Sec. 7.12. Internet pilot program.

(a) The General Assembly finds that:

(1) the consumer market in Illinois has changed since the creation of the Illinois State

[April 12, 2013]

Lottery in 1974;

(2) the Internet has become an integral part of everyday life for a significant number of Illinois residents not only in regards to their professional life, but also in regards to personal business and communication; and

(3) the current practices of selling lottery tickets does not appeal to the new form of market participants who prefer to make purchases on the Internet at their own convenience.

It is the intent of the General Assembly to create an Internet pilot program for the sale of lottery tickets to capture this new form of market participant.

(b) The Department shall create a pilot program that allows an individual 18 years of age or older to purchase lottery tickets or shares on the Internet without using a Lottery retailer with on-line status, as those terms are defined by rule. The Department shall restrict the sale of lottery tickets on the Internet to transactions initiated and received or otherwise made exclusively within the State of Illinois. The Department shall adopt rules necessary for the administration of this program. These rules shall include, among other things, requirements for marketing of the Lottery to infrequent players, as well as limitations on the purchases that may be made through any one individual's lottery account. The provisions of this Act and the rules adopted under this Act shall apply to the sale of lottery tickets or shares under this program.

Before beginning the pilot program, the Department of the Lottery must submit a request to the United States Department of Justice for review of the State's plan to implement a pilot program for the sale of lottery tickets on the Internet and its propriety under federal law. The Department shall implement the Internet pilot program only if the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review.

The Department is obligated to implement the pilot program set forth in this Section and Sections 7.15 and 7.16 only at such time, and to such extent, that the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review. While the Illinois Lottery may only offer Lotto, Mega Millions, and Powerball games through the pilot program, the Department shall request review from the federal Department of Justice for the Illinois Lottery to sell lottery tickets on the Internet on behalf of the State of Illinois that are not limited to just these games.

After the study of the Internet Lottery Study Committee is delivered to the Governor, President of the Senate, Minority Leader of the Senate, Speaker of the House of Representatives, Minority Leader of the House of Representatives, and each of the members of the Study Committee in accordance with subsection (c) of this Section, the Illinois Lottery may offer additional draw-based games through the pilot program.

The Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section. If a private manager has not been selected pursuant to Section 9.1 at the time the Department is obligated to implement the pilot program, then the Department shall not proceed with the pilot program until after the selection of the private manager, at which time the Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section.

The pilot program shall last for not less than 36 months, but not more than 48 months from the date of its initial operation.

Nothing in this Section shall be construed as prohibiting the Department from implementing and operating a website portal whereby individuals who are 18 years of age or older with an Illinois mailing address may apply to purchase lottery tickets via subscription. Nothing in this Section shall also be construed as prohibiting the sale of Lotto, Mega Millions, and Powerball and other draw-based games by a lottery licensee pursuant to the Department's rules.

(c) There is created the Internet Lottery Study Committee as an advisory body within the Department. The Department shall conduct a study to determine the impact of the Internet pilot program on lottery licensees. The Department shall also determine the feasibility of the sale of stored value cards by lottery licensees as a non-exclusive option for use by individuals 18 years of age or older who purchase tickets for authorized lottery games in the Internet pilot program. For the purposes of this study, it is anticipated that the stored value cards will have, but need not be limited to, the following characteristics: (1) the cards will be available only to individuals 18 years of age or older; (2) the cards will be rechargeable, closed-loop cards that can only be loaded with cash; (3) the cards will have unique identifying numbers to be used for on-line play; (4) the cards will have on-line play subtracted from the card's value; (5) the cards may have on-line winnings added to them; (6) the cards will be used at Lottery retailers to cash out winnings of up to \$600; and (7) the cards will meet all technological, programming, and security

[April 12, 2013]

requirements mandated by the Department and the governing bodies of both Mega Millions and Powerball.

To the fullest extent possible, but subject to available resources, the Department shall ensure that the study evaluates and analyzes at least the following issues:

- (1) economic benefits to the State from Internet Lottery sales from stored value cards and from resulting sales taxes;
- (2) economic benefits to local governments from sales taxes generated from Internet Lottery sales through stored value cards;
- (3) economic benefits to Lottery retailers from Internet Lottery sales and from ancillary retail product sales in connection with the same;
- (4) enhanced player age verification from face-to-face interaction;
- (5) enhanced control of gambling addiction from face-to-face interaction;
- (6) elimination of credit card overspending through the use of stored value cards and resulting reduced debt issues;
- (7) the feasibility of the utilization of existing Lottery machines to dispense stored value cards;
- (8) the technological, programming, and security requirements to make stored value cards an appropriate sales alternative; and
- (9) the cost and project time estimates for implementation, including adaptation of existing Lottery machines, programming, and technology enhancements and impact to operations.

The Study Committee shall consist of the Superintendent or his or her designee; the chief executive officer of the Lottery's private manager or his or her designee; a representative appointed by the Governor's Office; 2 representatives of the lottery licensee community appointed by the Superintendent; one representative of a statewide association representing food retailers appointed by the Superintendent; and one representative of a statewide association representing retail merchants appointed by the Superintendent.

