9. Mr. President if I might have the attention of the
10. Senate for a moment please. I want to...

11. PRESIDING OFFICER (SENATOR GRAHAM):

12. Gentlemen if ... don't ask us after while what the

17. but I do want to...

18. PRESIDING OFFICER (SENATOR GRAHAM):

19. Please gentlemen.

20. SENATOR HARRIS:

21. I want to announce what our course of procedure
22. will be today. As you all know, we have Executive at
23. 2:15. It is my suggestion that we work until 1:00 o'clock
24. and that we not make arrangements to eat at our desks.
25. And that we meet tomorrow and Friday at 10:30 each
26. day. Depending upon our productivity, these three
27. days, today, tomorrow, and Friday, will determine
28. whether we have to meet Saturday. Now the two staffs
29. and joint leadership are working on an agreed bill
30. list for Friday which will be somewhat helpful. It's
31. anticipated that we can move a good many, absolutely.
32. noncontroversial bills Friday. You will receive that
33. recommendation on your desks tomorrow morning. There is

1. a possibility, if we break down and are not as productive
2. as we can anticipate, that we might have to work Saturday.
3. But let us then understand that we'll work till 1:00
4. now today, meet at 10:30 tomorrow and Friday. We will
5. have an agreed bill list Friday. And if we can minimize
6. dialogue, it's quite possible we will not have to work
7. Saturday. Thank you.

8. PRESIDING OFFICER (SENATOR GRAHAM) :

9. Members of the Senate, Senator Partee, the Chair
10. has been...as we proceed now to the order of Senate
11. Bills on 2nd reading, to read a list of the following
12. bills which are considered the education package: 443,
13. 449, 478, 494, 503, 591, 659, 698, 699, 808, 1142, 1154,
14. 1160, and I'll send you a list Senator, and 1178, be
15. advanced today at the will and pleasure of the sponsor
16. with the agreement that they may be returned to the order
17. of 2nd reading at the request of the Senate for amendments
18. in the future. Is that agreeable with you, Senator Partee?
19. Senator Partee.

20. SENATOR PARTEE:

21. Yes that's quite agreeable. We have the understanding
22. that they can be brought back...

23. PRESIDING OFFICER (SENATOR GRAHAM) :

24. And I'll have a copy of this list made for you
25. so...I know you can keep up with my one made for the
26. Secretary. Thank you Senator.

27. SENATOR PARTEE:

28. Fine. Thank you.

29. PRESIDING OFFICER (SENATOR GRAHAM) :

30. The order of business...Senator Harris.

31. SENATOR HARRIS:

32. I wanted to make one other announcement. I did not
33. discuss this with Senator Partee...

1. PRESIDING OFFICER (SENATOR GRAHAM) :

2. Please, gentlemen.

3. SENATOR HARRIS:

4. ...when I was at his desk a few minutes ago and
5. if he has an objection, I will sustain his objection.
6. But we've been requested by two of the...Chicago Stations,
7. TV Stations, who have...were not here before when they
8. were privileged to do some silent film shooting...and
9. they do happen to be here today...Whether the Senate
10. might accede to that request -- I have no objection, if
11. Senator Partee you do not -- as long as the members are
12. aware of it. It's silent film and they just want them
13. for their file.

14. PRESIDING OFFICER (SENATOR GRAHAM) :

15. Senator Partee.

16. SENATOR HARRIS:

17. Is that agreeable?

18. SENATOR PARTEE:

19. Inasmuch as they have not been here before and
20. it's going to be silent filming and if there's some
21. reasonable time limitations for their work that's
22. fine with me.

23. SENATOR HARRIS:

24. Yeah.

25. PRESIDING OFFICER (SENATOR GRAHAM) :

26. They may have to have some real fast film. Unless
27. we can stay in our seats, they'll miss us. The order
28. of business is Senate Bills, 2nd reading. Gentlemen,
29. Ladies. Senate Bill...Any of the Senators want to move
30. those bills on 2nd reading. Senate Bills 2nd reading,
31. Senator Bruce. Will...Senator Bruce. Gentlemen your
32. pictures are being taken and we're trying to do some
33. business. Will you please be in your seats? Please, please

1. please. We could get a lot more work done if we
2. had more working time and less gavel time. Senator
3. Bruce.

4. SENATOR BRUCE:

5. Yes, Mr. President, there is an amendment on 701.

6. SECRETARY:

7. SB 701 (Secretary reads title of bill)

8. 2nd reading of the bill. No Committee amendments.

9. PRESIDING OFFICER (SENATOR GRAHAM):

10. Senator McBroom.

11. SECRETARY:

12. Amendment No. 1 by Senator Bruce.

13. PRESIDING OFFICER (SENATOR GRAHAM):

14. Senator Bruce. Is that a committee amendment?

15. This is your amendment.

16. SENATOR BRUCE:

17. Yes, Mr. President...no this is my own amendment.

18. PRESIDING OFFICER (SENATOR GRAHAM):

19. Well, Senator Bruce will explain his amendment...

20. SENATOR BRUCE:

21. Yes, Mr. President...this will account for an additional amount of bonded debt service for next year. It will be sufficient to provide for 305 million of additional bonds in 1974. The Governor included 300 million for the...

22. PRESIDING OFFICER (SENATOR GRAHAM):

23. Gentlemen please, please, please. You cannot hear the Senator. He is making and suggesting an important amendment which will have an affect upon your constituency and to this State of Illinois and it is surprising that you are paying such little attention. I can't hear him so I'm sure you can't. Senator Bruce. Senator McBroom.

24. SENATOR MCBROOM:

25. Senator Bruce do you want...would you be good enough

1. to hold this bill until I have an opportunity to talk
2. to you? I think we're going to have a problem on the
3. amendment unless we do.

4. PRESIDING OFFICER (SENATOR GRAHAM) :

5. Senator Bruce.

6. SENATOR BRUCE:

7. Well, I'll be happy to hold it. I only point out
8. that I gave this amendment to you 4 days ago for your
9. discussion. And I...it is a Senate Bill. I would much
10. rather, at least today, move these bills on to 3rd reading.
11. I can't...I can't hold them on 2nd reading past today.
12. I would extend the courtesy now but its got to go today.

13. PRESIDING OFFICER (SENATOR GRAHAM) :

14. Senator McBroom.

15. SENATOR MCBROOM:

16. I have no objection as long as you're willing
17. to bring it back Senator Bruce. Are you willing to
18. do that?

19. PRESIDING OFFICER (SENATOR GRAHAM) :

20. Senator...Senator McBroom and for the Senators
21. who...you were not here and some weren't listening.
22. We read off an entire list of these so-called education
23. bills and most of them on 2nd reading. And Senator
24. Partee did agree that if they were advanced today
25. that they would be brought back to 3rd reading
26. and I'll furnish you with that list. Is this on the
27. list? Gentlemen, it would be a lot easier if the Chair
28. knew what the game plan was. Senator McBroom.

29. SENATOR MCBROOM:

30. Well I have no...suggest to Senator Bruce that
31. there could be other changes on this and if you want
32. to move it to 3rd reading with the clear understanding
33. that you'd bring it back, Senator Bruce, I have no

1. objection to that.

2. PRESIDING OFFICER (SENATOR GRAHAM) :

3. Senator Bruce.

4. SENATOR BRUCE:

5. I will hold that amendment then until a later time.

6. PRESIDING OFFICER (SENATOR GRAHAM) :

7. Senator Bruce will hold the amendment and take...

8. SENATOR BRUCE:

9. 701 advanced to 3rd now.

10. PRESIDING OFFICER (SENATOR GRAHAM) :

11. You want it advanced to 3rd reading without
12. the amendment.

13. SENATOR BRUCE:

14. Right. With the understanding that it will come
15. back.

16. PRESIDING OFFICER (SENATOR GRAHAM) :

17. Does that agree with you? Without the amendment.

18. Is there...take the amendment out of the record. Is
19. there any further amendments to be proposed? 3rd reading.

20. SB 808 Senator Weaver. Read the bill by title a second
21. time.

22. SECRETARY:

23. SB 808 (Secretary reads title of bill)

24. 2nd reading of the bill. No Committee Amendments.

25. PRESIDING OFFICER (SENATOR GRAHAM) :

26. Any committee amendments? No amendments...any
27. amendments from the Floor? 3rd reading. Senator
28. Chew wants to call 291.

29. SECRETARY:

30. SB 291 (Secretary reads title of bill)

31. 2nd reading of the bill. The committee on Appropriations
32. offers one amendment.

33. PRESIDING OFFICER (SENATOR GRAHAM) :

Senator McBroom.

1. SENATOR MCBROOM:

2. Yes. I move the adoption of the amendment, Mr. President.

3. PRESIDING OFFICER (SENATOR GRAHAM):

4. Senator Partee.

5. SENATOR PARTEE:

6. I desire to speak against the adoption of the
7. amendment on SB 291.

8. PRESIDING OFFICER (SENATOR GRAHAM):

9. You're recognized Senator.

10. SENATOR PARTEE:

11. I think first of all I should tell you that the
12. Department of Human Resources had its birth by an
13. Executive order issued by Governor Ogilvie back in
14. 1969. And the Human Resources Commission had...
15. Human Resources Division...gentlemen could we have
16. some order please.

17. PRESIDING OFFICER (SENATOR GRAHAM):

18. I...I don't know what we have to do. Gentlemen
19. we might have to get 59 Sergeants at Arms. Please
20. will you be in your seats.

21. SENATOR PARTEE:

22. This to me, Mr. President, is one of the most im-
23. portant amendments in this Session. As I said back in
24. 1969, Governor Ogilvie by Executive order, created this
25. particular division of government. It had, he thought
26. and I agree wholeheartedly with him, a real need for
27. such an organization within the Executive Branch. It
28. was funded in the very first year at 961 thousand dollars.
29. Now over the years the amount has increased by natural
30. increment and increase, like all other branches of
31. government -- but this year when the budget came in for
32. this branch of government there had been taken out of
33. this budget 554 thousand dollars -- a rather substantial

1. reduction from the current...from the past year. Now
2. as a result of this amendment another two or three
3. hundred thousand dollars will come out, which will make
4. this department almost a nonentity and certainly not a
5. viable kind of budget. You know there's been a great
6. deal of lip service paid in the last year to phasing
7. out unproductive federal programs and shifting the
8. governmental burden to state and local governments.
9. And that's been done because they say it's closer to
10. the people. Now, no single federal program has been
11. more subject to this philosophy than the Office of
12. Economic Opportunity. Funds have been slashed in
13. Washington, personnel has been dismissed, battles
14. have enjoined in the Halls of Congress, and law
15. suits have even been filed to prevent the dismantling
16. of the war on poverty. Throughout this debate the
17. proponents of the President's plan and the supporters
18. of Revenue Sharing have argued that their enemy is
19. inefficiency and waste and not the poor. And I'm
20. taking these spokesmen at their word. I oppose waste
21. and I favor the restriction of programs to aid our poor
22. and disadvantaged.

23. PRESIDING OFFICER (SENATOR GRAHAM) :

24. Gentlemen, the Minority Leader of the Illinois
25. Senate, is addressing himself to an amendment proposed.
26. I think it is incumbent upon the membership of this
27. Senate to show him the courtesy of your attention.
28. May I suggest that to you please? Continue Senator
29. Partee.

30. SENATOR PARTEE:

31. Thank you, Mr. President. Now I say I oppose waste
32. and I favor the restriction of programs to aid our poor
33. and disadvantaged, by bringing those programs closer to

the people. I accept at face value, the statements of
certain public officials that they don't want to short-change those who need help most. But this amendment to this appropriation, cutting more than 339 thousand dollars out of a budget of 1,112,000 does more than result in efficiency, it results in emasculation. The moneys cut from this budget are funds to be spent on analyzing the impact of problems for the poor, an analysis that will result in the elimination of state programs that are inefficient, and these are the funds which would be spent educating those who provide those fundamental services as hot lunch for our senior citizens or on the opportunities available to them on the Revenue Sharing. Let me just point out to you that there are some rather concrete things which have been done by this division. For example, when this division came into being in this administration, they first reduced the amount of physical space even that it had from three floors to two floors. They reduced the personnel in several of the divisions. I remember, particularly one division, where they reduced the personnel from 84 persons to 62 persons. They were able to do all of that while cutting 554 thousand dollars out of this budget. It is a budget which ought to be passed at the level which it came in. And to now take 339 thousand dollars out of that budget is emasculatory to that program. It would destroy this Department of Human Resources. I compliment Governor Ogilvie for doing it by Executive order in the first place, because it is a very viable and important part of state government. Thousands of dollars can be saved. Another facet of the new program as it's now implemented calls for volunteers, calls for neighborhood people, to be involved in this program so that everybody within the orbit of this program can be

1. touched and helped. This program, as set up, will
2. save the state a great deal of money. This 339 thousand
3. dollars which is taken out by this amendment is absolutely
4. unnecessary and should be restored. Hence, Mr. President,
5. I move that this amendment be tabled.

6. PRESIDING OFFICER (SENATOR GRAHAM) :

7. Senator McBroom.

8. SENATOR MCBROOM:

9. Mr. President, before responding to Senator Partee,
10. I would like to move that his motion lay upon the table.

11. PRESIDING OFFICER (SENATOR GRAHAM) :

12. The motion to table is not debatable so you haven't
13. made your motion yet...

14. SENATOR MCBROOM:

15. I...I thought I had moved to adopt the Committee
16. Amendment Mr. Chairman...Mr. President.

17. PRESIDING OFFICER (SENATOR GRAHAM) :

18. You moved to adopt the committee amendment and Senator
19. Partee moved...Senator Partee. Senator Chew now don't you
20. get mad for the first time.

21. SENATOR PARTEE:

22. Technically...technically my making the motion to
23. table would foreclose his debate and I don't have that
24. desire. I'll withhold the amendment until...the motion
25. until such time he has had a chance to be expressive
26. of his position.

27. PRESIDING OFFICER (SENATOR GRAHAM) :

28. Senator McBroom may respond to Senator Partee.

29. SENATOR MCBROOM:

30. Well, Mr. President and members of the Senate, I don't
31. disagree too often with Senator Partee except on election
32. day. But in this case I think he's absolutely incorrect.
33. The program of planning evaluation that he's talking about

1. is really a duplication, Mr. President, of what now
2. exists in the Bureau of the Budget, what exists in
3. the Illinois Economic and Fiscal Commission, and
4. what really, Mr. President, exists in many other of
5. the state agencies; they have these program planners,
6. they have these developers. I'm aware of several
7. state agencies in addition to the ones which I just
8. enumerated, that have this type of evaluation. All...
9. although as you know, Mr. President, I was an admirer of
0. Governor Ogilvie, I don't think that he was...
1. infallible or had a monopoly on all of the good
2. ideas. And I would suggest that this...I would
3. suggest that...I would suggest that perhaps in this
4. case he was absolutely incorrect. ...We had over-
5. extended ourselves in this particular area.
6. Now another thing Mr. President...

7. PRESIDING OFFICER (SENATOR GRAHAM):

8. Gentlemen, my goodness. Continue Senator.

9. SENATOR MCBROOM:

0. Now another thing, Mr. President, in addition to
1. what I have already mentioned, part of the thrust of
2. this money reduction is a removal of a branch manager's
3. office, the Governor's branch manager's office here in
4. Springfield and I hardly think with the State Capitol
5. here in Springfield, Mr. President, that we need a
6. branch manager of the Governor's office. I...I think
7. of the many state agencies, the many employees here
8. that...the many state agencies and many employees that
9. are here I think that certainly there's accessibility
0. to the Governor's office here in Sangamon County. Also,
1. Mr. President, it amounts to the removal of a branch
2. manager...a branch manager's office in Decatur. And
3. I don't think that Decatur is all that far from here. It's

1. almost next door. I think that anyone in Macon County
2. that is interested in contact with the Governor's Office
3. certainly should be able to drive the 35 miles from there to
4. over here to make contact. I think that, although I have
5. infinite respect for Senator Partee, I think in this
6. case...that he's clearly...he's clearly mistaken. So
7. I would have to resist his motion to table, Mr. Presi-
8. dent.

