Senate Committee Amendment No. 1

Provides that the Department of Human Services may consult, rather than obtain approval of, the United States Department of Justice for the human trafficking recognition training program developed under the Act. HB 00027

New Act

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially reasonable terms for the use by the academy.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two existing non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula. The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two new vocational laboratories, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

Replaces everything after the enacting clause. Amends the Code of Civil Procedure. Provides that consumer debt judgments of $25,000 or less shall draw interest from the date of the judgment until satisfied at the rate of 5% per annum. Provides that when a consumer debt judgment is entered upon any award, report, or verdict, interest shall be computed at the applicable rate from the time when made or rendered to the time of entering judgment upon the same, and included in the judgment. Provides that if a judgment or consumer debt judgment becomes dormant during the pendency of an enforcement proceeding against wages under specified Articles, the enforcement may continue to conclusion if the enforcement is done under court supervision and includes a wage deduction order or turn over order and is against an employer, garnishee, or other third party respondent. 820 ILCS 405/612  
from Ch. 48, par. 442

Amends the Unemployment Insurance Act. In the case of a college or university meeting certain criteria, for services 
performed in an instructional, research, or principal administrative capacity, provides that a person is presumed not to have reasonable 
assurance of employment under an offer that is conditioned on enrollment, funding, or program changes. Provides that: it is the 
employer's burden to provide sufficient documentation to overcome the presumption; reasonable assurance must be determined on a 
case-by-case basis by the total weight of the evidence rather than the existence of any one factor; and primary weight must be given to 
the contingent nature of an offer of employment based on enrollment, funding, and program changes. Provides that a letter from an 
employer to an employee that makes employment conditional is not prima facie evidence of reasonable assurance to be used to deny a 
claim for unemployment insurance.

HJR 00024

Supports, as a civil right, automatic citizenship to all qualifying children adopted by a U.S. citizen parent, regardless of the date on which the adoption was finalized. Condemns the deportation of individuals who were adopted into American homes and should have every expectation that their citizenship matches that of their adoptive parents. Welcomes legislation that will provide citizenship for all adult adoptees whose adoptive parents did not complete the naturalization process while they were children.

Amends the Care of Students with Diabetes Act. Provides that a school may maintain a supply of glucagon medication in any secure location that is accessible before, during, or after school where a student is most at risk, including, but not limited to, a classroom or the nurse's office; defines "glucagon medication" and "undesignated glucagon medication". Provides that a physician, a physician assistant who has prescriptive authority, or an advanced practice registered nurse who has prescriptive authority may prescribe undesignated glucagon medication in the name of the school to be maintained for use when necessary. Allows a delegated care aide to carry undesignated glucagon medication. Provides that within 24 hours after the administration of undesignated glucagon medication, a school must notify the school nurse and the student's parent or guardian or emergency contact, if known, and health care provider of its use. Effective immediately.

House Committee Amendment No. 1
Removes the definition of "glucagon medication". Changes the definition of "undesignated glucagon medication" to "undesignated glucagon"; makes conforming changes. Removes a provision allowing a delegated care aide to carry undesignated glucagon on his or her person while in school or at a school-sponsored activity. Allows a school to maintain a supply of glucagon in any secure location that is immediately accessible to a school nurse or delegated care aide (rather than in any secure location that is accessible before, during, or after school where a student is most at risk). Provides that a school nurse or delegated care aide may administer undesignated glucagon if he or she is authorized to administer the undesignated glucagon through a student's diabetes care plan and if the student's prescribed glucagon is not available on-site or has expired. Provides that immediately (rather than within 24 hours) after the administration of undesignated glucagon, a school must notify the school nurse (unless the school nurse was the one administering it) and the student's parent or guardian or emergency contact, if known, and health care provider of its use.

New Act  

Creates the Polygraph Exam Integrity Act. Provides that every polygraph question submitted for the administration of a polygraph exam by a State agency or entity shall be screened by independent legal counsel to ensure compliance with the Illinois Constitution and the United States Constitution and federal and State law. Provides that screenings shall be paid by the entity requesting the service.  

Fiscal Note (Illinois State Police)  
The Illinois Attorney General serves as the legal counsel for the state of Illinois. The Illinois Attorney General would have to approve a Special Assistant Attorney General for this purpose. The Illinois Attorney General typically requires reimbursement for travel expenses from the agency being represented. Therefore, we would defer to the Illinois Attorney General concerning costs associated with this legislation becoming law. If the Illinois Attorney General were to agree the Illinois State Police should hire outside legal counsel, the Illinois State Police would be required to cover the attorney's fees.

