1. PRESIDENT:

2. The Senate will come to order. Prayer by the Chaplain,
3. Reverend Rudolph S. Schoultz, pastor of the Union Baptist Church
4. of Springfield.

5. REVEREND SCHULZ:

6. (Prayer.)

7. PRESIDENT:

8. Reading of the Journal. Moved by Senator Course that
9. the reading of the Journal be dispensed with. All in favor
10. signify by saying aye. Contrary minded. Motion prevails.
11. Committee reports. Any resolutions? We have some congratu-
12. latory resolutions. Senator Cherry?

13. SENATOR CHERRY:

14. I'd like to make an announcement, Mr. President. Last
15. evening I stated that we would have a meeting of the Executive
16. Committee relating to the Message that we received from the
17. Governor's office with respect to some appointments. I now
18. would like to announce that the Executive Committee will meet
19. immediately after adjournment of this morning's Session. And
20. I'd like to move to suspend the Rules to waive the posting of
21. notices.

22. PRESIDENT:

23. Is there objection? Leave is granted. We have some
24. congratulatory resolutions. Is Senator Mitchler on the Floor?
25. You . . . I understand that three of these are yours, Senator.
26. Senator Donnewald, do you have . . . Senator Donnewald?
27. Senator Donnewald, do you have a congratulatory resolution
28. here?

29. SENATOR DONNEWALD:

30. Yes. Yes, that congratulatory . . . I think it has to
31. do with the present American Legion Commander of the State of
32. Illinois.

33.

1. PRESIDENT:

2. Is there objection to the immediate consideration? All
3. in favor signify by saying aye. Contrary minded. The resolution
4. is adopted. Senator Mitchler?

5. SENATOR MITCHLER:

6. The . . . The other three are also for the officers of
7. the American Legion. I'd ask for immediate adoption consideration.

8. PRESIDENT:

9. Is there objection? All in favor signify by saying aye.
10. Contrary minded. The resolution is adopted. We have some
11. Messages from the House.

12. SECRETARY:

13. Message from the House by Mr. Selcke, Clerk: Mr. President--
14. I am directed to inform the Senate that the House of Representa-
15. tives has adopted an admendment offered by the Governor to a
16. bill of the following title in the adoption of which I am
17. instructed to ask the concurrence of the Senate to wit: House
18. Bill 515. Senator McCarthy is the Senate sponsor.

19. PRESIDENT:

20. Senator McCarthy.

21. SENATOR MCCARTHY:

22. Yes, Mr. President and members of the Senate. I would ask
23. that the Senate concur in accepting the specific recommendations
24. of the Governor on House Bill 515. What this was was the pur-
25. chase of the Governor Oglesby Mansion, and the Governor made
26. some deletions in the bill at the suggestion of the Attorney
27. General insofar as the leasing capacity is concerned. The
28. bill is acceptable to the sponsor in the House. The Governor's
29. recommendations were adopted there. I would solicit and encourage
30. this Body to accept the Governor's recommendations. I ask for
31. a favorable roll call.

32. PRESIDENT:

33. Senator . . . Senator Soper is recognized.

1. SENATOR SOPER:

2. Senator . . . Senator McCarthy, would you explain how much
3. this entails. That . . . Was there a change in the money
4. involved?

5. SENATOR McCARTHY:

6. There was no change in the money involved. It was \$50 thousand.

7. SENATOR SOPER:

8. How much?

9. SENATOR McCARTHY:

10. It was \$50 thousand.

11. SENATOR SOPER:

12. And the only thing that was changed was the leasing privileges?

13. SENATOR McCARTHY:

14. That is correct. I can read from the Digest here. I'm
15. reading from the Digest: "It appropriates \$50 thousand for the
16. purchase and rehabilitation of the home of former Governor
17. Richard J. Oglesby." The Governor's action was an amendatory
18. veto. The Governor recommends deletion of leasing authority
19. and authority to turn over residual funds to lessee. And it
20. goes on with the rationale. And the substantive implications
21. are none with the exception of the deletion of the section
22. deemed unconstitutional by the Attorney General. Does that
23. answer your question, Senator? Thank you.

24. PRESIDENT:

25. Is there further discussion? Motion by Senator McCarthy to
26. accept the specific recommendations of the Governor on House
27. Bill 515, and on that question the Secretary will call the roll.

28. SECRETARY:

29. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
30. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course,
31. Davidson, Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham,
32. Groen, Hall, Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel,
33. Kosinski, Kusibab, Latherow, Laughlin, Lyons, McBroom, McCarthy,

1. Merritt, Mitchler, Mohr, Neistein, Newhouse, Nihill, O'Brien,
2. Ozinga, Palmer, Partee, Rock, Romano, Rosander, Saperstein,
3. Savickas, Smith, Soper, Sours, Swinarski, Vadalabene, Walker,
4. Weaver.

5. PRESIDENT:

6. Soper, aye. Merritt, aye. Mitchler, aye. Sours, aye. Graham,
7. aye. Ozinga, aye. Rosander, aye. On that question the yeas
8. are 45; the nays are none. The Senate accepts the specific
9. recommendations of the Governor. Senator Merritt.

10. SENATOR MERRITT:

11. Mr. President and members of the Senate, while we're on
12. that same order of business, I assume, I would like to move that
13. the Senate concur in the Governor's changes in Senate Bill 1581
14. which is a bill covering the creek and flood control projects.
15. The Governor deleted three sections . . .

16. PRESIDENT:

17. Just Just a moment. We're not sure . . . Oh, oh,
18. here. I see where it is. We're on Messages right now, from
19. the House. We'll get to that very shortly.

20. SENATOR MERRITT:

21. Oh. Fine. Okay.

22. PRESIDENT:

23. An additional messages from the House.

24. SECRETARY:

25. Message from the House by Mr. Selcke, Clerk: Mr. President--
26. I am directed to inform the Senate that the House of Representatives
27. has adopted an amendment offered by the Governor to a bill of the
28. following title in the adoption of which I am instructed to
29. ask the concurrence of the Senate to wit: House Bill 1984. And
30. it's Senator Newhouse is the Senate sponsor.

31. PRESIDENT:

32. Senator Newhouse, this is on House Bill 1984. Do you wish
33. to make a motion in that connection?

1. SENATOR NEWHOUSE:

2. Hold it.

3. PRESIDENT:

4. Secretary's Desk.

5. SECRETARY:

6. Message from the House by Mr. Selcke, Clerk: Mr. President--
7. I am directed to inform the Senate that the House of Representatives
8. has adopted an amendment offered by the Governor to a bill of the
9. following title in the adoption of which I am instructed the
10. concurrence of the Senate, to wit: House Bill 3090. And that
11. is also Senator Newhouse.

