20 ILCS 415/8b.21 new

Amends the Personnel Code. Provides that State agencies, when hiring for internships and student assistant positions, shall give preference to a qualified applicant who is, or has been, a dependent child in foster care, a homeless youth, or a formerly incarcerated youth. Effective immediately.

New Act

Replaces everything after the enacting clause. Creates the State Agency Student Worker Opportunity Act. Provides that, whenever a State agency has a job opening for an intern or a student worker, that State agency shall notify the Department of Human Services, the Department of Juvenile Justice, and the Department of Children and Family Services. Requires the Department of Human Services, the Department of Juvenile Justice, and the Department of Children and Family Services to take steps to notify qualified applicants of the job opening. Provides that the term "qualified applicant" means an individual who: (1) is 21 years of age or younger; (2) is qualified for the internship or student worker position; and (3) is or has been a dependent child in foster care, a homeless youth, or a formerly incarcerated youth. Requires State agencies to maintain certain records.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Children & Family Services)

The Department estimates that House Bill 2987 (H-AM 1) will not have any significant fiscal impact on the Department of Children and Family Services.

Fiscal Note, House Committee Amendment No. 1 (Dept of Juvenile Justice)

If passed, HB 2987 (H-AM 1) would mandate that state agencies notify the Department of Juvenile Justice regarding job openings for an intern or a student worker. The Department must notify the qualified applicants and maintain records detailing the number of applicants for the aforementioned positions. The Department has the capability to track youth currently on Aftercare. However, this legislation poses many issues for youth no longer in the Department's custody.

Because the implementation would be administrative in nature, the legislation has a minimal, if any, fiscal impact on the Department but would pose administrative burden on the Department of Juvenile Justice.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment 1. Replaces the term "formerly incarcerated youth" with "court-involved youth". Provides that the term "court-involved youth" means an individual who was committed to the custody of the Department of Juvenile Justice or a county juvenile detention center and has been released from that facility or discharged from custody. Removes provisions concerning recordkeeping. Makes other changes.

Provides that this policy shall be posted on the Department website and at each facility. Provides that the Department shall post on its website daily any restrictions or denials of visitation for that day and the succeeding 5 calendar days, including those based on a lockdown of the facility, to inform family members and other visitors. New Act

Creates the Social Services Contract Notice Act. Provides that the Act applies only to non-governmental service providers who deliver social services designed to ensure the health, safety, education, or welfare of Illinois residents on behalf of the State through grants, contracts, or agreements with State agencies; and applies regardless of the source of the funds with which the grants, contracts, or agreements are paid, including federal assistance moneys. Provides that the Act does not apply to: (i) grants, contracts, or agreements with State agencies for the primary purpose of delivering or producing goods on behalf of the State; (ii) contracts between the State and its political subdivisions or other governments or between State governmental bodies; or (iii) modifications to contractor payment by the State resulting from the generally accepted accounting principles (GAAP) reconciliation process, the Illinois Grant Funds Recovery Act, or the service provider's underutilization of contract value, as determined by the State. Provides that any contract between a State agency and an authorized service provider may be terminated, suspended, or reduced by either party to the contract upon 30 days prior written notice. Permits the State to immediately terminate a contract for social services if the authorized service provider has made material misrepresentations or material omissions explicitly prohibited under State contracting requirements. Provides that the provision applies to agreements or contracts executed on or after the effective date of the Act. Requires State agencies to notify the Governor and other specified persons in writing of their intention to suspend, terminate, or reduce one or more contracts for social services. Defines terms. Effective immediately.

Fiscal Note (Dept. of Human Services)

The fiscal impact for HB 3110 cannot be determined. However, it would have an impact when the Department of Human Services and other State agencies cannot reduce expenditures by limiting contracts/grants in a timely manner.

Requires the Illinois Investment Policy Board to make its best efforts to identify all expatriate companies and include those companies in the list of restricted companies distributed to each retirement system and the Illinois State Board of Investment.

Fiscal Note (Dept. of Revenue)

This bill would have no impact on State income tax revenue. Since the Illinois Income Tax Act is already a territorial based taxing system, a corporate inversion transaction is not a State Income tax avoidance scheme. Under current law, the Illinois Income Tax Act taxes U.S. companies only on their domestic income derived from Illinois business activities but does not tax foreign income. As a result, the bill does not provide a remedy to any State income tax planning.