This bill does not create a State mandate.
Fiscal Note (State Board of Education)
HB 2668 is estimated to have a fiscal impact of $15.1 million on the General Revenue Fund budget for the Illinois State
Board of Education. This assumes approximately $80,000 to $100,000 in operational costs for one position to coordinate
the child opportunity zone functions with school districts, community-based providers, other state agencies, local officials,
community colleges, and other adult education and workforce training providers. The position would also complete
required reporting. It also assumes $15 million in grant funds would be appropriated to the Illinois State Board of
Education to make funding available to provide assistance and supports to the child opportunity zones.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.
Changes the definition of "child opportunity zone" to mean a coordinated system of early childhood education (rather than a site at or
near a school that provides early childhood education). Provides that, subject to appropriation, the State Board of Education, in
cooperation with regional superintendents of schools, school districts, and other State and community agencies (rather than only the
State Board), must develop child opportunity zones as a means to deliver comprehensive and coordinated social services in this State
(rather than delivering them at or near schools in this State) that are related to specific community needs and that will ultimately
increase student performance in schools in the community. Provides that in addition to funds appropriated by the General Assembly,
the State Board may use funds appropriated by the General Assembly for other grant programs to implement child opportunity zone
programs. Makes other changes.

Provides that the term "eligible family member" means a person who: (1) is at least 18 years of age during a taxable year; (2) requires assistance with at least one activity of daily living; (3) is a resident of the State; and (4) is related to the family caregiver. Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Revenue)
The fiscal impact of HB 2974 would be a reduction in income tax revenue by an estimated $870 million to $1.74 Billion per year depending on the assumed claim rate. This estimate is based on data from the AARP "Caregiving in the US" 2015 report. From there we estimate that there are 1.36 Million caregivers caring for an adult in Illinois. Following the bill's language, we reduce that number to account only for those caring for an eligible family member. Based on the same data source we arrive to 1.16 Million caregivers that may qualify for this tax credit. When we apply the credit amount of $1,500 per qualified taxpayers to this latest figure, the result is $1.74 Billion in cost to the state - the upper limit of our estimate. The lower limit of the estimate accounts for the fact that in approximately 33% of the cases there is not a sole caregiver (based on the same data source). It also assumes that only 3 out of every 4 qualified taxpayers will claim the credit. For these two reasons in the lower limit we reduce the cost estimate to $870 Million per year, which is 50% of the upper limit. The definition of eligible expenditures is very broad, including costs associated with improvements or alterations to the family residence to permit an eligible family member to remain mobile, safe, and independent; the cost to purchase or lease equipment necessary to assist an eligible family member in carrying on one or more activities of daily living; and the cost of other goods and services that assist in providing care, including personal care attendants, transportation, and legal and financial services. For this reason, we believe that it is reasonable to expect that taxpayers may easily reach to the full credit amount of $1,500 that the bill establishes. For comparison purposes, consider that there are almost 1.6 million returns clarifying retirement income in the state (according to the latest available return data, FY16). This group of taxpayers would likely be the main beneficiary of this bill proposal. This fact reinforces our findings. Furthermore, data from the Centers for Medicare and Medicaid off ice indicates that the home health care cost in Illinois is around $4.2 Billion annually. This additional fact further strengthens our estimated cost range.

415 ILCS 5/9.18 new

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1
Representative Joyce Mason
HB 03888 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

HB 00006

20 ILCS 2310/2310-431 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish women's health clinics throughout the State to provide affordable health care for women. Requires the services provided at the women's health clinic to be offered at an affordable price and to include specified services, including women's health examinations, pregnancy confirmation, prenatal care, labor and delivery services, postpartum care, family planning examinations and birth control services, and care for sexually transmitted diseases and infections.

Fiscal Note (Dept. of Public Health)

The legislation does not specify the total number or geographic locations of women's health clinics so there is no way to calculate the costs for the State to establish facilities directed to provide the following services: annual women's health examinations, pregnancy confirmation services, prenatal care, labor and delivery provided by an obstetrician, postpartum care and support, family planning services, sexually transmitted disease care, doulas and childbirth consultants and childbirth education and breastfeeding care. The best example to look at is federally qualified health centers (FQHCs), where all of this care is already provided, except for labor and delivery (which needs to be done at a hospital due to the need for surgical/anesthesia services). According to the federal government, the costs of FQHCs in Illinois in 2017 were $968,572,482. This figure does not include the costs for construction or obtaining building spaces, or any of the costs for the more costly care involving child birth, including surgical care, infant resuscitation teams, etc.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Pension Note (Government Forecasting & Accountability)
HB 6 amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code in a way that does not impact any State pension fund.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the Department.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

HB 02056

Rep. Lindsay Parkhurst-Rita Mayfield-Sue Scherer

105 ILCS 5/21B-30

Amends the Educator Licensure Article of the School Code. With regard to applicants seeking a Professional Educator License or an Educator License with Stipulations provides that all applicants completing Illinois-approved, teacher education or school service personnel preparation programs shall be required to pass the State Board of Education's recognized test of basic skills (rather than requiring passage of the test prior to starting their student teaching or starting the final semester of their internship). Provides that if an applicant completing a teacher education or school service personal preparation program fails the test of basic skills the first time he or she takes the test, the applicant may complete a full school year of student teaching or of an internship instead of being required to pass the test. Provides that an institution of higher learning may not require an applicant to complete the test of basic skills prior to completing a semester of student teaching or of an internship (rather than prior to the semester before student teaching or prior to the semester before starting the final semester of an internship). Provides that an individual who completes a full school year of student teaching or of an internship is not required to pass the test of basic skills again for subsequent endorsements or other educator licenses. Effective immediately.

