 Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:  
 House Amendment No. 1 to SENATE BILL NO. 969

Passed the House, as amended, May 29, 2003.

ANTHONY D. ROSSI, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 969

[May 30, 2003]

AMENDMENT NO. 1. Amend Senate Bill 969 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Tax Delinquency Amnesty Act.

Section 5. Definitions. As used in this Act:

"Department" means the Illinois Department of Revenue.

"Rules" means any rules adopted or forms prescribed by the Department.

"Taxable period" means any period of time for which any tax is imposed by and owed to the State of Illinois.

"Taxpayer" means any person, corporation, or other entity subject to any tax, except for the motor fuel use tax, imposed by any law of the State of Illinois and payable to the State of Illinois.

Section 10. Amnesty program. The Department shall establish an amnesty program for all taxpayers owing any tax imposed by reason of or pursuant to authorization by any law of the State of Illinois and collected by the Department.

The amnesty program shall be for a period from October 1, 2003 through November 15, 2003.

The amnesty program shall provide that, upon payment by a taxpayer of all taxes due from that taxpayer to the State of Illinois for any taxable period ending after June 30, 1983 and prior to July 1, 2002, the Department shall abate and not seek to collect any interest or penalties that may be applicable and the Department shall not seek civil or criminal prosecution for any taxpayer for the period of time for which amnesty has been granted to the taxpayer. Failure to pay all taxes due to the State for a taxable period shall invalidate any amnesty granted under this Act. Amnesty shall be granted only if all amnesty conditions are satisfied by the taxpayer.

Amnesty shall not be granted to taxpayers who are a party to any criminal investigation or to any civil or criminal litigation that is pending in any circuit court or appellate court or the Supreme Court of this State for nonpayment, delinquency, or fraud in relation to any State tax imposed by any law of the State of Illinois.

Voluntary payments made under this Act shall be made by cash, check, guaranteed remittance, or ACH debit.

The Department shall adopt rules as necessary to implement the provisions of this Act.

Except as otherwise provided in this Section, all money collected under this Act that would otherwise be deposited into the General Revenue Fund shall be deposited as follows: (i) one-half into the Common School Fund; (ii) one-half into the General Revenue Fund. Two percent of all money collected under this Act shall be deposited by the State Treasurer into the Tax Compliance and Administration Fund and, subject to appropriation, shall be used by the Department to cover costs associated with the administration of this Act.

Section 905. The Uniform Penalty and Interest Act is amended by changing Sections 3-2, 3-3, 3-4, 3-5, 3-6, and 3-7.5 as follows:

(35 ILCS 735/3-2) (from Ch. 120, par. 2603-2)

Sec. 3-2. Interest. (a) Interest paid by the Department to taxpayers and interest charged to taxpayers by the Department shall be paid at the annual rate determined by the Department. That rate shall be the underpayment rate established under Section 6621 of the Internal Revenue Code.

(b) The interest rate shall be adjusted on a semiannual basis, on January 1 and July 1, based upon the underpayment rate going into effect on that January 1 or July 1 under Section 6621 of the Internal Revenue Code.

(c) This subsection (c) is applicable to returns due on and before December 31, 2000. Interest shall be simple interest calculated on a daily basis. Interest shall accrue upon tax and penalty due. If notice and demand is made for the payment of any amount of tax due and if the amount due is paid within 30 days after the date of such notice and demand, interest under this Section on the amount so paid shall not be imposed for the period after the date of the notice and demand.

(c-5) This subsection (c-5) is applicable to returns due on and after January 1, 2001. Interest shall be simple interest calculated on a daily basis. Interest shall accrue upon tax due. If notice and demand is made for the payment of any amount of tax due and if the amount due is paid within 30 days after the date of the notice and demand, interest under this Section on the amount so paid shall not be imposed for the period after the date of the notice and demand.

(d) No interest shall be paid upon any overpayment of tax if the overpayment is refunded or a credit approved within 90 days after the last date prescribed for filing the original return, or within 90 days of the receipt of the processable return, or within 90 days after the date of overpayment, whichever date is latest, as determined without regard to processing time by the Comptroller or without regard to the date on which the credit is applied to the taxpayer's account. In order for an original return to be processable for purposes of this Section, it must be in the form prescribed or approved by the Department, signed by

[May 30, 2003]

the person authorized by law, and contain all information, schedules, and support documents necessary to determine the tax due and to make allocations of tax as prescribed by law. For the purposes of computing interest, a return shall be deemed to be processable unless the Department notifies the taxpayer that the return is not processable within 90 days after the receipt of the return; however, interest shall not accumulate for the period following this date of notice. Interest on amounts refunded or credited pursuant to the filing of an amended return or claim for refund shall be determined from the due date of the original return or the date of overpayment, whichever is later, to the date of payment by the Department without regard to processing time by the Comptroller or the date of credit by the Department or without regard to the date on which the credit is applied to the taxpayer's account. If a claim for refund relates to an overpayment attributable to a net loss carryback as provided by Section 207 of the Illinois Income Tax Act, the date of overpayment shall be the last day of the taxable year in which the loss was incurred.

(e) Interest on erroneous refunds. Any portion of the tax imposed by an Act to which this Act is applicable or any interest or penalty which has been erroneously refunded and which is recoverable by the Department shall bear interest from the date of payment of the refund. However, no interest will be charged if the erroneous refund is for an amount less than \$500 and is due to a mistake of the Department.

(f) If a taxpayer has a tax liability that is eligible for amnesty under the Tax Delinquency Amnesty Act and the taxpayer fails to satisfy the tax liability during the amnesty period provided for in that Act, then the interest charged by the Department under this Section shall be imposed at a rate that is 200% of the rate that would otherwise be imposed under this Section. (35 ILCS 735/3-3) (from Ch. 120, par. 2603-3)

Sec. 3-3. Penalty for failure to file or pay. (a) This subsection (a) is applicable before January 1, 1996. A penalty of 5% of the tax required to be shown due on a return shall be imposed for failure to file the tax return on or before the due date prescribed for filing determined with regard for any extension of time for filing (penalty for late filing or nonfiling). If any unprocessable return is corrected and filed within 21 days after notice by the Department, the late filing or nonfiling penalty shall not apply. If a penalty for late filing or nonfiling is imposed in addition to a penalty for late payment, the total penalty due shall be the sum of the late filing penalty and the applicable late payment penalty. Beginning on the effective date of this amendatory Act of 1995, in the case of any type of tax return required to be filed more frequently than annually, when the failure to file the tax return on or before the date prescribed for filing (including any extensions) is shown to be nonfraudulent and has not occurred in the 2 years immediately preceding the failure to file on the prescribed due date, the penalty imposed by Section 3-3(a) shall be abated.

(a-5) This subsection (a-5) is applicable to returns due on and after January 1, 1996 and on or before December 31, 2000. A penalty equal to 2% of the tax required to be shown due on a return, up to a maximum amount of \$250, determined without regard to any part of the tax that is paid on time or by any credit that was properly allowable on the date the return was required to be filed, shall be imposed for failure to file the tax return on or before the due date prescribed for filing determined with regard for any extension of time for filing. However, if any return is not filed within 30 days after notice of nonfiling mailed by the Department to the last known address of the taxpayer contained in Department records, an additional penalty amount shall be imposed equal to the greater of \$250 or 2% of the tax shown on the return. However, the additional penalty amount may not exceed \$5,000 and is determined without regard to any part of the tax that is paid on time or by any credit that was properly allowable on the date the return was required to be filed (penalty for late filing or nonfiling). If any unprocessable return is corrected and filed within 30 days after notice by the Department, the late filing or nonfiling penalty shall not apply. If a penalty for late filing or nonfiling is imposed in addition to a penalty for late payment, the total penalty due shall be the sum of the late filing penalty and the applicable late payment penalty. In the case of any type of tax return required to be filed more frequently than annually, when the failure to file the tax return on or before the date prescribed for filing (including any extensions) is shown to be nonfraudulent and has not occurred in the 2 years immediately preceding the failure to file on the prescribed due date, the penalty imposed by Section 3-3(a-5) shall be abated.

(a-10) This subsection (a-10) is applicable to returns due on and after January 1, 2001. A penalty equal to 2% of the tax required to be shown due on a return, up to a maximum amount of \$250, reduced by any tax that is paid on time or by any credit that was properly allowable on the date the return was required to be filed, shall be imposed for failure to file the tax return on or before the due date prescribed for filing determined with regard for any extension of time for filing. However, if any return is not filed within 30 days after notice of nonfiling mailed by the Department to the last known address of the taxpayer contained in Department records, an additional penalty amount shall be imposed equal to the

greater of \$250 or 2% of the tax shown on the return. However, the additional penalty amount may not exceed \$5,000 and is determined without regard to any part of the tax that is paid on time or by any credit that was properly allowable on the date the return was required to be filed (penalty for late filing or nonfiling). If any unprocessable return is corrected and filed within 30 days after notice by the Department, the late filing or nonfiling penalty shall not apply. If a penalty for late filing or nonfiling is imposed in addition to a penalty for late payment, the total penalty due shall be the sum of the late filing penalty and the applicable late payment penalty. In the case of any type of tax return required to be filed more frequently than annually, when the failure to file the tax return on or before the date prescribed for filing (including any extensions) is shown to be nonfraudulent and has not occurred in the 2 years immediately preceding the failure to file on the prescribed due date, the penalty imposed by Section 3-3(a-10) shall be abated.

(b) This subsection is applicable before January 1, 1998. A penalty of 15% of the tax shown on the return or the tax required to be shown due on the return shall be imposed for failure to pay:

(1) the tax shown due on the return on or before the due date prescribed for payment of that tax, an amount of underpayment of estimated tax, or an amount that is reported in an amended return other than an amended return timely filed as required by subsection (b) of Section 506 of the Illinois Income Tax Act (penalty for late payment or nonpayment of admitted liability); or

(2) the full amount of any tax required to be shown due on a return and which is not shown (penalty for late payment or nonpayment of additional liability), within 30 days after a notice of arithmetic error, notice and demand, or a final assessment is issued by the Department. In the case of a final assessment arising following a protest and hearing, the 30-day period shall not begin until all proceedings in court for review of the final assessment have terminated or the period for obtaining a review has expired without proceedings for a review having been instituted. In the case of a notice of tax liability that becomes a final assessment without a protest and hearing, the penalty provided in this paragraph (2) shall be imposed at the expiration of the period provided for the filing of a protest.

(b-5) This subsection is applicable to returns due on and after January 1, 1998 and on or before December 31, 2000. A penalty of 20% of the tax shown on the return or the tax required to be shown due on the return shall be imposed for failure to pay:

(1) the tax shown due on the return on or before the due date prescribed for payment of that tax, an amount of underpayment of estimated tax, or an amount that is reported in an amended return other than an amended return timely filed as required by subsection (b) of Section 506 of the Illinois Income Tax Act (penalty for late payment or nonpayment of admitted liability); or

(2) the full amount of any tax required to be shown due on a return and which is not shown (penalty for late payment or nonpayment of additional liability), within 30 days after a notice of arithmetic error, notice and demand, or a final assessment is issued by the Department. In the case of a final assessment arising following a protest and hearing, the 30-day period shall not begin until all proceedings in court for review of the final assessment have terminated or the period for obtaining a review has expired without proceedings for a review having been instituted. In the case of a notice of tax liability that becomes a final assessment without a protest and hearing, the penalty provided in this paragraph (2) shall be imposed at the expiration of the period provided for the filing of a protest.

(b-10) This subsection (b-10) is applicable to returns due on and after January 1, 2001. A penalty shall be imposed for failure to pay:

(1) the tax shown due on a return on or before the due date prescribed for payment of that tax, an amount of underpayment of estimated tax, or an amount that is reported in an amended return other than an amended return timely filed as required by subsection (b) of Section 506 of the Illinois Income Tax Act (penalty for late payment or nonpayment of admitted liability). The amount of penalty imposed under this subsection (b-10)(1) shall be 2% of any amount that is paid no later than 30 days after the due date, 5% of any amount that is paid later than 30 days after the due date and not later than 90 days after the due date, 10% of any amount that is paid later than 90 days after the due date and not later than 180 days after the due date, and 15% of any amount that is paid later than 180 days after the due date. If notice and demand is made for the payment of any amount of tax due and if the amount due is paid within 30 days after the date of the notice and demand, then the penalty for late payment or nonpayment of admitted liability under this subsection (b-10)(1) on the amount so paid shall not accrue for the period after the date of the notice and demand.

(2) the full amount of any tax required to be shown due on a return and that is not shown (penalty for late payment or nonpayment of additional liability), within 30 days after a notice of arithmetic error, notice and demand, or a final assessment is issued by the Department. In the case of a final assessment arising following a protest and hearing, the 30-day period shall not begin until all proceedings in court for review of the final assessment have terminated or the period for obtaining a

review has expired without proceedings for a review having been instituted. The amount of penalty imposed under this subsection (b-10)(2) shall be 20% of any amount that is not paid within the 30-day period. In the case of a notice of tax liability that becomes a final assessment without a protest and hearing, the penalty provided in this subsection (b-10)(2) shall be imposed at the expiration of the period provided for the filing of a protest.

(c) For purposes of the late payment penalties, the basis of the penalty shall be the tax shown or required to be shown on a return, whichever is applicable, reduced by any part of the tax which is paid on time and by any credit which was properly allowable on the date the return was required to be filed.

(d) A penalty shall be applied to the tax required to be shown even if that amount is less than the tax shown on the return.

(e) This subsection (e) is applicable to returns due before January 1, 2001. If both a subsection (b)(1) or (b-5)(1) penalty and a subsection (b)(2) or (b-5)(2) penalty are assessed against the same return, the subsection (b)(2) or (b-5)(2) penalty shall be assessed against only the additional tax found to be due.

(e-5) This subsection (e-5) is applicable to returns due on and after January 1, 2001. If both a subsection (b-10)(1) penalty and a subsection (b-10)(2) penalty are assessed against the same return, the subsection (b-10)(2) penalty shall be assessed against only the additional tax found to be due.

(f) If the taxpayer has failed to file the return, the Department shall determine the correct tax according to its best judgment and information, which amount shall be prima facie evidence of the correctness of the tax due.

(g) The time within which to file a return or pay an amount of tax due without imposition of a penalty does not extend the time within which to file a protest to a notice of tax liability or a notice of deficiency.

(h) No return shall be determined to be unprocessable because of the omission of any information requested on the return pursuant to Section 2505-575 of the Department of Revenue Law (20 ILCS 2505/2505-575).

(i) If a taxpayer has a tax liability that is eligible for amnesty under the Tax Delinquency Amnesty Act and the taxpayer fails to satisfy the tax liability during the amnesty period provided for in that Act, then the penalty imposed by the Department under this Section shall be imposed in an amount that is 200% of the amount that would otherwise be imposed under this Section. (35 ILCS 735/3-4) (from Ch. 120, par. 2603-4)

Sec. 3-4. Penalty for failure to file correct information returns. (a) Failure to file correct information returns - imposition of penalty.

(1) In general. Unless otherwise provided in a tax Act, in the case of a failure described in paragraph (2) of this subsection (a) by any person with respect to an information return, that person shall pay a penalty of \$5 for each return or statement with respect to which the failure occurs, but the total amount imposed on that person for all such failures during any calendar year shall not exceed \$25,000.

(2) Failures subject to penalty. The following failures are subject to the penalty imposed in paragraph (1) of this subsection (a):

(A) any failure to file an information return with the Department on or before the required filing date, or

(B) any failure to include all of the information required to be shown on the return or the inclusion of incorrect information.

(b) Reduction where correction in specified period.

(1) Correction within 60 days. If any failure described in subsection (a) (2) is corrected within 60 days after the required filing date:

(A) the penalty imposed by subsection (a) shall be reduced by 50%; and

(B) the total amount imposed on the person for all such failures during any calendar year which are so corrected shall not exceed 50% of the maximum prescribed in subsection (a) (1).

(c) Information return defined. An information return is any tax return required by a tax Act to be filed with the Department that does not, by law, require the payment of a tax liability.

(d) If a taxpayer has a tax liability that is eligible for amnesty under the Tax Delinquency Amnesty Act and the taxpayer fails to satisfy the tax liability during the amnesty period provided for in that Act, then the penalty imposed by the Department under this Section shall be imposed in an amount that is 200% of the amount that would otherwise be imposed under this Section. (Source: P.A. 87-205.)

(35 ILCS 735/3-5) (from Ch. 120, par. 2603-5)

Sec. 3-5. Penalty for negligence. (a) If any return or amended return is prepared negligently, but without intent to defraud, and filed, in addition to any penalty imposed under Section 3-3 of this Act, a

penalty shall be imposed in an amount equal to 20% of any resulting deficiency.

(b) Negligence includes any failure to make a reasonable attempt to comply with the provisions of any tax Act and includes careless, reckless, or intentional disregard of the law or regulations.

(c) No penalty shall be imposed under this Section if it is shown that failure to comply with the tax Act is due to reasonable cause. A taxpayer is not negligent if the taxpayer shows substantial authority to support the return as filed.

(d) If a taxpayer has a tax liability that is eligible for amnesty under the Tax Delinquency Amnesty Act and the taxpayer fails to satisfy the tax liability during the amnesty period provided for in that Act, then the penalty imposed by the Department shall be imposed in an amount that is 200% of the amount that would otherwise be imposed in accordance with this Section. (Source: P.A. 87-205; 87-1189.)

(35 ILCS 735/3-6) (from Ch. 120, par. 2603-6)

Sec. 3-6. Penalty for fraud. (a) If any return or amended return is filed with intent to defraud, in addition to any penalty imposed under Section 3-3 of this Act, a penalty shall be imposed in an amount equal to 50% of any resulting deficiency.

(b) If any claim is filed with intent to defraud, a penalty shall be imposed in an amount equal to 50% of the amount fraudulently claimed for credit or refund.

(c) If a taxpayer has a tax liability that is eligible for amnesty under the Tax Delinquency Amnesty Act and the taxpayer fails to satisfy the tax liability during the amnesty period provided for in that Act, then the penalty imposed by the Department under this Section shall be imposed in an amount that is 200% of the amount that would otherwise be imposed under this Section. (Source: P.A. 87-205.)

(35 ILCS 735/3-7.5)

Sec. 3-7.5. Bad check penalty. (a) In addition to any other penalty provided in this Act, a penalty of \$25 shall be imposed on any person who issues a check or other draft to the Department that is not honored upon presentment. The penalty imposed under this Section shall be deemed assessed at the time of presentment of the check or other draft and shall be treated for all purposes, including collection and allocation, as part of the tax or other liability for which the check or other draft represented payment.

(b) If a taxpayer has a tax liability that is eligible for amnesty under the Tax Delinquency Amnesty Act and the taxpayer fails to satisfy the tax liability during the amnesty period provided for in that Act, then the penalty imposed by the Department under this Section shall be imposed in an amount that is 200% of the amount that would otherwise be imposed under this Section. (Source: P.A. 91-803, eff. 1-1-01.)

(20 ILCS 3960/3) (from Ch. 111 1/2, par. 1153) (Section scheduled to be repealed on July 1, 2003)

Sec. 3. Definitions. As used in this Act:

[May 30, 2003]

"Health care facilities" means and includes the following facilities and organizations:

1. An ambulatory surgical treatment center required to be licensed pursuant to the Ambulatory Surgical Treatment Center Act;
2. An institution, place, building, or agency required to be licensed pursuant to the Hospital Licensing Act;
3. Skilled and intermediate long term care facilities licensed under the Nursing Home Care Act;
3. Skilled and intermediate long term care facilities licensed under the Nursing Home Care Act;
4. Hospitals, nursing homes, ambulatory surgical treatment centers, or kidney disease treatment centers maintained by the State or any department or agency thereof;
5. Kidney disease treatment centers, including a free-standing hemodialysis unit; and
6. An institution, place, building, or room used for the performance of outpatient surgical procedures that is leased, owned, or operated by or on behalf of an out-of-state facility.

No federally owned facility shall be subject to the provisions of this Act, nor facilities used solely for healing by prayer or spiritual means.

No facility licensed under the Supportive Residences Licensing Act or the Assisted Living and Shared Housing Act shall be subject to the provisions of this Act.

A facility designated as a supportive living facility that is in good standing with the demonstration project established under Section 5-5.01a of the Illinois Public Aid Code shall not be subject to the provisions of this Act.

This Act does not apply to facilities granted waivers under Section 3-102.2 of the Nursing Home Care Act. However, if a demonstration project under that Act applies for a certificate of need to convert to a nursing facility, it shall meet the licensure and certificate of need requirements in effect as of the date of application.

This Act shall not apply to the closure of an entity or a portion of an entity licensed under the Nursing Home Care Act that elects to convert, in whole or in part, to an assisted living or shared housing establishment licensed under the Assisted Living and Shared Housing Establishment Act.

With the exception of those health care facilities specifically included in this Section, nothing in this Act shall be intended to include facilities operated as a part of the practice of a physician or other licensed health care professional, whether practicing in his individual capacity or within the legal structure of any partnership, medical or professional corporation, or unincorporated medical or professional group. Further, this Act shall not apply to physicians or other licensed health care professional's practices where such practices are carried out in a portion of a health care facility under contract with such health care facility by a physician or by other licensed health care professionals, whether practicing in his individual capacity or within the legal structure of any partnership, medical or professional corporation, or unincorporated medical or professional groups. This Act shall apply to construction or modification and to establishment by such health care facility of such contracted portion which is subject to facility licensing requirements, irrespective of the party responsible for such action or attendant financial obligation.

"Person" means any one or more natural persons, legal entities, governmental bodies other than federal, or any combination thereof.

"Consumer" means any person other than a person (a) whose major occupation currently involves or whose official capacity within the last 12 months has involved the providing, administering or financing of any type of health care facility, (b) who is engaged in health research or the teaching of health, (c) who has a material financial interest in any activity which involves the providing, administering or financing of any type of health care facility, or (d) who is or ever has been a member of the immediate family of the person defined by (a), (b), or (c).

"Capital Expenditure" means an expenditure: (A) made by or on behalf of a health care facility (as such a facility is defined in this Act); and (B) which under generally accepted accounting principles is not properly chargeable as an expense of operation and maintenance, or is made to obtain by lease or comparable arrangement any facility or part thereof or any equipment for a facility or part; and which exceeds the capital expenditure minimum.

For the purpose of this paragraph, the cost of any studies, surveys, designs, plans, working drawings, specifications, and other activities essential to the acquisition, improvement, expansion, or replacement of any plant or equipment with respect to which an expenditure is made shall be included in determining if such expenditure exceeds the capital expenditures minimum. Donations of equipment or facilities to a health care facility which if acquired directly by such facility would be subject to review under this Act shall be considered capital expenditures, and a transfer of equipment or facilities for less than fair market value shall be considered a capital expenditure for purposes of this Act if a transfer of the equipment or facilities at fair market value would be subject to review.

"Capital expenditure minimum" means \$6,000,000, which shall be annually adjusted to reflect the increase in construction costs due to inflation, for major medical equipment and for all other capital expenditures; provided, however, that when a capital expenditure is for the construction or modification of a health and fitness center, "capital expenditure minimum" means the capital expenditure minimum for all other capital expenditures in effect on March 1, 2000, which shall be annually adjusted to reflect the increase in construction costs due to inflation.

"Alternative health care model" means a facility or program authorized under the Alternative Health Care Delivery Act.

"Out-of-state facility" means a person that is both (i) licensed as a hospital or as an ambulatory surgery center under the laws of another state or that qualifies as a hospital or an ambulatory surgery center under regulations adopted pursuant to the Social Security Act and (ii) not licensed under the Ambulatory Surgical Treatment Center Act, the Hospital Licensing Act, or the Nursing Home Care Act. Affiliates of out-of-state facilities shall be considered out-of-state facilities. Affiliates of Illinois licensed health care facilities 100% owned by an Illinois licensed health care facility, its parent, or Illinois physicians licensed to practice medicine in all its branches shall not be considered out-of-state facilities. Nothing in this definition shall be construed to include an office or any part of an office of a physician licensed to practice medicine in all its branches in Illinois that is not required to be licensed under the Ambulatory Surgical Treatment Center Act.

"Change of ownership of a health care facility" means a change in the person who has ownership or control of a health care facility's physical plant and capital assets. (c) All applications shall be signed by the applicant and shall be verified by any 2 officers thereof.

(d) Upon receipt of an application for a permit, the State Board shall approve and authorize the issuance of a permit if it finds (1) that the applicant is fit, willing, and able to provide a proper standard of health care service for the community with particular regard to the qualification, background and

character of the applicant, (2) that economic feasibility is demonstrated in terms of effect on the existing and projected operating budget of the applicant and of the health care facility; in terms of the applicant's ability to establish and operate such facility in accordance with licensure regulations promulgated under pertinent state laws; and in terms of the projected impact on the total health care expenditures in the facility and community, (3) that safeguards are provided which assure that the establishment, construction or modification of the health care facility or acquisition of major medical equipment is consistent with the public interest, and (4) that the proposed project is consistent with the orderly and economic development of such facilities and equipment and is in accord with standards, criteria, or plans of need adopted and approved pursuant to the provisions of Section 12 of this Act. (20 ILCS 3960/10) (from Ch. 111 1/2, par. 1160) (Section scheduled to be repealed on July 1, 2003)

Sec. 10. Presenting information relevant to the approval of a permit or certificate or in opposition to the denial of the application; notice of outcome and review proceedings. When a motion by the State Board, to approve an application for a permit or a certificate of recognition, fails to pass, or when a motion to deny an application for a permit or a certificate of recognition is passed, the applicant or the holder of the permit, as the case may be, and such other parties as the State Board permits, will be given an opportunity to appear before the State Board and present such information as may be relevant to the approval of a permit or certificate or in opposition to the denial of the application.

Subsequent to an appearance by the applicant before the State Board or default of such opportunity to appear, a motion by the State Board to approve an application for a permit or a certificate of recognition which fails to pass or a motion to deny an application for a permit or a certificate of recognition which passes shall be considered denial of the application for a permit or certificate of recognition, as the case may be. Such action of denial or an action by the State Board to revoke a permit or a certificate of recognition shall be communicated to the applicant or holder of the permit or certificate of recognition. Such person or organization shall be afforded an opportunity for a hearing before a hearing officer, who is appointed by the ~~Director~~ State Board. A written notice of a request for such hearing shall be served upon the Chairman of the State Board within 30 days following notification of the decision of the State Board. The State Board shall schedule a hearing, and the ~~Director~~ Chairman shall appoint a hearing officer within 30 days thereafter. The hearing officer shall take actions necessary to ensure that the hearing is completed within a reasonable period of time, but not to exceed 90 days, except for delays or continuances agreed to by the person requesting the hearing. Following its consideration of the report of the hearing, or upon default of the party to the hearing, the State Board shall make its final determination, specifying its findings and conclusions within 45 days of receiving the written report of the hearing. A copy of such determination shall be sent by certified mail or served personally upon the party.

A full and complete record shall be kept of all proceedings, including the notice of hearing, complaint, and all other documents in the nature of pleadings, written motions filed in the proceedings, and the report and orders of the State Board or hearing officer. All testimony shall be reported but need not be transcribed unless the decision is appealed in accordance with the Administrative Review Law, as now or hereafter amended. A copy or copies of the transcript may be obtained by any interested party on payment of the cost of preparing such copy or copies.

The State Board or hearing officer shall upon its own or his motion, or on the written request of any party to the proceeding who has, in the State Board's or hearing officer's opinion, demonstrated the relevancy of such request to the outcome of the proceedings, issue subpoenas requiring the attendance and the giving of testimony by witnesses, and subpoenas duces tecum requiring the production of books, papers, records, or memoranda. The fees of witnesses for attendance and travel shall be the same as the fees of witnesses before the circuit court of this State.

When the witness is subpoenaed at the instance of the State Board, or its hearing officer, such fees shall be paid in the same manner as other expenses of the Agency, and when the witness is subpoenaed at the instance of any other party to any such proceeding the State Board may, in accordance with the rules of the Agency, require that the cost of service of the subpoena or subpoena duces tecum and the fee of the witness be borne by the party at whose instance the witness is summoned. In such case, the State Board in its discretion, may require a deposit to cover the cost of such service and witness fees. A subpoena or subpoena duces tecum so issued shall be served in the same manner as a subpoena issued out of a court.

Any circuit court of this State upon the application of the State Board or upon the application of any other party to the proceeding, may, in its discretion, compel the attendance of witnesses, the production of books, papers, records, or memoranda and the giving of testimony before it or its hearing officer conducting an investigation or holding a hearing authorized by this Act, by an attachment for contempt,

or otherwise, in the same manner as production of evidence may be compelled before the court. (Source: P.A. 88-18; 89-276, eff. 8-10-96.)

Sec. 12. Powers and duties of State Board. For purposes of this Act, the State Board shall exercise the following powers and duties:

(1) Prescribe rules, regulations, standards, criteria, procedures or reviews which may vary according to the purpose for which a particular review is being conducted or the type of project reviewed and which are required to carry out the provisions and purposes of this Act.

(2) Adopt procedures for public notice and hearing on all proposed rules, regulations, standards, criteria, and plans required to carry out the provisions of this Act.

(3) Prescribe criteria for recognition for areawide health planning organizations, including, but not limited to, standards for evaluating the scientific bases for judgments on need and procedure for making these determinations.

(4) Develop criteria and standards for health care facilities planning, conduct statewide inventories of health care facilities, maintain an updated inventory on the Department's web site reflecting the most recent bed and service changes and updated need determinations when new census data become available or new need formulae are adopted, and develop health care facility plans which shall be utilized in the review of applications for permit under this Act. Such health facility plans shall be coordinated by the Agency with the health care facility plans areawide health planning organizations and with other pertinent State Plans.

In developing health care facility plans, the State Board shall consider, but shall not be limited to, the following:

(a) The size, composition and growth of the population of the area to be served;

(c) The extent of utilization of existing facilities;

(d) The availability of facilities which may serve as alternatives or substitutes;

(e) The availability of personnel necessary to the operation of the facility;

The health care facility plans which are developed and adopted in accordance with this Section shall form the basis for the plan of the State to deal most effectively with statewide health needs in regard to health care facilities.

(5) Coordinate with other state agencies having responsibilities affecting health care facilities, including those of licensure and cost reporting.

(6) Solicit, accept, hold and administer on behalf of the State any grants or bequests of money, securities or property for use by the State Board or recognized areawide health planning organizations in the administration of this Act; and enter into contracts consistent with the appropriations for purposes enumerated in this Act.

(7) The State Board shall prescribe, in consultation with the recognized areawide health planning organizations, procedures for review, standards, and criteria which shall be utilized to make periodic areawide reviews and determinations of the appropriateness of any existing health services being rendered by health care facilities subject to the Act. The State Board shall consider recommendations of the areawide health planning organization and the Agency in making its determinations.

(8) Prescribe, in consultation with the recognized areawide health planning organizations, rules, regulations, standards, and criteria for the conduct of an expeditious review of applications for permits for projects of construction or modification of a health care facility, which projects are non-substantive in nature. Such rules shall not abridge the right of areawide health planning organizations to make recommendations on the classification and approval of projects, nor shall such rules prevent the conduct of a public hearing upon the timely request of an interested party. Such reviews shall not exceed 60 days from the date the application is declared to be complete by the Agency.

(9) Prescribe rules, regulations, standards, and criteria pertaining to the granting of permits for construction and modifications which are emergent in nature and must be undertaken immediately to prevent or correct structural deficiencies or hazardous conditions that may harm or injure persons using the facility, as defined in the rules and regulations of the State Board. This procedure is exempt from public hearing requirements of this Act.

[May 30, 2003]

(10) Prescribe rules, regulations, standards and criteria for the conduct of an expeditious review, not exceeding 60 days, of applications for permits for projects to construct or modify health care facilities which are needed for the care and treatment of persons who have acquired immunodeficiency syndrome (AIDS) or related conditions. To the extent practicable, the criteria, standards, and rules shall be based on objective criteria. In particular, the review of the criteria, standards, and rules shall consider:

(1) Whether the criteria and standards reflect current industry standards and anticipated trends.

(2) Whether the criteria and standards can be reduced or eliminated.

(3) Whether criteria and standards can be developed to authorize the construction of unfinished space for future use when the ultimate need for such space can be reasonably projected.

(4) Whether the criteria and standards take into account issues related to population growth and changing demographics in a community.

(20 ILCS 3960/13) (from Ch. 111 1/2, par. 1163) (Section scheduled to be repealed on July 1, 2003)

Sec. 13. Investigation of applications for permits and certificates of recognition. The Agency or the State Board shall make or cause to be made such investigations as it or the State Board deems necessary in connection with an application for a permit or an application for a certificate of recognition, or in connection with a determination of whether or not construction or modification which has been commenced is in accord with the permit issued by the State Board or whether construction or modification has been commenced without a permit having been obtained. The State Board may issue subpoenas duces tecum requiring the production of records and may administer oaths to such witnesses.

Any circuit court of this State, upon the application of the State Board or upon the application of any party to such proceedings, may, in its discretion, compel the attendance of witnesses, the production of books, papers, records, or memoranda and the giving of testimony before the State Board, by a proceeding as for contempt, or otherwise, in the same manner as production of evidence may be compelled before the court.

The State Board shall require all health facilities operating in this State to provide such reasonable reports at such times and containing such information as is needed by it to carry out the purposes and provisions of this Act. Prior to collecting information from health facilities, the State Board shall make reasonable efforts through a public process to consult with health facilities and associations that represent them to determine whether data and information requests will result in useful information for health planning, whether sufficient information is available from other sources, and whether data requested is routinely collected by health facilities and is available without retrospective record review. Data and information requests shall not impose undue paperwork burdens on health care facilities and personnel. Health facilities not complying with this requirement shall be reported to licensing, accrediting, certifying, or payment agencies as being in violation of State law. Health care facilities and other parties at interest shall have reasonable access, under rules established by the State Board, to all planning information submitted in accord with this Act pertaining to their area. Section 10. The Hospital Licensing Act is amended by changing Sections 8, 8.5, and 9.3 and adding Sections 9.4 and 9.5 as follows:

(210 ILCS 85/8) (from Ch. 111 1/2, par. 149)

Sec. 8. Facility plan review; fees. (a) Before commencing construction of new facilities or specified types of alteration or additions to an existing hospital involving major construction, as defined by rule by the Department, with an estimated cost greater than \$100,000, architectural plans and specifications therefor shall be submitted by the licensee to the Department for review and approval. A hospital may submit architectural drawings and specifications for other construction projects for Department review according to subsection (b) that shall not be subject to fees under subsection (d). The Department must give a hospital that is planning to submit a construction project for review the opportunity to discuss its plans and specifications with the Department before the hospital formally submits the plans and specifications for Department review. Review of drawings and specifications shall be conducted by an employee of the Department meeting the qualifications established by the Department of Central Management Services class specifications for such an individual's position or by a person contracting with the Department who meets those class specifications. Final approval of the plans and specifications for compliance with design and construction standards shall be obtained from the Department before the alteration, addition, or new construction is begun.

(b) The Department shall inform an applicant in writing within 10 working days after receiving drawings and specifications and the required fee, if any, from the applicant whether the applicant's submission is complete or incomplete. Failure to provide the applicant with this notice within 10 working days shall result in the submission being deemed complete for purposes of initiating the 60-day review period under this Section. If the submission is incomplete, the Department shall inform the applicant of the deficiencies with the submission in writing. If the submission is complete and the required fee, if any, has been paid, the Department shall approve or disapprove drawings and specifications submitted to the Department no later than 60 days following receipt by the Department. The drawings and specifications shall be of sufficient detail, as provided by Department rule, to enable the Department to render a determination of compliance with design and construction standards under this Act. If the Department finds that the drawings are not of sufficient detail for it to render a determination of compliance, the plans shall be determined to be incomplete and shall not be considered for purposes of initiating the 60 day review period. If a submission of drawings and specifications is incomplete, the applicant may submit additional information. The 60-day review period shall not commence until the Department determines that a submission of drawings and specifications is complete or the submission is deemed complete. If the Department has not approved or disapproved the drawings and specifications within 60 days, the construction, major alteration, or addition shall be deemed approved. If the drawings and specifications are disapproved, the Department shall state in writing, with specificity, the reasons for the disapproval. The entity submitting the drawings and specifications may submit additional information in response to the written comments from the Department or request a reconsideration of the disapproval. A final decision of approval or disapproval shall be made within 45 days of the receipt of the additional information or reconsideration request. If denied, the Department shall state the specific reasons for the denial and the applicant may elect to seek dispute resolution pursuant to Section 25 of the Illinois Building Commission Act, which the Department must participate in.

(c) The Department shall provide written approval for occupancy pursuant to subsection (g) and shall not issue a violation to a facility as a result of a licensure or complaint survey based upon the facility's physical structure if:

- (1) the Department reviewed and approved or deemed approved the drawing and specifications for compliance with design and construction standards;
- (2) the construction, major alteration, or addition was built as submitted;
- (3) the law or rules have not been amended since the original approval; and
- (4) the conditions at the facility indicate that there is a reasonable degree of safety provided for the patients.

(c-5) The Department shall not issue a violation to a facility if the inspected aspects of the facility were previously found to be in compliance with applicable standards, the relevant law or rules have not been amended, conditions at the facility reasonably protect the safety of its patients, and alterations or new hazards have not been identified.

(d) The Department shall charge the following fees in connection with its reviews conducted before

[May 30, 2003]

June 30, 2004 under this Section:

(1) (Blank).

(2) (Blank).

(3) If the estimated dollar value of the major construction is greater than \$500,000, the fee shall be established by the Department pursuant to rules that reflect the reasonable and direct cost of the Department in conducting the architectural reviews required under this Section. The estimated dollar value of the major construction subject to review under this Section shall be annually readjusted to reflect the increase in construction costs due to inflation.

The fees provided in this subsection (d) shall not apply to major construction projects involving facility changes that are required by Department rule amendments or to projects related to homeland security.

The fees provided in this subsection (d) shall also not apply to major construction projects if 51% or more of the estimated cost of the project is attributed to capital equipment. For major construction projects where 51% or more of the estimated cost of the project is attributed to capital equipment, the Department shall by rule establish a fee that is reasonably related to the cost of reviewing the project.

Disproportionate share hospitals and rural hospitals shall only pay one-half of the fees required in this subsection (d). For the purposes of this subsection (d), (i) "disproportionate share hospital" means a hospital described in items (1) through (5) of subsection (b) of Section 5-5.02 of the Illinois Public Aid Code and (ii) "rural hospital" means a hospital that is (A) located outside a metropolitan statistical area or (B) located 15 miles or less from a county that is outside a metropolitan statistical area and is licensed to perform medical/surgical or obstetrical services and has a combined total bed capacity of 75 or fewer beds in these 2 service categories as of July 14, 1993, as determined by the Department.

The Department shall not commence the facility plan review process under this Section until the applicable fee has been paid.

(e) All fees received by the Department under this Section shall be deposited into the Health Facility Plan Review Fund, a special fund created in the State treasury. All fees paid by hospitals under subsection (d) shall be used only to cover the direct and reasonable costs relating to the Department's review of hospital projects under this Section. Moneys shall be appropriated from that Fund to the Department only to pay the costs of conducting reviews under this Section. None of the moneys in the Health Facility Plan Review Fund shall be used to reduce the amount of General Revenue Fund moneys appropriated to the Department for facility plan reviews conducted pursuant to this Section.

(f) (Blank).

(g) The Department shall conduct an on-site inspection of the completed project no later than 15 business ~~30~~ days after notification from the applicant that the project has been completed and all certifications required by the Department have been received and accepted by the Department. The Department may extend this deadline only if a federally mandated survey time frame takes precedence. The Department shall provide written approval for occupancy to the applicant within 5 working days of the Department's final inspection, provided the applicant has demonstrated substantial compliance as defined by Department rule. Occupancy of new major construction is prohibited until Department approval is received, unless the Department has not acted within the time frames provided in this subsection (g), in which case the construction shall be deemed approved. Occupancy shall be authorized after any required health inspection by the Department has been conducted.

(h) The Department shall establish, by rule, a procedure to conduct interim on-site review of large or complex construction projects.

(i) The Department shall establish, by rule, an expedited process for emergency repairs or replacement of like equipment.

(j) Nothing in this Section shall be construed to apply to maintenance, upkeep, or renovation that does not affect the structural integrity of the building, does not add beds or services over the number for which the facility is licensed, and provides a reasonable degree of safety for the patients. (Source: P.A. 91-712, eff. 7-1-00; 92-563, eff. 6-24-02; 92-803, eff. 8-16-02; revised 9-19-02.)

(210 ILCS 85/8.5)

Sec. 8.5. ~~Waiver or alternative compliance of compliance with rules or standards for construction or physical plant.~~ Upon application by a hospital, the Department may grant or renew a the waiver or alternative compliance methodology of the hospital's compliance with a construction or physical plant rule or standard, including without limitation rules and standards for (i) design and construction, (ii) engineering and maintenance of the physical plant, site, equipment, and systems (heating, cooling, electrical, ventilation, plumbing, water, sewer, and solid waste disposal), and (iii) fire and safety, and (iv) other rules or standards that may present a barrier to the development, adoption, or implementation of an innovation designed to improve patient care, for a period not to exceed the duration of the current

license or, in the case of an application for license renewal, the duration of the renewal period. The waiver may be conditioned upon the hospital taking action prescribed by the Department as a measure equivalent to compliance. In determining whether to grant or renew a waiver, the Department shall consider the duration and basis for any current waiver with respect to the same rule or standard and the validity and effect upon patient health and safety of extending it on the same basis, the effect upon the health and safety of patients, the quality of patient care, the hospital's history of compliance with the rules and standards of this Act, and the hospital's attempts to comply with the particular rule or standard in question. The Department may provide, by rule, for the automatic renewal of waivers concerning construction or physical plant requirements upon the renewal of a license. The Department shall renew waivers relating to construction or physical plant standards issued pursuant to this Section at the time of the indicated reviews, unless it can show why such waivers should not be extended for the following reasons:

(1) the condition of the physical plant has deteriorated or its use substantially changed so that the basis upon which the waiver was issued is materially different; or

(2) the hospital is renovated or substantially remodeled in such a way as to permit compliance with the applicable rules and standards without substantial increase in cost.

A copy of each waiver application and each waiver granted or renewed shall be on file with the Department and available for public inspection.

The Department shall advise hospitals of any applicable federal waivers about which it is aware and for which the hospital may apply.

In the event that the Department does not grant or renew a waiver of a rule or standard, the Department must notify the hospital in writing detailing the specific reasons for not granting or renewing the waiver and must discuss possible options, if any, the hospital could take to have the waiver approved.

This Section shall apply to both new and existing construction. (Source: P.A. 92-803, eff. 8-16-02.)

(210 ILCS 85/9.3)

Sec. 9.3. ~~Informal dispute resolution. The Department must offer an opportunity for informal dispute resolution concerning the application of building codes for new and existing construction and related Department rules and standards before the advisory committee under subsection (b) of Section 2310-560 of the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Participants in this process must include representatives from the Department, representatives of the hospital, and additional representatives deemed appropriate by both parties with expertise regarding the contested deficiencies and the management of health care facilities. If the Department does not resolve disputed deficiencies after the informal dispute resolution process, the Department must provide a written explanation to the hospital of why the deficiencies have not been removed from the statement of deficiencies. (Source: P.A. 92-803, eff. 8-16-02.)~~

(210 ILCS 85/9.4 new)

Sec. 9.4. Findings, conclusions, and citations. The Department must consider any factual information offered by the hospital during the survey, inspection, or investigation, at daily status briefings, and in the exit briefing required under Section 9.2 before making final findings and conclusions or issuing citations. The Department must document receipt of such information. The Department must provide the hospital with written notice of its findings and conclusions within 10 days of the exit briefing required under Section 9.2. This notice must provide the following information: (i) identification of all deficiencies and areas of noncompliance with applicable law; (ii) identification of the applicable statutes, rules, codes, or standards that were violated; and (iii) the factual basis for each deficiency or violation.

(210 ILCS 85/9.5 new)

Sec. 9.5. Reviewer quality improvement. The Department must implement a reviewer performance improvement program for hospital survey, inspection, and investigation staff. The Department must also, on a quarterly basis, assess whether its surveyors, inspectors, and investigators: (i) apply the same protocols and criteria consistently to substantially similar situations; (ii) reach similar findings and conclusions when reviewing substantially similar situations; (iii) conduct surveys, inspections, or investigations in a professional manner; and (iv) comply with the provisions of this Act. The Department must also implement continuing education programs for its surveyors, inspectors, and investigators pursuant to the findings of the performance improvement program.

Section 99. Effective date. This Act takes effect upon becoming law."

(3) To request any information or assistance that may be necessary for carrying out the duties and responsibilities provided by this Section from any local, State, or federal governmental agency or unit thereof.

(4) To issue subpoenas subject to the advance approval of the Attorney General, and to compel the attendance of witnesses for purposes of testimony and the production of documents and other items for inspection and copying. If a person has petitioned a court of competent jurisdiction in Cook County, Sangamon County, or any county where the subpoena is sought to be enforced for a protective order or to quash or modify the subpoena, then this Section does not apply during the pendency of the court proceedings concerning the petition. A person duly subpoenaed for testimony, documents, or other items who neglects or refuses to testify or produce documents or other items under the requirements of the subpoena shall be subject to punishment as may be determined by a court of competent jurisdiction, unless (i) the testimony, documents, or other items are covered by the attorney-client privilege or any other privilege recognized by law or (ii) the testimony, documents, or other items concern the representation of employees and the negotiation of collective bargaining agreements by a labor organization authorized and recognized under the Illinois Public Labor Relations Act to be the exclusive bargaining representatives of employees of the State agency. Nothing in this Section limits a person's right to protection against self-incrimination under the Fifth Amendment of the United States Constitution or Article I, Section 10, of the Constitution of the State of Illinois.

(5) To have direct and prompt access to the Board of Directors of the Authority for any purpose pertaining to the performance of functions and responsibilities under this Section.

(f) The Inspector General may receive and investigate complaints or information from an employee of the Authority concerning the possible existence of an activity constituting a violation of law, rules, or regulations; mismanagement; abuse of authority; or substantial and specific danger to the public health and safety. The Inspector General shall have the discretion to determine the appropriate means of investigation as permitted by law and as approved in advance by the Attorney General. Any employee who knowingly files a false complaint or files a complaint with reckless disregard for the truth or the falsity of the facts underlying the complaint may be subject to discipline.

The Inspector General may not, after receipt of a complaint or information from an employee, disclose the identity of the employee without the consent of the employee.

Any employee who has the authority to recommend or approve any personnel action or to direct others to recommend or approve any personnel action may not, with respect to that authority, take or threaten to take any action against any employee as a reprisal for making a complaint or disclosing information to the Inspector General, unless the complaint was made or the information disclosed with the knowledge that it was false or with willful disregard for its truth or falsity.

(g) The Inspector General must adopt rules, in accordance with the provisions of the Illinois Administrative Procedure Act, establishing minimum requirements for initiating, conducting, and completing investigations. The rules must establish criteria for determining, based upon the nature of the allegation, the appropriate method of investigation, which may include, but is not limited to, site visits, telephone contacts, personal interviews, or requests for written responses. The rules must also clarify how the Office of the Inspector General shall interact with other local, State, and federal law enforcement investigations.

Any employee of the Authority subject to investigation or inquiry by the Inspector General or any agent or representative of the Inspector General shall have the right to be notified of the right to remain silent during the investigation or inquiry and the right to be represented in the investigation or inquiry by a representative of a labor organization that is the exclusive collective bargaining representative of employees of the Authority. Any such investigation or inquiry must be conducted in compliance with the provisions of a collective bargaining agreement that applies to the employees of the Authority. Any recommendation for discipline or any action taken against any employee by the Inspector General or any representative or agent of the Inspector General must comply with the provisions of the collective bargaining agreement that applies to the employee.

(h) The Inspector General shall provide to the Authority and the General Assembly a summary of reports and investigations made under this Section for the previous fiscal year no later than January 1 of each year. The summaries shall detail the final disposition of the Inspector General's recommendations. The summaries shall not contain any confidential or identifying information concerning the subjects of the reports and investigations. The summaries shall also include detailed, recommended administrative actions and matters for consideration by the General Assembly.

(i) The Office of the Inspector General shall be represented in all legal matters by the Attorney General.

(605 ILCS 10/9.65 new)

Sec. 9.65. Construction of sound barriers. The Authority shall use concrete masonry blocks to construct all sound barriers along any portion of the toll highway system that is constructed on or after the effective date of this amendatory Act of the 93rd General Assembly.

(605 ILCS 10/10) (from Ch. 121, par. 100-10)

Sec. 10. The Authority shall have power:

(a) To pass resolutions, make by-laws, rules and regulations for the management, regulation and control of its affairs, and to fix tolls, and to make, enact and enforce all needful rules and regulations in connection with the construction, operation, management, care, regulation or protection of its property or any toll highways, constructed or reconstructed hereunder.

(a-5) To fix, assess, and collect civil fines for a vehicle's operation on a toll highway without the required toll having been paid. The Authority may establish by rule a system of civil administrative adjudication to adjudicate only alleged instances of a vehicle's operation on a toll highway without the required toll having been paid, as detected by the Authority's video or photo surveillance system. In those cases in which the operator of the vehicle is not the registered vehicle owner, the establishment of ownership of the vehicle creates a rebuttable presumption that the vehicle was being operated by an agent of the registered vehicle owner. If the registered vehicle owner liable for a violation under this Section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator in the circuit court. Rules establishing a system of civil administrative adjudication must provide for written notice, by first class mail or other means provided by law, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of the lease, of the alleged violation and an opportunity to be heard on the question of the violation and must provide for the establishment of a toll-free telephone number to receive inquiries concerning alleged violations. The notice shall also inform the registered vehicle owner that failure to contest in the manner and time provided shall be deemed an admission of liability and that a final order of liability may be entered. A duly authorized agent of the Authority may perform or execute the preparation, certification, affirmation, or mailing of the notice. A notice of violation, sworn or affirmed to or certified by a duly authorized agent of the Authority, or a facsimile of the notice, based upon an inspection of photographs, microphotographs, videotape, or other recorded images produced by a video or photo surveillance system, shall be admitted as prima facie evidence of the correctness of the facts contained in the notice or facsimile. Only civil fines, along with the corresponding outstanding toll and costs, may be imposed by administrative adjudication. A fine may be imposed under this paragraph only if a violation is established by a preponderance of the evidence. Judicial review of all final orders of the Authority under this paragraph shall be conducted in accordance with the Administrative Review Law.

Any outstanding toll, fine, additional late payment fine, other sanction, or costs imposed, or part of any fine, other sanction, or costs imposed, remaining unpaid after the exhaustion of, or the failure to exhaust, judicial review procedures under the Illinois Administrative Review Law are a debt due and owing the Authority and may be collected in accordance with applicable law. After expiration of the period in which judicial review under the Illinois Administrative Review Law may be sought, a final order of the Authority under this subsection (a-5), unless stayed by a court of competent jurisdiction, may be enforced in the same manner as a judgment entered by a court of competent jurisdiction. Upon

being recorded in the manner required by Article XII of the Code of Civil Procedure or by the Uniform Commercial Code, a lien shall be imposed on the real estate or personal estate or both of the party adjudicated liable in the amount of any debt due and owing the Authority under this Section. The lien may be enforced in the same manner as a judgment lien pursuant to a judgment of a court of competent jurisdiction.

A system of civil administrative adjudication may also provide for a program of vehicle immobilization, towing, or impoundment for the purpose of facilitating enforcement of any final orders of the Authority under this subsection (a-5) after expiration of the period in which judicial review under the Illinois Administrative Review Law may be sought. The registered vehicle owner of a vehicle immobilized, towed, or impounded for nonpayment of a final order of the Authority under this subsection (a-5) shall have the right to request a hearing before the Authority's civil administrative adjudicatory system to challenge the validity of the immobilization, towing, or impoundment. This hearing, however, shall not constitute a readjudication of the merits of previously adjudicated notices. Judicial review of all final orders of the Authority under this subsection (a-5) shall be conducted in accordance with the Administrative Review Law.

(b) To prescribe rules and regulations applicable to traffic on highways under the jurisdiction of the Authority, concerning:

- (1) Types of vehicles permitted to use such highways or parts thereof, and classification of such vehicles;
- (2) Designation of the lanes of traffic to be used by the different types of vehicles permitted upon said highways;
- (3) Stopping, standing, and parking of vehicles;
- (4) Control of traffic by means of police officers or traffic control signals;
- (5) Control or prohibition of processions, convoys, and assemblages of vehicles and persons;
- (6) Movement of traffic in one direction only on designated portions of said highways;
- (7) Control of the access, entrance, and exit of vehicles and persons to and from said highways; and

(8) Preparation, location and installation of all traffic signs; and to prescribe further rules and regulations applicable to such traffic, concerning matters not provided for either in the foregoing enumeration or in the Illinois Vehicle Code. Notice of such rules and regulations shall be posted conspicuously and displayed at appropriate points and at reasonable intervals along said highways, by clearly legible markers or signs, to provide notice of the existence of such rules and regulations to persons traveling on said highways. At each toll station, the Authority shall make available, free of charge, pamphlets containing all of such rules and regulations.

(c) The Authority, in fixing the rate for tolls for the privilege of using the said toll highways, is authorized and directed, in fixing such rates, to base the same upon annual estimates to be made, recorded and filed with the Authority. Said estimates shall include the following: The estimated total amount of the use of the toll highways; the estimated amount of the revenue to be derived therefrom, which said revenue, when added to all other receipts and income, will be sufficient to pay the expense of maintaining and operating said toll highways, including the administrative expenses of the Authority, and to discharge all obligations of the Authority as they become due and payable.

(d) To accept from any municipality or political subdivision any lands, easements or rights in land needed for the operation, construction, relocation or maintenance of any toll highways, with or without payment therefor, and in its discretion to reimburse any such municipality or political subdivision out of its funds for any cost or expense incurred in the acquisition of land, easements or rights in land, in connection with the construction and relocation of the said toll highways, widening, extending roads, streets or avenues in connection therewith, or for the construction of any roads or streets forming extension to and connections with or between any toll highways, or for the cost or expense of widening, grading, surfacing or improving any existing streets or roads or the construction of any streets and roads forming extensions of or connections with any toll highways constructed, relocated, operated, maintained or regulated hereunder by the Authority. Where property owned by a municipality or political subdivision is necessary to the construction of an approved toll highway, if the Authority cannot reach an agreement with such municipality or political subdivision and if the use to which the property is being put in the hands of the municipality or political subdivision is not essential to the existence or the administration of such municipality or political subdivision, the Authority may acquire the property by condemnation. (Source: P.A. 89-120, eff. 7-7-95.)

(605 ILCS 10/11) (from Ch. 121, par. 100-11)

Sec. 11. The Authority shall have power:

- (a) To enter upon lands, waters and premises in the State for the purpose of making surveys,

soundings, drillings and examinations as may be necessary, expedient or convenient for the purposes of this Act, and such entry shall not be deemed to be a trespass, nor shall an entry for such purpose be deemed an entry under any condemnation proceedings which may be then pending; provided, however, that the Authority shall make reimbursement for any actual damage resulting to such lands, waters and premises as the result of such activities.

(b) To construct, maintain and operate stations for the collection of tolls or charges upon and along any toll highways.

(c) To provide for the collection of tolls and charges for the privilege of using the said toll highways. Before it adopts an increase in the rates for toll, the Authority shall hold a public hearing at which any person may appear, express opinions, suggestions, or objections, or direct inquiries relating to the proposed increase. Any person may submit a written statement to the Authority at the hearing, whether appearing in person or not. The hearing shall be held in the county in which the proposed increase of the rates is to take place. The Authority shall give notice of the hearing by advertisement on 3 successive days at least 15 days prior to the date of the hearing in a daily newspaper of general circulation within the county within which the hearing is held. The notice shall state the date, time, and place of the hearing, shall contain a description of the proposed increase, and shall specify how interested persons may obtain copies of any reports, resolutions, or certificates describing the basis on which the proposed change, alteration, or modification was calculated. After consideration of any statements filed or oral opinions, suggestions, objections, or inquiries made at the hearing, the Authority may proceed to adopt the proposed increase of the rates for toll. No change or alteration in or modification of the rates for toll shall be effective unless at least 30 days prior to the effective date of such rates notice thereof shall be given to the public by publication in a newspaper of general circulation, and such notice, or notices, thereof shall be posted and publicly displayed at each and every toll station upon or along said toll highways.

(d) To construct, at the Authority's discretion, grade separations at intersections with any railroads, waterways, street railways, streets, thoroughfares, public roads or highways intersected by the said toll highways, and to change and adjust the lines and grades thereof so as to accommodate the same to the design of such grade separation and to construct interchange improvements. The Authority is authorized to provide such grade separations or interchange improvements at its own cost or to enter into contracts or agreements with reference to division of cost therefor with any municipality or political subdivision of the State of Illinois, or with the Federal Government, or any agency thereof, or with any corporation, individual, firm, person or association. Where such structures have been built by the Authority and a local highway agency did not enter into an agreement to the contrary, the Authority shall maintain the entire structure, including the road surface, at the Authority's expense.

(e) To contract with and grant concessions to or lease or license to any person, partnership, firm, association or corporation so desiring the use of any part of any toll highways, excluding the paved portion thereof, but including the right of way adjoining, under, or over said paved portion for the placing of telephone, telegraph, electric, power lines and other utilities, and for the placing of pipe lines, and to enter into operating agreements with or to contract with and grant concessions to or to lease to any person, partnership, firm, association or corporation so desiring the use of any part of the toll highways, excluding the paved portion thereof, but including the right of way adjoining, or over said paved portion for motor fuel service stations and facilities, garages, stores and restaurants, or for any other lawful purpose, and to fix the terms, conditions, rents, rates and charges for such use.

The Authority shall also have power to establish reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances (herein called public utilities) of any public utility as defined in the Public Utilities Act along, over or under any toll road project. Whenever the Authority shall determine that it is necessary that any such public utility facilities which now are located in, on, along, over or under any project or projects be relocated or removed entirely from any such project or projects, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the Authority. All costs and expenses of such relocation or removal, including the cost of installing such facilities in a new location or locations, and the cost of any land or lands, or interest in land, or any other rights required to accomplish such relocation or removal shall be ascertained and paid by the Authority as a part of the cost of any such project or projects, and further, there shall be no rent, fee or other charge of any kind imposed upon the public utility owning or operating any facilities ordered relocated on the properties of the said Authority and the said Authority shall grant to the said public utility owning or operating said facilities and its successors and assigns the right to operate the same in the new location or locations for as long a period and upon the same terms and conditions as it had the right to maintain and operate such facilities in their former location or

locations.

(f) To enter into a contract with a unit of local government or other public or private entity under which the Authority agrees to collect by electronic means tolls, fees, or revenues on behalf of that entity. (Source: P.A. 90-681, eff. 7-31-98.)

(605 ILCS 10/16.2 new)

Sec. 16.2. Financial benefit prohibited.

(a) A director, employee, or agent of the Authority may not receive a financial benefit from a contract let by the Authority during his or her term of service with the Authority and for a period of one year following the termination of his or her term of service as a director of the Authority or as an employee or agent of the Authority.

(b) A member of the immediate family or household of a director, employee, or agent of the Authority may not receive a financial benefit from a contract let by the Authority during the immediate family or household member's term of service with the Authority and for a period of one year following the termination of the immediate family or household member's term of service as a director of the Authority or as an employee or agent of the Authority.

(c) A director, employee, or agent of the Authority may not use material non-public information for personal financial gain nor may he or she disclose that information to any other person for that person's personal financial gain when that information was obtained as a result of his or her directorship, employment, or agency with the Authority.

(d) A member of the immediate family or household of a director, employee, or agent of the Authority may not use material non-public information for personal financial gain nor may he or she disclose that information to any other person for that person's personal financial gain when that information was obtained as a result of his or her immediate family or household member's directorship, employment, or agency with the Authority.

(e) For purposes of this Section, "immediate family or household member" means the spouse, child, parent, brother, sister, grandparent, or grandchild, whether of the whole blood or half blood or by adoption, or a person who shares a common dwelling with a director of the Authority or with an employee or agent of the Authority.

(605 ILCS 10/17) (from Ch. 121, par. 100-17)

Sec. 17. (a) The Authority may from time to time issue bonds for any lawful purpose including, without limitation, the costs of issuance thereof and all such bonds or other obligations of the Authority issued pursuant to this Act shall be and are hereby declared to be negotiable for all purposes notwithstanding their payment from a limited source and without regard to any other law or laws.

(b) The bonds of every issue shall be payable solely out of revenues of the Authority, accumulated reserves or sinking funds, bond proceeds, proceeds of refunding bonds, or investment earnings as the Authority shall specify in a bond resolution.

(c) The bonds may be issued as serial bonds or as term bonds, or the Authority, in its discretion, may issue bonds of both types. The bonds shall be authorized by a bond resolution of the Authority, may be issued in one or more series and shall bear such date or dates, mature at such time or times not exceeding 25 years from their respective date or dates of issue, bear interest at such rate or rates, fixed or variable, without regard to any limit contained in any other statute or law of the State of Illinois, be payable as to principal and interest at such time or times, be in such denominations, be in such form, either coupon or fully registered, carry such registration and conversion privileges, be payable in lawful money of the United States of America at such places, be subject to such terms of redemption and may contain such other terms and provisions, as such bond resolution or resolutions may provide. The bonds shall be executed by the manual or facsimile signatures of the Chairman and the Secretary. In case any of the officers whose signature appears on the bonds or coupons, if any, shall cease to be an officer before the delivery of such bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if he had remained in office until such delivery. The bonds shall be sold in such manner as the Authority shall determine. The proceeds from the sale of such bonds shall be paid to the Treasurer of the State of Illinois as ex officio custodian. Pending preparation of the definitive bonds, the Authority may issue interim receipts or certificates which shall be exchanged for such definitive bonds.

(d) Any bond resolution, or trust indenture entered into pursuant to a bond resolution, may contain provisions, which shall be a part of the contract with the holders of the bonds to be authorized, as to: (i) pledging or creating a lien upon all or part of the revenues of the Authority or any reserves, sinking funds, bond proceeds or investment earnings; (ii) the setting aside of reserves or sinking funds, and the regulation, investment and disposition thereof; (iii) the use and maintenance requirements for the toll highways; (iv) the purposes to which or the investments in which the proceeds of sale of any series or issue of bonds then or thereafter to be issued may be applied; (v) the issuance of additional bonds, the

terms upon which additional bonds may be issued and secured, the purposes for such additional bonds, and the terms upon which additional bonds may rank on a parity with, or be subordinate or superior to other bonds; (vi) the refunding of outstanding bonds; (vii) the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of bonds the holders of which must consent thereto, and the manner in which such consent may be given; (viii) defining the acts or omissions to act which shall constitute a default in the duties of the Authority to holders of its obligations and providing the rights and remedies of such holders in the event of a default; (ix) any other matters relating to the bonds which the Authority deems desirable.

(e) Neither the directors of the Authority nor any person executing the bonds shall be liable personally on the bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

(f) The Authority shall have power out of any funds available therefor to purchase its bonds. The Authority may hold, pledge, cancel or resell such bonds subject to and in accordance with agreements with bondholders.

(g) In the discretion of the Authority any bonds issued under the provisions of this Act may be secured by a trust indenture by and between the Authority and a trustee or trustees, which may be any trust company or bank in the State of Illinois having the powers of a trust company and possessing capital and surplus of not less than \$50,000,000. The bond resolution or trust indenture providing for the issuance of bonds so secured shall pledge such revenues of the Authority, sinking funds, bond proceeds, or investment earnings as may be specified therein, may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including particularly such provisions as have hereinabove been specifically authorized to be included in any bond resolution or trust indenture of the Authority, and may restrict the individual right of action by bondholders. In addition to the foregoing, any bond resolution or trust indenture may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders, including, but not limited to, the purchase of bond insurance and the arrangement of letters of credit, lines of credit or other credit or liquidity enhancement facilities; provided there shall be no pledge of the toll highway or any part thereof. All expenses incurred in carrying out the provisions of any bond resolution or trust indenture may be treated as a part of the cost of the operation of the toll highways.

(h) Bonds issued under the authority of this Act do not, and shall state upon the face of each bond that they do not, represent or constitute a debt of the Authority or of the State of Illinois within the meaning of any constitutional or statutory limitation or a pledge of the faith and credit of the Authority or the State of Illinois, or grant to the owners or holders thereof any right to have the Authority or the General Assembly levy any taxes or appropriate any funds for the payment of the principal thereof or interest thereon. Such bonds shall be payable and shall state that they are payable solely from the revenues and the sources authorized under this Act and pledged for their payment in accordance with the bond resolution or trust indenture.

Nothing in this Act shall be construed to authorize the Authority or any department, board, commission or other agency to create an obligation of the State of Illinois within the meaning of the Constitution or Statutes of Illinois.

(i) Any resolution or trust indenture authorizing the issuance of the bonds may include provision for the issuance of additional bonds. All resolutions of the Authority to carry such adopted bond resolutions into effect, to provide for the sale and delivery of the bonds, for letting of contracts for the construction of toll highways and the acquisition of real and personal property deemed by the Authority necessary or convenient for the construction thereof, shall not require the approval of the Governor or of any other department, division, commission, bureau, board or other agency of the State.

(j) Prior to expending or obligating any amounts on deposit in any fund or account established in any bond resolution or trust indenture entered into pursuant to a bond resolution, in excess of the amount required to be held by the Authority in order to satisfy covenants established in any such bond resolution or trust indenture entered into pursuant to a bond resolution, the Authority shall submit to the General Assembly the proposed expenditure or obligation. If the General Assembly fails to adopt a joint resolution disapproving of such expenditure or obligation within the current legislative session, or, if the General Assembly is not in session at the time of submission, during the next legislative session thereafter, the Authority may proceed to expend or obligate such funds substantially in accordance with such proposal. (Source: P.A. 83-1258.)

(605 ILCS 10/20.2 new)

Sec. 20.2. Comprehensive Strategic Financial Plan.

(a) The Authority must submit to the General Assembly, not later than May 15, 2004, a 20-year

comprehensive strategic financial plan. The plan must include detailed information regarding the Authority's income, expenditures, debt, capital needs, and the cost of any planned toll highway extensions. The Authority must provide detailed and specific information regarding how it will fund its debt, unfunded capital needs, and the planned toll highway extensions. This information must include the possibility of obtaining federal funds, both loans and grants, under the Transportation Infrastructure Innovation Act or other federal programs.

(b) Before submitting the plan under subsection (a), the Authority must hold at least 2 public hearings at which any person may appear, express opinions, suggestions, or objections, or direct inquiries relating to the proposed plan. The Authority may not hold more than one hearing on the same day in connection with the proposed plan. The Authority must schedule a minimum of 4 hours for each hearing. At least 3 directors of the Authority must be present at each hearing, and each director must be present for the entire duration of the hearing.

(605 ILCS 10/27.1) (from Ch. 121, par. 100-27.1)

Sec. 27.1. Any person who shall use any spurious or counterfeit tickets, coupons or tokens in payment of any toll required to be paid by the Authority under the provisions of this Act, or who shall attempt to use the highway without payment of the tolls prescribed by the Authority, shall be deemed guilty of a petty offense and shall be fined not less than \$5 nor more than \$100 for each such offense. The fine range set forth in this Section for prosecution of toll evasion as a petty offense does not apply to toll evasion offenses that are adjudicated in the Authority's administration system. Each day any toll highway is used by any person in violation of this Act shall constitute a separate offense. (Source: P.A. 77-2239.)

The policies for State employees of the legislative branch shall require those time sheets to be submitted on paper, electronically, or both and to be maintained in either paper or electronic format by the applicable fiscal office for a period of at least 2 years.

Section 5-10. Ethics training. Each officer and employee must complete, at least annually, an ethics training program conducted by the appropriate State agency. Each ultimate jurisdictional authority must implement an ethics training program for its officers and employees. These ethics training programs shall be overseen by the appropriate Inspector General appointed pursuant to this Act working with the Office of the Attorney General.

Each Inspector General shall set standards and determine the hours and frequency of training necessary for each position or category of positions. A person who fills a vacancy in an elective or appointed position that requires training and a person employed in a position that requires training must complete his or her initial ethics training within 6 months after commencement of his or her office or employment.

Section 5-15. Prohibited political activities.

(a) State employees shall not intentionally perform any prohibited political activity during any compensated time (other than vacation, personal, or compensatory time off). State employees shall not intentionally misappropriate any State property or resources by engaging in any prohibited political activity for the benefit of any campaign for elective office or any political organization.

(b) At no time shall any executive or legislative branch constitutional officer or any official, director, supervisor, or State employee intentionally misappropriate the services of any State employee by requiring that State employee to perform any prohibited political activity (i) as part of that employee's State duties, (ii) as a condition of State employment, or (iii) during any time off that is compensated by the State (such as vacation, personal, or compensatory time off).

(c) A State employee shall not be required at any time to participate in any prohibited political activity in consideration for that State employee being awarded any additional compensation or employee benefit, in the form of a salary adjustment, bonus, compensatory time off, continued employment, or otherwise.

(d) A State employee shall not be awarded any additional compensation or employee benefit, in the form of a salary adjustment, bonus, compensatory time off, continued employment, or otherwise, in consideration for the State employee's participation in any prohibited political activity.

(e) Nothing in this Section prohibits activities that are otherwise appropriate for a State employee to engage in as a part of his or her official State employment duties or activities that are undertaken by a State employee on a voluntary basis as permitted by law.

(f) No person either (i) in a position that is subject to recognized merit principles of public employment or (ii) in a position the salary for which is paid in whole or in part by federal funds and that is subject to the Federal Standards for a Merit System of Personnel Administration applicable to grant-in-aid programs, shall be denied or deprived of State employment or tenure solely because he or she is a member or an officer of a political committee, of a political party, or of a political organization or club.

Nothing in this Section prevents the making or accepting of voluntary contributions otherwise in accordance with law.

Section 5-35. Contributions on State property. Contributions shall not be intentionally solicited, accepted, offered, or made on State property by public officials, by State employees, by candidates for elective office, by persons required to be registered under the Lobbyist Registration Act, or by any officers, employees, or agents of any political organization, except as provided in this Section. For purposes of this Section, "State property" means any building or portion thereof owned or exclusively leased by the State or any State agency at the time the contribution is solicited, offered, accepted, or made. "State property" does not however, include any portion of a building that is rented or leased from the State or any State agency by a private person or entity.

An inadvertent solicitation, acceptance, offer, or making of a contribution is not a violation of this Section so long as reasonable and timely action is taken to return the contribution to its source.

The provisions of this Section do not apply to the residences of State officers and employees, except that no fundraising events shall be held at residences owned by the State or paid for, in whole or in part, with State funds.

Section 5-40. Fundraising in Sangamon County. For purposes of this Section, the legislature is not considered to be in session on a day that is solely a perfunctory session day or on a day when only a committee is meeting.

Section 5-45. Procurement; revolving door prohibition.

(a) No former State employee may, within a period of one year immediately after termination of State employment, knowingly accept employment or receive compensation or fees for services from an employer if the employee, during the year immediately preceding termination of State employment, and on behalf of the State or State agency, negotiated in whole or in part one or more contracts with that employer aggregating \$25,000 or more.

(b) The requirements of this Section may be waived by the appropriate ultimate jurisdictional authority of the former State employee if that ultimate jurisdictional authority finds in writing that the State's negotiations and decisions regarding the procurement of the contract or contracts were not materially affected by any potential for employment of that employee by the employer.

(c) This Section applies only to persons who terminate an affected position on or after the effective date of this Act. ARTICLE 10

#### GIFT BAN

Section 10-10. Gift ban. Except as otherwise provided in this Article, no member, officer, or employee shall intentionally solicit or accept any gift from any prohibited source or in violation of any federal or State statute, rule, or regulation. This ban applies to and includes the spouse of and immediate family living with the member, officer, or employee. No prohibited source shall intentionally offer or make a gift that violates this Section.

(6) Anything provided by an individual on the basis of a personal friendship unless the member, officer, or employee has reason to believe that, under the circumstances, the gift was provided because of the official position or employment of the member, officer, or employee and not because of the personal friendship.

In determining whether a gift is provided on the basis of personal friendship, the member, officer, or employee shall consider the circumstances under which the gift was offered, such as:

(i) the history of the relationship between the individual giving the gift and the recipient of the gift, including any previous exchange of gifts between those individuals;

(ii) whether to the actual knowledge of the member, officer, or employee the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift; and

(iii) whether to the actual knowledge of the member, officer, or employee the individual who gave the gift also at the same time gave the same or similar gifts to other members, officers, or employees.

(7) Food or refreshments not exceeding \$75 per person in value on a single calendar day; provided that the food or refreshments are (i) consumed on the premises from which they were purchased or prepared or (ii) catered. For the purposes of this Section, "catered" means food or refreshments that are purchased ready to eat and delivered by any means.

(8) Intra-governmental and inter-governmental gifts. For the purpose of this Act, "intra-governmental gift" means any gift given to a member, officer, or employee of a State agency from another member, officer, or employee of the same State agency; and "inter-governmental gift" means any gift given to a member, officer, or employee of a State agency, by a member, officer, or employee of another State agency, of a federal agency, or of any governmental entity.

(9) Bequests, inheritances, and other transfers at death.

(10) Any item or items from any one prohibited source during any calendar year having a cumulative total value of less than \$100.

Each of the exceptions listed in this Section is mutually exclusive and independent of one another.

Section 10-30. Gift ban; disposition of gifts. A member, officer, or employee does not violate this Act if the member, officer, or employee promptly takes reasonable action to return the prohibited gift to its source or gives the gift or an amount equal to its value to an appropriate charity that is exempt from income taxation under Section 501 (c)(3) of the Internal Revenue Code of 1986, as now or hereafter amended, renumbered, or succeeded.

Section 10-40. Gift ban; further restrictions. A State agency may adopt or maintain policies that are more restrictive than those set forth in this Article and may continue to follow any existing policies, statutes, or regulations that are more restrictive or are in addition to those set forth in this Article.

Section 15-10. Protected activity. An officer, a member, or a State agency shall not take any retaliatory action against a State employee because the State employee does any of the following:

A violation of this Article may be established only upon a finding that (i) the State employee engaged in conduct described in Section 15-10 and (ii) that conduct was a contributing factor in the retaliatory action alleged by the State employee. It is not a violation, however, if it is demonstrated that the officer, member, other State employee, or State agency would have taken the same unfavorable personnel action in the absence of that conduct.

Section 15-25. Remedies. An action to obtain civil remedies for a violation of this Article may be initiated by a State employee only after a finding by an ethics commission that a violation of this Article has occurred or upon authorization by the Attorney General. The action shall be commenced in a circuit court of venue within one year after the required finding by the ethics commission or authorization by the Attorney General has been made. The proceeding before the circuit court shall be de novo, and the Administrative Review Law shall not apply to a proceeding under this Article. The State employee may be awarded all remedies necessary to make the State employee whole and to prevent future violations of this Article. No more than 5 commissioners may be of the same political party.

The terms of the initial commissioners shall commence on July 1, 2003. Four initial appointees of the Governor, as designated by the Governor, shall serve terms running through June 30, 2007. One initial appointee of the Governor, as designated by the Governor, and the initial appointees of the Attorney General, Secretary of State, Comptroller, and Treasurer shall serve terms running through June 30, 2008. The initial appointments shall be made within 60 days after the effective date of this Act.

After the initial terms, commissioners shall serve for 4-year terms commencing on July 1 of the year of appointment and running through June 30 of the fourth following year. Commissioners may be reappointed to one or more subsequent terms.

Vacancies occurring other than at the end of a term shall be filled by the appointing authority only for the balance of the term of the commissioner whose office is vacant.

Terms shall run regardless of whether the position is filled.

(c) The appointing authorities shall appoint commissioners who have experience holding governmental office or employment and shall appoint commissioners from the general public. A person is not eligible to serve as a commissioner if that person (i) has been convicted of a felony or a crime of dishonesty or moral turpitude, (ii) is, or was within the preceding 12 months, engaged in activities that require registration under the Lobbyist Registration Act, (iii) is related to the appointing authority, or (iv) is a State officer or employee.

The terms of officers shall be for 2 years commencing July 1 and running through June 30 of the second following year. Meetings shall be held at the call of the chairperson or any 3 commissioners. Official action by the Commission shall require the affirmative vote of 5 commissioners, and a quorum shall consist of 5 commissioners. The Executive Director of the Executive Ethics Commission may employ and determine the compensation of staff, as appropriations permit.

Section 20-10. Offices of Executive Inspectors General.

(b) The Governor, Attorney General, Secretary of State, Comptroller, and Treasurer shall each appoint an Executive Inspector General, without regard to political affiliation and solely on the basis of integrity and demonstrated ability. Each Executive Inspector General shall be confirmed by a three-fifths vote of the Senate. If the Senate is in recess, the appointing authority may make a temporary appointment until the next meeting of the Senate, when the appointing authority shall make a nomination to fill the office.

Nothing in this Article precludes the appointment by the Governor, Attorney General, Secretary of State, Comptroller, or Treasurer of any other inspector general required or permitted by law. The Governor, Attorney General, Secretary of State, Comptroller, and Treasurer each may appoint an existing inspector general as the Executive Inspector General required by this Article, provided that such an inspector general is not prohibited by law, rule, jurisdiction, qualification, or interest from serving as the Executive Inspector General required by this Article. An appointing authority may not appoint a relative as an Executive Inspector General.

Each Executive Inspector General shall have the following qualifications:

(1) has not been convicted of any felony under the laws of this State, another State, or the United States;

The term of each initial Executive Inspector General shall commence on July 1, 2003 and shall run through June 30, 2008. The initial appointments shall be made within 60 days after the effective date of this Act.

After the initial term, each Executive Inspector General shall serve for 5-year terms commencing on July 1 of the year of appointment and running through June 30 of the fifth following year. An Executive Inspector General may be reappointed to one or more subsequent terms.

A vacancy occurring other than at the end of a term shall be filled by the appointing authority only for the balance of the term of the Executive Inspector General whose office is vacant.

Terms shall run regardless of whether the position is filled.

(c) The Executive Inspector General appointed by the Attorney General shall have jurisdiction over the Attorney General and all employees of State agencies within the jurisdiction of the Attorney General. The Executive Inspector General appointed by the Secretary of State shall have jurisdiction over the Secretary of State and all employees of State agencies within the jurisdiction of the Secretary of State. The Executive Inspector General appointed by the Comptroller shall have jurisdiction over the Comptroller and all employees of State agencies within the jurisdiction of the Comptroller. The Executive Inspector General appointed by the Treasurer shall have jurisdiction over the Treasurer and all

employees of State agencies within the jurisdiction of the Treasurer. The Executive Inspector General appointed by the Governor shall have jurisdiction over the Governor, the Lieutenant Governor, and all employees of executive branch State agencies under the jurisdiction of the Executive Ethics Commission and not within the jurisdiction of the Attorney General, the Secretary of State, the Comptroller, or the Treasurer.

The jurisdiction of each Executive Inspector General is limited to investigating conduct alleged to violate this Act.

(d) The compensation of an Executive Inspector General shall be determined by the appointed authority. Subject to Section 20-45 of this Act, each Executive Inspector General has full authority to organize his or her Office of the Executive Inspector General, including the employment and determination of the compensation of staff, such as deputies, assistants, and other employees, as appropriations permit.

(e) No Executive Inspector General or employee of the Office of the Executive Inspector General may, during his or her term of appointment or employment:

(1) To promulgate rules governing the performance of its duties and the exercise of its powers and governing the investigations of the Executive Inspectors General.

(2) To conduct administrative hearings and rule on matters brought before the Commission only upon the receipt of pleadings filed by an Executive Inspector General and not upon its own prerogative. Any other allegations of misconduct received by the Commission from a person other than an Executive Inspector General shall be referred to the Office of the appropriate Executive Inspector General.

(3) To prepare and publish manuals and guides and, working with the Office of the Attorney General, oversee training of employees under its jurisdiction that explains their duties.

The Executive Inspector General may receive information through the Office of any Executive Inspector General, through an ethics commission, or through the Executive Ethics Hotline. An investigation may be conducted only in response to information reported to the Executive Inspector General as provided in this Section and not upon his or her own prerogative. The Executive Inspector General shall have the discretion to determine the appropriate means of investigation as permitted by law and as approved in advance by the Attorney General.

(2) To request information relating to an investigation from any person when the Executive Inspector General deems that information necessary in conducting an investigation.

(3) To issue subpoenas, subject to the advance approval of the Attorney General, to compel the attendance of witnesses for the purposes of testimony and production of documents and other items for inspection and copying.

(6) To assist and coordinate the ethics officers for State agencies under the jurisdiction of the Executive Inspector General and to work with those ethics officers.

