall be responsible for directing implementation of the plan. The principal, with the assistance of the professional personnel leadership committee, shall develop the specific methods and contents of the school's curriculum within the board's system-wide curriculum standards and objectives and the requirements of the school improvement plan. The board shall ensure that all principals are evaluated on their instructional leadership ability and their ability to maintain a positive education and learning climate. It shall also be the responsibility of the principal to utilize resources of proper law enforcement agencies when the safety and welfare of students and teachers are threatened by illegal use of drugs and alcohol, by illegal use or possession of weapons, or by illegal gang activity.

Nothing in this Section shall prohibit the board and the exclusive representative of the district's teachers from entering into an agreement under Section 34-85c of this Code to establish alternative procedures for teacher evaluation,

remediation, and removal for cause after remediation, including an alternative system for peer evaluation and recommendations, for teachers assigned to schools identified in that agreement.

On or before October 1, 1989, the Board of Education, in consultation with any professional organization representing principals in the district, shall promulgate rules and implement a lottery for the purpose of determining whether a principal's existing performance contract (including the performance contract applicable to any principal's position in which a vacancy then exists) expires on June 30, 1990 or on June 30, 1991, and whether the ensuing 4 year performance contract begins on July 1, 1990 or July 1, 1991. The Board of Education shall establish and conduct the lottery in such manner that of all the performance contracts of principals (including the performance contracts applicable to all principal positions in which a vacancy then exists), 50% of such contracts shall expire on June 30, 1990, and 50% shall expire on June 30, 1991. All persons serving as principal on May 1, 1989, and all persons appointed as principal after May 1, 1989 and prior to July 1, 1990 or July 1, 1991, in a manner other than as provided by Section 34-2.3, shall be deemed by operation of law to be serving under a performance contract which expires on June 30, 1990 or June 30, 1991; and unless such performance contract of any such principal is renewed (or such person is again appointed to serve as principal) in the

manner provided by Section 34-2.2 or 34-2.3, the employment of such person as principal shall terminate on June 30, 1990 or June 30, 1991.

Commencing on July 1, 1990, or on July 1, 1991, and thereafter, the principal of each attendance center shall be the person selected in the manner provided by Section 34-2.3 to serve as principal of that attendance center under a 4 year performance contract. All performance contracts of principals expiring after July 1, 1990, or July 1, 1991, shall commence on the date specified in the contract, and the renewal of their performance contracts and the appointment of principals when their performance contracts are not renewed shall be governed by Sections 34-2.2 and 34-2.3. Whenever a vacancy in the office of a principal occurs for any reason, the vacancy shall be filled by the selection of a new principal to serve under a 4 year performance contract in the manner provided by Section 34-2.3.

The board of education shall develop and prepare, in consultation with the organization representing principals, a performance contract for use at all attendance centers, and shall furnish the same to each local school council. The term of the performance contract shall be 4 years, unless the principal is retained by the decision of a hearing officer pursuant to subdivision 1.5 of Section 34-2.3, in which case the contract shall be extended for 2 years. The performance contract of each principal shall consist of the uniform

performance contract, as developed or from time to time modified by the board, and such additional criteria as are established by a local school council pursuant to Section 34-2.3 for the performance contract of its principal.

During the term of his or her performance contract, a principal may be removed only as provided for in the performance contract except for cause. He or she shall also be obliged to follow the rules of the board of education concerning conduct and efficiency.

In the event the performance contract of a principal is not renewed or a principal is not reappointed as principal under a new performance contract, or in the event a principal is appointed to any position of superintendent or higher position, or voluntarily resigns his position of principal, his or her employment as a principal shall terminate and such former principal shall not be reinstated to the position from which he or she was promoted to principal, except that he or she, if otherwise qualified and certified in accordance with Article 21, shall be placed by the board on appropriate eligibility lists which it prepares for use in the filling of vacant or additional or newly created positions for teachers. The principal's total years of service to the board as both a teacher and a principal, or in other professional capacities, shall be used in calculating years of experience for purposes of being selected as a teacher into new, additional or vacant positions.

In the event the performance contract of a principal is not renewed or a principal is not reappointed as principal under a new performance contract, such principal shall be eligible to continue to receive his or her previously provided level of health insurance benefits for a period of 90 days following the non-renewal of the contract at no expense to the principal, provided that such principal has not retired.

Section 260. The Illinois Credit Union Act is amended by changing Section 46 as follows:

(205 ILCS 305/46) (from Ch. 17, par. 4447)

Sec. 46. Loans and interest rate.

(1) A credit union may make loans to its members for such purpose and upon such security and terms, including rates of interest, as the credit committee, credit manager, or loan officer approves. Notwithstanding the provisions of any other law in connection with extensions of credit, a credit union may elect to contract for and receive interest and fees and other charges for extensions of credit subject only to the provisions of this Act and rules promulgated under this Act, except that extensions of credit secured by residential real estate shall be subject to the laws applicable thereto. The rates of interest to be charged on loans to members shall be set by the board of directors of each individual credit union in accordance with Section 30 of this Act and such rates may be less than, but may not exceed, the maximum rate set forth in this Section. A borrower may repay his loan prior to maturity, in whole or in part, without penalty. The credit contract may provide for the payment by the member and receipt by the credit union of all costs and disbursements, including reasonable attorney's fees and collection agency charges, incurred by the credit union to collect or enforce the debt in the event of a delinquency by the member, or in the event of a breach of any obligation of the member under the credit contract. A contingency or hourly arrangement established under an agreement entered into by a credit union with an attorney or collection agency to collect a loan of a member in default shall be presumed prima facie reasonable.

(2) Credit unions may make loans based upon the security of any interest or equity in real estate, subject to rules and regulations promulgated by the Secretary. In any contract or loan which is secured by a mortgage, deed of trust, or conveyance in the nature of a mortgage, on residential real estate, the interest which is computed, calculated, charged, or collected pursuant to such contract or loan, or pursuant to any regulation or rule promulgated pursuant to this Act, may not be computed, calculated, charged or collected for any period of time occurring after the date on which the total indebtedness, with the exception of late payment penalties, is paid in full.

For purposes of this subsection (2) of this Section 46, a prepayment shall mean the payment of the total indebtedness, with the exception of late payment penalties if incurred or charged, on any date before the date specified in the contract or loan agreement on which the total indebtedness shall be paid in full, or before the date on which all payments, if timely made, shall have been made. In the event of a prepayment of the indebtedness which is made on a date after the date on which interest on the indebtedness was last computed, calculated, charged, or collected but before the next date on which interest on the indebtedness was to be calculated, computed, charged, or collected, the lender may calculate, charge and collect interest on the indebtedness for the period which elapsed between the date on which the prepayment is made and the date on which interest on the indebtedness was last

computed, calculated, charged or collected at a rate equal to 1/360 of the annual rate for each day which so elapsed, which rate shall be applied to the indebtedness outstanding as of the date of prepayment. The lender shall refund to the borrower any interest charged or collected which exceeds that which the lender may charge or collect pursuant to the preceding sentence. The provisions of Public Act 84-941 ~~this amendatory Act of 1985~~ shall apply only to contracts or loans entered into on or after January 1, 1986 (the effective date of Public Act 84-941) ~~this amendatory Act~~.

(3) (Blank).

(4) Notwithstanding any other provisions of this Act, a credit union authorized under this Act to make loans secured by an interest or equity in real property may engage in making revolving credit loans secured by mortgages or deeds of trust on such real property or by security assignments of beneficial interests in land trusts.

For purposes of this Section, "revolving credit" has the meaning defined in Section 4.1 of the Interest Act.

Any mortgage or deed of trust given to secure a revolving credit loan may, and when so expressed therein shall, secure not only the existing indebtedness but also such future advances, whether such advances are obligatory or to be made at the option of the lender, or otherwise, as are made within twenty years from the date thereof, to the same extent as if such future advances were made on the date of the execution of

such mortgage or deed of trust, although there may be no advance made at the time of execution of such mortgage or other instrument, and although there may be no indebtedness outstanding at the time any advance is made. The lien of such mortgage or deed of trust, as to third persons without actual notice thereof, shall be valid as to all such indebtedness and future advances from the time said mortgage or deed of trust is filed for record in the office of the recorder of deeds or the registrar of titles of the county where the real property described therein is located. The total amount of indebtedness that may be so secured may increase or decrease from time to time, but the total unpaid balance so secured at any one time shall not exceed a maximum principal amount which must be specified in such mortgage or deed of trust, plus interest thereon, and any disbursements made for the payment of taxes, special assessments, or insurance on said real property, with interest on such disbursements.

Any such mortgage or deed of trust shall be valid and have priority over all subsequent liens and encumbrances, including statutory liens, except taxes and assessments levied on said real property.

(4-5) For purposes of this Section, "real estate" and "real property" include a manufactured home as defined in subdivision (53) of Section 9-102 of the Uniform Commercial Code which is real property as defined in Section 5-35 of the Conveyance and Encumbrance of Manufactured Homes as Real Property and

Severance Act.

(5) Compliance with federal or Illinois preemptive laws or regulations governing loans made by a credit union chartered under this Act shall constitute compliance with this Act.

(6) Credit unions may make residential real estate mortgage loans on terms and conditions established by the United States Department of Agriculture through its Rural Development Housing and Community Facilities Program. The portion of any loan in excess of the appraised value of the real estate shall be allocable only to the guarantee fee required under the program.

(7) For a renewal, refinancing, or restructuring of an existing loan at the credit union that is secured by an interest or equity in real estate, a new appraisal of the collateral shall not be required when (i) no new moneys are advanced other than funds necessary to cover reasonable closing costs, or (ii) there has been no obvious or material change in market conditions or physical aspects of the real estate that threatens the adequacy of the credit union's real estate collateral protection after the transaction, even with the advancement of new moneys. The Department reserves the right to require an appraisal under this subsection (7) whenever the Department believes it is necessary to address safety and soundness concerns.

(1) the instrument or court order establishing the fiduciary relationship permits the record to be disclosed under the circumstances;

(2) applicable law authorizes the disclosure;

(3) disclosure by the corporate fiduciary is necessary to perform a transaction or act that is authorized by the instrument or court order establishing the fiduciary relationship ~~relationship~~; or

(4) Section 48.1 of the Illinois Banking Act would permit a bank to disclose the record to the same extent under the circumstances.

For purposes of this Section, "customer" means the person or individual who contracted to establish the fiduciary relationship or who executed any instrument or document from which the fiduciary relationship was established, a person

Section 270. The Ambulatory Surgical Treatment Center Act is amended by changing Section 6.5 as follows:

(210 ILCS 5/6.5)

Sec. 6.5. Clinical privileges; advanced practice nurses. All ambulatory surgical treatment centers (ASTC) licensed under this Act shall comply with the following requirements:

(1) No ASTC policy, rule, regulation, or practice shall be inconsistent with the provision of adequate collaboration and consultation in accordance with Section 54.5 of the Medical Practice Act of 1987.

(2) Operative surgical procedures shall be performed only by a physician licensed to practice medicine in all its branches under the Medical Practice Act of 1987, a dentist licensed under the Illinois Dental Practice Act, or a podiatric physician licensed under the Podiatric Medical Practice Act of 1987, with medical staff membership and surgical clinical privileges granted by the consulting committee of the ASTC. (2.5) A registered nurse licensed under the Nurse Practice Act and qualified by training and experience in operating room nursing shall be present in the operating room and function as the circulating nurse during all invasive or operative procedures. For purposes of this paragraph (2.5), "circulating nurse" means a registered nurse who is responsible for coordinating all nursing care, patient safety needs, and the needs of the surgical team in the operating room during an invasive or operative procedure.

(3) An advanced practice nurse is not required to possess prescriptive authority or a written collaborative agreement meeting the requirements of the Nurse Practice Act to provide advanced practice nursing services in an ambulatory surgical treatment center. An advanced practice nurse must possess clinical privileges granted by the

consulting medical staff committee and ambulatory surgical treatment center in order to provide services. Individual advanced practice nurses may also be granted clinical privileges to order, select, and administer medications, including controlled substances, to provide delineated care. The attending physician must determine the advanced ~~advance~~ practice nurse's role in providing care for his or her patients, except as otherwise provided in the consulting staff policies. The consulting medical staff committee shall periodically review the services of advanced practice nurses granted privileges.

(4) The anesthesia service shall be under the direction of a physician licensed to practice medicine in all its branches who has had specialized preparation or experience in the area or who has completed a residency in anesthesiology. An anesthesiologist, Board certified or Board eligible, is recommended. Anesthesia services may only be administered pursuant to the order of a physician licensed to practice medicine in all its branches, licensed dentist, or licensed podiatric physician.

(A) The individuals who, with clinical privileges granted by the medical staff and ASTC, may administer anesthesia services are limited to the following:

- (i) an anesthesiologist; or
- (ii) a physician licensed to practice medicine in all its branches; or

(iii) a dentist with authority to administer anesthesia under Section 8.1 of the Illinois Dental Practice Act; or

(iv) a licensed certified registered nurse anesthetist; or

(v) a podiatric physician licensed under the Podiatric Medical Practice Act of 1987.

(B) For anesthesia services, an anesthesiologist shall participate through discussion of and agreement with the anesthesia plan and shall remain physically present and be available on the premises during the delivery of anesthesia services for diagnosis, consultation, and treatment of emergency medical conditions. In the absence of 24-hour availability of anesthesiologists with clinical privileges, an alternate policy (requiring participation, presence, and availability of a physician licensed to practice medicine in all its branches) shall be developed by the medical staff consulting committee in consultation with the anesthesia service and included in the medical staff consulting committee policies.

(C) A certified registered nurse anesthetist is not required to possess prescriptive authority or a written collaborative agreement meeting the requirements of Section 65-35 of the Nurse Practice Act to provide anesthesia services ordered by a licensed

physician, dentist, or podiatric physician. Licensed certified registered nurse anesthetists are authorized to select, order, and administer drugs and apply the appropriate medical devices in the provision of anesthesia services under the anesthesia plan agreed with by the anesthesiologist or, in the absence of an available anesthesiologist with clinical privileges, agreed with by the operating physician, operating dentist, or operating podiatric physician in accordance with the medical staff consulting committee policies of a licensed ambulatory surgical treatment center.

Section 275. The Abused and Neglected Long Term Care Facility Residents Reporting Act is amended by changing Section 6 as follows:

(210 ILCS 30/6) (from Ch. 111 1/2, par. 4166)

Sec. 6. All reports of suspected abuse or neglect made under this Act shall be made immediately by telephone to the Department's central register established under Section 14 on the single, State-wide, toll-free telephone number established under Section 13, or in person or by telephone through the nearest Department office. No long term care facility administrator, agent or employee, or any other person, shall

screen reports or otherwise withhold any reports from the Department, and no long term care facility, department of State government, or other agency shall establish any rules, criteria, standards or guidelines to the contrary. Every long term care facility, department of State government and other agency whose employees are required to make or cause to be made reports under Section 4 shall notify its employees of the provisions of that Section and of this Section, and provide to the Department documentation that such notification has been given. The Department of Human Services shall train all of its mental health and developmental disabilities employees in the detection and reporting of suspected abuse and neglect of residents. Reports made to the central register through the State-wide, toll-free telephone number shall be transmitted to appropriate Department offices and municipal health departments that have responsibility for licensing long term care facilities under the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act. All reports received through offices of the Department shall be forwarded to the central register, in a manner and form described by the Department. The Department shall be capable of receiving reports of suspected abuse and neglect 24 hours a day, 7 days a week. Reports shall also be made in writing deposited in the U.S. mail, postage prepaid, within 24 hours after having reasonable cause to believe that the condition of the resident

resulted from abuse or neglect. Such reports may in addition be made to the local law enforcement agency in the same manner. However, in the event a report is made to the local law enforcement agency, the reporter also shall immediately so inform the Department. The Department shall initiate an investigation of each report of resident abuse and neglect under this Act, whether oral or written, as provided for in Section 3-702 of the Nursing Home Care Act, Section 2-208 of the Specialized Mental Health Rehabilitation Act of 2013, Section 3-702 of the ID/DD Community Care Act, or Section 3-702 of the MC/DD Act, except that reports of abuse which indicate that a resident's life or safety is in imminent danger shall be investigated within 24 hours of such report. The Department may delegate to law enforcement officials or other public agencies the duty to perform such investigation.

With respect to investigations of reports of suspected abuse or neglect of residents of mental health and developmental disabilities institutions under the jurisdiction of the Department of Human Services, the Department shall transmit copies of such reports to the Department of State Police, the Department of Human Services, and the Inspector General appointed under Section 1-17 of the Department of Human Services Act. If the Department receives a report of suspected abuse or neglect of a recipient of services as defined in Section 1-123 of the Mental Health and Developmental Disabilities Code, the Department shall transmit copies of such

report to the Inspector General and the Directors of the Guardianship and Advocacy Commission and the agency designated by the Governor pursuant to the Protection and Advocacy for Persons with Developmental Disabilities Act. When requested by the Director of the Guardianship and Advocacy Commission, the agency designated by the Governor pursuant to the Protection and Advocacy for Persons with Developmental Disabilities Act, or the Department of Financial and Professional Regulation, the Department, the Department of Human Services and the Department of State Police shall make available a copy of the final investigative report regarding investigations conducted by their respective agencies on incidents of suspected abuse or neglect of residents of mental health and developmental disabilities institutions or individuals receiving services at community agencies under the jurisdiction of the Department of Human Services. Such final investigative report shall not contain witness statements, investigation notes, draft summaries, results of lie detector tests, investigative files or other raw data which was used to compile the final investigative report. Specifically, the final investigative report of the Department of State Police shall mean the Director's final transmittal letter. The Department of Human Services shall also make available a copy of the results of disciplinary proceedings of employees involved in incidents of abuse or neglect to the Directors. All identifiable information in reports provided shall not be further disclosed except as

provided by the Mental Health and Developmental Disabilities Confidentiality Act. Nothing in this Section is intended to limit or construe the power or authority granted to the agency designated by the Governor pursuant to the Protection and Advocacy for Persons with Developmental Disabilities Act, pursuant to any other State or federal statute.

With respect to investigations of reported resident abuse or neglect, the Department shall effect with appropriate law enforcement agencies formal agreements concerning methods and procedures for the conduct of investigations into the criminal histories of any administrator, staff assistant or employee of the nursing home or other person responsible for the residents care, as well as for other residents in the nursing home who may be in a position to abuse, neglect or exploit the patient. Pursuant to the formal agreements entered into with appropriate law enforcement agencies, the Department may request information with respect to whether the person or persons set forth in this paragraph have ever been charged with a crime and if so, the disposition of those charges. Unless the criminal histories of the subjects involved crimes of violence or resident abuse or neglect, the Department shall be entitled only to information limited in scope to charges and their dispositions. In cases where prior crimes of violence or resident abuse or neglect are involved, a more detailed report can be made available to authorized representatives of the Department, pursuant to the agreements entered into with

appropriate law enforcement agencies. Any criminal charges and their disposition information obtained by the Department shall be confidential and may not be transmitted outside the Department, except as required herein, to authorized representatives or delegates of the Department, and may not be transmitted to anyone within the Department who is not duly authorized to handle resident abuse or neglect investigations.

The Department shall effect formal agreements with appropriate law enforcement agencies in the various counties and communities to encourage cooperation and coordination in the handling of resident abuse or neglect cases pursuant to this Act. The Department shall adopt and implement methods and procedures to promote statewide uniformity in the handling of reports of abuse and neglect under this Act, and those methods and procedures shall be adhered to by personnel of the Department involved in such investigations and reporting. The Department shall also make information required by this Act available to authorized personnel within the Department, as well as its authorized representatives.

The Department shall keep a continuing record of all reports made pursuant to this Act, including indications of the final determination of any investigation and the final disposition of all reports.

The Department shall report annually to the General Assembly on the incidence of abuse and neglect of long term care facility residents, with special attention to residents

who are persons with mental disabilities. The report shall include but not be limited to data on the number and source of reports of suspected abuse or neglect filed under this Act, the nature of any injuries to residents, the final determination of investigations, the type and number of cases where abuse or neglect is determined to exist, and the final disposition of cases.

(210 ILCS 45/2-201.5)

Sec. 2-201.5. Screening prior to admission.

(a) All persons age 18 or older seeking admission to a nursing facility must be screened to determine the need for nursing facility services prior to being admitted, regardless of income, assets, or funding source. Screening for nursing facility services shall be administered through procedures established by administrative rule. Screening may be done by agencies other than the Department as established by administrative rule. This Section applies on and after July 1, 1996. No later than October 1, 2010, the Department of Healthcare and Family Services, in collaboration with the Department on Aging, the Department of Human Services, and the Department of Public Health, shall file administrative rules providing for the gathering, during the screening process, of information relevant to determining each person's potential for placing other residents, employees, and visitors at risk of harm.

(a-1) Any screening performed pursuant to subsection (a) of this Section shall include a determination of whether any person is being considered for admission to a nursing facility due to a need for mental health services. For a person who needs mental health services, the screening shall also include

an evaluation of whether there is permanent supportive housing, or an array of community mental health services, including but not limited to supported housing, assertive community treatment, and peer support services, that would enable the person to live in the community. The person shall be told about the existence of any such services that would enable the person to live safely and humanely and about available appropriate nursing home services that would enable the person to live safely and humanely, and the person shall be given the assistance necessary to avail himself or herself of any available services.

(a-2) Pre-screening for persons with a serious mental illness shall be performed by a psychiatrist, a psychologist, a registered nurse certified in psychiatric nursing, a licensed clinical professional counselor, or a licensed clinical social worker, who is competent to (i) perform a clinical assessment of the individual, (ii) certify a diagnosis, (iii) make a determination about the individual's current need for treatment, including substance abuse treatment, and recommend specific treatment, and (iv) determine whether a facility or a community-based program is able to meet the needs of the individual.

For any person entering a nursing facility, the pre-screening agent shall make specific recommendations about what care and services the individual needs to receive, beginning at admission, to attain or maintain the individual's

highest level of independent functioning and to live in the most integrated setting appropriate for his or her physical and personal care and developmental and mental health needs. These recommendations shall be revised as appropriate by the pre-screening or re-screening agent based on the results of resident review and in response to changes in the resident's wishes, needs, and interest in transition.

Upon the person entering the nursing facility, the Department of Human Services or its designee shall assist the person in establishing a relationship with a community mental health agency or other appropriate agencies in order to (i) promote the person's transition to independent living and (ii) support the person's progress in meeting individual goals.

(a-3) The Department of Human Services, by rule, shall provide for a prohibition on conflicts of interest for pre-admission screeners. The rule shall provide for waiver of those conflicts by the Department of Human Services if the Department of Human Services determines that a scarcity of qualified pre-admission screeners exists in a given community and that, absent a waiver of conflicts, an insufficient number of pre-admission screeners would be available. If a conflict is waived, the pre-admission screener shall disclose the conflict of interest to the screened individual in the manner provided for by rule of the Department of Human Services. For the purposes of this subsection, a "conflict of interest" includes, but is not limited to, the existence of a professional or

financial relationship between (i) a PAS-MH corporate or a PAS-MH agent and (ii) a community provider or long-term care facility.

(b) In addition to the screening required by subsection (a), a facility, except for those licensed under the MC/DD Act, shall, within 24 hours after admission, request a criminal history background check pursuant to the Illinois Uniform Conviction Information Act for all persons age 18 or older seeking admission to the facility, unless (i) a background check was initiated by a hospital pursuant to subsection (d) of Section 6.09 of the Hospital Licensing Act or a pre-admission background check was conducted by the Department of Veterans' Affairs 30 days prior to admittance into an Illinois Veterans Home; (ii) the transferring resident is immobile; or (iii) the transferring resident is moving into hospice. The exemption provided in item (ii) or (iii) of this subsection (b) shall apply only if a background check was completed by the facility the resident resided at prior to seeking admission to the facility and the resident was transferred to the facility with no time passing during which the resident was not institutionalized. If item (ii) or (iii) of this subsection (b) applies, the prior facility shall provide a copy of its background check of the resident and all supporting documentation, including, when applicable, the criminal history report and the security assessment, to the facility to which the resident is being transferred. Background checks

conducted pursuant to this Section shall be based on the resident's name, date of birth, and other identifiers as required by the Department of State Police. If the results of the background check are inconclusive, the facility shall initiate a fingerprint-based check, unless the fingerprint check is waived by the Director of Public Health based on verification by the facility that the resident is completely immobile or that the resident meets other criteria related to the resident's health or lack of potential risk which may be established by Departmental rule. A waiver issued pursuant to this Section shall be valid only while the resident is immobile or while the criteria supporting the waiver exist. The facility shall provide for or arrange for any required fingerprint-based checks to be taken on the premises of the facility. If a fingerprint-based check is required, the facility shall arrange for it to be conducted in a manner that is respectful of the resident's dignity and that minimizes any emotional or physical hardship to the resident.

(c) If the results of a resident's criminal history background check reveal that the resident is an identified offender as defined in Section 1-114.01, the facility shall do the following:

(1) Immediately notify the Department of State Police, in the form and manner required by the Department of State Police, in collaboration with the Department of Public Health, that the resident is an identified offender.

(2) Within 72 hours, arrange for a fingerprint-based criminal history record inquiry to be requested on the identified offender resident. The inquiry shall be based on the subject's name, sex, race, date of birth, fingerprint images, and other identifiers required by the Department of State Police. The inquiry shall be processed through the files of the Department of State Police and the Federal Bureau of Investigation to locate any criminal history record information that may exist regarding the subject. The Federal Bureau of Investigation shall furnish to the Department of State Police, pursuant to an inquiry under this paragraph (2), any criminal history record information contained in its files.

The facility shall comply with all applicable provisions contained in the Illinois Uniform Conviction Information Act.

All name-based and fingerprint-based criminal history record inquiries shall be submitted to the Department of State Police electronically in the form and manner prescribed by the Department of State Police. The Department of State Police may charge the facility a fee for processing name-based and fingerprint-based criminal history record inquiries. The fee shall be deposited into the State Police Services Fund. The fee shall not exceed the actual cost of processing the inquiry.

(d) (Blank).

(e) The Department shall develop and maintain a de-identified database of residents who have injured facility

staff, facility visitors, or other residents, and the attendant circumstances, solely for the purposes of evaluating and improving resident pre-screening and assessment procedures (including the Criminal History Report prepared under Section 2-201.6) and the adequacy of Department requirements concerning the provision of care and services to residents. A resident shall not be listed in the database until a Department survey confirms the accuracy of the listing. The names of persons listed in the database and information that would allow them to be individually identified shall not be made public. Neither the Department nor any other agency of State government may use information in the database to take any action against any individual, licensee, or other entity, unless the Department or agency receives the information independent of this subsection (e). All information collected, maintained, or developed under the authority of this subsection (e) for the purposes of the database maintained under this subsection (e) shall be treated in the same manner as information that is subject to Part 21 of Article VIII of the Code of Civil Procedure.

(210 ILCS 45/3-702) (from Ch. 111 1/2, par. 4153-702)

Sec. 3-702. (a) A person who believes that this Act or a rule promulgated under this Act may have been violated may

request an investigation. The request may be submitted to the Department in writing, by telephone, by electronic means, or by personal visit. An oral complaint shall be reduced to writing by the Department. The Department shall make available, through its website and upon request, information regarding the oral and phone intake processes and the list of questions that will be asked of the complainant. The Department shall request information identifying the complainant, including the name, address and telephone number, to help enable appropriate follow-up. The Department shall act on such complaints via on-site visits or other methods deemed appropriate to handle the complaints with or without such identifying information, as otherwise provided under this Section. The complainant shall be informed that compliance with such request is not required to satisfy the procedures for filing a complaint under this Act. The Department must notify complainants that complaints with less information provided are far more difficult to respond to and investigate.

(b) The substance of the complaint shall be provided in writing to the licensee, owner, or administrator no earlier than at the commencement of an on-site inspection of the facility which takes place pursuant to the complaint.

(c) The Department shall not disclose the name of the complainant unless the complainant consents in writing to the disclosure or the investigation results in a judicial proceeding, or unless disclosure is essential to the

investigation. The complainant shall be given the opportunity to withdraw the complaint before disclosure. Upon the request of the complainant, the Department may permit the complainant or a representative of the complainant to accompany the person making the on-site inspection of the facility.

(d) Upon receipt of a complaint, the Department shall determine whether this Act or a rule promulgated under this Act has been or is being violated. The Department shall investigate all complaints alleging abuse or neglect within 7 days after the receipt of the complaint except that complaints of abuse or neglect which indicate that a resident's life or safety is in imminent danger shall be investigated within 24 hours after receipt of the complaint. All other complaints shall be investigated within 30 days after the receipt of the complaint. The Department employees investigating a complaint shall conduct a brief, informal exit conference with the facility to alert its administration of any suspected serious deficiency that poses a direct threat to the health, safety or welfare of a resident to enable an immediate correction for the alleviation or elimination of such threat. Such information and findings discussed in the brief exit conference shall become a part of the investigating record but shall not in any way constitute an official or final notice of violation as provided under Section 3-301. All complaints shall be classified as "an invalid report", "a valid report", or "an undetermined report". For any complaint classified as "a valid report", the

Department must determine within 30 working days if any rule or provision of this Act has been or is being violated.

(d-1) The Department shall, whenever possible, combine an on-site investigation of a complaint in a facility with other inspections in order to avoid duplication of inspections.

(e) In all cases, the Department shall inform the complainant of its findings within 10 days of its determination unless otherwise indicated by the complainant, and the complainant may direct the Department to send a copy of such findings to another person. The Department's findings may include comments or documentation provided by either the complainant or the licensee pertaining to the complaint. The Department shall also notify the facility of such findings within 10 days of the determination, but the name of the complainant or residents shall not be disclosed in this notice to the facility. The notice of such findings shall include a copy of the written determination; the correction order, if any; the warning notice, if any; the inspection report; or the State licensure form on which the violation is listed.

(f) A written determination, correction order, or warning notice concerning a complaint, together with the facility's response, shall be available for public inspection, but the name of the complainant or resident shall not be disclosed without his consent.

(g) A complainant who is dissatisfied with the determination or investigation by the Department may request a

hearing under Section 3-703. The facility shall be given notice of any such hearing and may participate in the hearing as a party. If a facility requests a hearing under Section 3-703 which concerns a matter covered by a complaint, the complainant shall be given notice and may participate in the hearing as a party. A request for a hearing by either a complainant or a facility shall be submitted in writing to the Department within 30 days after the mailing of the Department's findings as described in subsection (e) of this Section. Upon receipt of the request the Department shall conduct a hearing as provided under Section 3-703.

(g-5) The Department shall conduct an annual review and make a report concerning the complaint process that includes the number of complaints received, the breakdown of anonymous and non-anonymous complaints and whether the complaints were substantiated or not, the total number of substantiated complaints, and any other complaint information requested by the Long-Term Care Facility Advisory Board created under Section 2-204 of this Act or the Illinois Long-Term Care Council created under Section 4.04a of the Illinois Act on the Aging. This report shall be provided to the Long-Term Care Facility Advisory Board and the Illinois Long-Term Care Council. The Long-Term Care Facility Advisory Board and the Illinois Long-Term Care Council shall review the report and suggest any changes deemed necessary to the Department for review and action, including how to investigate and

substantiate anonymous complaints.

(h) Any person who knowingly transmits a false report to the Department commits the offense of disorderly conduct under subsection (a) (8) of Section 26-1 of the Criminal Code of 2012. (Source: P.A. 97-1150, eff. 1-25-13; 98-988, eff. 8-18-14; revised 10-9-15.)

Section 285. The MC/DD Act is amended by changing Section 2-104.2 as follows:

(210 ILCS 46/2-104.2)

Sec. 2-104.2. Do Not Resuscitate Orders. Every facility licensed under this Act shall establish a policy for the implementation of physician orders limiting resuscitation such as those commonly referred to as "Do Not Resuscitate" orders. This policy may only prescribe the format, method of documentation and duration of any physician orders limiting resuscitation. Any orders under this policy shall be honored by the facility. The Department of Public Health Uniform POLST ~~DNR/POLST~~ form or a copy of that form or a previous version of the uniform form shall be honored by the facility.

(Source: P.A. 99-180, eff. 7-29-15; revised 10-13-15.)

Section 290. The ID/DD Community Care Act is amended by changing Sections 1-101.05 and 1-113 as follows:

(210 ILCS 47/1-101.05)

Sec. 1-101.05. Prior law.

(a) This Act provides for licensure of intermediate care facilities for persons with developmental disabilities under this Act instead of under the Nursing Home Care Act. On and after July 1, 2010 (the effective date of this Act), those facilities shall be governed by this Act instead of the Nursing Home Care Act.

On and after July 29, 2015 (the effective date of Public Act 99-180) ~~this amendatory Act of the 99th General Assembly,~~ long-term care for under age 22 facilities shall be known as medically complex for the developmentally disabled facilities and governed by the MC/DD Act instead of this Act.

(b) If any other Act of the General Assembly changes, adds, or repeals a provision of the Nursing Home Care Act that is the same as or substantially similar to a provision of this Act, then that change, addition, or repeal in the Nursing Home Care Act shall be construed together with this Act until July 1, 2010 and not thereafter.

(c) Nothing in this Act affects the validity or effect of any finding, decision, or action made or taken by the Department or the Director under the Nursing Home Care Act before July 1, 2010 (the effective date of this Act) with respect to a facility subject to licensure under this Act. That finding, decision, or action shall continue to apply to the facility on and after July 1, 2010 (the effective date of this

Act). Any finding, decision, or action with respect to the facility made or taken on or after July 1, 2010 (the effective date of this Act) shall be made or taken as provided in this Act.

Sec. 6.09. (a) In order to facilitate the orderly transition of aged patients and patients with disabilities from hospitals to post-hospital care, whenever a patient who qualifies for the federal Medicare program is hospitalized, the patient shall be notified of discharge at least 24 hours prior to discharge from the hospital. With regard to pending discharges to a skilled nursing facility, the hospital must notify the case coordination unit, as defined in 89 Ill. Adm. Code 240.260, at least 24 hours prior to discharge. When the

assessment is completed in the hospital, the case coordination unit shall provide the discharge planner with a copy of the prescreening information and accompanying materials, which the discharge planner shall transmit when the patient is discharged to a skilled nursing facility. If home health services are ordered, the hospital must inform its designated case coordination unit, as defined in 89 Ill. Adm. Code 240.260, of the pending discharge and must provide the patient with the case coordination unit's telephone number and other contact information.

(b) Every hospital shall develop procedures for a physician with medical staff privileges at the hospital or any appropriate medical staff member to provide the discharge notice prescribed in subsection (a) of this Section. The procedures must include prohibitions against discharging or referring a patient to any of the following if unlicensed, uncertified, or unregistered: (i) a board and care facility, as defined in the Board and Care Home Act; (ii) an assisted living and shared housing establishment, as defined in the Assisted Living and Shared Housing Act; (iii) a facility licensed under the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act; (iv) a supportive living facility, as defined in Section 5-5.01a of the Illinois Public Aid Code; or (v) a free-standing hospice facility licensed under the Hospice Program Licensing Act if licensure, certification, or

registration is required. The Department of Public Health shall annually provide hospitals with a list of licensed, certified, or registered board and care facilities, assisted living and shared housing establishments, nursing homes, supportive living facilities, facilities licensed under the ID/DD Community Care Act, the MC/DD Act, or the Specialized Mental Health Rehabilitation Act of 2013, and hospice facilities. Reliance upon this list by a hospital shall satisfy compliance with this requirement. The procedure may also include a waiver for any case in which a discharge notice is not feasible due to a short length of stay in the hospital by the patient, or for any case in which the patient voluntarily desires to leave the hospital before the expiration of the 24 hour period.

(c) At least 24 hours prior to discharge from the hospital, the patient shall receive written information on the patient's right to appeal the discharge pursuant to the federal Medicare program, including the steps to follow to appeal the discharge and the appropriate telephone number to call in case the patient intends to appeal the discharge.