Restores current law prohibiting an institution of higher learning from requiring an applicant to complete the test of basic skills prior to the semester before student teaching or prior to the semester before starting the final semester of an internship (rather than prior to completing a semester of student teaching or of an internship). Fiscal Note, House Committee Amendment No. 1 (Dept of Corrections)
The fiscal impact of this legislation would range from $267,370,000 to $531,870,000 over the first 10 years after enactment. There would also be unknown costs for such amenities as consultants, monitors, outside contracts, as well as any unanticipated requirements and needs, making the full fiscal impact on the Department unknown. There would be no corrections population impact on the Department. Finally, there would be tasks currently conducted by Department staff that would not be able to be completed due to responsibilities required within House Bill 2925 as amended by House Amendment #1.

State Mandates Fiscal Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

(Sen. John F. Curran-Melinda Bush-Jacqueline Y. Collins and Thomas Cullerton)

415 ILCS 5/9.18 new

Amends the Environmental Protection Act. Provides requirements for the prohibition of the conduct of ethylene oxide sterilization operations or other activities that emit ethylene oxide (and, for ethylene oxide sterilization sources, propylene oxide). Requires entities to submit a plan to the Environmental Protection Agency describing how they will continuously collect emissions information. Provides requirements for emissions monitoring and testing. Requires specified hospitals to submit a plan to the Agency describing how the hospital will phase out the emissions of ethylene oxide by an established deadline. Provides that when issuing permits to ethylene oxide sterilization sources, hospitals, and ethylene oxide emissions sources, the Agency shall include limitations on the amount of ethylene oxide that may be stored on-site to protect public health, public safety, and the environment. Requires storage of ethylene oxide in excess of 100 pounds to be underground. Provides that the unit of local government in which an ethylene oxide sterilization source, hospital, or ethylene oxide emissions source is located may regulate the storage and location of ethylene oxide in a manner that is more restrictive or matches the standards established by the Agency. Requires the Agency to set annual emissions limitations on ethylene oxide for all ethylene oxide emissions sources. Provides that, on and after January 1, 2022, the maximum cumulative emissions from any sum of ethylene oxide emissions sources located within 3 and one half miles of each other shall not exceed 35 pounds annually. Requires the Agency to conduct a comprehensive review of ethylene oxide use and emissions within the State and to submit its findings in a report to the General Assembly. Effective immediately.

House Committee Amendment No. 1
Representative Rita Mayfield  
HB 03888  (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Defines and refers to the term "densely populated location" rather than "densely populated region". Provides that the terms "ethylene oxide emissions source" and "ethylene oxide sterilization source" are limited to stationary sources. Provides that on and after January 1, 2021, no ethylene oxide sterilization source in a remote location shall emit more than 30 pounds of ethylene oxide or 30 pounds of propylene oxide annually. Removes language allowing units of local government to create more restrictive standards for ethylene oxide storage. Provides that, prior to issuing specified permits, the Environmental Protection Agency shall require submission of documentation demonstrating that the permit applicant is in compliance with laws governing the storage of ethylene oxide. Requires all permits issued by the Agency to grant the Agency the authority to modify them to change storage limitations, modify storage practices or equipment requirements, and grant the Agency the right to conduct unannounced inspections. Requires the Agency to conduct at least one unannounced inspection annually of the ethylene oxide storage system for each permit holder. Provides that owners or operators of ethylene oxide sterilization sources or ethylene oxide emissions sources shall provide the Agency with specified materials within 10 (currently, 3) business days after receiving the Agency's conditional acceptance or denials of their plans. Removes provisions regarding the emission of more than 30 pounds of ethylene oxide or propylene oxide by an ethylene oxide emissions source meeting specified location requirements. Removes provisions that only permit the storage of ethylene oxide in excess of 100 pounds if it is underground. Provides that on and after January 1, 2023 (currently, January 1, 2025) critical access hospitals shall not conduct ethylene oxide sterilization operations in a densely populated location. Requires entities conducting ethylene oxide sterilization operations to submit a letter (currently, a plan) to the Agency. Removes provisions regarding a hospital's requirements concerning the plan. Provides that, on and after January 1, 2021, no ethylene oxide emissions source in a remote location shall conduct operations or other activities that emit ethylene oxide in excess of 30 pounds annually and 3 pounds monthly (currently, only 30 pounds annually). Prohibits ethylene oxide emissions sources from conducting operations or other activities that emit ethylene oxide in excess of 150 pounds annually. Requires the submission or resubmission of a risk management plan to the Agency by specified dates. Removes language requiring the Agency to conduct its comprehensive review within 180 days of the amendatory Act's effective and instead requires the Agency to submit and make publicly available its report on or before June 30, 2021. Provides that if multiple applicants request to emit ethylene oxide in a collective sum that is greater than the annual collective maximum regional emissions, the Agency shall prioritize applicants seeking to provide medical services. Makes other changes. Effective immediately.

