Amends the Assumed Business Name Act. Provides that a person conducting or transacting business under an assumed
name at his or her residence is not required to include his or her home address while complying with the publication requirements of
the Act if that person's safety would be put at risk by publishing his or her home address. Provides that, instead, the person may
provide a post office box address.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Amends the Assumed Business Name Act. Provides that a person conducting or
transacting business under an assumed name at his or her personal residence may list the address of the county clerk of the county of
his or her personal residence as the default agent for service of process to meet the publication requirements of this Act if the following
conditions are met: (1) the person reasonably believes that publishing his or her home address would put his or her safety at risk, and
lists the reasoning for such on the form submitted to the county clerk, which shall be kept confidential; (2) the form is accompanied by
a court order, police report, or other indicia that there is a true need for the address to be kept confidential; and (3) the person provides
the address of his or her residence, which shall be kept confidential, to the county clerk. Provides that the county clerk may charge a
nominal fee for performing this service and shall provide a check box on its form for a confidential address request and room for the
explanation for the request. Requires the county clerk to notify the business when the county clerk has been served with process.

Senate Floor Amendment No. 1

Provides that if a person lists the county clerk as the default agent for service of process, the request must be accompanied by
a court order or police report. Removes a provision permitting the form to be accompanied by some other indicia that there is a true
need for the person's address to be kept confidential.

provides that a township board may adopt rules relating to regulating the township clerk's attestation when the township clerk is
temporarily unavailable, for payroll processing, and for the payout of funds made by cash, credit and debit card, electronic check, and
other means. Further amends the Township Code. In provisions about a supervisor's bond, removes provisions requiring a bond from a
person temporarily appointed to perform the clerical functions of a supervisor. Removes a provision requiring the township clerk to
attest a payment authorized by the supervisor's duly authorized designee. Amends the Illinois Highway Code. Provides that, if a
referendum has been approved by voters to abolish a road district at the November 6, 2018 election and the road district has not yet
been abolished, then: (1) the township board shall have the sole authority, until the date of abolition of the road district, to create and
approve the budget of the road district, levy road district taxes, to enter into contracts for the road district, to employ and fix the
compensation of road district employees that the township board deems necessary, and to set and adopt rules concerning all benefits
available to employees of the road district; and (2) the road district or the highway commissioner may not commence or maintain
litigation against the township to resolve any dispute related to the road district regarding powers of the office of the highway
commissioner, the powers of the supervisor, or the powers of the township board. Provides that if a township has approved a
consolidated road district with another township but that consolidation is not yet effective and if the township subsequently approves a
referendum to consolidate the road district with the township, then the dual township consolidated road district is void and shall not
occur. Effective immediately.

In provisions amending the Illinois Insurance Code, provides that it is unlawful to refuse to insure, to refuse to continue to insure, to limit the amount, extent, or kind of coverage available for life insurance, disability insurance, or long-term care insurance to an individual, or to charge an individual a different rate for the same coverage, solely because of the individual's status as a living organ donor (rather than providing specific prohibitions on denial of coverage and cost of premiums for living organ donors for life insurance, disability insurance, and long-term care insurance policies). Provides that with respect to all other conditions, as persons who are living organ donors shall be subject to the same standards of sound actuarial principles or actual or reasonably anticipated experience as are persons who are not organ donors.

New Act

105 ILCS 5/27A-5

30 ILCS 805/8.43 new

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

House Committee Amendment No. 3
Represents the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America or an epilepsy educator approved by the Epilepsy Foundation of America. Makes other changes. Effective July 1, 2020.

House Floor Amendment No. 4

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than require training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 5

Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

Amends the Juvenile Court Act of 1987. Provides that before a sentencing order is entered by the court for a minor adjudged delinquent for disorderly conduct by transmitting or causing to be transmitted in any manner a threat of destruction of a school building or school property, or a threat of violence, death, or bodily harm directed against persons at a school, school function, or school event, whether or not school is in session, in which the minor made a threat of violence, death, or bodily harm against a person, school, school function, or school event, the court shall order a mental health evaluation of the minor by a physician, clinical psychologist, or qualified examiner, whether employed by the State, by any public or private mental health facility or part of the facility, or by any public or private medical facility or part of the facility. Provides that a statement made by a minor during the course of a mental health evaluation conducted under the Act is not admissible on the issue of delinquency during the course of an adjudicatory hearing held under the Act. Provides that reimbursement by the defendant for the costs of an emergency response to a school does not apply if the court determines that the defendant is indigent.

House Floor Amendment No. 1
Representative John M. Cabello

HB 01579  (CONTINUED)

Provides that before a sentencing order is entered by the court for a minor adjudged delinquent for disorderly conduct by transmitting or causing to be transmitted in any manner a threat of destruction of a school building or school property, or a threat of violence, death, or bodily harm directed against persons at a school, school function, or school event, whether or not school is in session, in which the minor made a threat of violence, death, or bodily harm against a person, school, school function, or school event, the court may (in the introduced bill, shall) order a mental health evaluation of the minor by a physician, clinical psychologist, or qualified examiner, whether employed by the State, by any public or private mental health facility or part of the facility, or by any public or private medical facility or part of the facility.

Senate Committee Amendment No. 1

In the amendatory changes to the Criminal Code of 2012, provides that the requirement for reimbursement of the unit of government for an emergency response only applies to false alarm of a threat that a bomb or explosive device has been placed in the school (rather than any emergency response to the school). Requires a person convicted of a false alarm that a bomb, explosive of any nature or a container holding poison gas, a deadly biological or chemical contaminant, or radioactive substance is concealed in a place where its explosion or release would endanger human life to reimburse the public agency for the reasonable costs of the emergency response by the public agency up to $10,000.

Senate Committee Amendment No. 2

In the amendatory changes to the Juvenile Court Act of 1987, provides that neither the physician, clinical psychologist, qualified examiner, or his or her employer shall be held criminally, civilly, or professionally liable for performing a mental health examination before the court enters a sentencing order for a minor adjudicated delinquent for a disorderly conduct violation of making a threat of violence, death, or bodily harm against a person, school, school function, or school event, except for willful or wanton misconduct.