9. PRESIDING OFFICER (SENATOR GRAHAM) :

10. Senator Chew.

11. SENATOR CHEW:

12. Mr. President, in order to expedite...in order to
13. expedite time I want to ask the Chair...

14. PRESIDING OFFICER (SENATOR GRAHAM) :

15. Gentlemen can't you hear the gavel? Should I
16. get a larger one? Senator Chew.

17. SENATOR CHEW:

18. I will not take up the time of this august Body
19. because Mr. Partee has spoken the words...

20. PRESIDING OFFICER (SENATOR GRAHAM) :

21. That's Senator Partee.

22. SENATOR CHEW:

23. Well the Honorable Senator Partee...how many
24. votes are required on this motion?

25. PRESIDING OFFICER (SENATOR GRAHAM) :

26. Be a majority.

27. SENATOR CHEW:

28. Fine.

29. PRESIDING OFFICER (SENATOR GRAHAM) :

30. Senator Scholl.

31. SENATOR SCHOLL:

32. Mr. President, members of the Senate, I asked the
33. Director of the Governor's Office of Human Resources at

1. the Appropriations Committee, to furnish me with
2. information regarding the release of 78 employees
3. out of 82 in that office. My personal belief that
4. that office has been turned into a patronage office
5. of the Governor. I finally got the information
6. yesterday and my office is checking out the facts
7. that they submitted. I don't see any reason why
8. we have to rush into this. Their office dragged
9. their feet getting me the information and would
10. suggest that this Body hold this matter until
11. we can really give this budget a real thorough
12. going over.

13. PRESIDING OFFICER (SENATOR GRAHAM) :

14. There is no previous question Senator. Senator
15. Newhouse.

16. SENATOR NEWHOUSE :

17. I wonder if Senator Scholl would yield to a question?
18. Senator Scholl is your...

19. PRESIDING OFFICER (SENATOR GRAHAM) :

20. Gentlemen, Gentlemen, let's get our caucuses off
21. the Floor and pay our attention to the matter at hand.
22. I'm telling you, the Chair is going to rule that the
23. Senate stay in recess until July 10th, one of these
24. days if we don't conform to the rules of this Senate
25. please.

26. SENATOR NEWHOUSE :

27. Is your suggestion, Senator, that we hold both the
28. amendment and the bill for further study?

29. PRESIDING OFFICER (SENATOR GRAHAM) :

30. Senator Scholl.

31. SENATOR SCHOLL :

32. It is my suggestion that this...that this bill be
33. held until we can really make a thorough examination of
their budget.

PRESIDING OFFICER (SENATOR GRAHAM):

1. Senator Partee do you have a motion?

2. SENATOR PARTEE:

3. Yes...

4. PRESIDING OFFICER (SENATOR GRAHAM):

5. Senator Newhouse.

6. SENATOR NEWHOUSE:

7. Thank you, Mr. President, because I....I....I've
8. not completed what I wanted to say. I wanted to
9. get that clear before I made any further inquiry.
10. My concern, Mr. President and Senators, is a little
11. bid...goes a little bit deeper than this one cut.
12. I'm going to vote...resist the cut in the appropriation
13. for the Department of Human Resources. But I got a call
14. this morning from a gentlemen in the Department of
15. Corrections, and in the Department of Corrections, it
16. appears that we've also cut the funding for the Depart-
17. ment of Human Resources in that area. We've also cut the
18. allotment there for the training of guards. And I hope
19. this doesn't indicate a kind of...I hope this doesn't
20. indicate a kind of a trend. I have nothing further, but
21. I hope this doesn't indicate a kind of trend to emascu-
22. late all of these programs, Senator. And I'm kind
23. of concerned about it. I...I would concur with
24. Senator Scholl if there were a hold up in order to
25. study this particular purpose because it seems to
26. me if we emasculate this department, if we emasculate
27. the Department of Corrections, which was one of the
28. back up programs that you suggested existed, Senator,
29. then we will have done a great deal of damage. Now
30. I'd like to put this in a form of a question to you.
31. Were you aware of that cut and if so were the other
32. departments...?

33. PRESIDING OFFICER (SENATOR GRAHAM):

I think...I think the Senator...I think the Senator

1. would be advised to make...contain his remarks directly
2. to the amendment proposed and the Department of Correc-
3. tions is not involved.

4. SENATOR NEWHOUSE:

5. But Mr. President...

6. PRESIDING OFFICER (SENATOR GRAHAM):

7. Senator Newhouse.

8. SENATOR NEWHOUSE:

9. I would contend to you and to this Body that if
10. the cut within the Department of Corrections is a
11. Human Resources or Human Relations cut, I would argue
12. that if the...cut in the Department of Corrections
13. or any other department is in fact a Human Relations
14. cut...

15. PRESIDING OFFICER (SENATOR GRAHAM):

16. The matter before the Senate is an amendment
17. presented on the bill Senator Newhouse.

18. SENATOR NEWHOUSE:

19. I understand that Senator and if you'll bear
20. with me for a moment...

21. PRESIDING OFFICER (SENATOR GRAHAM):

22. I'm going to rule you out of order if you don't
23. contain yourself and address yourself to the amendment.

24. SENATOR NEWHOUSE:

25. Mr. President, the representation was made and I
26. certainly think that it's accurate that there were
27. other departments that would take up the slack if
28. this cut were made. And it seems to me that would
29. include the Department of Corrections and others.
30. There's nothing in this of a personal nature. The
31. fact is we're talking about Department of Human
32. Resources funds. Now the representation was made
33. that these cuts could very well be made because the

1. slack could be taken up by other departments...
2. within other departments.
3. PRESIDING OFFICER (SENATOR GRAHAM) :
 4. Who made that remark Senator?
5. SENATOR NEWHOUSE:
 6. If that is accurate. The sponsor of the bill
 7. Senator.
8. PRESIDING OFFICER (SENATOR GRAHAM) :
 9. Senator...
10. SENATOR NEWHOUSE:
 11. The proposal of this amendment said to this Body...
12. PRESIDING OFFICER (SENATOR GRAHAM) :
 13. I'm going to rule...Senator Newhouse, I'm going to
 14. rule that you're out of order. I just ruled you out
 15. of order unless you address yourself to the amendment
 16. pending on...on the SB 21. And you're not, Senator.
 17. Senator...can you help straighten this out, Senator
 18. Partee? Senator Partee.
19. SENATOR PARTEE:
 20. Mr. President, I think that you and he do not
 21. understand what each of you are trying to convey.
 22. The question arose when Senator McBroom stated that
 23. there were duplications and that this is the basis
 24. for the taking out of the 339 thousand dollars and
 25. mentioned some bureaus, including the Bureau of the
 26. Budget, where the same work is taking place. I think
 27. Senator Newhouse's question is a very legitimate one
 28. because he wants to know if that money that is being
 29. taken out under this bill is being placed in any other
 30. specific places, among them the Department of Corrections.
 31. Is that correct, Senator Newhouse?
 32. PRESIDING OFFICER (SENATOR GRAHAM) :
33. What I am trying to suggest to Senator Newhouse that

1. if he has a specific question to direct to a specific
2. Senator, that he do that and not make a statement
3. regarding other institutions. I'm only trying to
4. expedite the business of the Senate.

5. SENATOR PARTEE:

6. ...I think that's what he was doing.

7. PRESIDING OFFICER (SENATOR GRAHAM):

8. Well, then who do you direct your question...to
9. whom do you direct your question, Senator Newhouse?
10. Senator Newhouse.

11. SENATOR NEWHOUSE:

12. Mr. President, first I would like to have the
13. prerogative of framing my own question. I have great
14. respect for the Chair. I can understand...

15. PRESIDING OFFICER (SENATOR GRAHAM):

16. Would you please do it Senator. That's all I'm
17. trying to get you to do.

18. SENATOR NEWHOUSE:

19. Thank you, Mr. Chairman. The point that I am making
20. is this, that in proposing the amendment the suggestion
21. was made, unless I'm completely incorrect, that cutting
22. in this Department of Human Resources would permit that
23. other departments could take up the slack. And my
24. question is that I'm looking at another department
25. where there is a cut...

26. PRESIDING OFFICER (SENATOR GRAHAM):

27. To whom do you want to direct your question
28. Senator? That's what I'm trying to find out.

29. SENATOR NEWHOUSE:

30. I will direct the question to Senator McBroom.

31. PRESIDING OFFICER (SENATOR GRAHAM):

32. All right. Senator McBroom, do you yield to the
33. question of Senator Newhouse?

1. SENATOR MCBROOM:

2. Yes, I will yield and I'm not being facetious,
3. would you briefly repeat your question Senator?

4. PRESIDING OFFICER (SENATOR GRAHAM) :

5. Now we're getting somewhere.

6. SENATOR NEWHOUSE:

7. Thank you, Mr. President. The question is, Senator,
8. I do believe I heard you correctly to say that these
9. cuts could be sustained because there were other similar
10. organizations within departments doing the same kind
11. of work. ...That's what I thought I heard you say.

12. Is that correct? All right. Fine. Now, Senator, I've
13. done no extensive examination. I simply received a
14. call this morning from the Department of Corrections
15. ...where I was told that there was a cut in there
16. Department to do this specific job. I don't know
17. whether or not this has happened in other areas. I
18. would be much concerned if this were a trend and you
19. were unaware of it. Now my question then Senator is,
20. has there been a check value to determine that those
21. departments who do perform a similar function are funded
22. at...at the level at which they can perform that function
23. if this cut is given?

24. PRESIDING OFFICER (SENATOR GRAHAM) :

25. Senator McBroom.

26. SENATOR MCBROOM:

27. I think the question...the answer to your question
28. is certainly that...I'm aware of what's going on
29. Senator Newhouse. I don't think that this is going to
30. have any adverse effect on anyone. I think I answered
31. that partially a minute ago when I said to Senator
32. Partee, that I didn't think Governor Ogilvie was
33. infallible in all areas. There's 4 1/2 million dollars

1. available in the Illinois Law Enforcement Commission.
2. Some of these funds can be expended for guard training,
3. minority recruitment or whatever else might be necessary,
4. and I think we're really making a big to-do here over
5. something that isn't that significant.. I...I think that
6. our proposal is a sound one.

7. PRESIDING OFFICER (SENATOR GRAHAM) :

8. Senator Newhouse.

9. SENATOR NEWHOUSE:

10. Senator, I would certainly, respectfully disagree
11. with you. It seems to me that this may be a particularly
12. trying period through which we are going. The unemploy-
13. ment rate, particularly in my district, is headed up, it's
14. skyrocketing. We're considering all kinds of programming
15. in order to relieve the tensions that do exist and it seems
16. to me that if anything at this point in time, we would be
17. increasing the funding for this kind of activity rather
18. than decreasing. And I would certainly urge a no vote
19. on the amendment.

20. PRESIDING OFFICER (SENATOR GRAHAM) :

21. The motion before the Senate at this time was by
22. Senator McBroom...no Senator...Senator Partee.

23. SENATOR PARTEE:

24. Well, the motion that I made is to Table Senator
25. McBroom's motion to adopt the committee amendment.

26. PRESIDING OFFICE (SENATOR GRAHAM) :

27. The motion is to Table Senator McBroom's motion
28. to adopt the committee amendment. All in favor of the motion
29. by Senator Partee will signify by saying aye. Opposed.
30. The no's have it, the motion is lost. There's been a request
31. for a roll...call the roll...the roll will be called.

32. Senator Partee.

33. SENATOR PARTEE:

Just before you call the roll while everybody's getting

1. settled down, on a personal...point of personal privilege,
2. I wanted to have the Senate acknowledge the presence of
3. the mother of Senator Rock, Mrs. Catherine Rock. These
4. ladies are in the President's Gallery. Mrs. Florence
5. Tandy, her two daughters, Janet and Barbara Tandy, who
6. are teachers in our system back home. I'd like for
7. these ladies to stand and be recognized by the Senate.
8. PRESIDING OFFICER (SENATOR GRAHAM):

9. Now gentlemen, the question before the Senate is
10. on a Tabling motion of Senator Partee to Table a motion
11. to adopt amendment previously made by Senator McBroom.
12. Those favoring the Tabling motion will vote aye. Those
13. favoring Senator McBroom will vote no. On this motion
14. the Secretary will call the roll.

15. SECRETARY:

16. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
17. Chew, Clarke, Connelly, Course, Daley, Davidson, Donnewald,
18. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth
19. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,
20. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard
21. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nimrod, Nudelman,
22. Ozinga, Palmer, Partee, Regner, Rock, Roe, ...
23. PRESIDING OFFICER (SENATOR GRAHAM):

24. Gentlemen, the Secretary just cannot hear your re-
25. sponse. Please. Let's break all conferences up.
26. Continue the roll call.

27. SECRETARY:

28. Roe, Romano, Saperstein, ...

29. PRESIDING OFFICER (SENATOR GRAHAM):

30. Saperstein aye.

31. SECRETARY:

32. Savickas, Schaffer, Scholl, Shapiro, Smith, Sommer,
33. Soper, Sours, Swinarski, Vadalabene, Walker, Weaver,

1. Welsh, Wooten, Mr. President.

2. PRESIDING OFFICER (SENATOR GRAHAM) :

3. No. President, no. Senator McBroom, no. Vadalabene,
4. aye. On this roll call the nays are 29, the yeas are 27.
5. The motion of Senator Partee fails. Senator McBroom is
6. now recognized. Senator McBroom.

7. SENATOR MCBROOM:

8. I move to adopt the committee amendment,

9. Mr. President.

10. PRESIDING OFFICER (SENATOR GRAHAM) :

11. Would it be agreeable with Senator Partee to use
12. the same roll call for the adoption of the amendment?
13. Then leave is granted for the adoption of the amendment.
14. The amendment is adopted. 3rd reading. SB 443...What?
15. Any amendments from the Floor?

16. SECRETARY:

17. Amendment No. 2 by Senator Weaver.

18. PRESIDING OFFICER (SENATOR GRAHAM) :

19. Senator Weaver.

20. SENATOR WEAVER:

21. Mr. President and members of the Senate, Amend-
22. ment No. 2 to SB 291 would add 103 thousand 500
23. dollars to the Grant and Aid Program. These two grants
24. would go to the Volunteer Students Action Incorporated
25. of 38 thousand dollars and a grant to the Volunteer
26. Service Incorporated of 65 thousand and 500.

27. PRESIDING OFFICER (SENATOR GRAHAM) :

28. Senator Weaver moves the adoption of Amendment
29. No. 2 to SB 291. All in favor signify by saying aye.

30. Senator Partee.

31. SENATOR PARTEE:

32. One question. I was distracted for a moment.
33. What does this amendment do, Sir?

1. PRESIDING OFFICER (SENATOR GRAHAM) :

2. Once again. Gentlemen, it's impossible to hear.

3. SENATOR WEAVER:

4. Senator Partee, this is an addition of 103 thousand
5. and 500 dollars to the Grant and Aid Program. 38 thou-
6. sand to the Volunteer Students Action Incorporated and
7. 65 thousand and 500 to the Volunteer Service Incorpo-
8. rated. These dollar figures were worked out with the
9. lady in charge of this program and we're just trying
10. to maintain this...Student Volunteer Program in this
11. department.

12. PRESIDING OFFICER (SENATOR GRAHAM) :

13. Senator Partee.

14. SENATOR PARTEE:

15. Now, is this money spent anywhere other than
16. Champaign?

17. PRESIDING OFFICER (SENATOR GRAHAM) :

18. Senator Weaver.

19. SENATOR WEAVER:

20. Yes, this money is spent all over...all over the
21. State of Illinois. The one program is more or less
22. based in Carbondale and Southern Illinois Campus. This
23. is not to say that it's spent at that campus. It's
24. spent by volunteer students throughout the State of
25. Illinois, basically.

26. PRESIDING OFFICER (SENATOR GRAHAM) :

27. Senator Weaver moves the adoption of Amendment No...

28. Senator Buzbee.

29. SENATOR BUZBEE:

30. Yes, would the sponsor of the amendment yield to..
31. a question?

32. PRESIDING OFFICER (SENATOR GRAHAM) :

33. Senator Weaver indicates that he will.

1. SENATOR BUZBEE:

2. Is this the Veterans Out Reach Program? Is this
3. the money that would go to that sort of...to the
4. Veterans' Aid that's given on the various campuses
5. in the Governor's Office of Human Resources? Is that
6. what you're referring to Senator Weaver?

7. PRESIDING OFFICER (SENATOR GRAHAM):

8. Senator Weaver.

9. SENATOR WEAVER:

10. Senator Buzbee that's only a part of it. This is
11. ...these grants are made for training students to
12. handle volunteer programs, the VIP Program just being
13. one of them. It's an outreach program coordinated
14. through the Governor's Office for grants to various
15. groups who work with minorities and the reading
16. programs and all different types of programs. It's
17. basically a training aids program for students.

18. PRESIDING OFFICER (SENATOR GRAHAM):

19. Senator Newhouse.

20. SENATOR NEWHOUSE:

21. Senator Weaver, I'm going to vote for your amendment
22. and I think it's a good one. But I'd like to point out
23. to you and this Body that it is directly contradictory
24. to what we just did. Similar programs that provide
25. similar kinds of services we cut out on the one hand
26. and put them in on the other. And to me it's absolutely
27. inconsistant to cut the Department of Human Resources
28. Budget the way we just did and put in a similar kind
29. of Human Resource Program, which Senator I incidently
30. agree with on the other hand. I want to point that out
31. to you.

32. PRESIDING OFFICER (SENATOR GRAHAM):

33. Then move by Senator Weaver that Amendment No. 2 to

1. SB 291 be adopted. All in favor signify by saying aye.
2. Opposed. The ayes have it and the amendment is adopted.
3. Any further amendments? 3rd reading. SB 443 Senator
4. Walker. SB 449 Senator Weaver. Senator Weaver wishes
5. to move 443 for Senator Walker also. So let's keep
6. them in order. Take SB...

7. SECRETARY:

8. SB 443 (Secretary reads title of bill)
9. 2nd reading of the bill. The Committee on Appropriations
10. offers one amendment.

11. PRESIDING OFFICER (SENATOR GRAHAM):

12. Senator Weaver...Senator McBroom. Senator Weaver
13. moves the adoption of Amendment No.1 to SB 443. All in
14. favor will signify by saying aye. Opposed. The ayes have
15. it and the amendment is adopted. ...Any further...anymore
16. amendments?

17. SECRETARY:

18. Amendment No. 2 by Senator Latherow.

19. PRESIDING OFFICER (SENATOR GRAHAM):

20. Senator Latherow will explain his amendment.

21. SENATOR LATHEROW:

22. Mr. President and members of the Senate, Western
23. Illinois University and Eastern Illinois University
24. are celebrating their 75th year this coming fiscal
25. year and this adds 75 thousand dollars to each of
26. their budgets; a total of 150 thousand dollars to
27. that for them to use in the performance of what they
28. think is necessary for this 75th anniversary. I
29. move the adoption of the amendment.

30. PRESIDING OFFICER (SENATOR GRAHAM):

31. You have heard the motion of the Senator from
32. Carthage. All in favor will signify by saying aye.
33. Opposed. The ayes have it. The amendment...Senator

1. Hynes.

2. SENATOR HYNES:

3. I wonder if we could have a repeat of that
4. explanation. I...I did not catch it.

5. PRESIDING OFFICER (SENATOR GRAHAM):

6. I was afraid of that. Senator Latherow, we'd like
7. a repeat performance of your explanation of Amendment
8. No. 2 request by the Senator from Chicago.

9. SENATOR LATHEROW:

10. This year coming up is Western Illinois University's
11. and Eastern Illinois University's 75th year. And this
12. amount has been in the budget of other universities in
13. the State in celebration of their 75th year and assign-
14. ing it to them to aid in the programs that they antici-
15. pate for each university in their 75th anniversary.

16. PRESIDING OFFICER (SENATOR GRAHAM):

17. Senator Hynes.

18. SENATOR HYNES:

19. Well, that...that may be so but I've never seen this
20. amendment. I don't know if anyone else over here has
21. seen it and I would object to the amendment until we
22. have a chance to study it. Now it...it may be that the
23. Chair has already indicated that it's been adopted but
24. I'd at least like to have it noted in the record that
25. we do object to the amendment.

26. PRESIDING OFFICER (SENATOR GRAHAM):

27. The amendment was...the Chair did indicate that
28. the ayes had it and the amendment was adopted, Senator.
29. And all of these bills have, as an agreement, attached
30. to them that they will be returned to 3rd reading in the
31. event...any further amendments? 3rd reading. SB 449.

12. Amendment No. 1 to SB 1158. All in favor will signify
13. by...Senator Hynes.
14. SENATOR HYNES:
15. There is some objection to at least one of the
16. amendments. I wonder if we...so that we're all clear
17. if we could have a brief discription of each...of
18. each amendment?
19. PRESIDING OFFICER (SENATOR GRAHAM):
20. The Senator from Kankakee will indicate the
21. contents of amendment No. 1 briefly.
22. SENATOR MCBROOM:
23. Senator Hynes bear with us here just a minute.
24. We're doing some...
25. PRESIDING OFFICER (SENATOR GRAHAM):
26. He indicates he'll be happy too. Senator Hynes
27. do you have another question to propose to the Chair?
28. SENATOR HYNES:
29. Well, if Amendment No. 1 is the Pontiac amendment
30. then...
31. PRESIDING OFFICER (SENATOR GRAHAM):
32. He's trying to tell you Senator. Go ahead
33. continue.

1. SENATOR MCBROOM:

2. Maybe Mr. Fernandes could...I don't know the
3. sequence...by 1,2, and 3 Mr. President.

4. SECRETARY:

5. Amendment No. 1 amends...Amendment No. 1...
6. amends SB...SB 1158 on page 14 by adding after line
7. 14 the following: Section 9, the sum of 220 thousand
8. are so much thereof as may be necessary.

9. PRESIDING OFFICER (SENATOR GRAHAM):

10. That's the...Senator from Chicago is satisfied
11. with the explanation. Senator Harris.

12. SENATOR HARRIS:

13. Well, I just...if it doesn't have to be explained
14. it's...it's a necessary requirement for the improvements
15. to the Pontiac sewage treatment plant. We have a 1/3...
16. 2/3 agreement with the Department of Corrections for
17. years. ...It's essential.

18. PRESIDING OFFICER (SENATOR GRAHAM):

19. The Senator from Chicago is in agreement with
20. the amendment, I think. Senator Hynes.

21. SENATOR HYNES:

22. On the basis of that explanation I vote aye.

23. PRESIDING OFFICER (SENATOR GRAHAM):

24. The motion is by Senator Harris. You convinced him.

25. SENATOR HARRIS:

26. Well, I just wanted out that if this amendment were
27. not adopted, it will hold up during this next fiscal year
28. a very important...contractual project. I suggested that
29. the answer was that we buy a big valve just outside the
30. institution and install it on city property and that would
31. get the attention of the Department to pressure the adoption
32. of this amendment in the October Session, but apparently that
33. isn't going to be necessary.

1. PRESIDING OFFICER (SENATOR GRAHAM) :

2. Senator McBroom moves the adoption of Amendment No. 1
3. to SB 1158. All in favor of the adoption signify by saying
4. aye. Opposed. The ayes have it. The Amendment No. 1 is
5. adopted. Senator McBroom moves the adoption of Amendment
6. No. 2. Do you have...

7. SECRETARY:

8. Amendment No. 2 amends SB 1158.

9. (Secretary reads Amendment No. 2)

10. PRESIDING OFFICER (SENATOR GRAHAM) :

11. Senator Hynes.

12. SENATOR HYNES:

13. Yes, this is the amendment to which there is
14. objection. This amendment makes a 100 thousand
15. dollar reduction in the line item for training of
16. guards and a reduction in the line item for the
17. recruitment of minority personnel. And I...I think
18. it's a most unfortunate amendment. At a time when,
19. in prisons throughout the country problems of grave
20. magnitude have been experienced and persons of knowl-
21. edge and ability in the field...the corrections field
22. around the country have called for an improvement
23. in the training system...in the training methods that
24. we use for our prison guards when I think we all would
25. agree that everything should be done to upgrade the
26. quality of the guards in our prisons. This amendment
27. proposes to reduce the amount of money allocated for
28. that purpose. And secondly, there has been in many
29. studies a call for the recruitment of minority person-
30. nel particularly as guards in our correctional insti-
31. tutions. And this amendment also would reduce the
32. appropriation for that purpose. I think it is an indefensible
33. amendment. I think it is a terrible mistake and I would op-
pose it.

1. PRESIDING OFFICER: (SENATOR GRAHAM)
2. Senator McBroom. Senator Partee.
3. SENATOR PARTEE:
4. It looks like the die has been cast, but I simply
5. want to add my voice to that of Senator Hynes and those
6. who are opposing this amendment. It seems to me to be
7. absolutely senseless at a time when we have the kind of
8. problems that have been generated in penitentiaries all
9. over this country, to cut out the main thing that will
10. perhaps quell and mollify the disturbances. It seems
11. as though it was calculated to make for disturbances. It
12. seems as though you say to yourself, what can we do to
13. make certain that we have problems in our penitentiaries.
14. And it seems that the answer to your question was, well
15. we'll just cut out the hiring practices of minorities and
16. we will take out the training program for the guards, and
17. we will assure ourselves that we will have trouble in
18. our penitentiaries. It just seems to me to be just that
19. simple. I cannot understand any kind of rationale which
20. would dictate and motivate this kind of cut which is my
21. opinion just emasculates any possibility of having a
22. good, sound, viable program in our penitentiaries. I
23. think it's a terrible amendment.
24. PRESIDING OFFICER: (SENATOR GRAHAM)
25. Senator McBroom, do you have a response?
26. SENATOR MCBROOM:
27. Mr. President, again I would suggest that this dia-
28. logue is...similar to what we were talking about a few
29. moments ago. I don't...there's no...there's no wish by any
30. member on this side of the aisle to in any way jeopardize
31. minority hiring. I think that there's adequate money
32. available, I don't think that there's going to be any
33. adverse effect whatsoever. And I'm not going to pursue

1. this any...any further Mr. Chairman. I just...Mr. President,
2. I just don't think there's any problem here, that's all.

3. PRESIDING OFFICER (SENATOR GRAHAM)

4. Senator Newhouse.

5. SENATOR NEWHOUSE:

6. Mr. President, Senator McBroom, when I made the state-
7. ment I did on the previous bill, I did not know this amend-
8. ment was coming up this morning, and as a matter of fact
9. it was just a chance phone call that I received. But,
10. that doesn't lessen the fact that in the last Session,
11. under Governor Ogilvie, and under Peter Bensinger as
12. Director of the Department of Corrections, we put through
13. a new code of corrections, and I'm proud to say that I
14. was one of the sponsors of that code. That code requires
15. the upgrading and the training of prison personnel. If
16. it is ever going to succeed, one of the problems with the
17. code is that it's going to raise the level of expectation
18. of people in institutions, and we're going to have to
19. deliver in some kind of a fashion - that leads to one of
20. the problems that has existed previously and that is
21. some tension between inmates and those who are charged
22. with the responsibility of maintaining an institution.
23. Part of the breakdown at Attica we all know was a break-
24. down between those who were inside and those who were
25. charged with that responsibility. I don't see how in
26. good conscience we can go with a bill that says that
27. we're now going to raise the expectations of the inmates,
28. and at the same time reduce the level of the training of
29. that personnel that's charged with the responsibility
30. of trying to correct and...rehabilitate people rather than
31. simply keep them there in punishment. It seems to me to
32. be a contradiction in terms. And I certainly hope this
33. amendment fails.

1. PRESIDING OFFICER: (SENATOR GRAHAM)
2. Senator Bruce.
3. SENATOR BRUCE:
4. This particular amendment is one that probably will
5. do more to harm our correctional facilities than any
6. other...any amendment that will be proposed. There's been
7. a lot of talk about the training aspect of our guards. We
8. began, the Department of Corrections began a program of
9. orientation under this \$202,000, 128 guards attended two
10. week orientation. Mr. Kaufman said that 2/3 of his staff
11. in the juvenile division presently receive training. 100
12. family and youth Counselors received a weeks training.
13. 175 employees at Pontiac were involved with the American
14. Management Association in operating their facility. 25
15. employees attended a two week pre-release training program.
16. And if anything has been successful within the Department,
17. it's the entire pre-release where prisoners are reoriented
18. into the society. 30 correctional officers were trained
19. one week at Vienna, 250 guards attended a one day seminar
20. on a unified code of corrections. 200 staff and inmates
21. attended a Black studies program at Pontiac. 12 participants
22. attended a 3rd Annual Conference in corrections at
23. ISU. 150 outside consultant days were provided, and 800
24. staff benefited from outside training consultant days
25. to the program. In addition, 48 people were allowed to
26. attend college and receive college credit in...the whole
27. area of sociology and corrections. To cut this program
28. below its present level is absolutely irresponsible.
29. This is the money used to train guards, to train pre-
30. release people, to train those people who work day to
31. day with those in prison. And it seems to me irrespon-
32. sible to remove that amount of money. Secondly, we're
33. reducing the amount of money for minority recruitment.

1. Let me read for you...the affirmative action officer
2. who said, recruitment of minorities has been less than
3. satisfactory due to the prevailing economic conditions
4. and budgetary limitations. Now, we're going to cut
5. this program in half. The Department began a program of
6. affirmative action in 1971. Let me tell you what money
7. can do. We had 9.6 minority...percent in minority employees
8. in '71, 12.8 percent in '72 and 17.9 percent minority
9. employees in 1973. That's a total of March, 1972 of
10. 661 employees. March, 1973, 875 minority employees.
11. The program works. The program works and now we're
12. saying to a program that does work, we're willing to
13. cut it, and cut it in half. Again, I believe that this
14. cut is irresponsible; I cannot see how we are going
15. to recruit minority members to cool the prisons off if
16. we're going to reduce the amount of training they receive
17. and also cut back on minority recruitment. I oppose this
18. amendment very strongly.

19. PRESIDING OFFICER (SENATOR GRAHAM) :

20. Senator Buzbee.

21. SENATOR BUZBEE:

22. Thank you Mr. President. Mr. President, I have a
23. prison in my district which within the last two or three
24. months underwent a minor riot of a sort when a group of
25. inmates were able to get a prison employee as a hostage,
26. and held him for several hours. And we were very fortunate
27. in that instance, Mr. President, in that we had only one
28. guard who was slightly injured and this man who was held...
29. held as a hostage was not injured at all after being held
30. several hours by some twenty some...odd inmates. I believe
31. that the record will probably show that one reason for
32. this particular uprising was racially motivated, and I
33. think we're certainly going in the wrong direction here.

1. if we are going to do things that will take away from
2. the training of our guards, if we're going to do things
3. that will take away from the recruitment of minority
4. employees, in the prison system. I, too, strongly oppose
5. this amendment.

6. PRESIDING OFFICER: (SENATOR GRAHAM)

7. Senator McBroom will close the debate.

8. SENATOR MCBROOM:

9. Well, Mr. President, members of the Senate, as I
10. sat here and listened to these speeches, I couldn't help
11. but reflect that the Illinois Law Enforcement Commission
12. has adequate money. There are 200 new positions there,
13. 70 replacements for in-service training...for in-service
14. training of over 12,050 guards. And I just wonder, Mr.
15. President, if some of the background of these speeches
16. might have to do with one of the truly weak links in
17. the Walker administration, Dr. Fogel: I sat on the
18. Executive Committee and listened to the testimony there.
19. I sat and listened, as you did...as you did, Mr. President,
20. when it was quite, quite clear that the Governor of
21. Minnesota did everything but bring out a marching band
22. when he found out that Governor Walker had invited him
23. to come to Illinois. And I'm just wondering...I'm just
24. wondering if some of these speeches haven't been developed
25. in anticipation of what might happen to certainly another
26. person who, in my humble opinion, has no business in govern-
27. ment in the State of Illinois. And I'm inclined to think
28. that some of this dialogue is directed towards that and
29. I don't care to be redundant, but I think all of us
30. know that the Governor of Minnesota was delighted when
31. he found out that Dr. Fogel was going to leave the
32. State. I have nothing further to say on it. I...also
33. have a note here, Mr. President. It was just handed to

1. me, the Department of Personnel has a \$100,000 for
2. minority recruitment. I think we should go on about
3. the business of the Senate.

4. PRESIDING OFFICER: (SENATOR GRAHAM)

5. Senator McBroom moves the adoption of Amendment
6. No. 2 to SB 1158. All in favor will signify by saying aye.
7. Opposed. The ayes have it and the amendment is adopted.
8. There's been a request for a call of the roll. The roll
9. will be called. The roll is being called on the adoption
10. of the amendment. Those favoring Senator McBroom's
11. motion will vote aye. Those favoring the opposition
12. will vote in the negative. Secretary will call the
13. roll.

14. SECRETARY:

15. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
16. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,

24. Weaver, Welsh, Wooten, Mr. President.
25. PRESIDING OFFICER: (SENATOR GRAHAM)

26. Berning, aye. On this question the yeas are twenty-
27. nine, the nays are twenty-eight, the motion to adopt
28. having received a majority of those voting is declared
29. passed, and Amendment No. 2 is adopted. Any further
30. amendments?

31. SECRETARY:

32. Amendment No. 3 by the Committee on Appropriations.
33. PRESIDING OFFICER: (SENATOR GRAHAM)

1. Senator McBroom.
2. SENATOR MCBROOM:
3. Move the adoption of the amendment Mr. Chairman...
4. Mr. President.
5. PRESIDING OFFICER: (SENATOR GRAHAM)
6. There has been a motion by the Senator from
7. Kankakee that Amendment No. 3 be adopted. All in favor
8. signify by saying aye. Opposed. The ayes have it, the
9. amendment is adopted. Any further amendments from the
10. Floor?
11. SECRETARY:
12. Amendment No. 4 by Senator Swinarski.
13. PRESIDING OFFICER: (SENATOR GRAHAM)
14. Senator from Chicago will explain his amendment...
15. or have the Secretary read it. Which do you prefer?
16. Briefly Senator and speak into your mike, I can hardly
17. hear you.
18. SENATOR SWINARSKI:
19. Through the addition of \$355,000, we will be able to start
20. ...all guards in the adult division at the same step in their
21. pay grade. Presently the guards at the Joliet Institution
22. are started at a step 3, of pay grade 9, all other guards
23. are paid at a starting salary of step 1 per month. This
24. amendment will let us start all guards at the same starting
25. salary. It applies to the guards at Menard, Vienna,
26. Vandalia, Pontiac and Dwight. I move the adoption of the
27. amendment.
28. PRESIDING OFFICER: (SENATOR GRAHAM)
29. Senator Swinarski moves the adoption of Amendment
30. No. 4. Senator McBroom.
31. SENATOR MCBROOM:
32. Well, I'd...I'd have to resist that amendment,
33. Mr. President: I make a motion to Table.

1. PRESIDING OFFICER: (SENATOR GRAHAM)

2. Senator McBroom moves to Table the motion to adopt
3. Amendment No. 4 made by Senator Swinarski. All in favor
4. of the motion to Table will signify by saying aye. Opposed.
5. The ayes have it, the motion carries. Senator Hynes.

6. SENATOR HYNES:

7. Let me suggest that that amendment be withdrawn, if
8. it is not too late to do that.

9. PRESIDING OFFICER: (SENATOR GRAHAM)

10. The amendment was defeated.

11. SENATOR HYNES:

12. Are there...are there subsequent amendments that
13. you're going to offer along the same line. I would...
14. I would at least suggest with respect to those, that
15. they not be offered.

16. PRESIDING OFFICER: (SENATOR GRAHAM)

17. The motion to adopt...

18. SENATOR HYNES:

19. ...if we can explain those...if we can explain
20. those amendments later possibly we can do something
21. about it. But there is a fourth amendment that should
22. be adopted, the pay plan amendment which I think every-
23. one concurs with.

24. PRESIDING OFFICER: (SENATOR GRAHAM)

25. The amendment presented by Senator Swinarski was
26. just defeated and a Tabling motion which was sustained
27. by the Body made by Senator McBroom. Is there any fur-
28. ther amendments at this point?

29. SECRETARY:

30. Amendment No. 5 by...

31. PRESIDING OFFICER: (SENATOR GRAHAM)

32. He wants...

33. SECRETARY:

1. Amendment No. 5...
2. PRESIDING OFFICER: (SENATOR GRAHAM)
3. Senator Hynes moves...
4. SENATOR HYNES:
 5. Is this Senator Swinarski's amendment?
6. PRESIDING OFFICER: (SENATOR GRAHAM)
7. Yes. Let him read the amendment and then we'll
8. make a determination.
9. SECRETARY:
10. Amendment No. 5 by Senator Hynes.
11. PRESIDING OFFICER: (SENATOR GRAHAM)
12. You want to hold them at 2, Senator?
13. SENATOR HYNES:
 14. This...this is the pay plan amendment, and I do
 15. not think there's any objection to the amendment. I
 16. would move its adoption.
17. PRESIDING OFFICER: (SENATOR GRAHAM)
18. Senator Hynes moves the adoption of Amendment No. 5,
19. is it, Mr. Secretary...to SB 1158? All in favor signify
20. by saying aye. Opposed. The ayes have it and the amendment
21. is adopted. Any further amendments? 3rd reading. Senator
22. Wooten, have you lost your billfold? 3rd reading. I
23. haven't been down there, but I have it up here. SB 1160.
24. Senator Wooten.
25. SECRETARY:
26. SB 1160 (Secretary reads title of bill)
27. 2nd reading of the bill. The Committee on Appropriations
28. offers amendments one and two.
29. PRESIDING OFFICER: (SENATOR GRAHAM)
30. Do you move the adoption, Senator McBroom, we're
31. on 1160.
32. SENATOR MCBROOM:
33. I move the adoption of them, Mr. President.

1. PRESIDING OFFICER: (SENATOR GRAHAM)
2. Senator McBroom moves the adoption of the committee
3. amendment...the Chair recognizes Senator Bruce.
4. SENATOR BRUCE:
5. I just wonder if Senator McBroom can explain these
6. amendments, because I believe there may be some discussion
7. about them, and I want to know which one we're going with
8. first and second. And I think...
9. PRESIDING OFFICER: (SENATOR GRAHAM)
10. The Secretary can tell which one is going first,
11. I think. You prefer the Secretary read the amendment?
12. SECRETARY:
13. Amendment No. 1...
14. PRESIDING OFFICER: (SENATOR GRAHAM)
15. There's no use to read it, if we're not listening,
16. is there? There's no use to read it if we can't hear,
17. is there? Please, order! Thank you.
18. SECRETARY:
19. ... (Secretary reads Amendment No. 1)
20. PRESIDING OFFICER: (SENATOR GRAHAM)
21. Senator Bruce.
22. SENATOR BRUCE:
23. Well- that's why I wanted just an explanation from
24. Senator McBroom. I believe that is the pay plan amendment...
25. PRESIDING OFFICER: (SENATOR GRAHAM)
26. Gentlemen, please!
27. SENATOR BRUCE:
28. ...if there's...I know there's no controversy on
29. that. What I want to know is when we get to the ones
30. there may be controversy about, Senator McBroom, if you
31. would just explain them, it will help all of us know what
32. we're going to talk about.
33. PRESIDING OFFICER: (SENATOR GRAHAM)

1. We'll let you know when we get to the ones that
2. have controversy. There's been a motion to adopt Amend-
3. ment No. 1 to SB 1160. All in favor signify by saying aye.
4. Opposed. The ayes have it and the amendment is adopted.
5. Senator Regner.

6. SECRETARY:

7. Amendment No...

8. PRESIDING OFFICER: (SENATOR GRAHAM)

9. ...for what purpose do you rise?

10. SECRETARY:

11. Amendment No. 2 by the Committee on Appropriations.

12. (Secretary reads Amendment No. 2)

13. PRESIDING OFFICER: (SENATOR GRAHAM)

14. Senator McBroom.

15. SENATOR MCBROOM:

16. Well, let me see if I get our ducts straight here.
17. I think that's the amendment Senator Bruce that cuts
18. travel in the department. I also think, Mr. President,
19. that Senator Wooten indicated that he would hold the
20. bill. Is that correct? And if that's the case, I don't
21. see there's any sense in pursuing it any further. Do I
22. interpret you correctly, Senator Wooten?

23. PRESIDING OFFICER: (SENATOR GRAHAM)

24. Is the agreement to hold the bill, or an agreement
25. to move it back?

26. SENATOR MCBROOM:

27. He'll bring it back, Senator.

28. PRESIDING OFFICER: (SENATOR GRAHAM)

29. He agrees that he will bring it back to the order of
30. 2nd reading if there is a desire in the future. What are
31. we doing about Amendment No. 2?

32. SENATOR MCBROOM:

33. Do you prefer to leave it off at this time, Senator?

1. All right. And you're willing to bring the bill back. Right?

2. PRESIDING OFFICER: (SENATOR GRAHAM)

3. Take it out of the record.

4. SENATOR MCBROOM:

5. Let's go.

6. PRESIDING OFFICER: (SENATOR GRAHAM)

7. Amendment No. 2. Any further amendments? You want
8. to go, Gentlemen, please! Let's make up our... Senator
9. Wooten. Be helpful if the Chair knows what you fellows
10. want to do.

11. SENATOR WOOTEN:

12. We are...we are agreeing to hold that other amend-
13. ment, and will advance to 3rd and I'll bring it back and
14. we can settle our problems then.

15. PRESIDING OFFICER: (SENATOR GRAHAM)

16. Then we're taking Amendment No. 2, the proposal to
17. adopt it out of the record.

18. SENATOR WOOTEN:

19. Right.

20. PRESIDING OFFICER: (SENATOR GRAHAM)

21. Amendment No. 1 has been adopted.

22. SENATOR WOOTEN:

23. Correct.

24. PRESIDING OFFICER: (SENATOR GRAHAM)

25. The bill then in that event...I think, I think the
26. Secretary raises a...Gentlemen, we have a problem, I think
27. most don't understand, that when amendments are adopted,
28. we have a problem confronting us -- that when amendments
29. are adopted, they go to Enrolling and Engrossing, then
30. they have to be returned for the purpose of coming back to
31. 2nd reading. We're just trying to keep our mechanics
32. straight, and I think if we advance it to the order of 3rd
33. reading with Amendment No. 1 attached, and that is a
committee amendment which was adopted. Well, I think

1. you're going to inflict upon the Secretary's office,
2. and Enrolling and Engrossing a terrible burden. Why
3. don't you hold this bill on 2nd reading? Yes, Senator
4. Wooten.

5. SENATOR WOOTEN:

6. Let's adopt the 2nd Amendment so we don't have
7. any parliamentary problems, we'll advance it to 3rd.
8. I'm anxious we not lose any more time on the bill. And
9. then when we get it on 3rd, I hope that maybe by tomorrow
10. we can pull it back, settle all this, get it out and on
11. to the House.

12. PRESIDING OFFICER: (SENATOR GRAHAM)

13. Senator McBroom agrees then that we adopt Amendment
14. No. 2, SB 1160. All in favor of the adoption will signify
15. by saying aye. Opposed. The ayes have it, the amendment
16. is adopted. Are there further amendments from the Floor?
17. 3rd reading. That's the way we have to do it. 1159.
18. Senator Netsch, I skipped you. I want to give you time
19. to be prepared.

20. SECRETARY:

21. SB 1159 (Secretary reads title of bill)
22. 2nd reading of the bill. The Committee on Appropriations
23. offers Amendments Numbered 1 and 2.

24. PRESIDING OFFICER: (SENATOR GRAHAM)

25. Senator McBroom. Senator Netsch moves...do you?
26. Senator Netsch.

27. SENATOR MCBROOM:

28. Wait...Mr. President. I...I'm sorry. I was tempo-
29. rarily distracted. Could you tell me...

30. PRESIDING OFFICER: (SENATOR GRAHAM)

31. Will you gentlemen please leave the Chairman of
32. Appropriations alone while we're on these amendments?
33. There...we're on 1159. There are two committee amend-
ments. Senator Netsch is moving the adoption of...this

1. is terrible. Committee Amendment No. 1 to SB 1159,
2. and are you doing that?

3. SENATOR NETSCH:

4. Yes, Mr. President, the amendment, the two committee
5. amendments are as follows. The first one is a purely
6. technical correction in the citation of a bill. The second
7. one is the pay plan which was agreed upon. I think we have
8. the same situation as on the previous bill. We are agreed
9. to adopt these two committee amendments today. Move the
10. bill to 3rd. There are still some amendments pending.

11. We will call it back for that action hopefully by tomorrow.

12. Is that correct, Senator McBroom?

13. PRESIDING OFFICER: (SENATOR GRAHAM)

14. Your influence was comforting. Senator Netsch moves
15. the adoption of Amendment No. 1 to SB 1159. All in favor
16. signify by saying aye. Opposed. The ayes have it, the amend-
17. ment's adopted. Senator Netsch moves the adoption of Com-
18. mittee Amendment No. 2 to SB 1159. All in favor signify by
19. saying aye. Opposed. The ayes have it and the amendment
20. is adopted. Any further amendments from the Floor?
21. 3rd reading. SB 1178, Senator Shapiro.

22. SECRETARY:

23. SB 1178 (Secretary reads title of bill)

24. 2nd reading of the bill. The Committee on Appropriations
25. offers Amendment No. 1.

26. PRESIDING OFFICER: (SENATOR GRAHAM)

27. Senator Shapiro moves the adoption of Committee Amend-
28. ment No. 1 to SB 1178. All in favor signify by saying aye.
29. Opposed. The ayes have it and the amendment is adopted.
30. We are not going to call 1197, so...any amendments from the
31. Floor on the last bill? 3rd reading. We have completed
32. our order of business on Senate Bills, 2nd reading.
33. Senator Buzbee.

1. SENATOR BUZBEE:
2. Mr. President, I...could you go ahead and call 1197,
3. let's get it to 3rd, and I'm going to hold it there.
4. PRESIDING OFFICER: (SENATOR GRAHAM)
5. Beg your pardon?
6. SENATOR BUZBEE:
7. Could you call 1179, let's get it to 3rd and I'll
8. hold it there.
9. PRESIDING OFFICER: (SENATOR GRAHAM)
10. My Calendar indicates that I'm not supposed to call
11. it. Is there general agreement?
12. SENATOR BUZBEE:
13. I was the one that told, I think...I was the one
14. that said that yesterday, but, unless Senator Harris has
15. a problem...
16. PRESIDING OFFICER: (SENATOR GRAHAM)
17. Do we have any amendments? Senator Harris.
18. Gentlemen, ok.
19. SECRETARY:
20. SB 1197 (Secretary reads title of bill)
21. 2nd reading of the bill. No committee amendments.
22. PRESIDING OFFICER: (SENATOR GRAHAM)
23. Any amendments from the Floor? 3rd reading, with
24. the agreement to bring it back to 2nd if necessary. We
25. will now ask leave of the Body to proceed to the order
26. of Consideration Postponed for the consideration of SB 8...
27. 878. Senator Conolly.
28. SENATOR CONOLLY:
29. Well, Mr. President, we have debated this bill be-
30. fore. This is the bill that creates a plant siteing bill
31. to establish that the Department of...the Chairman of the
32. Department of State and Local Government, the head of
33. the Illinois Commerce Commission and the Environmental

1. Protection Agency will arbitrate local disputes for
2. location of power plants and transmission lines through-
3. out the State of Illinois. In this energy crisis, this
4. is a bill that is needed. We cannot delay holding up
5. the construction of plants that will produce power to
6. meet the needs of the people of the State of Illinois.
7. This is an extremely important measure, and I urge the
8. favorable support of this Body.

9. PRESIDING OFFICER: (SENATOR GRAHAM)

10. Any further discussion? Senator Bruce.

11. SENATOR BRUCE:

12. Well, Mr. President, this bill was in my own esti-
13. mation a bad bill when it went on Consideration Postponed
14. and it has not improved with age. What this bill says is to
15. every city in the State of Illinois that if there's a dis-
16. agreement with them and the Commerce Commission, this
17. Board overrules local ordinance and local controls. It's
18. a bad bill. I think it's put in for the utilities to put
19. ...place plants where cities don't want them. Now, you
20. can use the question, that we are in an energy crisis.
21. The problem is that we have a Commerce Commission. They're
22. aware of the energy crisis. They know what communities
23. want and don't want. They issue the certificate of con-
24. venience and necessity. They are the ones that take the
25. testimony and decide. Now, if a local community doesn't
26. want something built downtown, they shouldn't have...
27. to have it built downtown. They want it built at the
28. edge of the community, then it should be built there.
29. What this bill says, that no matter what local ordinance,
30. local law, State law, this board will be able to overrule
31. and decide what they want. Now, I'm not happy with what
32. the Illinois Commerce Commission has done in each and
33. every time, and the somewhat independent approach they're

1. taken to some problems. But I don't see that this board
2. is going to be any more independent of industry, any more
3. willing to look to the needs of the people in the local
4. community. It's just...it's a bad bill and I would hope
5. that it would remain defeated.

6. PRESIDING OFFICER: (SENATOR GRAHAM)

7. Senator Bell.

8. SENATOR BELL:

9. Well, Mr. President and Members of the Senate, it
10. doesn't happen too often that I'm in accord with a Senator
11. from the other side of the aisle. But, Senator Bruce, we're
12. ...we're together on this. And it gives me a great deal
13. of pleasure to be with you in this particular area. I
14. have a great deal of respect for Senator Connelly, and
15. I know that Commonwealth Edison Public Utilities had some
16. tremendous problems in this State -- actually, through-
17. out the Country, as has been reflected in the brownout
18. crisis, the energy crisis, and where we're going to go.
19. You know - who really knows? However, this is a type
20. of legislation that I've given...I've tried to give deep
21. thought to all legislation that comes up, but I've given
22. especially deep thought to this, and I've found my position
23. vacillating back and forth because of the needs of the
24. Country for energy, the needs of our State for energy.
25. But at the same time, it challenges some very deep,
26. basic philosophies for a democratic way of government.
27. And so, I'm in accord with Senator Bruce in this particu-
28. lar issue, and it be my deep hope that Commonwealth Edison
29. and various other public utilities can address the prob-
30. lem, possibly in a more democratic manner. I...I see
31. it as a quarrel area to the running fight that I've
32. had with the Chicago Metropolitan Sanitary District,
33. Senator McBroom has had, Senator Schaffer and Senator

1. Mitchler have had. And our area is being usurped by
2. Cook County prerogative to come down and just dump their
3. sludge any place they care to dump it. It's a similar
4. type of situation. And the people have got to be heard.
5. We have more and more people joining our society daily,
6. more and more voters. We have a population crunch, and
7. so our system of democracy, the great republic that we
8. live under, is constantly tested. And it seems like
9. very often it's an easy cop out for the Legislature
10. to say: Well this is really needed; We do have an
11. energy crisis; The Chicago Metropolitan Sanitary Dis-
12. trict has got fantastic problems; And let's end run
13. around the people; Let's end run around local govern-
14. ment; And let's try to see if we can have the State
15. usurp those particular powers. I think it's wrong.
16. I sympathize with the public utilities, they've got
17. a real problem, but in my humble opinion, this is not
18. the way to do it. So I would have to not support HB
19. 878.

20. PRESIDING OFFICER: (SENATOR GRAHAM)

21. Senator Davidson. I thought the debate had been
22. had on this. Senator Davidson.

23. SENATOR DAVIDSON:

24. Mr...Mr. President and Members of the Senate,
25. I'd like to just bring to your attention one real, gut
26. issue in this bill. This would allow the State Board
27. to usurp all the zoning powers that any local govern-
28. ment would have, be it county or municipal, would allow
29. transmission lines to be laid right over the top of
30. any other lines that...if they so desired. This is
31. an end run play, that would destroy many areas of
32. Illinois for the convenience of others. Now, if the
33. utility goes about it right, they can certainly get

1. the property and the transition space that they need
2. within those existing zoning laws. Now, it's been
3. a proven fact in downstate Illinois where they came
4. in, acted like gentlemen, done their homework, they
5. can get the necessary land and variances and clearances.
6. And to usurp all the zoning powers of any local govern-
7. ment is contrary to what we're all here for and I urge
8. all of you to vote no on this bill.

9. PRESIDING OFFICER: (SENATOR GRAHAM)

10. Senator Buzbee.

11. SENATOR BUZBEE:

12. Mr. President, we hear a lot of discussion in this
13. Chamber about Home Rule, and I believe this would cer-
14. tainly be a violation of a local community's right to
15. rule themselves when in my particular area as an example,
16. if Con Ed decided or some other power plant or utility
17. decided they wanted to build a plant in Carbondale,
18. downtown Carbondale or right next to the University,
19. let's say, I think that local authorities ought to
20. be able to have the right to say, no, we don't want
21. your plant built here in our town, and I think that...
22. I'm only defending the right of Home Rule by opposing
23. this particular bill, 'cause I don't think some State
24. higher board ought to be able to come in and tell
25. Carbondale, you will build that plant there.

26. PRESIDING OFFICER: (SENATOR GRAHAM)

27. Senator Donnewald.

28. SENATOR DONNEWALD:

29. Well, yes Mr. President, I was going to make a
30. speech, but all the speeches have been made. The
31. point's been made, the point that I wanted to make.
32. We did defeat this bill before and it certainly should
33. be defeated again. I would urge a no vote.

1. PRESIDING OFFICER: (SENATOR GRAHAM)
2. Senator Rock.
3. SENATOR ROCK:
4. Thank you, Mr. President, Ladies and Gentlemen
5. of the Senate, it's not very often that I have to dis-
6. agree with the Senator from Breese, but I do in this
7. instance. I'm a co-sponsor of this measure. I think
8. it's good legislation. It's been amended to take out
9. a couple of the objectional features, and I would hope
10. it would receive an aye vote.
11. PRESIDING OFFICER: (SENATOR GRAHAM)
12. Does the President of the Senate seek recognition?
13. Senator Harris.
14. SENATOR HARRIS:
15. Yes, not to debate this bill, but to make an ob-
16. servation that at the beginning of the day, I indicated
17. we would work until 1:00. It's perfectly obvious that
18. we're going to have to work until 2:15, at which time
19. we must adjourn, or as close to 2:15 finish the order of
20. business we're on then for the Executive Committee. Now,
21. I just want to point out that this bill has been debated.
22. I did make a commitment to its sponsor that it would be
23. called yesterday. That was not possible. I would hope
24. that the Senate could observe as much restraint without
25. the infringement on the right to dialogue and debate, but
26. to be restrained in the length of remarks. I want to take
27. no position on this bill except as an individual Senator,
28. but I think it's an appropriate time to urge the evalua-
29. tion of the comments I made at the opening of the Session
30. today about our work load and whether we are going to be
31. able to finish this week by adjournment on Friday. I urge
32. you to keep that in mind. Those of you that were plan-
33. ning to lunch after the recess, you're going to have to

1. have lunch at the desks. We're going to have to work
2. until 2:15.

3. PRESIDING OFFICER: (SENATOR GRAHAM)

4. No further debate, the question is shall SB 878
5. pass. On that question the Secretary will call the roll.

6. SECRETARY:

7. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
8. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,
9. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth
10. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,
11. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard
12. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,
13. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,
14. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,
15. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,
16. Weaver, Welsh, Wooten, Mr. President.

17. PRESIDING OFFICER: (SENATOR GRAHAM)

18. Kosinski, aye. Bartulis, aye. Senator Connelly.

19. SENATOR CONOLLY:

20. Mr. President will you please call the...

21. PRESIDING OFFICER: (SENATOR GRAHAM)

22. On this question the yeas are twenty-seven, the
23. nays are nineteen. The bill having failed to receive
24. the constitutional required majority is therefore de-
25. clared lost. We will now go to the order of motions,
26. because I promised some Senators yesterday who have
27. motions and we have one by Senator Vadalabene, we have
28. one going to be proposed by Senator Sours. I do not
29. see the Senator from Peoria. Senator Vadalabene, what
30. is your motion? Gentlemen, I can't see the little
31. fellow from Edwardsville, did you have a motion yester-
32. day on a bill on 3rd reading? Gentlemen if we could
33. just...everyone...

1. SENATOR VADALABENE:

2. Yes, just pass it for the time being.

3. PRESIDING OFFICER: (SENATOR GRAHAM)

4. All right. Senator Sours. Any other Senators
5. have motions? Senator Ben Palmer. Don't stand right
6. in front of the gentleman that's making a motion,
7. please. We'd like to see...

8. SENATOR PALMER:

9. Mr. President, I discussed this with the Chairman
10. on Committee on Assignment of Bills, and I'm asking
11. that the Committee on Assignment of Bills be discharged
12. on HB 966.

13. PRESIDING OFFICER: (SENATOR GRAHAM)

14. Senator Palmer...

15. SENATOR PALMER:

16. Mr. President, I stated that I discussed this
17. with the Chairman on Committee on Assignment of Bills,
18. and I'm now making a motion to discharge that Committee
19. on Assignment of Bills on HB 966, so it may be advanced
20. to 2nd reading.

21. PRESIDING OFFICER: (SENATOR GRAHAM)

22. I think the Chairman on Assignment of Bills indi-
23. cated to you that the Committee on that assignment had
24. met and decided that those bills would not be removed
25. from the drawer on Assignment of Bills and that it would
26. take a prevailing vote of the members of this Body to so
27. act. So you are moving to discharge the Committee on
28. Assignment of Bills. The Chairman of the Committee on
29. Assignment of Bills is resisting that motion, and all in
30. favor of the motion of Senator Palmer to discharge the
31. Committee on Assignment of Bills from further considera-
32. tion of HB 699, is that Senator?

33. SENATOR PALMER:

1. ...state that this is a companion bill to 967,
2. which has been assigned to Appropriations, and that
3. Committee will discuss the entire matter?

4. PRESIDING OFFICER: (SENATOR GRAHAM)

5. It is left up to the discretion of the Body, as
6. I told you yesterday, Senator. Gentlemen, is there
7. anyone except Senator Palmer and myself that has any
8. idea what the motion is? There has been a motion
9. gentlemen. There has been...Senator Latherow.

10. SENATOR LATHEROW:

11. Mr. President...I want to object to that motion.
12. I want it to be noted that I'm not in favor of that
13. motion.

14. PRESIDING OFFICER: (SENATOR GRAHAM)

15. I just...there has been a motion made by Senator
16. Palmer that the Committee on Assignment of Bills be
17. discharged from further consideration of HB 699, is
18. that correct? 966. And that it be placed on the order
19. of 2nd reading without assignment...without assignment
20. to a committee, another committee. Senator Latherow
21. objects to that motion. Senator Soper.

22. SENATOR SOPER:

23. I move that that motion lie on the Table.
24. PRESIDING OFFICER: (SENATOR GRAHAM)

25. Senator Soper moves to Table the motion of Senator
26. Palmer to discharge the Committee on Assignment of Bills.
27. All in favor of the motion of the Senator from Cicero,
28. will signify by saying aye. Opposed. The ayes have it
29. and the motion of Senator Soper prevails. We are on the
30. order of motions, gentlemen. Senator Sours has a motion,
31. for what purpose, what bill, Senator?

32. SENATOR SOURS:

33. Mr. President, Senators, HB 1395, I've put the

1. amendment on the Secretary's desk yesterday afternoon.

2. I'd like to make the proper motion.

3. PRESIDING OFFICER: (SENATOR GRAHAM)

4. Senator Souris moving that HB 1395 on 3rd reading
5. be recalled to the order of 2nd for the purpose of
6. considering an amendment. All in favor of the motion
7. to recall, signify by saying aye. Leave is granted.
8. The bill's now in order of 2nd reading. Senator Souris.

9. SENATOR SOURS:

10. Well, Mr. President, I move the adoption of an
11. amendment I've left with the Secretary, and all it
12. does is clear up a little grammatical misunderstanding
13. probably, a matter of syntax. We're changing the word
14. "of" to "to"...Now some of us who worry about these
15. small, sometimes deceptive amendments, this is what it
16. reads now: The defendant shall be given five days written
17. notice in the manner required by rule of the Supreme Court
18. to a hearing. This amendment makes it of a hearing, and
19. that is all. I move the adoption.

20. PRESIDING OFFICER: (SENATOR GRAHAM)

21. All in favor of the motion of Senator from Peoria,
22. indicate by saying aye. Opposed. The ayes have it and
23. the amendment is adopted. Any further amendments? The
24. bill will be returned to the order of 3rd reading. I
25. think that...Senator Glass, for what purpose do you rise?
26. We're trying to get the order of motions that were filed
27. three days ago, gentlemen. Senator Glass.

28. SENATOR GLASS:

29. I...I rise, Mr. President and Senators, to make a
30. motion to discharge the Committee on Assignment of Bills
31. from further consideration of HB 1810. This particular
32. bill is a bill that would make it clear that Home Rule
33. Unit, and specifically the City of Evanston may issue

1. liquor licenses to establishments within 100 feet of
2. churches. Now, this is a bill, I will tell the member-
3. ship that is very much in need...very much needed by the
4. City of Evanston. I think other municipalities around
5. the State that are Home Rule Units also would be favorably
6. disposed to the bill. The...the problem simply stated
7. is that these Home Rule Units believe under the new Con-
8. stitution that they do have the power to issue liquor
9. licenses without the...Thank you, Mr. President. Without
10. regard to the 100 foot limitation. However, the law
11. is unclear on that point, and without adoption of this
12. bill, there is some real question about the effect on...
13. on the City of Evanston, and I think on other cities
14. of the remaining portions of the Dram Shop Act. It is,
15. I repeat, of great concern, the fact that it was not
16. assigned to committee, I want to hasten to add, is in
17. no way through any act of the Chairman of that committee,
18. who I want to congratulate on his efforts in assigning
19. bills. This particular bill came over from the House
20. sponsor who asked me to pick it up...
21. PRESIDING OFFICER: (SENATOR GRAHAM)

22. Will the Senator make his motion?

23. SENATOR GLASS:

24. ...and I therefore repeat the motion, Mr. President,
25. to discharge the committee on HB 1810.

26. PRESIDING OFFICER: (SENATOR GRAHAM)

27. Senator Mohr.

28. SENATOR HOWARD MOHR:

29. Yes, Mr. President, Members of the Senate. I don't
30. like to rise in opposition to my colleague from this
31. side of the aisle. However, I think it's my duty to
32. say that this bill or a bill such as this, I sponsored
33. in the last General Assembly, and it was important then

1. which is about, nearly two years ago. And it's apparently
2. still important today. But it wasn't important enough
3. for the City of Evanston or their Representatives or their
4. Senator to introduce this bill before April 27th. Here
5. we're sitting over on this side, in the Senate, being criti-
6. cized everyday and at every meeting of the...the House of
7. Representatives complaining about the treatment the...
8. Senate gives the House on their bills. It's just...
9. totally unfair to be critical of this Senate, the hearings,
10. the committees have doubled up. They work until 1:00,
11. 2:00 o'clock in the morning, and the hour is late, to con-
12. sider these motions at this time I think is definitely out
13. of order and I would move to Table that motion.

14. PRESIDING OFFICER: (SENATOR GRAHAM)

15. Senator Mohr moves to Table the motion by Senator
16. Glass. All in favor of the motion signify by aye. Opposed.
17. The ayes have it. The motion's Tabled. Senator Glass.
18. SENATOR GLASS:

19. Roll call on that...

20. PRESIDING OFFICER: (SENATOR GRAHAM)

21. Do you...Do two other Senators join the Senator in a
22. request for a roll call? The motion of Senator Mohr's
23. prevails. We are now going to the order of motions filed
24. on this Secretary's desk in writing if we can get there.
25. We've been trying to for two days. What's the Senator
26. from Midlothian rise? For what purpose?
27. SENATOR DON MOORE:

28. Yes, before we get to that matter, Mr. President,
29. appearing on the order of House Bills 2nd reading is
30. HB 452, sponsored by Senators Bluthardt and Blair. I
31. spoke to Senator Knuppel who is listed as the chief
32. sponsor, and I would like unanimous consent for the
33. record to show that I would like to be the chief sponsor

1. of that bill at the request of the House sponsor.

2. PRESIDING OFFICER (SENATOR GRAHAM):

3. What was your motion Senator? Let's please...

4. SENATOR DON MOORE:

5. For unanimous consent for me to be shown as the
6. chief sponsor of HB 452 appearing on House Bills, 2nd
7. reading in lieu of Senator Knuppel.

8. PRESIDING OFFICER (SENATOR GRAHAM):

9. I think you'll have no problem, the record will
10. so show. Senator, do any other Senators choose to impede
11. the progress of the Senate, or may we go to the order
12. of House...motions filed in writing? We are going to
13. the order of motions on the Secretary's desk, filed
14. in writing as we have promised you, gentlemen, we would
15. do yesterday. We're now on that order of business, Mr.
16. Secretary.

17. PRESIDING OFFICER (SENATOR HOWARD MOHR):

18. The first bill will be SB 882, Senator Hynes.
19. Hold that one. HB 1029, Senator Knuppel.

20. SENATOR KNUPPEL:

21. I filed a motion to discharge the committee and
22. place HB 1029 on 2nd reading. The bill is a bill
23. designed to allow publication in divorce cases against
24. out of State defendants by mailing pursuant to certified
25. mail. There was some problems, there are some problems
26. with the bill in its present state. I've distributed
27. an amendment which will be placed on, if the bill is
28. removed from committee and placed on 2nd reading. This
29. requirement of publication in our law and divorce
30. cases, which are paid for in public aid matters is
31. costing the County of Cook approximately \$70,000 per
32. year. And I think this is good legislation, the amend-
33. ment provides that the service by mail will be only the

1. equivalent of service by publication and will therefore
2. not allow action to be taken in...in an in personam man-
3. ner. This bill will save all the communities, where
4. divorces are being paid for by public aid and publica-
5. tion is required because the defendant is outside the
6. State, a great deal of money. Not the greatest case in
7. the world, but it does save the taxpayer a lot of money
8. over the State as a whole, and I would recommend that it
9. be discharged from committee, placed on 2nd reading and
10. that this amendment be attached. If there's other cor-
11. rections that somebody would want, I would certainly be
12. willing to hear about them when it's on 2nd reading.

13. PRESIDING OFFICER (SENATOR MOHR)

14. Senator Bell.

15. SENATOR BELL:

16. Mr. President, Members of the Senate, my distinguished
17. colleague on the other side of the aisle, if we're going to
18. start circumventing the committee process, it seems to me
19. that we're just about going to bring down the rotunda, the
20. roof of the rotunda in this General Assembly as far as
21. being able to do a meaningful job here for the people of
22. the State of Illinois. We start discharging various bills
23. from committee, we're going to have absolute chaos, and it
24. so happens that HB 1029 was heard by Judiciary. And the
25. Judiciary Committee recommended a Do Not Pass. It would
26. seem to me that the matter's been dealt with and I would
27. be opposed to the action of Senator Knuppel here.

28. PRESIDING OFFICER (SENATOR MOHR)

29. Senator Sours.

30. SENATOR SOURS:

31. Mr. President, Ladies and Gentlemen of the Senate.
32. This bill had a fair hearing in Judiciary. The problem
33. some of us consider that the validity of a divorce decree
under such service could later be attacked collaterally.

1. Now the...the law now provides insofar as an in personam
2. action as the Senator had expressed it is concerned,
3. there has to be personal service. Now there are oc-
4. casions where the defendant is a nonresident so we pub-
5. lish in the newspaper for him. At least there is evi-
6. dence of a publication.

7. PRESIDING OFFICER (SENATOR MOHR)

8. Senator Sours, for what purpose does Senator
9. Mitchler rise?

10. SENATOR MITCHLER:

11. A point of order, Mr. President, I believe the motion
12. is to discharge the committee. Now, I don't think that...
13. we don't think we ought to get into debating the merits or
14. demerits of the bill. I think that we ought...the gentle-
15. men speaking now, Senator Sours was Chairman of the Com-
16. mittee, and I believe he could tell us whether or not the
17. bill got a fair hearing in committee and I think that we
18. can vote up or down the motion to take the bill from Com-
19. mittee and let's not debate the bill, because we've got a
20. number of motions, and we're not here to debate the bill. We're
21. to debate whether or not we take it from committee.

22. PRESIDING OFFICER (SENATOR MOHR)

23. Your point is well taken. Senator Sours.

24. SENATOR SOURS:

25. I'll be very brief and conclude that we had the opinion
26. that this bill would cast infirmity on many divorce decrees.
27. And you might even be able to collaterally attack the owner-
28. ship of real estate later. We weren't satisfied, the bill
29. was a good one, therefore we wouldn't let it out.

30. PRESIDING OFFICER (SENATOR MOHR)

31. Senator Soper.

32. SENATOR SOPHER:

33. I move to Table the motion.

1. PRESIDING OFFICER: (SENATOR MOHR)

2. Senator Soper moves to Table Senator Knuppel's motion
3. to take from the Table HB 1029. All those in favor of
4. Senator Soper's motion, signify by saying aye. Opposed.
5. Senator Soper's motion prevails. Request for a roll call.
6. You want...The motion is to Table by Senator Soper, and
7. those voting with Senator Soper will vote aye. Those
8. with Senator Knuppel will vote no.

9. SECRETARY:

10. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
11. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,
12. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth
13. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,
14. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard
15. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,
16. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,
17. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,
18. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,
19. Weaver, Welsh, Wooten, Mr. President.

20. PRESIDING OFFICER (SENATOR MOHR)

21. Senator Saperstein, you're voting...no. Regner, aye.
22. Harber Hall, aye. Carroll, no. On that question the yeas
23. are twenty-eight, the nays are twenty-two. Senator Soper's
24. motion prevails. Senator Knuppel on HB 1437.

25. SENATOR KNUPPEL:

26. 1437 is a simple bill. It's a motion to discharge
27. committee and place it on 2nd reading. It increases
28. the pensions for...orphans of firemen from 15 to 20%.
29. The total cost, I think there are some six, at the present
30. time six such orphans. This legislation was approved
31. by the Illinois Pensions Board, two years ago, disapproved
32. this year. And I would move that the committee be
33. discharged and be placed on 2nd reading. The total
cost to the State of Illinois would be \$4500 per year

1. PRESIDING OFFICER (SENATOR MOHR):

2. This motion is to take HB 1437 from the Table,
3. and it would require thirty votes. Any further discus-
4. sion? Secretary call the roll.

5. SECRETARY:

6. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
7. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,
8. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth
9. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,

13. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,
14. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,
15. Weaver, Welsh, Wooten, Mr. President.

16. PRESIDING OFFICER (SENATOR MOHR):

17. Hynes, aye. Nimrod, no. Soper, no. Vadalabene,
18. aye. The yeas are twenty-one, the nays are eleven.
19. HB 1437 having failed to receive the required thirty
20. votes, Senator Knuppel's motion fails to take this
21. bill from the Table. Senator Knuppel on HB 1646.

22. SENATOR KNUPPEL:

23. 1646 is a bill that provides for mandatory insurance
24. before issuance of an operator's permit. It's Bill
25. Laurino's bill from the House, and it would require any-
26. body who applies to show evidence of financial responsi-
27. bility in the form of insurance. There's presently ap-
28. proximately 400,000 uninsured motorists in the State of
29. Illinois and if they're involved in a collision or an
30. accident, or a wreck of any kind, this means that the
31. people who have been decent enough to purchase insurance
32. are paying...are paying the freight for those people who
33. have not purchased insurance. I would suggest a favor-
able roll call.

1. PRESIDING OFFICER (SENATOR MOHR):

2. Is a request...the roll call...or the same roll call,
3. Senator? You request a new roll call or you accept this
4. last one.

5. SENATOR KNUPPEL:

6. I assume there's people that feel differently about
7. these things.

8. PRESIDING OFFICER (SENATOR MOHR):

9. Clerk...clerk will call the roll. It will need 30 votes
10. to take this bill from the Table. Senator McCarthy.

11. SENATOR MCCARTHY:

12. ...Before you call the roll, I wonder if I could just make
13. a remark on this bill.

14. PRESIDING OFFICER (SENATOR MOHR):

15. ...Senator, I did ask the Secretary to call the roll. This
16. bill was heard in Committee. If you can be brief I...okay.
17. I know, that's why I'm suggesting that.

18. SENATOR MCCARTHY:

19. All right. On this particular Committee vote which I
20. think lost...the bill lost by one vote...my proxy was voted
21. contrary to my intention. I didn't convey that to the person
22. that voted my proxy but in this particular instance had my
23. proxy been voted correctly to reflect my wishes the bill would
24. be on the Floor. And I think that's germane and I hope it's
25. short. So I would encourage this one to come out.

26. PRESIDING OFFICER (SENATOR MOHR):

27. Thank you, Senator. The Secretary will call the roll.

28. SECRETARY:

29. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
30. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,
31. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth
32. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,
33. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard

1. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,
2. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,
3. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,
4. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,
5. Weaver, Welsh, Wooten, Mr. President.

6. PRESIDING OFFICER (SENATOR MOHR):

7. On that question the yeas are 26. The nays are 6. House
8. Bill...the motion fails on House Bill 1646. Senator Partee,
9. SB 37.

10. SENATOR PARTEE:

11. Mr. President, members of the Senate, SB 37 creates a
12. program by the Secretary of State's office which is called
13. the Illinois Identification Card Act. I'm not going to be-
14. labor this, most of you have already familiarized yourself with
15. its provisions. It is a bill which would provide for a large
16. number of people who do not have a driver's license, a means
17. of identifying themselves on a basis of acceptability. It would
18. permit the Secretary of State to issue an identification card
19. which could contain a photograph for many of our senior citizens.
20. for many other people who do not drive automobiles to have it
21. their possession ready identification. It's been said that
22. other people have credit cards and various and diverse and
23. sundry other things. This would be a thoroughly acceptable
24. identification for persons who need it. I have had thousands
25. of letters from people throughout this State who think that
26. this is an excellent idea. I would hope that if this bill fails
27. or passes that it not fail or not pass on a political basis.
28. This is not a political bill. It has as its sole purpose to
29. provide for people who need identification a means of identify-
30. ing themselves on a area of acceptability throughout the State.
31. And I would ask that you vote to take this bill from the Committee.

32. PRESIDING OFFICER (SENATOR MOHR):

33. Senator Sours.

SENATOR SOURS:

1. This bill, Mr. President, Senators, was in Judiciary.
2. It had a fair hearing, it'll be an expensive undertaking. It
3. involves the taking of photographs. And while we're talking
4. about it, I'll bet if...if we were to search the people here
5. today we'd find any number of them who had in their possession
6. a great number of identification cards or whatever you want to
7. call them. The veteran has his discharge, cut down to a small
8. size for his wallet. ...The banks issue credit cards. One has
9. his name and his bank account number in his wallet, his savings
10. or checking account. And we're literally acrawl with identifi-
11. cation. Repeating it briefly this bill had a fair hearing in
12. Judiciary and doesn't have any more virtue now than it had then.
13. PRESIDING OFFICER (SENATOR MOHR):

14. On this motion again takes 30 votes to take SB 37 from the
15. Table. Senator Partee.

16. SENATOR PARTEE:

17. ...You...you stated the motion is taken from the Table.

18. PRESIDING OFFICER (SENATOR MOHR);

19. Secretary will call the roll.

20. SECRETARY:

21. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
22. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,
23. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth
24. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,
25. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard
26. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,
27. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,
28. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,
29. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,
30. Weaver, Welsh, Wooten, Mr. President.

31. PRESIDING OFFICER (SENATOR MOHR):

32. Johns, aye. Newhouse, aye. Romano, aye. Palmer, aye.
33. Request to call the absentees.

SECRETARY:

1. Bell, Berning, Clarke, Conolly, Course, Davidson, Fawell,
2. Glass, Graham, Harber Hall, Keegan, Knuepfer, Knuppel, Latherow,
3. McBroom, Merritt, Mitchler, Howard Mohr, Don Moore, Nimrod,
4. Nudelman, Ozinga, Regner, Schaffer, Scholl, Shapiro, Sommer,
5. Soper, Sours, Swinarski, Weaver, Mr. President.

6. PRESIDING OFFICER (SENATOR MOHR):

7. On that question the yeas are 28. The nays are 1. SB 37
8. having failed to receive the required number of votes fails.
9. Sen...House Bill 1652, Senator Rock.

10. SENATOR ROCK:

11. Thank you, Mr. President, Ladies and Gentlemen of the
12. Senate, I caused to be filed last week a Motion to take from
13. the Secretary's Table House Bill 1652. This bill was heard
14. last week in the Committee crunch, in the Committee on Industry
15. and Labor we had a full and a fair hearing. It was reported out
16. Do Not Pass. This bill is an act to establish the right of
17. public school employees to organize and bargain collectively.
18. I wish publicly to thank Senator Harris, the President of
19. the Senate, and Senator Partee, the Minority Leader, for going
20. out of the regular order of business to deal with this today.
21. The galleries as you can see are full. The people in the galleries
22. I'm told are in full support of this motion. They are vitally
23. interested in the passage and approval of House Bill 1652.
24. There are some four hundred fifty thousand employees in our
25. State. There are a hundred and forty thousand public school
26. teachers and this bill addresses itself to them and their rights.
27. Now on a Motion to take from the Table, and let me say at the
28. outset, we will probably hear some of the arguments against this
29. Motion. I wish to address myself to those arguments at this
30. time. Because lest anyone attempt to avoid this issue, one that
31. I think we should deal with this Session, right now, I'm going
32. to state right now that it may well be said that this bill needs
33. some amendments. So be it. If we get the bill out on the
 Calendar I will state publicly that I will hold the bill and

1. consider fairly and totally any amendments that anybody
2. wishes to offer. There was only one suggested amendment
3. in Committee, there may well be others, but don't vote against
4. this Motion on that basis. Another question was raised, why
5. don't we have a bill to cover all public employees. And that's
6. a good question. Last Session we had SB 1112 which did, in
7. fact, purport to cover all employees. That bill, as the good
8. Senator who is on his feet well knows - he and I served on the
9. subcommittee - we had at least five public hearings, we consid-
10. ered some 36 or 37 amendments. No agreement was able to be
11. reached and the bill died. To attempt to cover all public em-
12. ployees at this late date in the 78th General Assembly, I think
13. is unrealistic. In the first place an attempt to cover all em-
14. ployees namely, policemen, firemen, sanitation workers involves
15. the principles of home rule and therefore it would be a preemption
16. bill and would require a three-fifths vote. I think that any
17. attempt to do that is totally unrealistic. It also would in-
18. volve the question of essential governmental services and the
19. proscription of the right to strike. I don't think at this
20. time in the waning ten days of this Session, we can adequately
21. deal with that problem. The other suggestion that was made in
22. the Committee was that this bill should be put into that working
23. subcommittee that's considering all the public employee
24. collective bargaining bills. I think the total is about 12 or
25. 14 both Senate and House bills. And I resisted that Motion to
26. put it in subcommittee. And asked and suggested that we should
27. have a roll call vote for this reason, that, again it seems to
28. me, is simply a dodge. An attempt to avoid coming to grips with
29. the issue. That subcommittee is due to report on June 21st.
30. Now if you and I will look at our Calendar you'll see that the
31. full Committee is not even scheduled to meet June 21st and I
32. don't know to whom the subcommittee is supposed to report and
33. I can pretty well predict if they report what the contents of
that report would be. The issue is here, it's at hand, I think.

1. that this is a valid attempt to deal with collective bargaining
2. for one segment of our public employees, namely, the teachers.
3. We have eleven hundred school districts in this State,
4. some three hundred of them are now operating under a collective
5. bargaining agreement. This bill is necessary. I urge a favor-
6. able vote and ask for a roll call.

7. PRESIDING OFFICER (SENATOR MOHR) :

8. Senator Mitchler:

9. SENATOR MITCHLER:

10. ...Mr. President and members of the Senate, again I
11. apologize for the condition of my voice but I would like to
12. point out to the members of the Senate that...House Bill 1652
13. was first received at our meeting last week. This is the
14. first time the bill came to the Committee although I will
15. admit that because of the subject matter of the bill I would
16. say that almost all the members of the Committee did review
17. the bill and understood the bill and the language contained
18. therein. Many of the Senators on the Committee, the Industry
19. and Labor Committee expressed that they would have amendments
20. to offer. It is customary that we hear testimony both the
21. proponents and opponents and at that time I suggested that it
22. would be better if House Bill 1652 would be referred to a work-
23. ing subcommittee chaired by Senator Harber Hall of Bloomington
24. and be placed with all of the other public employee collective
25. bargaining bills. This suggestion was turned by the Senate spon-
26. sor of the bill which is his right. I believe in talking to the
27. number of the teachers that was explained to them, that there
28. would be insufficient votes in our opinion for a bill to be voted
29. out and amended in a short hearing in the Labor and Industry
30. Committee last week. And now I want to point out that we
31. had collective bargaining bills presented to the Committee
32. last week involving firemen, involving policemen and I might
33. say that they had even stronger support by the people of those

1. professions than the teachers. And the Senate sponsor of
2. the Policemen's Bargaining Bill indeed was as interested
3. in having his bill heard. But these bills were referred
4. to the working subcommittee. Now when the vote was taken
5. the vote was 10 to 2 which indicated that it was a bipartisan
6. vote. Indicating that the bill was in insufficient form to be
7. voted out on the Floor. Now I think the bill had a hearing
8. and I predicted to them the people that wanted the bill on
9. the Floor, and of course, I understand why they're motivated
10. and why they're instructed what to do but I do believe that we
11. gave it as full and careful a hearing as we did. Now if that is
12. the fate that they wanted the bill to have, that's what
13. happened to it. We so predicted. If the bill would had been
14. allowed to go into subcommittee and could have been reported
15. on June 21st and I know that Senator Harber Hall is working
16. on a report of that Committee through the Industry and Labor
17. Committee. And it would still be alive. And I predicted then
18. that if the bill was even voted out on the Floor, even I
19. don't know what satisfaction they would get. But I know that
20. from talking to my colleagues on both sides of the aisle,
21. there are insufficient votes to pass the House Bill 1652
22. even in amended forms and in what they have. Now that's
23. why the position, the bill is in the position that it is in
24. now. I believe the bill had a fair hearing and I would
25. recommend a no vote on the Motion to take from Committee
26. House Bill 1652.

27. PRESIDING OFFICER (SENATOR MOHR) :

28. The Chair would like to point out, a number of
29. Senators would like to speak on this subject, but I would
30. remind you that the Motion to take from the Table is not
31. debatable. We have relaxed the Rules and permitted the
32. sponsor of the bill and the Committee Chairman to respond.
33. And we are going to have to stick to that Rule, we have

1. ten more to go and we have to be out of here at 2:15.
2. So I'm going to have to eliminate debate. Secretary
3. will call the roll.

4. SECRETARY:

5. Bartulis, Bell,

6. PRESIDING OFFICER (SENATOR MOHR):

7. The motion is to take House Bill 1652 from the
8. Table. Those voting with Senator Rock will vote aye.
9. Those with Senator Mitchler will vote no. Senator Partee.

10. SENATOR PARTEE:

11. I heard you say that a number of the members desired
12. to speak on this matter and what happened? I had planned
13. to as, I think it's a very important subject, it covers
14. 31% of the public employee work force, a lot of people
15. here, I...I just don't know why we're cutting off debate.
16. We have other work to do but I joined Senator Harris in
17. taking this out of the regular order so that we could
18. accommodate our guests. And I thought probably we ought to
19. not cut off debates so quickly so that we can be heard on
20. this matter.

21. PRESIDING OFFICER (SENATOR MOHR):

22. Senator, the...you know the Rules as well as I do.
23. If somebody wants to make a Motion to suspend the Rules
24. why that is in order. But I did say that we had ten more
25. bills to hear...they're all important to somebody. So
26. if the Rules are to be suspended that's up to the entire
27. Body.

28. SENATOR PARTEE:

29. I'm not going to make the Motion to suspend the
30. Rules. It only takes up more time. I would observe that
31. debate is a fundamental part of this organization.

32. PRESIDING OFFICER (SENATOR MOHR)

33. I would agree Senator and you're a member of the

1. Rules Committee so if they have to be changed why
2. we can take that up at our next meeting. Secretary
3. will call the roll.

4. SECRETARY:

5. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
6. Chew, Clarke, Connelly, Course, Daley, Davidson, Donnewald,
7. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth

12. Savickas, Schaffer, Scholl, Shapiro, Smith, Sommer, Soper,
13. Sours, Swinarski, Vadalabene, W lker, Weaver, Welsh,
14. Wooten, Mr. President.

15. PRESIDING OFFICER (SENATOR MOHR):

16. Swinarski, aye. Regner, no. Mitchler, no.
17. Rock...Senator Rock.

18. SENATOR ROCK:

19. Just so the record will be ineluctably clear, I wish
20. to call the absentees.

21. PRESIDING OFFICER (SENATOR MOHR):

22. For what purpose does Senator Hall...Harber Hall arise?

23. SENATOR HARBER HALL:

24. A point of personal privilege.

25. PRESIDING OFFICER (SENATOR MOHR):

26. We're on roll call Senator. Request to call the absentees.

27. SECRETARY:

28. Bartulis, Berning, Connelly, Course, Davidson, Keegan,
29. Knuepfer, McBroom, Merritt, Howard Mohr, Don Moore, Nimrod,
30. Ozinga, Roe, Savickas, Schaffer, Scholl, Sommer, Soper,
31. Sours, Weaver.

32. PRESIDING OFFICER (SENATOR MOHR):

33. On that question the yeas are 26. The nays are 12.

1. The Motion having failed to receive the required number
2. of votes fails. House Bill 602. Senator Harber Hall
3. for what purpose do you arise?

4. SENATOR HARBER HALL:

5. Personal privilege, Mr. President. May I be
6. recognized?

7. PRESIDING OFFICER (SENATOR MOHR):

8. Yes. You are recognized Senator.

9. SENATOR HARBER HALL:

10. I was referred to in the discussion of the previous
11. bill 1652. I would like our friends and constituents
12. in the gallery to know that the subcommittees studying
13. this has many bills and many interests. And as Chairman
14. of that subcommittee, I have drafted and am preparing
15. to report to the Committee of the Whole on Industry and
16. Labor the position of our subcommittee. And there will
17. be active meetings throughout this State this summer
18. on the issue of collective bargaining for public employees.
19. I would like the people on the other side of the aisle
20. and people in the galleries to know that there are interests
21. similar to yours and I am a chief sponsor of one measure
22. for law officers in this State and I did not insist that
23. my bill come out ahead of all the others. It's in there
24. to be studied with the rest of them.

25. PRESIDING OFFICER (SENATOR MOHR):

26. House Bill 602, Senator Hall.

27. SENATOR HALL (KENNETH):

28. Thank you, Mr. Chairman, members of the Senate, I ask
29. that last week House Bill 602 be heard today to be taken
30. from the Table. Now what's the issue? It's simply this,
31. whether or not potentially 30,000 Illinois veterans will
32. have the opportunity to seek without bias, work instead of
33. welfare. Jobs instead of jail. An economic compensation

1. instead of unemployment compensation. Now why is this
2. important? Simply this. One in every ten Illinois veterans
3. returned to this State, and they returned at the rate of
4. twenty-five hundred a month, has a less than honorable dis-
5. charge, defined by the United States Department of Defense as
6. noncriminal acts such as inability to adjust to military ser-
7. vice, the general and administrative discharges which this bill
8. addresses itself to. This bill does not include as provisions
9. for bad conduct or dishonorable discharge. The discharge cov-
10. ered in this Act by civil definition and comparison as we commonly
11. accept the definition would not even meet the legal requirements
12. of a misdemeanor. Questionably, there is gross disparity in
13. the percentage ratio and consistency of discharges of similar
14. offenses between the services. As an example, the Army for
15. character and behavior disorder is 90.1%, as is the cases
16. given a general discharge, by the Marine Corp is 49%, Air
17. Force 63%, and the Navy 77%. All for the same charge under
18. the uniform Code of Military justice. Now comparative statis-
19. tics will show for the Department of Defense that in 1950 there
20. were 5,527 general discharges from the Armed Forces. In 1970
21. that figure rose to 27,534. Two short years later, 1972, a
22. staggering 43,419 of that total 1972 discharges of 890,088
23. were less than honorable. Not bad conduct or dishonorable but
24. less than honorable. Now what does this bill propose? House Bill
25. 602 simply proposes this: To require that the veterans with
26. discharge categories have at least an opportunity for an objec-
27. tive job interview there is no other requirements. Now potentially
28. 30,000 of these veterans are in Illinois with an average of
29. 250 being added monthly. The problem is severe and should
30. command the full attention of the Senate. I'm asking that
31. House Bill 602 be discharged from the Committee. Now there
32. are many agencies supporting this: The Illinois Council of
33. Churches, Concerned Veterans of Viet Nam, AFL-CIO, Illinois

1. State Chamber of Commerce, Church Federation of Chicago,
2. Illinois Bankers Association, and CBS-TV has given editorial
3. support and also the Montfort Port Marine Association. I
4. would ask that this bill be voted out favorably.

5. PRESIDING OFFICER (SENATOR MOHR) :

6. Senator Bell.

7. SENATOR BELL.

8. Mr. President, members of the Senate, I'm well aware
9. that there's a work crunch. And it's with a great deal of
10. antipathy that I rise and take up more time of this Body but
11. this is an issue that is very dear and close to my heart. My
12. avocation has been spent with the military. I've been a unit
13. commander both in active duty and inactive duty and I know
14. that for the good order, the welfare and the discipline of
15. the Armed Forces that the availability of an honorable dis-
16. charge what it means to that good order, to that discipline and
17. that well oiled military machine both active and reserve is
18. most necessary for the defense of this Country and for the
19. welfare of the State of Illinois as far as the National
20. Guard is concerned when not in active duty I gave a great
21. deal of sympathy for Senator Hall's viewpoint...

22. PRESIDING OFFICER (SENATOR MOHR) :

23. Senator, on what...for what purpose does Senator Bruce arise?

24. SENATOR BURCE:

25. On a point of order. You made a ruling on Senator Rock's
26. bill that only the sponsor of the Motion and the Chairman of
27. the Committee would be involved. Now, we...we...

28. PRESIDING OFFICER (SENATOR MOHR) :

29. Senator, I did say the sponsor and the Committee Chairman
30. or one spokesman, I think for this side...

31. SENATOR BRUCE:

32. Oh.

33. PRESIDING OFFICER (SENATOR MOHR) :

1. So there will be one speaker from this side.

2. SENATOR BRUCE:

3. Oh. I'm...just want to clarify the Rule...Thank you.

4. PRESIDING OFFICER (SENATOR MOHR):

5. Okay? I'm in as much a hurry as you are Senator.

6. Conclude Senator.

7. SENATOR BELL:

8. I'll...I'll make it very brief. I think it's a bad
9. bill for the various reasons that I have attempted to clarify
10. here. And I would hope that the members of this Body here
11. would resist the bill solely on the basis I have tried to
12. describe here. Thank you.

13. PRESIDING OFFICER (SENATOR MOHR):

14. The Motion is to take House Bill 602 from the Table.
15. Those voting with Senator Kenneth Hall will vote aye. Those
16. voting against the Motion will vote no. For what purpose does
17. Senator Newhouse arise?

18. SENATOR NEWHOUSE:

19. Mr. President, I'm not clear on what the ruling is. I'd
20. like to speak on this bill for a minute. Am I permitted to
21. speak on the bill or not?

22. PRESIDING OFFICER (SENATOR MOHR):

23. Senator, I mentioned a couple of bills back that we had...
24. at that time we had 10 more bills to or Motions to take from
25. the Table and we're asking the cooperation of the Senate with
26. the sponsor and one from the opposition...hopefully, it would
27. be the Committee Chairman that could respond. So on these
28. Motions they are not debatable but we have extended courtesy
29. to one from each side speak. The Secretary will call the roll.

30. SECRETARY:

31. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll, Chew,
32. Clarke, Conolly, Course, Daley, Davidson, Donnewald,
33. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth Hall,

5. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,
6. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,
7. Weaver, Welsh, Wooten, Mr. President.

8. PRESIDING OFFICER (SENATOR MOHR):

9. Johns, aye. Kosinski, aye. Knuppel, aye. Kenneth
10. Hall, aye. Request to call the absentees.

11. SECRETARY:

12. Bartulis, Berning, Buzbee, Carroll, Chew, Clarke,
13. Conolly, Course, Davidson, Donnewald, Fawell, Glass,
14. Graham, Harber Hall, Keegan, Knuepfer, Latherow, McBroom,
15. Merritt, Mitchler, Howard Mohr, Don Moore, Nimrod, Ozinga,
16. Regner, Roe, Romano, Savickas, Schaffer, Scholl, Shapiro,
17. Sommer, Soper, Sours, Walker, Weaver, Mr. President.

18. PRESIDING OFFICER (SENATOR MOHR):

19. Donnewald, aye. On that question, yeas are 23. The
20. nays are 3. Motion fail...have...Motion failing to receive
21. the required number of votes fails on House Bill 602.
22. Senator Fawell had a Motion, filed a Motion on House Bill
23. 1949 we are unable to call that. That bill is not in the
24. possession of the Secretary of the Senate. House Bill 268,
25. Senator McCarthy.