(d) Before transfer of a patient to a long term care facility licensed under the Nursing Home Care Act where elderly persons reside, a hospital shall as soon as practicable initiate a name-based criminal history background check by electronic submission to the Department of State Police for all persons between the ages of 18 and 70 years; provided, however, that a hospital shall be required to initiate such a background

check only with respect to patients who:

(1) are transferring to a long term care facility for the first time;

(2) have been in the hospital more than 5 days;

(3) are reasonably expected to remain at the long term care facility for more than 30 days;

(4) have a known history of serious mental illness or substance abuse; and

(5) are independently ambulatory or mobile for more than a temporary period of time.

A hospital may also request a criminal history background check for a patient who does not meet any of the criteria set forth in items (1) through (5).

A hospital shall notify a long term care facility if the hospital has initiated a criminal history background check on a patient being discharged to that facility. In all circumstances in which the hospital is required by this subsection to initiate the criminal history background check, the transfer to the long term care facility may proceed regardless of the availability of criminal history results. Upon receipt of the results, the hospital shall promptly forward the results to the appropriate long term care facility. If the results of the background check are inconclusive, the hospital shall have no additional duty or obligation to seek additional information from, or about, the patient.

(210 ILCS 85/10.2) (from Ch. 111 1/2, par. 151.2)

Sec. 10.2. Because the candid and conscientious evaluation of clinical practices is essential to the provision of adequate hospital care, it is the policy of this State to encourage peer review by health care providers. Therefore, no hospital and no individual who is a member, agent, or employee of a hospital, hospital medical staff, hospital administrative staff, or hospital governing board shall be liable for civil damages as a result of the acts, omissions, decisions, or any other conduct, except those involving wilful or wanton misconduct, of a medical utilization committee, medical review committee, patient care audit committee, medical care evaluation committee, quality review committee, credential committee, peer review committee, or any other committee or individual whose purpose, directly or indirectly, is internal quality control or medical study to reduce morbidity or mortality, or for improving patient care within a hospital, or the improving or benefiting of patient care and treatment, whether within a hospital or not, or for the purpose of professional discipline including institution of a summary suspension in accordance with Section 10.4 of this Act and the medical staff bylaws. Nothing in this Section shall relieve any individual or hospital from liability arising from treatment of a patient. ~~Any individual or hospital from liability arising from~~

~~treatment of a patient.~~ For the purposes of this Section, "wilful and wanton misconduct" means a course of action that shows actual or deliberate intention to harm or that, if not intentional, shows an utter indifference to or conscious disregard for a person's own safety and the safety of others.

(210 ILCS 85/10.7)

Sec. 10.7. Clinical privileges; advanced practice nurses. All hospitals licensed under this Act shall comply with the following requirements:

(1) No hospital policy, rule, regulation, or practice shall be inconsistent with the provision of adequate collaboration and consultation in accordance with Section 54.5 of the Medical Practice Act of 1987.

(2) Operative surgical procedures shall be performed only by a physician licensed to practice medicine in all its branches under the Medical Practice Act of 1987, a dentist licensed under the Illinois Dental Practice Act, or a podiatric physician licensed under the Podiatric Medical Practice Act of 1987, with medical staff membership and surgical clinical privileges granted at the hospital. A licensed physician, dentist, or podiatric physician may be assisted by a physician licensed to practice medicine in all its branches, dentist, dental assistant, podiatric physician, licensed advanced practice nurse, licensed

physician assistant, licensed registered nurse, licensed practical nurse, surgical assistant, surgical technician, or other individuals granted clinical privileges to assist in surgery at the hospital. Payment for services rendered by an assistant in surgery who is not a hospital employee shall be paid at the appropriate non-physician modifier rate if the payor would have made payment had the same services been provided by a physician.

(2.5) A registered nurse licensed under the Nurse Practice Act and qualified by training and experience in operating room nursing shall be present in the operating room and function as the circulating nurse during all invasive or operative procedures. For purposes of this paragraph (2.5), "circulating nurse" means a registered nurse who is responsible for coordinating all nursing care, patient safety needs, and the needs of the surgical team in the operating room during an invasive or operative procedure.

(3) An advanced practice nurse is not required to possess prescriptive authority or a written collaborative agreement meeting the requirements of the Nurse Practice Act to provide advanced practice nursing services in a hospital. An advanced practice nurse must possess clinical privileges recommended by the medical staff and granted by the hospital in order to provide services. Individual advanced practice nurses may also be granted clinical

privileges to order, select, and administer medications, including controlled substances, to provide delineated care. The attending physician must determine the advanced ~~advance~~ practice nurse's role in providing care for his or her patients, except as otherwise provided in medical staff bylaws. The medical staff shall periodically review the services of advanced practice nurses granted privileges. This review shall be conducted in accordance with item (2) of subsection (a) of Section 10.8 of this Act for advanced practice nurses employed by the hospital.

(4) The anesthesia service shall be under the direction of a physician licensed to practice medicine in all its branches who has had specialized preparation or experience in the area or who has completed a residency in anesthesiology. An anesthesiologist, Board certified or Board eligible, is recommended. Anesthesia services may only be administered pursuant to the order of a physician licensed to practice medicine in all its branches, licensed dentist, or licensed podiatric physician.

(A) The individuals who, with clinical privileges granted at the hospital, may administer anesthesia services are limited to the following:

- (i) an anesthesiologist; or
- (ii) a physician licensed to practice medicine in all its branches; or
- (iii) a dentist with authority to administer

anesthesia under Section 8.1 of the Illinois Dental Practice Act; or

(iv) a licensed certified registered nurse anesthetist; or

(v) a podiatric physician licensed under the Podiatric Medical Practice Act of 1987.

(B) For anesthesia services, an anesthesiologist shall participate through discussion of and agreement with the anesthesia plan and shall remain physically present and be available on the premises during the delivery of anesthesia services for diagnosis, consultation, and treatment of emergency medical conditions. In the absence of 24-hour availability of anesthesiologists with medical staff privileges, an alternate policy (requiring participation, presence, and availability of a physician licensed to practice medicine in all its branches) shall be developed by the medical staff and licensed hospital in consultation with the anesthesia service.

(C) A certified registered nurse anesthetist is not required to possess prescriptive authority or a written collaborative agreement meeting the requirements of Section 65-35 of the Nurse Practice Act to provide anesthesia services ordered by a licensed physician, dentist, or podiatric physician. Licensed certified registered nurse anesthetists are authorized

to select, order, and administer drugs and apply the appropriate medical devices in the provision of anesthesia services under the anesthesia plan agreed with by the anesthesiologist or, in the absence of an available anesthesiologist with clinical privileges, agreed with by the operating physician, operating dentist, or operating podiatric physician in accordance with the hospital's alternative policy.

Section 310. The Illinois Insurance Code is amended by changing Sections 131.4, 143a, 147.1, 356g, 356z.2, 460, 512.59, 902, and 1202 as follows:

(215 ILCS 5/131.4) (from Ch. 73, par. 743.4)

Sec. 131.4. Acquisition of control of or merger with domestic company.

(a) No person other than the issuer may make a tender for or a request or invitation for tenders of, or enter into an agreement to exchange securities for, or seek to acquire or acquire shareholders' proxies to vote or seek to acquire or acquire in the open market, or otherwise, any voting security of a domestic company or acquire policyholders' proxies of a domestic company or any entity that controls a domestic company, for consideration if, after the consummation thereof, that person would, directly or indirectly, (or by conversion or by exercise of any right to acquire) be in control of the company, and no person may enter into an agreement to merge or consolidate with or otherwise to acquire control of a domestic company, unless the offer, request, invitation, or agreement is conditioned on receiving the approval of the Director based on

Section 131.8 of this Article and no such acquisition of control or a merger with a domestic company may be consummated unless the person has filed with the Director and has sent to the company a statement containing the information required by Section 131.5 and the Director has approved the transaction or granted an exemption. Prior to the acquisition, the Director may conclude that a statement need not be filed by the acquiring party if the acquiring party demonstrates to the satisfaction of the Director that:

(1) such transaction will not result in the change of control of the domestic company; or

(2) (blank);

(3) the acquisition of, or attempt to acquire control of, such other person is subject to requirements in the jurisdiction of its domicile which are substantially similar to those contained in this Section and Sections 131.5 through 131.12; or

(4) the control of the policyholders' proxies is being acquired solely by virtue of the holders official office and not as the result of any agreement or for any consideration.

The purpose of this Section is to afford to the Director the opportunity to review acquisitions in order to determine whether or not the acquisition would be adverse to the interests of the existing and future policyholders of the company.

(b) For purposes of this Section, any controlling person of a domestic company seeking to divest its controlling interest in the domestic company in any manner shall file with the Director, with a copy to the company, confidential notice of its proposed divestiture at least 30 days prior to the cessation of control. The Director shall determine those instances in which the party or parties seeking to divest or to acquire a controlling interest in a company shall be required to file for and obtain approval of the transaction. The information shall remain confidential until the conclusion of the transaction unless the Director, in his or her discretion, determines that confidential treatment shall interfere with enforcement of this Section. If the statement referred to in subsection (a) of this Section is otherwise filed in connection with the proposed divestiture ~~divesture~~ or related acquisition, this subsection (b) shall not apply.

(c) For purposes of this Section, a domestic company shall include any person controlling a domestic company unless the person, as determined by the Director, is either directly or through its affiliates primarily engaged in business other than the business of insurance. (215 ILCS 5/143a) (from Ch. 73, par. 755a)

Sec. 143a. Uninsured and hit and run motor vehicle coverage.

(1) No policy insuring against loss resulting from liability imposed by law for bodily injury or death suffered by any person arising out of the ownership, maintenance or use of a motor vehicle that is designed for use on public highways and that is either required to be registered in this State or is principally garaged in this State shall be renewed, delivered, or issued for delivery in this State unless coverage is provided therein or supplemental thereto, in limits for bodily injury or death set forth in Section 7-203 of the Illinois Vehicle Code for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles and hit-and-run motor vehicles because of bodily injury, sickness or disease, including death, resulting therefrom. Uninsured motor vehicle coverage does not apply to bodily injury, sickness, disease, or death resulting therefrom, of an insured while occupying a motor vehicle owned by, or furnished or available for the regular use of the insured, a resident spouse or resident relative, if that motor vehicle is not described in the policy under which a claim is made or is not a newly acquired or replacement motor vehicle covered under the terms of the policy. The limits for any coverage for any vehicle under the

policy may not be aggregated with the limits for any similar coverage, whether provided by the same insurer or another insurer, applying to other motor vehicles, for purposes of determining the total limit of insurance coverage available for bodily injury or death suffered by a person in any one accident. No policy shall be renewed, delivered, or issued for delivery in this State unless it is provided therein that any dispute with respect to the coverage and the amount of damages shall be submitted for arbitration to the American Arbitration Association and be subject to its rules for the conduct of arbitration hearings as to all matters except medical opinions. As to medical opinions, if the amount of damages being sought is equal to or less than the amount provided for in Section 7-203 of the Illinois Vehicle Code, then the current American Arbitration Association Rules shall apply. If the amount being sought in an American Arbitration Association case exceeds that amount as set forth in Section 7-203 of the Illinois Vehicle Code, then the Rules of Evidence that apply in the circuit court for placing medical opinions into evidence shall govern. Alternatively, disputes with respect to damages and the coverage shall be determined in the following manner: Upon the insured requesting arbitration, each party to the dispute shall select an arbitrator and the 2 arbitrators so named shall select a third arbitrator. If such arbitrators are not selected within 45 days from such request, either party may request that the arbitration be submitted to the American Arbitration

Association. Any decision made by the arbitrators shall be binding for the amount of damages not exceeding \$75,000 for bodily injury to or death of any one person, \$150,000 for bodily injury to or death of 2 or more persons in any one motor vehicle accident, or the corresponding policy limits for bodily injury or death, whichever is less. All 3-person arbitration cases proceeding in accordance with any uninsured motorist coverage conducted in this State in which the claimant is only seeking monetary damages up to the limits set forth in Section 7-203 of the Illinois Vehicle Code shall be subject to the following rules:

(A) If at least 60 days' written notice of the intention to offer the following documents in evidence is given to every other party, accompanied by a copy of the document, a party may offer in evidence, without foundation or other proof:

(1) bills, records, and reports of hospitals, doctors, dentists, registered nurses, licensed practical nurses, physical therapists, and other healthcare providers;

(2) bills for drugs, medical appliances, and prostheses;

(3) property repair bills or estimates, when identified and itemized setting forth the charges for labor and material used or proposed for use in the repair of the property;

(4) a report of the rate of earnings and time lost from work or lost compensation prepared by an employer;

(5) the written opinion of an opinion witness, the deposition of a witness, and the statement of a witness that the witness would be allowed to express if testifying in person, if the opinion or statement is made by affidavit or by certification as provided in Section 1-109 of the Code of Civil Procedure;

(6) any other document not specifically covered by any of the foregoing provisions that is otherwise admissible under the rules of evidence.

Any party receiving a notice under this paragraph (A) may apply to the arbitrator or panel of arbitrators, as the case may be, for the issuance of a subpoena directed to the author or maker or custodian of the document that is the subject of the notice, requiring the person subpoenaed to produce copies of any additional documents as may be related to the subject matter of the document that is the subject of the notice. Any such subpoena shall be issued in substantially similar form and served by notice as provided by Illinois Supreme Court Rule 204(a)(4). Any such subpoena shall be returnable not less than 5 days before the arbitration hearing.

(B) Notwithstanding the provisions of Supreme Court Rule 213(g), a party who proposes to use a written opinion of an expert or opinion witness or the testimony of an

expert or opinion witness at the hearing may do so provided a written notice of that intention is given to every other party not less than 60 days prior to the date of hearing, accompanied by a statement containing the identity of the witness, his or her qualifications, the subject matter, the basis of the witness's conclusions, and his or her opinion.

(C) Any other party may subpoena the author or maker of a document admissible under this subsection, at that party's expense, and examine the author or maker as if under cross-examination. The provisions of Section 2-1101 of the Code of Civil Procedure shall be applicable to arbitration hearings, and it shall be the duty of a party requesting the subpoena to modify the form to show that the appearance is set before an arbitration panel and to give the time and place set for the hearing.

(D) The provisions of Section 2-1102 of the Code of Civil Procedure shall be applicable to arbitration hearings under this subsection.

(2) No policy insuring against loss resulting from liability imposed by law for property damage arising out of the ownership, maintenance, or use of a motor vehicle shall be renewed, delivered, or issued for delivery in this State with respect to any private passenger or recreational motor vehicle that is designed for use on public highways and that is either required to be registered in this State or is principally garaged in this State and is not covered by collision insurance

under the provisions of such policy, unless coverage is made available in the amount of the actual cash value of the motor vehicle described in the policy or \$15,000 whichever is less, subject to a \$250 deductible, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles and hit-and-run motor vehicles because of property damage to the motor vehicle described in the policy.

There shall be no liability imposed under the uninsured motorist property damage coverage required by this subsection if the owner or operator of the at-fault uninsured motor vehicle or hit-and-run motor vehicle cannot be identified. This subsection shall not apply to any policy which does not provide primary motor vehicle liability insurance for liabilities arising from the maintenance, operation, or use of a specifically insured motor vehicle.

Each insurance company providing motor vehicle property damage liability insurance shall advise applicants of the availability of uninsured motor vehicle property damage coverage, the premium therefor, and provide a brief description of the coverage. That information need be given only once and shall not be required in any subsequent renewal, reinstatement or reissuance, substitute, amended, replacement or supplementary policy. No written rejection shall be required, and the absence of a premium payment for uninsured motor vehicle property damage shall constitute conclusive proof that

the applicant or policyholder has elected not to accept uninsured motorist property damage coverage.

An insurance company issuing uninsured motor vehicle property damage coverage may provide that:

(i) Property damage losses recoverable thereunder shall be limited to damages caused by the actual physical contact of an uninsured motor vehicle with the insured motor vehicle.

(ii) There shall be no coverage for loss of use of the insured motor vehicle and no coverage for loss or damage to personal property located in the insured motor vehicle.

(iii) Any claim submitted shall include the name and address of the owner of the at-fault uninsured motor vehicle, or a registration number and description of the vehicle, or any other available information to establish that there is no applicable motor vehicle property damage liability insurance.

Any dispute with respect to the coverage and the amount of damages shall be submitted for arbitration to the American Arbitration Association and be subject to its rules for the conduct of arbitration hearings or for determination in the following manner: Upon the insured requesting arbitration, each party to the dispute shall select an arbitrator and the 2 arbitrators so named shall select a third arbitrator. If such arbitrators are not selected within 45 days from such request, either party may request that the arbitration be submitted to

the American Arbitration Association. Any arbitration proceeding under this subsection seeking recovery for property damages shall be subject to the following rules:

(A) If at least 60 days' written notice of the intention to offer the following documents in evidence is given to every other party, accompanied by a copy of the document, a party may offer in evidence, without foundation or other proof:

(1) property repair bills or estimates, when identified and itemized setting forth the charges for labor and material used or proposed for use in the repair of the property;

(2) the written opinion of an opinion witness, the deposition of a witness, and the statement of a witness that the witness would be allowed to express if testifying in person, if the opinion or statement is made by affidavit or by certification as provided in Section 1-109 of the Code of Civil Procedure;

(3) any other document not specifically covered by any of the foregoing provisions that is otherwise admissible under the rules of evidence.

Any party receiving a notice under this paragraph (A) may apply to the arbitrator or panel of arbitrators, as the case may be, for the issuance of a subpoena directed to the author or maker or custodian of the document that is the subject of the notice, requiring the person subpoenaed to

produce copies of any additional documents as may be related to the subject matter of the document that is the subject of the notice. Any such subpoena shall be issued in substantially similar form and served by notice as provided by Illinois Supreme Court Rule 204(a)(4). Any such subpoena shall be returnable not less than 5 days before the arbitration hearing.

(B) Notwithstanding the provisions of Supreme Court Rule 213(g), a party who proposes to use a written opinion of an expert or opinion witness or the testimony of an expert or opinion witness at the hearing may do so provided a written notice of that intention is given to every other party not less than 60 days prior to the date of hearing, accompanied by a statement containing the identity of the witness, his or her qualifications, the subject matter, the basis of the witness's conclusions, and his or her opinion.

(C) Any other party may subpoena the author or maker of a document admissible under this subsection, at that party's expense, and examine the author or maker as if under cross-examination. The provisions of Section 2-1101 of the Code of Civil Procedure shall be applicable to arbitration hearings, and it shall be the duty of a party requesting the subpoena to modify the form to show that the appearance is set before an arbitration panel and to give the time and place set for the hearing.

(D) The provisions of Section 2-1102 of the Code of

Civil Procedure shall be applicable to arbitration hearings under this subsection.

(3) For the purpose of the coverage, the term "uninsured motor vehicle" includes, subject to the terms and conditions of the coverage, a motor vehicle where on, before or after the accident date the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified in the policy because of the entry by a court of competent jurisdiction of an order of rehabilitation or liquidation by reason of insolvency on or after the accident date. An insurer's extension of coverage, as provided in this subsection, shall be applicable to all accidents occurring after July 1, 1967 during a policy period in which its insured's uninsured motor vehicle coverage is in effect. Nothing in this Section may be construed to prevent any insurer from extending coverage under terms and conditions more favorable to its insureds than is required by this Section.

(4) In the event of payment to any person under the coverage required by this Section and subject to the terms and conditions of the coverage, the insurer making the payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of the person against any person or organization legally responsible for the property damage, bodily injury or death for which the payment is made, including the proceeds recoverable from the assets of the insolvent

insurer. With respect to payments made by reason of the coverage described in subsection (3), the insurer making such payment shall not be entitled to any right of recovery against the tortfeasor ~~tort-feasor~~ in excess of the proceeds recovered from the assets of the insolvent insurer of the tortfeasor ~~tort-feasor~~.

(5) This amendatory Act of 1967 (Laws of Illinois 1967, page 875) shall not be construed to terminate or reduce any insurance coverage or any right of any party under this Code in effect before July 1, 1967. Public Act 86-1155 ~~This amendatory Act of 1990~~ shall not be construed to terminate or reduce any insurance coverage or any right of any party under this Code in effect before its effective date.

(6) Failure of the motorist from whom the claimant is legally entitled to recover damages to file the appropriate forms with the Safety Responsibility Section of the Department of Transportation within 120 days of the accident date shall create a rebuttable presumption that the motorist was uninsured at the time of the injurious occurrence.

(7) An insurance carrier may upon good cause require the insured to commence a legal action against the owner or operator of an uninsured motor vehicle before good faith negotiation with the carrier. If the action is commenced at the request of the insurance carrier, the carrier shall pay to the insured, before the action is commenced, all court costs, jury fees and sheriff's fees arising from the action.

The changes made by Public Act 90-451 ~~this amendatory Act of 1997~~ apply to all policies of insurance amended, delivered, issued, or renewed on and after January 1, 1998 (the effective date of Public Act 90-451) ~~this amendatory Act of 1997~~.

(8) The changes made by Public Act 98-927 ~~this amendatory Act of the 98th General Assembly~~ apply to all policies of insurance amended, delivered, issued, or renewed on and after January 1, 2015 (the effective date of Public Act 98-927) ~~this amendatory Act of the 98th General Assembly~~.

Sec. 147.1. Sale of insurance company shares.

(1) No shares of the capital stock of a domestic stock company shall be sold or offered for sale to the public in this State by an issuer, underwriter, dealer or controlling person in respect of such shares without first procuring from the Director a permit so to do.

(2) Unless the context otherwise indicates the following terms as used in this Section shall have the following meanings:

(a) The word "issuer" shall mean every company which shall have issued or proposes to issue any such shares of capital stock.7

(b) The word "underwriter" shall mean any person who

has purchased such shares of capital stock from an issuer or controlling person with a view to, or sells such shares of capital stock for an issuer or a controlling person in connection with, the distribution thereof, or participates or has a participation in the direct or indirect underwriting of such distribution; but such term shall not include a person whose interest is limited to a commission or discount from an underwriter or dealer not in excess of the usual and customary distributor's ~~distributor's~~ or seller's commission or discount or not in excess of any applicable statutory maximum commission or discount. (b) The sale, issuance or exchange by an issuer of its shares to or with its own shareholders, if no commission or other remuneration is paid or given directly or indirectly for or on account of the procuring or soliciting of such sale or exchange (other than a fee paid to underwriters based on their undertaking to purchase any shares not purchased by shareholders in connection with such sale or exchange), or the issuance by an issuer of its shares to a holder of convertible securities pursuant to a conversion provision granted at the time of issuance of such convertible securities, provided that no commission or other remuneration is paid or given directly or indirectly thereon on account of the procuring or soliciting of such conversion and no consideration from the holder in addition to the surrender or cancellation of the convertible security is required to effect the conversion.

(a) Every insurer shall provide in each group or individual policy, contract, or certificate of insurance issued or renewed for persons who are residents of this State, coverage for screening by low-dose mammography for all women 35 years of age or older for the presence of occult breast cancer within the provisions of the policy, contract, or certificate. The coverage shall be as follows:

(1) A baseline mammogram for women 35 to 39 years of age.

(2) An annual mammogram for women 40 years of age or older.

(3) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(4) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates

heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(5) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with radiation exposure delivery of less than 1 rad per breast for 2 views of an average size breast. The term also includes digital mammography.

(a-5) Coverage as described by subsection (a) shall be provided at no cost to the insured and shall not be applied to an annual or lifetime maximum benefit.

(a-10) When health care services are available through contracted providers and a person does not comply with plan provisions specific to the use of contracted providers, the requirements of subsection (a-5) are not applicable. When a person does not comply with plan provisions specific to the use of contracted providers, plan provisions specific to the use of non-contracted providers must be applied without distinction for coverage required by this Section and shall be at least as favorable as for other radiological examinations covered by the policy or contract.

(b) No policy of accident or health insurance that provides for the surgical procedure known as a mastectomy shall be issued, amended, delivered, or renewed in this State unless that coverage also provides for prosthetic devices or reconstructive surgery incident to the mastectomy. Coverage for breast reconstruction in connection with a mastectomy shall include:

(1) reconstruction of the breast upon which the mastectomy has been performed;

(2) surgery and reconstruction of the other breast to produce a symmetrical appearance; and

(3) prostheses and treatment for physical complications at all stages of mastectomy, including lymphedemas.

The offered coverage for prosthetic devices and reconstructive surgery shall be subject to the deductible and coinsurance conditions applied to the mastectomy, and all other terms and conditions applicable to other benefits. When a mastectomy is performed and there is no evidence of malignancy then the offered coverage may be limited to the provision of prosthetic devices and reconstructive surgery to within 2 years after the date of the mastectomy. As used in this Section, "mastectomy" means the removal of all or part of the breast for medically necessary reasons, as determined by a licensed physician.

Written notice of the availability of coverage under this Section shall be delivered to the insured upon enrollment and annually thereafter. An insurer may not deny to an insured eligibility, or continued eligibility, to enroll or to renew coverage under the terms of the plan solely for the purpose of avoiding the requirements of this Section. An insurer may not penalize or reduce or limit the reimbursement of an attending provider or provide incentives (monetary or otherwise) to an attending provider to induce the provider to provide care to an insured in a manner inconsistent with this Section.

(c) Rulemaking authority to implement Public Act 95-1045 ~~this amendatory Act of the 95th General Assembly~~, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

(215 ILCS 5/460) (from Ch. 73, par. 1065.7)

Sec. 460. Competitive market; approval of rates ~~Market,~~  
~~Approval of Rates.~~

(a) Beginning January 1, 1983, a competitive market is presumed to exist unless the Director, after a hearing, determines that a reasonable degree of competition does not exist in the market and the Director issues a ruling to that

effect. For purposes of this Article only, market shall mean the statewide workers' compensation and employers' liability lines of business. In determining whether a reasonable degree of competition exists, the Director shall consider relevant tests of workable competition pertaining to market structure, market performance and market conduct. Such tests may include, but need not be limited to, the following: size and number of firms actively engaged in the market, market shares and changes in market shares of firms, ease of entry and exit from a given market, underwriting restriction, and whether profitability for companies generally in the market is unreasonably high. The determination of competition involves the interaction of the various tests and the weight given to specific tests depends upon the particular situation and pattern of test results.

In determining whether or not a competitive market exists, the Director shall monitor the degree of competition in this State. In doing so, he shall utilize existing relevant information, analytical systems and other sources; cause or participate in the development of new relevant information, analytical systems and other sources; or rely on some combination thereof. Such activities may be conducted internally within the Department of Insurance, in cooperation with other state insurance departments, through outside contractors, or in any other appropriate manner.

(b) If the Director finds that a reasonable degree of competition does not exist in a market, he may require that the

insurers in that market file supporting information in support of existing rates. If the Director believes that such rates may violate any of the requirements of this Article, he shall call a hearing prior to any disapproval. If the Director determines that a competitive market does not exist in the workers' compensation market as provided in a ruling pursuant to this Section, then every company must prefile every manual of classifications, rules, rates, rating plans, rating schedules, and every modification of the foregoing covered by such rule. Such filing shall be made at least 30 days prior to its taking effect, and such prefiling requirement shall remain in effect as long as there is a ruling in effect pursuant to this Section that a reasonable degree of competition does not exist.

(c) The Director shall disapprove a rate if he finds that the rate is excessive, inadequate or unfairly discriminatory as defined in Section 456. An insurer whose rates have been disapproved shall be given a hearing upon a written request made within 30 days after the disapproval order.

If the Director disapproves a rate, he shall issue an order specifying in what respects it fails to meet the requirements of this Article and stating when within a reasonable period thereafter such rate shall be discontinued for any policy issued or renewed after a date specified in the order. The order shall be issued within 30 days after the close of the hearing or within such reasonable time extension as the Director may fix. Such order may include a provision for

premium adjustment for the period after the effective date of the order for policies in effect on such date.

(d) Whenever an insurer has no legally effective rates as a result of the Director's disapproval of rates or other act, the Director shall on request of the insurer specify interim rates for the insurer that are high enough to protect the interest of all parties and may order that a specified portion of the premiums be placed in an escrow account approved by him. When new rates become legally effective, the Director shall order the escrowed funds or any overcharge in the interim rates to be distributed appropriately, except that refunds to policyholders that are de minimis ~~minimus~~ shall not be required.

If the proceeds are not so released to the insured within 30 calendar days, the insured shall provide the Public Insurance Adjuster with a written

explanation of the reason for the delay.

(e) A Public Insurance Adjuster may not propose or attempt to propose to any person that the Public Insurance Adjuster represent that person while a loss-producing occurrence is continuing nor while the fire department or its representatives are engaged at the damaged premises nor between the hours of 7:00 p.m. and 8:00 a.m.→

Section 315. The Public Utilities Act is amended by changing Sections 13-703 and 16-108.5 as follows:

(220 ILCS 5/13-703) (from Ch. 111 2/3, par. 13-703)

(Section scheduled to be repealed on July 1, 2017)

Sec. 13-703. (a) The Commission shall design and implement a program whereby each telecommunications carrier providing local exchange service shall provide a telecommunications device capable of servicing the needs of those persons with a hearing or speech disability together with a single party line, at no charge additional to the basic exchange rate, to any subscriber who is certified as having a hearing or speech disability by a licensed physician, speech-language pathologist, audiologist or a qualified State agency and to any subscriber which is an organization serving the needs of those persons with a hearing or speech disability as determined and specified by the Commission pursuant to subsection (d).

(b) The Commission shall design and implement a program,

whereby each telecommunications carrier providing local exchange service shall provide a telecommunications relay system, using third party intervention to connect those persons having a hearing or speech disability with persons of normal hearing by way of intercommunications devices and the telephone system, making available reasonable access to all phases of public telephone service to persons who have a hearing or speech disability. In order to design a telecommunications relay system which will meet the requirements of those persons with a hearing or speech disability available at a reasonable cost, the Commission shall initiate an investigation and conduct public hearings to determine the most cost-effective method of providing telecommunications relay service to those persons who have a hearing or speech disability when using telecommunications devices and therein solicit the advice, counsel, and physical assistance of Statewide nonprofit consumer organizations that serve persons with hearing or speech disabilities in such hearings and during the development and implementation of the system. The Commission shall phase in this program, on a geographical basis, as soon as is practicable, but no later than June 30, 1990.

(c) The Commission shall establish a competitively neutral rate recovery mechanism that establishes charges in an amount to be determined by the Commission for each line of a subscriber to allow telecommunications carriers providing local exchange service to recover costs as they are incurred

under this Section. Beginning no later than April 1, 2016, and on a yearly basis thereafter, the Commission shall initiate a proceeding to establish the competitively neutral amount to be charged or assessed to subscribers of telecommunications carriers and wireless carriers, Interconnected VoIP service providers, and consumers of prepaid wireless telecommunications service in a manner consistent with this subsection (c) and subsection (f) of this Section. The Commission shall issue its order establishing the competitively neutral amount to be charged or assessed to subscribers of telecommunications carriers and wireless carriers, Interconnected VoIP service providers, and purchasers of prepaid wireless telecommunications service on or prior to June 1 of each year, and such amount shall take effect June 1 of each year.

Telecommunications carriers, wireless carriers, Interconnected VoIP service providers, and sellers of prepaid wireless telecommunications service shall have 60 days from the date the Commission files its order to implement the new rate established by the order.

(d) The Commission shall determine and specify those organizations serving the needs of those persons having a hearing or speech disability that shall receive a telecommunications device and in which offices the equipment shall be installed in the case of an organization having more than one office. For the purposes of this Section,

"organizations serving the needs of those persons with hearing or speech disabilities" means centers for independent living as described in Section 12a of the Rehabilitation of Persons with Disabilities Act and not-for-profit organizations whose primary purpose is serving the needs of those persons with hearing or speech disabilities. The Commission shall direct the telecommunications carriers subject to its jurisdiction and this Section to comply with its determinations and specifications in this regard.

(e) As used in this Section:

"Prepaid wireless telecommunications service" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Retail transaction" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Seller" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Telecommunications carrier providing local exchange service" includes, without otherwise limiting the meaning of the term, telecommunications carriers which are purely mutual concerns, having no rates or charges for services, but paying the operating expenses by assessment upon the members of such a company and no other person.

"Wireless carrier" has the meaning given to that term under Section 10 of the Wireless Emergency Telephone Safety Act.

(f) Interconnected VoIP service providers, sellers of

prepaid wireless telecommunications service, and wireless carriers in Illinois shall collect and remit assessments determined in accordance with this Section in a competitively neutral manner in the same manner as a telecommunications carrier providing local exchange service. However, the assessment imposed on consumers of prepaid wireless telecommunications service shall be collected by the seller from the consumer and imposed per retail transaction as a percentage of that retail transaction on all retail transactions occurring in this State. The assessment on subscribers of wireless carriers and consumers of prepaid wireless telecommunications service shall not be imposed or collected prior to June 1, 2016.

Sellers of prepaid wireless telecommunications service shall remit the assessments to the Department of Revenue on the same form and in the same manner which they remit the fee collected under the Prepaid Wireless 9-1-1 Surcharge Act. For the purposes of display on the consumers' receipts, the rates of the fee collected under the Prepaid Wireless 9-1-1 Surcharge Act and the assessment under this Section may be combined. In administration and enforcement of this Section, the provisions of Sections 15 and 20 of the Prepaid Wireless 9-1-1 Surcharge Act (except subsections (a), (a-5), (b-5), (e), and (e-5) of Section 15 and subsections (c) and (e) of Section 20 of the Prepaid Wireless 9-1-1 Surcharge Act and, from June 29, 2015 ~~(the effective date of Public Act 99-6) this amendatory Act of~~

~~the 99th General Assembly,~~ the seller shall be permitted to deduct and retain 3% of the assessments that are collected by the seller from consumers and that are remitted and timely filed with the Department) that are not inconsistent with this Section, shall apply, as far as practicable, to the subject matter of this Section to the same extent as if those provisions were included in this Section. The Department shall deposit all assessments and penalties collected under this Section into the Illinois Telecommunications Access Corporation Fund, a special fund created in the State treasury. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amount available to the Commission for distribution out of the Illinois Telecommunications Access Corporation Fund. The amount certified shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body or fund. The amount paid to the Illinois Telecommunications Access Corporation Fund shall not include any amount equal to the amount of refunds made during the second preceding calendar month by the Department to retailers under this Section or any amount that the Department determines is necessary to offset any amounts which were payable to a different taxing body or fund but were erroneously paid to the Illinois Telecommunications Access

Corporation Fund. The Commission shall distribute all the funds to the Illinois Telecommunications Access Corporation and the funds may only be used in accordance with the provisions of this Section. The Department shall deduct 2% of all amounts deposited in the Illinois Telecommunications Access Corporation Fund during every year of remitted assessments. Of the 2% deducted by the Department, one-half shall be transferred into the Tax Compliance and Administration Fund to reimburse the Department for its direct costs of administering the collection and remittance of the assessment. The remaining one-half shall be transferred into the Public Utilities Fund to reimburse the Commission for its costs of distributing to the Illinois Telecommunications Access Corporation the amount certified by the Department for distribution. The amount to be charged or assessed under subsections (c) and (f) is not imposed on a provider or the consumer for wireless Lifeline service where the consumer does not pay the provider for the service. Where the consumer purchases from the provider optional minutes, texts, or other services in addition to the federally funded Lifeline benefit, a consumer must pay the charge or assessment, and it must be collected by the seller according to subsection (f).

Interconnected VoIP services shall not be considered an intrastate telecommunications service for the purposes of this Section in a manner inconsistent with federal law or Federal Communications Commission regulation.

(g) The provisions of this Section are severable under Section 1.31 of the Statute on Statutes.

(h) The Commission may adopt rules necessary to implement this Section.

Sec. 16-108.5. Infrastructure investment and modernization; regulatory reform.

(a) (Blank).