**HB 00026**

(Sen. Jacqueline Y. Collins-Patricia Van Pelt and Jim Oberweis-Mattie Hunter)

New Act

Creates the Public University Uniform Admission Act. Requires each public university in this State to admit first-time freshman applicants as undergraduate students if the applicant graduated with a grade point average in the top 10% or was certified to be in the top 10% of the student's high school graduating class in one of the 2 school years preceding the academic year for which the applicant is applying for admission and (1) the applicant graduated from an accredited public or private high school in this State or from a high school operated by the United States Department of Defense; (2) the applicant successfully completed the minimum college preparatory curriculum requirements for admission to the university and satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the university; and (3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a State resident or is entitled to pay tuition fees at the rate provided for State residents. Provides that the University of Illinois at Urbana-Champaign is not required to offer admission to applicants who qualify for automatic admission in excess of the number required to fill 75% of the university's enrollment capacity designated for first-time resident undergraduate students in an academic year. Sets forth other provisions concerning the University of Illinois at Urbana-Champaign. Sets forth other provisions concerning admissions. Provides for additional preparation for college, student outreach, and rulemaking.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes from the applicability of the Act the University of Illinois, Illinois State University, Governors State University, Northeastern Illinois University, and Chicago State University; makes conforming changes. Provides that, beginning with the 2020-2021 academic year, each institution shall create a 4-year uniform admission system pilot program under the Act (rather than create a permanent uniform admission system). Makes other changes. Repeals the Act on July 1, 2025.

Fiscal Note, House Committee Amendment No. 1 (IL Board of Higher Education)

House Bill 26 (H-AM 1) will not have a fiscal impact on the Illinois Board of Higher Education.

House Committee Amendment No. 2

With regard to the student outreach program, removes a provision requiring the Illinois Student Assistance Commission, after gathering information and recommendations from available sources and examining current outreach practices by institutions of higher education in this State and in other states, to prescribe best practice guidelines and standards to be used by institutions in conducting student outreach.

Senate Floor Amendment No. 1

Provides that an applicant who graduates in a graduating class of a school that has so few students that class rank does not make a reliable contribution toward assessing the student's college readiness is considered to have satisfied certain automatic admission requirements of the Act if, among other requirements, the student has (i) successfully completed the minimum college preparatory curriculum requirements established by law for admission to the institution and (rather than or) (ii) satisfied the ACT college admission assessment or the SAT college admission assessment composite score and subscores required for admission to the institution to which the applicant applied as well as any composite scores or subscores for colleges within that institution. Makes a technical correction.

HB 00158

35 ILCS 5/901 from Ch. 120, par. 9-901
Representative Debbie Meyers-Martin
HB 00158 (CONTINUED)

Amends the Illinois Income Tax Act. Provides that, from February 1, 2020 through January 31, 2021, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 8.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.355% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2021 through January 31, 2022, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.57% of the net revenue realized from the tax imposed on corporations. Provides that, from February 1, 2022 through January 31, 2023, the amount transferred from the General Revenue Fund to the Local Government Distributive Fund shall be: (i) 9.5% of the net revenue realized from the tax imposed on individuals, trusts, and estates, and (ii) 9.785% of the net revenue realized from the tax imposed on corporations. Provides that, beginning on February 1, 2023, the Treasurer shall transfer each month from the General Revenue Fund to the Local Government Distributive Fund an amount equal to 10% of the net revenue realized from the tax imposed on individuals, trusts, estates, and corporations during the preceding month. Effective immediately.

Fiscal Note (Dept. of Revenue)

Although increasing the Local Government Distributive Fund (LGDF) diversion rate would have no effect on gross corporate or individual income taxes, there would be a decrease to the amount deposited into the General Revenue Fund and a corresponding increase to the amount deposited into the LGDF. Because the diversion rate would increase in February of each calendar year for four consecutive years beginning in 2020, the additional amount of money deposited into the LGDF would increase gradually for each of the next several fiscal years.

