WHEREAS, The State's highway system is a critical part of the State's infrastructure; and

WHEREAS, A well developed and maintained State highway system is important for the motoring public and is an essential element in the State's economic development activities; and

WHEREAS, The Road Fund accounts for the activities of the State highway programs, including highway maintenance and construction, traffic control and safety, and administration of the State's motor vehicle laws and regulations; and

[May 23, 2012]

WHEREAS, Funding sources for the Road Fund come from federal aid, transfers from the Motor Fuel Tax Fund, and various license and fee charges; and

WHEREAS, According to the Fiscal Year 2010 Comprehensive Annual Financial Report, the Road Fund had revenue of \$2.7 billion and expenditures of \$2.6 billion, and ended the fiscal year on June 30, 2010 with a budgetary fund balance of \$489 million; and

WHEREAS, Concerns have been raised that a significant portion of Road Fund receipts are being used for purposes not directly related to road construction; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Auditor General is directed to conduct a management audit of moneys deposited into the Road Fund and the subsequent use of those moneys; and be it further

RESOLVED, That the audit include, but not be limited to, the following:

(1) an examination of the sources of funding for the Road Fund in Fiscal Year 2012, and a determination of whether the funding sources have significantly changed over the past 10 years;

Senator Link offered the following Senate Joint Resolution, which was referred to the Committee on Assignments:

#### **SENATE JOINT RESOLUTION NO. 76**

WHEREAS, The Illinois State Toll Highway Authority (Authority) has been asked to consider a northern extension of IL Route 53 through central Lake County since the early 1960s; the Authority created a Blue Ribbon Advisory Council to develop a consensus as to whether the Tollway should build the road, and if so, to guide the planning and potential building of an IL-53 and IL-120 North Extension; and

WHEREAS, As noted in the Chicago Metropolitan Agency for Planning (CMAP) comprehensive regional plan, entitled GO TO 2040, an extension of Illinois Route 53 could ease congestion that has resulted from Lake County's rapid development in recent decades; the project could improve access and mobility in the county and in the region as a whole; GO TO 2040 calls for a 21st Century urban highway - a "modern boulevard" - with a smaller footprint to minimize potential negative impacts while protecting the natural environment and preserving the character of nearby communities; and

WHEREAS, This roadway is intended to serve central Lake County extending north from the

[May 23, 2012]

terminus of IL-53 and Lake Cook Road for 12.5 miles to just south of IL-120; the extension would continue to the east, where it would tie into an existing interchange at US-41; the road would continue to the west and terminate at U.S. 12; and

WHEREAS, Approximately 70% of the needed right of way is currently owned by the State; however, the size, configuration, and operation of the roadway have not been determined; the extension must coexist with dense existing residential development and projected commercial development, as well as wetlands, organic farms, and environmental resources throughout the corridor; and

WHEREAS, An extension of IL-53 and IL-120 provides an opportunity for the Authority to explore options for an entirely new roadway concept; the Advisory Council will be responsible for developing regional consensus on whether the Authority should move forward, the scope and configuration, the design and elements, and how to finance the project; the Council will focus on corridor design, storm water management, integration of transit, use of congestion pricing to manage demand, visual and noise impacts, and limited access for commercial vehicles; the Council includes public officials as well as representatives from business, labor, planning, and environmental groups; and

WHEREAS, The Authority has estimated the roadway cost for an extension of IL-53 and IL-120 at approximately \$2.2 billion in 2010 dollars; however, this previous estimate assumed a 6-8 lane freeway facility, and did not include transit elements; and

WHEREAS, CMAP will be closely involved with the Blue Ribbon Advisory Council, serving as a partner with the Toll Highway Authority; CMAP will provide traffic projections and oversight, land use and environmental data and resources, and staff to offer perspectives for the Council's consideration; and

WHEREAS, A number of agencies have been involved in planning for improvements in the central Lake County corridor, with some planning efforts dating back to the 1970s; more recent studies have made specific recommendations regarding the size and basic design of the roadway; those results will provide a foundation of information as the Council considers options for design, land use, funding, and financing; and

WHEREAS, The report entitled "Illinois Route 53/120 Project: Blue Ribbon Advisory Council Draft Resolution and Report" represents our view as to the necessity of building a 21st century road in Lake County to serve the needs of residents and businesses; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we adopt the principles and conclusions agreed to by the Advisory Council in its report entitled "Illinois Route 53/120 Project: Blue Ribbon Advisory Council Draft Resolution and Report", and we approve and support the construction of a road in the Route 53/120 corridor, conditioned upon the Illinois State Toll Highway Authority adhering to the design principles, alignments, and environmental commitments outlined in the report; and be it further

RESOLVED, That we request that the Illinois State Toll Highway Authority, in cooperation with federal, State, and local governments, continue to search for financing mechanisms that are consistent with those described in the report; and be it further

RESOLVED, That we express our sincere appreciation and gratitude to the Illinois State Toll Highway Authority Board of Directors and staff for creating the Advisory Council and supporting its work, and we encourage the Board to provide full consideration and quick action to implement the steps outlined in the report; and be it further

RESOLVED, That we request that the Illinois State Toll Highway Authority routinely report to the Advisory Council on its progress in realizing the recommended project, and to use the advice of the Advisory Council as it proceeds; and be it further

RESOLVED, That suitable copies of this resolution be provided to the Illinois State Toll Highway Authority Board of Directors.

#### **AMENDMENT NO. 2 TO HOUSE BILL 1645**

AMENDMENT NO. 2. Amend House Bill 1645 by replacing everything after the enacting clause with the following:

"Section 5. The Property Tax Code is amended by changing Section 15-65 as follows:

(35 ILCS 200/15-65)

Sec. 15-65. Charitable purposes. All property of ~~the~~ the following is exempt when actually and exclusively used for charitable or beneficent purposes, and not leased or otherwise used with a view to profit:

(a) Institutions of public charity.

(b) Beneficent and charitable organizations incorporated in any state of the United States, including organizations whose owner, and no other person, uses the property exclusively for the distribution, sale, or resale of donated goods and related activities and uses all the income from those activities to support the charitable, religious or beneficent activities of the owner, whether or not such activities occur on the property.

(c) Old people's homes, facilities for persons with a developmental disability, and not-for-profit organizations providing services or facilities related to the goals of educational, social and physical development, if, upon making application for the exemption, the applicant provides affirmative evidence that the home or facility or organization is an exempt organization under

[May 23, 2012]

paragraph (3) of Section 501(c) of the Internal Revenue Code or its successor, and either: (i) the bylaws of the home or facility or not-for-profit organization provide for a waiver or reduction, based on an individual's ability to pay, of any entrance fee, assignment of assets, or fee for services, or (ii) the home or facility is qualified, built or financed under Section 202 of the National Housing Act of 1959, as amended.

An applicant that has been granted an exemption under this subsection on the basis that its bylaws provide for a waiver or reduction, based on an individual's ability to pay, of any entrance fee, assignment of assets, or fee for services may be periodically reviewed by the Department to determine if the waiver or reduction was a past policy or is a current policy. The Department may revoke the exemption if it finds that the policy for waiver or reduction is no longer current.

If a not-for-profit organization leases property that is otherwise exempt under this subsection to an organization that conducts an activity on the leased premises that would entitle the lessee to an exemption from real estate taxes if the lessee were the owner of the property, then the leased property is exempt.

(d) Not-for-profit health maintenance organizations certified by the Director of the Illinois Department of Insurance under the Health Maintenance Organization Act, including any health maintenance organization that provides services to members at prepaid rates approved by the Illinois Department of Insurance if the membership of the organization is sufficiently large or of indefinite classes so that the community is benefited by its operation. No exemption shall apply to any hospital or health maintenance organization which has been adjudicated by a court of competent jurisdiction to have denied admission to any person because of race, color, creed, sex or national origin.

(e) All free public libraries.

(f) Historical societies.

Property otherwise qualifying for an exemption under this Section shall not lose its exemption because the legal title is held (i) by an entity that is organized solely to hold that title and that qualifies under paragraph (2) of Section 501(c) of the Internal Revenue Code or its successor, whether or not that entity receives rent from the charitable organization for the repair and maintenance of the property, (ii) by an entity that is organized as a partnership or limited liability company, in which the charitable organization, or an affiliate or subsidiary of the charitable organization, is a general partner of the partnership or managing member of the limited liability company, for the purposes of owning and operating a residential rental property that has received an allocation of Low Income Housing Tax Credits for 100% of the dwelling units under Section 42 of the Internal Revenue Code of 1986, as amended, or (iii) for any assessment year including and subsequent to January 1, 1996 for which an application for exemption has been filed and a decision on which has not become final and nonappealable, by a limited liability company organized under the Limited Liability Company Act provided that (A) the limited liability company's sole member or members, as that term is used in Section 1-5 of the Limited Liability Company Act, are the institutions of public charity that actually and exclusively use the property for charitable and beneficent purposes; (B) the limited liability company is a disregarded entity for federal and Illinois income tax purposes and, as a result, the limited liability company is deemed exempt from income tax liability by virtue of the Internal Revenue Code Section 501(c)(3) status of its sole member or members; and (C) the limited liability company does not lease the property or otherwise use it with a view to profit. (Source: P.A. 96-763, eff. 8-25-09.)"

**AMENDMENT NO. 3 TO HOUSE BILL 1645**

AMENDMENT NO. 3. Amend House Bill 1645, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Live Adult Entertainment Facility Surcharge Act.

Section 3. Findings. It is the intent of the General Assembly to ameliorate the negative secondary effects associated with the consumption of alcoholic beverages on the premises of sexually oriented businesses, or the proximity of sexually oriented businesses to facilities serving alcohol, so as to promote the health, safety, and welfare of the citizens of Illinois.

[May 23, 2012]

performances that may be protected by the First Amendment of the United States Constitution or by the Illinois Constitution.

Section 5. Definitions. As used in this Act:

"Admission" means entry by a person into a live adult entertainment facility.

"Department" means the Department of Revenue.

"Live adult entertainment facility" means a striptease club or other business that serves or permits the consumption of alcohol on its premises, and, during at least 30 consecutive or nonconsecutive days in a calendar year, offers or provides activities by employees, agents, or contractors of the business that involve nude or partially denuded individuals that, when considered as a whole, appeal primarily to an interest in nudity or sex.

"Nude or partially denuded individual" means an individual who is:

(1) entirely unclothed; or

(2) clothed in a manner that leaves uncovered or visible through less than fully opaque clothing any portion of the breasts below the top of the areola of the breasts, if the person is female, or any portion of the genitals or buttocks.

"Operator" means any person who owns or operates a live adult entertainment facility in this State.

Section 10. Surcharge imposed; returns.

(a) An annual surcharge is imposed upon each operator who operates a live adult entertainment facility in this State. By January 20, 2014, and by January 20 of each year thereafter, each operator shall elect to pay the surcharge according to either item (1) or item (2) of this subsection.

(1) An operator who elects to be subject to this item (1) shall pay to the Department a surcharge imposed upon admissions to a live adult entertainment facility operated by the operator in this State in an amount equal to \$3 per person admitted to that live adult entertainment facility. This item (1) does not require a live entertainment facility to impose a fee on a customer of the facility. An operator has the discretion to determine the manner in which the facility derives the moneys required to pay the surcharge imposed under this section. In the event that an operator has not filed the applicable returns under the Retailers' Occupation Tax Act for a full calendar year prior to any January 20, then such operator shall pay the surcharge under this Act pursuant to this item (1) for moneys owed to the Department subject to this Act for the previous calendar year.

(2) An operator may, in the alternative, pay to the Department the surcharge as follows:

(A) If the gross receipts received by the live adult entertainment facility during the preceding calendar year, upon the basis of which a tax is imposed under Section 2 of the Retailers' Occupation Tax Act, are equal or greater than \$2,000,000 during the preceding calendar year, and if the operator elects to be subject to this item (2), then the operator shall pay the Department a surcharge of \$25,000.

(B) If the gross receipts received by the live adult entertainment facility during the preceding calendar year, upon the basis of which a tax is imposed under Section 2 of the Retailers' Occupation Tax Act, are equal to or greater than \$500,000 but less than \$2,000,000 during the preceding calendar year, and if the operator elects to be subject to this item (2), then the operator shall pay to the Department a surcharge of \$15,000.

(C) If the gross receipts received by the live adult entertainment facility during the preceding calendar year, upon the basis of which a tax is imposed under Section 2 of the Retailers' Occupation Tax Act, are less than \$500,000 during the preceding calendar year, and if the operator elects to be subject to this item (2), then the operator shall pay the Department a surcharge of \$5,000.

(b) For each live adult entertainment facility paying the surcharge as set forth in item (1) of subsection (a) of this Section, the operator must file a return electronically as provided by the Department and remit payment to the Department on an annual basis no later than January 20 covering the previous calendar year. Each return made to the Department must state the following:

(1) the name of the operator;

(2) the address of the live adult entertainment facility and the address of the principal place of business (if that is a different address) of the operator;

(3) the total number of admissions to the facility in the preceding calendar year; and

(4) the total amount of surcharge collected in the preceding calendar year.

Notwithstanding any other provision of this subsection concerning the time within which an operator may file his or her return, if an operator ceases to operate a live adult entertainment facility, then he or she must file a final return under this Act with the Department not more than one calendar month after

discontinuing that business.

(c) For each live adult entertainment facility paying the surcharge as set forth in item (2) of subsection (a) of this Section, the operator must file a return electronically as provided by the Department and remit payment to the Department on an annual basis no later than January 20 covering the previous calendar year. Each return made to the Department must state the following:

(1) the name of the operator;

(2) the address of the live adult entertainment facility and the address of the principal place of business (if that is a different address) of the operator;

(3) the gross receipts received by the live adult entertainment facility during the preceding calendar year, upon the basis of which tax is imposed under Section 2 of the Retailers' Occupation Tax Act; and

(4) the applicable surcharge from Section 10(a)(2) of this Act to be paid by the operator.

Notwithstanding any other provision of this subsection concerning the time within which an operator may file his or her return, if an operator ceases to operate a live adult entertainment facility, then he or she must file a final return under this Act with the Department not more than one calendar month after discontinuing that business.

(d) Beginning January 1, 2014, the Department shall pay all proceeds collected from the surcharge imposed under this Act into the Sexual Assault Services and Prevention Fund, less 2% of those proceeds, which shall be paid into the Tax Compliance and Administration Fund in the State treasury from which it shall be appropriated to the Department to cover the costs of the Department in administering and enforcing the provisions of this Act.

#### Section 15. The Sexual Assault Services and Prevention Fund.

(a) The Sexual Assault Services and Prevention Fund is created as a special fund in the State treasury. From appropriations from the Fund, the Department of Human Services shall make grants to sexual assault organizations with whom the Department has contracts for the purpose of providing community-based assistance to victims of sexual assault and for activities concerning the prevention of sexual assault. Moneys received for the purposes of this Act, including, without limitation, surcharge proceeds and gifts, grants, and awards from any public or private entity, must be deposited into the Fund. Any interest earnings that are attributable to moneys in the Fund must be deposited into the Fund.

(b) Notwithstanding any deposits authorized under subsection (d) of Section 10 of this Act, the Fund is not subject to sweeps, charge-backs, or any other fiscal or budgetary maneuver that would in any way transfer any moneys from the Fund into any other fund of the State.

Section 20. Books and records. Every operator electing to pay the surcharge pursuant to item (1) of subsection (a) of Section 10 of this Act shall record the admissions of customers subject to the surcharge under this Act.

Section 25. Application of Retailers' Occupation Tax provisions; Uniform Penalty and Interest Act provisions. All the provisions of Sections 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, and 13 of the Retailers' Occupation Tax Act that are not inconsistent with this Act apply, as far as practicable, to the surcharge imposed by this Act to the same extent as if those provisions were included in this Act. References in the incorporated Sections of the Retailers' Occupation Tax Act to retailers, to sellers, or to persons engaged in the business of selling tangible personal property mean operators. All provisions of the Uniform Penalty and Interest Act which are not inconsistent with this Act shall apply.

Section 30. Rules. The Department may adopt and enforce any reasonable rule to administer and enforce the surcharge imposed by this Act.

Section 40. Review under the Administrative Review Law. The circuit court of any county in which a hearing is held has the power to review all final administrative decisions of the Department in administering the surcharge imposed under this Act. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

Section 45. Penalty. Any operator who fails to make a return or who makes a fraudulent return is guilty of a Class 4 felony.

(m) Any communication between an elected official of the City and any applicant for or party to a casino management contract with the Authority, or an officer, director, or employee thereof, concerning any matter relating in any way to gaming or the Authority shall be disclosed to the Board and the Gaming Board. Such disclosure shall be in writing by the official within 30 days after the communication and shall be filed with the Board. Disclosure must consist of the date of the communication, the identity and job title of the person with whom the communication was made, a brief summary of the communication, the action requested or recommended, all responses made, the identity and job title of the person making the response, and any other pertinent information.

Public disclosure of the written summary provided to the Board and the Gaming Board shall be subject to the exemptions provided under Section 7 of the Freedom of Information Act.

(n) Any Board member or employee of the Authority who violates any provision of this Section is guilty of a Class 4 felony.

#### Section 1-45. Casino management contracts.

(a) The Board shall develop and administer a competitive sealed bidding process for the selection of a potential casino operator licensee to develop or operate a casino within the City. The Board shall issue one or more requests for proposals. The Board may establish minimum financial and investment requirements to determine the eligibility of persons to respond to the Board's requests for proposal, and may establish and consider such other criteria as it deems appropriate. The Board may impose a fee upon persons who respond to requests for proposal, in order to reimburse the Board for its costs in preparing and issuing the requests and reviewing the proposals.

(b) Within 5 days after the time limit for submitting bids and proposals has passed, the Board shall make all bids and proposals public, provided, however, the Board shall not be required to disclose any information which would be exempt from disclosure under Section 7 of the Freedom of Information Act. Thereafter, the Board shall evaluate the responses to its requests for proposal and the ability of all persons or entities responding to its requests for proposal to meet the requirements of this Act and to undertake and perform the obligations set forth in its requests for proposal.

(c) After reviewing proposals and subject to Gaming Board approval, the Board shall enter into a casino management contract authorizing the development, construction, or operation of a casino. Validity of the casino management contract is contingent upon the issuance of a casino operator license to the successful bidder. If the Gaming Board approves the contract and grants a casino operator license, the Board shall transmit a copy of the executed casino management contract to the Gaming Board.

(d) After the Authority has been issued a casino license, the Gaming Board has issued a casino operator license, and the Gaming Board has approved the location of a temporary facility, the Authority may conduct gaming operations at a temporary facility for no longer than 24 months after gaming operations begin. The Gaming Board may, after holding a public hearing, grant an extension so long as a permanent facility is not operational and the Authority is working in good faith to complete the permanent facility. The Gaming Board may grant additional extensions following a public hearing. Each extension may be for a period of no longer than 6 months.

(e) Fifty percent of any initial consideration received by the Authority that was paid as an inducement pursuant to a bid for a casino management contract or an executed casino management contract must be transmitted to the State and deposited into the Gaming Facilities Fee Revenue Fund. The initial consideration shall not include any amounts paid by an entity on behalf of the Authority for any license or per position fees imposed pursuant to the Illinois Gambling Act or any other financial obligation of the Authority.

Section 1-50. Transfer of funds. The revenues received by the Authority (other than amounts required to be paid pursuant to the Illinois Gambling Act and amounts required to pay the operating expenses of the Authority, to pay amounts due the casino operator licensee pursuant to a casino management contract, to repay any borrowing of the Authority made pursuant to Section 1-31, to pay debt service on any bonds issued under Section 1-75, and to pay any expenses in connection with the issuance of such bonds pursuant to Section 1-75 or derivative products pursuant to Section 1-85) shall be transferred to the City by the Authority. Moneys transferred to the City pursuant to this Section shall be expended or obligated by the City for the construction and maintenance of infrastructure and for related purposes within the City. Such infrastructure may include, but is not limited to, roads, bridges, transit infrastructure, water and sewer infrastructure, schools, parks, and municipal facilities.

Section 1-60. Auditor General.

(a) Prior to the issuance of bonds under this Act, the Authority shall submit to the Auditor General a certification that:

- (1) it is legally authorized to issue bonds;
- (2) scheduled annual payments of principal and interest on the bonds to be issued meet the requirements of Section 1-75 of this Act;
- (3) no bond shall mature later than 30 years; and
- (4) after payment of costs of issuance and necessary deposits to funds and accounts established with respect to debt service on the bonds, the net bond proceeds (exclusive of any proceeds to be used to refund outstanding bonds) will be used only for the purposes set forth in this Act.

The Authority also shall submit to the Auditor General its projections on revenues to be generated and pledged to repayment of the bonds as scheduled and such other information as the Auditor General may reasonably request.

The Auditor General shall examine the certifications and information submitted and submit a report to the Authority and the Gaming Board indicating whether the required certifications, projections, and other information have been submitted by the Authority and that the assumptions underlying the projections are not unreasonable in the aggregate. The Auditor General shall submit the report no later than 60 days after receiving the information required to be submitted by the Authority.

The Authority shall not issue bonds until it receives the report from the Auditor General indicating the requirements of this Section have been met. The Auditor General's report shall not be in the nature of a post-audit or examination and shall not lead to the issuance of an opinion, as that term is defined in generally accepted government auditing standards. The Auditor General shall submit a bill to the Authority for costs associated with the examinations and report required under this Section. The Authority shall reimburse in a timely manner.

(b) The Authority shall enter into an intergovernmental agreement with the Auditor General authorizing the Auditor General to, every 2 years, (i) review the financial audit of the Authority performed by the Authority's certified public accountants, (ii) perform a management audit of the Authority, and (iii) perform a management audit of the casino operator licensee. The Auditor General shall provide the Authority and the General Assembly with the audits and shall post a copy on his or her website. The Auditor General shall submit a bill to the Authority for costs associated with the review and the audit required under this Section, which costs shall not exceed \$100,000, and the Authority shall reimburse the Auditor General for such costs in a timely manner.

An Advisory Committee is established to monitor, review, and report on (1) the Authority's utilization of minority-owned business enterprises and female-owned business enterprises, (2) employment of females, and (3) employment of minorities with regard to the development and construction of the casino as authorized under Section 7 of the Illinois Gambling Act. The Authority shall work with the Advisory Committee in accumulating necessary information for the Committee to submit reports, as necessary, to the General Assembly and to the City.

The Committee shall consist of 9 members as provided in this Section. Five members shall be selected by the Governor and 4 members shall be selected by the Mayor of the City of Chicago. The Governor and Mayor of the City of Chicago shall each appoint at least one current member of the General Assembly. The Advisory Committee shall meet periodically and shall report the information to the Mayor of the City and to the General Assembly by December 31st of every year.

The Advisory Committee shall be dissolved on the date that casino gambling operations are first conducted at a permanent facility under the license authorized under Section 7 of the Illinois Gambling Act. For the purposes of this Section, the terms "female" and "minority person" have the meanings provided in Section 2 of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act.

Section 1-65. Acquisition of property; eminent domain proceedings. For the lawful purposes of this Act, the City may acquire by eminent domain or by condemnation proceedings in the manner provided by the Eminent Domain Act, real or personal property or interests in real or personal property located in the City, and the City may convey to the Authority property so acquired. operations in or at an airport.

Section 1-70. Local regulation. The casino facilities and operations therein shall be subject to all ordinances and regulations of the City. The construction, development, and operation of the casino shall comply with all ordinances, regulations, rules, and controls of the City, including but not limited to those relating to zoning and planned development, building, fire prevention, and land use. However, the regulation of gaming operations is subject to the exclusive jurisdiction of the Gaming Board.

Section 1-75. Borrowing.

(a) The Authority may borrow money and issue bonds as provided in this Section. Bonds of the Authority may be issued to provide funds for land acquisition, site assembly and preparation, and the design and construction of the casino, as defined in the Illinois Gambling Act, all ancillary and related facilities comprising the casino complex, and all on-site and off-site infrastructure improvements required in connection with the development of the casino; to refund (at the time or in advance of any maturity or redemption) or redeem any bonds of the Authority; to provide or increase a debt service reserve fund or other reserves with respect to any or all of its bonds; or to pay the legal, financial, administrative, bond insurance, credit enhancement, and other legal expenses of the authorization, issuance, or delivery of bonds. In this Act, the term "bonds" also includes notes of any kind, interim certificates, refunding bonds, or any other evidence of obligation for borrowed money issued under this Section. Bonds may be issued in one or more series and may be payable and secured either on a parity with or separately from other bonds.

(b) The bonds of the Authority shall be payable from one or more of the following sources: (i) the property or revenues of the Authority; (ii) revenues derived from the casino; (iii) revenues derived from any casino operator licensee; (iv) fees, bid proceeds, charges, lease payments, payments required pursuant to any casino management contract or other revenues payable to the Authority, or any receipts of the Authority; (v) payments by financial institutions, insurance companies, or others pursuant to letters or lines of credit, policies of insurance, or purchase agreements; (vi) investment earnings from funds or accounts maintained pursuant to a bond resolution or trust indenture; (vii) proceeds of refunding bonds; (viii) any other revenues derived from or payments by the City; and (ix) any payments by any casino operator licensee or others pursuant to any guaranty agreement.

Bonds shall meet the following requirements:

(1) Bonds shall bear interest at a rate not to exceed the maximum rate authorized by the Bond Authorization Act.

(2) Bonds issued pursuant to this Section may be payable on such dates and times as may be provided for by the resolution or indenture authorizing the issuance of such bonds; provided, however, that such bonds shall mature no later than 30 years from the date of issuance.

(3) At least 25%, based on total principal amount, of all bonds issued pursuant to this Section shall be sold pursuant to notice of sale and public bid. No more than 75%, based on total principal amount, of all bonds issued pursuant to this Section shall be sold by negotiated sale.

(4) Bonds shall be payable at a time or times, in the denominations and form, including book entry form, either coupon, registered, or both, and carry the registration and privileges as to exchange, transfer or conversion, and replacement of mutilated, lost, or destroyed bonds as the resolution or trust indenture may provide.

(5) Bonds shall be payable in lawful money of the United States at a designated place.

(6) Bonds shall be subject to the terms of purchase, payment, redemption, refunding, or refinancing that the resolution or trust indenture provides.

(7) Bonds shall be executed by the manual or facsimile signatures of the officers of the Authority designated by the Board, which signatures shall be valid at delivery even for one who has ceased to hold office.

(8) Bonds shall be sold at public or private sale in the manner and upon the terms determined by the Authority.

(9) Bonds shall be issued in accordance with the provisions of the Local Government Debt Reform Act.

(d) The Authority shall adopt a procurement program with respect to contracts relating to underwriters, bond counsel, financial advisors, and accountants. The program shall include goals for the payment of not less than 30% of the total dollar value of the fees from these contracts to minority-owned

businesses and female-owned businesses as defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. The Authority shall conduct outreach to minority-owned businesses and female-owned businesses. Outreach shall include, but is not limited to, advertisements in periodicals and newspapers, mailings, and other appropriate media. The Authority shall submit to the General Assembly a comprehensive report that shall include, at a minimum, the details of the procurement plan, outreach efforts, and the results of the efforts to achieve goals for the payment of fees.

(e) Subject to the Illinois Gambling Act and rules of the Gaming Board regarding pledging of interests in holders of owners licenses, any resolution or trust indenture may contain provisions that may be a part of the contract with the holders of the bonds as to the following:

(1) Pledging, assigning, or directing the use, investment, or disposition of revenues of the Authority or proceeds or benefits of any contract, including without limitation any rights in any casino management contract.

(2) The setting aside of loan funding deposits, debt service reserves, replacement or operating reserves, cost of issuance accounts and sinking funds, and the regulation, investment, and disposition thereof.

(3) Limitations on the purposes to which or the investments in which the proceeds of sale of any issue of bonds or the Authority's revenues and receipts may be applied or made.