Members of the Study Committee shall be appointed within 30 days after the effective date of this amendatory Act of the 97th General Assembly. No later than 6 months after the effective date of this amendatory Act of the 97th General Assembly, the Department shall provide to the members of the Study Committee the proposed findings and recommendations of the study in order to solicit input from the Study Committee. Within 30 calendar days thereafter, the Study Committee shall convene a meeting of the members to discuss the proposed findings and recommendations of the study. No later than 15 calendar days after meeting, the Study Committee shall submit to the Department any written changes, additions, or corrections the Study Committee wishes the Department to make to the study. The Department shall consider the propriety of and respond to each change, addition, or correction offered by the Study Committee in the study. The Department shall also set forth any such change, addition, or correction offered by members of the Study Committee and the Department's responses thereto in the appendix to the study. No later than 15 calendar days after receiving the changes, additions, or corrections offered by the Study Committee, the Department shall deliver copies of the final study and appendices, if any, to the Governor, President of the Senate, Minority Leader of the Senate, Speaker of the House of Representatives, Minority Leader of the House of Representatives, and each of the members of the Study Committee.

(b) Any sex offender, as defined in Section 2 of this Act, or sexual predator, regardless of any initial, prior, or other registration, shall, within 3 days of beginning school, or establishing a residence, place of employment, or temporary domicile in any county, register in person as set forth in subsection (a) or (a-5).

(c) The registration for any person required to register under this Article shall be as follows:

(1) Any person registered under the Habitual Child Sex Offender Registration Act or the Child Sex Offender Registration Act prior to January 1, 1996, shall be deemed initially registered as of January 1, 1996; however, this shall not be construed to extend the duration of registration set forth in Section 7.

(2.1) A sex offender or sexual predator, who has never previously been required to register under this Act, has a duty to register if the person has been convicted of any felony offense after July 1, 2011. A person who previously was required to register under this Act for a period of 10 years and successfully completed that registration period has a duty to register if: (i) the person has been convicted of any felony offense after July 1, 2011, and (ii) the offense for which the 10 year registration was served currently requires a registration period of more than 10 years. (3) Except as provided in subsection (c)(4), any person convicted on or after January 1, 1996, shall register in person within 3 days after the entry of the sentencing order based upon his or her conviction.

(4) Any person unable to comply with the registration requirements of this Article because he or she is confined, institutionalized, or imprisoned in Illinois on or after January 1, 1996, shall register in person within 3 days of discharge, parole or release.

(5) The person shall provide positive identification and documentation that substantiates proof of residence at the registering address.

(6) The person shall pay a \$100 initial registration fee at the time of initial registration and at the time of each annual registration renewal to the registering law enforcement agency having jurisdiction. If the person is unable to pay the full amount of the fee in one lump sum, the registering law enforcement agency may establish a payment plan. If the person signs a statement under penalty of perjury affirming the person is indigent and unable to pay the registration fee in a lump sum or installments, the person shall perform 100 hours of community service within 90 days of registration, if community service is available. Thirty-five dollars of the \$100 fee shall be retained and a \$100 annual renewal fee. The fees shall be used by the registering agency for official purposes. The agency shall establish procedures to document receipt and use of the funds. The law enforcement agency having jurisdiction may waive the registration fee if it determines that the person is indigent and unable to pay the registration fee. Thirty-five dollars for the initial registration fee and \$35 of the annual renewal fee shall be used by the registering agency for

official purposes. Having retained \$35 of the initial registration fee and \$35 of the annual renewal fee, the registering agency shall remit the remaining \$65 of the fee to State agencies within 30 days of receipt for deposit into the State funds as follows:

(A) Five dollars of the initial registration fee and \$5 of the annual fee shall be remitted to the State Treasurer who shall deposit the moneys deposited

into the Sex Offender Management Board Fund under Section 19 of the Sex Offender Management Board Act. Money deposited into the Sex Offender Management Board Fund shall be administered by the Sex Offender Management Board and shall be used by the Board to comply with the provisions of the Sex Offender Management Board Act.

(B) Thirty dollars of the initial registration fee and \$30 of the annual renewal fee shall be remitted to the Department of State Police who shall deposit the moneys deposited into the Sex Offender Registration Fund and shall be used by the Department of State Police to maintain and update the Illinois State Police Sex Offender Registry.

(C) Thirty dollars of the initial registration fee and \$30 of the annual renewal fee shall be remitted to the Attorney General who shall deposit the moneys deposited into the Attorney General Sex Offender Awareness, Training, and Education Fund. Moneys deposited into the Fund shall be used by the Attorney General to administer the I-SORT program and to alert and educate the public, victims, and witnesses of their rights under various victim notification laws and for training law enforcement agencies, State's Attorneys, and medical providers of their legal duties concerning the prosecution and investigation of sex offenses.

The registering agency shall establish procedures to document the receipt and remittance of the \$100 initial registration fee and \$100 annual renewal fee.

(d) Within 3 days after obtaining or changing employment and, if employed on January 1, 2000, within 5 days after that date, a person required to register under this Section must report, in person to the law enforcement agency having jurisdiction, the business name and address where he or she is employed.