(b) For purposes of this Section, "participating utility" means an electric utility or a combination utility serving more than 1,000,000 customers in Illinois that voluntarily elects and commits to undertake (i) the infrastructure investment program consisting of the commitments and obligations described in this subsection (b) and (ii) the customer assistance program consisting of the commitments and obligations described in subsection (b-10) of this Section, notwithstanding any other provisions of this Act and without obtaining any approvals from the Commission or any other agency other than as set forth in this Section, regardless of whether any such approval would otherwise be required. "Combination utility" means a utility that, as of January 1, 2011, provided electric service to at least one million retail customers in Illinois and gas service to at least 500,000 retail customers

in Illinois. A participating utility shall recover the expenditures made under the infrastructure investment program through the ratemaking process, including, but not limited to, the performance-based formula rate and process set forth in this Section.

During the infrastructure investment program's peak program year, a participating utility other than a combination utility shall create 2,000 full-time equivalent jobs in Illinois, and a participating utility that is a combination utility shall create 450 full-time equivalent jobs in Illinois related to the provision of electric service. These jobs shall include direct jobs, contractor positions, and induced jobs, but shall not include any portion of a job commitment, not specifically contingent on an amendatory Act of the 97th General Assembly becoming law, between a participating utility and a labor union that existed on December 30, 2011 (the effective date of Public Act 97-646) ~~this amendatory Act of the 97th General Assembly~~ and that has not yet been fulfilled. A portion of the full-time equivalent jobs created by each participating utility shall include incremental personnel hired subsequent to December 30, 2011 (the effective date of Public Act 97-646) ~~this amendatory Act of the 97th General Assembly~~. For purposes of this Section, "peak program year" means the consecutive 12-month period with the highest number of full-time equivalent jobs that occurs between the beginning of investment year 2 and the end of investment year 4.

A participating utility shall meet one of the following commitments, as applicable:

(1) Beginning no later than 180 days after a participating utility other than a combination utility files a performance-based formula rate tariff pursuant to subsection (c) of this Section, or, beginning no later than January 1, 2012 if such utility files such performance-based formula rate tariff within 14 days of October 26, 2011 (the effective date of Public Act 97-616) ~~this amendatory Act of the 97th General Assembly~~, the participating utility shall, except as provided in subsection (b-5):

(A) over a 5-year period, invest an estimated \$1,300,000,000 in electric system upgrades, modernization projects, and training facilities, including, but not limited to:

(i) distribution infrastructure improvements totaling an estimated \$1,000,000,000, including underground residential distribution cable injection and replacement and mainline cable system refurbishment and replacement projects;

(ii) training facility construction or upgrade projects totaling an estimated \$10,000,000, provided that, at a minimum, one such facility shall be located in a municipality having a population of more than 2 million residents and one

such facility shall be located in a municipality having a population of more than 150,000 residents but fewer than 170,000 residents; any such new facility located in a municipality having a population of more than 2 million residents must be designed for the purpose of obtaining, and the owner of the facility shall apply for, certification under the United States Green Building Council's Leadership in Energy Efficiency Design Green Building Rating System;

(iii) wood pole inspection, treatment, and replacement programs;

(iv) an estimated \$200,000,000 for reducing the susceptibility of certain circuits to storm-related damage, including, but not limited to, high winds, thunderstorms, and ice storms; improvements may include, but are not limited to, overhead to underground conversion and other engineered outcomes for circuits; the participating utility shall prioritize the selection of circuits based on each circuit's historical susceptibility to storm-related damage and the ability to provide the greatest customer benefit upon completion of the improvements; to be eligible for improvement, the participating utility's ability to maintain proper tree

clearances surrounding the overhead circuit must not have been impeded by third parties; and

(B) over a 10-year period, invest an estimated \$1,300,000,000 to upgrade and modernize its transmission and distribution infrastructure and in Smart Grid electric system upgrades, including, but not limited to:

- (i) additional smart meters;
- (ii) distribution automation;
- (iii) associated cyber secure data communication network; and
- (iv) substation micro-processor relay upgrades.

(2) Beginning no later than 180 days after a participating utility that is a combination utility files a performance-based formula rate tariff pursuant to subsection (c) of this Section, or, beginning no later than January 1, 2012 if such utility files such performance-based formula rate tariff within 14 days of October 26, 2011 (the effective date of Public Act 97-616) ~~this amendatory Act of the 97th General Assembly~~, the participating utility shall, except as provided in subsection (b-5):

(A) over a 10-year period, invest an estimated \$265,000,000 in electric system upgrades, modernization projects, and training facilities,

including, but not limited to:

(i) distribution infrastructure improvements totaling an estimated \$245,000,000, which may include bulk supply substations, transformers, reconductoring, and rebuilding overhead distribution and sub-transmission lines, underground residential distribution cable injection and replacement and mainline cable system refurbishment and replacement projects;

(ii) training facility construction or upgrade projects totaling an estimated \$1,000,000; any such new facility must be designed for the purpose of obtaining, and the owner of the facility shall apply for, certification under the United States Green Building Council's Leadership in Energy Efficiency Design Green Building Rating System; and

(iii) wood pole inspection, treatment, and replacement programs; and

(B) over a 10-year period, invest an estimated \$360,000,000 to upgrade and modernize its transmission and distribution infrastructure and in Smart Grid electric system upgrades, including, but not limited to:

(i) additional smart meters;

(ii) distribution automation;

(iii) associated cyber secure data communication network; and

(iv) substation micro-processor relay upgrades.

For purposes of this Section, "Smart Grid electric system upgrades" shall have the meaning set forth in subsection (a) of Section 16-108.6 of this Act.

The investments in the infrastructure investment program described in this subsection (b) shall be incremental to the participating utility's annual capital investment program, as defined by, for purposes of this subsection (b), the participating utility's average capital spend for calendar years 2008, 2009, and 2010 as reported in the applicable Federal Energy Regulatory Commission (FERC) Form 1; provided that where one or more utilities have merged, the average capital spend shall be determined using the aggregate of the merged utilities' capital spend reported in FERC Form 1 for the years 2008, 2009, and 2010. A participating utility may add reasonable construction ramp-up and ramp-down time to the investment periods specified in this subsection (b). For each such investment period, the ramp-up and ramp-down time shall not exceed a total of 6 months.

Within 60 days after filing a tariff under subsection (c) of this Section, a participating utility shall submit to the Commission its plan, including scope, schedule, and staffing, for satisfying its infrastructure investment program

commitments pursuant to this subsection (b). The submitted plan shall include a schedule and staffing plan for the next calendar year. The plan shall also include a plan for the creation, operation, and administration of a Smart Grid test bed as described in subsection (c) of Section 16-108.8. The plan need not allocate the work equally over the respective periods, but should allocate material increments throughout such periods commensurate with the work to be undertaken. No later than April 1 of each subsequent year, the utility shall submit to the Commission a report that includes any updates to the plan, a schedule for the next calendar year, the expenditures made for the prior calendar year and cumulatively, and the number of full-time equivalent jobs created for the prior calendar year and cumulatively. If the utility is materially deficient in satisfying a schedule or staffing plan, then the report must also include a corrective action plan to address the deficiency. The fact that the plan, implementation of the plan, or a schedule changes shall not imply the imprudence or unreasonableness of the infrastructure investment program, plan, or schedule. Further, no later than 45 days following the last day of the first, second, and third quarters of each year of the plan, a participating utility shall submit to the Commission a verified quarterly report for the prior quarter that includes (i) the total number of full-time equivalent jobs created during the prior quarter, (ii) the total number of employees as of the last day of the

prior quarter, (iii) the total number of full-time equivalent hours in each job classification or job title, (iv) the total number of incremental employees and contractors in support of the investments undertaken pursuant to this subsection (b) for the prior quarter, and (v) any other information that the Commission may require by rule.

With respect to the participating utility's peak job commitment, if, after considering the utility's corrective action plan and compliance thereunder, the Commission enters an order finding, after notice and hearing, that a participating utility did not satisfy its peak job commitment described in this subsection (b) for reasons that are reasonably within its control, then the Commission shall also determine, after consideration of the evidence, including, but not limited to, evidence submitted by the Department of Commerce and Economic Opportunity and the utility, the deficiency in the number of full-time equivalent jobs during the peak program year due to such failure. The Commission shall notify the Department of any proceeding that is initiated pursuant to this paragraph. For each full-time equivalent job deficiency during the peak program year that the Commission finds as set forth in this paragraph, the participating utility shall, within 30 days after the entry of the Commission's order, pay \$6,000 to a fund for training grants administered under Section 605-800 of the ~~The~~ Department of Commerce and Economic Opportunity Law, which shall not be a recoverable expense.

With respect to the participating utility's investment amount commitments, if, after considering the utility's corrective action plan and compliance thereunder, the Commission enters an order finding, after notice and hearing, that a participating utility is not satisfying its investment amount commitments described in this subsection (b), then the utility shall no longer be eligible to annually update the performance-based formula rate tariff pursuant to subsection (d) of this Section. In such event, the then current rates shall remain in effect until such time as new rates are set pursuant to Article IX of this Act, subject to retroactive adjustment, with interest, to reconcile rates charged with actual costs.

If the Commission finds that a participating utility is no longer eligible to update the performance-based formula rate tariff pursuant to subsection (d) of this Section, or the performance-based formula rate is otherwise terminated, then the participating utility's voluntary commitments and obligations under this subsection (b) shall immediately terminate, except for the utility's obligation to pay an amount already owed to the fund for training grants pursuant to a Commission order.

In meeting the obligations of this subsection (b), to the extent feasible and consistent with State and federal law, the investments under the infrastructure investment program should provide employment opportunities for all segments of the

population and workforce, including minority-owned and female-owned business enterprises, and shall not, consistent with State and federal law, discriminate based on race or socioeconomic status.

(b-5) Nothing in this Section shall prohibit the Commission from investigating the prudence and reasonableness of the expenditures made under the infrastructure investment program during the annual review required by subsection (d) of this Section and shall, as part of such investigation, determine whether the utility's actual costs under the program are prudent and reasonable. The fact that a participating utility invests more than the minimum amounts specified in subsection (b) of this Section or its plan shall not imply imprudence or unreasonableness.

If the participating utility finds that it is implementing its plan for satisfying the infrastructure investment program commitments described in subsection (b) of this Section at a cost below the estimated amounts specified in subsection (b) of this Section, then the utility may file a petition with the Commission requesting that it be permitted to satisfy its commitments by spending less than the estimated amounts specified in subsection (b) of this Section. The Commission shall, after notice and hearing, enter its order approving, or approving as modified, or denying each such petition within 150 days after the filing of the petition.

In no event, absent General Assembly approval, shall the

capital investment costs incurred by a participating utility other than a combination utility in satisfying its infrastructure investment program commitments described in subsection (b) of this Section exceed \$3,000,000,000 or, for a participating utility that is a combination utility, \$720,000,000. If the participating utility's updated cost estimates for satisfying its infrastructure investment program commitments described in subsection (b) of this Section exceed the limitation imposed by this subsection (b-5), then it shall submit a report to the Commission that identifies the increased costs and explains the reason or reasons for the increased costs no later than the year in which the utility estimates it will exceed the limitation. The Commission shall review the report and shall, within 90 days after the participating utility files the report, report to the General Assembly its findings regarding the participating utility's report. If the General Assembly does not amend the limitation imposed by this subsection (b-5), then the utility may modify its plan so as not to exceed the limitation imposed by this subsection (b-5) and may propose corresponding changes to the metrics established pursuant to subparagraphs (5) through (8) of subsection (f) of this Section, and the Commission may modify the metrics and incremental savings goals established pursuant to subsection (f) of this Section accordingly.

(b-10) All participating utilities shall make contributions for an energy low-income and support program in

accordance with this subsection. Beginning no later than 180 days after a participating utility files a performance-based formula rate tariff pursuant to subsection (c) of this Section, or beginning no later than January 1, 2012 if such utility files such performance-based formula rate tariff within 14 days of December 30, 2011 (the effective date of Public Act 97-646) ~~this amendatory Act of the 97th General Assembly~~, and without obtaining any approvals from the Commission or any other agency other than as set forth in this Section, regardless of whether any such approval would otherwise be required, a participating utility other than a combination utility shall pay \$10,000,000 per year for 5 years and a participating utility that is a combination utility shall pay \$1,000,000 per year for 10 years to the energy low-income and support program, which is intended to fund customer assistance programs with the primary purpose being avoidance of imminent disconnection. Such programs may include:

(1) a residential hardship program that may partner with community-based organizations, including senior citizen organizations, and provides grants to low-income residential customers, including low-income senior citizens, who demonstrate a hardship;

(2) a program that provides grants and other bill payment concessions to veterans with disabilities who demonstrate a hardship and members of the armed services or reserve forces of the United States or members of the

Illinois National Guard who are on active duty pursuant to an executive order of the President of the United States, an act of the Congress of the United States, or an order of the Governor and who demonstrate a hardship;

(3) a budget assistance program that provides tools and education to low-income senior citizens to assist them with obtaining information regarding energy usage and effective means of managing energy costs;

(4) a non-residential special hardship program that provides grants to non-residential customers such as small businesses and non-profit organizations that demonstrate a hardship, including those providing services to senior citizen and low-income customers; and

(5) a performance-based assistance program that provides grants to encourage residential customers to make on-time payments by matching a portion of the customer's payments or providing credits towards arrearages.

The payments made by a participating utility pursuant to this subsection (b-10) shall not be a recoverable expense. A participating utility may elect to fund either new or existing customer assistance programs, including, but not limited to, those that are administered by the utility.

Programs that use funds that are provided by a participating utility to reduce utility bills may be implemented through tariffs that are filed with and reviewed by the Commission. If a utility elects to file tariffs with the

Commission to implement all or a portion of the programs, those tariffs shall, regardless of the date actually filed, be deemed accepted and approved, and shall become effective on December 30, 2011 (the effective date of Public Act 97-646) ~~this amendatory Act of the 97th General Assembly~~. The participating utilities whose customers benefit from the funds that are disbursed as contemplated in this Section shall file annual reports documenting the disbursement of those funds with the Commission. The Commission has the authority to audit disbursement of the funds to ensure they were disbursed consistently with this Section.

If the Commission finds that a participating utility is no longer eligible to update the performance-based formula rate tariff pursuant to subsection (d) of this Section, or the performance-based formula rate is otherwise terminated, then the participating utility's voluntary commitments and obligations under this subsection (b-10) shall immediately terminate.

(c) A participating utility may elect to recover its delivery services costs through a performance-based formula rate approved by the Commission, which shall specify the cost components that form the basis of the rate charged to customers with sufficient specificity to operate in a standardized manner and be updated annually with transparent information that reflects the utility's actual costs to be recovered during the applicable rate year, which is the period beginning with the

first billing day of January and extending through the last billing day of the following December. In the event the utility recovers a portion of its costs through automatic adjustment clause tariffs on October 26, 2011 (the effective date of Public Act 97-616) ~~this amendatory Act of the 97th General Assembly~~, the utility may elect to continue to recover these costs through such tariffs, but then these costs shall not be recovered through the performance-based formula rate. In the event the participating utility, prior to December 30, 2011 (the effective date of Public Act 97-646) ~~this amendatory Act of the 97th General Assembly~~, filed electric delivery services tariffs with the Commission pursuant to Section 9-201 of this Act that are related to the recovery of its electric delivery services costs that are still pending on December 30, 2011 (the effective date of Public Act 97-646) ~~this amendatory Act of the 97th General Assembly~~, the participating utility shall, at the time it files its performance-based formula rate tariff with the Commission, also file a notice of withdrawal with the Commission to withdraw the electric delivery services tariffs previously filed pursuant to Section 9-201 of this Act. Upon receipt of such notice, the Commission shall dismiss with prejudice any docket that had been initiated to investigate the electric delivery services tariffs filed pursuant to Section 9-201 of this Act, and such tariffs and the record related thereto shall not be the subject of any further hearing, investigation, or proceeding of any kind related to rates for

electric delivery services.

The performance-based formula rate shall be implemented through a tariff filed with the Commission consistent with the provisions of this subsection (c) that shall be applicable to all delivery services customers. The Commission shall initiate and conduct an investigation of the tariff in a manner consistent with the provisions of this subsection (c) and the provisions of Article IX of this Act to the extent they do not conflict with this subsection (c). Except in the case where the Commission finds, after notice and hearing, that a participating utility is not satisfying its investment amount commitments under subsection (b) of this Section, the performance-based formula rate shall remain in effect at the discretion of the utility. The performance-based formula rate approved by the Commission shall do the following:

- (1) Provide for the recovery of the utility's actual costs of delivery services that are prudently incurred and reasonable in amount consistent with Commission practice and law. The sole fact that a cost differs from that incurred in a prior calendar year or that an investment is different from that made in a prior calendar year shall not imply the imprudence or unreasonableness of that cost or investment.

- (2) Reflect the utility's actual year-end capital structure for the applicable calendar year, excluding goodwill, subject to a determination of prudence and

reasonableness consistent with Commission practice and law.

(3) Include a cost of equity, which shall be calculated as the sum of the following:

(A) the average for the applicable calendar year of the monthly average yields of 30-year U.S. Treasury bonds published by the Board of Governors of the Federal Reserve System in its weekly H.15 Statistical Release or successor publication; and

(B) 580 basis points.

At such time as the Board of Governors of the Federal Reserve System ceases to include the monthly average yields of 30-year U.S. Treasury bonds in its weekly H.15 Statistical Release or successor publication, the monthly average yields of the U.S. Treasury bonds then having the longest duration published by the Board of Governors in its weekly H.15 Statistical Release or successor publication shall instead be used for purposes of this paragraph (3).

(4) Permit and set forth protocols, subject to a determination of prudence and reasonableness consistent with Commission practice and law, for the following:

(A) recovery of incentive compensation expense that is based on the achievement of operational metrics, including metrics related to budget controls, outage duration and frequency, safety, customer service, efficiency and productivity, and

environmental compliance. Incentive compensation expense that is based on net income or an affiliate's earnings per share shall not be recoverable under the performance-based formula rate;

(B) recovery of pension and other post-employment benefits expense, provided that such costs are supported by an actuarial study;

(C) recovery of severance costs, provided that if the amount is over \$3,700,000 for a participating utility that is a combination utility or \$10,000,000 for a participating utility that serves more than 3 million retail customers, then the full amount shall be amortized consistent with subparagraph (F) of this paragraph (4);

(D) investment return at a rate equal to the utility's weighted average cost of long-term debt, on the pension assets as, and in the amount, reported in Account 186 (or in such other Account or Accounts as such asset may subsequently be recorded) of the utility's most recently filed FERC Form 1, net of deferred tax benefits;

(E) recovery of the expenses related to the Commission proceeding under this subsection (c) to approve this performance-based formula rate and initial rates or to subsequent proceedings related to the formula, provided that the recovery shall be

amortized over a 3-year period; recovery of expenses related to the annual Commission proceedings under subsection (d) of this Section to review the inputs to the performance-based formula rate shall be expensed and recovered through the performance-based formula rate;

(F) amortization over a 5-year period of the full amount of each charge or credit that exceeds \$3,700,000 for a participating utility that is a combination utility or \$10,000,000 for a participating utility that serves more than 3 million retail customers in the applicable calendar year and that relates to a workforce reduction program's severance costs, changes in accounting rules, changes in law, compliance with any Commission-initiated audit, or a single storm or other similar expense, provided that any unamortized balance shall be reflected in rate base. For purposes of this subparagraph (F), changes in law includes any enactment, repeal, or amendment in a law, ordinance, rule, regulation, interpretation, permit, license, consent, or order, including those relating to taxes, accounting, or to environmental matters, or in the interpretation or application thereof by any governmental authority occurring after October 26, 2011 (the effective date of Public Act 97-616) ~~this amendatory Act of the 97th General Assembly;~~

(G) recovery of existing regulatory assets over the periods previously authorized by the Commission;

(H) historical weather normalized billing determinants; and

(I) allocation methods for common costs.

(5) Provide that if the participating utility's earned rate of return on common equity related to the provision of delivery services for the prior rate year (calculated using costs and capital structure approved by the Commission as provided in subparagraph (2) of this subsection (c), consistent with this Section, in accordance with Commission rules and orders, including, but not limited to, adjustments for goodwill, and after any Commission-ordered disallowances and taxes) is more than 50 basis points higher than the rate of return on common equity calculated pursuant to paragraph (3) of this subsection (c) (after adjusting for any penalties to the rate of return on common equity applied pursuant to the performance metrics provision of subsection (f) of this Section), then the participating utility shall apply a credit through the performance-based formula rate that reflects an amount equal to the value of that portion of the earned rate of return on common equity that is more than 50 basis points higher than the rate of return on common equity calculated pursuant to paragraph (3) of this subsection (c) (after adjusting for any penalties to the rate of return on common

equity applied pursuant to the performance metrics provision of subsection (f) of this Section) for the prior rate year, adjusted for taxes. If the participating utility's earned rate of return on common equity related to the provision of delivery services for the prior rate year (calculated using costs and capital structure approved by the Commission as provided in subparagraph (2) of this subsection (c), consistent with this Section, in accordance with Commission rules and orders, including, but not limited to, adjustments for goodwill, and after any Commission-ordered disallowances and taxes) is more than 50 basis points less than the return on common equity calculated pursuant to paragraph (3) of this subsection (c) (after adjusting for any penalties to the rate of return on common equity applied pursuant to the performance metrics provision of subsection (f) of this Section), then the participating utility shall apply a charge through the performance-based formula rate that reflects an amount equal to the value of that portion of the earned rate of return on common equity that is more than 50 basis points less than the rate of return on common equity calculated pursuant to paragraph (3) of this subsection (c) (after adjusting for any penalties to the rate of return on common equity applied pursuant to the performance metrics provision of subsection (f) of this Section) for the prior rate year, adjusted for taxes.

(6) Provide for an annual reconciliation, as described in subsection (d) of this Section, with interest, of the revenue requirement reflected in rates for each calendar year, beginning with the calendar year in which the utility files its performance-based formula rate tariff pursuant to subsection (c) of this Section, with what the revenue requirement would have been had the actual cost information for the applicable calendar year been available at the filing date.

The utility shall file, together with its tariff, final data based on its most recently filed FERC Form 1, plus projected plant additions and correspondingly updated depreciation reserve and expense for the calendar year in which the tariff and data are filed, that shall populate the performance-based formula rate and set the initial delivery services rates under the formula. For purposes of this Section, "FERC Form 1" means the Annual Report of Major Electric Utilities, Licensees and Others that electric utilities are required to file with the Federal Energy Regulatory Commission under the Federal Power Act, Sections 3, 4(a), 304 and 209, modified as necessary to be consistent with 83 Ill. Admin. Code Part 415 as of May 1, 2011. Nothing in this Section is intended to allow costs that are not otherwise recoverable to be recoverable by virtue of inclusion in FERC Form 1.

After the utility files its proposed performance-based formula rate structure and protocols and initial rates, the

Commission shall initiate a docket to review the filing. The Commission shall enter an order approving, or approving as modified, the performance-based formula rate, including the initial rates, as just and reasonable within 270 days after the date on which the tariff was filed, or, if the tariff is filed within 14 days after October 26, 2011 (the effective date of Public Act 97-616) ~~this amendatory Act of the 97th General Assembly~~, then by May 31, 2012. Such review shall be based on the same evidentiary standards, including, but not limited to, those concerning the prudence and reasonableness of the costs incurred by the utility, the Commission applies in a hearing to review a filing for a general increase in rates under Article IX of this Act. The initial rates shall take effect within 30 days after the Commission's order approving the performance-based formula rate tariff.

Until such time as the Commission approves a different rate design and cost allocation pursuant to subsection (e) of this Section, rate design and cost allocation across customer classes shall be consistent with the Commission's most recent order regarding the participating utility's request for a general increase in its delivery services rates.

Subsequent changes to the performance-based formula rate structure or protocols shall be made as set forth in Section 9-201 of this Act, but nothing in this subsection (c) is intended to limit the Commission's authority under Article IX and other provisions of this Act to initiate an investigation

of a participating utility's performance-based formula rate tariff, provided that any such changes shall be consistent with paragraphs (1) through (6) of this subsection (c). Any change ordered by the Commission shall be made at the same time new rates take effect following the Commission's next order pursuant to subsection (d) of this Section, provided that the new rates take effect no less than 30 days after the date on which the Commission issues an order adopting the change.

A participating utility that files a tariff pursuant to this subsection (c) must submit a one-time \$200,000 filing fee at the time the Chief Clerk of the Commission accepts the filing, which shall be a recoverable expense.

In the event the performance-based formula rate is terminated, the then current rates shall remain in effect until such time as new rates are set pursuant to Article IX of this Act, subject to retroactive rate adjustment, with interest, to reconcile rates charged with actual costs. At such time that the performance-based formula rate is terminated, the participating utility's voluntary commitments and obligations under subsection (b) of this Section shall immediately terminate, except for the utility's obligation to pay an amount already owed to the fund for training grants pursuant to a Commission order issued under subsection (b) of this Section.

(d) Subsequent to the Commission's issuance of an order approving the utility's performance-based formula rate structure and protocols, and initial rates under subsection (c)

of this Section, the utility shall file, on or before May 1 of each year, with the Chief Clerk of the Commission its updated cost inputs to the performance-based formula rate for the applicable rate year and the corresponding new charges. Each such filing shall conform to the following requirements and include the following information:

(1) The inputs to the performance-based formula rate for the applicable rate year shall be based on final historical data reflected in the utility's most recently filed annual FERC Form 1 plus projected plant additions and correspondingly updated depreciation reserve and expense for the calendar year in which the inputs are filed. The filing shall also include a reconciliation of the revenue requirement that was in effect for the prior rate year (as set by the cost inputs for the prior rate year) with the actual revenue requirement for the prior rate year (determined using a year-end rate base) that uses amounts reflected in the applicable FERC Form 1 that reports the actual costs for the prior rate year. Any over-collection or under-collection indicated by such reconciliation shall be reflected as a credit against, or recovered as an additional charge to, respectively, with interest calculated at a rate equal to the utility's weighted average cost of capital approved by the Commission for the prior rate year, the charges for the applicable rate year. Provided, however, that the first such reconciliation

shall be for the calendar year in which the utility files its performance-based formula rate tariff pursuant to subsection (c) of this Section and shall reconcile (i) the revenue requirement or requirements established by the rate order or orders in effect from time to time during such calendar year (weighted, as applicable) with (ii) the revenue requirement determined using a year-end rate base for that calendar year calculated pursuant to the performance-based formula rate using (A) actual costs for that year as reflected in the applicable FERC Form 1, and (B) for the first such reconciliation only, the cost of equity, which shall be calculated as the sum of 590 basis points plus the average for the applicable calendar year of the monthly average yields of 30-year U.S. Treasury bonds published by the Board of Governors of the Federal Reserve System in its weekly H.15 Statistical Release or successor publication. The first such reconciliation is not intended to provide for the recovery of costs previously excluded from rates based on a prior Commission order finding of imprudence or unreasonableness. Each reconciliation shall be certified by the participating utility in the same manner that FERC Form 1 is certified. The filing shall also include the charge or credit, if any, resulting from the calculation required by paragraph (6) of subsection (c) of this Section.

Notwithstanding anything that may be to the contrary,

the intent of the reconciliation is to ultimately reconcile the revenue requirement reflected in rates for each calendar year, beginning with the calendar year in which the utility files its performance-based formula rate tariff pursuant to subsection (c) of this Section, with what the revenue requirement determined using a year-end rate base for the applicable calendar year would have been had the actual cost information for the applicable calendar year been available at the filing date.

(2) The new charges shall take effect beginning on the first billing day of the following January billing period and remain in effect through the last billing day of the next December billing period regardless of whether the Commission enters upon a hearing pursuant to this subsection (d).

(3) The filing shall include relevant and necessary data and documentation for the applicable rate year that is consistent with the Commission's rules applicable to a filing for a general increase in rates or any rules adopted by the Commission to implement this Section. Normalization adjustments shall not be required. Notwithstanding any other provision of this Section or Act or any rule or other requirement adopted by the Commission, a participating utility that is a combination utility with more than one rate zone shall not be required to file a separate set of such data and documentation for each rate zone and may

combine such data and documentation into a single set of schedules.

Within 45 days after the utility files its annual update of cost inputs to the performance-based formula rate, the Commission shall have the authority, either upon complaint or its own initiative, but with reasonable notice, to enter upon a hearing concerning the prudence and reasonableness of the costs incurred by the utility to be recovered during the applicable rate year that are reflected in the inputs to the performance-based formula rate derived from the utility's FERC Form 1. During the course of the hearing, each objection shall be stated with particularity and evidence provided in support thereof, after which the utility shall have the opportunity to rebut the evidence. Discovery shall be allowed consistent with the Commission's Rules of Practice, which Rules shall be enforced by the Commission or the assigned hearing examiner. The Commission shall apply the same evidentiary standards, including, but not limited to, those concerning the prudence and reasonableness of the costs incurred by the utility, in the hearing as it would apply in a hearing to review a filing for a general increase in rates under Article IX of this Act. The Commission shall not, however, have the authority in a proceeding under this subsection (d) to consider or order any changes to the structure or protocols of the performance-based formula rate approved pursuant to subsection (c) of this Section. In a proceeding under this subsection (d), the

Commission shall enter its order no later than the earlier of 240 days after the utility's filing of its annual update of cost inputs to the performance-based formula rate or December 31. The Commission's determinations of the prudence and reasonableness of the costs incurred for the applicable calendar year shall be final upon entry of the Commission's order and shall not be subject to reopening, reexamination, or collateral attack in any other Commission proceeding, case, docket, order, rule or regulation, provided, however, that nothing in this subsection (d) shall prohibit a party from petitioning the Commission to rehear or appeal to the courts the order pursuant to the provisions of this Act.

In the event the Commission does not, either upon complaint or its own initiative, enter upon a hearing within 45 days after the utility files the annual update of cost inputs to its performance-based formula rate, then the costs incurred for the applicable calendar year shall be deemed prudent and reasonable, and the filed charges shall not be subject to reopening, reexamination, or collateral attack in any other proceeding, case, docket, order, rule, or regulation.

A participating utility's first filing of the updated cost inputs, and any Commission investigation of such inputs pursuant to this subsection (d) shall proceed notwithstanding the fact that the Commission's investigation under subsection (c) of this Section is still pending and notwithstanding any other law, order, rule, or Commission practice to the contrary.

(e) Nothing in subsections (c) or (d) of this Section shall prohibit the Commission from investigating, or a participating utility from filing, revenue-neutral tariff changes related to rate design of a performance-based formula rate that has been placed into effect for the utility. Following approval of a participating utility's performance-based formula rate tariff pursuant to subsection (c) of this Section, the utility shall make a filing with the Commission within one year after the effective date of the performance-based formula rate tariff that proposes changes to the tariff to incorporate the findings of any final rate design orders of the Commission applicable to the participating utility and entered subsequent to the Commission's approval of the tariff. The Commission shall, after notice and hearing, enter its order approving, or approving with modification, the proposed changes to the performance-based formula rate tariff within 240 days after the utility's filing. Following such approval, the utility shall make a filing with the Commission during each subsequent 3-year period that either proposes revenue-neutral tariff changes or re-files the existing tariffs without change, which shall present the Commission with an opportunity to suspend the tariffs and consider revenue-neutral tariff changes related to rate design.

(f) Within 30 days after the filing of a tariff pursuant to subsection (c) of this Section, each participating utility shall develop and file with the Commission multi-year metrics

designed to achieve, ratably (i.e., in equal segments) over a 10-year period, improvement over baseline performance values as follows:

(1) Twenty percent improvement in the System Average Interruption Frequency Index, using a baseline of the average of the data from 2001 through 2010.

(2) Fifteen percent improvement in the system Customer Average Interruption Duration Index, using a baseline of the average of the data from 2001 through 2010.

(3) For a participating utility other than a combination utility, 20% improvement in the System Average Interruption Frequency Index for its Southern Region, using a baseline of the average of the data from 2001 through 2010. For purposes of this paragraph (3), Southern Region shall have the meaning set forth in the participating utility's most recent report filed pursuant to Section 16-125 of this Act.

(3.5) For a participating utility other than a combination utility, 20% improvement in the System Average Interruption Frequency Index for its Northeastern Region, using a baseline of the average of the data from 2001 through 2010. For purposes of this paragraph (3.5), Northeastern Region shall have the meaning set forth in the participating utility's most recent report filed pursuant to Section 16-125 of this Act.

(4) Seventy-five percent improvement in the total

number of customers who exceed the service reliability targets as set forth in subparagraphs (A) through (C) of paragraph (4) of subsection (b) of 83 Ill. Admin. Code Part 411.140 as of May 1, 2011, using 2010 as the baseline year.

(5) Reduction in issuance of estimated electric bills: 90% improvement for a participating utility other than a combination utility, and 56% improvement for a participating utility that is a combination utility, using a baseline of the average number of estimated bills for the years 2008 through 2010.

(6) Consumption on inactive meters: 90% improvement for a participating utility other than a combination utility, and 56% improvement for a participating utility that is a combination utility, using a baseline of the average unbilled kilowatthours for the years 2009 and 2010.

(7) Unaccounted for energy: 50% improvement for a participating utility other than a combination utility using a baseline of the non-technical line loss unaccounted for energy kilowatthours for the year 2009.

(8) Uncollectible expense: reduce uncollectible expense by at least \$30,000,000 for a participating utility other than a combination utility and by at least \$3,500,000 for a participating utility that is a combination utility, using a baseline of the average uncollectible expense for the years 2008 through 2010.

(9) Opportunities for minority-owned and female-owned

business enterprises: design a performance metric regarding the creation of opportunities for minority-owned and female-owned business enterprises consistent with State and federal law using a base performance value of the percentage of the participating utility's capital expenditures that were paid to minority-owned and female-owned business enterprises in 2010.

The definitions set forth in 83 Ill. Admin. Code Part 411.20 as of May 1, 2011 shall be used for purposes of calculating performance under paragraphs (1) through (3.5) of this subsection (f), provided, however, that the participating utility may exclude up to 9 extreme weather event days from such calculation for each year, and provided further that the participating utility shall exclude 9 extreme weather event days when calculating each year of the baseline period to the extent that there are 9 such days in a given year of the baseline period. For purposes of this Section, an extreme weather event day is a 24-hour calendar day (beginning at 12:00 a.m. and ending at 11:59 p.m.) during which any weather event (e.g., storm, tornado) caused interruptions for 10,000 or more of the participating utility's customers for 3 hours or more. If there are more than 9 extreme weather event days in a year, then the utility may choose no more than 9 extreme weather event days to exclude, provided that the same extreme weather event days are excluded from each of the calculations performed under paragraphs (1) through (3.5) of this subsection (f).

The metrics shall include incremental performance goals for each year of the 10-year period, which shall be designed to demonstrate that the utility is on track to achieve the performance goal in each category at the end of the 10-year period. The utility shall elect when the 10-year period shall commence for the metrics set forth in subparagraphs (1) through (4) and (9) of this subsection (f), provided that it begins no later than 14 months following the date on which the utility begins investing pursuant to subsection (b) of this Section, and when the 10-year period shall commence for the metrics set forth in subparagraphs (5) through (8) of this subsection (f), provided that it begins no later than 14 months following the date on which the Commission enters its order approving the utility's Advanced Metering Infrastructure Deployment Plan pursuant to subsection (c) of Section 16-108.6 of this Act.

The metrics and performance goals set forth in subparagraphs (5) through (8) of this subsection (f) are based on the assumptions that the participating utility may fully implement the technology described in subsection (b) of this Section, including utilizing the full functionality of such technology and that there is no requirement for personal on-site notification. If the utility is unable to meet the metrics and performance goals set forth in subparagraphs (5) through (8) of this subsection (f) for such reasons, and the Commission so finds after notice and hearing, then the utility shall be excused from compliance, but only to the limited

extent achievement of the affected metrics and performance goals was hindered by the less than full implementation.

