24. Senator Joyce and Senator Buzbee and we've arrived at the conclusion that  
25. Senator Buzbee would be the lead sponsor and I would appreciate it if

12. Yes, thank you Mr. President, House Bill 8, creates an Act re-  
13. quiring firearms training, for peace officers of counties and  
14. municipalities. The...the State Troopers...all the districts within  
15. the State of Illinois, will...will...afford the...the peace officers  
16. their training facilities...for this instruction. It would require  
17. that the...these peace officers could get this training and the only  
18. thing that they would be out, would be their travel to these different  
19. districts and their ammunition and I would appreciate a favorable vote.

32. Take it out of the record. House Bill 114, Senator Knuppel-Johns.  
33. For what purpose does Senator Berning rise?

1. SENATOR BERNING:

2. I'm sorry, Mr. President, I didn't catch your attention. I wanted  
3. to move House Bill 91, back to 2nd for the purpose of an amendment,  
4. which is on the Secretary's Desk.

5. PRESIDENT:

6. Is there leave? Senator Berning is recognized.

7. SENATOR BERNING:

8. This is Amendment No. 1, all it does, is insert the word repair-  
9. ing. In other words it does little good to allow for the construction  
10. and extension of streets if we don't also, allow for the repairing,  
11. and so this adds one word, repairing. I move for the adoption.

12. PRESIDENT:

13. Any further discussion? Senator Berning moves the adoption of  
14. Amendment No. 1 to House Bill 91. All in favor will say Aye. Opposed  
15. Nay. The amendment is adopted. Any further...Senator Donnewald. For  
16. what purpose do you arise?

17. SENATOR DONNEWALD:

18. Well, I needed your attention prior to the adoption of the amend-  
19. ment. I...Senator Berning, you would agree to bring the bill back, in  
20. the event that we have another amendment for the bill.

21. PRESIDENT:

22. He indicates he will.

23. SENATOR DONNEWALD:

24. Okay.

25. PRESIDENT:

26. Any further amendments. 3rd reading. House Bill 121, Senator  
27. Glass. House Bill 122, Senator Bloom. House Bill 169, Senator Brady.  
28. House Bill 196, Senator Nimrod. House Bill 223, Senator Lemke. House  
29. Bill 230, Senator Kosinski. House Bill 261, Senator Joyce. Read the  
30. bill.

31. SECRETARY:

32. House Bill 261.

33. (Secretary reads title of bill)

34. 3rd reading of the bill.

35. PRESIDENT:

36. Senator Joyce.

37. SENATOR JOYCE:

38. Mr. President, members of the Body, this bill would allow County

1 Boards to set the salary of the members of the Zoning Board of Appeals.  
2 Right now it's set by the State Legislature at twenty dollars a day and  
3 ten cents a mile. This would allow the County Boards to set the salary  
4 and the mileage.

5 PRESIDENT:

6 Any further discussion? Question is, shall House Bill 261, pass?  
7 Those in favor will vote Aye. Opposed Nay. The voting is open. Have  
8 all voted who wish? Take the record. On this question the Ayes are 42,  
9 the Nays are none, with 1 Voting Present. House Bill 261, having received  
10 the constitutional majority is declared passed. House Bill 196,  
11 Senator Nolan Ryan...pardon me, Senator Nimrod.

12 SECRETARY:

13 House Bill 196.

14 (Secretary reads title of bill)

15 3rd reading of the bill.

16 PRESIDENT:

17 Senator Nimrod.

18 SENATOR NIMROD:

19 Mr. President, and fellow Senators, this bill is needed to conform  
20 with the present Constitution and it transfers the appointing authority  
21 from the Circuit Court to the County Boards, for the appointment...for  
22 the numbers of Deputy Sheriffs, and there was no opposition in committee  
23 and ... and I know of no opposition that exists, and I would ask for a  
24 favorable roll call.

25 PRESIDENT:

26 Any further discussion? Senator Buzbee.

27 SENATOR BUZBEE:

28 I'm just wondering...a question of the sponsor, I'm...I'm in my  
29 county we had a situation where for years and years and years, we had  
30 a Democratic Sheriff and a Republican controlled County Board, and need-  
31 less to say there was a lot of politics played on both sides there, and  
32 ...there's no better way to get at a sheriff politically and to tell him  
33 he's not doing his job and to use it against him in the next election,  
34 then to hold down the number of deputies that he needs, so that he can't

1 do his job. I can't see any reason for transferring this. The Circuit  
2 Court, for the most part, does stay out of politics and they are pretty  
3 close to the...to the...law enforcement end, and I'm wondering why the  
4 need of doing this.

