Amends the Probate Act of 1975. Defines "administrative separation". Provides that a court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if it finds that the minor has a living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Provides that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Makes conforming changes. Effective immediately.

House Floor Amendment No. 1
Deletes reference to:

755 ILCS 5/11-10.1 from Ch. 110 1/2, par. 11-10.1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: (1) changes the definition of "administrative separation"; (2) provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if the minor has a living parent, adoptive parent, or adjudicated parent, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions, unless the parent or parents, due to an administrative separation, are unable to give consent to the appointment in person or by a notarized, written document as evidenced by a sworn affidavit describing the parent's or parents' inability to receive notice or give consent (rather than the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent); (3) deletes language providing that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent, or adjudicated parent whose whereabouts are known, and who is willing to carry out day-to-day child care decisions unless the parent or parents in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent; (4) provides that a short-term guardian who was appointed as the result of an administrative separation may renew a short-term guardianship for an additional 365 days from the date the initial appointment expires if the administrative separation is still in effect, unless the written instrument provides for the appointment to terminate upon a different date or event; (5) deletes language providing that the petition for guardian or standby guardian of a minor must state the facts concerning any administrative separation proceeding; (6) provides specific facts that the petition for guardian or standby guardian of a minor must include and that documentation related to an administrative separation shall be attached to the petition as an exhibit; and (7) deletes language providing that failure to give notice to any relative or parent out of the country is not jurisdictional if the petitioner can attest to specific factors. Makes conforming changes. Effective immediately.

HB 01637

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.

Fiscal Note (Dept. of Central Management Services)
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

Provides that on or after the effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

Establishes the Safe Schools and Healthy Learning Environments Grant Program and grants under the program. Sets forth requirements for grant applicants and provisions for the distribution of funds appropriated for the program. Requires the State Board of Education to issue a yearly report on the results of the program in cooperation with school districts participating in the program. HB 02084 (CONTINUED)
Replaces everything after the enacting clause. Amends the School Code. With regard to the student discipline report, provides that the report must include data on the total number of school days missed by a student due to an out-of-school suspension or expulsion and data on the number of arrests made by law enforcement officers of students on school grounds, in school vehicles, at school activities or school-sanctioned events, or as a result of referrals by school officials. Provides that the report must be disaggregated by whether a student qualifies for services under the federal Individuals with Disabilities Education Act, the total number of school days missed by the student, and the incident type that caused the suspension, expulsion, or removal to an alternative setting. Provides that, in compiling the report, the State Board of Education must use the same disclosure avoidance standards used by the United States Department of Education in its public reporting of data submitted by each school district as part of the Civil Rights Data Collection and must also ensure that cross-tabulation by the various categories of disaggregation is possible. Makes other changes.

105 ILCS 5/27A-12

Amends the State Finance Act and the Charter Schools Law of the School Code. Provides that on July 1, 2020, the State Charter School Commission is abolished and the terms of all members end. Provides that all of the powers, duties, assets, liabilities, contracts, property, records, and pending business of the Commission are transferred to the State Board of Education on that date. Provides for transfer of authorization to a local school board or boards. Makes related changes. Removes the appeal process, and provides that final decisions of a local school board are subject to judicial review under the Administrative Review Law.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)  
This bill does not create a State mandate

Fiscal Note (State Board of Education)  
HB 2100 will result in a state fiscal impact of $460,000 based on a net reduction of $840,000 in state expenditures and a reduction in $1.3 million in state revenue beginning in FY 2021.

