720 ILCS 510/1	from Ch. 38, par. 81-21

Amends the State Employees Group Insurance Act of 1971. Removes a provision prohibiting the non-contributory portion of a program of health-benefits from including the expenses of obtaining an abortion. Amends the Illinois Public Aid Code. Removes a provision excluding abortions or induced miscarriages or premature births from the list of services provided under the State's medical assistance program. Removes language providing for the adoption of rules to prohibit a physician from providing medical assistance to anyone eligible for medical assistance benefits if the physician has been found guilty of willfully and wantonly performing an abortion procedure upon a woman who was not pregnant at the time of the procedure. Removes other provisions concerning abortion restrictions. Amends the Problem Pregnancy Health Services and Care Act. Removes language prohibiting the Department of Human Services from making grants to nonprofit agencies and organizations that use such grants to refer or counsel for, or perform, abortions. Amends the Illinois Abortion Law of 1975. Provides that it is the intention of the General Assembly to reasonably regulate abortion in conformance with the legal standards set forth in the decisions of the United States Supreme Court of January 22, 1973. Removes language concerning the General Assembly's declaration that the unborn child is a human being from the time of conception and is, therefore, a legal person for purposes of the unborn child's right to life. Makes other changes.

State Debt Impact Note (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)

HB 40 will not impact any public pension fund or retirement system in Illinois.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

Correctional Note (Dept of Corrections)

HB 40 has no fiscal or population impact on the Department of Corrections.

Judicial Note (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

Land Conveyance Appraisal Note (Dept. of Transportation)

The Illinois Department of Transportation has determined that no land conveyance is necessary for this bill.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 40 does not create a State mandate.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling, a single-family residence.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

HB 40 does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)

An accurate cost assessment for this bill cannot be completed at this time because it does not mandate the State to fund these services. However, by removing these prohibitions it opens the State up for significant cost liabilities to incur. It is unknown how often these services would be utilized by Medicaid enrollees or State employees, the exact cost to health insurance plans, or how many new grant requests the Department of Human Services would receive as a response to this, and future related legislation.

HB 00040 (CONTINUED)

Fiscal Note (Dept. of Healthcare & Family Services)

The estimated annual cost for abortion services resulting from House Bill 40 is approximately \$1.8 million, which would be 100% GRF funded. There may be other budgetary impacts that are not quantifiable.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling, a single-family residence.

House Floor Amendment No. 1

Further amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that notwithstanding any other provision of the Code, reproductive health care that is otherwise legal in Illinois shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 40 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

35 ILCS 5/901

from Ch. 120, par. 9-901

Amends the Illinois Income Tax Act. Provides that, from February 1, 2017 through January 31, 2018, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2018 through January 31, 2019, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2019 through January 31, 2020, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2020, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

Fiscal Note (Dept. of Revenue)

Although this bill would have no effect on total revenue, the Department of Revenue estimates that deposits into the General Revenue Fund for fiscal year 2017 would be reduced by \$30 million. Deposits into the General Revenue Fund for fiscal year 2018 would be reduced by \$100 million. Deposits into the General Revenue Fund for fiscal year 2019 would be reduced by \$175 million. Deposits into the General Revenue Fund for fiscal year 2020 would be reduced by \$258 million. Deposits into the General Revenue Fund for fiscal year 2121 would be reduced by \$314 million. After that, the amount of deposits into General Revenue Fund would be reduced increasingly, as individual income tax and corporate income tax revenue keep growing.

This estimate was calculated by multiplying the net corporate income tax and individual income tax revenue forecasts by the difference between actual Local Government Distributive Fund transfer percentages and proposed Local Government Distributive Fund transfer percentages.

Amends the Charter Schools Law of the School Code. Removes provisions allowing the State Charter School Commission to reverse a school board's decision to deny, revoke, or not renew a charter; makes related changes. Provides that if a charter school applicant submits a proposal to a school board outside of the process adopted by that school board for receiving charter school proposals on an annual basis, the applicant shall not have any right to submit its proposal to the State Charter School Commission as otherwise authorized. In a provision concerning a charter school proposed to be jointly authorized by 2 or more school districts and the school boards unanimously denying the charter school proposal with a statement that the school boards are not opposed to the charter school, but that they yield to the Commission in light of the complexities of joint administration, allows the charter applicant to submit the proposal to the Commission and requires the Commission to follow the same process and be subject to the same timelines for review as a school board. Allows the Commission to approve an application for a charter if certain conditions are met. Provide that the Commission may condition approval of an application on the acceptance of funding in an amount less than requested. Provides that final decisions of the Commission are subject to judicial review under the Administrative Review Law. Provides that if the Commission approves an application for a charter school, then the Commission shall act as the authorized chartering entity. Provides that if the Commission is the authorized chartering entity, then the Commission shall execute a charter agreement (instead of approve the charter agreement). Provides that the Commission has no authority to approve a charter school proposal that has been denied by a school board. Effective immediately.