(f-5) The financial penalties applicable to the metrics described in subparagraphs (1) through (8) of subsection (f) of this Section, as applicable, shall be applied through an adjustment to the participating utility's return on equity of no more than a total of 30 basis points in each of the first 3 years, of no more than a total of 34 basis points in each of the 3 years thereafter, and of no more than a total of 38 basis points in each of the 4 years thereafter, as follows:

(1) With respect to each of the incremental annual performance goals established pursuant to paragraph (1) of subsection (f) of this Section,

(A) for each year that a participating utility other than a combination utility does not achieve the annual goal, the participating utility's return on equity shall be reduced as follows: during years 1 through 3, by 5 basis points; during years 4 through 6, by 6 basis points; and during years 7 through 10, by 7 basis points; and

(B) for each year that a participating utility that is a combination utility does not achieve the annual goal, the participating utility's return on equity shall be reduced as follows: during years 1 through 3, by 10 basis points; during years 4 through 6, by 12 basis points; and during years 7 through 10, by 14

basis points.

(2) With respect to each of the incremental annual performance goals established pursuant to paragraph (2) of subsection (f) of this Section, for each year that the participating utility does not achieve each such goal, the participating utility's return on equity shall be reduced as follows: during years 1 through 3, by 5 basis points; during years 4 through 6, by 6 basis points; and during years 7 through 10, by 7 basis points.

(3) With respect to each of the incremental annual performance goals established pursuant to paragraphs (3) and (3.5) of subsection (f) of this Section, for each year that a participating utility other than a combination utility does not achieve both such goals, the participating utility's return on equity shall be reduced as follows: during years 1 through 3, by 5 basis points; during years 4 through 6, by 6 basis points; and during years 7 through 10, by 7 basis points.

(4) With respect to each of the incremental annual performance goals established pursuant to paragraph (4) of subsection (f) of this Section, for each year that the participating utility does not achieve each such goal, the participating utility's return on equity shall be reduced as follows: during years 1 through 3, by 5 basis points; during years 4 through 6, by 6 basis points; and during years 7 through 10, by 7 basis points.

(5) With respect to each of the incremental annual performance goals established pursuant to subparagraph (5) of subsection (f) of this Section, for each year that the participating utility does not achieve at least 95% of each such goal, the participating utility's return on equity shall be reduced by 5 basis points for each such unachieved goal.

(6) With respect to each of the incremental annual performance goals established pursuant to paragraphs (6), (7), and (8) of subsection (f) of this Section, as applicable, which together measure non-operational customer savings and benefits relating to the implementation of the Advanced Metering Infrastructure Deployment Plan, as defined in Section 16-108.6 of this Act, the performance under each such goal shall be calculated in terms of the percentage of the goal achieved. The percentage of goal achieved for each of the goals shall be aggregated, and an average percentage value calculated, for each year of the 10-year period. If the utility does not achieve an average percentage value in a given year of at least 95%, the participating utility's return on equity shall be reduced by 5 basis points.

The financial penalties shall be applied as described in this subsection (f-5) for the 12-month period in which the deficiency occurred through a separate tariff mechanism, which shall be filed by the utility together with its metrics. In the

event the formula rate tariff established pursuant to subsection (c) of this Section terminates, the utility's obligations under subsection (f) of this Section and this subsection (f-5) shall also terminate, provided, however, that the tariff mechanism established pursuant to subsection (f) of this Section and this subsection (f-5) shall remain in effect until any penalties due and owing at the time of such termination are applied.

The Commission shall, after notice and hearing, enter an order within 120 days after the metrics are filed approving, or approving with modification, a participating utility's tariff or mechanism to satisfy the metrics set forth in subsection (f) of this Section. On June 1 of each subsequent year, each participating utility shall file a report with the Commission that includes, among other things, a description of how the participating utility performed under each metric and an identification of any extraordinary events that adversely impacted the utility's performance. Whenever a participating utility does not satisfy the metrics required pursuant to subsection (f) of this Section, the Commission shall, after notice and hearing, enter an order approving financial penalties in accordance with this subsection (f-5). The Commission-approved financial penalties shall be applied beginning with the next rate year. Nothing in this Section shall authorize the Commission to reduce or otherwise obviate the imposition of financial penalties for failing to achieve

one or more of the metrics established pursuant to subparagraph (1) through (4) of subsection (f) of this Section.

(g) On or before July 31, 2014, each participating utility shall file a report with the Commission that sets forth the average annual increase in the average amount paid per kilowatthour for residential eligible retail customers, exclusive of the effects of energy efficiency programs, comparing the 12-month period ending May 31, 2012; the 12-month period ending May 31, 2013; and the 12-month period ending May 31, 2014. For a participating utility that is a combination utility with more than one rate zone, the weighted average aggregate increase shall be provided. The report shall be filed together with a statement from an independent auditor attesting to the accuracy of the report. The cost of the independent auditor shall be borne by the participating utility and shall not be a recoverable expense. "The average amount paid per kilowatthour" shall be based on the participating utility's tariffed rates actually in effect and shall not be calculated using any hypothetical rate or adjustments to actual charges (other than as specified for energy efficiency) as an input.

In the event that the average annual increase exceeds 2.5% as calculated pursuant to this subsection (g), then Sections 16-108.5, 16-108.6, 16-108.7, and 16-108.8 of this Act, other than this subsection, shall be inoperative as they relate to the utility and its service area as of the date of the report due to be submitted pursuant to this subsection and the utility

shall no longer be eligible to annually update the performance-based formula rate tariff pursuant to subsection (d) of this Section. In such event, the then current rates shall remain in effect until such time as new rates are set pursuant to Article IX of this Act, subject to retroactive adjustment, with interest, to reconcile rates charged with actual costs, and the participating utility's voluntary commitments and obligations under subsection (b) of this Section shall immediately terminate, except for the utility's obligation to pay an amount already owed to the fund for training grants pursuant to a Commission order issued under subsection (b) of this Section.

In the event that the average annual increase is 2.5% or less as calculated pursuant to this subsection (g), then the performance-based formula rate shall remain in effect as set forth in this Section.

For purposes of this Section, the amount per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis, and the total amount paid for electric service includes without limitation amounts paid for supply, transmission, distribution, surcharges, and add-on taxes exclusive of any increases in taxes or new taxes imposed after October 26, 2011 (the effective date of Public Act 97-616) ~~this amendatory Act of the 97th General Assembly~~. For purposes of this Section, "eligible retail customers" shall have the meaning set forth in Section 16-111.5 of this Act.

The fact that this Section becomes inoperative as set forth in this subsection shall not be construed to mean that the Commission may reexamine or otherwise reopen prudence or reasonableness determinations already made.

(h) Sections 16-108.5, 16-108.6, 16-108.7, and 16-108.8 of this Act, other than this subsection, are inoperative after December 31, 2019 for every participating utility, after which time a participating utility shall no longer be eligible to annually update the performance-based formula rate tariff pursuant to subsection (d) of this Section. At such time, the then current rates shall remain in effect until such time as new rates are set pursuant to Article IX of this Act, subject to retroactive adjustment, with interest, to reconcile rates charged with actual costs.

By December 31, 2017, the Commission shall prepare and file with the General Assembly a report on the infrastructure program and the performance-based formula rate. The report shall include the change in the average amount per kilowatthour paid by residential customers between June 1, 2011 and May 31, 2017. If the change in the total average rate paid exceeds 2.5% compounded annually, the Commission shall include in the report an analysis that shows the portion of the change due to the delivery services component and the portion of the change due to the supply component of the rate. The report shall include separate sections for each participating utility.

In the event Sections 16-108.5, 16-108.6, 16-108.7, and

16-108.8 of this Act do not become inoperative after December 31, 2019, then these Sections are inoperative after December 31, 2022 for every participating utility, after which time a participating utility shall no longer be eligible to annually update the performance-based formula rate tariff pursuant to subsection (d) of this Section. At such time, the then current rates shall remain in effect until such time as new rates are set pursuant to Article IX of this Act, subject to retroactive adjustment, with interest, to reconcile rates charged with actual costs.

The fact that this Section becomes inoperative as set forth in this subsection shall not be construed to mean that the Commission may reexamine or otherwise reopen prudence or reasonableness determinations already made.

(i) While a participating utility may use, develop, and maintain broadband systems and the delivery of broadband services, voice-over-internet-protocol services, telecommunications services, and cable and video programming services for use in providing delivery services and Smart Grid functionality or application to its retail customers, including, but not limited to, the installation, implementation and maintenance of Smart Grid electric system upgrades as defined in Section 16-108.6 of this Act, a participating utility is prohibited from offering to its retail customers broadband services or the delivery of broadband services, voice-over-internet-protocol services,

telecommunications services, or cable or video programming services, unless they are part of a service directly related to delivery services or Smart Grid functionality or applications as defined in Section 16-108.6 of this Act, and from recovering the costs of such offerings from retail customers.

(j) Nothing in this Section is intended to legislatively overturn the opinion issued in Commonwealth Edison Co. v. Ill. Commerce Comm'n, Nos. 2-08-0959, 2-08-1037, 2-08-1137, 1-08-3008, 1-08-3030, 1-08-3054, 1-08-3313 cons. (Ill. App. Ct. 2d Dist. Sept. 30, 2010). Public Act 97-616 ~~This amendatory Act of the 97th General Assembly~~ shall not be construed as creating a contract between the General Assembly and the participating utility, and shall not establish a property right in the participating utility.

(k) The changes made in subsections (c) and (d) of this Section by Public Act 98-15 ~~this amendatory Act of the 98th General Assembly~~ are intended to be a restatement and clarification of existing law, and intended to give binding effect to the provisions of House Resolution 1157 adopted by the House of Representatives of the 97th General Assembly and Senate Resolution 821 adopted by the Senate of the 97th General Assembly that are reflected in paragraph (3) of this subsection. In addition, Public Act 98-15 ~~this amendatory Act of the 98th General Assembly~~ preempts and supersedes any final Commission orders entered in Docket Nos. 11-0721, 12-0001, 12-0293, and 12-0321 to the extent inconsistent with the

amendatory language added to subsections (c) and (d).

(1) No earlier than 5 business days after May 22, 2013 ~~(the effective date of Public Act 98-15) this amendatory Act of the 98th General Assembly,~~ each participating utility shall file any tariff changes necessary to implement the amendatory language set forth in subsections (c) and (d) of this Section by Public Act 98-15 ~~this amendatory Act of the 98th General Assembly~~ and a revised revenue requirement under the participating utility's performance-based formula rate. The Commission shall enter a final order approving such tariff changes and revised revenue requirement within 21 days after the participating utility's filing.

(2) Notwithstanding anything that may be to the contrary, a participating utility may file a tariff to retroactively recover its previously unrecovered actual costs of delivery service that are no longer subject to recovery through a reconciliation adjustment under subsection (d) of this Section. This retroactive recovery shall include any derivative adjustments resulting from the changes to subsections (c) and (d) of this Section by Public Act 98-15 ~~this amendatory Act of the 98th General Assembly~~. Such tariff shall allow the utility to assess, on current customer bills over a period of 12 monthly billing periods, a charge or credit related to those unrecovered costs with interest at the utility's weighted average cost

of capital during the period in which those costs were unrecovered. A participating utility may file a tariff that implements a retroactive charge or credit as described in this paragraph for amounts not otherwise included in the tariff filing provided for in paragraph (1) of this subsection (k). The Commission shall enter a final order approving such tariff within 21 days after the participating utility's filing.

(3) The tariff changes described in paragraphs (1) and (2) of this subsection (k) shall relate only to, and be consistent with, the following provisions of Public Act 98-15 ~~this amendatory Act of the 98th General Assembly~~: paragraph (2) of subsection (c) regarding year-end capital structure, subparagraph (D) of paragraph (4) of subsection (c) regarding pension assets, and subsection (d) regarding the reconciliation components related to year-end rate base and interest calculated at a rate equal to the utility's weighted average cost of capital.

(4) Nothing in this subsection is intended to effect a dismissal of or otherwise affect an appeal from any final Commission orders entered in Docket Nos. 11-0721, 12-0001, 12-0293, and 12-0321 other than to the extent of the amendatory language contained in subsections (c) and (d) of this Section of Public Act 98-15 ~~this amendatory Act of the 98th General Assembly~~.

(1) Each participating utility shall be deemed to have been

in full compliance with all requirements of subsection (b) of this Section, subsection (c) of this Section, Section 16-108.6 of this Act, and all Commission orders entered pursuant to Sections 16-108.5 and 16-108.6 of this Act, up to and including May 22, 2013 (the effective date of Public Act 98-15) ~~this amendatory Act of the 98th General Assembly~~. The Commission shall not undertake any investigation of such compliance and no penalty shall be assessed or adverse action taken against a participating utility for noncompliance with Commission orders associated with subsection (b) of this Section, subsection (c) of this Section, and Section 16-108.6 of this Act prior to such date. Each participating utility other than a combination utility shall be permitted, without penalty, a period of 12 months after such effective date to take actions required to ensure its infrastructure investment program is in compliance with subsection (b) of this Section and with Section 16-108.6 of this Act. Provided further: ~~(1) if this amendatory Act of the 98th General Assembly takes effect on or before June 15, 2013,~~ the following subparagraphs shall apply to a participating utility other than a combination utility:

(A) if the Commission has initiated a proceeding pursuant to subsection (e) of Section 16-108.6 of this Act that is pending as of May 22, 2013 (the effective date of Public Act 98-15) ~~this amendatory Act of the 98th General Assembly~~, then the order entered in such proceeding shall, after notice and hearing, accelerate the commencement of

the meter deployment schedule approved in the final Commission order on rehearing entered in Docket No. 12-0298;

(B) if the Commission has entered an order pursuant to subsection (e) of Section 16-108.6 of this Act prior to May 22, 2013 (the effective date of Public Act 98-15) ~~this amendatory Act of the 98th General Assembly~~ that does not accelerate the commencement of the meter deployment schedule approved in the final Commission order on rehearing entered in Docket No. 12-0298, then the utility shall file with the Commission, within 45 days after such effective date, a plan for accelerating the commencement of the utility's meter deployment schedule approved in the final Commission order on rehearing entered in Docket No. 12-0298; the Commission shall reopen the proceeding in which it entered its order pursuant to subsection (e) of Section 16-108.6 of this Act and shall, after notice and hearing, enter an amendatory order that approves or approves as modified such accelerated plan within 90 days after the utility's filing; or

(C) if the Commission has not initiated a proceeding pursuant to subsection (e) of Section 16-108.6 of this Act prior to May 22, 2013 (the effective date of Public Act 98-15) ~~this amendatory Act of the 98th General Assembly~~, then the utility shall file with the Commission, within 45 days after such effective date, a plan for accelerating the

commencement of the utility's meter deployment schedule approved in the final Commission order on rehearing entered in Docket No. 12-0298 and the Commission shall, after notice and hearing, approve or approve as modified such plan within 90 days after the utility's filing~~7~~.

~~(2) if this amendatory Act of the 98th General Assembly takes effect after June 15, 2013, then each participating utility other than a combination utility shall file with the Commission, within 45 days after such effective date, a plan for accelerating the commencement of the utility's meter deployment schedule approved in the final Commission order on rehearing entered in Docket No. 12-0298; the Commission shall reopen the most recent proceeding in which it entered an order pursuant to subsection (c) of Section 16-108.6 of this Act and within 90 days after the utility's filing shall, after notice and hearing, enter an amendatory order that approves or approves as modified such accelerated plan, provided that if there was no such prior proceeding the Commission shall open a new proceeding and within 90 days after the utility's filing shall, after notice and hearing, enter an order that approves or approves as modified such accelerated plan.~~

Any schedule for meter deployment approved by the Commission pursuant to ~~subparagraphs (1) or (2)~~ of this subsection (1) shall take into consideration procurement times for meters and other equipment and operational issues. Nothing

in Public Act 98-15 ~~this amendatory Act of the 98th General Assembly~~ shall shorten or extend the end dates for the 5-year or 10-year periods set forth in subsection (b) of this Section or Section 16-108.6 of this Act. Nothing in this subsection is intended to address whether a participating utility has, or has not, satisfied any or all of the metrics and performance goals established pursuant to subsection (f) of this Section.

(m) The provisions of Public Act 98-15 ~~this amendatory Act of the 98th General Assembly~~ are severable under Section 1.31 of the Statute on Statutes.

Section 320. The Illinois Athletic Trainers Practice Act is amended by changing Section 18 as follows:

(225 ILCS 5/18) (from Ch. 111, par. 7618)

(Section scheduled to be repealed on January 1, 2026)

(305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

(Text of Section before amendment by P.A. 99-407)

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice

dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or treatment of mental disorders or substance use disorders or co-occurring mental health and substance use disorders is determined using a uniform screening, assessment, and evaluation process inclusive of criteria, for children and adults; for purposes of this item (13), a uniform screening, assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a referral; "uniform" does not mean the use of a singular instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and

The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment

for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are

participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

(2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based

elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(E) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in

all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after January 1, 2016, the Department shall ensure that all networks of care for adult clients of the Department include access to at least one breast imaging Center of Imaging Excellence as certified by the American College of Radiology.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards for mammography.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved

by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free standing breast cancer treatment centers, breast cancer quality organizations, and doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic

commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning

treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with

medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for

participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when

authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439) ~~this amendatory Act of 1984~~, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies

reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after August 15, 2014 (the effective date of Public Act 98-963), establish procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act and MC/DD facilities licensed under the MC/DD Act to submit

monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall have an additional 365 days to test the viability of the new system and to ensure that any necessary operational or structural changes to its information technology platforms are implemented.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the

vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for

each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation

for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 5 days of receipt by the facility of required prescreening information, data for new admissions shall be entered into the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or successor system, and within 15 days of receipt by the facility of required prescreening information, admission documents shall be submitted through MEDI or REV or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance

with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the

extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or

replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or changes in benefit packages to effectuate a similar savings amount for this population; and

(iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care; and (v) no later than October 1, 2013, establish procedures to permit long term care providers access to eligibility scores for individuals with an admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

- (a) actual statistics and trends in utilization of medical services by public aid recipients;

(b) actual statistics and trends in the provision of the various medical services by medical vendors;

(c) current rate structures and proposed changes in those rate structures for the various medical vendors; and

(d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.

Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

On and after July 1, 2012, the Department shall reduce any

rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

Because kidney transplantation can be an appropriate, cost effective alternative to renal dialysis when medically necessary and notwithstanding the provisions of Section 1-11 of this Code, beginning October 1, 2014, the Department shall cover kidney transplantation for noncitizens with end-stage renal disease who are not eligible for comprehensive medical benefits, who meet the residency requirements of Section 5-3 of this Code, and who would otherwise meet the financial requirements of the appropriate class of eligible persons under Section 5-2 of this Code. To qualify for coverage of kidney transplantation, such person must be receiving emergency renal dialysis services covered by the Department. Providers under this Section shall be prior approved and certified by the Department to perform kidney transplantation and the services under this Section shall be limited to services associated with kidney transplantation.

Notwithstanding any other provision of this Code to the contrary, on or after July 1, 2015, all FDA approved forms of medication assisted treatment prescribed for the treatment of alcohol dependence or treatment of opioid dependence shall be covered under both fee for service and managed care medical assistance programs for persons who are otherwise eligible for

medical assistance under this Article and shall not be subject to any (1) utilization control, other than those established under the American Society of Addiction Medicine patient placement criteria, (2) prior authorization mandate, or (3) lifetime restriction limit mandate.

On or after July 1, 2015, opioid antagonists prescribed for the treatment of an opioid overdose, including the medication product, administration devices, and any pharmacy fees related to the dispensing and administration of the opioid antagonist, shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance under this Article. As used in this Section, "opioid antagonist" means a drug that binds to opioid receptors and blocks or inhibits the effect of opioids acting on those receptors, including, but not limited to, naloxone hydrochloride or any other similarly acting drug approved by the U.S. Food and Drug Administration.

(Text of Section after amendment by P.A. 99-407)

Sec. 5-5. Medical services. The Illinois Department, by

rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or treatment of mental disorders or substance use disorders or co-occurring mental health and substance use disorders is

determined using a uniform screening, assessment, and evaluation process inclusive of criteria, for children and adults; for purposes of this item (13), a uniform screening, assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a referral; "uniform" does not mean the use of a singular instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a

wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid

managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

(2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled

not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

- (A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(E) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography and includes breast tomosynthesis. As used in this Section, the term "breast

tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast.

On and after January 1, 2016, the Department shall ensure that all networks of care for adult clients of the Department include access to at least one breast imaging Center of Imaging Excellence as certified by the American College of Radiology.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards for mammography.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free standing breast cancer treatment centers, breast cancer quality organizations, and

doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or

patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider

licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients

in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of

choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons

eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439) ~~this amendatory Act of 1984~~, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for

abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after August 15, 2014 (the effective date of Public Act 98-963), establish procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act and MC/DD facilities licensed under the MC/DD Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall have an additional 365 days to test the viability of the new system and to ensure that any necessary operational or structural changes to its information technology platforms are implemented.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or

group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of

the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received

by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final

adjudication by the primary payer.

In the case of long term care facilities, within 5 days of receipt by the facility of required prescreening information, data for new admissions shall be entered into the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or successor system, and within 15 days of receipt by the facility of required prescreening information, admission documents shall be submitted through MEDI or REV or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary

to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or

substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care; and (v) no later than October 1, 2013, establish procedures to permit long term care providers access to eligibility scores for individuals with an admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level

of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

- (a) actual statistics and trends in utilization of medical services by public aid recipients;

Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of

(305 ILCS 5/5-30)

Sec. 5-30. Care coordination.

(a) At least 50% of recipients eligible for comprehensive medical benefits in all medical assistance programs or other health benefit programs administered by the Department, including the Children's Health Insurance Program Act and the Covering ALL KIDS Health Insurance Act, shall be enrolled in a care coordination program by no later than January 1, 2015. For purposes of this Section, "coordinated care" or "care coordination" means delivery systems where recipients will receive their care from providers who participate under contract in integrated delivery systems that are responsible for providing or arranging the majority of care, including primary care physician services, referrals from primary care physicians, diagnostic and treatment services, behavioral health services, in-patient and outpatient hospital services,

dental services, and rehabilitation and long-term care services. The Department shall designate or contract for such integrated delivery systems (i) to ensure enrollees have a choice of systems and of primary care providers within such systems; (ii) to ensure that enrollees receive quality care in a culturally and linguistically appropriate manner; and (iii) to ensure that coordinated care programs meet the diverse needs of enrollees with developmental, mental health, physical, and age-related disabilities.

(b) Payment for such coordinated care shall be based on arrangements where the State pays for performance related to health care outcomes, the use of evidence-based practices, the use of primary care delivered through comprehensive medical homes, the use of electronic medical records, and the appropriate exchange of health information electronically made either on a capitated basis in which a fixed monthly premium per recipient is paid and full financial risk is assumed for the delivery of services, or through other risk-based payment arrangements.

(c) To qualify for compliance with this Section, the 50% goal shall be achieved by enrolling medical assistance enrollees from each medical assistance enrollment category, including parents, children, seniors, and people with disabilities to the extent that current State Medicaid payment laws would not limit federal matching funds for recipients in care coordination programs. In addition, services must be more

comprehensively defined and more risk shall be assumed than in the Department's primary care case management program as of January 25, 2011 (the effective date of Public Act 96-1501) ~~this amendatory Act of the 96th General Assembly.~~

(d) The Department shall report to the General Assembly in a separate part of its annual medical assistance program report, beginning April, 2012 until April, 2016, on the progress and implementation of the care coordination program initiatives established by the provisions of Public Act 96-1501 ~~this amendatory Act of the 96th General Assembly.~~ The Department shall include in its April 2011 report a full analysis of federal laws or regulations regarding upper payment limitations to providers and the necessary revisions or adjustments in rate methodologies and payments to providers under this Code that would be necessary to implement coordinated care with full financial risk by a party other than the Department.

(e) Integrated Care Program for individuals with chronic mental health conditions.

(1) The Integrated Care Program shall encompass services administered to recipients of medical assistance under this Article to prevent exacerbations and complications using cost-effective, evidence-based practice guidelines and mental health management strategies.

(2) The Department may utilize and expand upon existing

contractual arrangements with integrated care plans under the Integrated Care Program for providing the coordinated care provisions of this Section.

(3) Payment for such coordinated care shall be based on arrangements where the State pays for performance related to mental health outcomes on a capitated basis in which a fixed monthly premium per recipient is paid and full financial risk is assumed for the delivery of services, or through other risk-based payment arrangements such as provider-based care coordination.

(4) The Department shall examine whether chronic mental health management programs and services for recipients with specific chronic mental health conditions do any or all of the following:

(A) Improve the patient's overall mental health in a more expeditious and cost-effective manner.

(B) Lower costs in other aspects of the medical assistance program, such as hospital admissions, emergency room visits, or more frequent and inappropriate psychotropic drug use.

(5) The Department shall work with the facilities and any integrated care plan participating in the program to identify and correct barriers to the successful implementation of this subsection (e) prior to and during the implementation to best facilitate the goals and objectives of this subsection (e).

(f) A hospital that is located in a county of the State in which the Department mandates some or all of the beneficiaries of the Medical Assistance Program residing in the county to enroll in a Care Coordination Program, as set forth in Section 5-30 of this Code, shall not be eligible for any non-claims based payments not mandated by Article V-A of this Code for which it would otherwise be qualified to receive, unless the hospital is a Coordinated Care Participating Hospital no later than 60 days after June 14, 2012 (the effective date of Public Act 97-689) ~~this amendatory Act of the 97th General Assembly~~ or 60 days after the first mandatory enrollment of a beneficiary in a Coordinated Care program. For purposes of this subsection, "Coordinated Care Participating Hospital" means a hospital that meets one of the following criteria:

(1) The hospital has entered into a contract to provide hospital services with one or more MCOs to enrollees of the care coordination program.

(2) The hospital has not been offered a contract by a care coordination plan that the Department has determined to be a good faith offer and that pays at least as much as the Department would pay, on a fee-for-service basis, not including disproportionate share hospital adjustment payments or any other supplemental adjustment or add-on payment to the base fee-for-service rate, except to the extent such adjustments or add-on payments are incorporated into the development of the applicable MCO

capitated rates.

As used in this subsection (f), "MCO" means any entity which contracts with the Department to provide services where payment for medical services is made on a capitated basis.

(g) No later than August 1, 2013, the Department shall issue a purchase of care solicitation for Accountable Care Entities (ACE) to serve any children and parents or caretaker relatives of children eligible for medical assistance under this Article. An ACE may be a single corporate structure or a network of providers organized through contractual relationships with a single corporate entity. The solicitation shall require that:

(1) An ACE operating in Cook County be capable of serving at least 40,000 eligible individuals in that county; an ACE operating in Lake, Kane, DuPage, or Will Counties be capable of serving at least 20,000 eligible individuals in those counties and an ACE operating in other regions of the State be capable of serving at least 10,000 eligible individuals in the region in which it operates. During initial periods of mandatory enrollment, the Department shall require its enrollment services contractor to use a default assignment algorithm that ensures if possible an ACE reaches the minimum enrollment levels set forth in this paragraph.

(2) An ACE must include at a minimum the following types of providers: primary care, specialty care,

hospitals, and behavioral healthcare.

(3) An ACE shall have a governance structure that includes the major components of the health care delivery system, including one representative from each of the groups listed in paragraph (2).

(4) An ACE must be an integrated delivery system, including a network able to provide the full range of services needed by Medicaid beneficiaries and system capacity to securely pass clinical information across participating entities and to aggregate and analyze that data in order to coordinate care.

(5) An ACE must be capable of providing both care coordination and complex case management, as necessary, to beneficiaries. To be responsive to the solicitation, a potential ACE must outline its care coordination and complex case management model and plan to reduce the cost of care.

(6) In the first 18 months of operation, unless the ACE selects a shorter period, an ACE shall be paid care coordination fees on a per member per month basis that are projected to be cost neutral to the State during the term of their payment and, subject to federal approval, be eligible to share in additional savings generated by their care coordination.

(7) In months 19 through 36 of operation, unless the ACE selects a shorter period, an ACE shall be paid on a

pre-paid capitation basis for all medical assistance covered services, under contract terms similar to Managed Care Organizations (MCO), with the Department sharing the risk through either stop-loss insurance for extremely high cost individuals or corridors of shared risk based on the overall cost of the total enrollment in the ACE. The ACE shall be responsible for claims processing, encounter data submission, utilization control, and quality assurance.

(8) In the fourth and subsequent years of operation, an ACE shall convert to a Managed Care Community Network (MCCN), as defined in this Article, or Health Maintenance Organization pursuant to the Illinois Insurance Code, accepting full-risk capitation payments.

The Department shall allow potential ACE entities 5 months from the date of the posting of the solicitation to submit proposals. After the solicitation is released, in addition to the MCO rate development data available on the Department's website, subject to federal and State confidentiality and privacy laws and regulations, the Department shall provide 2 years of de-identified summary service data on the targeted population, split between children and adults, showing the historical type and volume of services received and the cost of those services to those potential bidders that sign a data use agreement. The Department may add up to 2 non-state government employees with expertise in creating integrated delivery systems to its review team for the purchase of care

solicitation described in this subsection. Any such individuals must sign a no-conflict disclosure and confidentiality agreement and agree to act in accordance with all applicable State laws.

During the first 2 years of an ACE's operation, the Department shall provide claims data to the ACE on its enrollees on a periodic basis no less frequently than monthly.

Nothing in this subsection shall be construed to limit the Department's mandate to enroll 50% of its beneficiaries into care coordination systems by January 1, 2015, using all available care coordination delivery systems, including Care Coordination Entities (CCE), MCCNs, or MCOs, nor be construed to affect the current CCEs, MCCNs, and MCOs selected to serve seniors and persons with disabilities prior to that date.

Nothing in this subsection precludes the Department from considering future proposals for new ACEs or expansion of existing ACEs at the discretion of the Department.

(h) Department contracts with MCOs and other entities reimbursed by risk based capitation shall have a minimum medical loss ratio of 85%, shall require the entity to establish an appeals and grievances process for consumers and providers, and shall require the entity to provide a quality assurance and utilization review program. Entities contracted with the Department to coordinate healthcare regardless of risk shall be measured utilizing the same quality metrics. The quality metrics may be population specific. Any contracted

entity serving at least 5,000 seniors or people with disabilities or 15,000 individuals in other populations covered by the Medical Assistance Program that has been receiving full-risk capitation for a year shall be accredited by a national accreditation organization authorized by the Department within 2 years after the date it is eligible to become accredited. The requirements of this subsection shall apply to contracts with MCOs entered into or renewed or extended after June 1, 2013.

(h-5) The Department shall monitor and enforce compliance by MCOs with agreements they have entered into with providers on issues that include, but are not limited to, timeliness of payment, payment rates, and processes for obtaining prior approval. The Department may impose sanctions on MCOs for violating provisions of those agreements that include, but are not limited to, financial penalties, suspension of enrollment of new enrollees, and termination of the MCO's contract with the Department. As used in this subsection (h-5), "MCO" has the meaning ascribed to that term in Section 5-30.1 of this Code.

(i) Unless otherwise required by federal law, Medicaid Managed Care Entities shall not divulge, directly or indirectly, including by sending a bill or explanation of benefits, information concerning the sensitive health services received by enrollees of the Medicaid Managed Care Entity to any person other than providers and care coordinators caring for the enrollee and employees of the entity in the course of

the entity's internal operations. The Medicaid Managed Care Entity may divulge information concerning the sensitive health services if the enrollee who received the sensitive health services requests the information from the Medicaid Managed Care Entity and authorized the sending of a bill or explanation of benefits. Communications including, but not limited to, statements of care received or appointment reminders either directly or indirectly to the enrollee from the health care provider, health care professional, and care coordinators, remain permissible.

For the purposes of this subsection, the term "Medicaid Managed Care Entity" includes Care Coordination Entities, Accountable Care Entities, Managed Care Organizations, and Managed Care Community Networks.

For purposes of this subsection, the term "sensitive health services" means mental health services, substance abuse treatment services, reproductive health services, family planning services, services for sexually transmitted infections and sexually transmitted diseases, and services for sexual assault or domestic abuse. Services include prevention, screening, consultation, examination, treatment, or follow-up.

Nothing in this subsection shall be construed to relieve a Medicaid Managed Care Entity or the Department of any duty to report incidents of sexually transmitted infections to the Department of Public Health or to the local board of health in accordance with regulations adopted under a statute or

ordinance or to report incidents of sexually transmitted infections as necessary to comply with the requirements under Section 5 of the Abused and Neglected Child Reporting Act or as otherwise required by State or federal law.

The Department shall create policy in order to implement the requirements in this subsection.

(j) ~~(i)~~ Managed Care Entities (MCEs), including MCOs and all other care coordination organizations, shall develop and maintain a written language access policy that sets forth the standards, guidelines, and operational plan to ensure language appropriate services and that is consistent with the standard of meaningful access for populations with limited English proficiency. The language access policy shall describe how the MCEs will provide all of the following required services:

(1) Translation (the written replacement of text from one language into another) of all vital documents and forms as identified by the Department.

(2) Qualified interpreter services (the oral communication of a message from one language into another by a qualified interpreter).

(3) Staff training on the language access policy, including how to identify language needs, access and provide language assistance services, work with interpreters, request translations, and track the use of language assistance services.

(4) Data tracking that identifies the language need.

(5) Notification to participants on the availability of language access services and on how to access such services.

Sec. 10-25. Administrative liens and levies on real property for past-due child support.

(a) Notwithstanding any other State or local law to the contrary, the State shall have a lien on all legal and equitable interests of responsible relatives in their real property in the amount of past-due child support owing pursuant to an order for child support entered under Sections 10-10 and 10-11 of this Code, or under the Illinois Marriage and Dissolution of Marriage Act, the Non-Support of Spouse and Children Act, the Non-Support Punishment Act, the Uniform Interstate Family Support Act, the Illinois Parentage Act of 1984, or the Illinois Parentage Act of 2015.

(b) The Illinois Department shall provide by rule for notice to and an opportunity to be heard by each responsible relative affected, and any final administrative decision rendered by the Illinois Department shall be reviewed only under and in accordance with the Administrative Review Law.

(c) When enforcing a lien under subsection (a) of this

Section, the Illinois Department shall have the authority to execute notices of administrative liens and levies, which shall contain the name and address of the responsible relative, a legal description of the real property to be levied, the fact that a lien is being claimed for past-due child support, and such other information as the Illinois Department may by rule prescribe. The Illinois Department shall record the notice of lien with the recorder or registrar of titles of the county or counties in which the real estate is located.

(d) The State's lien under subsection (a) shall be enforceable upon the recording or filing of a notice of lien with the recorder or registrar of titles of the county or counties in which the real estate is located. The lien shall be prior to any lien thereafter recorded or filed and shall be notice to a subsequent purchaser, assignor, or encumbrancer of the existence and nature of the lien. The lien shall be inferior to the lien of general taxes, special assessment, and special taxes heretofore or hereafter levied by any political subdivision or municipal corporation of the State.

In the event that title to the land to be affected by the notice of lien is registered under the Registered Titles (Torrens) Act, the notice shall be filed in the office of the registrar of titles as a memorial or charge upon each folium of the register of titles affected by the notice; but the State shall not have a preference over the rights of any bona fide purchaser, mortgagee, judgment creditor, or other lien holders

registered prior to the registration of the notice.

(e) The recorder or registrar of titles of each county shall procure a file labeled "Child Support Lien Notices" and an index book labeled "Child Support Lien Notices". When notice of any lien is presented to the recorder or registrar of titles for filing, the recorder or registrar of titles shall file it in numerical order in the file and shall enter it alphabetically in the index. The entry shall show the name and last known address of the person named in the notice, the serial number of the notice, the date and hour of filing, and the amount of child support due at the time when the lien is filed.

(f) The Illinois Department shall not be required to furnish bond or make a deposit for or pay any costs or fees of any court or officer thereof in any legal proceeding involving the lien.

(g) To protect the lien of the State for past-due child support, the Illinois Department may, from funds that are available for that purpose, pay or provide for the payment of necessary or essential repairs, purchase tax certificates, pay balances due on land contracts, or pay or cause to be satisfied any prior liens on the property to which the lien hereunder applies.

(h) A lien on real property under this Section shall be released pursuant to Section 12-101 of the Code of Civil Procedure.