735 ILCS 5/17-102 from Ch. 110, par. 17-102

735 ILCS 5/17-106 from Ch. 110, par. 17-106
Representative Dan Caulkins
HB 03677 (CONTINUED)

Creates the Uniform Partition of Heirs Property Act. Defines terms. Provides for: applicability; relation to other law; service; notice by posting; commissioners; determination of value; cotenant buyout; partition alternatives; considerations for partition in kind; open-market sale, sealed bids, or auction; and report of open-market sale. Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that if after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court. Effective immediately.

Senate Floor Amendment No. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that a contract between a health insurer and a pharmacy benefit manager must: (1) require the pharmacy benefit manager to update maximum allowable cost pricing information and maintain a process that will eliminate drugs from maximum allowable cost lists or modify drug prices to remain consistent with changes in pricing data; (2) prohibit the pharmacy benefit manager from limiting a pharmacist's ability to disclose the availability of a more affordable alternative drug; and (3) prohibit the pharmacy benefit manager from requiring an insured to make a payment for a prescription drug in an amount that exceeds the lesser of the applicable cost-sharing amount or the retail price of the drug. Contains provisions concerning the inclusion of prescription drugs on a maximum allowable cost list, State licensing requirements for pharmacy benefit managers, and other matters. Makes conforming changes to other Acts. Amends the Managed Care Reform and Patient Rights Act. Provides that a health care plan shall apply any third-party payments for prescription drugs. Makes changes to provisions concerning the denial of coverage for emergency services. Amends the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services may enter into a contract with any third party on a fee-for-service reimbursement model for the purpose of administering pharmacy benefits. Requires the Department to ensure coordination of care between the third-party administrator and managed care organizations as a consideration in any contracts established. Amends the Freedom of Information Act to exempt from disclosure certain information pharmacy benefits managers are required to provide under the Illinois Public Aid Code. Contains a severability provision.

House Floor Amendment No. 2
Deletes reference to:
215 ILCS 134/65
Adds reference to:
5 ILCS 140/7
Adds reference to:
215 ILCS 134/10

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment No. 1, but with the following changes: Further amends the Illinois Insurance Code. In a provision concerning contracts between health insurers and pharmacy benefit managers, provides that such contracts must require pharmacy benefit managers to: (1) update maximum allowable cost pricing information at least every 7 calendar days; (2) provide access to its maximum allowable cost list to each pharmacy or pharmacy services administrative organization, as defined, subject to the maximum allowable cost list; (4) provide a process by which a contracted pharmacy can appeal the provider's reimbursement for a drug subject to maximum allowable cost pricing; and other matters. Regarding a drug on the maximum allowable cost list, requires pharmacy benefits managers to ensure that: (i) if a drug is a generically equivalent drug, it is listed as therapeutically equivalent and pharmaceutically equivalent to certain rating standards; (ii) the drug is available for purchase by each pharmacy in the State from national or regional wholesalers operating in Illinois; and (ii) the drug is not obsolete (rather than requiring a drug to have at least 3 or more nationally available, therapeutically equivalent, multiple source generic drugs with a significant cost difference and be available for purchase without limitations by all pharmacies in the State from national or regional wholesalers). Permits the Director of Insurance to examine a pharmacy benefit manager's designee, representative, or other specified persons (rather than any individual) about the business of the pharmacy benefit manager. Contains provisions concerning the denial of a pharmacy benefits manager's registration application or the suspension or revocation of a pharmacy benefits manager's registration. Defines terms. Further amends the Managed Care Reform and Patient Rights Act. Makes changes to the definition of "emergency medical condition". Removes changes made to a provision concerning the denial of coverage and payment for emergency services provided without prior authorization or an approved plan. Further amends the Illinois Public Aid Code. Makes changes to certain reporting requirements imposed on the Director of Healthcare and Family Services. Requires a pharmacy benefit manager to make certain disclosures to the Department of Healthcare and Family Services upon request. Requires a pharmacy benefit manager to make certain written disclosures to a pharmacy provider or pharmacy services administrative organization. Defines "pharmacy services administrative organization." Requires the Department to adopt rules establishing reasonable dispensing fees for fee-for-service payments in accordance with guidance or guidelines from the federal Centers for Medicare and Medicaid Services.

625 ILCS 5/1-144.02 new
625 ILCS 5/11-208 from Ch. 95 1/2, par. 11-208

Specifies that a "mobile carrying device" is primarily designed to remain within 10 (instead of 25) feet of the personal property owner. Provides that a local authority may reasonably regulate the operation of mobile carrying devices in its jurisdiction. Provides that an operator of a mobile carrying device (rather than the device itself) has the rights and obligations applicable to a pedestrian in the same circumstances and shall ensure that a mobile carrying device shall yield the right-of-way to pedestrians on a sidewalk or crosswalk. Provides that a personal property owner may not use a mobile carrying device to transport a person. Provides that a mobile carrying device operator who is not a natural person shall register with the Secretary of State. Provides that no contract seeking to exempt a mobile carrying device operator from liability for injury, loss, or death caused by a mobile carrying device shall be valid, and that contractual provisions limiting the choice of venue or forum, shortening the statute of limitations, shifting the risk to the user, limiting the availability of class actions, or obtaining judicial remedies shall be invalid and unenforceable. Amends the Care of Students with Diabetes Act. Provides that a school may maintain a supply of glucagon medication in any secure location that is accessible before, during, or after school where a student is most at risk, including, but not limited to, a classroom or the nurse's office; defines "glucagon medication" and "undesignated glucagon medication". Provides that a physician, a physician assistant who has prescriptive authority, or an advanced practice registered nurse who has prescriptive authority may prescribe undesignated glucagon medication in the name of the school to be maintained for use when necessary. Allows a delegated care aide to carry undesignated glucagon medication. Provides that within 24 hours after the administration of undesignated glucagon medication, a school must notify the school nurse and the student's parent or guardian or emergency contact, if known, and health care provider of its use. Effective immediately.