Replaces everything after the enacting clause. Amends the Board of Higher Education Act. Requires the Board of Higher Education to establish and administer, subject to appropriation, an Illinois Excellence Program to incentivize the recruitment and retention of promising faculty throughout the Illinois system of higher education. Amends the Higher Education Student Assistance Act. Requires the Illinois Student Assistance Commission to implement and administer a program beginning with the 2018-2019 academic year to award College Affordability grants to certain Illinois residents who have graduated from an approved high school with a cumulative grade point average of at least a 3.0 on a 4.0 scale and are seeking a degree from a public institution of higher education. Sets forth the grant amount. Sets forth the terms and conditions of the program, including requiring a 2-year residency obligation following termination of the academic program and requiring students awarded grants under the program to participate in a student loan counseling program through the Commission. Requires the Commission to implement and administer a program in which the Commission shall award work-study stipends to applicants who are grant recipients and who agree to work for 5 to 15 hours per week as peer mentors or tutors for other grant recipients. Requires the Commission to implement and administer a program in which the Commission shall buy-out the private student loans of any eligible participants. Sets forth eligibility requirements. Amends the State Finance Act to create the College Affordability Fund, Work-Study Fund, College Affordability Purchasing Fund, and Illinois Excellence Fund as special funds in the State treasury. Effective July 1, 2018, but provisions concerning the College Affordability grants are effective immediately.

Fiscal Note (Illinois Student Assistance Commission)

HB 01316 (CONTINUED)

This fiscal note discusses the three programs that would be administered by ISAC: (1) COLLEGE AFFORDABILITY GRANT: An estimated 100,000 students would immediately qualify for the College Affordability Grant program. If MAP and Pell grant funding is held constant, approximately \$300 million would be required to fully fund the new program in the first year (FY19). This cost would be expected to grow in subsequent years as additional students qualified for the grant; based on the current capacity of public institutions, these costs could rise to \$400 million annually; (2) Given the terms of the grant and their potential to convert to loans, the program could entail substantial start-up and on-going operational costs. ISAC preliminarily estimates that if the grant/loan program itself were fully funded, additional operational costs could total over \$10 million annually, particularly because the program requires tracking recipients from the time the grant is made until at least two years after graduation. In the case of recipients who enter repayment, the agency would be required to collect from them for at least a decade and longer in some cases, since some recipients will be unable to pay back the grants over 10 years; (3) WORK-STUDY: Each participant in the work-study program would be permitted to work 5-15 hours/week, or 150-450 hours in the average academic year. At the Illinois minimum wage of \$8.25 an hour, each recipient would need to be allocated a minimum of \$1,237.50 - \$3,712.50 annually. To double current work-study opportunities (the intent described by one bill sponsor) about 11,000 work- study recipients would be served at a cost of about \$18.1million annually; (4) PRIVATE STUDENT LOAN PURCHASING: Appropriators could allocate any amount to this program; ISAC estimates that Illinois public university graduates from the last ten years with GPAs at or above 3.0 may hold approximately \$500 million in private loan debt. The fiscal impact of this program would include both the amount needed to purchase the loans and the start-up and on-going operational costs to administer the new loan program. Even a relatively small pilot program would have to be run for more than 10 years. If \$50 million in outstanding private loans were to be purchased, ISAC estimates additional funding needs of approximately \$780,000 in the first year and a total of about \$6 million over the 10-year life of the new loans to cover program costs. Those include the one-time cost of originating the new loans, plus the on-going costs of servicing, reporting, monitoring, collection of delinquent loans, etc. In addition, some portion of the loans that become delinquent will ultimately be written off as uncollectible.

