Amends the Personal Information Protection Act. Makes a technical change in a Section concerning the short title.

House Committee Amendment No. 2

815 ILCS 530/1

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the Data Transparency and Privacy Act. Finds that individuals have a right to privacy in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Provides for enforcement by the Attorney General. Effective April 1, 2020.

Fiscal Note, House Committee Amendment No. 2 (Office of the Attorney General)

The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer's information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.

State Mandates Fiscal Note, House Committee Amendment No. 2 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Fiscal Note, House Floor Amendment No. 3 (Office of the Attorney General)

The proposed legislation, HB 3358, as amended by House Amendment #3, may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys. Fiscal impact: Uncertain

Judicial Note, House Floor Amendment No. 3 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Fiscal Note (Dept. of Insurance)

Some states have requirements related to the Flesch Test Readability which could greatly assist in adhering to the requirements of this bill. However, the bill in its current form provides little guidance on what "understandable" means, which could vary greatly from individual to individual. To meet the requirements as described within HB 3451 the Department anticipates the need for, at minimum, eight (8) additional insurance analyst positions within three of our insurance compliance units, Life, Health and Property/Casualty, with a projected fiscal impact to the Illinois Department of Insurance of just over $978,500 in personal services and related expenditures.

New Act

Creates the Assistance and Service Animal Integrity Act. Provides that a landlord who receives a request from a person to make an exception to the landlord's policy prohibiting animals on the landlord's property because the person requires the use of an assistance animal or service animal may require the person to produce reliable documentation, which may be a standardized form, of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the landlord. Provides that a landlord may require additional supporting documentation when necessary to evaluate the reasonableness of either the requested accommodation or any identified alternative accommodation. Provides that a landlord shall not be liable for injuries caused by a person's assistance animal or service animal permitted on the landlord's property as a reasonable accommodation to assist the person with a disability. Provides that a landlord may require a tenant to cover the costs of repairs for damage the animal causes to the tenant's dwelling unit or the common areas, reasonable wear and tear excepted; however, a landlord may not require a tenant to pay a pet-related deposit that is otherwise required for tenants who are not requesting accommodation. Defines terms. Makes other changes.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause. Creates the Assistance Animal Integrity Act. Defines terms. Provides that a housing provider who receives a request from a person to make an exception to the housing provider's policy prohibiting or restricting animals on the housing provider's property because the person requires the use of an assistance animal may require the person to produce reliable documentation of the disability and disability-related need for the animal only if the disability or disability-related need is not readily apparent or known to the housing provider. Provides requirements for documentation that a person has a disability and requires the use of an assistance animal as a reasonable accommodation in housing under the federal Fair Housing Act or the Illinois Human Rights Act. Provides that a housing provider may deny a documented request for accommodation or rescind a granted request if the accommodation imposes either an undue financial and administrative burden or a fundamental alteration to the nature of the operations of the housing provider or if, after conducting an individualized assessment, there is reliable objective evidence that the specific assistance animal: (i) poses a direct threat to the health or safety of others that cannot be reduced or eliminated by another reasonable accommodation; (ii) causes substantial physical damage to the property of others that cannot be reduced or eliminated by another reasonable accommodation; or (iii) has engaged in a pattern of uncontrolled behavior that its handler has not taken effective action to correct. Provides that a housing provider may require a resident to cover the costs of repairs for damage the animal causes to the resident's dwelling unit or the common areas, reasonable wear and tear excepted, in the same manner it would for damage caused by any other resident, but may not require a resident to pay a pet-related deposit, pet fee, or related pet assessment and also may not require purchase of special liability insurance or coverage for the assistance animal. Provides that nothing in the Act shall be construed as requiring documentation of a specific diagnosis regarding a disability or disability-related need. Provides that nothing in the Act prohibits a housing provider from verifying the authenticity of the documentation submitted under the Act. Provides that, notwithstanding any other provision of law to the contrary, a housing provider shall not be liable for injuries caused by a person's assistance animal permitted on the housing provider's property as a reasonable accommodation to assist the person with a disability. Provides that nothing in the Act shall be construed to: limit individuals' rights under specified laws; or limit the liability of housing providers under such laws.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Replaces everything after the enacting clause. Amends the Illinois Income Tax Act and the Minimum Wage Law. Provides for an increase in the minimum wage and for a credit against withholding payments in relation to the increase. Increases the minimum wage to $9.25 per hour beginning January 1, 2020. Provides for annual increases in the minimum wage culminating in a minimum wage of $15 per hour beginning on January 1, 2025. Provides to employers with 50 or fewer full-time equivalent employees a credit against tax withheld beginning January 1, 2020. Reduces the credit beginning January 1, 2021. Provides employers may claim the credit amount in effect on January 1, 2025 until December 31, 2026 and that employers with no more than 5 employees may claim that credit until December 31, 2027. Authorizes the Department of Labor to perform random audits of employer to ascertain compliance with the Minimum Wage Law. Authorizes a penalty of $100 per employee for failure to maintain required records. Effective immediately.