20 ILCS 5/5-715

Amends the Departments of State Government Law. Provides that expedited temporary occupational or professional licenses issued to service members and the spouses of service members meeting specified requirements shall be valid for 3 years (currently, valid 6 months) after the date of issuance or until a license is granted or a notice to deny a license is issued in accordance with rules adopted by the department issuing the license, whichever occurs first. Provides that the required fee paid in the application process for an expedited temporary occupational or professional license issued to service members and the spouses of service members shall be refundable (currently, not refundable).
Replaces everything after the enacting clause. Amends the Departments of State Government Law of the Civil Administrative Code of Illinois. Provides that the Department of Financial and Professional Regulation shall within 180 days after the effective date of this amendatory Act designate one staff member as the military liaison within the Department of Financial and Professional Regulation to ensure proper enactment of specified requirements. Specifies additional responsibilities of the military liaison. Provides that beginning in 2020, and at the end of each calendar year thereafter, the military liaison shall provide an annual report documenting the expedited licensure program for service members and spouses, and shall deliver that report to the Secretary of Financial and Professional Regulation and the Lieutenant Governor. Provides that an application for a temporary occupational or professional license, presented with military orders from a service member or his or her spouse (or an equivalent memorandum from the service member's commander) which provides evidence that the service member will reside in this State within 6 months after the date of application for temporary occupational or professional licensure, shall be expedited within 60 days after the date on which the applicant provides all necessary documentation required for licensure. Provides that an expedited temporary occupational or professional license shall be issued to any service member or his or her spouse meeting the application requirements, regardless of whether the service member or his or her spouse currently resides in this State. Provides that if a service member or his or her spouse relocates from this State, he or she shall be provided an opportunity to place his or her license in inactive status through coordination with the military liaison. Provides that if the service member or his or her spouse returns to this State, he or she may reactivate the license by completing a license renewal application. Provides that the license renewal shall be expedited and completed within 30 days after receipt of a completed application for renewal. Provides that a license renewal is only applicable when the valid license for which the first issuance of a license was predicated is still valid and in good standing. Makes changes concerning specified proof to be provided in an application for expedited licensure. Modifies the term "service member" to include members of the Coast Guard. Makes other changes.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1 with changes. Modifies the additional responsibilities of the military liaison to include virtual, phone, or in-person periodic meetings with each military installation military and family support center. Provides for expedited occupational or professional licenses (rather than temporary occupational or professional licenses). Removes provisions requiring a service member or his or her spouse to present military orders as evidence of residence in order to receive a temporary expedited license. Restores provisions requiring a service member or his or her spouse to include proof of an application for full licensure as a part of his or her expedited license application. Strikes a provision concerning the duration of a temporary expedited license issued to a service member or his or her spouse. Modifies provisions concerning the reactivation (rather than renewal) of a license by a service member or his or her spouse. Makes other changes.

House Floor Amendment No. 4

Provides that the review and determination (currently, review only) of an application for a license issued by a department shall be expedited by the department within 60 days after the date on which the applicant provides the department with all necessary documentation required for licensure. Removes a requirement specifying that an application to reactivate a license must include proof that the service member is assigned to a duty station in this State, is deployed overseas, or has orders (or a letter from his or her commander) designating that the service member shall be assigned within 180 days to a duty station in this State, or has established legal residence in this State. Makes conforming changes.

Senate Committee Amendment No. 1

Restores provisions specifying that fees paid by applicants for expedited occupational or professional licenses issued to service members and spouses of service members shall not be refundable.

405 ILCS 80/7-1 new
Amends the Developmental Disability and Mental Disability Services Act. Provides that the Department of Human Services shall establish family centers throughout the State to provide counseling and mental health services to families who are indigent based on any behavior or mental health condition as determined by Department rule. Provides that the Department shall employ or contract with psychiatrists, clinical psychologists, clinical social workers, and licensed marriage and family therapists to provide those services.

House Floor Amendment No. 1
Replaces everything after the enacting clause. Amends the Developmental Disability and Mental Disability Services Act. Provides that subject to appropriation, the Department of Human Services' Division of Mental Health shall make available funding for the development and implementation of a comprehensive and coordinated continuum of community-based pilot programs for persons with or at risk for a mental health diagnosis that is sensitive to the needs of local communities. Provides that the funding shall allow for the development of one or more pilot programs that will support the development of local social media campaigns that focus on the prevention or promotion of mental wellness and provide linkages to mental health services, especially for those individuals who are uninsured or underinsured. Sets forth certain criteria a provider must meet to be considered for the pilot program, including the ability to: (i) implement the pilot program in an area that shows a high need or underutilization of mental health services; (ii) collaborate with other systems and government entities that exist in a community; and (iii) provide a presence staffed by mental health professionals in natural community settings, which includes any setting where an individual who has not been diagnosed with a mental illness typically spends time. Authorizes the Department to adopt and implement administrative rules necessary to carry out the pilot program.

Provides findings and purpose provisions. Defines terms.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Fiscal Note (Office of the Treasurer)
HB 2460 will have no fiscal impact on the State Treasurer's Office as the Treasurer's office already has a published investment policy that includes material, relevant and decision-useful sustainability factors in accordance with this legislation. HB 2460 is likely to have a positive economic impact to the State of Illinois because evaluating sustainability factors in investment decision-making minimizes risks and maximizes returns on the state's investments.