Replaces everything after the enacting clause. Amends the Illinois Act on the Aging, the Disabled Persons Rehabilitation Act, and the Illinois Public Aid Code. Regarding services provided under the Community Care Program, the Home Services Program, the supportive living facilities program, and the nursing home prescreening project, provides that individuals with a score of 29 or higher based on the determination of need assessment tool shall be eligible to receive institutional and home and community-based long term care services until the State receives federal approval and implements an updated assessment tool, and those individuals are found to be ineligible under that updated assessment tool. Requires the Department on Aging, the Department of Human Services, and the Department of Healthcare and Family Services to adopt rules through the regular rulemaking process regarding the updated assessment tool, but prohibits those Departments from adopting emergency or peremptory rules regarding the updated assessment tool. Contains provisions concerning continued eligibility for persons made ineligible for services under the updated assessment tool. Further amends the Illinois Act on the Aging by prohibiting the Department on Aging from: (i) adopting any rule that restricts eligibility under the Community Care Program to persons who qualify for medical assistance under Article V of the Illinois Public Aid Code; or (ii) establishing, by rule, a separate program of home and community-based long term care services for persons who are otherwise eligible for services under the Community Care Program but who do not qualify for medical assistance under Article V of the Illinois Public Aid Code. Prohibits the Department from increasing copayment levels under the Community Care Program to the levels that were in effect on January 1, 2016, except to make an adjustment for inflation. Removes language that make Medicaid enrollment or eligibility a condition of eligibility under the Community Care Program if the Auditor General has reported that the Department has failed to comply with certain reporting requirements under the Illinois State Auditing Act. Further amends the Illinois Public Aid Code by deleting a provision requiring the Department of Healthcare and Family Services to, subject to federal approval, on and after July 1, 2012, effectuate an increase in the determination of need scores from 29 to 37 for applicants for institutional and home and community-based long term care. Amends the Nursing Home Care Act. Provides that no individual receiving care in an institutional setting shall be involuntarily discharged as the result of the updated assessment tool until a transition plan has been developed by the Department on Aging or its designee and all care identified in the transition plan is available to the resident immediately upon discharge. Effective immediately.

Fiscal Note, House Floor Amendment No. 1 (Dept. on Aging)

An additional \$120M will be required for FY18 should HB1424 (H-AM 1) pass and be signed into law, by 2020 the cost will increase by just over \$398M. The loss of revenue if Federal waivers are jeopardized for the Department on Aging alone is over \$227M.

HB 01764 Rep. Linda Chapa LaVia-Jehan Gordon-Booth-Robyn Gabel-Melissa Conyears-Ervin
(Sen. Toi W. Hutchinson-Mattie Hunter-Cristina Castro-Patricia Van Pelt)

730 ILCS 5/5-5-3.1 from Ch. 38, par. 1005-5-3.1

735 ILCS 5/2-1401 from Ch. 110, par. 2-1401

Amends the Unified Code of Corrections. Provides that it is a mitigating factor in sentencing that at the time of the offense, the defendant was suffering from post-partum depression or post-partum psychosis which was either undiagnosed or untreated, or both, and this temporary mental illness tended to excuse or justify the defendant's criminal conduct and the defendant has, after sentencing, been diagnosed as suffering from post-partum depression or post-partum psychosis, or both, by a qualified medical person and the diagnoses or testimony, or both, was not used at trial or sentencing, or both. Amends the Code of Civil Procedure concerning relief from final orders and judgments, after 30 days from the entry of the judgment. Provides that a meritorious claim may be made for that relief if the allegations in the petition establish each of the following by a preponderance of the evidence: (1) the movant was convicted of a forcible felony; (2) the movant's participation in the offense was a direct result of the movant's mental state either suffering from post-partum depression or post-partum psychosis; (3) no evidence of post-partum depression or post-partum psychosis was presented by a qualified medical person at trial or sentencing, or both; (4) the movant was unaware of the mitigating nature of the evidence or if aware was at the time unable to present this defense due to suffering from post-partum depression or post-partum psychosis or at the time of trial or sentencing neither was a recognized mental illness and as such unable to receive proper treatment; and (5) evidence of post-partum depression or post-partum psychosis as suffered by the movant is material and noncumulative to other evidence offered at the time of trial or sentencing and it is of such a conclusive character that it would likely change the sentence imposed by the original court. Defines "post-partum depression" and "post-partum psychosis".

House Committee Amendment No. 2

Deletes reference to:

735 ILCS 5/2-1401

Adds reference to:

725 ILCS 5/122-1 from Ch. 38, par. 122-1

In the amendatory changes to the Unified Code of Corrections, deletes provision in the new mitigating factor that the diagnosis that the defendant has suffered from post-partum depression or post-partum psychosis, or both, must be made after sentencing. Rep. Kelly M. Cassidy-Rita Mayfield-Justin Slaughter-Patricia R. Bellock-John M. Cabello, Barbara Wheeler, Allen Skillicorn, Barbara Flynn Currie and Sheri Jesiel

(Sen. Toi W. Hutchinson, Kimberly A. Lightford-Patricia Van Pelt-Pamela J. Althoff, Jim Oberweis and Karen McConnaughay)