(i) The Illinois Department, acting in behalf of the State, may foreclose the lien in a judicial proceeding to the same extent and in the same manner as in the enforcement of other liens. The process, practice, and procedure for the foreclosure shall be the same as provided in the Code of Civil Procedure.

(a) Notwithstanding any other State or local law to the contrary, the State shall have a lien on all legal and equitable interests of responsible relatives in their real property in the amount of past-due child support owing pursuant to an order for child support entered under Sections 10-10 and 10-11 of this Code, or under the Illinois Marriage and Dissolution of Marriage Act, the Non-Support of Spouse and Children Act, the Non-Support Punishment Act, the Uniform Interstate Family Support Act, the Illinois Parentage Act of 1984, or the Illinois Parentage Act of 2015.

(a-5) The State shall have a lien on all legal and equitable interests of a payor, as that term is described in

the Income Withholding for Support Act, in the payor's real property in the amount of any fine imposed by the Illinois Department pursuant to the Income Withholding for Support Act.

(b) The Illinois Department shall provide by rule for notice to and an opportunity to be heard by each responsible relative or payor affected, and any final administrative decision rendered by the Illinois Department shall be reviewed only under and in accordance with the Administrative Review Law.

The Illinois Department shall record the notice of lien with the recorder or registrar of titles of the county or counties in which the real estate is located.

(d) The State's lien under subsection (a) shall be enforceable upon the recording or filing of a notice of lien with the recorder or registrar of titles of the county or counties in which the real estate is located. The lien shall be prior to any lien thereafter recorded or filed and shall be

In the event that title to the land to be affected by the notice of lien is registered under the Registered Titles (Torrens) Act, the notice shall be filed in the office of the registrar of titles as a memorial or charge upon each folium of the register of titles affected by the notice; but the State shall not have a preference over the rights of any bona fide purchaser, mortgagee, judgment creditor, or other lien holders registered prior to the registration of the notice.

(e) The recorder or registrar of titles of each county shall procure a file labeled "Child Support Lien Notices" and an index book labeled "Child Support Lien Notices". When notice of any lien is presented to the recorder or registrar of titles for filing, the recorder or registrar of titles shall file it in numerical order in the file and shall enter it alphabetically in the index. The entry shall show the name and last known address of the person or payor named in the notice, the serial number of the notice, the date and hour of filing, and the amount of child support or the amount of the fine imposed on the payor due at the time when the lien is filed.

(f) The Illinois Department shall not be required to furnish bond or make a deposit for or pay any costs or fees of

any court or officer thereof in any legal proceeding involving the lien.

(g) To protect the lien of the State for past-due child support and for any fine imposed against a payor, the Illinois Department may, from funds that are available for that purpose, pay or provide for the payment of necessary or essential repairs, purchase tax certificates, pay balances due on land contracts, or pay or cause to be satisfied any prior liens on the property to which the lien hereunder applies.

(h) A lien on real property under this Section shall be released pursuant to Section 12-101 of the Code of Civil Procedure.

(i) The Illinois Department, acting in behalf of the State, may foreclose the lien in a judicial proceeding to the same extent and in the same manner as in the enforcement of other liens. The process, practice, and procedure for the foreclosure shall be the same as provided in the Code of Civil Procedure.

(1) "Severe and multiple impairments" means the manifestation of all of the following characteristics:

(1) The evaluation determines the presence of a developmental disability which is expected to continue indefinitely, constitutes a substantial disability and is attributable to any of the following:

(A) Intellectual disability, which is defined as general intellectual functioning that is 2 or more standard deviations below the mean concurrent with impairment of adaptive behavior which is 2 or more standard deviations below the mean. Assessment of the individual's intellectual functioning must be measured by a standardized instrument for general intellectual functioning.

(B) Cerebral palsy.

(C) Epilepsy.

(D) Autism.

(E) Any other condition which results in impairment similar to that caused by an intellectual disability and which requires services similar to

those required by persons with intellectual disabilities.

(2) The evaluation determines multiple disabilities in physical, sensory, behavioral or cognitive functioning which constitute a severe or profound impairment attributable to one or more of the following:

(A) Physical functioning, which severely impairs the individual's motor performance that may be due to:

(i) Neurological, psychological or physical involvement resulting in a variety of disabling conditions such as hemiplegia, quadriplegia or ataxia,

(iii) Physical abnormalities resulting in the individual being non-mobile and non-ambulatory or confined to bed and receiving assistance in transferring, or

(iv) The need for regular medical or nursing supervision such as gastrostomy care and feeding.

Assessment of physical functioning must be based on clinical medical assessment by a physician licensed to practice medicine in all its branches, using the appropriate instruments, techniques and standards of measurement required by the professional.

(B) Sensory, which involves severe restriction due

to hearing or visual impairment limiting the individual's movement and creating dependence in completing most daily activities. Hearing impairment is defined as a loss of 70 decibels aided or speech discrimination of less than 50% aided. Affective behavior must be based on clinical assessment using the appropriate instruments, techniques and standards of measurement required by the professional.

(C) Psychomotor, which includes a severe developmental delay in fine or gross motor skills so that development in self-care, social interaction, communication or physical activity will be greatly delayed or restricted.

(4) A determination that the disability originated before the age of 18 years.

A determination of severe and multiple impairments shall be based upon a comprehensive, documented assessment with an evaluation by a licensed clinical psychologist or psychiatrist.

If the examiner is a licensed clinical psychologist, ancillary evaluation of physical impairment, cerebral palsy or epilepsy must be made by a physician licensed to practice medicine in all its branches.

Regardless of the discipline of the examiner, ancillary evaluation of visual impairment must be made by an ophthalmologist or a licensed optometrist.

Regardless of the discipline of the examiner, ancillary evaluation of hearing impairment must be made by an otolaryngologist or an audiologist with a certificate of clinical competency.

The only exception to the above is in the case of a person with cerebral palsy or epilepsy who, according to the eligibility criteria listed below, has multiple impairments which are only physical and sensory. In such a case, a physician licensed to practice medicine in all its branches may serve as the examiner.

(m) "Twenty-four-hour-a-day supervision" means 24-hour-a-day care by a trained mental health or developmental disability professional on an ongoing basis.

Sec. 5.5. Risk assessment.

(a) Whenever the Department receives a report of HIV infection or AIDS pursuant to this Act and the Department determines that the subject of the report may present or may have presented a possible risk of HIV transmission, the Department shall, when medically appropriate, investigate the subject of the report and that person's contacts as defined in subsection (c), to assess the potential risks of transmission. Any investigation and action shall be conducted in a timely fashion. All contacts other than those defined in subsection (c) shall be investigated in accordance with Section 5 of this

Act.

(b) If the Department determines that there is or may have been potential risks of HIV transmission from the subject of the report to other persons, the Department shall afford the subject the opportunity to submit any information and comment on proposed actions the Department intends to take with respect to the subject's contacts who are at potential risk of transmission of HIV prior to notification of the subject's contacts. Section 450. The Food Handling Regulation Enforcement Act is amended by changing Section 3.3 as follows:

(410 ILCS 625/3.3)

Sec. 3.3. Farmers' markets.

(a) The General Assembly finds as follows:

(1) Farmers' markets, as defined in subsection (b) of this Section, provide not only a valuable marketplace for farmers and food artisans to sell their products directly to consumers, but also a place for consumers to access fresh fruits, vegetables, and other agricultural products.

(2) Farmers' markets serve as a stimulator for local economies and for thousands of new businesses every year, allowing farmers to sell directly to consumers and capture the full retail value of their products. They have become important community institutions and have figured in the revitalization of downtown districts and rural communities.

(3) Since 1999, the number of farmers' markets has tripled and new ones are being established every year. There is a lack of consistent regulation from one county to the next, resulting in confusion and discrepancies between counties regarding how products may be sold.

(4) In 1999, the Department of Public Health published Technical Information Bulletin/Food #30 in order to outline the food handling and sanitation guidelines required for farmers' markets, producer markets, and other outdoor food sales events.

(5) While this bulletin was revised in 2010, there continues to be inconsistencies, confusion, and lack of awareness by consumers, farmers, markets, and local health authorities of required guidelines affecting farmers' markets from county to county.

(b) For the purposes of this Section:

"Department" means the Department of Public Health.

"Director" means the Director of Public Health.

"Farmers' market" means a common facility or area where the

primary purpose is for farmers to gather to sell a variety of fresh fruits and vegetables and other locally produced farm and food products directly to consumers.

(c) In order to facilitate the orderly and uniform statewide implementation of the standards established in the Department of Public Health's administrative rules for this Section, the Farmers' Market Task Force shall be formed by the Director to assist the Department in implementing statewide administrative regulations for farmers' markets.

(d) This Section does not intend and shall not be construed to limit the power of counties, municipalities, and other local government units to regulate farmers' markets for the protection of the public health, safety, morals, and welfare, including, but not limited to, licensing requirements and time, place, and manner restrictions. This Section provides for a statewide scheme for the orderly and consistent interpretation of the Department of Public Health administrative rules pertaining to the safety of food and food products sold at farmers' markets.

(e) The Farmers' Market Task Force shall consist of at least 24 members appointed within 60 days after August 16, 2011 (the effective date of this Section). Task Force members shall consist of:

(1) one person appointed by the President of the Senate;

(2) one person appointed by the Minority Leader of the

Senate;

(3) one person appointed by the Speaker of the House of Representatives;

(4) one person appointed by the Minority Leader of the House of Representatives;

(5) the Director of Public Health or his or her designee;

(6) the Director of Agriculture or his or her designee;

(7) a representative of a general agricultural production association appointed by the Department of Agriculture;

(8) three representatives of local county public health departments appointed by the Director and selected from 3 different counties representing each of the northern, central, and southern portions of this State;

(9) four members of the general public who are engaged in local farmers' markets appointed by the Director of Agriculture;

(10) a representative of an association representing public health administrators appointed by the Director;

(11) a representative of an organization of public health departments that serve the City of Chicago and the counties of Cook, DuPage, Kane, Kendall, Lake, McHenry, Will, and Winnebago appointed by the Director;

(12) a representative of a general public health association appointed by the Director;

(13) the Director of Commerce and Economic Opportunity or his or her designee;

(14) the Lieutenant Governor or his or her designee; and

(15) five farmers who sell their farm products at farmers' markets appointed by the Lieutenant Governor or his or her designee.

Task Force members' terms shall be for a period of 2 years, with ongoing appointments made according to the provisions of this Section.

(f) The Task Force shall be convened by the Director or his or her designee. Members shall elect a Task Force Chair and Co-Chair.

(g) Meetings may be held via conference call, in person, or both. Three members of the Task Force may call a meeting as long as a 5-working-day notification is sent via mail, e-mail, or telephone call to each member of the Task Force.

(h) Members of the Task Force shall serve without compensation.

(i) The Task Force shall undertake a comprehensive and thorough review of the current Statutes and administrative rules that define which products and practices are permitted and which products and practices are not permitted at farmers' markets and to assist the Department in developing statewide administrative regulations for farmers' markets.

(j) The Task Force shall advise the Department regarding

the content of any administrative rules adopted under this Section and Sections 3.4, 3.5, and 4 of this Act ~~Section~~ prior to adoption of the rules. Any administrative rules, except emergency rules adopted pursuant to Section 5-45 of the Illinois Administrative Procedure Act, adopted under this Section without obtaining the advice of the Task Force are null and void. If the Department fails to follow the advice of the Task Force, the Department shall, prior to adopting the rules, transmit a written explanation to the Task Force. If the Task Force, having been asked for its advice, fails to advise the Department within 90 days after receiving the rules for review, the rules shall be considered to have been approved by the Task Force.

(k) The Department of Public Health shall provide staffing support to the Task Force and shall help to prepare, print, and distribute all reports deemed necessary by the Task Force.

(l) The Task Force may request assistance from any entity necessary or useful for the performance of its duties. The Task Force shall issue a report annually to the Secretary of the Senate and the Clerk of the House.

(m) The following provisions shall apply concerning statewide farmers' market food safety guidelines:

(1) The Director, in accordance with this Section, shall adopt administrative rules (as provided by the Illinois Administrative Procedure Act) for foods found at farmers' markets.

(2) The rules and regulations described in this Section shall be consistently enforced by local health authorities throughout the State.

(2.5) Notwithstanding any other provision of law except as provided in this Section, local public health departments and all other units of local government are prohibited from creating sanitation guidelines, rules, or regulations for farmers' markets that are more stringent than those farmers' market sanitation regulations contained in the administrative rules adopted by the Department for the purposes of implementing this Section and Sections 3.4, 3.5, and 4 of this Act. Except as provided for in Sections 3.4 and 4 of this Act, this Section does not intend and shall not be construed to limit the power of local health departments and other government units from requiring licensing and permits for the sale of commercial food products, processed food products, prepared foods, and potentially hazardous foods at farmers' markets or conducting related inspections and enforcement activities, so long as those permits and licenses do not include unreasonable fees or sanitation provisions and rules that are more stringent than those laid out in the administrative rules adopted by the Department for the purposes of implementing this Section and Sections 3.4, 3.5, and 4 of this Act.

(3) In the case of alleged non-compliance with the

provisions described in this Section, local health departments shall issue written notices to vendors and market managers of any noncompliance issues.

(4) Produce and food products coming within the scope of the provisions of this Section shall include, but not be limited to, raw agricultural products, including fresh fruits and vegetables; popcorn, grains, seeds, beans, and nuts that are whole, unprocessed, unpackaged, and unsprouted; fresh herb springs and dried herbs in bunches; baked goods sold at farmers' markets; cut fruits and vegetables; milk and cheese products; ice cream; syrups; wild and cultivated mushrooms; apple cider and other fruit and vegetable juices; herb vinegar; garlic-in-oil; flavored oils; pickles, relishes, salsas, and other canned or jarred items; shell eggs; meat and poultry; fish; ready-to-eat foods; commercially produced prepackaged food products; and any additional items specified in the administrative rules adopted by the Department to implement Section 3.3 of this Act.

(n) Local health department regulatory guidelines may be applied to foods not often found at farmers' markets, all other food products not regulated by the Department of Agriculture and the Department of Public Health, as well as live animals to be sold at farmers' markets.

(o) The Task Force shall issue annual reports to the Secretary of the Senate and the Clerk of the House with

recommendations for the development of administrative rules as specified. The first report shall be issued no later than December 31, 2012.

(p) The Department of Public Health and the Department of Agriculture, in conjunction with the Task Force, shall adopt administrative rules necessary to implement, interpret, and make specific the provisions of this Section, including, but not limited to, rules concerning labels, sanitation, and food product safety according to the realms of their jurisdiction in accordance with subsection (j) of this Section.

(q) The Department and the Task Force shall work together to create a food sampling training and license program as specified in Section 3.4 of this Act.

Sec. 22.55. Household Waste Drop-off Points.

(a) Findings; Purpose and Intent.

(1) The General Assembly finds that protection of human health and the environment can be enhanced if certain commonly generated household wastes are managed separately from the general household waste stream.

(2) The purpose of this Section is to provide, to the extent allowed under federal law, a method for managing certain types of household waste separately from the general household waste stream.

(b) Definitions. For the purposes of this Section:

"Compostable waste" means household waste that is source-separated food scrap, household waste that is source-separated landscape waste, or a mixture of both.

"Controlled substance" means a controlled substance as defined in the Illinois Controlled Substances Act.

"Household waste" means waste generated from a single residence or multiple residences.

"Household waste drop-off point" means the portion of a site or facility used solely for the receipt and temporary storage of household waste.

"One-day compostable waste collection event" means a

household waste drop-off point approved by a county or municipality under subsection (d-5) of this Section.

"One-day household waste collection event" means a household waste drop-off point approved by the Agency under subsection (d) of this Section.

"Permanent compostable waste collection point" means a household waste drop-off point approved by a county or municipality under subsection (d-6) of this Section.

"Personal care product" means an item other than a pharmaceutical product that is consumed or applied by an individual for personal health, hygiene, or cosmetic reasons. Personal care products include, but are not limited to, items used in bathing, dressing, or grooming.

"Pharmaceutical product" means medicine or a product containing medicine. A pharmaceutical product may be sold by prescription or over the counter. "Pharmaceutical product" does not include medicine that contains a radioactive component or a product that contains a radioactive component.

"Recycling coordinator" means the person designated by each county waste management plan to administer the county recycling program, as set forth in the Solid Waste Management Act.

(c) Except as otherwise provided in Agency rules, the following requirements apply to each household waste drop-off point, other than a one-day household waste collection event,

one-day compostable waste collection event, or permanent compostable waste collection point:

(1) A household waste drop-off point must not accept waste other than the following types of household waste: pharmaceutical products, personal care products, batteries other than lead-acid batteries, paints, automotive fluids, compact fluorescent lightbulbs, mercury thermometers, and mercury thermostats. A household waste drop-off point may accept controlled substances in accordance with federal law.

(2) Except as provided in subdivision (c)(2) of this Section, household waste drop-off points must be located at a site or facility where the types of products accepted at the household waste drop-off point are lawfully sold, distributed, or dispensed. For example, household waste drop-off points that accept prescription pharmaceutical products must be located at a site or facility where prescription pharmaceutical products are sold, distributed, or dispensed.

(A) Subdivision (c)(2) of this Section does not apply to household waste drop-off points operated by a government or school entity, or by an association or other organization of government or school entities.

(B) Household waste drop-off points that accept mercury thermometers can be located at any site or facility where non-mercury thermometers are sold,

distributed, or dispensed.

(C) Household waste drop-off points that accept mercury thermostats can be located at any site or facility where non-mercury thermostats are sold, distributed, or dispensed.

(3) The location of acceptance for each type of waste accepted at the household waste drop-off point must be clearly identified. Locations where pharmaceutical products are accepted must also include a copy of the sign required under subsection (j) of this Section.

(4) Household waste must be accepted only from private individuals. Waste must not be accepted from other persons, including, but not limited to, owners and operators of rented or leased residences where the household waste was generated, commercial haulers, and other commercial, industrial, agricultural, and government operations or entities.

(5) If more than one type of household waste is accepted, each type of household waste must be managed separately prior to its packaging for off-site transfer.

(6) Household waste must not be stored for longer than 90 days after its receipt, except as otherwise approved by the Agency in writing.

(7) Household waste must be managed in a manner that protects against releases of the waste, prevents nuisances, and otherwise protects human health and the

environment. Household waste must also be properly secured to prevent unauthorized public access to the waste, including, but not limited to, preventing access to the waste during the non-business hours of the site or facility on which the household waste drop-off point is located. Containers in which pharmaceutical products are collected must be clearly marked "No Controlled Substances", unless the household waste drop-off point accepts controlled substances in accordance with federal law.

(8) Management of the household waste must be limited to the following: (i) acceptance of the waste, (ii) temporary storage of the waste prior to transfer, and (iii) off-site transfer of the waste and packaging for off-site transfer.

(9) Off-site transfer of the household waste must comply with federal and State laws and regulations.

(d) One-day household waste collection events. To further aid in the collection of certain household wastes, the Agency may approve the operation of one-day household waste collection events. The Agency shall not approve a one-day household waste collection event at the same site or facility for more than one day each calendar quarter. Requests for approval must be submitted on forms prescribed by the Agency. The Agency must issue its approval in writing, and it may impose conditions as necessary to protect human health and the environment and to otherwise accomplish the purposes of this Act. One-day

household waste collection events must be operated in accordance with the Agency's approval, including all conditions contained in the approval. The following requirements apply to all one-day household waste collection events, in addition to the conditions contained in the Agency's approval:

(1) Waste accepted at the event must be limited to household waste and must not include garbage, landscape waste, or other waste excluded by the Agency in the Agency's approval or any conditions contained in the approval. A one-day household waste collection event may accept controlled substances in accordance with federal law.

(2) Household waste must be accepted only from private individuals. Waste must not be accepted from other persons, including, but not limited to, owners and operators of rented or leased residences where the household waste was generated, commercial haulers, and other commercial, industrial, agricultural, and government operations or entities.

(3) Household waste must be managed in a manner that protects against releases of the waste, prevents nuisances, and otherwise protects human health and the environment. Household waste must also be properly secured to prevent public access to the waste, including, but not limited to, preventing access to the waste during the

event's non-business hours.

(4) Management of the household waste must be limited to the following: (i) acceptance of the waste, (ii) temporary storage of the waste before transfer, and (iii) off-site transfer of the waste or packaging for off-site transfer.

(5) Except as otherwise approved by the Agency, all household waste received at the collection event must be transferred off-site by the end of the day following the collection event.

(6) The transfer and ultimate disposition of household waste received at the collection event must comply with the Agency's approval, including all conditions contained in the approval.

(d-5) One-day compostable waste collection event. To further aid in the collection and composting of compostable waste, as defined in subsection (b), a municipality may approve the operation of one-day compostable waste collection events at any site or facility within its territorial jurisdiction, and a county may approve the operation of one-day compostable waste collection events at any site or facility in any unincorporated area within its territorial jurisdiction. The approval granted under this subsection (d-5) must be in writing; must specify the date, location, and time of the event; and must list the types of compostable waste that will be collected at the event. If the one-day compostable waste collection event is to be

operated at a location within a county with a population of more than 400,000 but less than 2,000,000 inhabitants, according to the 2010 decennial census, then the operator of the event shall, at least 30 days before the event, provide a copy of the approval to the recycling coordinator designated by that county. The approval granted under this subsection (d-5) may include conditions imposed by the county or municipality as necessary to protect public health and prevent odors, vectors, and other nuisances. A one-day compostable waste collection event approved under this subsection (d-5) must be operated in accordance with the approval, including all conditions contained in the approval. The following requirements shall apply to the one-day compostable waste collection event, in addition to the conditions contained in the approval:

(1) Waste accepted at the event must be limited to the types of compostable waste authorized to be accepted under the approval.

(2) Information promoting the event and signs at the event must clearly indicate the types of compostable waste approved for collection. To discourage the receipt of other waste, information promoting the event and signs at the event must also include:

(A) examples of compostable waste being collected;  
and

(B) examples of waste that is not being collected.

(3) Compostable waste must be accepted only from

private individuals. It may not be accepted from other persons, including, but not limited to, owners and operators of rented or leased residences where it was generated, commercial haulers, and other commercial, industrial, agricultural, and government operations or entities.

(4) Compostable waste must be managed in a manner that protects against releases of the waste, prevents nuisances, and otherwise protects human health and the environment. Compostable waste must be properly secured to prevent it from being accessed by the public at any time, including, but not limited to, during the collection event's non-operating hours. One-day compostable waste collection events must be adequately supervised during their operating hours.

(5) Compostable waste must be secured in non-porous, rigid, leak-proof containers that:

(A) are covered, except when the compostable waste is being added to or removed from the containers or it is otherwise necessary to access the compostable waste;

(B) prevent precipitation from draining through the compostable waste;

(C) prevent dispersion of the compostable waste by wind;

(D) contain spills or releases that could create

nuisances or otherwise harm human health or the environment;

(E) limit access to the compostable waste by vectors;

(F) control odors and other nuisances; and

(G) provide for storage, removal, and off-site transfer of the compostable waste in a manner that protects its ability to be composted.

(6) No more than a total of 40 cubic yards of compostable waste shall be located at the collection site at any one time.

(7) Management of the compostable waste must be limited to the following: (A) acceptance, (B) temporary storage before transfer, and (C) off-site transfer.

(8) All compostable waste received at the event must be transferred off-site to a permitted compost facility by no later than 48 hours after the event ends or by the end of the first business day after the event ends, whichever is sooner.

(9) If waste other than compostable waste is received at the event, then that waste must be disposed of within 48 hours after the event ends or by the end of the first business day after the event ends, whichever is sooner.

(d-6) Permanent compostable waste collection points. To further aid in the collection and composting of compostable waste, as defined in subsection (b), a municipality may approve

the operation of permanent compostable waste collection points at any site or facility within its territorial jurisdiction, and a county may approve the operation of permanent compostable waste collection points at any site or facility in any unincorporated area within its territorial jurisdiction. The approval granted pursuant to this subsection (d-6) must be in writing; must specify the location, operating days, and operating hours of the collection point; must list the types of compostable waste that will be collected at the collection point; and must specify a term of not more than 365 calendar days during which the approval will be effective. In addition, if the permanent compostable waste collection point is to be operated at a location within a county with a population of more than 400,000 but less than 2,000,000 inhabitants, according to the 2010 federal decennial census, then the operator of the collection point shall, at least 30 days before the collection point begins operation, provide a copy of the approval to the recycling coordinator designated by that county. The approval may include conditions imposed by the county or municipality as necessary to protect public health and prevent odors, vectors, and other nuisances. A permanent compostable waste collection point approved pursuant to this subsection (d-6) must be operated in accordance with the approval, including all conditions contained in the approval. The following requirements apply to the permanent compostable waste collection point, in addition to the conditions contained

in the approval:

(1) Waste accepted at the collection point must be limited to the types of compostable waste authorized to be accepted under the approval.

(2) Information promoting the collection point and signs at the collection point must clearly indicate the types of compostable waste approved for collection. To discourage the receipt of other waste, information promoting the collection point and signs at the collection point must also include (A) examples of compostable waste being collected and (B) examples of waste that is not being collected.

(3) Compostable waste must be accepted only from private individuals. It may not be accepted from other persons, including, but not limited to, owners and operators of rented or leased residences where it was generated, commercial haulers, and other commercial, industrial, agricultural, and government operations or entities.

(4) Compostable waste must be managed in a manner that protects against releases of the waste, prevents nuisances, and otherwise protects human health and the environment. Compostable waste must be properly secured to prevent it from being accessed by the public at any time, including, but not limited to, during the collection point's non-operating hours. Permanent compostable waste

collection points must be adequately supervised during their operating hours.

(5) Compostable waste must be secured in non-porous, rigid, leak-proof containers that:

(A) are no larger than 10 cubic yards in size;

(B) are covered, except when the compostable waste is being added to or removed from the container or it is otherwise necessary to access the compostable waste;

(C) prevent precipitation from draining through the compostable waste;

(D) prevent dispersion of the compostable waste by wind;

(E) contain spills or releases that could create nuisances or otherwise harm human health or the environment;

(F) limit access to the compostable waste by vectors;

(G) control odors and other nuisances; and

(H) provide for storage, removal, and off-site transfer of the compostable waste in a manner that protects its ability to be composted.

(6) No more than a total of 10 cubic yards of compostable waste shall be located at the permanent compostable waste collection site at any one time.

(7) Management of the compostable waste must be limited

to the following: (A) acceptance, (B) temporary storage before transfer, and (C) off-site transfer.

(8) All compostable waste received at the permanent compostable waste collection point must be transferred off-site to a permitted compost facility not less frequently than once every 7 days.

(9) If a permanent compostable waste collection point receives waste other than compostable waste, then that waste must be disposed of not less frequently than once every 7 days.

(e) The Agency may adopt rules governing the operation of household waste drop-off points, other than one-day household waste collection events, one-day compostable waste collection events, and permanent compostable waste collection points. Those rules must be designed to protect against releases of waste to the environment, prevent nuisances, and otherwise protect human health and the environment. As necessary to address different circumstances, the regulations may contain different requirements for different types of household waste and different types of household waste drop-off points, and the regulations may modify the requirements set forth in subsection (c) of this Section. The regulations may include, but are not limited to, the following: (i) identification of additional types of household waste that can be collected at household waste drop-off points, (ii) identification of the different types of household wastes that can be received at different

household waste drop-off points, (iii) the maximum amounts of each type of household waste that can be stored at household waste drop-off points at any one time, and (iv) the maximum time periods each type of household waste can be stored at household waste drop-off points.

(f) Prohibitions.

(1) Except as authorized in a permit issued by the Agency, no person shall cause or allow the operation of a household waste drop-off point, other than a one-day household waste collection event, one-day compostable waste collection event, or permanent compostable waste collection point, in violation of this Section or any regulations adopted under this Section.

(2) No person shall cause or allow the operation of a one-day household waste collection event in violation of this Section or the Agency's approval issued under subsection (d) of this Section, including all conditions contained in the approval.

(3) No person shall cause or allow the operation of a one-day compostable waste collection event in violation of this Section or the approval issued for the one-day compostable waste collection event under subsection (d-5) of this Section, including all conditions contained in the approval.

(4) No person shall cause or allow the operation of a permanent compostable waste collection event in violation

of this Section or the approval issued for the permanent compostable waste collection point under subsection (d-6) of this Section, including all conditions contained in the approval.

(g) Permit exemptions.

(1) No permit is required under subdivision (d) (1) of Section 21 of this Act for the operation of a household waste drop-off point, other than a one-day household waste collection event, one-day compostable waste collection event, or permanent compostable waste collection point, if the household waste drop-off point is operated in accordance with this Section and all regulations adopted under this Section.

(2) No permit is required under subdivision (d) (1) of Section 21 of this Act for the operation of a one-day household waste collection event if the event is operated in accordance with this Section and the Agency's approval issued under subsection (d) of this Section, including all conditions contained in the approval, or for the operation of a household waste collection event by the Agency.

(3) No permit is required under paragraph (1) of subsection (d) of Section 21 of this Act for the operation of a one-day compostable waste collection event if the compostable waste collection event is operated in accordance with this Section and the approval issued for the compostable waste collection point under subsection

(d-5) of this Section, including all conditions contained in the approval.

(4) No permit is required under paragraph (1) of subsection (d) of Section 21 of this Act for the operation of a permanent compostable waste collection point if the collection point is operated in accordance with this Section and the approval issued for the compostable waste collection event under subsection (d-6) of this Section, including all conditions contained in the approval.

(h) This Section does not apply to the following:

(1) Persons accepting household waste that they are authorized to accept under a permit issued by the Agency.

(2) Sites or facilities operated pursuant to an intergovernmental agreement entered into with the Agency under Section 22.16b(d) of this Act.

(i) The Agency, in consultation with the Department of Public Health, must develop and implement a public information program regarding household waste drop-off points that accept pharmaceutical products, as well as mail-back programs authorized under federal law.

(j) The Agency must develop a sign that provides information on the proper disposal of unused pharmaceutical products. The sign shall include information on approved drop-off sites or list a website where updated information on drop-off sites can be accessed. The sign shall also include information on mail-back programs and self-disposal. The

Agency shall make a copy of the sign available for downloading from its website. Every pharmacy shall display the sign in the area where medications are dispensed and shall also display any signs the Agency develops regarding local take-back programs or household waste collection events. These signs shall be no larger than 8.5 inches by 11 inches.

(k) If an entity chooses to participate as a household waste drop-off point, then it must follow the provisions of this Section and any rules the Agency may adopt governing household waste drop-off points.

(l) The Agency shall establish, by rule, a statewide medication take-back program by June 1, 2016 to ensure that there are pharmaceutical product disposal options regularly available for residents across the State. (415 ILCS 5/39) (from Ch. 111 1/2, par. 1039)

Sec. 39. Issuance of permits; procedures.

(a) When the Board has by regulation required a permit for the construction, installation, or operation of any type of facility, equipment, vehicle, vessel, or aircraft, the applicant shall apply to the Agency for such permit and it shall be the duty of the Agency to issue such a permit upon proof by the applicant that the facility, equipment, vehicle, vessel, or aircraft will not cause a violation of this Act or of regulations hereunder. The Agency shall adopt such procedures as are necessary to carry out its duties under this Section. In making its determinations on permit applications under this Section the Agency may consider prior adjudications of noncompliance with this Act by the applicant that involved a release of a contaminant into the environment. In granting permits, the Agency may impose reasonable conditions specifically related to the applicant's past compliance history with this Act as necessary to correct, detect, or prevent noncompliance. The Agency may impose such other conditions as may be necessary to accomplish the purposes of this Act, and as are not inconsistent with the regulations promulgated by the Board hereunder. Except as otherwise provided in this Act, a bond or other security shall not be required as a condition for the issuance of a permit. If the Agency denies any permit under this Section, the Agency shall

transmit to the applicant within the time limitations of this Section specific, detailed statements as to the reasons the permit application was denied. Such statements shall include, but not be limited to the following:

(i) the Sections of this Act which may be violated if the permit were granted;

(ii) the provision of the regulations, promulgated under this Act, which may be violated if the permit were granted;

(iii) the specific type of information, if any, which the Agency deems the applicant did not provide the Agency; and

(iv) a statement of specific reasons why the Act and the regulations might not be met if the permit were granted.

If there is no final action by the Agency within 90 days after the filing of the application for permit, the applicant may deem the permit issued; except that this time period shall be extended to 180 days when (1) notice and opportunity for public hearing are required by State or federal law or regulation, (2) the application which was filed is for any permit to develop a landfill subject to issuance pursuant to this subsection, or (3) the application that was filed is for a MSWLF unit required to issue public notice under subsection (p) of Section 39. The 90-day and 180-day time periods for the Agency to take final action do not apply to NPDES permit

applications under subsection (b) of this Section, to RCRA permit applications under subsection (d) of this Section, or to UIC permit applications under subsection (e) of this Section.

The Agency shall publish notice of all final permit determinations for development permits for MSWLF units and for significant permit modifications for lateral expansions for existing MSWLF units one time in a newspaper of general circulation in the county in which the unit is or is proposed to be located.

After January 1, 1994 and until July 1, 1998, operating permits issued under this Section by the Agency for sources of air pollution permitted to emit less than 25 tons per year of any combination of regulated air pollutants, as defined in Section 39.5 of this Act, shall be required to be renewed only upon written request by the Agency consistent with applicable provisions of this Act and regulations promulgated hereunder. Such operating permits shall expire 180 days after the date of such a request. The Board shall revise its regulations for the existing State air pollution operating permit program consistent with this provision by January 1, 1994.

After June 30, 1998, operating permits issued under this Section by the Agency for sources of air pollution that are not subject to Section 39.5 of this Act and are not required to have a federally enforceable State operating permit shall be required to be renewed only upon written request by the Agency consistent with applicable provisions of this Act and its

rules. Such operating permits shall expire 180 days after the date of such a request. Before July 1, 1998, the Board shall revise its rules for the existing State air pollution operating permit program consistent with this paragraph and shall adopt rules that require a source to demonstrate that it qualifies for a permit under this paragraph.

(b) The Agency may issue NPDES permits exclusively under this subsection for the discharge of contaminants from point sources into navigable waters, all as defined in the Federal Water Pollution Control Act, as now or hereafter amended, within the jurisdiction of the State, or into any well.

All NPDES permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this Act.

The Agency may issue general NPDES permits for discharges from categories of point sources which are subject to the same permit limitations and conditions. Such general permits may be issued without individual applications and shall conform to regulations promulgated under Section 402 of the Federal Water Pollution Control Act, as now or hereafter amended.

The Agency may include, among such conditions, effluent limitations and other requirements established under this Act, Board regulations, the Federal Water Pollution Control Act, as now or hereafter amended, and regulations pursuant thereto, and schedules for achieving compliance therewith at the earliest

reasonable date.

The Agency shall adopt filing requirements and procedures which are necessary and appropriate for the issuance of NPDES permits, and which are consistent with the Act or regulations adopted by the Board, and with the Federal Water Pollution Control Act, as now or hereafter amended, and regulations pursuant thereto.

The Agency, subject to any conditions which may be prescribed by Board regulations, may issue NPDES permits to allow discharges beyond deadlines established by this Act or by regulations of the Board without the requirement of a variance, subject to the Federal Water Pollution Control Act, as now or hereafter amended, and regulations pursuant thereto.

(c) Except for those facilities owned or operated by sanitary districts organized under the Metropolitan Water Reclamation District Act, no permit for the development or construction of a new pollution control facility may be granted by the Agency unless the applicant submits proof to the Agency that the location of the facility has been approved by the County Board of the county if in an unincorporated area, or the governing body of the municipality when in an incorporated area, in which the facility is to be located in accordance with Section 39.2 of this Act. For purposes of this subsection (c), and for purposes of Section 39.2 of this Act, the appropriate county board or governing body of the municipality shall be the county board of the county or the governing body of the

municipality in which the facility is to be located as of the date when the application for siting approval is filed.