House Floor Amendment No. 1
Provides that the sustainable investment policy developed under the Illinois Sustainable Investing Act shall include material, relevant, and decision-useful sustainability factors to be considered (currently, applied) by the public agency or governmental unit as one component of its overall evaluation of investment decisions. Provides that nothing in the Act prohibits a public agency or governmental unit from integrating additional factors into its investment decision-making, investment analysis, portfolio construction, due diligence, and investment ownership of public funds. Provides that the Act shall not apply to bank time deposits or bank processing services. Makes conforming changes.

House Floor Amendment No. 2
Provides that sustainability factors include, among other factors, human capital factors that recognize that the workforce is an important asset to delivering long-term value, including factors such as labor practices, responsible contractor and responsible bidder policies, employee health and safety, employee engagement, diversity and inclusion, and incentives and compensation (currently, responsible contractor and responsible bidder policies are not included as human capital factors).

Senate Committee Amendment No. 1
Provides that any public agency or governmental unit should (currently, shall) develop, publish, and implement sustainable investment policies applicable to the management of all public funds under its control. Provides that the sustainable investment policy should (currently, shall) include material, relevant, and decision-useful sustainability factors to be considered by the public agency or governmental unit as one component of its overall evaluation of investment decisions, which may (currently, shall) include specified items. Makes other changes concerning specified investment policies. Defines "financial institution". Makes conforming changes.

405 ILCS 5/2-116 new

Creates the Authorized Electronic Monitoring in Community-Integrated Living Arrangements and Developmental Disability Facilities Act. Provides that under certain conditions, a resident of a living arrangement certified under the Community-Integrated Living Arrangements Licensure and Certification Act and a resident of a developmental disability facility shall be permitted to use an audio and video surveillance system in his or her room at his or her own expense. Requires the electronic monitoring device to be placed in a conspicuously visible location in the room. Requires the Department of Human Services to establish a program to distribute specified funds each year for the purchase and installation of electronic monitoring devices. Establishes criminal penalties for a person or entity that knowingly hampers, obstructs, tampers with, or destroys an electronic monitoring device. Contains provisions concerning: resident and roommate consent to monitoring; notice of electronic monitoring to the staff and visitors; limitations on the staff's access to recordings; the admissibility of recordings in civil, criminal, and administrative actions; staff reporting; liability; and rulemaking. Makes other changes. Amends the Community-Integrated Living Arrangements Licensure and Certification Act and Mental Health and Developmental Disabilities Code to make conforming changes. Provides that it is a business offense for a person to discriminate or retaliate against a resident for consenting to the electronic monitoring, or to prevent the installation or use of an electronic monitoring device by a resident who has provided specified notice and consent. Makes other changes. Effective January 1, 2020.

House Floor Amendment No. 4
Replaces everything after the enacting clause with the provisions of the introduced bill as amended by House Amendment No. 2 and House Amendment No. 3 with the following changes. Removes language allowing specified individuals to consent to authorized electronic monitoring if the resident or the roommate has not affirmatively objected to the monitoring and his or her physician determines that he or she lacks the ability to understand and appreciate the nature and consequences of electronic monitoring. Provides that if a resident chooses to install an electronic monitoring device that uses Internet technology for visual or audio monitoring, that resident is responsible for installing a secure, password-protected network. In provisions amending the Community-Integrated Living Arrangements Licensure and Certification Act and the Mental Health and Developmental Disabilities Code, provides that intentionally retaliating or discriminating against any recipient for consenting to authorized electronic monitoring, or preventing the installation or use of an electronic monitoring device by a recipient under the Act, is a business offense punishable by a fine not to exceed $1,000 (rather than $10,000).

Provides that a contract between a health insurer and a pharmacy benefit manager must: (1) require the pharmacy benefit manager to update maximum allowable cost pricing information and maintain a process that will eliminate drugs from maximum allowable cost lists or modify drug prices to remain consistent with changes in pricing data; (2) prohibit the pharmacy benefit manager from limiting a pharmacist's ability to disclose the availability of a more affordable alternative drug; and (3) prohibit the pharmacy benefit manager from requiring an insured to make a payment for a prescription drug in an amount that exceeds the lesser of the applicable cost-sharing amount or the retail price of the drug. Contains provisions concerning the inclusion of prescription drugs on a maximum allowable cost list, State licensing requirements for pharmacy benefit managers, and other matters. Makes conforming changes to other Acts. Amends the Managed Care Reform and Patient Rights Act. Provides that a health care plan shall apply any third-party payments for prescription drugs. House Floor Amendment No. 2
Deletes reference to:
215 ILCS 134/65
Adds reference to:
Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Contains provisions concerning the denial of a pharmacy benefits manager's registration application or the suspension or revocation of a pharmacy benefits manager's registration. Defines terms. Further amends the Managed Care Reform and Patient Rights Act. Makes changes to the definition of "emergency medical condition". Removes changes made to a provision concerning the denial of coverage and payment for emergency services provided without prior authorization or an approved plan. Further amends the Illinois Public Aid Code. Makes changes to certain reporting requirements imposed on the Director of Healthcare and Family Services. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