26. SENATOR McCARTHY:

27. Yes, Mr. President and members of the Body,...House
28. Bill 268 is a proposed amendment to the Unemployment Compensation
29. Law. ...I want to congratulate the Chair in his handling
30. of these bills. And I think your rulings have been...and the
31. Rules under which you have operated have really been expeditious
32. and yet I've been watching the roll call and I don't think the
33. Senators have really made any mistakes because of the push of
the time. I think it's really...really quite a remarkable

1. experience. At the same time, I would like to briefly
2. explain what this bill does - 268 - in the event some members
3. are not familiar with it: What the bill does if passed
4. would allow people unemployed to be eligible for unemployment
5. compensation benefits if in fact they were unemployed for a
6. period of one week. The bill does not give unemployed people
7. any type of benefits if they are unemployed for a period of
8. less than a week. How much is involved in dollars if this
9. bill passes? It will cost the employers, Mr. President, it
10. will cost the employers approximately seven million dollars
11. a year. Who would get this money? The seven million dollars
12. that was the cost to the employer, the people who are un-
13. employed. The people that are unemployed would get the
14. seven million dollars. Now who pays for this? As we all
15. know that the employer groups are assessed a Federal tax based
16. on their payroll. Based on other considerations including
17. experience factor to make up the pool for unemployment
18. compensation benefits. But in the event that this bill does
19. not pass, the Motion does not prevail, we are still faced with
20. the situation, Mr. President, of many people unemployed who
21. have no source of income during the week of unemployment so
22. therefore would be eligible for public assistance. And so
23. Mr. President, in urging a favorable vote on this bill, it's
24. my suggestion that you have to balance the equities in this
25. way. It's going to cost money to pay for the sustenance of
26. people who are off work through no fault of their own. If you
27. vote no on the motion to discharge, you're saying we want the
28. taxpayers through public assistance to pay for these peoples
29. welfare through Public Aid. If you vote yes, you are saying that
30. this is a cost of doing business that should be borne by the
31. employers, the manufacturer, the people that hire and passed on
32. to the consumer in the form of the cost of the product or ser-
33. vice that they give. And I just might mention in my way of con-

1. clusion that at the present time unemployment looks like
2. it's going to go up but the profits of industry have never
3. been higher. Taxpayers are in a position of revolt and we
4. addressed ourselves to that question yesterday. So we don't
5. want to put taxes to pay for these people out of work. Industry
6. with record profits can afford to do it and it strikes me
7. that here in the public interest we should support this bill
8. and allow these people to draw unemployment compensation
9. benefits for the first full week. Accordingly I would ask
10. for an affirmative vote.

11. PRESIDING OFFICER (SENATOR MOHR):

12. Any further discussion? The Secretary will call the
13. roll on House Bill 268. The Motion is to take from the
14. Table House Bill 268. Those voting with Senator McCarthy
15. will vote aye. Those on the opposite side will vote no.
16. Secretary will call the roll.

17. SECRETARY:

18. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
19. Chew, Clarke, Connelly, Course, Daley, Davidson, Donnewald,
20. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth
21. Hall, Hynes, Johns, Keegan, Knueper, Knuppel, Kosinski,
22. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard
23. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,
24. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,
25. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,
26. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,
27. Weaver, Welsh, Wooten, Mr. President.

28. PRESIDING OFFICER (SENATOR MOHR)

29. Buzbee, aye. On that question the yeas are 22. The nays
30. are 2. Motion having failed to receive the necessary number
31. of votes fails. Senator McCarthy on House Bill 671.

32. SENATOR McCARTHY:

33. Yes, Mr. President, 671, I've discussed with Senator
Ozinga and Senator Harris and this is a...an agreed bill

1. except I would like to make the motion that the bill be
2. taken from the Committee and recommitted. Now take it from
3. the Table and recommit it on the Committee on Executive.
4. Am I correct on that Senator Ozinga?
5. PRESIDING OFFICER (SENATOR MOHR) :
6. Senator Ozinga.
7. SENATOR OZINGA:
8. A voice vote would do.
9. PRESIDING OFFICER (SENATOR MOHR) :
10. All in favor of Senator McCarthy's motion to take House
11. Bill 671 from the Table and recommit it to Committee signify
12. by saying aye. Opposed? So ordered. It's recommitted to
13. Committee. House Bill 1206, Senator McCarthy.
14. SENATOR MCCARTHY:
15. Yes...so far the batting average is 50, 50%, win one,
16. lose one.....Well, did you call 1206 or 1207?
17. PRESIDING OFFICER (SENATOR MOHR) :
18. You're high man I might say Senator. 1206.
19. SENATOR MCCARTHY:
20. Yes...Mr. President...1206 is the AFL-CIO workingmen
21. suggested amendments to the Workmen's Compensation Act.
22. Generally what the bill does is that...
23. PRESID(NG OFFICER (SENATOR MOHR) :
24. I'm informed that's the wrong bill, Senator. You're
25. speaking on 1207, I'm informed...
26. SENATOR MCCARTHY:
27. NO, I said Workmen's Comp. 1207 is Occupational Diseases.
28. PRESID(NG OFFICER (SENATOR MOHR) :
29. You're on...you're calling 1207?
30. SENATOR MCCARTHY:
31. Well, I think they can be considered together on one roll
32. call, my recollection was that 1206 is the Workmen's Compensation
33. Act where 1207 is the occupational diseases.

1. PRESIDING OFFICER (SENATOR MCCARTHY):

2. Well...does he have leave...Senate leave to consider
3. both of these bills together on one roll call? Leave is
4. granted.

5. SENATOR MCCARTHY:

6. I didn't think you'd object, Mr. President. It saves
7. one roll call. 1206 again is the suggested changes in the
8. Workmen's Compensation Act as espoused by organized labor.
9. What that does is contain in this bill the eight recommendations
10. of President Nixon's Commission on Workmen's Compensation.
11. We have heard this in the past where there has been suggested
12. change in the format that we come up with a new bill that's
13. never been tested. What we're doing here, Mr. President, is
14. putting the eight recommendations of ...President Nixon's Com-
15. mission and Workmen's Compensation into this bill. This bill
16. did not receive a full hearing in Industry and Labor. The sub-
17. ject matter normally is referred to the Committee on Judiciary.
18. In this instance the Committee on Assignment of Bills referred
19. this to Industry and Labor which I think is one reason why I
20. think it should be brought out on the Floor. Second reason is
21. that there is an existence on the Floor the management pro-
22. vision...the management's suggestion for changing the Work-
23. men's Compensation Act and there is, I think, a unanimous type
24. of feeling amongst the members from both sides of the aisle to
25. attempt to get the divisive groups of the workers and the
26. employers together to see if they can't reach a solution which
27. would result in legislation that would benefit working people
28. at the same, not unduly deprive the manufacturers of what their
29. position is. But if you only have one bill on the Floor, one
30. bill on the Floor you can't really bargain. ...The question
31. that really comes up here, and again it's an essential decision
32. of what we must do, is the question of who pays for people who
33. are injured in their employment. Who pays for people who

1. contract diseases on account of their employment and the
2. answer to is two ways. One, you can have general tax
3. supported programs to pay for people who are injured, diseased.
4. And we have that, it's called Public Aid. Or else you can
5. have the system of compensation where it's paid through
6. reserves set up by insurance or otherwise...through the
7. employer groups...

8. PRESIDING OFFICER (SENATOR MOHR):

9. Senator you are out of time, I....

10. SENATOR MCCARTHY:

11. Oh, I am, I didn't realize I....I...

12. PRESIDING OFFICER (SENATOR MOHR):

13. It..it goes fast when you're speaking...

14. SENATOR MCCARTHY:

15. Well, I was complimenting you and I didn't realize...

16. PRESIDING OFFICER (SENATOR MOHR):

17. I...I...I think there was reason for that compliment
18. and it's coming out now.

19. SENATOR MCCARTHY:

20. All right...now I'll just close with this, that Senator
21. Mitchler has not responded to this, he may, but I'd like to
22. quote here something for us to remember on this bill in
23. urging an affirmative vote. And it's this, Mr. President,
24. rather than vote on a partisan basis instead let me quote
25. to you from page 4. Let us search our own hearts to find
26. the truth. Have I done my very best to make work fully what
27. has been man's greatest revolution and achievement in self-
28. government, Now that's from a suggested address from
29. Senator Mitchler for the 4th of July of this year.

30. PRESIDING OFFICER (SENATOR MOHR):

31. The Chair would like a copy of page 4 through 10 of
32. that....

33. SENATOR MCCARTHY:

1. And I would urge an affirmative vote.

2. PRESIDING OFFICER (SENATOR MOHR):

3. We'll consider House Bill 1206 and 1207 on one roll
4. call. The motion is to take from the Table both of these
5. bills 1206 and 1207. And with that the Secretary will
6. call the roll. Those voting with Senator McCarthy will
7. vote aye.

8. SECRETARY:

9. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll,
10. Chew, Clarke, Conolly, Course, Daley, Davidson, Donnewald,
11. Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth
12. Hall, Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski,
13. Latherow, McBroom, McCarthy, Merritt, Mitchler, Howard
14. Mohr, Don Moore, Netsch, Newhouse, Nimrod, Nudelman,
15. Ozinga, Palmer, Partee, Regner, Rock, Roe, Romano,
16. Saperstein, Savickas, Schaffer, Scholl, Shapiro, Smith,
17. Sommer, Soper, Sours, Swinarski, Vadalabene, Walker,
18. Weaver, Welsh, Wooten, Mr. President.

19. PRESIDING OFFICER (SENATOR MOHR):

20. Rock, aye. Newhouse, aye. On that question, the
21. yeas are 22. The nays are 3. The motion on House Bills
22. 1206 and 1207 to take from the Table both fail. Senator
23. Partee on House Bill 349.

24. SENATOR PARTEE:

25. I just hope I can defer it, Mr. President, I...they
26. lost a part of my file and I don't have all the facts here
27. so if I could just defer this, I'd appreciate it.

28. PRESIDING OFFICER (SENATOR MOHR):

29. All right. ...Senator Fawell on House Bill 178.
30. Senator Fawell's motion is to reconsider the vote by which
31. House Bill 178 passed...failed to pass.

32. SENATOR FAWELL:

33. On this...Mr. President, members of the Senate, at the

1. request of Senator Harber Hall who was the Senate sponsor
2. of House Bill 178. I voted against this bill. I did
3. indicate to him I would file the motion that has just
4. been referred to and this particular bill is the same as
5. the Senate bill which I understand has passed and is on
6. the Governor's desk. Representative Douglas apparently would
7. hope that...his...bill which is identical would also be
8. able to pass. Therefore at the request as I've indicated
9. that Senator Harber Hall who...I don't know if he's on
10. the Floor right...I am making the motion having voted on
11. the prevailing side the vote by which House Bill 178 failed
12. to pass be reconsidered. This is legislation as I recall
13. it pertained to blood, blood derivatives and the...I think
14. one year extension of the present statute that is involved
15. in that legislation. As I say the bill, the identical
16. bill is passed already. Why this particular bill failed
17. I'm not quite sure. On the other hand one might ask why
18. this should pass. But I do make a motion.

19. PRESIDING OFFICER (SENATOR MOHR):

20. Any further discussion? The...Senator Harber Hall.

21. SENATOR HARBER HALL:

22. I...missed a little bit of the discussion that Senator
23. Fawell presented. The only thing is this effects the Blood
24. Labeling Bill and we did pass a Senate Bill, the House sponsor
25. thinks his bill should pass, too. And I'm going to vote aye.

26. PRESIDING OFFICER (SENATOR MOHR):

27. Is a voice vote agreeable Senator? Voice vote agreeable?
28. Senator Fawell moves to reconsider the vote by which House
29. Bill 178 failed to pass. This will take 30 votes. Those
30. voting with Senator Fawell will vote aye. The Secretary will
31. call the roll.

32. SECRETARY:

33. Bartulis, Bell, Berning, Bruce, Buzbee, Carroll, Chew,

Clarke, Connelly, Course, Daley, Davidson, Donnewald,
Dougherty, Fawell, Glass, Graham, Harber Hall, Kenneth Hall,
Hynes, Johns, Keegan, Knuepfer, Knuppel, Kosinski, Latherow,
McBroom, McCarthy, Merritt, Mitchler, Howard Mohr, Don Moore,
Netsch, Newhouse, Nimrod, Nudelman, Ozinga, Palmer, Partee,
Regner, Rock, Roe, Romano, Saperstein, Savickas, Schaffer,
Scholl, Shapiro, Smith, Sommer, Soper, Sours, Swinarski,
Vadalabene, Walker, Weaver, Welsh, Wooten, Mr. President.

PRESIDING OFFICER (SENATOR MOHR):

Connelly, aye. McBroom, aye. On that question the yeas
are 10. The nays are 2. Motion failed. Senator Knuppel on
House Bill 1641.

SENATOR KNUPPEL:

Okay. ...I don't want to call 1641. Move to Table
that because it takes care of that in the Rabies Act which
was later passed out of the Agriculture Committee.

PRESIDING OFFICER (SENATOR MOHR):

Would you care... All right. How about...1803 Senator?

SENATOR KNUPPEL:

The House sponsor of 1803 would like to have a vote on
it. It's a bill designed to provide by referendum that any
municipality of at least...of not more than 2500 may adopt
a...a ordinance allowing their firemen and policemen to participate
in the pension plan. The motion to discharge Committee.

PRESIDING OFFICER (SENATOR MOHR):

...Further discussion? The motion to take from the
Table House Bill 1803. Would you accept a voice vote Senator
or desire a roll call. All those in favor of taking from the
Table House Bill 1803 signify by saying aye. Opposed. Motion
fails. Senator Hynes.

SENATOR HYNES:

Mr. President, I have two bills on 3rd reading. They're
appropriation bills, I would ask leave of the Body to bring

1. them back to second reading for the purpose of an amendment.
2. I checked the amendments with Senator McBroom and I know of
3. no objections to them. I'll explain...the first bill is 883.

4. PRESIDING OFFICER (SENATOR MOHR) :

5. Do you...do you want to handle that before motion on
6. 882, Senator? Senator Hynes.

7. SENATOR HYNES:

8. Are we finished with the Motions?

9. PRESIDING OFFICER (SENATOR MOHR) :

10. We're finished with the Motions that were filed. Yes.
11. I'm recognizing Senator Hynes.

12. SENATOR HYNES:

13. All right. SB 883 is on 3rd reading is the appropriation
14. to fund the school aid formula for the coming fiscal year and
15. it calls for an appropriation of 939,000,000. I'm offering
16. an amendment to reduce that to 937,000,000 which will match
17. the amount in any of the formula bills pending in this Body.

18. PRESIDING OFFICER (SENATOR MOHR) :

19. Senator Hynes is asking...

20. SENATOR HYNES:

21. I move the adoption of the amendment.

22. PRESIDING OFFICER (SENATOR MOHR) :

23. ...Asking...asking leave to bring back to the order of
24. 2nd reading SB 883. Is there leave? Senator Fawell.

25. SENATOR FAWELL:

26. Could you hold that for a bit. So we can discuss it, I
27. was...I'm not aware of this, I'm probably not perfectly proper
28. Senator but could we talk about it for a second?

29. PRESIDING OFFICER (SENATOR MOHR) :

30. ...You will hold it Senator? Take it out of the record.
31. Senator Kenneth Hall.

32. SENATOR KENNETH HALL:

33. Thank you, Mr. President, I'd like leave of this Body

to bring House Bill 1436 on 3rd reading back to 2nd for the purpose of amendment. The amendment is on the Secretary's desk.

1. PRESIDING OFFICER (SENATOR MOHR) :

3. ...Senator Hall requests leave of the Body to bring back 4. House Bill 1436 to the order of 2nd reading for the purpose 5. of the amendment. Is there leave? Leave is granted now.

6. Will you explain your amendment Senator?

7. SENATOR KENNETH HALL:

8. My amendment, it simply says that...what it does, that 9. way the bill was drafted they didn't have the appropriations 10. that were listed in the bill going in the right category so 11. this distributes it and also places, that on commencing on July 12. 1st, 1974, the amount of each grant shall be determined by the 13. Governor's Office of Human Resources upon application by the 14. community agencies. This will make a fair distribution of the 15. money.

16. PRESIDING OFFICER (SENATOR MOHR) :

17. Any further discussion. Senator Kenneth Hall moves the 18. adoption of Amendment No. 1. All those in favor signify by 19. saying aye. Opposed? The amendment is adopted. Further 20. amendments? 3rd reading. Senator Ozinga.

21. SENATOR OZINGA:

22. On the Secretary's desk is an amendment to House Bill on 23. 3rd reading. House Bill 807. I'd like to suspend the rules 24. bring it back to 2nd reading for purpose of amendment.

25. PRESIDING OFFICER (SENATOR MOHR) :