House Floor Amendment No. 3
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes a provision requiring a charter school whose authorization has been transferred to the State Board of Education to, as soon as practicable after July 1, 2020, seek transfer of authorization to a local school board or boards for the remainder of the charter school's current term. Provides that at the end of its charter term, a charter school may (rather than must) reapply to the board or boards for authorization. Removes provisions allowing a charter applicant to submit a charter school proposal to the State Board if a local school board fails to hold a public meeting to obtain information or vote on the proposal, fails to grant or deny the proposal, or votes to deny the proposal (including because of the complexities of joint administration with another school district). Provides that no local school board may arbitrarily or capriciously revoke or not renew a charter. Provides that, except for extenuating circumstances, if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are placed in schools that are higher performing than that charter school. Provides that in determining whether extenuating circumstances exist, a local school board must detail, by clear and convincing evidence, that factors unrelated to the charter school's accountability designation outweigh the charter school's academic performance.

House Floor Amendment No. 4
Provides that, beginning on July 1, 2020, the State Board of Education may charge a charter school that it authorizes a fee not to exceed 3% of the revenue provided to the school to be used exclusively for covering the cost of authorizing activities; specifies what the authorizing activities may include. Provides that no school board may revoke or not renew a charter unless it determines that doing so is in the best interests of the students currently enrolled in the charter school (rather than arbitrarily or capriciously revoke or not renew a charter). Provides that if a local school board revokes or does not renew a charter, it must ensure that all students currently enrolled in the charter school are offered placement (rather than placed) in schools that are higher performing than that charter school, as defined in the State's federal Every Student Succeeds Act accountability plan, and that they have reasonable options for transportation to those schools. Provides that the State Board may reverse a local school board's decision to not renew a charter if the State Board finds that the charter school (i) is in compliance with the Charter Schools Article of the School Code and (ii) is in the best interests of the students it is designed to serve. Provides that final decisions of the State Board shall be subject to judicial review under the Administrative Review Law. Provides that if the State Board reverses the local school board's decision to not renew a charter, the State Board shall act as the authorized chartering entity.

New Act

Creates the Mental Health Early Action on Campus Act. Provides for intent, legislative findings, purposes of the Act, and definitions. Provides that to raise mental health awareness on college campuses, each public college or university in this State must complete specified tasks. Provides that the board of trustees of each public college or university must designate an expert panel to develop and implement policies and procedures that (i) advise students, faculty, and staff on the proper procedures for identifying and addressing the needs of students exhibiting symptoms of mental health conditions, (ii) promote understanding of the rules of Section 504 of the federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 to increase knowledge and understanding of student protections under the law, and (iii) provide training if appropriate. Provides that because peer support programs may be beneficial in improving the emotional well-being of the student population, each public college or university must develop and implement a peer support program utilizing student peers to support individuals living with mental health conditions on campus; specifies best practices for the peer support programs. Provides that each public college or university must form strategic partnerships with local mental health service providers to improve overall campus mental wellness and augment on-campus capacity; specifies what the partnerships must include. Requires the Board of Higher Education to develop a Technical Assistance Center; specifies the duties of the Center. Requires each public college or university to evaluate the required programs under the Act using specified criteria. Effective July 1, 2020.

House Floor Amendment No. 2
Representative Emanuel Chris Welch  
HB 02152     (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Provides that 2 years after the effective date of the Act, and once every 5 years thereafter, the Technical Assistance Center must propose to the General Assembly an updated ratio of clinical, non-student staff members to students based on actual ratios in this State and any new information related to appropriate benchmarks for clinician-to-student ratios. Provides that the updated benchmark must represent a ratio of no less than one clinical, non-student staff member to 1,250 students. Removes a provision providing that 5 years after the effective date of the Act, each public college or university must maintain a ratio of one clinical, non-student staff member to 1,000 students. Provides that the monitoring measures of local partnership programs must include the ratio of clinical, non-student staff to student population and the number of linkage agreements and contracts in place based on student population (rather than only the number of linkage agreements and contracts in place based on student population). Provides that the Commission on Government Forecasting and Accountability, in conjunction with the Illinois Community College Board and the Board of Higher Education, must make recommendations to the General Assembly on the amounts necessary to implement the Act. Provides that the initial recommendation must be provided by the Commission no later than December 31, 2019 and any appropriation provided in advance of this recommendation may be used for planning purposes. Provides that no provision of the Act may be funded by student fees created on or after July 1, 2020 (rather than new student fees). Makes other changes. Effective July 1, 2020, except that certain provisions are effective immediately.