Pension Note (Government Forecasting & Accountability)

There is no readily discernible fiscal impact associated with SB1, as engrossed. To the extent minimum wage workers participate in pension funds governed by the Pension Code, there could be an increase in accrued liability, but it would presumably be very small and likely actuarially insignificant.

State Debt Impact Note (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept of Revenue)
Increasing the minimum wage to $15 per hour over 6 years increases state revenues. The positive effect on tax revenue, in the form of income and sales taxes, is only slightly offset by the negative effect on income tax revenues of the tax credit extended to eligible businesses. Overall, the net impact of this proposed legislation is an increase in state revenues of nearly $390 million by fiscal year 2027.

The positive effect on tax revenue is produced by the additional income tax collection and sales tax collection given by higher wages and personal consumption expenditure in the state economy. We estimate Individual Income tax (IIT) revenue at the current individual income tax rate of 4.95 percent. The estimate for Sales Tax revenue values were decreased to account for the fact that the state does not tax services and receives no share of revenue on food for consumption off site, prescription drugs or certain medical devices.

The negative effect on Income tax revenue is due to the tax credit against withholdings. The tax credit for eligible employers is a declining percentage of the wage increment defined as the differential between the employee's hourly wage from the final quarter of the previous calendar year and the State's minimum wage of the present year). The credit, applied on a calendar year basis, is set to scale down over the course of the ramp (to year 2025) at which point the calculation of the credit shifts to a flat, fixed dollar amount. The schedule of credits is as follows: 25% credit in 2020; 21% credit in 2021; 17% credit in 2022; 13% credit in 2023; 9% credit in 2024, and 5% credit in 2025. In calendar year 2026, the credit for businesses is fixed to match the credit taken in 2025; in calendar year 2027, the credit for those businesses with 5 or fewer employees is fixed to match the credit taken in 2025.

In calculating the cost of the tax credit, we considered the number of minimum wage jobs increasing from $8.25 in 2019 to $10.00 in 2020, from $10.00 to $11.00 in 2021 and so on until 2027. We discounted those jobs in firms with more than 50 employees using Census bureau data on small firms in Illinois. We considered 1750 hours of work as full time in accordance with prior studies on the subject. All estimates above are static estimates, meaning that they do not account for changes in the labor supply and demand associated to the increase in labor cost.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does create a State mandate.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to SB 1, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note (Depts of Corrections)
There is no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Replaces everything after the enacting clause. Amends the School Code. Creates the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article. Defines terms. Requires the State Board of Education to create the Ensuring Success in School working group to advise the State Board on the implementation, monitoring, and evaluation of the Article by schools and school districts, including the development of policies, procedures, and protocols to be implemented by schools and school districts; provides for the working group's membership. Every 2 years, requires each school district to review all existing policies and procedures and revise any existing policies and procedures that may act as a barrier to the immediate enrollment and re-enrollment, attendance, graduation, and success in school of any youth who is a parent, expectant parent, or victim of gender-based violence or any policies or procedures that may compromise a criminal investigation relating to gender-based violence or may re-victimize the youth. On or before July 1, 2020, requires each school district to adopt one procedure to resolve complaints of alleged incidents of student-perpetrated, gender-based violence; specifies procedure requirements. Requires each school district to adopt and implement a policy and protocol to ensure that all information concerning a youth's status and related experiences as a parent, expectant parent, or victim of gender-based violence provided to or otherwise obtained by the school district or its employees or agents shall be retained in the strictest confidence by the school district or its employees or agents. Requires each school district to designate or appoint at least one staff person at each school in the district who is employed at least part-time at the school and who is a school social worker, school psychologist, school counselor, school nurse, school teacher, or school administrator trained to address, in a culturally responsive, confidential, and sensitive manner, the needs of youth who are parents, expectant parents, or victims of gender-based violence; specifies the staff person's duties. Provides that a student who is a victim of gender-based violence must be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. Makes other changes. Amends the Illinois School Student Records Act to provide that all information concerning a student's status and related experiences as a parent, expectant parent, or victim of gender-based violence must be retained by the school in the strictest confidence. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. With regard to a student who is a victim of gender-based violence and who seeks transfer to another school, provides that the school district the student transfers to must be an adjoining school district, unless there is no attendance center, school facility, or school location in that district in which the student's attendance poses no risk to the student's mental or physical well-being or safety. Provides that the school district the student seeks to transfer to may deny a transfer to a particular attendance center if (i) the attendance center exceeds or, as a result of the transfer, would exceed its attendance capacity, (ii) the student does not meet the attendance center's academic criteria for enrollment, or (iii) the student would not be permitted to transfer schools immediately and as needed, including to a school in another school district, if the student's continued attendance at a particular attendance center, school facility, or school location poses a risk to the student's mental or physical well-being or safety. With regard to the Children and Youth Who Are Parents, Expectant Parents, or Victims of Gender-Based Violence Article, defines "sexual activity" and modifies other definitions. Changes the membership of the Ensuring Success in School working group and requires the members to serve for a term of 2 years, which may be extended for a second term. Requires the working group to incorporate the advice and recommendations of youth who are parents, expectant parents, and victims of gender-based violence into the working group's advice to the State Board of Education on the implementation, monitoring, and evaluation of the Article. Requires complaint resolution procedures to be adopted by each school district by January 1, 2021 (rather than July 1, 2020) and adds a complaint of a violation of the Article as part of the procedure; makes conforming changes. Makes other changes. Effective immediately.