12. PRESIDENT:

13. Uh . . . Secretary's Desk, temporarily anyway. We have
14. some Senate bills returned by the Governor. Senator Merritt
15. wishes to make a motion in connection with Senate Bill 1581.

16. SENATOR MERRITT:

17. Yes, . . . Yes, Mr. President and members of the Senate.

18. Uh . . . The Governor returned Senate Bill 1581, deleting
19. three sections, 20, 21, and 24, because each of those sections
20. were covered under House Bill 4373, 3763, and House Bill 4606
21. which have been signed into law. And I would move that the Senate
22. concur with the Governor's changes.

23. PRESIDENT:

24. The motion by Senator Merritt that the Senate accept the
25. specific recommendations of the Governor. Is there any discussion?
26. On that question the Secretary will call the roll.

27. SECRETARY:

28. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
29. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson,
30. Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen, Hall,
31. Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosinski, Kusibab,
32. Latherow, Laughlin, Lyons, McBroom, McCarthy, Merritt, Mitchler,
33. Mohr, Neistein, Newhouse, Nihill, O'Brien, Ozinga, Palmer, Partee,

1. Rock, Romano, Rosander, Saperstein, Savickas, Smith, Soper,
2. Sours, Swinarski, Vadalabene, Walker, Weaver.

3. PRESIDENT:

4. McBroom, aye. Knuepfer, aye. Vadalabene, aye. On that
5. question the yeas are 40; the nays are none. The Senate
6. accepts the specific recommendations of the Governor. Are
7. there other Senators who wish to make motions in connections
8. with any of these Senate bills returned by the Governor?
9. Senator Hynes.

10. SENATOR HYNES:

11. Senate . . . Senate Bill 970 was returned with specific
12. recommendations for change by the Governor and I move to accept
13. those specific recommendations. Very briefly, this bill provides
14. an educational pay bonus for policemen who take law enforcement
15. courses at the college level. The Governor approved the program
16. in principle, but deleted the final section of the bill which
17. contained an earmarking of funds appropriated to the Law Enforce-
18. ment Commission, because after the passage of the bill by the
19. Senate in June of this year it was discovered that that was
20. impermissible under federal law. A compan . . . A . . . An
21. appro . . . separate appropriation bill will be introduced to
22. fund this program. The amount involved is \$250 thousand for the
23. first year of its operation. I think it is a desirable program
24. and I would urge that these recommendations be accepted.

25. PRESIDENT:

26. Is there any discussion? On that question the Secretary
27. will call the roll.

28. SECRETARY:

29. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
30. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson,
31. Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen, Hall,
32. Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosinski, Kusibab,
33. Latherow, Laughlin, Lyons, McBroom, McCarthy, Merritt, Mitchler,

1. Mohr, Neistein, Newhouse, Nihill, O'Brien, Ozinga, Palmer, Partee,
2. Rock, Romano, Rosander, Saperstein, Savickas, Smith, Soper, Sours,
3. Swinarski, Vadalabene, Walker, Weaver.

4. PRESIDENT:

5. On that question the yeas are 42; the nays are none. The
6. Senate concurs in the specific recommendations of the Governor.
7. Are there . . . Senator Newhouse.

8. SENATOR NEWHOUSE:

9. Mr. President, I'd like to ask leave to move from the
10. Secretary's Desk two bills that I had which I've subsequently
11. had the opportunity to examine.

12. PRESIDENT:

13. All right. What . . . What was the number for the first
14. one?

15. SENATOR NEWHOUSE:

16. House Bill 1984.

17. PRESIDENT:

18. House Bill 1984. Senator Newhouse.

19. SENATOR NEWHOUSE:

20. Mr. President, gentlemen, this is one in that series of
21. bills of the Corrections Code, and what it does is under the
22. bill for business offenses, it deletes a section of that bill
23. which would provide for a fine and sets the amount of the fine
24. at a rate that was consistent with what the recommendations were
25. for this series of bills. And I move its adoption.

26. PRESIDENT:

27. Senator Knuepfer.

28. SENATOR KNUEPFER:

29. Senator Newhouse, I'm just trying to get squared away as
30. to where these bills are. This has received an amendatory veto,
31. as I understand it. Now, what motion are you making relative
32. to that amendatory veto?

33.

1. PRESIDENT:

2. Senator Newhouse.

3. SENATOR NEWHOUSE:

4. My motion is to accept the amendatory veto.

5. PRESIDENT:

6. Is there further discussion? Motion . . . Motion by
7. Senator Newhouse that the specific recommendations of the
8. Governor be accepted, and on that question the Secretary
9. will call the roll.

10. SECRETARY:

11. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
12. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course,
13. Davidson, Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham,
14. Groen, Hall, Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel,
15. Kosinski, Kusibab, Latherow, Laughlin, Lyons, McBroom, McCarthy,
16. Merritt, Mitchler, Mohr, Neistein, Newhouse, Nihill, O'Brien,
17. Ozinga, Palmer, Partee, Rock, Romano, Rosander, Saperstein,
18. Savickas, Smith, Soper, Sours, Swinarski, Vadalabene, Walker,
19. Weaver.

20. PRESIDENT:

21. Lyons, aye. Neistein, aye. Swinarski, aye. Latherow, aye.
22. On that question the yeas are 38; the nays are none. The
23. Senate accepts the specific recommendations of the Governor.
24. Senator Newhouse, you have one other bill there. What is that
25. number?

26. SENATOR NEWHOUSE:

27. Uh . . . Bill No. . . . House Bill 3090.

28. PRESIDENT:

29. 3090.

30. SENATOR NEWHOUSE:

31. Mr. . . . Mr. President, Senators, I'd just like to call
32. your attention to something. I was reading from two bills here
33. and I explained the wrong one, but they do do substantially the

1. same thing. Now, House Bill 3090 . . .

2. PRESIDENT:

3. Just . . . Just a moment. Let's have some order.

4. SENATOR NEWHOUSE:

5. House Bill 3090 is a bill entitled, the Economic Poison
6. Law, and it has to do with business offenses. And what has
7. happened in this bill that there was a failure to delete the
8. imprisonment as a punishment for violation of this law, and
9. the Governor's recommendation deletes the imprisonment feature of
10. this bill and I would recommend that we approve the Governor's
11. recommendation.