House Committee Amendment No. 1
Removes the definition of "glucagon medication". Changes the definition of "undesignated glucagon medication" to "undesignated glucagon"; makes conforming changes. Removes a provision allowing a delegated care aide to carry undesignated glucagon on his or her person while in school or at a school-sponsored activity. Allows a school to maintain a supply of glucagon in any secure location that is immediately accessible to a school nurse or delegated care aide (rather than in any secure location that is accessible before, during, or after school where a student is most at risk). Provides that a school nurse or delegated care aide may administer undesignated glucagon if he or she is authorized to administer the undesignated glucagon through a student's diabetes care plan and if the student's prescribed glucagon is not available on-site or has expired. Provides that immediately (rather than within 24 hours) after the administration of undesignated glucagon, a school must notify the school nurse (unless the school nurse was the one administering it) and the student's parent or guardian or emergency contact, if known, and health care provider of its use.

Amends the Probate Act of 1975. Defines "administrative separation". Provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if it finds that the minor has a living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Provides that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent whose parental rights have not been terminated, unless, among other things, the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit. Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: (1) changes the definition of "administrative separation"; (2) provides that the court lacks jurisdiction to proceed on a petition for the appointment of a guardian or standby guardian of a minor if the minor has a living parent, adoptive parent, or adjudicated parent, whose whereabouts are known, and who is willing and able to make and carry out day-to-day child care decisions, unless the parent or parents, due to an administrative separation, are unable to give consent to the appointment in person or by a written document as evidenced by a sworn affidavit describing the parent's or parents' inability to receive notice or give consent (rather than the parent or parents, in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent); (3) deletes language providing that a parent or guardian shall not appoint a short-term guardian of a minor if the minor has another living parent, adoptive parent, or adjudicated parent whose whereabouts are known, and who is willing to carry out day-to-day child care decisions unless the parent or parents in the event of an administrative separation, are not presently located in the United States and are unable to consent as evidenced by a sworn affidavit describing the present location of the parent out of the country and the attempts made to contact the parent; (4) provides that a short-term guardian who was appointed as the result of an administrative separation may renew a short-term guardianship for an additional 365 days from the date the initial appointment expires if the administrative separation is still in effect, unless the written instrument provides for the appointment to terminate upon a different date or event; (5) deletes language providing that the petition for guardian or standby guardian of a minor must state the facts concerning any administrative separation proceeding; (6) provides specific facts that the petition for guardian or standby guardian of a minor must include and that documentation related to an administrative separation shall be attached to the petition as an exhibit; and (7) deletes language providing that failure to give notice to any relative or parent out of the country is not jurisdictional if the petitioner can attest to specific factors. Amends the Equal Pay Act of 2003. Provides that it is unlawful for an employer to require an employee to sign a contract or waiver that would prohibit the employee from disclosing or discussing the employee's wage or salary; however, an employer may prohibit a human resources employee, a supervisor, or any other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing such information without prior written consent from the employee whose information is sought or requested. Provides that it is unlawful for an employer to seek the wage or salary history of a prospective employee from the prospective employer or a current or former employer or to require that a prospective employee's prior wage or salary history meet certain criteria, with some exceptions. Provides that an employer against whom an action is brought alleging a violation of the Act's prohibition against gender-based wage differentials and who, within the previous 3 years and prior to the commencement of the action, has completed a self-evaluation of the employer's pay practices in good faith and can demonstrate that reasonable progress has been made toward eliminating wage differentials based on gender for the same or substantially similar work in accordance with that evaluation shall have an affirmative defense to liability. Provides that an employer who cannot demonstrate that the evaluation was reasonable in detail and scope shall not be entitled to an affirmative defense, but shall not be liable for any civil fine in excess of: (1) $500 per employee affected, if the employer has fewer than 4 employees; or (2) $2,500 per employee affected, if the employer has 4 or more employees. Provides that if an employee recovers unpaid wages under the Act and also files a complaint or brings a sex discrimination action under the federal Fair Labor Standards Act of 1938 that results in additional recovery under federal law for the same violation, the employee shall return to the employer the amounts recovered under State law or the amounts recovered under federal law, whichever is less.

605 ILCS 10/11 from Ch. 121, par. 100-11  

Amends the Toll Highway Act. Provides that, if the acquisition, construction, relocation, operation, regulation, or maintenance of a toll highway requires the relocation of public utilities due to the elimination of a tollway oasis bridge, the Illinois Highway Authority must conduct an assessment in order to determine the most cost-effective means of providing utility service to associated tollway property that remains. Provides that such an assessment shall include an estimate of the total cost of the required relocation of the utilities, an examination of alternative options for the provision of utilities to the relevant tollway property, and the associated costs of each. Provides that, if the assessment indicates that the most cost-effective means of providing utility service to tollway property is via the adjacent municipality, the Authority shall require that the relevant utilities be provided to the tollway property by the adjacent municipality, which shall be appropriately compensated from the sales tax proceeds generated from the subject tollway property. Provides for an intergovernmental agreement to effectuate adequate compensation for the adjacent municipality. Provides that, when a tollway oasis bridge is eliminated, the Authority must conduct an assessment in order to determine the impacts the modification will have on adjacent municipalities and whether, in the interest of equity, such adjacent municipalities should share in any sales tax revenues. Provides that the analysis shall consider several specific criteria relating to pollution, private nuisance, frequency of usage, and the need for public services. Provides that, if the Authority determines that any municipality adjacent to the tollway property is substantially impacted by activities or businesses conducted on the property, it shall be appropriately compensated. Provides that the Authority, the municipality wherein the tollway property is located, and the impacted adjacent municipality shall enter into an intergovernmental agreement to effectuate the requirements and provide for adequate compensation.

