Sec. 15. Act Takes Precedence.

(a) In case of any conflict between the provisions of this Act and any other law, executive order or administrative regulation relating to wages, hours and conditions of employment and employment relations, the provisions of this Act or any collective bargaining agreement negotiated thereunder shall prevail and control. Nothing in this Act shall be construed to replace or diminish the rights of employees established by Sections 28 and 28a of the Metropolitan Transit Authority Act, Sections 2.15 through 2.19 of the Regional Transportation Authority Act.

(b) Except as provided in subsection (a) above, any collective bargaining contract between a public employer and a labor organization executed pursuant to this Act shall supersede any contrary statutes, charters, ordinances, rules or regulations relating to wages, hours and conditions of employment and employment relations adopted by the public employer or its agents. Any collective bargaining agreement entered into prior to the effective date of this Act shall remain in full force during its duration.

(b-5) Notwithstanding this or any other law, executive order, administrative regulation, or collective bargaining agreement to the

(c) It is the public policy of this State, pursuant to paragraphs (h) and (i) of Section 6 of Article VII of the Illinois Constitution, that the provisions of this Act are the exclusive exercise by the State of powers and functions which might otherwise be exercised by home rule units. (4) the employee has the opportunity to smuggle drugs to committed persons; or

(5) the employee is authorized to carry a firearm; or

(6) the employee is eligible for the security retirement formula.

(b) Notwithstanding a contractual provision or Section 15 of the Illinois Public Labor Relations Act to the contrary, if an employee or officer refuses to take a drug test, or if a drug test administered to an employee or officer shows a verified positive result, then the employee or officer shall be terminated from employment. All disciplinary action shall be in accordance with established Departmental procedures.

(c) Notwithstanding a contractual provision or Section 15 of the Illinois Public Labor Relations Act to the contrary, an employee or officer discharged from the Department for failure to take a drug test or for a positive test result may not be rehired.

(d) This Section shall not be construed to limit drug testing if there is reasonable suspicion that an employee or officer is under the influence of or using alcohol or an unauthorized drug. This Section may not be construed to limit post-accident testing or to limit the testing of an applicant for employment.

(e) Every person, including a correctional officer or administrative officer, entering a Department facility shall be subject to a search for drugs and contraband, either by a person, by a machine, or by a drug dog.

(f) Any person who refuses to be searched shall not be allowed

#### 91ST GENERAL ASSEMBLY CONFERENCE COMMITTEE REPORT ON SENATE BILL 1707

To the President of the Senate and the Speaker of the House of Representatives:

(2) that the bill be amended by replacing the title with the following:

"AN ACT concerning taxes."; and  
by replacing everything after the enacting clause with the following:  
Section 5. The Retailers' Occupation Tax Act is amended by changing Sections 5k and 11 as follows:

(35 ILCS 120/5k) (from Ch. 120, par. 444k)

Sec. 5k. The corporate authorities of any municipality or county that adopts an ordinance or resolution imposing or changing any limitation on the enterprise zone exemption for building materials shall transmit to the Department of Revenue on or not later than 5 days after publication, as provided by law, a certified copy of the ordinance or resolution imposing or changing those limitations, whereupon the Department of Revenue shall proceed to administer and enforce those limitations effective the first day of the second calendar month next following date of receipt by the Department of the certified ordinance or resolution. Nothing in this Act prevents the Director of Revenue from publishing or making available to the public the names and addresses of persons filing returns under this Act, or reasonable statistics concerning the operation of the tax by grouping the contents of returns so the information in any individual return is not disclosed.

Nothing in this Act prevents the Director of Revenue from divulging to the United States Government or the government of any other state, or any village that does not levy any real property taxes for village operations and that receives more than 60% of its general corporate revenue from taxes under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, or any officer or agency thereof, for exclusively official purposes, information received by the Department in administering this Act, provided that such other governmental agency agrees to divulge requested tax information to the Department.

The furnishing of financial information to a home rule unit that has imposed a tax similar to that imposed by this Act pursuant to its home rule powers, or to any village that does not levy any real property taxes for village operations and that receives more than 60% of its general corporate revenue from taxes under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act, upon request of the Chief Executive thereof, is an official purpose within the meaning of this Section, provided the home rule unit or village that does not levy any real property taxes for village operations and that receives more than 60% of its general corporate revenue from taxes under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act agrees in writing to the requirements of this Section.

For a village that does not levy any real property taxes for village operations and that receives more than 60% of its general corporate revenue from taxes under the Use Tax Act, Service Use Tax Act, Service Occupation Tax Act, and Retailers' Occupation Tax Act, the officers eligible to receive information from the Department of Revenue under this Section are the village manager and the chief financial officer of the village.

Information so provided shall be subject to all confidentiality

provisions of this Section.

The Director may make available to any State agency, including the Illinois Supreme Court, which licenses persons to engage in any occupation, information that a person licensed by such agency has failed to file returns under this Act or pay the tax, penalty and interest shown therein, or has failed to pay any final assessment of tax, penalty or interest due under this Act. The Director may also make available to the Secretary of State information that a limited liability company, which has filed articles of organization with the Secretary of State, or corporation which has been issued a certificate of incorporation by the Secretary of State has failed to file returns under this Act or pay the tax, penalty and interest shown therein, or has failed to pay any final assessment of tax,

penalty or interest due under this Act. An assessment is final when all proceedings in court for review of such assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted.

The Director shall make available for public inspection in the Department's principal office and for publication, at cost, administrative decisions issued on or after January 1, 1995. These decisions are to be made available in a manner so that the following taxpayer information is not disclosed:

(1) The names, addresses, and identification numbers of the taxpayer, related entities, and employees.

(2) At the sole discretion of the Director, trade secrets or other confidential information identified as such by the taxpayer, no later than 30 days after receipt of an administrative decision, by such means as the Department shall provide by rule.

The Director shall determine the appropriate extent of the deletions allowed in paragraph (2). In the event the taxpayer does not submit deletions, the Director shall make only the deletions specified in paragraph (1).