725 ILCS 5/116-2.2 new

Amends the Code of Criminal Procedure of 1963. Allows a motion to be filed with the trial court that entered the judgment of conviction in a defendant's case at any time following the entry of a guilty verdict or a finding of guilt for any offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance by the defendant provided: (1) the motion clearly states the penalty for the offense for which the defendant was found guilty or convicted has been amended or changed and became effective after his or her plea of guilty or conviction, which includes but is not limited to: (A) reduces the minimum or maximum sentence for the offense; (B) grants the court more discretion over the range of penalties for the offense; (C) the underlying conduct relating to the offense was decriminalized; or (D) other instances in which the penalties associated with the offense or conduct underlying the offense were reduced in any way; and (2) reasonable notice of the motion is served upon the State. If the court grants a motion under this Section, it must reduce the penalty imposed on the defendant so that it is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed and the court may take any additional action it deems appropriate under the circumstances.

Fiscal Note (Admin Office of the Illinois Courts)

This legislation would have no fiscal impact on the State appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides upon verified petition for resentencing by the defendant (in the introduced bill, by motion), the trial court that entered the judgment of conviction in a defendant's case may order resentencing at any time after 30 days have passed following the imposition of a sentence under a guilty verdict or a finding of guilt for any criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or a similar local ordinance provided: (1) the State's Attorney or other prosecuting attorney is given at least 30 day notice of the filing of the petition seeking resentencing; (2) the State's Attorney or other prosecuting attorney files a response indicating agreement with the petition and the defendant's request for resentencing (in the introduced bill, the motion is not objected to by a non-moving party); and (3) the petition clearly states the statutory penalty for the offense for which the defendant was found guilty or convicted has, since his or her plea of guilty or conviction, been subsequently reduced or altered in a manner that includes, but is not limited to, reducing the minimum or maximum sentence for the offense, granting the court more discretion over the range of penalties available for the offense, or changing the penalties associated with the offense or conduct underlying the offense in any way. Provides that if the court grants a petition, the court must resentence the defendant in a manner that is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed or the original sentence was imposed and the court may take any additional action it deems appropriate under the circumstances (in the introduced bill, if the court grants a motion, it must reduce the penalty imposed on the defendant so that it is consistent with the penalty the defendant would have received if the current law was in effect on the date when the offense was committed and the court may take any additional action it deems appropriate under the circumstances).

Sets forth duties and prohibited activities concerning the Board. Creates the Health Insurance Rate Review Board Nomination Panel to provide a list of nominees to the Governor for appointment to the Health Insurance Rate Review Board. Sets forth the procedures for nomination. Provides requirements and procedures for health carriers to file current and proposed rates and rate schedules with the Health Insurance Rate Review Board. Provides that the Board shall review and approve or disapprove all rates and rate schedules filed or used by a health carrier. Sets forth provisions concerning rate standards, public notice, hearings, and the disapproval and approval of rates and rate schedules.

Fiscal Note (Dept of Insurance)

As currently drafted it is difficult to quantify the fiscal impact associated with this legislation. However, the legislation would create an undue administrative burden to the Illinois Department of Insurance and is duplicative of the regulatory functions the Department performs.

55 ILCS 5/5-1062.2

Amends the Counties Code. Changes the application of provisions concerning allowing management and mitigation of the effects of urbanization on stormwater drainage in metropolitan counties located in the area served by the Northeastern Illinois Planning Commission to those located in the area served by the Chicago Metropolitan Agency for Planning. Provides that the stormwater management plans shall evaluate water quality and flooding problems caused by urban flooding. Defines "urban flooding" as the flooding of public and private land in urban areas that results from stormwater or snowmelt runoff overwhelming the existing drainage infrastructure, unrelated to the overflow of any river or lake, whether or not that land is located in or near a floodplain. Provides that a stormwater management planning committee may make grants to units of local government and landowners under specified conditions.