(4) Limitations on the issue of additional bonds, the terms upon which additional bonds may be issued and secured, the terms upon which additional bonds may rank on a parity with, or be subordinate or superior to, other bonds.

(5) The refunding, advance refunding, or refinancing of outstanding bonds.

(6) The procedure, if any, by which the terms of any contract with bondholders may be altered or amended and the amount of bonds and holders of which must consent thereto and the manner in which consent shall be given.

(7) Defining the acts or omissions that shall constitute a default in the duties of the Authority to holders of bonds and providing the rights or remedies of such holders in the event of a default, which may include provisions restricting individual rights of action by bondholders.

(8) Providing for guarantees, pledges of property, letters of credit, or other security, or insurance for the benefit of bondholders.

(f) No member of the Board, nor any person executing the bonds, shall be liable personally on the bonds or subject to any personal liability by reason of the issuance of the bonds.

(g) The Authority may issue and secure bonds in accordance with the provisions of the Local Government Credit Enhancement Act.

(h) A pledge by the Authority of revenues and receipts as security for an issue of bonds or for the performance of its obligations under any casino management contract shall be valid and binding from the time when the pledge is made. The revenues and receipts pledged shall immediately be subject to the lien of the pledge without any physical delivery or further act, and the lien of any pledge shall be valid and binding against any person having any claim of any kind in tort, contract, or otherwise against the Authority, irrespective of whether the person has notice. No resolution, trust indenture, management agreement or financing statement, continuation statement, or other instrument adopted or entered into by the Authority need be filed or recorded in any public record other than the records of the Authority in order to perfect the lien against third persons, regardless of any contrary provision of law.

(i) Bonds that are being paid or retired by issuance, sale, or delivery of bonds, and bonds for which sufficient funds have been deposited with the paying agent or trustee to provide for payment of principal and interest thereon, and any redemption premium, as provided in the authorizing resolution, shall not be considered outstanding for the purposes of this subsection.

(j) The bonds of the Authority shall not be indebtedness of the State. The bonds of the Authority are not general obligations of the State and are not secured by a pledge of the full faith and credit of the State and the holders of bonds of the Authority may not require, except as provided in this Act, the application of State revenues or funds to the payment of bonds of the Authority.

(k) The State of Illinois pledges and agrees with the owners of the bonds that it will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with the owners or in any way impair the rights and remedies of the owners until the bonds, together with interest on them, and all costs and expenses in connection with any action or proceedings by or on behalf of the owners, are fully met and discharged. The Authority is authorized to include this pledge and agreement in any contract with the owners of bonds issued under this Section.

(l) No person holding an elective office in this State, holding a seat in the General Assembly, or serving as a board member, trustee, officer, or employee of the Authority, including the spouse of that person, may receive a legal, banking, consulting, or other fee related to the issuance of bonds. This

prohibition shall also apply to a company or firm that employs a person holding an elective office in this State, holding a seat in the General Assembly, or serving as a board member, trustee, officer, or employee of the Authority, including the spouse of that person, if the person or his or her spouse has greater than 7.5% ownership of the company or firm.

Section 1-85. Derivative products. With respect to all or part of any issue of its bonds, the Authority may enter into agreements or contracts with any necessary or appropriate person, which will have the benefit of providing to the Authority an interest rate basis, cash flow basis, or other basis different from that provided in the bonds for the payment of interest. Such agreements or contracts may include, without limitation, agreements or contracts commonly known as "interest rate swap agreements", "forward payment conversion agreements", "futures", "options", "puts", or "calls" and agreements or contracts providing for payments based on levels of or changes in interest rates, agreements or contracts to exchange cash flows or a series of payments, or to hedge payment, rate spread, or similar exposure.

Section 1-90. Legality for investment. The State of Illinois, all governmental entities, all public officers, banks, bankers, trust companies, savings banks and institutions, building and loan associations, savings and loan associations, investment companies, and other persons carrying on a banking business, insurance companies, insurance associations, and other persons carrying on an insurance business, and all executors, administrators, guardians, trustees, and other fiduciaries may legally invest any sinking funds, moneys, or other funds belonging to them or within their control in any bonds issued under this Act. However, nothing in this Section shall be construed as relieving any person, firm, or corporation from any duty of exercising reasonable care in selecting securities for purchase or investment.

Section 1-105. Budgets and reporting.

(a) The Board shall annually adopt a budget for each fiscal year. The budget may be modified from time to time in the same manner and upon the same vote as it may be adopted. The budget shall include the Authority's available funds and estimated revenues and shall provide for payment of its obligations and estimated expenditures for the fiscal year, including, without limitation, expenditures for administration, operation, maintenance and repairs, debt service, and deposits into reserve and other funds and capital projects.

(b) The Board shall annually cause the finances of the Authority to be audited by a firm of certified public accountants selected by the Board in accordance with the rules of the Gaming Board and post the firm's audits of the Authority on the Authority's Internet website.

(c) The Board shall, for each fiscal year, prepare an annual report setting forth information concerning its activities in the fiscal year and the status of the development of the casino. The annual report shall include the audited financial statements of the Authority for the fiscal year, the budget for the succeeding fiscal year, and the current capital plan as of the date of the report. Copies of the annual report shall be made available to persons who request them and shall be submitted not later than 120 days after the end of the Authority's fiscal year or, if the audit of the Authority's financial statements is not completed within 120 days after the end of the Authority's fiscal year, as soon as practical after completion of the audit, to the Governor, the Mayor, the General Assembly, and the Commission on Government Forecasting and Accountability.

Section 1-110. Deposit and withdrawal of funds.

(a) All funds deposited by the Authority in any bank or savings and loan association shall be placed in the name of the Authority and shall be withdrawn or paid out only by check or draft upon the bank or savings and loan association, signed by 2 officers or employees designated by the Board. Notwithstanding any other provision of this Section, the Board may designate any of its members or any officer or employee of the Authority to authorize the wire transfer of funds deposited by the secretary-treasurer of funds in a bank or savings and loan association for the payment of payroll and employee benefits-related expenses.

No bank or savings and loan association shall receive public funds as permitted by this Section unless it has complied with the requirements established pursuant to Section 6 of the Public Funds Investment Act.

(b) If any officer or employee whose signature appears upon any check or draft issued pursuant to this Act ceases (after attaching his signature) to hold his or her office before the delivery of such a check or draft to the payee, his or her signature shall nevertheless be valid and sufficient for all purposes with the same effect as if he or she had remained in office until delivery thereof.

Section 1-112. Contracts with the Authority or casino operator licensee; disclosure requirements.

(a) A bidder, respondent, offeror, or contractor for contracts with the Authority or casino operator licensee shall disclose the identity of all officers and directors and every owner, beneficiary, or person with beneficial interest of more than 1% or shareholder entitled to receive more than 1% of the total distributable income of any corporation having any interest in the contract or in the bidder, respondent, offeror, or contractor. The disclosure shall be in writing and attested to by an owner, trustee, corporate official, or agent. If stock in a corporation is publicly traded and there is no readily known individual having greater than a 1% interest, then a statement to that effect attested to by an officer or agent of the corporation shall fulfill the disclosure statement requirement of this Section. A bidder, respondent, offeror, or contractor shall notify the Authority of any changes in officers, directors, ownership, or individuals having a beneficial interest of more than 1%.

(b) A bidder, respondent, offeror, or contractor for contracts with an annual value of \$10,000 or more or for a period to exceed one year shall disclose all political contributions of the bidder, respondent, offeror, or contractor and any affiliated person or entity. Disclosure shall include at least the names and addresses of the contributors and the dollar amounts of any contributions to any political committee made within the previous 2 years. The disclosure must be submitted to the Gaming Board with a copy of the contract.

(c) As used in this Section:

"Contribution" means contribution as defined in Section 9-1.4 of the Election Code.

"Affiliated person" means (i) any person with any ownership interest or distributive share of the bidding, responding, or contracting entity in excess of 1%, (ii) executive employees of the bidding, responding, or contracting entity, and (iii) the spouse and minor children of any such persons.

"Affiliated entity" means (i) any parent or subsidiary of the bidding or contracting entity, (ii) any member of the same unitary business group, or (iii) any political committee for which the bidding, responding, or contracting entity is the sponsoring entity.

(d) The Gaming Board may direct the Authority or a casino operator licensee to void a contract if a violation of this Section occurs. The Authority may direct a casino operator licensee to void a contract if a violation of this Section occurs.

(e) All contracts pertaining to the actual operation of the casino and related gaming activities shall be entered into by the casino operator licensee and not the Authority.

Section 1-115. Purchasing.

(a) All construction contracts and contracts for supplies, materials, equipment, and services, when the cost thereof to the Authority exceeds \$25,000, shall be let by a competitive selection process to the lowest responsible proposer, after advertising for proposals, except for the following:

- (1) when repair parts, accessories, equipment, or services are required for equipment or services previously furnished or contracted for;
- (2) when services such as water, light, heat, power, telephone (other than long-distance service), or telegraph are required;
- (3) casino management contracts, which shall be awarded as set forth in Section 1-45 of this Act;
- (4) contracts where there is only one economically feasible source; and

(5) when a purchase is needed on an immediate, emergency basis because there exists a threat to public health or public safety, or when immediate expenditure is necessary for repairs to Authority property in order to protect against further loss of or damage to Authority property, to prevent or minimize serious disruption in Authority services or to ensure the integrity of Authority records.

(b) All contracts involving less than \$25,000 shall be let by competitive selection process whenever possible, and in any event in a manner calculated to ensure the best interests of the public.

(c) In determining the responsibility of any proposer, the Authority may take into account the proposer's (or an individual having a beneficial interest, directly or indirectly, of more than 1% in such proposing entity) past record of dealings with the Authority, the proposer's experience, adequacy of equipment, and ability to complete performance within the time set, and other factors besides financial responsibility. No such contract shall be awarded to any proposer other than the lowest proposer (in case of purchase or expenditure) unless authorized or approved by a vote of at least 3 members of the Board and such action is accompanied by a written statement setting forth the reasons for not awarding the contract to the highest or lowest proposer, as the case may be. The statement shall be kept on file in the principal office of the Authority and open to public inspection.

(d) The Authority shall have the right to reject all proposals and to re-advertise for proposals. If after

any such re-advertisement, no responsible and satisfactory proposals, within the terms of the re-advertisement, is received, the Authority may award such contract without competitive selection, provided that the Gaming Board must approve the contract prior to its execution. The contract must not be less advantageous to the Authority than any valid proposal received pursuant to advertisement.

(e) Advertisements for proposals and re-proposals shall be published at least once in a daily newspaper of general circulation published in the City at least 10 calendar days before the time for receiving proposals and in an online bulletin published on the Authority's website. Such advertisements shall state the time and place for receiving and opening of proposals and, by reference to plans and specifications on file at the time of the first publication or in the advertisement itself, shall describe the character of the proposed contract in sufficient detail to fully advise prospective proposers of their obligations and to ensure free and open competitive selection.

(f) All proposals in response to advertisements shall be sealed and shall be publicly opened by the Authority. All proposers shall be entitled to be present in person or by representatives. Cash or a certified or satisfactory cashier's check, as a deposit of good faith, in a reasonable amount to be fixed by the Authority before advertising for proposals, shall be required with the proposal. A bond for faithful performance of the contract with surety or sureties satisfactory to the Authority and adequate insurance may be required in reasonable amounts to be fixed by the Authority before advertising for proposals.

(g) The contract shall be awarded as promptly as possible after the opening of proposals. The proposal of the successful proposer, as well as the bids of the unsuccessful proposers, shall be placed on file and be open to public inspection subject to the exemptions from disclosure provided under Section 7 of the Freedom of Information Act. All proposals shall be void if any disclosure of the terms of any proposals in response to an advertisement is made or permitted to be made by the Authority before the time fixed for opening proposals.

(h) Notice of each and every contract that is offered, including renegotiated contracts and change orders, shall be published in an online bulletin. The online bulletin must include at least the date first offered, the date submission of offers is due, the location that offers are to be submitted to, a brief purchase description, the method of source selection, information of how to obtain a comprehensive purchase description and any disclosure and contract forms, and encouragement to prospective vendors to hire qualified veterans, as defined by Section 45-67 of the Illinois Procurement Code, and Illinois residents discharged from any Illinois adult correctional center subject to Gaming Board licensing and eligibility rules. Notice of each and every contract that is let or awarded, including renegotiated contracts and change orders, shall be published in the online bulletin and must include at least all of the information specified in this subsection (h), as well as the name of the successful responsible proposer or offeror, the contract price, and the number of unsuccessful responsive proposers and any other disclosure specified in this Section. This notice must be posted in the online electronic bulletin prior to execution of the contract.

#### Section 1-130. Affirmative action and equal opportunity obligations of Authority.

(a) The Authority is subject to the requirements of Article IV of Chapter 2-92 (Sections 2-92-650 through 2-92-720 inclusive) of the Chicago Municipal Code, as now or hereafter amended, renumbered, or succeeded, concerning a Minority-Owned and Women-Owned Business Enterprise Procurement Program for construction contracts, and Section 2-92-420 et seq. of the Chicago Municipal Code, as now or hereafter amended, renumbered, or succeeded, concerning a Minority-Owned and Women-Owned Business Enterprise Procurement Program to determine the status of a firm as a Minority Business Enterprise for city procurement purposes.

(b) The Authority is authorized to enter into agreements with contractors' associations, labor unions, and the contractors working on the development of the casino to establish an apprenticeship preparedness training program to provide for an increase in the number of minority and female journeymen and apprentices in the building trades and to enter into agreements with community college districts or other public or private institutions to provide readiness training. The Authority is further authorized to enter into contracts with public and private educational institutions and persons in the gaming, entertainment, hospitality, and tourism industries to provide training for employment in those industries.

Section 1-135. Transfer of interest. Neither the Authority nor the City may sell, lease, rent, transfer, exchange, or otherwise convey any interest that they have in the casino without prior approval of the General Assembly.

#### Section 1-140. Home rule. The regulation and licensing of casinos and casino gaming, casino gaming

[May 23, 2012]

facilities, and casino operator licensees under this Act are exclusive powers and functions of the State. A home rule unit may not regulate or license casinos, casino gaming, casino gaming facilities, or casino operator licensees under this Act, except as provided under this Act. This Section is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

#### ARTICLE 90.

Section 90-1. Findings. The General Assembly makes all of the following findings:

(1) That more than 50 municipalities and 5 counties have opted out of video gaming legislation that was enacted by the 96th General Assembly as Public Act 96-34, and revenues for the State's newly approved capital construction program are on track to fall short of projections.

(2) That these shortfalls could postpone much-needed road construction, school construction, and other infrastructure improvements.

(3) That the State likely will wait a year or more, until video gaming is licensed, organized, and online, to realize meaningful revenue from the program.

(4) That a significant infusion of new revenue is necessary to ensure that those projects, which are fundamental to the State's economic recovery, proceed as planned.

(5) That the decline of the Illinois horse racing and breeding program, a \$2.5 billion industry, would be reversed if this amendatory Act of the 97th General Assembly would be enacted.

(6) That the Illinois horse racing industry is on the verge of extinction due to fierce competition from fully developed horse racing and gaming operations in other states.

(7) That Illinois lawmakers agreed in 1999 to earmark 15% of the forthcoming 10th riverboat's revenue for horse racing; however, the 10th riverboat did not become operational until July 2011, and as of November 1, 2011, no such payments have been made.

(8) That allowing the State's horse racing venues, currently licensed gaming destinations, to maximize their capacities with gaming machines, would generate up to \$120 million to \$200 million for the State in the form of extra licensing fees, plus an additional \$100 million to \$300 million in recurring annual tax revenue for the State to help ensure that school, road, and other building projects promised under the capital plan occur on schedule.

(9) That Illinois agriculture and other businesses that support and supply the horse racing industry, already a sector that employs over 37,000 Illinoisans, also stand to substantially benefit and would be much more likely to create additional jobs should Illinois horse racing once again become competitive with other states.

(10) That by keeping these projects on track, the State can be sure that significant job and economic growth will in fact result from the previously enacted legislation.

(11) That gaming machines at Illinois horse racing tracks would create an estimated 1,200 to 1,500 permanent jobs, and an estimated capital investment of up to \$200 million to \$400 million at these race tracks would prompt additional trade organization jobs necessary to construct new facilities or remodel race tracks to operate electronic gaming.

Section 90-3. The State Officials and Employees Ethics Act is amended by changing Sections 5-45 and 20-10 as follows:

(5 ILCS 430/5-45)

Sec. 5-45. Procurement; revolving door prohibition.

(a) No former officer, member, or State employee, or spouse or immediate family member living with such person, shall, within a period of one year immediately after termination of State employment, knowingly accept employment or receive compensation or fees for services from a person or entity if the officer, member, or State employee, during the year immediately preceding termination of State employment, participated personally and substantially in the award of State contracts, or the issuance of State contract change orders, with a cumulative value of \$25,000 or more to the person or entity, or its parent or subsidiary.

(b) No former officer of the executive branch or State employee of the executive branch with regulatory or licensing authority, or spouse or immediate family member living with such person, shall, within a period of one year immediately after termination of State employment, knowingly accept employment or receive compensation or fees for services from a person or entity if the officer or State employee, during the year immediately preceding termination of State employment, participated personally and substantially in making a regulatory or licensing decision that directly applied to the person or entity, or its parent or subsidiary.

[May 23, 2012]

(c) Within 6 months after the effective date of this amendatory Act of the 96th General Assembly, each executive branch constitutional officer and legislative leader, the Auditor General, and the Joint Committee on Legislative Support Services shall adopt a policy delineating which State positions under his or her jurisdiction and control, by the nature of their duties, may have the authority to participate personally and substantially in the award of State contracts or in regulatory or licensing decisions. The Governor shall adopt such a policy for all State employees of the executive branch not under the jurisdiction and control of any other executive branch constitutional officer.

The policies required under subsection (c) of this Section shall be filed with the appropriate ethics commission established under this Act or, for the Auditor General, with the Office of the Auditor General.

(d) Each Inspector General shall have the authority to determine that additional State positions under his or her jurisdiction, not otherwise subject to the policies required by subsection (c) of this Section, are nonetheless subject to the notification requirement of subsection (f) below due to their involvement in the award of State contracts or in regulatory or licensing decisions.

(e) The Joint Committee on Legislative Support Services, the Auditor General, and each of the executive branch constitutional officers and legislative leaders subject to subsection (c) of this Section shall provide written notification to all employees in positions subject to the policies required by subsection (c) or a determination made under subsection (d): (1) upon hiring, promotion, or transfer into the relevant position; and (2) at the time the employee's duties are changed in such a way as to qualify that employee. An employee receiving notification must certify in writing that the person was advised of the prohibition and the requirement to notify the appropriate Inspector General in subsection (f).

(f) Any State employee in a position subject to the policies required by subsection (c) or to a determination under subsection (d), but who does not fall within the prohibition of subsection (h) below, who is offered non-State employment during State employment or within a period of one year immediately after termination of State employment shall, prior to accepting such non-State employment, notify the appropriate Inspector General. Within 10 calendar days after receiving notification from an employee in a position subject to the policies required by subsection (c), such Inspector General shall make a determination as to whether the State employee is restricted from accepting such employment by subsection (a) or (b). In making a determination, in addition to any other relevant information, an Inspector General shall assess the effect of the prospective employment or relationship upon decisions referred to in subsections (a) and (b), based on the totality of the participation by the former officer, member, or State employee in those decisions. A determination by an Inspector General must be in writing, signed and dated by the Inspector General, and delivered to the subject of the determination within 10 calendar days or the person is deemed eligible for the employment opportunity. For purposes of this subsection, "appropriate Inspector General" means (i) for members and employees of the legislative branch, the Legislative Inspector General; (ii) for the Auditor General and employees of the Office of the Auditor General, the Inspector General provided for in Section 30-5 of this Act; and (iii) for executive branch officers and employees, the Inspector General having jurisdiction over the officer or employee. Notice of any determination of an Inspector General and of any such appeal shall be given to the ultimate jurisdictional authority, the Attorney General, and the Executive Ethics Commission.

(g) An Inspector General's determination regarding restrictions under subsection (a) or (b) may be appealed to the appropriate Ethics Commission by the person subject to the decision or the Attorney General no later than the 10th calendar day after the date of the determination.

On appeal, the Ethics Commission or Auditor General shall seek, accept, and consider written public comments regarding a determination. In deciding whether to uphold an Inspector General's determination, the appropriate Ethics Commission or Auditor General shall assess, in addition to any other relevant information, the effect of the prospective employment or relationship upon the decisions referred to in subsections (a) and (b), based on the totality of the participation by the former officer, member, or State employee in those decisions. The Ethics Commission shall decide whether to uphold an Inspector General's determination within 10 calendar days or the person is deemed eligible for the employment opportunity.

(h) The following officers, members, or State employees shall not, within a period of one year immediately after termination of office or State employment, knowingly accept employment or receive compensation or fees for services from a person or entity if the person or entity or its parent or subsidiary, during the year immediately preceding termination of State employment, was a party to a State contract or contracts with a cumulative value of \$25,000 or more involving the officer, member, or State employee's State agency, or was the subject of a regulatory or licensing decision involving the officer, member, or State employee's State agency, regardless of whether he or she participated personally and substantially in the award of the State contract or contracts or the making of the

(b) The Governor, Attorney General, Secretary of State, Comptroller, and Treasurer shall each appoint an Executive Inspector General, and the Governor shall appoint an Executive Inspector General for gaming activities. Each appointment must be made without regard to political affiliation and solely on the basis of integrity and demonstrated ability. Appointments shall be made by and with the advice and consent of the Senate by three-fifths of the elected members concurring by record vote. Any nomination not acted upon by the Senate within 60 session days of the receipt thereof shall be deemed to have received the advice and consent of the Senate. If, during a recess of the Senate, there is a vacancy in an office of Executive Inspector General, the appointing authority shall make a temporary appointment until the next meeting of the Senate when the appointing authority shall make a nomination to fill that office. No person rejected for an office of Executive Inspector General shall, except by the Senate's request, be nominated again for that office at the same session of the Senate or be appointed to that office during a recess of that Senate.

Nothing in this Article precludes the appointment by the Governor, Attorney General, Secretary of State, Comptroller, or Treasurer of any other inspector general required or permitted by law. The Governor, Attorney General, Secretary of State, Comptroller, and Treasurer each may appoint an existing inspector general as the Executive Inspector General required by this Article, provided that such an inspector general is not prohibited by law, rule, jurisdiction, qualification, or interest from serving as the Executive Inspector General required by this Article. An appointing authority may not appoint a relative as an Executive Inspector General.

Each Executive Inspector General shall have the following qualifications:

The term of each initial Executive Inspector General shall commence upon qualification and shall run through June 30, 2008. The initial appointments shall be made within 60 days after the effective date of this Act.

After the initial term, each Executive Inspector General shall serve for 5-year terms commencing on July 1 of the year of appointment and running through June 30 of the fifth following year. An Executive Inspector General may be reappointed to one or more subsequent terms.

A vacancy occurring other than at the end of a term shall be filled by the appointing authority only for the balance of the term of the Executive Inspector General whose office is vacant.

Terms shall run regardless of whether the position is filled.

(c) The Executive Inspector General appointed by the Attorney General shall have jurisdiction over the Attorney General and all officers and employees of, and vendors and others doing business with,

State agencies within the jurisdiction of the Attorney General. The Executive Inspector General appointed by the Treasurer shall have jurisdiction over the Treasurer and all officers and employees of, and vendors and others doing business with, State agencies within the jurisdiction of the Treasurer. The Executive Inspector General appointed by the Governor shall have jurisdiction over (i) the Governor, (ii) the Lieutenant Governor, (iii) all officers and employees of, and vendors and others doing business with, executive branch State agencies under the jurisdiction of the Executive Ethics Commission and not within the jurisdiction of the Attorney General, the Secretary of State, the Comptroller, ~~or the Treasurer,~~ or the Executive Inspector General for gaming activities, and (iv) all board members and employees of the Regional Transit Boards and all vendors and others doing business with the Regional Transit Boards. The Executive Inspector General for gaming activities appointed by the Governor has jurisdiction over the Illinois Gaming Board, all officers and employees of the Illinois Gaming Board, and all activities of the Illinois Gaming Board.

The jurisdiction of each Executive Inspector General is to investigate allegations of fraud, waste, abuse, mismanagement, misconduct, nonfeasance, misfeasance, malfeasance, or violations of this Act or violations of other related laws and rules.

(d) The compensation for each Executive Inspector General shall be determined by the Executive Ethics Commission and shall be made from appropriations made to the Comptroller for this purpose. Subject to Section 20-45 of this Act, each Executive Inspector General has full authority to organize his or her Office of the Executive Inspector General, including the employment and determination of the compensation of staff, such as deputies, assistants, and other employees, as appropriations permit. A separate appropriation shall be made for each Office of Executive Inspector General.

(e) No Executive Inspector General or employee of the Office of the Executive Inspector General may, during his or her term of appointment or employment:

- (1) become a candidate for any elective office;
- (2) hold any other elected or appointed public office except for appointments on governmental advisory boards or study commissions or as otherwise expressly authorized by law;
- (3) be actively involved in the affairs of any political party or political organization; or

In this subsection an appointed public office means a position authorized by law that is filled by an appointing authority as provided by law and does not include employment by hiring in the ordinary course of business.

(e-1) No Executive Inspector General or employee of the Office of the Executive Inspector General may, for one year after the termination of his or her appointment or employment:

(e-2) The requirements of item (3) of subsection (e-1) may be waived by the Executive Ethics Commission.

(f) An Executive Inspector General may be removed only for cause and may be removed only by the appointing ~~constitutional~~ officer. At the time of the removal, the appointing ~~constitutional~~ officer must report to the Executive Ethics Commission the justification for the removal.

(20 ILCS 605/605-530 new)

Sec. 605-530. The Depressed Communities Economic Development Board.

The Board shall consist of 8 members appointed by the Governor, 4 of whom are appointed to serve an initial term of one year and 4 of whom are appointed to serve an initial term of 2 years with one being designated as chair of the Board at the time of appointment. The members of the Board shall reflect the composition of the Illinois population with regard to ethnic and racial composition.

After the initial terms, each member shall be appointed to serve a term of 2 years and until his or her successor has been appointed and assumes office. If a vacancy occurs in the Board membership, then the vacancy shall be filled in the same manner as the initial appointment. Section 90-8. The Illinois Lottery Law is amended by changing Section 9.1 as follows:

(20 ILCS 1605/9.1)

Sec. 9.1. Private manager and management agreement.

(a) As used in this Section:

"Offeror" means a person or group of persons that responds to a request for qualifications under this Section.

"Request for qualifications" means all materials and documents prepared by the Department to solicit the following from offerors:

(1) Statements of qualifications.

(2) Proposals to enter into a management agreement, including the identity of any prospective vendor or vendors that the offeror intends to initially engage to assist the offeror in performing its obligations under the management agreement.

"Final offer" means the last proposal submitted by an offeror in response to the request for qualifications, including the identity of any prospective vendor or vendors that the offeror intends to initially engage to assist the offeror in performing its obligations under the management agreement.

"Final offeror" means the offeror ultimately selected by the Governor to be the private manager for the Lottery under subsection (h) of this Section.

(b) By September 15, 2010, the Governor shall select a private manager for the total management of the Lottery with integrated functions, such as lottery game design, supply of goods and services, and advertising and as specified in this Section.

(c) Pursuant to the terms of this subsection, the Department shall endeavor to expeditiously terminate the existing contracts in support of the Lottery in effect on the effective date of this amendatory Act of the 96th General Assembly in connection with the selection of the private manager. As part of its obligation to terminate these contracts and select the private manager, the Department shall establish a mutually agreeable timetable to transfer the functions of existing contractors to the private manager so that existing Lottery operations are not materially diminished or impaired during the transition. To that end, the Department shall do the following:

(1) where such contracts contain a provision authorizing termination upon notice, the Department shall provide notice of termination to occur upon the mutually agreed timetable for transfer of functions;

(2) upon the expiration of any initial term or renewal term of the current Lottery contracts, the Department shall not renew such contract for a term extending beyond the mutually agreed timetable for transfer of functions; or

(3) in the event any current contract provides for termination of that contract upon the implementation of a contract with the private manager, the Department shall perform all necessary actions to terminate the contract on the date that coincides with the mutually agreed timetable for transfer of functions.

If the contracts to support the current operation of the Lottery in effect on the effective date of this amendatory Act of the 96th General Assembly are not subject to termination as provided for in this subsection (c), then the Department may include a provision in the contract with the private manager specifying a mutually agreeable methodology for incorporation.

(c-5) The Department shall include provisions in the management agreement whereby the private manager shall, for a fee, and pursuant to a contract negotiated with the Department (the "Employee Use Contract"), utilize the services of current Department employees to assist in the administration and operation of the Lottery. The Department shall be the employer of all such bargaining unit employees assigned to perform such work for the private manager, and such employees shall be State employees, as defined by the Personnel Code. Department employees shall operate under the same employment policies, rules, regulations, and procedures, as other employees of the Department. In addition, neither historical representation rights under the Illinois Public Labor Relations Act, nor existing collective bargaining agreements, shall be disturbed by the management agreement with the private manager for the management of the Lottery.

(d) The management agreement with the private manager shall include all of the following:

(1) A term not to exceed 10 years, including any renewals.

(2) A provision specifying that the Department:

(B) has ready access at any time to information regarding Lottery operations;

(C) has the right to demand and receive information from the private manager concerning any aspect of the Lottery operations at any time; and

(D) retains ownership of all trade names, trademarks, and intellectual property associated with the Lottery.

(3) A provision imposing an affirmative duty on the private manager to provide the Department with material information and with any information the private manager reasonably believes the Department would want to know to enable the Department to conduct the Lottery.

(4) A provision requiring the private manager to provide the Department with advance notice of any operating decision that bears significantly on the public interest, including, but not limited to, decisions on the kinds of games to be offered to the public and decisions affecting the

relative risk and reward of the games being offered, so the Department has a reasonable opportunity to evaluate and countermand that decision.

(5) A provision providing for compensation of the private manager that may consist of, among other things, a fee for services and a performance based bonus as consideration for managing the Lottery, including terms that may provide the private manager with an increase in compensation if Lottery revenues grow by a specified percentage in a given year.

(6) (Blank).

(7) A provision requiring the deposit of all Lottery proceeds to be deposited into the State Lottery Fund except as otherwise provided in Section 20 of this Act.

(8) A provision requiring the private manager to locate its principal office within the State.

(8-5) A provision encouraging that at least 20% of the cost of contracts entered into for goods and services by the private manager in connection with its management of the Lottery, other than contracts with sales agents or technical advisors, be awarded to businesses that are a minority owned business, a female owned business, or a business owned by a person with disability, as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act.

(9) A requirement that so long as the private manager complies with all the conditions of the agreement under the oversight of the Department, the private manager shall have the following duties and obligations with respect to the management of the Lottery:

(A) The right to use equipment and other assets used in the operation of the Lottery.

(B) The rights and obligations under contracts with retailers and vendors.

(C) The implementation of a comprehensive security program by the private manager.

(D) The implementation of a comprehensive system of internal audits.

(E) The implementation of a program by the private manager to curb compulsive gambling by persons playing the Lottery.

(F) A system for determining (i) the type of Lottery games, (ii) the method of selecting winning tickets, (iii) the manner of payment of prizes to holders of winning tickets, (iv) the frequency of drawings of winning tickets, (v) the method to be used in selling tickets, (vi) a system for verifying the validity of tickets claimed to be winning tickets, (vii) the basis upon which retailer commissions are established by the manager, and (viii) minimum payouts.

(10) A requirement that advertising and promotion must be consistent with Section 7.8a of this Act.

(11) A requirement that the private manager market the Lottery to those residents who are new, infrequent, or lapsed players of the Lottery, especially those who are most likely to make regular purchases on the Internet as permitted by law.

(12) A code of ethics for the private manager's officers and employees.

(13) A requirement that the Department monitor and oversee the private manager's practices and take action that the Department considers appropriate to ensure that the private manager is in compliance with the terms of the management agreement, while allowing the manager, unless specifically prohibited by law or the management agreement, to negotiate and sign its own contracts with vendors.

(14) A provision requiring the private manager to periodically file, at least on an annual basis, appropriate financial statements in a form and manner acceptable to the Department.

(15) Cash reserves requirements.

(16) Procedural requirements for obtaining the prior approval of the Department when a management agreement or an interest in a management agreement is sold, assigned, transferred, or pledged as collateral to secure financing.

(17) Grounds for the termination of the management agreement by the Department or the private manager.

(18) Procedures for amendment of the agreement.

(19) A provision requiring the private manager to engage in an open and competitive bidding process for any procurement having a cost in excess of \$50,000 that is not a part of the private manager's final offer. The process shall favor the selection of a vendor deemed to have submitted a proposal that provides the Lottery with the best overall value. The process shall not be subject to the provisions of the Illinois Procurement Code, unless specifically required by the management agreement.

(20) The transition of rights and obligations, including any associated equipment or other assets used in the operation of the Lottery, from the manager to any successor manager of the

lottery, including the Department, following the termination of or foreclosure upon the management agreement.

(21) Right of use of copyrights, trademarks, and service marks held by the Department in the name of the State. The agreement must provide that any use of them by the manager shall only be for the purpose of fulfilling its obligations under the management agreement during the term of the agreement.

(22) The disclosure of any information requested by the Department to enable it to comply with the reporting requirements and information requests provided for under subsection (p) of this Section.

(e) Notwithstanding any other law to the contrary, the Department shall select a private manager through a competitive request for qualifications process consistent with Section 20-35 of the Illinois Procurement Code, which shall take into account:

(1) the offeror's ability to market the Lottery to those residents who are new, infrequent, or lapsed players of the Lottery, especially those who are most likely to make regular purchases on the Internet;

(2) the offeror's ability to address the State's concern with the social effects of gambling on those who can least afford to do so;

(3) the offeror's ability to provide the most successful management of the Lottery for the benefit of the people of the State based on current and past business practices or plans of the offeror; and

(4) the offeror's poor or inadequate past performance in servicing, equipping, operating or managing a lottery on behalf of Illinois, another State or foreign government and attracting persons who are not currently regular players of a lottery.

(f) The Department may retain the services of an advisor or advisors with significant experience in financial services or the management, operation, and procurement of goods, services, and equipment for a government-run lottery to assist in the preparation of the terms of the request for qualifications and selection of the private manager. Any prospective advisor seeking to provide services under this subsection (f) shall disclose any material business or financial relationship during the past 3 years with any potential offeror, or with a contractor or subcontractor presently providing goods, services, or equipment to the Department to support the Lottery. The Department shall evaluate the material business or financial relationship of each prospective advisor. The Department shall not select any prospective advisor with a substantial business or financial relationship that the Department deems to impair the objectivity of the services to be provided by the prospective advisor. During the course of the advisor's engagement by the Department, and for a period of one year thereafter, the advisor shall not enter into any business or financial relationship with any offeror or any vendor identified to assist an offeror in performing its obligations under the management agreement. Any advisor retained by the Department shall be disqualified from being an offeror. The Department shall not include terms in the request for qualifications that provide a material advantage whether directly or indirectly to any potential offeror, or any contractor or subcontractor presently providing goods, services, or equipment to the Department to support the Lottery, including terms contained in previous responses to requests for proposals or qualifications submitted to Illinois, another State or foreign government when those terms are uniquely associated with a particular potential offeror, contractor, or subcontractor. The request for proposals offered by the Department on December 22, 2008 as "LOT08GAMESYS" and reference number "22016176" is declared void.

(g) The Department shall select at least 2 offerors as finalists to potentially serve as the private manager no later than August 9, 2010. Upon making preliminary selections, the Department shall schedule a public hearing on the finalists' proposals and provide public notice of the hearing at least 7 calendar days before the hearing. The notice must include all of the following:

(1) The date, time, and place of the hearing.

(2) The subject matter of the hearing.

(3) A brief description of the management agreement to be awarded.

(4) The identity of the offerors that have been selected as finalists to serve as the private manager.

(5) The address and telephone number of the Department.

(h) At the public hearing, the Department shall (i) provide sufficient time for each finalist to present and explain its proposal to the Department and the Governor or the Governor's designee, including an opportunity to respond to questions posed by the Department, Governor, or designee and (ii) allow the public and non-selected offerors to comment on the presentations. The Governor or a designee shall attend the public hearing. After the public hearing, the Department shall have 14 calendar days to

recommend to the Governor whether a management agreement should be entered into with a particular finalist. After reviewing the Department's recommendation, the Governor may accept or reject the Department's recommendation, and shall select a final offeror as the private manager by publication of a notice in the Illinois Procurement Bulletin on or before September 15, 2010. The Governor shall include in the notice a detailed explanation and the reasons why the final offeror is superior to other offerors and will provide management services in a manner that best achieves the objectives of this Section. The Governor shall also sign the management agreement with the private manager.

(i) Any action to contest the private manager selected by the Governor under this Section must be brought within 7 calendar days after the publication of the notice of the designation of the private manager as provided in subsection (h) of this Section.

(j) The Lottery shall remain, for so long as a private manager manages the Lottery in accordance with provisions of this Act, a Lottery conducted by the State, and the State shall not be authorized to sell or transfer the Lottery to a third party.

(k) Any tangible personal property used exclusively in connection with the lottery that is owned by the Department and leased to the private manager shall be owned by the Department in the name of the State and shall be considered to be public property devoted to an essential public and governmental function.

(l) The Department may exercise any of its powers under this Section or any other law as necessary or desirable for the execution of the Department's powers under this Section.

(m) Neither this Section nor any management agreement entered into under this Section prohibits the General Assembly from authorizing forms of gambling that are not in direct competition with the Lottery. The forms of gambling authorized by this amendatory Act of the 97th General Assembly constitute authorized forms of gambling that are not in direct competition with the Lottery.

(n) The private manager shall be subject to a complete investigation in the third, seventh, and tenth years of the agreement (if the agreement is for a 10-year term) by the Department in cooperation with the Auditor General to determine whether the private manager has complied with this Section and the management agreement. The private manager shall bear the cost of an investigation or reinvestigation of the private manager under this subsection.

(o) The powers conferred by this Section are in addition and supplemental to the powers conferred by any other law. If any other law or rule is inconsistent with this Section, including, but not limited to, provisions of the Illinois Procurement Code, then this Section controls as to any management agreement entered into under this Section. This Section and any rules adopted under this Section contain full and complete authority for a management agreement between the Department and a private manager. No law, procedure, proceeding, publication, notice, consent, approval, order, or act by the Department or any other officer, Department, agency, or instrumentality of the State or any political subdivision is required for the Department to enter into a management agreement under this Section. This Section contains full and complete authority for the Department to approve any contracts entered into by a private manager with a vendor providing goods, services, or both goods and services to the private manager under the terms of the management agreement, including subcontractors of such vendors.

Upon receipt of a written request from the Chief Procurement Officer, the Department shall provide to the Chief Procurement Officer a complete and un-redacted copy of the management agreement or any contract that is subject to the Department's approval authority under this subsection (o). The Department shall provide a copy of the agreement or contract to the Chief Procurement Officer in the time specified by the Chief Procurement Officer in his or her written request, but no later than 5 business days after the request is received by the Department. The Chief Procurement Officer must retain any portions of the management agreement or of any contract designated by the Department as confidential, proprietary, or trade secret information in complete confidence pursuant to subsection (g) of Section 7 of the Freedom of Information Act. The Department shall also provide the Chief Procurement Officer with reasonable advance written notice of any contract that is pending Department approval.

Notwithstanding any other provision of this Section to the contrary, the Chief Procurement Officer shall adopt administrative rules, including emergency rules, to establish a procurement process to select a successor private manager if a private management agreement has been terminated. The selection process shall at a minimum take into account the criteria set forth in items (1) through (4) of subsection (e) of this Section and may include provisions consistent with subsections (f), (g), (h), and (i) of this Section. The Chief Procurement Officer shall also implement and administer the adopted selection process upon the termination of a private management agreement. The Department, after the Chief Procurement Officer certifies that the procurement process has been followed in accordance with the rules adopted under this subsection (o), shall select a final offeror as the private manager and sign the management agreement with the private manager.

Except as provided in Sections 21.2, 21.5, 21.6, 21.7, and 21.8, the Department shall distribute all

proceeds of lottery tickets and shares sold in the following priority and manner:

Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the

excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2013, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2013.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its

partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided

such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(g) Jobs Tax Credit; Enterprise Zone, River Edge Redevelopment Zone, and Foreign Trade Zone or Sub-Zone.

(1) A taxpayer conducting a trade or business in an enterprise zone or a High Impact Business designated by the Department of Commerce and Economic Opportunity or for taxable years ending on or after December 31, 2006, in a River Edge Redevelopment Zone conducting a trade or business in a federally designated Foreign Trade Zone or Sub-Zone shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section in the amount of \$500 per eligible employee hired to work in the zone during the taxable year.

(2) To qualify for the credit:

(A) the taxpayer must hire 5 or more eligible employees to work in an enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone during the taxable year;

(B) the taxpayer's total employment within the enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone must increase by 5 or more full-time employees beyond the total employed in that zone at the end of the previous tax year for which a jobs tax credit under this Section was taken, or beyond the total employed by the taxpayer as of December 31, 1985, whichever is later; and

(C) the eligible employees must be employed 180 consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:

(A) Certified by the Department of Commerce and Economic Opportunity as "eligible for services" pursuant to regulations promulgated in accordance with Title II of the Job Training Partnership Act, Training Services for the Disadvantaged or Title III of the Job Training Partnership Act, Employment and Training Assistance for Dislocated Workers Program.

(B) Hired after the enterprise zone, River Edge Redevelopment Zone, or federally designated Foreign Trade Zone or Sub-Zone was designated or the trade or business was located in that zone, whichever is later.

(C) Employed in the enterprise zone, River Edge Redevelopment Zone, or Foreign Trade Zone or Sub-Zone. An employee is employed in an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.

(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(5) The Department of Revenue shall promulgate such rules and regulations as may be deemed necessary to carry out the purposes of this subsection (g).

(6) The credit shall be available for eligible employees hired on or after January 1, 1986.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified

property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit.

For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2011, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003, and no credit may be carried forward to any taxable year ending on or after January 1, 2011.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all

credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of \$100,000 per site, except that the \$100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed \$40,000 per year with a maximum total of \$150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed \$500. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the

age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of \$250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of \$100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. Sec. 9. The Board shall have all powers necessary and proper to fully and effectively execute the provisions of this Act, including, but not limited to, the following:

(a) The Board is vested with jurisdiction and supervision over all race meetings in this State, over all licensees doing business in this State, over all occupation licensees, and over all persons on the facilities of any licensee. Such jurisdiction shall include the power to issue licenses to the Illinois Department of Agriculture authorizing the pari-mutuel system of wagering on harness and Quarter Horse races held (1) at the Illinois State Fair in Sangamon County, and (2) at the DuQuoin State Fair in Perry County. The jurisdiction of the Board shall also include the power to issue licenses to county fairs which are eligible to receive funds pursuant to the Agricultural Fair Act, as now or hereafter amended, or their agents, authorizing the pari-mutuel system of wagering on horse races conducted at the county fairs receiving such licenses. Such licenses shall be governed by subsection (n) of this Section.

Upon application, the Board shall issue a license to the Illinois Department of Agriculture to conduct harness and Quarter Horse races at the Illinois State Fair and at the DuQuoin State Fairgrounds during the scheduled dates of each fair. The Board shall not require and the Department of Agriculture shall be exempt from the requirements of Sections 15.3, 18 and 19, paragraphs (a)(2), (b), (c), (d), (e), (e-5), (e-10), (f), (g), and (h) of Section 20, and Sections 21, 24 and 25. The Board and the Department of Agriculture may extend any or all of these exemptions to any contractor or agent engaged by the Department of Agriculture to conduct its race meetings when the Board determines that this would best serve the public interest and the interest of horse racing.

Notwithstanding any provision of law to the contrary, it shall be lawful for any licensee to operate pari-mutuel wagering or contract with the Department of Agriculture to operate pari-mutuel wagering at the DuQuoin State Fairgrounds or for the Department to enter into contracts with a licensee, employ its owners, employees or agents and employ such other occupation licensees as the Department deems necessary in connection with race meetings and wagerings.

(b) The Board is vested with the full power to promulgate reasonable rules and regulations for the purpose of administering the provisions of this Act and to prescribe reasonable rules, regulations and conditions under which all horse race meetings or wagering in the State shall be conducted. Such reasonable rules and regulations are to provide for the prevention of practices detrimental to the public interest and to promote the best interests of horse racing and to impose penalties for violations thereof.

(c) The Board, and any person or persons to whom it delegates this power, is vested with the power to enter the facilities and other places of business of any licensee to determine whether there has been compliance with the provisions of this Act and its rules and regulations.

(d) The Board, and any person or persons to whom it delegates this power, is vested with the authority to investigate alleged violations of the provisions of this Act, its reasonable rules and regulations, orders and final decisions; the Board shall take appropriate disciplinary action against any licensee or occupation licensee for violation thereof or institute appropriate legal action for the enforcement thereof.

(e) The Board, and any person or persons to whom it delegates this power, may eject or exclude from any race meeting or the facilities of any licensee, or any part thereof, any occupation licensee or any other individual whose conduct or reputation is such that his presence on those facilities may, in the opinion of the Board, call into question the honesty and integrity of horse racing or wagering or interfere with the orderly conduct of horse racing or wagering; provided, however, that no person shall be excluded or ejected from the facilities of any licensee solely on the grounds of race, color, creed, national origin, ancestry, or sex. The power to eject or exclude an occupation licensee or other individual may be exercised for just cause by the licensee or the Board, subject to subsequent hearing by the Board as to the propriety of said exclusion.

(f) The Board is vested with the power to acquire, establish, maintain and operate (or provide by contract to maintain and operate) testing laboratories and related facilities, for the purpose of conducting saliva, blood, urine and other tests on the horses run or to be run in any horse race meeting, including races run at county fairs, and to purchase all equipment and supplies deemed necessary or desirable in

connection with any such testing laboratories and related facilities and all such tests.

(g) The Board may require that the records, including financial or other statements of any licensee or any person affiliated with the licensee who is involved directly or indirectly in the activities of any licensee as regulated under this Act to the extent that those financial or other statements relate to such activities be kept in such manner as prescribed by the Board, and that Board employees shall have access to those records during reasonable business hours. Within 120 days of the end of its fiscal year, each licensee shall transmit to the Board an audit of the financial transactions and condition of the licensee's total operations. All audits shall be conducted by certified public accountants. Each certified public accountant must be registered in the State of Illinois under the Illinois Public Accounting Act. The compensation for each certified public accountant shall be paid directly by the licensee to the certified public accountant. A licensee shall also submit any other financial or related information the Board deems necessary to effectively administer this Act and all rules, regulations, and final decisions promulgated under this Act.

(h) The Board shall name and appoint in the manner provided by the rules and regulations of the Board: an Executive Director; a State director of mutuels; State veterinarians and representatives to take saliva, blood, urine and other tests on horses; licensing personnel; revenue inspectors; and State seasonal employees (excluding admission ticket sellers and mutual clerks). All of those named and appointed as provided in this subsection shall serve during the pleasure of the Board; their compensation shall be determined by the Board and be paid in the same manner as other employees of the Board under this Act.

(i) The Board shall require that there shall be 3 stewards at each horse race meeting, at least 2 of whom shall be named and appointed by the Board. Stewards appointed or approved by the Board, while performing duties required by this Act or by the Board, shall be entitled to the same rights and immunities as granted to Board members and Board employees in Section 10 of this Act.

(j) The Board may discharge any Board employee who fails or refuses for any reason to comply with the rules and regulations of the Board, or who, in the opinion of the Board, is guilty of fraud, dishonesty or who is proven to be incompetent. The Board shall have no right or power to determine who shall be officers, directors or employees of any licensee, or their salaries except the Board may, by rule, require that all or any officials or employees in charge of or whose duties relate to the actual running of races be approved by the Board.

(k) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this Act and any rules or regulations promulgated in accordance with this Act.

(l) The Board is vested with the power to impose civil penalties of up to \$5,000 against an individual and up to \$10,000 against a licensee for each violation of any provision of this Act, any rules adopted by the Board, any order of the Board or any other action which, in the Board's discretion, is a detriment or impediment to horse racing or wagering. All such civil penalties shall be deposited into the Horse Racing Fund.

(m) The Board is vested with the power to prescribe a form to be used by licensees as an application for employment for employees of each licensee.

(n) The Board shall have the power to issue a license to any county fair, or its agent, authorizing the conduct of the pari-mutuel system of wagering. The Board is vested with the full power to promulgate reasonable rules, regulations and conditions under which all horse race meetings licensed pursuant to this subsection shall be held and conducted, including rules, regulations and conditions for the conduct of the pari-mutuel system of wagering. The rules, regulations and conditions shall provide for the prevention of practices detrimental to the public interest and for the best interests of horse racing, and shall prescribe penalties for violations thereof. Any authority granted the Board under this Act shall extend to its jurisdiction and supervision over county fairs, or their agents, licensed pursuant to this subsection. However, the Board may waive any provision of this Act or its rules or regulations which would otherwise apply to such county fairs or their agents.

(o) Whenever the Board is authorized or required by law to consider some aspect of criminal history record information for the purpose of carrying out its statutory powers and responsibilities, then, upon request and payment of fees in conformance with the requirements of Section 2605-400 of the Department of State Police Law (20 ILCS 2605/2605-400), the Department of State Police is authorized to furnish, pursuant to positive identification, such information contained in State files as is necessary to fulfill the request.

(p) To insure the convenience, comfort, and wagering accessibility of race track patrons, to provide for the maximization of State revenue, and to generate increases in purse allotments to the horsemen, the Board shall require any licensee to staff the pari-mutuel department with adequate personnel.

If made by individuals or a partnership, it shall be signed and verified under oath by at least 2 of such individuals or members of such partnership as the case may be. All applications for the issuance of an organization license shall be filed with the Board before August 1 of the year prior to the year for which application is made and shall be acted upon by the Board at a meeting to be held on such date as shall be fixed by the Board during the last 15 days of September of such prior year. At such meeting, the Board shall announce the award of the racing meets, live racing schedule, and designation of host track to the applicants and its approval or disapproval of each application. No announcement shall be considered binding until a formal order is executed by the Board, which shall be executed no later than October 15 of that prior year. Absent the agreement of the affected organization licensees, the Board shall not grant overlapping race meetings to 2 or more tracks that are within 100 miles of each other to conduct the thoroughbred racing.

(e-1) In awarding standardbred racing dates for calendar year 2012 and thereafter, the Board shall award at least 310 racing days, and each organization licensees shall average at least 12 races for each racing day awarded. The number of days of live racing may be adjusted, on a year-by-year basis, because of weather or unsafe track conditions due to acts of God or an agreement between the organization licensee

and the association representing the largest number of owners, trainers, or standardbred drivers who race horses at that organization licensee's racing meeting.

(e-5) In reviewing an application for the purpose of granting an organization license consistent with the best interests of the public and the sport of horse racing, the Board shall consider:

- (8) the extent to which the applicant exceeds or meets other standards for the issuance of an organization license that the Board shall adopt by rule.

In granting organization licenses and allocating dates for horse race meetings, the Board shall have discretion to determine an overall schedule, including required simulcasts of Illinois races by host tracks that will, in its judgment, be conducive to the best interests of the public and the sport of horse racing.

(e-10) The Illinois Administrative Procedure Act shall apply to administrative procedures of the Board under this Act for the granting of an organization license, except that (1) notwithstanding the provisions of subsection (b) of Section 10-40 of the Illinois Administrative Procedure Act regarding cross-examination, the Board may prescribe rules limiting the right of an applicant or participant in any proceeding to award an organization license to conduct cross-examination of witnesses at that proceeding where that cross-examination would unduly obstruct the timely award of an organization license under subsection (e) of Section 20 of this Act; (2) the provisions of Section 10-45 of the Illinois Administrative Procedure Act regarding proposals for decision are excluded under this Act; (3) notwithstanding the provisions of subsection (a) of Section 10-60 of the Illinois Administrative Procedure Act regarding ex parte communications, the Board may prescribe rules allowing ex parte communications with applicants or participants in a proceeding to award an organization license where conducting those communications would be in the best interest of racing, provided all those communications are made part of the record of that proceeding pursuant to subsection (c) of Section 10-60 of the Illinois Administrative Procedure Act; (4) the provisions of Section 14a of this Act and the rules of the Board promulgated under that Section shall apply instead of the provisions of Article 10 of the Illinois Administrative Procedure Act regarding administrative law judges; and (5) the provisions of subsection (d) of Section 10-65 of the Illinois Administrative Procedure Act that prevent summary suspension of a license pending revocation or other action shall not apply.

(f) The Board may allot racing dates to an organization licensee for more than one calendar year but for no more than 3 successive calendar years in advance, provided that the Board shall review such allotment for more than one calendar year prior to each year for which such allotment has been made. The granting of an organization license to a person constitutes a privilege to conduct a horse race meeting under the provisions of this Act, and no person granted an organization license shall be deemed to have a vested interest, property right, or future expectation to receive an organization license in any subsequent year as a result of the granting of an organization license. Organization licenses shall be subject to revocation if the organization licensee has violated any provision of this Act or the rules and regulations promulgated under this Act or has been convicted of a crime or has failed to disclose or has stated falsely any information called for in the application for an organization license. Any organization license revocation proceeding shall be in accordance with Section 16 regarding suspension and revocation of occupation licenses.

(f-5) If, (i) an applicant does not file an acceptance of the racing dates awarded by the Board as required under part (1) of subsection (h) of this Section 20, or (ii) an organization licensee has its license suspended or revoked under this Act, the Board, upon conducting an emergency hearing as provided for in this Act, may reaward on an emergency basis pursuant to rules established by the Board, racing dates

not accepted or the racing dates associated with any suspension or revocation period to one or more organization licensees, new applicants, or any combination thereof, upon terms and conditions that the Board determines are in the best interest of racing, provided, the organization licensees or new applicants receiving the awarded racing dates file an acceptance of those reawarded racing dates as required under paragraph (1) of subsection (h) of this Section 20 and comply with the other provisions of this Act. The Illinois Administrative Procedure Act shall not apply to the administrative procedures of the Board in conducting the emergency hearing and the reallocation of racing dates on an emergency basis.

(g) (Blank).

(h) The Board shall send the applicant a copy of its formally executed order by certified mail addressed to the applicant at the address stated in his application, which notice shall be mailed within 5 days of the date the formal order is executed.

Each applicant notified shall, within 10 days after receipt of the final executed order of the Board awarding racing dates:

- (1) file with the Board an acceptance of such award in the form prescribed by the Board;
- (2) pay to the Board an additional amount equal to \$110 for each racing date awarded;  
and
- (3) file with the Board the bonds required in Sections 21 and 25 at least 20 days prior to the first day of each race meeting.

Upon compliance with the provisions of paragraphs (1), (2), and (3) of this subsection (h), the applicant shall be issued an organization license.

If any applicant fails to comply with this Section or fails to pay the organization license fees herein provided, no organization license shall be issued to such applicant.

Sec. 24. (a) No license shall be issued to or held by an organization licensee unless all of its officers, directors, and holders of ownership interests of at least 5% are first approved by the Board. The Board shall not give approval of an organization license application to any person who has been convicted of or is under an indictment for a crime of moral turpitude or has violated any provision of the racing law of this State or any rules of the Board.

(b) An organization licensee must notify the Board within 10 days of any change in the holders of a direct or indirect interest in the ownership of the organization licensee. The Board may, after hearing, revoke the organization license of any person who registers on its books or knowingly permits a direct or indirect interest in the ownership of that person without notifying the Board of the name of the holder in interest within this period.

(c) In addition to the provisions of subsection (a) of this Section, no person shall be granted an organization license if any public official of the State or member of his or her family holds any ownership or financial interest, directly or indirectly, in the person.

(d) No person which has been granted an organization license to hold a race meeting shall give to any public official or member of his family, directly or indirectly, for or without consideration, any interest in the person. The Board shall, after hearing, revoke the organization license granted to a person which has violated this subsection.

(e) (Blank).

(f) No organization licensee or concessionaire or officer, director or holder or controller of 5% or more legal or beneficial interest in any organization licensee or concession shall make any sort of gift or contribution ~~that is prohibited under Article 10 of the State Officials and Employees Ethics Act of any kind~~ or pay or give any money or other thing of value to any person who is a public official, or a candidate or nominee for public office if that payment or gift is prohibited under Article 10 of the State Officials and Employees Ethics Act.

(230 ILCS 5/26) (from Ch. 8, par. 37-26)

Sec. 26. Wagering.

(a) Any licensee may conduct and supervise the pari-mutuel system of wagering, as defined in Section 3.12 of this Act, on horse races conducted by an Illinois organization licensee or conducted at a racetrack located in another state or country ~~and televised in Illinois~~ in accordance with subsection (g) of Section 26 of this Act. Subject to the prior consent of the Board, licensees may supplement any pari-mutuel pool in order to guarantee a minimum distribution. Such pari-mutuel method of wagering shall not, under any circumstances if conducted under the provisions of this Act, be held or construed to be unlawful, other statutes of this State to the contrary notwithstanding. Subject to rules for advance wagering promulgated

by the Board, any licensee may accept wagers in advance of the day of the race wagered upon occurs.

(b) Except for those gaming activities for which a license is obtained and authorized under the Illinois Lottery Act, the Charitable Games Act, the Raffles Act, or the Illinois Gambling Act, no ~~no~~ other method of betting, pool making, wagering or gambling shall be used or permitted by the licensee. Each licensee may retain, subject to the payment of all applicable taxes and purses, an amount not to exceed 17% of all money wagered under subsection (a) of this Section, except as may otherwise be permitted under this Act.

(b-5) An individual may place a wager under the pari-mutuel system from any licensed location authorized under this Act provided that wager is electronically recorded in the manner described in Section 3.12 of this Act. Any wager made electronically by an individual while physically on the premises of a licensee shall be deemed to have been made at the premises of that licensee.

(c) Until January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be paid to the Illinois Veterans' Rehabilitation Fund of the State treasury, except as provided in subsection (g) of Section 27 of this Act.

(c-5) Beginning January 1, 2000, the sum held by any licensee for payment of outstanding pari-mutuel tickets, if unclaimed prior to December 31 of the next year, shall be retained by the licensee for payment of such tickets until that date. Within 10 days thereafter, the balance of such sum remaining unclaimed, less any uncashed supplements contributed by such licensee for the purpose of guaranteeing minimum distributions of any pari-mutuel pool, shall be evenly distributed to the purse account of the organization licensee and the organization licensee.

(d) A pari-mutuel ticket shall be honored until December 31 of the next calendar year, and the licensee shall pay the same and may charge the amount thereof against unpaid money similarly accumulated on account of pari-mutuel tickets not presented for payment.

(e) No licensee shall knowingly permit any minor, other than an employee of such licensee or an owner, trainer, jockey, driver, or employee thereof, to be admitted during a racing program unless accompanied by a parent or guardian, or any minor to be a patron of the pari-mutuel system of wagering conducted or supervised by it. The admission of any unaccompanied minor, other than an employee of the licensee or an owner, trainer, jockey, driver, or employee thereof at a race track is a Class C misdemeanor.

(f) Notwithstanding the other provisions of this Act, an organization licensee may contract with an entity in another state or country to permit any legal wagering entity in another state or country to accept wagers solely within such other state or country on races conducted by the organization licensee in this State. Beginning January 1, 2000, these wagers shall not be subject to State taxation. Until January 1, 2000, when the out-of-State entity conducts a pari-mutuel pool separate from the organization licensee, a privilege tax equal to 7 1/2% of all monies received by the organization licensee from entities in other states or countries pursuant to such contracts is imposed on the organization licensee, and such privilege tax shall be remitted to the Department of Revenue within 48 hours of receipt of the moneys from the simulcast. When the out-of-State entity conducts a combined pari-mutuel pool with the organization licensee, the tax shall be 10% of all monies received by the organization licensee with 25% of the receipts from this 10% tax to be distributed to the county in which the race was conducted.

An organization licensee may permit one or more of its races to be utilized for pari-mutuel wagering at one or more locations in other states and may transmit audio and visual signals of races the organization licensee conducts to one or more locations outside the State or country and may also permit pari-mutuel pools in other states or countries to be combined with its gross or net wagering pools or with wagering pools established by other states.

(g) A host track may accept interstate simulcast wagers on horse races conducted in other states or countries and shall control the number of signals and types of breeds of racing in its simulcast program, subject to the disapproval of the Board. The Board may prohibit a simulcast program only if it finds that the simulcast program is clearly adverse to the integrity of racing. The host track simulcast program shall include the signal of live racing of all organization licensees. All non-host licensees and advance deposit wagering licensees shall carry the signal of and accept wagers on live racing of all organization licensees. Advance deposit wagering licensees shall not be permitted to accept out-of-state wagers on any Illinois signal provided pursuant to this Section without the approval and consent of the organization licensee providing the signal. Non-host licensees may carry the host track simulcast program and shall accept wagers on all races included as part of the simulcast program upon which wagering is permitted. All organization licensees shall provide their live signal to all advance deposit wagering licensees for a

simulcast commission fee not to exceed 6% of the advance deposit wagering licensee's Illinois handle on the organization licensee's signal without prior approval by the Board. The Board may adopt rules under which it may permit simulcast commission fees in excess of 6%. The Board shall adopt rules limiting the interstate commission fees charged to an advance deposit wagering licensee. The Board shall adopt rules regarding advance deposit wagering on interstate simulcast races that shall reflect, among other things, the General Assembly's desire to maximize revenues to the State, horsemen purses, and organizational licensees. However, organization licensees providing live signals pursuant to the requirements of this subsection (g) may petition the Board to withhold their live signals from an advance deposit wagering licensee if the organization licensee discovers and the Board finds reputable or credible information that the advance deposit wagering licensee is under investigation by another state or federal governmental agency, the advance deposit wagering licensee's license has been suspended in another state, or the advance deposit wagering licensee's license is in revocation proceedings in another state. The organization licensee's provision of their live signal to an advance deposit wagering licensee under this subsection (g) pertains to wagers placed from within Illinois. Advance deposit wagering licensees may place advance deposit wagering terminals at wagering facilities as a convenience to customers. The advance deposit wagering licensee shall not charge or collect any fee from purses for the placement of the advance deposit wagering terminals. The costs and expenses of the host track and non-host licensees associated with interstate simulcast wagering, other than the interstate commission fee, shall be borne by the host track and all non-host licensees incurring these costs. The interstate commission fee shall not exceed 5% of Illinois handle on the interstate simulcast race or races without prior approval of the Board. The Board shall promulgate rules under which it may permit interstate commission fees in excess of 5%. The interstate commission fee and other fees charged by the sending racetrack, including, but not limited to, satellite decoder fees, shall be uniformly applied to the host track and all non-host licensees.

Notwithstanding any other provision of this Act, for a period of 3 years after the effective date of this amendatory Act of the 96th General Assembly, an organization licensee may maintain a system whereby advance deposit wagering may take place or an organization licensee, with the consent of the horsemen association representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting, may contract with another person to carry out a system of advance deposit wagering. Such consent may not be unreasonably withheld. All advance deposit wagers placed from within Illinois must be placed through a Board-approved advance deposit wagering licensee; no other entity may accept an advance deposit wager from a person within Illinois. All advance deposit wagering is subject to any rules adopted by the Board. The Board may adopt rules necessary to regulate advance deposit wagering through the use of emergency rulemaking in accordance with Section 5-45 of the Illinois Administrative Procedure Act. The General Assembly finds that the adoption of rules to regulate advance deposit wagering is deemed an emergency and necessary for the public interest, safety, and welfare. An advance deposit wagering licensee may retain all moneys as agreed to by contract with an organization licensee. Any moneys retained by the organization licensee from advance deposit wagering, not including moneys retained by the advance deposit wagering licensee, shall be paid 50% to the organization licensee's purse account and 50% to the organization licensee. If more than one breed races at the same race track facility, then the 50% of the moneys to be paid to an organization licensee's purse account shall be allocated among all organization licensees' purse accounts operating at that race track facility proportionately based on the actual number of host days that the Board grants to that breed at that race track facility in the current calendar year. To the extent any fees from advance deposit wagering conducted in Illinois for wagers in Illinois or other states have been placed in escrow or otherwise withheld from wagers pending a determination of the legality of advance deposit wagering, no action shall be brought to declare such wagers or the disbursement of any fees previously escrowed illegal.

(1) Between the hours of 6:30 a.m. and 6:30 p.m. an intertrack wagering licensee other than the host track may supplement the host track simulcast program with additional simulcast races or race programs, provided that between January 1 and the third Friday in February of any year, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, only thoroughbred races may be used for supplemental interstate simulcast purposes. The Board shall withhold approval for a supplemental interstate simulcast only if it finds that the simulcast is clearly adverse to the integrity of racing. A supplemental interstate simulcast may be transmitted from an intertrack wagering licensee to its affiliated non-host licensees. The interstate commission fee for a supplemental interstate simulcast shall be paid by the non-host licensee and its affiliated non-host licensees receiving the simulcast.

(2) Between the hours of 6:30 p.m. and 6:30 a.m. an intertrack wagering licensee other than the host track may receive supplemental interstate simulcasts only with the consent of the host

track, except when the Board finds that the simulcast is clearly adverse to the integrity of racing. Consent granted under this paragraph (2) to any intertrack wagering licensee shall be deemed consent to all non-host licensees. The interstate commission fee for the supplemental interstate simulcast shall be paid by all participating non-host licensees.

(3) Each licensee conducting interstate simulcast wagering may retain, subject to the payment of all applicable taxes and the purses, an amount not to exceed 17% of all money wagered. If any licensee conducts the pari-mutuel system wagering on races conducted at racetracks in another state or country, each such race or race program shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax of that daily handle as provided in subsection (a) of Section 27. Until January 1, 2000, from the sums permitted to be retained pursuant to this subsection, each intertrack wagering location licensee shall pay 1% of the pari-mutuel handle wagered on simulcast wagering to the Horse Racing Tax Allocation Fund, subject to the provisions of subparagraph (B) of paragraph (11) of subsection (h) of Section 26 of this Act.

(4) A licensee who receives an interstate simulcast may combine its gross or net pools with pools at the sending racetracks pursuant to rules established by the Board. All licensees combining their gross pools at a sending racetrack shall adopt the take-out percentages of the sending racetrack. A licensee may also establish a separate pool and takeout structure for wagering purposes on races conducted at race tracks outside of the State of Illinois. The licensee may permit pari-mutuel wagers placed in other states or countries to be combined with its gross or net wagering pools or other wagering pools.

(5) After the payment of the interstate commission fee (except for the interstate commission fee on a supplemental interstate simulcast, which shall be paid by the host track and by each non-host licensee through the host-track) and all applicable State and local taxes, except as provided in subsection (g) of Section 27 of this Act, the remainder of moneys retained from simulcast wagering pursuant to this subsection (g), and Section 26.2 shall be divided as follows:

(A) For interstate simulcast wagers made at a host track, 50% to the host track and 50% to purses at the host track.

(B) For wagers placed on interstate simulcast races, supplemental simulcasts as defined in subparagraphs (1) and (2), and separately pooled races conducted outside of the State of Illinois made at a non-host licensee, 25% to the host track, 25% to the non-host licensee, and 50% to the purses at the host track.

(6) Notwithstanding any provision in this Act to the contrary, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River may receive supplemental interstate simulcast races at all times subject to Board approval, which shall be withheld only upon a finding that a supplemental interstate simulcast is clearly adverse to the integrity of racing.

(7) Notwithstanding any provision of this Act to the contrary, after payment of all applicable State and local taxes and interstate commission fees, non-host licensees who derive their licenses from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain 50% of the retention from interstate simulcast wagers and shall pay 50% to purses at the track from which the non-host licensee derives its license as follows:

(A) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, when the interstate simulcast is a standardbred race, the purse share to its standardbred purse account;

(B) Between January 1 and the third Friday in February, inclusive, if no live thoroughbred racing is occurring in Illinois during this period, and the interstate simulcast is a thoroughbred race, the purse share to its interstate simulcast purse pool to be distributed under paragraph (10) of this subsection (g);

(C) Between January 1 and the third Friday in February, inclusive, if live thoroughbred racing is occurring in Illinois, between 6:30 a.m. and 6:30 p.m. the purse share from wagers made during this time period to its thoroughbred purse account and between 6:30 p.m. and 6:30 a.m. the purse share from wagers made during this time period to its standardbred purse accounts;

(D) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 a.m. and 6:30 p.m., the purse share to its thoroughbred purse account;

(E) Between the third Saturday in February and December 31, when the interstate simulcast occurs between the hours of 6:30 p.m. and 6:30 a.m., the purse share to its standardbred purse account.

(7.1) Notwithstanding any other provision of this Act to the contrary, if no standardbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during that calendar year shall be paid as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be paid to its thoroughbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund and shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. The moneys deposited into the Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with other moneys paid into that Fund. The moneys deposited pursuant to this subparagraph (B) shall be allocated as provided by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board.

(7.2) Notwithstanding any other provision of this Act to the contrary, if no thoroughbred racing is conducted at a racetrack located in Madison County during any calendar year beginning on or after January 1, 2002, all moneys derived by that racetrack from simulcast wagering and inter-track wagering that (1) are to be used for purses and (2) are generated between the hours of 6:30 a.m. and 6:30 p.m. during that calendar year shall be deposited as follows:

(A) If the licensee that conducts horse racing at that racetrack requests from the Board at least as many racing dates as were conducted in calendar year 2000, 80% shall be deposited into its standardbred purse account; and

(B) Twenty percent shall be deposited into the Illinois Colt Stakes Purse Distribution Fund. Moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be paid to Illinois conceived and foaled thoroughbred breeders' programs and to thoroughbred purses for races conducted at any county fairgrounds for Illinois conceived and foaled horses at the discretion of the Department of Agriculture, with the advice and assistance of the Illinois Thoroughbred Breeders Fund Advisory Board. The moneys deposited into the Illinois Colt Stakes Purse Distribution Fund pursuant to this subparagraph (B) shall be deposited within 2 weeks after the day they were generated, shall be in addition to and not in lieu of any other moneys paid to thoroughbred purses under this Act, and shall not be commingled with other moneys deposited into that Fund.

(7.3) If no live standardbred racing is conducted at a racetrack located in Madison County in calendar year 2000 or 2001, an organization licensee who is licensed to conduct horse racing at that racetrack shall, before January 1, 2002, pay all moneys derived from simulcast wagering and inter-track wagering in calendar years 2000 and 2001 and paid into the licensee's standardbred purse account as follows:

(A) Eighty percent to that licensee's thoroughbred purse account to be used for thoroughbred purses; and

(B) Twenty percent to the Illinois Colt Stakes Purse Distribution Fund.

Failure to make the payment to the Illinois Colt Stakes Purse Distribution Fund before January 1, 2002 shall result in the immediate revocation of the licensee's organization license, inter-track wagering license, and inter-track wagering location license.

Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be paid to purses for standardbred races for Illinois conceived and foaled horses conducted at any county fairgrounds. Moneys paid into the Illinois Colt Stakes Purse Distribution Fund pursuant to this paragraph (7.3) shall be used as determined by the Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, shall be in addition to and not in lieu of any other moneys paid to standardbred purses under this Act, and shall not be commingled with any other moneys paid into that Fund.

(7.4) If live standardbred racing is conducted at a racetrack located in Madison County at any time in calendar year 2001 before the payment required under paragraph (7.3) has been made, the organization licensee who is licensed to conduct racing at that racetrack shall pay all moneys derived by that racetrack from simulcast wagering and inter-track wagering during calendar years 2000 and 2001 that (1) are to be used for purses and (2) are generated between the hours of 6:30 p.m. and 6:30 a.m. during 2000 or 2001 to the standardbred purse account at that racetrack to be used for standardbred purses.

(8) Notwithstanding any provision in this Act to the contrary, an organization licensee from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River and its affiliated non-host licensees shall not be entitled to share in any retention generated on racing, inter-track wagering, or simulcast wagering at any other Illinois wagering facility.

(8.1) Notwithstanding any provisions in this Act to the contrary, if 2 organization licensees are conducting standardbred race meetings concurrently between the hours of 6:30 p.m. and 6:30 a.m., after payment of all applicable State and local taxes and interstate commission fees, the remainder of the amount retained from simulcast wagering otherwise attributable to the host track and to host track purses shall be split daily between the 2 organization licensees and the purses at the tracks of the 2 organization licensees, respectively, based on each organization licensee's share of the total live handle for that day, provided that this provision shall not apply to any non-host licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River.

(9) (Blank).

(10) (Blank).

(11) (Blank).

(12) The Board shall have authority to compel all host tracks to receive the simulcast of any or all races conducted at the Springfield or DuQuoin State fairgrounds and include all such races as part of their simulcast programs.

(13) Notwithstanding any other provision of this Act, in the event that the total Illinois pari-mutuel handle on Illinois horse races at all wagering facilities in any calendar year is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at all such wagering facilities for calendar year 1994, then each wagering facility that has an annual total Illinois pari-mutuel handle on Illinois horse races that is less than 75% of the total Illinois pari-mutuel handle on Illinois horse races at such wagering facility for calendar year 1994, shall be permitted to receive, from any amount otherwise payable to the purse account at the race track with which the wagering facility is affiliated in the succeeding calendar year, an amount equal to 2% of the differential in total Illinois pari-mutuel handle on Illinois horse races at the wagering facility between that calendar year in question and 1994 provided, however, that a wagering facility shall not be entitled to any such payment until the Board certifies in writing to the wagering facility the amount to which the wagering facility is entitled and a schedule for payment of the amount to the wagering facility, based on: (i) the racing dates awarded to the race track affiliated with the wagering facility during the succeeding year; (ii) the sums available or anticipated to be available in the purse account of the race track affiliated with the wagering facility for purses during the succeeding year; and (iii) the need to ensure reasonable purse levels during the payment period. The Board's certification shall be provided no later than January 31 of the succeeding year. In the event a wagering facility entitled to a payment under this paragraph (13) is affiliated with a race track that maintains purse accounts for both standardbred and thoroughbred racing, the amount to be paid to the wagering facility shall be divided between each purse account pro rata, based on the amount of Illinois handle on Illinois standardbred and thoroughbred racing respectively at the wagering facility during the previous calendar year. Annually, the General Assembly shall appropriate sufficient funds from the General Revenue Fund to the Department of Agriculture for payment into the thoroughbred and standardbred horse racing purse accounts at Illinois pari-mutuel tracks. The amount paid to each purse account shall be the amount certified by the Illinois Racing Board in January to be transferred from each account to each eligible racing facility in accordance with the provisions of this Section. Beginning in the calendar year in which an organization licensee that is eligible to receive payment under this paragraph (13) begins to receive funds from electronic gaming, the amount of the payment due to all wagering facilities licensed under that organization licensee under this paragraph (13) shall be the amount certified by the Board in January of that year. An organization licensee and its related wagering facilities shall no longer be able to receive payments under this paragraph (13) beginning in the year subsequent to the first year in which the organization licensee begins to receive funds from electronic gaming.

(h) The Board may approve and license the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees subject to the following terms and conditions:

(1) Any person licensed to conduct a race meeting (i) at a track where 60 or more days of racing were conducted during the immediately preceding calendar year or where over the 5 immediately preceding calendar years an average of 30 or more days of racing were conducted annually may be issued an inter-track wagering license; (ii) at a track located in a county that is

bounded by the Mississippi River, which has a population of less than 150,000 according to the 1990 decennial census, and an average of at least 60 days of racing per year between 1985 and 1993 may be issued an inter-track wagering license; or (iii) at a track located in Madison County that conducted at least 100 days of live racing during the immediately preceding calendar year may be issued an inter-track wagering license, unless a lesser schedule of live racing is the result of (A) weather, unsafe track conditions, or other acts of God; (B) an agreement between the organization licensee and the associations representing the largest number of owners, trainers, jockeys, or standardbred drivers who race horses at that organization licensee's racing meeting; or (C) a finding by the Board of extraordinary circumstances and that it was in the best interest of the public and the sport to conduct fewer than 100 days of live racing. Any such person having operating control of the racing facility may also receive up to 6 inter-track wagering location licenses. In no event shall more than 6 inter-track wagering locations be established for each eligible race track, except that an eligible race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River may establish up to 7 inter-track wagering locations. An application for said license shall be filed with the Board prior to such dates as may be fixed by the Board. With an application for an inter-track wagering location license there shall be delivered to the Board a certified check or bank draft payable to the order of the Board for an amount equal to \$500. The application shall be on forms prescribed and furnished by the Board. The application shall comply with all other rules, regulations and conditions imposed by the Board in connection therewith.

(2) The Board shall examine the applications with respect to their conformity with this Act and the rules and regulations imposed by the Board. If found to be in compliance with the Act and rules and regulations of the Board, the Board may then issue a license to conduct inter-track wagering and simulcast wagering to such applicant. All such applications shall be acted upon by the Board at a meeting to be held on such date as may be fixed by the Board.

(3) In granting licenses to conduct inter-track wagering and simulcast wagering, the Board shall give due consideration to the best interests of the public, of horse racing, and of maximizing revenue to the State.

(4) Prior to the issuance of a license to conduct inter-track wagering and simulcast wagering, the applicant shall file with the Board a bond payable to the State of Illinois in the sum of \$50,000, executed by the applicant and a surety company or companies authorized to do business in this State, and conditioned upon (i) the payment by the licensee of all taxes due under Section 27 or 27.1 and any other monies due and payable under this Act, and (ii) distribution by the licensee, upon presentation of the winning ticket or tickets, of all sums payable to the patrons of pari-mutuel pools.

(5) Each license to conduct inter-track wagering and simulcast wagering shall specify the person to whom it is issued, the dates on which such wagering is permitted, and the track or location where the wagering is to be conducted.

(6) All wagering under such license is subject to this Act and to the rules and regulations from time to time prescribed by the Board, and every such license issued by the Board shall contain a recital to that effect.

(7) An inter-track wagering licensee or inter-track wagering location licensee may accept wagers at the track or location where it is licensed, or as otherwise provided under this Act.

(8) Inter-track wagering or simulcast wagering shall not be conducted at any track less than ~~4~~ <sup>5</sup> miles from a track at which a racing meeting is in progress.

(8.1) Inter-track wagering location licensees who derive their licenses from a particular organization licensee shall conduct inter-track wagering and simulcast wagering only at locations which are either within 90 miles of that race track where the particular organization licensee is licensed to conduct racing, or within 135 miles of that race track where the particular organization licensee is licensed to conduct racing in the case of race tracks in counties of less than 400,000 that were operating on or before June 1, 1986. However, inter-track wagering and simulcast wagering shall not be conducted by those licensees at any location within 5 miles of any race track at which a horse race meeting has been licensed in the current year, unless the person having operating control of such race track has given its written consent to such inter-track wagering location licensees, which consent must be filed with the Board at or prior to the time application is made.

(8.2) Inter-track wagering or simulcast wagering shall not be conducted by an inter-track wagering location licensee at any location within 500 feet of an existing church, ~~an~~ ~~or~~ existing elementary or secondary public school, ~~or an existing elementary or secondary private school registered with or recognized by the State Board of Education~~ ~~school~~, nor within 500 feet of the residences of more than 50 registered voters without receiving written permission from a majority of the registered voters at such residences. Such written permission statements shall be filed with the

Board. The distance of 500 feet shall be measured to the nearest part of any building used for worship services, education programs, residential purposes, or conducting inter-track wagering by an inter-track wagering location licensee, and not to property boundaries. However, inter-track wagering or simulcast wagering may be conducted at a site within 500 feet of a church, school or residences of 50 or more registered voters if such church, school or residences have been erected or established, or such voters have been registered, after the Board issues the original inter-track wagering location license at the site in question. Inter-track wagering location licensees may conduct inter-track wagering and simulcast wagering only in areas that are zoned for commercial or manufacturing purposes or in areas for which a special use has been approved by the local zoning authority. However, no license to conduct inter-track wagering and simulcast wagering shall be granted by the Board with respect to any inter-track wagering location within the jurisdiction of any local zoning authority which has, by ordinance or by resolution, prohibited the establishment of an inter-track wagering location within its jurisdiction. However, inter-track wagering and simulcast wagering may be conducted at a site if such ordinance or resolution is enacted after the Board licenses the original inter-track wagering location licensee for the site in question.

(9) (Blank).

(10) An inter-track wagering licensee or an inter-track wagering location licensee may retain, subject to the payment of the privilege taxes and the purses, an amount not to exceed 17% of all money wagered. Each program of racing conducted by each inter-track wagering licensee or inter-track wagering location licensee shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege tax or pari-mutuel tax on such daily handle as provided in Section 27.

(10.1) Except as provided in subsection (g) of Section 27 of this Act, inter-track wagering location licensees shall pay 1% of the pari-mutuel handle at each location to the municipality in which such location is situated and 1% of the pari-mutuel handle at each location to the county in which such location is situated. In the event that an inter-track wagering location licensee is situated in an unincorporated area of a county, such licensee shall pay 2% of the pari-mutuel handle from such location to such county.

(10.2) Notwithstanding any other provision of this Act, with respect to intertrack wagering at a race track located in a county that has a population of more than 230,000 and that is bounded by the Mississippi River ("the first race track"), or at a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, on races conducted at the first race track or on races conducted at another Illinois race track and simultaneously televised to the first race track or to a facility operated by an inter-track wagering licensee or inter-track wagering location licensee that derives its license from the organization licensee that operates the first race track, those moneys shall be allocated as follows:

(A) That portion of all moneys wagered on standardbred racing that is required under this Act to be paid to purses shall be paid to purses for standardbred races.

(B) That portion of all moneys wagered on thoroughbred racing that is required under this Act to be paid to purses shall be paid to purses for thoroughbred races.

(11) (A) After payment of the privilege or pari-mutuel tax, any other applicable taxes, and the costs and expenses in connection with the gathering, transmission, and dissemination of all data necessary to the conduct of inter-track wagering, the remainder of the monies retained under either Section 26 or Section 26.2 of this Act by the inter-track wagering licensee on inter-track wagering shall be allocated with 50% to be split between the 2 participating licensees and 50% to purses, except that an intertrack wagering licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the Illinois organization licensee that provides the race or races, and an intertrack wagering licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with that organization licensee.

(B) From the sums permitted to be retained pursuant to this Act each inter-track wagering location licensee shall pay (i) the privilege or pari-mutuel tax to the State; (ii) 4.75% of the pari-mutuel handle on intertrack wagering at such location on races as purses, except that an intertrack wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall retain all purse moneys for its own purse account consistent with distribution set forth in this subsection (h), and intertrack wagering location licensees that accept wagers on races conducted by an organization licensee located in a

county with a population in excess of 230,000 and that borders the Mississippi River shall distribute all purse moneys to purses at the operating host track; (iii) until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, 1% of the pari-mutuel handle wagered on inter-track wagering and simulcast wagering at each inter-track wagering location licensee facility to the Horse Racing Tax Allocation Fund, provided that, to the extent the total amount collected and distributed to the Horse Racing Tax Allocation Fund under this subsection (h) during any calendar year exceeds the amount collected and distributed to the Horse Racing Tax Allocation Fund during calendar year 1994, that excess amount shall be redistributed (I) to all inter-track wagering location licensees, based on each licensee's pro-rata share of the total handle from inter-track wagering and simulcast wagering for all inter-track wagering location licensees during the calendar year in which this provision is applicable; then (II) the amounts redistributed to each inter-track wagering location licensee as described in subpart (I) shall be further redistributed as provided in subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 provided first, that the shares of those amounts, which are to be redistributed to the host track or to purses at the host track under subparagraph (B) of paragraph (5) of subsection (g) of this Section 26 shall be redistributed based on each host track's pro rata share of the total inter-track wagering and simulcast wagering handle at all host tracks during the calendar year in question, and second, that any amounts redistributed as described in part (I) to an inter-track wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall be further redistributed as provided in subparagraphs (D) and (E) of paragraph (7) of subsection (g) of this Section 26, with the portion of that further redistribution allocated to purses at that organization licensee to be divided between standardbred purses and thoroughbred purses based on the amounts otherwise allocated to purses at that organization licensee during the calendar year in question; and (iv) 8% of the pari-mutuel handle on inter-track wagering wagered at such location to satisfy all costs and expenses of conducting its wagering. The remainder of the monies retained by the inter-track wagering location licensee shall be allocated 40% to the location licensee and 60% to the organization licensee which provides the Illinois races to the location, except that an intertrack wagering location licensee that derives its license from a track located in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee that provides the race or races and an intertrack wagering location licensee that accepts wagers on races conducted by an organization licensee that conducts a race meet in a county with a population in excess of 230,000 and that borders the Mississippi River shall not divide any remaining retention with the organization licensee. Notwithstanding the provisions of clauses (ii) and (iv) of this paragraph, in the case of the additional inter-track wagering location licenses authorized under paragraph (1) of this subsection (h) by this amendatory Act of 1991, those licensees shall pay the following amounts as purses: during the first 12 months the licensee is in operation, 5.25% of the pari-mutuel handle wagered at the location on races; during the second 12 months, 5.25%; during the third 12 months, 5.75%; during the fourth 12 months, 6.25%; and during the fifth 12 months and thereafter, 6.75%. The following amounts shall be retained by the licensee to satisfy all costs and expenses of conducting its wagering: during the first 12 months the licensee is in operation, 8.25% of the pari-mutuel handle wagered at the location; during the second 12 months, 8.25%; during the third 12 months, 7.75%; during the fourth 12 months, 7.25%; and during the fifth 12 months and thereafter, 6.75%. For additional intertrack wagering location licensees authorized under this amendatory Act of 1995, purses for the first 12 months the licensee is in operation shall be 5.75% of the pari-mutuel wagered at the location, purses for the second 12 months the licensee is in operation shall be 6.25%, and purses thereafter shall be 6.75%. For additional intertrack location licensees authorized under this amendatory Act of 1995, the licensee shall be allowed to retain to satisfy all costs and expenses: 7.75% of the pari-mutuel handle wagered at the location during its first 12 months of operation, 7.25% during its second 12 months of operation, and 6.75% thereafter.

(C) There is hereby created the Horse Racing Tax Allocation Fund which shall remain in existence until December 31, 1999. Moneys remaining in the Fund after December 31, 1999 shall be paid into the General Revenue Fund. Until January 1, 2000, all monies paid into the Horse Racing Tax Allocation Fund pursuant to this paragraph (11) by inter-track wagering location licensees located in park districts of 500,000 population or less, or in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, and operating on May 1, 1994 shall be allocated by appropriation as follows:

Two-sevenths to the Department of Agriculture. Fifty percent of this two-sevenths

If a representative of any of the above-named entities has not been recommended by January 1 of any even-numbered year, the Governor shall appoint a committee member to fill that position. Committee members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the performance of their official duties. The remaining 50% of this two-sevenths shall be distributed to county fairs for premiums and rehabilitation as set forth in the Agricultural Fair Act;

Four-sevenths to park districts or municipalities that do not have a park district of 500,000 population or less for museum purposes (if an inter-track wagering location licensee is located in such a park district) or to conservation districts for museum purposes (if an inter-track wagering location licensee is located in a municipality that is not included within any park district but is included within a conservation district and is the county seat of a county that (i) is contiguous to the state of Indiana and (ii) has a 1990 population of 88,257 according to the United States Bureau of the Census, except that if the conservation district does not maintain a museum, the monies shall be allocated equally between the county and the municipality in which the inter-track wagering location licensee is located for general purposes) or to a municipal recreation board for park purposes (if an inter-track wagering location licensee is located in a municipality that is not included within any park district and park maintenance is the function of the municipal recreation board and the municipality has a 1990 population of 9,302 according to the United States Bureau of the Census); provided that the monies are distributed to each park district or conservation district or municipality that does not have a park district in an amount equal to four-sevenths of the amount collected by each inter-track wagering location licensee within the park district or conservation district or municipality for the Fund. Any park district or municipality not maintaining a museum may deposit the monies in the corporate fund of the park district or municipality where the inter-track wagering location is located, to be used for general purposes; and

One-seventh to the Agricultural Premium Fund to be used for distribution to agricultural home economics extension councils in accordance with "An Act in relation to additional support and finances for the Agricultural and Home Economic Extension Councils in the several counties of this State and making an appropriation therefor", approved July 24, 1967. Until January 1, 2000, all other monies paid into the Horse Racing Tax Allocation Fund pursuant to this paragraph (11) shall be allocated by appropriation as follows:

Two-sevenths to the Department of Agriculture. Fifty percent of this two-sevenths shall be used to promote the Illinois horse racing and breeding industry, and shall be distributed by the Department of Agriculture upon the advice of a 9-member committee appointed by the Governor consisting of the following members: the Director of Agriculture, who shall serve as chairman; 2 representatives of organization licensees conducting thoroughbred race meetings in this State, recommended by those licensees; 2 representatives of organization licensees conducting standardbred race meetings in this State, recommended by those licensees; a representative of the Illinois Thoroughbred Breeders and Owners Foundation, recommended by that Foundation; a representative of the Illinois Standardbred Owners and Breeders Association, recommended by that Association; a representative of the Horsemen's Benevolent and Protective Association or any successor organization thereto established in Illinois comprised of the largest number of owners and

Committee members shall serve for terms of 2 years, commencing January 1 of each even-numbered year. If a representative of any of the above-named entities has not been recommended by January 1 of any even-numbered year, the Governor shall appoint a committee member to fill that position. Committee members shall receive no compensation for their services as members but shall be reimbursed for all actual and necessary expenses and disbursements incurred in the performance of their official duties. The remaining 50% of this two-sevenths shall be distributed to county fairs for premiums and rehabilitation as set forth in the Agricultural Fair Act;

Four-sevenths to museums and aquariums located in park districts of over 500,000 population; provided that the monies are distributed in accordance with the previous year's distribution of the maintenance tax for such museums and aquariums as provided in Section 2 of the Park District Aquarium and Museum Act; and

One-seventh to the Agricultural Premium Fund to be used for distribution to agricultural home economics extension councils in accordance with "An Act in relation to additional support and finances for the Agricultural and Home Economic Extension Councils in the several counties of this State and making an appropriation therefor", approved July 24, 1967. This subparagraph (C) shall be inoperative and of no force and effect on and after January 1, 2000.

(D) Except as provided in paragraph (11) of this subsection (h), with respect to purse allocation from intertrack wagering, the monies so retained shall be divided as follows:

(i) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is not conducting its own race meeting during the same dates, then the entire purse allocation shall be to purses at the track where the races wagered on are being conducted.

(ii) If the inter-track wagering licensee, except an intertrack wagering licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, is also conducting its own race meeting during the same dates, then the purse allocation shall be as follows: 50% to purses at the track where the races wagered on are being conducted; 50% to purses at the track where the inter-track wagering licensee is accepting such wagers.

(iii) If the inter-track wagering is being conducted by an inter-track wagering location licensee, except an intertrack wagering location licensee that derives its license from an organization licensee located in a county with a population in excess of 230,000 and bounded by the Mississippi River, the entire purse allocation for Illinois races shall be to purses at the track where the race meeting being wagered on is being held.

(12) The Board shall have all powers necessary and proper to fully supervise and control the conduct of inter-track wagering and simulcast wagering by inter-track wagering licensees and inter-track wagering location licensees, including, but not limited to the following:

(A) The Board is vested with power to promulgate reasonable rules and regulations for the purpose of administering the conduct of this wagering and to prescribe reasonable rules, regulations and conditions under which such wagering shall be held and conducted. Such rules and regulations are to provide for the prevention of practices detrimental to the public interest and for the best interests of said wagering and to impose penalties for violations thereof.

(B) The Board, and any person or persons to whom it delegates this power, is vested with the power to enter the facilities of any licensee to determine whether there has been compliance with the provisions of this Act and the rules and regulations relating to the conduct of such wagering.

(C) The Board, and any person or persons to whom it delegates this power, may eject or exclude from any licensee's facilities, any person whose conduct or reputation is such that his presence on such premises may, in the opinion of the Board, call into the question the honesty and integrity of, or interfere with the orderly conduct of such wagering; provided, however, that no person shall be excluded or ejected from such premises solely on the grounds of race, color, creed, national origin, ancestry, or sex.

(D) (Blank).

(E) The Board is vested with the power to appoint delegates to execute any of the powers granted to it under this Section for the purpose of administering this wagering and any rules and regulations promulgated in accordance with this Act.

(F) The Board shall name and appoint a State director of this wagering who shall be

a representative of the Board and whose duty it shall be to supervise the conduct of inter-track wagering as may be provided for by the rules and regulations of the Board; such rules and regulation shall specify the method of appointment and the Director's powers, authority and duties.

(G) The Board is vested with the power to impose civil penalties of up to \$5,000 against individuals and up to \$10,000 against licensees for each violation of any provision of this Act relating to the conduct of this wagering, any rules adopted by the Board, any order of the Board or any other action which in the Board's discretion, is a detriment or impediment to such wagering.

(13) The Department of Agriculture may enter into agreements with licensees authorizing such licensees to conduct inter-track wagering on races to be held at the licensed race meetings conducted by the Department of Agriculture. Such agreement shall specify the races of the Department of Agriculture's licensed race meeting upon which the licensees will conduct wagering. In the event that a licensee conducts inter-track pari-mutuel wagering on races from the Illinois State Fair or DuQuoin State Fair which are in addition to the licensee's previously approved racing program, those races shall be considered a separate racing day for the purpose of determining the daily handle and computing the privilege or pari-mutuel tax on that daily handle as provided in Sections 27 and 27.1. Such agreements shall be approved by the Board before such wagering may be conducted. In determining whether to grant approval, the Board shall give due consideration to the best interests of the public and of horse racing. The provisions of paragraphs (1), (8), (8.1), and (8.2) of subsection (h) of this Section which are not specified in this paragraph (13) shall not apply to licensed race meetings conducted by the Department of Agriculture at the Illinois State Fair in Sangamon County or the DuQuoin State Fair in Perry County, or to any wagering conducted on those race meetings.

(i) Notwithstanding the other provisions of this Act, the conduct of wagering at wagering facilities is authorized on all days, except as limited by subsection (b) of Section 19 of this Act.

(230 ILCS 5/27) (from Ch. 8, par. 37-27)

Sec. 27. (a) In addition to the organization license fee provided by this Act, until January 1, 2000, a graduated privilege tax is hereby imposed for conducting the pari-mutuel system of wagering permitted under this Act. Until January 1, 2000, except as provided in subsection (g) of Section 27 of this Act, all of the breakage of each racing day held by any licensee in the State shall be paid to the State. Until January 1, 2000, such daily graduated privilege tax shall be paid by the licensee from the amount permitted to be retained under this Act. Until January 1, 2000, each day's graduated privilege tax, breakage, and Horse Racing Tax Allocation funds shall be remitted to the Department of Revenue within 48 hours after the close of the racing day upon which it is assessed or within such other time as the Board prescribes. The privilege tax hereby imposed, until January 1, 2000, shall be a flat tax at the rate of 2% of the daily pari-mutuel handle except as provided in Section 27.1.

In addition, every organization licensee, except as provided in Section 27.1 of this Act, which conducts multiple wagering shall pay, until January 1, 2000, as a privilege tax on multiple wagers an amount equal to 1.25% of all moneys wagered each day on such multiple wagers, plus an additional amount equal to 3.5% of the amount wagered each day on any other multiple wager which involves a single betting interest on 3 or more horses. The licensee shall remit the amount of such taxes to the Department of Revenue within 48 hours after the close of the racing day on which it is assessed or within such other time as the Board prescribes.

This subsection (a) shall be inoperative and of no force and effect on and after January 1, 2000.

(a-5) Beginning on January 1, 2000, a flat pari-mutuel tax at the rate of 1.5% of the daily pari-mutuel handle is imposed at all pari-mutuel wagering facilities and on advance deposit wagering from a location other than a wagering facility, except as otherwise provided for in this subsection (a-5). In addition to the pari-mutuel tax imposed on advance deposit wagering pursuant to this subsection (a-5), an additional pari-mutuel tax at the rate of 0.25% shall be imposed on advance deposit wagering, the amount of which shall not exceed \$250,000 in each calendar year. The additional 0.25% pari-mutuel tax imposed on advance deposit wagering by this amendatory Act of the 96th General Assembly shall be deposited into the Quarter Horse Purse Fund, which shall be created as a non-appropriated trust fund administered by the Board for grants to thoroughbred organization licensees for payment of purses for quarter horse races conducted by the organization licensee. Thoroughbred organization licensees may petition the Board to conduct quarter horse racing and receive purse grants from the Quarter Horse Purse Fund. The Board shall have complete discretion in distributing the Quarter Horse Purse Fund to the petitioning organization licensees. Beginning on the effective date of this amendatory Act of the 96th General Assembly and until moneys deposited pursuant to Section 54 are distributed and received, a pari-mutuel tax at the rate of 0.75% of the daily pari-mutuel handle is imposed at a pari-mutuel facility whose license is derived from a track located in a county that borders the Mississippi River and conducted live racing

in the previous year. After moneys deposited pursuant to Section 54 are distributed and received, a pari-mutuel tax at the rate of 1.5% of the daily pari-mutuel handle is imposed at a pari-mutuel facility whose license is derived from a track located in a county that borders the Mississippi River and conducted live racing in the previous year. The pari-mutuel tax imposed by this subsection (a-5) shall be remitted to the Department of Revenue within 48 hours after the close of the racing day upon which it is assessed or within such other time as the Board prescribes.

(a-10) Beginning on the date when an organization licensee begins conducting electronic gaming pursuant to an electronic gaming license, the following pari-mutuel tax is imposed upon an organization licensee on Illinois races at the licensee's race track:

1.5% of the pari-mutuel handle at or below the average daily pari-mutuel handle for 2011.

2% of the pari-mutuel handle above the average daily pari-mutuel handle for 2011 up to 125% of the average daily pari-mutuel handle for 2011.

2.5% of the pari-mutuel handle 125% or more above the average daily pari-mutuel handle for 2011 up to 150% of the average daily pari-mutuel handle for 2011.

3% of the pari-mutuel handle 150% or more above the average daily pari-mutuel handle for 2011 up to 175% of the average daily pari-mutuel handle for 2011.

3.5% of the pari-mutuel handle 175% or more above the average daily pari-mutuel handle for 2011.

The pari-mutuel tax imposed by this subsection (a-10) shall be remitted to the Board within 48 hours after the close of the racing day upon which it is assessed or within such other time as the Board prescribes.

(b) On or before December 31, 1999, in the event that any organization licensee conducts 2 separate programs of races on any day, each such program shall be considered a separate racing day for purposes of determining the daily handle and computing the privilege tax on such daily handle as provided in subsection (a) of this Section.

(c) Licensees shall at all times keep accurate books and records of all monies wagered on each day of a race meeting and of the taxes paid to the Department of Revenue under the provisions of this Section. The Board or its duly authorized representative or representatives shall at all reasonable times have access to such records for the purpose of examining and checking the same and ascertaining whether the proper amount of taxes is being paid as provided. The Board shall require verified reports and a statement of the total of all monies wagered daily at each wagering facility upon which the taxes are assessed and may prescribe forms upon which such reports and statement shall be made.

(d) Any licensee failing or refusing to pay the amount of any tax due under this Section shall be guilty of a business offense and upon conviction shall be fined not more than \$5,000 in addition to the amount found due as tax under this Section. Each day's violation shall constitute a separate offense. All fines paid into Court by a licensee hereunder shall be transmitted and paid over by the Clerk of the Court to the Board.

(e) No other license fee, privilege tax, excise tax, or racing fee, except as provided in this Act, shall be assessed or collected from any such licensee by the State.

(f) No other license fee, privilege tax, excise tax or racing fee shall be assessed or collected from any such licensee by units of local government except as provided in paragraph 10.1 of subsection (h) and subsection (f) of Section 26 of this Act. However, any municipality that has a Board licensed horse race meeting at a race track wholly within its corporate boundaries or a township that has a Board licensed horse race meeting at a race track wholly within the unincorporated area of the township may charge a local amusement tax not to exceed 10¢ per admission to such horse race meeting by the enactment of an ordinance. However, any municipality or county that has a Board licensed inter-track wagering location facility wholly within its corporate boundaries may each impose an admission fee not to exceed \$1.00 per admission to such inter-track wagering location facility, so that a total of not more than \$2.00 per admission may be imposed. Except as provided in subparagraph (g) of Section 27 of this Act, the inter-track wagering location licensee shall collect any and all such fees and within 48 hours remit the fees to the Board, which shall, pursuant to rule, cause the fees to be distributed to the county or municipality.

(g) Notwithstanding any provision in this Act to the contrary, if in any calendar year the total taxes and fees from wagering on live racing and from inter-track wagering required to be collected from licensees and distributed under this Act to all State and local governmental authorities exceeds the amount of such taxes and fees distributed to each State and local governmental authority to which each State and local governmental authority was entitled under this Act for calendar year 1994, then the first \$11 million of that excess amount shall be allocated at the earliest possible date for distribution as purse money for the succeeding calendar year. Upon reaching the 1994 level, and until the excess amount of taxes and fees exceeds \$11 million, the Board shall direct all licensees to cease paying the subject taxes and fees and the Board shall direct all licensees to allocate any such excess amount for purses as follows:

(i) the excess amount shall be initially divided between thoroughbred and standardbred purses based on the thoroughbred's and standardbred's respective percentages of total Illinois live wagering in calendar year 1994;

Sec. 56. Electronic gaming.

(a) A person, firm, or corporation having operating control of a race track may apply to the Gaming Board for an electronic gaming license. An electronic gaming license shall authorize its holder to conduct electronic gaming on the grounds of the race track controlled by the licensee's race track. Only one electronic gaming license may be awarded for any race track. Each license shall specify the number of gaming positions that its holder may operate.

An electronic gaming licensee may not permit persons under 21 years of age to be present in its electronic gaming facility, but the licensee may accept wagers on live racing and inter-track wagers at its electronic gaming facility.

The adjusted gross receipts by an electronic gaming licensee from electronic gaming remaining after the payment of taxes under Section 13 of the Illinois Gambling Act shall be distributed as follows:

(1) Amounts shall be paid to the purse account at the track at which the organization licensee is conducting racing equal to the following:

- 12.75% of annual adjusted gross receipts up to and including \$75,000,000;
- 20% of annual adjusted gross receipts in excess of \$75,000,000 but not exceeding \$100,000,000;

20.5% of annual adjusted gross receipts in excess of \$125,000,000.

(2) The remainder shall be retained by the electronic gaming licensee.

(c) Electronic gaming receipts placed into the purse account of an organization licensee racing thoroughbred horses shall be used for purses, for health care services or worker's compensation for racing industry workers, for equine research, for programs to care for and transition injured and retired

thoroughbred horses that race at the race track, or for horse ownership promotion, in accordance with the agreement of the horsemen's association representing the largest number of owners or trainers who race at that organization licensee's race meetings.

Annually, from the purse account of an organization licensee racing thoroughbred horses in the State, except for in Madison County, an amount equal to 12% of the electronic gaming receipts placed into the purse accounts shall be paid to the Illinois Thoroughbred Breeders Fund and shall be used for owner awards; a stallion program pursuant to paragraph (3) of subsection (g) of Section 30 of this Act; and Illinois conceived and foaled stakes races pursuant to paragraph (2) of subsection (g) of Section 30 of this Act, as specifically designated by the horsemen's association representing the largest number of owners or trainers who race at the organization licensee's race meetings.

Annually, from the purse account of an organization licensee racing thoroughbred horses in Madison County, an amount equal to 10% of the electronic gaming receipts placed into the purse accounts shall be paid to the Illinois Thoroughbred Breeders Fund and shall be used for owner awards; a stallion program pursuant to paragraph (3) of subsection (g) of Section 30 of this Act; and Illinois conceived and foaled stakes races pursuant to paragraph (2) of subsection (g) of Section 30 of this Act, as specifically designated by the horsemen's association representing the largest number of owners or trainers who race at the organization licensee's race meetings.

Annually, from the purse account of organization licensees conducting thoroughbred races at race tracks in Cook County, \$100,000 shall be paid for division and equal distribution to the animal sciences department of each Illinois public university system engaged in equine research and education on or before the effective date of this amendatory Act of the 97th General Assembly for equine research and education.

(d) Annually, from the purse account of an organization licensee racing standardbred horses, an amount equal to 15% of the electronic gaming receipts placed into that purse account shall be paid to the Illinois Colt Stakes Purse Distribution Fund. Moneys deposited into the Illinois Colt Stakes Purse Distribution Fund shall be used for standardbred racing as authorized in paragraphs 1, 2, 3, 8, 9, 10, and 11 of subsection (g) of Section 31 of this Act and for bonus awards as authorized under paragraph 6 of subsection (j) of Section 31 of this Act.

(e) As a requirement for continued eligibility to conduct electronic gaming, each organization licensee must promote live racing and horse ownership through marketing and promotional efforts. To meet this requirement, all organization licensees operating at each race track facility must collectively expend the amount of the pari-mutuel tax credit that was certified by the Illinois Racing Board in the prior calendar year pursuant to Section 32.1 of this Act for that race track facility, in addition to the amount that was expended by each organizational licensee for such efforts in calendar year 2009. Such incremental expenditures must be directed to assure that all marketing expenditures, including those for the organization licensee's electronic gaming facility, advertise, market, and promote horse racing or horse ownership. The amount spent by the organization licensee for such marketing and promotional efforts in 2009 shall be certified by the Board no later than 90 days after the effective date of this Section.

The Board shall review any amounts expended pursuant to this subsection (e) and shall also include an itemized description of the amount that was expended by each organization licensee pursuant to this subsection (e) in the annual report that the Board is required to submit pursuant to subsection (d) of Section 14 of the Illinois Horse Racing Act of 1975.

(f) The Board shall submit a report to the General Assembly on or before December 31, 2012 that examines the feasibility of conducting electronic gaming at the Illinois State Fairgrounds in Sangamon County. At a minimum, this report shall analyze the projected revenues that will be generated, the potential for cannibalization of existing riverboats, casinos, or other electronic gaming facilities, and the potential detriment to the surrounding area and its population. The report shall include the Board's findings together with appropriate recommendations for legislative action.

Governor, in the sum of \$25,000. Every such bond, when duly executed and approved, shall be recorded in the office of the Secretary of State. Whenever the Governor determines that the bond of any member of the Board has become or is likely to become invalid or insufficient, he shall require such member forthwith to renew his bond, which is to be approved by the Governor. Any member of the Board who fails to take oath and give bond within 30 days from the date of his appointment, or who fails to renew his bond within 30 days after it is demanded by the Governor, shall be guilty of neglect of duty and may be removed by the Governor. The cost of any bond given by any member of the Board under this Section shall be taken to be a part of the necessary expenses of the Board.

A conflict of interest exists if a situation influences or creates the appearance that it may influence judgment or performance of duties or responsibilities.

(b) The Board shall have general responsibility for the implementation of this Act. Its duties include, without limitation, the following:

(1) To decide promptly and in reasonable order all license applications. Any party aggrieved by an action of the Board denying, suspending, revoking, restricting or refusing to renew a license may request a hearing before the Board. A request for a hearing must be made to the Board in writing within 5 days after service of notice of the action of the Board. Notice of the action of the Board shall be served either by personal delivery or by certified mail, postage prepaid, to the aggrieved party. Notice served by certified mail shall be deemed complete on the business day following the date of such mailing. The Board shall conduct all requested hearings promptly and in reasonable order;

(2) To conduct all hearings pertaining to civil violations of this Act or rules and regulations promulgated hereunder;

(3) To promulgate such rules and regulations as in its judgment may be necessary to protect or enhance the credibility and integrity of gambling operations authorized by this Act and the regulatory process hereunder;

(5) To provide for the levy and collection of penalties and fines for the violation of provisions of this Act and the rules and regulations promulgated hereunder. All such fines and penalties shall be deposited into the Education Assistance Fund, created by Public Act 86-0018, of the State of Illinois;

(6) To be present through its inspectors and agents any time gambling operations are conducted on any riverboat, in any casino, or at any electronic gaming facility for the purpose of certifying the revenue thereof, receiving complaints from the public, and conducting such other investigations into the conduct of the gambling games and the maintenance of the equipment as from time to time the Board may deem necessary and proper;

(7) To review and rule upon any complaint by a licensee regarding any investigative procedures of the State which are unnecessarily disruptive of gambling operations. The need to

inspect and investigate shall be presumed at all times. The disruption of a licensee's operations shall be proved by clear and convincing evidence, and establish that: (A) the procedures had no reasonable law enforcement purposes, and (B) the procedures were so disruptive as to unreasonably inhibit gambling operations;

(8) To hold at least one meeting each quarter of the fiscal year. In addition, special meetings may be called by the Chairman or any 2 Board members upon 72 hours written notice to each member. All Board meetings shall be subject to the Open Meetings Act. Three members of the Board shall constitute a quorum, and 3 votes shall be required for any final determination by the Board. The Board shall keep a complete and accurate record of all its meetings. A majority of the members of the Board shall constitute a quorum for the transaction of any business, for the performance of any duty, or for the exercise of any power which this Act requires the Board members to transact, perform or exercise en banc, except that, upon order of the Board, one of the Board members or an administrative law judge designated by the Board may conduct any hearing provided for under this Act or by Board rule and may recommend findings and decisions to the Board. The Board member or administrative law judge conducting such hearing shall have all powers and rights granted to the Board in this Act. The record made at the time of the hearing shall be reviewed by the Board, or a majority thereof, and the findings and decision of the majority of the Board shall constitute the order of the Board in such case;

(9) To maintain records which are separate and distinct from the records of any other State board or commission. Such records shall be available for public inspection and shall accurately reflect all Board proceedings;

(10) To file a written annual report with the Governor on or before March 1 each year and such additional reports as the Governor may request. The annual report shall include a statement of receipts and disbursements by the Board, actions taken by the Board, and any additional information and recommendations which the Board may deem valuable or which the Governor may request;

(11) (Blank);

(12) (Blank);

(13) To assume responsibility for administration and enforcement of the Video Gaming Act; ~~and~~

(13.5) To assume responsibility for the administration and enforcement of operations at electronic gaming facilities pursuant to this Act and the Illinois Horse Racing Act of 1975; and

(14) To adopt, by rule, a code of conduct governing Board members and employees that ensure, to the maximum extent possible, that persons subject to this Code avoid situations, relationships, or associations that may represent or lead to a conflict of interest.

Any action by the Board or staff of the Board, including, but not limited to, denying a renewal, approving procedures (including internal controls), levying a fine or penalty, promotions, or other activities affecting an applicant for licensure or a licensee, may at the discretion of the applicant or licensee be appealed to an administrative law judge in accordance with subsection (b) of Section 17.1.

Internal controls and changes submitted by licensees must be reviewed and either approved or denied with cause within 60 days after receipt by the Illinois Gaming Board. In the event an internal control submission or change does not meet the standards set by the Board, staff of the Board must provide technical assistance to the licensee to rectify such deficiencies within 60 days after the initial submission and the revised submission must be reviewed and approved or denied with cause within 60 days. For the purposes of this paragraph, "with cause" means that the approval of the submission would jeopardize the integrity of gaming. In the event the Board staff has not acted within the timeframe, the submission shall be deemed approved.

(c) The Board shall have jurisdiction over and shall supervise all gambling operations governed by this Act ~~and the Chicago Casino Development Authority Act~~. The Board shall have all powers necessary and proper to fully and effectively execute the provisions of this Act, including, but not limited to, the following:

(2) To have jurisdiction and supervision over all ~~riverboat~~ gambling operations authorized under this Act in this State and all persons in places on riverboats where gambling operations are conducted.

(13) To require all licensees of gambling operations to utilize a cashless wagering system whereby all players' money is converted to tokens, electronic cards, or chips which shall be used only for wagering in the gambling establishment.

The establishment of the hours for sale and consumption of alcoholic liquor on board a riverboat or in a casino is an exclusive power and function of the State. A home rule unit may not establish the hours for sale and consumption of alcoholic liquor on board a riverboat or in a casino. This ~~subdivision (18) amendatory Act of 1991~~ is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(e) In addition to any licenses authorized under subsection (e-5) of this Section, the ~~The~~ Board may issue up to 10 licenses authorizing the holders of such licenses to own riverboats. In the application for an owners license, the applicant shall state the dock at which the riverboat is based and the water on which the riverboat will be located. The Board shall issue 5 licenses to become effective not earlier than January 1, 1991. Three of such licenses shall authorize riverboat gambling on the Mississippi River, or, with approval by the municipality in which the riverboat was docked on August 7, 2003 and with Board approval, be authorized to relocate to a new location, in a municipality that (1) borders on the Mississippi River or is within 5 miles of the city limits of a municipality that borders on the Mississippi River and (2), on August 7, 2003, had a riverboat conducting riverboat gambling operations pursuant to a license issued under this Act; one of which shall authorize riverboat gambling from a home dock in the

The Board may issue 4 additional licenses to become effective not earlier than March 1, 1992. In determining the water upon which riverboats will operate, the Board shall consider the economic benefit which riverboat gambling confers on the State, and shall seek to assure that all regions of the State share in the economic benefits of riverboat gambling.

In granting all licenses, the Board may give favorable consideration to economically depressed areas of the State, to applicants presenting plans which provide for significant economic development over a large geographic area, and to applicants who currently operate non-gambling riverboats in Illinois. The Board shall review all applications for owners licenses, and shall inform each applicant of the Board's decision. The Board may grant an owners license to an applicant that has not submitted the highest license bid, but if it does not select the highest bidder, the Board shall issue a written decision explaining why another applicant was selected and identifying the factors set forth in this Section that favored the winning bidder.

(e-5) In addition to licenses authorized under subsection (e) of this Section, the Board may issue the following licenses:

(1) One owners license authorizing the conduct of casino gambling in the City of Chicago.

(2) One owners license authorizing the conduct of riverboat gambling in the City of Danville.

(3) One owners license authorizing the conduct of riverboat gambling located in the City of Park City.

(4) One owners license authorizing the conduct of riverboat gambling in the City of Rockford.

(e-6) The Board shall consider issuing a license pursuant to subsection (e-5) only after the corporate authority of the municipality in which the casino or riverboat shall be located has certified to the Board the following:

(1) that the applicant has negotiated with the corporate authority in good faith;

(2) that the applicant and the corporate authority have mutually agreed on the permanent location of the casino or riverboat;

(3) that the applicant and the corporate authority have mutually agreed on the temporary location of the casino or riverboat;

(4) that the applicant and the corporate authority have mutually agreed on the percentage of revenues that will be shared with the municipality, if any; and

(5) that the applicant and the corporate authority have mutually agreed on any zoning, licensing, public health, or other issues that are within the jurisdiction of the municipality.

At least 7 days before the corporate authority of a municipality submits a certification to the Board concerning items (1) through (6) of this subsection, it shall hold a public hearing to discuss items (1) through (6), as well as any other details concerning the proposed riverboat or casino in the municipality. The corporate authority must subsequently memorialize the details concerning the proposed riverboat or casino in a resolution that must be adopted by a majority of the corporate authority before any certification is sent to the Board. The Board shall not alter, amend, change, or otherwise interfere with any agreement between the applicant and the corporate authority of the municipality regarding the location of any temporary or permanent facility.

(e-10) The licenses authorized under subsection (e-5) of this Section shall be issued within 12 months after the date the license application is submitted. If the Board does not issue the licenses within that time period, then the Board shall give a written explanation to the applicant as to why it has not reached a determination. The Board shall issue the license within 6 months after giving the written explanation to the applicant. The fee for the issuance or renewal of a license issued pursuant to this subsection (e-10) shall be \$100,000. Additionally, a licensee located outside of Cook County shall pay a minimum initial fee of \$12,500 per gaming position, and a licensee located in Cook County shall pay a minimum initial fee of \$25,000 per gaming position. The initial fees payable under this subsection (e-10) shall be deposited into the Gaming Facilities Fee Revenue Fund.

(e-15) Each licensee of a license authorized under subsection (e-5) of this Section shall make a reconciliation payment 4 years after the date the licensee begins operating in an amount equal to 75% of the adjusted gross receipts for the most lucrative 12-month period of operations, minus an amount equal to the initial \$12,500, \$25,000, or any higher initial payment per gaming position, whichever was the initial amount paid by the specific licensee. If this calculation results in a negative amount, then the licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 2 years, subject to Board approval. Any installment payments shall include an annual market interest rate as determined by the Board. All payments by licensees under this subsection (e-15) shall be deposited into the Gaming Facilities Fee Revenue Fund.

(e-20) In addition to any other revocation powers granted to the Board under this Act, the Board may revoke the owners license of a licensee which fails to begin conducting gambling within 15 months of receipt of the Board's approval of the application if the Board determines that license revocation is in the best interests of the State.

(e-25) The provisions of this subsection (e-25) apply only to an owners licensee of a license issued or re-issued pursuant to Section 7.1 of this Act. The owners licensee shall pay (i) a \$100,000 fee for the issuance or renewal of its license and (ii) an initial fee of \$25,000 per gaming position in place of, and not in addition to, the initial fee required under subsection (h) of this Section. Additionally, the owners licensee shall make a reconciliation payment on July 1, 2016 in an amount equal to 75% of the average annual adjusted gross receipts, minus an amount equal to the \$25,000 initial payment per gaming position. If this calculation results in a negative amount, then the owners licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 2 years, subject to Board approval. Any installment payments shall include an annual market interest rate as determined by the Board. All payments by licensees under this subsection (e-25) shall be deposited into the Gaming Facilities Fee Revenue Fund. For any payments required under this Section 7, the owners licensee shall receive (i) a credit for any amounts that the owners licensee has paid to the State or the Board or their agents prior to November 1, 2010 for consultants, licensing fees, up-front fees, or other items and (ii) a credit for the payments that the unit of local government has pledged to remit to the State, which shall be equal to the present value of such payments as determined by the Board in its decision dated January 14, 2009. An owners licensee subject to this subsection (e-25) shall only pay the initial fees required pursuant to this subsection and shall not have to pay any initial fees or payments that were ordered by the Board prior to November 1, 2010. However, any payments that have been made by an owners licensee subject to this subsection (e-25) to the State or to the Board or their agents shall remain with the State and the owners licensee shall receive a credit as specified in this subsection (e-25).

In the event the owners licensee has made payments on or after November 1, 2010 but prior to the effective date of this amendatory Act of the 97th General Assembly to the State or the Board or their agents towards the amount it bid during the selection process to receive its owners license, then such payments shall be refunded to the owners licensee. The refund shall be in the form of a credit, which shall offset taxes due under Section 12 and Section 13 in the amount of such prior payments to the State or the Board or their agents as such taxes under Section 12 and Section 13 become due, and which credit shall be in addition to any other credit granted in this subsection (e-25) and elsewhere in the Illinois Gambling Act. If any credit granted in this subsection (e-25) is not fully utilized in any given year, then the remainder shall be carried forward to subsequent years until such credit has been fully utilized. Consistent with the provisions contained in this subsection (e-25), the owners licensee shall be treated as having paid the amount of taxes due under Sections 12 and 13 without reduction for the credit granted in this subsection (e-25), and the amount of such credit shall be considered a refund of the owners licensee bid amount as such credit is utilized.

(f) The first 10 owners licenses issued under this Act shall permit the holder to own up to 2 riverboats and equipment thereon for a period of 3 years after the effective date of the license. Holders of the first 10 owners licenses must pay the annual license fee for each of the 3 years during which they are authorized to own riverboats.

(g) Upon the termination, expiration, or revocation of each of the first 10 licenses, which shall be issued for a 3 year period, all licenses are renewable annually upon payment of the fee and a determination by the Board that the licensee continues to meet all of the requirements of this Act and the Board's rules. However, for licenses renewed on or after May 1, 1998, including casino operator licenses, renewal shall be for a period of 4 years, unless the Board sets a shorter period. Notwithstanding any provision in this subsection (g) to the contrary, any license that is awarded to the Chicago Casino Development Authority shall not expire, but it shall be subject to the provisions of this Act and the rules

of the Board.

(h) An owners license, except for an owners license issued under subsection (e-5) of this Section, shall entitle the licensee to own up to 2 riverboats.

An owners licensee of a casino or riverboat that is located in the City of Chicago pursuant to subsection (e-5) of this Section shall limit the number of gaming positions to 4,000 for such owners. All other owners licensees ~~A licensee~~ shall limit the number of gaming positions ~~gambling participants~~ to 1,600 ~~4,200~~ for any such owners license, except as further provided in subsection (h-10) of this Section. The initial fee for each gaming position obtained on or after the effective date of this amendatory Act of the 97th General Assembly shall be a minimum of \$12,500 for licensees not located in Cook County and a minimum of \$25,000 for licensees located in Cook County, in addition to the reconciliation payment, as set forth in subsections (e-15), (e-25), or (h-5) of this Section.

A licensee may operate both of its riverboats concurrently, provided that the total number of gaming positions ~~gambling participants~~ on both riverboats does not exceed the limit established pursuant to this subsection and subsection (h-10) of this Section ~~4,200~~. Riverboats licensed to operate on the Mississippi River and the Illinois River south of Marshall County shall have an authorized capacity of at least 500 persons. Any other riverboat licensed under this Act shall have an authorized capacity of at least 400 persons.

(h-5) An owners licensee who conducted gambling operations prior to January 1, 2011 and purchases positions under subsection (h) of this Section on or after the effective date of this amendatory Act of the 97th General Assembly must pay an initial fee of \$12,500 per gaming position if the licensee is located outside Cook County and an initial fee of \$25,000 per gaming position if the licensee is located in Cook County, as stated in subsection (h) of this Section. These initial fees shall be deposited into the Gaming Facilities Fee Revenue Fund. Additionally, that owners licensee shall make a reconciliation payment 4 years after any additional gaming positions authorized by subsection (h) begin operating in an amount equal to 75% of the owners licensee's average gross receipts for the most lucrative 12-month period of operations minus an amount equal to \$12,500 or \$25,000 that the owners licensee paid per additional gaming position. For purposes of this subsection (h-5), "average gross receipts" means (i) the increase in adjusted gross receipts for the most lucrative 12-month period of operations over the adjusted gross receipts for 2011, multiplied by (ii) the percentage derived by dividing the number of additional gaming positions that an owners licensee had purchased pursuant to subsection (h) by the total number of gaming positions operated by the owners licensee. If this calculation results in a negative amount, then the owners licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 2 years, subject to Board approval. Any installment payments shall include an annual market interest rate as determined by the Board. These reconciliation payments shall be deposited into the Gaming Facilities Fee Revenue Fund.

(h-10) All owners licensees in operation prior to the effective date of this amendatory Act of the 97th General Assembly shall have 90 days after such effective date to reserve up to 1,600 gaming positions, including gaming positions in operation prior to such effective date. Any positions that are not reserved by a licensed owner within 90 days after such effective date shall be forfeited and retained by the Board. The initial fee for each gaming position imposed by subsection (h) of this Section shall be payable within 90 days after the Board publishes the number of gaming positions reserved by each existing owners licensee and the total unreserved gaming positions. Any positions that have been reserved, but for which payment has not been received, shall be forfeited and retained by the Board.

Thereafter, the Board shall publish the number of gaming positions reserved and unreserved by each owners licensee, shall accept requests for additional gaming positions from any owners licensee which initially reserved 1,600 gaming positions, and shall allocate expeditiously the unreserved gaming positions to such requesting owners licensees in a manner to maximize revenue to the State. All positions obtained pursuant to this process must be in operation within 18 months after they were obtained or the owners licensee forfeits the right to operate those positions, but is not entitled to a refund of any fees paid.

For owners licensees not in operation prior to the effective date of this amendatory Act of the 97th General Assembly, and authorized under subsections (e-5)(2) through (e-5)(5) of this Section, the application for such new owners licenses shall ask the applicants to stipulate in their applications the number of gaming positions each applicant would like to reserve, up to 1,600 gaming positions. Once the last winning applicant for each of these owners licenses has been selected by the Board, the Board shall publish the number of gaming positions reserved and unreserved by each winning applicant, shall accept requests for additional gaming positions from any applicant which initially reserved 1,600 gaming positions, and shall allocate expeditiously the unreserved gaming positions to such requesting applicants in a manner to maximize revenue to the State.

In the event that not all of the unreserved gaming positions described in the first and second paragraphs of this subsection (h-10) were requested by owners licensees and applicants, then until there are no longer unreserved gaming positions, the Board periodically shall govern a process to allocate the unreserved gaming positions in a manner to maximize revenue to the State.

For the purpose of this subsection (h-10), the unreserved gaming positions for each existing owners licensee shall be 1,600 less the greater of (i) 1,200; or (ii) the number of reserved gaming positions by such owners licensee, and the total unreserved gaming positions shall be the aggregate of the unreserved gaming positions for all existing owners licensees.

(i) A licensed owner is authorized to apply to the Board for and, if approved therefor, to receive all licenses from the Board necessary for the operation of a riverboat or a casino, including a liquor license, a license to prepare and serve food for human consumption, and other necessary licenses. All use, occupation and excise taxes which apply to the sale of food and beverages in this State and all taxes imposed on the sale or use of tangible personal property apply to such sales aboard the riverboat or in the casino.

(j) The Board may issue or re-issue a license authorizing a riverboat to dock in a municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the municipality in which the riverboat will dock has by a majority vote approved the docking of riverboats in the municipality. The Board may issue or re-issue a license authorizing a riverboat to dock in areas of a county outside any municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the county has by a majority vote approved of the docking of riverboats within such areas.

(k) An owners licensee may conduct land-based gambling operations upon approval by the Board.

(l) An owners licensee may conduct gaming at a temporary facility pending the construction of a permanent facility or the remodeling or relocation of an existing facility to accommodate gaming participants for up to 24 months after the temporary facility begins to conduct gaming. Upon request by an owners licensee and upon a showing of good cause by the owners licensee, the Board shall extend the period during which the licensee may conduct gaming at a temporary facility by up to 12 months. The Board shall make rules concerning the conduct of gaming from temporary facilities.

Sec. 7.3. State conduct of gambling operations.

(a) If, after reviewing each application for a re-issued license, the Board determines that the highest prospective total revenue to the State would be derived from State conduct of the gambling operation in lieu of re-issuing the license, the Board shall inform each applicant of its decision. The Board shall thereafter have the authority, without obtaining an owners license, to conduct riverboat gambling operations as previously authorized by the terminated, expired, revoked, or nonrenewed license through a licensed manager selected pursuant to an open and competitive bidding process as set forth in Section 7.5 and as provided in Section 7.4.

(b) The Board may locate any riverboat on which a gambling operation is conducted by the State in any home dock location authorized by Section 3(c) upon receipt of approval from a majority vote of the governing body of the municipality or county, as the case may be, in which the riverboat will dock.

(c) The Board shall have jurisdiction over and shall supervise all gambling operations conducted by the State provided for in this Act and shall have all powers necessary and proper to fully and effectively execute the provisions of this Act relating to gambling operations conducted by the State.

(d) The maximum number of owners licenses authorized under Section 7.7(e) shall be reduced by one for each instance in which the Board authorizes the State to conduct a riverboat gambling operation under subsection (a) in lieu of re-issuing a license to an applicant under Section 7.1.

When the Board determines that it will re-issue an owners license pursuant to an open and competitive bidding process, as set forth in Section 7.1, or that it will issue a managers license pursuant to an open and competitive bidding process, as set forth in Section 7.4, or that it will issue an owners license pursuant to an open and competitive bidding process, as set forth in Section 7.11, the open and competitive bidding process shall adhere to the following procedures:

(1) The Board shall make applications for owners and managers licenses available to the public and allow a reasonable time for applicants to submit applications to the Board.

(2) During the filing period for owners or managers license applications, the Board may retain the services of an investment banking firm to assist the Board in conducting the open and competitive bidding process.

(3) After receiving all of the bid proposals, the Board shall open all of the proposals in a public forum and disclose the prospective owners or managers names, venture partners, if any, and, in the case of applicants for owners licenses, the locations of the proposed development sites.

(4) The Board shall summarize the terms of the proposals and may make this summary available to the public.

(5) The Board shall evaluate the proposals within a reasonable time and select no more than 3 final applicants to make presentations of their proposals to the Board.

(6) The final applicants shall make their presentations to the Board on the same day during an open session of the Board.

(230 ILCS 10/7.6 new)

Sec. 7.6. Electronic gaming.

(a) The General Assembly finds that the horse racing and riverboat gambling industries share many similarities and collectively comprise the bulk of the State's gaming industry. One feature common to both industries is that each is highly regulated by the State of Illinois. The General Assembly further finds, however, that despite their shared features each industry is distinct from the other in that horse racing is and continues to be intimately tied to Illinois' agricultural economy and is, at its core, a spectator sport. This distinction requires the General Assembly to utilize different methods to regulate and promote the horse racing industry throughout the State. The General Assembly finds that in order to promote live horse racing as a spectator sport in Illinois and the agricultural economy of this State, it is necessary to allow electronic gaming at Illinois race tracks as an ancillary use given the success of other states in increasing live racing purse accounts and improving the quality of horses participating in horse race meetings.

(b) The Illinois Gaming Board shall award one electronic gaming license to each person, firm, or corporation having operating control of a race track that applies under Section 56 of the Illinois Horse Racing Act of 1975, subject to the application and eligibility requirements of this Section. Within 60 days after the effective date of this amendatory Act of the 97th General Assembly, a person, firm, or corporation having operating control of a race track may submit an application for an electronic gaming license. The application shall specify the number of gaming positions the applicant intends to use and the place where the electronic gaming facility will operate.

The Board shall determine within 120 days after receiving an application for an electronic gaming license, whether to grant an electronic gaming license to the applicant. If the Board does not make a determination within that time period, then the Board shall give a written explanation to the applicant as to why it has not reached a determination and when it reasonably expects to make a determination.

The electronic gaming licensee shall purchase up to the amount of electronic gaming positions authorized under this Act within 120 days after receiving its electronic gaming license. If an electronic gaming licensee is prepared to purchase the electronic gaming positions, but is temporarily prohibited from doing so by order of a court of competent jurisdiction or the Board, then the 120-day period is tolled until a resolution is reached.

An electronic gaming license shall authorize its holder to conduct electronic gaming at its race track at the following times:

(1) On days when it conducts live racing at the track where its electronic gaming facility is located, from 8:00 a.m. until 3:00 a.m. on the following day.

(2) On days when it is scheduled to conduct simulcast wagering on races run in the United States, from 8:00 a.m. until 3:00 a.m. on the following day.

Additionally, the Board may extend these days of operation and hours upon request by an organization licensee as the Board sees fit.

A license to conduct electronic gaming and any renewal of an electronic gaming license shall authorize electronic gaming for a period of 4 years. The fee for the issuance or renewal of an electronic gaming license shall be \$100,000.

(c) To be eligible to conduct electronic gaming, a person, firm, or corporation having operating control of a race track must (i) obtain an electronic gaming license, (ii) hold an organization license under the Illinois Horse Racing Act of 1975, (iii) hold an inter-track wagering license, (iv) pay an initial fee of \$25,000 per gaming position from electronic gaming licensees where electronic gaming is conducted in Cook County and \$12,500 for electronic gaming licensees where electronic gaming is located outside of Cook County before beginning to conduct electronic gaming plus make the reconciliation payment required under subsection (i), (v) conduct at least 240 live races at each track per year, (vi) meet the requirements of subsection (a) of Section 56 of the Illinois Horse Racing Act of 1975, (vii) for organization licensees conducting standardbred race meetings that had an open backstretch in 2009, keep backstretch barns and dormitories open and operational year-round unless a lesser schedule is mutually agreed to by the organization licensee and the horsemen's association racing at that organization licensee's race meeting, (viii) for organization licensees conducting thoroughbred race meetings, the organization licensee must maintain accident medical expense liability insurance coverage of \$1,000,000 for jockeys, and (ix) meet all other requirements of this Act that apply to owners licensees. Only those persons, firms, or corporations (or its successors or assigns) that had operating control of a race track and held an inter-track wagering license authorized by the Illinois Racing Board in 2009 are eligible.

An electronic gaming license may enter into a joint venture with a licensed owner to own, manage, conduct, or otherwise operate the electronic gaming licensee's electronic gaming facilities, unless the electronic gaming licensee has a parent company or other affiliated company that is, directly or indirectly, wholly owned by a parent company that is also licensed to conduct electronic gaming, casino gaming, or their equivalent in another state.

All payments by licensees under this subsection (c) shall be deposited into the Gaming Facilities Fee Revenue Fund.

(d) The Board may approve electronic gaming positions statewide as provided in this Section. The authority to operate electronic gaming positions under this Section shall be allocated as follows: up to 1,200 gaming positions for any electronic gaming licensee in Cook County that conducted live racing in calendar year 2010; up to 900 gaming positions for any electronic gaming licensee outside of Cook County that conducted live racing in calendar year 2010; and up to 350 gaming positions for any electronic gaming licensee that did not conduct live racing in calendar year 2010, which shall increase to 900 gaming positions (i) if the electronic gaming license conducted 25 live races in the previous calendar year or (ii) beginning on January 1, 2015, whichever occurs first.

(e) Any positions that are not obtained by an organization licensee shall be retained by the Gaming Board and shall be offered in equal amounts to organization licensees who have purchased all of the positions that were offered. This process shall continue until all positions have been purchased. All positions obtained pursuant to this process must be in operation within 18 months after they were obtained or the organization licensee forfeits the right to operate all of the positions, but is not entitled to a refund of any fees paid. The Board may, after holding a public hearing, grant extensions so long as an organization licensee is working in good faith to begin conducting electronic gaming. The extension may be for a period of 6 months. If, after the period of the extension, a licensee has not begun to conduct electronic gaming, another public hearing must be held by the Board before it may grant another extension.

(f) Subject to the approval of the Illinois Gaming Board, an electronic gaming licensee may make modification or additions to any existing buildings and structures to comply with the requirements of this Act. The Illinois Gaming Board shall make its decision after consulting with the Illinois Racing Board. In no case, however, shall the Illinois Gaming Board approve any modification or addition that alters the grounds of the organizational licensee such that the act of live racing is an ancillary activity to electronic gaming. Electronic gaming may take place in existing structures where inter-track wagering is conducted at the race track or a facility within 300 yards of the race track in accordance with the provisions of this Act and the Illinois Horse Racing Act of 1975.

(g) An electronic gaming licensee may conduct electronic gaming at a temporary facility pending the construction of a permanent facility or the remodeling or relocation of an existing facility to accommodate electronic gaming participants for up to 24 months after the temporary facility begins to conduct electronic gaming. Upon request by an electronic gaming licensee and upon a showing of good cause by the electronic gaming licensee, the Board shall extend the period during which the licensee may conduct electronic gaming at a temporary facility by up to 12 months. The Board shall make rules

concerning the conduct of electronic gaming from temporary facilities.

Electronic gaming may take place in existing structures where inter-track wagering is conducted at the race track or a facility within 300 yards of the race track in accordance with the provisions of this Act and the Illinois Horse Racing Act of 1975. Any electronic gaming conducted at a permanent facility within 300 yards of the race track in accordance with this Act and the Illinois Horse Racing Act of 1975 shall have an all-weather egress connecting the electronic gaming facility and the race track facility or, on days and hours of live racing, a complimentary shuttle service between the permanent electronic gaming facility and the race track facility and shall not charge electronic gaming participants an additional admission fee to the race track facility.

(h) The Illinois Gaming Board must adopt emergency rules in accordance with Section 5-45 of the Illinois Administrative Procedure Act as necessary to ensure compliance with the provisions of this amendatory Act of the 97th General Assembly concerning electronic gaming. The adoption of emergency rules authorized by this subsection (h) shall be deemed to be necessary for the public interest, safety, and welfare.

(i) Each electronic gaming licensee who obtains electronic gaming positions must make a reconciliation payment 4 years after the date the electronic gaming licensee begins operating the positions in an amount equal to 75% of the difference between its adjusted gross receipts from electronic gaming and amounts paid to its purse accounts pursuant to item (1) of subsection (b) of Section 56 of the Illinois House Racing Act of 1975 for the 12-month period for which such difference was the largest, minus an amount equal to the initial \$25,000 or \$12,500 per electronic gaming position initial payment. If this calculation results in a negative amount, then the electronic gaming licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 2 years, subject to Board approval. Any installment payments shall include an annual market interest rate as determined by the Board.

All payments by licensees under this subsection (i) shall be deposited into the Gaming Facilities Fee Revenue Fund.

(j) As soon as practical after a request is made by the Illinois Gaming Board, to minimize duplicate submissions by the applicant, the Illinois Racing Board must provide information on an applicant for an electronic gaming license to the Illinois Gaming Board.

(k) Subject to the approval of the Illinois Gaming Board, an organization licensee that has received an electronic gaming license under this Act and has operating control of a race track facility located in Cook County may relocate its race track facility as follows:

(1) the organization licensee may relocate within a 3-mile radius of its existing race track facility so long as the organization licensee remains in Cook County and submits its plan to construct a new structure to conduct electronic gaming operations; and

(2) the organization licensee may not relocate within a 5-mile radius of a riverboat if the owners license was issued prior to December 31, 2011.

The relocation must include the race track facility, including the race track operations used to conduct live racing and the electronic gaming facility in its entirety. For the purposes of this subsection (k), "race track facility" means all operations conducted on the race track property for which it was awarded a license for pari-mutuel wagering and live racing in the year 2010, except for the real estate itself. The Illinois Gaming Board shall make its decision after consulting with the Illinois Racing Board, and any relocation application shall be subject to all of the provisions of this Act and the Illinois Horse Racing Act of 1975.

An amount equal to the amount of wagering taxes collected under this subsection (a-3) that are in addition to the amount of wagering taxes that would have been collected if the wagering tax rates under subsection (a-2) were in effect shall be paid into the Common School Fund.

The privilege tax imposed under this subsection (a-3) shall no longer be imposed beginning on the earlier of (i) July 1, 2005; (ii) the first date after June 20, 2003 that riverboat gambling operations are conducted pursuant to a dormant license; or (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act. For the purposes of this subsection (a-3), the term "dormant license" means an owners license that is authorized by this Act under which no riverboat gambling operations are being conducted on June 20, 2003.

(a-4) Beginning on the first day on which the tax imposed under subsection (a-3) is no longer imposed and ending on December 31, 2013, a privilege tax is imposed on persons engaged in the business of conducting riverboat or casino gambling or electronic gaming operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by a licensed owner from gambling games authorized under this Act at the following rates:

15% of annual adjusted gross receipts up to and including \$25,000,000;

22.5% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$50,000,000;

(a-5) Beginning on January 1, 2014, a privilege tax is imposed on persons engaged in the business of conducting riverboat or casino gambling or electronic gaming operations, other than licensed managers conducting riverboat gambling operations on behalf of the State, based on the adjusted gross receipts received by such licensee from the gambling games authorized under this Act. The privilege tax for all gambling games other than table games, including, but not limited to, slot machines, video game of chance gambling, and electronic gambling games shall be at the following rates:

10% of annual adjusted gross receipts up to and including \$25,000,000;

17.5% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$50,000,000;

20% of annual adjusted gross receipts in excess of \$350,000,000.

The privilege tax for table games shall be at the following rates:

10% of annual adjusted gross receipts up to and including \$25,000,000;

17.5% of annual adjusted gross receipts in excess of \$25,000,000 but not exceeding \$50,000,000;

22.5% of annual adjusted gross receipts in excess of \$50,000,000 but not exceeding \$70,000,000;

16% of annual adjusted gross receipts in excess of \$70,000,000.

For the imposition of the privilege tax in this subsection (a-5), amounts paid pursuant to item (1) of subsection (b) of Section 56 of the Illinois Horse Racing Act of 1975 shall not be included in the determination of adjusted gross receipts.

(a-6) From the effective date of this amendatory Act of the 97th General Assembly until June 30, 2015, an owners licensee that conducted gambling operations prior to January 1, 2011 shall receive a

dollar-for-dollar credit against the tax imposed under this Section for any renovation or construction costs paid by the owners licensee, but in no event shall the credit exceed \$2,000,000.

Additionally, from the effective date of this amendatory Act of the 97th General Assembly until December 31, 2014, an owners licensee that (i) is located within 15 miles of the Missouri border, and (ii) has at least 3 riverboats, casinos, or their equivalent within a 45-mile radius, may be authorized to relocate to a new location with the approval of both the unit of local government designated as the home dock and the Board, so long as the new location is within the same unit of local government and no more than 3 miles away from its original location. Such owners licensee shall receive a credit against the tax imposed under this Section equal to 8% of the total project costs, as approved by the Board, for any renovation or construction costs paid by the owners licensee for the construction of the new facility, provided that the new facility is operational by July 1, 2014. In determining whether or not to approve a relocation, the Board must consider the extent to which the relocation will diminish the gaming revenues received by other Illinois gaming facilities.

(a-7) From January 1, 2013 until December 31, 2022, if the total obligation imposed pursuant to subsection (a-5) will result in an owners licensee receiving less after-tax adjusted gross receipts than it received in calendar year 2012, then the total amount of privilege taxes that such owners licensee is required to pay for that calendar year shall be reduced to the extent necessary, not to exceed 5% of adjusted gross receipts in that calendar year, so that the after-tax adjusted gross receipts in that calendar year equals the after-tax adjusted gross receipts in calendar year 2012. If pursuant to this subsection (a-7), the total obligation imposed pursuant to subsection (a-5) shall be reduced, then the owners licensee shall not receive a refund from the State at the end of the subject calendar year but instead shall be able to apply that amount as a credit against any payments it owes to the State in the following calendar year to satisfy its total obligation under subsection (a-5).

For purposes of this subsection (a-7), "after-tax adjusted gross receipts" means, for calendar year 2012, the adjusted gross receipts less privilege taxes paid to the State and for subsequent calendar years, the adjusted gross receipts less privilege taxes paid to the State, then divided by the owners licensee's average number of gaming positions operating in that calendar year and then multiplied by the owners licensee's average number of gaming positions operating in calendar year 2012. This subsection (a-7) does not apply to any owners licensees authorized pursuant to subsection (e-5) of Section 7 of this Act.

(a-8) Riverboat gambling operations conducted by a licensed manager on behalf of the State are not subject to the tax imposed under this Section.

(a-9) Beginning on January 1, 2012, the calculation of gross receipts or adjusted gross receipts, for the purposes of this Section, for a riverboat, casino, or electronic gaming facility shall not include the dollar amount of non-cashable vouchers, coupons, and electronic promotions redeemed by wagerers upon the riverboat, in the casino, or in the electronic gaming facility up to and including an amount not to exceed 30% of a riverboat casino or electronic gaming facility's adjusted gross receipts.

The Illinois Gaming Board shall submit to the General Assembly a comprehensive report no later than March 31, 2015 detailing, at a minimum, the effect of removing non-cashable vouchers, coupons, and electronic promotions from this calculation on net gaming revenues to the State in calendar years 2012 through 2014, the increase or reduction in wagerers as a result of removing non-cashable vouchers, coupons, and electronic promotions from this calculation, the effect of the tax rates in subsection (a-5) on net gaming revenues to the State, and proposed modifications to the calculation.

(a-10) The taxes imposed by this Section shall be paid by the licensed owner or the electronic gaming licensee to the Board not later than 5:00 o'clock p.m. of the day after the day when the wagerers were made.

(a-15) If the privilege tax imposed under subsection (a-3) is no longer imposed pursuant to item (i) of the last paragraph of subsection (a-3), then by June 15 of each year, each owners licensee, other than an owners licensee that admitted 1,000,000 persons or fewer in calendar year 2004, must, in addition to the payment of all amounts otherwise due under this Section, pay to the Board a reconciliation payment in the amount, if any, by which the licensed owner's base amount exceeds the amount of net privilege tax paid by the licensed owner to the Board in the then current State fiscal year. A licensed owner's net privilege tax obligation due for the balance of the State fiscal year shall be reduced up to the total of the amount paid by the licensed owner in its June 15 reconciliation payment. The obligation imposed by this subsection (a-15) is binding on any person, firm, corporation, or other entity that acquires an ownership interest in any such owners license. The obligation imposed under this subsection (a-15) terminates on the earliest of: (i) July 1, 2007, (ii) the first day after the effective date of this amendatory Act of the 94th General Assembly that riverboat gambling operations are conducted pursuant to a dormant license, (iii) the first day that riverboat gambling operations are conducted under the authority of an owners license that is in addition to the 10 owners licenses initially authorized under this Act, or (iv) the first day that a

licensee under the Illinois Horse Racing Act of 1975 conducts gaming operations with slot machines or other electronic gaming devices. The Board must reduce the obligation imposed under this subsection (a-15) by an amount the Board deems reasonable for any of the following reasons: (A) an act or acts of God, (B) an act of bioterrorism or terrorism or a bioterrorism or terrorism threat that was investigated by a law enforcement agency, or (C) a condition beyond the control of the owners licensee that does not result from any act or omission by the owners licensee or any of its agents and that poses a hazardous threat to the health and safety of patrons. If an owners licensee pays an amount in excess of its liability under this Section, the Board shall apply the overpayment to future payments required under this Section.

For purposes of this subsection (a-15):

"Act of God" means an incident caused by the operation of an extraordinary force that cannot be foreseen, that cannot be avoided by the exercise of due care, and for which no person can be held liable.

"Base amount" means the following:

For a riverboat in Alton, \$31,000,000.

For a riverboat in East Peoria, \$43,000,000.

For the Empress riverboat in Joliet, \$86,000,000.

For a riverboat in Metropolis, \$45,000,000.

For the Harrah's riverboat in Joliet, \$114,000,000.

For a riverboat in East St. Louis, \$48,500,000.

For a riverboat in Elgin, \$198,000,000.

"Dormant license" has the meaning ascribed to it in subsection (a-3).

"Net privilege tax" means all privilege taxes paid by a licensed owner to the Board under this Section, less all payments made from the State Gaming Fund pursuant to subsection (b) of this Section.

The changes made to this subsection (a-15) by Public Act 94-839 are intended to restate and clarify the intent of Public Act 94-673 with respect to the amount of the payments required to be made under this subsection by an owners licensee to the Board.

(b) Until January 1, 1998, 25% of the tax revenue deposited in the State Gaming Fund under this Section shall be paid, subject to appropriation by the General Assembly, to the unit of local government which is designated as the home dock of the riverboat. From the tax revenue deposited in the State Gaming Fund pursuant to riverboat or casino gambling operations conducted by a licensed manager on behalf of the State, an amount equal to 5% of adjusted gross receipts generated pursuant to those riverboat or casino gambling operations shall be paid monthly, subject to appropriation by the General Assembly, to the unit of local government that is designated as the home dock of the riverboat upon which those riverboat gambling operations are conducted or in which the casino is located. Units of local government may refund any portion of the payment that they receive pursuant to this subsection (b) to the riverboat or casino.

(b-4) Beginning on August 1, 2011 and ending on July 31, 2042, from the tax revenue deposited in the State Gaming Fund under this Section, \$4,000,000 shall be paid annually, subject to appropriation, to the host municipality of an owners licensee of a license issued or re-issued pursuant to Section 7.1 of this Act before January 1, 2012. Payments received by the host municipality pursuant to this subsection (b-4) may not be shared with any other unit of local government.

From the tax revenue deposited in the State Gaming Fund under this Section, an amount equal to 3% of adjusted gross receipts generated by each electronic gaming facility that is located in an unincorporated area of Cook County and has been awarded standardbred racing dates during 2011 by the Illinois Racing Board shall be divided equally and distributed, subject to appropriation, to the Village of Melrose Park, the Village of Maywood, and Cook County. From the tax revenue deposited in the State Gaming Fund under this Section, an amount equal to 3% of adjusted gross receipts generated by an electronic gaming facility located in the Village of Stickney shall be paid monthly, subject to appropriation by the General Assembly, as follows: 25% to the Village of Stickney,

(b-6) Beginning on the effective date of this amendatory Act of the 97th General Assembly, from the tax revenue deposited in the State Gaming Fund under this Section, an amount equal to 2% of adjusted gross receipts generated by an electronic gaming facility located outside Madison County shall be paid monthly, subject to appropriation by the General Assembly, to the county in which the electronic gaming facility is located for the purposes of its criminal justice system or health care system.

Counties may refund any portion of the payment that they receive pursuant to this subsection (b-6) to the electronic gaming facility.

No moneys shall be expended from the State and County Fair Assistance Fund except as appropriated by the General Assembly. No grant may exceed \$100,000. Not more than one grant under this Section may be made to any one county fair board. by replacing line 2 on page 143 through line 11 on page 144 with the following:

"(e-1) In awarding standardbred racing dates for calendar year 2013 and thereafter, the Board shall award at least 310 racing days, and each organization licensee shall average at least 12 races for each racing day awarded. The Board shall have the discretion to allocate those racing days among organization licensees requesting standardbred racing dates. Once awarded by the Board, organization licensees awarded standardbred racing dates shall run at least 3,500 races in total during that calendar year. Standardbred racing conducted in Sangamon County shall not be considered races under this subsection (e-1).

"(e-2) In awarding racing dates for calendar year 2013 and thereafter, the Board shall award thoroughbred racing days to Cook County organization licensees commensurate with these organization licensees' requirement that they shall run at least 1,950 thoroughbred races in the aggregate, so long as 2 organization licensees are conducting electronic gaming operations. Additionally, if the organization licensees that run thoroughbred races in Cook County are conducting electronic gaming operations, the Board shall increase the number of thoroughbred races to be run in Cook County in the aggregate to at least the following:

(i) 2,050 races in any year following the most recent preceding complete calendar year when the combined adjusted gross receipts of the electronic gaming licensees operating at Cook County racetracks total in excess of \$200,000,000, but do not exceed \$250,000,000;

(ii) 2,125 races in any year following the most recent preceding complete calendar year when the combined adjusted gross receipts of the electronic gaming licensees operating at Cook County racetracks total in excess of \$250,000,000, but do not exceed \$300,000,000;

[May 23, 2012]

(iii) 2,200 races in any year following the most recent preceding complete calendar year when the combined adjusted gross receipts of the electronic gaming licensees operating at Cook County racetracks total in excess of \$300,000,000, but do not exceed \$350,000,000;

(iv) 2,300 races in any year following the most recent preceding complete calendar year when the combined adjusted gross receipts of the electronic gaming licensees operating at Cook County racetracks total in excess of \$350,000,000, but do not exceed \$400,000,000;

(v) 2,375 races in any year following the most recent preceding complete calendar year when the combined adjusted gross receipts of the electronic gaming licensees operating at Cook County racetracks total in excess of \$400,000,000, but do not exceed \$450,000,000;

(vi) 2,450 races in any year following the most recent preceding complete calendar year when the combined adjusted gross receipts of the electronic gaming licensees operating at Cook County racetracks total in excess of \$450,000,000, but do not exceed \$500,000,000; and

(vii) 2,550 races in any year following the most recent preceding complete calendar year when the combined adjusted gross receipts of the electronic gaming licensees operating at Cook County racetracks exceeds \$500,000,000.

In awarding racing dates under this subsection (e-2), the Board shall have the discretion to allocate those thoroughbred racing dates among these Cook County organization licensees.

(e-3) In awarding racing dates for calendar year 2013 and thereafter in connection with a race track in Madison County, the Board shall award racing dates and such organization licensee shall run at least 700 thoroughbred races at the race track in Madison County each year.

Notwithstanding Section 7.6 of the Illinois Gambling Act or any provision of this Act other than subsection (e-4.5), for each calendar year for which an electronic gaming licensee located in Madison County requests racing dates resulting in less than 700 live thoroughbred races at its race track facility, the electronic gaming licensee may not conduct electronic gaming for the calendar year of such requested live races.

(e-4) Notwithstanding the provisions of Section 7.6 of the Illinois Gambling Act or any provision of this Act other than subsections (e-3) and (e-4.5), for each calendar year for which an electronic gaming licensee requests racing dates for a specific horse breed which results in a number of live races for that specific breed under its organization license that is less than the total number of live races for that specific breed which it conducted in 2011 for standardbred racing and in 2009 for thoroughbred racing at its race track facility, the electronic gaming licensee may not conduct electronic gaming for the calendar year of such requested live races.

(e-4.5) The Board shall ensure that each organization licensee shall individually run a sufficient number of races per year to qualify for an electronic gaming license under this Act. The General Assembly finds that the minimum live racing guarantees contained in subsections (e-1), (e-2), and (e-3) are in the best interest of the sport of horse racing, and that such guarantees may only be reduced in the limited circumstances described in this subsection. The Board may decrease the number of racing days without affecting an organization licensee's ability to conduct electronic gaming only if the Board determines, after notice and hearing, that:

(i) a decrease is necessary to maintain a sufficient number of betting interests per race to ensure the integrity of racing;

(ii) there are unsafe track conditions due to weather or acts of God;

(iii) there is an agreement between an organization licensee and the breed association that is applicable to the involved live racing guarantee, such association representing either the largest number of thoroughbred owners and trainers or the largest number of standardbred owners, trainers and drivers who race horses at the involved organization licensee's racing meeting, so long as the agreement does not compromise the integrity of the sport of horse racing; or

(iv) the horse population or purse levels are insufficient to provide the number of racing opportunities otherwise required in this Act.

In decreasing the number of racing dates in accordance with this subsection, the Board shall hold a hearing and shall provide the public and all interested parties notice and an opportunity to be heard. The Board shall accept testimony from all interested parties, including any association representing owners, trainers, jockeys, or drivers who will be affected by the decrease in racing dates. The Board shall provide a written explanation of the reasons for the decrease and the Board's findings. The written explanation shall include a listing and content of all communication between any party and any Illinois Racing Board member or staff that does not take place at a public meeting of the Board." ; and

#### **AMENDMENT NO. 1 TO SENATE BILL 3314**

AMENDMENT NO. 1. Amend Senate Bill 3314 by replacing everything after the enacting clause with the following:

"Section 5. The Property Tax Code is amended by changing Sections 18-190 and 18-205 as follows:  
(35 ILCS 200/18-190)

Sec. 18-190. Direct referendum; new rate or increased limiting rate.

(a) If a new rate is authorized by statute to be imposed without referendum or is subject to a backdoor referendum, as defined in Section 28-2 of the Election Code, the governing body of the affected taxing district before levying the new rate shall submit the new rate to direct referendum under the provisions of this Section and of Article 28 of the Election Code. Notwithstanding the provisions, requirements, or limitations of any other law, any tax levied for the 2005 levy year and all subsequent levy years by any taxing district subject to this Law may be extended at a rate exceeding the rate established for that tax by referendum or statute, provided that the rate does not exceed the statutory ceiling above which the tax is not authorized to be further increased either by referendum or in any other manner. Notwithstanding the provisions, requirements, or limitations of any other law, all taxing districts subject to this Law shall follow the provisions of this Section whenever seeking referenda approval after March 21, 2006 to (i) levy a new tax rate authorized by statute or (ii) increase the limiting rate applicable to the taxing district.

[May 23, 2012]

All taxing districts subject to this Law are authorized to seek referendum approval of each proposition described and set forth in this Section.

The proposition seeking to obtain referendum approval to levy a new tax rate as authorized in clause (i) shall be in substantially the following form:

Shall ... (insert legal name, number, if any, and county or counties of taxing district and geographic or other common name by which a school or community college district is known and referred to), Illinois, be authorized to levy a new tax for ... purposes and have an additional tax of ...% of the equalized assessed value of the taxable property therein extended for such purposes?

The votes must be recorded as "Yes" or "No".

The proposition seeking to obtain referendum approval to increase the limiting rate as authorized in clause (ii) shall be in substantially the following form:

Shall the limiting rate under the Property Tax Extension Limitation Law for ... (insert legal name, number, if any, and county or counties of taxing district and geographic or other common name by which a school or community college district is known and referred to), Illinois, be increased by an additional amount equal to ...% above the limiting rate for the purpose of...(insert purpose) for levy year ... (insert the most recent levy year for which the limiting rate of the taxing district is known at the time the submission of the proposition is initiated by the taxing district) and be equal to ...% of the equalized assessed value of the taxable property therein for levy year(s) (insert each levy year for which the increase will be applicable, which years must be consecutive and may not exceed 4)?

The votes must be recorded as "Yes" or "No".

The ballot for any proposition submitted pursuant to this Section shall have printed thereon, but not as a part of the proposition submitted, only the following supplemental information (which shall be supplied to the election authority by the taxing district) in substantially the following form:

(1) The approximate amount of taxes extendable at the most recently extended limiting rate is \$...., and the approximate amount of taxes extendable if the proposition is approved is \$....

(2) For the ... (insert the first levy year for which the new rate or increased limiting rate will be applicable) levy year the approximate amount of the additional tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$....

(3) Based upon an average annual percentage increase (or decrease) in the market value of such property of %... (insert percentage equal to the average annual percentage increase or decrease for the prior 3 levy years, at the time the submission of the proposition is initiated by the taxing district, in the amount of (A) the equalized assessed value of the taxable property in the taxing district less (B) the new property included in the equalized assessed value), the approximate amount of the additional tax extendable against such property for the ... levy year is estimated to be \$... and for the ... levy year is estimated to be \$ ....

(4) If the proposition is approved, the aggregate extension for ... (insert each levy year for which the increase will apply) will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).

The approximate amount of taxes extendable shown in paragraph (1) shall be computed upon the last known equalized assessed value of taxable property in the taxing district (at the time the submission of the proposition is initiated by the taxing district). Paragraph (3) shall be included only if the increased limiting rate will be applicable for more than one levy year and shall list each levy year for which the increased limiting rate will be applicable. The additional tax shown for each levy year shall be the approximate dollar amount of the increase over the amount of the most recently completed extension at the time the submission of the proposition is initiated by the taxing district. The approximate amount of the additional taxes extendable shown in paragraphs (2) and (3) shall be calculated by multiplying \$100,000 (the fair market value of the property without regard to any property tax exemptions) by (i) the percentage level of assessment prescribed for that property by statute, or by ordinance of the county board in counties that classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution; (ii) the most recent final equalization factor certified to the county clerk by the Department of Revenue at the time the taxing district initiates the submission of the proposition to the electors; and (iii) either the new rate or the amount by which the limiting rate is to be increased. This amendatory Act of the 97th General Assembly is intended to clarify the existing requirements of this Section, and shall not be construed to validate any prior non-compliant referendum language. ~~(i) without regard to any property tax exemptions and (ii) based upon the percentage level of assessment prescribed for such property by statute or by ordinance of the county board in counties which classify property for purposes of taxation in accordance with Section 4 of Article IX of the Constitution.~~ Paragraph (4) shall

be included if the proposition concerns a limiting rate increase but shall not be included if the proposition concerns a new rate. Any notice required to be published in connection with the submission of the proposition shall also contain this supplemental information and shall not contain any other supplemental information regarding the proposition. Any error, miscalculation, or inaccuracy in computing any amount set forth on the ballot and in the notice that is not deliberate shall not invalidate or affect the validity of any proposition approved. Notice of the referendum shall be published and posted as otherwise required by law, and the submission of the proposition shall be initiated as provided by law.

If a majority of all ballots cast on the proposition are in favor of the proposition, the following provisions shall be applicable to the extension of taxes for the taxing district:

(A) a new tax rate shall be first effective for the levy year in which the new rate is approved;

(B) if the proposition provides for a new tax rate, the taxing district is authorized to levy a tax after the canvass of the results of the referendum by the election authority for the purposes for which the tax is authorized;

(C) a limiting rate increase shall be first effective for the levy year in which the limiting rate increase is approved, provided that the taxing district may elect to have a limiting rate increase be effective for the levy year prior to the levy year in which the limiting rate increase is approved unless the extension of taxes for the prior levy year occurs 30 days or less after the canvass of the results of the referendum by the election authority in any county in which the taxing district is located;

(D) in order for the limiting rate increase to be first effective for the levy year prior to the levy year of the referendum, the taxing district must certify its election to have the limiting rate increase be effective for the prior levy year to the clerk of each county in which the taxing district is located not more than 2 days after the date the results of the referendum are canvassed by the election authority; and

(E) if the proposition provides for a limiting rate increase, the increase may be effective regardless of whether the proposition is approved before or after the taxing district adopts or files its levy for any levy year.

Rates required to extend taxes on levies subject to a backdoor referendum in each year there is a levy are not new rates or rate increases under this Section if a levy has been made for the fund in one or more of the preceding 3 levy years. Changes made by this amendatory Act of 1997 to this Section in reference to rates required to extend taxes on levies subject to a backdoor referendum in each year there is a levy are declarative of existing law and not a new enactment.

(b) Whenever other applicable law authorizes a taxing district subject to the limitation with respect to its aggregate extension provided for in this Law to issue bonds or other obligations either without referendum or subject to backdoor referendum, the taxing district may elect for each separate bond issuance to submit the question of the issuance of the bonds or obligations directly to the voters of the taxing district, and if the referendum passes the taxing district is not required to comply with any backdoor referendum procedures or requirements set forth in the other applicable law. The direct referendum shall be initiated by ordinance or resolution of the governing body of the taxing district, and the question shall be certified to the proper election authorities in accordance with the provisions of the Election Code.

(35 ILCS 200/18-205)

Sec. 18-205. Referendum to increase the extension limitation. A taxing district is limited to an extension limitation of 5% or the percentage increase in the Consumer Price Index during the 12-month calendar year preceding the levy year, whichever is less. A taxing district may increase its extension limitation for one or more levy years if that taxing district holds a referendum before the levy date for the first levy year at which a majority of voters voting on the issue approves adoption of a higher extension limitation. Referenda shall be conducted at a regularly scheduled election in accordance with the Election Code. The question shall be presented in substantially the following manner for all elections held after March 21, 2006:

Shall the extension limitation under the Property Tax Extension Limitation Law for (insert the legal name, number, if any, and county or counties of the taxing district and geographic or other common name by which a school or community college district is known and referred to), Illinois, be increased from the lesser of 5% or the percentage increase in the Consumer Price Index over the prior levy year to (insert the percentage of the proposed increase)% per year for (insert each levy year for which the increased extension limitation will apply)?

The votes must be recorded as "Yes" or "No".

If a majority of voters voting on the issue approves the adoption of the increase, the increase shall be applicable for each levy year specified.

The ballot for any question submitted pursuant to this Section shall have printed thereon, but not as a part of the question submitted, only the following supplemental information (which shall be supplied to the election authority by the taxing district) in substantially the following form:

(1) For the (insert the first levy year for which the increased extension limitation will be applicable) levy year the approximate amount of the additional tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$....

(2) Based upon an average annual percentage increase (or decrease) in the market value of such property of ...% (insert percentage equal to the average annual percentage increase or decrease for the prior 3 levy years, at the time the submission of the question is initiated by the taxing district, in the amount of (A) the equalized assessed value of the taxable property in the taxing district less (B) the new property included in the equalized assessed value), the approximate amount of the additional tax extendable against such property for the ... levy year is estimated to be \$... and for the ... levy year is estimated to be \$....

Paragraph (2) shall be included only if the increased extension limitation will be applicable for more than one year and shall list each levy year for which the increased extension limitation will be applicable. The additional tax shown for each levy year shall be the approximate dollar amount of the increase over the amount of the most recently completed extension at the time the submission of the question is initiated by the taxing district. The approximate amount of the additional tax extendable shown in paragraphs (1) and (2) shall be calculated by multiplying \$100,000 (the fair market value of the property without regard to any property tax exemptions) by (i) the percentage level of assessment prescribed for that property by statute, or by ordinance of the county board in counties that classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution; (ii) the most recent final equalization factor certified to the county clerk by the Department of Revenue at the time the taxing district initiates the submission of the proposition to the electors; (iii) the last known aggregate extension base of the taxing district at the time the submission of the question is initiated by the taxing district; and (iv) the difference between the percentage increase proposed in the question and the lesser of 5% or the percentage increase in the Consumer Price Index for the prior levy year (or an estimate of the percentage increase for the prior levy year if the increase is unavailable at the time the submission of the question is initiated by the taxing district); and dividing the result by the last known equalized assessed value of the taxing district at the time the submission of the question is initiated by the taxing district. This amendatory Act of the 97th General Assembly is intended to clarify the existing requirements of this Section, and shall not be construed to validate any prior non-compliant referendum language, using (A) the lesser of 5% or the percentage increase in the Consumer Price Index for the prior levy year (or an estimate of the percentage increase for the prior levy year if the increase is unavailable at the time the submission of the question is initiated by the taxing district), (B) the percentage increase proposed in the question, and (C) the last known equalized assessed value and aggregate extension base of the taxing district at the time the submission of the question is initiated by the taxing district. The approximate amount of the tax extendable shall be calculated (i) without regard to any property tax exemptions and (ii) based upon the percentage level of assessment prescribed for such property by statute or by ordinance of the county board in counties which classify property for purposes of taxation in accordance with Section 4 of Article IX of the Constitution. Any notice required to be published in connection with the submission of the question shall also contain this supplemental information and shall not contain any other supplemental information. Any error, miscalculation, or inaccuracy in computing any amount set forth on the ballot or in the notice that is not deliberate shall not invalidate or affect the validity of any proposition approved. Notice of the referendum shall be published and posted as otherwise required by law, and the submission of the question shall be initiated as provided by law.

House Amendment No. 1 to SENATE BILL NO. 3399

Passed the House, as amended, May 23, 2012.

TIMOTHY D. MAPES, Clerk of the House

**AMENDMENT NO. 1 TO SENATE BILL 3399**

AMENDMENT NO. 1. Amend Senate Bill 3399 by replacing everything after the enacting clause with the following:

"Section 5. The Beer Industry Fair Dealing Act is amended by changing Section 7 as follows:  
(815 ILCS 720/7) (from Ch. 43, par. 307)

[May 23, 2012]

Sec. 7. Reasonable compensation.

(1) Subject to the right of any party to an agreement to pursue any remedy provided in Section 9, any brewer that cancels, terminates or fails to renew any agreement, or unlawfully denies approval of, or unreasonably withholds consent, to any assignment, transfer or sale of a wholesaler's business assets or voting stock or other equity securities, except as provided in this Act, shall pay the wholesaler with which it has an agreement pursuant to this Act reasonable compensation for the fair market value of the wholesaler's business with relation to the affected brand or brands. The fair market value of the wholesaler's business shall include, but not be limited to, its goodwill, if any.

(1.5) The provisions of this subsection (1.5) shall only apply if the brewer agrees to pay reasonable compensation as defined in subsection (1) and the total annual volume of all beer products supplied by a brewer to a wholesaler pursuant to agreements between such brewer and wholesaler represents ~~10%~~ ~~15%~~ or less of the total annual volume of the wholesaler's business for all beer products supplied by all brewers. For purposes of this subsection (1.5) only, "annual volume" means the volume of beer products sold by the wholesaler in the 12-month period immediately preceding receipt of the brewer's written offer pursuant to this subsection (1.5).

If a brewer is required to pay reasonable compensation as described in subsection (1) and the question of reasonable compensation is the only issue between the parties, the brewer shall, in good faith, make a written offer to pay reasonable compensation. The wholesaler shall have 30 days from receipt of the written offer to accept or reject the brewer's offer. Failure to respond, in writing, to the written offer shall constitute rejection of the offer to pay reasonable compensation. If the wholesaler, in writing, accepts the written offer, the wholesaler shall surrender the affected brand or brands to the brewer at the time payment is received from the brewer. If the wholesaler does not, in writing, accept the brewer's written offer, either party may elect to submit the determination of reasonable compensation to expedited binding arbitration. If one party notifies the other party in writing that it elects expedited binding arbitration, the other party has 10 days from receipt of the notification to elect expedited binding arbitration or to reject the arbitration in writing. Failure to elect arbitration shall constitute rejection of the offer to arbitrate.

(A) If the parties agree to expedited binding arbitration, the arbitration shall be subject to the expedited process under the commercial rules of the American Arbitration Association. The arbitration shall be concluded within 90 days after the parties agree to expedited binding arbitration under this Section, unless extended by the arbitrator or one of the parties. The wholesaler shall retain the affected brand or brands during the period of arbitration, at the conclusion of which the wholesaler shall surrender the affected brand or brands to the brewer upon payment of the amount determined to be reasonable compensation, provided the wholesaler shall transfer the affected brand or brands to the brewer after 90 days if the arbitration proceedings are extended beyond the 90 day limit at the request of the wholesaler. Arbitration costs shall be paid one-half by the wholesaler and one-half by the brewer. The award of the arbitrator shall be final and binding on the parties.

(B) If the brewer elects expedited binding arbitration but the wholesaler rejects the offer to arbitrate:

(i) The wholesaler may accept, in writing, any written offer previously made by the brewer. If the wholesaler selects this option, the wholesaler must surrender the affected brand or brands to the brewer at the time payment is received. If the wholesaler believes that the amount paid by the brewer is less than reasonable compensation under subsection (1), the wholesaler may bring a proceeding under subsection (2) for the difference, but may not proceed under subsection (3) of Section 9; or

(ii) The wholesaler may proceed against the brewer under Section 9, provided the wholesaler must surrender the affected brand or brands to the brewer if a proceeding under Section 9 has not been initiated within 90 days after the wholesaler rejects the offer to arbitrate. Upon determination of reasonable compensation pursuant to Section 9, the brewer shall pay the wholesaler the amount so determined. Until receiving payment from the brewer of the amount so determined, the wholesaler shall retain the affected brand or brands. If (a) the wholesaler retains the affected brand or brands for a period of 2 years after the wholesaler rejects the offer to arbitrate, (b) the amount of reasonable compensation has not been determined, and (c) an injunction has not been issued, the brewer shall, in good faith, make a payment of reasonable compensation to the wholesaler. If, however, the brewer fails to ship or make available brands ordered by the wholesaler prior to the brewer making any payment (including a good faith payment as provided in this subsection) to the wholesaler, the wholesaler shall be entitled to injunctive relief and attorneys' fees and shall subject the brewer to punitive damages. Upon receipt of this payment, the wholesaler must surrender the affected brand or brands to the brewer, provided that such surrender shall not

affect the brewer's obligation to pay all amounts ultimately determined due to the wholesaler under this Act.

(C) If the wholesaler elects expedited binding arbitration but the brewer rejects, the brewer may proceed under Section 9 for the purpose of determining reasonable compensation. Upon determination of reasonable compensation pursuant to Section 9, the brewer shall pay the wholesaler the amount so determined. Until receiving payment from the brewer of the amount so determined, the wholesaler shall retain the affected brand or brands. If (a) the brewer initiates a proceeding under Section 9 within 90 days after the wholesaler rejects the offer to arbitrate, (b) the wholesaler retains the affected brand or brands for a period of 2 years from the date the wholesaler rejects the offer to arbitrate, (c) the amount of reasonable compensation has not been determined, and (d) an injunction has not been issued, the brewer shall, in good faith, make a payment of reasonable compensation to the wholesaler. If, however, the brewer fails to ship or make available brands ordered by the wholesaler prior to the brewer making any payment (including a good faith payment as provided in this subsection) to the wholesaler, the wholesaler shall be entitled to injunctive relief and attorneys' fees and shall subject the brewer to punitive damages. Upon receipt of this payment, the wholesaler must surrender the affected brand or brands to the brewer, provided that such surrender shall not affect the brewer's obligation to pay all amounts ultimately determined due to the wholesaler under this Act.

(2) Except as otherwise provided in subsection (1.5), in the event that the brewer and the beer wholesaler are unable to mutually agree on the reasonable compensation to be paid for the value of the wholesaler's business, as defined in this Act, either party may maintain a civil suit as provided in Section 9 or the matter may, by mutual agreement of the parties, be submitted to a neutral arbitrator to be selected by the parties and the claim settled in accordance with the rules provided by the American Arbitration Association. Arbitration costs shall be paid one-half by the wholesaler and one-half by the brewer. The award of the arbitrator shall be final and binding on the parties.

**AMENDMENT NO. 3 TO SENATE BILL 2621**

AMENDMENT NO. 3. Amend Senate Bill 2621 by replacing everything after the enacting clause with the following:

"Section 5. The Unified Code of Corrections is amended by changing Sections 3-2-2, 3-3-1, 3-3-2, 3-3-9, 3-6-3, 3-7-6, 5-4-1, 5-4.5-20, 5-4.5-25, 5-4.5-30, 5-4.5-35, 5-4.5-40, 5-4.5-45, 5-4.5-55, 5-4.5-60, 5-4.5-65, 5-4.5-100, and 5-5-3 as follows:

(730 ILCS 5/3-2-2) (from Ch. 38, par. 1003-2-2)

Sec. 3-2-2. Powers and Duties of the Department.

(1) In addition to the powers, duties and responsibilities which are otherwise provided by law, the Department shall have the following powers:

(a) To accept persons committed to it by the courts of this State for care, custody,

[May 23, 2012]

treatment and rehabilitation, and to accept federal prisoners and aliens over whom the Office of the Federal Detention Trustee is authorized to exercise the federal detention function for limited purposes and periods of time.

(b) To develop and maintain reception and evaluation units for purposes of analyzing the custody and rehabilitation needs of persons committed to it and to assign such persons to institutions and programs under its control or transfer them to other appropriate agencies. In consultation with the Department of Alcoholism and Substance Abuse (now the Department of Human Services), the Department of Corrections shall develop a master plan for the screening and evaluation of persons committed to its custody who have alcohol or drug abuse problems, and for making appropriate treatment available to such persons; the Department shall report to the General Assembly on such plan not later than April 1, 1987. The maintenance and implementation of such plan shall be contingent upon the availability of funds.

(b-1) To create and implement, on January 1, 2002, a pilot program to establish the effectiveness of pupillometer technology (the measurement of the pupil's reaction to light) as an alternative to a urine test for purposes of screening and evaluating persons committed to its custody who have alcohol or drug problems. The pilot program shall require the pupillometer technology to be used in at least one Department of Corrections facility. The Director may expand the pilot program to include an additional facility or facilities as he or she deems appropriate. A minimum of 4,000 tests shall be included in the pilot program. The Department must report to the General Assembly on the effectiveness of the program by January 1, 2003.

(b-5) To develop, in consultation with the Department of State Police, a program for tracking and evaluating each inmate from commitment through release for recording his or her gang affiliations, activities, or ranks.

(c) To maintain and administer all State correctional institutions and facilities under its control and to establish new ones as needed. Pursuant to its power to establish new institutions and facilities, the Department may, with the written approval of the Governor, authorize the Department of Central Management Services to enter into an agreement of the type described in subsection (d) of Section 405-300 of the Department of Central Management Services Law (20 ILCS 405/405-300). The Department shall designate those institutions which shall constitute the State Penitentiary System.

Pursuant to its power to establish new institutions and facilities, the Department may authorize the Department of Central Management Services to accept bids from counties and municipalities for the construction, remodeling or conversion of a structure to be leased to the Department of Corrections for the purposes of its serving as a correctional institution or facility. Such construction, remodeling or conversion may be financed with revenue bonds issued pursuant to the Industrial Building Revenue Bond Act by the municipality or county. The lease specified in a bid shall be for a term of not less than the time needed to retire any revenue bonds used to finance the project, but not to exceed 40 years. The lease may grant to the State the option to purchase the structure outright.

Upon receipt of the bids, the Department may certify one or more of the bids and shall submit any such bids to the General Assembly for approval. Upon approval of a bid by a constitutional majority of both houses of the General Assembly, pursuant to joint resolution, the Department of Central Management Services may enter into an agreement with the county or municipality pursuant to such bid.

(c-5) To build and maintain regional juvenile detention centers and to charge a per diem to the counties as established by the Department to defray the costs of housing each minor in a center. In this subsection (c-5), "juvenile detention center" means a facility to house minors during pendency of trial who have been transferred from proceedings under the Juvenile Court Act of 1987 to prosecutions under the criminal laws of this State in accordance with Section 5-805 of the Juvenile Court Act of 1987, whether the transfer was by operation of law or permissive under that Section. The Department shall designate the counties to be served by each regional juvenile detention center.

(d) To develop and maintain programs of control, rehabilitation and employment of committed persons within its institutions.

(d-5) To provide a pre-release job preparation program for inmates at Illinois adult correctional centers.

(e) To establish a system of supervision and guidance of committed persons in the community.

(f) To establish in cooperation with the Department of Transportation to supply a sufficient number of prisoners for use by the Department of Transportation to clean up the trash and garbage along State, county, township, or municipal highways as designated by the Department of

Transportation. The Department of Corrections, at the request of the Department of Transportation, shall furnish such prisoners at least annually for a period to be agreed upon between the Director of Corrections and the Director of Transportation. The prisoners used on this program shall be selected by the Director of Corrections on whatever basis he deems proper in consideration of their term, behavior and earned eligibility to participate in such program - where they will be outside of the prison facility but still in the custody of the Department of Corrections. Prisoners convicted of first degree murder, or a Class X felony, or armed violence, or aggravated kidnapping, or criminal sexual assault, aggravated criminal sexual abuse or a subsequent conviction for criminal sexual abuse, or forcible detention, or arson, or a prisoner adjudged a Habitual Criminal shall not be eligible for selection to participate in such program. The prisoners shall remain as prisoners in the custody of the Department of Corrections and such Department shall furnish whatever security is necessary. The Department of Transportation shall furnish trucks and equipment for the highway cleanup program and personnel to supervise and direct the program. Neither the Department of Corrections nor the Department of Transportation shall replace any regular employee with a prisoner.

(g) To maintain records of persons committed to it and to establish programs of research, statistics and planning.

(B) Except as set forth in paragraph (C), for those subject to mandatory supervised release under paragraph (d) of Section 5-8-1 of this Code, the recommitment shall be for the total mandatory supervised release term, less the time elapsed between the release of the person and the commission of the violation for which mandatory supervised release is revoked. (3) The rules and regulations shall also provide that the Director may award up to 180 days additional ~~sentence good conduct~~ credit for ~~good conduct meritorious service~~ in specific instances as the Director deems proper. ~~The good conduct may include, but is not limited to, compliance with the rules and regulations of the Department, service to the Department, service to a community, or service to the State. However, the Director shall not award ; except that no more than 90 days of sentence good conduct credit for good conduct meritorious service shall be awarded~~ to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol,

Notwithstanding the foregoing, ~~sentence good conduct credit for good conduct meritorious service~~ shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2)(i), (ii), or (iii) when the offense is committed on or after June 19, 1998 or subdivision (a)(2)(iv) when the offense is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) when the offense is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) or subdivision (a)(2)(vii) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), (ii) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision (a)(2.4) when the offense is committed on or after July 15, 1999 (the effective date of Public Act 91-121), (iv) aggravated arson when the offense is committed on or after July 27, 2001 (the effective date of Public Act 92-176), (v) offenses that may subject the offender to commitment under the Sexually Violent Persons Commitment Act, or (vi) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230).

The Director shall not award ~~sentence good conduct credit for meritorious service~~ under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

- (A) is eligible for ~~the sentence good conduct credit for meritorious service~~;
- (B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow; and
- (C) has met the eligibility criteria established by rule.

The Director shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of sentence credit for good conduct, with the first report due January 1, 2014. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

- (A) the number of inmates awarded sentence credit for good conduct;
- (B) the average amount of sentence credit for good conduct awarded;
- (C) the holding offenses of inmates awarded sentence credit for good conduct; and
- (D) the number of sentence credit for good conduct revocations.

(4) The rules and regulations shall also provide that the ~~sentence good conduct~~ credit accumulated and

retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, ~~or~~ educational programs, ~~behavior modification programs, life skills courses, or re-entry planning~~ provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time 60 day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county

department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional ~~sentence good conduct~~ credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) or subdivision (a)(2)(vii) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. ~~No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.~~

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence good conduct credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 60 days of ~~sentence good~~ ~~conduct~~ credit

shall be awarded to any prisoner who passes the high school level Test of General Educational Development (GED) while the prisoner is ~~committed to the Department of Corrections incarcerated.~~ The ~~sentence good conduct~~ credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of ~~sentence credit good conduct~~ under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The ~~sentence good conduct~~ credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a GED. If, after an award of the GED ~~sentence good conduct~~ credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 60 days of sentence credit to any committed person who passed the high school level Test of General Educational Development (GED) while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on ~~sentence credit early release~~ shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no ~~sentence good conduct~~ credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to

participate in or complete a substance abuse treatment program and award the ~~sentence good conduct~~ credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive ~~sentence good conduct~~ credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on ~~sentence credit early release~~ shall also provide that a prisoner who has been

convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no ~~sentence good conduct~~ credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive ~~such~~ treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded ~~sentence good conduct~~ credit at a ~~such~~ rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of ~~sentence good conduct~~ credit for good conduct under paragraph (3) of subsection (a) of this Section ~~meritorious service~~ given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, residence address, commitment offense and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of ~~sentence credit good time~~.

(c) The Department shall prescribe rules and regulations for revoking ~~sentence good conduct~~ credit, including revoking sentence credit awarded for good conduct under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for ~~or~~ suspending or reducing the rate of accumulation of ~~sentence good conduct~~ credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of ~~sentence good conduct~~ credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any ~~sentence good conduct~~ credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of ~~sentence good conduct~~ credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of ~~sentence good conduct~~ credit. The Board may subsequently approve the revocation of additional ~~sentence good conduct~~ credit, if the Department seeks to revoke ~~sentence good conduct~~ credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of ~~sentence good conduct~~ credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of ~~sentence good conduct~~ credits which have been revoked, suspended or reduced. Any restoration of ~~sentence good conduct~~ credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore ~~sentence good conduct~~ credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to

Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of ~~sentence good conduct~~ credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of ~~sentence good conduct~~ credit by bringing charges against the prisoner sought to be deprived of the ~~sentence good conduct~~ credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of ~~sentence good conduct~~ credit at the time of the finding, then the Prisoner Review Board may revoke all ~~sentence good conduct~~ credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

- (A) it lacks an arguable basis either in law or in fact;
- (B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
- (C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
- (D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or
- (E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(f) Whenever the Department is to release any inmate who has been convicted of a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961, earlier than it otherwise would because of a grant of ~~sentence good conduct~~ credit, the Department, as a condition of ~~such early~~ release, shall require that the person, upon release, be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

(730 ILCS 5/3-7-6) (from Ch. 38, par. 1003-7-6)

Sec. 3-7-6. Reimbursement for expenses.

(a) Responsibility of committed persons. For the purposes of this Section, "committed persons" mean those persons who through judicial determination have been placed in the custody of the Department on the basis of a conviction as an adult. Committed persons shall be responsible to reimburse the Department for the expenses incurred by their incarceration at a rate to be determined by the Department in accordance with this Section.

(1) Committed persons shall fully cooperate with the Department by providing complete financial information for the purposes under this Section.

(2) The failure of a committed person to fully cooperate as provided for in clauses (3) and (4) of subsection (a-5) shall be considered for purposes of a parole determination. Any committed person who willfully refuses to cooperate with the obligations set forth in this Section may be subject to the loss of ~~sentence good conduct~~ credit towards his or her sentence of up to 180 days.

(a-5) Assets information form.

(1) The Department shall develop a form, which shall be used by the Department to obtain information from all committed persons regarding assets of the persons.

(2) In order to enable the Department to determine the financial status of the committed

person, the form shall provide for obtaining the age and marital status of a committed person, the number and ages of children of the person, the number and ages of other dependents, the type and value of real estate, the type and value of personal property, cash and bank accounts, the location of any lock boxes, the type and value of investments, pensions and annuities and any other personality of significant cash value, including but not limited to jewelry, art work and collectables, and all medical or dental insurance policies covering the committed person. The form may also provide for other information deemed pertinent by the Department in the investigation of a committed person's assets.

(3) Upon being developed, the form shall be submitted to each committed person as of the date the form is developed and to every committed person who thereafter is sentenced to imprisonment under the jurisdiction of the Department. The form may be resubmitted to a committed person by the Department for purpose of obtaining current information regarding the assets of the person.

(4) Every committed person shall complete the form or provide for completion of the form and the committed person shall swear under oath or affirm that to the best of his or her knowledge the information provided is complete and accurate.

(b) Expenses. The rate at which sums to be charged for the expenses incurred by a committed person for his or her confinement shall be computed by the Department as the average per capita cost per day for all inmates of that institution or facility for that fiscal year. The average per capita cost per day shall be computed by the Department based on the average per capita cost per day for the operation of that institution or facility for the fiscal year immediately preceding the period of incarceration for which the rate is being calculated. The Department shall establish rules and regulations providing for the computation of the above costs, and shall determine the average per capita cost per day for each of its institutions or facilities for each fiscal year. The Department shall have the power to modify its rules and regulations, so as to provide for the most accurate and most current average per capita cost per day computation. Where the committed person is placed in a facility outside the Department, the Department may pay the actual cost of services in that facility, and may collect reimbursement for the entire amount paid from the committed person receiving those services.

(c) Records. The records of the Department, including, but not limited to, those relating to: the average per capita cost per day for a particular institution or facility for a particular year, and the calculation of the average per capita cost per day; the average daily population of a particular Department correctional institution or facility for a particular year; the specific placement of a particular committed person in various Department correctional institutions or facilities for various periods of time; and the record of transactions of a particular committed person's trust account under Section 3-4-3 of this Act; may be proved in any legal proceeding, by a reproduced copy thereof or by a computer printout of Department records, under the certificate of the Director. If reproduced copies are used, the Director must certify that those are true and exact copies of the records on file with the Department. If computer printouts of records of the Department are offered as proof, the Director must certify that those computer printouts are true and exact representations of records properly entered into standard electronic computing equipment, in the regular course of the Department's business, at or reasonably near the time of the occurrence of the facts recorded, from trustworthy and reliable information. The reproduced copy or computer printout shall, without further proof, be admitted into evidence in any legal proceeding, and shall be prima facie correct and prima facie evidence of the accuracy of the information contained therein.

(d) Authority. The Director, or the Director's designee, may, when he or she knows or reasonably believes that a committed person, or the estate of that person, has assets which may be used to satisfy all or part of a judgment rendered under this Act, or when he or she knows or reasonably believes that a committed person is engaged in gang-related activity and has a substantial sum of money or other assets, provide for the forwarding to the Attorney General of a report on the committed person and that report shall contain a completed form under subsection (a-5) together with all other information available concerning the assets of the committed person and an estimate of the total expenses for that committed person, and authorize the Attorney General to institute proceedings to require the persons, or the estates of the persons, to reimburse the Department for the expenses incurred by their incarceration. The Attorney General, upon authorization of the Director, or the Director's designee, shall institute actions on behalf of the Department and pursue claims on the Department's behalf in probate and bankruptcy proceedings, to recover from committed persons the expenses incurred by their confinement. For purposes of this subsection (d), "gang-related" activity has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(e) Scope and limitations.

(1) No action under this Section shall be initiated more than 2 years after the release

or death of the committed person in question.

(2) The death of a convicted person, by execution or otherwise, while committed to a Department correctional institution or facility shall not act as a bar to any action or proceeding under this Section.

(3) The assets of a committed person, for the purposes of this Section, shall include any property, tangible or intangible, real or personal, belonging to or due to a committed or formerly committed person including income or payments to the person from social security, worker's compensation, veteran's compensation, pension benefits, or from any other source whatsoever and any and all assets and property of whatever character held in the name of the person, held for the benefit of the person, or payable or otherwise deliverable to the person. Any trust, or portion of a trust, of which a convicted person is a beneficiary, shall be construed as an asset of the person, to the extent that benefits thereunder are required to be paid to the person, or shall in fact be paid to the person. At the time of a legal proceeding by the Attorney General under this Section, if it appears that the committed person has any assets which ought to be subjected to the claim of the Department under this Section, the court may issue an order requiring any person, corporation, or other legal entity possessed or having custody of those assets to appropriate any of the assets or a portion thereof toward reimbursing the Department as provided for under this Section. No provision of this Section shall be construed in violation of any State or federal limitation on the collection of money judgments.

(4) Nothing in this Section shall preclude the Department from applying federal benefits that are specifically provided for the care and treatment of a committed person toward the cost of care provided by a State facility or private agency.

(730 ILCS 5/5-4-1) (from Ch. 38, par. 1005-4-1)

Sec. 5-4-1. Sentencing Hearing.

(a) Except when the death penalty is sought under hearing procedures otherwise specified, after a determination of guilt, a hearing shall be held to impose the sentence. However, prior to the imposition of sentence on an individual being sentenced for an offense based upon a charge for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the individual must undergo a professional evaluation to determine if an alcohol or other drug abuse problem exists and the extent of such a problem. Programs conducting these evaluations shall be licensed by the Department of Human Services. However, if the individual is not a resident of Illinois, the court may, in its discretion, accept an evaluation from a program in the state of such individual's residence. The court may in its sentencing order approve an eligible defendant for placement in a Department of Corrections impact incarceration program as provided in Section 5-8-1.1 or 5-8-1.3. The court may in its sentencing order recommend a defendant for placement in a Department of Corrections substance abuse treatment program as provided in paragraph (a) of subsection (1) of Section 3-2-2 conditioned upon the defendant being accepted in a program by the Department of Corrections. At the hearing the court shall:

(1) consider the evidence, if any, received upon the trial;

(2) consider any presentence reports;

(3) consider the financial impact of incarceration based on the financial impact statement filed with the clerk of the court by the Department of Corrections;

(4) consider evidence and information offered by the parties in aggravation and mitigation;

(4.5) consider substance abuse treatment, eligibility screening, and an assessment, if any, of the defendant by an agent designated by the State of Illinois to provide assessment services for the Illinois courts;

(5) hear arguments as to sentencing alternatives;

(6) afford the defendant the opportunity to make a statement in his own behalf;

(7) afford the victim of a violent crime or a violation of Section 11-501 of the

Illinois Vehicle Code, or a similar provision of a local ordinance, or a qualified individual affected by: (i) a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act or a violation of Section 55 or Section 65 of the Methamphetamine Control and Community Protection Act, or (ii) a Class 4 felony violation of Section 11-14, 11-14.3 except as described in subdivisions (a)(2)(A) and (a)(2)(B), 11-15, 11-17, 11-18, 11-18.1, or 11-19 of the Criminal Code of 1961, committed by the defendant the opportunity to make a statement concerning the impact on the victim and to offer evidence in aggravation or mitigation; provided that the statement and evidence offered in aggravation or mitigation must first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Any sworn testimony offered by the victim is subject to the defendant's right to cross-examine. All statements and evidence offered under this paragraph (7)

shall become part of the record of the court. For the purpose of this paragraph (7), "qualified individual" means any person who (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; and (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. For the purposes of this paragraph (7), "qualified individual" includes any peace officer, or any member of any duly organized State, county, or municipal peace unit assigned to the territorial jurisdiction where the offense took place when the offense took place;

(8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements;

(9) in cases involving a felony sex offense as defined under the Sex Offender Management Board Act, consider the results of the sex offender evaluation conducted pursuant to Section 5-3-2 of this Act; and

(10) make a finding of whether a motor vehicle was used in the commission of the offense for which the defendant is being sentenced.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for ~~sentencing credit~~ ~~early release~~ found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her ~~sentencing good conduct~~ credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional ~~sentencing good conduct~~ credit for ~~good conduct meritorious service~~. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day ~~sentencing good conduct~~ credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(3) of Section 3-6-3, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3 committed on or after June 19, 1998, and other than when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and other than when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176), and other than when the sentence is imposed for aggravated driving under the influence of alcohol, other

drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her ~~sentence good conduct~~ credit, the period of estimated actual custody is ... years and ... months, less up to 90 days additional ~~sentence good conduct~~ credit for good conduct meritorious service. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day ~~sentence good conduct~~ credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176), and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is entitled to no more than 4 1/2 days of ~~sentence good conduct~~ credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to ~~sentence good conduct~~ credit. Therefore, this defendant will serve 100% of his or her sentence."

When the sentencing order recommends placement in a substance abuse program for any offense that results in incarceration in a Department of Corrections facility and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the judge's statement, in addition to any other judge's statement required under this Section, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant shall receive no ~~sentence credit~~ for good conduct ~~credit~~ under clause (3) of subsection (a) of Section 3-6-3 until he or she participates in and completes a substance abuse treatment program or receives a waiver from the Director of Corrections pursuant to clause (4.5) of subsection (a) of Section 3-6-3."

(c-4) Before the sentencing hearing and as part of the presentence investigation under Section 5-3-1, the court shall inquire of the defendant whether the defendant is currently serving in or is a veteran of the Armed Forces of the United States. If the defendant is currently serving in the Armed Forces of the

United States or is a veteran of the Armed Forces of the United States and has been diagnosed as having a mental illness by a qualified psychiatrist or clinical psychologist or physician, the court may:

(1) order that the officer preparing the presentence report consult with the United States Department of Veterans Affairs, Illinois Department of Veterans' Affairs, or another agency or person with suitable knowledge or experience for the purpose of providing the court with information regarding treatment options available to the defendant, including federal, State, and local programming; and

(2) consider the treatment recommendations of any diagnosing or treating mental health professionals together with the treatment options available to the defendant in imposing sentence.

For the purposes of this subsection (c-4), "qualified psychiatrist" means a reputable physician licensed in Illinois to practice medicine in all its branches, who has specialized in the diagnosis and treatment of mental and nervous disorders for a period of not less than 5 years.

(c-6) In imposing a sentence, the trial judge shall specify, on the record, the particular evidence and other reasons which led to his or her determination that a motor vehicle was used in the commission of the offense.

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

(1) the sentence imposed;

(2) any statement by the court of the basis for imposing the sentence;

(3) any presentence reports;

(3.5) any sex offender evaluations;

(3.6) any substance abuse treatment eligibility screening and assessment of the defendant by an agent designated by the State of Illinois to provide assessment services for the Illinois courts;

(4) the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;

(4.1) any finding of great bodily harm made by the court with respect to an offense enumerated in subsection (c-1);

(5) all statements filed under subsection (d) of this Section;

(6) any medical or mental health records or summaries of the defendant;

(7) the municipality where the arrest of the offender or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;

(8) all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and

(9) all additional matters which the court directs the clerk to transmit.

(f) In cases in which the court finds that a motor vehicle was used in the commission of the offense for which the defendant is being sentenced, the clerk of the court shall, within 5 days thereafter, forward a report of such conviction to the Secretary of State.