HB 02491
Amends the Environmental Protection Act. Provides that to the extent allowed by federal law, uncontaminated plastics that meet feedstock specifications for a gasification facility or pyrolysis facility, and that are further processed by a gasification facility or pyrolysis facility and returned to the economic mainstream in the form of crude oil, diesel, gasoline, home heating oil or other fuels, chemicals, waxes, lubricants, chemical feedstocks, diesel and gasoline blendstocks, or other raw materials or intermediate or final products, are considered recycled and are not subject to regulation as waste. Defines terms for these provisions. Effective immediately.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Provides that, to the extent allowed by federal law, uncontaminated plastics that have been processed into a feedstock meeting feedstock specifications for a plastics gasification facility or plastics pyrolysis facility, and that are further processed by such a facility and returned to the economic mainstream in the form of raw materials or products, are considered recycled and are not subject to regulation as waste. Provides that the Environmental Protection Agency may propose to the Pollution Control Board for adoption, and the Board may adopt, rules establishing standards for materials accepted as feedstocks by plastics gasification facilities and plastics pyrolysis facilities, rules establishing standards for the management of feedstocks at plastics gasification facilities and plastics pyrolysis facilities, and any other rules, as may be necessary to implement and administer the amendatory Act's provisions.

House Floor Amendment No. 2
Makes changes to the bill as amended by House Amendment No. 1 to provide that, if permitting and construction has commenced prior to July 1, 2025, a pilot project allowing for a pyrolysis or gasification facility is permitted for a locally zoned and approved site in either Will County or Grundy County. Provides that if permitting and construction for the pilot project has not commenced by July 1, 2025, the amendatory Act's provisions are repealed. Provides that the amendatory Act's effective date is July 1, 2020 (rather than immediate). Makes other changes.

House Floor Amendment No. 3
Makes changes to the bill as amended by House Amendments Nos. 1 and 2 to provide that a "plastics gasification facility" and "plastics pyrolysis facility" includes uncontaminated plastics that have been processed prior to receipt at the facility into a feedstock (currently, uncontaminated plastics that have been processed into a feedstock).

In a Section granting a natural disaster homestead exemption, removes language providing that the square footage of the rebuilt residential structure may not be more than 110% of the square footage of the original residential structure as it existed immediately prior to the natural disaster. Removes provisions providing that the taxpayer's initial application for a natural disaster homestead exemption must be made no later than the first taxable year after the residential structure is rebuilt. Provides that, if the square footage of the rebuilt structure exceeds 110% of the square footage of the original residential structure as it existed immediately prior to the natural disaster, then the amount of the natural disaster homestead exemption is the equalized assessed value per square foot of the rebuilt structure multiplied by 110% of the square footage of the original residential structure as it existed immediately prior to the natural disaster minus the base amount. Provides that the amendatory Act is retroactive to the 2012 taxable year. Sets forth provisions concerning the valuation of farm improvements that have been rebuilt following a natural disaster. Effective immediately.

Amends the Downstate Teacher Article of the Illinois Pension Code. In the definition of "teacher", removes a provision specifying that an annuitant receiving a retirement annuity under the Chicago Teacher Article who is employed by a board of education or other employer as permitted under specified provisions is not a "teacher" for purposes of the Downstate Teacher Article. Provides that the board may also require reporting requirements that are different than those specified in a provision concerning employer reporting requirements and may require different reporting requirements for different benefits or purposes established under the Article, including, but not limited to, any optional benefit plan an employee chooses to participate in. Provides that if the governing body of an employer that is not a State agency fails to forward specified required contributions within a specified period, the System shall notify the employer of an additional amount due, equal to $50 per day for each day that elapses from the due date until the day the report and employee contributions are received by the System (instead of the greater of an amount representing the interest lost by the system due to late forwarding of contributions, calculated for the number of days which the employer is late in forwarding contributions at a rate of interest prescribed by the board or $50). New Act
740 ILCS 110/4 from Ch. 91 1/2, par. 804

Creates the Suicide Prevention Act. Provides that for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year. Provides that the period may be extended by the therapist based on need. Provides that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health. Provides that except as otherwise prohibited by the federal Health Insurance Portability and Accountability Act of 1996, a therapist is not criminally or civilly liable for disclosing the recipient's therapy or for discussing the progress of the recipient toward mental health to a person designated under the Act. Defines various terms. Amends the Mental Health and Developmental Disabilities Confidentiality Act to make conforming changes.

House Committee Amendment No. 2
Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill, except provides that for a person 12 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist may share mental health information with family members, friends, or others involved in the recipient's care, if the recipient agrees or does not object, and the information is relevant to the family member, friend, or caregiver's involvement with the recipient's healthcare or the payment for that care (rather than for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year that may be extended by the therapist based on need and that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health). Provides that the therapist must: (1) ask the recipient's permission to share relevant information with family members, friends, or other caregivers; (2) tell the recipient he or she plans to discuss the information, (3) give the recipient an opportunity to agree or object; or may infer from the circumstances, using professional judgment, that the recipient does not object, and (4) determine that the sharing of relevant information is in the recipient's best interest. Provides that the family, friends, or caregivers may consult with the therapist every 30 days following a suicide attempt for the period of one year. Provides that the period may be extended by the therapist based on need. Provides that the therapist shall be responsible for consulting with the designated person about the progress of the person who is receiving mental health services toward restoration of mental health. In the amendatory provisions of the Mental Health and Developmental Disabilities Confidentiality Act, provides that the person designated by a therapist under the Suicide Prevention Act to be consulted on the progress of a recipient of mental health services who has attempted suicide may be consulted only to the extent the information is necessary for the family member, friend, or caregiver's involvement with the recipient's health care or the payment for that care and consistent with the therapist's professional judgment that the consultation is in the recipient's best interest.

Amends the Criminal Identification Act. Provides that a person may petition for sealing or expungement for a violation of
driving under the influence of alcohol or drugs, aggravated driving under the influence of alcohol or drugs, or a similar provision of a
local ordinance after a period of 10 years after the termination of the petitioner's sentence if the petitioner has not been arrested for, or
convicted of, a subsequent violation.

House Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Criminal Identification Act. Provides that the court may not order
the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or
conviction of driving under the influence of alcohol, other drug or drugs, intoxicating compound or compounds or any combination
thereof (DUI) under the Illinois Vehicle Code or a similar provision of a local ordinance; except that the court may order the sealing of
one misdemeanor record of arrest or charge not initiated by arrest that results in an order of supervision for or conviction of DUI under
the Illinois Vehicle Code or a similar provision of a local ordinance per petitioner if each of the following conditions have been met:
(1) the petitioner has not previously been convicted of or placed on supervision for DUI under the Illinois Vehicle Code or a similar
provision of a local ordinance per petitioner if each of the following conditions have been met: (1) the petitioner has not previously been convicted of or placed on supervision for DUI under the Illinois Vehicle Code or a similar
provision of a local ordinance; (2) 10 or more years have passed since the termination of the petitioner's sentence; (3) during the
commission of the violation, the petitioner did not proximately cause death or personal injury to any other person or damage the
property of any other person and was not arrested for a violation of resisting or obstructing a peace officer; (4) during the arrest or stop
of the petitioner by a law enforcement officer for commission of the violation, the petitioner submitted to a test under the Illinois
Vehicle Code to determine whether the petitioner was driving under the influence when requested by a law enforcement officer; (5) the
petitioner has no other misdemeanor or felony driving charge on his or her driving abstract; and (6) the judge examined the driving
abstract of the petitioner petitioning to have his or her records sealed under this provision and made a finding entered on the record
that the petitioner did not enter into a plea agreement on a lesser charge other than a DUI under the Illinois Vehicle Code or a similar
provision of a local ordinance, and the facts did not support that the petitioner had previously committed a DUI under the Illinois
Vehicle Code or a similar provision of a local ordinance.
Amends the Criminal Code of 2012. Provides that a person commits misrepresentation of a service animal when he or she knowingly represents, expressly or impliedly, that the animal is a service animal for the purpose of securing the rights and privileges afforded to a person with a disability accompanied by a service animal and the person knew or should have known that the animal is not a service animal. Provides that the refusal to answer questions from a law enforcement officer permitted under federal regulation creates a permissive inference that the animal is not a service animal and the law enforcement officer may require the person to remove the animal from the place of public accommodation. Misrepresentation of a service animal is a petty offense. Defines "service animal".

Fiscal Note, House Committee Amendment No. 2 (Office of the Attorney General)
Representative Tony McCombie
HB 03358 (CONTINUED)

The proposed legislation, HB 3358 (H-AM 2) may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates a Data Transparency and Privacy Act different than that contained in House Amendment No. 2. Finds that individuals have a right to privacy and a personal property interest in information pertaining to the individual. Provides that an entity that collects through the Internet personal information about individual consumers must make disclosures to the individual regarding the collection of the information. Exempts from the protections information collected while a natural person is acting in an employment context. Establishes that a consumer has a right to opt out of the sale of the consumer’s information. Creates exemptions for certain retail transactions, credit arrangements, and government program utilization. Provides for enforcement by the Attorney General. Provides that there is no private right of action to enforce the Act. Effective April 1, 2020.

State Mandates Fiscal Note, House Committee Amendment No. 2 (Dept. of Commerce & Economic Opportunity)
This bill does not create a State mandate.

Fiscal Note, House Floor Amendment No. 3 (Office of the Attorney General)
The proposed legislation, HB 3358, as amended by House Amendment #3, may require our Consumer Bureau to hire up to three additional privacy attorneys to undertake the additional privacy enforcement that may be required by the bill. Privacy enforcement is a specialized area for which attorneys must be knowledgeable in data security, which can get very technical and requires additional training and certifications, such as the Certified Information Privacy Professional designation issued by the International Association of Privacy Professionals. Because of the specialized nature of this work and the demand for attorneys with this expertise, we anticipate the salary of each attorney hired to perform the work required by this bill to be $86,500 each. Additional costs related to retirement contributions, social security, and group insurance would total $77,578 for each attorney. Because of the uncertainty in the additional level of work this bill may require of our Consumer Bureau, we estimate the costs to our office to range from $164,078, for one attorney, up to $494,234 for three attorneys. Fiscal impact: Uncertain

Judicial Note, House Floor Amendment No. 3 (Admin Office of the Illinois Courts)
This bill would neither increase nor decrease the number of judges needed in the State of Illinois.

Makes conforming changes in the Code of Civil Procedure. Effective immediately.

Senate Committee Amendment No. 1
Representative Margo McDermed
HB 03677 (CONTINUED)

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:

Changes the definition of "heirs property" and "partition by sale". Defines "fair market value". Provides that if the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties of the fair market value of the property. Provides that if an appraisal is conducted, not later than 10 days after the appraisal is filed, the court shall order the plaintiff to send notice (rather than the court shall send notice) to each party with a known address. Provides that after a hearing to determine the fair market value of the property, the court shall order the plaintiff to send notice to all of the parties of the value and a cotenant's buyout rights (rather than the court shall send notice to the parties of the value). Provides that after the determination of the value, the court shall order the plaintiff to send notice (rather than the court shall send notice) to the parties that any cotenant may buy all the interests of the cotenants that requested partition by sale. Provides that after the expiration period, if no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall order the plaintiff to send notice (rather than the court shall send notice) to all the parties of that fact and resolve the partition. Provides that cotenants must pay their apportioned price to the clerk of court or as otherwise ordered by the court (rather than into the court). Provides that if one or more, but not all, of the electing cotenants fail to pay their apportioned price on time, the court shall order the plaintiff to give notice (rather than the court shall give notice) to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest. Provides that the court, in determining whether partition in kind would result in manifest prejudice to the cotenants as a group, shall consider the tax consequences. Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not brought, a party of the property representing the combined interests of those cotenants as determined by the court. Provides that the court shall apportion the costs of the proceedings for the partition of heirs property among the parties in interest in the action, as the court deems just and equitable. Effective immediately.

Senate Floor Amendment No. 2

Provides that if the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out (rather than brought) pursuant to a provision regarding cotenant buyout, a party of the property representing the combined interests of those cotenants as determined by the court.

