PRESENTATION OF RESOLUTIONS

SENATE RESOLUTION NO. 775

Offered by Senator Dillard and all Senators:
Mourns the death of Howard M. Dean, Jr., of Hinsdale.

By unanimous consent, the foregoing resolution was referred to the Resolutions Consent Calendar.

Senator Hunter offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 773

WHEREAS, The Republic of China (Taiwan) has achieved economic and social stability; in 2010, Taiwan was ranked as the United States' 9th-largest trading partner in the world; Taiwan is also the United States' 13th-largest export market and 9th largest source of imports, with U.S. exports to Taiwan in 2010 having increased by 43%; and

WHEREAS, In the last 2 decades, Taiwan has been praised as a beacon of democracy for Asia, having successfully completed its parliamentary elections and its 5th direct, popular presidential election on January 14, 2012; and

WHEREAS, Taiwan has taken great steps forward to enter the world arena as a trusted partner; for the last 3 years, Taiwan has participated as an observer in the World Health Assembly of the World Health Organization (WHO); in 2012, Taiwan will celebrate its 20th anniversary of participation in the Asia-Pacific Economic Cooperation forum, of which the United States is a longtime and respected member; and

WHEREAS, The State of Illinois has a strong economic and cultural relationship with Taiwan since

[May 17, 2012]

establishing sister-state relations in 1992; in 2011, Illinois ranked 5th among U.S. states in the value of overall exports to Taiwan, which increased 47% last year and were worth almost \$1.2 billion; these figures rose from \$812 million in 2010, when Illinois exports to Taiwan ranked 6th among U.S. states; and

WHEREAS, Taiwan is the world's 6th-largest market for United States agricultural goods, with Taiwan having sent 26 procurement missions to the United States between 1978 and 2011; these missions have enhanced the mutually beneficial trade relations and permanent friendship between the 2 countries, while the Illinois economy has benefited from Taiwan's consistently large imports of Illinois agricultural products; in 2011, the State's agricultural exports to Taiwan, worth \$739.24 million, comprised almost 62% of Illinois' total exports to Taiwan and increased 82% from the State's 2010 agricultural exports to Taiwan (\$406.78 million); and

WHEREAS, Taiwan's continuing absence from international organizations dealing with climate change has impeded Taiwan's ability to respond to natural disasters, such as Typhoon Morakot in 2009, while the global initiative to combat climate change has been impaired by the lack of participation of Taiwan; similarly, Taiwan's absence from international organizations dealing with airline safety and security, major global concerns since 2001, has left a gap in the international aviation security system, as Taiwan is a key transport hub in the Asia-Pacific region; Taiwan has more than 1,000,000 flights passing through the Taipei Flight Information Region and one of the world's largest airports by cargo volume, Taoyuan International Airport; and

WHEREAS, The Taiwan government highly values its relations with the United States and continually seeks to demonstrate its willingness to contribute its resources and know-how to the international community, such as its swift delivery of humanitarian assistance to Haiti following the 2010 earthquake in that country; the aid was expedited by the United States, which generously aided Taiwan in rescue and recovery after Typhoon Morakot; Taiwan also seeks to contribute to peace, freedom, and security in the world as a responsible stakeholder and peaceable nation of 23 million citizens through the Republic of China's policies, such as "flexible diplomacy" in foreign affairs and its pragmatic approach to relations with the People's Republic of China, as demonstrated by the historic passage in 2010 and implementation in 2011 of the Economic Cooperation Framework Agreement between Taipei and Beijing; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate the date of August 27, 2012 as Taiwan Relations Day in the State of Illinois in recognition of the 20th anniversary of Illinois sister statehood with the Republic of China (Taiwan); and be it further

RESOLVED, That we recognize the Republic of China (Taiwan) on its successful presidential and parliamentary elections and on the re-election to a second term of President Ma Ying-jeou; and be it further

RESOLVED, That we further recognize Taiwan on the 20th anniversary of its participation in the Asia-Pacific Economic Cooperation (APEC) forum to increase Taiwan's international space and contribution to the global community; and be it further

RESOLVED, That we affirm our support for the meaningful participation of Taiwan in the United Nations Framework Convention on Climate Change (UNFCCC) and the International Civil Aviation Organization (ICAO) with observer status; and be it further

RESOLVED, That suitable copies of this resolution be delivered to United States Secretary of State Hillary Rodham Clinton, UNFCCC Executive Secretary Christiana Figueres, ICAO Secretary General Raymond Benjamin, and the Taipei Economic and Cultural Office in Chicago.