New Act

Creates the Wholesale Importation of Prescription Drugs Act. Requires the Department of Public Health to design an importation program where the State is the licensed wholesaler of imported drugs from licensed, regulated Canadian suppliers. Requires the program to address specified issues, including billing issues, cost savings issues, and safety and regulatory issues. Contains auditing and reporting requirements. Provides that the Department shall enlist the assistance of the Attorney General to identify the potential for anti-competitive behavior in industries that would be affected by an importation program. Requires the Department to submit a formal request to the Secretary of the United States Department of Health and Human Services for certification of the importation program. Requires the Department to have the program operational within 6 months after receiving the certification. Contains provisions concerning implementation requirements.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.
Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the department.
Pension Note (Government Forecasting & Accountability)
HB 1441 creates the Wholesale Importation of Prescription Drugs Act in a way that does not impact any pension system.
State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.
Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to House Bill 1441, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.
Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.
Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.
State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Amends the Juvenile Court Act of 1987. Provides that the court has jurisdiction to make the findings necessary to enable a minor who has been adjudicated a ward of the court to petition the United States Citizenship and Immigration Services for classification as a special immigrant juvenile under federal law. Amends the Illinois Income Tax Act. Provides that a taxpayer who is a family caregiver is eligible to receive a nonrefundable income tax credit in an amount equal to 100% of the eligible expenditures incurred by the taxpayer during the taxable year related to the care of an eligible family member, but not exceed $1,500 for the same eligible family member. Provides that the term "eligible family member" means a person who: (1) is at least 18 years of age during a taxable year; (2) requires assistance with at least one activity of daily living; (3) is a resident of the State; and (4) is related to the family caregiver. Effective immediately.

Correctional Note (Dept of Corrections)
There is no fiscal or population impact on the department.

Pension Note (Government Forecasting & Accountability)
HB 2974 amends the Illinois Income Tax Act in a way that does impact any pension system.

Judicial Note (Admin Office of the Illinois Courts)
This legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)
This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note (Dept. of Transportation)
No land conveyances are included in this bill; therefore, there are no appraisals to be filed.

Housing Affordability Impact Note (Housing Development Authority)
This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate

Home Rule Note (Dept. of Commerce & Economic Opportunity)
This bill does not pre-empt home rule authority.

Balanced Budget Note (Office of Management and Budget)
Please be advised that the Balanced Budget Note Act does not apply to this bill, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Fiscal Note (Dept. of Revenue)
The fiscal impact of HB 2974 would be a reduction in income tax revenue by an estimated $870 million to $1.74 Billion per year depending on the assumed claim rate. This estimate is based on data from the AARP “Caregiving in the US” 2015 report. From there we estimate that there are 1.36 Million caregivers caring for an adult in Illinois. Following the bill’s language, we reduce that number to account only for those caring for an eligible family member. Based on the same data source we arrive to 1.16 Million caregivers that may qualify for this tax credit. When we apply the credit amount of $1,500 per qualified taxpayer to this latest figure, the result is $1.74 Billion in cost to the state - the upper limit of our estimate.

The lower limit of the estimate accounts for the fact that in approximately 33% of the cases there is not a sole caregiver (based on the same data source). It also assumes that only 3 out of every 4 qualified taxpayers will claim the credit. For these two reasons in the lower limit we reduce the cost estimate to $870 Million per year, which is 50% of the upper limit.

The definition of eligible expenditures is very broad, including costs associated with improvements or alterations to the family residence to permit an eligible family member to remain mobile, safe, and independent; the cost to purchase or lease equipment necessary to assist an eligible family member in carrying on one or more activities of daily living; and the cost of other goods and services that assist in providing care, including personal care attendants, transportation, and legal and financial services. For this reason, we believe that it is reasonable to expect that taxpayers may easily reach to the full credit amount of $1,500 that the bill establishes. For comparison purposes, consider that there are almost 1.6 million returns clarifying retirement income in the state (according to the latest available return data, FY16). This group of taxpayers would likely be the main beneficiary of this bill proposal. This fact reinforces our findings. Furthermore, data from the Centers for Medicare and Medicaid office indicates that the home health care cost in Illinois is around $4.2 Billion annually. This additional fact further strengthens our estimated cost range.

