New Act

105 ILCS 5/27A-5

30 ILCS 805/8.43 new

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

House Committee Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes a change to the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that whenever a child is placed in the custody or guardianship of the Department of Children and Family Services or a child is returned to the custody of a parent or guardian and the court retains jurisdiction of the case, the Department must ensure that the child is up to date on his or her well-child visits, including age-appropriate immunizations, or that there is a documented religious or medical reason the child did not receive the immunizations. Provides that whenever a child has been placed in foster or substitute care by court order and the court later determines that the child can return to the custody of his or her parent or guardian, the Department must complete, prior to the child’s discharge from foster or substitute care, a home safety checklist to ensure that the conditions of the child's home are sufficient to ensure the child's safety and well-being, as defined in Department rules and procedures. Provides that at a minimum, the home safety checklist shall be completed within 24 hours prior to the child's return home and completed again or recertified in the absence of any environmental barriers or hazards within 5 working days after a child is returned home and every month thereafter until the child's case is closed pursuant to the Juvenile Court Act of 1987. Provides that when a court determines that a child should return to the custody or guardianship of a parent or guardian, any aftercare services provided to the child and the child's family by the Department or a purchase of service agency shall commence on the date upon which the child is returned to the custody or guardianship of his or her parent or guardian. If multiple children are returned at different times to the custody or guardianship of the parent or guardian, requires aftercare services to commence on the date upon which the last child returns home. Amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household, the Department must, at a minimum, accept the report as a child welfare services referral. Requires a child protective services investigation if the family refuses to cooperate or refuses access to the home or children and if the facts otherwise meet the criteria to accept a report. Provides that beginning one year after the effective date of the amendatory Act, and every 2 years thereafter, the Auditor General shall conduct a performance and compliance audit of the Department of Children and Family Services to determine whether the Department is meeting the requirements under the amendatory Act. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly. Requires the Auditor General's report to include any issues or deficiencies and recommendations.

House Floor Amendment No. 2

Requires the Auditor General to commence a performance audit (rather than conduct a performance and compliance audit) of the Department of Children and Family Services one year after the effective date of the amendatory Act (rather than one year after the effective date of the amendatory Act and every 2 years thereafter) to determine whether the Department is meeting the requirements set forth in the amendatory Act. Provides that within 2 years after the audit's release, the Auditor General shall commence a follow-up performance audit to determine whether the Department has implemented the recommendations contained in the initial performance audit. Provides that upon completion of each audit, the Auditor General shall report its findings to the General Assembly and the Auditor General's reports shall include any issues or deficiencies and recommendations.
Further amends the Children and Family Services Act. Provides that if children are returned to the custody of a parent at different times, the Department of Children and Family Services or the purchase of service agency shall provide a minimum of 6 months of aftercare services to each child commencing on the date each individual child is returned home (rather than if multiple children are returned at different times to the custody or guardianship of the parent or guardian, aftercare services shall commence on the date upon which the last child returns home). Further amends the Abused and Neglected Child Reporting Act. Provides that when a report is made by a mandated reporter to the statewide toll-free telephone number established under the Act and there is a prior indicated report of abuse or neglect, or there is a prior open service case involving any member of the household (rather than there is a prior indicated report of abuse or neglect and a prior open service case involving any member of the household), the Department of Children and Family Services must, at a minimum, accept the report as a child welfare services referral.