12. PRESIDENT:

13. Is there any discussion? Senator Sours.

14. SENATOR SOURS:

15. I still don't know, Mr. President and Senators, what the
16. bill does, Senator Newhouse.

17. PRESIDENT:

18. Senator Newhouse.

19. SENATOR SOURS:

20. What is changed?

21. SENATOR NEWHOUSE:

22. All right. This is . . . These are the business offenses
23. under the Criminal Code, Senator, and one of those business
24. offenses is for under the Economic Poison Law section of the
25. Act. And under that section, we have provided for penalties,
26. but among the penalties provided for was not an imprisonment
27. feature. There is an imprisonment feature as it presently
28. reads and that imprisonment feature is being deleted.

29. PRESIDENT:

30. Is there further discussion? Senator Partee.

31. SENATOR PARTEE:

32. I'm sorry I missed it. Is this the one that relates to
33. the Anti-Trust Act? Is this a part of the Corrections Code?

1. PRESIDENT:

2. Senator Newhouse.

3. SENATOR NEWHOUSE:

4. This is part of the Corrections Code, Senator, and it's
5. the Economic Poison Law. I don't think it has to do with the
6. Anti-Trust Act.

7. PRESIDENT:

8. Is there further . . . Senator Clarke.

9. SENATOR CLARKE:

10. Just for my edification, could the Senator tell me where
11. this bill is? I don't see it on my Calendar anywhere.

12. PRESIDENT:

13. This . . . This came over as a Message from the House. This
14. is a bill that was veto . . . that was modified by the Governor.

15. SENATOR CLARKE:

16. I see.

17. PRESIDENT:

18. Is there further discussion? Senator Newhouse moves that
19. the Senate accept the specific recommendations of the Governor,
20. and on that question the Secretary will call the roll.

21. SECRETARY:

22. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier, Carroll,
23. Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson, Donnewald,
24. Dougherty, Egan, Fawell, Gilbert, Graham, Groen, Hall, Harris,
25. Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosinski, Kusibab, Latherow,
26. Laughlin, Lyons, McBroom, McCarthy, Merritt, Mitchler, Mohr, Neistein,
27. Newhouse, Nihill, O'Brien, Ozinga, Palmer, Partee, Rock, Romano,
28. Rosander, Saperstein, Savickas, Smith, Soper, Sours, Swinarski,
29. Vadalabene, Walker, Weaver.

30. PRESIDENT:

31. Ozinga, aye. Baltz, aye. On that question the yeas are 42;
32. the nays are none. The Senate accepts the specific recommendations
33. of the Governor. The, uh . . . Senator . . . Senator McBroom,

1. do you wish to make a motion in connection with Senate Bill 1424?
2. That . . . It's on the Calendar. It's returned by the Governor
3. with specific recommendations for change.

4. SENATOR McBROOM:

5. Can we come back to that? Can we come back to it, Paul?

6. PRESIDENT:

7. Certainly. Senator Kosinski.

8. SENATOR KOSINSKI:

9. Mr. President, members of the Senate, regarding Senate
10. Bill 1561, it provided for scholarships for dependents of
11. Illinois residents who are prisoners of war and missing in
12. action. The Governor had vetoed the bill, and I, at this
13. time, accept the Governor's veto. I had been sponsor of House
14. Bill 4219 which covers the same protection, so I now move for
15. the Senate to accept the Governor's veto.

16. PRESIDENT:

17. The . . . It simply will be removed from the Calendar. Motion
18. is not required. Any member who wishes to remove one of his
19. bills returned by the Governor, Senate bills, and doesn't want
20. to make a motion on it, you can indicate either to the Chair
21. or to the Secretary and we can remove them from the Calendar. Is
22. there further business to come before this regular Session? Senator
23. Partee? Did you reach any decision on these bills that came over
24. with a . . .

25. SENATOR PARTEE:

26. Oh, yes. You may call them. We have some conference committee
27. reports . . . conference committees to appoint on some of them.

28. PRESIDENT:

29. All right. We have some Messages from the House. Now these
30. are on bills . . . These are Messages that have come over here
31. now, bills that were acted upon very late in the Session that met in
32. June.

33.

1. SECRETARY:

2. Message from the House by Mr. Selcke, Clerk: Mr. President--
3. I am directed to inform the Senate that the House of Representatives
4. has refused to recede from their amendment to a bill of the following
5. title, Senate Bill 1393. And Senator Coulson is the Senate
6. sponsor.

7. PRESIDENT:

8. Senator Coulson. He's going to check on that. Can we move
9. to the next one.

10. SECRETARY:

11. Senate Bill No. 1290, and . . . Message from the House
12. by Mr. Selcke, Clerk: Mr. President--I am directed to inform
13. the Senate that the House of Representatives has concurred with
14. the Senate in the passage of a bill with the following title,
15. Senate Bill 1409. And Senator Partee is the sponsor of that
16. bill.

17. PRESIDENT:

18. Senator Partee.

19. SENATOR PARTEE:

20. What is the . . . Oh, is it the Voting Age Bill? Election
21. Code. Well, just hold that one moment, would you?

22. PRESIDENT:

23. It will be held.

24. SECRETARY:

25. Senate Bill No. 1290 is Senator Berning's.

26. PRESIDENT:

27. Senator Berning is recognized for the purpose of making a
28. motion.

29. SENATOR BERNING:

30. Yes, Mr. President, I would request that the . . . that a
31. conference committee be appointed and meet with the House Committee.

32. PRESIDENT:

33. Senator Berning moves that the Senate refuse to recede and

1. requests the appointment of a conference committee. All . . .

2. Senator Laughlin.

3. SENATOR LAUGHLIN:

4. Pardon?

5. PRESIDENT:

6. Senator Laughlin.

7. SENATOR LAUGHLIN:

8. In Revenue? All right. No objection. I'm waiting for

9. Senator Vadalabene, I think.

10. PRESIDENT:

11. All in favor of the motion indicate by saying aye. Contrary

12. minded. The motion prevails. We have a House bill Senator

13. Vadalabene is the sponsor of. We have a Message from the House,

14. Senator Vadalabene, on a bill of yours here now.

15. SECRETARY:

16. Message from the House by Mr. Selcke, Clerk: Mr. President--

17. I am directed to inform the Senate that the House of Representatives

18. has refused to concur with the Senate in the adoption of their

19. amendment to a bill of the following title, to wit: House Bill 4285.

