Is there any discussion? If not, the question is, shall Senators Harris, Lightford, Van Pelt, Rose, Plummer, Stewart, and Wilcox be allowed to participate and vote remotely for the April 20th, 2021 Session for the -- pursuant to Senate Rule 4-1(e). All those in favor will say Aye. Opposed, say Nay. In the opinion of the Chair, the Ayes have it, and the motion carries. And Senators Harris, Lightford, Van Pelt, Rose, Plummer, Stewart, and Wilcox are allowed to participate and vote remotely for the April 20th, 2021 Session Day. Senator -- for those for {sic} you presenting -- participating remotely today or in the future, we have a few tips to make the process more efficient and transparent. When you are speaking or voting, you must have your camera on so that the Senate and those watching can verify your identity and vote intention. The Senate will not record a Member's vote if the Member's identity and intention has not been verified. And when voting, please wait until your video comes up and then clearly, with sufficient volume, state your name and your vote, and the Chair will then state your vote for the record.