Provides that a purpose of provisions concerning stormwater management include collection of runoff for reuse as appropriate considering the local conditions that as a byproduct also results in improved water conditions. Changes "urban areas" to "urbanized areas". Defines "urbanized areas". Provides that specified counties (rather than all counties) and counties containing all or a part of an urbanized area may adopt stormwater management plans. Provides that any other county may adopt stormwater management plans if approved by referendum. Provides for representatives of drainage districts and soil and water conservation districts to be represented on the stormwater management planning committee in specified counties. Provides that a stormwater management planning committee may make grants to units of local government that are members in the Federal Emergency Management Agency's National Flood Insurance Program, not-for-profit organization, and landowners under specified conditions (units of local government and landowners in the introduced bill). 20 ILCS 801/21 new

20 ILCS 835/4d new

20 ILCS 3405/36 new

Amends the Department of Natural Resources Act. Provides that only materials manufactured in Illinois may be sold on the property of the Illinois State Museum. Defines "materials manufactured in Illinois". Amends the State Parks Act. Provides that only materials manufactured in Illinois may be sold in gift shops or concession areas within State parks or parkways. Defines "materials manufactured in Illinois". Amends the Historic Preservation Agency Act. Provides that only materials manufactured in Illinois may be sold on the property of State Historic Sites, State Memorials, and the other properties over which the Historic Preservation Agency has jurisdiction. Defines "materials manufactured in Illinois".

Fiscal Note (Dept. of Natural Resources)

HB 2764 will severely impact operations at State Park Gift Shops and Visitors Centers as well as smaller Illinois Department of Natural Resources (IDNR) Concessions. Estimated inventory at only 6 sites is almost \$400k. At least seven of our State Parks contract vending through the Business Enterprise for the Blind. These vending machines provide snacks, water and soft drinks. While some of these products are manufactured in the United States, many are not. This legislation places a tremendous burden on the Vendor to stay competitive. IDNR's World Shooting and Recreational Complex would most likely lose the Grand American shoot. Since most of IDNR's Building Vendors would encounter the same difficulties stocking U.S.A. inventory, they may elect to sever their leases with IDNR. The smaller Concessions at IDNR State Parks are restaurants, boat/canoe rental and bait shops. These concessions sell sun screen, suntan lotions, bait and tackle (fishing lures, fishing line) etc. These inventories will be very limited if only United States products are allowed to be sold and possibly eliminate the availability of these types of services at IDNR State Parks.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that only materials manufactured in the United States may be sold on the property of the Illinois State Museum, in gift shops or concession areas within State parks or parkways, and on the property of State Historic Sites, State Memorials, and the other properties over which the Historic Preservation Agency has jurisdiction (in the introduced bill, materials manufactured in Illinois). Provides that this prohibition for gift shops or concession within State parks or parkways does not apply to the World Shooting and Recreational Complex under the jurisdiction of the Department of Natural Resources. Makes conforming changes.

New Act

Creates the Transportation Benefits Program Act. Requires all covered employers to offer at least one transportation benefit program. Provides that the employer may choose between providing a program consistent with federal law that allows employees to elect to exclude from taxable wages and compensation the employee's commuting costs incurred for the purchase of a transit pass to use public transit or for the purchase of qualified parking, or a program under which the employer supplies a transit pass for the particular qualifying public transit requested by the covered employee or reimburses the covered employee for payments made for the use of qualified parking. Defines terms. Effective January 1, 2018.

Fiscal Note (Dept. of Revenue)

The estimated impact of this bill is a reduction in individual income tax revenue of between \$128 Million to \$183 Million annually.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Inserts the substance of the introduced bill except that it limits the program to the area under the jurisdiction of the Regional Transportation Authority. Provides that the bill applies to employers with 25 full-time employees rather than 20 employees. Excludes from the scope of the bill areas in which regularly-scheduled transit service does not operate. Removes government entities from the scope of the Act. Defines terms. Effective January 1, 2018.

110 ILCS 70/36p

from Ch. 24 1/2, par. 38b15

Adds reference to:

110 ILCS 70/36s

from Ch. 24 1/2, par. 38b18

Replaces everything after the enacting clause. Amends the State Universities Civil Service Act. Removes references to the abolished State Community College of East St. Louis. Removes outdated provisions. Removes a requirement that vacancies be filled by promotion whenever practicable. Allows the Merit Board to issue subpoenas in the course of any investigation or hearing conducted pursuant to the Act. Removes the power of the Merit Board to set probationary periods of employment. Changes various references from "Director" to "Executive Director". Provides for the appointment of Designated Employer Representatives. Provides that the enumeration of specific duties and powers that the Merit Board may delegate to the Executive Director does not preclude the Merit Board from delegating other duties and powers. Allows the Merit Board to authorize the creation and use of pilot programs to further the goals of the Act. Allows examinations under the Act to be in various forms. Requires examinations in the same classification to be uniform, and provides for the waiver of examination requirements in specified circumstances. Makes changes to provisions concerning veteran preferences and active military service. Moves certain provisions concerning employees promoted in the promotional line and seniority. Makes changes concerning hearings on demotion, removal, or discharge. Expands nondiscrimination protections to include ancestry, age, marital status, order of protection status, disability, military status, sexual orientation, pregnancy, or unfavorable discharge from the military.