In the event that siting approval granted pursuant to Section 39.2 has been transferred to a subsequent owner or operator, that subsequent owner or operator may apply to the Agency for, and the Agency may grant, a development or construction permit for the facility for which local siting approval was granted. Upon application to the Agency for a development or construction permit by that subsequent owner or operator, the permit applicant shall cause written notice of the permit application to be served upon the appropriate county board or governing body of the municipality that granted siting approval for that facility and upon any party to the siting proceeding pursuant to which siting approval was granted. In that event, the Agency shall conduct an evaluation of the subsequent owner or operator's prior experience in waste management operations in the manner conducted under subsection (i) of Section 39 of this Act.

Beginning August 20, 1993, if the pollution control facility consists of a hazardous or solid waste disposal facility for which the proposed site is located in an unincorporated area of a county with a population of less than 100,000 and includes all or a portion of a parcel of land that was, on April 1, 1993, adjacent to a municipality having a population of less than 5,000, then the local siting review required under this subsection (c) in conjunction with any

permit applied for after that date shall be performed by the governing body of that adjacent municipality rather than the county board of the county in which the proposed site is located; and for the purposes of that local siting review, any references in this Act to the county board shall be deemed to mean the governing body of that adjacent municipality; provided, however, that the provisions of this paragraph shall not apply to any proposed site which was, on April 1, 1993, owned in whole or in part by another municipality.

In the case of a pollution control facility for which a development permit was issued before November 12, 1981, if an operating permit has not been issued by the Agency prior to August 31, 1989 for any portion of the facility, then the Agency may not issue or renew any development permit nor issue an original operating permit for any portion of such facility unless the applicant has submitted proof to the Agency that the location of the facility has been approved by the appropriate county board or municipal governing body pursuant to Section 39.2 of this Act.

After January 1, 1994, if a solid waste disposal facility, any portion for which an operating permit has been issued by the Agency, has not accepted waste disposal for 5 or more consecutive calendar years, before that facility may accept any new or additional waste for disposal, the owner and operator must obtain a new operating permit under this Act for that facility unless the owner and operator have applied to the

Agency for a permit authorizing the temporary suspension of waste acceptance. The Agency may not issue a new operation permit under this Act for the facility unless the applicant has submitted proof to the Agency that the location of the facility has been approved or re-approved by the appropriate county board or municipal governing body under Section 39.2 of this Act after the facility ceased accepting waste.

Except for those facilities owned or operated by sanitary districts organized under the Metropolitan Water Reclamation District Act, and except for new pollution control facilities governed by Section 39.2, and except for fossil fuel mining facilities, the granting of a permit under this Act shall not relieve the applicant from meeting and securing all necessary zoning approvals from the unit of government having zoning jurisdiction over the proposed facility.

Before beginning construction on any new sewage treatment plant or sludge drying site to be owned or operated by a sanitary district organized under the Metropolitan Water Reclamation District Act for which a new permit (rather than the renewal or amendment of an existing permit) is required, such sanitary district shall hold a public hearing within the municipality within which the proposed facility is to be located, or within the nearest community if the proposed facility is to be located within an unincorporated area, at which information concerning the proposed facility shall be made available to the public, and members of the public shall

be given the opportunity to express their views concerning the proposed facility.

The Agency may issue a permit for a municipal waste transfer station without requiring approval pursuant to Section 39.2 provided that the following demonstration is made:

(1) the municipal waste transfer station was in existence on or before January 1, 1979 and was in continuous operation from January 1, 1979 to January 1, 1993;

(2) the operator submitted a permit application to the Agency to develop and operate the municipal waste transfer station during April of 1994;

(3) the operator can demonstrate that the county board of the county, if the municipal waste transfer station is in an unincorporated area, or the governing body of the municipality, if the station is in an incorporated area, does not object to resumption of the operation of the station; and

(4) the site has local zoning approval.

(d) The Agency may issue RCRA permits exclusively under this subsection to persons owning or operating a facility for the treatment, storage, or disposal of hazardous waste as defined under this Act.

All RCRA permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this

Act. The Agency may include among such conditions standards and other requirements established under this Act, Board regulations, the Resource Conservation and Recovery Act of 1976 (P.L. 94-580), as amended, and regulations pursuant thereto, and may include schedules for achieving compliance therewith as soon as possible. The Agency shall require that a performance bond or other security be provided as a condition for the issuance of a RCRA permit.

In the case of a permit to operate a hazardous waste or PCB incinerator as defined in subsection (k) of Section 44, the Agency shall require, as a condition of the permit, that the operator of the facility perform such analyses of the waste to be incinerated as may be necessary and appropriate to ensure the safe operation of the incinerator.

The Agency shall adopt filing requirements and procedures which are necessary and appropriate for the issuance of RCRA permits, and which are consistent with the Act or regulations adopted by the Board, and with the Resource Conservation and Recovery Act of 1976 (P.L. 94-580), as amended, and regulations pursuant thereto.

The applicant shall make available to the public for inspection all documents submitted by the applicant to the Agency in furtherance of an application, with the exception of trade secrets, at the office of the county board or governing body of the municipality. Such documents may be copied upon payment of the actual cost of reproduction during regular

business hours of the local office. The Agency shall issue a written statement concurrent with its grant or denial of the permit explaining the basis for its decision.

(e) The Agency may issue UIC permits exclusively under this subsection to persons owning or operating a facility for the underground injection of contaminants as defined under this Act.

All UIC permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this Act. The Agency may include among such conditions standards and other requirements established under this Act, Board regulations, the Safe Drinking Water Act (P.L. 93-523), as amended, and regulations pursuant thereto, and may include schedules for achieving compliance therewith. The Agency shall require that a performance bond or other security be provided as a condition for the issuance of a UIC permit.

The Agency shall adopt filing requirements and procedures which are necessary and appropriate for the issuance of UIC permits, and which are consistent with the Act or regulations adopted by the Board, and with the Safe Drinking Water Act (P.L. 93-523), as amended, and regulations pursuant thereto.

The applicant shall make available to the public for inspection, all documents submitted by the applicant to the Agency in furtherance of an application, with the exception of trade secrets, at the office of the county board or governing

body of the municipality. Such documents may be copied upon payment of the actual cost of reproduction during regular business hours of the local office. The Agency shall issue a written statement concurrent with its grant or denial of the permit explaining the basis for its decision.

(f) In making any determination pursuant to Section 9.1 of this Act:

(1) The Agency shall have authority to make the determination of any question required to be determined by the Clean Air Act, as now or hereafter amended, this Act, or the regulations of the Board, including the determination of the Lowest Achievable Emission Rate, Maximum Achievable Control Technology, or Best Available Control Technology, consistent with the Board's regulations, if any.

(2) The Agency shall adopt requirements as necessary to implement public participation procedures, including, but not limited to, public notice, comment, and an opportunity for hearing, which must accompany the processing of applications for PSD permits. The Agency shall briefly describe and respond to all significant comments on the draft permit raised during the public comment period or during any hearing. The Agency may group related comments together and provide one unified response for each issue raised.

(3) Any complete permit application submitted to the

Agency under this subsection for a PSD permit shall be granted or denied by the Agency not later than one year after the filing of such completed application.

(4) The Agency shall, after conferring with the applicant, give written notice to the applicant of its proposed decision on the application including the terms and conditions of the permit to be issued and the facts, conduct or other basis upon which the Agency will rely to support its proposed action.

(g) The Agency shall include as conditions upon all permits issued for hazardous waste disposal sites such restrictions upon the future use of such sites as are reasonably necessary to protect public health and the environment, including permanent prohibition of the use of such sites for purposes which may create an unreasonable risk of injury to human health or to the environment. After administrative and judicial challenges to such restrictions have been exhausted, the Agency shall file such restrictions of record in the Office of the Recorder of the county in which the hazardous waste disposal site is located.

(h) A hazardous waste stream may not be deposited in a permitted hazardous waste site unless specific authorization is obtained from the Agency by the generator and disposal site owner and operator for the deposit of that specific hazardous waste stream. The Agency may grant specific authorization for disposal of hazardous waste streams only after the generator

has reasonably demonstrated that, considering technological feasibility and economic reasonableness, the hazardous waste cannot be reasonably recycled for reuse, nor incinerated or chemically, physically or biologically treated so as to neutralize the hazardous waste and render it nonhazardous. In granting authorization under this Section, the Agency may impose such conditions as may be necessary to accomplish the purposes of the Act and are consistent with this Act and regulations promulgated by the Board hereunder. If the Agency refuses to grant authorization under this Section, the applicant may appeal as if the Agency refused to grant a permit, pursuant to the provisions of subsection (a) of Section 40 of this Act. For purposes of this subsection (h), the term "generator" has the meaning given in Section 3.205 of this Act, unless: (1) the hazardous waste is treated, incinerated, or partially recycled for reuse prior to disposal, in which case the last person who treats, incinerates, or partially recycles the hazardous waste prior to disposal is the generator; or (2) the hazardous waste is from a response action, in which case the person performing the response action is the generator. This subsection (h) does not apply to any hazardous waste that is restricted from land disposal under 35 Ill. Adm. Code 728.

(i) Before issuing any RCRA permit, any permit for a waste storage site, sanitary landfill, waste disposal site, waste transfer station, waste treatment facility, waste incinerator, or any waste-transportation operation, ~~or~~ any permit or interim

authorization for a clean construction or demolition debris fill operation, or any permit required under subsection (d-5) of Section 55, the Agency shall conduct an evaluation of the prospective owner's or operator's prior experience in waste management operations, clean construction or demolition debris fill operations, and tire storage site management. The Agency may deny such a permit, or deny or revoke interim authorization, if the prospective owner or operator or any employee or officer of the prospective owner or operator has a history of:

(1) repeated violations of federal, State, or local laws, regulations, standards, or ordinances in the operation of waste management facilities or sites, clean construction or demolition debris fill operation facilities or sites, or tire storage sites; or

(2) conviction in this or another State of any crime which is a felony under the laws of this State, or conviction of a felony in a federal court; or conviction in this or another state or federal court of any of the following crimes: forgery, official misconduct, bribery, perjury, or knowingly submitting false information under any environmental law, regulation, or permit term or condition; or

(3) proof of gross carelessness or incompetence in handling, storing, processing, transporting or disposing of waste, clean construction or demolition debris, or used

or waste tires, or proof of gross carelessness or incompetence in using clean construction or demolition debris as fill.

(i-5) Before issuing any permit or approving any interim authorization for a clean construction or demolition debris fill operation in which any ownership interest is transferred between January 1, 2005, and the effective date of the prohibition set forth in Section 22.52 of this Act, the Agency shall conduct an evaluation of the operation if any previous activities at the site or facility may have caused or allowed contamination of the site. It shall be the responsibility of the owner or operator seeking the permit or interim authorization to provide to the Agency all of the information necessary for the Agency to conduct its evaluation. The Agency may deny a permit or interim authorization if previous activities at the site may have caused or allowed contamination at the site, unless such contamination is authorized under any permit issued by the Agency.

(j) The issuance under this Act of a permit to engage in the surface mining of any resources other than fossil fuels shall not relieve the permittee from its duty to comply with any applicable local law regulating the commencement, location or operation of surface mining facilities.

(k) A development permit issued under subsection (a) of Section 39 for any facility or site which is required to have a permit under subsection (d) of Section 21 shall expire at the

end of 2 calendar years from the date upon which it was issued, unless within that period the applicant has taken action to develop the facility or the site. In the event that review of the conditions of the development permit is sought pursuant to Section 40 or 41, or permittee is prevented from commencing development of the facility or site by any other litigation beyond the permittee's control, such two-year period shall be deemed to begin on the date upon which such review process or litigation is concluded.

(l) No permit shall be issued by the Agency under this Act for construction or operation of any facility or site located within the boundaries of any setback zone established pursuant to this Act, where such construction or operation is prohibited.

(m) The Agency may issue permits to persons owning or operating a facility for composting landscape waste. In granting such permits, the Agency may impose such conditions as may be necessary to accomplish the purposes of this Act, and as are not inconsistent with applicable regulations promulgated by the Board. Except as otherwise provided in this Act, a bond or other security shall not be required as a condition for the issuance of a permit. If the Agency denies any permit pursuant to this subsection, the Agency shall transmit to the applicant within the time limitations of this subsection specific, detailed statements as to the reasons the permit application was denied. Such statements shall include but not be limited to

the following:

(1) the Sections of this Act that may be violated if the permit were granted;

(2) the specific regulations promulgated pursuant to this Act that may be violated if the permit were granted;

(3) the specific information, if any, the Agency deems the applicant did not provide in its application to the Agency; and

(4) a statement of specific reasons why the Act and the regulations might be violated if the permit were granted.

If no final action is taken by the Agency within 90 days after the filing of the application for permit, the applicant may deem the permit issued. Any applicant for a permit may waive the 90-day ~~90-day~~ limitation by filing a written statement with the Agency.

The Agency shall issue permits for such facilities upon receipt of an application that includes a legal description of the site, a topographic map of the site drawn to the scale of 200 feet to the inch or larger, a description of the operation, including the area served, an estimate of the volume of materials to be processed, and documentation that:

(1) the facility includes a setback of at least 200 feet from the nearest potable water supply well;

(2) the facility is located outside the boundary of the 10-year floodplain or the site will be floodproofed;

(3) the facility is located so as to minimize

incompatibility with the character of the surrounding area, including at least a 200 foot setback from any residence, and in the case of a facility that is developed or the permitted composting area of which is expanded after November 17, 1991, the composting area is located at least 1/8 mile from the nearest residence (other than a residence located on the same property as the facility);

(4) the design of the facility will prevent any compost material from being placed within 5 feet of the water table, will adequately control runoff from the site, and will collect and manage any leachate that is generated on the site;

(5) the operation of the facility will include appropriate dust and odor control measures, limitations on operating hours, appropriate noise control measures for shredding, chipping and similar equipment, management procedures for composting, containment and disposal of non-compostable wastes, procedures to be used for terminating operations at the site, and recordkeeping sufficient to document the amount of materials received, composted and otherwise disposed of; and

(6) the operation will be conducted in accordance with any applicable rules adopted by the Board.

The Agency shall issue renewable permits of not longer than 10 years in duration for the composting of landscape wastes, as defined in Section 3.155 of this Act, based on the above

requirements.

The operator of any facility permitted under this subsection (m) must submit a written annual statement to the Agency on or before April 1 of each year that includes an estimate of the amount of material, in tons, received for composting.

(n) The Agency shall issue permits jointly with the Department of Transportation for the dredging or deposit of material in Lake Michigan in accordance with Section 18 of the Rivers, Lakes, and Streams Act.

(o) (Blank.)

(p) (1) Any person submitting an application for a permit for a new MSWLF unit or for a lateral expansion under subsection (t) of Section 21 of this Act for an existing MSWLF unit that has not received and is not subject to local siting approval under Section 39.2 of this Act shall publish notice of the application in a newspaper of general circulation in the county in which the MSWLF unit is or is proposed to be located. The notice must be published at least 15 days before submission of the permit application to the Agency. The notice shall state the name and address of the applicant, the location of the MSWLF unit or proposed MSWLF unit, the nature and size of the MSWLF unit or proposed MSWLF unit, the nature of the activity proposed, the probable life of the proposed activity, the date the permit application will be submitted, and a statement that persons may file written comments with the Agency concerning

the permit application within 30 days after the filing of the permit application unless the time period to submit comments is extended by the Agency.

When a permit applicant submits information to the Agency to supplement a permit application being reviewed by the Agency, the applicant shall not be required to reissue the notice under this subsection.

(2) The Agency shall accept written comments concerning the permit application that are postmarked no later than 30 days after the filing of the permit application, unless the time period to accept comments is extended by the Agency.

(3) Each applicant for a permit described in part (1) of this subsection shall file a copy of the permit application with the county board or governing body of the municipality in which the MSWLF unit is or is proposed to be located at the same time the application is submitted to the Agency. The permit application filed with the county board or governing body of the municipality shall include all documents submitted to or to be submitted to the Agency, except trade secrets as determined under Section 7.1 of this Act. The permit application and other documents on file with the county board or governing body of the municipality shall be made available for public inspection during regular business hours at the office of the county board or the governing body of the municipality and may be copied upon payment of the actual cost of reproduction.

(q) Within 6 months after July 12, 2011 (the effective date of Public Act 97-95) ~~this amendatory Act of the 97th General Assembly~~, the Agency, in consultation with the regulated community, shall develop a web portal to be posted on its website for the purpose of enhancing review and promoting timely issuance of permits required by this Act. At a minimum, the Agency shall make the following information available on the web portal:

(1) Checklists and guidance relating to the completion of permit applications, developed pursuant to subsection (s) of this Section, which may include, but are not limited to, existing instructions for completing the applications and examples of complete applications. As the Agency develops new checklists and develops guidance, it shall supplement the web portal with those materials.

(2) Within 2 years after July 12, 2011 (the effective date of Public Act 97-95) ~~this amendatory Act of the 97th General Assembly~~, permit application forms or portions of permit applications that can be completed and saved electronically, and submitted to the Agency electronically with digital signatures.

(3) Within 2 years after July 12, 2011 (the effective date of Public Act 97-95) ~~this amendatory Act of the 97th General Assembly~~, an online tracking system where an applicant may review the status of its pending application, including the name and contact information of the permit

analyst assigned to the application. Until the online tracking system has been developed, the Agency shall post on its website semi-annual permitting efficiency tracking reports that include statistics on the timeframes for Agency action on the following types of permits received after July 12, 2011 (the effective date of Public Act 97-95) ~~this amendatory Act of the 97th General Assembly~~: air construction permits, new NPDES permits and associated water construction permits, and modifications of major NPDES permits and associated water construction permits. The reports must be posted by February 1 and August 1 each year and shall include:

(A) the number of applications received for each type of permit, the number of applications on which the Agency has taken action, and the number of applications still pending; and

(B) for those applications where the Agency has not taken action in accordance with the timeframes set forth in this Act, the date the application was received and the reasons for any delays, which may include, but shall not be limited to, (i) the application being inadequate or incomplete, (ii) scientific or technical disagreements with the applicant, USEPA, or other local, state, or federal agencies involved in the permitting approval process, (iii) public opposition to the permit, or (iv) Agency

staffing shortages. To the extent practicable, the tracking report shall provide approximate dates when cause for delay was identified by the Agency, when the Agency informed the applicant of the problem leading to the delay, and when the applicant remedied the reason for the delay.

(r) Upon the request of the applicant, the Agency shall notify the applicant of the permit analyst assigned to the application upon its receipt.

(s) The Agency is authorized to prepare and distribute guidance documents relating to its administration of this Section and procedural rules implementing this Section. Guidance documents prepared under this subsection shall not be considered rules and shall not be subject to the Illinois Administrative Procedure Act. Such guidance shall not be binding on any party.

(t) Except as otherwise prohibited by federal law or regulation, any person submitting an application for a permit may include with the application suggested permit language for Agency consideration. The Agency is not obligated to use the suggested language or any portion thereof in its permitting decision. If requested by the permit applicant, the Agency shall meet with the applicant to discuss the suggested language.

(u) If requested by the permit applicant, the Agency shall provide the permit applicant with a copy of the draft permit

prior to any public review period.

(v) If requested by the permit applicant, the Agency shall provide the permit applicant with a copy of the final permit prior to its issuance.

(w) An air pollution permit shall not be required due to emissions of greenhouse gases, as specified by Section 9.15 of this Act.

(x) If, before the expiration of a State operating permit that is issued pursuant to subsection (a) of this Section and contains federally enforceable conditions limiting the potential to emit of the source to a level below the major source threshold for that source so as to exclude the source from the Clean Air Act Permit Program, the Agency receives a complete application for the renewal of that permit, then all of the terms and conditions of the permit shall remain in effect until final administrative action has been taken on the application for the renewal of the permit.

Section 505. The Animal Control Act is amended by changing Section 15 as follows:

(510 ILCS 5/15) (from Ch. 8, par. 365)

Sec. 15. (a) In order to have a dog deemed "vicious", the Administrator, Deputy Administrator, or law enforcement officer must give notice of the infraction that is the basis of the investigation to the owner, conduct a thorough investigation, interview any witnesses, including the owner, gather any existing medical records, veterinary medical records or behavioral evidence, and make a detailed report recommending a finding that the dog is a vicious dog and give the report to the State's ~~States~~ Attorney's Office and the owner. The Administrator, State's Attorney, Director or any citizen of the county in which the dog exists may file a complaint in the circuit court in the name of the People of the State of Illinois to deem a dog to be a vicious dog. Testimony

of a certified applied behaviorist, a board certified veterinary behaviorist, or another recognized expert may be relevant to the court's determination of whether the dog's behavior was justified. The petitioner must prove the dog is a vicious dog by clear and convincing evidence. The Administrator shall determine where the animal shall be confined during the pendency of the case.

A dog may not be declared vicious if the court determines the conduct of the dog was justified because:

(1) the threat, injury, or death was sustained by a person who at the time was committing a crime or offense upon the owner or custodian of the dog, or was committing a willful trespass or other tort upon the premises or property owned or occupied by the owner of the animal;

(2) the injured, threatened, or killed person was abusing, assaulting, or physically threatening the dog or its offspring, or has in the past abused, assaulted, or physically threatened the dog or its offspring; or

(3) the dog was responding to pain or injury, or was protecting itself, its owner, custodian, or member of its household, kennel, or offspring.

No dog shall be deemed "vicious" if it is a professionally trained dog for law enforcement or guard duties. Vicious dogs shall not be classified in a manner that is specific as to breed.

If the burden of proof has been met, the court shall deem

the dog to be a vicious dog.

If a dog is found to be a vicious dog, the owner shall pay a \$100 public safety fine to be deposited into the Pet Population Control Fund, the dog shall be spayed or neutered within 10 days of the finding at the expense of its owner and microchipped, if not already, and the dog is subject to enclosure. If an owner fails to comply with these requirements, the animal control agency shall impound the dog and the owner shall pay a \$500 fine plus impoundment fees to the animal control agency impounding the dog. The judge has the discretion to order a vicious dog be euthanized. A dog found to be a vicious dog shall not be released to the owner until the Administrator, an Animal Control Warden, or the Director approves the enclosure. No owner or keeper of a vicious dog shall sell or give away the dog without approval from the Administrator or court. Whenever an owner of a vicious dog relocates, he or she shall notify both the Administrator of County Animal Control where he or she has relocated and the Administrator of County Animal Control where he or she formerly resided.

(b) It shall be unlawful for any person to keep or maintain any dog which has been found to be a vicious dog unless the dog is kept in an enclosure. The only times that a vicious dog may be allowed out of the enclosure are (1) if it is necessary for the owner or keeper to obtain veterinary care for the dog, (2) in the case of an emergency or natural disaster where the dog's

life is threatened, or (3) to comply with the order of a court of competent jurisdiction, provided that the dog is securely muzzled and restrained with a leash not exceeding 6 feet in length, and shall be under the direct control and supervision of the owner or keeper of the dog or muzzled in its residence.

Any dog which has been found to be a vicious dog and which is not confined to an enclosure shall be impounded by the Administrator, an Animal Control Warden, or the law enforcement authority having jurisdiction in such area.

If the owner of the dog has not appealed the impoundment order to the circuit court in the county in which the animal was impounded within 15 working days, the dog may be euthanized.

Upon filing a notice of appeal, the order of euthanasia shall be automatically stayed pending the outcome of the appeal. The owner shall bear the burden of timely notification to animal control in writing.

Guide dogs for the blind or hearing impaired, support dogs for persons with physical disabilities, accelerant detection dogs, and sentry, guard, or police-owned dogs are exempt from this Section; provided, an attack or injury to a person occurs while the dog is performing duties as expected. To qualify for exemption under this Section, each such dog shall be currently inoculated against rabies in accordance with Section 8 of this Act. It shall be the duty of the owner of such exempted dog to notify the Administrator of changes of address. In the case of

a sentry or guard dog, the owner shall keep the Administrator advised of the location where such dog will be stationed. The Administrator shall provide police and fire departments with a categorized list of such exempted dogs, and shall promptly notify such departments of any address changes reported to him.

(c) If the animal control agency has custody of the dog, the agency may file a petition with the court requesting that the owner be ordered to post security. The security must be in an amount sufficient to secure payment of all reasonable expenses expected to be incurred by the animal control agency or animal shelter in caring for and providing for the dog pending the determination. Reasonable expenses include, but are not limited to, estimated medical care and boarding of the animal for 30 days. If security has been posted in accordance with this Section, the animal control agency may draw from the security the actual costs incurred by the agency in caring for the dog.

(d) Upon receipt of a petition, the court must set a hearing on the petition, to be conducted within 5 business days after the petition is filed. The petitioner must serve a true copy of the petition upon the defendant.

(e) If the court orders the posting of security, the security must be posted with the clerk of the court within 5 business days after the hearing. If the person ordered to post security does not do so, the dog is forfeited by operation of law and the animal control agency must dispose of the animal

through adoption or humane euthanization.

The Secretary shall designate this class of vehicle as a Special Hauling Vehicle.

In preparing rate schedules on registration applications, the Secretary of State shall add to the above rates, the \$10 registration fee. The Secretary may decline to accept any renewal filed after July 1st.

The number of axles necessary to carry the maximum load provided shall be determined from Chapter 15 of this Code.

Every owner of a second division motor vehicle for which he has elected to pay a mileage weight tax shall keep a daily record upon forms prescribed by the Secretary of State, showing the mileage covered by that vehicle in this State. Such record shall contain the license number of the vehicle and the miles traveled by the vehicle in this State for each day of the calendar month. Such owner shall also maintain records of fuel consumed by each such motor vehicle and fuel purchases

therefor. On or before the 10th day of July the owner shall certify to the Secretary of State upon forms prescribed therefor, summaries of his daily records which shall show the miles traveled by the vehicle in this State during the preceding 12 months and such other information as the Secretary of State may require. Any owner filing a return hereunder shall certify that such return is a true, correct and complete return. Any person who willfully makes a false return hereunder is guilty of perjury and shall be punished in the same manner and to the same extent as is provided therefor.

At the time of filing his return, each owner shall pay to the Secretary of State the proper amount of tax at the rate herein imposed.

Every owner of a vehicle of the second division who elects to pay on a mileage weight tax basis and who operates the vehicle within this State, shall file with the Secretary of State a bond in the amount of \$500. The bond shall be in a form approved by the Secretary of State and with a surety company approved by the Illinois Department of Insurance to transact business in this State as surety, and shall be conditioned upon such applicant's paying to the State of Illinois all money becoming due by reason of the operation of the second division vehicle in this State, together with all penalties and interest thereon.

Upon notice from the Secretary that the registrant has failed to pay the excess mileage fees, the surety shall immediately pay the fees together with any penalties and interest thereon in an amount not to exceed the limits of the bond.

(b) Beginning January 1, 2016, upon the request of the vehicle owner, a \$10 surcharge shall be collected in addition to the above fees for vehicles in the 12,000 lbs. and less mileage weight plate category as described in subsection (a) to be deposited into the Secretary of State Special License Plate Fund. The \$10 surcharge is to identify vehicles in the 12,000 lbs. and less mileage weight plate category as a covered farm vehicle. The \$10 surcharge is an annual flat fee that shall be based on an applicant's new or existing registration year for each vehicle in the 12,000 lbs. and less mileage weight plate category. A designation as a covered farm vehicle under this subsection (b) shall not alter a vehicle's registration as a registration in the 12,000 lbs. or less mileage weight category. The Secretary shall adopt any rules necessary to implement this subsection (b).

17. Violation of subsection (a-2) of Section 11-1301.3 of this Code or a similar provision of a local ordinance;

A defendant found guilty of this offense while operating a motor vehicle shall have an entry made in the court record

by the presiding judge that this offense did occur while the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court.

(c) (1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to

whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or persons with disabilities who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit.

(1.5) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make

application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation, or after 5 years from the date of release from a period of imprisonment resulting from a conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(A) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(B) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this paragraph (1.5), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the

results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this Code shall not be eligible to apply for a restricted driving permit.

A restricted driving permit issued under this paragraph (1.5) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of this Section and subparagraph (A) of paragraph 3 of subsection (c) of Section 6-206 of this Code. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this paragraph (1.5) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this paragraph (1.5) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is subsequently convicted of a violation of Section 11-501 of this Code, a similar provision of a local ordinance, or a similar offense in another state.

(2) If a person's license or permit is revoked or

suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state;

that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or

similar out-of-state offense, this employment exemption does not apply until either a one-year ~~one-year~~ period has elapsed during which that person had his or her driving privileges revoked or a one-year ~~one-year~~ period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a) (15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d) (1) Whenever a person under the age of 21 is convicted

under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one-year ~~one-year~~ period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving

permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3.5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an

ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year ~~one-year~~ period has elapsed during which that person had his or her driving privileges revoked or a one-year ~~one-year~~ period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for

like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of

ignition interlock devices for a period not less than 5 years on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees. During the time period in which a person is required to install an ignition interlock device under this subsection (h), that person shall only operate vehicles in which ignition interlock devices have been installed, except as allowed by subdivision (c) (5) or (d) (5) of this Section.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

(k) The Secretary of State shall notify by mail any person whose driving privileges have been revoked under paragraph 16 of subsection (a) of this Section that his or her driving privileges and driver's license will be revoked 90 days from the date of the mailing of the notice.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the

order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by

the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or persons with disabilities who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an

element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B-5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a

local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed \$30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one-year ~~one-year~~ period has elapsed during which that person had his or her driving privileges revoked or a one-year ~~one-year~~ period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that

person.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(F) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation or after 5 years from the date of release from a period of imprisonment resulting from a conviction

of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(i) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(ii) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person's alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this subparagraph (F), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this

Code shall not be eligible to apply for a restricted driving permit under this subparagraph (F).

A restricted driving permit issued under this subparagraph (F) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of Section 6-205 of this Code and subparagraph (A) of paragraph 3 of subsection (c) of this Section. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this subparagraph (F) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this subparagraph (F) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is convicted of a violation of Section 11-501 of this Code, a similar provision of a local ordinance, or a similar offense in another state.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the

Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of

State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

Sec. 6-208. Period of Suspension - Application After Revocation.

(a) Except as otherwise provided by this Code or any other law of this State, the Secretary of State shall not suspend a driver's license, permit, or privilege to drive a motor vehicle on the highways for a period of more than one year.

(b) Any person whose license, permit, or privilege to drive a motor vehicle on the highways has been revoked shall not be entitled to have such license, permit, or privilege renewed or restored. However, such person may, except as provided under subsections (d) and (d-5) of Section 6-205, make application for a license pursuant to Section 6-106 (i) if the revocation was for a cause that has been removed or (ii) as provided in the following subparagraphs:

1. Except as provided in subparagraphs 1.3, 1.5, 2, 3, 4, and 5, the person may make application for a license (A)

after the expiration of one year from the effective date of the revocation, (B) in the case of a violation of paragraph (b) of Section 11-401 of this Code or a similar provision of a local ordinance, after the expiration of 3 years from the effective date of the revocation, or (C) in the case of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 or a similar provision of a law of another state relating to the offense of reckless homicide or a violation of subparagraph (F) of paragraph 1 of subsection (d) of Section 11-501 of this Code relating to aggravated driving under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof, if the violation was the proximate cause of a death, after the expiration of 2 years from the effective date of the revocation or after the expiration of 24 months from the date of release from a period of imprisonment as provided in Section 6-103 of this Code, whichever is later.

1.3. If the person is convicted of a second or subsequent violation of Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, in which the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate

occurrences, that person may not make application for a driver's license until:

(A) the person has first been issued a restricted driving permit by the Secretary of State; and

(B) the expiration of a continuous period of not less than 5 years following the issuance of the restricted driving permit during which the person's restricted driving permit is not suspended, cancelled, or revoked for a violation of any provision of law, or any rule or regulation of the Secretary of State relating to the required use of an ignition interlock device.

1.5. If the person is convicted of a violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, the person may not make application for a license or permit until the expiration of 3 years from the date of the conviction.

2. If such person is convicted of committing a second violation within a 20-year period of:

(A) Section 11-501 of this Code or a similar provision of a local ordinance;

(B) Paragraph (b) of Section 11-401 of this Code or

a similar provision of a local ordinance;

(C) Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide; or

(D) any combination of the above offenses committed at different instances;

then such person may not make application for a license until after the expiration of 5 years from the effective date of the most recent revocation. The 20-year period shall be computed by using the dates the offenses were committed and shall also include similar out-of-state offenses and similar offenses committed on a military installation.

2.5. If a person is convicted of a second violation of Section 6-303 of this Code committed while the person's driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, the person may not make application for a license or permit until the expiration of 5 years from the date of release from a term of imprisonment.

3. However, except as provided in subparagraph 4, if such person is convicted of committing a third violation or any combination of the above offenses, including similar out-of-state offenses and similar offenses committed on a

military installation, contained in subparagraph 2, then such person may not make application for a license until after the expiration of 10 years from the effective date of the most recent revocation.

4. (g) For a second or subsequent violation of this Section

within 2 years of the date of the previous violation, the Secretary of State shall suspend the driver's license of the violator for a period of 90 days. (f) A municipality is authorized to enforce a county weight limit ordinance applying to county highways within its corporate limits and is entitled to the proceeds of any fines collected from the enforcement.

(g) An ordinance or resolution enacted by a county or township pursuant to subsection (a) of this Section shall not apply to cargo tank vehicles with two or three permanent axles

when delivering propane for emergency heating purposes if the cargo tank is loaded at no more than 50 percent capacity, the gross vehicle weight of the vehicle does not exceed 32,000 pounds, and the driver of the cargo tank vehicle notifies the appropriate agency or agencies with jurisdiction over the highway before driving the vehicle on the highway pursuant to this subsection. The cargo tank vehicle must have an operating gauge on the cargo tank which indicates the amount of propane as a percent of capacity of the cargo tank. The cargo tank must have the capacity displayed on the cargo tank, or documentation of the capacity of the cargo tank must be available in the vehicle. For the purposes of this subsection, propane weighs 4.2 pounds per gallon. This subsection does not apply to municipalities. Nothing in this subsection shall allow cargo tank vehicles to cross bridges with posted weight restrictions if the vehicle exceeds the posted weight limit.

Section 530. The Juvenile Court Act of 1987 is amended by changing Sections 2-10, 3-12, and 5-530 as follows:

(705 ILCS 405/2-10) (from Ch. 37, par. 802-10)

Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in

relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. If it is determined that a parent's, guardian's, or custodian's compliance with critical services mitigates the necessity for removal of the minor from his or her home, the court may enter an Order of Protection setting forth reasonable conditions of behavior that a parent, guardian, or custodian must observe for a specified period of time, not to exceed 12 months, without a violation; provided, however, that the 12-month period shall

begin anew after any violation. Custodian shall include any agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, on and after January 1, 2015 (the effective date of Public Act 98-803) ~~this amendatory Act of the 98th General Assembly~~ and before January 1, 2017, a minor charged with a criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 16 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists; and on and after January 1, 2017, a minor charged with a criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 15 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists. An

independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency.

In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or that, consistent with the health, safety and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with Section 4.3 of the

Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, the Department of Children and Family Services shall file with the court and serve on the parties a parent-child visiting plan, within 10 days, excluding weekends and holidays, after the appointment. The parent-child visiting plan shall set out the time and place of visits, the frequency of visits, the length of visits, who shall be present at the visits, and where appropriate, the minor's opportunities to have telephone and mail communication with the parents.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, and when the child has siblings in care, the Department of Children and Family Services shall file with

the court and serve on the parties a sibling placement and contact plan within 10 days, excluding weekends and holidays, after the appointment. The sibling placement and contact plan shall set forth whether the siblings are placed together, and if they are not placed together, what, if any, efforts are being made to place them together. If the Department has determined that it is not in a child's best interest to be placed with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. For siblings placed separately, the sibling placement and contact plan shall set the time and place for visits, the frequency of the visits, the length of visits, who shall be present for the visits, and where appropriate, the child's opportunities to have contact with their siblings in addition to in person contact. If the Department determines it is not in the best interest of a sibling to have contact with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. The sibling placement and contact plan shall specify a date for development of the Sibling Contact Support Plan, under subsection (f) of Section 7.4 of the Children and Family Services Act, and shall remain in effect until the Sibling Contact Support Plan is developed.