Provides for enrollment in the Program. Provides further duties and requirements of the Treasurer regarding the Program. Provides for audits and reports concerning the Program. Allows the Treasurer to adopt any rules that may be necessary to implement the Program. House Floor Amendment No. 2
Provides that notwithstanding any court order which would otherwise prevent the release of information, the Department of Public Health is authorized to release specified information to the State Treasurer for the purposes of the Illinois Higher Education Savings Program.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Fiscal Note (Office of the Treasurer)
Based upon Illinois' current birth rate of 155,000 to 165,000 newborns per year, the annual cost for this program is expected to be $9-10 million per year, beginning in FY21. This includes approximately $8 million for the initial seed funding of $50 per child and an estimated $1.5 million to develop local savings incentive partnerships, engage parents and children in related financial literacy initiatives, and administer the program. Because unclaimed and unused funds will remain with the program for future use, the need for annual appropriations will decline after year 10 of the program as unclaimed and unused funds are recycled.

House Floor Amendment No. 3
Modifies the definition of "eligible child".

New Act

Creates the Polygraph Exam Integrity Act. Provides that every polygraph question submitted for the administration of a
polygraph exam by a State agency or entity shall be screened by independent legal counsel to ensure compliance with the Illinois
Constitution and the United States Constitution and federal and State law. Provides that screenings shall be paid by the entity
requesting the service.

Fiscal Note (Illinois State Police)
The Illinois Attorney General serves as the legal counsel for the state of Illinois. The Illinois Attorney General would have
to approve a Special Assistant Attorney General for this purpose. The Illinois Attorney General typically requires
reimbursement for travel expenses from the agency being represented. Therefore, we would defer to the Illinois Attorney
General concerning costs associated with this legislation becoming law. If the Illinois Attorney General were to agree the
Illinois State Police should hire outside legal counsel, the Illinois State Police would be required to cover the attorney's
fees.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

820 ILCS 112/10
820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Senate Floor Amendment No. 2

Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of "the entire differential").

Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Commerce and Economic Opportunity shall create a Clean Water Workforce Pipeline Program to provide grants and other financial assistance to prepare and support individuals for careers in water infrastructure. Provides specified groups that may be provided with grants and other financial assistance on a competitive annual basis. Directs the Department to coordinate with the Environmental Protection Agency, Illinois Finance Authority, and other State agencies that provide financial support for water infrastructure projects. Provides that the Department may select a Program Administrator. Provides that recipients of grants or other financial assistance under the Program shall report annually to the Department. Amends the State Finance Act. Creates the Clean Water Workforce Development Fund.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Fiscal Note (Dept. of Commerce & Economic Opportunity)
HB 3349 requires DCEO to award grants designed to encourage and facilitate employment in water infrastructure careers. Competitive awards shall be made for various activities including: identification of individuals for job training in the water sector; counseling, preparation, skills training, and other support to increase a candidate's likelihood of success in a job training program and career; and several others. While HB 3349 requires DCEO to make the grants, the legislation does not specify a funding source for the program. Without a funding source, the legislation represents a potential unfunded mandate on the agency. Without additional information on available funding and the number of grants required to be awarded, the Department lacks the ability to determine program scope and ongoing implementation costs. As a result, we are unable to determine the fiscal impact of this legislation.