Amends the School Code to make conforming changes and to provide that if a school district having a population of less than 500,000 inhabitants determines that it is necessary for school security purposes and the related protection and safety of pupils and school staff to hire a school resource officer or that personnel costs for school counselors, mental health experts, or school resource officers are necessary, the district may levy a tax or issue bonds as provided under a provision in the Code authorizing a school board to levy a tax or to borrow money and issue bonds for fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes if funds are not needed for those other purposes. Amends the School Safety Drill Act. Amends the Juvenile Court Act of 1987. Provides that before a sentencing order is entered by the court for a minor adjudged delinquent for disorderly conduct by transmitting or causing to be transmitted in any manner a threat of destruction of a school building or school property, or a threat of violence, death, or bodily harm directed against persons at a school, school function, or school event, whether or not school is in session, in which the minor made a threat of violence, death, or bodily harm against a person, school function, or school event, the court shall order a mental health evaluation of the minor by a physician, clinical psychologist, or qualified examiner, whether employed by the State, by any public or private mental health facility or part of the facility, or by any public or private medical facility or part of the facility. Provides that a statement made by a minor during the course of a mental health evaluation conducted under the Act is not admissible on the issue of delinquency during the course of an adjudicatory hearing held under the Act. Amends the Criminal Code of 2012 concerning disorderly conduct. Provides that the threat may be made in any manner. Provides that reimbursement by the defendant for the costs of an emergency response to a school does not apply if the court determines that the defendant is indigent.

House Floor Amendment No. 1

Provides that before a sentencing order is entered by the court for a minor adjudged delinquent for disorderly conduct by transmitting or causing to be transmitted in any manner a threat of destruction of a school building or school property, or a threat of violence, death, or bodily harm directed against persons at a school, school function, or school event, whether or not school is in session, in which the minor made a threat of violence, death, or bodily harm against a person, school function, or school event, the court may (in the introduced bill, shall) order a mental health evaluation of the minor by a physician, clinical psychologist, or qualified examiner, whether employed by the State, by any public or private mental health facility or part of the facility, or by any public or private medical facility or part of the facility.

Senate Committee Amendment No. 1

In the amendatory changes to the Criminal Code of 2012, provides that the requirement for reimbursement of the unit of government for an emergency response only applies to false alarm of a threat that a bomb or explosive device has been placed in the school (rather than any emergency response to the school). Senate Committee Amendment No. 2

In the amendatory changes to the Juvenile Court Act of 1987, provides that neither the physician, clinical psychologist, qualified examiner, or his or her employer shall be held criminally, civilly, or professionally liable for performing a mental health examination before the court enters a sentencing order for a minor adjudicated delinquent for a disorderly conduct violation of making a threat of violence, death, or bodily harm against a person, school, school function, or school event, except for willful or wanton misconduct.

Amends the Code of Criminal Procedure of 1963. Provides that if an arrest warrant is sought and the request is made by electronic means that has a simultaneous video and audio transmission between the requester and a judge, the judge may issue an arrest warrant based upon a sworn complaint or sworn testimony communicated in the transmission. Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill. Makes a technical change concerning the applicability of the introduced provision.

Aug 09 19
Amends the Illinois Vehicle Code. Deletes language providing that the Section concerning the traffic and pedestrian stop statistical study is repealed on July 1, 2019. Provides that the Department of Transportation shall report specified findings and recommendations to the Governor and the General Assembly on March 1, 2022 (rather than March 1, 2004). Effective immediately.

Fiscal Note (Dept. of Transportation)
The Illinois Department of Transportation (IDOT) currently has a contract with a consultant to analyze the stop data reported by the various law enforcement agencies in the state. IDOT then published the final report annually. To continue reporting the data after July 1, 2019 would require a new contract with a consultant. The estimated cost of this contract for each year is $168,000. Of that amount, 80% ($134,400) would be reimbursed by the NHTSA and the other 20% ($33,600) would be the state match. To cover the contract for 3 years (until 2022) would be a total cost of $504,000 of which $100,800 would be the state's share of the cost.