For good cause, the court may waive the requirement to file the parent-child visiting plan or the sibling placement and contact plan, or extend the time for filing either plan.

Any party may, by motion, request the court to review the parent-child visiting plan to determine whether it is reasonably calculated to expeditiously facilitate the achievement of the permanency goal. A party may, by motion, request the court to review the parent-child visiting plan or the sibling placement and contact plan to determine whether it is consistent with the minor's best interest. The court may refer the parties to mediation where available. The frequency, duration, and locations of visitation shall be measured by the needs of the child and family, and not by the convenience of Department personnel. Child development principles shall be considered by the court in its analysis of how frequent visitation should be, how long it should last, where it should take place, and who should be present. If upon motion of the party to review either plan and after receiving evidence, the court determines that the parent-child visiting plan is not reasonably calculated to expeditiously facilitate the achievement of the permanency goal or that the restrictions placed on parent-child contact or sibling placement or contact are contrary to the child's best interests, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court shall enter an order for the Department to implement changes to the parent-child visiting plan or sibling placement or contact plan, consistent with the court's findings. At any stage of proceeding, any party may by motion request the court to enter

any orders necessary to implement the parent-child visiting plan, sibling placement or contact plan or subsequently developed Sibling Contact Support Plan. Nothing under this subsection (2) shall restrict the court from granting discretionary authority to the Department to increase opportunities for additional parent-child contacts or sibling contacts, without further court orders. Nothing in this subsection (2) shall restrict the Department from immediately restricting or terminating parent-child contact or sibling contacts, without either amending the parent-child visiting plan or the sibling contact plan or obtaining a court order, where the Department or its assigns reasonably believe that continuation of the contact, as set out in the plan, would be contrary to the child's health, safety, and welfare. The Department shall file with the court and serve on the parties any amendments to the plan within 10 days, excluding weekends and holidays, of the change of the visitation.

Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and

urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3, and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex parte ~~ex parte~~. A shelter care order from an ex parte ~~ex parte~~ hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

NOTICE TO PARENTS AND CHILDREN  
OF SHELTER CARE HEARING

On ..... at ....., before the Honorable  
....., (address:) ....., the State  
of Illinois will present evidence (1) that (name of child  
or children) ..... are abused, neglected  
or dependent for the following reasons:

..... and (2)  
whether there is "immediate and urgent necessity" to remove  
the child or children from the responsible relative.

YOUR FAILURE TO APPEAR AT THE HEARING MAY RESULT IN  
PLACEMENT of the child or children in foster care until a  
trial can be held. A trial may not be held for up to 90  
days. You will not be entitled to further notices of  
proceedings in this case, including the filing of an  
amended petition or a motion to terminate parental rights.

At the shelter care hearing, parents have the following  
rights:

1. To ask the court to appoint a lawyer if they cannot afford one.
2. To ask the court to continue the hearing to allow them time to prepare.
3. To present evidence concerning:
  - a. Whether or not the child or children were abused, neglected or dependent.
  - b. Whether or not there is "immediate and

urgent necessity" to remove the child from home (including: their ability to care for the child, conditions in the home, alternative means of protecting the child other than removal).

c. The best interests of the child.

4. To cross examine the State's witnesses.

The Notice for rehearings shall be substantially as follows:

NOTICE OF PARENT'S AND CHILDREN'S RIGHTS  
TO REHEARING ON TEMPORARY CUSTODY

If you were not present at and did not have adequate notice of the Shelter Care Hearing at which temporary custody of ..... was awarded to ....., you have the right to request a full rehearing on whether the State should have temporary custody of ..... To request this rehearing, you must file with the Clerk of the Juvenile Court (address): ....., in person or by mailing a statement (affidavit) setting forth the following:

1. That you were not present at the shelter care hearing.
2. That you did not get adequate notice (explaining how the notice was inadequate).
3. Your signature.

4. Signature must be notarized.

The rehearing should be scheduled within 48 hours of your filing this affidavit.

At the rehearing, your rights are the same as at the initial shelter care hearing. The enclosed notice explains those rights.

At the Shelter Care Hearing, children have the following rights:

1. To have a guardian ad litem appointed.
2. To be declared competent as a witness and to present testimony concerning:
  - a. Whether they are abused, neglected or dependent.
  - b. Whether there is "immediate and urgent necessity" to be removed from home.
  - c. Their best interests.
3. To cross examine witnesses for other parties.
4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court

shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).

(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 18 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child

welfare agency.

(9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:

(a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or

(b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or

(c) A person not a party to the alleged abuse, neglect or dependency, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or

(d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody and the child can be cared for at home without endangering the child's health or safety.

In ruling on the motion, the court shall determine whether

it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:

(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and

(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

(11) The changes made to this Section by Public Act 98-61 apply to a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act

98-61).

(705 ILCS 405/3-12) (from Ch. 37, par. 803-12)

Sec. 3-12. Shelter care hearing. At the appearance of the minor before the court at the shelter care hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is a person requiring authoritative intervention, it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is a person requiring authoritative intervention, the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. After such testimony, the court may enter an order that the minor shall be released upon the request of a parent, guardian or custodian if the parent, guardian or custodian appears to take custody. Custodian shall include any agency of the State which has been given custody or wardship of the child. The Court shall require documentation by representatives of the Department of Children and Family

Services or the probation department as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home, and shall consider the testimony of any person as to those reasonable efforts. If the court finds that it is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of another that the minor be placed in a shelter care facility, or that he or she is likely to flee the jurisdiction of the court, and further finds that reasonable efforts have been made or good cause has been shown why reasonable efforts cannot prevent or eliminate the necessity of removal of the minor from his or her home, the court may prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; otherwise it shall release the minor from custody. If the court prescribes shelter care, then in placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court

may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity. Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that reasonable efforts have been made or that good cause has been shown why reasonable efforts cannot prevent or eliminate the necessity of removal of the minor from his or her home, the court shall state in writing its findings concerning the nature of the services that were offered or the efforts that were made to prevent removal of the child and the apparent reasons that such services or efforts could not prevent the need for removal. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child.

The order together with the court's findings of fact and support thereof shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor

be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3, and 4-3 the petitioner is unable to serve notice on the party respondent, the shelter care hearing may proceed ex parte ~~ex parte~~. A shelter care order from an ex parte ~~ex parte~~ hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

NOTICE TO PARENTS AND CHILDREN OF SHELTER CARE HEARING

YOUR FAILURE TO APPEAR AT THE HEARING MAY RESULT IN PLACEMENT of the child or children in foster care until a trial can be held. A trial may not be held for up to 90 days.

may file a motion to modify or vacate a temporary custody order on any of the following grounds:

Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230).

Eligible inmates for an award of sentence credit under this paragraph (3) may be selected to receive the credit at the Director's or his or her designee's sole discretion. Consideration may be based on, but not limited to, any available risk assessment analysis on the inmate, any history of conviction for violent crimes as defined by the Rights of Crime Victims and Witnesses Act, facts and circumstances of the inmate's holding offense or offenses, and the potential for rehabilitation.

The Director shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

- (A) is eligible for the sentence credit;
- (B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow; and
- (C) has met the eligibility criteria established by rule.

The Director shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of sentence credit for good conduct, with the first report due January 1, 2014. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

(A) the number of inmates awarded sentence credit for good conduct;

(B) the average amount of sentence credit for good conduct awarded;

(C) the holding offenses of inmates awarded sentence credit for good conduct; and

(D) the number of sentence credit for good conduct revocations.

(4) The rules and regulations shall also provide that the sentence credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program

participation before August 11, 1993 and 1.50 for program participation on or after that date. The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the

effective date of Public Act 95-625) or subdivision (a)(2)(vii) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who

(i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or

agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 90 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 90 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the

crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the sentence credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit

shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of sentence credit for good conduct under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's:

name, any known alias, date of birth, physical characteristics, commitment offense and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded for good conduct under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in

subparagraph (a) (4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended or reduced. Any restoration of sentence credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a) (3) (i) (B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or

federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a) (8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the

establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(12) reimburse any "local anti-crime program" as defined in Section 7 of the Anti-Crime Advisory Council Act for any reasonable expenses incurred by the program on the offender's case, not to exceed the maximum amount of the fine authorized for the offense for which the defendant was sentenced;

(13) contribute a reasonable sum of money, not to exceed the maximum amount of the fine authorized for the offense for which the defendant was sentenced, (i) to a "local anti-crime program", as defined in Section 7 of the Anti-Crime Advisory Council Act, or (ii) for offenses under the jurisdiction of the Department of Natural Resources, to the fund established by the Department of Natural Resources for the purchase of evidence for investigation purposes and

to conduct investigations as outlined in Section 805-105 of the Department of Natural Resources (Conservation) Law;

(c-5) If payment of restitution as ordered has not been made, the victim shall file a petition notifying the sentencing court, any other person to whom restitution is owed, and the State's Attorney of the status of the ordered restitution payments unpaid at least 90 days before the supervision expiration date. If payment as ordered has not been made, the court shall hold a review hearing prior to the expiration date, unless the hearing is voluntarily waived by the defendant with the knowledge that waiver may result in an extension of the supervision period or in a revocation of supervision. If the court does not extend supervision, it shall issue a judgment for the unpaid restitution and direct the clerk of the circuit court to file and enter the judgment in the judgment and lien docket, without fee, unless it finds that the victim has

recovered a judgment against the defendant for the amount covered by the restitution order. If the court issues a judgment for the unpaid restitution, the court shall send to the defendant at his or her last known address written notification that a civil judgment has been issued for the unpaid restitution.

(d) The court shall defer entering any judgment on the charges until the conclusion of the supervision.

(e) At the conclusion of the period of supervision, if the court determines that the defendant has successfully complied with all of the conditions of supervision, the court shall discharge the defendant and enter a judgment dismissing the charges.

(f) Discharge and dismissal upon a successful conclusion of a disposition of supervision shall be deemed without adjudication of guilt and shall not be termed a conviction for purposes of disqualification or disabilities imposed by law upon conviction of a crime. Two years after the discharge and dismissal under this Section, unless the disposition of supervision was for a violation of Sections 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Sections 12-3.2, 16-25, or 16A-3 of the Criminal Code of 1961 or the Criminal Code of 2012, in which case it shall be 5 years after discharge and dismissal, a person may have his record of arrest sealed or expunged as may be provided by law. However,

any defendant placed on supervision before January 1, 1980, may move for sealing or expungement of his arrest record, as provided by law, at any time after discharge and dismissal under this Section. The county board with the concurrence of the Chief Judge of the judicial circuit in which the county is located shall establish reasonable fees for the cost of maintenance, testing, and incidental expenses related to the mandatory drug or alcohol testing, or both, and all costs incidental to approved electronic monitoring, of all defendants placed on supervision. The concurrence of the Chief Judge shall be in the form of an administrative order. The fees shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all moneys collected from these fees to the county

treasurer who shall use the moneys collected to defray the costs of drug testing, alcohol testing, and electronic monitoring. The county treasurer shall deposit the fees collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be.

(h) A disposition of supervision is a final order for the purposes of appeal.

(i) The court shall impose upon a defendant placed on supervision after January 1, 1992 or to community service under the supervision of a probation or court services department after January 1, 2004, as a condition of supervision or supervised community service, a fee of \$50 for each month of supervision or supervised community service ordered by the court, unless after determining the inability of the person placed on supervision or supervised community service to pay the fee, the court assesses a lesser fee. The court may not impose the fee on a minor who is made a ward of the State under the Juvenile Court Act of 1987 while the minor is in placement. The fee shall be imposed only upon a defendant who is actively supervised by the probation and court services department. The fee shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer for deposit in the probation and court services fund pursuant to Section 15.1 of the Probation and Probation Officers Act.

A circuit court may not impose a probation fee in excess of

\$25 per month unless the circuit court has adopted, by administrative order issued by the chief judge, a standard probation fee guide determining an offender's ability to pay. Of the amount collected as a probation fee, not to exceed \$5 of that fee collected per month may be used to provide services to crime victims and their families.

The Court may only waive probation fees based on an offender's ability to pay. The probation department may re-evaluate an offender's ability to pay every 6 months, and, with the approval of the Director of Court Services or the Chief Probation Officer, adjust the monthly fee amount. An offender may elect to pay probation fees due in a lump sum. Any offender that has been assigned to the supervision of a probation department, or has been transferred either under subsection (h) of this Section or under any interstate compact, shall be required to pay probation fees to the department supervising the offender, based on the offender's ability to pay.

(j) All fines and costs imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(k) A defendant at least 17 years of age who is placed on

supervision for a misdemeanor in a county of 3,000,000 or more inhabitants and who has not been previously convicted of a misdemeanor or felony may as a condition of his or her supervision be required by the court to attend educational courses designed to prepare the defendant for a high school diploma and to work toward a high school diploma or to work toward passing high school equivalency testing or to work toward completing a vocational training program approved by the court. The defendant placed on supervision must attend a public institution of education to obtain the educational or vocational training required by this subsection (k). The defendant placed on supervision shall be required to pay for the cost of the educational courses or high school equivalency testing if a fee is charged for those courses or testing. The court shall revoke the supervision of a person who wilfully fails to comply with this subsection (k). The court shall resentence the defendant upon revocation of supervision as provided in Section 5-6-4. This subsection (k) does not apply to a defendant who has a high school diploma or has successfully passed high school equivalency testing. This subsection (k) does not apply to a defendant who is determined by the court to be developmentally disabled or otherwise mentally incapable of completing the educational or vocational program.

(1) The court shall require a defendant placed on supervision for possession of a substance prohibited by the

Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act after a previous conviction or disposition of supervision for possession of a substance prohibited by the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act or a sentence of probation under Section 10 of the Cannabis Control Act or Section 410 of the Illinois Controlled Substances Act and after a finding by the court that the person is addicted, to undergo treatment at a substance abuse program approved by the court.

(m) The Secretary of State shall require anyone placed on court supervision for a violation of Section 3-707 of the Illinois Vehicle Code or a similar provision of a local ordinance to give proof of his or her financial responsibility as defined in Section 7-315 of the Illinois Vehicle Code. The proof shall be maintained by the individual in a manner satisfactory to the Secretary of State for a minimum period of 3 years after the date the proof is first filed. The proof shall be limited to a single action per arrest and may not be affected by any post-sentence disposition. The Secretary of State shall suspend the driver's license of any person determined by the Secretary to be in violation of this subsection.

(n) Any offender placed on supervision for any offense that the court or probation department has determined to be sexually

motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

(o) An offender placed on supervision for a sex offense as defined in the Sex Offender Management Board Act shall refrain from residing at the same address or in the same condominium unit or apartment unit or in the same condominium complex or apartment complex with another person he or she knows or reasonably should know is a convicted sex offender or has been placed on supervision for a sex offense. The provisions of this subsection (o) do not apply to a person convicted of a sex offense who is placed in a Department of Corrections licensed transitional housing facility for sex offenders.

(p) An offender placed on supervision for an offense committed on or after June 1, 2008 (the effective date of Public Act 95-464) that would qualify the accused as a child sex offender as defined in Section 11-9.3 or 11-9.4 of the Criminal Code of 1961 or the Criminal Code of 2012 shall refrain from communicating with or contacting, by means of the Internet, a person who is not related to the accused and whom the accused reasonably believes to be under 18 years of age. For purposes of this subsection (p), "Internet" has the meaning ascribed to it in Section 16-0.1 of the Criminal Code of 2012; and a person is not related to the accused if the person is

not: (i) the spouse, brother, or sister of the accused; (ii) a descendant of the accused; (iii) a first or second cousin of the accused; or (iv) a step-child or adopted child of the accused.

(q) An offender placed on supervision for an offense committed on or after June 1, 2008 (the effective date of Public Act 95-464) that would qualify the accused as a child sex offender as defined in Section 11-9.3 or 11-9.4 of the Criminal Code of 1961 or the Criminal Code of 2012 shall, if so ordered by the court, refrain from communicating with or contacting, by means of the Internet, a person who is related to the accused and whom the accused reasonably believes to be under 18 years of age. For purposes of this subsection (q), "Internet" has the meaning ascribed to it in Section 16-0.1 of the Criminal Code of 2012; and a person is related to the accused if the person is: (i) the spouse, brother, or sister of the accused; (ii) a descendant of the accused; (iii) a first or second cousin of the accused; or (iv) a step-child or adopted child of the accused.

(r) An offender placed on supervision for an offense under Section 11-6, 11-9.1, 11-14.4 that involves soliciting for a juvenile prostitute, 11-15.1, 11-20.1, 11-20.1B, 11-20.3, or 11-21 of the Criminal Code of 1961 or the Criminal Code of 2012, or any attempt to commit any of these offenses, committed on or after the effective date of this amendatory Act of the 95th General Assembly shall:

(ii) submit to periodic unannounced examinations of the offender's computer or any other device with Internet capability by the offender's probation officer, a law enforcement officer, or assigned computer or information technology specialist, including the retrieval and copying of all data from the computer or device and any internal or external peripherals and removal of such information, equipment, or device to conduct a more thorough inspection;

(iii) submit to the installation on the offender's computer or device with Internet capability, at the offender's expense, of one or more hardware or software systems to monitor the Internet use; and

(iv) submit to any other appropriate restrictions concerning the offender's use of or access to a computer or any other device with Internet capability imposed by the court.

(s) An offender placed on supervision for an offense that is a sex offense as defined in Section 2 of the Sex Offender Registration Act that is committed on or after January 1, 2010 (the effective date of Public Act 96-362) that requires the person to register as a sex offender under that Act, may not

knowingly use any computer scrub software on any computer that the sex offender uses.

(t) An offender placed on supervision for a sex offense as defined in the Sex Offender Registration Act committed on or after January 1, 2010 (the effective date of Public Act 96-262) shall refrain from accessing or using a social networking website as defined in Section 17-0.5 of the Criminal Code of 2012.

(u) Jurisdiction over an offender may be transferred from the sentencing court to the court of another circuit with the concurrence of both courts. Further transfers or retransfers of jurisdiction are also authorized in the same manner. The court to which jurisdiction has been transferred shall have the same powers as the sentencing court. The probation department within the circuit to which jurisdiction has been transferred may impose probation fees upon receiving the transferred offender, as provided in subsection (i). The probation department from the original sentencing court shall retain all probation fees collected prior to the transfer.

Section 565. The Code of Civil Procedure is amended by changing Sections 2-1401, 3-102, and 12-654 as follows:

(735 ILCS 5/2-1401) (from Ch. 110, par. 2-1401)

Sec. 2-1401. Relief from judgments.

(a) Relief from final orders and judgments, after 30 days from the entry thereof, may be had upon petition as provided in this Section. Writs of error coram nobis and coram vobis, bills of review and bills in the nature of bills of review are abolished. All relief heretofore obtainable and the grounds for such relief heretofore available, whether by any of the foregoing remedies or otherwise, shall be available in every case, by proceedings hereunder, regardless of the nature of the order or judgment from which relief is sought or of the proceedings in which it was entered. Except as provided in the Illinois Parentage Act of 2015, there shall be no distinction between actions and other proceedings, statutory or otherwise, as to availability of relief, grounds for relief or the relief obtainable.

(b) The petition must be filed in the same proceeding in which the order or judgment was entered but is not a continuation thereof. The petition must be supported by affidavit or other appropriate showing as to matters not of record. All parties to the petition shall be notified as provided by rule.

(b-5) A movant may present a meritorious claim under this Section if the allegations in the petition establish each of the following by a preponderance of the evidence:

(1) the movant was convicted of a forcible felony;

(2) the movant's participation in the offense was related to him or her previously having been a victim of domestic violence as perpetrated by an intimate partner;

(3) no evidence of domestic violence against the movant was presented at the movant's sentencing hearing;

(4) the movant was unaware of the mitigating nature of the evidence of the domestic violence at the time of sentencing and could not have learned of its significance sooner through diligence; and

(5) the new evidence of domestic violence against the movant is material and noncumulative to other evidence offered at the sentencing hearing, and is of such a conclusive character that it would likely change the sentence imposed by the original trial court.

Nothing in this subsection (b-5) shall prevent a movant from applying for any other relief under this Section or any other law otherwise available to him or her.

As used in this subsection (b-5):

"Domestic violence" means abuse as defined in Section 103 of the Illinois Domestic Violence Act of 1986.

"Forcible felony" has the meaning ascribed to the term in Section 2-8 of the Criminal Code of 2012.

"Intimate partner" means a spouse or former spouse, persons who have or allegedly have had a child in common, or persons who have or have had a dating or engagement relationship.

(c) Except as provided in Section 20b of the Adoption Act and Section 2-32 of the Juvenile Court Act of 1987 or in a petition based upon Section 116-3 of the Code of Criminal Procedure of 1963, the petition must be filed not later than 2 years after the entry of the order or judgment. Time during which the person seeking relief is under legal disability or duress or the ground for relief is fraudulently concealed shall be excluded in computing the period of 2 years.

(d) The filing of a petition under this Section does not affect the order or judgment, or suspend its operation.

(e) Unless lack of jurisdiction affirmatively appears from the record proper, the vacation or modification of an order or judgment pursuant to the provisions of this Section does not affect the right, title or interest in or to any real or personal property of any person, not a party to the original action, acquired for value after the entry of the order or judgment but before the filing of the petition, nor affect any right of any person not a party to the original action under any certificate of sale issued before the filing of the petition, pursuant to a sale based on the order or judgment.

(f) Nothing contained in this Section affects any existing right to relief from a void order or judgment, or to employ any existing method to procure that relief.

(735 ILCS 5/3-102) (from Ch. 110, par. 3-102)

Sec. 3-102. Scope of Article. This Article III ~~of this Act~~ shall apply to and govern every action to review judicially a final decision of any administrative agency where the Act creating or conferring power on such agency, by express reference, adopts the provisions of this Article III ~~of this Act~~ or its predecessor, the Administrative Review Act. This Article shall be known as the "Administrative Review Law". In all such cases, any other statutory, equitable or common law mode of review of decisions of administrative agencies heretofore available shall not hereafter be employed.

Unless review is sought of an administrative decision within the time and in the manner herein provided, the parties to the proceeding before the administrative agency shall be barred from obtaining judicial review of such administrative decision. In an action to review any final decision of any administrative agency brought under this Article III, if a judgment is reversed or entered against the plaintiff, or the action is voluntarily dismissed by the plaintiff, or the action is dismissed for want of prosecution, or the action is dismissed by a United States District Court for lack of jurisdiction, neither the plaintiff nor his or her heirs, executors, or administrators may commence a new action within one year or within the remaining period of limitation, whichever is greater. All proceedings in the court for revision of such final decision shall terminate upon the date of the

entry of any Order under either Section 2-1009 or Section 13-217. Such Order shall cause the final administrative decision of any administrative agency to become immediately enforceable. If under the terms of the Act governing the procedure before an administrative agency an administrative decision has become final because of the failure to file any document in the nature of objections, protests, petition for hearing or application for administrative review within the time allowed by such Act, such decision shall not be subject to judicial review hereunder excepting only for the purpose of questioning the jurisdiction of the administrative agency over the person or subject matter.

Section 580. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 513 as follows:

(750 ILCS 5/513) (from Ch. 40, par. 513)

Sec. 513. Educational Expenses for a Non-minor Child.

(a) The court may award sums of money out of the property and income of either or both parties or the estate of a deceased parent, as equity may require, for the educational expenses of any child of the parties. Unless otherwise agreed to by the parties, all educational expenses which are the subject of a petition brought pursuant to this Section shall be incurred no later than the student's 23rd birthday, except for good cause shown, but in no event later than the child's 25th

birthday.

(b) Regardless of whether an award has been made under subsection (a), the court may require both parties and the child to complete the Free Application for Federal Student Aid (FAFSA) and other financial aid forms and to submit any form of that type prior to the designated submission deadline for the form. The court may require either or both parties to provide funds for the child so as to pay for the cost of up to 5 college applications, the cost of 2 standardized college entrance examinations, and the cost of one standardized college entrance examination preparatory course.

(c) The authority under this Section to make provision for educational expenses extends not only to periods of college education or vocational or professional or other training after graduation from high school, but also to any period during which the child of the parties is still attending high school, even though he or she attained the age of 19.

(d) Educational expenses may include, but shall not be limited to, the following:

(1) except for good cause shown, the actual cost of the child's post-secondary expenses, including tuition and fees, provided that the cost for tuition and fees does not exceed the amount of tuition and fees paid by a student at the University of Illinois at Urbana-Champaign for the same academic year;

(2) except for good cause shown, the actual costs of

the child's housing expenses, whether on-campus or off-campus, provided that the housing expenses do not exceed the cost for the same academic year of a double-occupancy student room, with a standard meal plan, in a residence hall operated by the University of Illinois at Urbana-Champaign;

(3) the actual costs of the child's medical expenses, including medical insurance, and dental expenses;

(4) the reasonable living expenses of the child during the academic year and periods of recess:

(A) if the child is a resident student attending a post-secondary educational program; or

(B) if the child is living with one party at that party's home and attending a post-secondary educational program as a non-resident student, in which case the living expenses include an amount that pays for the reasonable cost of the child's food, utilities, and transportation; and

(5) the cost of books and other supplies necessary to attend college.

(e) Sums may be ordered payable to the child, to either party, or to the educational institution, directly or through a special account or trust created for that purpose, as the court sees fit.

(f) If educational expenses are ordered payable, each party and the child shall sign any consent necessary for the

educational institution to provide a supporting party with access to the child's academic transcripts, records, and grade reports. The consent shall not apply to any non-academic records. Failure to execute the required consent may be a basis for a modification or termination of any order entered under this Section. Unless the court specifically finds that the child's safety would be jeopardized, each party is entitled to know the name of the educational institution the child attends.

(g) The authority under this Section to make provision for educational expenses terminates when the child either: fails to maintain a cumulative "C" grade point average, except in the event of illness or other good cause shown; attains the age of 23; receives a baccalaureate degree; or marries. A child's enlisting in the armed forces, being incarcerated, or becoming pregnant does not terminate the court's authority to make provisions for the educational expenses for the child under this Section.

(h) An account established prior to the dissolution that is to be used for the child's post-secondary education, that is an account in a state tuition program under Section 529 of the Internal Revenue Code, or that is some other college savings plan, is to be considered by the court to be a resource of the child, provided that any post-judgment contribution made by a party to such an account is to be considered a contribution from that party.

(i) The child is not a third party beneficiary to the

settlement agreement or judgment between the parties after trial and is not entitled to file a petition for contribution. If the parties' settlement agreement describes the manner in which a child's educational expenses will be paid, or if the court makes an award pursuant to this Section, then the parties are responsible pursuant to that agreement or award for the child's educational expenses, but in no event shall the court consider the child a third party beneficiary of that provision. In the event of the death or legal disability of a party who would have the right to file a petition for contribution, the child of the party may file a petition for contribution. ~~a person with a mental or physical disability a person with a mental or physical disability~~

(j) In making awards under this Section, or pursuant to a petition or motion to decrease, modify, or terminate any such award, the court shall consider all relevant factors that appear reasonable and necessary, including:

(1) The present and future financial resources of both parties to meet their needs, including, but not limited to, savings for retirement.

(2) The standard of living the child would have enjoyed had the marriage not been dissolved.

(3) The financial resources of the child.

(4) The child's academic performance.

(k) The establishment of an obligation to pay under this Section is retroactive only to the date of filing a petition.

The right to enforce a prior obligation to pay may be enforced either before or after the obligation is incurred.

Section 590. The Adoption Act is amended by changing Sections 1 and 18.06 as follows:

(750 ILCS 50/1) (from Ch. 40, par. 1501)

Sec. 1. Definitions. When used in this Act, unless the

context otherwise requires:

A. "Child" means a person under legal age subject to adoption under this Act.

B. "Related child" means a child subject to adoption where either or both of the adopting parents stands in any of the following relationships to the child by blood, marriage, adoption, or civil union: parent, grand-parent, great-grandparent, brother, sister, step-parent, step-grandparent, step-brother, step-sister, uncle, aunt, great-uncle, great-aunt, first cousin, or second cousin. A person is related to the child as a first cousin or second cousin if they are both related to the same ancestor as either grandchild or great-grandchild. A child whose parent has executed a consent to adoption, a surrender, or a waiver pursuant to Section 10 of this Act or whose parent has signed a denial of paternity pursuant to Section 12 of the Vital Records Act or Section 12a of this Act, or whose parent has had his or her parental rights terminated, is not a related child to that person, unless (1) the consent is determined to be void or is void pursuant to subsection O of Section 10 of this Act; or (2) the parent of the child executed a consent to adoption by a specified person or persons pursuant to subsection A-1 of Section 10 of this Act and a court of competent jurisdiction finds that such consent is void; or (3) the order terminating the parental rights of the parent is vacated by a court of competent jurisdiction.

C. "Agency" for the purpose of this Act means a public child welfare agency or a licensed child welfare agency.

D. "Unfit person" means any person whom the court shall find to be unfit to have a child, without regard to the likelihood that the child will be placed for adoption. The grounds of unfitness are any one or more of the following, except that a person shall not be considered an unfit person for the sole reason that the person has relinquished a child in accordance with the Abandoned Newborn Infant Protection Act:

(a) Abandonment of the child.

(a-1) Abandonment of a newborn infant in a hospital.

(a-2) Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.

(b) Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.

(c) Desertion of the child for more than 3 months next preceding the commencement of the Adoption proceeding.

(d) Substantial neglect of the child if continuous or repeated.

(d-1) Substantial neglect, if continuous or repeated, of any child residing in the household which resulted in the death of that child.

(e) Extreme or repeated cruelty to the child.

(f) There is a rebuttable presumption, which can be

overcome only by clear and convincing evidence, that a parent is unfit if:

(1) Two or more findings of physical abuse have been entered regarding any children under Section 2-21 of the Juvenile Court Act of 1987, the most recent of which was determined by the juvenile court hearing the matter to be supported by clear and convincing evidence; or

(2) The parent has been convicted or found not guilty by reason of insanity and the conviction or finding resulted from the death of any child by physical abuse; or

(3) There is a finding of physical child abuse resulting from the death of any child under Section 2-21 of the Juvenile Court Act of 1987.

No conviction or finding of delinquency pursuant to Article V of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (f).

(g) Failure to protect the child from conditions within his environment injurious to the child's welfare.

(h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child

sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.

(i) Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is deprived which can be overcome only by clear and convincing evidence: (1) first degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or the Criminal Code of 2012 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 or the Criminal Code of 2012 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012; (5) predatory criminal sexual assault of a child in violation of Section 11-1.40 or 12-14.1 of the Criminal Code of 1961 or the Criminal Code of 2012; (6) heinous battery of any child in violation of the Criminal Code of 1961; or (7)

aggravated battery of any child in violation of the Criminal Code of 1961 or the Criminal Code of 2012.

There is a rebuttable presumption that a parent is deprived if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is deprived if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 or the Criminal Code of 2012 within 10 years of the filing date of the petition or motion to terminate parental rights.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (i).

(j) Open and notorious adultery or fornication.

(j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is

unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(l) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent during any 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (ii) to make reasonable progress toward the return of the child to the parent during any 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under

Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987. Notwithstanding any other provision, when a petition or motion seeks to terminate parental rights on the basis of item (ii) of this subsection (m), the petitioner shall file with the court and serve on the parties a pleading that specifies the 9-month period or periods relied on. The pleading shall be filed and served on the parties no later than 3 weeks before the date set by the court for closure of discovery, and the allegations in the pleading shall be treated as incorporated into the petition or motion. Failure of a respondent to file a written denial of the allegations in the pleading shall not be treated as an admission that the allegations are true.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22

month period which begins on or after the effective date of this amendatory Act of 1998 unless the child's parent can prove by a preponderance of the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with

the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984, the Illinois Parentage Act of 2015, or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n) (2) (ii) shall only be available where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child that does not demonstrate affection and concern does not constitute reasonable contact and planning under

subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created by the mother or any other person having legal custody. Proof of that fact need only be by a preponderance of the evidence.

(o) Repeated or continuous failure by the parents, although physically and financially able, to provide the child with adequate food, clothing, or shelter.

(p) Inability to discharge parental responsibilities supported by competent evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment, mental illness or an intellectual disability as defined in Section 1-116 of the Mental Health

and Developmental Disabilities Code, or developmental disability as defined in Section 1-106 of that Code, and there is sufficient justification to believe that the inability to discharge parental responsibilities shall extend beyond a reasonable time period. However, this subdivision (p) shall not be construed so as to permit a licensed clinical social worker to conduct any medical diagnosis to determine mental illness or mental impairment.

(q) (Blank).

(r) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated as a result of criminal conviction at the time the petition or motion for termination of parental rights is filed, prior to incarceration the parent had little or no contact with the child or provided little or no support for the child, and the parent's incarceration will prevent the parent from discharging his or her parental responsibilities for the child for a period in excess of 2 years after the filing of the petition or motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated at the time the petition or motion for termination of parental rights is filed, the parent has been repeatedly incarcerated as a

result of criminal convictions, and the parent's repeated incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.

E. "Parent" means a person who is the legal mother or legal father of the child as defined in subsection X or Y of this Section. For the purpose of this Act, a parent who has executed a consent to adoption, a surrender, or a waiver pursuant to Section 10 of this Act, who has signed a Denial of Paternity pursuant to Section 12 of the Vital Records Act or Section 12a of this Act, or whose parental rights have been terminated by a court, is not a parent of the child who was the subject of the

consent, surrender, waiver, or denial unless (1) the consent is void pursuant to subsection O of Section 10 of this Act; or (2) the person executed a consent to adoption by a specified person or persons pursuant to subsection A-1 of Section 10 of this Act and a court of competent jurisdiction finds that the consent is void; or (3) the order terminating the parental rights of the person is vacated by a court of competent jurisdiction.

F. A person is available for adoption when the person is:

(a) a child who has been surrendered for adoption to an agency and to whose adoption the agency has thereafter consented;

(b) a child to whose adoption a person authorized by law, other than his parents, has consented, or to whose adoption no consent is required pursuant to Section 8 of this Act;

(c) a child who is in the custody of persons who intend to adopt him through placement made by his parents;

(c-1) a child for whom a parent has signed a specific consent pursuant to subsection O of Section 10;

(d) an adult who meets the conditions set forth in Section 3 of this Act; or

(e) a child who has been relinquished as defined in Section 10 of the Abandoned Newborn Infant Protection Act.

A person who would otherwise be available for adoption shall not be deemed unavailable for adoption solely by reason of his or her death.

Section 595. The Illinois Domestic Violence Act of 1986 is amended by changing Sections 214 and 227 as follows:

(750 ILCS 60/214) (from Ch. 40, par. 2312-14)

Sec. 214. Order of protection; remedies.

(a) Issuance of order. If the court finds that petitioner has been abused by a family or household member or that petitioner is a high-risk adult who has been abused, neglected, or exploited, as defined in this Act, an order of protection prohibiting the abuse, neglect, or exploitation shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, or Section 219 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this

Act.

(b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 217 on emergency orders, Section 218 on interim orders, and Section 219 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse, neglect, or exploitation. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse, or willful deprivation, neglect or exploitation, as defined in this Act, or stalking of the petitioner, as defined in Section 12-7.3 of the Criminal Code of 2012, if such abuse, neglect, exploitation, or stalking has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor

possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

(A) If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and

personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(B) When the petitioner and the respondent attend the same public, private, or non-public elementary, middle, or high school, the court when issuing an order of protection and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or change of program, as determined by the school district or private or non-public school, or place restrictions on the respondent's movements within the

school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. In the event the court order results in a transfer of the minor respondent to another attendance center, a

change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(C) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. In the event the court orders a transfer of the respondent to another school, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the change of school by the respondent.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The Court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary allocation of parental responsibilities: significant decision-making. Award temporary decision-making responsibility to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 2015, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 103) of a minor child, there shall be a rebuttable presumption that awarding temporary significant decision-making

responsibility to respondent would not be in the child's best interest.