20. Senator Vadalabene is the Senate sponsor.

21. PRESIDENT:

22. Senator Vadalabene.

23. SENATOR VADALABENE:

24. Yes, Mr. President and members of the Senate, I do not

25. recede and want this bill . . . a conference committee appointed

26. to this bill.

27. PRESIDENT:

28. Senator Laughlin.

29. SENATOR LAUGHLIN:

30. Mr. President, will Senator Vadalabene yield?

31. PRESIDENT:

32. Senator Vadalabene indicates he will yield.

33.

1. SENATOR LAUGHLIN:

2. Yes, this is the bill, Senator Vadalabene, that passed the
3. House and affects the salaries of local officials, county officials,
4. does it not?

5. PRESIDENT:

6. Senator Vadalabene.

7. SENATOR VADALABENE:

8. Yes, sir.

9. SENATOR LAUGHLIN:

10. And you amended it successfully in the Senate to not only
11. increase the maximum, but to raise the minimums. Is that correct?

12. PRESIDENT:

13. Senator Vadalabene.

14. SENATOR VADALABENE:

15. That is correct.

16. SENATOR LAUGHLIN:

17. All right. Now, so that I get the chronology right, this
18. bill then went back to the House and the House refused to accept
19. the Senate amendment.

20. PRESIDENT:

21. Just . . . Just a moment. Let's have some order, please.
22. Gentlemen.

23. SENATOR LAUGHLIN:

24. And the House refused to accept the Senate amendment. Is
25. that correct? And now it's been sent back. I want to make sure
26. because, of course, I opposed your amendment and rumor has it
27. that this is to provide the vehicle for all the goodies to be on
28. and I just want to make my point clear right now, and I want to
29. be recorded right on this motion. Your motion is what, so I
30. understand how to vote?

31. PRESIDENT:

32. Senator Vadalabene.

33.

1. SENATOR VADALABENE:

2. That a conference committee be appointed.

3. PRESIDENT:

4. Senator Laughlin.

5. SENATOR LAUGHLIN:

6. I don't know how it works. I don't think that is technically,
7. but I want to be recorded on this roll call in such a manner as
8. to reflect the fact that I think the House is right and that the
9. bill prior to the amendment by Senator Vadalabene was right, and
10. I just was . . . I'm trying to get this straight so I'm recorded
11. correctly on this.

12. PRESIDENT:

13. Now the motion is to refuse to recede from the amendment.
14. We . . . All right. Senator Laughlin wishes to have a roll
15. call at that point. Senator Sours.

16. SENATOR SOURS:

17. Mr. President, I have a question for Senator Vadalabene, if
18. he's available for an answer.

19. PRESIDENT:

20. He indicates he will yield.

21. SENATOR SOURS:

22. Senator, now this bill as it left the Senate had an amendment
23. on it that fixed a minimum. Is that true?

24. PRESIDENT:

25. Senator Vadalabene.

26. SENATOR VADALABENE:

27. Yes, sir, that is correct.

28. PRESIDENT:

29. Senator Sours.

30. SENATOR SOURS:

31. Is it your candid opinion that we fix minimums and therefore
32. we ought to intervene in the local business of government in which
33. these minimums are concerned, or do we just fix the minimum and

1. then go home?

2. PRESIDENT:

3. Senator Vadalabene.

4. SENATOR VADALABENE:

5. You mean to go home? I'm for that, Senator Sours.

6. PRESIDENT:

7. Senator Sours.

8. SENATOR SOURS:

9. I should like to make this point. I think the time is far
10. long past where we should intervene on purely local matters. Now
11. by fixing a maximum, we do not intervene other than . . .

12. PRESIDENT:

13. Just a moment. Senator Sours is entitled to be heard. Let's
14. hold down the noise. Senator Donnewald. Senator Sours.

15. SENATOR SOURS:

16. By fixing a maximum, we are simply telling the body which
17. will do something about salaries and emoluments and compensation
18. that they may go so far. But once we fix the minimum, we are,
19. in fact, . . . We are, in fact, being the people who voted
20. those people into office and directing them to do a certain
21. thing. Now once we dictate a minimum, you understand that that
22. will filter down to every conceivable employee. All of them
23. will come in. They'll want minimums because we will then be
24. telling the local taxing body and its citizens you didn't do
25. right. We have more knowledge of this than you do. Therefore
26. we're going to repudiate the people you elected to fix these
27. salaries and therein lies the vice of any minimum, and I say
28. that and I know in my time we've had minimums fixed but they're
29. vicious because we are then getting rid of local government
30. and substituting our wisdom or its lack for the wisdom of the
31. local people who go and vote.

32. PRESIDENT:

33. Senator Neistein.

1. SENATOR NEISTEIN:

2. Senator Sours, Senator Sours, did my ears hear me correctly?
3. Does your philosophy apply to any bills that refer to Chicago, too,
4. that we shouldn't mix in in the Legislature here and saddle them
5. with certain restrictions, et cetera? Does your rationale follow
6. through all the way or does it stop at the Chicago city limits?

7. PRESIDENT:

8. Senator Sours.

9. SENATOR SOURS:

10. Senator, it's never . . . it's never intervened, it's never
11. gotten into the Chicago city limits. I like to let the Chicago
12. people make their own decisions, every now and then calling to
13. their attention, however, the lack of maybe unwisdom. Now, I
14. think you and some of the others there have had your kicks in
15. life. We've been kicked around a little in my town where I
16. grew up. If your name was Cecil or Hudson, the chances are
17. you'd have a cauliflower ear by the time you're seven, and I
18. mean just that. Now, however, if we are going to intervene in
19. the local public matters of fixing salaries, we'd better go and
20. be prepared to do more than that and operate the government down there.
21. To me, that's wrong.

22. PRESIDENT:

23. Is there further discussion? The ques . . . The motion is
24. by Senator Vadalabene that the Senate refuse to recede from its
25. amendment and request a conference committee, and Senator Laughlin
26. has requested a roll call, and on that question the Secretary
27. will call the roll.

28. SECRETARY:

29. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier,
30. Carroll, Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson,
31. Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen, Hall,
32. Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosinski, Kusibab,
33. Latherow, Laughlin, Lyons, McBroom, McCarthy, Merritt, Mitchler,

1. Mohr, Neistein, Newhouse, Nihill, O'Brien, Ozinga, Palmer, Partee,
2. Rock, Romano, Rosander, Saperstein, Savickas, Smith, Soper, Sours,
3. Swinarski, Vadalabene, Walker, Weaver.