House Floor Amendment No. 2

With respect to the University Civil Service Merit Board, changes a reference from "chairman" to "chairperson". Removes duplicate language concerning examinations. Allows for the waiver of examination requirements for additional positions, entry level only (instead of just additional positions). Restores language that provides that employees in positions covered by the State Universities Civil Service Act who, while in good standing, leave to engage in military service during a period of hostility shall be given credit for seniority purposes for time served in the armed forces. Makes technical corrections.

215 ILCS 5/356z.8

Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance must provide coverage for medically necessary preventative physical therapy for insureds diagnosed with multiple sclerosis without any treatment limitation or calendar year maximum. Removes requirements that coverage under this provision be subject to the same waiting period, cost sharing limitation, treatment limitation, calendar year maximum, or other limitation as provided for other physical or rehabilitative therapy benefits.

Fiscal Note (Dept of Insurance)

HB 3223 has no projected fiscal impact on the Illinois Department of Insurance because it expands existing benefits and does not establish a new state mandate.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Requires the Department, upon denial of a license, certificate, or registration, to provide the applicant certain information concerning the denial. Provides that no application for licensure or registration shall be denied by reason of a finding of lack of good moral character when the finding is based solely upon the fact that the applicant has one or more previous convictions. Provides that the Department shall not require applicants to report certain criminal history information and the Department shall not consider the information. Provides that on May 1 of each year, the Department shall prepare, publicly announce, and publish certain statistical information. Amends the Criminal Identification Act. Includes applications for license, certification, and registration that must contain specific language which states that the applicant is not obligated to disclose sealed or expunged records of conviction or arrest and entities authorized to grant professional licenses, certifications, and registrations that may not ask if an applicant has had records expunged or sealed. Provides that certain sealed or impounded felony records shall not be disseminated in connection with an application for a professional or business license, except specified health care worker licenses. Effective immediately.

House Committee Amendment No. 3

Deletes reference to:

20 ILCS 2630/13

Replaces everything after the enacting clause with provisions of the introduced bill with the following changes: In provisions amending the Department of Professional Regulation Law of the Civil Administrative Code of Illinois, includes licensing Acts administered by the Department of Financial and Professional Regulation in which convictions of certain enumerated offenses are a bar to licensure as an exception to the requirement that the Department consider mitigating factors and rehabilitation. Requires the Department, when examining certain factors, to determine whether a prior conviction will impair the ability of the applicant to engage in the practice for which a license, certificate, or registration is sought (rather than examining certain factors in determining whether to grant a license, certificate, or registration). Removes an affirmative obligation of the Department to demonstrate that a prior conviction would impair the ability of an applicant. Requires the Department to notify an applicant of a denial of a license or certificate or refuse to grant registration based upon a conviction or convictions, in whole or in part. Makes changes to the items that must be included in the notice. Makes changes to the information that the Department shall not require applicants to report. Changes various references of "new and renewal license, certificate, or registration" to "new license, certificate, or registration". Makes changes to information the Department must report. Restores a fee to be charged by the Department, but reduces the fee from \$200 to \$175. Makes changes to when the Department may consider an application to make disciplinary records confidential. In provisions amending the Criminal Identification Act, removes amendatory changes concerning entry of orders and the effect of expungement or sealing records. Provides that the entity authorized to grant a license, certification, or registration shall include in its application specific language stating that the applicants is not obligated to disclose sealed or expunged records of a conviction or arrest. Provides that if the inclusion of the specific language in an application is not practical, the entity shall publish the language on its website. Removes changes to provisions concerning retention and release of sealed records. Removes the immediate effective date.

Amends the Illinois Procurement Code. Requires bidders to obtain an equal pay certificate before a purchasing agency may issue a contract to the bidder. Provides for the Department of Employment Security to issue the certificates. Specifies information to be included in an application for an equal pay certificate. Requires bidders to comply with the Equal Pay Act of 2003, Equal Wage Act, Illinois Human Rights Act, and Title VII of the Civil Rights Act of 1964. Amends the State Finance Act to create the Equal Pay Certificate Fund. Provides for moneys in the Fund to be used to administer the equal pay certificate requirements.