Senator Link offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 774

[May 17, 2012]

WHEREAS, Our nation is continuing to experience high unemployment rates and a national economic recession that directly affects our ability to compete in a global job market; and

WHEREAS, The employment of future workers and the re-employment of displaced workers are dependent upon the availability of training programs to provide individuals with the skills needed in critical industries; and

WHEREAS, High school and college career and occupational education is enhanced when local businesses in key industries provide input on curricula and offer work-based learning opportunities in occupations with family-sustaining careers; and

WHEREAS, Innovation and the spread of good management practices are accelerated when businesses work together to identify and meet their common training and skill needs; and

WHEREAS, Workers' ability to succeed in today's knowledge-based, global economy is enhanced when employers invest in their skills and when businesses develop skill certifications recognized industry wide and articulated with college credit; and

WHEREAS, The ability of low-income workers to have a real chance at pathways out of poverty requires training providers and other service providers to have first-hand knowledge of employers' skill needs and how workers can be supported to meet those standards; and

WHEREAS, Local Workforce Investment Boards are, by statute, composed primarily of individuals from the private sector; as such, they are the appropriate vehicle to identify the needs and opportunities within their local community and work with education providers to address those needs through the local education system, including community colleges, not-for-profit organizations, and proprietary schools; and

WHEREAS, It is fitting to promote the continuation and role of local Workforce Investment Boards as the most effective vehicle available to address the needs of businesses and individuals through the establishment of local workforce development programs and services; and

WHEREAS, The week of August 26 through September 1, 2012 will be an opportunity to highlight innovative approaches offered through local Workforce Investment Boards to build the State of Illinois' workforce; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SEVENTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we designate the week of August 26 through September 1, 2012, as "Workforce Development Week" in the State of Illinois and encourage individuals, businesses, and governmental organizations in the State of Illinois to visit and promote the programs and services offered through local Workforce Investment Boards.

AMENDMENT NO. 1 TO HOUSE BILL 4692

[May 17, 2012]

AMENDMENT NO. 1. Amend House Bill 4692 by replacing everything after the enacting clause with the following:

"Section 5. The State Finance Act is amended by adding Section 5.811 as follows:

(30 ILCS 105/5.811 new)

Sec. 5.811. The Illinois Nurses Foundation Fund.

Section 10. The Illinois Vehicle Code is amended by changing Section 6-110 and by adding Section 3-699 as follows:

(625 ILCS 5/3-699 new)

Sec. 3-699. Illinois Nurses license plates.

(a) The Secretary, upon receipt of an application made in the form prescribed by the Secretary, may issue special registration plates designated as Illinois Nurses license plates. The special plates issued under this Section shall be affixed only to passenger vehicles of the first division and motor vehicles of the second division weighing not more than 8,000 pounds. Plates issued under this Section shall expire according to the multi-year procedure established by Section 3-414.1 of this Code.

(b) The design and color of the plates is wholly within the discretion of the Secretary. The Secretary may allow the plates to be issued as vanity plates or personalized under Section 3-405.1 of the Code. The Secretary shall prescribe stickers or decals as provided under Section 3-412 of this Code.

(c) An applicant for the special plate shall be charged a \$35 fee for original issuance in addition to the appropriate registration fee. Of this fee, \$20 shall be deposited into the Illinois Nurses Foundation Fund and \$15 shall be deposited into the Secretary of State Special License Plate Fund, to be used by the Secretary to help defray administrative processing costs.

For each registration renewal period, a \$22 fee, in addition to the appropriate registration fee, shall be charged. Of this fee, \$20 shall be deposited into the Illinois Nurses Foundation Fund and \$2 shall be deposited into the Secretary of State Special License Plate Fund.

(d) The Illinois Nurses Foundation Fund is created as a special fund in the State treasury. All money in the Illinois Nurses Foundation Fund shall be paid, subject to appropriation by the General Assembly and distribution by the Secretary, as grants to the Illinois Nurses Foundation, to promote the health of the public by advancing the nursing profession in this State. Any scholarships awarded under this Section shall be distributed to students pursuing an associate, baccalaureate, or graduate degree in nursing.

(625 ILCS 5/6-110) (from Ch. 95 1/2, par. 6-110)

Sec. 6-110. Licenses issued to drivers.

(a) The Secretary of State shall issue to every qualifying applicant a driver's license as applied for, which license shall bear a distinguishing number assigned to the licensee, the legal name, signature, zip code, date of birth, residence address, and a brief description of the licensee.

Licenses issued shall also indicate the classification and the restrictions under Section 6-104 of this Code. The Secretary may adopt rules to establish informational restrictions that can be placed on the driver's license regarding specific conditions of the licensee.

A driver's license issued may, in the discretion of the Secretary, include a suitable photograph of a type prescribed by the Secretary.

(a-1) If the licensee is less than 18 years of age, unless one of the exceptions in subsection (a-2) apply, the license shall, as a matter of law, be invalid for the operation of any motor vehicle during the following times:

(A) Between 11:00 p.m. Friday and 6:00 a.m. Saturday;

(B) Between 11:00 p.m. Saturday and 6:00 a.m. on Sunday; and

(C) Between 10:00 p.m. on Sunday to Thursday, inclusive, and 6:00 a.m. on the following day.

(a-2) The driver's license of a person under the age of 18 shall not be invalid as described in subsection (a-1) of this Section if the licensee under the age of 18 was:

(1) accompanied by the licensee's parent or guardian or other person in custody or control of the minor;

(2) on an errand at the direction of the minor's parent or guardian, without any detour or stop;

(3) in a motor vehicle involved in interstate travel;

(4) going to or returning home from an employment activity, without any detour or stop;

(5) involved in an emergency;

(6) going to or returning home from, without any detour or stop, an official school, religious, or other recreational activity supervised by adults and sponsored by a government or

governmental agency, a civic organization, or another similar entity that takes responsibility for the licensee, without any detour or stop;

(7) exercising First Amendment rights protected by the United States Constitution, such as the free exercise of religion, freedom of speech, and the right of assembly; or

(8) married or had been married or is an emancipated minor under the Emancipation of Minors Act.

(a-2.5) The driver's license of a person who is 17 years of age and has been licensed for at least 12 months is not invalid as described in subsection (a-1) of this Section while the licensee is participating as an assigned driver in a Safe Rides program that meets the following criteria:

(1) the program is sponsored by the Boy Scouts of America or another national public service organization; and

(2) the sponsoring organization carries liability insurance covering the program.

(a-3) If a graduated driver's license holder over the age of 18 committed an offense against traffic regulations governing the movement of vehicles or any violation of Section 6-107 or Section 12-603.1 of this Code in the 6 months prior to the graduated driver's license holder's 18th birthday, and was subsequently convicted of the offense, the provisions of subsection (a-1) shall continue to apply until such time as a period of 6 consecutive months has elapsed without an additional violation and subsequent conviction of an offense against traffic regulations governing the movement of vehicles or Section 6-107 or Section 12-603.1 of this Code.

(a-4) If an applicant for a driver's license or instruction permit has a current identification card issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(b) Until the Secretary of State establishes a First Person Consent organ and tissue donor registry under Section 6-117 of this Code, the Secretary of State shall provide a format on the reverse of each driver's license issued which the licensee may use to execute a document of gift conforming to the provisions of the Illinois Anatomical Gift Act. The format shall allow the licensee to indicate the gift intended, whether specific organs, any organ, or the entire body, and shall accommodate the signatures of the donor and 2 witnesses. The Secretary shall also inform each applicant or licensee of this format, describe the procedure for its execution, and may offer the necessary witnesses; provided that in so doing, the Secretary shall advise the applicant or licensee that he or she is under no compulsion to execute a document of gift. A brochure explaining this method of executing an anatomical gift document shall be given to each applicant or licensee. The brochure shall advise the applicant or licensee that he or she is under no compulsion to execute a document of gift, and that he or she may wish to consult with family, friends or clergy before doing so. The Secretary of State may undertake additional efforts, including education and awareness activities, to promote organ and tissue donation.

(c) The Secretary of State shall designate on each driver's license issued a space where the licensee may place a sticker or decal of the uniform size as the Secretary may specify, which sticker or decal may indicate in appropriate language that the owner of the license carries an Emergency Medical Information Card.

The sticker may be provided by any person, hospital, school, medical group, or association interested in assisting in implementing the Emergency Medical Information Card, but shall meet the specifications as the Secretary may by rule or regulation require.

(d) The Secretary of State shall designate on each driver's license issued a space where the licensee may indicate his blood type and RH factor.

(e) The Secretary of State shall provide that each original or renewal driver's license issued to a licensee under 21 years of age shall be of a distinct nature from those driver's licenses issued to individuals 21 years of age and older. The color designated for driver's licenses for licensees under 21 years of age shall be at the discretion of the Secretary of State.

(e-1) The Secretary shall provide that each driver's license issued to a person under the age of 21 displays the date upon which the person becomes 18 years of age and the date upon which the person becomes 21 years of age.

(f) The Secretary of State shall inform all Illinois licensed commercial motor vehicle operators of the requirements of the Uniform Commercial Driver License Act, Article V of this Chapter, and shall make provisions to insure that all drivers, seeking to obtain a commercial driver's license, be afforded an opportunity prior to April 1, 1992, to obtain the license. The Secretary is authorized to extend driver's license expiration dates, and assign specific times, dates and locations where these commercial driver's tests shall be conducted. Any applicant, regardless of the current expiration date of the applicant's driver's license, may be subject to any assignment by the Secretary. Failure to comply with the

Secretary's assignment may result in the applicant's forfeiture of an opportunity to receive a commercial driver's license prior to April 1, 1992.

(g) The Secretary of State shall designate on a driver's license issued, a space where the licensee may indicate that he or she has drafted a living will in accordance with the Illinois Living Will Act or a durable power of attorney for health care in accordance with the Illinois Power of Attorney Act.

(g-1) The Secretary of State, in his or her discretion, may designate on each driver's license issued a space where the licensee may place a sticker or decal, issued by the Secretary of State, of uniform size as the Secretary may specify, that shall indicate in appropriate language that the owner of the license has renewed his or her driver's license.

(h) A person who acts in good faith in accordance with the terms of this Section is not liable for damages in any civil action or subject to prosecution in any criminal proceeding for his or her act.

(70 ILCS 1950/10)

Sec. 10. Renewable energy production special district.

(a) Any or all areas ~~area~~ within the boundaries of a single county may be incorporated as a single renewable energy production special district. The territory incorporated in a district formed under this Act shall be contiguous and may contain any territory not previously included in any renewable energy production district.

(b) Fifty or more of the legal voters resident within the limits of the proposed district or a majority if there are fewer than 100 legal voters, hereinafter referred to as the "petitioners", may petition the circuit court for the county in which the proposed district is located to cause the question to be submitted to the legal voters of the proposed district whether the proposed territory shall be organized as a renewable energy production special district under this Act. The petition shall be addressed to the court and shall set forth (i) ~~contain~~ a definite description of the boundaries of the territory to be embraced in the proposed district, (ii) ~~and~~ the name of the proposed district, and (iii) a request that the question be submitted to the legal voters of the proposed district. The territory incorporated in a district formed under this Act shall be contiguous and may contain any territory not previously included in any renewable energy production district.

Upon filing a petition, in the office of the circuit clerk of the county in which the petition is made, the court shall consider the boundaries of the renewable energy production district whether the same shall be those stated in the petition or otherwise.

(c) In the event that 2 or more petitions covering in part the same territory are filed prior to the public hearing upon the petition first filed, the petitions shall be consolidated for public hearing, and a hearing thereon may be continued to permit the giving of sufficient notice upon any petition or petitions.

(d) The petitioners shall give at least 20 days notice prior to a hearing. Notice shall be given by the court of the time and place of a hearing upon the subject of the petition. The notice shall be published in one or more newspapers of general circulation within the proposed renewable energy production special district or, if there is no newspaper of general circulation within the proposed renewable energy production special district, then by posting at least 10 copies in 10 of the most public places within the boundaries of the proposed district at least 20 days before the meeting in conspicuous places as far separated from each other as consistently possible.

(e) At the hearing on the petition, all persons in the proposed renewable energy production special district shall have an opportunity to present evidence, be heard concerning the creation, location, and boundary of the proposed district, and make suggestions regarding the same, provided, however, that the court may refuse to allow evidence or testimony deemed cumulative. After and the court, after hearing statements, evidence, and suggestions, the court shall fix and determine the limits and boundaries of the proposed district, and for that purpose and to that extent, may alter and amend the petition. In determining the limits and boundaries of the proposed district the court may consider, among other factors, the public interest and whether the territory contained within the proposed district contains only

[May 17, 2012]

portions of one or more electoral districts. After the determination by the court the limits and boundaries shall be incorporated in an order, and the order shall be filed in the records of the court. Upon the entering of the order, the court shall certify the order and the proposition to the proper election officials, who shall submit the proposition to the voters at the next permissible ~~an~~ election in accordance with the general election law. In addition to the requirements of the general election law, notice of the referendum shall include a description of the boundaries of the territory to be embraced in the proposed district and the name of the proposed district.

Votes shall be recorded as "YES" or "NO".

The court shall cause a statement of the results of the election to be filed in the records of the court. If a majority of the votes cast upon the question are in favor of the incorporation of the proposed renewable energy production special district, then the district shall thereafter be an organized renewable energy production special district under this Act, and the court shall enter an order accordingly and cause the same to be filed in the records of the court and shall also send to the county clerk a certified copy of the order organizing the district.

(70 ILCS 1950/22 new)

Sec. 22. Dissolution of a district.

(a) Action to dissolve a district may be instituted either by action of a board or petition.

(b) If a district has fully discharged its debts and obligations, then the board of that district may adopt an ordinance finding and determining that the foregoing condition has been met and that the public interest does not require continuation of the district. A copy of the ordinance shall be published in one or more newspapers of general circulation within the district or, if there is no newspaper of general circulation within the district, then by posting copies in 10 of the most public places within the boundaries of the proposed district. In addition to a copy of the ordinance, the publication or posting shall include a notice of (i) the specific number of voters required to sign a petition requesting the submission to the electors of the question of the dissolution of the district, (ii) the date by which the petition must be filed, and (iii) the official with whom, or office at which, the petition must be filed. Unless a petition is filed with the secretary of the board within 30 days after publication or posting containing the signatures of voters equal in number to 10% or more of the total number of registered voters in the territory of the district requesting that the question of the dissolution of the Authority be submitted to an election, the district shall be deemed to be dissolved at the expiration of the 30-day period. If such a petition is filed, then the question of the dissolution of the district shall be certified by the board to the proper election authority, which shall submit the question to the electors of the district at the next permissible election in accordance with the general election law.

The question shall be in substantially the following form:

Shall the (name of the district) be dissolved?

Votes shall be recorded as "YES" or "NO".

The result of the election shall be entered upon the corporate records of the district. If a majority of the ballots cast on the question are marked "yes", then the district shall be dissolved. But if a majority of the ballots on the question are marked "no", the board shall proceed with the affairs of the district as though the dissolution ordinance had never been adopted, and the question shall not again be submitted to the voters for a period of 2 years. When the business and affairs of any district have been concluded after dissolution, that fact shall be certified by the chair of its board to the county clerk of the county where the district was located.

(c) 10% or more of the total number of registered voters residing within the territory of the district, hereinafter referred to as the "petitioners", may petition the circuit court for the county where the proposed district is located to cause the question to be submitted to the legal voters of the proposed

district whether the district shall be dissolved. The petition shall be addressed to the court and shall set forth (i) the name of the district, (ii) an allegation that the district has fully discharged its debts and obligations, and (iii) a request that the question be submitted to the electors residing within the limits of the district whether the district shall be dissolved.

The petitioners shall give at least 20 calendar days notice of the time and place of a hearing upon the subject of the petition. The notice shall be published in one or more newspapers of general circulation within the district or, if there is no newspaper of general circulation within the district, then by posting the notice at least 20 calendar days prior to the hearing in 10 of the most public places within the boundaries of the proposed district. All costs relating to the filing of the petition and the costs of printing and publication or posting of notices of public hearing thereon shall be paid by the petitioners.

At the hearing on the petition all persons in the district shall have an opportunity to present evidence and be heard concerning the dissolution of the district, provided, however, that the court may refuse to allow evidence or testimony deemed cumulative.

After hearing statements, evidence, and suggestions, the court shall determine whether the district has fully discharged its debts and obligations and, if so, the court shall enter an order that the proposition whether the district shall be dissolved be submitted to the electors residing within the limits of the district. Upon the entering of such an order, the court shall certify the order and the proposition to the proper election officials, who shall submit the proposition to the voters at the next permissible election in accordance with the general election law.

The question shall be in substantially the following form:

Shall the (name of the district) be dissolved?

Votes shall be recorded as "YES" or "NO".

The result of the election shall be entered upon the corporate records of the district. If a majority of the ballots cast on the question are marked "yes", then the district shall be dissolved. But if a majority of the ballots on the question are marked "no", the board shall proceed with the affairs of the district as though dissolution had never been considered, and the question shall not again be submitted to the voters for a period of 2 years. When the business and affairs of any district have been concluded after dissolution, that fact shall be certified by the chair of its board to the county clerk of the county where the district was located.

(70 ILCS 1950/30 new)

Sec. 30. Records of a district. The board shall adopt rules and regulations for the retention and proper safekeeping and maintenance of its permanent records and for the recording of the corporate actions of the district. The district shall be subject to the provisions of the Local Records Act.

SENATE BILL NO. 3170

A bill for AN ACT concerning utilities.

Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 3170

Passed the House, as amended, May 17, 2012.

TIMOTHY D. MAPES, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 3170

AMENDMENT NO. 1. Amend Senate Bill 3170 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Power Agency Act is amended by changing Section 1-92 as follows:

(20 ILCS 3855/1-92)

Sec. 1-92. Aggregation of electrical load by municipalities, townships, and counties.

(a) The corporate authorities of a municipality, township board, or county board of a county may adopt an ordinance under which it may aggregate in accordance with this Section residential and small commercial retail electrical loads located, respectively, within the municipality, the township, or the unincorporated areas of the county and, for that purpose, may solicit bids and enter into service agreements to facilitate for those loads the sale and purchase of electricity and related services and equipment.

The corporate authorities, township board, or county board may also exercise such authority jointly with any other municipality, township, or county. Two or more municipalities, townships, or counties, or a combination of both, may initiate a process jointly to authorize aggregation by a majority vote of each particular municipality, township, or county as required by this Section.

If the corporate authorities, township board, or the county board seek to operate the aggregation program as an opt-out program for residential and small commercial retail customers, then prior to the adoption of an ordinance with respect to aggregation of residential and small commercial retail electric loads, the corporate authorities of a municipality, the township board, or the county board of a county shall submit a referendum to its residents to determine whether or not the aggregation program shall operate as an opt-out program for residential and small commercial retail customers.

In addition to the notice and conduct requirements of the general election law, notice of the referendum shall state briefly the purpose of the referendum. The question of whether the corporate authorities, the township board, or the county board shall adopt an opt-out aggregation program for residential and small commercial retail customers shall be submitted to the electors of the municipality, township board, or county board at a regular election and approved by a majority of the electors voting on the question. The corporate authorities, township board, or county board must certify to the proper election authority, which must submit the question at an election in accordance with the Election Code.

The election authority must submit the question in substantially the following form:

Shall the (municipality, township, or county in which the question is being voted upon) have the authority to arrange for the supply of electricity for its residential and small commercial retail customers who have not opted out of such program?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the corporate authorities, township board, or county board may implement an opt-out aggregation program for residential and small commercial retail customers.

A referendum must pass in each particular municipality, township, or county that is engaged in the aggregation program. If the referendum fails, then the corporate authorities, township board, or county board shall operate the aggregation program as an opt-in program for residential and small commercial

[May 17, 2012]

retail customers.

An ordinance under this Section shall specify whether the aggregation will occur only with the prior consent of each person owning, occupying, controlling, or using an electric load center proposed to be aggregated. Nothing in this Section, however, authorizes the aggregation of electric loads that are served or authorized to be served by an electric cooperative as defined by and pursuant to the Electric Supplier Act or loads served by a municipality that owns and operates its own electric distribution system. No aggregation shall take effect unless approved by a majority of the members of the corporate authority, township board, or county board voting upon the ordinance.

A governmental aggregator under this Section is not a public utility or an alternative retail electric supplier.

For purposes of this Section, "township" means the portion of a township that is an unincorporated portion of a county that is not otherwise a part of a municipality. In addition to such other limitations as are included in this Section, a township board shall only have authority to aggregate residential and small commercial customer loads in accordance with this Section if the county board of the county in which the township is located (i) is not also submitting a referendum to its residents at the same general election that the township board proposes to submit a referendum under this subsection (a), (ii) has not received authorization through passage of a referendum to operate an opt-out aggregation program for residential and small commercial retail customers under this subsection (a), and (iii) has not otherwise enacted an ordinance under this subsection (a) authorizing the operation of an opt-in aggregation program for residential and small commercial retail customers as described in this Section.

(b) Upon the applicable requisite authority under this Section, the corporate authorities, the township board, or the county board, with assistance from the Illinois Power Agency, shall develop a plan of operation and governance for the aggregation program so authorized. Before adopting a plan under this Section, the corporate authorities, township board, or county board shall hold at least 2 public hearings on the plan. Before the first hearing, the corporate authorities, township board, or county board shall publish notice of the hearings once a week for 2 consecutive weeks in a newspaper of general circulation in the jurisdiction. The notice shall summarize the plan and state the date, time, and location of each hearing. Any load aggregation plan established pursuant to this Section shall:

- (1) provide for universal access to all applicable residential customers and equitable treatment of applicable residential customers;
- (2) describe demand management and energy efficiency services to be provided to each class of customers; and
- (3) meet any requirements established by law concerning aggregated service offered pursuant to this Section.

(c) The process for soliciting bids for electricity and other related services and awarding proposed agreements for the purchase of electricity and other related services shall be conducted in the following order:

- (1) The corporate authorities, township board, or county board may solicit bids for electricity and other related services.

(1.5) A township board shall request from the electric utility those residential and small commercial customers within their aggregate area either by zip code or zip codes or other means as determined by the electric utility. The electric utility shall then provide to the township board the residential and small commercial customers, including the names and addresses of residential and small commercial customers, electronically. The township board shall be responsible for authenticating the residential and small commercial customers contained in this listing and providing edits of the data to affirm, add, or delete the residential and small commercial customers located within its jurisdiction. The township board shall provide the edited list to the electric utility in an electronic format or other means selected by the electric utility and certify that the information is accurate.

(2) Notwithstanding Section 16-122 of the Public Utilities Act and Section 2HH of the Consumer Fraud and Deceptive Business Practices Act, an electric utility that provides residential and small commercial retail electric service in the aggregate area must, upon request of the corporate authorities, township board, or the county board in the aggregate area, submit to the requesting party, in an electronic format, those account numbers, names, and addresses of residential and small commercial retail customers in the aggregate area that are reflected in the electric utility's records at the time of the request; provided, however, that any township board has first provided an accurate customer list to the electric utility as provided for herein.

Any corporate authority, township board, or county board receiving customer information from an electric utility shall be subject to the limitations on the disclosure of the information described in Section

16-122 of the Public Utilities Act and Section 2HH of the Consumer Fraud and Deceptive Business Practices Act, and an electric utility shall not be held liable for any claims arising out of the provision of information pursuant to this item (2).

(d) If the corporate authorities, township board, or county board operate under an opt-in program for residential and small commercial retail customers, then the corporate authorities, township board, or county board shall comply with all of the following:

(1) Within 60 days after receiving the bids, the corporate authorities, township board, or county board

shall allow residential and small commercial retail customers to commit to the terms and conditions of a bid that has been selected by the corporate authorities, township board, or county board.

(2) If (A) the corporate authorities, township board, or county board award proposed agreements for the

purchase of electricity and other related services and (B) an agreement is reached between the corporate authorities, township board, or county board for those services, then customers committed to the terms and conditions according to item (1) of this subsection (d) shall be committed to the agreement.

(e) If the corporate authorities, township board, or county board operate as an opt-out program for residential and small commercial retail customers, then it shall be the duty of the aggregated entity to fully inform residential and small commercial retail customers in advance that they have the right to opt out of the aggregation program. The disclosure shall prominently state all charges to be made and shall include full disclosure of the cost to obtain service pursuant to Section 16-103 of the Public Utilities Act, how to access it, and the fact that it is available to them without penalty, if they are currently receiving service under that Section. The Illinois Power Agency shall furnish, without charge, to any citizen a list of all supply options available to them in a format that allows comparison of prices and products.

The Illinois Power Agency shall provide assistance to municipalities, townships, counties, or associations working with municipalities to help complete the plan and bidding process.

This Section does not prohibit municipalities or counties from entering into an intergovernmental agreement to aggregate residential and small commercial retail electric loads.