4. PRESIDENT:

5. Carpentier, no. Bruce, no. Carroll, no. On that question
6. the yeas are 31; the nays are 11. The Senate refuses to recede
7. and requests a conference committee. Senator Partee.

8. SENATOR PARTEE:

9. Let the records show that to this committee, this conference
10. committee on House Bill 4285, I am appointing Senators Cherry,
11. Donnewald, Clarke, Knuepfer, and Partee.

12. PRESIDENT:

13. Do we have any . . . We have a conference committee report.

14. SECRETARY:

15. These are the members that have been appointed to the conference
16. committee on Senate Bill 1290: Senators Dougherty, Neistein, Lyons,
17. Berning, and Merritt.

18. PRESIDENT:

19. Are there any further motions, any further business to come
20. before the Body at this time? Senator Graham.

21. SENATOR GRAHAM:

22. Just a question, Mr. President, probably from you or Senator
23. Partee or Senator Clarke. As we proceed along in these few days
24. meeting here, are we going to continue the practice we had previously
25. adopted that when a conference committee reports come in for either
26. rejection or adoption, that all the members of the Senate will have
27. the same . . . copy of same on their desks?

28. PRESIDENT:

29. Senator Partee.

30. SENATOR PARTEE:

31. Yes, I think that's particularly indicated in this Session,
32. Senator, and while I'm up, let me say we're going to go immediately
33. now pursuant to the motion already made by Senator Cherry to the

1. Executive Committee hearing in Room 212. Is that where it is? Or
2. we could do it on the Floor. Why don't we have it on the Floor?

3. PRESIDENT:

4. Just . . . Just . . .

5. SENATOR PARTEE:

6. Why go anywhere?

7. PRESIDENT:

8. In . . . In . . . We have spec . . .

9. SENATOR PARTEE:

10. All right. It's been arranged. All right. We'll go to
11. 212. It's been arranged there.

12. PRESIDENT:

13. Well, now, just a second. We have the Special Session
14. that has to follow immediately after this one . . .

15. SENATOR PARTEE:

16. All right.

17. PRESIDENT:

18. . . . and then Executive Committee.

19. SENATOR PARTEE:

20. Then Executive, and then, from this Session, I want it
21. clearly understood so that it doesn't get past us, that after
22. the Executive meeting we will come back, because we'll only
23. recess and return about 3:30 for the purpose of accepting the
24. Executive Committee report. That has to be done, too, I think,
25. today.

26. PRESIDENT:

27. The motion then, so we understand what we're doing, the
28. motion is to recess this Session until 3:30. We will then
29. immediately follow this Session with the Special Session, then
30. the Executive Committee will meet and then we'll come back into
31. the regular Session at 3:30. Is there any question on that?
32. Motion is that the Senate recess until 3:30. Will the Senators
33. please remain because we're going to have the Special Session

1. immediately. All in favor signify by saying aye. Contrary
2. minded. The Senate stands in recess.
3.

4. AFTERNOON SESSION

5.
6. PRESIDENT:

7. Senate will come to order. The Chair recognizes Senator
8. Rock.

9. SENATOR ROCK:

10. Yes, Mr. President and members of the Senate, I'd like
11. to ask leave of this Body to have the Journals of the preceding
12. days, for both the regular and Special Sessions reflect the
13. fact that Senator Johns is absent due to the fact that he is
14. hospitalized. I ask leave of this Body.

15. PRESIDENT:

16. The Journal will so show. Senator Partee.

17. SENATOR PARTEE:

18. We would like to have, Mr. President, a caucus for about
19. 15 minutes for both sides, and I think then we could come back
20. then and finalize some business.

21. PRESIDENT:

22. Motion is that the Senate stand in recess for 15 minutes--
23. I hope. All in favor signify by saying aye. Contrary minded.
24. Motion carries. Senator Bidwill.

25. SENATOR BIDWILL:

26. Republican caucus, 419, immediately.
27.

28. AFTER RECESS

29.
30. PRESIDENT:

31. The Senate will come to order. Incidentally, before we
32. proceed with the next item of business, I've been asked to
33. announce that the Legislative Reference Bureau Advisory Commission

1. will not meet tonight, but will meet December 14th, State House
2. Inn at 6:30. Senator McBroom is recognized in connection with
3. Senate Bill 1424. Senator McBroom.

4. SENATOR McBROOM:

5. Yes, Mr. President and members of the Senate, I'd simply
6. like to move to accept the recommendations of the Governor as
7. to Senate Bill 1424. This changes the method of payment on
8. the Supervisor of Assessment's salary. I'd be happy to explain
9. it further if it's necessary. I don't believe it is. I talked
10. to Senator Partee about it.

11. PRESIDENT:

12. Is there any discussion? Secretary will call the roll.
13. Motion is to accept the specific recommendations of the Governor.
14. On that question the Secretary will call the roll.

15. SECRETARY:

16. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier, Carroll,
17. Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson, Donnewald,
18. Dougherty, Egan, Fawell, Gilbert, Graham, Groen, Hall, Harris, Horsley,
19. Hynes, Johns, Knuepfer, Knuppel, Kosinski, Kusibab, Latherow, Laughlin,
20. Lyons, McBroom, McCarthy, Merritt, Mitchler, Mohr, Neistein, Newhouse,
21. Nihill, O'Brien, Ozinga, Palmer, Partee, Rock, Romano, Rosander,
22. Saperstein, Savickas, Smith, Soper, Sours, Swinarski, Vadalabene,
23. Walker, Weaver.

24. PRESIDENT:

25. Cherry, aye. On that question the yeas are 43; the nays are
26. none. The Senate accepts the specific recommendations of the
27. Governor. In connection with Senate Bill 1318, the Chair recognizes
28. Senator Partee.

29. SENATOR PARTEE:

30. These are the revisionary bills which were co-sponsored by
31. Senators Horsley and myself. The Veto Message is clear. I don't
32. think there is anyone who has any upset or frustration about it, and
33. I would move that we have a favorable roll call.

1. PRESIDENT:

2. Is there any dis . . .

3. SENATOR PARTEE:

4. I'm accepting the veto.

5. PRESIDENT:

6. Any discussion? Motion is that the Senate concur in the
7. specific recommendations of the Governor. On that question the
8. Secretary will call the roll.

