Fees collected under this Section shall be paid into the Dram Shop Fund. On and after July 1, 2003 and until June 30, 2016, of the funds received for a retailer's license, in addition to the first \$175, an additional \$75 shall be paid into the Dram Shop Fund, and \$250 shall be paid into the General Revenue Fund. On and after June 30, 2016, one-half of the funds received for a retailer's license shall be paid into the Dram Shop Fund and one-half of the funds received for a

retailer's license shall be paid into the General Revenue Fund.

Beginning June 30, 1990 and on June 30 of each subsequent year through June 29, 2003, any balance over \$5,000,000 remaining in the Dram Shop Fund shall be credited to State liquor licensees and applied against their fees for State liquor licenses for the following year. The amount credited to each licensee shall be a proportion of the balance in the Dram Fund that is the same as the proportion of the license fee paid by the licensee under this Section for the period in which the balance was accumulated to the aggregate fees paid by all licensees during that period.

No fee shall be paid for licenses issued by the State Commission to the following non-beverage users:

(a) Hospitals, sanitariums, or clinics when their use of alcoholic liquor is exclusively medicinal, mechanical or scientific.

(b) Universities, colleges of learning or schools when their use of alcoholic liquor is exclusively medicinal, mechanical or scientific.

(c) Laboratories when their use is exclusively for the purpose of scientific research.

(235 ILCS 5/6-29.1)

Sec. 6-29.1. Direct shipments of alcoholic liquor.

(a) The General Assembly makes the following findings:

(1) The General Assembly of Illinois, having reviewed this Act in light of the United States Supreme Court's 2005 decision in *Granholm v. Heald*, has determined to conform that law to the constitutional principles enunciated by the Court in a manner that best preserves the temperance, revenue, and orderly distribution values of this Act.

(2) Minimizing automobile accidents and fatalities, domestic violence, health problems, loss of productivity, unemployment, and other social problems associated with dependency and improvident use of alcoholic beverages remains the policy of Illinois.

(3) To the maximum extent constitutionally feasible, Illinois desires to collect sufficient revenue from excise and use taxes on alcoholic beverages for the purpose of responding to such social problems.

(4) Combined with family education and individual discipline, retail validation of age, and assessment of the capacity of the consumer remains the best pre-sale social protection against the problems associated with the abuse of alcoholic liquor.

(5) Therefore, the paramount purpose of this amendatory Act is to continue to carefully limit direct shipment sales of wine produced by makers of wine and to continue to prohibit such direct shipment sales for spirits and beer.

For these reasons, the Commission shall establish a system

to notify the out-of-state trade of this prohibition and to detect violations. The Commission shall request the Attorney General to extradite any offender.

(b) Pursuant to the Twenty-First Amendment of the United States Constitution allowing states to regulate the distribution and sale of alcoholic liquor and pursuant to the federal Webb-Kenyon Act declaring that alcoholic liquor shipped in interstate commerce must comply with state laws, the General Assembly hereby finds and declares that selling alcoholic liquor from a point outside this State through various direct marketing means, such as catalogs, newspapers, mailers, and the Internet, directly to residents of this State poses a serious threat to the State's efforts to prevent youths from accessing alcoholic liquor; to State revenue collections; and to the economy of this State.

Any person manufacturing, distributing, or selling alcoholic liquor who knowingly ships or transports or causes the shipping or transportation of any alcoholic liquor from a point outside this State to a person in this State who does not hold a manufacturer's, distributor's, importing distributor's, or non-resident dealer's license issued by the Liquor Control Commission, other than a shipment of sacramental wine to a bona fide religious organization, a shipment authorized by Section 6-29, subparagraph (17) of Section 3-12, or any other shipment authorized by this Act, is in violation of this Act.

The Commission, upon determining, after investigation,

that a person has violated this Section, shall give notice to the person by certified mail to cease and desist all shipments of alcoholic liquor into this State and to withdraw from this State within 5 working days after receipt of the notice all shipments of alcoholic liquor then in transit. A person who violates the cease and desist notice is subject to the applicable penalties in subsection (a) of Section 10-1 of this Act.

~~Whenever the Commission has reason to believe that a person has failed to comply with the Commission notice under this Section, it shall notify the Department of Revenue and file a complaint with the State's Attorney of the county where the alcoholic liquor was delivered or with appropriate law enforcement officials.~~

~~Failure to comply with the notice issued by the Commission under this Section constitutes a business offense for which the person shall be fined not more than \$1,000 for a first offense, not more than \$5,000 for a second offense, and not more than \$10,000 for a third or subsequent offense. Each shipment of alcoholic liquor delivered in violation of the cease and desist notice shall constitute a separate offense.~~

taxation of the manufacture, sale, and distribution of alcoholic liquors exists by virtue of individuals who manufacture, import, distribute, or sell alcoholic liquors within the State without having first obtained a valid license to do so, and whereas such threat is especially serious along the borders of this State, and whereas such threat requires immediate correction by this Act, by active investigation and prosecution by law enforcement officials and prosecutors, and by prompt and strict enforcement through the courts of this State to punish violators and to deter such conduct in the future:

(a) Any person who manufactures, imports for distribution or use, transports from outside this State into this State, or distributes or sells 108 liters (28.53 gallons) or more of wine, 45 liters (11.88 gallons) or more of distilled spirits, or 118 liters (31.17 gallons) or more of beer ~~alcoholic liquor~~ at any place within the State without having first obtained a valid license to do so under the provisions of this Act shall be guilty of a ~~business offense and fined not more than \$1,000 for the first such offense and shall be guilty of a Class 4 felony for each subsequent offense.~~ However, any person who was duly licensed under this Act and whose license expired within 30 days prior to a violation shall be guilty of a business offense and fined not more than \$1,000 for the first such offense and shall be guilty of a Class 4 felony for each subsequent offense.

(2) In the event the Commission receives a certified copy of a final order from a foreign jurisdiction that an Illinois retail licensee has been found to have violated that foreign jurisdiction's laws, rules, or regulations concerning the importation of alcoholic liquor into that foreign jurisdiction, the violation may be grounds for the Commission to revoke, suspend, or refuse to issue or renew a license, to impose a fine, or to take any additional action provided by this Act with respect to the Illinois retail license or licensee. Any such action on the part of the Commission shall be in accordance with this Act and implementing rules.

For the purposes of paragraph (2): (i) "foreign jurisdiction" means a state, territory, or possession of the United States, the District of Columbia, or the Commonwealth of Puerto Rico, and (ii) "final order" means an order or judgment of a court or administrative body that determines the rights of the parties respecting the subject matter of the proceeding, that remains in full force and effect, and from which no appeal can be taken.

(c) Any person who shall make any false statement or otherwise violates any of the provisions of this Act in obtaining any license hereunder, or who having obtained a license hereunder shall violate any of the provisions of this

(f) In addition to the penalties herein provided, any person licensed as a wine-maker in either class who manufactures more wine than authorized by his license shall be guilty of a business offense and shall be fined \$1 for each