(7) To participate in or conduct, when appropriate, multi-jurisdictional investigations.

(8) To request, as the Executive Inspector General deems appropriate, from ethics officers of State agencies under his or her jurisdiction, reports or information on (i) the content of a State agency's ethics training program and (ii) the percentage of new officers and employees who have completed ethics training.

Section 20-23. Ethics Officers. Each officer and the head of each State agency under the jurisdiction of the Executive Ethics Commission shall designate an Ethics Officer for the office or State agency. Ethics Officers shall:

(1) act as liaisons between the State agency and the appropriate Executive Inspector General and between the State agency and the Executive Ethics Commission;

(2) review statements of economic interest and disclosure forms of officers, senior employees, and contract monitors before they are filed with the Secretary of State; and

(3) provide guidance to officers and employees in the interpretation and implementation of this Act. Such guidance shall be based, wherever possible, upon the findings and opinions of the Executive Ethics Commission.

Section 20-25. Executive Ethics Hotline. The Executive Ethics Commission shall create and maintain a toll-free Ethics Hotline for the purpose of receiving reports of allegations relating to conduct subject to the jurisdiction of the Commission. The Commission shall transmit each report to the appropriate Inspector General or other ethics commission in a timely manner.

Section 20-35. Administrative subpoena; compliance. A person duly subpoenaed for testimony, documents, or other items who neglects or refuses to testify or produce documents or other items under the requirements of the subpoena shall be subject to punishment as may be determined by a court of competent jurisdiction, unless (i) the testimony, documents, or other items are covered by the attorney-client privilege or any other privilege or right recognized by law or (ii) the testimony, documents, or other items concern the representation of employees and the negotiation of collective bargaining agreements by a labor organization authorized and recognized under the Illinois Public Labor Relations Act to be the exclusive bargaining representative of employees of the State agency. Nothing in this Section limits a person's right to protection against self-incrimination under the Fifth Amendment of the United States Constitution or Article I, Section 10, of the Constitution of the State of Illinois.

Section 20-40. Collective bargaining agreements. Any investigation or inquiry by an Executive Inspector General or any agent or representative of an Executive Inspector General must be conducted in compliance with the provisions of a collective bargaining agreement that applies to the employees of the relevant State agency and with an awareness of the rights of the employees as set forth by State and federal law and applicable judicial decisions. Any recommendation for discipline or any action taken against any State employee pursuant to this Act must comply with the provisions of the collective bargaining agreement that applies to the State employee.

Section 20-45. Standing; representation.

(a) Only an Executive Inspector General may bring actions before the Executive Ethics Commission.

(b) The Attorney General shall represent an Executive Inspector General in all proceedings before the Commission, except that the Attorney General may appoint special counsel to represent an Executive Inspector General before the Commission if the Attorney General deems it necessary to avoid any actual, potential, or perceived conflict of interest.

(c) Attorneys or special counsel serving in the Office of an Executive Inspector General shall be appointed or retained by the Attorney General, shall be under the supervision, direction, and control of the Attorney General, and shall serve at the pleasure of the Attorney General. The compensation of any assistant attorneys and special counsel appointed or retained in accordance with this subsection shall be paid by the appropriate Office of the Executive Inspector General.

(d) Any State employee or officer named as a respondent in a complaint is entitled to reimbursement for his or her reasonable attorney's fees and expenses in defending against the complaint if that respondent is not found by the Commission to have violated this Act.

Section 20-50. Investigation reports; complaint procedure.

(a) If an Executive Inspector General, upon the conclusion of an investigation, determines that probable cause exists to file pleadings with the Executive Ethics Commission, then the Executive Inspector General shall issue a summary report of the investigation. The report shall be delivered to the appropriate ultimate jurisdictional authority and to the head of each State agency affected by or involved in the investigation, if appropriate.

(b) The summary report of the investigation shall include the following:

(1) A description of any allegations or other information received by the Executive Inspector General pertinent to the investigation.

(2) A description of any alleged misconduct discovered in the course of the investigation.

(3) Recommendations for any corrective or disciplinary action to be taken in response to any alleged misconduct described in the report, including but not limited to discharge.

(4) Other information the Executive Inspector General deems relevant to the investigation or resulting recommendations.

(c) Not less than 30 days after delivery of the summary report of an investigation under subsection (a), the Executive Inspector General, represented by the Attorney General, may file with the Executive Ethics Commission a petition for leave to file a complaint. The petition shall set forth the alleged violation and the grounds that exist to support probable cause. The petition for leave to file a complaint must be filed with the Commission within 18 months after an alleged violation of this Act.

(d) A copy of the petition must be served on all respondents named in the complaint and on each respondent's ultimate jurisdictional authority in the same manner as process is served under the Code of Civil Procedure.

(e) A respondent may file objections to the petition for leave to file a complaint within 30 days after notice of the petition has been served on the respondent.

(f) The Commission shall meet, either in person or by telephone, in a closed session to review the sufficiency of the complaint. If the Commission finds that complaint is sufficient, the Commission shall grant the petition for leave to file the complaint. The Commission shall issue notice to the Executive Inspector General and all respondents of the Commission's ruling on the sufficiency of the complaint. If the complaint is deemed to sufficiently allege a violation of this Act, then the Commission shall notify the parties and shall include a hearing date scheduled within 4 weeks after the date of the notice, unless all of the parties consent to a later date. If the complaint is deemed not to sufficiently allege a violation, then the Commission shall send by certified mail, return receipt requested, a notice to the parties of the decision to dismiss the complaint, and that notice shall be made public.

(g) On the scheduled date the Commission shall conduct a closed meeting, either in person or, if the parties consent, by telephone, on the complaint and allow all parties the opportunity to present testimony and evidence. All such proceedings shall be transcribed.

(h) Within an appropriate time limit set by rules of the Executive Ethics Commission, the Commission shall (i) dismiss the complaint or (ii) issue a recommendation of discipline to the respondent and the respondent's ultimate jurisdictional authority or impose an administrative fine upon the respondent, or both.

(i) The proceedings on any complaint filed with the Commission shall be conducted pursuant to rules promulgated by the Commission.

(j) The Commission may designate hearing officers to conduct proceeding as determined by rule of the Commission.

(k) In all proceedings before the Commission, the standard of proof is by a preponderance of the evidence.

#### Section 20-55. Decisions; recommendations.

(a) All decisions of the Executive Ethics Commission must include a description of the alleged misconduct, the decision of the Commission, including any fines levied and any recommendation of discipline, and the reasoning for that decision. All decisions of the Commission shall be delivered to the head of the appropriate State agency, the appropriate ultimate jurisdictional authority, and the appropriate Executive Inspector General. The Executive Ethics Commission shall promulgate rules for the decision and recommendation process.

(b) If the Executive Ethics Commission issues a recommendation of discipline to an agency head or ultimate jurisdictional authority, that agency head or ultimate jurisdictional authority must respond to that recommendation in 30 days with a written response to the Executive Ethics Commission. This response must include any disciplinary action the agency head or ultimate jurisdictional authority has taken with respect to the officer or employee in question. If the agency head or ultimate jurisdictional authority did not take any disciplinary action, or took a different disciplinary action than that recommended by the Executive Ethics Commission, the agency head or ultimate jurisdictional authority must describe the different action and explain the reasons for the different action in the written response. This response must be served upon the Executive Ethics Commission and the appropriate Executive Inspector General within the 30-day period and is not exempt from the provisions of the Freedom of Information Act.

Section 20-60. Appeals. A decision of the Executive Ethics Commission to impose a fine is subject to judicial review under the Administrative Review Law. All other decisions by the Executive Ethics Commission are final and not subject to review either administratively or judicially.

Section 20-65. Investigations not concluded within 6 months. If any investigation is not concluded within 6 months after its initiation, the appropriate Executive Inspector General shall notify the

Executive Ethics Commission and appropriate ultimate jurisdictional authority of the general nature of the allegation or information giving rise to the investigation and the reasons for failure to complete the investigation within 6 months.

Section 20-70. Cooperation in investigations. It is the duty of every officer and employee under the jurisdiction of an Executive Inspector General, including any inspector general serving in any State agency under the jurisdiction of that Executive Inspector General, to cooperate with the Executive Inspector General in any investigation undertaken pursuant to this Act. Failure to cooperate with an investigation of the Executive Inspector General is grounds for disciplinary action, including dismissal, unless the failure is based on (i) the attorney-client privilege or any other privilege or right recognized by law or (ii) a collective bargaining agreement with a labor organization authorized and recognized under the Illinois Public Labor Relations Act to be the exclusive bargaining representative of affected employees.

Nothing in this Section limits a person's right to protection against self-incrimination under the Fifth Amendment of the United States Constitution or Article I, Section 10, of the Constitution of the State of Illinois.

Section 20-80. Referrals of investigations. If an Executive Inspector General determines that any alleged misconduct involves any person not subject to the jurisdiction of the Executive Ethics Commission, that Executive Inspector General shall refer the reported allegations to the appropriate Inspector General, appropriate ethics commission, or other appropriate body. If an Executive Inspector General determines that any alleged misconduct may give rise to criminal penalties, the Executive Inspector General shall refer the allegations regarding that misconduct to the appropriate law enforcement authority.

Section 20-85. Annual reports. Each Executive Inspector General shall submit an annual report to the executive branch constitutional officers and the Executive Ethics Commission, on a date determined by the Executive Ethics Commission, indicating:

- (1) the number of allegations received since the date of the last report;
- (2) the number of investigations initiated since the date of the last report;
- (3) the number of investigations concluded since the date of the last report;
- (4) the number of investigations pending as of the reporting date; and
- (5) the number of actions filed since the last report and the number of actions pending before the Commission as of the reporting date.

Section 20-90. Confidentiality.

(a) The identity of any individual providing information or reporting any possible or alleged misconduct to an Executive Inspector General, the Executive Ethics Commission, or the Executive Ethics Hotline shall be kept confidential and may not be disclosed without the consent of that individual, unless the individual consents to disclosure of his or her name or disclosure of the individual's identity is otherwise required by law. The confidentiality granted by this subsection does not preclude the disclosure of the identity of a person in any capacity other than as the source of an allegation.

(b) Commissioners, employees, and agents of the Executive Ethics Commission, the Executive Inspectors General, and employees and agents of each Office of an Executive Inspector General shall keep confidential and shall not disclose information exempted from disclosure under the Freedom of Information Act or by this Act.

Section 20-95. Exemptions.

(a) Documents generated by an ethics officer under this Act are exempt from the provisions of the Freedom of Information Act.

(b) Any allegations and related documents submitted to an Executive Inspector General and any pleadings and related documents brought before the Executive Ethics Commission are exempt from the provisions of the Freedom of Information Act so long as the Executive Ethics Commission does not make a finding of a violation of this Act. If the Executive Ethics Commission finds that a violation has occurred, the entire record of proceedings before the Commission, the decision and recommendation, and the mandatory report from the agency head or ultimate jurisdictional authority to the Executive Ethics Commission are not exempt from the provisions of the Freedom of Information Act but information contained therein that is otherwise exempt from the Freedom of Information Act must be redacted before disclosure as provided in Section 8 of the Freedom of Information Act.

(c) Meetings of the Commission under Sections 20-5 and 20-15 of this Act are exempt from the provisions of the Open Meetings Act.

(d) Unless otherwise provided in this Act, all investigatory files and reports of the Office of an Executive Inspector General, other than annual reports, are confidential, are exempt from disclosure under the Freedom of Information Act, and shall not be divulged to any person or agency, except as

necessary (i) to the appropriate law enforcement authority if the matter is referred pursuant to this Act, (ii) to the ultimate jurisdiction authority, (iii) to the Executive Ethics Commission; or (iv) to another Inspector General appointed pursuant to this Act. ARTICLE 25

LEGISLATIVE INSPECTOR GENERAL

Section 25-5. Legislative Ethics Commission.

(a) The Legislative Ethics Commission is created.

(b) The Legislative Ethics Commission shall consist of 8 commissioners appointed 2 each by the President and Minority Leader of the Senate and the Speaker and Minority Leader of the House of Representatives.

The terms of the initial commissioners shall commence on July 1, 2003. Each appointing authority shall designate one appointee who shall serve for a 2-year term running through June 30, 2005. Each appointing authority shall designate one appointee who shall serve for a 4-year term running through June 30, 2007. The initial appointments shall be made within 60 days after the effective date of this Act.

After the initial terms, commissioners shall serve for 4-year terms commencing on July 1 of the year of appointment and running through June 30 of the fourth following year. Commissioners may be reappointed to one or more subsequent terms.

Vacancies occurring other than at the end of a term shall be filled by the appointing authority only for the balance of the term of the commissioner whose office is vacant.

Terms shall run regardless of whether the position is filled.

(c) The appointing authorities shall appoint commissioners who have experience holding governmental office or employment and shall appoint commissioners from the general public. A person is not eligible to serve as a commissioner if that person (i) has been convicted of a felony or a crime of dishonesty or moral turpitude, (ii) is, or was within the preceding 12 months, engaged in activities that require registration under the Lobbyist Registration Act, (iii) is a relative of the appointing authority, or (iv) is a State officer or employee.

(d) The Legislative Ethics Commission shall have jurisdiction over members of the General Assembly and all State employees whose ultimate jurisdictional authority is (i) a legislative leader, (ii) the Senate Operations Commission, or (iii) the Joint Committee on Legislative Support Services. The jurisdiction of the Commission is limited to matters arising under this Act.

(e) The Legislative Ethics Commission must meet, either in person or by other technological means, at least monthly and as often as necessary. At the first meeting of the Legislative Ethics Commission, the commissioners shall choose from their number a chairperson and other officers that they deem appropriate. The terms of officers shall be for 2 years commencing July 1 and running through June 30 of the second following year. Meetings shall be held at the call of the chairperson or any 3 commissioners. Official action by the Commission shall require the affirmative vote of 5 commissioners, and a quorum shall consist of 5 commissioners. Commissioners shall receive no compensation, but may be reimbursed for their reasonable expenses actually incurred in the performance of their duties.

(f) No commissioner or employee of the Legislative Ethics Commission may during his or her term of appointment or employment:

(1) become a candidate for any elective office;

(2) hold any other elected or appointed public office except for appointments on governmental advisory boards or study commissions or as otherwise expressly authorized by law;

(3) be actively involved in the affairs of any political party or political organization; or

(4) actively participate in any campaign for any elective office.

(g) An appointing authority may remove a commissioner only for cause.

(h) The Legislative Ethics Commission shall appoint an Executive Director. The compensation of the Executive Director shall be as determined by the Commission or by the Compensation Review Board, whichever amount is higher. The Executive Director of the Legislative Ethics Commission may employ and determine the compensation of staff, as appropriations permit.

Section 25-10. Office of Legislative Inspector General.

(a) The Office of the Legislative Inspector General is created. The Office shall be under the direction and supervision of the Legislative Inspector General.

(b) The Legislative Inspector General shall be appointed without regard to political affiliation and solely on the basis of integrity and demonstrated ability. The Legislative Ethics Commission shall diligently search out qualified candidates for Legislative Inspector General and shall make recommendations to the General Assembly.

The Legislative Inspector General shall be appointed by a joint resolution of the Senate and the House of Representatives, which may specify the date on which the appointment takes effect. A joint

resolution, or other document as may be specified by the Joint Rules of the General Assembly, appointing the Legislative Inspector General must be certified by the Speaker of the House of Representatives and the President of the Senate as having been adopted by the affirmative vote of three-fifths of the members elected to each house, respectively, and be filed with the Secretary of State. The appointment of the Legislative Inspector General takes effect on the day the appointment is completed by the General Assembly, unless the appointment specifies a later date on which it is to become effective.

The Legislative Inspector General shall have the following qualifications:

(1) has not been convicted of any felony under the laws of this State, another State, or the United States;

(2) has earned a baccalaureate degree from an institution of higher education; and

(3) has either (A) 5 or more years of service with a federal, State, or local law enforcement agency, at least 2 years of which have been in a progressive investigatory capacity; (B) 5 or more years of service as a federal, State, or local prosecutor; or (C) 5 or more years of service as a senior manager or executive of a federal, State, or local agency.

The Legislative Inspector General may not be a relative of a commissioner.

The term of the initial Legislative Inspector General shall commence on July 1, 2003 and shall run through June 30, 2008.

After the initial term, the Legislative Inspector General shall serve for 5-year terms commencing on July 1 of the year of appointment and running through June 30 of the fifth following year. The Legislative Inspector General may be reappointed to one or more subsequent terms.

A vacancy occurring other than at the end of a term shall be filled in the same manner as an appointment only for the balance of the term of the Legislative Inspector General whose office is vacant.

Terms shall run regardless of whether the position is filled.

(c) The Legislative Inspector General shall have jurisdiction over the members of the General Assembly and all State employees whose ultimate jurisdictional authority is (i) a legislative leader, (ii) the Senate Operations Commission, or (iii) the Joint Committee on Legislative Support Services.

The jurisdiction of the Legislative Inspector General is limited to investigating conduct alleged to violate this Act.

(d) The compensation of the Legislative Inspector General shall be determined by the Commission. Subject to Section 25-45 of this Act, the Legislative Inspector General has full authority to organize the Office of the Legislative Inspector General, including the employment and determination of the compensation of staff, such as deputies, assistants, and other employees, as appropriations permit.

(e) No Legislative Inspector General or employee of the Office of the Legislative Inspector General may, during his or her term of appointment or employment:

(1) become a candidate for any elective office;

(1) To promulgate rules governing the performance of its duties and the exercise of its powers and governing the investigations of the Legislative Inspector General.

(2) To conduct administrative hearings and rule on matters brought before the Commission only upon the receipt of pleadings filed by the Legislative Inspector General and not upon its own prerogative. Any other allegations of misconduct received by the Commission from a person other than the Legislative Inspector General shall be referred to the Office of the Legislative Inspector General.

(3) To prepare and publish manuals and guides and, working with the Office of the Attorney General, oversee training of employees under its jurisdiction that explains their duties.

(4) To prepare public information materials to facilitate compliance, implementation, and enforcement of this Act.

(5) To submit reports as required by this Act.

(6) To make rulings, issue recommendations, and impose administrative fines, if appropriate, in connection with the implementation and interpretation of this Act. The powers and duties of the Commission are limited to matters clearly within the purview of this Act.

(7) To issue subpoenas with respect to matters pending before the Commission, subject to the provisions of this Article and in the discretion of the Commission, to compel the attendance of witnesses

[May 30, 2003]

for purposes of testimony and the production of documents and other items for inspection and copying.

Section 25-20. Duties of the Legislative Inspector General. In addition to duties otherwise assigned by law, the Legislative Inspector General shall have the following duties:

(1) To receive and investigate allegations of violations of this Act. The Legislative Inspector General may receive information through the Office of the Legislative Inspector General, through an ethics commission, or through the Legislative Ethics Hotline. An investigation may be conducted only in response to information reported to the Legislative Inspector General as provided in this Section and not upon his or her own prerogative. The Legislative Inspector General shall have the discretion to determine the appropriate means of investigation as permitted by law and as approved in advance by the Attorney General.

(2) To request information relating to an investigation from any person when the Legislative Inspector General deems that information necessary in conducting an investigation.

(3) To issue subpoenas, subject to the advance approval of the Attorney General, to compel the attendance of witnesses for the purposes of testimony and production of documents and other items for inspection and copying.

(4) To submit reports as required by this Act.

(5) After finding probable cause, to file pleadings in the name of the Legislative Inspector General with the Legislative Ethics Commission, through the Attorney General, as provided in this Article.

(6) To assist and coordinate the ethics officers for State agencies under the jurisdiction of the Legislative Inspector General and to work with those ethics officers.

(7) To participate in or conduct, when appropriate, multi-jurisdictional investigations.

(8) To request, as the Legislative Inspector General deems appropriate, from ethics officers of State agencies under his or her jurisdiction, reports or information on (i) the content of a State agency's ethics training program and (ii) the percentage of new officers and employees who have completed ethics training.

Section 25-23. Ethics Officers. The President and Minority Leader of the Senate and the Speaker and Minority Leader of the House of Representatives shall each appoint an ethics officer for the legislative members of his or her legislative caucus. The head of each State agency under the jurisdiction of the Legislative Ethics Commission, other than the General Assembly, shall designate an ethics officer for the State agency. Ethics Officers shall:

(1) act as liaisons between the State agency and the Legislative Inspector General and between the State agency and the Legislative Ethics Commission;

(2) review statements of economic interest and disclosure forms of officers, senior employees, and contract monitors before they are filed with the Secretary of State; and

(3) provide guidance to officers and employees in the interpretation and implementation of this Act. Such guidance shall be based, wherever possible, upon the findings and opinions of the Legislative Ethics Commission.

Section 25-25. Legislative Ethics Hotline. The Legislative Ethics Commission shall create and maintain a toll-free Legislative Ethics Hotline for the purpose of receiving reports of allegations relating to conduct subject to the jurisdiction of the Legislative Ethics Commission. The Commission shall transmit each report to the appropriate Inspector General or other ethics commission in a timely manner.

Section 25-35. Administrative subpoena; compliance. A person duly subpoenaed for testimony, documents, or other items who neglects or refuses to testify or produce documents or other items under the requirements of the subpoena shall be subject to punishment as may be determined by a court of competent jurisdiction, unless the testimony, documents, or other items are covered by the attorney-client privilege or any other privilege or right recognized by law. Nothing in this Section limits a person's right to protection against self-incrimination under the Fifth Amendment of the United States Constitution or Article I, Section 10, of the Constitution of the State of Illinois.

Section 25-45. Standing; representation.

(a) Only the Legislative Inspector General may bring actions before the Legislative Ethics Commission.

(b) The Attorney General shall represent the Legislative Inspector General in all proceedings before the Commission, except that the Attorney General may appoint special counsel to represent the Legislative Inspector General before the Commission if the Attorney General deems it necessary to avoid any actual, potential, or perceived conflict of interest.

(c) Attorneys or special counsel serving in the Office of the Legislative Inspector General shall be appointed or retained by the Attorney General, shall be under the supervision, direction, and control of the Attorney General, and shall serve at the pleasure of the Attorney General. The compensation of any assistant attorneys and special counsel appointed or retained in accordance with this subsection shall be

paid by the Office of the Legislative Inspector General.

(d) Any State employee or officer named as a respondent in a complaint is entitled to reimbursement for his or her reasonable attorney's fees and expenses in defending against the complaint if that respondent is not found by the Commission to have violated this Act.

Section 25-50. Investigation reports; complaint procedure.

(a) If the Legislative Inspector General, upon the conclusion of an investigation, determines that probable cause exists to file pleadings with the Legislative Ethics Commission, then the Legislative Inspector General shall issue a summary report of the investigation. The report shall be delivered to the appropriate ultimate jurisdictional authority and to the head of each State agency affected by or involved in the investigation, if appropriate.

(b) The summary report of the investigation shall include the following:

(1) A description of any allegations or other information received by the Legislative Inspector General pertinent to the investigation.

(2) A description of any alleged misconduct discovered in the course of the investigation.

(3) Recommendations for any corrective or disciplinary action to be taken in response to any alleged misconduct described in the report, including but not limited to discharge.

(4) Other information the Legislative Inspector General deems relevant to the investigation or resulting recommendations.

(c) Not less than 30 days after delivery of the summary report of an investigation under subsection (a), the Legislative Inspector General, represented by the Attorney General, may file with the Legislative Ethics Commission a petition for leave to file a complaint. The petition shall set forth the alleged violation and the grounds that exist to support probable cause. The petition for leave to file a complaint must be filed with the Commission within 18 months after an alleged violation of this Act.

(d) A copy of the petition must be served on all respondents named in the complaint and on each respondent's ultimate jurisdictional authority in the same manner as process is served under the Code of Civil Procedure.

(e) A respondent may file objections to the petition for leave to file a complaint within 30 days after notice of the petition has been served on the respondent.

(f) The Commission shall meet, either in person or by telephone, in a closed session to review the sufficiency of the complaint. If the Commission finds that complaint is sufficient, the Commission shall grant the petition for leave to file the complaint. The Commission shall issue notice to the Legislative Inspector General and all respondents of the Commission's ruling on the sufficiency of the complaint. If the complaint is deemed to sufficiently allege a violation of this Act, then the Commission shall notify the parties and shall include a hearing date scheduled within 4 weeks after the date of the notice, unless all of the parties consent to a later date. If the complaint is deemed not to sufficiently allege a violation, then the Commission shall send by certified mail, return receipt requested, a notice to the parties of the decision to dismiss the complaint, and that notice shall be made public.

(g) On the scheduled date the Commission shall conduct a closed meeting, either in person or, if the parties consent, by telephone, on the complaint and allow all parties the opportunity to present testimony and evidence. All such proceedings shall be transcribed.

(h) Within an appropriate time limit set by rules of the Legislative Ethics Commission, the Commission shall (i) dismiss the complaint or (ii) issue a recommendation of discipline to the respondent and the respondent's ultimate jurisdictional authority or impose an administrative fine upon the respondent, or both.

(i) The proceedings on any complaint filed with the Commission shall be conducted pursuant to rules promulgated by the Commission.

(j) The Commission may designate hearing officers to conduct proceeding as determined by rule of the Commission.

(k) In all proceedings before the Commission, the standard of proof is by a preponderance of the evidence.

Section 25-55. Decisions; recommendations.

(a) All decisions of the Legislative Ethics Commission must include a description of the alleged misconduct, the decision of the Commission, including any fines levied and any recommendation of discipline, and the reasoning for that decision. All decisions of the Commission shall be delivered to the head of the appropriate State agency, the appropriate ultimate jurisdictional authority, and the Legislative Inspector General. The Legislative Ethics Commission shall promulgate rules for the decision and recommendation process.

(b) If the Legislative Ethics Commission issues a recommendation of discipline to an agency head or ultimate jurisdictional authority, that agency head or ultimate jurisdictional authority must respond to

that recommendation in 30 days with a written response to the Legislative Ethics Commission. This response must include any disciplinary action the agency head or ultimate jurisdictional authority has taken with respect to the officer or employee in question. If the agency head or ultimate jurisdictional authority did not take any disciplinary action, or took a different disciplinary action than that recommended by the Legislative Ethics Commission, the agency head or ultimate jurisdictional authority must describe the different action and explain the reasons for the different action in the written response. This response must be served upon the Legislative Ethics Commission and the Legislative Inspector General within the 30-day period and is not exempt from the provisions of the Freedom of Information Act.

Section 25-60. Appeals. A decision of the Legislative Ethics Commission to impose a fine is subject to judicial review under the Administrative Review Law. All other decisions by the Legislative Ethics Commission are final and not subject to review either administratively or judicially.

Section 25-65. Investigations not concluded within 6 months. If any investigation is not concluded within 6 months after its initiation, the Legislative Inspector General shall notify the Legislative Ethics Commission and appropriate ultimate jurisdictional authority of the general nature of the allegation or information giving rise to the investigation and the reasons for failure to complete the investigation within 6 months.

Section 25-70. Cooperation in investigations. It is the duty of every officer and employee under the jurisdiction of the Legislative Inspector General, including any inspector general serving in any State agency under the jurisdiction of the Legislative Inspector General, to cooperate with the Legislative Inspector General in any investigation undertaken pursuant to this Act. Failure to cooperate with an investigation of the Legislative Inspector General is grounds for disciplinary action, including dismissal, unless the failure is based on the attorney-client privilege or any other privilege or right recognized by law.

Nothing in this Section limits a person's right to protection against self-incrimination under the Fifth Amendment of the United States Constitution or Article I, Section 10, of the Constitution of the State of Illinois.

Section 25-80. Referrals of investigations. If the Legislative Inspector General determines that any alleged misconduct involves any person not subject to the jurisdiction of the Legislative Ethics Commission, the Legislative Inspector General shall refer the reported allegations to the appropriate ethics commission or other appropriate body. If the Legislative Inspector General determines that any alleged misconduct may give rise to criminal penalties, the Legislative Inspector General shall refer the allegations regarding that misconduct to the appropriate law enforcement authority.

Section 25-85. Annual reports. The Legislative Inspector General shall submit an annual report to the General Assembly and the Legislative Ethics Commission, on a date determined by the Legislative Ethics Commission, indicating:

- (1) the number of allegations received since the date of the last report;

- (4) the number of investigations pending as of the reporting date; and
- (5) the number of actions filed since the last report and the number of actions pending before the

Commission as of the reporting date.

Section 25-90. Confidentiality.

(a) The identity of any individual providing information or reporting any possible or alleged misconduct to the Legislative Inspector General, the Legislative Ethics Commission, or the Legislative Ethics Hotline shall be kept confidential and may not be disclosed without the consent of that individual, unless the individual consents to disclosure of his or her name or disclosure of the individual's identity is otherwise required by law. The confidentiality granted by this subsection does not preclude the disclosure of the identity of a person in any capacity other than as the source of an allegation.

(b) Commissioners, employees, and agents of the Legislative Ethics Commission, the Legislative Inspector General, and employees and agents of the Office of the Legislative Inspector General shall keep confidential and shall not disclose information exempted from disclosure under the Freedom of Information Act or by this Act.

Section 25-95. Exemptions.

(a) Documents generated by an ethics officer under this Act are exempt from the provisions of the Freedom of Information Act.

(b) Any allegations and related documents submitted to the Legislative Inspector General and any pleadings and related documents brought before the Legislative Ethics Commission are exempt from the provisions of the Freedom of Information Act so long as the Legislative Ethics Commission does not

make a finding of a violation of this Act. If the Legislative Ethics Commission finds that a violation has occurred, the entire record of proceedings before the Commission, the decision and recommendation, and the mandatory report from the agency head or ultimate jurisdictional authority to the Legislative Ethics Commission are not exempt from the provisions of the Freedom of Information Act but information contained therein that is exempt from the Freedom of Information Act must be redacted before disclosure as provided in Section 8 of the Freedom of Information Act.

(c) Meetings of the Commission under Sections 25-5 and 25-15 of this Act are exempt from the provisions of the Open Meetings Act.

(d) Unless otherwise provided in this Act, all investigatory files and reports of the Office of the Legislative Inspector General, other than annual reports, are confidential, are exempt from disclosure under the Freedom of Information Act, and shall not be divulged to any person or agency, except as necessary (i) to the appropriate law enforcement authority if the matter is referred pursuant to this Act, (ii) to the ultimate jurisdiction authority, or (iii) to the Legislative Ethics Commission. Except with respect to police employment, the term "supervisor" includes only those individuals who devote a preponderance of their employment time to exercising that authority, State supervisors notwithstanding. In addition, in determining supervisory status in police employment, rank shall not be determinative. The Board shall consider, as evidence of bargaining unit inclusion or exclusion, the common law enforcement policies and relationships between police officer ranks and certification under applicable civil service law, ordinances, personnel codes, or Division 2.1 of Article 10 of the Illinois Municipal Code, but these factors shall not be the sole or predominant factors considered by the Board in determining police supervisory status.

Notwithstanding the provisions of the preceding paragraph, in determining supervisory status in fire fighter employment, no fire fighter shall be excluded as a supervisor who has established representation rights under Section 9 of this Act. Further, in new fire fighter units, employees shall consist of fire fighters of the rank of company officer and below. If there is no rank between that of chief and the highest company officer, the employer may designate a position on each shift as a Shift Commander, and the persons occupying those positions shall be supervisors. All other ranks above that of company officer shall be supervisors.

(s) (1) "Unit" means a class of jobs or positions that are held by employees whose collective interests may suitably be represented by a labor organization for collective bargaining. Except with respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both employees and supervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on July 1, 1984 (the effective date of this Act). With respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both supervisors and nonsupervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on January 1, 1986 (the effective date of this amendatory Act of 1985). A bargaining unit determined by the Board to contain peace officers shall contain no employees other than peace officers unless otherwise agreed to by the employer and the labor organization or labor organizations involved. Notwithstanding any other provision of this Act, a bargaining unit, including a historical bargaining unit, containing sworn peace officers of the Department of Natural Resources (formerly designated the Department of Conservation) shall contain no employees other than such sworn peace officers upon the effective date of this amendatory Act of 1990 or upon the expiration date of any collective bargaining agreement in effect upon the effective date of this amendatory Act of 1990 covering both such sworn peace officers and other employees.

Sec. 9-8.10. Use of political committee and other reporting organization funds.

[May 30, 2003]

(1) In violation of any law of the United States or of this State.

(2) Clearly in excess of the fair market value of the services, materials, facilities, or other things of value received in exchange.

(3) For satisfaction or repayment of any debts other than loans made to the committee or to the public official or candidate on behalf of the committee or repayment of goods and services purchased by the committee under a credit agreement. Nothing in this Section authorizes the use of campaign funds to repay personal loans. The repayments shall be made by check written to the person who made the loan or credit agreement. The terms and conditions of any loan or credit agreement to a committee shall be set forth in a written agreement, including but not limited to the method and amount of repayment, that shall be executed by the chairman or treasurer of the committee at the time of the loan or credit agreement. The loan or agreement shall also set forth the rate of interest for the loan, if any, which may not substantially exceed the prevailing market interest rate at the time the agreement is executed.

(4) For the satisfaction or repayment of any debts or for the payment of any expenses relating to a personal residence. Campaign funds may not be used as collateral for home mortgages.

(5) For clothing or personal laundry expenses, except clothing items rented by the public official or candidate for his or her own use exclusively for a specific campaign-related event, provided that committees may purchase costumes, novelty items, or other accessories worn primarily to advertise the candidacy.

(6) For the travel expenses of any person unless the travel is necessary for fulfillment of political, governmental, or public policy duties, activities, or purposes.

(7) For membership or club dues charged by organizations, clubs, or facilities that are primarily engaged in providing health, exercise, or recreational services; provided, however, that funds received under this Article may be used to rent the clubs or facilities for a specific campaign-related event.

(8) In payment for anything of value or for reimbursement of any expenditure for which any person has been reimbursed by the State or any person. For purposes of this item (8), a per diem allowance is not a reimbursement.

(9) For the purchase of or installment payment for a motor vehicle unless the political committee can demonstrate that purchase of a motor vehicle is more cost-effective than leasing a motor vehicle as permitted under this item (9). A political committee may lease or purchase and insure, maintain, and repair a motor vehicle if the vehicle will be used primarily for campaign purposes or for the performance of governmental duties. A committee shall not make expenditures for use of the vehicle for non-campaign or non-governmental purposes. Persons using vehicles not purchased or leased by a political committee may be reimbursed for actual mileage for the use of the vehicle for campaign purposes or for the performance of governmental duties. The mileage reimbursements shall be made at a rate not to exceed the standard mileage rate method for computation of business expenses under the Internal Revenue Code.

(10) Directly for an individual's tuition or other educational expenses, except for governmental or political purposes directly related to a candidate's or public official's duties and responsibilities.

(11) For payments to a public official or candidate or his or her family member unless for compensation for services actually rendered by that person. The provisions of this item (11) do not apply to expenditures by a political committee in an aggregate amount not exceeding the amount of funds reported to and certified by the State Board or county clerk as available as of June 30, 1998, in the semi-annual report of contributions and expenditures filed by the political committee for the period concluding June 30, 1998.

(b) The Board shall have the authority to investigate, upon receipt of a verified complaint, violations of the provisions of this Section. The Board may levy a fine on any person who knowingly makes expenditures in violation of this Section and on any person who knowingly makes a malicious and false accusation of a violation of this Section. The Board may act under this subsection only upon the affirmative vote of at least 5 of its members. The fine shall not exceed \$500 for each expenditure of \$500 or less and shall not exceed the amount of the expenditure plus \$500 for each expenditure greater than \$500. The Board shall also have the authority to render rulings and issue opinions relating to compliance with this Section.

(c) Nothing in this Section prohibits the expenditure of funds of (i) a political committee controlled by an officeholder or by a candidate or (ii) an organization subject to Section 9-7.5 to defray the ordinary and necessary expenses of an officeholder in connection with the performance of governmental duties. For the purposes of this subsection, "ordinary and necessary expenses" include, but are not limited to, expenses in relation to the operation of the district office of a member of the General Assembly. This Section does not apply to items that are too small to contain the required disclosure. Any pamphlet, circular, handbill, advertisement, or other political literature that supports or opposes any public official, candidate for public office, or question of public policy, or that would have the effect of supporting or opposing any public official, candidate for public office, or question of public policy, shall contain the name of the individual or organization that authorized, caused to be authorized, paid for, caused to be paid for, or distributed the pamphlet, circular, handbill, advertisement, or other political literature. Sec. 9-10. Financial reports. (a) The treasurer of every state political committee and the treasurer of every local political committee shall file with the Board, and the treasurer of every local political committee shall file with the county clerk, reports of campaign contributions, and semi-annual reports of campaign contributions and expenditures on forms to be prescribed or approved by the Board. (b) Reports of campaign contributions shall be filed no later than the 15th day next preceding each election including a primary election in connection with which the political committee has accepted or is accepting contributions or has made or is making expenditures. Such reports shall be complete as of the 30th day next preceding each election including a primary election. The Board shall assess a civil penalty not to exceed \$5,000 for a violation of this subsection, except that for State officers and candidates and political committees formed for statewide office, the civil penalty may not exceed \$10,000. The fine, however, shall not exceed \$500 for a first filing violation for filing less than 10 days after the deadline. There shall be no fine if the report is mailed and postmarked at least 72 hours prior to the filing deadline. For the purpose of this subsection, "statewide office" and "State officer" means the Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller, and Treasurer. Failure to report each contribution is a separate violation of this subsection. In the final disposition of any matter by the Board on or after the effective date of this amendatory Act of the 93rd General Assembly, the Board may shall impose fines for violations of this subsection not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported. When considering the amount of the fine to be imposed, the Board shall consider, but is not limited to, the following factors:

(1) whether in the Board's opinion the violation was committed inadvertently, negligently, knowingly, or intentionally;

(2) the number of days the contribution was reported late; and

(c) In addition to such reports the treasurer of every political committee shall file semi-annual reports of campaign contributions and expenditures no later than July 31st, covering the period from January 1st through June 30th immediately preceding, and no later than January 31st, covering the period from July 1st through December 31st of the preceding calendar year. Reports of contributions and expenditures must be filed to cover the prescribed time periods even though no contributions or expenditures may have been received or made during the period. The Board shall assess a civil penalty not to exceed \$5,000 for a violation of this subsection, except that for State officers and candidates and political committees formed for statewide office, the civil penalty may not exceed \$10,000. The fine, however, shall not exceed \$500 for a first filing violation for filing less than 10 days after the deadline. There shall be no fine if the report is mailed and postmarked at least 72 hours prior to the filing deadline. For the purpose of this subsection, "statewide office" and "State officer" means the Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller, and Treasurer.

Section 5. Purpose and construction. The purpose of this Act is to protect borrowers who enter into high risk home loans from abuse that occurs in the credit marketplace when creditors and brokers are not sufficiently regulated in Illinois. The \$800 figure shall be adjusted annually on January 1 by the annual percentage change in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor. "High risk home loan" does not include a loan that is made primarily for a business purpose unrelated to the residential real property securing the loan or to an open-end credit plan subject to 12 CFR 226 (2000, no subsequent amendments or editions are included).

"Total loan amount" has the same meaning as that term is given in 12 CFR 226.32 and shall be calculated in accordance with the Federal Reserve Board's Official Staff Commentary to that regulation.

Section 15. Ability to repay. A lender shall not transfer, deal in, offer, or make a high risk home loan if the lender does not believe at the time the loan is consummated that the borrower will be able to make the scheduled payments to repay the obligation based upon a consideration of his or her current and expected income, current obligations, employment status, and other financial resources (other than the borrower's equity in the dwelling that secures repayment of the loan). A borrower shall be presumed to be able to repay the loan if, at the time the loan is consummated, or at the time of the first rate adjustment, in the case of a lower introductory interest rate, the borrower's scheduled monthly payments on the loan (including principal, interest, taxes, insurance, and assessments), combined with the scheduled payments for all other disclosed debts, do not exceed 50% of the borrower's monthly gross income.

Box 37347, Washington, D.C. 20077-0001, no subsequent amendments or editions) and Transmittal Summary (Fannie Mae Form 1077 (3/97), available from Fannie Mae, 3900 Wisconsin Avenue, NW, Washington, D.C. 20016-2892, and Freddie Mac Form 1008 (3/97), available from Freddie Mac at 1101 Pennsylvania Avenue, NW, Suite 950, P.O. Box 37347, Washington, D.C. 20077-0001, no subsequent amendments or editions).

(2) That the borrower's income is verified by means of tax returns, pay stubs, accounting statements, or other prudent means.

(3) That a credit report is obtained regarding the borrower.

Section 25. Good faith dealings; fraudulent or deceptive practices. A lender must act in good faith in all relations with a borrower, including but not limited to, transferring, dealing in, offering, or making a high risk home loan.

No lender shall employ fraudulent or deceptive acts or practices in the making of a high risk home loan, including deceptive marketing and sales efforts.

Section 40. Pre-paid insurance products and warranties. No lender shall transfer, deal in, offer, or make a high risk home loan that finances a single premium credit life, credit disability, credit unemployment, or any other life or health insurance, directly or indirectly. Insurance calculated and paid on a monthly basis shall not be considered to be financed by the lender.

Section 45. Refinancing prohibited in certain cases. No lender shall refinance any high risk home loan where such refinancing charges additional points and fees within a 12-month period after the original loan agreement was signed, unless the refinancing results in a tangible net benefit to the borrower.

Section 55. Financing of points and fees. No lender shall transfer, deal in, offer, or make a high risk home loan that finances points and fees in excess of 6% of the total loan amount.

Section 60. Payments to contractors. No lender shall make a payment of any proceeds of a high risk

home loan directly to a contractor under a home improvement contract other than:

- (1) by instrument payable to the borrower or payable jointly to the borrower and contractor; or
- (2) at the election of the borrower, by a third-party escrow agreement in accordance with the terms established in a written agreement that is signed by the borrower, the lender, and the contractor before the date of payment.

Section 65. Negative amortization. No lender shall transfer, deal in, offer, or make a high risk home loan, other than a loan secured only by a reverse mortgage, with terms under which the outstanding balance will increase at any time over the course of the loan because the regular periodic payments do not cover the full amount of the interest due, unless the negative amortization is the consequence of a temporary forbearance sought by the borrower.

Section 70. Negative equity. No lender shall transfer, deal in, offer, or make a high risk home loan where the loan amount exceeds the value of the property securing the loan.

Section 80. Late payment fee. A lender shall not transfer, deal in, offer, or make a high risk home loan that provides for a late payment fee, except under the following conditions:

- (1) the late payment fee shall not be in excess of 5% of the amount of the payment past due;
- (2) the late payment fee shall only be assessed for a payment past due for 15 days or more;

Section 85. Payment compounding. No lender shall transfer, deal in, offer, or make a high risk home loan that includes terms under which more than 2 periodic payments required under the loan are consolidated and paid in advance from the loan proceeds provided to the borrower.

Section 90. Call provision. No lender shall transfer, deal in, offer, or make a high risk home loan that contains a provision that permits the lender, in its sole discretion, to accelerate the indebtedness, provided that this provision does not prohibit acceleration of a loan in good faith due to a borrower's failure to abide by the material terms of the loan.

Section 95. Disclosure prior to making a high risk home loan. A lender shall not transfer, deal in, offer, or make a high risk home loan unless the lender has given the following notice or a substantially similar notice in writing, to the borrower, acknowledged in writing and signed by the borrower not later than the time the notice is required under the notice provision contained in 12 CFR 226.31(c):

**NOTICE TO BORROWER**

YOU SHOULD BE AWARE THAT YOU MIGHT BE ABLE TO OBTAIN A LOAN AT A LOWER COST. YOU SHOULD SHOP AROUND AND COMPARE LOAN RATES AND FEES. LOAN RATES AND CLOSING COSTS AND FEES VARY BASED ON MANY FACTORS, INCLUDING YOUR PARTICULAR CREDIT AND FINANCIAL CIRCUMSTANCES, YOUR EMPLOYMENT HISTORY, THE LOAN-TO-VALUE REQUESTED, AND THE TYPE OF PROPERTY THAT WILL SECURE YOUR LOAN. THE LOAN RATE AND FEES COULD ALSO VARY BASED ON WHICH LENDER OR BROKER YOU SELECT. IF YOU ACCEPT THE TERMS OF THIS LOAN, THE LENDER WILL HAVE A MORTGAGE LIEN ON YOUR HOME. YOU COULD LOSE YOUR HOME AND ANY MONEY YOU PUT INTO IT IF YOU DO NOT MEET YOUR PAYMENT OBLIGATIONS UNDER THE LOAN. YOU SHOULD CONSULT AN ATTORNEY-AT-LAW AND AN APPROVED CREDIT COUNSELOR OR OTHER EXPERIENCED FINANCIAL ADVISOR REGARDING THE RATE, FEES, AND PROVISIONS OF THIS LOAN BEFORE YOU PROCEED. A LIST OF APPROVED CREDIT COUNSELORS IS AVAILABLE BY CONTACTING EITHER THE ILLINOIS DEPARTMENT OF FINANCIAL INSTITUTIONS OR THE ILLINOIS OFFICE OF BANKS AND REAL ESTATE. YOU ARE NOT REQUIRED TO COMPLETE THIS LOAN AGREEMENT MERELY BECAUSE YOU HAVE RECEIVED THIS DISCLOSURE OR HAVE SIGNED A LOAN APPLICATION. ALSO, YOUR PAYMENTS ON EXISTING DEBTS CONTRIBUTE TO YOUR CREDIT RATINGS. YOU SHOULD NOT ACCEPT ANY ADVICE TO IGNORE YOUR REGULAR PAYMENTS TO YOUR EXISTING LENDERS.

Section 100. Counseling prior to perfecting foreclosure proceedings.

(a) If a high risk home loan becomes delinquent by more than 30 days, the servicer shall send a notice advising the borrower that he or she may wish to seek approved credit counseling.

(b) The notice required in subsection (a) shall, at a minimum, include the following language:

"YOUR LOAN IS OR WAS MORE THAN 30 DAYS PAST DUE. YOU MAY BE

EXPERIENCING FINANCIAL DIFFICULTY. IT MAY BE IN YOUR BEST INTEREST TO SEEK APPROVED CREDIT COUNSELING. A LIST OF APPROVED CREDIT COUNSELORS MAY BE OBTAINED FROM EITHER THE ILLINOIS DEPARTMENT OF FINANCIAL INSTITUTIONS OR THE ILLINOIS OFFICE OF BANKS AND REAL ESTATE."

(c) If, within 15 days after mailing the notice provided for under subsection (b), a lender, servicer, or lender's agent is notified in writing by an approved credit counselor and the approved credit counselor advises the lender, servicer, or lender's agent that the borrower is seeking approved credit counseling, then the lender, servicer, or lender's agent shall not institute legal action under Part 15 of Article XV of the Code of Civil Procedure for 30 days after the date of that notice. Only one such 30-day period of forbearance is allowed under this Section per subject loan.

(d) If, within the 30-day period provided under subsection (c), the lender, servicer, or lender's agent, the approved credit counselor, and the borrower agree to a debt management plan, then the lender, servicer, or lender's agent shall not institute legal action under Part 15 of Article XV of the Code of Civil Procedure for as long as the debt management plan is complied with by the borrower.

The agreed debt management plan must be in writing and signed by the lender, servicer, or lender's agent, the approved credit counselor, and the borrower. No modification of an approved debt management plan can be made without the mutual agreement of the lender, servicer, or lender's agent, the approved credit counselor, and the borrower.

Upon written notice to the lender, servicer, or lender's agent, the borrower may change approved credit counselors.

(e) If the borrower fails to comply with the agreed debt management plan, then nothing in this Section shall be construed to impair the legal right of the lender, servicer, or lender's agent to enforce the contract.

#### Section 105. Right to cure.

(a) Before an action is filed to foreclose or collect money due pursuant to a high risk home loan or before other action is taken to seize or transfer ownership of property subject to a high risk home loan, the lender or lender's assignee of the loan shall deliver to the borrower a notice of the right to cure the default, informing the borrower of all of the following:

(1) The nature of the default.

(2) The borrower's right to cure the default by paying the sum of money required, provided that a lender or assignee shall accept any partial payment made or tendered in response to the notice. If the amount necessary to cure the default will change within 30 days of the notice due to the application of a daily interest rate or the addition of late fees, as allowed by the Act, the notice shall give sufficient information to enable the borrower to calculate the amount at any point within the 30-day period.

(3) The date by which the borrower may cure the default to avoid a court action, acceleration and initiation of foreclosure, or other action to seize the property, which date shall not be less than 30 days after the date the notice is delivered, and the name, address, and telephone number of a person to whom the payment or tender shall be made.

(4) That if the borrower does not cure the default by the date specified, the lender or assignee may file an action for money due or take steps to terminate the borrower's ownership in the property by requiring payment in full of the high risk home loan and commencing a foreclosure proceeding or other action to seize the property.

(5) The name, address, and telephone number of a person whom the borrower may contact if the borrower disagrees with the assertion that a default has occurred or the correctness of the calculation of the amount required to cure the default.

(b) If a lender or assignee asserts that grounds for acceleration exist and requires the payment in full of all sums secured by the high risk home loan, the borrower or anyone authorized to act on the borrower's behalf may, at any time before the title is transferred by means of foreclosure, by judicial proceeding and sale, or other means, cure the default, and reinstate the high risk home loan. Cure of the default shall reinstate the borrower to the same position as if the default had not occurred and shall nullify, as of the date of the cure, an acceleration of any obligation under the high risk home loan arising from the default.

(c) To cure a default under this Section, a borrower shall not be required to pay any charge, fee, or penalty attributable to the exercise of the right to cure a default, other than the fees specifically allowed by this subsection. The borrower shall not be liable for any attorney fees relating to the default that are incurred by the lender or assignee prior to or during the 30-day period set forth in subsection (a) of this Section, nor for any such fees in excess of \$100 that are incurred by the lender or assignee after the expiration of the 30-day period but before the lender or assignee files a foreclosure or other judicial

action or takes other action to seize or transfer ownership of the real estate. After the lender or assignee files a foreclosure or other judicial action or takes other action to seize or transfer ownership of the real estate, the borrower shall only be liable for attorney fees that are reasonable and actually incurred by the lender or assignee, based on a reasonable hourly rate and a reasonable number of hours.

(d) If a default is cured prior to the initiation of any action to foreclose or to seize the residence, the lender or assignee shall not institute a proceeding or other action for that default. If a default is cured after the initiation of any action, the lender or assignee shall take such steps as are necessary to terminate the action.

(e) A lender or a lender's assignee of a high risk home loan that has the legal right to foreclose shall use the judicial foreclosure procedures provided by law. In such a proceeding, the borrower may assert the nonexistence of a default and any other claim or defense to acceleration and foreclosure, including any claim or defense based on a violation of the Act, though no such claim or defense shall be deemed a compulsory counterclaim.

Section 130. Circumstances voiding mandatory arbitration provisions. Without regard to whether a borrower is acting individually or on behalf of others similarly situated, a mandatory arbitration provision of a high risk home loan agreement that is oppressive, unfair, unconscionable, or substantially in derogation of the rights of the borrower is void.

(D) A statement that the bank has secured an opinion from a third party with respect to the fairness, from a financial point of view, of the consideration to be paid, the identity and qualifications of the third party, how the third party was selected, and any material relationship between the third party and the bank.

(E) A summary of the opinion including the basis for and the methods of arriving at the findings and any limitation imposed by the bank in arriving at fair value and a statement making the opinion available for reviewing or copying by any stockholder.

(F) A statement that objecting stockholders will be entitled to the fair value of those shares that are voted against the charter amendment, if a proper demand is made on the bank and the requirements are satisfied as specified in this Section.

If a stockholder shall file with the bank, prior to or at the meeting of stockholders at which the proposed charter amendment is submitted to a vote, a written objection to the proposed charter amendment and shall not vote in favor thereof, and if the stockholder, within 20 days after receiving written notice of the date the charter amendment was accomplished pursuant to paragraph (5) of subsection (a) of this Section 17, shall make written demand on the bank for payment of the fair value of the stockholder's shares as of the day prior to the date on which the vote was taken approving the charter amendment, the bank shall pay to the stockholder, upon surrender of the certificate or certificates representing the stock, the fair value thereof. The demand shall state the number of shares owned by the objecting stockholder. The bank shall provide written notice of the date on which the charter amendment was accomplished to all stockholders who have filed written objections in order that the objecting stockholders may know when they must file written demand if they choose to do so. Any stockholder failing to make demand within the 20-day period shall be conclusively presumed to have consented to the charter amendment and shall be bound by the terms thereof. If within 30 days after the date on which a charter amendment was accomplished the value of the shares is agreed upon between the objecting stockholders and the bank, payment therefor shall be made within 90 days after the date on which the charter amendment was accomplished, upon the surrender of the stockholder's certificate or certificates representing the shares. Upon payment of the agreed value the objecting stockholder shall cease to have any interest in the shares or in the bank. If within such period of 30 days the stockholder and the bank do not so agree, then the objecting stockholder may, within 60 days after the expiration of the 30-day period, file a complaint in the circuit court asking for a finding and determination of the fair value of the shares, and shall be entitled to judgment against the bank for the amount of the fair value as of the day prior to the date on which the vote was taken approving the charter amendment with interest thereon to the date of the judgment. The practice, procedure and judgment shall be governed by the Civil Practice Law. The judgment shall be payable only upon and simultaneously with the surrender to the bank of the certificate or certificates representing the shares. Upon payment of the judgment, the objecting stockholder shall cease to have any interest in the shares or the bank. The shares may be held and disposed of by the bank. Unless the objecting stockholder shall file such complaint within the time herein limited, the stockholder and all persons claiming under the stockholder shall be conclusively presumed to have approved and ratified the charter amendment, and shall be bound by the terms thereof. The right of an objecting stockholder to be paid the fair value of the stockholder's shares of stock as herein provided shall cease if and when the bank shall abandon the charter amendment.

(c) The purchase and holding and later resale of treasury stock of a state bank pursuant to the provisions of subsection (6) of Section 14 may be accomplished without a change in its charter reflecting any decrease or increase in capital stock.

(d) A State bank may amend its charter for the purpose of authorizing its board of directors to issue preferred stock; to increase, decrease, or change the par value of shares of its preferred stock, whether issued or unissued; or to increase, decrease, or change the preferences, qualifications, limitations,

restrictions, or special or relative rights of its preferred stock, whether issued or unissued, provided that in no case shall the capital be diminished to the prejudice of the bank's creditors. An amendment to the bank's charter granting such authority shall establish ranges, limits, or restrictions that must be observed when the board exercises the discretion authorized by the amendment.

Once such an amendment is adopted and approved as provided in this subsection, and without further action by the bank's stockholders, the board may exercise its delegated authority by adopting a resolution specifying the actions that it is taking with respect to the preferred stock. The board may fully exercise its delegated authority through one resolution or it may exercise its delegated authority through a series of resolutions, provided that the board's actions remain at all times within the ranges, limitations, and restrictions specified in the amendment to the bank's charter.

A resolution adopted by the board under this authority shall be submitted to the Commissioner for approval. The Commissioner shall approve the resolution, or state any objections to the resolution, within 30 days after the receipt of the resolution adopted by the board. If no objections are specified by the Commissioner within that time frame, the resolution will be deemed to be approved by the Commissioner. Once approved, the resolution shall be incorporated as an addendum to the bank's charter and the board may proceed to effect the changes set forth in the resolution. The project shall be implemented within 6 months after the effective date of this amendatory Act of 1996. Within 6 months after the implementation of the pilot project, the Prisoner Review Board, with the cooperation of and in coordination with the Department of Corrections and the Department of Central Management Services, shall report to the Governor and the General Assembly regarding the use, costs, effectiveness, and future viability of interactive video conferences for Prisoner Review Board hearings.

(b) Upon recommendation of the Department the Board may restore good conduct credit previously revoked.

(c) The Board shall cooperate with the Department in promoting an effective system of parole and mandatory supervised release.

(d) The Board shall promulgate rules for the conduct of its work, and the Chairman shall file a copy of such rules and any amendments thereto with the Director and with the Secretary of State.

(e) The Board shall keep records of all of its official actions and shall make them accessible in accordance with law and the rules of the Board.

(f) The Board or one who has allegedly violated the conditions of his parole or mandatory supervised release may require by subpoena the attendance and testimony of witnesses and the production of documentary evidence relating to any matter under investigation or hearing. The Chairman of the Board may sign subpoenas which shall be served by any agent or public official authorized by the Chairman of the Board, or by any person lawfully authorized to serve a subpoena under the laws of the State of Illinois. The attendance of witnesses, and the production of documentary evidence, may be required from any place in the State to a hearing location in the State before the Chairman of the Board or his designated agent or agents or any duly constituted Committee or Subcommittee of the Board. Witnesses so summoned shall be paid the same fees and mileage that are paid witnesses in the circuit courts of the State, and witnesses whose depositions are taken and the persons taking those depositions are each entitled to the same fees as are paid for like services in actions in the circuit courts of the State. Fees and mileage shall be vouchered for payment when the witness is discharged from further attendance.

In case of disobedience to a subpoena, the Board may petition any circuit court of the State for an order requiring the attendance and testimony of witnesses or the production of documentary evidence or both. A copy of such petition shall be served by personal service or by registered or certified mail upon the person who has failed to obey the subpoena, and such person shall be advised in writing that a hearing upon the petition will be requested in a court room to be designated in such notice before the judge hearing motions or extraordinary remedies at a specified time, on a specified date, not less than 10 nor more than 15 days after the deposit of the copy of the written notice and petition in the U.S. mails addressed to the person at his last known address or after the personal service of the copy of the notice and petition upon such person. The court upon the filing of such a petition, may order the person refusing to obey the subpoena to appear at an investigation or hearing, or to there produce documentary evidence, if so ordered, or to give evidence relative to the subject matter of that investigation or hearing. Any failure to obey such order of the circuit court may be punished by that court as a contempt of court.

Each member of the Board and any hearing officer designated by the Board shall have the power to administer oaths and to take the testimony of persons under oath.

(g) Except under subsection (a) of this Section, a majority of the members then appointed to the Prisoner Review Board shall constitute a quorum for the transaction of all business of the Board.

[May 30, 2003]

(h) The Prisoner Review Board shall annually transmit to the Director a detailed report of its work for the preceding calendar year. The annual report shall also be transmitted to the Governor for submission to the Legislature. (Source: P.A. 90-14, eff. 7-1-97; 91-798, eff. 7-9-00; 91-946, eff. 2-9-01.)

(730 ILCS 5/5-5-5) (from Ch. 38, par. 1005-5-5)

Sec. 5-5-5. Loss and Restoration of Rights. (a) Conviction and disposition shall not entail the loss by the defendant of any civil rights, except under this Section and Sections 29-6 and 29-10 of The Election Code, as now or hereafter amended.

(b) A person convicted of a felony shall be ineligible to hold an office created by the Constitution of this State until the completion of his sentence.

(c) A person sentenced to imprisonment shall lose his right to vote until released from imprisonment.

(d) On completion of sentence of imprisonment or upon discharge from probation, conditional discharge or periodic imprisonment, or at any time thereafter, all license rights and privileges granted under the authority of this State which have been revoked or suspended because of conviction of an offense shall be restored unless the authority having jurisdiction of such license rights finds after investigation and hearing that restoration is not in the public interest. This paragraph (d) shall not apply to the suspension or revocation of a license to operate a motor vehicle under the Illinois Vehicle Code.

(e) Upon a person's discharge from incarceration or parole, or upon a person's discharge from probation or at any time thereafter, the committing court may enter an order certifying that the sentence has been satisfactorily completed when the court believes it would assist in the rehabilitation of the person and be consistent with the public welfare. Such order may be entered upon the motion of the defendant or the State or upon the court's own motion.

(f) Upon entry of the order, the court shall issue to the person in whose favor the order has been entered a certificate stating that his behavior after conviction has warranted the issuance of the order.

(g) This Section shall not affect the right of a defendant to collaterally attack his conviction or to rely on it in bar of subsequent proceedings for the same offense.

(h) No application for any license specified in subsection (i) of this Section granted under the authority of this State shall be denied by reason of an eligible offender who has obtained a certificate of relief from disabilities, as defined in Article 5.5 of this Chapter, having been previously convicted of one or more criminal offenses, or by reason of a finding of lack of "good moral character" when the finding is based upon the fact that the applicant has previously been convicted of one or more criminal offenses, unless:

(1) there is a direct relationship between one or more of the previous criminal offenses and the specific license sought; or

(2) the issuance of the license would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public.

In making such a determination, the licensing agency shall consider the following factors:

(1) the public policy of this State, as expressed in Article 5.5 of this Chapter, to encourage the licensure and employment of persons previously convicted of one or more criminal offenses;

(2) the specific duties and responsibilities necessarily related to the license being sought;

(3) the bearing, if any, the criminal offenses or offenses for which the person was previously convicted will have on his or her fitness or ability to perform one or more such duties and responsibilities;

(4) the time which has elapsed since the occurrence of the criminal offense or offenses;

(5) the age of the person at the time of occurrence of the criminal offense or offenses;

(6) the seriousness of the offense or offenses;

(7) any information produced by the person or produced on his or her behalf in regard to his or her rehabilitation and good conduct, including a certificate of relief from disabilities issued to the applicant, which certificate shall create a presumption of rehabilitation in regard to the offense or offenses specified in the certificate; and

(8) the legitimate interest of the licensing agency in protecting property, and the safety and welfare of specific individuals or the general public.

(i) A certificate of relief from disabilities shall be issued only for a license or certification issued under the following Acts:

(1) the Animal Welfare Act; except that a certificate of relief from disabilities may not be granted to provide for the issuance or restoration of a license under the Animal Welfare Act for any person convicted of violating Section 3, 3.01, 3.02, 3.03, 3.03-1, or 4.01 of the Humane Care for Animals Act or Section 26-5 of the Criminal Code of 1961;

(2) the Illinois Athletic Trainers Practice Act;

ARTICLE 5.5. DISCRETIONARY RELIEF FROM FORFEITURES AND DISABILITIES  
AUTOMATICALLY IMPOSED BY LAW

(730 ILCS 5/5-5.5-5 new)

Sec. 5-5.5-5. Definitions and rules of construction. In this Article:

"Eligible offender" means a person who has been convicted of a crime or of an offense that is not a crime of violence as defined in Section 2 of the Crime Victims Compensation Act, a Class X or a nonprobationable offense, or a violation of Article 11 or Article 12 of the Criminal Code of 1961, but who has not been convicted more than once of a felony.

"Felony" means a conviction of a felony in this State, or of an offense in any other jurisdiction for which a sentence to a term of imprisonment in excess of one year, was authorized.

For the purposes of this Article the following rules of construction apply:

(i) two or more convictions of felonies charged in separate counts of one indictment or information shall be deemed to be one conviction;

(ii) two or more convictions of felonies charged in 2 or more indictments or informations, filed in the same court prior to entry of judgment under any of them, shall be deemed to be one conviction; and

(iii) a plea or a verdict of guilty upon which a sentence of probation, conditional discharge, or supervision has been imposed shall be deemed to be a conviction.

(730 ILCS 5/5-5.5-10 new)

Sec. 5-5.5-10. Certificate of relief from disabilities.

(a) A certificate of relief from disabilities does not, however, in any way prevent any judicial proceeding, administrative, licensing, or other body, board, or authority from relying upon the conviction specified in the certificate as the basis for the exercise of its discretionary power to suspend, revoke, or refuse to issue or refuse to renew any license, permit, or other authority or privilege.

(b) A certificate of relief from disabilities shall not limit or prevent the introduction of evidence of a prior conviction for purposes of impeachment of a witness in a judicial or other proceeding where otherwise authorized by the applicable rules of evidence.

(730 ILCS 5/5-5.5-15 new)

Sec. 5-5.5-15. Certificates of relief from disabilities issued by courts.

(a) Any circuit court of this State may, in its discretion, issue a certificate of relief from disabilities to an eligible offender for a conviction that occurred in that court if the court imposed a sentence other than one executed by commitment to an institution under the Department of Corrections. The certificate may be issued (i) at the time sentence is pronounced, in which case it may grant relief from disabilities, or (ii) at any time thereafter, in which case it shall apply only to disabilities.

(b) The certificate may not be issued by the court unless the court is satisfied that:

(1) the person to whom it is to be granted is an eligible offender, as defined in Section 5-5.5-5;

(2) the relief to be granted by the certificate is consistent with the rehabilitation of the eligible offender; and

(3) the relief to be granted by the certificate is consistent with the public interest.

(c) If a certificate of relief from disabilities is not issued at the time sentence is pronounced it shall only be issued thereafter upon verified application to the court. The court may, for the purpose of determining whether the certificate shall be issued, request the probation or court services department to conduct an investigation of the applicant. Any probation officer requested to make an investigation under this Section shall prepare and submit to the court a written report in accordance with the request.

(d) Any court that has issued a certificate of relief from disabilities may at any time issue a new

certificate to enlarge the relief previously granted provided that the provisions of clauses (1) through (3) of subsection (b) of this Section apply to the issuance of any such new certificate.

(e) Any written report submitted to the court under this Section is confidential and may not be made available to any person or public or private agency except if specifically required or permitted by statute or upon specific authorization of the court. However, it shall be made available by the court for examination by the applicant's attorney, or the applicant himself or herself, if he or she has no attorney. In its discretion, the court may except from disclosure a part or parts of the report that are not relevant to the granting of a certificate, or sources of information which have been obtained on a promise of confidentiality, or any other portion of the report, disclosure of which would not be in the interest of justice. The action of the court excepting information from disclosure shall be subject to appellate review. The court, in its discretion, may hold a conference in open court or in chambers to afford an applicant an opportunity to controvert or to comment upon any portions of the report. The court may also conduct a summary hearing at the conference on any matter relevant to the granting of the application and may take testimony under oath.

(730 ILCS 5/5-5.5-20 new)

Sec. 5-5.5-20. Certificates of relief from disabilities issued by the Prisoner Review Board.

(a) The Prisoner Review Board shall have the power to issue a certificate of relief from disabilities to:

(1) any eligible offender who has been committed to an institution under the jurisdiction of the Department of Corrections. The certificate may be issued by the Board at the time the offender is released from the institution under the conditions of parole or mandatory supervised release or at any time thereafter; or

(2) any eligible offender who resides within this State and whose judgment of conviction was rendered by a court in any other jurisdiction.

(b) If the Prisoner Review Board has issued a certificate of relief from disabilities, the Board may at any time issue a new certificate enlarging the relief previously granted.

(c) The Prisoner Review Board may not issue any certificate of relief from disabilities under subsections (a) or (b), unless the Board is satisfied that:

(1) the person to whom it is to be granted is an eligible offender, as defined in Section 5-5.5-5;

(2) the relief to be granted by the certificate is consistent with the rehabilitation of the eligible offender; and

(3) the relief to be granted by the certificate is consistent with the public interest.

(d) Any certificate of relief from disabilities issued by the Prisoner Review Board to an eligible offender, who at time of the issuance of the certificate is under the conditions of parole or mandatory supervised release established by the Board, shall be deemed to be a temporary certificate until such time as the eligible offender is discharged from parole or mandatory supervised release, and, while temporary, the certificate may be revoked by the Board for violation of the conditions of parole or mandatory supervised release. Revocation shall be upon notice to the parolee or releasee, who shall be accorded an opportunity to explain the violation prior to a decision on the revocation of the certificate. If the certificate is not so revoked, it shall become a permanent certificate upon expiration or termination of the offender's parole or mandatory supervised release term.

(e) In granting or revoking a certificate of relief from disabilities, the action of the Prisoner Review Board shall be by unanimous vote of the members authorized to grant or revoke parole or mandatory supervised release.

(f) The certificate may be limited to one or more enumerated disabilities or bars, or may relieve the individual of all disabilities and bars.

(730 ILCS 5/5-5.5-25 new)

Sec. 5-5.5-25. Certificate of good conduct.

(a) A certificate of good conduct may be granted as provided in this Section to an eligible offender as defined in Section 5-5.5-5 of this Code who has demonstrated that he or she has been a law-abiding citizen and is fully rehabilitated.

(b) (i) A certificate of good conduct may not, however, in any way prevent any judicial proceeding, administrative, licensing, or other body, board, or authority from considering the conviction specified in the certificate.

(ii) A certificate of good conduct shall not limit or prevent the introduction of evidence of a prior conviction for purposes of impeachment of a witness in a judicial or other proceeding where otherwise authorized by the applicable rules of evidence.

(730 ILCS 5/5-5.5-30 new)

Sec. 5-5.5-30. Issuance of certificate of good conduct.

(1) the applicant has conducted himself or herself in a manner warranting the issuance for a minimum period in accordance with the provisions of subsection (c) of this Section;

(2) the relief to be granted by the certificate is consistent with the rehabilitation of the applicant; and

(3) the relief to be granted is consistent with the public interest.

(b) The Prisoner Review Board, or any 3 members of the Board by unanimous vote, shall have the power to issue a certificate of good conduct to any person previously convicted of a crime in any other jurisdiction, when the Board is satisfied that the provisions of paragraphs (1), (2), and (3) of subsection (a) of this Section have been met.

(c) The minimum period of good conduct by the individual referred to in paragraph (1) of subsection (a) of this Section, shall be as follows: if the most serious crime of which the individual was convicted is a misdemeanor, the minimum period of good conduct shall be one year; if the most serious crime of which the individual was convicted is a Class 1, 2, 3, or 4 felony, the minimum period of good conduct shall be 3 years. Criminal acts committed outside the State shall be classified as acts committed within the State based on the maximum sentence that could have been imposed based upon the conviction under the laws of the foreign jurisdiction. The minimum period of good conduct by the individual shall be measured either from the date of the payment of any fine imposed upon him or her, or from the date of his or her release from custody by parole, mandatory supervised release or commutation or termination of his or her sentence. The Board shall have power and it shall be its duty to investigate all persons when the application is made and to grant or deny the same within a reasonable time after the making of the application.

(d) If the Prisoner Review Board has issued a certificate of good conduct, the Board may at any time issue a new certificate enlarging the relief previously granted.

(e) Any certificate of good conduct by the Prisoner Review Board to an individual who at the time of the issuance of the certificate is under the conditions of parole or mandatory supervised release imposed by the Board shall be deemed to be a temporary certificate until the time as the individual is discharged from the terms of parole or mandatory supervised release, and, while temporary, the certificate may be revoked by the Board for violation of the conditions of parole or mandatory supervised release. Revocation shall be upon notice to the parolee or releasee, who shall be accorded an opportunity to explain the violation prior to a decision on the revocation. If the certificate is not so revoked, it shall become a permanent certificate upon expiration or termination of the offender's parole or mandatory supervised release term.

(730 ILCS 5/5-5.5-35 new)

Sec. 5-5.5-35. Effect of revocation; use of revoked certificate.

(a) If a certificate of relief from disabilities is deemed to be temporary and the certificate is revoked, disabilities and forfeitures thereby relieved shall be reinstated as of the date upon which the person to whom the certificate was issued receives written notice of the revocation. Any such person shall upon receipt of the notice surrender the certificate to the issuing court or Board.

(b) A person who knowingly uses or attempts to use a revoked certificate of relief from disabilities in order to obtain or to exercise any right or privilege that he or she would not be entitled to obtain or to exercise without a valid certificate is guilty of a Class A misdemeanor.

(40 ILCS 5/5-167.2) (from Ch. 108 1/2, par. 5-167.2)

Sec. 5-167.2. Retirement before September 1, 1967. A retired policeman, qualifying for minimum annuity or who retired from service with 20 or more years of service, before September 1, 1967, shall, in January of the year following the year he attains the age of 65, or in January of the year 1970, if then more than 65 years of age, have his then fixed and payable monthly annuity increased by an amount equal to 2% of the original grant of annuity, for each year the policeman was in receipt of annuity payments after the year in which he attains, or did attain the age of 63. An additional 2% increase in such then fixed and payable original granted annuity shall accrue in each January thereafter. Beginning January 1, 1986, the rate of such increase shall be 3% instead of 2%.

The provisions of the preceding paragraph of this Section apply only to a retired policeman eligible for such increases in his annuity who contributes to the Fund a sum equal to \$5 for each full year of credited service upon which his annuity was computed. All such sums contributed shall be placed in a Supplementary Payment Reserve and shall be used for the purposes of such Fund account.

Beginning with the monthly annuity payment due in July, 1982, the fixed and granted monthly annuity payment for any policeman who retired from the service, before September 1, 1976, at age 50 or over with 20 or more years of service and entitled to an annuity on January 1, 1974, shall be not less than \$400. It is the intent of the General Assembly that the change made in this Section by this amendatory Act of 1982 shall apply retroactively to July 1, 1982.

Beginning with the monthly annuity payment due on January 1, 1986, the fixed and granted monthly annuity payment for any policeman who retired from the service before January 1, 1986, at age 50 or over with 20 or more years of service, or any policeman who retired from service due to termination of disability and who is entitled to an annuity on January 1, 1986, shall be not less than \$475.

Beginning with the monthly annuity payment due on January 1, 1992, the fixed and granted monthly annuity payment for any policeman who retired from the service before January 1, 1992, at age 50 or over with 20 or more years of service, and for any policeman who retired from service due to termination of disability and who is entitled to an annuity on January 1, 1992, shall be not less than \$650.

Beginning with the monthly annuity payment due on January 1, 1993, the fixed and granted monthly annuity payment for any policeman who retired from the service before January 1, 1993, at age 50 or over with 20 or more years of service, and for any policeman who retired from service due to termination of disability and who is entitled to an annuity on January 1, 1993, shall be not less than \$750.

Beginning with the monthly annuity payment due on January 1, 1994, the fixed and granted monthly annuity payment for any policeman who retired from the service before January 1, 1994, at age 50 or over with 20 or more years of service, and for any policeman who retired from service due to termination of disability and who is entitled to an annuity on January 1, 1994, shall be not less than \$850.

Beginning with the monthly annuity payment due on January 1, 2004, the fixed and granted monthly annuity payment for any policeman who retired from the service before January 1, 2004, at age 50 or over with 20 or more years of service, and for any policeman who retired from service due to termination of disability and who is entitled to an annuity on January 1, 2004, shall be not less than \$950.

Beginning with the monthly annuity payment due on January 1, 2005, the fixed and granted monthly annuity payment for any policeman who retired from the service before January 1, 2005, at age 50 or over with 20 or more years of service, and for any policeman who retired from service due to termination of disability and who is entitled to an annuity on January 1, 2005, shall be not less than \$1,050.

The difference in amount between the original fixed and granted monthly annuity of any such policeman on the date of his retirement from the service and the monthly annuity provided for in the immediately preceding paragraph shall be paid as a supplement in the manner set forth in the immediately following paragraph.

To defray the annual cost of the increases indicated in the preceding part of this Section, the annual interest income accruing from investments held by this Fund, exclusive of gains or losses on sales or exchanges of assets during the year, over and above 4% a year shall be used to the extent necessary and available to finance the cost of such increases for the following year and such amount shall be

transferred as of the end of each year beginning with the year 1969 to a Fund account designated as the Supplementary Payment Reserve from the Interest and Investment Reserve set forth in Section 5-207.

In the event the funds in the Supplementary Payment Reserve in any year arising from: (1) the interest income accruing in the preceding year above 4% a year and (2) the contributions by retired persons are insufficient to make the total payments to all persons entitled to the annuity specified in this Section and (3) any interest earnings over 4% a year beginning with the year 1969 which were not previously used to finance such increases and which were transferred to the Prior Service Annuity Reserve, may be used to the extent necessary and available to provide sufficient funds to finance such increases for the current year and such sums shall be transferred from the Prior Service Annuity Reserve. In the event the total money available in the Supplementary Payment Reserve from such sources are insufficient to make the total payments to all persons entitled to such increases for the year, a proportionate amount computed as the ratio of the money available to the total of the total payments specified for that year shall be paid to each person for that year.

The Fund shall be obligated for the payment of the increases in annuity as provided for in this Section only to the extent that the assets for such purpose are available. (Source: P.A. 91-357, eff. 7-29-99.)

(b) The board shall pay to the city, on behalf of the board's city annuitants who participate in any of the city's health care plans, the following amounts:

(1) From July 1, 2003 through June 30, 2008, \$85 per month for each such annuitant who is not eligible to receive Medicare benefits and \$55 per month for each such annuitant who is eligible to receive Medicare benefits.

(2) From July 1, 2008 through June 30, 2013, \$95 per month for each such annuitant who is not eligible to receive Medicare benefits and \$65 per month for each such annuitant who is eligible to receive Medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 5-168; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(c) The city health care plans referred to in this Section and the board's payments to the city under this Section are not and shall not be construed to be pension or retirement benefits for the purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

(a) For the purposes of this Section: (1) "annuitant" means a person receiving an age and service annuity, a prior service annuity, a widow's annuity, a widow's prior service annuity, or a minimum annuity, under Article 5, 6, 8 or 11, by reason of previous employment by the City of Chicago (hereinafter, in this Section, "the city"); (2) "Medicare Plan annuitant" means an annuitant described in item (1) who is eligible for Medicare benefits; and (3) "non Medicare Plan annuitant" means an annuitant described in item (1) who is not eligible for Medicare benefits.

(b) The city shall offer group health benefits to annuitants and their eligible dependents through June 30, 2003. The basic city health care plan available as of June 30, 1988 (hereinafter called the basic city plan) shall cease to be a plan offered by the city, except as specified in subparagraphs (4) and (5) below, and shall be closed to new enrollment or transfer of coverage for any non Medicare Plan annuitant as of June 27, 1997. The city shall offer non Medicare Plan annuitants and their eligible dependents the option of enrolling in its Annuitant Preferred Provider Plan and may offer additional plans for any annuitant. The city may amend, modify, or terminate any of its additional plans at its sole discretion. If the city offers more than one annuitant plan, the city shall allow annuitants to convert coverage from one city annuitant plan to another, except the basic city plan, during times designated by the city, which periods of time shall occur at least annually. For the period dating from June 27, 1997 through June 30, 2003, monthly premium rates may be increased for annuitants during the time of their participation in non-Medicare plans, except as provided in subparagraphs (1) through (4) of this subsection.

(1) For non Medicare Plan annuitants who retired prior to January 1, 1988, the annuitant's share of monthly premium for non Medicare Plan coverage only shall not exceed the highest premium rate chargeable under any city non Medicare Plan annuitant coverage as of December 1, 1996.

(2) For non Medicare Plan annuitants who retire on or after January 1, 1988, the annuitant's share of monthly premium for non Medicare Plan coverage only shall be the rate in effect on December 1, 1996, with monthly premium increases to take effect no sooner than April 1, 1998 at the lower of (i) the premium rate determined pursuant to subsection (g) or (ii) 10% of the immediately previous month's rate for similar coverage.

(3) In no event shall any non Medicare Plan annuitant's share of monthly premium for non-Medicare Plan coverage exceed 10% of the annuitant's monthly annuity.

(4) Non Medicare Plan annuitants who are enrolled in the basic city plan as of July 1, 1998 may remain in the basic city plan, if they so choose, on the condition that they are not entitled to the caps on rates set forth in subparagraphs (1) through (3), and their premium rate shall be the rate determined in accordance with subsections (e) and (g).

(5) Medicare Plan annuitants who are currently enrolled in the basic city plan for Medicare eligible annuitants may remain in that plan, if they so choose, through June 30, 2003. Annuitants shall not be allowed to enroll in or transfer into the basic city plan for Medicare eligible annuitants on or after July 1, 1999. The city shall continue to offer annuitants a supplemental Medicare Plan for Medicare eligible annuitants through June 30, 2003, and the city may offer additional plans to Medicare eligible annuitants in its sole discretion. All Medicare Plan annuitant monthly rates shall be determined in accordance with subsections (e) and (g).

(e) The city shall pay 50% of the aggregated costs of the claims or premiums, whichever is applicable, as determined in accordance with subsection (g), of annuitants and their dependents under all health care plans offered by the city. The city may reduce its obligation by application of price reductions obtained as a result of financial arrangements with providers or plan administrators.

(d) From January 1, 1993 until June 30, 2003, the board shall pay to the city on behalf of each of the board's annuitants who chooses to participate in any of the city's plans the following amounts: up to a maximum of \$75 per month for each such annuitant who is not qualified to receive medicare benefits; and up to a maximum of \$45 per month for each such annuitant who is qualified to receive medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 5-168; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(e) The city's obligations under subsections (b) and (c) shall terminate on June 30, 2003, except with regard to covered expenses incurred but not paid as of that date. This subsection shall not affect other obligations that may be imposed by law.

(f) The group coverage plans described in this Section are not and shall not be construed to be pension or retirement benefits for purposes of Section 5 of Article XIII of the Illinois Constitution of

1970.

(g) For each annuitant plan offered by the city, the aggregate cost of claims, as reflected in the claim records of the plan administrator, shall be estimated by the city, based upon a written determination by a qualified independent actuary to be appointed and paid by the city and the board. If the estimated annual cost for each annuitant plan offered by the city is more than the estimated amount to be contributed by the city for that plan pursuant to subsections (b) and (c) during that year plus the estimated amounts to be paid pursuant to subsection (d) and by the other pension boards on behalf of other participating annuitants, the difference shall be paid by all annuitants participating in the plan, except as provided in subsection (b). The city, based upon the determination of the independent actuary, shall set the monthly amounts to be paid by the participating annuitants. The board may deduct the amounts to be paid by its annuitants from the participating annuitants' monthly annuities.

If it is determined from the city's annual audit, or from audited experience data, that the total amount paid by all participating annuitants was more or less than the difference between (1) the cost of providing the group health care plans, and (2) the sum of the amount to be paid by the city as determined under subsection (c) and the amounts paid by all the pension boards, then the independent actuary and the city shall account for the excess or shortfall in the next year's payments by annuitants, except as provided in subsection (b).

~~(h) An annuitant may elect to terminate coverage in a plan at the end of any month, which election shall terminate the annuitant's obligation to contribute toward payment of the excess described in subsection (g).~~

~~(i) The city shall advise the board of all proposed premium increases for health care at least 75 days prior to the effective date of the change, and any increase shall be prospective only. (Source: P.A. 92-599, eff. 6-28-02.)~~

(a) For the purposes of this Section: (1) "annuitant" means a person receiving an age and service annuity, a prior service annuity, a widow's annuity, a widow's prior service annuity, or a minimum annuity, under Article 5, 6, 8 or 11, by reason of previous employment by the City of Chicago (hereinafter, in this Section, "the city"); (2) "Medicare Plan annuitant" means an annuitant described in item (1) who is eligible for Medicare benefits; and (3) "non Medicare Plan annuitant" means an annuitant described in item (1) who is not eligible for Medicare benefits.

(b) The city shall offer group health benefits to annuitants and their eligible dependents through June 30, 2003. The basic city health care plan available as of June 30, 1988 (hereinafter called the basic city plan) shall cease to be a plan offered by the city, except as specified in subparagraphs (4) and (5) below, and shall be closed to new enrollment or transfer of coverage for any non Medicare Plan annuitant as of June 27, 1997. The city shall offer non Medicare Plan annuitants and their eligible dependents the option of enrolling in its Annuitant Preferred Provider Plan and may offer additional plans for any annuitant.

[May 30, 2003]

The city may amend, modify, or terminate any of its additional plans at its sole discretion. If the city offers more than one annuitant plan, the city shall allow annuitants to convert coverage from one city annuitant plan to another, except the basic city plan, during times designated by the city, which periods of time shall occur at least annually. For the period dating from June 27, 1997 through June 30, 2003, monthly premium rates may be increased for annuitants during the time of their participation in non-Medicare plans, except as provided in subparagraphs (1) through (4) of this subsection.

(1) For non-Medicare Plan annuitants who retired prior to January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall not exceed the highest premium rate chargeable under any city non-Medicare Plan annuitant coverage as of December 1, 1996.

(2) For non-Medicare Plan annuitants who retire on or after January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall be the rate in effect on December 1, 1996, with monthly premium increases to take effect no sooner than April 1, 1998 at the lower of (i) the premium rate determined pursuant to subsection (g) or (ii) 10% of the immediately previous month's rate for similar coverage.

(3) In no event shall any non-Medicare Plan annuitant's share of monthly premium for non-Medicare Plan coverage exceed 10% of the annuitant's monthly annuity.

(4) Non-Medicare Plan annuitants who are enrolled in the basic city plan as of July 1, 1998 may remain in the basic city plan, if they so choose, on the condition that they are not entitled to the caps on rates set forth in subparagraphs (1) through (3), and their premium rate shall be the rate determined in accordance with subsections (e) and (g).

(5) Medicare Plan annuitants who are currently enrolled in the basic city plan for Medicare eligible annuitants may remain in that plan, if they so choose, through June 30, 2003. Annuitants shall not be allowed to enroll in or transfer into the basic city plan for Medicare eligible annuitants on or after July 1, 1999. The city shall continue to offer annuitants a supplemental Medicare Plan for Medicare eligible annuitants through June 30, 2003, and the city may offer additional plans to Medicare eligible annuitants in its sole discretion. All Medicare Plan annuitant monthly rates shall be determined in accordance with subsections (e) and (g).

(e) The city shall pay 50% of the aggregated costs of the claims or premiums, whichever is applicable, as determined in accordance with subsection (g), of annuitants and their dependents under all health care plans offered by the city. The city may reduce its obligation by application of price reductions obtained as a result of financial arrangements with providers or plan administrators.

(d) From January 1, 1993 until June 30, 2003, the board shall pay to the city on behalf of each of the board's annuitants who chooses to participate in any of the city's plans the following amounts: up to a maximum of \$75 per month for each such annuitant who is not qualified to receive Medicare benefits; and up to a maximum of \$45 per month for each such annuitant who is qualified to receive Medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 6-165; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(e) The city's obligations under subsections (b) and (c) shall terminate on June 30, 2003, except with regard to covered expenses incurred but not paid as of that date. This subsection shall not affect other obligations that may be imposed by law.

(f) The group coverage plans described in this Section are not and shall not be construed to be pension or retirement benefits for purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

(g) For each annuitant plan offered by the city, the aggregate cost of claims, as reflected in the claim records of the plan administrator, shall be estimated by the city, based upon a written determination by a qualified independent actuary to be appointed and paid by the city and the board. If the estimated annual cost for each annuitant plan offered by the city is more than the estimated amount to be contributed by the city for that plan pursuant to subsections (b) and (c) during that year plus the estimated amounts to be paid pursuant to subsection (d) and by the other pension boards on behalf of other participating annuitants, the difference shall be paid by all annuitants participating in the plan, except as provided in subsection (b). The city, based upon the determination of the independent actuary, shall set the monthly amounts to be paid by the participating annuitants. The board may deduct the amounts to be paid by its annuitants from the participating annuitants' monthly annuities.

If it is determined from the city's annual audit, or from audited experience data, that the total amount paid by all participating annuitants was more or less than the difference between (1) the cost of providing the group health care plans, and (2) the sum of the amount to be paid by the city as determined under subsection (c) and the amounts paid by all the pension boards, then the independent actuary and

~~the city shall account for the excess or shortfall in the next year's payments by annuitants, except as provided in subsection (b).~~

~~(h) An annuitant may elect to terminate coverage in a plan at the end of any month, which election shall terminate the annuitant's obligation to contribute toward payment of the excess described in subsection (g).~~

(40 ILCS 5/8-137) (from Ch. 108 1/2, par. 8-137)

Sec. 8-137. Automatic increase in annuity. (a) An employee who retired or retires from service after December 31, 1959 and before January 1, 1987, having attained age 60 or more, shall, in January of the year after the year in which the first anniversary of retirement occurs, have the amount of his then fixed and payable monthly annuity increased by 1 1/2%, and such first fixed annuity as granted at retirement increased by a further 1 1/2% in January of each year thereafter. Beginning with January of the year 1972, such increases shall be at the rate of 2% in lieu of the aforesaid specified 1 1/2%, and beginning with January of the year 1984 such increases shall be at the rate of 3%. Beginning in January of 1999, such increases shall be at the rate of 3% of the currently payable monthly annuity, including any increases previously granted under this Article. An employee who retires on annuity after December 31, 1959 and before January 1, 1987, but before age 60, shall receive such increases beginning in January of the year after the year in which he attains age 60.

An employee who retires from service on or after January 1, 1987 shall, upon the first annuity payment date following the first anniversary of the date of retirement, or upon the first annuity payment date following attainment of age 60, whichever occurs later, have his then fixed and payable monthly annuity increased by 3%, and such annuity shall be increased by an additional 3% of the original fixed annuity on the same date each year thereafter. Beginning in January of 1999, such increases shall be at the rate of 3% of the currently payable monthly annuity, including any increases previously granted under this Article.

(a-5) Notwithstanding the provisions of subsection (a), upon the first annuity payment date following (1) the third anniversary of retirement, (2) the attainment of age 53, or (3) January 1, 2002, ~~the date 60 days after the effective date of this amendatory Act of the 92nd General Assembly,~~ whichever occurs latest, the monthly annuity of an employee who retires on annuity prior to the attainment of age 60 and ~~who~~ has not received an increase under subsection (a) shall be increased by 3%, and the ~~such~~ annuity shall be increased by an additional 3% of the current payable monthly annuity, including any ~~such~~ increases previously granted under this Article, on the same date each year thereafter. The increases provided under this subsection are in lieu of the increases provided in subsection (a).

(a-6) Notwithstanding the provisions of subsections (a) and (a-5), for all calendar years following the year in which this amendatory Act of the 93rd General Assembly takes effect, an increase in annuity under this Section that would otherwise take effect at any time during the year shall instead take effect in January of that year.

(b) Subsections (a), ~~and (a-5), and (a-6)~~ are not applicable to an employee retiring and receiving a term annuity, as herein defined, nor to any otherwise qualified employee who retires before he makes employee contributions (at the 1/2 of 1% rate as provided in this Act) for this additional annuity for not less than the equivalent of one full year. Such employee, however, shall make arrangement to pay to the fund a balance of such 1/2 of 1% contributions, based on his final salary, as will bring such 1/2 of 1% contributions, computed without interest, to the equivalent of or completion of one year's contributions.

Beginning with January, 1960, each employee shall contribute by means of salary deductions 1/2 of 1% of each salary payment, concurrently with and in addition to the employee contributions otherwise made for annuity purposes.

Each such additional contribution shall be credited to an account in the prior service annuity reserve, to be used, together with city contributions, to defray the cost of the specified annuity increments. Any balance in such account at the beginning of each calendar year shall be credited with interest at the rate of 3% per annum.

Such additional employee contributions are not refundable, except to an employee who withdraws and applies for refund under this Article, and in cases where a term annuity becomes payable. In such cases his contributions shall be refunded, without interest, and charged to such account in the prior service annuity reserve. (40 ILCS 5/8-138) (from Ch. 108 1/2, par. 8-138)

Sec. 8-138. Minimum annuities - Additional provisions. (a) An employee who withdraws after age 65 or more with at least 20 years of service, for whom the amount of age and service and prior

service annuity combined is less than the amount stated in this Section, shall from the date of withdrawal, instead of all annuities otherwise provided, be entitled to receive an annuity for life of \$150 a year, plus 1 1/2% for each year of service, to and including 20 years, and 1 2/3% for each year of service over 20 years, of his highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal.

An employee who withdraws after 20 or more years of service, before age 65, shall be entitled to such annuity, to begin not earlier than upon attained age of 55 years if under such age at withdrawal, reduced by 2% for each full year or fractional part thereof that his attained age is less than 65, plus an additional 2% reduction for each full year or fractional part thereof that his attained age when annuity is to begin is less than 60 so that the total reduction at age 55 shall be 30%.

(b) An employee who withdraws after July 1, 1957, at age 60 or over, with 20 or more years of service, for whom the age and service and prior service annuity combined, is less than the amount stated in this paragraph, shall, from the date of withdrawal, instead of such annuities, be entitled to receive an annuity for life equal to 1 2/3% for each year of service, of the highest average annual salary for any 5 consecutive years within the last 10 years of service immediately preceding the date of withdrawal; provided, that in the case of any employee who withdraws on or after July 1, 1971, such employee age 60 or over with 20 or more years of service, shall receive an annuity for life equal to 1.67% for each of the first 10 years of service; 1.90% for each of the next 10 years of service; 2.10% for each year of service in excess of 20 but not exceeding 30; and 2.30% for each year of service in excess of 30, based on the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal.

An employee who withdraws after July 1, 1957 and before January 1, 1988, with 20 or more years of service, before age 60 years is entitled to annuity, to begin not earlier than upon attained age of 55 years, if under such age at withdrawal, as computed in the last preceding paragraph, reduced 0.25% for each full month or fractional part thereof that his attained age when annuity is to begin is less than 60 if the employee was born before January 1, 1936, or 0.5% for each such month if the employee was born on or after January 1, 1936.

Any employee born before January 1, 1936, who withdraws with 20 or more years of service, and any employee with 20 or more years of service who withdraws on or after January 1, 1988, may elect to receive, in lieu of any other employee annuity provided in this Section, an annuity for life equal to 1.80% for each of the first 10 years of service, 2.00% for each of the next 10 years of service, 2.20% for each year of service in excess of 20 but not exceeding 30, and 2.40% for each year of service in excess of 30, of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal, to begin not earlier than upon attained age of 55 years, if under such age at withdrawal, reduced 0.25% for each full month or fractional part thereof that his attained age when annuity is to begin is less than 60; except that an employee retiring on or after January 1, 1988, at age 55 or over but less than age 60, having at least 35 years of service, or an employee retiring on or after July 1, 1990, at age 55 or over but less than age 60, having at least 30 years of service, or an employee retiring on or after the effective date of this amendatory Act of 1997, at age 55 or over but less than age 60, having at least 25 years of service, shall not be subject to the reduction in retirement annuity because of retirement below age 60.

However, in the case of an employee who retired on or after January 1, 1985 but before January 1, 1988, at age 55 or older and with at least 35 years of service, and who was subject under this subsection (b) to the reduction in retirement annuity because of retirement below age 60, that reduction shall cease to be effective January 1, 1991, and the retirement annuity shall be recalculated accordingly.

Any employee who withdraws on or after July 1, 1990, with 20 or more years of service, may elect to receive, in lieu of any other employee annuity provided in this Section, an annuity for life equal to 2.20% for each year of service if withdrawal is before January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly~~, or 2.40% for each year of service if withdrawal is on or after January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly or later~~, of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal, to begin not earlier than upon attained age of 55 years, if under such age at withdrawal, reduced 0.25% for each full month or fractional part thereof that his attained age when annuity is to begin is less than 60; except that an employee retiring at age 55 or over but less than age 60, having at least 30 years of service, shall not be subject to the reduction in retirement annuity because of retirement below age 60.

Any employee who withdraws on or after the effective date of this amendatory Act of 1997 with 20 or more years of service may elect to receive, in lieu of any other employee annuity provided in this Section, an annuity for life equal to 2.20% for each year of service, if withdrawal is before January 1,

2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly,~~ or 2.40% for each year of service if withdrawal is on or after January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly or later,~~ of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal, to begin not earlier than upon attainment of age 55 (age 50 if the employee has at least 30 years of service), reduced 0.25% for each full month or remaining fractional part thereof that the employee's attained age when annuity is to begin is less than 60; except that an employee retiring at age 50 or over with at least 30 years of service or at age 55 or over with at least 25 years of service shall not be subject to the reduction in retirement annuity because of retirement below age 60.

The maximum annuity payable under part (a) and (b) of this Section shall not exceed 70% of highest average annual salary in the case of an employee who withdraws prior to July 1, 1971, 75% if withdrawal takes place on or after July 1, 1971 and prior to January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly,~~ or 80% if withdrawal takes place on or after January 1, 2002 ~~is 60 days after the effective date of this amendatory Act of the 92nd General Assembly or later.~~ For the purpose of the minimum annuity provided in this Section \$1,500 is considered the minimum annual salary for any year; and the maximum annual salary for the computation of such annuity is \$4,800 for any year before 1953, \$6000 for the years 1953 to 1956, inclusive, and the actual annual salary, as salary is defined in this Article, for any year thereafter.

To preserve rights existing on December 31, 1959, for participants and contributors on that date to the fund created by the Court and Law Department Employees' Annuity Act, who became participants in the fund provided for on January 1, 1960, the maximum annual salary to be considered for such persons for the years 1955 and 1956 is \$7,500.

(c) For an employee receiving disability benefit, his salary for annuity purposes under paragraphs (a) and (b) of this Section, for all periods of disability benefit subsequent to the year 1956, is the amount on which his disability benefit was based.

(d) An employee with 20 or more years of service, whose entire disability benefit credit period expires before attainment of age 55 while still disabled for service, is entitled upon withdrawal to the larger of (1) the minimum annuity provided above, assuming he is then age 55, and reducing such annuity to its actuarial equivalent as of his attained age on such date or (2) the annuity provided from his age and service and prior service annuity credits.

(e) The minimum annuity provisions do not apply to any former municipal employee receiving an annuity from the fund who re-enters service as a municipal employee, unless he renders at least 3 years of additional service after the date of re-entry.

(f) An employee in service on July 1, 1947, or who became a contributor after July 1, 1947 and before attainment of age 70, who withdraws after age 65, with less than 20 years of service for whom the annuity has been fixed under this Article shall, instead of the annuity so fixed, receive an annuity as follows:

Such amount as he could have received had the accumulated amounts for annuity been improved with interest at the effective rate to the date of his withdrawal, or to attainment of age 70, whichever is earlier, and had the city contributed to such earlier date for age and service annuity the amount that it would have contributed had he been under age 65, after the date his annuity was fixed in accordance with this Article, and assuming his annuity were computed from such accumulations as of his age on such earlier date. The annuity so computed shall not exceed the annuity which would be payable under the other provisions of this Section if the employee was credited with 20 years of service and would qualify for annuity thereunder.

(g) Instead of the annuity provided in this Article, an employee having attained age 65 with at least 15 years of service who withdraws from service on or after July 1, 1971 and whose annuity computed under other provisions of this Article is less than the amount provided under this paragraph, is entitled to a minimum annuity for life equal to 1% of the highest average annual salary, as salary is defined and limited in this Section for any 4 consecutive years within the last 10 years of service for each year of service, plus the sum of \$25 for each year of service. The annuity shall not exceed 60% of such highest average annual salary.

(g-1) Instead of any other retirement annuity provided in this Article, an employee who has at least 10 years of service and withdraws from service on or after January 1, 1999 may elect to receive a retirement annuity for life, beginning no earlier than upon attainment of age 60, equal to 2.2% if withdrawal is before January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly~~ or 2.4% if withdrawal is on or after January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly or later,~~ of final average salary for each year of service, subject to a maximum of 75% of final average salary if withdrawal is before January 1, 2002, or

80% if withdrawal is on or after January 1, 2002. For the purpose of calculating this annuity, "final average salary" means the highest average annual salary for any 4 consecutive years in the last 10 years of service.

(h) The minimum annuities provided under this Section shall be paid in equal monthly installments.

(i) The amendatory provisions of part (b) and (g) of this Section shall be effective July 1, 1971 and apply in the case of every qualifying employee withdrawing on or after July 1, 1971.

(j) The amendatory provisions of this amendatory Act of 1985 (P.A. 84-23) relating to the discount of annuity because of retirement prior to attainment of age 60, and to the retirement formula, for those born before January 1, 1936, shall apply only to qualifying employees withdrawing on or after July 18, 1985.

(j-1) The changes made to this Section by Public Act 92-609 ~~this amendatory Act of the 92nd General Assembly~~ (increasing the retirement formula to 2.4% per year of service and increasing the maximum to 80%) apply to persons who withdraw from service on or after January 1, 2002, regardless of whether that withdrawal takes place before the effective date of ~~that this amendatory Act~~. In the case of a person who withdraws from service on or after January 1, 2002 but begins to receive a retirement annuity before ~~July 1, 2002 the effective date of this amendatory Act~~, the annuity shall be recalculated, with the increase resulting from Public this amendatory Act 92-609 accruing from the date the retirement annuity began. The changes made by Public Act 92-609 control over the changes made by Public Act 92-599, as provided in Section 95 of P.A. 92-609.

(k) Beginning on January 1, 1999, the minimum amount of employee's annuity shall be \$850 per month for life for the following classes of employees, without regard to the fact that withdrawal occurred prior to the effective date of this amendatory Act of 1998:

(1) any employee annuitant alive and receiving a life annuity on the effective date of this amendatory Act of 1998, except a reciprocal annuity;

(2) any employee annuitant alive and receiving a term annuity on the effective date of this amendatory Act of 1998, except a reciprocal annuity;

(3) any employee annuitant alive and receiving a reciprocal annuity on the effective date of this amendatory Act of 1998, whose service in this fund is at least 5 years;

(4) any employee annuitant withdrawing after age 60 on or after the effective date of this amendatory Act of 1998, with at least 10 years of service in this fund.

The increases granted under items (1), (2) and (3) of this subsection (k) shall not be limited by any other Section of this Act.

(l) Beginning on January 1, 2004, the minimum amount of employee's annuity shall be \$950 per month for life for the following classes of employees, without regard to the fact that withdrawal occurred prior to the effective date of this amendatory Act of the 93rd General Assembly:

(1) any employee annuitant alive and receiving a life annuity on the effective date of this amendatory Act of the 93rd General Assembly, except a reciprocal annuity;

(2) any employee annuitant alive and receiving a term annuity on the effective date of this amendatory Act of the 93rd General Assembly, except a reciprocal annuity;

(3) any employee annuitant alive and receiving a reciprocal annuity on the effective date of this amendatory Act of the 93rd General Assembly, whose service in this fund is at least 5 years;

(4) any employee annuitant withdrawing after age 60 on or after the effective date of this amendatory Act of the 93rd General Assembly, with at least 10 years of service in this fund.

The increases granted under items (1), (2) and (3) of this subsection (l) shall not be limited by any other Section of this Act.

(m) Beginning on January 1, 2005, the minimum amount of employee's annuity shall be \$1,050 per month for life for the following classes of employees, without regard to the fact that withdrawal occurred prior to the effective date of this amendatory Act of the 93rd General Assembly:

Sec. 8-150.1. Minimum annuities for widows. The widow (otherwise eligible for widow's annuity under other Sections of this Article 8) of an employee hereinafter described, who retires from service or dies while in the service subsequent to the effective date of this amendatory provision, and for which widow the amount of widow's annuity and widow's prior service annuity combined, fixed or provided for such widow under other provisions of this Article is less than the amount provided in this Section, shall, from and after the date her otherwise provided annuity would begin, in lieu of such otherwise provided widow's and widow's prior service annuity, be entitled to the following indicated amount of annuity:

(a) The widow of any employee who dies while in service on or after the date on which he attains age 60 if the death occurs before July 1, 1990, or on or after the date on which he attains age 55 if the death occurs on or after July 1, 1990, with at least 20 years of service, or on or after the date on which he attains age 50 if the death occurs on or after the effective date of this amendatory Act of 1997 with at least 30 years of service, shall be entitled to an annuity equal to one-half of the amount of annuity which her deceased husband would have been entitled to receive had he withdrawn from the service on the day immediately preceding the date of his death, conditional upon such widow having attained the age of 60 or more years on such date if the death occurs before July 1, 1990, or age 55 or more if the death occurs on or after July 1, 1990, or age 50 or more if the death occurs on or after January 1, 1998 and the employee is age 50 or over with at least 30 years of service or age 55 or over with at least 25 years of service. Except as provided in subsection (k), this widow's annuity shall not, however, exceed the sum of \$500 a month if the employee's death in service occurs before January 23, 1987. The widow's annuity shall not be limited to a maximum dollar amount if the employee's death in service occurs on or after January 23, 1987.

If the employee dies in service before July 1, 1990, and if such widow of such described employee shall not be 60 or more years of age on such date of death, the amount provided in the immediately preceding paragraph for a widow 60 or more years of age, shall, in the case of such younger widow, be reduced by 0.25% for each month that her then attained age is less than 60 years if the employee was born before January 1, 1936 or dies in service on or after January 1, 1988, or by 0.5% for each month that her then attained age is less than 60 years if the employee was born on or after July 1, 1936 and dies in service before January 1, 1988.

If the employee dies in service on or after July 1, 1990, and if the widow of the employee has not attained age 55 on or before the employee's date of death, the amount otherwise provided in this subsection (a) shall be reduced by 0.25% for each month that her then attained age is less than 55 years; except that if the employee dies in service on or after January 1, 1998 at age 50 or over with at least 30 years of service or at age 55 or over with at least 25 years of service, there shall be no reduction due to the widow's age if she has attained age 50 on or before the employee's date of death, and if the widow has not attained age 50 on or before the employee's date of death the amount otherwise provided in this subsection (a) shall be reduced by 0.25% for each month that her then attained age is less than 50 years.

(b) The widow of any employee who dies subsequent to the date of his retirement on annuity, and who so retired on or after the date on which he attained the age of 60 or more years if retirement occurs before July 1, 1990, or on or after the date on which he attained age 55 if retirement occurs on or after July 1, 1990, with at least 20 years of service, or on or after the date on which he attained age 50 if the retirement occurs on or after the effective date of this amendatory Act of 1997 with at least 30 years of service, shall be entitled to an annuity equal to one-half of the amount of annuity which her deceased husband received as of the date of his retirement on annuity, conditional upon such widow having attained the age of 60 or more years on the date of her husband's retirement on annuity if retirement occurs before July 1, 1990, or age 55 or more if retirement occurs on or after July 1, 1990, or age 50 or more if the retirement on annuity occurs on or after January 1, 1998 and the employee is age 50 or over with at least 30 years of service or age 55 or over with at least 25 years of service. Except as provided in subsection (k), this widow's annuity shall not, however, exceed the sum of \$500 a month if the employee's death occurs before January 23, 1987. The widow's annuity shall not be limited to a maximum dollar amount if the employee's death occurs on or after January 23, 1987, regardless of the date of retirement; provided that, if retirement was before January 23, 1987, the employee or eligible spouse repays the excess spouse refund with interest at the effective rate from the date of refund to the date of repayment.

If the date of the employee's retirement on annuity is before July 1, 1990, and if such widow of such described employee shall not have attained such age of 60 or more years on such date of her husband's retirement on annuity, the amount provided in the immediately preceding paragraph for a widow 60 or more years of age on the date of her husband's retirement on annuity, shall, in the case of such then younger widow, be reduced by 0.25% for each month that her then attained age was less than 60 years if

the employee was born before January 1, 1936 or withdraws from service on or after January 1, 1988, or by 0.5% for each month that her then attained age is less than 60 years if the employee was born on or after January 1, 1936 and withdraws from service before January 1, 1988.

If the date of the employee's retirement on annuity is on or after July 1, 1990, and if the widow of the employee has not attained age 55 by the date of the employee's retirement on annuity, the amount otherwise provided in this subsection (b) shall be reduced by 0.25% for each month that her then attained age is less than 55 years; except that if the employee retires on annuity on or after January 1, 1998 at age 50 or over with at least 30 years of service or at age 55 or over with at least 25 years of service, there shall be no reduction due to the widow's age if she has attained age 50 on or before the employee's date of death, and if the widow has not attained age 50 on or before the employee's date of death the amount otherwise provided in this subsection (b) shall be reduced by 0.25% for each month that her then attained age is less than 50 years.

(c) The foregoing provisions relating to minimum annuities for widows shall not apply to the widow of any former municipal employee receiving an annuity from the fund on August 9, 1965 or on the effective date of this amendatory provision, who re-enters service as a municipal employee, unless such employee renders at least 3 years of additional service after the date of re-entry.

(d) In computing the amount of annuity which the husband specified in the foregoing paragraphs (a) and (b) of this Section would have been entitled to receive, or received, such amount shall be the annuity to which such husband would have been, or was entitled, before reduction in the amount of his annuity for the purposes of the voluntary optional reversionary annuity provided for in Section 8-139 of this Article, if such option was elected.

(e) (Blank).

(f) (Blank).

(g) The amendatory provisions of this amendatory Act of 1985 relating to annuity discount because of age for widows of employees born before January 1, 1936, shall apply only to qualifying widows of employees withdrawing or dying in service on or after July 18, 1985.

(h) Beginning on January 1, 1999, the minimum amount of widow's annuity shall be \$800 per month for life for the following classes of widows, without regard to the fact that the death of the employee occurred prior to the effective date of this amendatory Act of 1998:

(1) any widow annuitant alive and receiving a life annuity on the effective date of this amendatory Act of 1998, except a reciprocal annuity;

(2) any widow annuitant alive and receiving a term annuity on the effective date of this amendatory Act of 1998, except a reciprocal annuity;

(3) any widow annuitant alive and receiving a reciprocal annuity on the effective date of this amendatory Act of 1998, whose employee spouse's service in this fund was at least 5 years;

(4) the widow of an employee with at least 10 years of service in this fund who dies after retirement, if the retirement occurred prior to the effective date of this amendatory Act of 1998;

(5) the widow of an employee with at least 10 years of service in this fund who dies after retirement, if withdrawal occurs on or after the effective date of this amendatory Act of 1998;

(6) the widow of an employee who dies in service with at least 5 years of service in this fund, if the death in service occurs on or after the effective date of this amendatory Act of 1998.

The increases granted under items (1), (2), (3) and (4) of this subsection (h) shall not be limited by any other Section of this Act.

The increases granted under items (1), (2), (3) and (4) of this subsection (h-5) shall not be limited by any other Section of this Act.

(h-10) Beginning on January 1, 2005, the minimum amount of widow's annuity shall be \$1,000 per month for life for the following classes of widows, without regard to the fact that the death of the employee occurred prior to the effective date of this amendatory Act of the 93rd General Assembly:

(1) any widow annuitant alive and receiving a life annuity on the effective date of this amendatory Act of the 93rd General Assembly, except a reciprocal annuity;

(2) any widow annuitant alive and receiving a term annuity on the effective date of this amendatory Act of the 93rd General Assembly, except a reciprocal annuity;

(3) any widow annuitant alive and receiving a reciprocal annuity on the effective date of this amendatory Act of the 93rd General Assembly, whose employee spouse's service in this fund was at least 5 years;

The increases granted under items (1), (2), (3) and (4) of this subsection (h-10) shall not be limited by any other Section of this Act.

(i) The widow of an employee who retired or died in service on or after January 1, 1985 and before July 1, 1990, at age 55 or older, and with at least 35 years of service credit, shall be entitled to have her widow's annuity increased, effective January 1, 1991, to an amount equal to 50% of the retirement annuity that the deceased employee received on the date of retirement, or would have been eligible to receive if he had retired on the day preceding the date of his death in service, provided that if the widow had not attained age 60 by the date of the employee's retirement or death in service, the amount of the annuity shall be reduced by 0.25% for each month that her then attained age was less than age 60 if the employee's retirement or death in service occurred on or after January 1, 1988, or by 0.5% for each month that her attained age is less than age 60 if the employee's retirement or death in service occurred prior to January 1, 1988. However, in cases where a refund of excess contributions for widow's annuity has been paid by the Fund, the increase in benefit provided by this subsection (i) shall be contingent upon repayment of the refund to the Fund with interest at the effective rate from the date of refund to the date of payment.

(j) If a deceased employee is receiving a retirement annuity at the time of death and that death occurs on or after June 27, 1997, the widow may elect to receive, in lieu of any other annuity provided under this Article, 50% of the deceased employee's retirement annuity at the time of death reduced by 0.25% for each month that the widow's age on the date of death is less than 55; except that if the employee dies on or after January 1, 1998 and withdrew from service on or after June 27, 1997 at age 50 or over with at least 30 years of service or at age 55 or over with at least 25 years of service, there shall be no reduction due to the widow's age if she has attained age 50 on or before the employee's date of death, and if the widow has not attained age 50 on or before the employee's date of death the amount otherwise provided in this subsection (j) shall be reduced by 0.25% for each month that her age on the date of death is less than 50 years. However, in cases where a refund of excess contributions for widow's annuity has been paid by the Fund, the benefit provided by this subsection (j) is contingent upon repayment of the refund to the Fund with interest at the effective rate from the date of refund to the date of payment.

(k) For widows of employees who died before January 23, 1987 after retirement on annuity or in service, the maximum dollar amount limitation on widow's annuity shall cease to apply, beginning with the first annuity payment after the effective date of this amendatory Act of 1997; except that if a refund of excess contributions for widow's annuity has been paid by the Fund, the increase resulting from this subsection (k) shall not begin before the refund has been repaid to the Fund, together with interest at the effective rate from the date of the refund to the date of repayment.

(l) In lieu of any other annuity provided in this Article, an eligible spouse of an employee who dies in service at least 60 days after the effective date of this amendatory Act of the 92nd General Assembly

with at least 10 years of service shall be entitled to an annuity of 50% of the minimum formula annuity earned and accrued to the credit of the employee at the date of death. For the purposes of this subsection, the minimum formula annuity earned and accrued to the credit of the employee is equal to 2.40% for each year of service of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of death, up to a maximum of 80% of the highest average annual salary. This annuity shall not be reduced due to the age of the employee or spouse. In addition to any other eligibility requirements under this Article, the spouse is eligible for this annuity only if the marriage was in effect for 10 full years or more. Sec. 8-150.2. Automatic annual increase in widow's annuity.

(a) Every widow's annuity, other than an annuity excluded under subsection (c), shall be increased by 3% on the latest of (1) January 1, 2004, (2) the January 1 immediately following the deceased employee's date of death, or (3) the January 1 occurring on or next after the date the deceased employee actually received, or the earliest date upon which the deceased employee would have been eligible to receive, his or her first increase in annuity under Section 8-137 or 8-137.1.

On each January 1 after the date of the initial increase under this Section, the widow's annuity shall be increased by an amount equal to 3% of the amount of widow's annuity otherwise payable at the time of the increase, including any increases previously granted under this Article.

(b) Limitations on the maximum amount of widow's annuity imposed under Section 8-154 do not apply to the annual increases under this Section.

(c) The increases under this Section do not apply to reversionary annuities under Section 8-139 or term annuities under Section 8-157. The increases provided under this Section do, however, apply to compensation and supplemental annuities under Section 8-151.

(40 ILCS 5/8-164.1) (from Ch. 108 1/2, par. 8-164.1)

Sec. 8-164.1. Payments to city ~~Group health benefit~~. (a) For the purposes of this Section, "city annuitant" means a person receiving an age and service annuity, a widow's annuity, a child's annuity, or a minimum annuity under this Article as a direct result of previous employment by the City of Chicago ("the city").

(b) The board shall pay to the city, on behalf of the board's city annuitants who participate in any of the city's health care plans, the following amounts:

(1) From July 1, 2003 through June 30, 2008, \$85 per month for each such annuitant who is not eligible to receive Medicare benefits and \$55 per month for each such annuitant who is eligible to receive Medicare benefits.

(2) From July 1, 2008 through June 30, 2013, \$95 per month for each such annuitant who is not eligible to receive Medicare benefits and \$65 per month for each such annuitant who is eligible to receive Medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 8-173; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(c) The city health care plans referred to in this Section and the board's payments to the city under this Section are not and shall not be construed to be pension or retirement benefits for the purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

(a) For the purposes of this Section: (1) "annuitant" means a person receiving an age and service annuity, a prior service annuity, a widow's annuity, a widow's prior service annuity, or a minimum annuity, under Article 5, 6, 8 or 11, by reason of previous employment by the City of Chicago (hereinafter, in this Section, "the city"); (2) "Medicare Plan annuitant" means an annuitant described in item (1) who is eligible for Medicare benefits; and (3) "non Medicare Plan annuitant" means an annuitant described in item (1) who is not eligible for Medicare benefits.

(b) The city shall offer group health benefits to annuitants and their eligible dependents through June 30, 2003. The basic city health care plan available as of June 30, 1988 (hereinafter called the basic city plan) shall cease to be a plan offered by the city, except as specified in subparagraphs (4) and (5) below, and shall be closed to new enrollment or transfer of coverage for any non Medicare Plan annuitant as of June 27, 1997. The city shall offer non Medicare Plan annuitants and their eligible dependents the option of enrolling in its Annuitant Preferred Provider Plan and may offer additional plans for any annuitant. The city may amend, modify, or terminate any of its additional plans at its sole discretion. If the city offers more than one annuitant plan, the city shall allow annuitants to convert coverage from one city annuitant plan to another, except the basic city plan, during times designated by the city, which periods of time shall occur at least annually. For the period dating from June 27, 1997 through June 30, 2003, monthly premium rates may be increased for annuitants during the time of their participation in non

Medicare plans, except as provided in subparagraphs (1) through (4) of this subsection.

(1) For non-Medicare Plan annuitants who retired prior to January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall not exceed the highest premium rate chargeable under any city non-Medicare Plan annuitant coverage as of December 1, 1996.

(2) For non-Medicare Plan annuitants who retire on or after January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall be the rate in effect on December 1, 1996, with monthly premium increases to take effect no sooner than April 1, 1998 at the lower of (i) the premium rate determined pursuant to subsection (g) or (ii) 10% of the immediately previous month's rate for similar coverage.

(3) In no event shall any non-Medicare Plan annuitant's share of monthly premium for non-Medicare Plan coverage exceed 10% of the annuitant's monthly annuity.

(4) Non-Medicare Plan annuitants who are enrolled in the basic city plan as of July 1, 1998 may remain in the basic city plan, if they so choose, on the condition that they are not entitled to the caps on rates set forth in subparagraphs (1) through (3), and their premium rate shall be the rate determined in accordance with subsections (e) and (g).

(5) Medicare Plan annuitants who are currently enrolled in the basic city plan for Medicare eligible annuitants may remain in that plan, if they so choose, through June 30, 2003. Annuitants shall not be allowed to enroll in or transfer into the basic city plan for Medicare eligible annuitants on or after July 1, 1999. The city shall continue to offer annuitants a supplemental Medicare Plan for Medicare eligible annuitants through June 30, 2003, and the city may offer additional plans to Medicare eligible annuitants in its sole discretion. All Medicare Plan annuitant monthly rates shall be determined in accordance with subsections (e) and (g).

(e) The city shall pay 50% of the aggregated costs of the claims or premiums, whichever is applicable, as determined in accordance with subsection (g), of annuitants and their dependents under all health care plans offered by the city. The city may reduce its obligation by application of price reductions obtained as a result of financial arrangements with providers or plan administrators.

(d) From January 1, 1993 until June 30, 2003, the board shall pay to the city on behalf of each of the board's annuitants who chooses to participate in any of the city's plans the following amounts: up to a maximum of \$75 per month for each such annuitant who is not qualified to receive Medicare benefits, and up to a maximum of \$45 per month for each such annuitant who is qualified to receive Medicare benefits.

Commencing on August 23, 1989, the board is authorized to pay to the board of education on behalf of each person who chooses to participate in the board of education's plan the amounts specified in this subsection (d) during the years indicated. For the period January 1, 1988 through August 23, 1989, the board shall pay to the board of education annuitants who participate in the board of education's health benefits plan for annuitants the following amounts: \$10 per month to each annuitant who is not qualified to receive Medicare benefits, and \$14 per month to each annuitant who is qualified to receive Medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 8-189; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(e) The city's obligations under subsections (b) and (c) shall terminate on June 30, 2003, except with regard to covered expenses incurred but not paid as of that date. This subsection shall not affect other obligations that may be imposed by law.

(f) The group coverage plans described in this Section are not and shall not be construed to be pension or retirement benefits for purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

(g) For each annuitant plan offered by the city, the aggregate cost of claims, as reflected in the claim records of the plan administrator, shall be estimated by the city, based upon a written determination by a qualified independent actuary to be appointed and paid by the city and the board. If the estimated annual cost for each annuitant plan offered by the city is more than the estimated amount to be contributed by the city for that plan pursuant to subsections (b) and (c) during that year plus the estimated amounts to be paid pursuant to subsection (d) and by the other pension boards on behalf of other participating annuitants, the difference shall be paid by all annuitants participating in the plan, except as provided in subsection (b). The city, based upon the determination of the independent actuary, shall set the monthly amounts to be paid by the participating annuitants. The board may deduct the amounts to be paid by its annuitants from the participating annuitants' monthly annuities.

If it is determined from the city's annual audit, or from audited experience data, that the total amount paid by all participating annuitants was more or less than the difference between (1) the cost of

providing the group health care plans, and (2) the sum of the amount to be paid by the city as determined under subsection (c) and the amounts paid by all the pension boards, then the independent actuary and the city shall account for the excess or shortfall in the next year's payments by annuitants, except as provided in subsection (b).

~~(h) An annuitant may elect to terminate coverage in a plan at the end of any month, which election shall terminate the annuitant's obligation to contribute toward payment of the excess described in subsection (g).~~

~~(i) The city shall advise the board of all proposed premium increases for health care at least 75 days prior to the effective date of the change, and any increase shall be prospective only. (Source: P.A. 92-599, eff. 6-28-02.)~~

~~(1) From July 1, 2003 through June 30, 2008, \$85 per month for each such annuitant who is not eligible to receive Medicare benefits and \$55 per month for each such annuitant who is eligible to receive Medicare benefits.~~

~~(2) From July 1, 2008 through June 30, 2013, \$95 per month for each such annuitant who is not eligible to receive Medicare benefits and \$65 per month for each such annuitant who is eligible to receive Medicare benefits.~~

~~The payments described in this subsection shall be paid from the tax levy authorized under Section 8-173; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the Board of Education under this subsection shall be charged against it.~~

~~(b) The Board of Education health benefit plan referred to in this Section and the board's payments to the Board of Education under this Section are not and shall not be construed to be pension or retirement benefits for the purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.~~

~~(40 ILCS 5/8-167) (from Ch. 108 1/2, par. 8-167)~~

~~Sec. 8-167. Restoration of rights. An employee who has withdrawn as a refund the amounts credited for annuity purposes, and who (i) re-enters service of the employer and serves for periods comprising at least 90 days ~~2 years~~ after the date of the last refund paid to him or (ii) has completed at least 2 years of service under a participating system (as defined in the Retirement Systems Reciprocal Act) other than this Fund after the date of the last refund, shall have his annuity rights restored by compliance with the following provisions:~~

~~(a) After such 90 day or 2 year period, whichever applies, he shall repay in full to the Fund, while in service, in full all refunds received, together with interest at the effective rate from the dates of refund to the date of repayment.~~

~~(b) If payment is not made in a single sum, the repayment may be made in installments by deductions from salary or otherwise in such amounts and manner as the board, by rule, may prescribe, with interest at the effective rate accruing on unpaid balances.~~

~~(c) If the employee withdraws from service or dies in service before full repayment is made, service credit shall be restored in accordance with Section 8-230.3(b), such rights shall not be restored, but the amount, including interest, repaid by him, but without any further interest otherwise normally credited, shall be refunded to him or to his widow, or in the manner provided by the refund provisions of this Article if no widow survives.~~

~~(d) If the employee repays the refund while participating in a participating system (as defined in the Retirement Systems Reciprocal Act) other than this Fund, the service credit restored must be used for a proportional annuity calculated in accordance with the Retirement Systems Reciprocal Act. If not so used, the restored service credit shall be forfeited and the amount of the repayment shall be refunded, without interest.~~

~~This Section applies also to any person who received a refund from any annuity and benefit fund or pension fund which was merged into and superseded by the annuity and benefit fund provided for in this Article on or after December 31, 1959. Upon repayment such person shall receive credit for all annuity purposes in the annuity and benefit fund provided for in this Article for the period of service covered by the repayment such refund.~~

~~The amount of refund repayment is considered as salary deductions for age and service annuity and widow's annuity purposes in the case of a male person. In the latter case the amount of refund repayment is allocated in the applicable proportion for age and service and widow's annuity purposes. Such person~~

shall also be credited with city contributions for age and service annuity, and widow's annuity if a male employee, in the amount which would have been credited and accrued if such person had been a participant in and contributor to the annuity and benefit fund provided for in this Article during the period of such service on the basis of his salary during such period. (40 ILCS 5/8-174.1) (from Ch. 108 1/2, par. 8-174.1)

Sec. 8-174.1. Employer contributions on behalf of employees. (a) The employer may make and may incur an obligation to make contributions on behalf of its employees in an amount not to exceed the employee contributions required by Sections 8-137, 8-161, 8-174, 8-182 and 8-182.1 for all salary earned after December 31, 1981. If such employee contributions are not made or an obligation to make such contributions is not incurred by the employer on behalf of its employees, the amount that could have been contributed shall continue to be deducted from salary. If employee contributions are made by the employer on behalf of its employees, they shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code; however, each city shall continue to withhold federal and State income taxes based upon these contributions until the Internal Revenue Service or the Federal courts rule that pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employee until such time as they are distributed or made available. The employer may make these contributions on behalf of its employees by a reduction in the cash salary of the employee or by an offset against a future salary increase or by a combination of a reduction in salary and offset against a future salary increase. The employer shall pay these employee contributions from the same source of funds used in paying salary to the employee or, if the employer is a Board of Education, it may also or alternatively pay such contributions in whole or in part from the proceeds of the pension contribution liability tax authorized by Section 34-60.1 of the School Code, as amended. If such a tax is levied with respect to any fiscal year of a Board of Education, that portion of the contributions to be paid by the Board of Education on behalf of its employees for that fiscal year from the proceeds of such a tax shall not be due and payable into the Fund until the collection, in the calendar year following the calendar year in which such levy was made, of the actual tax bills extending the second installment of real estate taxes for the Board of Education for that calendar year, pursuant to Section 21-30 of the Property Tax Code, and such Board of Education shall not be required to pay those contributions to be paid from the proceeds of such a tax into the Fund except as collected from the extension of the actual tax bills. If employee contributions are made by the employer on behalf of its employees, they shall be treated for all purposes of this Article 8, including Section 8-173, in the same manner and to the same extent as employee contributions made by employees and deducted from salary; provided, however, that contributions which are made by a Board of Education on behalf of its employees shall not be treated as a pension or retirement obligation of the Board of Education for purposes of Section 12 of "An Act in relation to State revenue sharing with local governmental entities", approved July 31, 1969, as amended. For purposes of Section 8-173, contributions made by a Board of Education on behalf of its employees shall be treated as contributions made by or on behalf of employees to the Fund for the fiscal year for which the Board of Education incurred the obligation to make such contributions.

(b) Subject to the requirements of federal law and the rules of the Board, the Fund may allow the employee to elect to have the employer pick up the optional contributions that the employee has elected to pay to the Fund, and the contributions so picked up shall be treated as employer contributions for the purpose of determining federal tax treatment. The employer shall pick up the contributions by a reduction in the cash salary of the employee and shall pay contributions from the same source of funds that is used to pay earnings of the employee. The election to have the contributions picked up is irrevocable and the optional contributions may not thereafter be prepaid, by direct payment or otherwise.

If the provision authorizing the optional contribution requires payment by a stated date (rather than the date of withdrawal or retirement), the requirement will be deemed to have been satisfied if (i) on or before the stated date the employee executes a valid irrevocable election to have the contributions picked up under this subsection, and (ii) the picked-up contributions are in fact paid to the Fund as provided in the election.

If employee contributions are picked up under this subsection, they shall be treated for all purposes of this Article 8, including Section 8-173, in the same manner and to the same extent as optional employee contributions made prior to the date picked up. (Source: P.A. 88-670, eff. 12-2-94.)

The employee must pay the required contribution in full before withdrawal or death in service. (40 ILCS 5/11-134) (from Ch. 108 1/2, par. 11-134)

Sec. 11-134. Minimum annuities. (a) An employee whose withdrawal occurs after July 1, 1957 at age 60 or over, with 20 or more years of service, (as service is defined or computed in Section 11-216), for whom the age and service and prior service annuity combined is less than the amount stated in this Section, shall, from and after the date of withdrawal, in lieu of all annuities otherwise provided in this Article, be entitled to receive an annuity for life of an amount equal to 1 2/3% for each year of service, of the highest average annual salary for any 5 consecutive years within the last 10 years of service immediately preceding the date of withdrawal; provided, that in the case of any employee who withdraws on or after July 1, 1971, such employee age 60 or over with 20 or more years of service, shall be entitled to instead receive an annuity for life equal to 1.67% for each of the first 10 years of service; 1.90% for each of the next 10 years of service; 2.10% for each year of service in excess of 20 but not exceeding 30; and 2.30% for each year of service in excess of 30, based on the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal.

An employee who withdraws after July 1, 1957 and before January 1, 1988, with 20 or more years of service, before age 60, shall be entitled to an annuity, to begin not earlier than age 55, if under such age at withdrawal, as computed in the last preceding paragraph, reduced 0.25% if the employee was born before January 1, 1936, or 0.5% if the employee was born on or after January 1, 1936, for each full month or fractional part thereof that his attained age when such annuity is to begin is less than 60.

Any employee born before January 1, 1936 who withdraws with 20 or more years of service, and any employee with 20 or more years of service who withdraws on or after January 1, 1988, may elect to receive, in lieu of any other employee annuity provided in this Section, an annuity for life equal to 1.80% for each of the first 10 years of service, 2.00% for each of the next 10 years of service, 2.20% for each year of service in excess of 20, but not exceeding 30, and 2.40% for each year of service in excess of 30, of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal, to begin not earlier than upon attained age of 55 years, if under such age at withdrawal, reduced 0.25% for each full month or fractional part thereof that his attained age when annuity is to begin is less than 60; except that an employee retiring on or after January 1, 1988, at age 55 or over but less than age 60, having at least 35 years of service, or an employee retiring on or after July 1, 1990, at age 55 or over but less than age 60, having at least 30 years of service, or an employee retiring on or after the effective date of this amendatory Act of 1997, at age 55 or over but less than age 60, having at least 25 years of service, shall not be subject to the reduction in retirement annuity because of retirement below age 60.

However, in the case of an employee who retired on or after January 1, 1985 but before January 1, 1988, at age 55 or older and with at least 35 years of service, and who was subject under this subsection (a) to the reduction in retirement annuity because of retirement below age 60, that reduction shall cease

to be effective January 1, 1991, and the retirement annuity shall be recalculated accordingly.

Any employee who withdraws on or after July 1, 1990, with 20 or more years of service, may elect to receive, in lieu of any other employee annuity provided in this Section, an annuity for life equal to 2.20% for each year of service if withdrawal is before January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly~~, or 2.40% for each year of service if withdrawal is on or after January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly or later~~, of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal, to begin not earlier than upon attained age of 55 years, if under such age at withdrawal, reduced 0.25% for each full month or fractional part thereof that his attained age when annuity is to begin is less than 60; except that an employee retiring at age 55 or over but less than age 60, having at least 30 years of service, shall not be subject to the reduction in retirement annuity because of retirement below age 60.

Any employee who withdraws on or after the effective date of this amendatory Act of 1997 with 20 or more years of service may elect to receive, in lieu of any other employee annuity provided in this Section, an annuity for life equal to 2.20% for each year of service if withdrawal is before January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly~~, or 2.40% for each year of service if withdrawal is on or after January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly or later~~, of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal, to begin not earlier than upon attainment of age 55 (age 50 if the employee has at least 30 years of service), reduced 0.25% for each full month or remaining fractional part thereof that the employee's attained age when annuity is to begin is less than 60; except that an employee retiring at age 50 or over with at least 30 years of service or at age 55 or over with at least 25 years of service shall not be subject to the reduction in retirement annuity because of retirement below age 60.

The maximum annuity payable under this paragraph (a) of this Section shall not exceed 70% of highest average annual salary in the case of an employee who withdraws prior to July 1, 1971, 75% if withdrawal takes place on or after July 1, 1971 and prior to January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly~~, or 80% if withdrawal is on or after January 1, 2002 ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly or later~~. For the purpose of the minimum annuity provided in said paragraphs \$1,500 shall be considered the minimum annual salary for any year; and the maximum annual salary to be considered for the computation of such annuity shall be \$4,800 for any year prior to 1953, \$6,000 for the years 1953 to 1956, inclusive, and the actual annual salary, as salary is defined in this Article, for any year thereafter.

(b) For an employee receiving disability benefit, his salary for annuity purposes under this Section shall, for all periods of disability benefit subsequent to the year 1956, be the amount on which his disability benefit was based.

(c) An employee with 20 or more years of service, whose entire disability benefit credit period expires prior to attainment of age 55 while still disabled for service, shall be entitled upon withdrawal to the larger of (1) the minimum annuity provided above assuming that he is then age 55, and reducing such annuity to its actuarial equivalent at his attained age on such date, or (2) the annuity provided from his age and service and prior service annuity credits.

(d) The minimum annuity provisions as aforesaid shall not apply to any former employee receiving an annuity from the fund, and who re-enters service as an employee, unless he renders at least 3 years of additional service after the date of re-entry.

(e) An employee in service on July 1, 1947, or who became a contributor after July 1, 1947 and prior to July 1, 1950, or who shall become a contributor to the fund after July 1, 1950 prior to attainment of age 70, who withdraws after age 65 with less than 20 years of service, for whom the annuity has been fixed under the foregoing Sections of this Article shall, in lieu of the annuity so fixed, receive an annuity as follows:

Such amount as he could have received had the accumulated amounts for annuity been improved with interest at the effective rate to the date of his withdrawal, or to attainment of age 70, whichever is earlier, and had the city contributed to such earlier date for age and service annuity the amount that would have been contributed had he been under age 65, after the date his annuity was fixed in accordance with this Article, and assuming his annuity were computed from such accumulations as of his age on such earlier date. The annuity so computed shall not exceed the annuity which would be payable under the other provisions of this Section if the employee was credited with 20 years of service and would qualify for annuity thereunder.

(f) In lieu of the annuity provided in this or in any other Section of this Article, an employee having attained age 65 with at least 15 years of service who withdraws from service on or after July 1, 1971 and

whose annuity computed under other provisions of this Article is less than the amount provided under this paragraph shall be entitled to receive a minimum annual annuity for life equal to 1% of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding retirement for each year of his service plus the sum of \$25 for each year of service. Such annual annuity shall not exceed the maximum percentages stated under paragraph (a) of this Section of such highest average annual salary.

(f-1) Instead of any other retirement annuity provided in this Article, an employee who has at least 10 years of service and withdraws from service on or after January 1, 1999 may elect to receive a retirement annuity for life, beginning no earlier than upon attainment of age 60, equal to 2.2% if withdrawal is before January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly~~ or 2.4% for each year of service if withdrawal is on or after January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly or later~~, of final average salary for each year of service, subject to a maximum of 75% of final average salary if withdrawal is before January 1, 2002, ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly~~, or 80% if withdrawal is on or after January 1, 2002 ~~60 days after the effective date of this amendatory Act of the 92nd General Assembly or later~~. For the purpose of calculating this annuity, "final average salary" means the highest average annual salary for any 4 consecutive years in the last 10 years of service.

(g) Any annuity payable under the preceding subsections of this Section 11-134 shall be paid in equal monthly installments.

(h) The amendatory provisions of part (a) and (f) of this Section shall be effective July 1, 1971 and apply in the case of every qualifying employee withdrawing on or after July 1, 1971.

(h-1) The changes made to this Section by Public Act 92-609 ~~this amendatory Act of the 92nd General Assembly~~ (increasing the retirement formula to 2.4% per year of service and increasing the maximum to 80%) apply to persons who withdraw from service on or after January 1, 2002, regardless of whether that withdrawal takes place before the effective date of ~~that this amendatory Act~~. In the case of a person who withdraws from service on or after January 1, 2002 but begins to receive a retirement annuity before ~~July 1, 2002 the effective date of this amendatory Act~~, the annuity shall be recalculated, with the increase resulting from Public this amendatory Act 92-609 accruing from the date the retirement annuity began. The changes made by Public Act 92-609 control over the changes made by Public Act 92-599, as provided in Section 95 of P.A. 92-609.

(i) The amendatory provisions of this amendatory Act of 1985 relating to the discount of annuity because of retirement prior to attainment of age 60 and increasing the retirement formula for those born before January 1, 1936, shall apply only to qualifying employees withdrawing on or after August 16, 1985.

(j) Beginning on January 1, 1999, the minimum amount of employee's annuity shall be \$850 per month for life for the following classes of employees, without regard to the fact that withdrawal occurred prior to the effective date of this amendatory Act of 1998:

(1) any employee annuitant alive and receiving a life annuity on the effective date of this amendatory Act of 1998, except a reciprocal annuity;

(2) any employee annuitant alive and receiving a term annuity on the effective date of this amendatory Act of 1998, except a reciprocal annuity;

(4) any employee annuitant withdrawing after age 60 on or after the effective date of this amendatory Act of 1998, with at least 10 years of service in this fund.

The increases granted under items (1), (2) and (3) of this subsection (j) shall not be limited by any other Section of this Act.

(k) Beginning on January 1, 2004, the minimum amount of employee's annuity shall be \$950 per month for life for the following classes of employees, without regard to the fact that withdrawal occurred prior to the effective date of this amendatory Act of the 93rd General Assembly:

(40 ILCS 5/11-134.1) (from Ch. 108 1/2, par. 11-134.1)

Sec. 11-134.1. Automatic increase in annuity. (a) An employee who retired or retires from service after December 31, 1963, and before January 1, 1987, having attained age 60 or more, shall, in the month of January of the year following the year in which the first anniversary of retirement occurs, have the amount of his then fixed and payable monthly annuity increased by 1 1/2%, and such first fixed annuity as granted at retirement increased by a further 1 1/2% in January of each year thereafter. Beginning with January of the year 1972, such increases shall be at the rate of 2% in lieu of the aforesaid specified 1 1/2%. Beginning January, 1984, such increases shall be at the rate of 3%. Beginning in January of 1999, such increases shall be at the rate of 3% of the currently payable monthly annuity, including any increases previously granted under this Article. An employee who retires on annuity after December 31, 1963 and before January 1, 1987, but prior to age 60, shall receive such increases beginning with January of the year immediately following the year in which he attains the age of 60 years.

An employee who retires from service on or after January 1, 1987 shall, upon the first annuity payment date following the first anniversary of the date of retirement, or upon the first annuity payment date following attainment of age 60, whichever occurs later, have his then fixed and payable monthly annuity increased by 3%, and such annuity shall be increased by an additional 3% of the original fixed annuity on the same date each year thereafter. Beginning in January of 1999, such increases shall be at the rate of 3% of the currently payable monthly annuity, including any increases previously granted under this Article.

(a-5) Notwithstanding the provisions of subsection (a), upon the first annuity payment date following (1) the third anniversary of retirement, (2) the attainment of age 53, or (3) January 1, 2002, ~~the date 60 days after the effective date of this amendatory Act of the 92nd General Assembly,~~ whichever occurs latest, the monthly annuity of an employee who retires on annuity prior to the attainment of age 60 and ~~who~~ has not received an increase under subsection (a) shall be increased by 3%, and the ~~such~~ annuity shall be increased by an additional 3% of the current payable monthly annuity, including any ~~such~~ increases previously granted under this Article, on the same date each year thereafter. The increases provided under this subsection are in lieu of the increases provided in subsection (a).

(a-6) Notwithstanding the provisions of subsections (a) and (a-5), for all calendar years following the year in which this amendatory Act of the 93rd General Assembly takes effect, an increase in annuity under this Section that would otherwise take effect at any time during the year shall instead take effect in January of that year.

(b) Subsections (a), ~~and (a-5), and (a-6)~~ are not applicable to an employee retiring and receiving a term annuity, as defined in this Article, nor to any otherwise qualified employee who retires before he shall have made employee contributions (at the 1/2 of 1% rate as hereinafter provided) for the purposes of this additional annuity for not less than the equivalent of one full year. Such employee, however, shall make arrangement to pay to the fund a balance of such 1/2 of 1% contributions, based on his final salary, as will bring such 1/2 of 1% contributions, computed without interest, to the equivalent of or completion of one year's contributions.

Beginning with the month of January, 1964, each employee shall contribute by means of salary deductions 1/2 of 1% of each salary payment, concurrently with and in addition to the employee contributions otherwise made for annuity purposes.

Each such additional employee contribution shall be credited to an account in the prior service annuity reserve, to be used, together with city contributions, to defray the cost of the specified annuity

increments. Any balance as of the beginning of each calendar year existing in such account shall be credited with interest at the rate of 3% per annum.

Such employee contributions shall not be subject to refund, except to an employee who resigns or is discharged and applies for refund under this Article, and also in cases where a term annuity becomes payable.

In such cases the employee contributions shall be refunded him, without interest, and charged to the aforementioned account in the prior service annuity reserve. (Source: P.A. 92-599, eff. 6-28-02; 92-609, eff. 7-1-02; revised 8-26-02.)

(40 ILCS 5/11-145.1) (from Ch. 108 1/2, par. 11-145.1)

Sec. 11-145.1. Minimum annuities for widows. The widow otherwise eligible for widow's annuity under other Sections of this Article 11, of an employee hereinafter described, who retires from service or dies while in the service subsequent to the effective date of this amendatory provision, and for which widow the amount of widow's annuity and widow's prior service annuity combined, fixed or provided for such widow under other provisions of said Article 11 is less than the amount hereinafter provided in this section, shall, from and after the date her otherwise provided annuity would begin, in lieu of such otherwise provided widow's and widow's prior service annuity, be entitled to the following indicated amount of annuity:

(a) The widow of any employee who dies while in service on or after the date on which he attains age 60 if the death occurs before July 1, 1990, or on or after the date on which he attains age 55 if the death occurs on or after July 1, 1990, with at least 20 years of service, or on or after the date on which he attains age 50 if the death occurs on or after the effective date of this amendatory Act of 1997 with at least 30 years of service, shall be entitled to an annuity equal to one-half of the amount of annuity which her deceased husband would have been entitled to receive had he withdrawn from the service on the day immediately preceding the date of his death, conditional upon such widow having attained age 60 on or before such date if the death occurs before July 1, 1990, or age 55 if the death occurs on or after July 1, 1990, or age 50 if the death occurs on or after January 1, 1998 and the employee is age 50 or over with at least 30 years of service or age 55 or over with at least 25 years of service. Except as provided in subsection (j), the widow's annuity shall not, however, exceed the sum of \$500 a month if the employee's death in service occurs before January 23, 1987. The widow's annuity shall not be limited to a maximum dollar amount if the employee's death in service occurs on or after January 23, 1987.

If the employee dies in service before July 1, 1990, and if such widow of such described employee shall not be 60 or more years of age on such date of death, the amount provided in the immediately preceding paragraph for a widow 60 or more years of age, shall, in the case of such younger widow, be reduced by 0.25% for each month that her then attained age is less than 60 years if the employee was born before January 1, 1936, or dies in service on or after January 1, 1988, or 0.5% for each month that her then attained age is less than 60 years if the employee was born on or after January 1, 1936 and dies in service before January 1, 1988.

If the employee dies in service on or after July 1, 1990, and if the widow of the employee has not attained age 55 on or before the employee's date of death, the amount otherwise provided in this subsection (a) shall be reduced by 0.25% for each month that her then attained age is less than 55 years; except that if the employee dies in service on or after January 1, 1998 at age 50 or over with at least 30 years of service or at age 55 or over with at least 25 years of service, there shall be no reduction due to the widow's age if she has attained age 50 on or before the employee's date of death, and if the widow has not attained age 50 on or before the employee's date of death the amount otherwise provided in this subsection (a) shall be reduced by 0.25% for each month that her then attained age is less than 50 years.

(b) The widow of any employee who dies subsequent to the date of his retirement on annuity, and who so retired on or after the date on which he attained age 60 if retirement occurs before July 1, 1990, or on or after the date on which he attained age 55 if retirement occurs on or after July 1, 1990, with at least 20 years of service, or on or after the date on which he attained age 50 if the retirement occurs on or after the effective date of this amendatory Act of 1997 with at least 30 years of service, shall be entitled to an annuity equal to one-half of the amount of annuity which her deceased husband received as of the date of his retirement on annuity, conditional upon such widow having attained age 60 on or before the date of her husband's retirement on annuity if retirement occurs before July 1, 1990, or age 55 if retirement occurs on or after July 1, 1990, or age 50 if the retirement on annuity occurs on or after January 1, 1998 and the employee is age 50 or over with at least 30 years of service or age 55 or over with at least 25 years of service. Except as provided in subsection (j), this widow's annuity shall not, however, exceed the sum of \$500 a month if the employee's death occurs before January 23, 1987. The widow's annuity shall not be limited to a maximum dollar amount if the employee's death occurs on or after January 23, 1987, regardless of the date of retirement; provided that, if retirement was before

January 23, 1987, the employee or eligible spouse repays the excess spouse refund with interest at the effective rate from the date of refund to the date of repayment.

If the date of the employee's retirement on annuity is before July 1, 1990, and if such widow of such described employee shall not have attained such age of 60 or more years on such date of her husband's retirement on annuity, the amount provided in the immediately preceding paragraph for a widow 60 or more years of age on the date of her husband's retirement on annuity, shall, in the case of such then younger widow, be reduced by 0.25% for each month that her then attained age was less than 60 years if the employee was born before January 1, 1936, or withdraws from service on or after January 1, 1988, or 0.5% for each month that her then attained age was less than 60 years if the employee was born on or after January 1, 1936 and withdraws from service before January 1, 1988.

If the date of the employee's retirement on annuity is on or after July 1, 1990, and if the widow of the employee has not attained age 55 by the date of the employee's retirement on annuity, the amount otherwise provided in this subsection (b) shall be reduced by 0.25% for each month that her then attained age is less than 55 years; except that if the employee retires on annuity on or after January 1, 1998 at age 50 or over with at least 30 years of service or at age 55 or over with at least 25 years of service, there shall be no reduction due to the widow's age if she has attained age 50 on or before the employee's date of death, and if the widow has not attained age 50 on or before the employee's date of death the amount otherwise provided in this subsection (b) shall be reduced by 0.25% for each month that her then attained age is less than 50 years.

(c) The foregoing provisions relating to minimum annuities for widows shall not apply to the widow of any former employee receiving an annuity from the fund on August 2, 1965 or on the effective date of this amendatory provision, who re-enters service as a former employee, unless such employee renders at least 3 years of additional service after the date of re-entry.

(d) (Blank).

(e) (Blank).

(f) The amendments to this Section by this amendatory Act of 1985, relating to changing the discount because of age from 1/2 of 1% to 0.25% per month for widows of employees born before January 1, 1936, shall apply only to qualifying widows whose husbands die while in the service on or after August 16, 1985 or withdraw and enter on annuity on or after August 16, 1985.

(g) Beginning on January 1, 1999, the minimum amount of widow's annuity shall be \$800 per month for life for the following classes of widows, without regard to the fact that the death of the employee occurred prior to the effective date of this amendatory Act of 1998:

(1) any widow annuitant alive and receiving a term annuity on the effective date of this amendatory Act of 1998, except a reciprocal annuity;

(2) any widow annuitant alive and receiving a life annuity on the effective date of this amendatory Act of 1998, except a reciprocal annuity;

(3) any widow annuitant alive and receiving a reciprocal annuity on the effective date of this amendatory Act of 1998, whose employee spouse's service in this fund was at least 5 years;

(4) the widow of an employee with at least 10 years of service in this fund who dies after retirement, if the retirement occurred prior to the effective date of this amendatory Act of 1998;

(5) the widow of an employee with at least 10 years of service in this fund who dies after retirement, if withdrawal occurs on or after the effective date of this amendatory Act of 1998;

(6) the widow of an employee who dies in service with at least 5 years of service in this fund, if the death in service occurs on or after the effective date of this amendatory Act of 1998.

The increases granted under items (1), (2), (3) and (4) of this subsection (g) shall not be limited by any other Section of this Act.

(g-5) Beginning on January 1, 2004, the minimum amount of widow's annuity shall be \$900 per month for life for the following classes of widows, without regard to the fact that the death of the employee occurred prior to the effective date of this amendatory Act of the 93rd General Assembly:

(1) any widow annuitant alive and receiving a term annuity on the effective date of this amendatory Act of the 93rd General Assembly, except a reciprocal annuity;

(2) any widow annuitant alive and receiving a life annuity on the effective date of this amendatory Act of the 93rd General Assembly, except a reciprocal annuity;

(3) any widow annuitant alive and receiving a reciprocal annuity on the effective date of this amendatory Act of the 93rd General Assembly, whose employee spouse's service in this fund was at least 5 years;

(4) the widow of an employee with at least 10 years of service in this fund who dies after retirement, if the retirement occurred prior to the effective date of this amendatory Act of the 93rd General Assembly;

(5) the widow of an employee with at least 10 years of service in this fund who dies after retirement, if withdrawal occurs on or after the effective date of this amendatory Act of the 93rd General Assembly;

(6) the widow of an employee who dies in service with at least 5 years of service in this fund, if the death in service occurs on or after the effective date of this amendatory Act of the 93rd General Assembly;

The increases granted under items (1), (2), (3) and (4) of this subsection (g-5) shall not be limited by any other Section of this Act.

(g-10) Beginning on January 1, 2005, the minimum amount of widow's annuity shall be \$1,000 per month for life for the following classes of widows, without regard to the fact that the death of the employee occurred prior to the effective date of this amendatory Act of the 93rd General Assembly:

(1) any widow annuitant alive and receiving a term annuity on the effective date of this amendatory Act of the 93rd General Assembly, except a reciprocal annuity;

(2) any widow annuitant alive and receiving a life annuity on the effective date of this amendatory Act of the 93rd General Assembly, except a reciprocal annuity;

(3) any widow annuitant alive and receiving a reciprocal annuity on the effective date of this amendatory Act of the 93rd General Assembly, whose employee spouse's service in this fund was at least 5 years;

(4) the widow of an employee with at least 10 years of service in this fund who dies after retirement, if the retirement occurred prior to the effective date of this amendatory Act of the 93rd General Assembly;

(6) the widow of an employee who dies in service with at least 5 years of service in this fund, if the death in service occurs on or after the effective date of this amendatory Act of the 93rd General Assembly;

The increases granted under items (1), (2), (3) and (4) of this subsection (g-10) shall not be limited by any other Section of this Act.

(h) The widow of an employee who retired or died in service on or after January 1, 1985 and before July 1, 1990, at age 55 or older, and with at least 35 years of service credit, shall be entitled to have her widow's annuity increased, effective January 1, 1991, to an amount equal to 50% of the retirement annuity that the deceased employee received on the date of retirement, or would have been eligible to receive if he had retired on the day preceding the date of his death in service, provided that if the widow had not attained age 60 by the date of the employee's retirement or death in service, the amount of the annuity shall be reduced by 0.25% for each month that her then attained age was less than age 60 if the employee's retirement or death in service occurred on or after January 1, 1988, or by 0.5% for each month that her attained age is less than age 60 if the employee's retirement or death in service occurred prior to January 1, 1988. However, in cases where a refund of excess contributions for widow's annuity has been paid by the Fund, the increase in benefit provided by this subsection (h) shall be contingent upon repayment of the refund to the Fund with interest at the effective rate from the date of refund to the date of payment.

(i) If a deceased employee is receiving a retirement annuity at the time of death and that death occurs on or after June 27, 1997, the widow may elect to receive, in lieu of any other annuity provided under this Article, 50% of the deceased employee's retirement annuity at the time of death reduced by 0.25% for each month that the widow's age on the date of death is less than 55; except that if the employee dies on or after January 1, 1998 and withdrew from service on or after June 27, 1997 at age 50 or over with at least 30 years of service or at age 55 or over with at least 25 years of service, there shall be no reduction due to the widow's age if she has attained age 50 on or before the employee's date of death, and if the widow has not attained age 50 on or before the employee's date of death the amount otherwise provided in this subsection (i) shall be reduced by 0.25% for each month that her age on the date of death is less than 50 years. However, in cases where a refund of excess contributions for widow's annuity has been paid by the Fund, the benefit provided by this subsection (i) is contingent upon repayment of the refund to the Fund with interest at the effective rate from the date of refund to the date of payment.

(j) For widows of employees who died before January 23, 1987 after retirement on annuity or in service, the maximum dollar amount limitation on widow's annuity shall cease to apply, beginning with the first annuity payment after the effective date of this amendatory Act of 1997; except that if a refund of excess contributions for widow's annuity has been paid by the Fund, the increase resulting from this subsection (j) shall not begin before the refund has been repaid to the Fund, together with interest at the

effective rate from the date of the refund to the date of repayment.

(k) In lieu of any other annuity provided in this Article, an eligible spouse of an employee who dies in service at least 60 days after the effective date of this amendatory Act of the 92nd General Assembly with at least 10 years of service shall be entitled to an annuity of 50% of the minimum formula annuity earned and accrued to the credit of the employee at the date of death. For the purposes of this subsection, the minimum formula annuity earned and accrued to the credit of the employee is equal to 2.40% for each year of service of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of death, up to a maximum of 80% of the highest average annual salary. This annuity shall not be reduced due to the age of the employee or spouse. In addition to any other eligibility requirements under this Article, the spouse is eligible for this annuity only if the marriage was in effect for 10 full years or more. Sec. 11-145.2. Automatic annual increase in widow's annuity.

(a) Every widow's annuity, other than those annuities of widows originally entitled to term annuities, shall be increased on (1) January 1 next following the effective date of this amendatory Act of the 93rd General Assembly, (2) the January 1 immediately after the deceased employee's death, or (3) the January 1 on or next after the date on which the deceased employee would have been eligible for his or her first increase, whichever occurs latest, by an amount equal to 3% of the amount of widow's annuity. On each January 1 after the date of the initial increase under this Section, the widow's annuity shall be increased by an amount equal to 3% of the amount of widow's annuity payable at the time of the increase, including any increases previously granted under this Article.

(b) Limitations on the maximum amount of widow's annuity imposed under Section 11-149 do not apply to the annual increases under this Section.

(c) The increases under this Section do not apply to reversionary annuities under Section 11-134.2 or term annuities under Section 11-152. The increases provided under this Section do apply to compensation and supplemental annuities under Section 11-146.

Sec. 11-160.1. Payments to city Group health benefit. (a) For the purposes of this Section, "city annuitant" means a person receiving an age and service annuity, a widow's annuity, a child's annuity, or a minimum annuity under this Article as a direct result of previous employment by the City of Chicago ("the city").

(b) The board shall pay to the city, on behalf of the board's city annuitants who participate in any of the city's health care plans, the following amounts:

(1) From July 1, 2003 through June 30, 2008, \$85 per month for each such annuitant who is not eligible to receive Medicare benefits and \$55 per month for each such annuitant who is eligible to receive Medicare benefits.

(2) From July 1, 2008 through June 30, 2013, \$95 per month for each such annuitant who is not eligible to receive Medicare benefits and \$65 per month for each such annuitant who is eligible to receive Medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 11-169; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(c) The city health care plans referred to in this Section and the board's payments to the city under this Section are not and shall not be construed to be pension or retirement benefits for the purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

(a) For the purposes of this Section: (1) "annuitant" means a person receiving an age and service annuity, a prior service annuity, a widow's annuity, a widow's prior service annuity, or a minimum annuity, under Article 5, 6, 8 or 11, by reason of previous employment by the City of Chicago (hereinafter, in this Section, "the city"); (2) "Medicare Plan annuitant" means an annuitant described in item (1) who is eligible for Medicare benefits; and (3) "non-Medicare Plan annuitant" means an annuitant described in item (1) who is not eligible for Medicare benefits.

(b) The city shall offer group health benefits to annuitants and their eligible dependents through June 30, 2003. The basic city health care plan available as of June 30, 1988 (hereinafter called the basic city plan) shall cease to be a plan offered by the city, except as specified in subparagraphs (4) and (5) below, and shall be closed to new enrollment or transfer of coverage for any non-Medicare Plan annuitant as of June 27, 1997. The city shall offer non-Medicare Plan annuitants and their eligible dependents the option of enrolling in its Annuitant Preferred Provider Plan and may offer additional plans for any annuitant. The city may amend, modify, or terminate any of its additional plans at its sole discretion. If the city

offers more than one annuitant plan, the city shall allow annuitants to convert coverage from one city annuitant plan to another, except the basic city plan, during times designated by the city, which periods of time shall occur at least annually. For the period dating from June 27, 1997 through June 30, 2003, monthly premium rates may be increased for annuitants during the time of their participation in non-Medicare plans, except as provided in subparagraphs (1) through (4) of this subsection.

(1) For non-Medicare Plan annuitants who retired prior to January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall not exceed the highest premium rate chargeable under any city non-Medicare Plan annuitant coverage as of December 1, 1996.

(2) For non-Medicare Plan annuitants who retire on or after January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall be the rate in effect on December 1, 1996, with monthly premium increases to take effect no sooner than April 1, 1998 at the lower of (i) the premium rate determined pursuant to subsection (g) or (ii) 10% of the immediately previous month's rate for similar coverage.

(3) In no event shall any non-Medicare Plan annuitant's share of monthly premium for non-Medicare Plan coverage exceed 10% of the annuitant's monthly annuity.

(4) Non-Medicare Plan annuitants who are enrolled in the basic city plan as of July 1, 1998 may remain in the basic city plan, if they so choose, on the condition that they are not entitled to the caps on rates set forth in subparagraphs (1) through (3), and their premium rate shall be the rate determined in accordance with subsections (e) and (g).

(5) Medicare Plan annuitants who are currently enrolled in the basic city plan for Medicare eligible annuitants may remain in that plan, if they so choose, through June 30, 2003. Annuitants shall not be allowed to enroll in or transfer into the basic city plan for Medicare eligible annuitants on or after July 1, 1999. The city shall continue to offer annuitants a supplemental Medicare Plan for Medicare eligible annuitants through June 30, 2003, and the city may offer additional plans to Medicare eligible annuitants in its sole discretion. All Medicare Plan annuitant monthly rates shall be determined in accordance with subsections (e) and (g).

(e) The city shall pay 50% of the aggregated costs of the claims or premiums, whichever is applicable, as determined in accordance with subsection (g), of annuitants and their dependents under all health care plans offered by the city. The city may reduce its obligation by application of price reductions obtained as a result of financial arrangements with providers or plan administrators.

(d) From January 1, 1993 until June 30, 2003, the board shall pay to the city on behalf of each of the board's annuitants who chooses to participate in any of the city's plans the following amounts: up to a maximum of \$75 per month for each such annuitant who is not qualified to receive medicare benefits, and up to a maximum of \$45 per month for each such annuitant who is qualified to receive medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 11-178; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(e) The city's obligations under subsections (b) and (c) shall terminate on June 30, 2003, except with regard to covered expenses incurred but not paid as of that date. This subsection shall not affect other obligations that may be imposed by law.

(f) The group coverage plans described in this Section are not and shall not be construed to be pension or retirement benefits for purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

(g) For each annuitant plan offered by the city, the aggregate cost of claims, as reflected in the claim records of the plan administrator, shall be estimated by the city, based upon a written determination by a qualified independent actuary to be appointed and paid by the city and the board. If the estimated annual cost for each annuitant plan offered by the city is more than the estimated amount to be contributed by the city for that plan pursuant to subsections (b) and (c) during that year plus the estimated amounts to be paid pursuant to subsection (d) and by the other pension boards on behalf of other participating annuitants, the difference shall be paid by all annuitants participating in the plan, except as provided in subsection (b). The city, based upon the determination of the independent actuary, shall set the monthly amounts to be paid by the participating annuitants. The board may deduct the amounts to be paid by its annuitants from the participating annuitants' monthly annuities.

If it is determined from the city's annual audit, or from audited experience data, that the total amount paid by all participating annuitants was more or less than the difference between (1) the cost of providing the group health care plans, and (2) the sum of the amount to be paid by the city as determined under subsection (c) and the amounts paid by all the pension boards, then the independent actuary and

~~the city shall account for the excess or shortfall in the next year's payments by annuitants, except as provided in subsection (b).~~

~~(h) An annuitant may elect to terminate coverage in a plan at the end of any month, which election shall terminate the annuitant's obligation to contribute toward payment of the excess described in subsection (g).~~

~~(i) The city shall advise the board of all proposed premium increases for health care at least 75 days prior to the effective date of the change, and any increase shall be prospective only. (Source: P.A. 92-599, eff. 6-28-02.)~~

Sec. 11-160.2. Payments to board of education for group health benefits.

(a) Should the Board of Education continue to sponsor a retiree health plan, the board is authorized to pay to the Board of Education, on behalf of each eligible annuitant who chooses to participate in the Board of Education's retiree health benefit plan, the following amounts:

(1) From July 1, 2003 through June 30, 2008, \$85 per month for each such annuitant who is not eligible to receive Medicare benefits and \$55 per month for each such annuitant who is eligible to receive Medicare benefits.

(2) From July 1, 2008 through June 30, 2013, \$95 per month for each such annuitant who is not eligible to receive Medicare benefits and \$65 per month for each such annuitant who is eligible to receive Medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 11-169; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the Board of Education under this subsection shall be charged against it.

(b) The Board of Education health benefit plan referred to in this Section and the board's payments to the Board of Education under this Section are not and shall not be construed to be pension or retirement benefits for the purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

Sec. 11-163. Restoration of rights. An employee who has withdrawn as a refund the amounts credited for annuity purposes, and who (i) re-enters service of the employer and serves for periods comprising at least 90 days ~~2 years~~ after the date of the last refund paid to him or (ii) has completed at least 2 years of service under a participating system (as defined in the Retirement Systems Reciprocal Act) other than this Fund after the date of the last refund, shall have his annuity rights restored by making application to the board in writing for the privilege of re-instating such rights and by compliance with the following provisions:

(a) After that 90 day or 2 year period, whichever applies, he shall repay in full to the Fund, while in service, ~~in full~~ all refunds received, together with interest at the effective rate from the application dates of such refund or refunds to the date of repayment;

(b) If payment is not made in a single sum, repayment may be made in installments by deductions from salary or otherwise, in such manner and amounts as the board, by rule, may prescribe, with interest at the effective rate accruing on the unpaid balance ~~employee may elect.~~ The employee shall be credited with interest at the effective rate from the date of each installment until full repayment is made.

(c) If the employee withdraws from service or dies in service before full repayment is made, service credit shall be restored in accordance with Section 11-221.2(b).

(d) If the employee withdraws from service or dies in service or during the required 90 day or 2 year period, any repayments made shall be refunded, without interest thereon and in accordance with the refund provisions of this Article.

(e) If the employee repays the refund while participating in a participating system (as defined in the Retirement Systems Reciprocal Act) other than this Fund, the service credit restored must be used for a proportional annuity calculated in accordance with the Retirement Systems Reciprocal Act. If not so used, the restored service credit shall be forfeited and the amount of the repayment shall be refunded, without interest.

Sec. 11-167. Refunds in lieu of annuity. In lieu of an annuity, an employee who withdraws, and whose annuity would amount to less than \$800 a month for life may elect to receive a refund of the total sum accumulated to his credit from employee contributions for annuity purposes.

The widow of any employee, eligible for annuity upon the death of her husband, whose annuity would amount to less than \$800 a month for life, may, in lieu of a widow's annuity, elect to receive a

refund of the accumulated contributions for annuity purposes, based on the amounts contributed by her deceased employee husband, but reduced by any amounts theretofore paid to him in the form of an annuity or refund out of such accumulated contributions.

Accumulated contributions shall mean the amounts including interest credited thereon contributed by the employee for age and service and widow's annuity to the date of his withdrawal or death, whichever first occurs, and including the accumulations from any amounts contributed for him as salary deductions while receiving duty disability benefits; provided that such amounts contributed by the city after December 31, 1983 while the employee is receiving duty disability benefits and amounts credited to the employee for annuity purposes by the fund after December 31, 2000 while the employee is receiving ordinary disability benefits shall not be included.

The acceptance of such refund in lieu of widow's annuity, on the part of a widow, shall not deprive a child or children of the right to receive a child's annuity as provided for in Sections 11-153 and 11-154 of this Article, and neither shall the payment of a child's annuity in the case of such refund to a widow reduce the amount herein set forth as refundable to such widow electing a refund in lieu of widow's annuity. Sec. 11-170.1. Pickup of employee contributions. (a) The employer may pick up the employee contributions required by Sections 11-156, 11-170, 11-174 and 11-175.1 for salary earned after December 31, 1981. If employee contributions are not picked up, the amount that would have been picked up under this amendatory Act of 1980 shall continue to be deducted from salary. If contributions are picked up they shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code; however, the employer shall continue to withhold Federal and state income taxes based upon these contributions until the Internal Revenue Service or the Federal courts rule that pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employee until such time as they are distributed or made available. The employer shall pay these employee contributions from the same source of funds which is used in paying salary to the employee. The employer may pick up these contributions by a reduction in the cash salary of the employee or by an offset against a future salary increase or by a combination of a reduction in salary and offset against a future salary increase. If employee contributions are picked up they shall be treated for all purposes of this Article 11, including Section 11-169, in the same manner and to the same extent as employee contributions made prior to the date picked up.

(b) Subject to the requirements of federal law and the rules of the Board, the Fund may allow the employee to elect to have the employer pick up the optional contributions that the employee has elected to pay to the Fund, and the contributions so picked up shall be treated as employer contributions for the purpose of determining federal tax treatment. The employer shall pick up the contributions by a reduction in the cash salary of the employee and shall pay contributions from the same source of funds that is used to pay earnings of the employee. The election to have the contributions picked up is irrevocable, and the optional contributions may not thereafter be prepaid, by direct payment or otherwise.

If the provision authorizing the optional contribution requires payment by a stated date (rather than the date of withdrawal or retirement), the requirement will be deemed to have been satisfied if (i) on or before the stated date the employee executes a valid irrevocable election to have the contributions picked up under this subsection, and (ii) the picked-up contributions are in fact paid to the Fund as provided in the election.

If employee contributions are picked up under this subsection, they shall be treated for all purposes of this Article 11, including Section 11-169, in the same manner and to the same extent as optional employee contributions made prior to the date picked up. (Source: P.A. 81-1536.)

Sec. 11-221.4. Credit for certain military service. In addition to any creditable service established under Section 11-221, creditable service for annuity purposes only may be granted for up to 2 years of service in the armed forces of the United States that was not immediately preceded by service with the employer. A member shall receive service credit for military service under this Section, provided that all of the following conditions are met:

- (1) The employee must be employed by the employer and contributing to the Fund for current service when he makes the payment for military service.
- (2) The employee must have entered or re-entered the service of the employer within 2 years after his discharge.
- (3) The discharge from military service must have been other than a dishonorable discharge.

(4) The employee must apply to the Fund in writing and provide evidence of the military service that is satisfactory to the Board.

(5) The employee must have paid for all unpaid service with the employer (refund repayment, payment for temporary service, or any other service with the employer) before payment may be made under this Section.

(6) The employee must have been in active duty military service; service in the military reserves is not eligible under this Section.

(7) The employee must not receive credit in any other pension plan for this period of military service.

(8) The employee must contribute to the Fund an amount representing employee contributions. The required contribution shall be calculated by the Fund, based on the contribution rates in effect during the period of military service and the employee's salary rate on the first day of service in the Fund following the military service, and shall include interest at the effective rate from the employee's first day of service in the Fund following the military service to the date of payment. The employee must pay the required contribution in full before withdrawal or death in service. If the employee withdraws or dies in service before full payment is made, the amount paid by him shall be refunded.

(9) The amount of military service credit established by an employee under this Section shall not exceed 2 years.

(40 ILCS 5/13-301) (from Ch. 108 1/2, par. 13-301)

Sec. 13-301. Retirement annuity; eligibility. Any employee who withdraws from service and meets the age and service requirements and other conditions set forth in subsections (a), (b), (c) or (d) hereof is entitled to receive a retirement annuity.

(a) Withdrawal on or after age 60. Any employee, upon withdrawal from service on or after attainment of age 60 and having at least 5 years of service, is entitled to a retirement annuity.

(b) Withdrawal on or after attainment of minimum retirement qualifications and prior to age 60.

(1) Any employee, upon withdrawal from service on or after attainment of age 55 (age 50 if the employee first entered service before June 13, 1997) but prior to age 60 and having at least 10 years of service, is entitled to a retirement annuity as of the date of withdrawal or, at the option of the employee, at any time thereafter.

(2) Any employee who withdraws on or after attainment of age 55 (age 50 if the employee first entered service before June 13, 1997) and prior to age 60 having at least 5 years but less than 10 years of service is entitled to a retirement annuity upon attainment of age 62, subject to the other requirements of this Article.

(3) Any employee who withdraws from service on or after attainment of age 50 but prior to age 60 and is eligible for early retirement without discount under the Rule of 80 as provided in subsection (c) of Section 13-302 is entitled to a retirement annuity at the time of withdrawal.

(c) Withdrawal prior to minimum retirement age. Any employee, upon withdrawal from service prior to age 55 (age 50 if the employee first entered service before June 13, 1997) and having at least 10 years of service, shall become entitled to a retirement annuity upon attainment of age 55 (age 50 if the employee first entered service before June 13, 1997) or, at the option of the employee, at any time thereafter, subject to the other requirements of this Article.

(d) Withdrawal while disabled. Any employee having at least 5 years of service who has received ordinary disability benefits on or after January 1, 1986 for the maximum period of time hereinafter prescribed, and who continues to be disabled and withdraws from service, shall be entitled to a retirement annuity. In the case of an employee who enters service after the effective date of this amendatory Act of the 93rd General Assembly, the required 5 years of service is exclusive of service credit described in Section 13-313. The age and service conditions as to eligibility for such annuity shall be waived as to the employee, but the early retirement discount under Section 13-302(b) shall apply. If the employee is under age 55 on the date of withdrawal, the retirement annuity shall be computed by assuming that the employee is then age 55 and then reduced to its actuarial equivalent at his attained age on that date according to applicable mortality tables and interest rates. The retirement annuity shall not be payable for any period prior to the employee's attainment of age 55 during which the employee is able to return to gainful employment. Upon the employee's death while in receipt of a retirement annuity, a surviving spouse or minor children shall be entitled to receive a surviving spouse's annuity or child's annuity subject to the conditions hereinafter prescribed in Sections 13-305 through 13-308. (Source: P.A. 92-599, eff. 6-28-02.)

(40 ILCS 5/13-302) (from Ch. 108 1/2, par. 13-302)

Sec. 13-302. Computation of retirement annuity. (a) Computation of annuity. An employee who withdraws from service on or after July 1, 1989 and who has met the age and service requirements and other conditions for eligibility set forth in Section 13-301 of this Article is entitled to receive a retirement annuity for life equal to 2.2% of average final salary for each of the first 20 years of service, and 2.4% of average final salary for each year of service in excess of 20. The retirement annuity shall not exceed 80% of average final salary.

(b) Early retirement discount. If an employee retires prior to attainment of age 60 with less than 30 years of service, the annuity computed above shall be reduced by 1/2 of 1% for each full month between the date the annuity begins and attainment of age 60, or each full month by which the employee's service is less than 30 years, whichever is less. However, where the employee first enters service after June 13, 1997 and does not have at least 10 years of service exclusive of credit under Article 20, the annuity computed above shall be reduced by 1/2 of 1% for each full month between the date the annuity begins and attainment of age 60.

(c) Rule of 80 - Early retirement without discount. For an employee who retires on or after January 1, 2003 but on or before December 31, 2007, if the employee is eligible for a retirement annuity under Section 13-301 and has at least 10 years of service exclusive of credit under Article 20 and if at the date of withdrawal the employee's age when added to the number of years of his or her creditable service equals at least 80, the early retirement discount in subsection (b) of this Section does not apply. For purposes of this Rule of 80, portions of years shall be considered in whole months.

An employee who has terminated employment with the employer under this Article prior to the effective date of this amendatory Act of the 92nd General Assembly and subsequently re-enters service must remain in service with the employer under this Article for at least 2 years after re-entry during the period beginning on January 1, 2003 and ending on December 31, 2007 to be entitled to early retirement without discount under this subsection (c).

In the case of an employee who retires under the terms of Article 20, eligibility for early retirement without discount under this subsection (c) shall be based upon the employee's age and service credit at the time of withdrawal from the final fund.

(c-1) Early retirement without discount; retirement after June 29, 1997 and before January 1, 2003. An employee who (i) has attained age 55 (age 50 if the employee first entered service before June 13, 1997), (ii) has at least 10 years of service exclusive of credit under Article 20, (iii) retires after June 29, 1997 and before January 1, 2003, and (iv) retires within 6 months of the last day for which retirement contributions were required, may elect at the time of application to make a one-time employee contribution to the Fund and thereby avoid the early retirement reduction specified in subsection (b). The exercise of the election shall also obligate the employer to make a one-time nonrefundable contribution to the Fund.

The one-time employee and employer contributions shall be a percentage of the retiring employee's highest full-time annual salary, calculated as the total amount of salary included in the highest 26 consecutive pay periods as used in the average final salary calculation, and based on the employee's age and service at retirement. The employee rate shall be 7% multiplied by the lesser of the following 2 numbers: (1) the number of years, or portion thereof, that the employee is less than age 60; or (2) the number of years, or portion thereof, that the employee's service is less than 30 years. The employer contribution shall be at the rate of 20% for each year, or portion thereof, that the participant is less than age 60.

Upon receipt of the application, the Board shall determine the corresponding employee and employer contributions. The annuity shall not be payable under this subsection until both the required contributions have been received by the Fund. However, the date the contributions are received shall not be considered in determining the effective date of retirement.

The number of employees who may retire under this Section in any year may be limited at the option of the District to a specified percentage of those eligible, not lower than 30%, with the right to participate to be allocated among those applying on the basis of seniority in the service of the employer.

An employee who has terminated employment and subsequently re-enters service shall not be entitled to early retirement without discount under this subsection unless the employee continues in service for at least 4 years after re-entry.

(d) Annual increase. Except for employees retiring and receiving a term annuity, an employee who retires on or after July 1, 1985 but before July 12, 2001, shall, upon the first payment date following the first anniversary of the date of retirement, have the monthly annuity increased by 3% of the amount of the monthly annuity fixed at the date of retirement. Except for employees retiring and receiving a term annuity, an employee who retires on or after July 12, 2001 shall, on the first day of the month in which the first anniversary of the date of retirement occurs, have the monthly annuity increased by 3% of the

amount of the monthly annuity fixed at the date of retirement. The monthly annuity shall be increased by an additional 3% on the same date each year thereafter. Beginning January 1, 1993, all annual increases payable under this subsection (or any predecessor provision, regardless of the date of retirement) shall be calculated at the rate of 3% of the monthly annuity payable at the time of the increase, including any increases previously granted under this Article.

Any employee who (i) retired before July 1, 1985 with at least 10 years of creditable service, (ii) is receiving a retirement annuity under this Article, other than a term annuity, and (iii) has not received any annual increase under this subsection, shall begin receiving the annual increases provided under this subsection (d) beginning on the next annuity payment date following June 13, 1997.

(e) Minimum retirement annuity. Beginning January 1, 1993, the minimum monthly retirement annuity shall be \$500 for any annuitant having at least 10 years of service under this Article, other than a term annuitant or an annuitant who began receiving the annuity before attaining age 60. Any such annuitant who is receiving a monthly annuity of less than \$500 shall have the annuity increased to \$500 on that date.

Beginning January 1, 1993, the minimum monthly retirement annuity shall be \$250 for any annuitant (other than a term or reciprocal annuitant or an annuitant under subsection (d) of Section 13-301) having less than 10 years of service under this Article, and for any annuitant (other than a term annuitant) having at least 10 years of service under this Article who began receiving the annuity before attaining age 60. Any such annuitant who is receiving a monthly annuity of less than \$250 shall have the annuity increased to \$250 on that date.

~~Beginning August 1, 2001 on the first day of the month following the month in which this amendatory Act of the 92nd General Assembly takes effect (and without regard to whether the annuitant was in service on or after that effective date), the minimum monthly retirement annuity for any annuitant having at least 10 years of service, other than an annuitant whose annuity is subject to an early retirement discount, shall be \$500 plus \$25 for each year of service in excess of 10, not to exceed \$750 for an annuitant with 20 or more years of service. In the case of a reciprocal annuity, this minimum shall apply only if the annuitant has at least 10 years of service under this Article, and the amount of the minimum annuity shall be reduced by the sum of all the reciprocal annuities payable to the annuitant by other participating systems under Article 20 of this Code.~~

Notwithstanding any other provision of this subsection, beginning on the first annuity payment date following July 12, 2001, an employee who retired before August 23, 1989 with at least 10 years of service under this Article but before attaining age 60 (regardless of whether the retirement annuity was subject to an early retirement discount) shall be entitled to the same minimum monthly retirement annuity under this subsection as an employee who retired with at least 10 years of service under this Article and after attaining age 60.

~~Notwithstanding any other provision of this subsection, beginning on the first day of the month following the month in which this amendatory Act of the 93rd General Assembly takes effect (and without regard to whether the annuitant was in service on or after that effective date), an employee who retired on or after August 23, 1989 with at least 10 years of service under this Article but before attaining age 60 (regardless of whether the retirement annuity was subject to an early retirement discount but not a retiree who had been receiving a retirement annuity pursuant to subsection (d) of Section 13-301), shall be entitled to the same minimum monthly retirement annuity under this subsection as an employee who retired with at least 10 years of service under this Article and after attaining age 60. (40 ILCS 5/13-306) (from Ch. 108 1/2, par. 13-306)

Sec. 13-306. Computation of surviving spouse's annuity. (a) Computation of the annuity. The surviving spouse's annuity shall be equal to 60% of the retirement annuity earned and accrued to the credit of the deceased employee, whether death occurs while in service or after withdrawal, plus 1% for each year of total service of the employee to a maximum of 85%; provided, however, that if the employee's death arises out of and in the course of the employee's service to the employer and is compensable under either the Illinois Workers' Compensation Act or Illinois Workers' Occupational Diseases Act, the surviving spouse's annuity is payable regardless of the employee's length of service and shall be not less than 50% of the employee's salary at the date of death.

For any death in service the early retirement discount required under Section 13-302(b) shall not be applied in computing the retirement annuity upon which is based the surviving spouse's annuity.

(b) Reciprocal service. For any employee or annuitant who retires on or after July 1, 1985 and whose death occurs after January 1, 1991, having at least 15 years of service with the employer under this Article, and who was eligible at the time of death or elected at the time of retirement to have his or her retirement annuity calculated as provided in Section 20-131 of this Code, the surviving spouse benefit

shall be calculated as of the date of the employee's death as indicated in subsection (a) as a percentage of the employee's total benefit as if all service had been with the employer. That benefit shall then be reduced by the amounts payable by each of the reciprocal funds as of the date of death so that the total surviving spouse benefit at that date will be equal to the benefit which would have been payable had all service been with the employer under this Article.

(c) Discount for age differential. The annuity for a surviving spouse shall be discounted by 0.25% for each full month that the spouse is younger than the employee as of the date of withdrawal from service or death in service to a maximum discount of 60% of the surviving spouse annuity as calculated under subsections (a), (b), and (e) of this Section. The discount shall be reduced by 10% for each full year the marriage has been in continuous effect as of the date of withdrawal or death in service. There shall be no discount if the marriage has been in continuous effect for 10 full years or more at the time of withdrawal or death in service.

(d) Annual increase. Effective August 23, 1989, on the first day of each calendar month in which there occurs an anniversary of the employee's date of retirement or date of death, whichever occurred first, the surviving spouse's annuity, other than a term annuity under Section 13-307, shall be increased by an amount equal to 3% of the amount of the annuity. Beginning January 1, 1993, all annual increases payable under this subsection (or any predecessor provision of this Article) shall be calculated at the rate of 3% of the monthly annuity payable at the time of the increase, including any increases previously granted under this Article.

Beginning January 1, 1993, surviving spouse annuitants whose deceased spouse died, retired or withdrew from service before August 23, 1989 with at least 10 years of service under this Article shall be eligible for the annual increases provided under this subsection.

(e) Minimum surviving spouse's annuity.

(1) Beginning January 1, 1993, the minimum monthly surviving spouse's annuity shall be \$500 for any annuitant whose deceased spouse had at least 10 years of service under this Article, other than a surviving spouse who is a term annuitant or whose deceased spouse began receiving a retirement annuity under this Article before attainment of age 60. Any such surviving spouse annuitant who is receiving a monthly annuity of less than \$500 shall have the annuity increased to \$500 on that date.

Beginning January 1, 1993, the minimum monthly surviving spouse's annuity shall be \$250 for any annuitant (other than a term or reciprocal annuitant or an annuitant survivor under subsection (d) of Section 13-301) whose deceased spouse had less than 10 years of service under this Article, and for any annuitant (other than a term annuitant) whose deceased spouse had at least 10 years of service under this Article and began receiving a retirement annuity under this Article before attainment of age 60. Any such surviving spouse annuitant who is receiving a monthly annuity of less than \$250 shall have the annuity increased to \$250 on that date.

(2) Beginning August 1, 2001 ~~on the first day of the month following the month in which this amendatory Act of the 92nd General Assembly takes effect~~ (and without regard to whether the deceased spouse was in service on or after that ~~effective~~ date), the minimum monthly surviving spouse's annuity for any annuitant whose deceased spouse had at least 10 years of service shall be the greater of the following:

(A) An amount equal to \$500, plus \$25 for each year of the deceased spouse's service in excess of 10, not to exceed \$750 for an annuitant whose deceased spouse had 20 or more years of service. This subdivision (A) is not applicable if the deceased spouse received a retirement annuity that was subject to an early retirement discount.

(B) An amount equal to (i) 50% of the retirement annuity earned and accrued to the credit of the deceased spouse at the time of death, plus (ii) the amount of any annual increases applicable to the surviving spouse's annuity (including the amount of any reversionary annuity) under subsection (d) before July 12, 2001 ~~the effective date of this amendatory Act of the 92nd General Assembly~~. In any case in which a refund of excess contributions for the surviving spouse annuity has been paid by the Fund and the surviving spouse annuity is increased due to the application of this subdivision (B), the amount of that refund shall be recovered by the Fund as an offset against the amount of the increase in annuity arising from the application of this subdivision (B).

In the case of a reciprocal annuity, the minimum annuity calculated under this subdivision (e)(2) shall apply only if the deceased spouse of the annuitant had at least 10 years of service under this Article, and the amount of the minimum annuity shall be reduced by the sum of all the reciprocal annuities payable to the annuitant by other participating systems under Article 20 of this Code.

The minimum annuity calculated under this subdivision (e)(2) is in addition to the amount of any reversionary annuity that may be payable.

(3) Beginning August 1, 2001 on the first day of the month following the month in which this amendatory Act of the 92nd General Assembly takes effect (and without regard to whether the deceased spouse was in service on or after that effective date), any surviving spouse who is receiving a term annuity under Section 13-307 or any predecessor provision of this Article may have that term annuity recalculated and converted to a minimum surviving spouse annuity under this subsection (e).

(4) Notwithstanding any other provision of this subsection, beginning August 1, 2001 on the first annuity payment date following the effective date of this amendatory Act of the 92nd General Assembly, an annuitant whose deceased spouse retired before August 23, 1989 with at least 10 years of service under this Article but before attaining age 60 (regardless of whether the retirement annuity was subject to an early retirement discount) shall be entitled to the same minimum monthly surviving spouse's annuity under this subsection as an annuitant whose deceased spouse retired with at least 10 years of service under this Article and after attaining age 60. Further notwithstanding any other provision of this subsection, beginning on the first day of the month following the month in which this amendatory Act of the 93rd General Assembly takes effect, an annuitant whose deceased spouse retired on or after August 23, 1989 with at least 10 years of service under this Article but before attaining age 60 (regardless of whether the retirement annuity was subject to an early retirement discount but not the surviving spouse of a retiree who had been receiving a retirement annuity pursuant to subsection (d) of Section 13-301) shall be entitled to the same minimum monthly surviving spouse's annuity under this subsection as an annuitant whose deceased spouse retired with at least 10 years of service under this Article and after attaining age 60.

(5) The minimum annuity provided under this subsection (e) shall be subject to the age discount provided under subsection (c) of this Section.

(40 ILCS 5/13-314) (from Ch. 108 1/2, par. 13-314)

Sec. 13-314. Alternative provisions for Water Reclamation District commissioners.

(a) Transfer of credits. Any Water Reclamation District commissioner elected by vote of the people and who has elected to participate in this Fund may transfer to this Fund credits and creditable service accumulated under any other pension fund or retirement system established under Articles 2 through 18 of this Code, upon payment to the Fund of (1) the amount by which the employer and employee contributions that would have been required if he had participated in this Fund during the period for which credit is being transferred, plus interest, exceeds the amounts actually transferred from such other fund or system to this Fund, plus (2) interest thereon at 6% per year compounded annually from the date of transfer to the date of payment.

(b) Alternative annuity. Any participant commissioner may elect to establish alternative credits for an alternative annuity by electing in writing to make additional optional contributions in accordance with this Section and procedures established by the Board. Unless and until such time as the U.S. Internal Revenue Service or the federal courts provide a favorable ruling as described in Section 13-502(f), a such commissioner may discontinue making the additional optional contributions by notifying the Fund in writing in accordance with this Section and procedures established by the Board.

Additional optional contributions for the alternative annuity shall be as follows:

(1) For service after the option is elected, an additional contribution of 3% of salary shall be contributed to the Fund on the same basis and under the same conditions as contributions required under Section 13-502.

(2) For contributions on past service, the additional contribution shall be 3% of the salary for the applicable period of service, plus interest at the annual rate from time to time as determined by the Board, compounded annually from the date of service to the date of payment. Contributions for service before the option is elected may be made in a lump sum payment to the Fund or by contributing to the Fund on the same basis and under the same conditions as contributions required under Section 13-502. All payments for past service must be paid in full before credit is given. No additional optional contributions may be made for any period of service for which credit has been previously forfeited by acceptance of a refund, unless the refund is repaid in full with interest at the rate specified in Section 13-603, from the date of refund to the date of repayment.

In lieu of the retirement annuity otherwise payable under this Article, any commissioner who has elected to participate in the Fund and make additional optional contributions in accordance with this Section, has attained age 55, and has at least 6 years of service credit, may elect to have the retirement annuity computed as follows: 3% of the participant's average final salary as a commissioner for each of the first 8 years of service credit, plus 4% of such salary for each of the next 4 years of service credit, plus 5% of such salary for each year of service credit in excess of 12 years, subject to a maximum of 80% of such salary. To the extent such commissioner has made additional optional contributions with

respect to only a portion of years of service credit, the retirement annuity will first be determined in accordance with this Section to the extent such additional optional contributions were made, and then in accordance with the remaining Sections of this Article to the extent of years of service credit with respect to which additional optional contributions were not made. The change in minimum retirement age (from 60 to 55) made by this amendatory Act of 1993 applies to persons who begin receiving a retirement annuity under this Section on or after the effective date of this amendatory Act, without regard to whether they are in service on or after that date.

(c) Disability benefits. In lieu of the disability benefits otherwise payable under this Article, any commissioner who (1) has elected to participate in the Fund, and (2) has become permanently disabled and as a consequence is unable to perform the duties of office, and (3) was making optional contributions in accordance with this Section at the time the disability was incurred, may elect to receive a disability annuity calculated in accordance with the formula in subsection (b). For the purposes of this subsection, such commissioner shall be considered permanently disabled only if: (i) disability occurs while in service as a commissioner and is of such a nature as to prevent the reasonable performance of the duties of office at the time; and (ii) the Board has received a written certification by at least 2 licensed physicians appointed by it stating that such commissioner is disabled and that the disability is likely to be permanent.

(d) Alternative survivor's benefits. In lieu of the survivor's benefits otherwise payable under this Article, the spouse or eligible child of any deceased commissioner who (1) had elected to participate in the Fund, and (2) was either making additional optional contributions on the date of death, or was receiving an annuity calculated under this Section at the time of death, may elect to receive an annuity beginning on the date of the commissioner's death, provided that the spouse and commissioner must have been married on the date of the last termination of a service as commissioner and for a continuous period of at least one year immediately preceding death.

The annuity shall be payable beginning on the date of the commissioner's death if the spouse is then age 50 or over, or beginning at age 50 if the age of the spouse is less than 50 years. If a minor unmarried child or children of the commissioner, under age 18, also survive, and the child or children are under the care of the eligible spouse, the annuity shall begin as of the date of death of the commissioner without regard to the spouse's age.

The annuity to a spouse shall be 66 2/3% of the amount of retirement annuity earned by the commissioner on the date of death, subject to a minimum payment of 10% of salary, provided that if an eligible spouse, regardless of age, has in his or her care at the date of death of the commissioner any unmarried child or children of the commissioner under age 18, the minimum annuity shall be 30% of the commissioner's salary, plus 10% of salary on account of each minor child of the commissioner, subject to a combined total payment on account of a spouse and minor children not to exceed 50% of the deceased commissioner's salary. In the event there shall be no spouse of the commissioner surviving, or should a spouse die while eligible minor children still survive the commissioner, each such child shall be entitled to an annuity equal to 20% of salary of the commissioner subject to a combined total payment on account of all such children not to exceed 50% of salary of the commissioner. The salary to be used in the calculation of these benefits shall be the same as that prescribed for determining a retirement annuity as provided in subsection (b) of this Section.

Upon the death of a commissioner occurring after termination of a service or while in receipt of a retirement annuity, the combined total payment to a spouse and minor children, or to minor children alone if no eligible spouse survives, shall be limited to 75% of the amount of retirement annuity earned by the commissioner.

Adopted children shall have status as natural children of the commissioner only if the proceedings for adoption were commenced at least one year prior to the date of the commissioner's death.

Marriage of a child or attainment of age 18, whichever first occurs, shall render the child ineligible for further consideration in the payment of annuity to a spouse or in the increase in the amount thereof. Upon attainment of ineligibility of the youngest minor child of the commissioner, the annuity shall immediately revert to the amount payable upon death of a commissioner leaving no minor children surviving. If the spouse is under age 50 at such time, the annuity as revised shall be deferred until such age is attained.

(e) Refunds. Refunds of additional optional contributions shall be made on the same basis and under the same conditions as provided under Section 13-601. Interest shall be credited on the same basis and under the same conditions as for other contributions.

Optional contributions shall be accounted for in a separate Commission's Optional Contribution Reserve. Optional contributions under this Section shall be included in the amount of employee contributions used to compute the tax levy under Section 13-503.

[May 30, 2003]

(f) Effective date. The effective date of this plan of optional alternative benefits and contributions shall be the date upon which approval was received from the U.S. Internal Revenue Service. The plan of optional alternative benefits and contributions shall not be available to any former employee receiving an annuity from the Fund on the effective date, unless said former employee re-enters service and renders at least 3 years of additional service after the date of re-entry as a commissioner. (40 ILCS 5/13-402) (from Ch. 108 1/2, par. 13-402)

Sec. 13-402. Length of service. For the purpose of computing the length of service for the retirement annuity, surviving spouse's annuity and child's annuity, service of 120 days in any one calendar year shall constitute one year of service and service for any fractional part thereof shall constitute an equal fractional part of one year of service unless specifically provided otherwise. For all other purposes under this Article, including but not limited to the optional plans of additional benefits and contributions provided under Sections 13-304, 13-304.1, and 13-314 of this Article, 26 pay periods of service during any 12 consecutive months shall constitute a year of service, and service rendered for 50% or more of a single pay period shall constitute service for the full pay period. Service of less than 50% of a single pay period shall not be counted. (Source: P.A. 90-12, eff. 6-13-97.)

(40 ILCS 5/13-502) (from Ch. 108 1/2, par. 13-502)

Sec. 13-502. Employee contributions; deductions from salary. (a) Retirement annuity and child's annuity. There shall be deducted from each payment of salary an amount equal to 7 1/2% of salary as the employee's contribution for the retirement annuity, including annual increases therefore and child's annuity.

(b) Surviving spouse's annuity. There shall be deducted from each payment of salary an amount equal to 1 1/2% of salary as the employee's contribution for the surviving spouse's annuity and annual increases therefor.

(c) Pickup of employee contributions. The Employer may pick up employee contributions required under subsections (a) and (b) of this Section. If contributions are picked up they shall be treated as Employer contributions in determining tax treatment under the United States Internal Revenue Code, and shall not be included as gross income of the employee until such time as they are distributed. The Employer shall pay these employee contributions from the same source of funds used in paying salary to the employee. The Employer may pick up these contributions by a reduction in the cash salary of the employee or by an offset against a future salary increase or by a combination of a reduction in salary and offset against a future salary increase. If employee contributions are picked up they shall be treated for all purposes of this Article 13, including Sections 13-503 and 13-601, in the same manner and to the same extent as employee contributions made prior to the date picked up.

(d) Subject to the requirements of federal law, the Employer shall pick up optional contributions that the employee has elected to pay to the Fund under Section 13-304.1, and the contributions so picked up shall be treated as employer contributions for the purposes of determining federal tax treatment. The Employer shall pick up the contributions by a reduction in the cash salary of the employee and shall pay the contributions from the same fund that is used to pay earnings to the employee. The Employer shall, however, continue to withhold federal and State income taxes based upon contributions made under Section 13-304.1 until the Internal Revenue Service or the federal courts rule that pursuant to Section 414(h) of the U.S. Internal Revenue Code of 1986, as amended, these contributions shall not be included as gross income of the employee until such time as they are distributed or made available.

(e) Each employee is deemed to consent and agree to the deductions from compensation provided for in this Article.

(f) Subject to the requirements of federal law, the Employer shall pick up contributions that a commissioner has elected to pay to the Fund under Section 13-314, and the contributions so picked up shall be treated as employer contributions for the purposes of determining federal tax treatment. The Employer shall pick up the contributions by a reduction in the cash salary of the commissioner and shall pay the contributions from the same fund as is used to pay earnings to the commissioner. The Employer shall, however, continue to withhold federal and State income taxes based upon contributions made under Section 13-314 until the U.S. Internal Revenue Service or the federal courts rule that pursuant to Section 414(h) of the Internal Revenue Code of 1986, as amended, these contributions shall not be included as gross income of the employee until such time as they are distributed or made available. (40 ILCS 5/13-601) (from Ch. 108 1/2, par. 13-601)

Sec. 13-601. Refunds. (a) Withdrawal from service. Upon withdrawal from service, an employee under age 55 (age 50 if the employee first entered service before June 13, 1997), or an employee age 55 (age 50 if the employee first entered service before June 13, 1997) or over but less than

60 having less than 20 years of service, or an employee age 60 or over having less than 5 years of service shall be entitled, upon application, to a refund of total contributions from salary deductions or amounts otherwise paid under this Article by the employee. The refund shall not include interest credited to the contributions. The Board may, in its discretion, withhold payment of a refund for a period not to exceed one year from the date of filing an application for refund.

(b) Surviving spouse's annuity contributions. A refund of all amounts deducted from salary or otherwise contributed by an employee for the surviving spouse's annuity shall be paid upon retirement to any employee who on the date of retirement is either not married or is married but whose spouse is not eligible for a surviving spouse's annuity paid wholly or in part under this Article. The refund shall include interest on each contribution at the rate of 3% per annum compounded annually from the date of the contribution to the date of the refund.

(c) When paid to children, estate or beneficiary. Whenever the total accumulations, to the account of an employee from employee contributions, including interest, have not been paid to the employee and surviving spouse as a retirement or spouse's annuity before the death of the survivor of the employee and spouse, a refund shall be paid as follows: an amount equal to the excess of such amounts over the amounts paid on such annuities without interest on either such amount, shall be paid to the children of the employee, in equal parts to each, unless the employee has directed in writing, signed by him before an officer authorized to administer oaths, and filed with the Board before the employee's death, that any such amount shall be refunded and paid to any one or more of such children; and if there are not children, such other beneficiary or beneficiaries as might be designated by the employee. If there are no such children or designation of beneficiary, the refund shall be paid to the personal representative of the employee's estate.

If a personal representative of the estate has not been appointed within 90 days from the date on which a refund became payable, the refund may be applied, in the discretion of the Board, toward the payment of the employee's or the surviving spouse's burial expenses. Any remaining balance shall be paid to the heirs of the employee according to the law of descent and distribution of the State of Illinois.

If a reversionary annuity becomes payable under Section 13-303, the refund provided in this section shall not be paid until the death of the reversionary annuitant and the refund otherwise payable under this section shall be then further reduced by the amount of the reversionary annuity paid.

(d) In lieu of annuity. Notwithstanding the provisions set forth in subsection (a) of this section, whenever an employee's or surviving spouse's annuity will be less than \$200 per month, the employee or surviving spouse, as the case may be, may elect to receive a refund of accumulated employee contributions; provided, however, that if the election is made by a surviving spouse the refund shall be reduced by any amounts theretofore paid to the employee in the form of an annuity.

(e) Forfeiture of rights. An employee or surviving spouse who receives a refund forfeits the right to receive an annuity or any other benefit payable under this Article except that if the refund is to a surviving spouse, any child or children of the employee shall not be deprived of the right to receive a child's annuity as provided in Section 13-308 of this Article, and the payment of a child's annuity shall not reduce the amount refundable to the surviving spouse. (40 ILCS 5/2-110) (from Ch. 108 1/2, par. 2-110)

Sec. 2-110. Service. (A) "Service" means the period beginning on the day when a person first became a member, and ending on the date under consideration, excluding all intervening periods of nonmembership following resignation or expiration of any term of office.

(B) "Service" includes:

(a) Military service during war by a person who entered such service while a member, whether rendered before or after the expiration of any term of office; plus up to 2 years of military service that need not have immediately followed service as a member, and need not have been served during wartime, provided that the member (or former member who has not yet begun to receive a retirement annuity) makes contributions to the System for such service (1) at the rates provided in Section 2-126 based upon the member's rate of compensation on the last date as a participant prior to such military service, or on the first date as a participant after such military service, whichever is greater, plus (2) if payment is made on or after ~~February 1, 2004~~ ~~May 1, 1993~~, an amount determined by the Board to be equal to the employer's normal cost of the benefits accrued for such military service, plus (3) interest at the effective rate from the date the person last became a participant in the System or November 19, 1991, whichever is later, of first membership in the System to the date of payment.

A former member who has not yet begun to receive a retirement annuity may establish military service credit as provided in this subdivision (a). The change in the manner of calculating payment for certain military service credit made by this amendatory Act of the 93rd General Assembly applies to credit established on or after its effective date by an active participant in the System or a former member who has not yet begun to receive a retirement annuity, but it does not entitle any person to a refund of contributions already paid.

The amendment to this subdivision (B)(a) made by this amendatory Act of 1993 shall apply to persons who are active contributors to the System on or after November 30, 1992. A person who was an active contributor to the System on November 30, 1992 but is no longer an active contributor may apply to purchase military credit under this subdivision (B)(a) within 60 days after the effective date of this amendatory Act of 1993; if the person is an annuitant, the resulting increase in annuity shall begin to accrue on the first day of the month following the month in which the required payment is received by the System. The change in the required contribution for purchased military credit made by this amendatory Act of 1993 shall not entitle any person to a refund of contributions already paid.

(b) Service as a judge of a court of this State, but credit for such service is subject to the following conditions: (1) such person shall have been a member for at least 4 years and contributed to the system for service as a judge subsequent to July 8, 1947, at the rates herein provided, including interest at 2% per annum to the date of payment based on the salary in effect during such service; (2) the member was not an eligible member of nor entitled to credit for such service in any other retirement system in the State maintained in whole or in part by public contributions; and (3) the last 4 years of service prior to retirement on annuity was rendered while a member.

(c) Service as a participating employee under Articles 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17 or 18 of the Illinois Pension Code. Credit for such service may be established by a member and, if permitted by the credit transfer Section of the appropriate Article, by a former member who is not yet an annuitant, and is subject to the following conditions: (1) that the credits accrued under the above mentioned Articles have been transferred to this system; and (2) that the member has contributed to this system an amount equal to (i) the contribution rate in effect for participants at the date of membership in this system multiplied by the salary then in effect for members of the General

Assembly for each year of service for which credit is being transferred, plus (ii) the State's share of the normal cost of benefits under this system expressed as a percent of payroll, as determined by the system's actuary as of the date of the participant's membership in this system, multiplied by the salary then in effect for members of the General Assembly, for each year of service for which credit is being transferred, plus (iii) interest on items (i) and (ii) above at 6% per annum compounded annually, from the date of membership to the date of payment by the participant, less (iv) the amount transferred to this system on behalf of the participant on account of service rendered while a participant under the above mentioned Articles.

(d) Service, before October 1, 1975, as an officer elected by the people of Illinois, for which creditable service is required to be transferred from the State Employees' Retirement System to this system by this amendatory Act of 1975.

(e) Service rendered prior to January 1, 1964, as a justice of the peace or police magistrate or as a civil referee in the Municipal Court of Chicago, but credit for such service may not be granted until the member has paid to the system an amount equal to (1) the contribution rate for participants at the date of membership in this system multiplied by the salary then in effect for members of the General Assembly for each year of service for which credit is being transferred, plus (2) the State's share of the normal cost of benefits under this system expressed as a percent of payroll, as determined by the system's actuary as of the date of the participant's membership in this system, multiplied by the salary then in effect for members of the General Assembly, for each year of service for which credit is allowed, plus, (3) interest on (1) and (2) above at 6% per annum compounded annually from the date of membership to the date of payment by the member. However, a participant may not receive more than 6 years of credit for such service nor may any member receive credit under this paragraph for service for which credit has been granted in any other public pension fund or retirement system in the State.

(f) Service before January 16, 1981, as an officer elected by the people of Illinois, for which creditable service is transferred from the State Employees' Retirement System to this system.

(C) Service during any fraction of a month shall be considered as a month of service.

Service includes the total period of time for which a participant is elected as a member or officer, even though he or she does not complete the term because of death, resignation, judicial decision, or operation of law, provided that the contributions required under this Article for such entire period of office have been made by or on behalf of the participant. In the case of a participant appointed or elected to fill a vacancy, service includes the total period from January 1 of the year in which his or her service commences to the end of the term in which the vacancy occurs, provided the participant contributes in the year of appointment an amount equal to the contributions that would have been required had the participant received salary for the entire year. The foregoing provisions relating to a participant appointed or elected to fill a vacancy shall not apply if the participant was a member of the other legislative chamber at the time of appointment or election.

(D) Notwithstanding the other provisions of this Section, if application to transfer or establish service credit under paragraph (c) or (e) of subsection (B) of this Section is made between January 1, ~~2004~~ ~~1992~~ and February 1, ~~2004~~ ~~1993~~, the contribution required for such credit shall be an amount equal to (1) the contribution rate in effect for participants at the date of membership in this system multiplied by the salary then in effect for members of the General Assembly for each year of service for which credit is being granted, plus (2) interest thereon at 6% per annum compounded annually, from the date of membership to the date of payment by the member, less (3) any amount transferred to this system on behalf of the member on account of such service credit. Sec. 2-110.1. Service credit for elected county, township or municipal official.

(a) An active participant having no creditable service as a participating employee under Article 7 of this Code may establish service credit in this system for periods during which the participant held an elective office in a county, township or municipality, (including the full term for which elected if he or she resigned such office to enter the armed forces of the United States), provided the member cannot establish service credit under Article 7 for such periods because the county, township or municipality did not and does not subscribe to coverage for that office under that Article. Credit for such service may be established in this system by the participant paying to this system an amount equal to (1) the contribution rate in effect for participants at the date of membership in this system multiplied by the salary then in effect for the members of the General Assembly for each year of service for which credit is allowed, plus (2) the State's share of the normal cost of benefits under this system expressed as a percent of payroll, as determined by the system's actuary as of the date of the participant's membership in this system

multiplied by the salary then in effect for members of the General Assembly, for each year of service for which credit is allowed, plus (3) interest on (1) and (2) above at 4% per annum compounded annually from the date of membership to the date of payment by the participant.

However, if application for such credit is made between January 1, 1992 and April 1, 1992, the applicant need not pay the amount indicated in item (2) above, but only the sum of items (1) and (3).

(b) The surviving spouse of a participant who died in service may establish service credit in this System for periods during which the participant held an elective office in a municipality but did not establish service credit under Article 7 or any other provision of this Code, by applying to the System in writing within 60 days after the effective date of this amendatory Act of the 93rd General Assembly and paying to this System an amount equal to the contribution rate in effect for participants at the deceased participant's date of first membership in this System multiplied by the salary then in effect for the members of the General Assembly for each year of service for which credit is allowed, plus interest at the rate of 4% per annum, compounded annually, from the date of the deceased participant's first membership to the date of payment by the surviving spouse. The surviving spouse's annuity shall be recalculated, with the resulting increase accruing from the first annuity payment date following the date upon which the required payment is received by the System. Sec. 2-117. Participants - Election not to participate. (a) Every person who was a member on November 1, 1947, or in military service on such date, is subject to the provisions of this system beginning upon such date, unless prior to such date he or she filed with the board a written notice of election not to participate.

Every person who becomes a member after November 1, 1947, and who is then not a participant becomes a participant beginning upon the date of becoming a member unless, within 24 months from that date, he or she has filed with the board a written notice of election not to participate.

(b) A member who has filed notice of an election not to participate (and a former member who has not yet begun to receive a retirement annuity under this Article) may become a participant with respect to the period for which the member elected not to participate upon filing with the board, before January 1, 2004 ~~April 1, 1993~~, a written rescission of the election not to participate. Upon contributing an amount equal to the contributions he or she would have made as a participant from November 1, 1947, or the date of becoming a member, whichever is later, to the date of becoming a participant, with interest at the rate of 4% per annum until the contributions are paid, the participant shall receive credit for service as a member prior to the date of the rescission, both before and after November 1, 1947. The required contributions shall be made before commencement of the retirement annuity; otherwise no credit for service prior to the date of participation shall be granted. (Source: P.A. 86-273; 87-1265.)

(40 ILCS 5/2-119.1) (from Ch. 108 1/2, par. 2-119.1)

Sec. 2-119.1. Automatic increase in retirement annuity. (a) A participant who retires after June 30, 1967, and who has not received an initial increase under this Section before the effective date of this amendatory Act of 1991, shall, in January or July next following the first anniversary of retirement, whichever occurs first, and in the same month of each year thereafter, but in no event prior to age 60, have the amount of the originally granted retirement annuity increased as follows: for each year through 1971, 1 1/2%; for each year from 1972 through 1979, 2%; and for 1980 and each year thereafter, 3%. Annuitants who have received an initial increase under this subsection prior to the effective date of this amendatory Act of 1991 shall continue to receive their annual increases in the same month as the initial increase.

(b) Beginning January 1, 1990, for eligible participants who remain in service after attaining 20 years of creditable service, the 3% increases provided under subsection (a) shall begin to accrue on the January 1 next following the date upon which the participant (1) attains age 55, or (2) attains 20 years of creditable service, whichever occurs later, and shall continue to accrue while the participant remains in service; such increases shall become payable on January 1 or July 1, whichever occurs first, next following the first anniversary of retirement. For any person who has service credit in the System for the entire period from January 15, 1969 through December 31, 1992, regardless of the date of termination of service, the reference to age 55 in clause (1) of this subsection (b) shall be deemed to mean age 50.

This subsection (b) does not apply to any person who first becomes a member of the System after the effective date of this amendatory Act of the 93rd General Assembly.

(c) The foregoing provisions relating to automatic increases are not applicable to a participant who retires before having made contributions (at the rate prescribed in Section 2-126) for automatic increases for less than the equivalent of one full year. However, in order to be eligible for the automatic increases, such a participant may make arrangements to pay to the system the amount required to bring the total contributions for the automatic increase to the equivalent of one year's contributions based upon his or

her last salary.

(d) A participant who terminated service prior to July 1, 1967, with at least 14 years of service is entitled to an increase in retirement annuity beginning January, 1976, and to additional increases in January of each year thereafter.

The initial increase shall be 1 1/2% of the originally granted retirement annuity multiplied by the number of full years that the annuitant was in receipt of such annuity prior to January 1, 1972, plus 2% of the originally granted retirement annuity for each year after that date. The subsequent annual increases shall be at the rate of 2% of the originally granted retirement annuity for each year through 1979 and at the rate of 3% for 1980 and thereafter.

(e) Beginning January 1, 1990, all automatic annual increases payable under this Section shall be calculated as a percentage of the total annuity payable at the time of the increase, including previous increases granted under this Article. (Source: P.A. 86-273; 87-794; 87-1265.)

Effective January 1976, the rate of the annual increase shall be 3% of the originally granted monthly pension.

(b) The monthly pension of a firefighter who retired from service with 20 or more years of service, on or before July 1, 1971, shall be increased, in January of the year following the year of attaining age 65 or in January 1972, if then over age 65, by 2% of the originally granted monthly pension, for each year the firefighter received pension payments. In each January thereafter, the firefighter shall receive an additional increase of 2% of the original monthly pension. Effective January 1976, the rate of the annual increase shall be 3%.

(c-1) On January 1, 1998, every child's disability benefit payable on that date under Section 4-110 or 4-110.1 shall be increased by an amount equal to 1/12 of 3% of the amount of the benefit, multiplied by the number of months for which the benefit has been payable. On each January 1 thereafter, every child's disability benefit payable under Section 4-110 or 4-110.1 shall be increased by 3% of the amount of the benefit then being paid, including any previous increases received under this Article. (c-2) On January 1, 2004, every pension payable to or on behalf of a minor or disabled surviving child that is payable on that date under Section 4-114 shall be increased by an amount equal to 1/12 of 3% of the amount of the pension, multiplied by the number of months for which the benefit has been payable. On each January 1 thereafter, every pension payable to or on behalf of a minor or disabled surviving child that is payable under Section 4-114 shall be increased by 3% of the amount of the pension then being paid, including any previous increases received under this Article. These increases are not subject to any limitation on the maximum benefit amount included in Section 4-114.

(d) The monthly pension of a firefighter who retires after January 1, 1986, shall, upon either the first of the month following the first anniversary of the date of retirement if 55 years of age or over, or upon the first day of the month following attainment of age 55 if it occurs after the first anniversary of retirement, be increased by 1/12 of 3% of the originally granted monthly pension for each full month that has elapsed since the pension began, and by an additional 3% in each January thereafter.

The changes made to this subsection (d) by this amendatory Act of the 91st General Assembly apply to all initial increases that become payable under this subsection on or after January 1, 1999. All initial increases that became payable under this subsection on or after January 1, 1999 and before the effective date of this amendatory Act shall be recalculated and the additional amount accruing for that period, if any, shall be payable to the pensioner in a lump sum.

(e) Notwithstanding the provisions of subsection (a), upon the first day of the month following (1) the first anniversary of the date of retirement, or (2) the attainment of age 55, or (3) July 1, 1987, whichever occurs latest, the monthly pension of a firefighter who retired on or after January 1, 1977 and on or before January 1, 1986 and did not receive an increase under subsection (a) before July 1, 1987, shall be increased by 3% of the originally granted monthly pension for each full year that has elapsed

since the pension began, and by an additional 3% in each January thereafter. The increases provided under this subsection are in lieu of the increases provided in subsection (a). (Source: P.A. 90-32, eff. 6-27-97; 91-466, eff. 8-6-99.)

(40 ILCS 5/4-114) (from Ch. 108 1/2, par. 4-114)

Sec. 4-114. Pension to survivors. If a firefighter who is not receiving a disability pension under Section 4-110 or 4-110.1 dies (1) as a result of any illness or accident, or (2) from any cause while in receipt of a disability pension under this Article, or (3) during retirement after 20 years service, or (4) while vested for or in receipt of a pension payable under subsection (b) of Section 4-109, or (5) while a deferred pensioner, having made all required contributions, a pension shall be paid to his or her survivors, based on the monthly salary attached to the firefighter's rank on the last day of service in the fire department, as follows:

(a) To the surviving spouse, a monthly pension of 40% of the monthly salary, and to the guardian of any minor child or children including a child which has been conceived but not yet born, 12% of such monthly salary for each such child until attainment of age 18 or until the child's marriage, whichever occurs first. Beginning July 1, 1993, the monthly pension to the surviving spouse shall be 54% of the monthly salary for all persons receiving a surviving spouse pension under this Article, regardless of whether the deceased firefighter was in service on or after the effective date of this amendatory Act of 1993.

Beginning January 1, 2004, the total monthly pension payable under this paragraph (a) to the surviving spouse of a firefighter who died while receiving a retirement pension, including any amount payable on account of children, shall be no less than 100% of the monthly retirement pension that the deceased firefighter was receiving at the time of death, including any increases under Section 4-109.1. This minimum applies to all such surviving spouses who are eligible to receive a surviving spouse pension, regardless of whether the deceased firefighter was in service on or after the effective date of this amendatory Act of the 93rd General Assembly, and notwithstanding any limitation on maximum pension under paragraph (d) or any other provision of this Article.

The pension to the surviving spouse shall terminate in the event of the surviving spouse's remarriage prior to July 1, 1993; remarriage on or after that date does not affect the surviving spouse's pension, regardless of whether the deceased firefighter was in service on or after the effective date of this amendatory Act of 1993.

The surviving spouse's pension shall be subject to the minimum established in Section 4-109.2.

(b) Upon the death of the surviving spouse leaving one or more minor children, to the duly appointed guardian of each such child, for support and maintenance of each such child until the child reaches age 18 or marries, whichever occurs first, a monthly pension of 20% of the monthly salary.

(c) If a deceased firefighter leaves no surviving spouse or unmarried minor children under age 18, but leaves a dependent father or mother, to each dependent parent a monthly pension of 18% of the monthly salary. To qualify for the pension, a dependent parent must furnish satisfactory proof that the deceased firefighter was at the time of his or her death the sole supporter of the parent or that the parent was the deceased's dependent for federal income tax purposes.

(d) The total pension provided under paragraphs (a), (b) and (c) of this Section shall not exceed 75% of the monthly salary of the deceased firefighter (1) when paid to the survivor of a firefighter who has attained 20 or more years of service credit and who receives or is eligible to receive a retirement pension under this Article, or (2) when paid to the survivor of a firefighter who dies as a result of illness or accident, or (3) when paid to the survivor of a firefighter who dies from any cause while in receipt of a disability pension under this Article, or (4) when paid to the survivor of a deferred pensioner. For all other survivors of deceased firefighters, the total pension provided under paragraphs (a), (b) and (c) of this Section shall not exceed 50% of the retirement annuity the firefighter would have received on the date of death.

The maximum pension limitations in this paragraph (d) do not control over any contrary provision of this Article explicitly establishing a minimum amount of pension or granting a one-time or annual increase in pension.

(e) If a firefighter leaves no eligible survivors under paragraphs (a), (b) and (c), the board shall refund to the firefighter's estate the amount of his or her accumulated contributions, less the amount of pension payments, if any, made to the firefighter while living.

(f) An adopted child is eligible for the pension provided under paragraph (a) if the child was adopted before the firefighter attained age 50.

(g) If a judgment of dissolution of marriage between a firefighter and spouse is judicially set aside subsequent to the firefighter's death, the surviving spouse is eligible for the pension provided in paragraph (a) only if the judicial proceedings are filed within 2 years after the date of the dissolution of marriage and within one year after the firefighter's death and the board is made a party to the

proceedings. In such case the pension shall be payable only from the date of the court's order setting aside the judgment of dissolution of marriage.

(h) Benefits payable on account of a child under this Section shall not be reduced or terminated by reason of the child's attainment of age 18 if he or she is then dependent by reason of a physical or mental disability but shall continue to be paid as long as such dependency continues. Individuals over the age of 18 and adjudged as a disabled person pursuant to Article XIa of the Probate Act of 1975, except for persons receiving benefits under Article III of the Illinois Public Aid Code, shall be eligible to receive benefits under this Act.

(i) Beginning January 1, 2000, the pension of the surviving spouse of a firefighter who dies on or after January 1, 1994 as a result of sickness, accident, or injury incurred in or resulting from the performance of an act of duty or from the cumulative effects of acts of duty shall not be less than 100% of the salary attached to the rank held by the deceased firefighter on the last day of service, notwithstanding subsection (d) or any other provision of this Article.

(j) Each survivor's pension payable on January 1, 2004, shall be increased on that date, and on each January 1 thereafter, by an amount equal to 3% of the pension otherwise payable at the time of the increase, including any previous increases under this Article. This increase does not apply to any survivor's pension that first becomes payable after January 1, 2004. (Source: P.A. 91-466, eff. 8-6-99.)

(a) In lieu of any annuity provided in the other provisions of this Article, a policeman who is required to withdraw from service on or after January 1, 2000 due to attainment of mandatory retirement age and has less than 20 years of service credit may elect to receive an annuity equal to 30% of average salary for the first 10 years of service plus 2% of average salary for each completed year of service or fraction thereof in excess of 10, but not to exceed a maximum of 48% of average salary.

(b) For the purpose of this Section, "average salary" means the average of the highest 4 consecutive years of salary within the last 10 years of service, or such shorter period as may be used to calculate a minimum retirement annuity under Section 5-132.

(c) For the purpose of qualifying for the annual increases provided in Section 5-167.1, a policeman whose retirement annuity is calculated under this Section shall be deemed to qualify for a minimum annuity.

(d) A policeman with less than 20 years of service credit who was required to withdraw from service on or after January 1, 2000 but before June 28, 2002 due to attainment of mandatory retirement age is also entitled to have his or her retirement annuity calculated in accordance with this Section. If payment of the annuity has already begun, the annuity shall be recalculated. The resulting increase, if any, shall accrue from the starting date of the annuity; the amount of the increase relating to the period before the annuity is recalculated shall be paid to the annuitant in a lump sum, without interest. Sec. 5-234. Transfer of credits. (a) Any police officer who has at least 10 years of creditable service in the Fund may transfer to this Fund credits and creditable service accumulated under any other pension fund or retirement system established under Article 8 or 12 of this Code, by making application and paying to the Fund before January 1, 1990 the amount by which the employee contributions that would have been required if he had participated in this Fund during the period for which credit is being transferred, plus interest, exceeds the amount actually transferred from such other fund or system to this Fund under item (1) of Section 8-226.5 or item (1) of Section 12-127.5.

(b) A policeman may transfer to this Fund up to 10 years of credits and creditable service accumulated under the pension fund established under Article 6 of this Code, by making written application to the Fund within 6 months of the effective date of this amendatory Act of the 93rd General Assembly. For the transfer to be effective, the policeman must pay to the Fund before withdrawal from service the amount, if any, by which the employee contributions that would have been required if he or she had participated in this Fund during the period for which credit is being transferred, plus interest, exceeds the amount actually transferred from the Article 6 fund to this Fund under Section 6-227. (b) For the purpose of this Section, "average salary" means the average of the fireman's highest 4 consecutive years of salary within the last 10 years of service.

(c) For the purpose of qualifying for the annual increases provided in Section 6-164, a fireman whose retirement annuity is calculated under this Section shall be deemed to qualify for a minimum annuity.

If payment of the annuity has already begun, the annuity shall be recalculated. The resulting increase, if any, shall accrue from the starting date of the annuity; the amount of the increase relating to the period before the annuity is recalculated shall be paid to the annuitant in a lump sum, without interest.

(A) Municipalities and their instrumentalities.

(a) The following described municipalities, but not including any with more than 1,000,000 inhabitants, and the instrumentalities thereof, shall be included within and be subject to this Article beginning upon the effective dates specified by the Board:

(1) Except as to the municipalities and instrumentalities thereof specifically excluded under this Article, every county shall be subject to this Article, and all cities, villages and incorporated towns having a population in excess of 5,000 inhabitants as determined by the last preceding decennial or subsequent federal census, shall be subject to this Article following publication of the census by the Bureau of the Census. Within 90 days after publication of the census, the Board shall notify any municipality that has become subject to this Article as a result of that census, and shall provide information to the corporate authorities of the municipality explaining the duties and consequences of participation. The notification shall also include a proposed date upon which participation by the municipality will commence.

However, for any city, village or incorporated town that attains a population over 5,000 inhabitants after having provided social security coverage for its employees under the Social Security Enabling Act, participation under this Article shall not be mandatory but may be elected in accordance with subparagraph (3) or (4) of this paragraph (a), whichever is applicable.

(2) School districts, other than those specifically excluded under this Article, shall be subject to this Article, without election, with respect to all employees thereof.

(3) Towns and all other bodies politic and corporate which are formed by vote of, or are subject to control by, the electors in towns and are located in towns which are not participating municipalities on the effective date of this Act, may become subject to this Article by election pursuant to Section 7-132.1.

(4) Any other municipality (together with its instrumentalities), other than those specifically excluded from participation and those described in paragraph (3) above, may elect to be included either by referendum under Section 7-134 or by the adoption of a resolution or ordinance by its governing body. A copy of such resolution or ordinance duly authenticated and certified by the clerk of the municipality or other appropriate official of its governing body shall constitute the required notice to the board of such action.

(b) A municipality that is about to begin participation shall submit to the Board an application to participate, in a form acceptable to the Board, not later than 90 days prior to the proposed effective date of participation. The Board shall act upon the application within 90 days, and if it finds that the application is in conformity with its requirements and the requirements of this Article, participation by the applicant shall commence on a date acceptable to the municipality and specified by the Board, but in no event more than one year from the date of application.

(c) A participating municipality which succeeds to the functions of a participating municipality which is dissolved or terminates its existence shall assume and be transferred the net accumulation balance in the municipality reserve and the municipality account receivable balance of the terminated municipality.

(d) In the case of a Veterans Assistance Commission whose employees were being treated by the Fund on January 1, 1990 as employees of the county served by the Commission, the Fund may continue to treat the employees of the Veterans Assistance Commission as county employees for the purposes of this Article, unless the Commission becomes a participating instrumentality in accordance with subsection (B) of this Section.

## (B) Participating instrumentalities.

(a) The participating instrumentalities designated in paragraph (b) of this subsection shall be included within and be subject to this Article if:

(1) an application to participate, in a form acceptable to the Board and adopted by a two-thirds vote of the governing body, is presented to the Board not later than 90 days prior to the proposed effective date; and

(2) the Board finds that the application is in conformity with its requirements, that the applicant has reasonable expectation to continue as a political entity for a period of at least 10 years and has the prospective financial capacity to meet its current and future obligations to the Fund, and that the actuarial soundness of the Fund may be reasonably expected to be unimpaired by approval of participation by the applicant.

The Board shall notify the applicant of its findings within 90 days after receiving the application, and if the Board approves the application, participation by the applicant shall commence on the effective date specified by the Board.

The governing body of an entity, other than a vocational education cooperative, created under an intergovernmental cooperative agreement established between participating municipalities under the Intergovernmental Cooperation Act, which by the terms of the agreement is the employer of the persons performing services under the agreement under the usual common law rules determining the employer-employee relationship. The governing body of such an intergovernmental cooperative entity established prior to July 1, 1988 may make participation retroactive to the effective date of the agreement and, if so, the effective date of participation shall be the date the required application is filed with the fund. If any such entity is unable to pay the required employer contributions to the fund, then the participating municipalities shall make payment of the required contributions and the payments shall be allocated as provided in the agreement or, if not so provided, equally among them.
- xxi. The Illinois Municipal Electric Agency.

The employer may elect to make any employee contributions for prior service on behalf of the employees.

(c) The governing boards of special education joint agreements created under Section 10-22.31 of the School Code without designation of an administrative district shall be included within and be subject to this Article as participating instrumentalities when the joint agreement becomes effective. However, the governing board of any such special education joint agreement in effect before September 5, 1975 shall not be subject to this Article unless the joint agreement is modified by the school districts to provide that the governing board is subject to this Article, except as otherwise provided by this Section.

The governing board of the Special Education District of Lake County shall become subject to this Article as a participating instrumentality on July 1, 1997. Notwithstanding subdivision (a)1 of Section 7-139, on the effective date of participation, employees of the governing board of the Special Education District of Lake County shall receive creditable service for their prior service with that employer, up to a maximum of 5 years, without any employee contribution. Employees may establish creditable service for the remainder of their prior service with that employer, if any, by applying in writing and paying an employee contribution in an amount determined by the Fund, based on the employee contribution rates in effect at the time of application for the creditable service and the employee's salary rate on the effective date of participation for that employer, plus interest at the effective rate from the date of the prior service to the date of payment. Application for this creditable service must be made before July 1, 1998; the payment may be made at any time while the employee is still in service. The employer may elect to make the required contribution on behalf of the employee.

The governing board of a special education joint agreement created under Section 10-22.31 of the School Code for which an administrative district has been designated, if there are employees of the cooperative educational entity who are not employees of the administrative district, may elect to participate in the Fund and be included within this Article as a participating instrumentality, subject to such application procedures and rules as the Board may prescribe.

The Boards of Control of cooperative or joint educational programs or projects created and administered under Section 3-15.14 of the School Code, whether or not the Boards act as their own administrative district, shall be included within and be subject to this Article as participating instrumentalities when the agreement establishing the cooperative or joint educational program or project becomes effective.

The governing board of a special education joint agreement entered into after June 30, 1984 and prior to September 17, 1985 which provides for representation on the governing board by less than all the participating districts shall be included within and subject to this Article as a participating instrumentality. Such participation shall be effective as of the date the joint agreement becomes effective.

The governing boards of educational service centers established under Section 2-3.62 of the School Code shall be included within and subject to this Article as participating instrumentalities. The governing boards of vocational education cooperative agreements created under the Intergovernmental Cooperation Act and approved by the State Board of Education shall be included within and be subject to this Article as participating instrumentalities. If any such governing boards or boards of control are unable to pay the required employer contributions to the fund, then the school districts served by such boards shall make payment of required contributions as provided in Section 7-172. The payments shall be allocated among the several school districts in proportion to the number of students in average daily attendance for the last full school year for each district in relation to the total number of students in average attendance for such period for all districts served. If such educational service centers, vocational education cooperatives or cooperative or joint educational programs or projects created and administered under Section 3-15.14 of the School Code are dissolved, the assets and obligations shall be distributed among the districts in the same proportions unless otherwise provided.

shall be included within and be subject to this Article as participating instrumentalities when the joint agreement becomes effective. However, the governing board of any such special recreation joint agreement in effect before January 1, 1980 shall not be subject to this Article unless the joint agreement is modified, by the districts and municipalities which are parties to the agreement, to provide that the governing board is subject to this Article.

If the Board returns any employer and employee contributions to any employer which erroneously submitted such contributions on behalf of a special recreation joint agreement, the Board shall include interest computed from the end of each year to the date of payment, not compounded, at the rate of 7% per annum.

(e) Each multi-township assessment district, the board of trustees of which has adopted this Article by ordinance prior to April 1, 1982, shall be a participating instrumentality included within and subject to this Article effective December 1, 1981. The contributions required under Section 7-172 shall be included in the budget prepared under and allocated in accordance with Section 2-30 of the Property Tax Code.

(f) Beginning January 1, 1992, each prospective participating municipality or participating instrumentality shall pay to the Fund the cost, as determined by the Board, of a study prepared by the Fund or its actuary, detailing the prospective costs of participation in the Fund to be expected by the municipality or instrumentality. (40 ILCS 5/7-141.1)

Sec. 7-141.1. Early retirement incentive. (a) The General Assembly finds and declares that:

- (1) Units of local government across the State have been functioning under a financial crisis.
- (2) This financial crisis is expected to continue.
- (3) Units of local government must depend on additional sources of revenue and, when those sources are not forthcoming, must establish cost-saving programs.
- (4) An early retirement incentive designed specifically to target highly-paid senior employees could result in significant annual cost savings.
- (5) The early retirement incentive should be made available only to those units of local government that determine that an early retirement incentive is in their best interest.
- (6) A unit of local government adopting a program of early retirement incentives under this Section is encouraged to implement personnel procedures to prohibit, for at least 5 years, the rehiring (whether on payroll or by independent contract) of employees who receive early retirement incentives.
- (7) A unit of local government adopting a program of early retirement incentives under this Section is also encouraged to replace as few of the participating employees as possible and to hire replacement employees for salaries totaling no more than 80% of the total salaries formerly paid to the employees who participate in the early retirement program.

It is the primary purpose of this Section to encourage units of local government that can realize true cost savings, or have determined that an early retirement program is in their best interest, to implement an early retirement program.

(b) Until the effective date of this amendatory Act of 1997, this Section does not apply to any employer that is a city, village, or incorporated town, nor to the employees of any such employer. Beginning on the effective date of this amendatory Act of 1997, any employer under this Article, including an employer that is a city, village, or incorporated town, may establish an early retirement incentive program for its employees under this Section. The decision of a city, village, or incorporated town to consider or establish an early retirement program is at the sole discretion of that city, village, or incorporated town, and nothing in this amendatory Act of 1997 limits or otherwise diminishes this discretion. Nothing contained in this Section shall be construed to require a city, village, or incorporated town to establish an early retirement program and no city, village, or incorporated town may be compelled to implement such a program.

The benefits provided in this Section are available only to members employed by a participating employer that has filed with the Board of the Fund a resolution or ordinance expressly providing for the creation of an early retirement incentive program under this Section for its employees and specifying the effective date of the early retirement incentive program. Subject to the limitation in subsection (h), an employer may adopt a resolution or ordinance providing a program of early retirement incentives under this Section at any time.

The resolution or ordinance shall be in substantially the following form:

RESOLUTION (ORDINANCE) NO. ....  
A RESOLUTION (ORDINANCE) ADOPTING AN EARLY  
RETIREMENT INCENTIVE PROGRAM FOR EMPLOYEES

## IN THE ILLINOIS MUNICIPAL RETIREMENT FUND

WHEREAS, Section 7-141.1 of the Illinois Pension Code provides that a participating employer may elect to adopt an early retirement incentive program offered by the Illinois Municipal Retirement Fund by adopting a resolution or ordinance; and

WHEREAS, The goal of adopting an early retirement program is to realize a substantial savings in personnel costs by offering early retirement incentives to employees who have accumulated many years of service credit; and

WHEREAS, Implementation of the early retirement program will provide a budgeting tool to aid in controlling payroll costs; and

WHEREAS, The (name of governing body) has determined that the adoption of an early retirement incentive program is in the best interests of the (name of participating employer); therefore be it

RESOLVED (ORDAINED) by the (name of governing body) of (name of participating employer) that:

(1) The (name of participating employer) does hereby adopt the Illinois Municipal Retirement Fund early retirement incentive program as provided in Section 7-141.1 of the Illinois Pension Code. The early retirement incentive program shall take effect on (date).

(2) In order to help achieve a true cost savings, a person who retires under the early retirement incentive program shall lose those incentives if he or she later accepts employment with any IMRF employer in a position for which participation in IMRF is required or is elected by the employee.

(3) In order to utilize an early retirement incentive as a budgeting tool, the (name of participating employer) will use its best efforts either to limit the number of employees who replace the employees who retire under the early retirement program or to limit the salaries paid to the employees who replace the employees who retire under the early retirement program.

(4) The effective date of each employee's retirement under this early retirement program shall be set by (name of employer) and shall be no earlier than the effective date of the program and no later than one year after that effective date; except that the employee may require that the retirement date set by the employer be no later than the June 30 next occurring after the effective date of the program and no earlier than the date upon which the employee qualifies for retirement.

(5) To be eligible for the early retirement incentive under this Section, the employee must have attained age 50 and have at least 20 years of creditable service by his or her retirement date.

(6) The (clerk or secretary) shall promptly file a certified copy of this resolution (ordinance) with the Board of Trustees of the Illinois Municipal Retirement Fund.

## CERTIFICATION

I, (name), the (clerk or secretary) of the (name of participating employer) of the County of (name), State of Illinois, do hereby certify that I am the keeper of the books and records of the (name of employer) and that the foregoing is a true and correct copy of a resolution (ordinance) duly adopted by the (governing body) at a meeting duly convened and held on (date).

(Signature of clerk or secretary)

(c) To be eligible for the benefits provided under an early retirement incentive program adopted under this Section, a member must:

(1) be a participating employee of this Fund who, on the effective date of the program, (i) is in active payroll status as an employee of a participating employer that has filed the required ordinance or resolution with the Board, (ii) is on layoff status from such a position with a right of re-employment or recall to service, (iii) is on a leave of absence from such a position, or (iv) is on disability but has not been receiving benefits under Section 7-146 or 7-150 for a period of more than 2 years from the date of application;

(2) have never previously received a retirement annuity under this Article or under the Retirement Systems Reciprocal Act using service credit established under this Article;

(3) (blank);

(4) have at least 20 years of creditable service in the Fund by the date of retirement, without the use of any creditable service established under this Section;

(5) have attained age 50 by the date of retirement, without the use of any age enhancement received under this Section; and

(6) be eligible to receive a retirement annuity under this Article by the date of retirement, for which purpose the age enhancement and creditable service established under this Section may be considered.

(d) The employer shall determine the retirement date for each employee participating in the early retirement program adopted under this Section. The retirement date shall be no earlier than the effective

[May 30, 2003]

date of the program and no later than one year after that effective date, except that the employee may require that the retirement date set by the employer be no later than the June 30 next occurring after the effective date of the program and no earlier than the date upon which the employee qualifies for retirement. The employer shall give each employee participating in the early retirement program at least 30 days written notice of the employee's designated retirement date, unless the employee waives this notice requirement.

(e) An eligible person may establish up to 5 years of creditable service under this Section. In addition, for each period of creditable service established under this Section, a person shall have his or her age at retirement deemed enhanced by an equivalent period.

The creditable service established under this Section may be used for all purposes under this Article and the Retirement Systems Reciprocal Act, except for the computation of final rate of earnings and the determination of earnings, salary, or compensation under this or any other Article of the Code.

The age enhancement established under this Section may be used for all purposes under this Article (including calculation of the reduction imposed under subdivision (a)1b(iv) of Section 7-142), except for purposes of a reversionary annuity under Section 7-145 and any distributions required because of age. The age enhancement established under this Section may be used in calculating a proportionate annuity payable by this Fund under the Retirement Systems Reciprocal Act, but shall not be used in determining benefits payable under other Articles of this Code under the Retirement Systems Reciprocal Act.

(f) For all creditable service established under this Section, the member must pay to the Fund an employee contribution consisting of 4.5% of the member's highest annual salary rate used in the determination of the final rate of earnings for retirement annuity purposes for each year of creditable service granted under this Section. For creditable service established under this Section by a person who is a sheriff's law enforcement employee to be deemed service as a sheriff's law enforcement employee, the employee contribution shall be at the rate of 6.5% of highest annual salary per year of creditable service granted. Contributions for fractions of a year of service shall be prorated. Any amounts that are disregarded in determining the final rate of earnings under subdivision (d)(5) of Section 7-116 (the 125% rule) shall also be disregarded in determining the required contribution under this subsection (f).

The employee contribution shall be paid to the Fund as follows: If the member is entitled to a lump sum payment for accumulated vacation, sick leave, or personal leave upon withdrawal from service, the employer shall deduct the employee contribution from that lump sum and pay the deducted amount directly to the Fund. If there is no such lump sum payment or the required employee contribution exceeds the net amount of the lump sum payment, then the remaining amount due, at the option of the employee, may either be paid to the Fund before the annuity commences or deducted from the retirement annuity in 24 equal monthly installments.

(g) An annuitant who has received any age enhancement or creditable service under this Section and thereafter accepts employment with or enters into a personal services contract with an employer under this Article thereby forfeits that age enhancement and creditable service; except that this restriction does not apply to service in an elective office, so long as the annuitant does not participate in this Fund with respect to that office. A person forfeiting early retirement incentives under this subsection (i) must repay to the Fund that portion of the retirement annuity already received which is attributable to the early retirement incentives that are being forfeited, (ii) shall not be eligible to participate in any future early retirement program adopted under this Section, and (iii) is entitled to a refund of the employee contribution paid under subsection (f). The Board shall deduct the required repayment from the refund and may impose a reasonable payment schedule for repaying the amount, if any, by which the required repayment exceeds the refund amount.

(h) The additional unfunded liability accruing as a result of the adoption of a program of early retirement incentives under this Section by an employer shall be amortized over a period of 10 years beginning on January 1 of the second calendar year following the calendar year in which the latest date for beginning to receive a retirement annuity under the program (as determined by the employer under subsection (d) of this Section) occurs; except that the employer may provide for a shorter amortization period (of no less than 5 years) by adopting an ordinance or resolution specifying the length of the amortization period and submitting a certified copy of the ordinance or resolution to the Fund no later than 6 months after the effective date of the program. An employer, at its discretion, may accelerate payments to the Fund.

An employer may provide more than one early retirement incentive program for its employees under this Section. However, an employer that has provided an early retirement incentive program for its employees under this Section may not provide another early retirement incentive program under this Section until the liability arising from the earlier program has been fully paid to the Fund. (40 ILCS 5/7-154) (from Ch. 108 1/2, par. 7-154)

Sec. 7-154. Surviving spouse annuities - Eligibility. (a) A surviving spouse annuity shall be payable to the eligible surviving spouse of a participating employee, an employee annuitant, or a person who on the date of death would have been entitled to a retirement annuity, had he applied for such annuity, and who dies at any time when a surviving spouse annuity equals at least \$5 per month, provided:

(1) The surviving spouse (i) was married to the participating employee for at least one year on the date of death, or (ii) was married to the annuitant or person entitled to a retirement annuity for at least one year prior to the date of termination of service, or (iii) was married to the deceased annuitant for at least one year on the date of the deceased annuitant's death, if at the time of termination of service the deceased annuitant was married for at least one year to a spouse who does not survive the deceased annuitant, or (iv) was married to the deceased annuitant for at least 8 years on the date of the deceased annuitant's death, and the annuitant was unmarried at the time of termination of service. Item (iv) applies without regard to whether the deceased annuitant was in service on or after the effective date of this amendatory Act of the 93rd General Assembly, but only if (A) written application for the surviving spouse annuity is received by the Fund within 30 days after that effective date and (B) any refund of contributions for surviving spouse annuity purposes has been repaid to the Fund, with interest at the effective rate from the date of the refund to the date of repayment.

(2) The male deceased employee annuitant or such other person entitled to a retirement annuity had contributed to this fund for surviving spouse annuity purposes for at least one + year or continuously since the effective date of the participating municipality or participating instrumentality.

(3) The female deceased employee annuitant or such other person entitled to a retirement annuity was in service on or after July 27, 1972, provided that the annuity shall not be computed on the basis of any retirement annuity effective before that date.

(4) If the employee dies before termination of service, the employee did not exclude the spouse from any death benefit or surviving spouse annuity pursuant to subsection (b) of Section 7-118. A designation of beneficiary naming a spouse and children jointly or a trust pursuant to subsection (b) of Section 7-118 shall preclude payment of a surviving spouse annuity.

(b) If a person is the spouse of a retiring participating employee on the date of the initial payment of a retirement annuity and is qualified to receive a surviving spouse annuity upon the death of the employee and the surviving spouse contributions are not refunded to the employee, then a surviving spouse annuity shall be payable to that person even if the marriage to the employee is dissolved after that date.

(c) Eligibility of a surviving spouse shall be determined as of the date of death, except as otherwise specifically provided in this Section. Only one surviving spouse annuity shall be paid on account of the death of any employee. (Source: P.A. 87-740; 87-850.)

Thereafter, except as otherwise provided in Section 8-172.1, any such amounts shall become a credit to the city and, with interest thereon at the effective rate, be used to reduce the amount which the city would otherwise pay during a succeeding year. of withdrawal if death occurred after termination of service under the conditions prescribed in the preceding Section.

(b) If an eligible widow, regardless of age, has in her care any unmarried child or children of the member under age 18 (under age 22 if a full-time student), the widow's annuity shall be increased in the amount of 5% of the retirement annuity for each such child, but the combined payments for a widow and children shall not exceed 66 2/3% of the member's earned retirement annuity.

The amount of retirement annuity from which the widow's annuity is derived shall be that earned by the member without regard to whether he attained age 60 prior to his withdrawal under the conditions stated or prior to his death.

(c) Adopted children shall be considered as children of the member only if the proceedings for adoption were commenced at least 1 year prior to the member's death.

Marriage of a child shall render the child ineligible for further consideration in the increase in the amount of the widow's annuity.

Attainment of age 18 (age 22 if a full-time student) shall render a child ineligible for further consideration in the increase of the widow's annuity, but the annuity to the widow shall be continued thereafter, without regard to her age at that time.

(d) Until January 1, 2004, a widow's annuity payable on account of any covered employee who ~~has~~ shall have been a covered employee for at least 18 months shall be reduced by 1/2 of the amount of survivors benefits to which his beneficiaries are eligible under the provisions of the Federal Social Security Act, except that (1) the amount of any widow's annuity payable under this Article shall not be reduced by reason of any increase under that Act which occurs after the offset required by this subsection is first applied to that annuity, and (2) for benefits granted on or after January 1, 1992, the offset under this subsection (d) shall not exceed 50% of the amount of widow's annuity otherwise payable.

Beginning January 1, 2004, the offset under this subsection (d) shall no longer be applied to any widow's annuity, regardless of whether the deceased employee was in service on or after the effective date of this amendatory Act of the 93rd General Assembly.

(e) Upon the death of a recipient of a widow's annuity the excess, if any, of the member's accumulated contributions plus credited interest over all annuity payments to the member and widow, exclusive of the \$500 lump sum payment, shall be paid to the named beneficiary of the widow, or if none has been named, to the estate of the widow, provided no reversionary annuity is payable.

(f) On January 1, 1981, any recipient of a widow's annuity who was receiving a widow's annuity on or before January 1, 1971, shall have her widow's annuity then being paid increased by 1% for each full year which has elapsed from the date the widow's annuity began. On January 1, 1982, any recipient of a widow's annuity who began receiving a widow's annuity after January 1, 1971, but before January 1, 1981, shall have her widow's annuity then being paid increased by 1% for each full year which has elapsed from the date the widow's annuity began. On January 1, 1987, any recipient of a widow's annuity who began receiving the widow's annuity on or before January 1, 1977, shall have the monthly widow's annuity increased by \$1 for each full year which has elapsed since the date the annuity began.

(g) Beginning January 1, 1990, every widow's annuity shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a retirement annuity, or (2) in other cases, on each January 1 occurring on or after the first anniversary of the commencement of the annuity, by an amount equal to 3% of the current amount of the annuity, including any previous increases under this Article. Such increases shall apply without regard to whether the deceased member was in service on or after the effective date of Public Act 86-1488, but shall not accrue for any period prior to January 1, 1990. (Source: P.A. 90-448, eff. 8-16-97.)

(40 ILCS 5/14-121) (from Ch. 108 1/2, par. 14-121)

Sec. 14-121. Amount of survivors annuity. A survivors annuity beneficiary shall be entitled upon death of the member to a single sum payment of \$1,000, payable pro rata among all persons entitled thereto, together with a survivors annuity payable at the rates and under the conditions specified in this Article.

(a) If the survivors annuity beneficiary is a spouse, the survivors annuity shall be 30% of final average compensation subject to a maximum payment of \$400 per month.

(b) If an eligible child or children under the care of a spouse also survives the member, such spouse as natural guardian of the child or children shall receive, in addition to the foregoing annuity, 20% of final average compensation on account of each such child and 10% of final average compensation divided pro rata among such children, subject to a maximum payment on account of all survivor annuity beneficiaries of \$600 per month, or 80% of the member's final average compensation, whichever is the lesser.

(c) If the survivors annuity beneficiary or beneficiaries consists of an unmarried child or children, the amount of survivors annuity shall be 20% of final average compensation to each child, and 10% of final average compensation divided pro rata among all such children entitled to such annuity, subject to a maximum payment to all children combined of \$600 per month or 80% of the member's final average compensation, whichever is the lesser.

(d) If the survivors annuity beneficiary is one or more dependent parents, the annuity shall be 20% of final average compensation to each parent and 10% of final average compensation divided pro rata among the parents who qualify for this annuity, subject to a maximum payment to both dependent parents of \$400 per month.

(e) The survivors annuity to the spouse, children or dependent parents of a member whose death occurs after the date of last withdrawal, or after retirement, or while in service following reentry into service after retirement but before completing 1 1/2 years of additional creditable service, shall not exceed the lesser of 80% of the member's earned retirement annuity at the date of death or the maximum previously established in this Section.

(f) In applying the limitation prescribed on the combined payments to 2 or more survivors annuity beneficiaries, the annuity on account of each beneficiary shall be reduced pro rata until such time as the number of beneficiaries makes the reduction no longer applicable.

(g) Until January 1, 2004, a survivors annuity payable on account of any covered employee who has ~~shall have~~ been a covered employee for at least 18 months at date of death or last withdrawal, whichever is the later, shall be reduced by 1/2 of the survivors benefits to which his beneficiaries are eligible under the federal Social Security Act, except that (1) the survivors annuity payable under this Article shall not be reduced by any increase under that Act which occurs after the offset required by this subsection is first applied to that annuity, (2) for benefits granted on or after January 1, 1992, the offset under this subsection (g) shall not exceed 50% of the amount of survivors annuity otherwise payable.

Beginning January 1, 2004, the offset under this subsection (g) shall no longer be applied to any survivors annuity, regardless of whether the deceased employee was in service on or after the effective date of this amendatory Act of the 93rd General Assembly.

(h) The minimum payment to a beneficiary hereunder shall be \$60 per month, which shall be reduced in accordance with the limitation prescribed on the combined payments to all beneficiaries of a member.

(i) Subject to the conditions set forth in Section 14-120, the minimum total survivors annuity benefit payable to the survivors annuity beneficiaries of a deceased member or annuitant whose death occurs on or after January 1, 1984, shall be 50% of the amount of retirement annuity that was or would have been payable to the deceased on the date of death, regardless of the age of the deceased on such date. If the minimum total benefit provided by this subsection exceeds the maximum otherwise imposed by this Section, the minimum total benefit shall nevertheless be payable. Any increase in the total survivors annuity benefit resulting from the operation of this subsection shall be divided among the survivors annuity beneficiaries of the deceased in proportion to their shares of the total survivors annuity benefit otherwise payable under this Section.

(j) Any survivors annuity beneficiary whose annuity terminates due to any condition specified in this Article other than death shall be entitled to a refund of the excess, if any, of the accumulated contributions of the member plus credited interest over all payments to the member and beneficiary or beneficiaries, exclusive of the single sum payment of \$1,000, provided no future survivors or reversionary annuity benefits are payable.

(k) Upon the death of the last eligible recipient of a survivors annuity the excess, if any, of the member's accumulated contributions plus credited interest over all annuity payments to the member and survivors exclusive of the single sum payment of \$1000, shall be paid to the named beneficiary of the last eligible survivor, or if none has been named, to the estate of the last eligible survivor, provided no reversionary annuity is payable.

(l) On January 1, 1981, any survivor who was receiving a survivors annuity on or before January 1, 1971, shall have his survivors annuity then being paid increased by 1% for each full year which has elapsed from the date the annuity began. On January 1, 1982, any survivor who began receiving a survivor's annuity after January 1, 1971, but before January 1, 1981, shall have his survivor's annuity then being paid increased by 1% for each full year that has elapsed from the date the annuity began. On January 1, 1987, any survivor who began receiving a survivor's annuity on or before January 1, 1977, shall have the monthly survivor's annuity increased by \$1 for each full year which has elapsed since the date the survivor's annuity began.

(m) Beginning January 1, 1990, every survivor's annuity shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a

retirement annuity, or (2) in other cases, on each January 1 occurring on or after the first anniversary of the commencement of the annuity, by an amount equal to 3% of the current amount of the annuity, including any previous increases under this Article. Such increases shall apply without regard to whether the deceased member was in service on or after the effective date of Public Act 86-1488, but shall not accrue for any period prior to January 1, 1990. Sec. 16-113. Accumulated contributions. (40 ILCS 5/16-127) (from Ch. 108 1/2, par. 16-127)

Sec. 16-127. Computation of creditable service. (a) Each member shall receive regular credit for all service as a teacher from the date membership begins, for which satisfactory evidence is supplied and all contributions have been paid.

(b) The following periods of service shall earn optional credit and each member shall receive credit for all such service for which satisfactory evidence is supplied and all contributions have been paid as of the date specified:

(1) Prior service as a teacher.

(2) Service in a capacity essentially similar or equivalent to that of a teacher, in the public common schools in school districts in this State not included within the provisions of this System, or of any other State, territory, dependency or possession of the United States, or in schools operated by or under the auspices of the United States, or under the auspices of any agency or department of any other State, and service during any period of professional speech correction or special education experience for a public agency within this State or any other State, territory, dependency or possession of the United States, and service prior to February 1, 1951 as a recreation worker for the Illinois Department of Public Safety, for a period not exceeding the lesser of 2/5 of the total creditable service of the member or 10 years. The maximum service of 10 years which is allowable under this paragraph shall be reduced by the service credit which is validated by other retirement systems under paragraph (i) of Section 15-113 and paragraph 1 of Section 17-133. Credit granted under this paragraph may not be used in determination of a retirement annuity or disability benefits unless the member has at least 5 years of creditable service earned subsequent to this employment with one or more of the following systems: Teachers' Retirement System of the State of Illinois, State Universities Retirement System, and the Public School Teachers' Pension and Retirement Fund of Chicago. Whenever such service credit exceeds the maximum allowed for all purposes of this Article, the first service rendered in point of time shall be considered. The changes to this subdivision (b)(2) made by Public Act 86-272 shall apply not only to persons who on or after its effective date (August 23, 1989) are in service as a teacher under the System, but also to persons whose status as such a teacher terminated prior to such effective date, whether or not such person is an annuitant on that date.

(3) Any periods immediately following teaching service, under this System or under Article 17, (or immediately following service prior to February 1, 1951 as a recreation worker for the Illinois Department of Public Safety) spent in active service with the military forces of the United States; periods spent in educational programs that prepare for return to teaching sponsored by the federal government following such active military service; if a teacher returns to teaching service within one calendar year after discharge or after the completion of the educational program, a further period, not exceeding one calendar year, between time spent in military service or in such educational programs and the return to employment as a teacher under this System; and a period of up to 2 years of active military service not immediately following employment as a teacher.

The changes to this Section and Section 16-128 relating to military service made by P.A. 87-794 shall apply not only to persons who on or after its effective date are in service as a teacher under the System, but also to persons whose status as a teacher terminated prior to that date, whether or not the person is an annuitant on that date. In the case of an annuitant who applies for credit allowable under this Section for a period of military service that did not immediately follow employment, and who has made the required contributions for such credit, the annuity shall be recalculated to include the additional service credit, with the increase taking effect on the date the System received written notification of the annuitant's intent to purchase the credit, if payment of all the required contributions is made within 60 days of such notice, or else on the first annuity payment date following the date of payment of the required contributions. In calculating the automatic annual increase for an annuity that has been recalculated under this Section, the increase attributable to the additional service allowable under P.A. 87-794 shall be included in the calculation of automatic annual increases accruing after the effective date of the recalculation.

Credit for military service shall be determined as follows: if entry occurs during the months of July, August, or September and the member was a teacher at the end of the immediately preceding school term, credit shall be granted from July 1 of the year in which he or she entered service; if entry occurs during the school term and the teacher was in teaching service at the beginning of the school

term, credit shall be granted from July 1 of such year. In all other cases where credit for military service is allowed, credit shall be granted from the date of entry into the service.

The total period of military service for which credit is granted shall not exceed 5 years for any member unless the service: (A) is validated before July 1, 1964, and (B) does not extend beyond July 1, 1963. Credit for military service shall be granted under this Section only if not more than 5 years of the military service for which credit is granted under this Section is used by the member to qualify for a military retirement allotment from any branch of the armed forces of the United States. The changes to this subdivision (b)(3) made by Public Act 86-272 shall apply not only to persons who on or after its effective date (August 23, 1989) are in service as a teacher under the System, but also to persons whose status as such a teacher terminated prior to such effective date, whether or not such person is an annuitant on that date.

(4) Any periods served as a member of the General Assembly.

(5)(i) Any periods for which a teacher, as defined in Section 16-106, is granted a leave of absence, provided he or she returns to teaching service creditable under this System or the State Universities Retirement System following the leave; (ii) periods during which a teacher is involuntarily laid off from teaching, provided he or she returns to teaching following the lay-off; (iii) periods prior to July 1, 1983 during which a teacher ceased covered employment under this Article or Article 17 due to pregnancy, provided that the teacher returned to teaching service creditable under this System or the State Universities Retirement System following the pregnancy and submits evidence satisfactory to the Board documenting that the employment ceased due to pregnancy; and (iv) periods prior to July 1, 1983 during which a teacher ceased covered employment for the purpose of adopting an infant under 3 years of age or caring for a newly adopted infant under 3 years of age, provided that the teacher returned to teaching service creditable under this System or the State Universities Retirement System following the adoption and submits evidence satisfactory to the Board documenting that the employment ceased for the purpose of adopting an infant under 3 years of age or caring for a newly adopted infant under 3 years of age. However, total credit under this paragraph (5) may not exceed 3 years.

Any qualified member or annuitant may apply for credit under item (iii) or (iv) of this paragraph (5) without regard to whether service was terminated before the effective date of this amendatory Act of 1997. In the case of an annuitant who establishes credit under item (iii) or (iv), the annuity shall be recalculated to include the additional service credit. The increase in annuity shall take effect on the date the System receives written notification of the annuitant's intent to purchase the credit, if the required evidence is submitted and the required contribution paid within 60 days of that notification, otherwise on the first annuity payment date following the System's receipt of the required evidence and contribution. The increase in an annuity recalculated under this provision shall be included in the calculation of automatic annual increases in the annuity accruing after the effective date of the recalculation.

Optional credit may be purchased under this subsection (b)(5) for periods during which a teacher has been granted a leave of absence pursuant to Section 24-13 of the School Code. A teacher whose service under this Article terminated prior to the effective date of P.A. 86-1488 shall be eligible to purchase such optional credit. If a teacher who purchases this optional credit is already receiving a retirement annuity under this Article, the annuity shall be recalculated as if the annuitant had applied for the leave of absence credit at the time of retirement. The difference between the entitled annuity and the actual annuity shall be credited to the purchase of the optional credit. The remainder of the purchase cost of the optional credit shall be paid on or before April 1, 1992.

The change in this paragraph made by Public Act 86-273 shall be applicable to teachers who retire after June 1, 1989, as well as to teachers who are in service on that date.

(6) Any days of unused and uncompensated accumulated sick leave earned by a teacher. The service credit granted under this paragraph shall be the ratio of the number of unused and uncompensated accumulated sick leave days to 170 days, subject to a maximum of 2 years of service credit. Prior to the member's retirement, each former employer shall certify to the System the number of unused and uncompensated accumulated sick leave days credited to the member at the time of termination of service. The period of unused sick leave shall not be considered in determining the effective date of retirement. A member is not required to make contributions in order to obtain service credit for unused sick leave.

Credit for sick leave shall, at retirement, be granted by the System for any retiring regional or assistant regional superintendent of schools at the rate of 6 days per year of creditable service or portion thereof established while serving as such superintendent or assistant superintendent.

(7) Periods prior to February 1, 1987 served as an employee of the Illinois Mathematics and

Science Academy for which credit has not been terminated under Section 15-113.9 of this Code.

(8) Service as a substitute teacher for work performed prior to July 1, 1990.

(9) Service as a part-time teacher for work performed prior to July 1, 1990.

(10) Up to 2 years of employment with Southern Illinois University - Carbondale from September 1, 1959 to August 31, 1961, or with Governors State University from September 1, 1972 to August 31, 1974, for which the teacher has no credit under Article 15. To receive credit under this item (10), a teacher must apply in writing to the Board and pay the required contributions before May 1, 1993 and have at least 12 years of service credit under this Article.

(b-1) A member may establish optional credit for up to 2 years of service as a teacher or administrator employed by a private school recognized by the Illinois State Board of Education, provided that the teacher (i) was certified under the law governing the certification of teachers at the time the service was rendered, (ii) applies in writing on or after June 1, 2002 and on or before June 1, 2005, (iii) supplies satisfactory evidence of the employment, (iv) completes at least 10 years of contributing service as a teacher as defined in Section 16-106, and (v) pays the contribution required in subsection (d-5) of Section 16-128. The member may apply for credit under this subsection and pay the required contribution before completing the 10 years of contributing service required under item (iv), but the credit may not be used until the item (iv) contributing service requirement has been met.

(c) The service credits specified in this Section shall be granted only if: (1) such service credits are not used for credit in any other statutory tax-supported public employee retirement system other than the federal Social Security program; and (2) the member makes the required contributions as specified in Section 16-128. Except as provided in subsection (b-1) of this Section, the service credit shall be effective as of the date the required contributions are completed.

Any service credits granted under this Section shall terminate upon cessation of membership for any cause.

Credit may not be granted under this Section covering any period for which an age retirement or disability retirement allowance has been paid. (Source: P.A. 92-867, eff. 1-3-03.)

(40 ILCS 5/16-129.1)

Sec. 16-129.1. Optional increase in retirement annuity. (a) A member of the System may qualify for the augmented rate under subdivision (a)(B)(1) of Section 16-133 for all years of creditable service earned before July 1, 1998 by making the optional contribution specified in subsection (b). A member may not elect to qualify for the augmented rate for only a portion of his or her creditable service earned before July 1, 1998.

(b) The contribution shall be an amount equal to 1.0% of the member's highest salary rate in the 4 consecutive school years immediately prior to but not including the school year in which the application occurs, multiplied by the number of years of creditable service earned by the member before July 1, 1998 or 20, whichever is less. This contribution shall be reduced by 1.0% of that salary rate for every 3 full years of creditable service earned by the member after June 30, 1998. The contribution shall be further reduced at the rate of 25% of the contribution (as reduced for service after June 30, 1998) for each year of the member's total creditable service in excess of 34 years. The contribution shall not in any event exceed 20% of that salary rate.

The member shall pay to the System the amount of the contribution as calculated at the time of application under this Section. The amount of the contribution determined under this subsection shall be recalculated at the time of retirement, and if the System determines that the amount paid by the member exceeds the recalculated amount, the System shall refund the difference to the member with regular interest from the date of payment to the date of refund.

The contribution required by this subsection shall be paid in one of the following ways or in a combination of the following ways that does not extend over more than 5 years:

(i) in a lump sum on or before the date of retirement;

(ii) in substantially equal installments over a period of time not to exceed 5 years, as a deduction from salary in accordance with subsection (b) of Section 16-154;

(iii) ~~if the member becomes an annuitant before June 30, 2003~~; in substantially equal monthly installments over a 24-month period, by reducing the annuitant's monthly benefit over a 24-month period by the amount of the otherwise applicable contribution. For federal and Illinois tax purposes, the monthly amount by which the annuitant's benefit is reduced shall not be treated as a contribution by the annuitant, but rather as a reduction of the annuitant's monthly benefit.

(c) If the member fails to make the full contribution under this Section in a timely fashion, the payments made under this Section shall be refunded to the member, without interest. If the member dies before making the full contribution, the payments made under this Section, together with regular interest thereon, shall be refunded to the member's designated beneficiary for benefits under Section 16-138.

(d) For purposes of this Section and subdivision (a)(B)(1) of Section 16-133, optional creditable service established by a member shall be deemed to have been earned at the time of the employment or other qualifying event upon which the service is based, rather than at the time the credit was established in this System.

(e) The contributions required under this Section are the responsibility of the teacher and not the teacher's employer. However, an employer of teachers may, after the effective date of this amendatory Act of 1998, specifically agree, through collective bargaining or otherwise, to make the contributions required by this Section on behalf of those teachers.

(f) A person who, on or after July 1, 1998 and before June 4, 1999, began receiving a retirement annuity calculated at the augmented rate may apply in writing to have the annuity recalculated to reflect the changes to this Section and Section 16-133 that were enacted in Public Act 91-17. The amount of any resulting decrease in the optional contribution shall be refunded to the annuitant, without interest. Any resulting increase in retirement annuity shall take effect on the next annuity payment date following the date of application under this subsection. (Source: P.A. 91-17, eff. 6-4-99; 92-416, eff. 8-17-01.)

(40 ILCS 5/16-133.2) (from Ch. 108 1/2, par. 16-133.2)

Sec. 16-133.2. Early retirement without discount. A member retiring after June 1, 1980 and on or before June 30, 2005, and applying for a retirement annuity within 6 months of the last day of teaching for which retirement contributions were required, may elect at the time of application for a retirement annuity, to make a one time member contribution to the System and thereby avoid the reduction in the retirement annuity for retirement before age 60 specified in paragraph (B) of Section 16-133. The exercise of the election shall also obligate the last employer to make a one time non-refundable contribution to the System. Substitute teachers wishing to exercise this election must teach 85 or more days in one school term with one employer, who shall be deemed the last employer for purposes of this Section. The last day of teaching with that employer must be within 6 months of the date of application for retirement. All substitute teaching credit applied toward the required 85 days must be earned after June 30, 1990.

The one time member and employer contributions shall be a percentage of the retiring member's highest annual salary rate used in the determination of the average salary for retirement annuity purposes. However, when determining the one-time member and employer contributions, that part of a member's salary with the same employer which exceeds the annual salary rate for the preceding year by more than 20% shall be excluded. The member contribution shall be at the rate of 7% for the lesser of the following 2 periods: (1) for each year that the member is less than age 60; or (2) for each year that the member's creditable service is less than 35 years. If a member is at least age 55 and has at least 34 years of creditable service, no member or employer contribution for the early retirement option shall be required. The employer contribution shall be at the rate of 20% for each year the member is under age 60.

Upon receipt of the application and election, the System shall determine the one time employee and employer contributions required. The member contribution shall be credited to the individual account of the member and the employer contribution shall be credited to the ~~Benefit Trust Reserve~~ ~~Employer's Contribution Reserve~~. The provisions of this Section shall not be applicable until the member's contribution, if any, has been received by the System; however, the date such contributions are received shall not be considered in determining the effective date of retirement.

The number of members working for a single employer who may retire under this Section in any year may be limited at the option of the employer to a specified percentage of those eligible, not less than 30%, with the right to participate to be allocated among those applying on the basis of seniority in the service of the employer. (40 ILCS 5/16-133.3) (from Ch. 108 1/2, par. 16-133.3)

Sec. 16-133.3. Early retirement incentives for State employees. (a) To be eligible for the benefits provided in this Section, a person must:

(1) be a member of this System who, on any day during June, 2002, is (i) in active payroll status as a full-time teacher employed by a department and an active contributor to this System with respect to that employment, or (ii) on layoff status from such a position with a right of re-employment or recall to service, or (iii) receiving a disability benefit under Section 16-149 or 16-149.1, but only if the member has not been receiving that benefit for a continuous period of more than 2 years as of the date of application;

(2) not have received any retirement annuity under this Article beginning earlier than August 1, 2002;

(3) file with the Board on or before December 31, 2002 a written application requesting the benefits provided in this Section;

(4) terminate employment under this Article no later than December 31, 2002 (or the date established under subsection (d), if applicable);

(5) by the date of termination of service, have at least 8 years of creditable service under this Article, without the use of any creditable service established under this Section;

(6) by the date of termination of service, have at least 5 years of service credit earned while participating in the System as a teacher employed by a department; and

(7) not receive any early retirement benefit under Section 14-108.3 of this Code.

For the purposes of this Section, "department" means a department as defined in Section 14-103.04 that employs a teacher as defined in this Article.

(b) An eligible person may establish up to 5 years of creditable service under this Article by making the contributions specified in subsection (c). In addition, for each period of creditable service established under this Section, a person's age at retirement shall be deemed to be enhanced by an equivalent period.

The creditable service established under this Section may be used for all purposes under this Article and the Retirement Systems Reciprocal Act, except for the computation of final average salary, the determination of salary or compensation under this Article or any other Article of this Code, or the determination of eligibility for or the computation of benefits under Section 16-133.2.

The age enhancement established under this Section may be used for all purposes under this Article (including calculation of a proportionate annuity payable by this System under the Retirement Systems Reciprocal Act), except for purposes of a retirement annuity under Section 16-133(a)(A), a reversionary annuity under Section 16-136, the required distributions under Section 16-142.3, and the determination of eligibility for or the computation of benefits under Section 16-133.2. Age enhancement established under this Section may be used in determining benefits payable under Article 14 of this Code under the Retirement Systems Reciprocal Act (subject to the limitations on the use of age enhancement provided in Section 14-108.3); age enhancement established under this Section shall not be used in determining benefits payable under other Articles of this Code under the Retirement Systems Reciprocal Act.

(c) For all creditable service established under this Section, a person must pay to the System an employee contribution to be determined by the System, equal to 9.0% of the member's highest annual salary rate that would be used in the determination of the average salary for retirement annuity purposes if the member retired immediately after withdrawal, for each year of creditable service established under this Section.

If the member receives a lump sum payment for accumulated vacation, sick leave, and personal leave upon withdrawal from service, and the net amount of that lump sum payment is at least as great as the amount of the contribution required under this Section, the entire contribution must be paid by the employee by payroll deduction. If there is no such lump sum payment, or if it is less than the contribution required under this Section, the member shall make an initial payment by payroll deduction, equal to the net amount of the lump sum payment for accumulated vacation, sick leave, and personal leave, and have the remaining amount due treated as a reduction from the retirement annuity in 24 equal monthly installments beginning in the month in which the retirement annuity takes effect. The required contribution may be paid as a pre-tax deduction from earnings.

(d) In order to ensure that the efficient operation of State government is not jeopardized by the simultaneous retirement of large numbers of key personnel, the director or other head of a department may, for key employees of that department, extend the December 31, 2002 deadline for terminating employment under this Article established in subdivision (a)(4) of this Section to a date not later than April 30, 2003 by so notifying the System in writing by December 31, 2002.

(e) A person who has received any age enhancement or creditable service under this Section and who reenters contributing service under this Article or Article 14 shall thereby forfeit that age enhancement and creditable service, and become entitled to a refund of the contributions made pursuant to this Section.

(f) The System shall determine the amount of the increase in unfunded accrued liability resulting from the granting of early retirement incentives under this Section and shall report that amount to the Governor and the Pension Laws Commission on or before November 15, 2003. The increase in liability reported under this subsection (f) shall not be included in the calculation of the required State contribution under Section 16-158.

(g) The System shall determine the amount of the annual State contribution necessary to amortize on a level dollar-payment basis, over a period of 10 years at 8.5% interest, compounded annually, an amount equal to the increase in unfunded accrued liability determined under subsection (f) minus \$1,000,000. The System shall certify the amount of this annual State contribution to the Governor, the State Comptroller, the Bureau of the Budget, and the Pension Laws Commission on or before November 15, 2003.

In addition to the contributions otherwise required under this Article, the State shall appropriate and pay to the System (1) an amount equal to \$1,000,000 in State fiscal year 2004 and (2) in each of State fiscal years 2005 through 2013, an amount equal to the annual State contribution certified by the System under this subsection (g).

(h) The Pension Laws Commission shall determine and report to the General Assembly, on or before January 1, 2004 and annually thereafter through the year 2013, its estimate of (1) the annual amount of payroll savings likely to be realized by the State as a result of the early retirement of persons receiving early retirement incentives under this Section and (2) the net annual savings or cost to the State from the program of early retirement incentives created under this Section.

The System, the Department of Central Management Services, the Bureau of the Budget, and all other departments shall provide to the Commission any assistance that the Commission may request with respect to its reports under this Section. The Commission may require departments to provide it with any information that it deems necessary or useful with respect to its reports under this Section, including without limitation information about (1) the final earnings of former department employees who elected to receive benefits under this Section, (2) the earnings of current department employees holding the positions vacated by persons who elected to receive benefits under this Section, and (3) positions vacated by persons who elected to receive benefits under this Section that have not yet been refilled.

(i) The changes made to this Section by this amendatory Act of the 92nd General Assembly do not apply to persons who retired under this Section on or before May 1, 1992.

(j) A teacher who, on any day in June, 2002, was employed by a department on a regular and permanent basis for 4 or more clock hours per day, 4 days per week shall be deemed to have been in payroll status as a full-time teacher for the purposes of subdivision (a)(1)(i) of this Section, notwithstanding Sections 16-106.1 and 16-106.2. Such a teacher who applied for early retirement benefits under this Section in a timely manner, but was rejected by the System for failure to meet the full-time requirement, may re-apply for an early retirement benefit under this Section within the 30 days following the effective date of this amendatory Act of the 93rd General Assembly. For such a person, the December 31, 2002 deadline for terminating employment under this Article, established in subdivision (a)(4) of this Section, is extended to the end of the school year in which the re-application is received by the System, and the application deadline established in subdivision (a)(3) shall be deemed satisfied by the original application. (Source: P.A. 92-566, eff. 6-25-02.)

(40 ILCS 5/16-136.4) (from Ch. 108 1/2, par. 16-136.4)

Sec. 16-136.4. Single-sum retirement benefit. (a) A member who has less than 5 years of creditable service shall be entitled, upon written application to the board, to receive a retirement benefit payable in a single sum upon or after the member's attainment of age 65. However, the benefit shall not be paid while the member is employed as a teacher in the schools included under this Article or Article 17, unless the System is required by federal law to make payment due to the member's age.

(b) The retirement benefit shall consist of a single sum that is the actuarial equivalent of a life annuity consisting of 1.67% of the member's final average salary for each year of creditable service earned before July 1, 1998 and 2.2% of the member's final average salary for each year of creditable service earned after June 30, 1998. In determining the amount of the benefit, a fractional year shall be granted proportional credit.

For the purposes of this Section, final average salary shall be the average salary of the member's highest 4 consecutive years of service as determined under rules of the board. For a member with less than 4 consecutive years of service, final average salary shall be the average salary during the member's entire period of service. In the determination of final average salary for members other than elected officials and their appointees when such appointees are allowed by statute, that part of a member's salary which exceeds the member's annual full-time salary rate with the same employer for the preceding year by more than 20% shall be excluded. The exclusion shall not apply in any year in which the member's creditable earnings are less than 50% of the preceding year's mean salary for downstate teachers as determined by the survey of school district salaries provided in Section 2-3.103 of the School Code.

(c) The retirement benefit determined under this Section shall be available to all members who render teaching service after July 1, 1947 for which member contributions are required.

(d) Upon acceptance of the retirement benefit, all of the member's accrued rights and credits in the System are forfeited. Receipt of a single-sum retirement benefit under this Section does not make a person an "annuitant" for the purposes of this Article, nor a "benefit recipient" for the purposes of Sections 16-153.1 through 16-153.4. (Source: P.A. 91-887, eff. 7-6-00.)

(40 ILCS 5/16-149.2) (from Ch. 108 1/2, par. 16-149.2)

Sec. 16-149.2. Disability retirement annuity. (a) A member whose disability benefit has been terminated under the provisions of Section 16-149 may be retired on a disability retirement annuity

payable effective the day following such termination provided the member remains disabled under the standard of disability provided in Section 16-149.

The disability retirement annuity shall be payable upon receipt of written certificates from at least 2 licensed physicians designated by the System verifying the continuation of the disability condition. A disability retirement annuity shall not be paid during any period for which the member receives benefits under Section 16-133, Section 16-149, or Section 16-149.1 or has a right to receive a salary as a teacher, or is employed in any capacity as a teacher by the employers included under this System or in an equivalent capacity in any other public or private school, college or university.

(b) The disability retirement annuity shall be equal to the larger of: (1) 35% of the most recent annual contract salary rate or for part-time and substitute members after June 30, 1990, the most recent annualized salary rate; or (2) if disability commences prior to the member's attainment of age 55, the amount computed in accordance with Section 16-133, provided the amount computed under paragraph (B) of Section 16-133 shall be reduced by 1/2 of 1% for each month that the member is less than age 55; or (3) if disability commences after the member's attainment of age 55, and the member is not receiving a retirement annuity under Section 16-133, the amount computed in accordance with Section 16-133.

Prior to July 1, 1990, if the most recent period of service of any member eligible to receive a disability retirement annuity was rendered on a less than full-time but not less than half-time basis, the amount of the disability retirement annuity payable shall be computed on the basis of the salary received by such member for the member's last year of service on a full-time basis if such salary was greater than the member's most recent salary.

(c) If an annuitant receiving a disability retirement annuity under this Section is engaged in or able to engage in gainful employment paying more than the difference between the disability retirement annuity and the salary rate upon which the disability benefit is based, with no salary to be considered less than the minimum prescribed in Section 24-8 of the School Code, the disability retirement annuity shall be reduced to an amount which together with the amount earned by the annuitant, equals the salary rate upon which the disability benefit is based. However, for the purposes of this subsection (c) only, the salary rate upon which the benefit is based shall be deemed to increase by 15% on the tenth anniversary of the commencement of the annuity.

Once each year during the first 5 years following retirement on a disability retirement annuity, and once in every 3-year period thereafter, the System may require an annuitant to undergo a medical examination, by a physician or physicians designated by the System. If the annuitant refuses to submit to such medical examination, the annuity shall be discontinued until such time as the annuitant consents to the examination, and if refusal continues for one year, all the rights to the annuity shall be revoked.

(d) If an annuitant in receipt of a disability retirement annuity returns to active service as a teacher or is no longer disabled, such annuity shall cease and the annuitant shall again become a member of the Retirement System and, if in active service as a teacher, shall make regular contributions. ~~The remaining accumulated contributions shall be transferred to the Members' Contribution Reserve from the Employer's Contribution Reserve.~~ All service for which the annuitant had credit on the date of disability shall be properly reestablished.

An annuitant in receipt of a disability retirement annuity who returns to active service as a teacher and who again becomes disabled shall not be entitled to a recomputation of the disability retirement annuity based on amendments enacted while the annuitant was in receipt of the annuity unless at least one year of creditable service is rendered after the latest re-entry into service.

(e) An annuitant in receipt of a disability retirement annuity may, upon reaching retirement age as specified in Section 16-132, apply for a retirement annuity which is to be calculated as specified in Section 16-133. The disability retirement annuity shall be discontinued upon commencement of the retirement annuity.

(f) The board shall prescribe rules governing the filing, investigation, control, and supervision of disability retirement claims. The rules shall include specific standards to be used when requesting additional medical examinations, hospital records or other data necessary for determining the employment capacity and condition of the annuitant. Costs incurred by a claimant in connection with completing a claim for disability benefits shall be paid by the claimant.

The changes to this Section made by this amendatory Act of 1991 shall apply not only to persons who on or after its effective date are in service as a teacher under the System, but also to persons whose status as a teacher terminated prior to that date, whether or not the person is an annuitant on that date. (Source: P.A. 86-273; 86-1488; 87-794.)

(40 ILCS 5/16-150) (from Ch. 108 1/2, par. 16-150)

Sec. 16-150. Re-entry. If an annuitant under this System is again employed as a teacher for an aggregate period exceeding that permitted by Section 16-118, his or her retirement annuity shall be

terminated and the annuitant shall thereupon be regarded as an active member. ~~The annuitant's remaining accumulated contributions shall be transferred to the Members' Contribution Reserve from the Employer's Contribution Reserve.~~

Such annuitant is not entitled to a recomputation of his or her retirement annuity unless at least one full year of creditable service is rendered after the latest re-entry into service and the annuitant must have rendered at least 3 years of creditable service after last re-entry into service to qualify for a recomputation of the retirement annuity based on amendments enacted while in receipt of a retirement annuity, except when retirement was due to disability.

However, regardless of age, an annuitant in receipt of a retirement annuity may be given temporary employment by a school board not exceeding that permitted under Section 16-118 and continue to receive the retirement annuity.

Unless retirement was necessitated by disability, a retirement shall be considered cancelled and the retirement allowance must be repaid in full if the annuitant is employed as a teacher within the school year during which service was terminated.

An annuitant's retirement which does not include a period of at least one full and complete school year shall be considered cancelled and the retirement annuity must be repaid in full unless such retirement was necessitated by disability. (Source: P.A. 86-273; 87-794.)

(40 ILCS 5/16-151) (from Ch. 108 1/2, par. 16-151)

Sec. 16-151. Refund. Upon termination of employment as a teacher for any cause other than death or retirement, a member shall be paid the following amount upon demand made at least 4 months after ceasing to teach:

(1) from the ~~Benefit Trust Reserve~~ Members' Contribution Reserve, the actual total contributions paid by or on behalf of the member for membership service which have not been previously refunded and which are then credited to the member's individual account in the Benefit Trust Reserve ~~Members' Contribution Reserve~~, without interest thereon, and

(2) from the Benefit Trust Reserve ~~Employer's Contribution Reserve~~, the actual contributions not previously refunded, paid by or on behalf of the member for prior service and towards the cost of the automatic annual increase in retirement annuity as provided under Section 16-152, without interest thereon.

Any such amounts may be paid to the member either in one sum or, at the election of the board, in 4 quarterly payments.

Contributions credited to a member for periods of disability as provided in Sections 16-149 and 16-149.1 are not refundable.

Upon acceptance of a refund, all accrued rights and credits in the System are forfeited and may be reinstated only if the refund is repaid together with interest from the date of the refund to the date of repayment at the following rates compounded annually: for periods prior to July 1, 1965, regular interest; for periods from July 1, 1965 to June 30, 1977, 4% per year; for periods on and after July 1, 1977, regular interest. Repayment shall be permitted upon return to membership; however, service credit previously forfeited by a refund and subsequently reinstated may not be used as a basis for the payment of benefits, other than a refund of contributions, prior to the completion of one year of creditable service following the refund, except when repayment is permitted under the provisions of the "Retirement Systems Reciprocal Act" contained in Article 20. (Source: P.A. 90-448, eff. 8-16-97.)

A Members' Contribution Reserve shall be established for the purpose of accumulating with regular interest the contributions of members made prior to retirement.

~~This Reserve shall be credited with:~~

~~(6) Regular interest on the accumulated contributions in the members' contribution reserve as of the end of the previous fiscal year, credited to the date of retirement or death for those retiring or dying during the fiscal year, and to the end of the fiscal year for all other members.~~

~~(b) This Reserve shall be charged with:~~

~~(1) The accumulated contributions of members retired under the provisions of Sections 16-133, 16-136.4 and 16-149.2.~~

Sec. 17-116.7. Purchase of additional service credit.

(a) This Section applies only to a person who (i) served as a principal for at least 5 years, (ii) left service due to a failure to receive a new contract from the local school council, (iii) elected the early retirement without discount option under Section 17-116.1, (iv) began receiving a retirement pension before 1992, and (v) has more than 30 years of service credit.

(b) An eligible person may apply in writing to the Board to establish an additional 5 years of creditable service in the Fund. The application must be received by the Board within 90 days following the effective date of this Section, and must be accompanied by payment of the amount determined under subsection (c).

(c) For each year of creditable service established under this Section, the applicant must pay to the Fund a contribution consisting of 4% of the highest annual salary rate that was used in the determination of the person's retirement pension. The amount of the employee contribution already paid by the person under Section 17-116.1 shall be credited against the total contribution required under this subsection.

(d) A person who has purchased any creditable service under this Section shall have his or her pension recalculated to reflect the additional service. The resulting increase in pension shall begin to accrue on the first pension payment date following receipt of the required contribution by the Fund.

(e) A person who has purchased any creditable service under this Section and whose pension is suspended or cancelled under Section 17-149 or 17-150 shall thereby forfeit that creditable service. (f) A person who received any early retirement incentive under Section 17-116.3, 17-116.4, 17-116.5, or 17-116.6 may not purchase additional creditable service under this Section.

(40 ILCS 5/17-121.1 new)

Sec. 17-121.1. Domestic partner eligibility.

(a) Beginning July 1, 2003, an unmarried teacher may designate a domestic partner by filing a written designation with the Fund in the manner prescribed by the Fund. The Fund may require reasonable evidence that the person designated meets the qualifications set forth in subsection (c). Such a designation is revocable at any time, but may not be made or changed more than once in any 24-month period. The marriage of a teacher automatically revokes any designation of a domestic partner previously made by that teacher.

(b) The designated domestic partner of a teacher shall be eligible to receive survivor and death benefits under this Article in the same manner and subject to the same conditions as a surviving spouse. For the purposes of determining eligibility for those benefits, the date of designation of a domestic partner shall be deemed the equivalent of the date of marriage, and the revocation or change of a designation shall be deemed the equivalent of termination of the marriage. References in this Article and

other applicable Articles of this Code to a surviving spouse shall be deemed to include a surviving designated domestic partner.

(c) "Domestic partner" means an individual of the same gender as an unmarried teacher who (1) is involved with the teacher in a long-term relationship of indefinite duration; (2) has resided together with the teacher at the same address for at least 12 months; (3) is not related to the teacher by blood to a degree of closeness that would prohibit legal marriage in the state in which they legally reside; (4) is not married to any other person; and (5) has an exclusive mutual commitment to the teacher in which they agree to be jointly responsible for each other's common welfare and to share financial obligations.

The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance relating to the offense of operating or being in physical control of a motor vehicle while under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 18 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

"(625 ILCS 5/15-301) (from Ch. 95 1/2, par. 15-301)

Sec. 15-301. Permits for excess size and weight. (a) The Department with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction may, in their discretion, upon application and good cause being shown therefor, issue a special permit authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in this Act or otherwise not in conformity with this Act upon any highway under the jurisdiction of the party granting such permit and for the maintenance of which the party is responsible. Applications and permits other than those in written or printed form may only be accepted from and issued to the company or individual making the movement. Except for an application to move directly across a highway, it shall be the duty of the applicant to establish in the application that the load to be moved by such vehicle or combination is composed of a single nondivisible object that cannot reasonably be dismantled or disassembled. For the purpose of over length movements, more than one object may be carried side by side as long as the height, width, and weight laws are not exceeded and the cause for the over length is not due to multiple objects. For the purpose of over height movements, more than one object may be carried as long as the cause for the over height is not due to multiple objects and the length, width, and weight laws are not exceeded. For the purpose of an over width movement, more than one object may be carried as long as the cause for the over width is not due to multiple objects and length, height, and weight laws are not exceeded. No state or local agency shall authorize the issuance of excess size or weight permits for vehicles and loads that are divisible and that can be carried, when divided, within the existing size or weight maximums specified in this Chapter. Any excess size or weight permit issued in violation of the provisions of this Section shall be void at issue and any movement made thereunder shall not be authorized under the terms of the void permit. In any prosecution for a violation of this Chapter when the authorization of an excess size or weight permit is at issue, it is the burden of the defendant to establish that the permit was valid because the load to be moved could not reasonably be dismantled or disassembled, or was otherwise nondivisible.

(b) The application for any such permit shall: (1) state whether such permit is requested for a single trip or for limited continuous operation; (2) state if the applicant is an authorized carrier under the Illinois Motor Carrier of Property Law, if so, his certificate, registration or permit number issued by the Illinois Commerce Commission; (3) specifically describe and identify the vehicle or vehicles and load to be operated or moved except that for vehicles or vehicle combinations registered by the Department as provided in Section 15-319 of this Chapter, only the Illinois Department of Transportation's (IDT) registration number or classification need be given; (4) state the routing requested including the points of origin and destination, and may identify and include a request for routing to the nearest certified scale in accordance with the Department's rules and regulations, provided the applicant has approval to travel on local roads; and (5) state if the vehicles or loads are being transported for hire. No permits for the movement of a vehicle or load for hire shall be issued to any applicant who is required under the Illinois Motor Carrier of Property Law to have a certificate, registration or permit and does not have such certificate, registration or permit.

(c) The Department or local authority when not inconsistent with traffic safety is authorized to issue or withhold such permit at its discretion; or, if such permit is issued at its discretion to prescribe the route or routes to be traveled, to limit the number of trips, to establish seasonal or other time limitations within which the vehicles described may be operated on the highways indicated, or otherwise to limit or prescribe conditions of operations of such vehicle or vehicles, when necessary to assure against undue damage to the road foundations, surfaces or structures, and may require such undertaking or other security as may be deemed necessary to compensate for any injury to any roadway or road structure. The Department shall maintain a daily record of each permit issued along with the fee and the stipulated dimensions, weights, conditions and restrictions authorized and this record shall be presumed correct in any case of questions or dispute. The Department shall install an automatic device for recording applications received and permits issued by telephone. In making application by telephone, the Department and applicant waive all objections to the recording of the conversation.

[May 30, 2003]

(d) The Department shall, upon application in writing from any local authority, issue an annual permit authorizing the local authority to move oversize highway construction, transportation, utility and maintenance equipment over roads under the jurisdiction of the Department. The permit shall be applicable only to equipment and vehicles owned by or registered in the name of the local authority, and no fee shall be charged for the issuance of such permits.

(e) As an exception to paragraph (a) of this Section, the Department and local authorities, with respect to highways under their respective jurisdictions, in their discretion and upon application in writing may issue a special permit for limited continuous operation, authorizing the applicant to move loads of sweet corn, soybeans, corn, wheat, milo, other small grains and ensilage during the harvest season only on a 2 axle single vehicle registered by the Secretary of State with axle loads not to exceed 35% above those provided in Section 15-111. Permits may be issued for a period not to exceed 40 days and moves may be made of a distance not to exceed 25 miles from a field to a specified processing plant over any highway except the National System of Interstate and Defense Highways. All such vehicles shall be operated in the daytime except when weather or crop conditions require emergency operation at night, but with respect to such night operation, every such vehicle with load shall be equipped with flashing amber lights as specified under Section 12-215. Upon a declaration by the Governor that an emergency harvest situation exists, a special permit issued by the Department under this Section shall not be required from September 1 through December 31 during harvest season emergencies, provided that the weight does not exceed 20% above the limits provided in Section 15-111. All other restrictions that apply to permits issued under this Section shall apply during the declared time period. With respect to highways under the jurisdiction of local authorities, the local authorities may, at their discretion, waive special permit requirements during harvest season emergencies. This permit exemption shall apply to all vehicles eligible to obtain permits under this Section, including commercial vehicles in use during the declared time period.

(f) The form and content of the permit shall be determined by the Department with respect to highways under its jurisdiction and by local authorities with respect to highways under their jurisdiction. Every permit shall be in written form and carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit and no person shall violate any of the terms or conditions of such special permit. Violation of the terms and conditions of the permit shall not be deemed a revocation of the permit; however, any vehicle and load found to be off the route prescribed in the permit shall be held to be operating without a permit. Any off route vehicle and load shall be required to obtain a new permit or permits, as necessary, to authorize the movement back onto the original permit routing. No rule or regulation, nor anything herein shall be construed to authorize any police officer, court, or authorized agent of any authority granting the permit to remove the permit from the possession of the permittee unless the permittee is charged with a fraudulent permit violation as provided in paragraph (i). However, upon arrest for an offense of violation of permit, operating without a permit when the vehicle is off route, or any size or weight offense under this Chapter when the permittee plans to raise the issuance of the permit as a defense, the permittee, or his agent, must produce the permit at any court hearing concerning the alleged offense.

If the permit designates and includes a routing to a certified scale, the permittee, while enroute to the designated scale, shall be deemed in compliance with the weight provisions of the permit provided the axle or gross weights do not exceed any of the permitted limits by more than the following amounts:

Single axle	2000 pounds
Tandem axle	3000 pounds
Gross	5000 pounds

(g) The Department is authorized to adopt, amend, and to make available to interested persons a policy concerning reasonable rules, limitations and conditions or provisions of operation upon highways under its jurisdiction in addition to those contained in this Section for the movement by special permit of vehicles, combinations, or loads which cannot reasonably be dismantled or disassembled, including manufactured and modular home sections and portions thereof. All rules, limitations and conditions or provisions adopted in the policy shall have due regard for the safety of the traveling public and the protection of the highway system and shall have been promulgated in conformity with the provisions of the Illinois Administrative Procedure Act. The requirements of the policy for flagmen and escort vehicles shall be the same for all moves of comparable size and weight. When escort vehicles are required, they shall meet the following requirements:

- (1) All operators shall be 18 years of age or over and properly licensed to operate the vehicle.
- (2) Vehicles escorting oversized loads more than 12-feet wide must be equipped with a rotating or flashing amber light mounted on top as specified under Section 12-215.

The Department shall establish reasonable rules and regulations regarding liability insurance or self insurance for vehicles with oversized loads promulgated under The Illinois Administrative Procedure Act. Police vehicles may be required for escort under circumstances as required by rules and regulations of the Department.

(h) Violation of any rule, limitation or condition or provision of any permit issued in accordance with the provisions of this Section shall not render the entire permit null and void but the violator shall be deemed guilty of violation of permit and guilty of exceeding any size, weight or load limitations in excess of those authorized by the permit. The prescribed route or routes on the permit are not mere rules, limitations, conditions, or provisions of the permit, but are also the sole extent of the authorization granted by the permit. If a vehicle and load are found to be off the route or routes prescribed by any permit authorizing movement, the vehicle and load are operating without a permit. Any off route movement shall be subject to the size and weight maximums, under the applicable provisions of this Chapter, as determined by the type or class highway upon which the vehicle and load are being operated.

(i) Whenever any vehicle is operated or movement made under a fraudulent permit the permit shall be void, and the person, firm, or corporation to whom such permit was granted, the driver of such vehicle in addition to the person who issued such permit and any accessory, shall be guilty of fraud and either one or all persons may be prosecuted for such violation. Any person, firm, or corporation committing such violation shall be guilty of a Class 4 felony and the Department shall not issue permits to the person, firm or corporation convicted of such violation for a period of one year after the date of conviction. Penalties for violations of this Section shall be in addition to any penalties imposed for violation of other Sections of this Act.

(j) Whenever any vehicle is operated or movement made in violation of a permit issued in accordance with this Section, the person to whom such permit was granted, or the driver of such vehicle, is guilty of such violation and either, but not both, persons may be prosecuted for such violation as stated in this subsection (j). Any person, firm or corporation convicted of such violation shall be guilty of a petty offense and shall be fined for the first offense, not less than \$50 nor more than \$200 and, for the second offense by the same person, firm or corporation within a period of one year, not less than \$200 nor more than \$300 and, for the third offense by the same person, firm or corporation within a period of one year after the date of the first offense, not less than \$300 nor more than \$500 and the Department shall not issue permits to the person, firm or corporation convicted of a third offense during a period of one year after the date of conviction for such third offense.

(k) Whenever any vehicle is operated on local roads under permits for excess width or length issued by local authorities, such vehicle may be moved upon a State highway for a distance not to exceed one-half mile without a permit for the purpose of crossing the State highway.

(l) Notwithstanding any other provision of this Section, the Department, with respect to highways under its jurisdiction, and local authorities, with respect to highways under their jurisdiction, may at their discretion authorize the movement of a vehicle in violation of any size or weight requirement, or both, that would not ordinarily be eligible for a permit, when there is a showing of extreme necessity that the vehicle and load should be moved without unnecessary delay.

For the purpose of this subsection, showing of extreme necessity shall be limited to the following: shipments of livestock, hazardous materials, liquid concrete being hauled in a mobile cement mixer, or hot asphalt.

(m) Penalties for violations of this Section shall be in addition to any penalties imposed for violating any other Section of this Code.

(n) The Department with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction, in their discretion and upon application in writing, may issue a special permit for continuous limited operation, authorizing the applicant to operate a tow-truck that exceeds the weight limits provided for in subsection (d) of Section 15-111, provided:

- (1) no rear single axle of the tow-truck exceeds 26,000 pounds;
- (2) no rear tandem axle of the tow-truck exceeds 50,000 pounds;
- (3) neither the disabled vehicle nor the disabled combination of vehicles exceed the weight restrictions imposed by this Chapter 15, or the weight limits imposed under a permit issued by the Department prior to hookup;
- (4) the tow-truck prior to hookup does not exceed the weight restrictions imposed by this Chapter 15;
- (5) during the tow operation the tow-truck does not violate any weight restriction sign;
- (6) the tow-truck is equipped with flashing, rotating, or oscillating amber lights, visible for at least 500 feet in all directions;
- (7) the tow-truck is specifically designed and licensed as a tow-truck;

- (8) the tow-truck has a gross vehicle weight rating of sufficient capacity to safely handle the load;
- (9) the tow-truck is equipped with air brakes;
- (10) the tow-truck is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of vehicles;
- (11) the tow distance of the tow does not exceed 50 miles from the point of disablement to a place of repair or safekeeping;
- (12) the permit issued to the tow-truck is carried in the tow-truck and exhibited on demand by a police officer; and
- (13) the movement shall be valid only on state routes approved by the Department.

(o) The Department, with respect to highways under its jurisdiction, and local authorities, with respect to highways under their jurisdiction, in their discretion and upon application in writing, may issue a special permit for continuous limited operation, authorizing the applicant to transport raw milk that exceeds the weight limits provided for in subsections (b) and (f) subsection of Section 15-111 of this Code, provided:

(1) no single axle exceeds 20,000 pounds;

(2) no gross weight exceeds 80,000 pounds;

(3) permits issued by the state are only good for federal and State highways and are not applicable to interstate highways; and

(4) all road and bridge postings must be obeyed.

Sec. 1-5. Purpose. ~~The Illinois grain industry comprises a significant and vital part of the State's economy. The grain industry can function to its fullest competitive and profitable potential, thus contributing to the economic health of this State, when it operates under a coordinated and integrated structure. The purpose of this Code is to provide a single system of governmental regulation of the Illinois grain industry. It is also the primary purpose of this Code to promote the State's welfare by improving the economic stability of agriculture through the existence of the Illinois Grain Insurance Fund in order to protect producers in the event of the failure of a licensed grain dealer or licensed warehouseman and to ensure the existence of an adequate resource so that persons holding valid claims may be compensated for losses occasioned by the failure of a licensed grain dealer or licensed warehouseman. To that end, this Code shall be liberally construed and liberally administered in favor of claimants.~~

In addition, the Illinois grain industry comprises a significant and vital part of the State's economy and as such can function to its fullest competitive and profitable potential, thus contributing to the economic health of this State, when it operates under a coordinated and integrated regulatory structure. (240 ILCS 40/1-15)

Sec. 1-15. Powers and duties of Director. The Director has all powers necessary and proper to fully and effectively execute the provisions of this Code and has the general duty to implement this Code. The Director's powers and duties include, but are not limited to, the following:

(1) The Director may, upon application, issue or refuse to issue licenses under this Code, and the Director may extend, renew, reinstate, suspend, revoke, or accept voluntary surrender of licenses under this Code.

(2) The Director shall examine and inspect each licensee at least once each calendar year. The examination shall cover all aspects of the grain operations of the licensee, including but not necessarily limited to options trades and programs and farmer marketing programs.

The Department shall perform one of 3 types of examinations of licensees.

(A) Basic Examination. The basic examination shall be performed when the licensee's merchandising and trade practices involve minimal market risk, which might include those situations in which the licensee uses cash back-to-back contracts, traditional hedges with the Chicago Board of Trade, and price later contracts. The specific components and guidelines of the basic examination are to be as provided by rule, but shall at a minimum include verification of grain quality and quantity, reconciliation of records with grain transactions, computation of current ratios, and checking of posting procedures for accuracy.

(B) Intermediate Examination. The intermediate examination shall be performed when the licensee's merchandising and trade practices involve an increased amount of risk, which might include those situations in which the licensee uses guaranteed minimum price contracts, purchases options, or writes options. This examination shall include all those things performed as part of the basic examination. In addition, the specific components and guidelines of the intermediate examination are to be as provided by rule, but shall at a minimum include verification of grain quality and quantity, reconciliation of records with grain transactions, and checking of posting procedures for accuracy.

This examination shall include all those things performed as part of the basic examination and the intermediate examination. In addition, the specific components and guidelines of the advanced examination are to be provided by rule, but shall at a minimum include grain market risk evaluation and appropriate levels thereof for the licensee and adequacy of internal controls.

Using these guidelines, the Department shall determine the level of examination to be applied to each licensee. In addition, the Department may, in its sole discretion, engage the services of accounting experts, grain risk management experts, or both as part of any intermediate or advanced examination. The Regulatory Fund may be used as a source of payment for the services of accounting experts, grain risk management experts, or both.

The Director may inspect the premises used by a licensee at any time. The books, accounts, records, and papers of a licensee are at all times during business hours subject to inspection by the Director. Each licensee may also be required to make reports of its activities, obligations, and transactions that are deemed necessary by the Director to determine whether the interests of producers and the holders of warehouse receipts are adequately protected and safeguarded. The Director may take action or issue orders that in the opinion of the Director are necessary to prevent fraud upon or discrimination against producers or depositors of grain by a licensee. The sole and exclusive means of halting the warehouse and grain dealer business activities of a licensee, however, are set forth in Section 15-40 relating to suspension and revocation of licenses.

(3) The Director may, upon his or her initiative or upon the written verified complaint of any person setting forth facts that if proved would constitute grounds for a refusal to issue or renew a license or for a suspension or revocation of a license, investigate the actions of any person applying for, holding, or claiming to hold a license or any related party of that person.

(4) The Director (but not the Director's designee) may issue subpoenas and bring before the

Department any person and take testimony either at an administrative hearing or by deposition with witness fees and mileage fees and in the same manner as prescribed in the Code of Civil Procedure. The Director or the Director's designee may administer oaths to witnesses at any proceeding that the Department is authorized by law to conduct. The Director (but not the Director's designee) may issue subpoenas duces tecum to command the production of records relating to a licensee, guarantor, related business, related person, or related party. Subpoenas are subject to the rules of the Department.

(5) Notwithstanding other judicial remedies, the Director may file a complaint and apply for a temporary restraining order or preliminary or permanent injunction restraining or enjoining any person from violating or continuing to violate this Code or its rules.

(6) The Director shall act as Trustee for the Trust Account, act as Trustee over all collateral, guarantees, grain assets, and equity assets held by the Department for the benefit of claimants, and exercise certain powers and perform related duties under Section 20-5 of this Code and Section 205-410 of the Department of Agriculture Law (20 ILCS 205/205-410), except that the provisions of the Trust and Trustees Act do not apply to the Trust Account or any other trust created under this Code.

(7) The Director shall personally serve as president of the Corporation.

(8) The Director shall collect and deposit all monetary penalties, printer registration fees, funds, and assessments authorized under this Code into the Fund.

(9) The Director may initiate any action necessary to pay refunds from the Fund. The Director may initiate refunds for errors of assessments that do not exceed \$2,000 per licensee, lender, or grain seller without authorization by the Board.

(10) The Director shall maintain a holding corporation to receive, hold title to, and liquidate assets of or relating to a failed licensee, including assets in reference to collateral or guarantees, and deposit the proceeds into the Fund.

(11) The Director may initiate, participate in, or withdraw from any proceedings to liquidate and collect upon grain assets, equity assets, collateral, and guarantees relating to a failed licensee, including, but not limited to, all powers needed to carry out the provisions of Section 20-15.

(12) The Director, as Trustee or otherwise, may take any action that may be reasonable or appropriate to enforce this Code and its rules. (Source: P.A. 91-213, eff. 7-20-99; 91-239, eff. 1-1-00; 92-16, eff. 6-28-01.)

(240 ILCS 40/1-20)

Sec. 1-20. Administrative review and venue. Final administrative decisions of the Department are subject to judicial review under Article III of the Code of Civil Procedure and its rules. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure. An action to review a final administrative decision under this Code may be commenced in the Circuit Court of any county in which any part of the transaction occurred that gave rise to the claim that was the subject of the proceedings before the Department. (Source: P.A. 89-287, eff. 1-1-96.)

(240 ILCS 40/1-25)

Sec. 1-25. Rules. The Department may promulgate rules that are necessary for the implementation and administration of this Code.

The Department shall adopt rules governing electronic systems under which electronic warehouse receipts may be issued and transferred. Licensees shall not be required, however, to issue or use electronic warehouse receipts. These rules shall be adopted after the United States Department of Agriculture adopts regulations concerning an electronic receipt transfer system pursuant to 7 U.S.C. 242, 250. (Source: P.A. 89-287, eff. 1-1-96.)

- (J) A federal warehouseman who participated in the Fund under Section 30-10 and who

subsequently received an Illinois license to the extent the storage capacity of the warehouseman was assessed under this Code prior to Illinois licensing.

(f) Grain seller initial assessments and regular assessments. Assessments under this subsection (f) apply only to the first sale of grain to a grain dealer at an Illinois location.

(1) The grain seller initial assessment period is that period of time beginning on the effective date of this amendatory Act of the 93rd General Assembly and ending on the first assessment determination date thereafter when the equity in the fund is at least \$6,000,000.

(2) Subject to paragraph (3) of this subsection (f) (i) if during the grain seller initial assessment period the equity in the Fund is less than \$3,000,000 or (ii) if at any time after the grain seller initial assessment period the equity in the Fund is less than \$2,000,000, on the first working day of a calendar quarter when a grain seller is not already subject to an assessment under this subsection (f) (the assessment determination date), each person who settles for grain (sold to a grain dealer at an Illinois location) during the 12-month period commencing on the first day of the succeeding calendar quarter (the assessment period) shall pay an assessment equal to \$0.0004 multiplied by the net market value of grain settled for (payment received for grain sold).

(3) The next assessment determination date can be no sooner than the first working day of the fourth full calendar month following the end of the assessment period.

(4) "Net market value" of grain means the gross sales price of that grain adjusted by application of the grain dealer's discount schedule in effect at the time of sale and after deduction of any statutory commodity check-offs. Other charges such as storage charges, drying charges, and transportation costs shall not be deducted in arriving at the net market value of grain sold to a grain dealer. The net market value of grain shall be determined from the settlement sheet or other applicable written evidence of the sale of grain to the grain dealer.

(5) All assessments under this subsection (f) shall commence on the first day of the calendar quarter immediately following the assessment determination date and shall continue for a period of 12 consecutive calendar months. The assessments shall be collected by licensees at the time of settlement during the assessment period, and shall be remitted by licensees to the Department by the twentieth day of each calendar quarter, commencing with the second calendar quarter following the assessment determination date. The Department shall give written notice to all licensees of when an assessment under this subsection (f) is to begin and end, and the appropriate level of the assessment, by mail within 20 days after the assessment determination date.

(6) Assessments under this subsection (f) apply only to grain for which settlement is made during the assessment period, without regard to the date the grain was sold to the licensee.

(7) The collection and remittance of assessments from first sellers of grain under this subsection (f) is the sole responsibility of the licensees to whom the grain is sold. Sellers of grain shall not be penalized by reason of any licensee's failure to comply with this subsection (f). Failure of a licensee to collect any assessment shall not relieve the grain seller from paying the assessment, and the grain seller shall promptly remit the uncollected assessments upon demand by the licensee, which may be accounted for in settlement of grain subsequently sold to that licensee. Licensees who do not collect assessments as required by this subsection (f), or who do not remit those assessments to the Department within the time deadlines required by this subsection (f), shall remit the amount of the assessments that should have been remitted to the Department and in addition shall be subject to a monetary penalty in an amount not to exceed \$1,000.

(8) Notwithstanding the other provisions of this subsection (f), no assessment shall be levied against grain sold by the Department as a result of a failure.

(g) Lender assessments.

(1) Subject to the provisions of this subsection (g), if on the first working day of a calendar quarter when a person is not already subject to an assessment under this subsection (g) the equity in the Fund is less than \$6,000,000, each person holding warehouse receipts issued from an Illinois location on grain owned or stored by a licensee to secure a loan to that licensee shall be assessed a quarterly lender assessment for each of 4 consecutive calendar quarters beginning with the calendar quarter next succeeding the assessment determination date.

(2) Each quarterly lender assessment shall be at the rate of \$0.00000055 per bushel per day for bushels covered by a warehouse receipt held as security for the loan during that calendar quarter times the applicable commodity price times the lender assessment multiplier, if any, determined by the Department in accordance with paragraph (3) of this subsection (g). With respect to each calendar quarter within the assessment period, the "applicable commodity price" shall be the closing price paid by the licensee on the last working day of that calendar quarter for the base commodity for which the warehouse receipt was issued.

(3) With respect to the second assessment period beginning after June 30, 2003, the Department shall determine and apply a lender assessment multiplier equal to 250,000 divided by the aggregate dollar amount of lender assessments imposed under this subsection (g) under the first assessment period beginning after June 30, 2003. With respect to the third assessment period beginning after June 30, 2003, the Department shall determine and apply a lender assessment multiplier equal to 250,000 divided by the average of aggregate dollar amounts of lender assessments imposed under this subsection (g) under the first 2 assessment periods beginning after June 30, 2003. With respect to assessment periods thereafter, the Department shall determine and apply a lender assessment multiplier equal to 250,000 divided by the average of the 3 most recent aggregate dollar amounts of lender assessments imposed under this subsection (g).

(4) The next assessment determination date can be no sooner than the first working day of the fourth full calendar month following the end of the assessment period.

(5) The Department shall give written notice by mail within 20 days after the assessment determination date to all licensees of when assessments under this subsection (g) are to begin and end, the rate of the lender assessment, and the lender assessment multiplier, if any, that shall apply.

(6) It is the responsibility of a licensee to inform each of its lenders and other persons by virtue of whose relationship with the licensee this subsection (g) will apply as to the onset of an assessment for which that person might be liable and the applicable lender assessment multiplier, if any. The notification must be in writing and, as to persons subject to assessment under this subsection (g) on the assessment determination date, must be sent no later than 20 days after the licensee receives notice of an assessment from the Department. As to persons not subject to assessment under this subsection (g) as of the assessment determination date, the notice shall be sent or given no later than the closing of any transaction subsequent to the assessment determination date involving the licensee and by virtue of which transaction the person is made subject to assessment under this subsection (g).

(7) Within 20 days after the end of each calendar quarter within the assessment period, each licensee shall send to each lender with which it has been associated during that calendar quarter and to the Department a written notice of quarterly assessment together with the information needed to determine the amount of the quarterly assessment owing with respect to loans from that lender. This information shall include the number of bushels covered by each warehouse receipt, organized by commodity, held as security for the loan owing to that lender, the number of days each of those warehouse receipts was outstanding during that calendar quarter, the applicable commodity price, the applicable lender assessment multiplier, the amount of the resulting quarterly lender assessment, and the due date of the quarterly assessment.

(8) Each quarterly assessment shall be due and paid by the lender or its designee to the Department within 20 days after the end of the calendar quarter to which the assessment pertains.

(9) Lenders shall not be penalized by reason of any licensee's failure to comply with this subsection (g). Failure of a licensee to comply with this subsection (g) shall not relieve the lender from paying the assessment, and the lender shall promptly remit the uncollected assessments by the due date as set forth in the notice from the licensee.

(10) This subsection (g) applies to any person who holds a grain warehouse receipt issued by a licensee from an Illinois location pursuant to any transaction, regardless of its form, that creates a security interest in the grain including, without limitation, the advancing of money or other value to or for the benefit of a licensee upon the licensee's issuance or negotiation of a grain warehouse receipt and pursuant to or in connection with an agreement between the licensee and a counter-party for the repurchase of the grain by the licensee or designee of the licensee. For purposes of this subsection (g), any such transaction shall be treated as one in which grain is held as security for loan outstanding to a licensee within the meaning of this subsection (g), and such a person shall be treated as a lender.

(11) The Department shall immediately deposit all paid assessments under this subsection (g) into the Fund.

(h) Equity in the Fund shall exclude moneys owing to the State or the Reserve Fund as a result of transfers to the Fund from the General Revenue Fund or the Reserve Fund under subsection (h) of Section 25-20. Notwithstanding the foregoing, for purposes of calculating equity in the Fund during the grain seller initial assessment period and assessing grain sellers, it shall be presumed that the State is owed, prior to repayment, only \$2,000,000 and the Reserve Fund contains a balance of \$2,000,000. Under no circumstances, however, shall there be more than 2 consecutive grain seller assessments during the initial assessment period, unless there is a failure that reduces the equity in the Fund to below \$3,000,000. Except for the first assessment made under this Section, and assessments under items (e)(5), (e)(6), and (e)(7) of this Section, all assessments shall be paid to the Department within 60 days after the date posted on the written notice of assessment. The Department shall forward all paid assessments to

Sec. 10-5. Duties and requirements of licensees.

(a) Each licensee shall have adequate property insurance covering grain in its possession or custody and adequate liability, property, theft, hazard, and workers' compensation insurance.

(1) Every insurance policy shall contain a provision that it will not be cancelled by the principal or the insurance company except on 60 days prior written notice to the Director and the principal insured. Cancellation of the policy does not affect the liability accrued or that may accrue under the policy before the expiration of the 60 days. The notice shall contain the termination date.

(2) Each licensee shall keep a general insurance account showing the policy number, issuing company, amount, binding date, and expiration date of insurance coverage and the property covered by insurance.

(3) In reference to a warehouseman, notwithstanding any provision to the contrary contained in the warehouse receipts involved, a warehouseman is not obligated to provide property insurance on Commodity Credit Corporation grain ("CCC-owned grain"). The warehouseman, however, shall continue to carry the insurance required on loan grain that becomes CCC-owned grain until the date stated in a written notice from CCC or its agent instructing the warehouseman to cancel the insurance on the grain as of that date. If CCC-owned grain is not covered by property insurance, recovery by the Commodity Credit Corporation from the Fund shall be reduced by the amount of property insurance proceeds that would have been available to cover any loss to CCC-owned grain had the CCC-owned grain been covered by property insurance.

(b) A licensee shall immediately notify the Department when there is a change of management or cessation of operations or change in fiscal year end.

(c) All grain trades, grain merchandising transactions, grain origination plans and programs, and transactions or arrangements that represent or reflect rights and obligations in grain must be clearly identified and disclosed in the books and records of the licensee, for audit and examination purposes.

Sec. 10-10. Duties and requirements of grain dealers. (a) Long and short market position.

(1) Grain dealers shall at all times maintain an accurate and current long and short market position record for each grain commodity. The position record shall at a minimum contain the net position of all grain owned, wherever located, grain purchased and sold, and any grain option contract purchased or sold.

(2) Grain dealers, except grain dealers regularly and continuously reporting to the Commodity Futures Trading Commission or grain dealers who have obtained the permission of the Department to have different open long or short market positions, may maintain an open position in the grain commodity of which the grain dealer buys the greatest number of bushels per fiscal year not to exceed one bushel for each \$10 of adjusted equity at fiscal year end up to a maximum open position of 50,000 bushels and one-half that number of bushels up to 25,000 bushels for all other grain commodities that the grain dealer buys. A grain dealer, however, may maintain an open position of up to 5,000 bushels for each grain commodity the grain dealer buys.

(b) The license issued by the Department to a grain dealer shall be posted in the principal office of the licensee in this State. A certificate shall be posted in each location where the licensee engages in business as a grain dealer. In the case of a licensee operating a truck or tractor trailer unit for the purpose of purchasing grain, the licensee shall have a certificate carried in each truck or tractor trailer unit used in connection with the licensee's grain dealer business.

(c) The licensee must have at all times sufficient financial resources to pay producers on demand for grain purchased from them.

(d) A licensee that is solely a grain dealer shall on a daily basis maintain an accurate and current daily grain transaction report.

(e) A licensee that is both a grain dealer and a warehouseman shall at all times maintain an accurate and current daily position record.

(f) In the case of a change of ownership of a grain dealer, the obligations of a grain dealer do not cease until the grain dealer has surrendered all unused price later contracts to the Department and the successor has executed a successor's agreement that is acceptable to the Department, or the successor has otherwise provided for the grain obligations of its predecessor in a manner that is acceptable to the Department.

(g) If a grain dealer proposes to cease doing business as a grain dealer and there is no successor, it is the duty of the grain dealer to surrender all unused price later contracts to the Department, together with

an affidavit accounting for all grain dealer obligations setting forth the arrangements made with producers for final disposition of the grain dealer obligations and indicating the procedure for payment in full of all outstanding grain obligations. It is the duty of the Department to give notice by publication that a grain dealer has ceased doing business without a successor. After payment in full of all outstanding grain obligations, it is the duty of the grain dealer to surrender its license. (Source: P.A. 91-213, eff. 7-20-99.)

Sec. 10-15. Price later contracts.

(a) Price later contracts shall be written on forms prescribed or authorized by the Department. Price later contract forms shall be printed by a person authorized to print those contracts by the Department after that person has agreed to comply with each of the following:

(1) That all price later contracts shall be printed as prescribed by the Department and shall be printed only for a licensed grain dealer.

(2) That all price later contracts shall be numbered consecutively and a complete record of these contracts shall be retained showing for whom printed and the consecutive numbers printed on the contracts.

(3) That a duplicate copy of all invoices rendered for printing price later contracts that will show the consecutive numbers printed on the contracts, and the number of contracts printed, shall be promptly forwarded to the Department.

(4) that the person shall register with the Department and pay an annual registration fee of \$100 to print price later contracts.

(b) A grain dealer purchasing grain by price later contract shall at all times own grain, rights in grain, proceeds from the sale of grain, and other assets acceptable to the Department as set forth in this Code totaling 90% of the unpaid balance of the grain dealer's obligations for grain purchased by price later contract. That amount shall at all times remain unencumbered and shall be represented by the aggregate of the following:

(1) Grain owned by the grain dealer valued by means of the hedging procedures method that includes marking open contracts to market.

(2) Cash on hand.

(3) Cash held on account in federally or State licensed financial institutions.

(4) Investments held in time accounts with federally or State licensed financial institutions.

(5) Direct obligations of the U.S. government.

(6) Funds on deposit in grain margin accounts.

(7) Balances due or to become due to the licensee on price later contracts.

(8) Marketable securities, including mutual funds.

(9) Irrevocable letters of credit in favor of the Department and acceptable to the Department.

(10) Price later contract service charges due or to become due to the licensee.

(11) Other evidence of proceeds from or of grain that is acceptable to the Department.

(c) For the purpose of computing the dollar value of grain and the balance due on price later contract obligations, the value of grain shall be figured at the current market price.

(d) Title to grain sold by price later contract shall transfer to a grain dealer at the time on the date of delivery of the grain. Therefore, no storage charges shall be made with respect to grain purchased by price later contract. A service charge for handling the contract, however, may be made.

(e) Subject to subsection (f) of this Section, if a price later contract is not signed by all parties within 30 days of the last date of delivery of grain intended to be sold by price later contract, then the grain intended to be sold by price later contract shall be priced on the next business day after 30 days from the last date of delivery of grain intended to be sold by price later contract at the market price of the grain at the close of the next business day after the 29th day. When the grain is priced under this subsection, the grain dealer shall send notice to the seller of the grain within 10 days. The notice shall contain the number of bushels sold, the price per bushel, all applicable discounts, the net proceeds, and a notice that states that the Grain Insurance Fund shall provide protection for a period of only 160 days from the date of pricing of the grain.

In the event of a failure, if a price later contract is not signed by all the parties to the transaction, the Department may consider the grain to be sold by price later contract if a preponderance of the evidence indicates the grain was to be sold by price later contract.

(f) If grain is in storage with a warehouseman and is intended to be sold by price later contract, that grain shall be considered as remaining in storage and not be deemed sold by price later contract until the date the price later contract is signed by all parties.

(g) Scale tickets or other approved documents with respect to grain purchased by a grain dealer by

price later contract shall contain the following: "Sold Grain; Price Later".

(h) Price later contracts shall be issued consecutively and recorded by the grain dealer as established by rule.

(i) A licensee grain dealer shall not issue a collateral warehouse receipt on grain purchased by a price later contract to the extent the purchase price has not been paid by the licensee grain dealer.

(j) Failure to comply with the requirements of this Section may result in suspension of the privilege to purchase grain by price later contract for up to one year.

(k) When a producer with a price later contract selects a price for all or any part of the grain represented by that contract, then within 5 business days after that price selection, the licensee shall mail to that producer a confirmation of the price selection, clearly and succinctly indicating the price selected.

(240 ILCS 40/10-20)

Sec. 10-20. Duties and requirements of warehouseman. (a) It is the duty of every warehouseman to receive for storage any grain that may be tendered to it in the ordinary course of business so far as the licensed storage capacity of the warehouse permits and if the grain is of a kind customarily stored by the warehouseman and is in suitable condition for storage.

(1) If the condition of grain offered for storage might adversely affect the condition of grain in the warehouse, a warehouseman need not receive the grain for storage, but if a warehouseman does receive the grain, then it must be stored in a manner that will not lower the grade of other grain in the warehouse.

(2) A warehouseman shall provide competent personnel and equipment to weigh and grade all grain in and out of storage.

(3) A warehouseman shall maintain all licensed warehouse facilities in a manner suitable to preserve the quality and quantity of grain stored.

(b) For the purposes of the Department's examinations, a warehouseman shall provide and maintain safe and adequate means of ingress and egress to the various and surrounding areas of the facilities, storage bins, and compartments of the warehouse.

(c) Except as provided in this item (c), a warehouseman shall at all times have a sufficient quantity of grain of like kind and quality to meet its outstanding storage obligations. For purposes of this Section, "like kind and quality" means the type of commodity and a combination of grade, specialty traits, if any, and class or sub-class as applicable.

(d) A warehouseman shall not store grain in excess of the capacity for which it is licensed.

(e) A warehouseman may redeposit grain from its warehouse with another warehouseman or a federal warehouseman in an additional quantity not to exceed the licensed storage capacity of its own warehouse.

(1) If grain is redeposited as provided in this Section, a warehouseman must retain the receipt it obtains from the second warehouseman as proof of the redeposit and retain sufficient control over the redeposited grain as is necessary to comply with directions of the original depositor regarding disposition of the redeposited grain.

(2) While grain is en route from the redepositing warehouseman to the second warehouseman, a redepositing warehouseman must retain an original or a duplicate bill of lading instead of and until such time as it obtains possession of the warehouse receipt as proof of disposition of the redeposited grain.

(f) Schedule of rates and licenses.

(1) A warehouseman shall file its schedule of rates with the Department and shall post its warehouse license and a copy of the schedule of rates on file with the Department in a conspicuous place in each location of the warehouseman where grain is received.

(2) The schedule of rates shall be on a form prescribed by the Department and shall include the names and genuine signatures of all persons authorized to sign warehouse receipts issued by the warehouseman.

(3) To change the schedule of rates or the name of any person authorized to sign warehouse receipts, a warehouseman must file with the Department a revised schedule of rates and, thereafter, post the revised schedule of rates at each location of the warehouseman where grain is received. The revised schedule of rates shall be deemed filed with the Department on the earlier of the date it is delivered to the Department or mailed to the Department by certified mail properly addressed with sufficient postage attached. The revised schedule of rates shall be effective on the date the schedule of rates is posted after delivery or mailing to the Department in accordance with this Section. Revised schedules of rates shall apply only to grain delivered for storage after the effective date of the revised schedule of rates. No grain in storage at the time of the effective date of a revised schedule of rates

shall be subject to a revised schedule of rates until one year after the date of delivery of grain, unless otherwise provided by a written contract.

(4) The schedule of rates may provide for the negotiation of different rates for large deliveries of grain if those rates are applied on a uniform basis to all depositors under the same circumstances.

(g) A warehouseman may refuse to accept grain if the identity of the grain is to be preserved. If a warehouseman accepts grain and the identity of the grain is to be preserved, the evidence of storage shall state on its face that the grain is stored with its identity preserved and the location of that grain.

(h) A warehouseman shall at all times maintain an accurate and current daily position record on a daily basis.

(i) In the case of a change of ownership of a warehouse, the obligations of a warehouseman do not cease until its successor is properly licensed under this Code or the United States Warehouse Act, it has surrendered all unused warehouse receipts to the Department and has executed a successor's agreement, or the successor has otherwise provided for the obligations of its predecessor.

(j) If a warehouseman proposes to cease doing business as a warehouseman and there is no successor, it is the duty of the warehouseman to surrender all unused warehouse receipts to the Department, together with an affidavit accounting for all warehouse receipts setting forth the arrangements made with depositors for final disposition of the grain in storage and indicating the procedure for payment in full of all outstanding obligations. After payment in full of all outstanding obligations, it is the duty of the warehouseman to surrender its license.

(k) Requests by a warehouseman for special examinations, grain inventory computation, or verification of grain quantity or quality shall be accompanied by a fee of \$200.

(l) Nothing in this Section is deemed to prohibit a warehouseman from entering into agreements with depositors of grain relating to allocation or reservation of storage space. (Source: P.A. 89-287, eff. 1-1-96.)

Sec. 15-20. Grain quantity and grain quality violations.

(a) Grain quantity deficiencies of more than \$1,000 but less than \$20,000.

(1) If a licensee fails to have a sufficient quantity of grain in store to meet outstanding storage obligations and the value of the grain quantity deficiency as determined by the formula set forth in subsection (c) of Section 15-20 is more than \$1,000 but less than \$20,000, the licensee must:

(B) pay a penalty of ~~\$750~~ ~~\$500~~.

(3) If a licensee commits 3 or more violations as set forth in item (a)(1) of Section 15-20 within a 5 year period, the licensee must:

(A) post collateral with the Department in an amount equal to the value of the grain quantity deficiency or \$20,000, whichever is greater; and

(B) pay a penalty of no less than ~~\$2,000~~ ~~\$1,000~~ and no greater than ~~\$20,000~~ ~~\$10,000~~.

(b) Grain quantity deficiencies of \$20,000 or more.

(1) If a licensee fails to have sufficient quantity of grain in store to meet outstanding storage obligations and the value of the grain quantity deficiency as determined by the formula set forth in subsection (c) of Section 15-20 equals or exceeds \$20,000, the licensee must:

(A) post collateral with the Department in an amount equal to twice the value of the grain quantity deficiency; and

(B) pay a penalty of \$500.

(2) If a licensee commits 2 violations as set forth in item (b)(1) of Section 15-20 within a 2 year period, the licensee must:

(B) pay a penalty of no less than ~~\$750~~ ~~\$500~~ and no greater than ~~\$15,000~~ ~~\$10,000~~.

(3) If a licensee commits 3 or more violations as set forth in item (b)(1) of Section 15-20 within a 5 year period, the licensee must:

(A) post collateral with the Department in an amount equal to twice the value of the grain quantity deficiency or \$40,000, whichever is greater; and

(d) If a licensee fails to have sufficient quality of grain in store to meet outstanding storage obligations when the value of the grain quality deficiency exceeds \$1,000, the licensee must post collateral with the Department in an amount equal to the value of the grain quality deficiency. For the purposes of this Section, the value of the grain quality deficiency shall be determined by applying prevailing market discount factors to all grain quality factors. Sec. 15-30. Financial and record keeping deficiencies; collateral and guarantees.

(a) An applicant or a licensee has a financial deficiency if it does not meet the minimum financial requirements of Section 5-25 and subsection (b) of Section 10-15 of this Code.

(b) A licensee must collateralize all financial deficiencies at the rate of one dollar's worth of collateral for each dollar of the aggregate sum of the individual ratio deficiencies, the net worth deficiencies, and 90% asset requirement deficiencies.

(c) A licensee who is found to have record keeping deficiencies, other than in reference to violations as set forth in subsection (b) of Section 10-15 and in Sections 15-15 and 15-20, may be required by the Department to post collateral up to the amount of \$10,000.

(d) If an applicant for a new license or a renewal of a license has financial deficiencies or the Department has reason to believe that the financial stability of an applicant or a licensee is in question, the Department may require the applicant or licensee to provide the Department, in addition to collateral, personal, corporate, or other related person guarantees in a form and in an amount satisfactory to the Department.

(e) Subject to subsection (c) of Section 5-15, the posting of collateral and the delivery of guarantees does not relieve a licensee of the continuing obligation to otherwise comply with the requirements imposed by the Code. (Source: P.A. 89-287, eff. 1-1-96.)

(240 ILCS 40/15-35)

Sec. 15-35. Return of collateral and guarantees. If the next fiscal year's financial statement of a licensee received by the Department and an examination performed by the Department after delivery or posting of any required collateral or the guarantee indicates compliance by the licensee with all statutory requirements of this Code for which the collateral and guarantees were required, the collateral and guarantee shall be returned within 90 days ~~a reasonable period of time~~ to the licensee and the guarantor following a written request for the return. The financial statement must comply with the requirements of Section 5-20. (Source: P.A. 89-287, eff. 1-1-96.)

(240 ILCS 40/15-40)

Sec. 15-40. Suspension and revocation of license. (a) The Director may suspend a license and take possession and control of all grain assets and equity assets (except that the Department may not take possession and control of any equity asset on which there is a valid prior perfected security interest or other valid prior perfected lien without the prior, written permission of the secured party or lien holder) of the suspended licensee if the Department has reason to believe that any of the following has occurred:

(1) A licensee has made a formal declaration of insolvency; failed to apply for license renewal, leaving indebtedness to claimants; or been denied a license renewal, leaving indebtedness to claimants ~~experienced a failure or is unable to financially satisfy claimants in accordance with applicable statute, rule, or agreement if a bona fide dispute does not exist between the licensee and a claimant.~~

(2) A licensee has failed to pay a producer, on demand, for grain purchased from that producer, assuming no bona fide dispute exists with regard to the payment.

(3) A licensee is otherwise unable to financially satisfy claimants in accordance with any applicable statute, rule, or agreement, assuming a bona fide dispute does not exist between the licensee and the claimant.

(4) A licensee has violated any of the other provisions of this Code and the violation, or the pattern of the violations, would create a substantial risk of failure ~~violated any of the provisions of this Code and the violation or the pattern of the violations indicates an immediate danger of loss to potential claimants.~~

(5) ~~(3)~~ A licensee has failed fails to pay a penalty or post collateral or guarantees by the date ordered by the Director.

(6) ~~(4)~~ A licensee has failed fails to pay an assessment as required by Section 5-30.

(b) The Director may revoke a license if ~~any of the following occurs:~~ ~~(1)~~ the Director finds, after an administrative hearing, that any of the grounds for suspension under item (a)(1), (a)(2), (a)(3), ~~or~~ (a)(4), (a)(5), or (a)(6) of Section 15-40 have occurred.

(c) ~~(2)~~ When a licensee voluntarily files for bankruptcy under the federal bankruptcy laws, that filing constitutes a revocation of the license of the licensee on the day that the filing occurs.

(d) ~~(3)~~ When an order for relief is entered in reference to a licensee as a consequence of a petition for involuntary bankruptcy filed under the federal bankruptcy laws, that order constitutes a revocation of the license on the date of that order.

(e) ~~(4)~~ Within 10 days after suspension of a license, an administrative hearing shall be commenced

to determine whether the license shall be reinstated or revoked. Whenever an administrative hearing is scheduled, the licensee shall be served with written notice of the date, place, and time of the hearing at least 5 days before the hearing date. The notice may be served by personal service on the licensee or by mailing it by registered or certified mail, return receipt requested, to the licensee's place of business. The Director may, after a hearing, issue an order either revoking or reinstating the license. (Source: P.A. 89-287, eff. 1-1-96.)

Sec. 15-45. Criminal offenses. (a) A person who causes a warehouse receipt for grain to be issued knowing that the grain for which that warehouse receipt is issued is not under the licensee's control at the time of issuing that warehouse receipt, or who causes a licensee to issue a warehouse receipt for grain knowing that the warehouse receipt contains any false representation, is guilty of a Class 2 3 felony.

(b) A person who, knowingly and without lawful authority, disposes of grain represented by outstanding warehouse receipts or covered by unreceipted storage obligations is guilty of a Class 2 3 felony.

(f) A person who, knowingly and without a license, engages in the business of a grain dealer or a warehouseman for which a license is required under the Code is guilty of a Class A misdemeanor.

(g) A person who, intentionally, knowingly and without lawful authority:

is guilty of a Class 3 4 felony.

(h) In case of a continuing violation, each day a violation occurs constitutes a separate and distinct offense. (Source: P.A. 89-287, eff. 1-1-96.)

(240 ILCS 40/20-10)

Sec. 20-10. Lien on grain assets and equity assets.

(a) A statutory lien shall be imposed on all grain assets and equity assets in favor of and to secure payment of obligations of the licensee to:

(1) A person, including, without limitation, a lender:

(A) who possesses warehouse receipts issued from an Illinois warehouse location covering grain owned or stored by a warehouseman;

(B) who has other written evidence of a storage obligation of a warehouseman issued from an Illinois warehouse location in favor of the holder, including, but not limited to, scale tickets, settlement sheets, and ledger cards; or

(C) who has loaned money to a warehouseman and was to receive a warehouse receipt from an Illinois location as security for that loan, who surrendered warehouse receipts as a part of a grain sale at an Illinois location, or who ~~has~~ delivered grain out of storage with the warehouseman as a part of a grain sale at an Illinois location and:

(i) the grain dealer or warehouseman experienced a failure within 21 days thereafter, a warehouse receipt was not issued, and payment in full was not made; or

(ii) written notice was given by the person to the Department within 21 days thereafter stating that a warehouse receipt was not issued and payment in full was not made.

(2) A producer who possesses evidence of the sale at an Illinois location of grain delivered to that failed a grain dealer, or its designee, and who was not ~~fully~~ paid in full.

This statutory lien arises, attaches, and is perfected at the date of delivery of grain, and is at that time deemed assigned by the operation of this Code to the Department.

(b) The lien on grain assets created under this Section shall be preferred and prior to any other lien, encumbrance, or security interest relating to those assets described in the definition of "grain assets" in Section 1-10, regardless of the time the other lien, encumbrances, or security interest attached or became perfected. The lien on equity assets created under this Section shall also be preferred and prior to any other lien, encumbrance, or security interest relating to "equity assets" as defined in Section 1-10 ~~to the extent a creditor does not have a valid security interest in, or other lien on, the property that was perfected prior to the date of failure of the licensee.~~ The lien on equity assets created under this Section, however, shall be subordinate and subject to any other lien, encumbrance, or security interest relating to "equity assets" ~~as defined in Section 1-10~~ to the extent a creditor has a valid security interest in or other valid lien on the property that was perfected prior to the date of failure of the licensee; provided, however, that a creditor is not deemed to have a valid security interest or other valid lien on property if (i) the property can be directly traced as being from the sale of grain by the licensee or failed licensee; (ii) the security interest was taken as additional collateral on account of an antecedent debt owed to the creditor; and (iii) the security interest or other lien was perfected (A) on or within 90 days before the date of failure of the licensee or (B) when the creditor is a related person, within one year of the date of failure of the licensee.

(c) To the extent any portion of this Code conflicts with any portion of the Uniform Commercial Code, the provisions of this Code control.

(d) If an adversarial proceeding is commenced to recover "grain assets" or "equity assets" upon which a lien created under this Section is imposed and if the Department declines to take part in that adversarial proceeding, the Department, upon application to the Director by any claimant, shall assign to the claimant the statutory lien to permit the claimant to pursue the lien in the adversarial proceeding, but only if the assignment and adversarial proceeding will not delay the Department's liquidation and distribution of grain assets, equity assets, collateral, and guarantees, including proceeds thereof, to all claimants holding valid claims. (Source: P.A. 89-287, eff. 1-1-96.)

(240 ILCS 40/20-15)

Sec. 20-15. Liquidation procedures. When a licensee experiences a failure, the Department has the authority to and shall:

(a) Immediately post notice at all locations of the failed licensee stating that the licensee has experienced a failure and that the license has been terminated and is no longer effective.

(b) Immediately take physical control and possession of the failed licensee's facility, including but not limited to all offices and grain storage facilities, books, records, and any other property necessary or desirable to liquidate grain assets and equity assets.

(c) Give public notice and notify all known potential claimants by certified mail of the licensee's failure and the processes necessary to file grain claims with the Department as set forth in Section 25-5.

(d) Perform an examination of the failed licensee.

(e) Seize and take possession of, protect, liquidate, and collect upon all grain assets, collateral, and guarantees of or relating to the failed licensee and deposit the proceeds into the Trust Account. If at any time it appears, however, in the judgment of the Department that the costs of seizing and taking possession of, protecting, liquidating, and collecting upon any or all of the grain assets, collateral, and guarantees equals or exceeds the expected recovery to the Department, the Department may elect not to pursue seizing and taking possession of, protecting, liquidating, and collecting upon any or all of the assets.

(f) Seize, take possession of, protect, liquidate, and collect upon the equity assets of the failed licensee and deposit the proceeds into the Trust account if the Department has first obtained the written consent of all applicable secured parties or lien holders, if any. If at any time it appears, however, in the judgment of the Department that the costs of seizing and taking possession of, protecting, liquidating, and collecting upon any or all of the equity assets equals or exceeds the expected recovery to the Department, the Department may elect not to pursue seizing and taking possession of, protecting, liquidating, and collecting upon any or all of the equity assets. If the Department does not otherwise pursue seizing and taking possession of, protecting, liquidating, and collecting upon any of the equity assets, the Department may bring or participate in any liquidation or collection proceedings involving the applicable secured parties or other interested party, if any, and shall have the rights and remedies provided by law, including the right to enforce its lien by any available judicial procedure.

If an applicable secured party or lien holder does not consent to the Department seizing, taking possession of, liquidating, or collecting upon the equity assets, the secured party or lien holder shall have the rights and remedies provided by law or by agreement with the licensee or failed licensee, including the right to enforce its security interest or lien by any available judicial procedure.

(g) Make available on demand to an applicable secured party or lien holder the equity asset, to the

extent the Department seized or otherwise gained possession or control of the equity asset, but the secured party or lien holder does not consent to the Department liquidating and collecting upon the equity asset. (Source: P.A. 89-287, eff. 1-1-96.)

(240 ILCS 40/20-20)

Sec. 20-20. Liquidation expenses.

(a) The Trustee shall pay from the Trust Account all reasonable expenses incurred by the trustee on or after the date of failure in reference to seizing, preserving, and liquidating the grain assets, equity assets, collateral, and guarantees of or relating to a failed licensee, including, but not limited to, the hiring of temporary field personnel, equipment rental, auction expenses, mandatory commodity check-offs, and clerical expenses.

(b) Except as to claimants holding valid claims, any outstanding indebtedness of a failed licensee that has accrued before the date of failure shall not be paid by the Trustee and shall represent a separate cause of action of the creditor against the failed licensee.

(c) The Trustee shall report all expenditures paid from the Trust Account to the Corporation at least annually.

(d) To the extent assets are available under subsection (g) of Section 25-20 and upon presentation of documentation satisfactory to the Trustee, the Trustee shall transfer from the Trust Account to the Regulatory Fund an amount not to exceed the expenses incurred by the Department in performance of its duties under Article 20 of this Code, in reference to the failed licensee. (Source: P.A. 89-287, eff. 1-1-96.)

(240 ILCS 40/25-5)

Sec. 25-5. Adjudication of claims. When a licensee has experienced a failure, the Department shall process the claims in the following manner:

(a) The Department shall publish once each week for 3 successive weeks in at least 3 newspapers of general circulation within the county of the licensee, and shall mail or deliver to each claimant whose name and post office address are known or are reasonably ascertainable by the Department, a notice stating:

- (1) That the licensee has experienced a failure and the date of that failure.
- (2) The place and post office address where claims may be filed.
- (3) The procedure for filing claims, as determined by rule.
- (4) That a claimant's claims shall be barred if not filed with the Department on or before the later of:

(A) the claim date, which shall be 90 days after the date of failure of the licensee; or

(B) 7 days from the date notice was mailed to a claimant if the date notice was mailed to that claimant is on or before the claim date.

(b) Time of notice.

(1) The first date of publication of the notice as provided for in subsection (a) of this Section shall be within 30 days after the date of failure.

(2) The published notice as provided for in subsection (a) of this Section shall be published in at least 3 newspapers of general circulation in the area formerly served by the failed licensee.

(3) The notice as provided for in subsection (a) of this Section shall be mailed by certified mail, return receipt requested, within 60 days after the date of failure to each claimant whose name and post office address are known by the Department within 60 days after the date of failure.

(c) Every claim filed must be in writing, and verified, and signed by a person who has the legal authority to file a claim on behalf of the claimant and must state information sufficient to notify the Department of the nature of the claim and the amount sought.

(d) A claim shall be barred and disallowed in its entirety if:

(1) notice is published and given to the claimant as provided for in subsections (a) and (b) of this Section and the claimant does not file a claim with the Department on or before the claim date; or

(2) the claimant's name or post office address is not known by the Department or cannot, within 60 days after the date of failure, be reasonably ascertained by the Department and the claimant does not file a claim with the Department on or before the later of the claim date or 7 days after the date notice was mailed to that claimant if the date notice was mailed to that claimant is on or before the claim date.

(e) Subsequent notice.

(1) If, more than 60 days after the date of failure but before the claim date, the Department learns of the name and post office address of a claimant who was previously not notified by the Department by mail, the Department shall mail by certified mail, return receipt requested, the notice to the claimant as provided for in subsection (a) of this Section.

(2) The notice mailed as provided for in item (e)(1) of this Section shall not extend the period of time in which a claimant may file its claim beyond the claim date. A claimant to whom notice is mailed under item (e)(1) of this Section, however, shall have the later of the claim date or 7 days after the date notice was mailed to file a claim with the Department.

(f) The Department shall determine the validity, category, and amount of each claim within 120 days after the date of failure of the licensee ~~and (g) The Department~~ shall give written notice within that time period to each claimant and to the failed licensee of the Department's determination as to the validity, category, and amount of each claim.

~~(g) (h)~~ A claimant or the failed licensee may request a hearing on the Department's determination within 30 days after receipt of the written notice and the hearing shall be held in the county of residence of the claimant and in accordance with rules. Under no circumstances shall payment to claimants who have not requested a hearing be delayed by reason of the request for a hearing by any unrelated claimant.

~~(h)~~ Within 30 days after a failure of a licensee, the Director shall appoint an Administrative Law Judge for the hearings. The Director shall appoint a person licensed to practice law in this State; who is believed to be knowledgeable with regard to agriculture and the grain industry in Illinois; who has no conflict of interest; and who at the time of his or her appointment is not working for or employed by the Department in any capacity whatsoever.

(i) For the purposes of this Article, the "reasonably ascertainable" standard shall be satisfied when the Department conducts a review of the failed licensee's books and records and an interview of office and clerical personnel of the failed licensee.

~~(j)~~ It is the intent of this Act that the time periods and deadlines in this Section 25-5 are absolute, and are not to be tolled, or their operation halted or delayed. In the event of a bankruptcy by a licensee, the Director shall seek to have commenced any proceedings that are necessary and appropriate to lift the automatic stay or make it otherwise inapplicable to the actions of the Department with regard to the claims determination process. In all other cases, the Department shall seek to have commenced the proceedings necessary to expeditiously remove or lift any order of any court or administrative agency that might attempt to delay the time periods and deadlines contained in this Section 25-5. (Source: P.A. 89-287, eff. 1-1-96.)

(240 ILCS 40/25-10)

Sec. 25-10. Claimant compensation. Within 30 days after the day on which a claim becomes a valid claim, a claimant shall be compensated to the extent of its valid claim as provided in this Section.

It is the express intent of this legislation that each undisputed portion of a claim shall be paid in accordance with the deadlines of this Code, even if there are disputed portions of the claim. For example, the amount of a valid claim calculated for an "unpriced obligation" shall be paid to the claimant despite the fact that claimant additionally seeks the amount for a "priced obligation".

Each claimant shall be compensated in accordance with the following provisions:

(a) Valid claims filed by warehouse claimants shall be paid 100% of the amount determined by the Department out of the net proceeds of the liquidation of grain assets as set forth in this subsection (a). To the extent the net proceeds are insufficient, warehouse claimants shall be paid their pro rata share of the net proceeds of the liquidation of grain assets and, subject to subsection (j) of this Section, an additional amount per claimant not to exceed the balance of their respective claims out of the Fund.

(b) Subject to subsection (j) of this Section, if the net proceeds as set forth in subsection (a) of this Section are insufficient to pay in full all valid claims filed by warehouse claimants as payment becomes due, the balance shall be paid out of the Fund in accordance with subsection (b) of Section 25-20.

(c) Valid claims filed by producers who:

(1) have delivered grain within 21 days before the date of failure, or the date of suspension if the suspension results in a failure, for which pricing of that grain has been completed before date of failure; or

(2) gave written notice to the Department within 21 days of the date of delivery of grain, if the pricing of that grain has been completed, that payment in full for that grain has not been made; shall be paid, subject to subsection (j) of this Section, 100% of the amount of the valid claim determined by the Department. Valid claims that are included in subsection (c) of this Section shall receive no payment under subsection (d) of this Section, and any claimant having a valid claim under this subsection (c) determined by the Department to be in excess of the limits, if any, imposed under subsection (j) of this Section shall be paid only sums in excess of those limits to the extent additional money is available under subsection (d)(2) of Section 25-20.

(d) Valid claims that are not included in subsection (c) of this Section that are filed by producers ~~where the later date of completion of who completed delivery or and pricing of the grain in reference to the valid claim, whichever is later,~~ within 160 days before the date of failure shall be paid 85% of the

amount of the valid claim determined by the Department or ~~\$250,000~~ ~~\$100,000~~, whichever is less, per claimant. In computing the 160-day period, the phrase "date of completion of delivery" means the date of the last delivery of grain to be applied to the quantity requirement of the contract, and the phrase "the later date" means the date closest to the date of failure. In addition, for claims filed by producers for grain sold on a contract, however, the later of the date of execution of the contract or the date of delivery of grain in reference to the grain covered by the price later contract must not be more than 365 270 days before the date of failure in order for the claimant to receive any compensation. In computing the 365-day period, the phrase "the later of the date" means the date closest to the date of failure, and the phrase "date of delivery" means the date of the last delivery of grain to be applied to the quantity requirement of the price later contract.

(e) Valid claims filed by producers for grain sold on a price later contract, for which the final price has not been established, shall be paid 85% of the amount of the valid claims determined by the Department or ~~\$250,000~~ ~~\$100,000~~, whichever is less, per claimant, if the later of the date of execution of the contract or the date of delivery of ~~grain in reference to~~ the grain covered by the price later contract occurred ~~not no~~ more than 365 270 days before the date of failure. In computing the 365-day period, the phrase "the later of the date" means the date closest to the date of failure, and the phrase "date of delivery" means the date of the last delivery of grain to be applied to the quantity requirement of the price later contract.

The execution of subsequent price later contracts by the producer and the licensee for grain previously covered by a price later contract shall not extend the coverage of a claim beyond the original 365 270 days.

(f) The maximum payment to producers under subsections (d) and (e) of this Section, combined, shall be ~~\$250,000~~ ~~\$100,000~~ per claimant.

(g) The following claims shall be barred and disallowed in their entirety and shall not be entitled to any recovery from the Fund or the Trust Account:

(1) Claims filed by producers ~~where both the date of completion of delivery and the date of pricing of the grain are who completed pricing of the grain in reference to their claim~~ in excess of 160 days before the date of failure.

(2) Claims filed by producers for grain sold on a price later contract if the later of the date of execution of the contract or the date of delivery of grain in reference to the grain covered by the price later contract occurred more than 365 270 days before the date of failure. In computing the 365-day period, the phrase "the later of the date" means the date closest to the date of failure, and the phrase "date of delivery" means the date of the last delivery of grain to be applied to the quantity requirement of the price later contract.

(3) Claims filed by any claimant that are based upon or acquired by fraudulent or illegal acts of the claimant.

(h) To the extent moneys are available, additional pro rata payments may be made to claimants under subsection (d) of Section 25-20.

(i) For purposes of this Section, a claim filed in connection with warehouse receipts that are possessed under a collateral pledge of a producer, or that are subject to a perfected security interest, or that were acquired by a secured party or lien holder under an obligation of a producer, shall be deemed to be a claim filed by the producer and not a claim filed by the secured party or the lien holder, regardless of whether the producer is in default under that collateral pledge, security agreement, or other obligation.

(j) ~~With respect to any failure occurring on or after July 1, 1998,~~ The maximum payment out of the Fund for claimants under subsection (a), (b) of this Section shall be \$1,000,000 per claimant and the maximum payment out of the Fund for claimants under subsections (c), (d), and (e) of this Section, combined, shall be \$1,000,000 per claimant.

(j) The amounts to be paid to warehouse valid claimants and grain dealer valid claimants shall be calculated according to the following:

(1) Valid claimants who have warehouse claims, or who have grain dealer claims for grain sold, delivered but unpriced as of the date of failure, shall have "unpriced obligations", and to determine the per bushel value of these valid claims the Department shall use an average of the cash bid prices on the date of failure from grain dealers located within the market area of the failed licensee, and the cash bid price offered by the failed licensee on the date of failure, less transportation, handling costs, and discounts applicable as of that date.

(2) Valid claimants who have grain dealer claims for grain sold, delivered, and priced as of the date of failure shall have "priced obligations", and the price per bushel to be used in calculating the compensation due these valid claimants shall be that which has been agreed upon by the failed

licensee and the claimant, less applicable discounts. For purposes of this item (2), a person has "priced" his or her grain if he or she has done those things necessary under the agreement to set, choose, or select a price for any portion of the grain under the agreement, without regard to whether he or she has received a check in payment for the grain, or could have received a check in payment for the grain, prior to the failure.

(k) Arrangements whereby a producer agrees with a licensee to defer receipt of payment of amounts due from the sale of grain are covered by this Code and are not to be considered loans by the producer to the licensee, despite payments to the producer as an inducement for the leaving of moneys with the licensee, unless the licensee has executed and delivered to the producer a promissory note covering those amounts. (Source: P.A. 91-213, eff. 7-20-99.)

(240 ILCS 40/25-20)

Sec. 25-20. Priorities and repayments. (a) All valid claims shall be paid from the Trust Account, as provided in Section 25-10, first from the proceeds realized from liquidation of and collection upon the grain assets relating to the failed licensee, as to warehouse claimants, and the equity assets as to a secured party or lien holder who has consented to the Department liquidating and collecting upon the equity asset as set forth in subsection (f) of Section 20-15, and the remaining equity assets, collateral, and guarantees relating to the failed licensee, as to grain dealer claimants.

(b) If the proceeds realized from liquidation of and collection upon the grain assets, equity assets, collateral, and guarantees relating to the failed licensee are insufficient to pay all valid claims as provided in Section 25-10 and subsection (a) of this Section as payment on those claims becomes due, the Director shall request from the Board sufficient funds to be transferred from the Fund to the Trust Account to pay the balance owed to claimants as determined under Section 25-10. If a request is made by the Director for a transfer of funds to the Trust Account from the Fund, the Board shall act on that request within 25 days after the date of that request. Once moneys are transferred from the Fund to the Trust Account, the Director shall pay the balance owed to claimants in accordance with Section 25-10.

(c) Net proceeds from liquidation of grain assets as set forth in subsection (a) of Section 25-10 received by the Department, to the extent not already paid to warehouse claimants, shall be prorated among the fund and all warehouse claimants who have not had their valid claims paid in full.

(1) The pro rata distribution to the Fund shall be based upon the total amount of valid claims of all warehouse claimants who have had their valid claims paid in full. The pro rata distribution to each warehouse claimant who has not had his or her valid claims paid in full shall be based upon the total amount of that claimant's original valid claims.

(2) If the net proceeds from the liquidation of grain assets as set forth in subsection (a) of Section 25-10 exceed all amounts needed to satisfy all valid claims filed by warehouse claimants, the balance remaining shall be paid into the Trust Account or as set forth in subsection (h).

(d) Subject to subsections (c) and (h):

(1) The proceeds realized from liquidation of and collection upon the grain assets, equity assets, collateral, and guarantees relating to the failed licensee or any other assets relating to the failed licensee that are received by the Department, to the extent not already paid to claimants, shall be first used to repay the Fund for moneys transferred to the Trust Account.

(2) After the Fund is repaid in full for the moneys transferred from it to pay the valid claims in reference to a failed licensee, any remaining proceeds realized from liquidation of and collection upon the grain assets, equity assets, collateral, and guarantees relating to the failed licensee thereafter received by the Department shall be prorated to the claimants holding valid claims who have not received 100% of the amount of their valid claims based upon the unpaid amount of their valid claims.

(e) After all claimants have received 100% of the amount of their valid claims, to the extent moneys are available interest at the rate of 6% per annum shall be assessed and paid to the Fund on all moneys transferred from the Fund to the Trust Account.

(f) After the Fund is paid the interest as provided in subsection (e) of this Section, then those claims barred and disallowed under subsection (g) of Section 25-10 shall be paid on a pro rata basis only to the extent that moneys are available.

(g) Once all claims become valid claims and have been paid in full and all interest as provided in subsection (e) of this Section is paid in full, and all claims are paid in full under subsection (f), any remaining grain assets, equity assets, collateral, and guarantees, and the proceeds realized from liquidation of and collection upon the grain assets, equity assets, collateral, and guarantees relating to the failed licensee, shall be returned to the failed licensee or its assignee, or as otherwise directed by a court of competent jurisdiction.

(h) If amounts in the Fund are insufficient to pay all valid claims, the Corporation shall transfer from

the Reserve Fund to the Fund amounts sufficient to satisfy the valid claims, and to the extent the amounts thus transferred are insufficient to pay all valid claims, the General Assembly shall appropriate to the Corporation amounts sufficient to satisfy the valid claims. If for any reason the General Assembly fails to make an appropriation to satisfy outstanding valid claims, this Code constitutes an irrevocable and continuing appropriation of all amounts necessary for that purpose and the irrevocable and continuing authority for and direction to the State Comptroller and to the State Treasurer to make the necessary transfers and disbursements from the revenues and funds of the State for that purpose. Subject to payments to warehouse claimants as set forth in subsection (c) of Section 25-20, the State shall be first reimbursed, and the Reserve Fund shall thereafter be reimbursed to the extent needed to restore the Reserve Fund to a level of \$2,000,000 of principal (not including income on the assets in the Reserve Fund) as soon as funds become available for any amounts paid under subsection (g) of this Section upon replenishment of the Fund from assessments under ~~subsections~~ subsection (d), (f), and (g) of Section 5-30 and collection upon grain assets, equity assets, collateral, and guarantees relating to the failed licensee.

(i) The Department shall have those rights of equitable subrogation which may result from a claimant receiving from the Fund payment in full of the obligations of the failed licensee to the claimant. (Source: P.A. 91-213, eff. 7-20-99.)

#### HOUSE BILL RECALLED

Senator Welch offered the following amendment and moved its adoption:

#### AMENDMENT NO. 1

AMENDMENT NO. 1. Amend House Bill 3553 by replacing everything after the enacting clause with the following:

"Section 5. The Environmental Protection Act is amended by changing Section 9.9 as follows:  
(415 ILCS 5/9.9)

Sec. 9.9. Nitrogen oxides trading system. (a) The General Assembly finds:

(1) That USEPA has issued a Final Rule published in the Federal Register on October 27, 1998, entitled "Finding of Significant Contribution and Rulemaking for Certain States in the Ozone Transport Assessment Group Region for Purposes of Reducing Regional Transport of Ozone", hereinafter referred to as the "NOx SIP Call", compliance with which will require reducing emissions of nitrogen oxides ("NOx");

(2) That reducing emissions of NOx in the State helps the State to meet the national ambient air quality standard for ozone;

(3) That emissions trading is a cost-effective means of obtaining reductions of NOx emissions.

(b) The Agency shall propose and the Board shall adopt regulations to implement an interstate NOx trading program (hereinafter referred to as the "NOx Trading Program") as provided for in 40 CFR Part 96, including incorporation by reference of appropriate provisions of 40 CFR Part 96 and regulations to address 40 CFR Section 96.4(b), Section 96.55(c), Subpart E, and Subpart I. In addition, the Agency shall propose and the Board shall adopt regulations to implement NOx emission reduction programs for cement kilns and stationary internal combustion engines.

(c) Allocations of NOx allowances to large electric generating units ("EGUs") and large non-electric generating units ("non-EGUs"), as defined by 40 CFR Part 96.4(a), shall not exceed the State's trading budget for those source categories to be included in the State Implementation Plan for NOx.

(d) In adopting regulations to implement the NOx Trading Program, the Board shall:

(1) assure that the economic impact and technical feasibility of NOx emissions reductions under

the NOx Trading Program are considered relative to the traditional regulatory control requirements in the State for EGUs and non-EGUs;

(2) provide that emission units, as defined in Section 39.5(1) of this Act, may opt into the NOx Trading Program;

(3) provide for voluntary reductions of NOx emissions from emission units, as defined in Section 39.5(1) of this Act, not otherwise included under paragraph (c) or (d)(2) of this Section to provide additional allowances to EGUs and non-EGUs to be allocated by the Agency. The regulations shall further provide that such voluntary reductions are verifiable, quantifiable, permanent, and federally enforceable;

(4) provide that the Agency allocate to non-EGUs allowances that are designated in the rule, unless the Agency has been directed to transfer the allocations to another unit subject to the requirements of the NOx Trading Program, and that upon shutdown of a non-EGU, the unit may transfer or sell the NOx allowances that are allocated to such unit; ~~and~~

(5) provide that the Agency shall set aside annually a number of allowances, not to exceed 5% of the total EGU trading budget, to be made available to new EGUs; ~~and -~~

~~(6) (A) provide that those EGUs that commence commercial operation, as defined in 40 CFR Section 96.2, at a time that is more than half way through the control period in 2003 shall return to the Agency any allowances that were issued to it by the Agency and were not used for compliance in 2004. (B) The Agency may charge EGUs that commence commercial operation, as defined in 40 CFR Section 96.2, on or after January 1, 2003, for the allowances it issues to them.~~

(d-5) The Agency may sell NOx allowances to sources in Illinois that are subject to 35 Ill. Adm. Code 217, either Subpart U or W, as follows:

(1) any unearned Early Reduction Credits set aside for non-EGUs under 35 Ill. Adm. Code 217, Subpart U, but only to those sources that make qualifying early reductions of NOx in 2003 pursuant to 35 Ill. Adm. Code 217 for which the source did not receive an allocation thereunder. If the Agency receives requests to purchase more ERCs than are available for sale, allowances shall be offered for sale to qualifying sources on a pro-rata basis;

(2) any remaining Early Reduction Credits allocated under 35 Ill. Adm. Code 217, Subpart U or W, that could not be allocated on a pro-rata, whole allowance basis, but only to those sources that made qualifying early reductions of NOx in 2003 pursuant to 35 Ill. Adm. Code 217 for which the source did not receive an allocation;

(3) any allowances under 35 Ill. Adm. Code 217, Subpart W, that remain after each 3-year allocation period that could not be allocated on a pro-rata, whole allowance basis pursuant to the provisions of Subpart W; and

(4) any allowances requested from the New Source Set Aside for those sources that commenced operation, as defined in 40 CFR Section 96.2, on or after January 1, 2004.

(d-10) The selling price for ERC allowances shall be 70% of the market price index for 2005 NOx allowances, determined by the Agency as follows:

(1) using the mean of 2 or more published market price indexes for the 2005 NOx allowances as of October 6, 2003; or

(2) if there are not 2 published market price indexes for 2005 NOx allowances as of October 6, 2003, the Agency may use any reasonable indication of market price.

(e) The Agency may adopt procedural rules, as necessary, to implement the regulations promulgated by the Board pursuant to subsections (b) and (d) and to implement subsections (d-5), (d-10), (i), and (j) ~~subsection (i)~~ of this Section.

(f) Notwithstanding any provisions in subparts T, U, and W of Section 217 of Title 35 of the Illinois Administrative Code to the contrary, compliance with the regulations promulgated by the Board pursuant to subsections (b) and (d) of this Section is required by May 31, 2004.

(g) To the extent that a court of competent jurisdiction finds a provision of 40 CFR Part 96 invalid, the corresponding Illinois provision shall be stayed until such provision of 40 CFR Part 96 is found to be valid or is re-promulgated. To the extent that USEPA or any court of competent jurisdiction stays the applicability of any provision of the NOx SIP Call to any person or circumstance relating to Illinois, during the period of that stay, the effectiveness of the corresponding Illinois provision shall be stayed. To the extent that the invalidity of the particular requirement or application does not affect other provisions or applications of the NOx SIP Call pursuant to 40 CFR 51.121 or the NOx trading program pursuant to 40 CFR Part 96 or 40 CFR Part 97, this Section, and rules or regulations promulgated hereunder, will be given effect without the invalid provisions or applications.

(h) Notwithstanding any other provision of this Act, any source or other authorized person that participates in the NOx Trading Program shall be eligible to exchange NOx allowances with other

sources in accordance with this Section and with regulations promulgated by the Board or the Agency.

(i) There is hereby created within the State Treasury an interest-bearing special fund to be known as the NOx Trading System Fund. Moneys generated from the sale of NOx allowances from the New Source Set Aside or the sale of allowances pursuant to subsection (d-5) of this Section shall be deposited into the Fund. This Fund, ~~which~~ shall be used and administered by the Agency for the purposes stated below:

(1) To accept funds from persons who purchase NOx allowances from the New Source Set Aside from the Agency;

(2) To disburse the proceeds of the sale of the NOx allowances from the New Source Set Aside, to the extent that proceeds remain after the Agency has recouped the reasonable costs incurred by the Agency in the administration of the NOx SIP Call Program, sales pro-rata to the owners or operators of the EGUs that received allowances from the Agency but not from the Agency's New Source Set Aside set aside, in accordance with regulations that may be promulgated by the Agency; and

(3) To finance the reasonable costs incurred by the Agency in the administration of the NOx SIP Call Program Trading System.

(j) Moneys generated from the sale of early reduction credits shall be deposited into the Clean Air Act Permit Fund created pursuant to Section 39.5(18)(d) of this Act, and the proceeds shall be used and administered by the Agency to finance the costs associated with the Clean Air Act Permit Program.

WHEREAS, The United States of America was founded upon the dreams and traditions and with the energy and labor of immigrants who came from many different nations searching for a better life; and

WHEREAS, For more than 300 years, various ethnic, cultural, and social groups have come to our shores to reunite with their loved ones, to seek economic opportunity, and to find a haven from religious and political persecution, bringing their hopes, their dreams, and, in turn, contributing, enriching, and energizing the United States of America; and

The Director is authorized to rent portions of the above described facilities to persons, firms, partnerships, associations, or individuals for terms not to exceed 30 days when those leases or subleases will not interfere with State usage of the facility. This authority is meant to supplement and shall not in any way be interpreted to restrict the Director's ability to make portions of the State of Illinois Building and the James R. Thompson Center available for long-term commercial leases or subleases.

Provided however, that all rentals or fees charged to persons, firms, partnerships, associations, or individuals for any lease or use of space in the above described facilities made for terms not to exceed 30 days in length shall be deposited in a special fund in the State treasury to be known as the Special Events Revolving Fund.

Notwithstanding the provisions above, the Department of Children and Family Services and the Department of Human Services (as successor to the Department of Rehabilitation Services and the Department of Mental Health and Developmental Disabilities) shall determine the allocation of space for direct recipient care in their respective facilities. The Department of Central Management Services shall consult with the affected agency in the allocation and lease of surplus space in these facilities. Potential lease arrangements shall not endanger the direct recipient care responsibilities in these facilities.

(b) To appoint, subject to the Personnel Code, persons to be members of a police and security force. Members of the security force shall be peace officers when performing duties pursuant to this Section and as such shall have all of the powers possessed by policemen in cities and sheriffs, including the power to make arrests on view or issue citations for violations of State statutes or city or county ordinances, except that in counties of more than 1,000,000 population, any powers created by this subsection shall be exercised only (i) when necessary to protect the property, personnel, or interests of the Department or any State agency for whom the Department manages, operates, or maintains property or (ii) when specifically requested by appropriate State or local law enforcement officials, and except that within counties of 1,000,000 or less population, these powers shall be exercised only when necessary to protect the property, personnel, or interests of the State of Illinois and only while on property managed, operated, or maintained by the Department.

Nothing in this subsection shall be construed so as to make it conflict with any provisions of, or rules promulgated under, the Personnel Code.

(c) To charge reasonable fees to all State agencies utilizing facilities operated by the Department for occupancy related fees and charges. All fees collected under this subsection shall be deposited in a special fund in the State treasury known as the Facilities Management Revolving Fund. As used in this subsection, the term "State agencies" means all departments, officers, commissions, institutions, boards, and bodies politic and corporate of the State.

(d) Provisions of this Section relating to the James R. Thompson Center are subject to the provisions of Section 7.4 of the State Property Control Act. (Source: P.A. 91-239, eff. 1-1-00; 92-302, eff. 8-9-01.)

(d) The Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(g) In addition, each annual report required to be submitted by the Department of Public Aid under subsection (e) shall include the following information with respect to the State's Medicaid program:

(3) The results of the Department's efforts to combat fraud and abuse.

(h) As provided in Section 4 of the General Assembly Compensation Act, any utility bill for service provided to a General Assembly member's district office for a period including portions of 2 consecutive fiscal years may be paid from funds appropriated for such expenditure in either fiscal year.

(i) An agency which administers a fund classified by the Comptroller as an internal service fund may issue rules for:

(1) billing user agencies in advance based on estimated charges for goods or services;

(2) issuing credits during the subsequent fiscal year for all user agency payments received during the prior fiscal year which were in excess of the final amounts owed by the user agency for that period; and

(3) issuing catch-up billings to user agencies during the subsequent fiscal year for amounts remaining due when payments received from the user agency during the prior fiscal year were less than the total amount owed for that period.

User agencies are authorized to reimburse internal service funds for catch-up billings by vouchers drawn against their respective appropriations for the fiscal year in which the catch-up billing was issued. (Source: P.A. 92-885, eff. 1-13-03.)

for each group of 2 or more counties which jointly elect a Superintendent of a Multi-County Educational Service Region; and a judicial subcircuit committee in a judicial circuit divided into subcircuits Cook County for each judicial subcircuit in that circuit Cook County. (Source: P.A. 87-1052.)

(10 ILCS 5/7-8) (from Ch. 46, par. 7-8)

Sec. 7-8. The State central committee shall be composed of one or two members from each congressional district in the State and shall be elected as follows:

State Central Committee

(a) Within 30 days after the effective date of this amendatory Act of 1983 the State central committee of each political party shall certify to the State Board of Elections which of the following alternatives it wishes to apply to the State central committee of that party.

Alternative A. At the primary held on the third Tuesday in March 1970, and at the primary held every 4 years thereafter, each primary elector may vote for one candidate of his party for member of the State central committee for the congressional district in which he resides. The candidate receiving the highest number of votes shall be declared elected State central committeeman from the district. A political party may, in lieu of the foregoing, by a majority vote of delegates at any State convention of such party, determine to thereafter elect the State central committeemen in the manner following:

At the county convention held by such political party State central committeemen shall be elected in the same manner as provided in this Article for the election of officers of the county central committee, and such election shall follow the election of officers of the county central committee. Each elected ward, township or precinct committeeman shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party. In the case of a county lying partially within one congressional district and partially within another congressional district, each ward, township or precinct committeeman shall vote only with respect to the congressional district in which his ward, township, part of a township or precinct is located. In the case of a congressional district which encompasses more than one county, each ward, township or precinct committeeman residing within the congressional district shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party for one candidate of his party for member of the State central committee for the congressional district in which he resides and the Chairman of the county central committee shall report the results of the election to the State Board of Elections. The State Board of Elections shall certify the candidate receiving the highest number of votes elected State central committeeman for that congressional district.

The State central committee shall adopt rules to provide for and govern the procedures to be followed in the election of members of the State central committee.

After the effective date of this amendatory Act of the 91st General Assembly, whenever a vacancy occurs in the office of Chairman of a State central committee, or at the end of the term of office of Chairman, the State central committee of each political party that has selected Alternative A shall elect a Chairman who shall not be required to be a member of the State Central Committee. The Chairman shall be a registered voter in this State and of the same political party as the State central committee.

Alternative B. Each congressional committee shall, within 30 days after the adoption of this alternative, appoint a person of the sex opposite that of the incumbent member for that congressional district to serve as an additional member of the State central committee until his or her successor is elected at the general primary election in 1986. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section. In each congressional district at the general primary election held in 1986 and every 4 years thereafter, the male candidate receiving the highest number of votes of the party's male candidates for State central committeeman, and the female candidate receiving the highest number of votes of the party's female candidates for State central committeewoman, shall be declared elected State central committeeman and State central committeewoman from the district. At the general primary election held in 1986 and every 4 years thereafter, if all a party's candidates for State central committeemen or State central committeewomen from a congressional district are of the same sex, the candidate receiving the highest number of votes shall be declared elected a State central committeeman or State central committeewoman from the district, and, because of a failure to elect one male and one female to the committee, a vacancy shall be declared to exist in the office of the second member of the State central committee from the district. This vacancy shall be filled by appointment by the congressional committee of the political party, and the person appointed to fill the vacancy shall be a resident of the congressional district and of the sex opposite that of the committeeman or committeewoman elected at the general primary election. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section.

The Chairman of a State central committee composed as provided in this Alternative B must be selected from the committee's members.

Except as provided for in Alternative A with respect to the selection of the Chairman of the State central committee, under both of the foregoing alternatives, the State central committee of each political party shall be composed of members elected or appointed from the several congressional districts of the State, and of no other person or persons whomsoever. The members of the State central committee shall, within 30 days after each quadrennial election of the full committee, meet in the city of Springfield and organize by electing a chairman, and may at such time elect such officers from among their own number (or otherwise), as they may deem necessary or expedient. The outgoing chairman of the State central committee of the party shall, 10 days before the meeting, notify each member of the State central committee elected at the primary of the time and place of such meeting. In the organization and proceedings of the State central committee, each State central committeeman and State central committeewoman shall have one vote for each ballot voted in his or her congressional district by the primary electors of his or her party at the primary election immediately preceding the meeting of the State central committee. Whenever a vacancy occurs in the State central committee of any political party, the vacancy shall be filled by appointment of the chairmen of the county central committees of the political party of the counties located within the congressional district in which the vacancy occurs and, if applicable, the ward and township committeemen of the political party in counties of 2,000,000 or more inhabitants located within the congressional district. If the congressional district in which the vacancy occurs lies wholly within a county of 2,000,000 or more inhabitants, the ward and township committeemen of the political party in that congressional district shall vote to fill the vacancy. In voting to fill the vacancy, each chairman of a county central committee and each ward and township committeeman in counties of 2,000,000 or more inhabitants shall have one vote for each ballot voted in each precinct of the congressional district in which the vacancy exists of his or her county, township, or ward cast by the primary electors of his or her party at the primary election immediately preceding the meeting to fill the vacancy in the State central committee. The person appointed to fill the vacancy shall be a resident of the congressional district in which the vacancy occurs, shall be a qualified voter, and, in a committee composed as provided in Alternative B, shall be of the same sex as his or her predecessor. A political party may, by a majority vote of the delegates of any State convention of such party, determine to return to the election of State central committeeman and State central committeewoman by the vote of primary electors. Any action taken by a political party at a State convention in accordance with this Section shall be reported to the State Board of Elections by the chairman and secretary of such convention within 10 days after such action.

A State central committeeman in each district shall be a member and the chairman or, when a district has 2 State central committeemen, a co-chairman of the congressional committee, but shall not have the right to vote except in case of a tie.

In the organization and proceedings of congressional committees composed of precinct committeemen or township committeemen or ward committeemen, or any combination thereof, each precinct committeeman shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected, each township committeeman shall have one vote for each ballot voted in his township or part of a township as the case may be by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee, and each ward committeeman shall have one vote for each ballot voted in each precinct of his ward located in such congressional district by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee; and in the organization and proceedings of congressional committees composed of the chairmen of the county central committees of the counties within such district, each chairman of such county central committee shall have one vote for each ballot voted in his county by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee.

#### Circuit Court Committee

(g) The circuit court committee of each political party in each judicial circuit outside Cook County shall be composed of the chairmen of the county central committees of the counties composing the judicial circuit.

The several committees herein provided for shall not have power to delegate any of their powers, or functions to any other person, officer or committee, but this shall not be construed to prevent a committee from appointing from its own membership proper and necessary subcommittees.

Sec. 2f-1. 19th and 22nd judicial circuits.

(a) On December 4, 2006, the 19th judicial circuit is divided into the 19th and 22nd judicial circuits as provided in Section 1 of the Circuit Courts Act. This division does not invalidate any action taken by the 19th judicial circuit or any of its judges, officers, employees, or agents before December 4, 2006. This division does not affect any person's rights, obligations, or duties, including applicable civil and criminal penalties, arising out of any action taken by the 19th judicial circuit or any of its judges, officers, employees, or agents before December 4, 2006.

(b) Of the 7 circuit judgeships elected at large in the 19th circuit before the general election in 2006, the Supreme Court shall assign 5 to the 19th circuit and 2 to the 22nd circuit, based on residency of the circuit judges then holding those judgeships. The 5 assigned to the 19th circuit shall continue to be elected at large. The 2 assigned to the 22nd circuit shall continue to be elected at large.

(c) The 6 resident judgeships elected from Lake County before the general election in 2006 shall become resident judgeships in the 19th circuit on December 4, 2006, and the 3 resident judgeships elected from McHenry County before the general election in 2006 shall become resident judgeships in the 22nd circuit on December 4, 2006.

(705 ILCS 35/2f-2 new)

Sec. 2f-2. 19th judicial circuit; subcircuits.

(a) The 19th circuit shall be divided into 6 subcircuits. The subcircuits shall be compact, contiguous, and substantially equal in population. The General Assembly by law shall create the subcircuits on or before February 1, 2004, using population data as determined by the 2000 federal census, and shall

determine a numerical order for the 6 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

(b) The 19th circuit shall have a total of 6 resident judgeships.

(c) The Supreme Court shall allot (i) all vacancies in resident judgeships existing on or occurring on or after the effective date of this amendatory Act of the 93rd General Assembly and not filled at the 2004 general election, with respect to the resident judgeships of the 19th circuit, and (ii) the resident judgeships of the 19th circuit filled at the 2004 general election as those judgeships thereafter become vacant, for election from the various subcircuits until there is one resident judge to be elected from each subcircuit. The General Assembly by law shall create the subcircuits on or before February 1, 2004, using population data as determined by the 2000 federal census, and shall determine by lot a numerical order for the 5 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

As soon as possible after the subcircuits are created by law, the Supreme Court shall fill by appointment the additional resident judgeship created by this amendatory Act of the 93rd General Assembly until the 2006 general election.

(c) The Supreme Court shall allot (i) the additional resident judgeship created by this amendatory Act of the 93rd General Assembly, (ii) all vacancies in resident judgeships existing on or occurring on or after the effective date of this amendatory Act of the 93rd General Assembly and not filled at the 2004 general election, with respect to the other resident judgeships of the 12th circuit, (iii) the resident judgeships of the 12th circuit filled at the 2004 general election as those judgeships thereafter become vacant, and (iv) 2 associate judgeships of the 12th circuit as they are converted to resident judgeships as provided in subsection (a-5), for election from the various subcircuits until there is one resident judge to be elected from each subcircuit. No resident judge of the 12th circuit serving on the effective date of this amendatory Act of the 93rd General Assembly shall be required to change his or her residency in order to continue serving in office or to seek retention in office as resident judgeships are allotted by the Supreme Court in accordance with this Section.

(d) A resident judge of a subcircuit must reside in the subcircuit and must continue to reside in that subcircuit as long as he or she holds that office.

(e) Vacancies in resident judgeships of the 12th circuit shall be filled in the manner provided in Article VI of the Illinois Constitution.

(705 ILCS 35/2f-5 new)

The General Assembly by law shall create the subcircuits on or before February 1, 2004, using population data as determined by the 2000 federal census, and shall determine by lot a numerical order for the 3 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

(b) The 22nd circuit shall have a total of 3 resident judgeships.

(c) The Supreme Court shall allot (i) all vacancies in resident judgeships existing on or occurring on

or after the effective date of this amendatory Act of the 93rd General Assembly and not filled at the 2004 general election, with respect to the resident judgeships of the 22nd circuit, and (ii) the resident judgeships of the 22nd circuit filled at the 2004 general election as those judgeships thereafter become vacant, for election from the various subcircuits until there is one resident judge to be elected from each subcircuit. No resident judge of the 22nd circuit serving on the effective date of this amendatory Act of the 93rd General Assembly shall be required to change his or her residency in order to continue serving in office or to seek retention in office as resident judgeships are allotted by the Supreme Court in accordance with this Section.

(d) A resident judge of a subcircuit must reside in the subcircuit and must continue to reside in that subcircuit as long as he or she holds that office.

(e) Vacancies in resident judgeships of the 22nd circuit shall be filled in the manner provided in Article VI of the Illinois Constitution.

(Source: P.A. 87-1052.)

(10 ILCS 5/7-8) (from Ch. 46, par. 7-8)

Sec. 7-8. The State central committee shall be composed of one or two members from each congressional district in the State and shall be elected as follows:

State Central Committee

(a) Within 30 days after the effective date of this amendatory Act of 1983 the State central committee of each political party shall certify to the State Board of Elections which of the following alternatives it wishes to apply to the State central committee of that party.

Alternative A. At the primary held on the third Tuesday in March 1970, and at the primary held every 4 years thereafter, each primary elector may vote for one candidate of his party for member of the State central committee for the congressional district in which he resides. The candidate receiving the highest number of votes shall be declared elected State central committeeman from the district. A political party may, in lieu of the foregoing, by a majority vote of delegates at any State convention of such party, determine to thereafter elect the State central committeemen in the manner following:

At the county convention held by such political party State central committeemen shall be elected in the same manner as provided in this Article for the election of officers of the county central committee, and such election shall follow the election of officers of the county central committee. Each elected ward, township or precinct committeeman shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party. In the case of a county lying partially within one congressional district and partially within another congressional district, each ward, township or precinct committeeman shall vote only with respect to the congressional district in which his ward, township, part of a township or precinct is located. In the case of a congressional district which encompasses more than one county, each ward, township or precinct committeeman residing within the congressional district shall cast as his vote one vote for each ballot voted in his ward, township, part of a township or precinct in the last preceding primary election of his political party for one candidate of his party for member of the State central committee for the congressional district in which he resides and the Chairman of the county central committee shall report the results of the election to the State Board of Elections. The State Board of Elections shall certify the candidate receiving the highest number of votes elected State central committeeman for that congressional district.

The State central committee shall adopt rules to provide for and govern the procedures to be followed in the election of members of the State central committee.

After the effective date of this amendatory Act of the 91st General Assembly, whenever a vacancy occurs in the office of Chairman of a State central committee, or at the end of the term of office of Chairman, the State central committee of each political party that has selected Alternative A shall elect a Chairman who shall not be required to be a member of the State Central Committee. The Chairman shall be a registered voter in this State and of the same political party as the State central committee.

Alternative B. Each congressional committee shall, within 30 days after the adoption of this alternative, appoint a person of the sex opposite that of the incumbent member for that congressional district to serve as an additional member of the State central committee until his or her successor is elected at the general primary election in 1986. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section. In each congressional district at the general primary election held in 1986 and every 4 years thereafter, the male candidate receiving the highest number of votes of the party's male candidates for State central committeeman, and

the female candidate receiving the highest number of votes of the party's female candidates for State central committeewoman, shall be declared elected State central committeeman and State central committeewoman from the district. At the general primary election held in 1986 and every 4 years thereafter, if all a party's candidates for State central committeemen or State central committeewomen from a congressional district are of the same sex, the candidate receiving the highest number of votes shall be declared elected a State central committeeman or State central committeewoman from the district, and, because of a failure to elect one male and one female to the committee, a vacancy shall be declared to exist in the office of the second member of the State central committee from the district. This vacancy shall be filled by appointment by the congressional committee of the political party, and the person appointed to fill the vacancy shall be a resident of the congressional district and of the sex opposite that of the committeeman or committeewoman elected at the general primary election. Each congressional committee shall make this appointment by voting on the basis set forth in paragraph (e) of this Section.

The Chairman of a State central committee composed as provided in this Alternative B must be selected from the committee's members.

Except as provided for in Alternative A with respect to the selection of the Chairman of the State central committee, under both of the foregoing alternatives, the State central committee of each political party shall be composed of members elected or appointed from the several congressional districts of the State, and of no other person or persons whomsoever. The members of the State central committee shall, within 30 days after each quadrennial election of the full committee, meet in the city of Springfield and organize by electing a chairman, and may at such time elect such officers from among their own number (or otherwise), as they may deem necessary or expedient. The outgoing chairman of the State central committee of the party shall, 10 days before the meeting, notify each member of the State central committee elected at the primary of the time and place of such meeting. In the organization and proceedings of the State central committee, each State central committeeman and State central committeewoman shall have one vote for each ballot voted in his or her congressional district by the primary electors of his or her party at the primary election immediately preceding the meeting of the State central committee. Whenever a vacancy occurs in the State central committee of any political party, the vacancy shall be filled by appointment of the chairmen of the county central committees of the political party of the counties located within the congressional district in which the vacancy occurs and, if applicable, the ward and township committeemen of the political party in counties of 2,000,000 or more inhabitants located within the congressional district. If the congressional district in which the vacancy occurs lies wholly within a county of 2,000,000 or more inhabitants, the ward and township committeemen of the political party in that congressional district shall vote to fill the vacancy. In voting to fill the vacancy, each chairman of a county central committee and each ward and township committeeman in counties of 2,000,000 or more inhabitants shall have one vote for each ballot voted in each precinct of the congressional district in which the vacancy exists of his or her county, township, or ward cast by the primary electors of his or her party at the primary election immediately preceding the meeting to fill the vacancy in the State central committee. The person appointed to fill the vacancy shall be a resident of the congressional district in which the vacancy occurs, shall be a qualified voter, and, in a committee composed as provided in Alternative B, shall be of the same sex as his or her predecessor. A political party may, by a majority vote of the delegates of any State convention of such party, determine to return to the election of State central committeeman and State central committeewoman by the vote of primary electors. Any action taken by a political party at a State convention in accordance with this Section shall be reported to the State Board of Elections by the chairman and secretary of such convention within 10 days after such action.

A State central committeeman in each district shall be a member and the chairman or, when a district has 2 State central committeemen, a co-chairman of the congressional committee, but shall not have the right to vote except in case of a tie.

In the organization and proceedings of congressional committees composed of precinct committeemen or township committeemen or ward committeemen, or any combination thereof, each precinct committeeman shall have one vote for each ballot voted in his precinct by the primary electors of his party at the primary at which he was elected, each township committeeman shall have one vote for each ballot voted in his township or part of a township as the case may be by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee, and each ward committeeman shall have one vote for each ballot voted in each precinct of his ward located in such congressional district by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee; and in the organization and proceedings of congressional committees composed of the chairmen of the county central committees of the counties within such district, each chairman of such county central committee shall have one vote for each ballot voted in his county by the primary electors of his party at the primary election immediately preceding the meeting of the congressional committee.

(a) On December 4, 2006, the 19th judicial circuit is divided into the 19th and 22nd judicial circuits as provided in Section 1 of the Circuit Courts Act. This division does not invalidate any action taken by the 19th judicial circuit or any of its judges, officers, employees, or agents before December 4, 2006. This division does not affect any person's rights, obligations, or duties, including applicable civil and criminal penalties, arising out of any action taken by the 19th judicial circuit or any of its judges, officers, employees, or agents before December 4, 2006.

(b) Of the 7 circuit judgeships elected at large in the 19th circuit before the general election in 2006, the Supreme Court shall assign 5 to the 19th circuit and 2 to the 22nd circuit, based on residency of the circuit judges then holding those judgeships. The 5 assigned to the 19th circuit shall continue to be elected at large. The 2 assigned to the 22nd circuit shall continue to be elected at large.

(c) The 6 resident judgeships elected from Lake County before the general election in 2006 shall become resident judgeships in the 19th circuit on December 4, 2006, and the 3 resident judgeships elected from McHenry County before the general election in 2006 shall become resident judgeships in the 22nd circuit on December 4, 2006.

The rights of employees under applicable collective bargaining agreements are not affected by this amendatory Act of the 93rd General Assembly.

(f) The judgeships set forth in this Section include the judgeships authorized under Sections 2g, 2h, and 2j. The judgeships authorized in those Sections are not in addition to those set forth in this Section.

The General Assembly by law shall create the subcircuits on or before February 1, 2004, using population data as determined by the 2000 federal census, and shall determine a numerical order for the 6 subcircuits. That numerical order shall be the basis for the order in which resident judgeships are assigned to the subcircuits. Once a resident judgeship is assigned to a subcircuit, it shall continue to be assigned to that subcircuit for all purposes.

(b) The 19th circuit shall have a total of 6 resident judgeships.

(2) Acquire and hold personal property to be used for the purpose of remedial action.

(3) Purchase, construct, improve, furnish, equip, lease, option, sell, exchange, or otherwise dispose of one or more improvements under the terms it determines. The Council may define "improvements" by rule for purposes of this Act.

(4) Grant a lien, pledge, assignment, or other encumbrance on one or more revenues, assets of right, accounts, or funds established or received in connection with the Fund, including revenues

derived from fees or taxes collected under this Act.

(5) Contract for the acquisition or construction of one or more improvements or parts of one or more improvements or for the leasing, subleasing, sale, or other disposition of one or more improvements in a manner the Council determines.

(6) Cooperate with the Agency in the implementation and administration of this Act to minimize unnecessary duplication of effort, reporting, or paperwork and to maximize environmental protection within the funding limits of this Act.

(7) Except as otherwise provided by law, inspect any document in the possession of an owner, operator, service provider, or any other person if the document is relevant to a claim for reimbursement under this Section or may inspect a drycleaning facility for which a claim for benefits under this Act has been submitted.

(b) The Council shall pre-approve, and the contracting parties shall seek pre-approval for, a contract entered into under this Act if the cost of the contract exceeds \$75,000. The Council or its designee shall review and approve or disapprove all contracts entered into under this Act. However, review by the Council or its designee shall not be required when an emergency situation exists. All contracts entered into by the Council shall be awarded on a competitive basis to the maximum extent practical. In those situations where it is determined that bidding is not practical, the basis for the determination of impracticability shall be documented by the Council or its designee.

(c) The Council may prioritize the expenditure of funds from the remedial action account whenever it determines that there are not sufficient funds to settle all current claims. In prioritizing, the Council may consider the following:

- (1) the degree to which human health is affected by the exposure posed by the release;
- (2) the reduction of risk to human health derived from remedial action compared to the cost of the remedial action;
- (3) the present and planned uses of the impacted property; and
- (4) other factors as determined by the Council.

(d) The Council shall adopt rules allowing the direct payment from the Fund to a contractor who performs remediation. The rules concerning the direct payment shall include a provision that any applicable deductible must be paid by the drycleaning facility prior to any direct payment from the Fund.

(e) The Council may purchase reinsurance coverage to reduce the Fund's potential liability for reimbursement of remedial action costs. (Source: P.A. 90-502, eff. 8-19-97.)

(415 ILCS 135/30)

Sec. 30. Independent contractors retained by Council. (a) A contract entered into to retain a person to act as the administrator of the Fund shall be subject to public bid, provided that no such contract shall be entered into without the review and approval of the Director of the Agency. The Council may enter into a contract or an agreement authorized under this Act with a person, the Agency, the Department of Revenue, other departments, agencies, or governmental subdivisions of this State, another state, or the United States, in connection with its administration and implementation of this Act.

(b) The Council may reimburse a public or private contractor retained pursuant to this Section for expenses incurred in the execution of a contract or agreement. Reimbursable expenses include the costs of performing duties or powers specifically delegated by the Council. (Source: P.A. 90-502, eff. 8-19-97.)

(415 ILCS 135/40)

Sec. 40. Remedial action account. (a) The remedial action account is established to provide reimbursement to eligible claimants for drycleaning solvent investigation, remedial action planning, and remedial action activities for existing drycleaning solvent contamination discovered at their drycleaning facilities.

(b) The following persons are eligible for reimbursement from the remedial action account:

(1) In the case of claimant who is the owner or operator of an active drycleaning facility licensed by the Council under this Act at the time of application for remedial action benefits afforded under the Fund, the claimant is only eligible for reimbursement of remedial action costs incurred in connection with a release from that drycleaning facility, subject to any other limitations under this Act.

(2) In the case of a claimant who is the owner of an inactive drycleaning facility and was the owner or operator of the drycleaning facility when it was an active drycleaning facility, the claimant is only eligible for reimbursement of remedial action costs incurred in connection with a release from the drycleaning facility, subject to any other limitations under this Act.

(c) An eligible claimant requesting reimbursement from the remedial action account shall meet all of the following:

(1) The claimant demonstrates that the source of the release is from the claimant's drycleaning facility.

(2) At the time the release was discovered by the claimant, the claimant and the drycleaning facility were in compliance with the Agency reporting and technical operating requirements.

(3) The claimant reported the release in a timely manner to the Agency in accordance with State law.

(4) The claimant applying for reimbursement has not filed for bankruptcy on or after the date of his or her discovery of the release.

(5) If the claimant is the owner or operator of an active drycleaning facility, the claimant has provided to the Council proof of implementation and maintenance of the following pollution prevention measures:

(A) That all drycleaning solvent wastes generated at a drycleaning facility be managed in accordance with applicable State waste management laws and rules.

(B) A prohibition on the discharge of wastewater from drycleaning machines or of drycleaning solvent from drycleaning operations to a sanitary sewer or septic tank or to the surface or in groundwater.

(C) That every drycleaning facility:

(I) install a containment dike or other containment structure around each machine, ~~or~~ item of equipment, ~~or the entire~~ drycleaning area, and portable waste container in which any drycleaning solvent is utilized, which shall be capable of containing leaks, spills, or releases any leak, spill, or release of drycleaning solvent from that machine, item, ~~or~~ area, or container. The containment dike or other containment structure shall be capable of at least the following: (i) containing a capacity of 110% of the drycleaning solvent in the largest tank or vessel within the machine; (ii) containing 100% of the drycleaning solvent of each item of equipment or drycleaning area; and (iii) containing 100% of the drycleaning solvent of the largest portable waste container or at least 10% of the total volume of the portable waste containers stored within the containment dike or structure, whichever is greater.

Petroleum underground storage tank systems that are upgraded in accordance with USEPA upgrade standards pursuant to 40 CFR Part 280 for the tanks and related piping systems and use a leak detection system approved by the USEPA or IEPA are exempt from this secondary containment requirement; and

(II) seal or otherwise render impervious those portions of diked floor surfaces on which a drycleaning solvent may leak, spill, or otherwise be released.

(D) A requirement that all drycleaning solvent shall be delivered to drycleaning facilities by means of closed, direct-coupled delivery systems.

(6) An active drycleaning facility has maintained continuous financial assurance for environmental liability coverage in the amount of at least \$500,000 at least since the date of award of benefits under this Section or July 1, 2000, whichever is earlier. An uninsured drycleaning facility that has filed an application for insurance with the Fund by January 1, 2004, obtained insurance through that application, and maintained that insurance coverage continuously shall be considered to have conformed with the requirements of this subdivision (6). To conform with this requirement the applicant must pay the equivalent of the total premiums due for the period beginning June 30, 2000 through the date of application plus a 20% penalty of the total premiums due for that period.

(7) The release was discovered on or after July 1, 1997 and before July 1, ~~2006~~ 2004.

(d) A claimant shall submit a completed application form provided by the Council. The application shall contain documentation of activities, plans, and expenditures associated with the eligible costs incurred in response to a release of drycleaning solvent from a drycleaning facility. Application for remedial action account benefits must be submitted to the Council on or before June 30, ~~2005~~ 2004.

(e) Claimants shall be subject to the following deductible requirements, unless modified pursuant to the Council's authority under Section 75:

(1) An eligible claimant submitting a claim for an active drycleaning facility is responsible for the first \$5,000 of eligible investigation costs and for the first \$10,000 of eligible remedial action costs incurred in connection with the release from the drycleaning facility and is only eligible for reimbursement for costs that exceed those amounts, subject to any other limitations of this Act.

(2) An eligible claimant submitting a claim for an inactive drycleaning facility is responsible for the first \$10,000 of eligible investigation costs and for the first \$10,000 of eligible remedial action costs incurred in connection with the release from that drycleaning facility, and is only eligible for reimbursement for costs that exceed those amounts, subject to any other limitations of this Act.

(f) Claimants are subject to the following limitations on reimbursement:

(1) Subsequent to meeting the deductible requirements of subsection (e), and pursuant to the requirements of Section 75, reimbursement shall not exceed \$300,000 per active drycleaning facility and \$50,000 per inactive drycleaning facility.

~~(A) \$160,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 1999;~~

~~(B) \$150,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 2000;~~

~~(C) \$140,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 2001;~~

~~(D) \$130,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 2002;~~

~~(E) \$120,000 per active drycleaning facility for which an eligible claim is submitted during the program year beginning July 1, 2003; or~~

~~(F) \$50,000 per inactive drycleaning facility.~~

(2) A contract in which one of the parties to the contract is a claimant, for goods or services that may be payable or reimbursable from the Council, is void and unenforceable unless and until the Council has found that the contract terms are within the range of usual and customary rates for similar or equivalent goods or services within this State and has found that the goods or services are necessary for the claimant to comply with Council standards or other applicable regulatory standards.

(3) A claimant may appoint the Council as an agent for the purposes of negotiating contracts with suppliers of goods or services reimbursable by the Fund. The Council may select another contractor for goods or services other than the one offered by the claimant if the scope of the proposed work or actual work of the claimant's offered contractor does not reflect the quality of workmanship required or if the costs are determined to be excessive, as determined by the Council.

(4) The Council may require a claimant to obtain and submit 3 bids and may require specific terms and conditions in a contract subject to approval.

(5) The Council may enter into a contract or an exclusive contract with the supplier of goods or services required by a claimant or class of claimants, in connection with an expense reimbursable from the Fund, for a specified good or service at a gross maximum price or fixed rate, and may limit reimbursement accordingly.

(6) Unless emergency conditions exist, a service provider shall obtain the Council's approval of the budget for the remediation work before commencing the work. No expense incurred that is above the budgeted amount shall be paid unless the Council approves the expense prior to its being incurred. All invoices and bills relating to the remediation work shall be submitted with appropriate documentation, as deemed necessary by the Council, not later than 30 days after the work has been performed.

(7) Neither the Council nor an eligible claimant is responsible for payment for costs incurred that have not been previously approved by the Council, unless an emergency exists.

(8) The Council may determine the usual and customary costs of each item for which reimbursement may be awarded under this Section. The Council may revise the usual and customary costs from time to time as necessary, but costs submitted for reimbursement shall be subject to the rates in effect at the time the costs were incurred.

(9) If a claimant has pollution liability insurance coverage other than coverage provided by the insurance account under this Act, that coverage shall be primary. Reimbursement from the remedial account shall be limited to the deductible amounts under the primary coverage and the amount that exceeds the policy limits of the primary coverage, subject to the deductible amounts of this Act. If there is a dispute between the claimant and the primary insurance provider, reimbursement from the remedial action account may be made to the claimant after the claimant assigns all of his or her interests in the insurance coverage to the Council.

(g) The source of funds for the remedial action account shall be moneys allocated to the account by the Council according to the Fund budget approved by the Council.

(h) A drycleaning facility will be classified as active or inactive for purposes of determining benefits under this Section based on the status of the facility on the date a claim is filed.

(i) Eligible claimants shall conduct remedial action in accordance with the Site Remediation Program under the Environmental Protection Act and Part 740 of Title 35 of the Illinois Administrative Code and the Tiered Approach to Cleanup Objectives under Part 742 of Title 35 of the Illinois Administrative Code. (Source: P.A. 90-502, eff. 8-19-97; 91-453, eff. 8-6-99.)

(415 ILCS 135/45)

Sec. 45. Insurance account. (a) The insurance account shall offer financial assurance for a

qualified owner or operator of a drycleaning facility under the terms and conditions provided for under this Section. Coverage may be provided to either the owner or the operator of a drycleaning facility. The Council is not required to resolve whether the owner or operator, or both, are responsible for a release under the terms of an agreement between the owner and operator.

(b) The source of funds for the insurance account shall be as follows:

(1) Moneys appropriated to the Council or moneys allocated to the insurance account by the Council according to the Fund budget approved by the Council.

(2) Moneys collected as an insurance premium, including service fees, if any.

(3) Investment income attributed to the insurance account by the Council.

(c) An owner or operator may purchase coverage of up to \$500,000 per drycleaning facility subject to the terms and conditions under this Section and those adopted by the Council. Coverage shall be limited to remedial action costs associated with soil and groundwater contamination resulting from a release of drycleaning solvent at an insured drycleaning facility, including third-party liability for soil and groundwater contamination. Coverage is not provided for a release that occurred before the date of coverage.

(d) An owner or operator, subject to underwriting requirements and terms and conditions deemed necessary and convenient by the Council, may purchase insurance coverage from the insurance account provided that the drycleaning facility to be insured meets the following conditions:

(1) a site investigation designed to identify soil and groundwater contamination resulting from the release of a drycleaning solvent has been completed. The Council shall determine if the site investigation is adequate. This investigation must be completed by June 30, ~~2006~~ ~~2004~~. For drycleaning facilities that apply for insurance coverage ~~become active~~ after June 30, ~~2006~~ ~~2004~~, the site investigation must be completed prior to issuance of insurance coverage; and

(2) the drycleaning facility is participating in and meets all requirements of a drycleaning compliance program approved by the Council.

(e) The annual premium for insurance coverage shall be:

(1) For the year July 1, 1999 through June 30, 2000, \$250 per drycleaning facility.

(2) For the year July 1, 2000 through June 30, 2001, \$375 per drycleaning facility.

(3) For the year July 1, 2001 through June 30, 2002, \$500 per drycleaning facility.

(4) For the year July 1, 2002 through June 30, 2003, \$625 per drycleaning facility.

(5) For subsequent years, an owner or operator applying for coverage shall pay an annual actuarially-sound insurance premium for coverage by the insurance account. The Council may approve Fund coverage through the payment of a premium established on an actuarially-sound basis, taking into consideration the risk to the insurance account presented by the insured. Risk factor adjustments utilized to determine actuarially-sound insurance premiums should reflect the range of risk presented by the variety of drycleaning systems, monitoring systems, drycleaning volume, risk management practices, and other factors as determined by the Council. As used in this item, "actuarially sound" is not limited to Fund premium revenue equaling or exceeding Fund expenditures for the general drycleaning facility population. Actuarially-determined premiums shall be published at least 180 days prior to the premiums becoming effective.

(f) If coverage is purchased for any part of a year, the purchaser shall pay the full annual premium. The insurance premium is fully earned upon issuance of the insurance policy.

(g) The insurance coverage shall be provided with a \$10,000 deductible policy.

(h) A future repeal of this Section shall not terminate the obligations under this Section or authority necessary to administer the obligations until the obligations are satisfied, including but not limited to the payment of claims filed prior to the effective date of any future repeal against the insurance account until moneys in the account are exhausted. Upon exhaustion of the moneys in the account, any remaining claims shall be invalid. If moneys remain in the account following satisfaction of the obligations under this Section, the remaining moneys and moneys due the account shall be used to assist current insureds to obtain a viable insuring mechanism as determined by the Council after public notice and opportunity for comment. (Source: P.A. 90-502, eff. 8-19-97; 91-453, eff. 8-6-99.)

For purpose of this subsection, the quantity of drycleaning solvents ~~used purchased~~ annually shall be determined as follows:

(1) in the case of an initial applicant, the quantity of drycleaning solvents that the applicant estimates will be used during his or her initial license year. A fee assessed under this subdivision is subject to audited adjustment for that year; or

The Council may adjust licensing fees annually based on the published Consumer Price Index - All Urban Consumers ("CPI-U") or as otherwise determined by the Council.

(d) A license issued under this Section shall expire one year after the date of issuance and may be renewed on reapplication to the Council and submission of proof of payment of the appropriate fee to the Department of Revenue in accordance with subsections (c) and (e). (h) The Council and the Department of Revenue may adopt rules as necessary to administer the licensing requirements of this Act. (Source: P.A. 90-502, eff. 8-19-97; 91-453, eff. 8-6-99.)

(415 ILCS 135/65) (Section scheduled to be repealed on January 1, 2010)

Sec. 65. Drycleaning solvent tax. (a) On and after January 1, 1998, a tax is imposed upon the use of drycleaning solvent by a person engaged in the business of operating a drycleaning facility in this State at the rate of \$3.50 per gallon of perchloroethylene or other chlorinated drycleaning solvents used in drycleaning operations, ~~and~~ \$0.35 per gallon of petroleum-based drycleaning solvent, ~~and~~ \$3.50 per gallon of green solvents, unless the green solvent is used at a virgin facility, in which case the rate is \$0.35 per gallon. The Council shall determine by rule which products are chlorine-based solvents, ~~and~~ which products are petroleum-based solvents, ~~and which products are green solvents.~~ All drycleaning solvents shall be considered chlorinated solvents unless the Council determines that the solvents are petroleum-based drycleaning solvents ~~or green solvents subject to the lower tax.~~

(b) The tax imposed by this Act shall be collected from the purchaser at the time of sale by a seller of drycleaning solvents maintaining a place of business in this State and shall be remitted to the Department

of Revenue under the provisions of this Act.

(c) The tax imposed by this Act that is not collected by a seller of drycleaning solvents shall be paid directly to the Department of Revenue by the purchaser or end user who is subject to the tax imposed by this Act.

(d) No tax shall be imposed upon the use of drycleaning solvent if the drycleaning solvent will not be used in a drycleaning facility or if a floor stock tax has been imposed and paid on the drycleaning solvent. Prior to the purchase of the solvent, the purchaser shall provide a written and signed certificate to the drycleaning solvent seller stating:

- (1) the name and address of the purchaser;
- (2) the purchaser's signature and date of signing; and
- (3) one of the following:

(A) that the drycleaning solvent will not be used in a drycleaning facility; or

(B) that a floor stock tax has been imposed and paid on the drycleaning solvent.

A person who provides a false certification under this subsection shall be liable for a civil penalty not to exceed \$500 for a first violation and a civil penalty not to exceed \$5,000 for a second or subsequent violation.

(e) On January 1, 1998, there is imposed on each operator of a drycleaning facility a tax on drycleaning solvent held by the operator on that date for use in a drycleaning facility. The tax imposed shall be the tax that would have been imposed under subsection (a) if the drycleaning solvent held by the operator on that date had been purchased by the operator during the first year of this Act.

(f) On or before the 25th day of the 1st month following the end of the calendar quarter, a seller of drycleaning solvents who has collected a tax pursuant to this Section during the previous calendar quarter, or a purchaser or end user of drycleaning solvents required under subsection (c) to submit the tax directly to the Department, shall file a return with the Department of Revenue. The return shall be filed on a form prescribed by the Department of Revenue and shall contain information that the Department of Revenue reasonably requires, but at a minimum will require the reporting of the volume of drycleaning solvent sold to each licensed drycleaner. The Department of Revenue shall report quarterly to the Council the volume of drycleaning solvent purchased for the quarter by each licensed drycleaner. Each seller of drycleaning solvent maintaining a place of business in this State who is required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of the tax at the time when he or she is required to file his or her return for the period during which the tax was collected. Purchasers or end users remitting the tax directly to the Department under subsection (c) shall file a return with the Department of Revenue and pay the tax so incurred by the purchaser or end user during the preceding calendar quarter.

(g) The tax on drycleaning solvents used in drycleaning facilities and the floor stock tax shall be administered by Department of Revenue under rules adopted by that Department.

(h) On and after January 1, 1998, no person shall knowingly sell or transfer drycleaning solvent to an operator of a drycleaning facility that is not licensed by the Council under Section 60. A person who violates this subsection is liable for a civil penalty not to exceed \$500 for a first violation and a civil penalty not to exceed \$5,000 for a second or subsequent violation.

## AMENDMENT NO. 1 TO SENATE BILL 1101

AMENDMENT NO. 1\_\_\_\_. Amend Senate Bill 1101 on page 1, by replacing lines 4 and 5 with the following:

"Section 5. The Telecommunications Excise Tax Act is amended by changing Section 2 as follows:

(35 ILCS 630/2) (from Ch. 120, par. 2002) (Text of Section before amendment by P.A. 92-878)

Sec. 2. As used in this Article, unless the context clearly requires otherwise:

(a) "Gross charge" means the amount paid for the act or privilege of originating or receiving telecommunications in this State and for all services and equipment provided in connection therewith by a retailer, valued in money whether paid in money or otherwise, including cash, credits, services and property of every kind or nature, and shall be determined without any deduction on account of the cost of such telecommunications, the cost of materials used, labor or service costs or any other expense whatsoever. In case credit is extended, the amount thereof shall be included only as and when paid. "Gross charges" for private line service shall include charges imposed at each channel point within this State, charges for the channel mileage between each channel point within this State, and charges for that portion of the interstate inter-office channel provided within Illinois. However, "gross charges" shall not include:

(1) any amounts added to a purchaser's bill because of a charge made pursuant to (i) the tax imposed by this Article; (ii) charges added to customers' bills pursuant to the provisions of Sections 9-221 or 9-222 of the Public Utilities Act, as amended, or any similar charges added to customers' bills by retailers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities or other amounts specified in such provisions of such Act; (iii) the tax imposed by Section 4251 of the Internal Revenue Code; (iv) 911 surcharges; or (v) the tax imposed by the Simplified Municipal Telecommunications Tax Act;

(2) charges for a sent collect telecommunication received outside of the State;

(3) charges for leased time on equipment or charges for the storage of data or information for subsequent retrieval or the processing of data or information intended to change its form or content. Such equipment includes, but is not limited to, the use of calculators, computers, data processing equipment, tabulating equipment or accounting equipment and also includes the usage of computers under a time-sharing agreement;

(4) charges for customer equipment, including such equipment that is leased or rented by the customer from any source, wherein such charges are disaggregated and separately identified from other charges;

(5) charges to business enterprises certified under Section 9-222.1 of the Public Utilities Act, as amended, to the extent of such exemption and during the period of time specified by the Department of Commerce and Community Affairs;

(6) charges for telecommunications and all services and equipment provided in connection therewith between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries when the tax imposed under this Article has already been paid to a retailer and only to the extent that the charges between the parent corporation and wholly owned subsidiaries or between wholly owned subsidiaries represent expense allocation between the corporations and not the generation of profit for the corporation rendering such service;

(7) bad debts. Bad debt means any portion of a debt that is related to a sale at retail for which gross charges are not otherwise deductible or excludable that has become worthless or uncollectable, as determined under applicable federal income tax standards. If the portion of the debt deemed to be bad is subsequently paid, the retailer shall report and pay the tax on that portion during the reporting period in which the payment is made;

(8) charges paid by inserting coins in coin-operated telecommunication devices;

(9) amounts paid by telecommunications retailers under the Telecommunications Municipal Infrastructure Maintenance Fee Act.

(b) "Amount paid" means the amount charged to the taxpayer's service address in this State regardless of where such amount is billed or paid.

(c) "Telecommunications", in addition to the meaning ordinarily and popularly ascribed to it, includes, without limitation, messages or information transmitted through use of local, toll and wide area telephone service; private line services; channel services; telegraph services; teletypewriter; computer exchange services; cellular mobile telecommunications service; specialized mobile radio; stationary two way radio; paging service; or any other form of mobile and portable one-way or two-way communications; or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber-optics, laser, microwave, radio, satellite or similar

facilities. As used in this Act, "private line" means a dedicated non-traffic sensitive service for a single customer, that entitles the customer to exclusive or priority use of a communications channel or group of channels, from one or more specified locations to one or more other specified locations. The definition of "telecommunications" shall not include value added services in which computer processing applications are used to act on the form, content, code and protocol of the information for purposes other than transmission. "Telecommunications" shall not include purchases of telecommunications by a telecommunications service provider for use as a component part of the service provided by him to the ultimate retail consumer who originates or terminates the taxable end-to-end communications. Carrier access charges, right of access charges, charges for use of inter-company facilities, and all telecommunications resold in the subsequent provision of, used as a component of, or integrated into end-to-end telecommunications service shall be non-taxable as sales for resale.

(d) "Interstate telecommunications" means all telecommunications that either originate or terminate outside this State.

(e) "Intrastate telecommunications" means all telecommunications that originate and terminate within this State.

(f) "Department" means the Department of Revenue of the State of Illinois.

(g) "Director" means the Director of Revenue for the Department of Revenue of the State of Illinois.

(h) "Taxpayer" means a person who individually or through his agents, employees or permittees engages in the act or privilege of originating or receiving telecommunications in this State and who incurs a tax liability under this Article.

(i) "Person" means any natural individual, firm, trust, estate, partnership, association, joint stock company, joint venture, corporation, limited liability company, or a receiver, trustee, guardian or other representative appointed by order of any court, the Federal and State governments, including State universities created by statute or any city, town, county or other political subdivision of this State.

(j) "Purchase at retail" means the acquisition, consumption or use of telecommunication through a sale at retail.

(k) "Sale at retail" means the transmitting, supplying or furnishing of telecommunications and all services and equipment provided in connection therewith for a consideration to persons other than the Federal and State governments, and State universities created by statute and other than between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries for their use or consumption and not for resale.

(l) "Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Article. The Department may, in its discretion, upon application, authorize the collection of the tax hereby imposed by any retailer not maintaining a place of business within this State, who, to the satisfaction of the Department, furnishes adequate security to insure collection and payment of the tax. Such retailer shall be issued, without charge, a permit to collect such tax. When so authorized, it shall be the duty of such retailer to collect the tax upon all of the gross charges for telecommunications in this State in the same manner and subject to the same requirements as a retailer maintaining a place of business within this State. The permit may be revoked by the Department at its discretion.

(m) "Retailer maintaining a place of business in this State", or any like term, means and includes any retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State.

(n) "Service address" means the location of telecommunications equipment from which the telecommunications services are originated or at which telecommunications services are received by a taxpayer. In the event this may not be a defined location, as in the case of mobile phones, paging systems, maritime systems, service address means the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. For air-to-ground systems and the like, service address shall mean the location of a taxpayer's primary use of the telecommunications equipment as defined by telephone number, authorization code, or location in Illinois where bills are sent.

(o) "Prepaid telephone calling arrangements" mean the right to exclusively purchase telephone or telecommunications services that must be paid for in advance and enable the origination of one or more intrastate, interstate, or international telephone calls or other telecommunications using an access number, an authorization code, or both, whether manually or electronically dialed, for which payment to a retailer must be made in advance, provided that, unless recharged, no further service is provided once that prepaid amount of service has been consumed. Prepaid telephone calling arrangements include the recharge of a prepaid calling arrangement. For purposes of this subsection, "recharge" means the

purchase of additional prepaid telephone or telecommunications services whether or not the purchaser acquires a different access number or authorization code. "Prepaid telephone calling arrangement" does not include an arrangement whereby a customer purchases a payment card and pursuant to which the service provider reflects the amount of such purchase as a credit on an invoice issued to that customer under an existing subscription plan. (Text of Section after amendment by P.A. 92-878)

Sec. 2. As used in this Article, unless the context clearly requires otherwise:

(a) "Gross charge" means the amount paid for the act or privilege of originating or receiving telecommunications in this State and for all services and equipment provided in connection therewith by a retailer, valued in money whether paid in money or otherwise, including cash, credits, services and property of every kind or nature, and shall be determined without any deduction on account of the cost of such telecommunications, the cost of materials used, labor or service costs or any other expense whatsoever. In case credit is extended, the amount thereof shall be included only as and when paid. "Gross charges" for private line service shall include charges imposed at each channel termination point within this State, charges for the channel mileage between each channel termination point within this State, and charges for that portion of the interstate inter-office channel provided within Illinois. Charges for that portion of the interstate inter-office channel provided in Illinois shall be determined by the retailer as follows: (i) for interstate inter-office channels having 2 channel termination points, only one of which is in Illinois, 50% of the total charge imposed; or (ii) for interstate inter-office channels having more than 2 channel termination points, one or more of which are in Illinois, an amount equal to the total charge multiplied by a fraction, the numerator of which is the number of channel termination points within Illinois and the denominator of which is the total number of channel termination points; ~~or (iii) any other method that reasonably apportions the total charges for interstate inter-office channels among the states in which channel termination points are located.~~ Prior to ~~January 1, 2004~~ June 1, 2003, any ~~apportionment~~ method consistent with this paragraph ~~or other method that reasonably apportions the total charges for interstate inter-office channels among the states in which channel terminations points are located~~ shall be accepted as a reasonable method to determine the charges for that portion of the interstate inter-office channel provided within Illinois for that period. However, "gross charges" shall not include any of the following:

(1) Any amounts added to a purchaser's bill because of a charge made pursuant to (i) the tax imposed by this Article; (ii) charges added to customers' bills pursuant to the provisions of Sections 9-221 or 9-222 of the Public Utilities Act, as amended, or any similar charges added to customers' bills by retailers who are not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax liabilities or other amounts specified in such provisions of such Act; (iii) the tax imposed by Section 4251 of the Internal Revenue Code; (iv) 911 surcharges; or (v) the tax imposed by the Simplified Municipal Telecommunications Tax Act.

(2) Charges for a sent collect telecommunication received outside of the State.

(3) Charges for leased time on equipment or charges for the storage of data or information for subsequent retrieval or the processing of data or information intended to change its form or content. Such equipment includes, but is not limited to, the use of calculators, computers, data processing equipment, tabulating equipment or accounting equipment and also includes the usage of computers under a time-sharing agreement.

(4) Charges for customer equipment, including such equipment that is leased or rented by the customer from any source, wherein such charges are disaggregated and separately identified from other charges.

(5) Charges to business enterprises certified under Section 9-222.1 of the Public Utilities Act, as amended, to the extent of such exemption and during the period of time specified by the Department of Commerce and Community Affairs.

(6) Charges for telecommunications and all services and equipment provided in connection therewith between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries when the tax imposed under this Article has already been paid to a retailer and only to the extent that the charges between the parent corporation and wholly owned subsidiaries or between wholly owned subsidiaries represent expense allocation between the corporations and not the generation of profit for the corporation rendering such service.

(7) Bad debts. Bad debt means any portion of a debt that is related to a sale at retail for which gross charges are not otherwise deductible or excludable that has become worthless or uncollectable, as determined under applicable federal income tax standards. If the portion of the debt deemed to be bad is subsequently paid, the retailer shall report and pay the tax on that portion during the reporting

period in which the payment is made.

(8) Charges paid by inserting coins in coin-operated telecommunication devices.

(9) Amounts paid by telecommunications retailers under the Telecommunications Municipal Infrastructure Maintenance Fee Act.

(10) Charges for nontaxable services or telecommunications if (i) those charges are aggregated with other charges for telecommunications that are taxable, (ii) those charges are not separately stated on the customer bill or invoice, and (iii) the retailer can reasonably identify the nontaxable charges on the retailer's books and records kept in the regular course of business. If the nontaxable charges cannot reasonably be identified, the gross charge from the sale of both taxable and nontaxable services or telecommunications billed on a combined basis shall be attributed to the taxable services or telecommunications. The burden of proving nontaxable charges shall be on the retailer of the telecommunications.

(b) "Amount paid" means the amount charged to the taxpayer's service address in this State regardless of where such amount is billed or paid.

(c) "Telecommunications", in addition to the meaning ordinarily and popularly ascribed to it, includes, without limitation, messages or information transmitted through use of local, toll and wide area telephone service; private line services; channel services; telegraph services; teletypewriter; computer exchange services; cellular mobile telecommunications service; specialized mobile radio; stationary two way radio; paging service; or any other form of mobile and portable one-way or two-way communications; or any other transmission of messages or information by electronic or similar means, between or among points by wire, cable, fiber-optics, laser, microwave, radio, satellite or similar facilities. As used in this Act, "private line" means a dedicated non-traffic sensitive service for a single customer, that entitles the customer to exclusive or priority use of a communications channel or group of channels, from one or more specified locations to one or more other specified locations. The definition of "telecommunications" shall not include value added services in which computer processing applications are used to act on the form, content, code and protocol of the information for purposes other than transmission. "Telecommunications" shall not include purchases of telecommunications by a telecommunications service provider for use as a component part of the service provided by him to the ultimate retail consumer who originates or terminates the taxable end-to-end communications. Carrier access charges, right of access charges, charges for use of inter-company facilities, and all telecommunications resold in the subsequent provision of, used as a component of, or integrated into end-to-end telecommunications service shall be non-taxable as sales for resale.

(d) "Interstate telecommunications" means all telecommunications that either originate or terminate outside this State.

(e) "Intrastate telecommunications" means all telecommunications that originate and terminate within this State.

(f) "Department" means the Department of Revenue of the State of Illinois.

(g) "Director" means the Director of Revenue for the Department of Revenue of the State of Illinois.

(h) "Taxpayer" means a person who individually or through his agents, employees or permittees engages in the act or privilege of originating or receiving telecommunications in this State and who incurs a tax liability under this Article.

(i) "Person" means any natural individual, firm, trust, estate, partnership, association, joint stock company, joint venture, corporation, limited liability company, or a receiver, trustee, guardian or other representative appointed by order of any court, the Federal and State governments, including State universities created by statute or any city, town, county or other political subdivision of this State.

(j) "Purchase at retail" means the acquisition, consumption or use of telecommunication through a sale at retail.

(k) "Sale at retail" means the transmitting, supplying or furnishing of telecommunications and all services and equipment provided in connection therewith for a consideration to persons other than the Federal and State governments, and State universities created by statute and other than between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries for their use or consumption and not for resale.

(l) "Retailer" means and includes every person engaged in the business of making sales at retail as defined in this Article. The Department may, in its discretion, upon application, authorize the collection of the tax hereby imposed by any retailer not maintaining a place of business within this State, who, to the satisfaction of the Department, furnishes adequate security to insure collection and payment of the tax. Such retailer shall be issued, without charge, a permit to collect such tax. When so authorized, it shall be the duty of such retailer to collect the tax upon all of the gross charges for telecommunications in this State in the same manner and subject to the same requirements as a retailer maintaining a place of

business within this State. The permit may be revoked by the Department at its discretion.

(m) "Retailer maintaining a place of business in this State", or any like term, means and includes any retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State.

(n) "Service address" means the location of telecommunications equipment from which the telecommunications services are originated or at which telecommunications services are received by a taxpayer. In the event this may not be a defined location, as in the case of mobile phones, paging systems, maritime systems, service address means the customer's place of primary use as defined in the Mobile Telecommunications Sourcing Conformity Act. For air-to-ground systems and the like, service address shall mean the location of a taxpayer's primary use of the telecommunications equipment as defined by telephone number, authorization code, or location in Illinois where bills are sent.

(o) "Prepaid telephone calling arrangements" mean the right to exclusively purchase telephone or telecommunications services that must be paid for in advance and enable the origination of one or more intrastate, interstate, or international telephone calls or other telecommunications using an access number, an authorization code, or both, whether manually or electronically dialed, for which payment to a retailer must be made in advance, provided that, unless recharged, no further service is provided once that prepaid amount of service has been consumed. Prepaid telephone calling arrangements include the recharge of a prepaid calling arrangement. For purposes of this subsection, "recharge" means the purchase of additional prepaid telephone or telecommunications services whether or not the purchaser acquires a different access number or authorization code. "Prepaid telephone calling arrangement" does not include an arrangement whereby a customer purchases a payment card and pursuant to which the service provider reflects the amount of such purchase as a credit on an invoice issued to that customer under an existing subscription plan. "Telecommunications" shall not include value added services in which computer processing applications are used to act on the form, content, code, and protocol of the information for purposes other than transmission. "Telecommunications" shall not include purchase of telecommunications by a telecommunications service provider for use as a component part of the service provided by him or her to the ultimate retail consumer who originates or terminates the end-to-end communications. When so authorized, it shall be the duty of such retailer to pay the fee upon all of the gross charges for telecommunications in the same manner and subject to the same requirements as a retailer maintaining a place of business within this State.

(e) "Retailer maintaining a place of business in this State", or any like term, means and includes any retailer having or maintaining within this State, directly or by a subsidiary, an office, distribution facilities, transmission facilities, sales office, warehouse, or other place of business, or any agent or other representative operating within this State under the authority of the retailer or its subsidiary, irrespective of whether such place of business or agent or other representative is located here permanently or temporarily, or whether such retailer or subsidiary is licensed to do business in this State.

In case credit is extended, the amount thereof shall be included only as and when paid. "Gross charges" for private line service shall include charges imposed at each channel termination point within this State, charges for the channel mileage between each channel termination point within this State, and charges for that portion of the interstate inter-office channel provided within Illinois. Charges for that portion of the interstate inter-office channel provided in Illinois shall be determined by the retailer as follows: (i) for interstate inter-office channels having 2 channel termination points, only one of which is in Illinois, 50% of the total charge imposed; or (ii) for interstate inter-office channels having more than 2 channel termination points, one or more of which are in Illinois, an amount equal to the total charge multiplied by a fraction, the numerator of which is the number of channel termination points within Illinois and the denominator of which is the total number of channel termination points; ~~or (iii) any other method that reasonably apportions the total charges for interstate inter-office channels among the states in which channel termination points are located.~~ Prior to January 1, 2004, ~~June 1, 2003~~, any ~~apportionment~~ total charges for interstate inter-office channels among the states in which channel terminations points are located method consistent with this paragraph ~~or other method that reasonably apportions the total charges for interstate inter-office channels among the states in which channel terminations points are located~~ shall be accepted as a reasonable method to determine the charges for that portion of the interstate inter-office channel provided within Illinois for that period. However, "gross charges" shall not include any of the following:

(1) Any amounts added to a purchaser's bill because of a charge made under: (i) the fee imposed by this Section, (ii) additional charges added to a purchaser's bill under Section 9-221 or 9-222 of the Public Utilities Act, (iii) the tax imposed by the Telecommunications Excise Tax Act, (iv) 911 surcharges, (v) the tax imposed by Section 4251 of the Internal Revenue Code, or (vi) the tax imposed by the Simplified Municipal Telecommunications Tax Act.

(6) Charges for telecommunications and all services and equipment provided in connection therewith between a parent corporation and its wholly owned subsidiaries or between wholly owned subsidiaries, and only to the extent that the charges between the parent corporation and wholly owned subsidiaries or between wholly owned subsidiaries represent expense allocation between the corporations and not the generation of profit other than a regulatory required profit for the corporation rendering such services.

(7) Bad debts ("bad debt" means any portion of a debt that is related to a sale at retail for which gross charges are not otherwise deductible or excludable that has become worthless or uncollectible, as determined under applicable federal income tax standards; if the portion of the debt deemed to be bad is subsequently paid, the retailer shall report and pay the tax on that portion during the reporting period in which the payment is made).

on the customer bill or invoice, and (iii) the retailer can reasonably identify the nontaxable charges on the retailer's books and records kept in the regular course of business. If the nontaxable charges cannot reasonably be identified, the gross charge from the sale of both taxable and nontaxable services or telecommunications billed on a combined basis shall be attributed to the taxable services or telecommunications. ## AMENDMENT NO. 2

AMENDMENT NO. 2. Amend Senate Bill 774, AS AMENDED, by replacing the title with the following:

"AN ACT concerning taxation."; and

by replacing everything after the enacting clause with the following:

"Section 3. The State Finance Act is amended by changing Section 8.20 as follows:

(30 ILCS 105/8.20) (from Ch. 127, par. 144.20)

Sec. 8.20. Appropriations for the ordinary and contingent expenses of the Illinois Liquor Control Commission shall be paid from the Dram Shop Fund. Beginning June 30, 1990 and on June 30 of each subsequent year through June 29, 2003, any balance over \$5,000,000 remaining in the Dram Shop Fund

[May 30, 2003]

shall be credited to State liquor licensees and applied against their fees for State liquor licenses for the following year. The amount credited to each licensee shall be a proportion of the balance in the Dram Shop Fund that is the same as the proportion of the license fee paid by the licensee under Section 5-3 of the Liquor Control Act of 1934, as now or hereafter amended, for the period in which the balance was accumulated to the aggregate fees paid by all licensees during that period.

In addition to any other permitted use of moneys in the Fund, and notwithstanding any restriction on the use of the Fund, moneys in the Dram Shop Fund may be transferred to the General Revenue Fund as authorized by Public Act 87-14. The General Assembly finds that an excess of moneys existed in the Fund on July 30, 1991, and the Governor's order of July 30, 1991, requesting the Comptroller and Treasurer to transfer an amount from the Fund to the General Revenue Fund is hereby validated. Section 5. The Retailers' Occupation Tax Act is amended by changing Section 3 as follows:  
(35 ILCS 120/3) (from Ch. 120, par. 442)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from sales of tangible personal property, and from services furnished, by him during such preceding calendar month or quarter;
4. Total amount received by him during the preceding calendar month or quarter on charge and time sales of tangible personal property, and from services furnished, by him prior to the month or quarter for which the return is filed;
5. Deductions allowed by law;
6. Gross receipts which were received by him during the preceding calendar month or quarter and upon the basis of which the tax is imposed;
7. The amount of credit provided in Section 2d of this Act;
8. The amount of tax due;
9. The signature of the taxpayer; and
10. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

A retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at

retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A copy of the monthly statement shall be sent to the retailer no later than the 10th day of the month for the preceding month during which transactions occurred.

If a total amount of less than \$1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to \$1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of \$100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of \$50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

[May 30, 2003]

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible

personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January

1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of \$25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is \$25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer

has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of \$20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than \$20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such

Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

Fiscal Year	Annual Specified Amount
1986	\$54,800,000
1987	\$76,650,000
1988	\$80,480,000
1989	\$88,510,000
1990	\$115,330,000
1991	\$145,470,000
1992	\$182,730,000
1993	\$206,520,000;

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget. If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Metropolitan Pier and

Act, but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State

[May 30, 2003]

Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility

for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed \$250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section. Section 10. The Cigarette Tax Act is amended by changing Sections 3 and 29 as follows:  
(35 ILCS 130/3) (from Ch. 120, par. 453.3)

Sec. 3. Affixing tax stamp; remitting tax to the Department. Payment of the taxes imposed by Section 2 of this Act shall (except as hereinafter provided) be evidenced by revenue tax stamps affixed to each original package of cigarettes. Each distributor of cigarettes, before delivering or causing to be delivered any original package of cigarettes in this State to a purchaser, shall firmly affix a proper stamp or stamps to each such package, or (in case of manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper) shall imprint the required language on the original package of cigarettes beneath such outside wrapper, as hereinafter provided.

No stamp or imprint may be affixed to, or made upon, any package of cigarettes unless that package complies with all requirements of the federal Cigarette Labeling and Advertising Act, 15 U.S.C. 1331 and following, for the placement of labels, warnings, or any other information upon a package of cigarettes that is sold within the United States. Under the authority of Section 6, the Department shall revoke the license of any distributor that is determined to have violated this paragraph. A person may not affix a stamp on a package of cigarettes, cigarette papers, wrappers, or tubes if that individual package has been marked for export outside the United States with a label or notice in compliance with Section 290.185 of Title 27 of the Code of Federal Regulations. It is not a defense to a proceeding for violation of this paragraph that the label or notice has been removed, mutilated, obliterated, or altered in any manner.

The Department, or any person authorized by the Department, shall sell such stamps only to persons holding valid licenses as distributors under this Act. On and after July 1, 2003, payment for such stamps must be made by means of electronic funds transfer. The Department may refuse to sell stamps to any person who does not comply with the provisions of this Act. Beginning on the effective date of this amendatory Act of the 92nd General Assembly and through June 30, 2002, persons holding valid licenses as distributors may purchase cigarette tax stamps up to an amount equal to 115% of the distributor's average monthly cigarette tax stamp purchases over the 12 calendar months prior to the effective date of this amendatory Act of the 92nd General Assembly.

Prior to December 1, 1985, the Department shall allow a distributor 21 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 21 days thereafter: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the

[May 30, 2003]

bond required under Section 4 of this Act, payable to the Department in an amount equal to 80% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or \$500,000, whichever is less. The Bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of amount of any 21-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

On and after December 1, 1985 and until July 1, 2003, the Department shall allow a distributor 30 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 30 days thereafter, and beginning on January 1, 2003 and thereafter, the draft shall be payable by means of electronic funds transfer: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 150% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or \$750,000, whichever is less, except that as to bonds filed on or after January 1, 1987, such additional bond shall be in an amount equal to 100% of such distributor's average monthly tax liability under this Act during the preceding calendar year or \$750,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 30-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

Every prior continuous compliance taxpayer shall be exempt from all requirements under this Section concerning the furnishing of such bond, as defined in this Section, as a condition precedent to his being authorized to engage in the business licensed under this Act. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax to be due that is not paid) to be delinquent or deficient in the paying of any tax under this Act, at which time that taxpayer shall become subject to the bond requirements of this Section and, as a condition of being allowed to continue to engage in the business licensed under this Act, shall be required to furnish bond to the Department in such form as provided in this Section. Such taxpayer shall furnish such bond for a period of 2 years, after which, if the taxpayer has not been delinquent in the filing of any returns, or delinquent or deficient in the paying of any tax under this Act, the Department may reinstate such person as a prior continuance compliance taxpayer. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

Any person aggrieved by any decision of the Department under this Section may, within the time allowed by law, protest and request a hearing, whereupon the Department shall give notice and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest filed within the time allowed by law, the Department's decision shall become final without any further determination being made or notice given.

The Department shall discharge any surety and shall release and return any bond or security deposited, assigned, pledged, or otherwise provided to it by a taxpayer under this Section within 30 days after:

- (1) Such taxpayer becomes a prior continuous compliance taxpayer; or
- (2) Such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed. If the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

The Department may authorize distributors to affix revenue tax stamps by imprinting tax meter stamps upon original packages of cigarettes. The Department shall adopt rules and regulations relating to the imprinting of such tax meter stamps as will result in payment of the proper taxes as herein imposed. No distributor may affix revenue tax stamps to original packages of cigarettes by imprinting tax meter stamps thereon unless such distributor has first obtained permission from the Department to employ this method of affixation. The Department shall regulate the use of tax meters and may, to assure the proper collection of the taxes imposed by this Act, revoke or suspend the privilege, theretofore granted by the Department to any distributor, to imprint tax meter stamps upon original packages of cigarettes.

Illinois cigarette manufacturers who place their cigarettes in original packages which are contained inside a sealed transparent wrapper, and similar out-of-State cigarette manufacturers who elect to qualify and are accepted by the Department as distributors under Section 4b of this Act, shall pay the taxes imposed by this Act by remitting the amount thereof to the Department by the 5th day of each month covering cigarettes shipped or otherwise delivered in Illinois to purchasers during the preceding calendar month. Such manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper, before delivering such cigarettes or causing such cigarettes to be delivered in this State to purchasers, shall evidence their obligation to remit the taxes due with respect to such cigarettes by imprinting language to be prescribed by the Department on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, in such place thereon and in such manner as the Department may designate. Such imprinted language shall acknowledge the manufacturer's payment of or liability for the tax imposed by this Act with respect to the distribution of such cigarettes.

A distributor shall not affix, or cause to be affixed, any stamp or imprint to a package of cigarettes, as provided for in this Section, if the tobacco product manufacturer, as defined in Section 10 of the Tobacco Product Manufacturers' Escrow Act, that made or sold the cigarettes has failed to become a participating manufacturer, as defined in subdivision (a)(1) of Section 15 of the Tobacco Product Manufacturers' Escrow Act, or has failed to create a qualified escrow fund for any cigarettes manufactured by the tobacco product manufacturer and sold in this State or otherwise failed to bring itself into compliance with subdivision (a)(2) of Section 15 of the Tobacco Product Manufacturers' Escrow Act. Sec. 29. All moneys received by the Department from the one-half mill tax imposed by the Sixty-fourth General Assembly and all interest and penalties, received in connection therewith under the provisions of this Act shall be paid into the Metropolitan Fair and Exposition Authority Reconstruction Fund. All other moneys received by the Department under this Act shall be paid into the General Revenue Fund in the State treasury. After there has been paid into the Metropolitan Fair and Exposition Authority Reconstruction Fund sufficient money to pay in full both principal and interest, all of the outstanding bonds issued pursuant to the "Fair and Exposition Authority Reconstruction Act", the State Treasurer and Comptroller shall transfer to the General Revenue Fund the balance of moneys remaining in the Metropolitan Fair and Exposition Authority Reconstruction Fund except for \$2,500,000 which shall remain in the Metropolitan Fair and Exposition Authority Reconstruction Fund and which may be appropriated by the General Assembly for the corporate purposes of the Metropolitan Pier and Exposition Authority. All monies received by the Department in fiscal year 1978 and thereafter from the one-half mill tax imposed by the Sixty-fourth General Assembly, and all interest and penalties received in connection therewith under the provisions of this Act, shall be paid into the General Revenue Fund, except that the Department shall pay the first \$4,800,000 received in fiscal years 1979 through 2001 from that one-half mill tax into the Metropolitan Fair and Exposition Authority Reconstruction Fund which monies may be appropriated by the General Assembly for the corporate purposes of the Metropolitan Pier and Exposition Authority.

In fiscal year 2002 and ~~each~~ fiscal year 2003 ~~thereafter~~, the first \$4,800,000 from the one-half mill tax shall be paid into the Statewide Economic Development Fund. (Source: P.A. 92-208, eff. 8-2-01.)

Section 15. The Cigarette Use Tax Act is amended by changing Section 3 as follows:

(35 ILCS 135/3) (from Ch. 120, par. 453.33)

Sec. 3. Stamp payment. The tax hereby imposed shall be collected by a distributor maintaining a place of business in this State or a distributor authorized by the Department pursuant to Section 7 hereof to collect the tax, and the amount of the tax shall be added to the price of the cigarettes sold by such distributor. Collection of the tax shall be evidenced by a stamp or stamps affixed to each original package of cigarettes or by an authorized substitute for such stamp imprinted on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, except as

hereinafter provided. Each distributor who is required or authorized to collect the tax herein imposed, before delivering or causing to be delivered any original packages of cigarettes in this State to any purchaser, shall firmly affix a proper stamp or stamps to each such package, or (in the case of manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper) shall imprint the required language on the original package of cigarettes beneath such outside wrapper as hereinafter provided. Such stamp or stamps need not be affixed to the original package of any cigarettes with respect to which the distributor is required to affix a like stamp or stamps by virtue of the Cigarette Tax Act, however, and no tax imprint need be placed underneath the sealed transparent wrapper of an original package of cigarettes with respect to which the distributor is required or authorized to employ a like tax imprint by virtue of the Cigarette Tax Act.

No stamp or imprint may be affixed to, or made upon, any package of cigarettes unless that package complies with all requirements of the federal Cigarette Labeling and Advertising Act, 15 U.S.C. 1331 and following, for the placement of labels, warnings, or any other information upon a package of cigarettes that is sold within the United States. Under the authority of Section 6, the Department shall revoke the license of any distributor that is determined to have violated this paragraph. A person may not affix a stamp on a package of cigarettes, cigarette papers, wrappers, or tubes if that individual package has been marked for export outside the United States with a label or notice in compliance with Section 290.185 of Title 27 of the Code of Federal Regulations. It is not a defense to a proceeding for violation of this paragraph that the label or notice has been removed, mutilated, obliterated, or altered in any manner.

Stamps, when required hereunder, shall be purchased from the Department, or any person authorized by the Department, by distributors. On and after July 1, 2003, payment for such stamps must be made by means of electronic funds transfer. The Department may refuse to sell stamps to any person who does not comply with the provisions of this Act. ~~Beginning on June 6, 2002 the effective date of this amendatory Act of the 92nd General Assembly~~ and through June 30, 2002, persons holding valid licenses as distributors may purchase cigarette tax stamps up to an amount equal to 115% of the distributor's average monthly cigarette tax stamp purchases over the 12 calendar months prior to June 6, 2002 the effective date of this amendatory Act of the 92nd General Assembly.

Prior to December 1, 1985, the Department shall allow a distributor 21 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 21 days thereafter: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 80% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or \$500,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 21-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

On and after December 1, 1985 and until July 1, 2003, the Department shall allow a distributor 30 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 30 days thereafter, and beginning on January 1, 2003 and thereafter, the draft shall be payable by means of electronic funds transfer: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 150% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or \$750,000, whichever is less, except that as to bonds filed on or after January 1, 1987, such additional bond shall be in an amount equal to 100% of such distributor's average monthly tax liability under this Act during the preceding calendar year or \$750,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 30-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the

[May 30, 2003]

amount of such draft.

Every prior continuous compliance taxpayer shall be exempt from all requirements under this Section concerning the furnishing of such bond, as defined in this Section, as a condition precedent to his being authorized to engage in the business licensed under this Act. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax to be due that is not paid) to be delinquent or deficient in the paying of any tax under this Act, at which time that taxpayer shall become subject to the bond requirements of this Section and, as a condition of being allowed to continue to engage in the business licensed under this Act, shall be required to furnish bond to the Department in such form as provided in this Section. Such taxpayer shall furnish such bond for a period of 2 years, after which, if the taxpayer has not been delinquent in the filing of any returns, or delinquent or deficient in the paying of any tax under this Act, the Department may reinstate such person as a prior continuance compliance taxpayer. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

Any person aggrieved by any decision of the Department under this Section may, within the time allowed by law, protest and request a hearing, whereupon the Department shall give notice and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest filed within the time allowed by law, the Department's decision shall become final without any further determination being made or notice given.

The Department shall discharge any surety and shall release and return any bond or security deposited, assigned, pledged, or otherwise provided to it by a taxpayer under this Section within 30 days after:

- (1) such Taxpayer becomes a prior continuous compliance taxpayer; or
- (2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed. If the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

At the time of purchasing such stamps from the Department when purchase is required by this Act, or at the time when the tax which he has collected is remitted by a distributor to the Department without the purchase of stamps from the Department when that method of remitting the tax that has been collected is required or authorized by this Act, the distributor shall be allowed a discount during any year commencing July 1 and ending the following June 30 in accordance with the schedule set out hereinbelow, from the amount to be paid by him to the Department for such stamps, or to be paid by him to the Department on the basis of monthly remittances (as the case may be), to cover the cost, to such distributor, of collecting the tax herein imposed by affixing such stamps to the original packages of cigarettes sold by such distributor or by placing tax imprints underneath the sealed transparent wrapper of original packages of cigarettes sold by such distributor (as the case may be): (1) Prior to December 1, 1985, a discount equal to 1-2/3% of the amount of the tax up to and including the first \$700,000 paid hereunder by such distributor to the Department during any such year; 1-1/3% of the next \$700,000 of tax or any part thereof, paid hereunder by such distributor to the Department during any such year; 1% of the next \$700,000 of tax, or any part thereof, paid hereunder by such distributor to the Department during any such year; and 2/3 of 1% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year or (2) On and after December 1, 1985, a discount equal to 1.75% of the amount of the tax payable under this Act up to and including the first \$3,000,000 paid hereunder by such distributor to the Department during any such year and 1.5% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year.

Two or more distributors that use a common means of affixing revenue tax stamps or that are owned or controlled by the same interests shall be treated as a single distributor for the purpose of computing the discount.

Cigarette manufacturers who are distributors under this Act, and who place their cigarettes in original packages which are contained inside a sealed transparent wrapper, shall be required to remit the tax which they are required to collect under this Act to the Department by remitting the amount thereof to the Department by the 5th day of each month, covering cigarettes shipped or otherwise delivered to

points in Illinois to purchasers during the preceding calendar month, but a distributor need not remit to the Department the tax so collected by him from purchasers under this Act to the extent to which such distributor is required to remit the tax imposed by the Cigarette Tax Act to the Department with respect to the same cigarettes. All taxes upon cigarettes under this Act are a direct tax upon the retail consumer and shall conclusively be presumed to be precollected for the purpose of convenience and facility only. Distributors who are manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper, before delivering such cigarettes or causing such cigarettes to be delivered in this State to purchasers, shall evidence their obligation to collect and remit the tax due with respect to such cigarettes by imprinting language to be prescribed by the Department on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, in such place thereon and in such manner as the Department may prescribe; provided (as stated hereinbefore) that this requirement does not apply when such distributor is required or authorized by the Cigarette Tax Act to place the tax imprint provided for in the last paragraph of Section 3 of that Act underneath the sealed transparent wrapper of such original package of cigarettes. Such imprinted language shall acknowledge the manufacturer's collection and payment of or liability for the tax imposed by this Act with respect to such cigarettes.

The Department shall adopt the design or designs of the tax stamps and shall procure the printing of such stamps in such amounts and denominations as it deems necessary to provide for the affixation of the proper amount of tax stamps to each original package of cigarettes.

Where tax stamps are required, the Department may authorize distributors to affix revenue tax stamps by imprinting tax meter stamps upon original packages of cigarettes. The Department shall adopt rules and regulations relating to the imprinting of such tax meter stamps as will result in payment of the proper taxes as herein imposed. No distributor may affix revenue tax stamps to original packages of cigarettes by imprinting meter stamps thereon unless such distributor has first obtained permission from the Department to employ this method of affixation. The Department shall regulate the use of tax meters and may, to assure the proper collection of the taxes imposed by this Act, revoke or suspend the privilege, theretofore granted by the Department to any distributor, to imprint tax meter stamps upon original packages of cigarettes.

The tax hereby imposed and not paid pursuant to this Section shall be paid to the Department directly by any person using such cigarettes within this State, pursuant to Section 12 hereof.

A distributor shall not affix, or cause to be affixed, any stamp or imprint to a package of cigarettes, as provided for in this Section, if the tobacco product manufacturer, as defined in Section 10 of the Tobacco Product Manufacturers' Escrow Act, that made or sold the cigarettes has failed to become a participating manufacturer, as defined in subdivision (a)(1) of Section 15 of the Tobacco Product Manufacturers' Escrow Act, or has failed to create a qualified escrow fund for any cigarettes manufactured by the tobacco product manufacturer and sold in this State or otherwise failed to bring itself into compliance with subdivision (a)(2) of Section 15 of the Tobacco Product Manufacturers' Escrow Act. Fees collected under this Section shall be paid into the Dram Shop Fund. On and after July 1, 2003, of the funds received for a retailer's license, in addition to the first \$175, an additional \$75 shall be paid into the Dram Shop Fund, and \$250 shall be paid into the General Revenue Fund.  (235 ILCS 5/7-5) (from Ch. 43, par. 149)

Sec. 7-5. The local liquor control commissioner may revoke or suspend any license issued by him if he determines that the licensee has violated any of the provisions of this Act or of any valid ordinance or resolution enacted by the particular city council, president, or board of trustees or county board (as the case may be) or any applicable rule or regulations established by the local liquor control commissioner or the State commission which is not inconsistent with law. Upon notification by the Illinois Department of Revenue, the State Commission shall revoke any license issued by it if the licensee has violated the provisions of Section 3 of the Retailers' Occupation Tax Act. In addition to the suspension, the local

liquor control commissioner in any county or municipality may levy a fine on the licensee for such violations. The fine imposed shall not exceed \$1000 for a first violation within a 12-month period, \$1,500 for a second violation within a 12-month period, and \$2,500 for a third or subsequent violation within a 12-month period. Each day on which a violation continues shall constitute a separate violation. Not more than \$15,000 in fines under this Section may be imposed against any licensee during the period of his license. Proceeds from such fines shall be paid into the general corporate fund of the county or municipal treasury, as the case may be.

However, no such license shall be so revoked or suspended and no licensee shall be fined except after a public hearing by the local liquor control commissioner with a 3 day written notice to the licensee affording the licensee an opportunity to appear and defend. All such hearings shall be open to the public and the local liquor control commissioner shall reduce all evidence to writing and shall maintain an official record of the proceedings. If the local liquor control commissioner has reason to believe that any continued operation of a particular licensed premises will immediately threaten the welfare of the community he may, upon the issuance of a written order stating the reason for such conclusion and without notice or hearing order the licensed premises closed for not more than 7 days, giving the licensee an opportunity to be heard during that period, except that if such licensee shall also be engaged in the conduct of another business or businesses on the licensed premises such order shall not be applicable to such other business or businesses.

The local liquor control commissioner shall within 5 days after such hearing, if he determines after such hearing that the license should be revoked or suspended or that the licensee should be fined, state the reason or reasons for such determination in a written order, and either the amount of the fine, the period of suspension, or that the license has been revoked, and shall serve a copy of such order within the 5 days upon the licensee.

If the premises for which the license was issued are located outside of a city, village or incorporated town having a population of 500,000 or more inhabitants, the licensee after the receipt of such order of suspension or revocation shall have the privilege within a period of 20 days after the receipt of such order of suspension or revocation of appealing the order to the State commission for a decision sustaining, reversing or modifying the order of the local liquor control commissioner. If the State commission affirms the local commissioner's order to suspend or revoke the license at the first hearing, the appellant shall cease to engage in the business for which the license was issued, until the local commissioner's order is terminated by its own provisions or reversed upon rehearing or by the courts.

If the premises for which the license was issued are located within a city, village or incorporated town having a population of 500,000 or more inhabitants, the licensee shall have the privilege, within a period of 20 days after the receipt of such order of fine, suspension or revocation, of appealing the order to the local license appeal commission and upon the filing of such an appeal by the licensee the license appeal commission shall determine the appeal upon certified record of proceedings of the local liquor commissioner in accordance with the provisions of Section 7-9. Within 30 days after such appeal was heard the license appeal commission shall render a decision sustaining or reversing the order of the local liquor control commissioner. (235 ILCS 5/7-6) (from Ch. 43, par. 150)

Sec. 7-6. All proceedings for the revocation or suspension of licenses of manufacturers, distributors, importing distributors, non-resident dealers, foreign importers, non-beverage users, railroads, airplanes and boats shall be before the State Commission. All such proceedings and all proceedings for the revocation or suspension of a retailer's license before the State commission shall be in accordance with rules and regulations established by it not inconsistent with law. However, no such license shall be so revoked or suspended except after a hearing by the State commission with reasonable notice to the licensee served by registered or certified mail with return receipt requested at least 10 days prior to the hearings at the last known place of business of the licensee and after an opportunity to appear and defend. Such notice shall specify the time and place of the hearing, the nature of the charges, the specific provisions of the Act and rules violated, and the specific facts supporting the charges or violation. The findings of the Commission shall be predicated upon competent evidence. The revocation of a local license shall automatically result in the revocation of a State license. Upon notification by the Illinois Department of Revenue, the State Commission shall revoke any license issued by it if the licensee has violated the provisions of Section 3 of the Retailers' Occupation Tax Act. All procedures for the suspension or revocation of a license, as enumerated above, are applicable to the levying of fines for violations of this Act or any rule or regulation issued pursuant thereto. (Source: P.A. 91-553, eff. 8-14-99.)

(235 ILCS 5/8-2) (from Ch. 43, par. 159)

Sec. 8-2. It is the duty of each manufacturer with respect to alcoholic liquor produced or imported

by such manufacturer, or purchased tax-free by such manufacturer from another manufacturer or importing distributor, and of each importing distributor as to alcoholic liquor purchased by such importing distributor from foreign importers or from anyone from any point in the United States outside of this State or purchased tax-free from another manufacturer or importing distributor, to pay the tax imposed by Section 8-1 to the Department of Revenue on or before the 15th day of the calendar month following the calendar month in which such alcoholic liquor is sold or used by such manufacturer or by such importing distributor other than in an authorized tax-free manner or to pay that tax electronically as provided in this Section.

Each manufacturer and each importing distributor shall make payment under one of the following methods: (1) on or before the 15th day of each calendar month, file in person or by United States first-class mail, postage pre-paid, with the Department of Revenue, on forms prescribed and furnished by the Department, a report in writing in such form as may be required by the Department in order to compute, and assure the accuracy of, the tax due on all taxable sales and uses of alcoholic liquor occurring during the preceding month. Payment of the tax in the amount disclosed by the report shall accompany the report or, (2) on or before the 15th day of each calendar month, electronically file with the Department of Revenue, on forms prescribed and furnished by the Department, an electronic report in such form as may be required by the Department in order to compute, and assure the accuracy of, the tax due on all taxable sales and uses of alcoholic liquor occurring during the preceding month. An electronic payment of the tax in the amount disclosed by the report shall accompany the report. A manufacturer or distributor who files an electronic report and electronically pays the tax imposed pursuant to Section 8-1 to the Department of Revenue on or before the 15th day of the calendar month following the calendar month in which such alcoholic liquor is sold or used by that manufacturer or importing distributor other than in an authorized tax-free manner shall pay to the Department the amount of the tax imposed pursuant to Section 8-1, less a discount of 1.75% or \$1,250 per return, whichever is less, which is allowed to reimburse the manufacturer or importing distributor for the expenses incurred in keeping and maintaining records, preparing and filing the electronic returns, remitting the tax, and supplying data to the Department upon request.

The discount shall be in an amount as follows:

(1) For original returns due on or after January 1, 2003 through September 30, 2003, the discount shall be 1.75% or \$1,250 per return, whichever is less;

(2) For original returns due on or after October 1, 2003 through September 30, 2004, the discount shall be 2% or \$3,000 per return, whichever is less; and

(3) For original returns due on or after October 1, 2004, the discount shall be 2% or \$2,000 per return, whichever is less.

The Department may, if it deems it necessary in order to insure the payment of the tax imposed by this Article, require returns to be made more frequently than and covering periods of less than a month. Such return shall contain such further information as the Department may reasonably require.

It shall be presumed that all alcoholic liquors acquired or made by any importing distributor or manufacturer have been sold or used by him in this State and are the basis for the tax imposed by this Article unless proven, to the satisfaction of the Department, that such alcoholic liquors are (1) still in the possession of such importing distributor or manufacturer, or (2) prior to the termination of possession have been lost by theft or through unintentional destruction, or (3) that such alcoholic liquors are otherwise exempt from taxation under this Act.

The Department may require any foreign importer to file monthly information returns, by the 15th day of the month following the month which any such return covers, if the Department determines this to be necessary to the proper performance of the Department's functions and duties under this Act. Such return shall contain such information as the Department may reasonably require.

Every manufacturer and importing distributor shall also file, with the Department, a bond in an amount not less than \$1,000 and not to exceed \$100,000 on a form to be approved by, and with a surety or sureties satisfactory to, the Department. Such bond shall be conditioned upon the manufacturer or importing distributor paying to the Department all monies becoming due from such manufacturer or importing distributor under this Article. The Department shall fix the penalty of such bond in each case, taking into consideration the amount of alcoholic liquor expected to be sold and used by such manufacturer or importing distributor, and the penalty fixed by the Department shall be sufficient, in the Department's opinion, to protect the State of Illinois against failure to pay any amount due under this Article, but the amount of the penalty fixed by the Department shall not exceed twice the amount of tax liability of a monthly return, nor shall the amount of such penalty be less than \$1,000. The Department shall notify the Commission of the Department's approval or disapproval of any such manufacturer's or importing distributor's bond, or of the termination or cancellation of any such bond, or of the

[May 30, 2003]

Department's direction to a manufacturer or importing distributor that he must file additional bond in order to comply with this Section. The Commission shall not issue a license to any applicant for a manufacturer's or importing distributor's license unless the Commission has received a notification from the Department showing that such applicant has filed a satisfactory bond with the Department hereunder and that such bond has been approved by the Department. Failure by any licensed manufacturer or importing distributor to keep a satisfactory bond in effect with the Department or to furnish additional bond to the Department, when required hereunder by the Department to do so, shall be grounds for the revocation or suspension of such manufacturer's or importing distributor's license by the Commission. If a manufacturer or importing distributor fails to pay any amount due under this Article, his bond with the Department shall be deemed forfeited, and the Department may institute a suit in its own name on such bond.

After notice and opportunity for a hearing the State Commission may revoke or suspend the license of any manufacturer or importing distributor who fails to comply with the provisions of this Section. Notice of such hearing and the time and place thereof shall be in writing and shall contain a statement of the charges against the licensee. Such notice may be given by United States registered or certified mail with return receipt requested, addressed to the person concerned at his last known address and shall be given not less than 7 days prior to the date fixed for the hearing. An order revoking or suspending a license under the provisions of this Section may be reviewed in the manner provided in Section 7-10 of this Act. No new license shall be granted to a person whose license has been revoked for a violation of this Section or, in case of suspension, shall such suspension be terminated until he has paid to the Department all taxes and penalties which he owes the State under the provisions of this Act.

Every manufacturer or importing distributor who has, as verified by the Department, continuously complied with the conditions of the bond under this Act for a period of 2 years shall be considered to be a prior continuous compliance taxpayer. In determining the consecutive period of time for qualification as a prior continuous compliance taxpayer, any consecutive period of time of qualifying compliance immediately prior to the effective date of this amendatory Act of 1987 shall be credited to any manufacturer or importing distributor.

Every prior continuous compliance taxpayer shall be exempt from the bond requirements of this Act until the Department has determined the taxpayer to be delinquent in the filing of any return or deficient in the payment of any tax under this Act. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

The Department shall discharge any surety and shall release and return any bond or security deposit assigned, pledged or otherwise provided to it by a taxpayer under this Section within 30 days after: (1) such taxpayer becomes a prior continuous compliance taxpayer; or (2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act. (35 ILCS 5/201) (from Ch. 120, par. 2-201)

Sec. 201. Tax Imposed. (a) In general. A tax measured by net income is hereby imposed on every individual, corporation, trust and estate for each taxable year ending after July 31, 1969 on the privilege of earning or receiving income in or as a resident of this State. Such tax shall be in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(b) Rates. The tax imposed by subsection (a) of this Section shall be determined as follows, except as adjusted by subsection (d-1):

(1) In the case of an individual, trust or estate, for taxable years ending prior to July 1, 1989, an amount equal to 2 1/2% of the taxpayer's net income for the taxable year.

[May 30, 2003]

(8) In the case of a corporation, for taxable years beginning after June 30, 1989, an amount equal to 4.8% of the taxpayer's net income for the taxable year.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax imposed by this subsection and subsection (c) of this Section in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced (but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code, equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200

(and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property or services rendered in conjunction with the sale of tangible consumer goods or commodities.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2003, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2003.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase

shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(g) Jobs Tax Credit; Enterprise Zone and Foreign Trade Zone or Sub-Zone.

(1) A taxpayer conducting a trade or business in an enterprise zone or a High Impact Business designated by the Department of Commerce and Community Affairs conducting a trade or business in a federally designated Foreign Trade Zone or Sub-Zone shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section in the amount of \$500 per eligible employee hired to work in the zone during the taxable year.

(2) To qualify for the credit:

(A) the taxpayer must hire 5 or more eligible employees to work in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone during the taxable year;

(B) the taxpayer's total employment within the enterprise zone or federally designated Foreign Trade Zone or Sub-Zone must increase by 5 or more full-time employees beyond the total employed in that zone at the end of the previous tax year for which a jobs tax credit under this Section was taken, or beyond the total employed by the taxpayer as of December 31, 1985, whichever is later; and

(C) the eligible employees must be employed 180 consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:

(A) Certified by the Department of Commerce and Community Affairs as "eligible for services" pursuant to regulations promulgated in accordance with Title II of the Job Training Partnership Act, Training Services for the Disadvantaged or Title III of the Job Training Partnership Act, Employment and Training Assistance for Dislocated Workers Program.

(B) Hired after the enterprise zone or federally designated Foreign Trade Zone or Sub-Zone was designated or the trade or business was located in that zone, whichever is later.

(C) Employed in the enterprise zone or Foreign Trade Zone or Sub-Zone. An employee is employed in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.

(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(5) The Department of Revenue shall promulgate such rules and regulations as may be deemed necessary to carry out the purposes of this subsection (g).

(6) The credit shall be available for eligible employees hired on or after January 1, 1986.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Community Affairs designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section

5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit.

For Beginning with tax years ending after July 1, 1990 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

~~Unless extended by law, the credit shall not include costs incurred after December 31, 2004, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2004.~~

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain

amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of \$100,000 per site, except that the \$100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs. The total credit allowed shall not exceed \$40,000 per year with a maximum total of \$150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed \$500. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of \$250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a

child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils. (35 ILCS 5/204) (from Ch. 120, par. 2-204)

Sec. 204. Standard Exemption. (a) Allowance of exemption. In computing net income under this Act, there shall be allowed as an exemption the sum of the amounts determined under subsections (b), (c) and (d), multiplied by a fraction the numerator of which is the amount of the taxpayer's base income allocable to this State for the taxable year and the denominator of which is the taxpayer's total base income for the taxable year.

(b) Basic amount. For the purpose of subsection (a) of this Section, except as provided by subsection (a) of Section 205 and in this subsection, each taxpayer shall be allowed a basic amount of \$1000, except that for corporations the basic amount shall be zero for tax years ending on or after December 31, 2003, and for individuals the basic amount shall be:

- (1) for taxable years ending on or after December 31, 1998 and prior to December 31, 1999, \$1,300;
- (2) for taxable years ending on or after December 31, 1999 and prior to December 31, 2000, \$1,650;
- (3) for taxable years ending on or after December 31, 2000, \$2,000.

For taxable years ending on or after December 31, 1992, a taxpayer whose Illinois base income exceeds the basic amount and who is claimed as a dependent on another person's tax return under the Internal Revenue Code of 1986 shall not be allowed any basic amount under this subsection.

(c) Additional amount for individuals. In the case of an individual taxpayer, there shall be allowed for the purpose of subsection (a), in addition to the basic amount provided by subsection (b), an additional exemption equal to the basic amount for each exemption in excess of one allowable to such individual taxpayer for the taxable year under Section 151 of the Internal Revenue Code.

(d) Additional exemptions for an individual taxpayer and his or her spouse. In the case of an individual taxpayer and his or her spouse, he or she shall each be allowed additional exemptions as follows:

- (1) Additional exemption for taxpayer or spouse 65 years of age or older.

(A) For taxpayer. An additional exemption of \$1,000 for the taxpayer if he or she has attained the age of 65 before the end of the taxable year.

(B) For spouse when a joint return is not filed. An additional exemption of \$1,000 for the spouse of the taxpayer if a joint return is not made by the taxpayer and his spouse, and if the spouse has attained the age of 65 before the end of such taxable year, and, for the calendar year in which the taxable year of the taxpayer begins, has no gross income and is not the dependent of another taxpayer.

- (2) Additional exemption for blindness of taxpayer or spouse.

(A) For taxpayer. An additional exemption of \$1,000 for the taxpayer if he or she is blind at the end of the taxable year.

(B) For spouse when a joint return is not filed. An additional exemption of \$1,000 for the spouse of the taxpayer if a separate return is made by the taxpayer, and if the spouse is blind and, for the calendar year in which the taxable year of the taxpayer begins, has no gross income and is not the dependent of another taxpayer. For purposes of this paragraph, the determination of whether the spouse is blind shall be made as of the end of the taxable year of the taxpayer; except that if the spouse dies during such taxable year such determination shall be made as of the time of such death.

(C) Blindness defined. For purposes of this subsection, an individual is blind only if his or her central visual acuity does not exceed 20/200 in the better eye with correcting lenses, or if his or her visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual fields subtends an angle no greater than 20 degrees.

- (e) Cross reference. See Article 3 for the manner of determining base income allocable to this State.

(f) Application of Section 250. Section 250 does not apply to the amendments to this Section made by Public Act 90-613. (Source: P.A. 90-613, eff. 7-9-98; 91-357, eff. 7-29-99.)

(35 ILCS 5/207) (from Ch. 120, par. 2-207)

Sec. 207. Net Losses. (a) If after applying all of the modifications provided for in paragraph (2) of Section 203(b), paragraph (2) of Section 203(c) and paragraph (2) of Section 203(d) and the allocation and apportionment provisions of Article 3 of this Act, the taxpayer's net income results in a loss;

(1) for any taxable year ending prior to December 31, 1999, such loss shall be allowed as a carryover or carryback deduction in the manner allowed under Section 172 of the Internal Revenue Code; ~~and~~

(2) for any taxable year ending on or after December 31, 1999 and prior to December 31, 2003, such loss shall be allowed as a carryback to each of the 2 taxable years preceding the taxable year of such loss and shall be a net operating carryover to each of the 20 taxable years following the taxable year of such loss; and

(3) for any taxable year ending on or after December 31, 2003, such loss shall be allowed as a net operating carryover to each of the 12 taxable years following the taxable year of such loss.

(a-5) Election to relinquish carryback and order of application of losses.

(A) For losses incurred in tax years ending prior to December 31, 2003, the taxpayer may elect to relinquish the entire carryback period with respect to such loss. Such election shall be made in the form and manner prescribed by the Department and shall be made by the due date (including extensions of time) for filing the taxpayer's return for the taxable year in which such loss is incurred, and such election, once made, shall be irrevocable.

(B) The entire amount of such loss shall be carried to the earliest taxable year to which such loss may be carried. The amount of such loss which shall be carried to each of the other taxable years shall be the excess, if any, of the amount of such loss over the sum of the deductions for carryback or carryover of such loss allowable for each of the prior taxable years to which such loss may be carried.

(b) Any loss determined under subsection (a) of this Section must be carried back or carried forward in the same manner for purposes of subsections (a) and (b) of Section 201 of this Act as for purposes of subsections (c) and (d) of Section 201 of this Act. (Source: P.A. 91-541, eff. 8-13-99.)

Section 10. The Illinois Insurance Code is amended by changing Sections 445 and 531.13 as follows: (215 ILCS 5/445) (from Ch. 73, par. 1057)

Sec. 445. Surplus line. (1) Surplus line defined; surplus line insurer requirements. Surplus line insurance is insurance on an Illinois risk of the kinds specified in Classes 2 and 3 of Section 4 of this Code procured from an unauthorized insurer or a domestic surplus line insurer as defined in Section 445a after the insurance producer representing the insured or the surplus line producer is unable, after diligent effort, to procure said insurance from insurers which are authorized to transact business in this State other than domestic surplus line insurers as defined in Section 445a.

Insurance producers may procure surplus line insurance only if licensed as a surplus line producer under this Section and may procure that insurance only from an unauthorized insurer or from a domestic surplus line insurer as defined in Section 445a:

(a) that based upon information available to the surplus line producer has a policyholders surplus of not less than \$15,000,000 determined in accordance with accounting rules that are applicable to authorized insurers; and

(b) that has standards of solvency and management that are adequate for the protection of policyholders; and

(c) where an unauthorized insurer does not meet the standards set forth in (a) and (b) above, a surplus line producer may, if necessary, procure insurance from that insurer only if prior written warning of such fact or condition is given to the insured by the insurance producer or surplus line producer.

(2) Surplus line producer; license. Any licensed producer who is a resident of this State, or any nonresident who qualifies under Section 500-40, may be licensed as a surplus line producer upon:

(a) completing a preclicensing course of study. The course provided for by this Section shall be conducted under rules and regulations prescribed by the Director. The Director may administer the course or may make arrangements, including contracting with an outside educational service, for administering the course and collecting the non-refundable application fee provided for in this subsection. Any charges assessed by the Director or the educational service for administering the course shall be paid directly by the individual applicants. Any surplus line producer who fails to pay the full amount due under this subsection is liable, in addition to the amount due, for such penalty and interest charges as are provided for under Section 412 of this Code. The Director, through the Attorney General, may institute an action in the name of the People of the State of Illinois, in any court of competent jurisdiction, for the recovery of the amount of such taxes and penalties due, and prosecute the same to final judgment, and take such steps as are necessary to collect the same.

Insurance contracts delivered under this Section from unauthorized insurers shall contain a provision designating the Director and his successors in office the true and lawful attorney of the insurer upon whom may be served all lawful process in any action, suit or proceeding arising out of such insurance. (c) The city health care plans referred to in this Section and the board's payments to the city under this Section are not and shall not be construed to be pension or retirement benefits for the purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

~~(a) For the purposes of this Section: (1) "annuitant" means a person receiving an age and service annuity, a prior service annuity, a widow's annuity, a widow's prior service annuity, or a minimum annuity, under Article 5, 6, 8 or 11, by reason of previous employment by the City of Chicago (hereinafter, in this Section, "the city"); (2) "Medicare Plan annuitant" means an annuitant described in item (1) who is eligible for Medicare benefits; and (3) "non Medicare Plan annuitant" means an annuitant described in item (1) who is not eligible for Medicare benefits.~~

~~(b) The city shall offer group health benefits to annuitants and their eligible dependents through June 30, 2003. The basic city health care plan available as of June 30, 1988 (hereinafter called the basic city plan) shall cease to be a plan offered by the city, except as specified in subparagraphs (4) and (5) below, and shall be closed to new enrollment or transfer of coverage for any non-Medicare Plan annuitant as of June 27, 1997. The city shall offer non-Medicare Plan annuitants and their eligible dependents the option of enrolling in its Annuitant Preferred Provider Plan and may offer additional plans for any annuitant. If the city offers more than one annuitant plan, the city shall allow annuitants to convert coverage from one city annuitant plan to another, except the basic city plan, during times designated by the city, which periods of time shall occur at least annually. For the period dating from June 27, 1997 through June 30, 2003, monthly premium rates may be increased for annuitants during the time of their participation in non-Medicare plans, except as provided in subparagraphs (1) through (4) of this subsection.~~

~~(2) For non-Medicare Plan annuitants who retire on or after January 1, 1988, the annuitant's share~~

[May 30, 2003]

of monthly premium for non-Medicare Plan coverage only shall be the rate in effect on December 1, 1996, with monthly premium increases to take effect no sooner than April 1, 1998 at the lower of (i) the premium rate determined pursuant to subsection (g) or (ii) 10% of the immediately previous month's rate for similar coverage.

(3) In no event shall any non-Medicare Plan annuitant's share of monthly premium for non-Medicare Plan coverage exceed 10% of the annuitant's monthly annuity.

(4) Non-Medicare Plan annuitants who are enrolled in the basic city plan as of July 1, 1998 may remain in the basic city plan, if they so choose, on the condition that they are not entitled to the caps on rates set forth in subparagraphs (1) through (3), and their premium rate shall be the rate determined in accordance with subsections (c) and (g).

(5) Medicare Plan annuitants who are currently enrolled in the basic city plan for Medicare eligible annuitants may remain in that plan, if they so choose, through June 30, 2003. Annuitants shall not be allowed to enroll in or transfer into the basic city plan for Medicare eligible annuitants on or after July 1, 1999. The city shall continue to offer annuitants a supplemental Medicare Plan for Medicare eligible annuitants through June 30, 2003, and the city may offer additional plans to Medicare eligible annuitants in its sole discretion. All Medicare Plan annuitant monthly rates shall be determined in accordance with subsections (c) and (g).

(c) The city shall pay 50% of the aggregated costs of the claims or premiums, whichever is applicable, as determined in accordance with subsection (g), of annuitants and their dependents under all health care plans offered by the city. The city may reduce its obligation by application of price reductions obtained as a result of financial arrangements with providers or plan administrators.

(d) From January 1, 1993 until June 30, 2003, the board shall pay to the city on behalf of each of the board's annuitants who chooses to participate in any of the city's plans the following amounts: up to a maximum of \$75 per month for each such annuitant who is not qualified to receive medicare benefits, and up to a maximum of \$45 per month for each such annuitant who is qualified to receive medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 5-168; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(e) The city's obligations under subsections (b) and (c) shall terminate on June 30, 2003, except with regard to covered expenses incurred but not paid as of that date. This subsection shall not affect other obligations that may be imposed by law.

(f) The group coverage plans described in this Section are not and shall not be construed to be pension or retirement benefits for purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

(g) For each annuitant plan offered by the city, the aggregate cost of claims, as reflected in the claim records of the plan administrator, shall be estimated by the city, based upon a written determination by a qualified independent actuary to be appointed and paid by the city and the board. If the estimated annual cost for each annuitant plan offered by the city is more than the estimated amount to be contributed by the city for that plan pursuant to subsections (b) and (c) during that year plus the estimated amounts to be paid pursuant to subsection (d) and by the other pension boards on behalf of other participating annuitants, the difference shall be paid by all annuitants participating in the plan, except as provided in subsection (b). The city, based upon the determination of the independent actuary, shall set the monthly amounts to be paid by the participating annuitants. The board may deduct the amounts to be paid by its annuitants from the participating annuitants' monthly annuities.

If it is determined from the city's annual audit, or from audited experience data, that the total amount paid by all participating annuitants was more or less than the difference between (1) the cost of providing the group health care plans, and (2) the sum of the amount to be paid by the city as determined under subsection (c) and the amounts paid by all the pension boards, then the independent actuary and the city shall account for the excess or shortfall in the next year's payments by annuitants, except as provided in subsection (b).

(h) An annuitant may elect to terminate coverage in a plan at the end of any month, which election shall terminate the annuitant's obligation to contribute toward payment of the excess described in subsection (g).

(i) The city shall advise the board of all proposed premium increases for health care at least 75 days prior to the effective date of the change, and any increase shall be prospective only. (Source: P.A. 92-599, eff. 6-28-02.)

(1) For non-Medicare Plan annuitants who retired prior to January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall not exceed the highest premium rate chargeable under any city non-Medicare Plan annuitant coverage as of December 1, 1996.

(3) In no event shall any non-Medicare Plan annuitant's share of monthly premium for non-Medicare Plan coverage exceed 10% of the annuitant's monthly annuity.

(4) Non-Medicare Plan annuitants who are enrolled in the basic city plan as of July 1, 1998 may remain in the basic city plan, if they so choose, on the condition that they are not entitled to the caps on rates set forth in subparagraphs (1) through (3), and their premium rate shall be the rate determined in accordance with subsections (e) and (g).

(1) For non-Medicare Plan annuitants who retired prior to January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall not exceed the highest premium rate chargeable under any city non-Medicare Plan annuitant coverage as of December 1, 1996.

(2) For non-Medicare Plan annuitants who retire on or after January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall be the rate in effect on December 1, 1996, with monthly premium increases to take effect no sooner than April 1, 1998 at the lower of (i) the premium rate determined pursuant to subsection (g) or (ii) 10% of the immediately previous month's rate for similar coverage.

(3) In no event shall any non-Medicare Plan annuitant's share of monthly premium for non-Medicare Plan coverage exceed 10% of the annuitant's monthly annuity.

(4) Non-Medicare Plan annuitants who are enrolled in the basic city plan as of July 1, 1998 may remain in the basic city plan, if they so choose, on the condition that they are not entitled to the caps on rates set forth in subparagraphs (1) through (3), and their premium rate shall be the rate determined in accordance with subsections (c) and (g).

(5) Medicare Plan annuitants who are currently enrolled in the basic city plan for Medicare eligible annuitants may remain in that plan, if they so choose, through June 30, 2003. Annuitants shall not be allowed to enroll in or transfer into the basic city plan for Medicare eligible annuitants on or after July 1, 1999. The city shall continue to offer annuitants a supplemental Medicare Plan for Medicare eligible annuitants through June 30, 2003, and the city may offer additional plans to Medicare eligible annuitants in its sole discretion. All Medicare Plan annuitant monthly rates shall be determined in accordance with subsections (c) and (g).

(c) The city shall pay 50% of the aggregated costs of the claims or premiums, whichever is applicable, as determined in accordance with subsection (g), of annuitants and their dependents under all health care plans offered by the city. The city may reduce its obligation by application of price reductions obtained as a result of financial arrangements with providers or plan administrators.

(d) From January 1, 1993 until June 30, 2003, the board shall pay to the city on behalf of each of the board's annuitants who chooses to participate in any of the city's plans the following amounts: up to a maximum of \$75 per month for each such annuitant who is not qualified to receive Medicare benefits, and up to a maximum of \$45 per month for each such annuitant who is qualified to receive Medicare benefits.

Commencing on August 23, 1989, the board is authorized to pay to the board of education on behalf of each person who chooses to participate in the board of education's plan the amounts specified in this subsection (d) during the years indicated. For the period January 1, 1988 through August 23, 1989, the board shall pay to the board of education annuitants who participate in the board of education's health benefits plan for annuitants the following amounts: \$10 per month to each annuitant who is not qualified to receive Medicare benefits, and \$14 per month to each annuitant who is qualified to receive Medicare benefits.

The payments described in this subsection shall be paid from the tax levy authorized under Section 8-189; such amounts shall be credited to the reserve for group hospital care and group medical and surgical plan benefits, and all payments to the city required under this subsection shall be charged against it.

(e) The city's obligations under subsections (b) and (c) shall terminate on June 30, 2003, except with regard to covered expenses incurred but not paid as of that date. This subsection shall not affect other obligations that may be imposed by law.

(f) The group coverage plans described in this Section are not and shall not be construed to be

pension or retirement benefits for purposes of Section 5 of Article XIII of the Illinois Constitution of 1970.

(g) For each annuitant plan offered by the city, the aggregate cost of claims, as reflected in the claim records of the plan administrator, shall be estimated by the city, based upon a written determination by a qualified independent actuary to be appointed and paid by the city and the board. If the estimated annual cost for each annuitant plan offered by the city is more than the estimated amount to be contributed by the city for that plan pursuant to subsections (b) and (c) during that year plus the estimated amounts to be paid pursuant to subsection (d) and by the other pension boards on behalf of other participating annuitants, the difference shall be paid by all annuitants participating in the plan, except as provided in subsection (b). The city, based upon the determination of the independent actuary, shall set the monthly amounts to be paid by the participating annuitants. The board may deduct the amounts to be paid by its annuitants from the participating annuitants' monthly annuities.

If it is determined from the city's annual audit, or from audited experience data, that the total amount paid by all participating annuitants was more or less than the difference between (1) the cost of providing the group health care plans, and (2) the sum of the amount to be paid by the city as determined under subsection (c) and the amounts paid by all the pension boards, then the independent actuary and the city shall account for the excess or shortfall in the next year's payments by annuitants, except as provided in subsection (b).

(h) An annuitant may elect to terminate coverage in a plan at the end of any month, which election shall terminate the annuitant's obligation to contribute toward payment of the excess described in subsection (g).

(i) The city shall advise the board of all proposed premium increases for health care at least 75 days prior to the effective date of the change, and any increase shall be prospective only. (Source: P.A. 92-599, eff. 6-28-02.)

(1) For non-Medicare Plan annuitants who retired prior to January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall not exceed the highest premium rate chargeable under any city non-Medicare Plan annuitant coverage as of December 1, 1996.

(2) For non-Medicare Plan annuitants who retire on or after January 1, 1988, the annuitant's share of monthly premium for non-Medicare Plan coverage only shall be the rate in effect on December 1, 1996, with monthly premium increases to take effect no sooner than April 1, 1998 at the lower of (i) the premium rate determined pursuant to subsection (g) or (ii) 10% of the immediately previous month's rate for similar coverage.

Annuitants shall not be allowed to enroll in or transfer into the basic city plan for Medicare eligible annuitants on or after July 1, 1999. The city shall continue to offer annuitants a supplemental Medicare Plan for Medicare eligible annuitants through June 30, 2003, and the city may offer additional plans to Medicare eligible annuitants in its sole discretion. (g) For each annuitant plan offered by the city, the aggregate cost of claims, as reflected in the claim records of the plan administrator, shall be estimated by the city, based upon a written determination by a qualified independent actuary to be appointed and paid by the city and the board. If the estimated annual cost for each annuitant plan offered by the city is more than the estimated amount to be contributed by the city for that plan pursuant to subsections (b) and (e) during that year plus the estimated amounts to be paid pursuant to subsection (d) and by the other pension boards on behalf of other participating annuitants, the difference shall be paid by all annuitants participating in the plan, except as provided in subsection (b). (225 ILCS 46/25)

Sec. 25. Persons ineligible to be hired by health care employers. (a) After January 1, 1996, or January 1, 1997, as applicable, no health care employer shall knowingly hire, employ, or retain any individual in a position with duties involving direct care for clients, patients, or residents, who has been convicted of committing or attempting to commit one or more of the offenses defined in Sections 8-1.1, 8-1.2, 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.1, 9-3.2, 9-3.3, 10-1, 10-2, 10-3, 10-3.1, 10-4, 10-5, 10-7, 11-6, 11-9.1, 11-19.2, 11-20.1, 12-1, 12-2, 12-3, 12-3.1, 12-3.2, 12-4, 12-4.1, 12-4.2, 12-4.3, 12-4.4, 12-4.5, 12-4.6, 12-4.7, 12-7.4, 12-11, 12-13, 12-14, 12-14.1, 12-15, 12-16, 12-19, 12-21, 12-21.6, 12-32, 12-33, 16-1, 16-1.3, 16A-3, 17-3, 18-1, 18-2, 18-3, 18-4, 18-5, 19-1, 19-3, 19-4, 20-1, 20-1.1, 24-1, 24-1.2, 24-1.5, or 33A-2 of the Criminal Code of 1961; those provided in Section 4 of the Wrongs to Children Act; those provided in Section 53 of the Criminal Jurisprudence Act; those defined in Section 5, 5.1, 5.2, 7, or 9 of the Cannabis Control Act; or those defined in Sections 401, 401.1, 404, 405, 405.1, 407, or 407.1 of the Illinois Controlled Substances Act, unless the applicant or employee obtains a waiver pursuant to Section 40.

(a-1) After January 1, 2004, no health care employer shall knowingly hire any individual in a position with duties involving direct care for clients, patients, or residents who has (i) been convicted of committing or attempting to commit one or more of the offenses defined in Section 12-3.3, 12-4.2-5, 16-2, 16G-15, 16G-20, 18-5, 20-1.2, 24-1.1, 24-1.2-5, 24-1.6, 24-3.2, or 24-3.3 of the Criminal Code of 1961; Section 4, 5, 6, 8, or 17.02 of the Illinois Credit Card and Debit Card Act; or Section 5.1 of the Wrongs to Children Act; or (ii) violated Section 10-5 of the Nursing and Advanced Practice Nursing Act.

A UCIA criminal history record check need not be redone for health care employees who have been continuously employed by a health care employer since January 1, 2004, but nothing in this Section prohibits a health care employer from initiating a criminal history check for these employees.

ANTHONY D. ROSSI, Clerk of the House

AMENDMENT NO. 1

AMENDMENT NO. 1. Amend Senate Bill 788 by replacing everything after the enacting clause with the following:

"Section 5. The Criminal Identification Act is amended by changing Section 5 and adding Sections 11, 12, and 13 as follows:

(20 ILCS 2630/5) (from Ch. 38, par. 206-5)

Sec. 5. Arrest reports; expungement. (a) All policing bodies of this State shall furnish to the Department, daily, in the form and detail the Department requires, fingerprints and descriptions of all persons who are arrested on charges of violating any penal statute of this State for offenses that are classified as felonies and Class A or B misdemeanors and of all minors of the age of 10 and over who have been arrested for an offense which would be a felony if committed by an adult, and may forward such fingerprints and descriptions for minors arrested for Class A or B misdemeanors. Moving or nonmoving traffic violations under the Illinois Vehicle Code shall not be reported except for violations of Chapter 4, Section 11-204.1, or Section 11-501 of that Code. In addition, conservation offenses, as defined in the Supreme Court Rule 501(c), that are classified as Class B misdemeanors shall not be reported.

Whenever an adult or minor prosecuted as an adult, not having previously been convicted of any criminal offense or municipal ordinance violation, charged with a violation of a municipal ordinance or a felony or misdemeanor, is acquitted or released without being convicted, whether the acquittal or release occurred before, on, or after the effective date of this amendatory Act of 1991, the Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial may upon verified petition of the defendant order the record of arrest expunged from the official records of the arresting authority and the Department and order that the records of the clerk of the circuit court be sealed until further order of the court upon good cause shown and the name of the defendant obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal the records, and the fee shall be deposited into the State Police Services Fund. The records of those arrests, however, that result in a disposition of supervision for any offense shall not be expunged from the records of the arresting authority or the Department nor impounded by the court until 2 years after discharge and dismissal of supervision. Those records that result from a supervision for a violation of Section 3-707, 3-708, 3-710, 5-401.3, or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, or for a violation of Section 12-3.2, 12-15 or 16A-3 of the Criminal Code of 1961, or probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act when the judgment of conviction has been vacated, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act when the judgment of conviction has been vacated, or Section 10 of the Steroid Control Act shall not be expunged from the records of the arresting authority nor impounded by the court until 5 years after termination of probation or supervision. Those

[May 30, 2003]

records that result from a supervision for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, shall not be expunged. All records set out above may be ordered by the court to be expunged from the records of the arresting authority and impounded by the court after 5 years, but shall not be expunged by the Department, but shall, on court order be sealed by the Department and may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual.

(a-5) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(b) Whenever a person has been convicted of a crime or of the violation of a municipal ordinance, in the name of a person whose identity he has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the chief judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the clerk of the circuit court shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used. For purposes of this Section, convictions for moving and nonmoving traffic violations other than convictions for violations of Chapter 4, Section 11-204.1 or Section 11-501 of the Illinois Vehicle Code shall not be a bar to expunging the record of arrest and court records for violation of a misdemeanor or municipal ordinance.

(c) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he may, upon verified petition to the chief judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, may have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he had been pardoned but the order shall not affect any index issued by the circuit court clerk before the entry of the order. All records sealed by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or similar offense or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual. Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person who was pardoned.

(c-5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the defendant's trial to have a court order entered to seal the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the clerk of the circuit court in connection with the proceedings of the trial court concerning the offense available for public inspection.

(d) Notice of the petition for subsections (a), (b), and (c) shall be served upon the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government affecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to the petition within 30 days from the date of the notice, the court shall enter an order granting or denying the petition. The clerk of the court shall promptly mail a copy of the order to the person, the

arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge.

(e) Nothing herein shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 12-4.3 of the Criminal Code of 1961, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(f) No court order issued pursuant to the expungement provisions of this Section shall become final for purposes of appeal until 30 days after notice is received by the Department. Any court order contrary to the provisions of this Section is void.

(g) Except as otherwise provided in subsection (c-5) of this Section, the court shall not order the sealing or expungement of the arrest records and records of the circuit court clerk of any person granted supervision for or convicted of any sexual offense committed against a minor under 18 years of age. For the purposes of this Section, "sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(h) (1) Notwithstanding any other provision of this Act to the contrary and cumulative with any rights to expungement of criminal records, whenever an adult or minor prosecuted as an adult charged with a violation of a municipal ordinance or a misdemeanor is acquitted or released without being convicted, or if the person is convicted but the conviction is reversed, or if the person has been placed on supervision for a misdemeanor and has not been convicted of a felony or misdemeanor or placed on supervision for a misdemeanor within 3 years after the acquittal or release or reversal of conviction, or the completion of the terms and conditions of the supervision, if the acquittal, release, finding of not guilty, or reversal of conviction occurred on or after the effective date of this amendatory Act of the 93rd General Assembly, the Chief Judge of the circuit in which the charge was brought may have the official records of the arresting authority, the Department, and the clerk of the circuit court sealed 3 years after the dismissal of the charge, the finding of not guilty, the reversal of conviction, or the completion of the terms and conditions of the supervision, except those records are subject to inspection and use by the court for the purposes of subsequent sentencing for misdemeanor and felony violations and inspection and use by law enforcement agencies and State's Attorneys or other prosecutors in carrying out the duties of their offices. This subsection (h) does not apply to persons placed on supervision for: (1) a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; (2) a misdemeanor violation of Article 11 of the Criminal Code of 1961 or a similar provision of a local ordinance; (3) a misdemeanor violation of Section 12-15, 12-30, or 26-5 of the Criminal Code of 1961 or a similar provision of a local ordinance; (4) a misdemeanor violation that is a crime of violence as defined in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance; (5) a Class A misdemeanor violation of the Humane Care for Animals Act; or (6) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act.

(2) Upon acquittal, release without conviction, or being placed on supervision, the person charged with the offense shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records. Three years after the dismissal of the charge, the finding of not guilty, the reversal of conviction, or the completion of the terms and conditions of the supervision, the defendant shall provide the clerk of the court with a notice of request for sealing of records and payment of the applicable fee and a current address and shall promptly notify the clerk of the court of any change of address. The clerk shall promptly serve notice that the person's records are to be sealed on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest. Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency or such chief legal officer objects to sealing of the records within 90 days of notice the court shall enter an order sealing the defendant's records 3 years after the dismissal of the charge, the finding of not guilty, the reversal of conviction, or the completion of the terms and conditions of the supervision. The clerk of the court shall promptly serve by mail or in person a copy of the order to the person, the arresting agency, the prosecutor, the Department of State Police and such other criminal justice agencies as may be ordered by the judge. If an objection is filed, the court shall set a date for hearing. At the hearing the court shall hear evidence on whether the sealing of the records should or should not be granted.

(3) The clerk may charge a fee equivalent to the cost associated with the sealing of records by the clerk and the Department of State Police. The clerk shall forward the Department of State Police portion of the fee to the Department and it shall be deposited into the State Police Services Fund.

(4) Whenever sealing of records is required under this subsection (h), the notification of the sealing must be given by the circuit court where the arrest occurred to the Department in a form and manner prescribed by the Department.

(5) An adult or a minor prosecuted as an adult who was charged with a violation of a municipal ordinance or a misdemeanor who was acquitted, released without being convicted, convicted and the conviction was reversed, or placed on supervision for a misdemeanor before the date of this amendatory Act of the 93rd General Assembly and was not convicted of a felony or misdemeanor or placed on supervision for a misdemeanor for 3 years after the acquittal or release or reversal of conviction, or completion of the terms and conditions of the supervision may petition the Chief Judge of the circuit in which the charge was brought, any judge of that circuit in which the charge was brought, any judge of the circuit designated by the Chief Judge, or, in counties of less than 3,000,000 inhabitants, the presiding trial judge at that defendant's trial, to seal the official records of the arresting authority, the Department, and the clerk of the court, except those records are subject to inspection and use by the court for the purposes of subsequent sentencing for misdemeanor and felony violations and inspection and use by law enforcement agencies, the Department of Corrections, and State's Attorneys and other prosecutors in carrying out the duties of their offices. This subsection (h) does not apply to persons placed on supervision for: (1) a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; (2) a misdemeanor violation of Article 11 of the Criminal Code of 1961 or a similar provision of a local ordinance; (3) a misdemeanor violation of Section 12-15, 12-30, or 26-5 of the Criminal Code of 1961 or a similar provision of a local ordinance; (4) a misdemeanor violation that is a crime of violence as defined in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance; (5) a Class A misdemeanor violation of the Humane Care for Animals Act; or (6) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act. Sec. 2-3.25g. Waiver or modification of mandates within the School Code and administrative rules and regulations. Notwithstanding any other provisions of this School Code or any other law of this State to the contrary, school districts may petition the State Board of Education for the waiver or modification of the mandates of this School Code or of the administrative rules and regulations promulgated by the State Board of Education. Waivers or modifications of administrative rules and regulations and modifications of mandates of this School Code may be requested when a school district demonstrates that it can address the intent of the rule or mandate in a more effective, efficient, or economical manner or when necessary to stimulate innovation or improve student performance. Waivers of mandates of the School Code may be requested when the waivers are necessary to stimulate innovation or improve student performance. Waivers may not be requested from laws, rules, and regulations pertaining to special education, teacher certification, or teacher tenure and seniority or from compliance with the No Child Left Behind Act of 2001 (Public Law 107-110).

School districts, as a matter of inherent managerial policy, and any Independent Authority established under Section 2-3.25f may submit an application for a waiver or modification authorized under this Section. Each application must include a written request by the school district or Independent Authority and must demonstrate that the intent of the mandate can be addressed in a more effective, efficient, or economical manner or be based upon a specific plan for improved student performance and school improvement. Any district requesting a waiver or modification for the reason that intent of the mandate can be addressed in a more economical manner shall include in the application a fiscal analysis showing current expenditures on the mandate and projected savings resulting from the waiver or modification. Applications and plans developed by school districts must be approved by each board of education following a public hearing on the application and plan and the opportunity for the board to hear testimony from educators directly involved in its implementation, parents, and students. The public hearing must be preceded by at least one published notice occurring at least 7 days prior to the hearing in a newspaper of general circulation within the school district that sets forth the time, date, place, and general subject matter of the hearing. The school district must notify in writing the affected exclusive collective bargaining agent of the district's intent to seek approval of a waiver or modification and of the hearing to be held to take testimony from educators. The affected exclusive collective bargaining agents shall be notified of such public hearing at least 7 days prior to the date of the hearing and shall be allowed to attend such public hearing.

A request for a waiver or modification of administrative rules and regulations or for a modification of mandates contained in this School Code shall be submitted to the State Board of Education within 15 days after approval by the board of education. Following receipt of the request, the State Board shall have 45 days to review the application and request. If the State Board fails to disapprove the application within that 45 day period, the waiver or modification shall be deemed granted. The State Board may disapprove any request if it is not based upon sound educational practices, endangers the health or safety of students or staff, compromises equal opportunities for learning, or fails to demonstrate that the intent of the rule or mandate can be addressed in a more effective, efficient, or economical manner or have improved student performance as a primary goal. Any request disapproved by the State Board may be appealed to the General Assembly by the requesting school district as outlined in this Section.

A request for a waiver from mandates contained in this School Code shall be submitted to the State Board within 15 days after approval by the board of education. The State Board shall review the applications and requests for completeness and shall compile the requests in reports to be filed with the General Assembly. The State Board shall file reports outlining the waivers requested by school districts and appeals by school districts of requests disapproved by the State Board with the Senate and the House of Representatives before each May 1 and October 1. The General Assembly may disapprove the report of the State Board in whole or in part within 30 calendar days after each house of the General Assembly next convenes after the report is filed by adoption of a resolution by a record vote of the majority of members elected in each house. If the General Assembly fails to disapprove any waiver request or appealed request within such 30 day period, the waiver or modification shall be deemed granted. Any resolution adopted by the General Assembly disapproving a report of the State Board in whole or in part shall be binding on the State Board.

[May 30, 2003]

An approved waiver or modification may remain in effect for a period not to exceed 5 school years and may be renewed upon application by the school district. However, such waiver or modification may be changed within that 5-year period by a local school district board following the procedure as set forth in this Section for the initial waiver or modification request. If neither the State Board of Education nor the General Assembly disapproves, the change is deemed granted.

On or before February 1, 1998, and each year thereafter, the State Board of Education shall submit a cumulative report summarizing all types of waiver mandates and modifications of mandates granted by the State Board or the General Assembly. The report shall identify the topic of the waiver along with the number and percentage of school districts for which the waiver has been granted. The report shall also include any recommendations from the State Board regarding the repeal or modification of waived mandates. #### AMENDMENT NO. 1 TO SENATE BILL 1650

AMENDMENT NO. 1 \_\_\_\_\_. Amend Senate Bill 1650 by replacing everything after the enacting clause with the following:

"Section 5. The Juvenile Court Act of 1987 is amended by changing Section 1-5 as follows:

(705 ILCS 405/1-5) (from Ch. 37, par. 801-5)

Sec. 1-5. Rights of parties to proceedings. (1) Except as provided in this Section and paragraph (2) of Sections 2-22, 3-23, 4-20, 5-610 or 5-705, the minor who is the subject of the proceeding and his parents, guardian, legal custodian or responsible relative who are parties respondent have the right to be present, to be heard, to present evidence material to the proceedings, to cross-examine witnesses, to examine pertinent court files and records and also, although proceedings under this Act are not intended to be adversary in character, the right to be represented by counsel. At the request of any party financially unable to employ counsel, with the exception of a foster parent permitted to intervene under this Section, the court shall appoint the Public Defender or such other counsel as the case may require. Counsel appointed for the minor and any indigent party shall appear at all stages of the trial court proceeding, and such appointment shall continue through the permanency hearings and termination of parental rights proceedings subject to withdrawal or substitution pursuant to Supreme Court Rules or the Code of Civil Procedure. Following the dispositional hearing, the court may require appointed counsel, other than counsel for the minor or counsel for the guardian ad litem, to withdraw his or her appearance upon failure of the party for whom counsel was appointed under this Section to attend any subsequent proceedings.

No hearing on any petition or motion filed under this Act may be commenced unless the minor who is the subject of the proceeding is represented by counsel. Notwithstanding the preceding sentence, if a guardian ad litem has been appointed for the minor under Section 2-17 of this Act and the guardian ad litem is a licensed attorney at law of this State, or in the event that a court appointed special advocate has been appointed as guardian ad litem and counsel has been appointed to represent the court appointed special advocate, the court may not require the appointment of counsel to represent the minor unless the court finds that the minor's interests are in conflict with what the guardian ad litem determines to be in the best interest of the minor. Each adult respondent shall be furnished a written "Notice of Rights" at or before the first hearing at which he or she appears.

(1.5) The Department shall maintain a system of response to inquiry made by parents or putative parents as to whether their child is under the custody or guardianship of the Department; and if so, the

[May 30, 2003]

Department shall direct the parents or putative parents to the appropriate court of jurisdiction, including where inquiry may be made of the clerk of the court regarding the case number and the next scheduled court date of the minor's case. Effective notice and the means of accessing information shall be given to the public on a continuing basis by the Department.

(2) (a) Though not appointed guardian or legal custodian or otherwise made a party to the proceeding, any current or previously appointed foster parent or relative caregiver, or representative of an agency or association interested in the minor has the right to be heard by the court, but does not thereby become a party to the proceeding.

In addition to the foregoing right to be heard by the court, any current foster parent or relative caregiver of a minor and the agency designated by the court or the Department of Children and Family Services as custodian of the minor who is alleged to be or has been adjudicated an abused or neglected minor under Section 2-3 or a dependent minor under Section 2-4 of this Act has the right to and shall be given adequate notice at all stages of any hearing or proceeding under this Act.

Any foster parent or relative caregiver who is denied his or her right to be heard under this Section may bring a mandamus action under Article XIV of the Code of Civil Procedure against the court or any public agency to enforce that right. The mandamus action may be brought immediately upon the denial of those rights but in no event later than 30 days after the foster parent has been denied the right to be heard.

(b) If after an adjudication that a minor is abused or neglected as provided under Section 2-21 of this Act and a motion has been made to restore the minor to any parent, guardian, or legal custodian found by the court to have caused the neglect or to have inflicted the abuse on the minor, a foster parent may file a motion to intervene in the proceeding for the sole purpose of requesting that the minor be placed with the foster parent, provided that the foster parent (i) is the current foster parent of the minor or (ii) has previously been a foster parent for the minor for one year or more, has a foster care license or is eligible for a license, and is not the subject of any findings of abuse or neglect of any child. The juvenile court may only enter orders placing a minor with a specific foster parent under this subsection (2)(b) and nothing in this Section shall be construed to confer any jurisdiction or authority on the juvenile court to issue any other orders requiring the appointed guardian or custodian of a minor to place the minor in a designated foster home or facility. This Section is not intended to encompass any matters that are within the scope or determinable under the administrative and appeal process established by rules of the Department of Children and Family Services under Section 5(o) of the Children and Family Services Act. Nothing in this Section shall relieve the court of its responsibility, under Section 2-14(a) of this Act to act in a just and speedy manner to reunify families where it is the best interests of the minor and the child can be cared for at home without endangering the child's health or safety and, if reunification is not in the best interests of the minor, to find another permanent home for the minor. Nothing in this Section, or in any order issued by the court with respect to the placement of a minor with a foster parent, shall impair the ability of the Department of Children and Family Services, or anyone else authorized under Section 5 of the Abused and Neglected Child Reporting Act, to remove a minor from the home of a foster parent if the Department of Children and Family Services or the person removing the minor has reason to believe that the circumstances or conditions of the minor are such that continuing in the residence or care of the foster parent will jeopardize the child's health and safety or present an imminent risk of harm to that minor's life.

(c) If a foster parent has had the minor who is the subject of the proceeding under Article II in his or her home for more than one year on or after July 3, 1994 and if the minor's placement is being terminated from that foster parent's home, that foster parent shall have standing and intervenor status except in those circumstances where the Department of Children and Family Services or anyone else authorized under Section 5 of the Abused and Neglected Child Reporting Act has removed the minor from the foster parent because of a reasonable belief that the circumstances or conditions of the minor are such that continuing in the residence or care of the foster parent will jeopardize the child's health or safety or presents an imminent risk of harm to the minor's life.

(d) The court may grant standing to any foster parent if the court finds that it is in the best interest of the child for the foster parent to have standing and intervenor status.

(3) Parties respondent are entitled to notice in compliance with Sections 2-15 and 2-16, 3-17 and 3-18, 4-14 and 4-15 or 5-525 and 5-530, as appropriate. At the first appearance before the court by the minor, his parents, guardian, custodian or responsible relative, the court shall explain the nature of the proceedings and inform the parties of their rights under the first 2 paragraphs of this Section.

If the child is alleged to be abused, neglected or dependent, the court shall admonish the parents that if the court declares the child to be a ward of the court and awards custody or guardianship to the Department of Children and Family Services, the parents must cooperate with the Department of

Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.

Upon an adjudication of wardship of the court under Sections 2-22, 3-23, 4-20 or 5-705, the court shall inform the parties of their right to appeal therefrom as well as from any other final judgment of the court.

When the court finds that a child is an abused, neglected, or dependent minor under Section 2-21, the court shall admonish the parents that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.

When the court declares a child to be a ward of the court and awards guardianship to the Department of Children and Family Services under Section 2-22, the court shall admonish the parents, guardian, custodian, or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.

(4) No sanction may be applied against the minor who is the subject of the proceedings by reason of his refusal or failure to testify in the course of any hearing held prior to final adjudication under Section 2-22, 3-23, 4-20 or 5-705.

(5) In the discretion of the court, the minor may be excluded from any part or parts of a dispositional hearing and, with the consent of the parent or parents, guardian, counsel or a guardian ad litem, from any part or parts of an adjudicatory hearing.

(6) The general public except for the news media and the victim shall be excluded from any hearing and, except for the persons specified in this Section only persons, including representatives of agencies and associations, who in the opinion of the court have a direct interest in the case or in the work of the court shall be admitted to the hearing. However, the court may, for the minor's safety and protection and for good cause shown, prohibit any person or agency present in court from further disclosing the minor's identity. Nothing in this subsection (6) prevents the court from allowing other juveniles to be present or to participate in a court session being held under the Juvenile Drug Court Treatment Act.

(7) A party shall not be entitled to exercise the right to a substitution of a judge without cause under subdivision (a)(2) of Section 2-1001 of the Code of Civil Procedure in a proceeding under this Act if the judge is currently assigned to a proceeding involving the alleged abuse, neglect, or dependency of the minor's sibling or half sibling and that judge has made a substantive ruling in the proceeding involving the minor's sibling or half sibling. #### HOUSE BILL RECALLED

Senator Harmon offered the following amendment and moved its adoption:

#### AMENDMENT NO. 1

AMENDMENT NO. 1\_\_\_\_. Amend House Bill 721 by replacing everything after the enacting clause with the following:

"Section 1. Short Title. This Act may be cited as the O'Hare Modernization Act.

Section 5. Findings and purposes.

(a) The Illinois General Assembly finds and determines:

(1) The reliability and efficiency of the State and national air transportation systems significantly depend on the efficiency of the Chicago O'Hare International Airport. O'Hare has an essential role in air transportation for the State of Illinois. The reliability and efficiency of air transportation for residents and businesses in Illinois and other States depend on efficient air traffic operations at O'Hare.

(2) O'Hare cannot efficiently perform its role in the State and national air transportation systems unless it is reconfigured with multiple parallel runways.

(3) The O'Hare Modernization Program will enhance the economic welfare of the State of Illinois and its residents by creating thousands of jobs and business opportunities.

(4) O'Hare provides, and will continue to provide, unique air transportation functions that cannot be replaced by any other airport in Illinois.

(5) Public roadway access through the existing western boundary of O'Hare to passenger terminal and parking facilities located inside the boundary of O'Hare and reasonably accessible to that western access is an essential element of the O'Hare Modernization Program. That western access to O'Hare is

[May 30, 2003]

needed to realize the full economic opportunities created by the O'Hare Modernization Program and to improve ground transportation in the O'Hare area. It is important to the State that the western access be constructed not later than the time existing runway 14R-32L is removed from service.

(6) For the reasons stated in paragraphs (1), (2), (3), (4), and (5), it is essential that the O'Hare Modernization Program be completed efficiently and without unnecessary delay.

(7) For the reasons stated in paragraphs (1), (2), (3), (4), and (5), it is essential that acquisition of property as required for the O'Hare Modernization Program be completed as expeditiously as practicable.

(8) The General Assembly recognizes that the planning, construction, and use of O'Hare and the planning, construction, and use of the O'Hare Modernization Program will be subject to intensive regulatory scrutiny by the United States and that no purpose would be served by duplicative or redundant regulation of the safety and impacts of the airport or the O'Hare Modernization Program.

(9) The General Assembly recognizes that the City of Chicago has enacted and successfully implemented ordinances that combat past and ongoing discrimination against minorities and women in the market that competes for contracts with the City of Chicago. These ordinances are among the strongest and most successful in the country, and have made significant progress in combatting discrimination against minorities and women throughout northeastern Illinois.

(b) It is the intent of the General Assembly that all agencies of this State and its subdivisions shall facilitate the efficient and expeditious completion of the O'Hare Modernization Program to the extent not specifically prohibited by law, and that legal impediments to the completion of the project be eliminated.

Section 10. Definitions. As used in this Act:

"Airport property" means (i) any property or an interest in property that is, or hereafter becomes, part of O'Hare International Airport and (ii) any property or an interest in property that is not part of O'Hare International Airport, but that is acquired by the City of Chicago for purposes of air navigation or air safety in accordance with standards established by the Federal Aviation Administration. "Airport property", however, shall not include any substitute property acquired pursuant to Section 15 of this Act, including property acquired for cemetery purposes.

"O'Hare Modernization Program" means the plan for modernization of O'Hare International Airport by (1) construction and reconfiguration of runways, taxiways, and facilities for movement and servicing of aircraft; construction of western airport access and related roadways; construction and reconfiguration of roadways, terminals, passenger transportation facilities, parking facilities, and cargo facilities; construction of drainage and stormwater management facilities; and related projects, within the area bounded on the north, between Carmen Drive and the Union Pacific/Canadian Pacific Railroad, by Old Higgins Road, and between Old Higgins Road and Touhy Avenue, by the Union Pacific/Canadian Pacific Railroad, and east of the Union Pacific/Canadian Pacific Railroad by the northern boundary of O'Hare existing on January 1, 2003; on the east by the eastern boundary of O'Hare existing on January 1, 2003; on the southeast by the southeastern boundary of O'Hare existing on January 1, 2003; on the south between the eastern boundary of O'Hare and the Union Pacific Railroad by the southern boundary of O'Hare existing on January 1, 2003; on the south, between the Union Pacific Railroad and the east boundary of York Road by the Canadian Pacific railroad yard; on the west, between the Canadian Pacific Railroad Yard and the railroad spur intersecting York Road between Arthur and Pratt Avenues, by the east boundary of York Road; and on the northwest, between York Road and the Union Pacific/Canadian Pacific Railroad, by the railroad spur, and between the railroad spur and the point at which the extended eastern boundary of Carmen Drive intersects the Union Pacific/Canadian Pacific Railroad, by the Union Pacific/Canadian Pacific Railroad, and between the Union Pacific/Canadian Pacific Railroad and Old Higgins Road, by the extended eastern boundary of Carmen Drive and by Carmen Drive; and (2) provision for air navigation and air safety outside that area in accordance with standards established by the Federal Aviation Administration.

"O'Hare" means Chicago O'Hare International Airport.

"City" means the City of Chicago.

Section 15. Acquisition of property. In addition to any other powers the City may have, and notwithstanding any other law to the contrary, the City may acquire by gift, grant, lease, purchase, condemnation (including condemnation by quick take under Section 7-103.149 of the Code of Civil Procedure), or otherwise any right, title, or interest in any private property, property held in the name of or belonging to any public body or unit of government, or any property devoted to a public use, or any other rights or easements, including any property, rights, or easements owned by the State, units of local government, or school districts, including forest preserve districts, for purposes related to the O'Hare Modernization Program. The powers given to the City under this Section include the power to acquire, by condemnation or otherwise, any property used for cemetery purposes within or outside of the City,

and to require that the cemetery be removed to a different location. The powers given to the City under this Section include the power to condemn or otherwise acquire (other than by condemnation by quick take under Section 7-103 of the Code of Civil Procedure), and to convey, substitute property when the City reasonably determines that monetary compensation will not be sufficient or practical just compensation for property acquired by the City in connection with the O'Hare Modernization Program. The acquisition of substitute property is declared to be for public use. Property acquired under this Section includes property that the City reasonably determines will be necessary for future use, regardless of whether final regulatory or funding decisions have been made; provided, however, that quick-take of such property is subject to Section 7-103.149 of the Code of Civil Procedure.

Section 20. Condemnation by other governmental units. No airport property may be subject to taking by condemnation or otherwise by any unit of local government other than the City of Chicago, or by any agency, instrumentality, or political subdivision of the State.

Section 21. Reimbursement for tax base losses.

(a) Whenever the City acquires parcels of property within any school district or community college district for the O'Hare Modernization Program, the City shall, for the following taxable year and for each of the 5 taxable years thereafter, pay to that district the amount of the total property tax liability of the acquired parcels to the district for the 2002 taxable year, increased or decreased each year by the percentage change of the district's total tax extension for the current taxable year from the total tax extension for the prior taxable year; provided that no annual increase shall exceed the lesser of 5% or the annual increase in the Consumer Price Index. Funds payable by the City under this Section shall be paid exclusively from non-tax revenues generated at airports owned by the City, and shall not exceed the amount of those funds that can be paid for that purpose under 49 U.S.C. 47107(l)(2).

(b) Notwithstanding any other provision of this Section: (i) no funds shall be payable by the City under this Section with respect to any taxable year succeeding the 2009 taxable year; (ii) in no event shall such funds be payable on or after January 1, 2010; (iii) in no event shall the total funds paid by the City pursuant to this Section to all districts for all taxable years exceed \$20,000,000; and (iv) any amounts payable to a district by the City with respect to any parcel of property for any taxable year shall be reduced by the amount of taxes actually paid to the district for that taxable year with respect to that parcel or any leasehold interest therein.

(c) Whenever the City acquires property that is subject to this Section, the City shall notify the assessor of the county in which the property is located. The assessor or the clerk of that county shall, on an annual basis, notify the affected school district or community college district of all property that has been identified as being subject to this Section, and shall provide the district and the City with such information as may be required in determining the amounts payable by the City under this Section. The City shall make payments as required by this Section no later than 90 days after that information is received and verified by the City.

(d) As used in this Section, "Consumer Price Index" means the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor.

Section 25. Jurisdiction over airport property. Airport property shall not be subject to the laws of any unit of local government except as provided by ordinance of the City. Plans of all public agencies that may affect the O'Hare Modernization Program shall be consistent with the O'Hare Modernization Program, and to the extent that any plan of any public agency or unit or division of State or local government is inconsistent with the O'Hare Modernization Program, that plan is and shall be void and of no effect.

Section 27. Minority and women-owned businesses and workers. All City contracts for the O'Hare Modernization Program shall be subject to all applicable ordinances of the City governing contracting with minority and women-owned businesses and prohibiting discrimination and requiring appropriate affirmative action with respect to minority and women participants in the work force, including but not limited to Section 2-92-330 of the Municipal Code of the City of Chicago (relating to hiring of Chicago residents), Section 2-92-390 of the Municipal Code of the City of Chicago (relating to hiring of women and minorities), and Sections 2-92-420 through 2-92-570 of the Municipal Code of the City of Chicago (relating to contracting with minority-owned and women-owned business enterprises), to the extent permitted by law and federal funding restrictions. The City of Chicago shall file semi-annual reports with the General Assembly documenting compliance with such ordinances with respect to work performed as part of the O'Hare Modernization Program and disclosing the extent to which that work is performed by minority and women workers and minority-owned and women-owned business enterprises.

Section 30. Home Rule. It is declared to be the law of this State, pursuant to paragraph (h) of Section 6 of Article VII of the Illinois Constitution, that the regulation and supervision of the City of Chicago's

implementation of the O'Hare Modernization Program is an exclusive State function that may not be exercised concurrently by any unit of local government.

Section 90. The Archeological and Paleontological Resources Protection Act is amended by adding Section 1.5 as follows:

(20 ILCS 3435/1.5 new)

Sec. 1.5. O'Hare Modernization. Nothing in this Act limits the authority of the City of Chicago to exercise its powers under the O'Hare Modernization Act or requires that City, or any person acting on behalf of that City, to obtain a permit under this Act when acquiring property or otherwise exercising its powers under the O'Hare Modernization Act.

Section 91. The Human Skeletal Remains Protection Act is amended by adding Section 4.5 as follows:

Section 92. The Illinois Municipal Code is amended by changing Sections 11-51-1, 11-102-2, and 11-102-4 as follows:

Sec. 11-51-1. Cemetery removal. Whenever any cemetery is embraced within the limits of any city, village, or incorporated town, the corporate authorities thereof, if, in their opinion, any good cause exists why such cemetery should be removed, may cause the remains of all persons interred therein to be removed to some other suitable place. However, the corporate authorities shall first obtain the assent of the trustees or other persons having the control or ownership of such cemetery, or a majority thereof. When such cemetery is owned by one or more private parties, or private corporation or chartered society, the corporate authorities of such city may require the removal of such cemetery to be done at the expense of such private parties, or private corporation or chartered society, if such removal be based upon their application. Nothing in this Section limits the powers of the City of Chicago to acquire property or otherwise exercise its powers under Section 15 of the O'Hare Modernization Act. (Source: P.A. 87-1153.)

Before any work of construction is commenced in, over or upon any public waters of the state, the plans and specifications therefor shall be submitted to and approved by the Department of Transportation of the state. Sec. 21. (1) The funeral director or person acting as such who first assumes custody of a dead body or fetus shall make a written report to the registrar of the district in which death occurred or in which the body or fetus was found within 24 hours after taking custody of the body or fetus on a form prescribed and furnished by the State Registrar and in accordance with the rules promulgated by the State Registrar. Except as specified in paragraph (2) of this Section, the written report shall serve as a permit to transport, bury or entomb the body or fetus within this State, provided that the funeral director or person acting as such shall certify that the physician in charge of the patient's care for the illness or condition which resulted in death has been contacted and has affirmatively stated that he will sign the medical certificate of death or the fetal death certificate. If a funeral director fails to file written reports under this Section in a timely manner, the local registrar may suspend the funeral director's privilege of filing written reports by mail. In a county with a population greater than 3,000,000, if a funeral director or person acting as such inter or entombs a dead body without having previously certified that the physician in charge of the patient's care for the illness or condition that resulted in death has been contacted and has affirmatively stated that he or she will sign the medical certificate of death, then that funeral director or person acting as such is responsible for payment of the specific costs incurred by the county medical examiner in disinterring and reintering or reentombing the dead body.

(2) The written report as specified in paragraph (1) of this Section shall not serve as a permit to:

(a) Remove body or fetus from this State;

(b) Cremate the body or fetus; or

(c) Make disposal of any body or fetus in any manner when death is subject to the coroner's or medical examiner's investigation.

(3) In accordance with the provisions of paragraph (2) of this Section the funeral director or person acting as such who first assumes custody of a dead body or fetus shall obtain a permit for disposition of such dead human body prior to final disposition or removal from the State of the body or fetus. Such permit shall be issued by the registrar of the district where death occurred or the body or fetus was found. No such permit shall be issued until a properly completed certificate of death has been filed with the registrar. The registrar shall insure the issuance of a permit for disposition within an expedited period of time to accommodate Sunday or holiday burials of decedents whose time of death and religious tenets or beliefs necessitate Sunday or holiday burials.

(4) A permit which accompanies a dead body or fetus brought into this State shall be authority for final disposition of the body or fetus in this State, except in municipalities where local ordinance requires the issuance of a local permit prior to disposition.

(5) A permit for disposition of a dead human body shall be required prior to disinterment of a dead body or fetus, and when the disinterred body is to be shipped by a common carrier. Such permit shall be issued to a licensed funeral director or person acting as such, upon proper application, by the local registrar of the district in which disinterment is to be made. In the case of disinterment, proper application shall include a statement providing the name and address of any surviving spouse of the deceased, or, if none, any surviving children of the deceased, or if no surviving spouse or children, a parent, brother, or sister of the deceased. The application shall indicate whether the applicant is one of these parties and, if so, whether the applicant is a surviving spouse or a surviving child. Prior to the issuance of a permit for disinterment, the local registrar shall, by certified mail, notify the surviving spouse, unless he or she is the applicant, or if there is no surviving spouse, all surviving children except for the applicant, of the application for the permit. The person or persons notified shall have 30 days from the mailing of the notice to object by obtaining an injunction enjoining the issuance of the permit. After the 30-day period has expired, the local registrar shall issue the permit unless he or she has been enjoined from doing so or there are other statutory grounds for refusal. The notice to the spouse or surviving children shall inform the person or persons being notified of the right to seek an injunction within 30 days. Notwithstanding any other provision of this subsection (5), a court may order issuance of a permit for disinterment without notice or prior to the expiration of the 30-day period where the petition is made by an agency of any governmental unit and good cause is shown for disinterment without notice or for the early order. Nothing in this subsection (5) limits the authority of the City of Chicago to acquire property or otherwise exercise its powers under the O'Hare Modernization Act or requires that City, or any person acting on behalf of that City, to obtain a permit under this subsection (5) when exercising powers under the O'Hare Modernization Act. No such municipality or political subdivision shall directly accept, receive, or disburse any funds granted by the United States under the Airport and Airway Improvement Act of 1982, but it shall designate the Department as its agent to accept, receive, and disburse such funds, provided, however, nothing in this Section shall be construed to prohibit any municipality or any political sub-division of more than 500,000 inhabitants from disbursing such funds through its corporate authorities. It shall enter into an agreement with the Department prescribing the terms and conditions of such agency in accordance with federal laws, rules and regulations and applicable laws of this state. This subsection (a) does not apply to any project application submitted in connection with the O'Hare Modernization Program as defined in Section 10 of the O'Hare Modernization Act.

(b) The City of Chicago may submit a project application under the provisions of the Airport and Airway Improvement Act of 1982, as now or hereafter amended, or any other federal law providing for airport planning or development, if the application is submitted in connection with the O'Hare Modernization Program as defined in Section 10 of the O'Hare Modernization Act, and the City may directly accept, receive, and disburse any such funds. An application for a certificate of approval of an airport or restricted landing area, or the alteration or extension thereof, shall set forth, among other things, the location of all railways, mains, pipes, conduits, wires, cables, poles and other facilities and structures of public service corporations or municipal or quasi-municipal corporations, located within the area proposed to be acquired or restricted, and the names of persons owning the same, to the extent that such information can be reasonably ascertained by the applicant.

It shall be unlawful for any municipality or other political subdivision, or officer or employee thereof, or for any person, to make any alteration or extension of an existing airport or restricted landing area, or to use or operate any airport or restricted landing area, for which a certificate of approval has not been issued by the Department; Provided, that no certificate of approval shall be required for an airport or restricted landing area which was in existence and approved by the Illinois Aeronautics Commission, whether or not being operated, on or before July 1, 1945, or for the O'Hare Modernization Program as defined in Section 10 of the O'Hare Modernization Act"; except that a certificate of approval shall be required under this Section for construction of a new runway at O'Hare International Airport with a geographical orientation that varies from a geographical east-west orientation by more than 10 degrees, or for construction of a new runway at that airport that would result in more than 8 runways being available for aircraft operations at that airport. The Department shall supervise, monitor, and enforce compliance with the O'Hare Modernization Act by all other departments, agencies, and units of State and local government.

Provisions of this Section do not apply to special purpose aircraft designated as such by the Department when operating to or from uncertificated areas other than their principal base of operations, provided mutually acceptable arrangements are made with the property owner, and provided the owner or operator of the aircraft assumes liabilities which may arise out of such operations. The Department shall file reports with the General Assembly as the Department deems appropriate concerning the design, planning, financing, and construction of the O'Hare Modernization Program as defined in Section 10 of the O'Hare Modernization Act, and the effects of the O'Hare Modernization Program on units of local government.

(d) Every action against any owner, publisher, editor, author or printer of a newspaper or magazine of general circulation for libel contained in that newspaper or magazine may be commenced only in the county in which the defendant resides or has his, her or its principal office or in which the article was composed or printed, except when the defendant resides or the article was printed without this State, in either of which cases the action may be commenced in any county in which the libel was circulated or published.

(e) Actions against any insurance company incorporated under the law of this State or doing business in this State may also be brought in any county in which the plaintiff or one of the plaintiffs may reside. (Source: P.A. 85-887.)

On motion of Senator Wojcik, **House Bill No. 917** was recalled from the order of third reading to the order of second reading.

Floor amendments numbered 1 and 2 were held in the Committee on Rules.

Senator Wojcik offered the following amendment and moved its adoption:

## AMENDMENT NO. 3

AMENDMENT NO. 3\_\_\_\_. Amend House Bill 917 by replacing everything after the enacting clause with the following:

"Section 5. The Environmental Protection Act is amended by changing Section 39.2 as follows:

(415 ILCS 5/39.2) (from Ch. 111 1/2, par. 1039.2)

Sec. 39.2. Local siting review. (a) The county board of the county or the governing body of the municipality, as determined by paragraph (c) of Section 39 of this Act, shall approve or disapprove the request for local siting approval for each pollution control facility which is subject to such review. An applicant for local siting approval shall submit sufficient details describing the proposed facility to demonstrate compliance, and local siting approval shall be granted only if the proposed facility meets the following criteria:

(i) the facility is necessary to accommodate the waste needs of the area it is intended to serve;

(ii) the facility is so designed, located and proposed to be operated that the public health, safety and welfare will be protected;

(iii) the facility is located so as to minimize incompatibility with the character of the surrounding area and to minimize the effect on the value of the surrounding property;

(iv) (A) for a facility other than a sanitary landfill or waste disposal site, the facility is located outside the boundary of the 100 year flood plain or the site is flood-proofed; (B) for a facility that is a sanitary landfill or waste disposal site, the facility is located outside the boundary of the 100-year floodplain, or if the facility is a facility described in subsection (b)(3) of Section 22.19a, the site is flood-proofed;

(v) the plan of operations for the facility is designed to minimize the danger to the surrounding area from fire, spills, or other operational accidents;

(vi) the traffic patterns to or from the facility are so designed as to minimize the impact on existing traffic flows;

(vii) if the facility will be treating, storing or disposing of hazardous waste, an emergency response plan exists for the facility which includes notification, containment and evacuation procedures to be used in case of an accidental release;

(viii) if the facility is to be located in a county where the county board has adopted a solid waste management plan consistent with the planning requirements of the Local Solid Waste Disposal Act or the Solid Waste Planning and Recycling Act, the facility is consistent with that plan; and

(ix) if the facility will be located within a regulated recharge area, any applicable requirements specified by the Board for such areas have been met.

The county board or the governing body of the municipality may also consider as evidence the previous operating experience and past record of convictions or admissions of violations of the applicant (and any subsidiary or parent corporation) in the field of solid waste management when considering criteria (ii) and (v) under this Section.

(a-5) If a proposed transfer station would be located (i) in an unincorporated area of DuPage County and immediately adjacent to a municipality or (ii) within a municipality in DuPage County, then the local siting approval may not be granted unless approved by resolution of the municipality.

(b) No later than 14 days before the date on which the county board or governing body of the municipality receives a request for site approval, the applicant shall cause written notice of such request to be served either in person or by registered mail, return receipt requested, on the owners of all property within the subject area not solely owned by the applicant, and on the owners of all property within 250 feet in each direction of the lot line of the subject property, said owners being such persons or entities which appear from the authentic tax records of the County in which such facility is to be located; provided, that the number of all feet occupied by all public roads, streets, alleys and other public ways shall be excluded in computing the 250 feet requirement; provided further, that in no event shall this requirement exceed 400 feet, including public streets, alleys and other public ways.

Such written notice shall also be served upon members of the General Assembly from the legislative district in which the proposed facility is located and shall be published in a newspaper of general circulation published in the county in which the site is located.

[May 30, 2003]

Such notice shall state the name and address of the applicant, the location of the proposed site, the nature and size of the development, the nature of the activity proposed, the probable life of the proposed activity, the date when the request for site approval will be submitted, and a description of the right of persons to comment on such request as hereafter provided.

(c) An applicant shall file a copy of its request with the county board of the county or the governing body of the municipality in which the proposed site is located. The request shall include (i) the substance of the applicant's proposal and (ii) all documents, if any, submitted as of that date to the Agency pertaining to the proposed facility, except trade secrets as determined under Section 7.1 of this Act. All such documents or other materials on file with the county board or governing body of the municipality shall be made available for public inspection at the office of the county board or the governing body of the municipality and may be copied upon payment of the actual cost of reproduction.

Any person may file written comment with the county board or governing body of the municipality concerning the appropriateness of the proposed site for its intended purpose. The county board or governing body of the municipality shall consider any comment received or postmarked not later than 30 days after the date of the last public hearing.

(d) At least one public hearing is to be held by the county board or governing body of the municipality no sooner than 90 days but no later than 120 days after the date on which it received the request for site approval. No later than 14 days prior to such hearing, notice shall be published in a newspaper of general circulation published in the county of the proposed site, and delivered by certified mail to all members of the General Assembly from the district in which the proposed site is located, to the governing authority of every municipality contiguous to the proposed site or contiguous to the municipality in which the proposed site is to be located, to the county board of the county where the proposed site is to be located, if the proposed site is located within the boundaries of a municipality, and to the Agency. Members or representatives of the governing authority of a municipality contiguous to the proposed site or contiguous to the municipality in which the proposed site is to be located and, if the proposed site is located in a municipality, members or representatives of the county board of a county in which the proposed site is to be located may appear at and participate in public hearings held pursuant to this Section. The public hearing shall develop a record sufficient to form the basis of appeal of the decision in accordance with Section 40.1 of this Act. The fact that a member of the county board or governing body of the municipality has publicly expressed an opinion on an issue related to a site review proceeding shall not preclude the member from taking part in the proceeding and voting on the issue.

(e) Decisions of the county board or governing body of the municipality are to be in writing, specifying the reasons for the decision, such reasons to be in conformance with subsection (a) of this Section. In granting approval for a site the county board or governing body of the municipality may impose such conditions as may be reasonable and necessary to accomplish the purposes of this Section and as are not inconsistent with regulations promulgated by the Board. Such decision shall be available for public inspection at the office of the county board or governing body of the municipality and may be copied upon payment of the actual cost of reproduction. If there is no final action by the county board or governing body of the municipality within 180 days after the date on which it received the request for site approval, the applicant may deem the request approved.

At any time prior to completion by the applicant of the presentation of the applicant's factual evidence and an opportunity for cross-questioning by the county board or governing body of the municipality and any participants, the applicant may file not more than one amended application upon payment of additional fees pursuant to subsection (k); in which case the time limitation for final action set forth in this subsection (e) shall be extended for an additional period of 90 days.

If, prior to making a final local siting decision, a county board or governing body of a municipality has negotiated and entered into a host agreement with the local siting applicant, the terms and conditions of the host agreement, whether written or oral, shall be disclosed and made a part of the hearing record for that local siting proceeding. In the case of an oral agreement, the disclosure shall be made in the form of a written summary jointly prepared and submitted by the county board or governing body of the municipality and the siting applicant and shall describe the terms and conditions of the oral agreement.

(e-5) Siting approval obtained pursuant to this Section is transferable and may be transferred to a subsequent owner or operator. In the event that siting approval has been transferred to a subsequent owner or operator, that subsequent owner or operator assumes and takes subject to any and all conditions imposed upon the prior owner or operator by the county board of the county or governing body of the municipality pursuant to subsection (e). However, any such conditions imposed pursuant to this Section may be modified by agreement between the subsequent owner or operator and the appropriate county board or governing body. Further, in the event that siting approval obtained pursuant to this Section has been transferred to a subsequent owner or operator, that subsequent owner or operator assumes all rights

and obligations and takes the facility subject to any and all terms and conditions of any existing host agreement between the prior owner or operator and the appropriate county board or governing body.

(f) A local siting approval granted under this Section shall expire at the end of 2 calendar years from the date upon which it was granted, unless the local siting approval granted under this Section is for a sanitary landfill operation, in which case the approval shall expire at the end of 3 calendar years from the date upon which it was granted, and unless within that period the applicant has made application to the Agency for a permit to develop the site. In the event that the local siting decision has been appealed, such expiration period shall be deemed to begin on the date upon which the appeal process is concluded.

Except as otherwise provided in this subsection, upon the expiration of a development permit under subsection (k) of Section 39, any associated local siting approval granted for the facility under this Section shall also expire.

If a first development permit for a municipal waste incineration facility expires under subsection (k) of Section 39 after September 30, 1989 due to circumstances beyond the control of the applicant, any associated local siting approval granted for the facility under this Section may be used to fulfill the local siting approval requirement upon application for a second development permit for the same site, provided that the proposal in the new application is materially the same, with respect to the criteria in subsection (a) of this Section, as the proposal that received the original siting approval, and application for the second development permit is made before January 1, 1990.

(g) The siting approval procedures, criteria and appeal procedures provided for in this Act for new pollution control facilities shall be the exclusive siting procedures and rules and appeal procedures for facilities subject to such procedures. Local zoning or other local land use requirements shall not be applicable to such siting decisions.

(h) Nothing in this Section shall apply to any existing or new pollution control facility located within the corporate limits of a municipality with a population of over 1,000,000.

(i) (Blank.)

The Board shall adopt regulations establishing the geologic and hydrologic siting criteria necessary to protect usable groundwater resources which are to be followed by the Agency in its review of permit applications for new pollution control facilities. Such regulations, insofar as they apply to new pollution control facilities authorized to store, treat or dispose of any hazardous waste, shall be at least as stringent as the requirements of the Resource Conservation and Recovery Act and any State or federal regulations adopted pursuant thereto.

(j) Any new pollution control facility which has never obtained local siting approval under the provisions of this Section shall be required to obtain such approval after a final decision on an appeal of a permit denial.

(k) A county board or governing body of a municipality may charge applicants for siting review under this Section a reasonable fee to cover the reasonable and necessary costs incurred by such county or municipality in the siting review process.

(l) The governing Authority as determined by subsection (c) of Section 39 of this Act may request the Department of Transportation to perform traffic impact studies of proposed or potential locations for required pollution control facilities.

(m) An applicant may not file a request for local siting approval which is substantially the same as a request which was disapproved pursuant to a finding against the applicant under any of criteria (i) through (ix) of subsection (a) of this Section within the preceding 2 years.

(n) In any review proceeding of a decision of the county board or governing body of a municipality made pursuant to the local siting review process, the petitioner in the review proceeding shall pay to the county or municipality the cost of preparing and certifying the record of proceedings. Should the petitioner in the review proceeding fail to make payment, the provisions of Section 3-109 of the Code of Civil Procedure shall apply.

In the event the petitioner is a citizens' group that participated in the siting proceeding and is so located as to be affected by the proposed facility, such petitioner shall be exempt from paying the costs of preparing and certifying the record.

(o) Notwithstanding any other provision of this Section, a transfer station used exclusively for landscape waste, where landscape waste is held no longer than 24 hours from the time it was received, is not subject to the requirements of local siting approval under this Section, but is subject only to local zoning approval. (Source: P.A. 91-588, eff. 8-14-99; 92-574, eff. 6-26-02.)

Sec. 5. Illinois Labor Relations Board; State Panel; Local Panel. (a) There is created the Illinois Labor Relations Board. The Board shall be comprised of 2 panels, to be known as the State Panel and the Local Panel.

(a-5) The State Panel shall have jurisdiction over collective bargaining matters between employee organizations and the State of Illinois, excluding the General Assembly of the State of Illinois, between employee organizations and units of local government and school districts with a population not in excess of 2 million persons, and between employee organizations and the Regional Transportation Authority.

The State Panel shall consist of 5 members appointed by the Governor, with the advice and consent of the Senate. The Governor shall appoint to the State Panel only persons who have had a minimum of 5 years of experience directly related to labor and employment relations in representing public employers, private employers or labor organizations; or teaching labor or employment relations; or administering executive orders or regulations applicable to labor or employment relations. At the time of his or her appointment, each member of the State Panel shall be an Illinois resident. The Governor shall designate one member to serve as the Chairman of the State Panel and the Board.

Notwithstanding any other provision of this Section, the term of each member of the State Panel who was appointed by the Governor and is in office on June 30, 2003 shall terminate at the close of business on that date or when all of the successor members to be appointed pursuant to this amendatory Act of the 93rd General Assembly have been appointed by the Governor, whichever occurs later. As soon as possible, the Governor shall appoint persons to fill the vacancies created by this amendatory Act.

The initial appointments under this amendatory Act of the ~~93rd~~ 94th General Assembly shall be for terms as follows: The Chairman shall initially be appointed for a term ending on the 4th Monday in January, ~~2007~~ 2004; 2 members shall be initially appointed for terms ending on the 4th Monday in

Each subsequent member shall be appointed for a term of 4 years, commencing on the 4th Monday in January. Upon expiration of the term of office of any appointive member, that member shall continue to serve until a successor shall be appointed and qualified. In case of a vacancy, a successor shall be appointed to serve for the unexpired portion of the term. If the Senate is not in session at the time the initial appointments are made, the Governor shall make temporary appointments in the same manner successors are appointed to fill vacancies. A temporary appointment shall remain in effect no longer than 20 calendar days after the commencement of the next Senate session.

(b) The Local Panel shall have jurisdiction over collective bargaining agreement matters between employee organizations and units of local government with a population in excess of 2 million persons, but excluding the Regional Transportation Authority.

The Local Panel shall consist of one person appointed by the Governor with the advice and consent of the Senate (or, if no such person is appointed, the Chairman of the State Panel) and two additional members, one appointed by the Mayor of the City of Chicago and one appointed by the President of the Cook County Board of Commissioners. Each subsequent member shall be appointed for a term of 4 years, commencing on the 4th Monday in January. Upon expiration of the term of office of any appointive member, the member shall continue to serve until a successor shall be appointed and qualified. In the case of a vacancy, a successor shall be appointed by the applicable appointive authority to serve for the unexpired portion of the term.

(c) Three members of the State Panel shall at all times constitute a quorum. Two members of the Local Panel shall at all times constitute a quorum. Any member of the State Panel may be removed from office by the Governor for inefficiency, neglect of duty, misconduct or malfeasance in office, and for no other cause, and only upon notice and hearing. Any member of the Local Panel may be removed from office by the applicable appointive authority for inefficiency, neglect of duty, misconduct or malfeasance in office, and for no other cause, and only upon notice and hearing.

(e) Each panel at the end of every State fiscal year shall make a report in writing to the Governor and the General Assembly, stating in detail the work it has done in hearing and deciding cases and otherwise.

(f) In order to accomplish the objectives and carry out the duties prescribed by this Act, a panel or its authorized designees may hold elections to determine whether a labor organization has majority status;

investigate and attempt to resolve or settle charges of unfair labor practices; hold hearings in order to carry out its functions; develop and effectuate appropriate impasse resolution procedures for purposes of resolving labor disputes; require the appearance of witnesses and the production of evidence on any matter under inquiry; and administer oaths and affirmations. (k) The panels in joint session shall promulgate rules and regulations providing for the appointment of attorneys or other Board representatives to represent persons in unfair labor practice proceedings before a panel. The regulations governing appointment shall require the applicant to demonstrate an inability to pay for or inability to otherwise provide for adequate representation before a panel. Such rules must also provide: (1) that an attorney may not be appointed in cases which, in the opinion of a panel, are clearly without merit; (2) the stage of the unfair labor proceeding at which counsel will be appointed; and (3) the circumstances under which a client will be allowed to select counsel.

(l) The panels in joint session may promulgate rules and regulations which allow parties in proceedings before a panel to be represented by counsel or any other representative of the party's choice.

Attendance of at least 2 members of the State Panel and at least one member of the Local Panel, in addition to the Chairman, shall constitute a quorum at a joint session. The term of office of each member of the Commission holding office on the effective date of this amendatory Act of 1989 is abolished, but the incumbents shall continue to exercise all of the powers and be subject to all of the duties of Commissioners until their respective successors are appointed and qualified.

The Industrial Commission shall administer this Act.

[May 30, 2003]

The members shall be appointed by the Governor, with the advice and consent of the Senate, as follows:

(a) After the effective date of this amendatory Act of 1989, 3 members, at least one of each political party, and one of whom shall be a representative citizen of the employing class operating under this Act, one of whom shall be a representative citizen of the class of employees covered under this Act, and one of whom shall be a representative citizen not identified with either the employing or employee classes, shall be appointed to hold office until the third Monday in January of 1993, and until their successors are appointed and qualified, and 4 members, one of whom shall be a representative citizen of the employing class operating under this Act, one of whom shall be a representative citizen of the class of employees covered in this Act, and two of whom shall be representative citizens not identified with either the employing or employee classes, one of whom shall be designated by the Governor as Chairman (at least one of each of the two major political parties) shall be appointed to hold office until the third Monday of January in 1991, and until their successors are appointed and qualified.

(a-5) Notwithstanding any other provision of this Section, the term of each member of the Commission who was appointed by the Governor and is in office on June 30, 2003 shall terminate at the close of business on that date or when all of the successor members to be appointed pursuant to this amendatory Act of the 93rd General Assembly have been appointed by the Governor, whichever occurs later. As soon as possible, the Governor shall appoint persons to fill the vacancies created by this amendatory Act. Of the initial commissioners appointed pursuant to this amendatory Act of the 93rd General Assembly, 3 shall be appointed for terms ending on the third Monday in January, 2005, and 4 shall be appointed for terms ending on the third Monday in January, 2007.

(b) Members shall thereafter be appointed to hold office for terms of 4 years from the third Monday in January of the year of their appointment, and until their successors are appointed and qualified. All such appointments shall be made so that the composition of the Commission is in accordance with the provisions of the first paragraph of this Section.

In case of a vacancy in the office of a Commissioner during the recess of the Senate, the Governor shall make a temporary appointment until the next meeting of the Senate, when he shall nominate some person to fill such office. Any person so nominated who is confirmed by the Senate shall hold office during the remainder of the term and until his successor is appointed and qualified.

The Industrial Commission created by this amendatory Act of 1989 shall succeed to all the rights, powers, duties, obligations, records and other property and employees of the Industrial Commission which it replaces as modified by this amendatory Act of 1989 and all applications and reports to actions and proceedings of such prior Industrial Commission shall be considered as applications and reports to actions and proceedings of the Industrial Commission created by this amendatory Act of 1989.

Notwithstanding any other provision of this Act, in the event the Chairman shall make a finding that a member is or will be unavailable to fulfill the responsibilities of his or her office, the Chairman shall advise the Governor and the member in writing and shall designate a certified arbitrator to serve as acting Commissioner. The certified arbitrator shall act as a Commissioner until the member resumes the duties of his or her office or until a new member is appointed by the Governor, by and with the consent of the Senate, if a vacancy occurs in the office of the Commissioner, but in no event shall a certified arbitrator serve in the capacity of Commissioner for more than 6 months from the date of appointment by the Chairman. A finding by the Chairman that a member is or will be unavailable to fulfill the responsibilities of his or her office shall be based upon notice to the Chairman by a member that he or she will be unavailable or facts and circumstances made known to the Chairman which lead him to reasonably find that a member is unavailable to fulfill the responsibilities of his or her office. The designation of a certified arbitrator to act as a Commissioner shall be considered representative of citizens not identified with either the employing or employee classes and the arbitrator shall serve regardless of his or her political affiliation. A certified arbitrator who serves as an acting Commissioner shall have all the rights and powers of a Commissioner, including salary.

#### AMENDMENT NO. 1

AMENDMENT NO. 1\_\_\_\_. Amend Senate Bill 842 by replacing everything after the enacting clause with the following: "ARTICLE 10

Section 10-1. Short title. This Article may be cited as the Aircraft Use Tax Law.

Section 10-10. Definition. For the purposes of this Law, "Department" means the Department of Revenue of the State of Illinois.

Section 10-15. Tax imposed. A tax is hereby imposed on the privilege of using, in this State, any aircraft as defined in Section 3 of the Illinois Aeronautics Act acquired by gift, transfer, or purchase after June 30, 2003. This tax does not apply (i) if the use of the aircraft is otherwise taxed under the Use Tax Act; (ii) if the aircraft is bought and used by a governmental agency or a society, association, foundation, or institution organized and operated exclusively for charitable, religious, or educational purposes; (iii) if the use of the aircraft is not subject to the Use Tax Act by reason of subsection (a), (b), (c), (d), or (e) of Section 3-55 of that Act dealing with the prevention of actual or likely multistate taxation; or (iv) if the transfer is a gift to a beneficiary in the administration of an estate and the beneficiary is a surviving spouse. The rate of tax shall be 6.25% of the selling price for each purchase of aircraft that qualifies under this Law. For purposes of calculating the tax due under this Law when an aircraft is acquired by gift or transfer, the tax shall be imposed on the fair market value of the aircraft on the date the aircraft is acquired or the date the aircraft is brought into the State, whichever is later. Tax shall be imposed on the selling price of an aircraft acquired through purchase. However, the selling price shall not be less than the fair market value of the aircraft on the date the aircraft is purchased or the date the aircraft is brought into the State, whichever is later.

Section 10-20. Returns. The purchaser, transferee, or donee shall file a return signed by the purchaser, transferee, or donee with the Department of Revenue on a form prescribed by the Department. The return shall contain substantially the following paragraph and such other information as the Department may reasonably require:

#### VERIFICATION

I declare that I have examined this return and, to the best of my knowledge, it is true, correct, and complete. I understand that the penalty for willfully filing a false return shall be a fine not to exceed \$1,000 or imprisonment in a penal institution other than the penitentiary not to exceed one year, or both

[May 30, 2003]

a fine and imprisonment.

Date	Signature of purchaser, transferee, or donee
------	---

The return and payment from the purchaser, transferee, or donee shall be submitted to the Department within 30 days after the date of purchase, donation, or other transfer or the date the aircraft is brought into the State, whichever is later. Payment of tax shall be a condition to securing registration of the aircraft from the Division of Aeronautics of the Department of Transportation.

When a purchaser, transferee, or donee pays the tax imposed by Section 10-15 of this Law, the Department (upon request therefor from the purchaser, transferee, or donee) shall issue an appropriate receipt to the purchaser, transferee, or donee showing that he or she has paid such tax to the Department. The receipt shall be sufficient to relieve the purchaser, transferee, or donee from further liability for the tax to which the receipt may refer.

Section 10-25. Filing false or incomplete return. Any person required to file a return under this Law who willfully files a false or incomplete return is guilty of a Class A misdemeanor.

Section 10-30. Determining selling price. For the purpose of assisting in determining the validity of the "selling price" reported on returns filed with the Department, the Department may furnish the following information to persons with whom the Department has contracted for service related to making that determination: the selling price stated on the return; the aircraft identification number; the year, the make, and the model name or number of the aircraft; the purchase date; and the hours of operation.

Section 10-35. Powers of Department. The Department shall have full power to administer and enforce this Law; to collect all taxes, penalties, and interest due hereunder; to dispose of taxes, penalties, and interest so collected in the manner hereinafter provided, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest hereunder. In the administration of, and compliance with, this Law, the Department and persons who are subject to this Law shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure, as are prescribed in the Use Tax Act, as now or hereafter amended (except for the provisions of Section 3-70), which are not inconsistent with this Law, as fully as if the provisions of the Use Tax Act were set forth in this Law. In addition to any other penalties imposed under law, any person convicted of violating the provisions of this Law, shall be assessed a fine of \$1,000.

Section 10-40. Payments to Local Government Distributive Fund and General Revenue Fund. The Department of Revenue shall each month, upon collecting any taxes as provided in this Law, pay the money collected from the 1.25% portion of the 6.25% rate into the Local Government Distributive Fund, a special fund in the State treasury. The remainder shall be paid into the General Revenue Fund.

Section 10-45. Rules. The Department shall have the authority to adopt such rules as are reasonable and necessary to implement the provisions of this Law.

Section 10-905. The Retailers' Occupation Tax Act is amended by changing Section 1c as follows:  
(35 ILCS 120/1c) (from Ch. 120, par. 440c)

Sec. 1c. A person who is engaged in the business of leasing or renting motor vehicles or, beginning July 1, 2003, aircraft to others and who, in connection with such business sells any used motor vehicle or aircraft to a purchaser for his use and not for the purpose of resale, is a retailer engaged in the business of selling tangible personal property at retail under this Act to the extent of the value of the vehicle or aircraft sold. For the purpose of this Section "motor vehicle" has the meaning prescribed in Section 1-157 of the Illinois Vehicle Code, as now or hereafter amended. For the purpose of this Section "aircraft" has the meaning prescribed in Section 3 of the Illinois Aeronautics Act. (Nothing provided herein shall affect liability incurred under this Act because of the sale at retail of such motor vehicles or aircraft to a lessor.) (Source: P.A. 80-598.)

Section 10-910. The Illinois Aeronautics Act is amended by changing Section 42 as follows:  
(620 ILCS 5/42) (from Ch. 15 1/2, par. 22.42)

Sec. 42. Regulation of aircraft, airmen, and airports. (a) The general public interest and safety, the safety of persons operating, using, or traveling in, aircraft, and of persons and property on the ground, and the interest of aeronautical progress require that aircraft operated within this State should be airworthy, that airmen should be properly qualified, and that air navigation facilities should be suitable for the purposes for which they are designed. The purposes of this Act require that the Department should be enabled to exercise the powers of regulation and supervision herein granted. The advantage of uniform regulation makes it desirable that aircraft operated within this State should conform with respect to design, construction, and airworthiness to the standards prescribed by the United States Government

with respect to civil aircraft subject to its jurisdiction and that persons engaging in aeronautics within this State should have the qualifications necessary for obtaining and holding appropriate airman certificates of the United States. It is desirable and right that all applicable fees and taxes shall be paid with respect to aircraft operated within this State.

(b) In light of the findings in subsection (a), the Department is authorized:

(1) To require the registration, every 2 years, of federal licenses, certificates or permits of civil aircraft engaged in air navigation within this State, and of airmen engaged in aeronautics within this State, and to issue certificates of such registration. These certificates of registration constitute the authorization of such aircraft and airmen for operations within this State to the extent permitted by the federal licenses, certificates or permits so registered. It shall charge a fee, payable every 2 years, for the registration of each federal license, certificate or permit of \$10 for each airman's certificate and \$20 for each aircraft certificate. It may accept as evidence of the holding of a federal license, certificate or permit the verified application of the airman or the owner of the aircraft, which application shall contain such information as the Department may by rule, ruling, regulation, order or decision prescribe. The Department's authority to register aircraft or to issue certificates of registration is limited as follows:

(i) Except as to any aircraft vehicle purchased before March 8, 1963, the Department, in the case of the first registration of any aircraft vehicle for any given owner on or after March 8, 1963, may not issue a certificate of registration with respect to any aircraft vehicle until after the Department has been satisfied that no tax under the Use Tax Act, the Aircraft Use Tax Law, the Municipal Use Tax Act, or the Home Rule County Use Tax Law is owing by reason of the use of the vehicle in Illinois or that any tax so imposed has been paid. A receipt issued under those Acts by the Department of Revenue constitutes proof of payment of the tax. For the purpose of this paragraph, "aircraft vehicle" means a single aircraft.

(ii) If the proof of payment of the tax or of nonliability therefor is, after the issuance of the certificate of registration, found to be invalid, the Department shall revoke the certificate and require that the certificate be returned to the Department.

(2) To classify and approve airports and restricted landing areas and any alterations or extensions thereof. Certificates of approval issued pursuant to this paragraph, or pursuant to any prior law, shall be issued in the name of the applicant and shall be transferable upon a change of ownership or control of the airport or restricted landing area only after approval of the Department. No charge or fee shall be made or imposed for any kind of certificate of approval or a transfer thereof.

(3) To revoke, temporarily or permanently, any certificate of registration of an aircraft or airman issued by it, or to refuse to issue any such certificate of registration, when it shall reasonably determine that any aircraft is not airworthy, or that any airman:

(i) is not qualified;

(ii) has willfully violated the laws of this State pertaining to aeronautics or any rules, rulings, regulations, orders, or decisions issued pursuant thereto, or any Federal law or any rule or regulation issued pursuant thereto;

(iii) is addicted to the use of narcotics or other habit forming drug, or to the excessive use of intoxicating liquor;

(iv) has made any false statement in any application for registration of a federal license, certificate or permit; or

(v) has been guilty of other conduct, acts, or practices dangerous to the public safety or the safety of those engaged in aeronautics.

(c) The Department may refuse to issue or may suspend the certificate of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied. (28) Beginning January 1, 2000, personal property, including food, purchased through fundraising events for the benefit of a public or private elementary or secondary school, a group of those schools, or one or more school districts if the events are sponsored by an entity recognized by the school district that consists primarily of volunteers and includes parents and teachers of the school children. This paragraph does not apply to fundraising events (i) for the benefit of private home instruction or (ii) for which the fundraising entity purchases the personal property sold at the events from another individual or entity that sold the property for the purpose of resale by the fundraising entity and that profits from the sale to the fundraising entity. This paragraph is exempt from the provisions of Section 3-90.

(29) Beginning January 1, 2000 and through December 31, 2001, new or used automatic vending machines that prepare and serve hot food and beverages, including coffee, soup, and other items, and replacement parts for these machines. Beginning January 1, 2002 and through June 30, 2003, machines and parts for machines used in commercial, coin-operated amusement and vending business if a use or occupation tax is paid on the gross receipts derived from the use of the commercial, coin-operated amusement and vending machines. This paragraph is exempt from the provisions of Section 3-90.

(30) Food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, when purchased for use by a person receiving medical assistance under Article 5 of the Illinois Public Aid Code who resides in a licensed long-term care facility, as defined in the Nursing Home Care Act.

(31) Beginning on the effective date of this amendatory Act of the 92nd General Assembly, computers and communications equipment utilized for any hospital purpose and equipment used in the diagnosis, analysis, or treatment of hospital patients purchased by a lessor who leases the equipment, under a lease of one year or longer executed or in effect at the time the lessor would otherwise be subject to the tax imposed by this Act, to a hospital that has been issued an active tax exemption identification number by the Department under Section 1g of the Retailers' Occupation Tax Act. If the equipment is leased in a manner that does not qualify for this exemption or is used in any other nonexempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the nonqualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-90.

(32) Beginning on the effective date of this amendatory Act of the 92nd General Assembly, personal property purchased by a lessor who leases the property, under a lease of one year or longer executed or in effect at the time the lessor would otherwise be subject to the tax imposed by this Act, to a governmental body that has been issued an active sales tax exemption identification number by the Department under Section 1g of the Retailers' Occupation Tax Act. If the property is leased in a manner that does not qualify for this exemption or used in any other nonexempt manner, the lessor shall be liable for the tax imposed under this Act or the Service Use Tax Act, as the case may be, based on the fair market value of the property at the time the nonqualifying use occurs. No lessor shall collect or attempt to collect an amount (however designated) that purports to reimburse that lessor for the tax imposed by this Act or the Service Use Tax Act, as the case may be, if the tax has not been paid by the lessor. If a lessor improperly collects any such amount from the lessee, the lessee shall have a legal right to claim a refund of that amount from the lessor. If, however, that amount is not refunded to the lessee for any reason, the lessor is liable to pay that amount to the Department. This paragraph is exempt from the provisions of Section 3-90. Sec. 3-85. Manufacturer's Purchase Credit. For purchases of machinery and equipment made on and after January 1, 1995 and through June 30, 2003, a purchaser of manufacturing machinery and equipment that qualifies for the exemption provided by paragraph (18) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax which would have been incurred under this Act on those purchases. For purchases of graphic arts machinery and equipment made on or after July 1, 1996 and through June 30, 2003, a purchaser of graphic arts machinery and equipment that qualifies for the exemption provided by paragraph (6) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax that would have been incurred under this Act on those purchases. The credit earned for purchases of manufacturing machinery and equipment or graphic arts machinery and equipment shall be referred to as the Manufacturer's Purchase Credit. A graphic arts producer is a person engaged in graphic arts production as defined in Section 2-30 of the Retailers' Occupation Tax Act. Beginning July 1, 1996, all references in this Section to manufacturers or manufacturing shall also be deemed to refer to graphic arts producers or graphic arts production.

The amount of credit shall be a percentage of the tax that would have been incurred on the purchase of manufacturing machinery and equipment or graphic arts machinery and equipment if the exemptions

provided by paragraph (6) or paragraph (18) of Section 3-5 of this Act had not been applicable. The percentage shall be as follows:

- (1) 15% for purchases made on or before June 30, 1995.
- (2) 25% for purchases made after June 30, 1995, and on or before June 30, 1996.
- (3) 40% for purchases made after June 30, 1996, and on or before June 30, 1997.
- (4) 50% for purchases made on or after July 1, 1997.

A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller prior to October 1, 2003 that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer prior to October 1, 2003 may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 shall be disallowed. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic arts production facility may, prior to October 1, 2003, authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish, prior to October 1, 2003, the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for all credit utilized by a construction contractor.

The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or by a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as preproduction material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used, prior to October 1, 2003, to satisfy the tax arising either from the purchase of machinery and equipment on or after January 1, 1995 for which the exemption provided by paragraph (18) of Section 3-5 of this

Act was erroneously claimed, or the purchase of machinery and equipment on or after July 1, 1996 for which the exemption provided by paragraph (6) of Section 3-5 of this Act was erroneously claimed, but not in satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may, prior to October 1, 2003, utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired and is used prior to October 1, 2003, on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose. No Manufacturer's Purchase Credit may be used after September 30, 2003 regardless of when that credit was earned.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

No annual report shall be filed before May 1, 1996 or after June 30, 2004. A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. No Manufacturer's Purchase Credit report filed with the Department for periods prior to January 1, 1995 shall be approved. Manufacturer's Purchase Credit claimed on an amended report may be used, until October 1, 2003, to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying purchases of production related tangible personal property made in the case of manufacturers on or after January 1, 1995, or in the case of graphic arts producers on or after July 1, 1996.

[May 30, 2003]

If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or graphic arts producer, the purchaser may earn, report, and use Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer.

A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due. No Manufacturer's Purchase Credit may be used after September 30, 2003 to satisfy any tax liability imposed under this Act, including any audit liability. Section 50-23. The Service Use Tax Act is amended by changing Sections 2, 2a, 3-5, 3-7, and 3-70 as follows:

(35 ILCS 110/2) (from Ch. 120, par. 439.32)

Sec. 2. "Use" means the exercise by any person of any right or power over tangible personal property incident to the ownership of that property, but does not include the sale or use for demonstration by him of that property in any form as tangible personal property in the regular course of business. "Use" does not mean the interim use of tangible personal property nor the physical incorporation of tangible personal property, as an ingredient or constituent, into other tangible personal property, (a) which is sold in the regular course of business or (b) which the person incorporating such ingredient or constituent therein has undertaken at the time of such purchase to cause to be transported in interstate commerce to destinations outside the State of Illinois.

"Purchased from a serviceman" means the acquisition of the ownership of, or title to, tangible personal property through a sale of service.

"Purchaser" means any person who, through a sale of service, acquires the ownership of, or title to, any tangible personal property.

"Cost price" means the consideration paid by the serviceman for a purchase valued in money, whether paid in money or otherwise, including cash, credits and services, and shall be determined without any deduction on account of the supplier's cost of the property sold or on account of any other expense incurred by the supplier. When a serviceman contracts out part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him or her by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits and service, and shall be determined without any deduction on account of the serviceman's cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

"Sale of service" means any transaction except:

(1) a retail sale of tangible personal property taxable under the Retailers' Occupation Tax Act or under the Use Tax Act.

(2) a sale of tangible personal property for the purpose of resale made in compliance with Section 2c of the Retailers' Occupation Tax Act.

(3) except as hereinafter provided, a sale or transfer of tangible personal property as an incident to the rendering of service for or by any governmental body, or for or by any corporation, society, association, foundation or institution organized and operated exclusively for charitable, religious or educational purposes or any not-for-profit corporation, society, association, foundation, institution or organization which has no compensated officers or employees and which is organized and operated primarily for the recreation of persons 55 years of age or older. A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes.

(4) a sale or transfer of tangible personal property as an incident to the rendering of service for interstate carriers for hire for use as rolling stock moving in interstate commerce or by lessors under a lease of one year or longer, executed or in effect at the time of purchase of personal property, to interstate carriers for hire for use as rolling stock moving in interstate commerce so long as so used

by such interstate carriers for hire, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(4a) a sale or transfer of tangible personal property as an incident to the rendering of service for owners, lessors, or shippers of tangible personal property which is utilized by interstate carriers for hire for use as rolling stock moving in interstate commerce so long as so used by interstate carriers for hire, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(5) a sale or transfer of machinery and equipment used primarily in the process of the manufacturing or assembling, either in an existing, an expanded or a new manufacturing facility, of tangible personal property for wholesale or retail sale or lease, whether such sale or lease is made directly by the manufacturer or by some other person, whether the materials used in the process are owned by the manufacturer or some other person, or whether such sale or lease is made apart from or as an incident to the seller's engaging in a service occupation and the applicable tax is a Service Use Tax or Service Occupation Tax, rather than Use Tax or Retailers' Occupation Tax.

(5a) the repairing, reconditioning or remodeling, for a common carrier by rail, of tangible personal property which belongs to such carrier for hire, and as to which such carrier receives the physical possession of the repaired, reconditioned or remodeled item of tangible personal property in Illinois, and which such carrier transports, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the person who repaired, reconditioned or remodeled the property to a destination outside Illinois, for use outside Illinois.

(5b) a sale or transfer of tangible personal property which is produced by the seller thereof on special order in such a way as to have made the applicable tax the Service Occupation Tax or the Service Use Tax, rather than the Retailers' Occupation Tax or the Use Tax, for an interstate carrier by rail which receives the physical possession of such property in Illinois, and which transports such property, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the seller of the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

(6) until July 1, 2003, a sale or transfer of distillation machinery and equipment, sold as a unit or kit and assembled or installed by the retailer, which machinery and equipment is certified by the user to be used only for the production of ethyl alcohol that will be used for consumption as motor fuel or as a component of motor fuel for the personal use of such user and not subject to sale or resale.

(7) at the election of any serviceman not required to be otherwise registered as a retailer under Section 2a of the Retailers' Occupation Tax Act, made for each fiscal year sales of service in which the aggregate annual cost price of tangible personal property transferred as an incident to the sales of service is less than 35%, or 75% in the case of servicemen transferring prescription drugs or servicemen engaged in graphic arts production, of the aggregate annual total gross receipts from all sales of service. The purchase of such tangible personal property by the serviceman shall be subject to tax under the Retailers' Occupation Tax Act and the Use Tax Act. However, if a primary serviceman who has made the election described in this paragraph subcontracts service work to a secondary serviceman who has also made the election described in this paragraph, the primary serviceman does not incur a Use Tax liability if the secondary serviceman (i) has paid or will pay Use Tax on his or her cost price of any tangible personal property transferred to the primary serviceman and (ii) certifies that fact in writing to the primary serviceman.

Tangible personal property transferred incident to the completion of a maintenance agreement is exempt from the tax imposed pursuant to this Act.

Exemption (5) also includes machinery and equipment used in the general maintenance or repair of such exempt machinery and equipment or for in-house manufacture of exempt machinery and equipment. For the purposes of exemption (5), each of these terms shall have the following meanings: (1) "manufacturing process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by procedures commonly regarded as manufacturing, processing, fabricating, or refining which changes some existing material or materials into a material with a different form, use or name. In relation to a recognized integrated business composed of a series of operations which collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process shall be deemed to commence with the first operation or stage of production in the series, and shall not be deemed to end until the completion of

the final product in the last operation or stage of production in the series; and further, for purposes of exemption (5), photoprocessing is deemed to be a manufacturing process of tangible personal property for wholesale or retail sale; (2) "assembling process" shall mean the production of any article of tangible personal property, whether such article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling which results in a material of a different form, use or name; (3) "machinery" shall mean major mechanical machines or major components of such machines contributing to a manufacturing or assembling process; and (4) "equipment" shall include any independent device or tool separate from any machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; or any subunit or assembly comprising a component of any machinery or auxiliary, adjunct or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns and molds; or any parts which require periodic replacement in the course of normal operation; but shall not include hand tools. Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease. The purchaser of such machinery and equipment who has an active resale registration number shall furnish such number to the seller at the time of purchase. The user of such machinery and equipment and tools without an active resale registration number shall prepare a certificate of exemption for each transaction stating facts establishing the exemption for that transaction, which certificate shall be available to the Department for inspection or audit. The Department shall prescribe the form of the certificate.

Any informal rulings, opinions or letters issued by the Department in response to an inquiry or request for any opinion from any person regarding the coverage and applicability of exemption (5) to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

On and after July 1, 1987, no entity otherwise eligible under exemption (3) of this Section shall make tax free purchases unless it has an active exemption identification number issued by the Department.

(35 ILCS 110/3-70)

Sec. 3-70. Manufacturer's Purchase Credit. For purchases of machinery and equipment made on and after January 1, 1995 and through June 30, 2003, a purchaser of manufacturing machinery and equipment that qualifies for the exemption provided by Section 2 of this Act earns a credit in an amount equal to a fixed percentage of the tax which would have been incurred under this Act on those purchases. For purchases of graphic arts machinery and equipment made on or after July 1, 1996 and through June 30, 2003, a purchase of graphic arts machinery and equipment that qualifies for the exemption provided by paragraph (5) of Section 3-5 of this Act earns a credit in an amount equal to a fixed percentage of the tax that would have been incurred under this Act on those purchases. The credit earned for the purchase of manufacturing machinery and equipment and graphic arts machinery and equipment shall be referred to as the Manufacturer's Purchase Credit. A graphic arts producer is a person engaged in graphic arts production as defined in Section 3-30 of the Service Occupation Tax Act. Beginning July 1, 1996, all references in this Section to manufacturers or manufacturing shall also refer to graphic arts producers or graphic arts production.

The amount of credit shall be a percentage of the tax that would have been incurred on the purchase of the manufacturing machinery and equipment or graphic arts machinery and equipment if the exemptions provided by Section 2 or paragraph (5) of Section 3-5 of this Act had not been applicable.

All purchases prior to October 1, 2003 of manufacturing machinery and equipment and graphic arts machinery and equipment that qualify for the exemptions provided by paragraph (5) of Section 2 or paragraph (5) of Section 3-5 of this Act qualify for the credit without regard to whether the serviceman elected, or could have elected, under paragraph (7) of Section 2 of this Act to exclude the transaction from this Act. If the serviceman's billing to the service customer separately states a selling price for the exempt manufacturing machinery or equipment or the exempt graphic arts machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on that selling price. If the serviceman's billing does not separately state a selling price for the exempt manufacturing machinery and equipment or the exempt graphic arts machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on 50% of the entire billing. If the serviceman contracts to design, develop, and produce special order manufacturing machinery and equipment or special order graphic arts machinery and equipment, and the billing does not separately state a selling price for such special order machinery and equipment, the credit shall be calculated, as otherwise provided herein, based on 50% of the entire billing. The provisions of this paragraph are effective for purchases made on or after January 1, 1995.

The percentage shall be as follows:

[May 30, 2003]

- (1) 15% for purchases made on or before June 30, 1995.
- (2) 25% for purchases made after June 30, 1995, and on or before June 30, 1996.
- (3) 40% for purchases made after June 30, 1996, and on or before June 30, 1997.
- (4) 50% for purchases made on or after July 1, 1997.

A purchaser of production related tangible personal property desiring to use the Manufacturer's Purchase Credit shall certify to the seller prior to October 1, 2003 that the purchaser is satisfying all or part of the liability under the Use Tax Act or the Service Use Tax Act that is due on the purchase of the production related tangible personal property by use of a Manufacturer's Purchase Credit. The Manufacturer's Purchase Credit certification must be dated and shall include the name and address of the purchaser, the purchaser's registration number, if registered, the credit being applied, and a statement that the State Use Tax or Service Use Tax liability is being satisfied with the manufacturer's or graphic arts producer's accumulated purchase credit. Certification may be incorporated into the manufacturer's or graphic arts producer's purchase order. Manufacturer's Purchase Credit certification provided by the manufacturer or graphic arts producer prior to October 1, 2003 may be used to satisfy the retailer's or serviceman's liability under the Retailers' Occupation Tax Act or Service Occupation Tax Act for the credit claimed, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase, but only if the retailer or serviceman reports the Manufacturer's Purchase Credit claimed as required by the Department. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 shall be disallowed. The Manufacturer's Purchase Credit earned by purchase of exempt manufacturing machinery and equipment or graphic arts machinery and equipment is a non-transferable credit. A manufacturer or graphic arts producer that enters into a contract involving the installation of tangible personal property into real estate within a manufacturing or graphic arts production facility, prior to October 1, 2003, may authorize a construction contractor to utilize credit accumulated by the manufacturer or graphic arts producer to purchase the tangible personal property. A manufacturer or graphic arts producer intending to use accumulated credit to purchase such tangible personal property shall execute a written contract authorizing the contractor to utilize a specified dollar amount of credit. The contractor shall furnish, prior to October 1, 2003, the supplier with the manufacturer's or graphic arts producer's name, registration or resale number, and a statement that a specific amount of the Use Tax or Service Use Tax liability, not to exceed 6.25% of the selling price, is being satisfied with the credit. The manufacturer or graphic arts producer shall remain liable to timely report all information required by the annual Report of Manufacturer's Purchase Credit Used for credit utilized by a construction contractor.

The Manufacturer's Purchase Credit may be used to satisfy liability under the Use Tax Act or the Service Use Tax Act due on the purchase of production related tangible personal property (including purchases by a manufacturer, by a graphic arts producer, or a lessor who rents or leases the use of the property to a manufacturer or graphic arts producer) that does not otherwise qualify for the manufacturing machinery and equipment exemption or the graphic arts machinery and equipment exemption. "Production related tangible personal property" means (i) all tangible personal property used or consumed by the purchaser in a manufacturing facility in which a manufacturing process described in Section 2-45 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a manufacturing facility and including, but not limited to, tangible personal property used or consumed in activities such as pre-production material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes; (ii) all tangible personal property used or consumed by the purchaser in a graphic arts facility in which graphic arts production as described in Section 2-30 of the Retailers' Occupation Tax Act takes place, including tangible personal property purchased for incorporation into real estate within a graphic arts facility and including, but not limited to, all tangible personal property used or consumed in activities such as graphic arts preliminary or pre-press production, pre-production material handling, receiving, quality control, inventory control, storage, staging, sorting, labeling, mailing, tying, wrapping, and packaging; and (iii) all tangible personal property used or consumed by the purchaser for research and development. "Production related tangible personal property" does not include (i) tangible personal property used, within or without a manufacturing or graphic arts facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property required to be titled or registered with a department, agency, or unit of federal, state, or local government. The Manufacturer's Purchase Credit may be used, prior to October 1, 2003, to satisfy the tax arising either from the purchase of machinery and equipment on or after January 1, 1995 for which the manufacturing machinery and equipment exemption provided by Section 2 of this Act was erroneously claimed, or the purchase of machinery and equipment on or after July 1, 1996 for which the exemption provided by paragraph (5) of Section 3-5 of this Act was

[May 30, 2003]

erroneously claimed, but not in satisfaction of penalty, if any, and interest for failure to pay the tax when due. A purchaser of production related tangible personal property who is required to pay Illinois Use Tax or Service Use Tax on the purchase directly to the Department may, prior to October 1, 2003, utilize the Manufacturer's Purchase Credit in satisfaction of the tax arising from that purchase, but not in satisfaction of penalty and interest. A purchaser who uses the Manufacturer's Purchase Credit to purchase property which is later determined not to be production related tangible personal property may be liable for tax, penalty, and interest on the purchase of that property as of the date of purchase but shall be entitled to use the disallowed Manufacturer's Purchase Credit, so long as it has not expired and is used prior to October 1, 2003, on qualifying purchases of production related tangible personal property not previously subject to credit usage. The Manufacturer's Purchase Credit earned by a manufacturer or graphic arts producer expires the last day of the second calendar year following the calendar year in which the credit arose. No Manufacturer's Purchase Credit may be used after September 30, 2003 regardless of when that credit was earned.

A purchaser earning Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Earned for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is earned. A Report of Manufacturer's Purchase Credit Earned shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of all purchases of exempt manufacturing or graphic arts machinery on which the credit was earned; (ii) the total State Use Tax or Service Use Tax which would have been due on those items; (iii) the percentage used to calculate the amount of credit earned; (iv) the amount of credit earned; and (v) such other information as the Department may reasonably require. A purchaser earning Manufacturer's Purchase Credit shall maintain records which identify, as to each purchase of manufacturing or graphic arts machinery and equipment on which the purchaser earned Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit earned on each purchase.

A purchaser using Manufacturer's Purchase Credit shall sign and file an annual Report of Manufacturer's Purchase Credit Used for each calendar year no later than the last day of the sixth month following the calendar year in which a Manufacturer's Purchase Credit is used. A Report of Manufacturer's Purchase Credit Used shall be filed on forms as prescribed or approved by the Department and shall state, for each month of the calendar year: (i) the total purchase price of production related tangible personal property purchased from Illinois suppliers; (ii) the total purchase price of production related tangible personal property purchased from out-of-state suppliers; (iii) the total amount of credit used during such month; and (iv) such other information as the Department may reasonably require. A purchaser using Manufacturer's Purchase Credit shall maintain records that identify, as to each purchase of production related tangible personal property on which the purchaser used Manufacturer's Purchase Credit, the vendor (including, if applicable, either the vendor's registration number or Federal Employer Identification Number), the purchase price, and the amount of Manufacturer's Purchase Credit used on each purchase.

No annual report shall be filed before May 1, 1996 or after June 30, 2004. A purchaser that fails to file an annual Report of Manufacturer's Purchase Credit Earned or an annual Report of Manufacturer's Purchase Credit Used by the last day of the sixth month following the end of the calendar year shall forfeit all Manufacturer's Purchase Credit for that calendar year unless it establishes that its failure to file was due to reasonable cause. Manufacturer's Purchase Credit reports may be amended to report and claim credit on qualifying purchases not previously reported at any time before the credit would have expired, unless both the Department and the purchaser have agreed to an extension of the statute of limitations for the issuance of a notice of tax liability as provided in Section 4 of the Retailers' Occupation Tax Act. If the time for assessment or refund has been extended, then amended reports for a calendar year may be filed at any time prior to the date to which the statute of limitations for the calendar year or portion thereof has been extended. No Manufacturer's Purchase Credit report filed with the Department for periods prior to January 1, 1995 shall be approved. Manufacturer's Purchase Credit claimed on an amended report may be used, prior to October 1, 2003, to satisfy tax liability under the Use Tax Act or the Service Use Tax Act (i) on qualifying purchases of production related tangible personal property made after the date the amended report is filed or (ii) assessed by the Department on qualifying purchases of production related tangible personal property made in the case of manufacturers on or after January 1, 1995, or in the case of graphic arts producers on or after July 1, 1996.

If the purchaser is not the manufacturer or a graphic arts producer, but rents or leases the use of the property to a manufacturer or a graphic arts producer, the purchaser may earn, report, and use

Manufacturer's Purchase Credit in the same manner as a manufacturer or graphic arts producer.

A purchaser shall not be entitled to any Manufacturer's Purchase Credit for a purchase that is required to be reported and is not timely reported as provided in this Section. A purchaser remains liable for (i) any tax that was satisfied by use of a Manufacturer's Purchase Credit, as of the date of purchase, if that use is not timely reported as required in this Section and (ii) for any applicable penalties and interest for failing to pay the tax when due. No Manufacturer's Purchase Credit may be used after September 30, 2003 to satisfy any tax liability imposed under this Act, including any audit liability. When a serviceman contracts out part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

A limited liability company may qualify for the exemption under this paragraph only if the limited liability company is organized and operated exclusively for educational purposes.

(d) A sale or transfer of tangible personal property as an incident to the rendering of service for interstate carriers for hire for use as rolling stock moving in interstate commerce or lessors under leases of one year or longer, executed or in effect at the time of purchase, to interstate carriers for hire for use as rolling stock moving in interstate commerce, and equipment operated by a telecommunications provider, licensed as a common carrier by the Federal Communications Commission, which is permanently installed in or affixed to aircraft moving in interstate commerce.

(d-2) The repairing, reconditioning or remodeling, for a common carrier by rail, of tangible personal property which belongs to such carrier for hire, and as to which such carrier receives the physical possession of the repaired, reconditioned or remodeled item of tangible personal property in Illinois, and which such carrier transports, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the person who repaired, reconditioned or remodeled the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

(d-3) A sale or transfer of tangible personal property which is produced by the seller thereof on special order in such a way as to have made the applicable tax the Service Occupation Tax or the Service Use Tax, rather than the Retailers' Occupation Tax or the Use Tax, for an interstate carrier by rail which

acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease. The purchaser of such machinery and equipment who has an active resale registration number shall furnish such number to the seller at the time of purchase. The purchaser of such machinery and equipment and tools without an active resale registration number shall furnish to the seller a certificate of exemption for each transaction stating facts establishing the exemption for that transaction, which certificate shall be available to the Department for inspection or audit.

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
- 5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Prior to October 1, 2003, a serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service

Use Tax Act. A Manufacturer's Purchase Credit certification, accepted prior to October 1, 2003 by a serviceman as provided in Section 3-70 of the Service Use Tax Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 shall be disallowed. No Manufacturer's Purchase Credit may be used after September 30, 2003 to satisfy any tax liability imposed under this Act, including any audit liability.

If the serviceman's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of \$150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of \$200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and

also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all the return information required by all said Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund the revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. Section 13.2 of the

Metropolitan Pier and

Exposition Authority

Act, but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois.

Remaining moneys received by the Department pursuant to this Act shall be paid into the General Revenue Fund of the State Treasury.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

[May 30, 2003]

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement. All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed \$200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed \$50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate

return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to

take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or \$5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was \$20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited

[May 30, 2003]

against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of \$20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than \$20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the \$20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of \$25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is \$25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of \$20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this

Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than \$19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than \$20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

Fiscal Year	Annual Specified Amount
1986	\$54,800,000
1987	\$76,650,000

1988	\$80,480,000
1989	\$88,510,000

1993	\$206,520,000;

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget. If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

are outstanding under

Section 13.2 of the

Metropolitan Pier and

Exposition Authority

Act, but not after fiscal year 2042.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion

[May 30, 2003]

Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Community Affairs Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.