Amends the Title Insurance Act. In provisions concerning choice of title insurance company, provides that it is the public policy of the State that parties to a contract for the sale of residential real property who are obligated to pay for certain products and services related to title insurance (rather than title insurance) have the right to also choose the independent escrowee that will provide those products and services. Makes conforming changes. Provides that for a county with a population not less than 500,000, a transaction for the sale and purchase of residential real property, the title insurance company issuing the owner's title insurance policy shall issue the lender's title insurance policy for that transaction if the policy is required by the lender. Provides an exception to that if the buyer and seller agree otherwise or the buyer or seller is offered a discount of fees as an inducement to split the title insurance policies, unless the title insurance company issuing the owner's policy agrees to offer the same discount of fees.

Senate Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill as amended by Senate Amendment No. 1 with the following changes. Provides that a school may omit from its list of breaches of covered information any breach in which the date, estimated date, or estimated date range in which it occurred is earlier than July 1, 2021 or any breach previously posted on a list no more than 5 years prior to the school updating the current list. Provides that a notice of breach may be delayed if an appropriate law enforcement agency determines that the notification will interfere with a criminal investigation and provides the school with a written request for a delay of notice. Allows the State Board of Education to share, transfer, disclose, or provide covered information to its employees or officials acting within their official capacity. Removes a provision stating that a student's covered information is the sole property of the student's parent. Makes changes to a parent's and student's rights. Makes other changes. Effective July 1, 2021.

New Act

735 ILCS 5/17-101 from Ch. 110, par. 17-101
735 ILCS 5/17-102 from Ch. 110, par. 17-102
735 ILCS 5/17-105 from Ch. 110, par. 17-105
735 ILCS 5/17-106 from Ch. 110, par. 17-106

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

20 ILCS 2310/2310-218 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires
the Department of Public Health to ensure that those who draw blood from children and adults with intellectual and developmental
disabilities are trained, at least once every 3 years, in the most current method of drawing blood from children and adults with
developmental and intellectual disabilities. Provides that the training shall focus on drawing blood in a safe manner that is as
comfortable as possible. Requires the Department to ensure that those facilities and providers review their training program at least
once within each 3-year period to ensure that the training includes the most current methods available of drawing blood from children
and adults with intellectual and developmental disabilities that is safe and comfortable for them and their families. Requires the
Department to ensure that by July 1, 2020 all medical facilities are equipped to draw blood from children and adults with intellectual
and developmental disabilities using finger-prick equipment, hemoglobin testing equipment, and all other related equipment that can
be adapted to serve patients with intellectual and developmental disabilities.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Provides that the Department of Public Health shall develop and make available training materials that ensure that all phlebotomists are trained in the most current methods of drawing blood from children and adults with intellectual and developmental disabilities. Provides that the materials shall conform to the best available practices used for drawing blood in a safe manner that is as comfortable as possible for the individual from whom blood is drawn and for the families, guardians, caretakers, or companions of the individual accompanying him or her while blood is drawn. Provides that the Department shall review the materials every 3 years to ensure that they conform with the best available practices. Provides that the Department shall ensure that health care providers and laboratories that employ a phlebotomist incorporate the training as part of a phlebotomist's initial employment training and as part of any ongoing training to maintain competencies and certifications as a phlebotomist. Defines "phlebotomist".

House Floor Amendment No. 2
Defines "phlebotomist" as a person specifically trained to draw blood for diagnostic purposes in a health care setting (rather than a person who is certified to draw blood for diagnostic testing, transfusion, research, or blood donation). Exempts nonprofit blood banks or the affiliated laboratories of nonprofit blood banks from the provisions.