Provides that for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year. House Committee Amendment No. 2

Reinserts the provisions of the introduced bill, except provides that for a person 12 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist may share mental health information with family members, friends, or others involved in the recipient's care, if the recipient agrees or does not object, and the information is relevant to the family member, friend, or caregiver's involvement with the recipient's healthcare or the payment for that care (rather than for a person 18 years of age or older who is receiving or has received mental health services for an attempted suicide, the person's therapist shall identify a family member or other person who shall consult with the therapist every 30 days following a suicide attempt for the period of one year that may be extended by the therapist based on need and that the therapist shall be responsible for consulting with the designated person toward restoration of mental health). Provides that the therapist must: (1) ask the recipient's permission to share relevant information with family members, friends, or other caregivers; (2) tell the recipient he or she plans to discuss the information, (3) give the recipient an opportunity to agree or object; or may infer from the circumstances, using professional judgment, that the recipient does not object, and (4) determine that the sharing of relevant information is in the recipient's best interest. Amends the Equal Pay Act of 2003. Provides that it is unlawful for an employer to require an employee to sign a contract or waiver that would prohibit the employee from disclosing or discussing the employee's wage or salary; however, an employer may prohibit a human resources employee, a supervisor, or any other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing such information without prior written consent from the employee whose information is sought or requested. Provides that an employer against whom an action is brought alleging a violation of the Act's prohibition against gender-based wage differentials and who, within the previous 3 years and prior to the commencement of the action, has completed a self-evaluation of the employer's pay practices in good faith and can demonstrate that reasonable progress has been made toward eliminating wage differentials based on gender for the same or substantially similar work in accordance with that evaluation shall have an affirmative defense to liability. New Act

105 ILCS 5/27A-5

30 ILCS 805/8.43 new

Creates the Seizure Smart School Act. Provides for legislative findings and defines terms. Requires the parent or guardian of a student with epilepsy who seeks assistance with epilepsy-related care in a school setting to submit a seizure action plan with the student's school. Provides that a delegated care aide shall perform the activities and tasks necessary to assist a student with epilepsy in accordance with the student's seizure action plan. Requires training for school employees and delegated care aides. Requires that an information sheet be provided to any school employee who transports a student with epilepsy to a school-sponsored activity. Provides that a school district may not restrict the assignment of a student with epilepsy to a particular school on the basis that the school does not have a full-time school nurse and a school may not deny a student access to the school or any school-related activity on the basis that the student has epilepsy. Provides for school employee protection against retaliation, immunity, and rights under federal law. Amends the Charter Schools Law of the School Code to make a related change. Amends the State Mandates Act to require implementation without reimbursement.

House Committee Amendment No. 3

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes.

Makes a change to the legislative findings. Changes the definition of "delegated care aide" to mean a school employee or paraprofessional who has agreed to receive training in epilepsy and assist a student in implementing his or her seizure action plan and who has entered into an agreement with a parent or guardian of that student. Limits the definition of "school employee" to include, among other persons, a person who is employed by a school district or school as a principal, administrator, guidance counselor, or teacher. Provides that the training of a delegated care aide shall include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America and training for school employees must be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America (rather than requiring training for school employees and delegated care aides to be provided by a trained health care provider with an expertise in epilepsy). Removes a provision requiring the principal of a school to coordinate the training of all delegated care aides. Provides that, if applicable, a seizure action plan (rather than an information sheet) must be provided to any school employee who transports a student with epilepsy to a school-sponsored activity; makes a conforming change. Requires a school employee to be in compliance with the training provisions of the Act in order to have immunity. Adds an effective date of July 1, 2020.

House Floor Amendment No. 4
Representative Dave Severin
HB 01475     (CONTINUED)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment No. 3 with the following changes. Provides that the definition of "school employee" may not be interpreted to require a school district, charter school, or nonpublic school to hire additional personnel for the sole purpose of the personnel to serve as a delegated care aide. Provides that if a student has been managing his or her epilepsy care in a school setting before the effective date of the Act, the student's parent or guardian may (rather than must) sign and submit a seizure action plan with the student's school. Provides that it is the responsibility of a student's parent or guardian to share the health care provider's instructions on the student's epilepsy management during the school day. Removes a provision requiring the seizure action plan to include the treating physician's, advanced practice registered nurse's, or physician assistant's instructions on the student's epilepsy management during the school day. Provides that a student's parent or guardian is responsible for informing the school, in a timely manner, of any changes to the student's seizure action plan and emergency contact information. Provides that the principal of a school shall facilitate the school's compliance with the provisions of a student's seizure action plan (rather than ensure that the school has at least one delegated care aide present and available at the school during all school hours and during school-sponsored activities). Provides that the training for school employees must be fully consistent with the best practice guidelines issued by the Centers for Disease Control and Prevention. Provides that the training of a delegated care aide must be provided by a licensed health care provider with an expertise in epilepsy or an epilepsy educator who has successfully completed the relevant curricula offered by the Centers for Disease Control and Prevention (rather than must include consultation with the student's parent or guardian and may include consultation with an epilepsy educator approved by the Epilepsy Foundation of America). Makes other changes. Effective July 1, 2020.

House Floor Amendment No. 5

Removes a provision requiring training for school employees to be provided annually through approximately one hour of self-study review approved by the Epilepsy Foundation of America or by an epilepsy educator approved by the Epilepsy Foundation of America.

With regard to criminal history records checks and checks of the Statewide Sex Offender Database and Statewide Murderer and Violent Offender Against Youth Database, provides that if a criminal history records check or check of the Statewide Sex Offender Database or Statewide Murderer and Violent Offender Against Youth Database is performed by a regional superintendent for an applicant seeking employment as a substitute teacher with a school district, the regional superintendent may disclose to the State Board of Education whether the applicant has been issued a certificate based on those checks. Supports, as a civil right, automatic citizenship to all qualifying children adopted by a U.S. citizen parent, regardless of the date on which the adoption was finalized. Condemns the deportation of individuals who were adopted into American homes and should have every expectation that their citizenship matches that of their adoptive parents. Welcomes legislation that will provide citizenship for all adult adoptees whose adoptive parents did not complete the naturalization process while they were children.

New Act

Creates the Vocational Academy Opportunity Act. Creates 2 vocational academies, one located in Cook County and the other in a downstate county, which shall be residential institutions. Provides that each academy shall be a State agency, funded by State appropriations, private contributions, and endowments. Provides that the academies shall be governed by a single Board of Trustees for the collective operation and oversight of the academies. Provides for the membership of the Board. Specifies the duties and powers of the Board. Provides that each academy shall be empowered to lease or purchase real and personal property on commercially reasonable terms for the use by the academy.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)
House Bill 27 (H-AM 1) would increase the Evidence-Based Funding (EBF) gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two exiting non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $14.4 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 1).