Provides that the Pilot Program shall include certain components, including: (1) an intensive discovery phase during which the unique needs, abilities, and interests of each program participant will be explored; (2) a customized person-centered planning process based upon information gathered during the discovery phase that involves capturing, organizing, and presenting the information in a blueprint for the job search; and (3) an employer negotiation process in which job duties and employee expectations are negotiated to align the skills and interests of each program participant to the needs of an employer. Provides that community-based agencies serving persons with intellectual or developmental disabilities shall identify and refer individuals to the Department for participation in the Pilot Program. Amends the Housing Authorities Act. In a provision permitting a Housing Authority to refuse to certify or recertify applicants, current tenants, or other household members who have been convicted of a criminal offense relating to the sale or distribution of a controlled substance, provides that prior to refusing to certify or recertify such a person, the Authority shall make an individualized assessment and determine whether it is reasonable to conclude that the applicant, current tenant, or other household member would constitute a threat to those in the community where the applicant, current tenant, or other household member would reside; or whether it is reasonable to conclude that the applicant, current tenant, or other household member would otherwise engage in other unlawful activities in that community. Provides that during the individualized assessment, the Authority shall consider all mitigating circumstances, including, but not limited to: the nature of the crime; the time elapsed between the date of conviction and the date of certification or recertification; the applicant's, tenant's, or other household member's background; the incentive to litigate the criminal matter; and any evidence demonstrating rehabilitation. Requires the Authority to provide notice to the applicant, current tenant, or other household member that he or she may be denied certification or recertification because of a criminal conviction and that he or she has the right to an impartial hearing to demonstrate that he or she should not be denied certification or recertification because of his or her particular circumstances.

New Act

Creates the Keep Illinois Families Together Act. Provides that the Attorney General, within 90 days of the effective date of this Act, in consultation with the appropriate stakeholders, shall propose new rules related to limiting assistance with immigration enforcement at the following facilities to the fullest extent possible consistent with federal and State law to ensure that these facilities remain safe and accessible to all Illinois residents, regardless of immigration status: (1) public schools, including public pre-schools and other early learning programs, public elementary and secondary schools, and public institutions of higher education; (2) State-funded medical treatment and health care facilities, including hospitals, health clinics, emergency or urgent care facilities, nursing homes, group homes for persons with developmental disabilities, community-integrated living arrangements, and State mental health facilities; (3) public libraries; (4) facilities operated by the Office of the Secretary of State; and (5) courthouses. Provides that within 6 months of the effective date of the Act, all State agencies, public schools, and public institutions of higher education shall review their confidentiality policies to identify any changes necessary to limit collection of information from individuals to that information necessary to perform agency duties and to limit use or disclosure of information for any other purpose. Provides that a law enforcement agency or official may not inquire about the citizenship or immigration status or place of birth of any individual, including any person who has been arrested or detained by the agency, any person in the agency or official's custody, any person submitting to questioning by the agency or official, any crime victim, any witness, or any person who calls or approaches the law enforcement agency or official seeking assistance. Makes other changes.
Fiscal Note (Dept. of Central Management Services)
There is no fiscal impact to the Department of Central Management Services.

Fiscal Note (Office of the Attorney General)
HB 1637 would not have a significant fiscal impact on our Office as an existing bureau within the Office of the Attorney General could cover the work.

Provides that on or after the effective date of the Act, no law enforcement agency or official may enter into or remain in an agreement with U.S. Immigration and Customs Enforcement under a federal delegated authority program. Provides that nothing shall preclude a law enforcement official from otherwise executing that official's duties in ensuring public safety. Defines terms. Effective immediately.

5 ILCS 140/7.5
15 ILCS 505/16.8 new

Amends the State Treasurer Act. Provides that the State Treasurer shall establish the Illinois Higher Education Savings Program for the purpose of expanding access to higher education through savings. Provides for enrollment in the Program. Provides further duties and requirements of the Treasurer regarding the Program. Creates the Illinois Higher Education Savings Program Fund as a fund held outside of the State treasury to be the official repository of all contributions, appropriations, interest, and dividend payments, gifts, or other financial assets received by the State Treasurer in connection with the operation of the Program or related partnerships. Provides for audits and reports concerning the Program. Allows the Treasurer to adopt any rules that may be necessary to implement the Program. Amends the Freedom of Information Act to provide an exemption for information that is exempt from disclosure under the Illinois Higher Education Savings Program.

House Floor Amendment No. 2
Provides that notwithstanding any court order which would otherwise prevent the release of information, the Department of Public Health is authorized to release specified information to the State Treasurer for the purposes of the Illinois Higher Education Savings Program.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.
Fiscal Note (Office of the Treasurer)
Based upon Illinois' current birth rate of 155,000 to 165,000 newborns per year, the annual cost for this program is expected to be $9-10 million per year, beginning in FY21. This includes approximately $8 million for the initial seed funding of $50 per child and an estimated $1.5 million to develop local savings incentive partnerships, engage parents and children in related financial literacy initiatives, and administer the program. Because unclaimed and unused funds will remain with the program for future use, the need for annual appropriations will decline after year 10 of the program as unclaimed and unused funds are recycled.

House Floor Amendment No. 3
Modifies the definition of "eligible child".