9. SECRETARY:

10. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier, Carroll,
11. Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson,
12. Donnewald, Dougherty, Egan, Fawell, Gilbert, Graham, Groen, Hall,
13. Harris, Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosinski, Kusibab,
14. Latherow, Laughlin, Lyons, McBroom, McCarthy, Merritt, Mitchler,
15. Mohr, Neistein, Newhouse, Nihill, O'Brien, Ozinga, Palmer, Partee,
16. Rock, Romano, Rosander, Saperstein, Savickas, Smith, Soper, Sours,
17. Swinarski, Vadalabene, Walker, Weaver.

18. PRESIDENT:

19. Kosinski, aye. On that question the yeas are 45; the nays
20. are none. The Senate accepts the specific recommendations of the
21. Governor. Senator Vadalabene is recognized in connection with
22. House Bill 4285. Senator Vadalabene.

23. SENATOR VADALABENE:

24. Thank you, Mr. President and members of the Senate. I would
25. like at this time to reconsider the vote on which . . . No, I
26. would like to . . . Yes, reconsider the vote on which House Bill
27. 4285 was taken.

28. PRESIDENT:

29. Motion is to reconsider the vote by . . .

30. SENATOR VADALABENE:

31. Having voted on the prevailing side.

32. PRESIDENT:

33. . . by which the Senate refused to recede from the House

1. amendment on House Bill 4285. Wait a minute . . . from the
2. Sen . . . which the Senate refused to recede from the Senate
3. amendment on House Bill 4285. Is there any discussion? All
4. in favor signify by saying aye. Senator Partee.

5. SENATOR PARTEE:

6. Now if the Senate refuses to recede from the Senate amend-
7. ment, then the bill has to go back to the House. I don't think
8. this is the posture in which we want it. I think what he is
9. asking is, that the . . . we reconsider the vote by which we
10. refused to accede to the House . . . to the . . . to the amend-
11. ment and then to withdraw from our former position so we can
12. have final action here. I think that's what he means.

13. PRESIDENT:

14. That is correct. First we . . . The . . . We're now voting
15. on the motion to reconsider the action of the Senate. All in
16. favor signify by saying aye. Contrary minded. Motion prevails.
17. Senator Vadalabene is recognized. Senator Vadalabene.

18. SENATOR VADALABENE:

19. Yes. Now I will accept the amendment the way it was . . .

20. PRESIDENT:

21. Now, your motion is to recede from . . .

22. SENATOR VADALABENE:

23. Now I move to recede from House . . . Senate Amendment
24. No. 1 to House Bill 4285.

25. PRESIDENT:

26. All right. That is the motion. Just a moment. All right.
27. Do you understand the motion? The motion is that the Senate
28. recede . . . Senator Clarke.

29. SENATOR CLARKE:

30. Mr. President . . .

31. PRESIDENT:

32. Just a moment. You're . . .

33.

1. SENATOR CLARKE:

2. Just for clarification. If we recede, and that is the
3. motion, then the bill is in its final form, and I think that is
4. the understanding that we have arrived at.

5. PRESIDENT:

6. Then it is passed.

7. SENATOR CLARKE:

8. It is passed. I . . . I concur in that.

9. PRESIDENT:

10. That's correct. This requires a constitutional majority.

11. Senator Sours.

12. SENATOR SOURS:

13. I have one question. In its final form, will the bill be
14. in such a shape where there is no minimum?

15. PRESIDENT:

16. Senator Vadalabene?

17. SENATOR VADALABENE:

18. What it does, it goes back to the original minimum it
19. previously had . . . No . . . The original minimum that was
20. already in the bill.

21. SENATOR SOURS:

22. In other words there's no increase in the minimum.

23. SENATOR VADALABENE:

24. That is right. There's no increase in the minimum.

25. SENATOR SOURS:

26. That's fine. You have my unqualified 1,000 percent support.

27. SENATOR VADALABENE:

28. Thank you very much.

29. PRESIDENT:

30. Secretary will call the roll.

31. SECRETARY:

32. Arrington, Baltz, Berning, Bidwill, Bruce, Carpentier, Carroll,
33. Cherry, Chew, Clarke, Collins, Coulson, Course, Davidson, Donnewald,

1. Dougherty, Egan, Fawell, Gilbert, Graham, Groen, Hall, Harris,
2. Horsley, Hynes, Johns, Knuepfer, Knuppel, Kosinski, Kusibab,
3. Latherow, Laughlin, Lyons, McBroom, McCarthy, Merritt, Mitchler,
4. Mohr, Neistein, Newhouse, Nihill, O'Brien, Ozinga, Palmer, Partee,
5. Rock, Romano, Rosander, Saperstein, Savickas, Smith, Soper, Sours,
6. Swinarski, Vadalabene, Walker, Weaver.

7. PRESIDENT:

8. Nihill, aye. On that question the yeas are 42; the nays are
9. none. The Senate having given the motion to recede a constitutional
10. majority, the bill is declared passed, minus that amendment. Senator
11. Course is recognized for the purpose of making a motion. Oh. I'm
12. sorry. Can't do it right now. Senator Hall is recognized.

13. SENATOR HALL:

14. Thank you, Mr. Chairman. Mr. Chairman, members of the
15. Senate, I would like . . . uh, Mr. President, I would like leave
16. of Senate Resolution 358 to investigate the Bi-State Bus Company.
17. We were supposed to report back by January 1. I would like an
18. extension of time if I could get leave of this Body.

19. PRESIDENT:

20. Is . . . To what date would you like?

21. SENATOR HALL:

22. Well, I would say to February 15th . . . or . . . make it
23. March 1 . . . uh . . . 1973.

24. PRESIDENT:

25. Is there objection? Leave is granted. Is there further
26. business to come before this regular Session? Senator Partee
27. is recognized.

28. SENATOR PARTEE:

29. Has Senator Donnewald made a motion? Oh. I'm sorry.
30. Yes, I think that's one other thing. I did have a resolution
31. in the regular Session.

32. PRESIDENT:

33. I'm sorry. We have a resolution and are these bills up here,

1. are they for this . . .

2. SENATOR PARTEE:

3. Quickly, Mr. President, it's a very short resolution. I
4. could read it. (Senator Partee reads a congratulatory resolution
5. in honor of Lt. Governor Simon's 44th birthday.) And I might
6. add, Mr. President, that it's a pleasure to offer this resolution
7. and inasmuch as we are in Session it will save me a dime tomorrow.
8. I move the adoption of this resolution.