House Floor Amendment No. 1
Tasks the Illinois Criminal Justice Information Authority (ICJIA), rather than the Department of Transportation, with the collection, compilation, and analysis of the traffic stop statistical study data required by the Section. Creates the Traffic and Pedestrian Stop Data Use and Collection Task Force within the ICJIA to undertake these responsibilities. Prescribes membership for the Task Force and provides that it shall report its findings and recommendations to the Governor and the General Assembly by March 1, 2022 and every 3 years after.
HB 01637

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Creates the Keep Illinois Families Together Act. Provides that on or after the effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

Provides that an expedited temporary occupational or professional license shall be issued to any service member or his or her spouse meeting the application requirements, regardless of whether the service member or his or her spouse currently resides in this State. Provides that if a service member or his or her spouse relocates from this State, he or she shall be provided an opportunity to place his or her license in inactive status through coordination with the military liaison. Provides that if the service member or his or her spouse returns to this State, he or she may reactivate the license by completing a license renewal application. Provides that the license renewal shall be expedited and completed within 30 days after receipt of a completed application for renewal. Based upon Illinois' current birth rate of 155,000 to 165,000 newborns per year, the annual cost for this program is expected to be $9-10 million per year, beginning in FY21. This includes approximately $8 million for the initial seed funding of $50 per child and an estimated $1.5 million to develop local savings incentive partnerships, engage parents and children in related financial literacy initiatives, and administer the program. Because unclaimed and unused funds will remain with the program for future use, the need for annual appropriations will decline after year 10 of the program as unclaimed and unused funds are recycled.

New Act  

Creates the Assistance and Service Animal Integrity Act. Provides that a landlord who receives a request from a person to make an exception to the landlord's policy prohibiting animals on the landlord's property because the person requires the use of an assistance animal or service animal may require the person to produce reliable documentation, which may be a standardized form, of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the landlord. Provides that a landlord may require additional supporting documentation when necessary to evaluate the reasonableness of either the requested accommodation or any identified alternative accommodation. Provides that a landlord shall not be liable for injuries caused by a person's assistance animal or service animal permitted on the landlord's property as a reasonable accommodation to assist the person with a disability. Provides that a landlord may require a tenant to cover the costs of repairs for damage the animal causes to the tenant's dwelling unit or the common areas, reasonable wear and tear excepted; however, a landlord may not require a tenant to pay a pet-related deposit that is otherwise required for tenants who are not requesting accommodation. Defines terms. Makes other changes.  

Senate Floor Amendment No. 1  

Replaces everything after the enacting clause. Creates the Assistance Animal Integrity Act. Defines terms. Provides that a housing provider who receives a request from a person to make an exception to the housing provider's policy prohibiting or restricting animals on the housing provider's property because the person requires the use of an assistance animal may require the person to produce reliable documentation of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the housing provider. Provides requirements for documentation that a person has a disability and requires the use of an assistance animal as a reasonable accommodation in housing under the federal Fair Housing Act or the Illinois Human Rights Act. Provides that a housing provider may deny a documented request for accommodation or rescind a granted request if the accommodation imposes either an undue financial and administrative burden or a fundamental alteration to the nature of the operations of the housing provider or if, after conducting an individualized assessment, there is reliable objective evidence that the specific assistance animal: (i) poses a direct threat to the health or safety of others that cannot be reduced or eliminated by another reasonable accommodation; (ii) causes substantial physical damage to the property of others that cannot be reduced or eliminated by another reasonable accommodation; or (iii) has engaged in a pattern of uncontrolled behavior that its handler has not taken effective action to correct. Provides that a housing provider may require a resident to cover the costs of repairs for damage the animal causes to the resident's dwelling unit or the common areas, reasonable wear and tear excepted, in the same manner it would for damage caused by any other resident, but may not require a resident to pay a pet-related deposit, pet fee, or related pet assessment and also may not require purchase of special liability insurance or coverage for the assistance animal. Provides that nothing in the Act shall be construed as requiring documentation of a specific diagnosis regarding a disability or disability-related need. Provides that nothing in the Act prohibits a housing provider from verifying the authenticity of the documentation submitted under the Act. Provides that, notwithstanding any other provision of law to the contrary, a housing provider shall not be liable for injuries caused by a person's assistance animal permitted on the housing provider's property as a reasonable accommodation to assist the person with a disability. Provides that nothing in the Act shall be construed to: limit individuals' rights under specified laws; or limit the liability of housing providers under such laws.

Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2

Adds reference to:
820 ILCS 105/12 from Ch. 48, par. 1012

Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to $9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of $15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of $100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)
There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)
Increasing the minimum wage to $15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly $390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year. The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from $8.25 in 2019 to $10.00 in 2020, from $10.00 to $11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

225 ILCS 340/18 from Ch. 111, par. 6618

Provides that nothing imposes on a person licensed under the Act the responsibility for the performance of any acts or practice unless the person specifically contracts to provide it. Provides that nothing precludes an employee from acting under the direct supervision or responsible charge of a licensed structural engineer. Expands the powers and duties of the Department of Financial and Professional Regulation and the Structural Engineering Board. Provides that if technical submissions are prepared utilizing a computer or other electronic means, the seal may be generated by a computer. Provides that the licensee may provide an original signature in the licensee's handwriting, a scanned copy of the technical submission bearing an original signature, or a signature generated by a computer. Deletes language providing that the Department may take disciplinary action for directly or indirectly giving to or receiving from any person or entity any fee, commission, rebate, or other form of compensation for any professional service not actually or personally rendered. Provides that the Department may take disciplinary action for making a statement that technical submissions prepared by the structural engineer or prepared under the structural engineer's responsible control for construction or alteration of an occupancy required to be in compliance with the Environmental Barriers Act are in compliance with the Environmental Barriers Act when such technical submissions are not in compliance (rather than that a plan for construction or alteration of a public facility or for construction of a multi-story housing unit is in compliance with the Environmental Barriers Act when such plan is not in compliance). Makes changes to provisions concerning discipline of a licensee or registrant for failing to file a return or to pay any tax, penalty, or interest as required by any tax Act. Provides that use of the title "structural engineer" or any of its derivations is limited to those persons or entities licensed or registered under the Act. Replaces everything after the enacting clause. Amends the Property Tax Extension Limitation Law in the Property Tax Code. Provides that, beginning in levy year 2022, for taxing districts that are school districts (other than qualified school districts), "extension limitation" means 0% or the rate of increase approved by the voters (currently, (a) the lesser of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year or (b) the rate of increase approved by voters). Fiscal Note (Illinois Student Assistance Commission)
SB 1467 would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. In FY18, 4,116 Illinoisans received IVG grants averaging $4,545, and for FY17 (most recent available), 1,211 Illinoisans received MIA/POW grants averaging $2,487 (administered by IDVA). A 1% increase in the number of participants would be expected to increase IVG waivers by about $187,000 and MIA/POW waivers by about $30,000, for a total increase of $217,000 per percentage point increase in the number of eligible applicants. If the number of eligible applicants increased by 5%, the amount waived would be expected to increase by approximately $1.1 million above current levels. Notably, the affected programs require public universities and community colleges to waive tuition and fees for eligible applicants, whether or not the institution receives reimbursement from the state for providing the waiver. If not reimbursed through state appropriations, institutions must absorb or offset any costs incurred due to the programs (for example, through additional fees or tuition increases paid by other students).

Pension Note (Government Forecasting & Accountability)
SB 1467, as engrossed, amends the Scholarship Article of the School Code and the Higher Education Student Assistance Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)
SB 1467, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.
SB 01467 (CONTINUED)

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State Mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)
The Balanced Budget Note Act does not apply to this bill. As engrossed, as it is not a supplemental appropriation that
increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a
general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in Senate Bill 1467; therefore, there are no appraisals to be filed.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in Senate Bill 1596; therefore, there are no appraisals to be filed.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Fiscal Note (Dept. of Central Management Services)
It is not possible to calculate an exact fiscal impact of this proposed legislation due to the case-specific nature of any claims that may arise pursuant to this legislation. However, based on the average cost of a workers' compensation claim and the percentage of claims that are denied for untimely filing, the Department of Central Management Services estimates the proposed legislation would result in a cost increase of approximately $250,000 annually.

Provides that inspections shall be unannounced and conducted by a third party chosen by the municipality in which the facility operates.