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Deletes language providing that a person shall also be regarded as practicing structural engineering who is engaged as a principal in the design, analysis, or supervision of the construction of structures or of the structural part of edifices designed solely for specified purposes. Provides that nothing imposes on a person licensed under the Act the responsibility for the performance of any acts or practice unless the person specifically contracts to provide it. Provides that nothing precludes an employee from acting under the direct supervision or responsible charge of a licensed structural engineer. Expands the powers and duties of the Department of Financial and Professional Regulation and the Structural Engineering Board. Provides that if technical submissions are prepared utilizing a computer or other electronic means, the seal may be generated by a computer. Provides that the licensee may provide an original signature in the licensee's handwriting, a scanned copy of the technical submission bearing an original signature, or a signature generated by a computer. Deletes language providing that an applicant applying for licensure as a structural engineer who has been licensed as a structural engineer in another United States jurisdiction for 10 consecutive years without discipline is not required to submit proof of qualifications other than a certified verification of licensure from the jurisdiction in which the applicant practiced. Deletes language providing that the Department may take disciplinary action for directly or indirectly giving to or receiving from any person or entity any fee, commission, rebate, or other form of compensation for any professional service not actually or personally rendered. Provides that the Department may take disciplinary action for making a statement that technical submissions prepared by the structural engineer or prepared under the structural engineer's responsible control for construction or alteration of an occupancy required to be in compliance with the Environmental Barriers Act are in compliance with the Environmental Barriers Act when such technical submissions are not in compliance (rather than that a plan for construction or alteration of a public facility or for construction of a multi-story housing unit is in compliance with the Environmental Barriers Act when such plan is not in compliance). Makes changes to provisions concerning discipline of a licensee or registrant for failing to file a return or to pay any tax, penalty, or interest as required by any tax Act. Provides that use of the title “structural engineer” or any of its derivations is limited to those persons or entities licensed or registered under the Act. Restores language providing that if technical submissions are prepared for construction or alteration of public facilities that are in compliance with the Environmental Barriers Act when such plans are not in compliance (rather than that a plan for construction or alteration of a public facility or for construction of a multi-story housing unit is in compliance with the Environmental Barriers Act when such plan is not in compliance). Makes changes to provisions concerning discipline of a licensee or registrant for failing to file a return or to pay any tax, penalty, or interest as provided by any tax Act. Provides that if any person practices as a licensed structural engineer or holds himself out as a structural engineer without being licensed under the provisions of the Act, then any licensed structural engineer, any interested party or any person injured thereby may file a complaint with the Department.

House Floor Amendment No. 3

Specifies that all meetings of the Structural Engineering Board shall be conducted in accordance with the Open Meetings Act. Removes language allowing the Structural Engineering Board to recommend employment or utilization of and the Department of Financial and Professional Regulation to employ or utilize legal services of outside counsel and investigative services of outside personnel. Provides that if any person practices as a licensed structural engineer or holds himself out as a structural engineer without being licensed under the provisions of the Act, then any licensed structural engineer, any interested party or any person injured thereby may file a complaint with the Department.