Amends the Managed Care Reform and Patient Rights Act. Provides that every health insurance carrier that provides coverage for prescription drugs shall ensure that no fewer than 25% of certain individual and group plans offered shall apply a pre-deductible, flat-dollar copayment structure to the entire drug benefit. Requires the health insurance carriers to market the plans in the same manner as their other plans. Provides that if a health insurance carrier offers fewer than 4 plans, the health insurance carrier shall ensure that one plan shall use the drug benefit structure, including cost-sharing requirements. Amends the Life Care Facilities Act. Creates the Continuing Care Retirement Community Transparency Task Force to research and collect information on transparency and consumer protection issues for life care contracts. Provides that the Task Force shall review existing legal frameworks to identify all existing consumer protections for residents living in continuing care retirement communities and all areas in which more consumer protections for continuing care retirement community residents are necessary. Provides that the Task Force shall identify any shortcomings of the definition of "life care contract" and determine whether that definition should be expanded to include more senior living facilities. Provides that members shall receive no compensation for their services but may be reimbursed for expenses. Requires the Department of Public Health shall provide administrative and other support to the Task Force. Provides that the Task Force shall report its findings to the Governor and General Assembly by December 31, 2019. Effective immediately.

Provides that a Medicaid managed care plan amended, delivered, issued, or renewed after the effective date of the amendatory Act must provide individuals under 21 years of age coverage for the diagnosis of autism spectrum disorders and for the treatment of autism spectrum disorders to the extent that the diagnosis and treatment of autism spectrum disorders are not already covered by the Medicaid managed care plan. Amends the Procurement of Domestic Products Act. Provides that purchasing agencies shall promote the purchase of and give preference to manufactured articles, materials, and supplies that have been manufactured in Illinois (currently, the United States). Provides that, if the purchasing agency determines that certain conditions apply to a procured product, then, with respect to that procurement, the purchasing agency shall give preference to manufactured articles, materials, and supplies that have been manufactured in the United States. Effective immediately.

Fiscal Note (Dept. of Central Management Services)
It is not possible to calculate the negative fiscal impact of this proposed legislation currently. For all practical purposes, it should be assumed that negative impact will occur. The potential for up to 12% cost increases for an indeterminable universe of procured products exists.

215 ILCS 5/143.5 new

Amends the Illinois Insurance Code. Requires insurance policies to be written in language easily readable and understandable by a person of average intelligence and education. Provides the factors the Director of Insurance shall consider in making the determination that the policy is easily readable and understandable by a person of average intelligence and education.

Fiscal Note (Dept. of Insurance)

Some states have requirements related to the Flesch Test Readability which could greatly assist in adhering to the requirements of this bill. However, the bill in its current form provides little guidance on what "understandable" means, which could vary greatly from individual to individual. To meet the requirements as described within HB 3451 the Department anticipates the need for, at minimum, eight (8) additional insurance analyst positions within three of our insurance compliance units, Life, Health and Property/Casualty, with a projected fiscal impact to the Illinois Department of Insurance of just over $978,500 in personal services and related expenditures.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

HB 03888

(Sen. John F. Curran-Melinda Bush-Jacqueline Y. Collins and Thomas Cullerton)

415 ILCS 5/9.18 new

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1
HB 03888 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