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)
House Bill 27 (H-AM 2) creates the Vocational Academy Opportunity Act and four public vocational academies which shall also be residential institutions. The bill provides that each academy shall be its own school district and funded as a laboratory school from the Evidence-Based Funding (EBF) formula. The local capacity percentage for these new vocational academies in the EBF formula would be set at 10% in the absence of local tax resources. House Bill 27 (H-AM 2) would increase the EBF gap to adequacy. EBF provides funding to two existing laboratory schools. Based on the fiscal year 2019 EBF calculations, the Final Adequacy Target for the two exiting non-residential laboratory schools, adjusted for regionalization, averaged nearly $10,700 per student. This fiscal note assumes that each new vocational academy would have an average student enrollment of 250 students per grade or 750 per school. Based on the FY19 EBF calculations mentioned above, the estimated state resources needed for the EBF formula would be $7.2 million for each vocational school to be funded at 90% adequacy for a total of $28.8 million. The bill does not provide a mechanism for the new school districts to receive a Base Funding Minimum from EBF for the new vocational schools. This bill would also impact EBF Tier funding amounts received by other school districts in the future as a result of reduced enrollment for a school district that has a pupil enroll in one of the new vocational academies. The bill also has an inconsistency with the definition of "Average Student Enrollment" in Section 18-8.15 of the School Code. This estimate does not include construction costs nor the operational costs of housing students in a residential facility as the bill authorizes the school districts to use a cost recovery fee for these costs. The fiscal impact to the Illinois State Board of Education's operating budget cannot be determined at this time but there will be operational costs to comply with the provisions of House Bill 27 (H-AM 2).

225 ILCS 25/4  from Ch. 111, par. 2304
225 ILCS 25/13.5 new
Amends the Illinois Dental Practice Act. Changes the definition of "public health dental hygienist." Provides that the requirement that a public health dental hygienist have additional structured courses in dental education in advanced areas specific to public health dentistry shall include emergency procedures for medically compromised patients, pharmacology, medical recordkeeping procedures, geriatric dentistry, pediatric dentistry, and pathology provided by an educational institution accredited by the Commission on Dental Accreditation, such as a dental school or dental hygiene program, or a statewide dental association, approved by the Department of Financial and Professional Regulation to provide continuing education, that has developed and conducted training programs for expanded functions for dental assistants and hygienists. Provides that the training program must include a minimum of 26 hours of didactic study; include 8 hours of in-person classroom experience with an outcome assessment examination that tests the competency of the didactic subjects required by the Act; require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist; issue a certificate of completion of the training program, which must be kept on file at the supervising dentist's office and which will be made available to the Department upon request; and operate in a public health setting pursuant to a written public health supervision agreement with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program. Effective immediately.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes that include the following. Specifies the number of hours of education required in certain advanced areas specific to public health dentistry and requires that the training program for a public health dental hygienist include a minimum of 29 hours of didactic study in those areas (instead of a minimum of 26 hours of didactic study). Provides that the education in advanced areas specific to public health dentistry may be provided by a statewide dental hygiene association that meets certain requirements. Provides that the didactic study may be taken in compliance with specified continued learning education requirements. Provides that the training program for a public health dental hygienist must require completion of 5 hours of didactic courses in the topic areas of special needs dentistry, teledentistry, nutritional needs of geriatric and low income patients, communication techniques with non-English speaking patients, cultural competency, and professional ethics. Provides that the training program must require completion of an 8 hour in-person classroom review (instead of classroom experience) that includes a comprehension exam on specified topics (instead of an outcome assessment examination) and submit certification of successful completion to the supervising dentist. Removes a requirement that the training program require the hygienist to complete an 8-hour, on-site mentoring experience monitored by the dentist who will have a public health supervision agreement with the hygienist. Makes grammatical and other changes.

Removes a provision requiring training programs for public health dental hygienists to operate in a public health setting pursuant to a written public health supervision agreement with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program. Further amends the Illinois Dental Practice Act. Provides that after completion of a training program for a public health dental hygienist, a public health dental hygienist may operate in a public health setting that meets specified requirements with a dentist which must be kept on file at the supervising dentist's office and which will be made available to the Department upon request; and operate in a public health setting pursuant to a written public health supervision agreement with a dentist who is working in or has contracted with a local or State government agency or institution or who is providing services as part of a certified school-based program or school-based oral health program. Effective immediately.

Replaces everything after the enacting clause. Amends the Sexual Assault Survivors Emergency Treatment Act. Provides that the Department of Public Health may approve a sexual assault transfer plan for the provision of medical forensic services until January 1, 2022 if: (1) a treatment hospital with approved pediatric transfer has agreed, as part of an areawide treatment plan, to accept sexual assault survivors 13 years of age or older from the proposed transfer hospital, if the treatment hospital with approved pediatric transfer is geographically closer to the transfer hospital than a treatment hospital or another treatment hospital with approved pediatric transfer and such transfer is not unduly burdensome on the sexual assault survivor; and (2) a treatment hospital has agreed, as a part of an areawide treatment plan, to accept sexual assault survivors under 13 years of age from the proposed transfer hospital and transfer to the treatment hospital would not unduly burden the sexual assault survivor. Provides that an areawide treatment plan may include a written agreement with a treatment hospital with approved pediatric transfer that is geographically closer than other hospitals providing medical forensic services to sexual assault survivors 13 years of age or older stating that the treatment hospital with approved pediatric transfer will provide medical services to sexual assault survivors 13 years of age or older who are transferred from the transfer hospital. HB 00823 (CONTINUED)

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to ensure that those who draw blood from children and adults with intellectual and developmental disabilities are trained, at least once every 3 years, in the most current method of drawing blood from children and adults with developmental and intellectual disabilities. Provides that the training shall focus on drawing blood in a safe manner that is as comfortable as possible. Requires the Department to ensure that by July 1, 2020 all medical facilities are equipped to draw blood from children and adults with intellectual and developmental disabilities using finger-prick equipment, hemoglobin testing equipment, and all other related equipment that can be adapted to serve patients with intellectual and developmental disabilities.