Fiscal Note (Dept. of Employment Security)

Fiscal Overview for HB 3539 is as follows: (1) Initial Start Costs = \$7.5 million to \$11 million to develop a fully functioning Equal Pay Certification platform, which includes an online application component, an interagency connection to the Department of Human Rights, and a revenue collection component, as well as 6-10 full-time equivalents for the creation and establishment of rules, policies, procedures, etc., for reporting, appeals, and adjudication. We derived this estimate based on our startup experience with our Adeptia Work Opportunity Tax Credit system. We believe a similar effort will be needed to develop the Equal Pay Certification platform; (2) Ongoing Costs \$1.5 million to \$3.5 million to administer the Equal Pay Certification program annually. Approximately 12-16 full time equivalents would be needed to administer and manage the day-to-day operations of this program. This estimate includes the cost of hiring a program administrator, administrative assistant, technical assistance specialist, IT contractors, and wage and hour investigators to implement the provisions of the bill, as well as an office to handle administrative appeals. The vast majority of the ongoing costs would be salaries, fringe benefits, one-time expenditures, and other ongoing operating expenses (lease space, technology hardware and software, telephones, etc.); (3) Revenue = \$1.25 million to \$3 million from application filing fees annually. The bill requires that revenues from the application fees are deposited into the Equal Pay Certification Fund, a special fund created in the State Treasury to help cover the costs of administering the program. Based on these assumptions, revenues from this program will not be sufficient to cover the costs of the program. (NOTE) The cost and revenue estimates provided herein are based primarily on our experience implementing the Adeptia WOTC technology platform and administering programs related to the Department of Employment Security. Specific costs estimates are difficult to estimate without more specific program structure and input from other State departments, such as the Chief Procurement Offices for General Services, Higher Education, Transportation, and Capital Development, as well as the Department of Human Rights. It is also important to emphasize that current federal funding guidelines do not authorize the State to use federal funds to subsidize the cost of this Equal Pay Certification program.

This bill does not create a State mandate.

30 ILCS 500/30-40 new

Amends the Illinois Procurement Code. Provides that for any project under a construction contract, the contract shall require that, to the extent practicable, at least 10% of man-hours performing construction services be performed by individuals who reside in areas of poverty. Requires the Department of Central Management Services to annually release a list of areas of poverty that meet the requirements.

Fiscal Note (Capital Development Board)

The Capital Development Board (CDB) estimates a fiscal impact of approximately \$1,800,000 annually associated with additional software and staff to monitor construction sites and enforce the new requirements contained in this legislation. The annual cost includes approximately 8 employees to handle all aspects of this bill. Each employee would cost CDB approximately \$200,000 after factoring in the personal services, pension, social security, group insurance, travel and required software licenses. A new software platform for tracking the man-hours requirement would also need to be developed, which has an estimated cost of up to \$200,000 annually.

105 ILCS 5/26-12 from Ch. 122, par. 26-12

Amends the Compulsory Attendance Article of the School Code. In a Section concerning enrolled pupils not of compulsory school age, removes provisions that allow a school or school district to deny enrollment to a student 17 years of age or older for one semester for failure to meet minimum academic standards if certain conditions are met, and provides that no child may be denied reenrollment (instead of enrollment or reenrollment) under the Section in violation of the federal Individuals with Disabilities Education Act or the Americans with Disabilities Act. Prohibits punitive action from being taken against truant minors (rather than chronic truants) for such truancy unless available supportive services and other school resources have been provided to the student. Provides that a truant minor may not be expelled for nonattendance unless he or she has accrued 15 consecutive days of absences without valid cause and the student cannot be located by the school district or the school district has located the student but cannot, after exhausting all available support services, compel the student to return to school. Effective July 1, 2017.

20 ILCS 301/5-10
20 ILCS 301/10-65 new
625 ILCS 5/11-501.01

Amends the Alcoholism and Other Drug Abuse and Dependency Act. Requires the Department of Human Services, upon request, to provide DUI service providers licensed by the State and any court, as defined, with copies of identification and arrest data the Department receives from federal, State, and local law enforcement agencies. Establishes the DUI Service Provider Effectiveness Program Exploratory Committee to create an audit and evaluation process that permits the evaluation of treatment and intervention outcomes of licensed DUI service providers so that persons interested in DUI treatment or intervention services can make informed decisions concerning provider selection and courts can better determine which DUI service providers to keep on their approved-provider lists. Contains provisions concerning membership on the Committee, initial appointments, voting rights, reporting requirements, and other matters. Requires the Committee to prepare and publish in a central publication information obtained through the audit and evaluation process established by the Committee, but not before performing certain tasks, including the development of: (i) a process and statistical method of outcome analysis and research that targets DUI recidivism as a measure of the treatment or intervention effectiveness of each DUI service provider; and (ii) a standardized method or process by which a court may consult and collaborate with a DUI service provider whose program of DUI treatment or intervention services fails to meet or adequately address the needs of clients residing within the court's judicial circuit. Amends the Illinois Vehicle Code. Adds a requirement concerning DUI treatment review surveys. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:

20 ILCS 301/5-10

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Removes a provision that requires the Department of Human Services, upon request, to provide DUI service providers licensed by the State and any court, as defined, with copies of identification and arrest data the Department receives from federal, State, and local law enforcement agencies. Redefines "DUI" to mean a conviction under a specified provision of the Illinois Vehicle Code (rather than to mean driving under the influence of alcohol or other substances which may cause impairment of driving ability). In provisions concerning the DUI Service Provider Effectiveness Program Exploratory Committee established in the introduced bill, provides that vacancies on the Committee shall be filled by individuals possessing the same membership requirements as the original appointee whom the replacement is taking the place of (rather than in the same manner as the original appointments). Makes changes to provisions concerning: (i) absent and substitute members; survival analysis studies; the collection of information for survival analysis studies and outcome analysis and research studies; an auditing and evaluation process to be developed by the Department in order to verify information on the resources provided by DUI service providers and included in the central publication; and other matters. Requires the Committee to dissolve upon submitting its report to the General Assembly and the Department of Human Services as required in the provisions of the introduced bill. Permits the Department to modify, add, or remove information collected and published within the central publication as well as modify the auditing and evaluation measures used in analyzing such information for the central publication upon the dissolution of the Committee. Effective immediately.

Fiscal Note (Dept. of Human Services)

The Department of Human Services currently funds DUI services from the Drunk and Drugged Driving Prevention Fund. For every dollar that the Department has to divert to support the driving abstract fee, a corresponding dollar of service will need to be reduced. Without additional revenue streams, the Department will have no choice but to reduce services. During FY16, the Department funded approximately 6,600 risk assessments and risk educational programs at a cost of \$884.0K. If the Department has to fund 6,600 driving abstracts at \$12 each, the cost would be an estimated \$79,200. This would decrease available service dollars by 9% and would reduce the number of assessments and educational programs available to an estimated 587 individuals. The costs associated with this proposal are estimated based on the Department's current income eligibility guidelines. If these income thresholds are not maintained, then the Department would be responsible for additional individuals that would not qualify for State funded Addiction Treatment Services under the current rules.

House Floor Amendment No. 2

Adds the Director of the Illinois State Police, or his or her designee, to the list of members on the DUI Service Provider Effectiveness Program Exploratory Committee.

Amends the Illinois Municipal Code. Provides that a subdivider who has been assessed and paid impact fees on real estate in a municipality may not be assessed or charged real estate transfer taxes or fees on that same real estate. Limits home rule powers.

House Committee Amendment No. 1

House Committee Amendment No. 2

Provides that the provisions prohibiting a home rule municipality from assessing or collecting a real estate transfer tax on certain deed or trust documents do not apply to the City of Chicago.

Replaces everything after the enacting clause. Amends the General Provisions Article of the Illinois Pension Code. Provides that the Board of any pension fund or retirement system may authorize active Tier 1 employees to elect to have automatic annual increases in retirement and survivor's annuities delayed and reduced. Provides that a Tier 1 employee who makes that election is entitled to have contributions reduced to a specified rate and to receive a consideration payment of 10% of contributions made prior to the election. Provides separate benefits for persons who, on or after July 1, 2018, first become participants or members under the State Universities or Downstate Teachers Article or a noncovered participant under the State Employees Article. Authorizes persons who first become members or participants of those Systems on or after July 1, 2018 to elect the Tier 2 benefits in lieu of those separate benefits. Authorizes Tier 2 members to elect those separate benefits in lieu of the Tier 2 benefits. Requires those retirement systems to establish a voluntary defined contribution plan for certain Tier 1 members. In the Chicago Municipal, Cook County, Cook County Forest Preserve, Chicago Laborers, Chicago Park District, and Chicago Teachers Articles, establishes similar benefits if the governing body of the unit of local government adopts those benefits by resolution or ordinance. In the State Employee, State Universities, and Downstate Teachers Articles, authorizes those Systems to calculate the net present value of the pension benefits for certain inactive members and to offer those members the opportunity to elect to receive an accelerated pension benefit payment equal to 70% of the net present value of their pension benefits in lieu of receiving any pension benefit. In the State Universities and Downstate Teachers Articles, shifts certain costs to the local employer. Repeals certain provisions related to defined contributions plans under Public Act 98-599, which has been declared unconstitutional. Amends the State Employees Group Insurance Act of 1971 to make a conforming change. Amends the State Mandates Act to require implementation without reimbursement. Makes other changes.