Amends the Illinois Vehicle Code. Defines "mobile carrying device". Provides that a mobile carrying device may be operated on a sidewalk or crosswalk so long as it is operated in accordance with local ordinances, a personal property owner is actively monitoring its operation and navigation, and it is equipped with a braking system that enables it to perform a controlled stop. Prohibits a personal property owner operating a mobile carrying device from failing to comply with traffic or pedestrian control devices and signals, unreasonably interfering with pedestrians or traffic, transporting hazardous materials, or operating on a street or highway other than in a crosswalk. Provides that a mobile carrying device has the rights and obligations applicable to a pedestrian in the same circumstances, except that it shall yield the right-of-way to pedestrians on a sidewalk or crosswalk. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Defines "mobile carrying device operator". Specifies that a "mobile carrying device" is primarily designed to remain within 10 (instead of 25) feet of the personal property owner. Provides that a local authority may reasonably regulate the operation of mobile carrying devices in its jurisdiction. Provides that an operator of a mobile carrying device (rather than the device itself) has the rights and obligations applicable to a pedestrian in the same circumstances and shall ensure that a mobile carrying device shall yield the right-of-way to pedestrians on a sidewalk or crosswalk. Provides that a personal property owner may not use a mobile carrying device to transport a person. Provides that a mobile carrying device operator who is not a natural person shall register with the Secretary of State. Provides that no contract seeking to exempt a mobile carrying device operator from liability for injury, loss, or death caused by a mobile carrying device shall be valid, and that contractual provisions limiting the choice of venue or forum, shortening the statute of limitations, shifting the risk to the user, limiting the availability of class actions, or obtaining judicial remedies shall be invalid and unenforceable. Amends the Revised Uniform Unclaimed Property Act. Provides that property due or owed by a business association resulting from a transaction occurring in the normal and ordinary course of business is exempt from the Act. Provides that an action or proceeding may not be maintained by the administrator more than 10 years after the holder filed a non-fraudulent report with the administrator (rather than after the holder specifically identified the property in a report filed with the administrator or gave express notice to the administrator of a dispute regarding the property). Deletes language regarding the tolling of the period of limitation. Provides instead that the parties may agree to extend the period of limitation. Provides that the administrator may not commence an action, proceeding, or examination with respect to a duty of a holder more than 10 years after the duty arose. Provides that if a person subject to examination does not retain the records, the administrator may use specific estimation techniques to determine the amount of unclaimed property and shall incorporate a net method of extrapolation (rather than determine the value of property due using a reasonable method of estimation based on all information available to the administrator). Deletes language providing that a payment made based on estimation is a penalty for failure to maintain the records and does not relieve a person from an obligation to report and deliver property to a State in which the holder is domiciled. Provides that a holder may request a hearing to contest the use or validity of the estimation technique. Provides that the examination is final upon the failure of the holder to request a hearing. Provides that if a hearing is held, the State Treasurer shall issue an order approving or disapproving the use or validity of the estimation techniques. Deletes language providing that if the administrator contracts with a person, the contract may provide for compensation of the person based on a contingent fee. Deletes language providing that an initial report filed for property that was not required to be reported before the Act took effect must include all items of property that would have been presumed abandoned during the 5-year period preceding the effective date as if the Act had been in effect during that period.

Provides that the requirement that a public health dental hygienist have additional structured courses in dental education in advanced areas specific to public health dentistry shall include emergency procedures for medically compromised patients, pharmacology, medical recordkeeping procedures, geriatric dentistry, pediatric dentistry, and pathology provided by an educational institution accredited by the Commission on Dental Accreditation, such as a dental school or dental hygiene program, or a statewide dental association, approved by the Department of Financial and Professional Regulation to provide continuing education, that has developed and conducted training programs for expanded functions for dental assistants and hygienists. Provides that the training program must include a minimum of 26 hours of didactic study; include 8 hours of in-person classroom experience with an outcome assessment examination that tests the competency of the didactic subjects required by the Act; require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist; issue a certificate of completion of the training program, which must be kept on file at the supervising dentist's office and which will be made available to the Department upon request; and operate in a public health setting pursuant to a written public health supervision agreement with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes that include the following. Specifies the number of hours of education required in certain advanced areas specific to public health dentistry and requires that the training program for a public health dental hygienist include a minimum of 29 hours of didactic study in those areas (instead of a minimum of 26 hours of didactic study). Provides that the education in advanced areas specific to public health dentistry may be provided by a statewide dental hygiene association that meets certain requirements. Provides that the didactic study may be taken in compliance with specified continued learning education requirements. Provides that the training program for a public health dental hygienist must require completion of 5 hours of didactic courses in the topic areas of special needs dentistry, teledentistry, nutritional needs of geriatric and low income patients, communication techniques with non-English speaking patients, cultural competency, and professional ethics. Provides that the training program must require completion of an 8-hour in-person classroom review (instead of classroom experience) that includes a comprehension exam on specified topics (instead of an outcome assessment examination) and submit certification of successful completion to the supervising dentist. Removes a requirement that the training program require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist. Makes grammatical and other changes.
