PRESENTATION OF RESOLUTIONS

Senator Karpriel offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 134

WHEREAS, a majority of Illinois citizens make use of the technological advances provided by automated teller machines (ATM's) to conduct their banking; and

WHEREAS, ATM safety is becoming an important concern to Illinois citizens; and

WHEREAS, according to a Minnesota researcher, online debit cardholders initiate about 12 billion ATM transactions annually in the United States and about one in every 3.5 million ATM transactions results in a robbery; and

WHEREAS, many different proposals have been suggested to deter ATM-related crime; therefore be it

RESOLVED, BY THE SENATE OF THE NINETY-FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, That the Office of Banks and Real Estate shall conduct a study of safety and security issues surrounding the use of automated teller machines; and be it further

RESOLVED, That the study shall look at the current safety and security situation at Illinois financial institutions; and be it

further

RESOLVED, That the study shall also look at the merits and shortcomings of different proposals for increased security measures, including the reverse PIN warning safety system; and be it further

RESOLVED, That the Office of Banks and Real Estate shall issue a report of their findings to the General Assembly no later than December 31, 1999; and be it further

RESOLVED, That a copy of this resolution shall be forwarded to the Director of the Office of Banks and Real Estate.

Senator Karpel offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 135

WHEREAS, In 1982, the Department of Aging established 13 planning and service areas that develop a service delivery system for social and nutrition services needed by older Illinoisans; and

WHEREAS, The service areas have not been revised since they were created; and

WHEREAS, Illinois has experienced a continuous shifting of population through the years resulting in demographic changes within the service areas; and

WHEREAS, The population distribution of older Illinoisans may be

causing some service areas to represent more than their share of the population while other service centers represent a smaller percentage of the population; therefore be it

RESOLVED, BY THE SENATE OF THE NINETY-FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, That there is created within the Department of Aging a task force to study the feasibility of re-mapping planning and service areas; and be it further

RESOLVED, That the task force shall consist of one member from each planning and service area, appointed by the Director of the Department on Aging; and be it further

RESOLVED, That the Director of the Department of Aging shall appoint not more than 17 other members to the task force who shall be persons interested in the planning, development, delivery and administration of services to senior citizens; and be it further

RESOLVED, That the task force shall include in their study population totals, a summary of the required services and the population needs of each planning and service area; and be it further

RESOLVED, That task force members shall serve without compensation but shall be reimbursed for their necessary expenses actually incurred in performing their duties; and be it further

RESOLVED, That the task force shall report its findings and recommendations to the General Assembly no later than January 1, 2001; and be it further

RESOLVED, That a copy of this resolution shall be sent to the Director of the Department on Aging.
