PRESENTATION OF RESOLUTIONS

SENATE RESOLUTION NO. 6

Offered by Senator Clayborne and all Senators:
Mourns the death of Mrs. Jewel Lewis DeLaney.

SENATE RESOLUTION NO. 7

Offered by Senator Petka and all Senators:
Mourns the death of Gertrude C. Zalar of Joliet.

The foregoing resolutions were referred to the Resolutions Consent Calendar.

Senator O'Malley offered the following Senate Resolution, which
[Jan. 11, 2001]

was referred to the Committee on Rules:

SENATE RESOLUTION NO. 8

WHEREAS, The United States Congress has called breast cancer a "growing epidemic", and breast cancer is the leading form of cancer among American women; and

WHEREAS, It is estimated that 182,000 new cases of breast cancer will be diagnosed each year in American women, and breast cancer is a major cause of death among middle-aged women; it is estimated that 46,000 women will die each year from breast cancer; and

WHEREAS, American women, in general, have at least a 10% lifetime risk of developing breast cancer; and

WHEREAS, It is reported that the risk of breast cancer increases 30% in women who had an abortion; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that there is created the Abortion-Breast Cancer Task Force consisting of 5 members of the Senate, with 3 members appointed by the President of the Senate (one of whom shall be designated as chairperson) and 2 members appointed by the Minority Leader of the Senate; all of whom shall serve without compensation; and be it further

RESOLVED, That the Task Force members shall be appointed within 30 days after the adoption of this Resolution and that the Task Force shall convene its first meeting no later than 45 days after the adoption of this Resolution; and be it further

RESOLVED, That the Task Force shall study various issues relating to the link between cancer and abortion, and that the Task Force shall examine, among other issues it chooses to investigate, the following:

- (1) Is there a link between induced abortion and breast cancer?
- (2) Is there a link between miscarriage (spontaneous abortion) and breast cancer?
- (3) Is there a plausible biological mechanism that can explain how abortion could increase the risk of breast cancer?
- (4) Is there any experimental evidence in addition to epidemiological evidence of an abortion-breast cancer link?
- (5) Is there evidence that abortion interacts with any other variables known to influence breast cancer risk, such as age, number and timing of children, and family history of breast cancer?
- (6) What action is necessary to ensure that women and their doctors are well informed about health risks identified by the Task Force?; and be it further

RESOLVED, That the Task Force shall meet at the call of the chairperson, shall hold public meetings, shall receive the assistance of legislative staff, and shall report its findings and recommendations concerning various issues relating to the existence of a link between abortion and breast cancer to the Senate by filing a copy of its report with the Secretary of the Senate on or before January 1, 2002; and that upon filing its report the Task Force is dissolved.