(7) Parenting time. Determine the parenting time, if any, of respondent in any case in which the court awards physical care or allocates temporary significant decision-making responsibility of a minor child to petitioner. The court shall restrict or deny respondent's parenting time with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during parenting time; (ii) use the parenting time as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 603.10 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants parenting time, the order shall specify dates and times for the parenting time to take place or other specific parameters or conditions that are appropriate. No order for parenting time shall refer merely to the term "reasonable parenting time".

Petitioner may deny respondent access to the minor child if, when respondent arrives for parenting time, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of

petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for parenting time, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for parenting time. A person may be approved to supervise parenting time only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as

now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or over whom the petitioner has been allocated parental responsibility, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care of a child, or an order or agreement for physical care of a child, prior to entry of an order allocating significant

decision-making responsibility. Such a support order shall expire upon entry of a valid order allocating parental responsibility differently and vacating the petitioner's significant decision-making authority, unless otherwise provided in the order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse, neglect, or exploitation. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a) (3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable

expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(a) Prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order:

(1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;

(2) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

(3) (i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use,

attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.

Any Firearm Owner's Identification Card in the possession of the respondent, except as provided in subsection (b), shall be ordered by the court to be turned over to the local law enforcement agency. The local law enforcement agency shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. The court shall issue a warrant for seizure of any firearm in the possession of the respondent, to be kept by the local law enforcement agency for safekeeping, except as provided in subsection (b). The period of safekeeping shall be for the duration of the order of protection. The firearm or firearms and Firearm Owner's Identification Card, if unexpired, shall at the respondent's request, be returned to the respondent at the end of the order of protection. It is the respondent's responsibility to notify the Department of State Police Firearm Owner's Identification Card Office.

(b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 2012, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer

be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the order of protection.

(c) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 203, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of

petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or further abuse, neglect, or exploitation of a high-risk adult with disabilities or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse, neglect or exploitation of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or

notice, and the likelihood of danger of future abuse, neglect, or exploitation to petitioner or any member of petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly relocated from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:

(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

(ii) the effect on the party's employment; and

(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of

this subsection.

(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:

When a verified petition for an emergency order of protection in accordance with the requirements of Sections 203 and 217 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois

Parentage Act of 1984, the Illinois Parentage Act of 2015, the Illinois Public Aid Code, Section 12 of the Vital Records Act, the Juvenile Court Act of 1987, the Probate Act of 1985, the Revised Uniform Reciprocal Enforcement of Support Act, the Uniform Interstate Family Support Act, the Expedited Child Support Act of 1990, any judicial, administrative, or other act of another state or territory, any other Illinois statute, or by any foreign nation establishing the father and child relationship, any other proceeding substantially in conformity with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193), or where both parties appeared in open court or at an administrative hearing acknowledging under oath or admitting by affirmation the existence of a father and child relationship. Absent such an adjudication, finding, or acknowledgement, no putative father shall be granted temporary allocation of parental responsibilities, including parenting time with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall

include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article 7 of the Criminal Code of 2012;

(2) Respondent was voluntarily intoxicated;

(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article 7 of the Criminal Code of 2012;

(4) Petitioner did not act in self-defense or defense of another;

(5) Petitioner left the residence or household to avoid further abuse, neglect, or exploitation by respondent;

(6) Petitioner did not leave the residence or household to avoid further abuse, neglect, or exploitation by respondent;

(7) Conduct by any family or household member excused the abuse, neglect, or exploitation by respondent, unless that same conduct would have excused such abuse, neglect, or exploitation if the parties had not been family or household members.

Sec. 227. Privileged communications between domestic violence counselors and victims.

(a) As used in this Section:

(1) "Domestic violence program" means any unit of local government, organization, or association whose major purpose is to provide one or more of the following: information, crisis intervention, emergency shelter, referral, counseling, advocacy, or emotional support to victims of domestic violence.

(3) "Confidential communication" means any communication between an alleged victim of domestic violence and a domestic violence advocate or counselor in the course of providing information, counseling, or advocacy. The term includes all records kept by the advocate or counselor or by the domestic violence program in the course of providing services to an alleged victim

concerning the alleged victim and the services provided. The confidential nature of the communication is not waived by the presence at the time of the communication of any additional persons, including but not limited to an interpreter, to further express the interests of the domestic violence victim or by the advocate's or counselor's disclosure to such an additional person with the consent of the victim when reasonably necessary to accomplish the purpose for which the advocate or counselor is consulted.

(4) "Domestic violence victim" means any person who consults a domestic violence counselor for the purpose of securing advice, counseling or assistance related to one or more alleged incidents of domestic violence.

(5) "Domestic violence" means abuse as defined in this Act ~~the Illinois Domestic Violence Act~~.

(b) No domestic violence advocate or counselor shall disclose any confidential communication or be examined as a witness in any civil or criminal case or proceeding or in any legislative or administrative proceeding without the written consent of the domestic violence victim except (1) in accordance with the provisions of the Abused and Neglected Child Reporting Act or (2) in cases where failure to disclose is likely to result in an imminent risk of serious bodily harm or death of the victim or another person.

(c) A domestic violence advocate or counselor who knowingly

discloses any confidential communication in violation of this Act commits a Class A misdemeanor.

(d) When a domestic violence victim is deceased or has been adjudged incompetent by a court of competent jurisdiction, the guardian of the domestic violence victim or the executor or administrator of the estate of the domestic violence victim may waive the privilege established by this Section, except where the guardian, executor or administrator of the estate has been charged with a violent crime against the domestic violence victim or has had an Order of Protection entered against him or her at the request of or on behalf of the domestic violence victim or otherwise has an interest adverse to that of the domestic violence victim with respect to the waiver of the privilege. In that case, the court shall appoint an attorney for the estate of the domestic violence victim.

(e) A minor may knowingly waive the privilege established by this Section. Where a minor is, in the opinion of the court, incapable of knowingly waiving the privilege, the parent or guardian of the minor may waive the privilege on behalf of the minor, except where such parent or guardian has been charged with a violent crime against the minor or has had an Order of Protection entered against him or her on request of or on behalf of the minor or otherwise has any interest adverse to that of the minor with respect to the waiver of the privilege. In that case, the court shall appoint an attorney for the minor child who shall be compensated in accordance with Section 506

of the Illinois Marriage and Dissolution of Marriage Act.

(f) Nothing in this Section shall be construed to limit in any way any privilege that might otherwise exist under statute or common law.

(g) The assertion of any privilege under this Section shall not result in an inference unfavorable to the State's cause or to the cause of the domestic violence victim.

Section 600. The Probate Act of 1975 is amended by changing Sections 11a-4, 11a-10, and 11a-18 as follows:

(755 ILCS 5/11a-4) (from Ch. 110 1/2, par. 11a-4)

Sec. 11a-4. Temporary guardian.

(a) Prior to the appointment of a guardian under this Article, pending an appeal in relation to the appointment, or pending the completion of a citation proceeding brought pursuant to Section 23-3 of this Act, or upon a guardian's death, incapacity, or resignation, the court may appoint a temporary guardian upon a showing of the necessity therefor for the immediate welfare and protection of the alleged person with a disability or his or her estate on such notice and subject to such conditions as the court may prescribe. In determining the necessity for temporary guardianship, the immediate welfare and protection of the alleged person with a disability and his or her estate shall be of paramount concern, and the interests

of the petitioner, any care provider, or any other party shall not outweigh the interests of the alleged person with a disability. The temporary guardian shall have the limited powers and duties of a guardian of the person or of the estate which are specifically enumerated by court order. The court order shall state the actual harm identified by the court that necessitates temporary guardianship or any extension thereof.

(b) The temporary guardianship shall expire within 60 days after the appointment or whenever a guardian is regularly appointed, whichever occurs first. No extension shall be granted except:

(1) In a case where there has been an adjudication of disability, an extension shall be granted:

(i) pending the disposition on appeal of an adjudication of disability;

(ii) pending the completion of a citation proceeding brought pursuant to Section 23-3;

(iii) pending the appointment of a successor guardian in a case where the former guardian has resigned, has become incapacitated, or is deceased; or

(iv) where the guardian's powers have been suspended pursuant to a court order.

(2) In a case where there has not been an adjudication of disability, an extension shall be granted pending the disposition of a petition brought pursuant to Section 11a-8 so long as the court finds it is in the best interest of

the alleged person with a disability to extend the temporary guardianship so as to protect the alleged person with a disability from any potential abuse, neglect, self-neglect, exploitation, or other harm and such extension lasts no more than 120 days from the date the temporary guardian was originally appointed.

The ward shall have the right any time after the appointment of a temporary guardian is made to petition the court to revoke the appointment of the temporary guardian.

(755 ILCS 5/11a-10) (from Ch. 110 1/2, par. 11a-10)

Sec. 11a-10. Procedures preliminary to hearing.

(a) Upon the filing of a petition pursuant to Section 11a-8, the court shall set a date and place for hearing to take place within 30 days. The court shall appoint a guardian ad litem to report to the court concerning the respondent's best interests consistent with the provisions of this Section, except that the appointment of a guardian ad litem shall not be required when the court determines that such appointment is not necessary for the protection of the respondent or a reasonably informed decision on the petition. If the guardian ad litem is not a licensed attorney, he or she shall be qualified, by training or experience, to work with or advocate for persons with developmental disabilities, the mentally ill, persons

with physical disabilities, the elderly, or persons with a disability due to mental deterioration, depending on the type of disability that is alleged in the petition. The court may allow the guardian ad litem reasonable compensation. The guardian ad litem may consult with a person who by training or experience is qualified to work with persons with a developmental disability, persons with mental illness, persons with physical disabilities, or persons with a disability due to mental deterioration, depending on the type of disability that is alleged. The guardian ad litem shall personally observe the respondent prior to the hearing and shall inform him orally and in writing of the contents of the petition and of his rights under Section 11a-11. The guardian ad litem shall also attempt to elicit the respondent's position concerning the adjudication of disability, the proposed guardian, a proposed change in residential placement, changes in care that might result from the guardianship, and other areas of inquiry deemed appropriate by the court. Notwithstanding any provision in the Mental Health and Developmental Disabilities Confidentiality Act or any other law, a guardian ad litem shall have the right to inspect and copy any medical or mental health record of the respondent which the guardian ad litem deems necessary, provided that the information so disclosed shall not be utilized for any other purpose nor be redisclosed except in connection with the proceedings. At or before the hearing, the guardian ad litem shall file a written report detailing his or

her observations of the respondent, the responses of the respondent to any of the inquiries ~~inquires~~ detailed in this Section, the opinion of the guardian ad litem or other professionals with whom the guardian ad litem consulted concerning the appropriateness of guardianship, and any other material issue discovered by the guardian ad litem. The guardian ad litem shall appear at the hearing and testify as to any issues presented in his or her report.

(b) The court (1) may appoint counsel for the respondent, if the court finds that the interests of the respondent will be best served by the appointment, and (2) shall appoint counsel upon respondent's request or if the respondent takes a position adverse to that of the guardian ad litem. The respondent shall be permitted to obtain the appointment of counsel either at the hearing or by any written or oral request communicated to the court prior to the hearing. The summons shall inform the respondent of this right to obtain appointed counsel. The court may allow counsel for the respondent reasonable compensation.

(c) If the respondent is unable to pay the fee of the guardian ad litem or appointed counsel, or both, the court may enter an order for the petitioner to pay all such fees or such amounts as the respondent or the respondent's estate may be unable to pay. However, in cases where the Office of State Guardian is the petitioner, consistent with Section 30 of the Guardianship and Advocacy Act, where the public guardian is the petitioner, consistent with Section 13-5 of this Act ~~the~~

~~Probate Act of 1975~~, where an adult protective services agency is the petitioner, pursuant to Section 9 of the Adult Protective Services Act, or where the Department of Children and Family Services is the petitioner under subparagraph (d) of subsection (1) of Section 2-27 of the Juvenile Court Act of 1987, no guardian ad litem or legal fees shall be assessed against the Office of State Guardian, the public guardian, the adult protective services agency, or the Department of Children and Family Services.

(d) The hearing may be held at such convenient place as the court directs, including at a facility in which the respondent resides.

(e) Unless he is the petitioner, the respondent shall be personally served with a copy of the petition and a summons not less than 14 days before the hearing. The summons shall be printed in large, bold type and shall include the following notice:

(755 ILCS 5/11a-18) (from Ch. 110 1/2, par. 11a-18)

Sec. 11a-18. Duties of the estate guardian.

(a) To the extent specified in the order establishing the guardianship, the guardian of the estate shall have the care, management and investment of the estate, shall manage the estate frugally and shall apply the income and principal of the estate so far as necessary for the comfort and suitable support

and education of the ward, his minor and adult dependent children, and persons related by blood or marriage who are dependent upon or entitled to support from him, or for any other purpose which the court deems to be for the best interests of the ward, and the court may approve the making on behalf of the ward of such agreements as the court determines to be for the ward's best interests. The guardian may make disbursement of his ward's funds and estate directly to the ward or other distributee or in such other manner and in such amounts as the court directs. If the estate of a ward is derived in whole or in part from payments of compensation, adjusted compensation, pension, insurance or other similar benefits made directly to the estate by the Veterans Administration, notice of the application for leave to invest or expend the ward's funds or estate, together with a copy of the petition and proposed order, shall be given to the Veterans' Administration Regional Office in this State at least 7 days before the hearing on the application.

(a-5) The probate court, upon petition of a guardian, other than the guardian of a minor, and after notice to all other persons interested as the court directs, may authorize the guardian to exercise any or all powers over the estate and business affairs of the ward that the ward could exercise if present and not under disability. The court may authorize the taking of an action or the application of funds not required for the ward's current and future maintenance and support in

any manner approved by the court as being in keeping with the ward's wishes so far as they can be ascertained. The court must consider the permanence of the ward's disabling condition and the natural objects of the ward's bounty. In ascertaining and carrying out the ward's wishes the court may consider, but shall not be limited to, minimization of State or federal income, estate, or inheritance taxes; and providing gifts to charities, relatives, and friends that would be likely recipients of donations from the ward. The ward's wishes as best they can be ascertained shall be carried out, whether or not tax savings are involved. Actions or applications of funds may include, but shall not be limited to, the following:

(1) making gifts of income or principal, or both, of the estate, either outright or in trust;

(2) conveying, releasing, or disclaiming his or her contingent and expectant interests in property, including marital property rights and any right of survivorship incident to joint tenancy or tenancy by the entirety;

(3) releasing or disclaiming his or her powers as trustee, personal representative, custodian for minors, or guardian;

(4) exercising, releasing, or disclaiming his or her powers as donee of a power of appointment;

(5) entering into contracts;

(6) creating for the benefit of the ward or others, revocable or irrevocable trusts of his or her property that

may extend beyond his or her disability or life;

(7) exercising options of the ward to purchase or exchange securities or other property;

(8) exercising the rights of the ward to elect benefit or payment options, to terminate, to change beneficiaries or ownership, to assign rights, to borrow, or to receive cash value in return for a surrender of rights under any one or more of the following:

(i) life insurance policies, plans, or benefits,

(ii) annuity policies, plans, or benefits,

(iii) mutual fund and other dividend investment plans,

(iv) retirement, profit sharing, and employee welfare plans and benefits;

(9) exercising his or her right to claim or disclaim an elective share in the estate of his or her deceased spouse and to renounce any interest by testate or intestate succession or by inter vivos transfer;

(10) changing the ward's residence or domicile; or

(11) modifying by means of codicil or trust amendment the terms of the ward's will or any revocable trust created by the ward, as the court may consider advisable in light of changes in applicable tax laws.

The guardian in his or her petition shall briefly outline the action or application of funds for which he or she seeks approval, the results expected to be accomplished thereby, and

the tax savings, if any, expected to accrue. The proposed action or application of funds may include gifts of the ward's personal property or real estate, but transfers of real estate shall be subject to the requirements of Section 20 of this Act. Gifts may be for the benefit of prospective legatees, devisees, or heirs apparent of the ward or may be made to individuals or charities in which the ward is believed to have an interest. The guardian shall also indicate in the petition that any planned disposition is consistent with the intentions of the ward insofar as they can be ascertained, and if the ward's intentions cannot be ascertained, the ward will be presumed to favor reduction in the incidents of various forms of taxation and the partial distribution of his or her estate as provided in this subsection. The guardian shall not, however, be required to include as a beneficiary or fiduciary any person who he has reason to believe would be excluded by the ward. A guardian shall be required to investigate and pursue a ward's eligibility for governmental benefits.

(b) Upon the direction of the court which issued his letters, a guardian may perform the contracts of his ward which were legally subsisting at the time of the commencement of the ward's disability. The court may authorize the guardian to execute and deliver any bill of sale, deed or other instrument.

(c) The guardian of the estate of a ward shall appear for and represent the ward in all legal proceedings unless another person is appointed for that purpose as guardian or next

friend. This does not impair the power of any court to appoint a guardian ad litem or next friend to defend the interests of the ward in that court, or to appoint or allow any person as the next friend of a ward to commence, prosecute or defend any proceeding in his behalf. Without impairing the power of the court in any respect, if the guardian of the estate of a ward and another person as next friend shall appear for and represent the ward in a legal proceeding in which the compensation of the attorney or attorneys representing the guardian and next friend is solely determined under a contingent fee arrangement, the guardian of the estate of the ward shall not participate in or have any duty to review the prosecution of the action, to participate in or review the appropriateness of any settlement of the action, or to participate in or review any determination of the appropriateness of any fees awarded to the attorney or attorneys employed in the prosecution of the action.

(d) Adjudication of disability shall not revoke or otherwise terminate a trust which is revocable by the ward. A guardian of the estate shall have no authority to revoke a trust that is revocable by the ward, except that the court may authorize a guardian to revoke a Totten trust or similar deposit or withdrawable capital account in trust to the extent necessary to provide funds for the purposes specified in paragraph (a) of this Section. If the trustee of any trust for the benefit of the ward has discretionary power to apply income

or principal for the ward's benefit, the trustee shall not be required to distribute any of the income or principal to the guardian of the ward's estate, but the guardian may bring an action on behalf of the ward to compel the trustee to exercise the trustee's discretion or to seek relief from an abuse of discretion. This paragraph shall not limit the right of a guardian of the estate to receive accountings from the trustee on behalf of the ward.

(d-5) Upon a verified petition by the plenary or limited guardian of the estate or the request of the ward that is accompanied by a current physician's report that states the ward possesses testamentary capacity, the court may enter an order authorizing the ward to execute a will or codicil. In so ordering, the court shall authorize the guardian to retain independent counsel for the ward with whom the ward may execute or modify a will or codicil.

(e) Absent court order pursuant to the Illinois Power of Attorney Act directing a guardian to exercise powers of the principal under an agency that survives disability, the guardian will have no power, duty or liability with respect to any property subject to the agency. This subsection (e) applies to all agencies, whenever and wherever executed.

(f) Upon petition by any interested person (including the standby or short-term guardian), with such notice to interested persons as the court directs and a finding by the court that it is in the best interest of the person with a disability, the

court may terminate or limit the authority of a standby or short-term guardian or may enter such other orders as the court deems necessary to provide for the best interest of the person with a disability. The petition for termination or limitation of the authority of a standby or short-term guardian may, but need not, be combined with a petition to have another guardian appointed for the person with a disability.

All management companies which are responsible for the funds held or administered by the association shall maintain and furnish to the association a fidelity bond for the maximum amount of coverage available to protect funds in the custody of the management company at any time. The association shall bear the cost of the fidelity insurance and fidelity bond, unless otherwise provided by contract between the association and a management company. The association shall be the direct obligee of any such fidelity bond. A management company holding reserve funds of an association shall at all times maintain a separate account for each association, provided, however, that for investment purposes, the Board of Managers of an association may authorize a management company to maintain the

association's reserve funds in a single interest bearing account with similar funds of other associations. The management company shall at all times maintain records identifying all moneys of each association in such investment account. The management company may hold all operating funds of associations which it manages in a single operating account but shall at all times maintain records identifying all moneys of each association in such operating account. Such operating and reserve funds held by the management company for the association shall not be subject to attachment by any creditor of the management company.

For the purpose of this subsection, a management company shall be defined as a person, partnership, corporation, or other legal entity entitled to transact business on behalf of others, acting on behalf of or as an agent for a unit owner, unit owners or association of unit owners for the purpose of carrying out the duties, responsibilities, and other obligations necessary for the day to day operation and management of any property subject to this Act. established by the declaration or by laws.

Until one year after September 21, 1985 (the effective date of Public Act 84-722) ~~this amendatory Act of 1985~~, if a condominium association has reserves plus assessments in excess of \$250,000 and cannot reasonably obtain 100% fidelity bond coverage for such amount, then it must obtain a fidelity bond coverage of \$250,000.

elements.

(m) The percentage of votes required to modify or amend the bylaws, but each one of the particulars set forth in this section shall always be embodied in the bylaws.

(n) (i) The provisions of this Act, the declaration, bylaws, other condominium instruments, and rules and regulations that relate to the use of the individual unit or the common elements shall be applicable to any person leasing a unit and shall be deemed to be incorporated in any lease executed or renewed on or after August 30, 1984 (the effective date of Public Act 83-1271) ~~this amendatory Act of 1984~~.

(ii) With regard to any lease entered into subsequent to July 1, 1990 (the effective date of Public Act 86-991) ~~this amendatory Act of 1989~~, the unit owner leasing the unit shall deliver a copy of the signed lease to the board or if the lease is oral, a memorandum of the lease, not later than the date of occupancy or 10 days after the lease is signed, whichever occurs first. In addition to any other remedies, by filing an action jointly against the tenant and the unit owner, an association may seek to enjoin a tenant from occupying a unit or seek to evict a tenant under the provisions of Article IX of the Code of Civil Procedure for failure of the lessor-owner to comply with the leasing requirements prescribed by this Section or by the declaration, bylaws, and rules and regulations. The board of managers may proceed directly against a tenant, at law or in equity, or under the provisions of Article IX of the Code

of Civil Procedure, for any other breach by tenant of any covenants, rules, regulations or bylaws.

(o) The association shall have no authority to forbear the payment of assessments by any unit owner.

(p) That when 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, any percentage vote of members specified herein or in the condominium instruments shall require the specified percentage by number of units rather than by percentage of interest in the common elements allocated to units that would otherwise be applicable and garage units or storage units, or both, shall have, in total, no more votes than their aggregate percentage of ownership in the common elements; this shall mean that if garage units or storage units, or both, are to be given a vote, or portion of a vote, that the association must add the total number of votes cast of garage units, storage units, or both, and divide the total by the number of garage units, storage units, or both, and multiply by the aggregate percentage of ownership of garage units and storage units to determine the vote, or portion of a vote, that garage units or storage units, or both, have. For purposes of this subsection (p), when making a determination of whether 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, a unit shall not include a garage unit or a storage unit.

(q) That a unit owner may not assign, delegate, transfer,

surrender, or avoid the duties, responsibilities, and liabilities of a unit owner under this Act, the condominium instruments, or the rules and regulations of the Association; and that such an attempted assignment, delegation, transfer, surrender, or avoidance shall be deemed void.

The provisions of this Section are applicable to all condominium instruments recorded under this Act. Any portion of a condominium instrument which contains provisions contrary to these provisions shall be void as against public policy and ineffective. Any such instrument which fails to contain the provisions required by this Section shall be deemed to incorporate such provisions by operation of law.

The management company may hold all operating funds of associations which it manages in a single operating account but shall at all times maintain records identifying all moneys of each association in such operating account. Such operating and reserve funds held by the management company for the association shall not be subject to attachment by any creditor of the management company.

For the purpose of this subsection, a management company shall be defined as a person, partnership, corporation, or other legal entity entitled to transact business on behalf of others, acting on behalf of or as an agent for a unit owner, unit owners or association of unit owners for the purpose of carrying out the duties, responsibilities, and other obligations necessary for the day to day operation and management of any property subject to this Act. For purposes of this subsection, the term "fiduciary insurance coverage" shall be defined as both a fidelity bond and directors and officers liability coverage, the fidelity bond in the full amount of association funds and association reserves that will be in the

custody of the association, and the directors and officers liability coverage at a level as shall be determined to be reasonable by the board of managers, if not otherwise established by the declaration or by laws.

Until one year after September 21, 1985 (the effective date of Public Act 84-722) ~~this amendatory Act of 1985~~, if a condominium association has reserves plus assessments in excess of \$250,000 and cannot reasonably obtain 100% fidelity bond coverage for such amount, then it must obtain a fidelity bond coverage of \$250,000.

(h) Method of estimating the amount of the annual budget, and the manner of assessing and collecting from the unit owners their respective shares of such estimated expenses, and of any other expenses lawfully agreed upon.

(i) That upon 10 days notice to the manager or board of managers and payment of a reasonable fee, any unit owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such owner.

(j) Designation and removal of personnel necessary for the maintenance, repair and replacement of the common elements.

(k) Such restrictions on and requirements respecting the use and maintenance of the units and the use of the common elements, not set forth in the declaration, as are designed to prevent unreasonable interference with the use of their respective units and of the common elements by the several unit

owners.

(l) Method of adopting and of amending administrative rules and regulations governing the operation and use of the common elements.

(m) The percentage of votes required to modify or amend the bylaws, but each one of the particulars set forth in this section shall always be embodied in the bylaws.

(n) (i) The provisions of this Act, the declaration, bylaws, other condominium instruments, and rules and regulations that relate to the use of the individual unit or the common elements shall be applicable to any person leasing a unit and shall be deemed to be incorporated in any lease executed or renewed on or after August 30, 1984 (the effective date of Public Act 83-1271) ~~this amendatory Act of 1984~~.

(ii) With regard to any lease entered into subsequent to July 1, 1990 (the effective date of Public Act 86-991) ~~this amendatory Act of 1989~~, the unit owner leasing the unit shall deliver a copy of the signed lease to the board or if the lease is oral, a memorandum of the lease, not later than the date of occupancy or 10 days after the lease is signed, whichever occurs first. In addition to any other remedies, by filing an action jointly against the tenant and the unit owner, an association may seek to enjoin a tenant from occupying a unit or seek to evict a tenant under the provisions of Article IX of the Code of Civil Procedure for failure of the lessor-owner to comply with the leasing requirements prescribed by this Section

or by the declaration, bylaws, and rules and regulations. The board of managers may proceed directly against a tenant, at law or in equity, or under the provisions of Article IX of the Code of Civil Procedure, for any other breach by tenant of any covenants, rules, regulations or bylaws.

(o) The association shall have no authority to forbear the payment of assessments by any unit owner.

(p) That when 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, any percentage vote of members specified herein or in the condominium instruments shall require the specified percentage by number of units rather than by percentage of interest in the common elements allocated to units that would otherwise be applicable and garage units or storage units, or both, shall have, in total, no more votes than their aggregate percentage of ownership in the common elements; this shall mean that if garage units or storage units, or both, are to be given a vote, or portion of a vote, that the association must add the total number of votes cast of garage units, storage units, or both, and divide the total by the number of garage units, storage units, or both, and multiply by the aggregate percentage of ownership of garage units and storage units to determine the vote, or portion of a vote, that garage units or storage units, or both, have. For purposes of this subsection (p), when making a determination of whether 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the

association, a unit shall not include a garage unit or a storage unit.

(q) That a unit owner may not assign, delegate, transfer, surrender, or avoid the duties, responsibilities, and liabilities of a unit owner under this Act, the condominium instruments, or the rules and regulations of the Association; and that such an attempted assignment, delegation, transfer, surrender, or avoidance shall be deemed void.

The provisions of this Section are applicable to all condominium instruments recorded under this Act. Any portion of a condominium instrument which contains provisions contrary to these provisions shall be void as against public policy and ineffective. Any such instrument which fails to contain the provisions required by this Section shall be deemed to incorporate such provisions by operation of law.

Upon promulgation of labeling standards applicable to recycled oil by the Federal Trade Commission as prescribed pursuant to Title V, Section 383 of the federal "Energy Policy and Conservation Act (P.L. ~~"(P.A.~~ 94-163) the provisions of this Section shall no longer be in effect.

(815 ILCS 505/2MM)

Sec. 2MM. Verification of accuracy of consumer reporting information used to extend consumers credit and security freeze on credit reports.

(a) A credit card issuer who mails an offer or solicitation

to apply for a credit card and who receives a completed application in response to the offer or solicitation which lists an address that is not substantially the same as the address on the offer or solicitation may not issue a credit card based on that application until reasonable steps have been taken to verify the applicant's change of address.

(b) Any person who uses a consumer credit report in connection with the approval of credit based on the application for an extension of credit, and who has received notification of a police report filed with a consumer reporting agency that the applicant has been a victim of financial identity theft, as defined in Section 16-30 or 16G-15 of the Criminal Code of 1961 or the Criminal Code of 2012, may not lend money or extend credit without taking reasonable steps to verify the consumer's identity and confirm that the application for an extension of credit is not the result of financial identity theft.

(c) A consumer may request that a security freeze be placed on his or her credit report by sending a request in writing by certified mail to a consumer reporting agency at an address designated by the consumer reporting agency to receive such requests.

The following persons may request that a security freeze be placed on the credit report of a person with a disability:

- (1) a guardian of the person with a disability who ~~that~~ is the subject of the request, appointed under Article XIa of the Probate Act of 1975; and

(2) an agent of the person with a disability who ~~that~~ is the subject of the request, under a written durable power of attorney that complies with the Illinois Power of Attorney Act.

The following persons may request that a security freeze be placed on the credit report of a minor:

(1) a guardian of the minor who ~~that~~ is the subject of the request, appointed under Article XI of the Probate Act of 1975;

(2) a parent of the minor who ~~that~~ is the subject of the request; and

This subsection (c) does not prevent a consumer reporting agency from advising a third party that a security freeze is in effect with respect to the consumer's credit report.

(d) A consumer reporting agency shall place a security freeze on a consumer's credit report no later than 5 business days after receiving a written request from the consumer:

- (1) a written request described in subsection (c);
- (2) proper identification; and
- (3) payment of a fee, if applicable.

(e) Upon placing the security freeze on the consumer's credit report, the consumer reporting agency shall send to the consumer within 10 business days a written confirmation of the placement of the security freeze and a unique personal identification number or password or similar device, other than the consumer's Social Security number, to be used by the consumer when providing authorization for the release of his or her credit report for a specific party or period of time.

(f) If the consumer wishes to allow his or her credit report to be accessed for a specific party or period of time while a freeze is in place, he or she shall contact the consumer reporting agency using a point of contact designated by the consumer reporting agency, request that the freeze be temporarily lifted, and provide the following:

- (1) Proper identification;
- (2) The unique personal identification number or password or similar device provided by the consumer reporting agency;
- (3) The proper information regarding the third party or time period for which the report shall be available to users of the credit report; and
- (4) A fee, if applicable.

A security freeze for a minor may not be temporarily lifted. This Section does not require a consumer reporting agency to provide to a minor or a parent or guardian of a minor on behalf of the minor a unique personal identification number,

password, or similar device provided by the consumer reporting agency for the minor, or parent or guardian of the minor, to use to authorize the consumer reporting agency to release information from a minor.

(g) A consumer reporting agency shall develop a contact method to receive and process a request from a consumer to temporarily lift a freeze on a credit report pursuant to subsection (f) in an expedited manner.

A contact method under this subsection shall include: (i) a postal address; and (ii) an electronic contact method chosen by the consumer reporting agency, which may include the use of telephone, fax, Internet, or other electronic means.

(h) A consumer reporting agency that receives a request from a consumer to temporarily lift a freeze on a credit report pursuant to subsection (f), shall comply with the request no later than 3 business days after receiving the request.

(i) A consumer reporting agency shall remove or temporarily lift a freeze placed on a consumer's credit report only in the following cases:

(1) upon consumer request, pursuant to subsection (f) or subsection (l) of this Section; or

(2) if the consumer's credit report was frozen due to a material misrepresentation of fact by the consumer.

If a consumer reporting agency intends to remove a freeze upon a consumer's credit report pursuant to this subsection, the consumer reporting agency shall notify the consumer in

writing prior to removing the freeze on the consumer's credit report.

(j) If a third party requests access to a credit report on which a security freeze is in effect, and this request is in connection with an application for credit or any other use, and the consumer does not allow his or her credit report to be accessed for that specific party or period of time, the third party may treat the application as incomplete.

(k) If a consumer requests a security freeze, the credit reporting agency shall disclose to the consumer the process of placing and temporarily lifting a security freeze, and the process for allowing access to information from the consumer's credit report for a specific party or period of time while the freeze is in place.

(l) A security freeze shall remain in place until the consumer or person authorized under subsection (c) to act on behalf of the minor or person with a disability who ~~that~~ is the subject of the security freeze requests, using a point of contact designated by the consumer reporting agency, that the security freeze be removed. A credit reporting agency shall remove a security freeze within 3 business days of receiving a request for removal from the consumer, who provides:

(1) Proper identification;

(2) The unique personal identification number or password or similar device provided by the consumer reporting agency; and

(3) A fee, if applicable.

(m) A consumer reporting agency shall require proper identification of the person making a request to place or remove a security freeze and may require proper identification and proper authority from the person making the request to place or remove a freeze on behalf of the person with a disability or minor.

(n) The provisions of subsections (c) through (m) of this Section do not apply to the use of a consumer credit report by any of the following:

(1) A person or entity, or a subsidiary, affiliate, or agent of that person or entity, or an assignee of a financial obligation owing by the consumer to that person or entity, or a prospective assignee of a financial obligation owing by the consumer to that person or entity in conjunction with the proposed purchase of the financial obligation, with which the consumer has or had prior to assignment an account or contract, including a demand deposit account, or to whom the consumer issued a negotiable instrument, for the purposes of reviewing the account or collecting the financial obligation owing for the account, contract, or negotiable instrument. For purposes of this subsection, "reviewing the account" includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

(2) A subsidiary, affiliate, agent, assignee, or prospective assignee of a person to whom access has been granted under subsection (f) of this Section for purposes of facilitating the extension of credit or other permissible use.

(3) Any state or local agency, law enforcement agency, trial court, or private collection agency acting pursuant to a court order, warrant, or subpoena.

(6) The Department of Revenue or its agents or assigns acting to investigate or collect delinquent taxes or unpaid court orders or to fulfill any of its other statutory responsibilities.

(7) The use of credit information for the purposes of prescreening as provided for by the federal Fair Credit Reporting Act.

(8) Any person or entity administering a credit file monitoring subscription or similar service to which the consumer has subscribed.

(9) Any person or entity for the purpose of providing a consumer with a copy of his or her credit report or score upon the consumer's request.

(10) Any person using the information in connection

with the underwriting of insurance.

(n-5) This Section does not prevent a consumer reporting agency from charging a fee of no more than \$10 to a consumer for each freeze, removal, or temporary lift of the freeze, regarding access to a consumer credit report, except that a consumer reporting agency may not charge a fee to: (i) a consumer 65 years of age or over for placement and removal of a freeze; (ii) a victim of identity theft who has submitted to the consumer reporting agency a valid copy of a police report, investigative report, or complaint that the consumer has filed with a law enforcement agency about unlawful use of his or her personal information by another person; or (iii) an active duty military service member who has submitted to the consumer reporting agency a copy of his or her orders calling the service member to military service and any orders further extending the service member's period of service if currently active.

(o) If a security freeze is in place, a consumer reporting agency shall not change any of the following official information in a credit report without sending a written confirmation of the change to the consumer within 30 days of the change being posted to the consumer's file: (i) name, (ii) date of birth, (iii) Social Security number, and (iv) address. Written confirmation is not required for technical modifications of a consumer's official information, including name and street abbreviations, complete spellings, or

transposition of numbers or letters. In the case of an address change, the written confirmation shall be sent to both the new address and to the former address.

(p) The following entities are not required to place a security freeze in a consumer report, however, pursuant to paragraph (3) of this subsection, a consumer reporting agency acting as a reseller shall honor any security freeze placed on a consumer credit report by another consumer reporting agency:
