SENATE BILL RECALLED

On motion of Senator Trotter, Senate Bill No. 201 was recalled from the order of third reading to
the order of second reading.

Senator Trotter offered the following amendment and moved its adoption:

AMENDMENT NO. 1 TO SENATE BILL 201

AMENDMENT NO. 1

To Senate Bill 201 by replacing everything after the enacting clause
with the following:

"Section 5. The Hospital Licensing Act is amended by adding Section 10.9 as follows:
(210 ILCS 85/10.9 new)
Sec. 10.9. Nurse mandated overtime prohibited.
(a) Definitions. As used in this Section:
"Mandated overtime" means work that is required by the hospital in excess of an agreed-to,
predetermined work shift. Time spent by nurses required to be available as a condition of employment in
specialized units, such as surgical nursing services, shall not be counted or considered in calculating the
amount of time worked for the purpose of applying the prohibition against mandated overtime under
subsection (b).
"Nurse" means any advanced practice nurse, registered professional nurse, or licensed practical nurse,
as defined in the Nursing and Advanced Practice Nursing Act, who receives an hourly wage and has
direct responsibility to oversee or carry out nursing care. For the purposes of this Section, "advanced
practice nurse" does not include a certified registered nurse anesthetist who is primarily engaged in
performing the duties of a nurse anesthetist.
"Unforeseen emergent circumstance" means (i) any declared national, State, or municipal disaster or
other catastrophic event, or any implementation of a hospital's disaster plan, that will substantially affect
or increase the need for health care services or (ii) any circumstance in which patient care needs require
specialized nursing skills through the completion of a procedure. An "unforeseen emergent
circumstance" does not include situations in which the hospital fails to have enough nursing staff to meet
the usual and reasonably predictable nursing needs of its patients.
(b) Mandated overtime prohibited. No nurse may be required to work mandated overtime except in the
case of an unforeseen emergent circumstance when such overtime is required only as a last resort. Such
mandated overtime shall not exceed 4 hours beyond an agreed-to, predetermined work shift.
(c) Off-duty period. When a nurse is mandated to work up to 12 consecutive hours, the nurse must be
allowed at least 8 consecutive hours of off-duty time immediately following the completion of a shift.
(d) Retaliation prohibited. No hospital may discipline, discharge, or take any other adverse
employment action against a nurse solely because the nurse refused to work mandated overtime as
prohibited under subsection (b).
(e) Violations. Any employee of a hospital that is subject to this Act may file a complaint with the
Department of Public Health regarding an alleged violation of this Section. The complaint must be filed within 45 days following the occurrence of the incident giving rise to the alleged violation. The Department must forward notification of the alleged violation to the hospital in question within 3 business days after the complaint is filed. Upon receiving a complaint of a violation of this Section, the Department may take any action authorized under Section 7 or 9 of this Act.

(f) Proof of violation. Any violation of this Section must be proved by clear and convincing evidence that a nurse was required to work overtime against his or her will. The hospital may defeat the claim of a violation by presenting clear and convincing evidence that an unforeseen emergent circumstance, which required overtime work, existed at the time the employee was required or compelled to work.

Section 99. Effective date. This Act takes effect upon becoming law.

The motion prevailed.
And the amendment was adopted and ordered printed.
There being no further amendments, the foregoing Amendment No. 1 was ordered engrossed, and the bill, as amended was ordered to a third reading.

Section 31. Qualifications of an Intermodal Facilities Development Zone. An area is qualified to
become an Intermodal Facilities Development Zone which either:

   area, exclusive of lakes and waterways;
   (ii) has at least one Class 1 railroad right-of-way located within it or within one
   quarter mile from the nearest border of the proposed zone and has no boundary limit further than 3
   miles from such right-of-way; and

Section 32. Approval of an Intermodal Facilities Development Zone. Whenever the Board of
Directors determines that a particular area qualifies as a Intermodal Facilities Development Zone, as
herein defined, and should be acquired pursuant to the provisions of this Act, such determination
together with an accurate description of the area included in such determination and the date on which
the determination was made shall be set forth in the records of the Authority. Any such determination
may include additional property situated outside the Intermodal Facilities Development Zone which the
Board of Directors determines is necessary to be acquired in connection with the construction of a
railroad terminal, terminal facilities and other projects appurtenant thereto. The area may be enlarged,
from time to time, as the Board of Directors may determine. Each such determination shall be evidenced
by a resolution adopted by at least a majority of the total members of the Board of Directors and a
certified copy of such resolution shall be delivered to the governing body of the jurisdiction under which
the Authority is organized. No such determination shall be of any force or effect until such time as it has
been approved by the that jurisdiction, and after such approval a certified copy of such approval and

is located. Where an authority has been created by two jurisdictions, the resolution shall be delivered to
the governing bodies of each and no such determination shall be of force and effect until such time as it
has been approved by both governing bodies.

Section 33. Comprehensive Plan.
(a) In addition to the powers set forth in section 30 of this Act, an Authority shall also have the power
to develop a comprehensive plan for the development within an Intermodal Facilities Development
Zone.
(b) Where the Authority has developed a comprehensive plan under (a), it shall have the power to
enter into agreements regarding multiple projects, industrial or commercial, with a single entity in
conjunction with the execution of that plan. As part of that agreement, the Authority shall specifically
have the power to:
   (i) Grant the entity the right to first present proposals for projects consistent with
       the comprehensive plan;
   (ii) Include in the agreement the recapture of the expenses, fees and costs associated
        with predevelopment costs, professional services and initial infrastructure costs;
   (iii) Include in the agreement recovery for Costs incurred in connection with the
development, construction, acquisition, or improvement of a project, even if the project is eventually
       completed by another entity; and

        projects within the Intermodal Facilities Development Zone.

Section 34. Coordinated Development. In entering agreements with entities, either under a
comprehensive plan as set forth in Section 31, or involving an individual project within an Intermodal
Facilities Development Zone involving the creation of a new terminal or terminal facilities, the
Authority shall give preferential consideration to entities which are currently engaged in projects in other
Intermodal Facilities Development Zones for the purpose of eliminating underutilized or obsolete
terminals and terminal facilities. Such consideration may include the altering of agreement terms and
conditions to reflect the coordination of projects in different Zones.

Section 35. Revenue Bonds.
(a) An Authority shall have the continuing power to issue revenue bonds, notes, or other evidences of
indebtedness for the purpose of developing, constructing, acquiring, or improving projects, including
those established by business entities locating or expanding property within the territorial jurisdiction of
the Authority, for entering into venture capital agreements with businesses locating or expanding within
the territorial jurisdiction of the Authority, for acquiring and improving any property necessary and
useful in connection therewith, and for the purposes of the Employee Ownership Assistance Act. For the
purpose of evidencing the obligations of an Authority to repay any money borrowed, the Authority may,
pursuant to resolution, from time to time issue and dispose of its interest bearing revenue bonds, notes,
or other evidences of indebtedness and may also from time to time issue and dispose of such bonds,
notes, or other evidences of indebtedness to refund, at maturity, at a redemption date or in advance of
either, any revenue bonds, notes, or other evidences of indebtedness pursuant to redemption provisions
or at any time before maturity. All such revenue bonds, notes, or other evidences of indebtedness shall
be payable solely from the revenues or income to be derived from loans made with respect to projects,
from the leasing or sale of the projects, or from any other funds available to the Authority for such
purposes, including, when so provided by ordinance of the Authority authorizing the issuance of revenue
bonds or notes. The revenue bonds, notes, or other evidences of indebtedness may bear such date or

[May 5, 2005]
dates, may mature at such time or times not exceeding 40 years from their respective dates, may bear interest at such rate or rates not exceeding the maximum rate permitted by the Bond Authorization Act, may be in such form, may carry such registration privileges, may be executed in such manner, may be payable at such place or places, may be made subject to redemption in such manner and upon such terms, with or without premium as is stated on the face thereof, may be authenticated in such manner, and may contain such terms and covenants as may be provided by an applicable resolution.

(b) The holder or holders of any revenue bonds, notes, or other evidences of indebtedness issued by the Authority may bring suits at law or proceedings in equity to compel the performance and observance of any contract or covenant made with the holders of such revenue bonds, notes, or other evidences of indebtedness, to compel such corporation, person, the Authority, and any of its agents or employees to perform any duties required to be performed for the benefit of the holders of any such revenue bonds, notes, or other evidences of indebtedness by the provision of the resolution authorizing their issuance and to enjoin such corporation, person, the Authority, and any of its agents or employees from taking any action in conflict with any such contract or covenant.

c) If the Authority fails to pay the principal of or interest on any of the revenue bonds or premium, if any, as the same become due, a civil action to compel payment may be instituted in the appropriate circuit court by the holder or holders of the revenue bonds on which such default of payment exists or by an indenture trustee acting on behalf of such holders. Delivery of a summons and a copy of the complaint to the Chairperson of the Board shall constitute sufficient service to give the circuit court jurisdiction of the subject matter of such a suit and jurisdiction over the Authority and its officers named as defendants for the purpose of compelling such payment. Any case, controversy, or cause of action concerning the validity of this Act relates to the revenue of the State of Illinois.

d) Notwithstanding the form and tenor of any such revenue bonds, notes, or other evidences of indebtedness and in the absence of any express recital on the face of any such revenue bond, note, or other evidence of indebtedness that it is non-negotiable, all such revenue bonds, notes, and other evidences of indebtedness shall be negotiable instruments. Pending the preparation and execution of any such revenue bonds, notes, or other evidences of indebtedness, temporary revenue bonds, notes, or evidences of indebtedness may be issued as provided by ordinance.

e) To secure the payment of any or all of such revenue bonds, notes, or other evidences of indebtedness, the revenues to be received by the Authority from a lease agreement or loan agreement shall be pledged, and, for the purpose of setting forth the covenants and undertakings of the Authority in connection with the issuance thereof and the issuance of any additional revenue bonds, notes, or other evidences of indebtedness payable from such revenues, income, or other funds to be derived from projects, the Authority may execute and deliver a mortgage or trust agreement. A remedy for any breach or default of the terms of any such mortgage or trust agreement by the Authority may be by mandamus proceedings in the appropriate circuit court to compel the performance and compliance therewith, but the trust agreement may prescribe by whom or on whose behalf the action may be instituted.

f) The revenue bonds or notes shall be secured as provided in the authorizing ordinance which may, notwithstanding any other provision of this Act, include in addition to any other security a specific pledge or assignment of and lien on or security interest in any or all revenues or money of the Authority from whatever source which may by law be used for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by ordinance of the Authority authorizing the issuance of such revenue bonds or notes.

g) The State of Illinois pledges to and agrees with the holders of the revenue bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such revenue bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of revenue bonds or notes issued pursuant to this Section.

(h) The revenue bonds, notes, and other evidences of indebtedness authorized by this Act are not, and shall not be construed to be, "State debt" within the meaning of Section 9 of Article IX of the Illinois Constitution, are not secured by the full faith and credit of the State, and are not required to be repaid, directly or indirectly, from tax revenues.

Section 36. Adoption of Tax Increment Financing.

(a) Subsequent to the creation of an Intermodal Facilities Development Zone, the Authority may both
establish Special Service Districts or Tax Increment Financing Districts, and, in connection therewith, issue bonds in accordance with the procedures and purposes set forth in the Property Tax Code and Section 11-74.4-1 of the Illinois Municipal Code as if the Authority were a "municipality" within the meaning of the said Acts, except that no proof of blight need be shown in establishing such districts within the zone.

(b) If (i) a redevelopment project area is, will be, or has been created by a municipality under Division 74.4 of the Illinois Municipal Code, (ii) the redevelopment project area contains property that is located in an Intermodal Facilities Development Zone, (iii) the municipality adopts an amendment to the Intermodal Facilities Development Zone designating ordinance pursuant to Section 23 of this Act specifically concerning the abatement of taxes on property located within a redevelopment project area created pursuant to Division 74.4 of the Illinois Municipal Code, and (iv) the Department certifies the ordinance amendment, then the property that is located in both the Intermodal Facilities Development Zone and the redevelopment project area shall not be eligible for the abatement of taxes under Section 18-170 of the Property Tax Code.

(c) This Section applies to all property located within both a redevelopment project area adopted under Division 74.4 of the Illinois Municipal Code and an Intermodal Facilities Development Zone even if the redevelopment project area was adopted before the effective date of this Act.

(d) After July 1, 2005, if (i) a redevelopment project area is created by a municipality under Division 74.4 of the Illinois Municipal Code and (ii) the redevelopment project area contains property that is located in an Intermodal Facilities Development Zone, the municipality must adopt an amendment to the certified Intermodal Facilities Development zone designating ordinance under Section 23 that the property that is located in both the Intermodal Facilities Development Zone and the redevelopment project area shall not be eligible for any abatement of taxes under Section 18-170 of the Property Tax Code for new improvements or the renovation or rehabilitation of existing improvements.

Section 37. Railroad Terminal Safety. The Authority and any other owner or lessee of any terminal or terminal facility, including a railroad company (railroad), may operate commercially-constructed electric fence (electric fence) for the purpose of homeland security and the general public welfare on its terminals larger than 50 acres (terminal). The Authority and any municipalities, counties, townships all other local units of government where the terminal operates (local government) shall be exempt from liability related to the use of any and all electric fences used by the owner or lessee. The owner or lessee shall properly operate and maintain the electric fence as certified by a qualified electrician. The owner or lessee may be required to construct external fences or landscaping ordered by the Authority or the local government for the purpose of aesthetics. The local government may request a reasonable installation fee for the installation of an electric fence. If the local government establishes specific codes or ordinances governing the installation or use, or both, of electric fences for industrial use, without prohibiting same, the provisions of this Section will be thereby superseded. Unless and until such code or ordinance is established the owner or lessee shall install and operate any electric fence in accordance with 60335-2-76(e) IEC; 1997 Standards for Electric Fencing and maintain adequate notice posted at the site of the electric fence.

Section 40. Acquisition.
(a) The Authority may, but need not, acquire title to any project with respect to which it exercises its authority.

(b) The Authority shall have power to acquire by purchase, lease, gift, or otherwise any property or rights therein from any person, the State of Illinois, any municipal corporation, any local unit of government, the government of the United States, any agency or instrumentality of the United States, any body politic, or any county useful for its purposes, whether improved for the purposes of any prospective project or unimproved. The Authority may also accept any donation of funds for its purposes from any of those sources.

(c) The Authority shall have power to develop, construct, and improve, either under its own direction or through collaboration with any approved applicant, or to acquire through purchase or otherwise any Commercial or Industrial project, using for that purpose the proceeds derived from its sale of bonds, notes, or other evidences of indebtedness or governmental loans or grants, and to hold title in the name of the Authority to those projects.

(d) All property owned by the Authority shall be exempt from property taxes. Any property owned by the Authority and leased to an entity that is not exempt shall remain exempt. The leasehold interest of the lessee shall be assessed under Section 9-195 of the Property Tax Code.
Section 41. Eminent Domain.

(a) Unless the designation ordinance specifically eliminates this power, the Authority may take and acquire possession by eminent domain of any property or interest in property which the Authority is authorized to acquire under this Act. The power of eminent domain may be exercised by ordinance of the Authority, and shall extend to all types of interests in property, both real and personal (including without limitation easements for access purposes to and rights of concurrent usage of existing or planned railroad facilities), whether or not the property is public property or is devoted to public use and whether or not the property is owned or held by a railroad, except as specifically limited by this Act.

(b) The Authority shall exercise the power of eminent domain granted in this Section in the manner provided for the exercise of the right of eminent domain under Article VII of the Code of Civil Procedure, as now or hereafter amended, excluding the authority provided in Sections 7-103 through 7-112 of the Code of Civil Procedure providing for immediate possession in such proceedings, and except that those provisions of Section 7-102 of that Code requiring prior approval of the Illinois Commerce Commission in certain instances shall apply to eminent domain proceedings by the Authority only as to any taking or damaging by the Authority of any real property of a railroad not used for public transportation or of any real property of other public utilities.

(c) The Authority may exercise the right of eminent domain to acquire public property only upon the concurrence of 2/3 of the then Board. In any proceeding for the taking of public property by the Authority through the exercise of the power of eminent domain the venue shall be in the Circuit Court of the county in which the property is located. The right of eminent domain may be exercised only upon a written finding adopted by concurrence of 2/3 of the then Board, after public hearing and a written study done for the Authority, that such taking is necessary to accomplish the purposes of this Act, that no feasible alternatives to such taking exist, and that the advantages to the public from such taking exceed the disadvantages to the public of doing so. No property dedicated as a nature preserve pursuant to the "Illinois Natural Areas Preservation Act", as now or hereafter amended, may be acquired in eminent domain by the Authority.

Section 45. Designation of Depository. The Authority shall biennially designate a national or State bank or banks as depositories of its money. Those depositories shall be designated only within the State and upon condition that bonds approved as to form and surety by the Authority and at least equal in amount to the maximum sum expected to be on deposit at any one time shall be first given by the depositories to the Authority, those bonds to be conditioned for the safekeeping and prompt repayment of the deposits. When any of the funds of the Authority shall be deposited by the treasurer in any such depository, the treasurer and the sureties on his official bond shall, to that extent, be exempt from liability for the loss of any of the deposited funds by reason of the failure, bankruptcy, or any other act or default of the depository. However, the Authority may accept assignments of collateral by any depository of its funds to secure the deposits to the same extent and conditioned in the same manner as assignments of collateral are permitted by law to secure deposits of the funds of any city.

Section 50. Reports. Each Authority shall annually submit a report of its finances to the Auditor General and to the Chief Officer of each municipality or county creating that Authority. Each Authority shall annually submit a report of its activities to the Governor and General Assembly.

Section 55. Abolition of Authority. An Authority shall be abolished upon the last to occur of the following: (1) expiration of the term set forth in the designation ordinance; or (2) one year after all bonds, notes, and other evidences of indebtedness of the Authority have been fully paid and discharged or otherwise provided for, whichever is later. Upon the abolition of an Authority, all of its rights and property shall pass to and be vested in the creating municipalities and counties, in proportionate shares.

Section 60. The Retailers’ Occupation Tax Act is amended by adding Section 1p as follows:

(35 ILCS 120/1p new)

Sec. 1p. Building materials for Intermodal Facilities Development Zones. Each retailer who makes a qualified sale of building materials to be incorporated into real estate in an Intermodal Facilities Development Zone established by an Authority created pursuant to statute by remodeling, rehabilitating or new construction, may deduct receipts from such sales when calculating the tax imposed by this Act. For purposes of this Section, “qualified sale” means a sale of building materials that will be incorporated into real estate as part of a industrial or commercial project for which a Certificate of Eligibility for Sales Tax Exemption has been issued by the Board of Directors of the Authority for the Intermodal Facilities Development Zone in which the building project is located. To document the exemption allowed under
this Section, the retailer must obtain from the purchaser a copy of the Certificate of Eligibility for Sales Tax Exemption issued by the Board of Directors into which the building materials will be incorporated. The Certificate of Eligibility for Sales Tax Exemption must contain:

(1) a statement that the commercial or industrial project identified in the Certificate meets all the requirements of the jurisdiction in which the project is located;
(2) the location or address of the building project; and
(3) the signature of the Board of Directors, or their delegate, for the Intermodal Facilities Development Zone in which the building project is located.

In addition, the retailer must obtain certification from the purchaser that contains:

(1) a statement that the building materials are being purchased for incorporation into real estate located in an Intermodal Facilities Development Zone;
(2) the location or address of the real estate into which the building materials will be incorporated;
(3) the name of the Intermodal Facilities Development Zone in which that real estate is located;
(4) a description of the building materials being purchased; and
(5) the purchaser's signature and date of purchase.

The provisions of this Section are exempt from Section 2-70.

Section 80. Liberal Construction. This Act being necessary and desirable for and intended to secure the public convenience and welfare, the provisions of this Act shall be liberally construed to give effect to the provisions hereof.

Section 90. Severability.

(a) The provisions of this Act and the applications thereof to any person or circumstance are declared to be severable. If any Section, clause, sentence, paragraph, part or provision of this Act shall be held to be invalid by any Court, it shall be conclusively presumed that the remaining portions of this Act would have been passed by the Legislature without such invalid section, clause, sentence, paragraph, part or provision.

(b) If the application of any Section, clause, sentence, paragraph, part or provision of this Act to any person or circumstance is held invalid, such invalidity shall not affect the application thereof to other persons or circumstances.

Section 99. Effective date. This Act takes effect July 1, 2005.".