House Committee Amendment No. 1

Provides that an employer who cannot demonstrate that the evaluation was reasonable in detail and scope shall not be entitled to an affirmative defense, but shall not be liable for any civil fine in excess of: (1) $500 per employee affected, if the employer has fewer than 4 employees; or (2) $2,500 per employee affected, if the employer has 4 or more employees. Amends the Downstate Firefighter Article of the Illinois Pension Code. Requires each municipality to establish a defined contribution plan that aggregates firefighter and employer contributions in individual accounts used for retirement. Provides that if a firefighter who has more than 10 years of creditable service in a fund enters active service with a different municipality, he or she may elect to participate in the defined contribution plan in lieu of the defined benefit plan. Provides that if a fire chief to whom a specified provision of the Illinois Municipal Code applies (i) first becomes a member on or after January 1, 2020, (ii) is receiving pension payments, and (iii) reenters active service with any municipality that has established a pension fund under the Article, that fire chief may continue to receive pension payments while he or she is in active service, but shall only participate in a defined contribution plan and may not establish creditable service in the pension fund established by that municipality or have his or her pension recomputed. Makes other changes. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

House Committee Amendment No. 1

Requires a municipality that employs a fire chief who meets certain requirements (instead of each municipality) to establish a defined contribution plan. Removes provisions authorizing a firefighter who has more than 10 years of service in a fund who enters active service with a different municipality to participate in the defined contribution plan in lieu of the defined benefit plan. Makes a conforming change.

House Floor Amendment No. 2

Provides that a municipality that employs a fire chief who participates in a defined contribution plan required to be established by the amendatory Act shall provide a disability insurance benefit to that fire chief that is at least equivalent to the disability benefit he or she would be provided if he or she was a participant in the defined benefit plan.

820 ILCS 112/10
820 ILCS 112/30

Amends the Equal Pay Act of 2003. Prohibits an employer from: (i) screening job applicants based on their wage or salary history, (ii) requiring that an applicant's prior wages satisfy minimum or maximum criteria, and (iii) requesting or requiring as a condition of being interviewed or as a condition of continuing to be considered for an offer of employment that an applicant disclose prior wages or salary. Prohibits an employer from seeking the salary, including benefits or other compensation or salary history, of a job applicant from any current or former employer, with some exceptions. Limits defenses. Provides for penalties and injunctive relief.

Senate Committee Amendment No. 1
Replaces everything after the enacting clause. Amends the Equal Pay Act of 2003. Provides that the exceptions to the equal pay requirement based on sex also apply to the equal pay requirement for African-American employees. Provides that an employer may prohibit a human resources employee, supervisor, or other employee whose job responsibilities require or allow access to other employees' wage or salary information from disclosing that information without prior written consent from the employee whose information is sought or requested. Provides that specified provisions shall not be construed to prevent an employer or employment agency from: providing information about the wages, benefits, compensation, or salary offered in relation to a position; or engaging in discussions with an applicant for employment about the applicant's expectations with respect to wage or salary, benefits, and other compensation. Provides that an employer is not in violation of specified provisions when a job applicant voluntarily and without prompting discloses his or her current or prior wage or salary history, including benefits or other compensation, on the condition that the employer does not consider or rely on the voluntary disclosures as a factor in determining whether to offer a job applicant employment, in making an offer of compensation, or in determining future wages, salary, benefits, or other compensation. Makes other changes. Effective 60 days after becoming law.

Senate Floor Amendment No. 2

Provides that a wage differential factor that is not based on sex or a factor that would constitute unlawful discrimination under the Illinois Human Rights Act must account for the differential (instead of "the entire differential").

New Act

30 ILCS 105/5.891 new

Creates the Illinois Legislative Youth Advisory Council Act. Provides that the purpose of the Council is to facilitate communication between the youth of the State of Illinois and the elected branches of State government regarding the issues, interests, and needs important to youth in the State of Illinois. Creates an Advisory Board, consisting of 2 members of the House of Representatives, one each appointed by the Speaker of the House of Representatives and the Minority Leader of the House of Representatives; and 2 members of the Senate, one each appointed by the President of the Senate and the Minority Leader of the Senate, to facilitate the functions of the Council. Provides for the application and nomination process for prospective members of the Council. Sets forth membership and meeting requirements and the powers of the Council. Provides that members of the Council shall serve one-year terms, but may be re-elected if they continue to be nominated and qualified to serve as members. Provides for the election of a President, Secretary, Treasurer, and Clerk at the first Council meeting of the year. Requires the Council to submit an annual report to the General Assembly and the Governor. Creates the Illinois Legislative Youth Advisory Council Fund as a special fund in the State treasury. Provides that all moneys in the Fund shall be used to reimburse Council members for actual expenses incurred in traveling to Council meetings, including travel, food, and lodging, and printing the annual report. Amends the State Finance Act. Adds the Illinois Legislative Youth Advisory Council Fund. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that the Illinois Legislative Youth Advisory Council shall be an entity created under the legislative branch, and maintained and staffed under the executive branch (currently, maintained and staffed under the legislative branch) by the Office of the Governor or an agency designated by the Governor that is under the jurisdiction of the Governor. Modifies the initial terms of members of the Advisory Board of the Council. Provides for the nomination of members to the Council by State Representatives (currently, State Senators). Provides that the Council shall convene each year on the Saturday (currently, Thursday) following the second Wednesday of January in the State Capitol, unless the General Assembly is in session. Provides for an alternative meeting place if one or both chambers at the State Capitol cannot accommodate the meeting. Removes requirement that the Council shall meet at least once within 100 days after its initial meeting. Provides that staff and administrative support for the Council shall be provided by the Office of the Governor or an agency designated by the Governor that is under the jurisdiction of the Governor (currently, designated by the General Assembly). Provides that the report submitted to the General Assembly and the Governor shall be submitted electronically. Effective immediately.

Fiscal Note (Office of Management and Budget)

This Bill would have no fiscal impact to the Governor's Office of Management and Budget and minimal fiscal impact on the state due to the listed reimbursements.
