**PRESENTATION OF RESOLUTION**

Senators Rauschenberger - Burzynski - Demuzio - Halvorson offered the following Senate Resolution, which was referred to the Committee on Rules:

**SENATE RESOLUTION NO. 147**

WHEREAS, Part-time and nontenure-track instructors have increased into a source of inexpensive labor in higher education; and

WHEREAS, A quality college or university must have a corps of full-time, permanent, tenured faculty coordinating the academic curriculum and teaching most of it; and

WHEREAS, Illinois public colleges and universities are resorting to replacing tenured and tenure-track faculty positions with

increasing numbers of nontenure-track and part-time teaching positions; and

WHEREAS, Courses should be taught only by highly qualified people, whether full-time or part-time, tenured or nontenured, who are paid a professional salary and included in academic processes; and

WHEREAS, National studies have shown that the majority of part-time faculty members teach under emphatically substandard conditions; and

WHEREAS, Part-time and nontenure track positions are disproportionately occupied by women; and

WHEREAS, National professional organizations representing university and community college faculty, administrators, and trustees have agreed that fair compensation for part-time and nontenure-track faculty should be based on commensurate qualifications with tenure-track faculty, with a goal of pro rata rather than per course hour rates; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIRST GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Board of Higher Education to review the growing dependence on part-time and nontenure-track faculty in Illinois colleges and universities; and be it further

RESOLVED, That each public university and community college governing board in the State provide a detailed report, with rationale, to the Board of Higher Education by November 15, 1999 regarding use and compensation of part-time and nontenure-track faculty, with the Board of Higher Education compiling the reports and providing them to the General Assembly by December 15, 1999; and be it further

RESOLVED, That the Board of Higher Education, in consultation with institutions and faculty organizations, consider policies designed to discourage overreliance on part-time and nontenure-track faculty for undergraduate instruction while protecting those instructors performing effectively in such positions; and be it further

RESOLVED, That the Board of Higher Education make recommendations to the General Assembly concerning the establishment of minimum salary and fringe benefits provisions indexed to tenure-track faculty compensation for part-time and nontenure-track faculty to ensure fair employment and consistent emphasis on quality instruction at all levels, from lower division through graduate instruction; and be it further

RESOLVED, That a copy of this resolution be delivered to the Board of Higher Education for reproduction and distribution to the governing boards of each of the public universities and public community college districts of this State.

At the hour of 9:30 o'clock a.m., Senator Donahue presiding.