Replaces everything after the enacting clause. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Makes changes to the legislative findings. Provides that the General Assembly finds that each year, approximately 1,500 (rather than 1,185) Illinois children are diagnosed with a serious illness (rather than with a potentially life-limiting illness); and that community-based pediatric palliative services have been shown to keep children out of the hospital by managing many symptoms in the home setting, thereby improving childhood quality of life while maintaining budget neutrality. Requires the Department of Healthcare and Family Services to develop a pediatric palliative care program (rather than a pediatric palliative care pilot program) under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team and may also choose to continue to pursue aggressive curative or disease-directed treatments for a serious (rather than a potentially life-limiting) illness under the benefits available under Article V of the Illinois Public Aid Code. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program under the Illinois Public Aid Code and who suffers from a serious illness (rather than a potentially life-limiting medical condition). Requires the Department to apply to the federal Centers for Medicare and Medicaid Services for a State Plan amendment to implement the program. Requires the Department to implement the State plan amendment within 12 months of the date of federal approval. Prohibits the Department from drafting any rules in contravention of this timetable for program development and implementation. Removes all provisions concerning application for a federal Medicaid waiver program authorized under the Social Security Act. Expands the list of serious illnesses (rather than medical conditions) that render a person eligible for pediatric palliative care to include any other serious illness that the Department determines to be appropriate. In a provision concerning authorized providers, provides that at a minimum, a participating provider must house a pediatric interdisciplinary team that includes: (i) a physician, acting as the program medical director, who is board certified or board eligible in pediatrics or hospice and palliative medicine; (ii) a registered nurse; and (iii) a licensed social worker with a background in pediatric care. Requires all members of the pediatric interdisciplinary team to meet criteria the Department may establish by rule, including demonstrated expertise in pediatric palliative care (rather than requiring all members of the pediatric interdisciplinary team to submit to the Department proof of pediatric End-of-Life Nursing Education Curriculum (Pediatric ELNEC Training) or an equivalent). Expands the list of reimbursable services offered under the program to include any other services that the Department determines to be appropriate. Requires the Department, in consultation with interested stakeholders, to establish standards for and provide technical assistance to managed care organizations, as defined in the Illinois Public Aid Code, to ensure the delivery of pediatric palliative care services. Contains provisions concerning reporting requirements and criteria a case manager must meet for demonstrated expertise in pediatric palliative care.

Deletes reference to:

110 ILCS 305/9

Adds reference to:

105 ILCS 5/30-14.2 from Ch. 122, par. 30-14.2

Adds reference to:

110 ILCS 947/40

Replaces everything after the enacting clause. Amends the Scholarships Article of the School Code. With regard to the MIA/POW Scholarship, provides that the definition of "eligible veteran or serviceperson" includes, among other requirements, a veteran or serviceperson who is a resident of Illinois at the time of application for the Scholarship and, at some point after leaving service, was a resident of Illinois for at least 15 consecutive years. Amends the Higher Education Student Assistance Act. With regard to the Illinois Veteran grant program, provides that a person is a qualified applicant if, despite not meeting other requirements, he or she is a resident of Illinois at the time of application to the Illinois Student Assistance Commission and, at some point after leaving federal active duty service, was a resident of Illinois for at least 15 consecutive years. Effective July 1, 2019.

Fiscal Note (Illinois Student Assistance Commission)

SB 1467 would extend eligibility for the IVG and MIA/POW programs to veterans who have, at some point after separation from service, lived in Illinois for 15 continuous years. ISAC does not have adequate information to provide a reliable estimate of the size of this newly-eligible population, nor the likelihood that newly-eligible individuals would take advantage of the program if SB 1467 becomes law. In FY18, 4,116 Illinoisans received IVG grants averaging $4,545, and for FY17 (most recent available),1,211 Illinoisans received MIA/POW grants averaging $2,487 (administered by IDVA). A 1% increase in the number of participants would be expected to increase IVG waivers by about $187,000 and MIA/POW waivers by about $30,000, for a total increase of $217,000 per percentage point increase in the number of eligible applicants. If the number of eligible applicants increased by 5%, the amount waived would be expected to increase by approximately $1.1 million above current levels. Notably, the affected programs require public universities and community colleges to waive tuition and fees for eligible applicants, whether or not the institution receives reimbursement from the state for providing the waiver. If not reimbursed through state appropriations, institutions must absorb or offset any costs incurred due to the programs (for example, through additional fees or tuition increases paid by other students).

Pension Note (Government Forecasting & Accountability)

SB 1467, as engrossed, amends the Scholarship Article of the School Code and the Higher Education Student Assistance Act in a way that does not impact any pension system.

State Debt Impact Note (Government Forecasting & Accountability)

SB 1467, as engrossed, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Correctional Note (Dept of Corrections)

There is no fiscal or population impact on the Department of Corrections.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Land Conveyance Appraisal Note (Dept. of Transportation)