9. PRESIDENT:

10. Motion for the adoption of the resolution. All in favor
11. signify by saying aye. Contrary minded. Thank you very much,
12. gentlemen. Thank you very much. Thank you. Senator Sours.

13. SENATOR SOURS:

14. Mr. President, I think it might be appropriate if I made
15. a very brief comment on the eve of your departure. I, personally,
16. and my family joins with me in extending to you our best wishes
17. for a continued success in the professoriate. As a personal
18. matter, I hope when you get to Cambridge you turn right and don't
19. turn left, and I hope you enjoy many happy, healthy, delightful
20. years ahead of you.

21. PRESIDENT:

22. Thank you very much, Senator. It's been a real pleasure to
23. serve with all of you. Is there further . . . Now we have some . . .
24. We have some bills and some resolutions here. Now these bills
25. are for this Session, not for the Special Session. Is that
26. correct? Just . . . Well let's . . . Let's proceed with the
27. bills and we'll see if we can get to that, Senator Gilbert. We
28. have some bills.

29. SECRETARY:

30. Senate Bill No. 1609 introduced by Senators Clarke and Partee.
31. It is a bill for an Act to amend Section 1 and 2 of an Act to
32. provide for and fix a compensation of members of the General
33. Assembly of the State of Illinois, approved April the 6th, 1907,

1. as amended. First Reading of the bill. Senate Bill No. 1610
2. introduced by Senators Clarke and Partee, a bill for an Act
3. to amend the Act to provide for the ordinary and contingent
4. expenses of the General Assembly. First Reading of the bill.

5. PRESIDENT:

6. The . . . Senator Clarke.

7. SENATOR CLARKE:

8. Mr. President, members of the Senate, it would appear
9. that these bills are bills dealing with a subject that I feel
10. strongly about and I think should be considered at some time
11. in the near future, and that deals with the same benefits that
12. in the bills that I sponsored along with some of the others of
13. you several years ago that set up the Constitutional Convention
14. providing for per diem expenses for the Con-Con delegates. Also
15. I think that we should not be caught in the position that we seem
16. to have been in in the last two days of not being prepared and
17. having vehicles to even deal with these matters when we return.
18. So, as a matter of procedure, I'm asking that these bills be
19. read a first time and advanced to 2nd Reading.

20. PRESIDENT:

21. Is there objection? Leave is granted. We have some resolutions.
22. We have some death resolutions. For what purpose does Senator
23. Walker arise?

24. SENATOR WALKER:

25. Thank you. To inquire if . . . as to whether from Senator
26. Cherry, it's my understanding that the Executive Committee is not
27. going to report in on the committee hearing today. Am I correct?

28. PRESIDENT:

29. Senator Cherry.

30. SENATOR CHERRY:

31. There will be no report of the Executive Committee today,
32. Senator Walker.

33.

1. PRESIDENT:
2. Senator Walker.

3. SENATOR WALKER:
4. If we adjourn, will there be one at a perfunct Session?
5. If we adjourn from now 'til December the 14th will there . . . will
6. there be a report then or will it still be in committee?

7. PRESIDENT:
8. Senator Cherry.

9. SENATOR CHERRY:
10. I don't anticipate any perfunctory Sessions. We are returning
11. on the 14th day of December, as I understand it, and what will
12. take place then, I think you will be advised, Senator.

13. PRESIDENT:
14. Even if the report were accepted, Senator Walker, there's
15. no action by the Body so that there's no . . .

16. SENATOR WALKER:
17. So the appointments will still be in committee on December 14th.
18. Is that correct?

19. PRESIDENT:
20. Senator Cherry.

21. SENATOR CHERRY:
22. The report of the Executive Committee will be in the hands
23. of the Secretary and some action will be taken in the Session that
24. will commence on the 14th of December.

25. PRESIDENT:
26. Senator Graham.

27. SENATOR GRAHAM:
28. Mr. President, I'd like to make a query of Senator Partee. You
29. have a bill . . . We have a bill up here, I think it's Senate Bill or
30. House Bill 1409 dealing with elections. There is a House amendment
31. that has been attached to that dealing with 30 day residency require-
32. ments and I have one here, 654, that it's not really doing anything.
33. I think in view of the fact that perhaps in the next Session we're

1. going to be considering very specifically the new Election Code
2. as it comes back over here, and these two bills will only confuse
3. the Statutes. I would like to suggest to you that I'll forget
4. 654 and you forget 1409 and we won't have to worry about them.

5. SENATOR PARTEE:

6. Well, let me look again at 654 and 1409. At least we'll
7. do nothing about them today and we'll talk about it when we get
8. back on the 14th.

9. PRESIDENT:

10. All right. We have three death resolutions. The members
11. be in their seats.

12. ASSISTANT SECRETARY: (Mr. Fernandes)

13. Senate Resolution No. 427 by Senator Neistein. (Mr. Fernandes
14. begins to read the resolution.)

15. PRESIDENT:

16. Just . . . Just a moment. Just a moment. Will the Senators
17. be in their seats. Senator Sours, after all those kind words I
18. hate to ask you to take your seat, but . . .

19. ASSISTANT SECRETARY: (Mr. Fernandes)

20. (Reading of Senate Resolution No. 427 is continued.)

21. PRESIDENT:

22. Senator Neistein.

23. SENATOR NEISTEIN:

24. I move to suspend the rules and have the immediate consideration
25. of this resolution. I think all of us that knew Bill Milota knew
26. him to be a great man--and I know I worked for him; I was his
27. friend and his colleague as a ward committeeman--and kindly man. I
28. think Bill Milota patterned himself after our own Art Bidwill. He
29. was a gregarious fellow. He had a word. He was a kindly man and
30. I'd ask that all Senators join me in sponsorship and I move the
31. immediate adoption of this resolution.

32. PRESIDENT:

33. All Senators will be shown as sponsors. All those in favor

1. of the adoption of the resolution, please rise. The resolution
2. is adopted.

3. ASSISTANT SECRETARY: (Mr. Fernandes)

4. Senate Resolution 428 by Senators Coulson, Clarke, Bidwill,
5. and Collins. (Mr. Fernandes reads the resolution.)

6. PRESIDENT:

7. Senator Bidwill.

8. SENATOR BIDWILL:

9. Mr. President, I believe Senator Collins and myself are probably
10. the only two members in the Senate that are left that served under
11. Lt. Governor Cross. I also believe he was probably the only man
12. in my memory who was both Speaker of the House and Lt. Governor
13. presiding over this Body which he did with great distinction and
14. decor. So I, sir, at this time, move to suspend the rules for the
15. immediate consideration of this resolution.

16. PRESIDENT:

17. All those in favor of the adoption of the resolution please
18. rise. Resolution is adopted.

19. ASSISTANT SECRETARY: (Mr. Fernandes)

20. Senate Resolution 429 by Senators Carroll, Coulson, Walker,
21. Partee, Smith, Bidwill, and Clarke. (Mr. Fernandes reads the
22. resolution.)

23. PRESIDENT:

24. Senator Carroll.

25. SENATOR CARROLL:

26. Mr. President and members of the Senate, I'd ask for suspension
27. of the rules and immediate consideration of this resolution. I'm
28. sure all of you knew this great sports writer. He will be missed
29. by many people each day that they read the newspapers and listen
30. to the radio. Therefore, I ask for the immediate consideration of
31. this resolution.

32. PRESIDENT:

33. All those in favor of the adoption of the resolution indicate

1. by rising. The resolution is adopted.

2. ASSISTANT SECRETARY: (Mr. Fernandes)

3. Senate Resolution No. 430 by Senators Vadalabene and Walker.

4. (Mr. Fernandes reads the resolution.)

5. PRESIDENT:

6. Senator Vadalabene.

7. SENATOR VADALABENE:

8. Thank you, Mr. President and members of the Senate. The
9. death of Senator Ralph Smith was a great loss to Illinois and
10. national politics. He was the kind of guy that you could go to
11. and get the job done. I know that I was fortunate in my two terms
12. in the House of having Ralph T. Smith be Speaker of the House from
13. Madison County. He was a native of Madison County and a close and
14. personal friend. And I would like for all members to join the . . .
15. in this resolution and move for the . . . for the suspension of
16. the rules and adoption of this resolution.

17. PRESIDENT:

18. I think all Senators will be shown as co-sponsors. Senator
19. Walker?

20. SENATOR WALKER:

21. Thank you, Mr. President. I think that Ralph Smith was best
22. eulogized by the Governor upon his passing when he stated that he
23. was a fighter and a conciliater, a man of principle who knew the
24. value of compromise, a politician in the best sense of that much
25. maligned word. That was the Ralph Smith that I knew, and while
26. he was astute and self-confident, he was also self-effacing. As
27. the words he spoke when he went to Washington to replace our
28. beloved Senator Dirksen, Ralph said, "I don't delude myself into
29. thinking I'm another Dirksen, but I like to think I can bring
30. something to the Senate. If I can look at his footprints, all I
31. can do is feel small." Ralph was one of the greatest fellows I've
32. ever known. I had the privilege of serving under him in the leader-
33. ship over there for some two and a half years. I learned much from

1. Ralph Smith. Some I have to try and remind myself of daily. I
2. learned the art of compromise, that politics is the art of compromise.
3. I know the other fellas that worked in the leadership with Ralph.
4. We found out he was a taskmaster, but he was fair. I remember
5. many Sundays being in that Speaker's office at 2:00, 3:00 o'clock
6. in the afternoon. I remember many Fridays after Session had
7. closed on Wednesday or Thursday and still being there. And I would
8. only like to admonish those in the leadership now and those in the
9. future leadership, I don't know whether that was what took the
10. toll or not. I know that Ralph worked hard. I know that our
11. leader on this side, Russ Arrington, worked hard. I would only
12. like to admonish you to this extent. Don't beat your brains out.
13. I know you're all working hard as Ralph did and as Arrington did
14. for your constituents. I know what you have to go through when
15. you're in the leadership. I know the trials and tribulations,
16. the ear bending that you get. And in closing, I would like pay this
17. tribute. I served under Speakers over there, Warren Wood, Paul
18. Powell, and others who were as fair minded as Ralph was, but I, too,
19. have to join Hudson and say this to you, Mr. President pro tem,
20. you were as fair, presiding on this podium, as Ralph Smith was in
21. the House. Thank you.

22. MR. PRESIDENT:

23. All those in favor of adoption of the resolution, please
24. rise. The resolution is adopted. Do we have any further business
25. that comes before the regular Session? We . . . Do we have an
26. adjournment resolution coming from the House, or what is the . . .
27. Senator Partee.

28. SENATOR PARTEE:

29. Well, I think we're going to have our own. It should be
30. up there by now. We're going to put it in ourselves and send
31. it to the House.

32. PRESIDENT:

33. Is it . . . Senator Partee.

1. SENATOR PARTEE:

2. If it isn't prepared at this moment, we could recess and go
3. into the other Session, and by that time its preparation will have
4. been accomplished.

5. PRESIDENT:

6. I think it's a good suggestion. We'll recess . . . Motion
7. made by Senator Partee that the regular Session recess for about
8. 10 minutes. All in favor signify by saying aye. Contrary minded.
9. Motion prevails.

10.

11. AFTER RECESS

12.

13. PRESIDENT:

14. . . . now comes back into Session. Senator Clarke is
15. recognized.

16. SENATOR CLARKE:

17. Now I'd like to renew my motion. I have a companion bill
18. that Senator Partee and I have talked about that does just what
19. I stated. Again, this is merely a vehicle to possibly try and
20. save us some days when we come back, and I think that if we can
21. be in that posture we'll be better prepared than we were this
22. week to consider these problems and I'd like to move that we
23. be granted leave to introduce and ad . . . read a first time
24. and advance to Second, this companion bill to the bill previously
25. introduced.

26. PRESIDENT:

27. Senator Partee.

28. SENATOR PARTEE:

29. We have absolutely no quarrel with that, but the only thing
30. I want to make certain is that we do not have a perfunctory Session
31. tomorrow for it may create some other problems constitutionally.
32. Fine. Very good. No objection.

33.

1. PRESIDENT:

2. Is there objection? Leave is granted. It . . . All right,
3. we have an adjournment resolution.

4. SECRETARY:

5. Senate Joint Resolution No. 81. (Mr. Wright reads the
6. adjournment resolution.)

7. PRESIDENT:

8. Is . . . Is there any discussion? All in favor signify
9. by saying aye. Contrary minded. The Senate stands adjourned
10. until noon on December 14th.