5 PRESIDENT:

6 Senator Nimrod.

7 SENATOR NIMROD:

8 Senator Buzbee, the reason this is necessary, is because the  
9 Constitution says that the courts ought to be strictly in the judiciary  
10 and all the administrative functions ought to be transferred to the  
11 bodies assigned, and this is just another one of those functions since  
12 the County Board is responsible for setting the budget, the County Board  
13 is responsible for that particular office. It's the only one that still  
14 remains in that appointment, within the courts and it's a...a matter of  
15 clarifying and putting it in the proper authority. Now, there might be  
16 some instances which you refer to that could be political, but this  
17 could happen with any elected bodies anywhere. It...it is in conformity  
18 with the Constitution and there's really...it needs necessary because  
19 the same...the people who have the budget, should certainly also be able  
20 to determine the number of people, it just makes good administrative  
21 sense, also.

22 PRESIDENT:

23 Any further discussion? The question is shall House Bill 196,  
24 pass? Those in favor will vote Aye. Opposed will vote Nay. The voting  
25 is open. Have all voted who wish? Take the record. On this question,  
26 the Ayes are 38, the Nays are 2, with 5 Voting Present. House Bill 196,  
27 having received the constitutional majority is declared passed. House  
28 Bill 325, Senator Schaffer. House Bill 333, Senator Bell. House Bill  
29 342, Senator Netsch. House Bill 419, Senator Romano. House Bill 474,  
30 Senator Knuppel. House Bill 491, Senator Bloom. House Bill 506,  
31 Senator Kenneth Hall. Read the bill.

32 SECRETARY:

33 House Bill 506.

34 (Secretary reads title of bill)

35 3rd reading of the bill.

1 PRESIDENT:

2 Senator Kenneth Hall.

3 SENATOR KENNETH HALL:

4 Thank you, Mr. President, members of the Senate, House Bill 506,  
5 is a cleanup bill, which clarifies Section 91-D of Chapter 105, of the  
6 Park District Code. Basically, the amendment permits park districts  
7 to enter into a leasing agreements with other units of local govern-  
8 ment, while revenue bonds are outstanding, as long as the proceeds of  
9 the lease agreement are used solely for the benefits of the facilities,  
10 or to retire the outstanding revenue bonds. This is in accordance with  
11 Section 91-C of the Park District Code. I ask your most favorable  
12 support.

13 PRESIDENT:

14 Any further discussion? Question is shall House Bill 506, pass?  
15 Those in favor will vote Aye. Opposed Nay. The voting is open. Have all  
16 voted who wish? Take the record. On this question the Ayes are 44,  
17 the Nays are none, with none Voting Present. House Bill 506, having  
18 received the constitutional majority is declared passed. House Bill  
19 510, Senator Dougherty. Read the bill.

20 SECRETARY:

21 House Bill 510.

22 (Secretary reads title of bill)

23 3rd reading of the bill.

24 PRESIDENT:

25 Senator Kenneth Hall. Pardon me. Senator Dougherty.

26 SENATOR DOUGHERTY:

27 Thank you, Mr. President, the Senate Bill...or House Bill 510,  
28 really enlarges the authority of the Illinois Hospital Facilities Act,  
29 to the end. It provides for the for those hospitals who do not  
30 wish to surrender their facilities...their hospital facilities, over  
31 to the...to the board itself, may enter into private mortgage agree-  
32 ments and provide the security necessary to the payment of these  
33 bills. It's really a broadening of the Act, that had no problems  
34 in committee whatsoever and I suggest a favorable

1. roll call.

2. PRESIDENT:

3. Any further discussion? The question is shall House Bill 510,  
4. pass. Those in favor will vote Aye. Opposed Nay. The voting is  
5. open. Have all voted who wish? Take the record. On this question  
6. the Ayes are 44, the Nays are none, with 2 Voting Present. House  
7. Bill 510, having received the constitutional majority is declared  
8. passed. House Bill 515, Senator Kenneth Hall. Read the bill.

13. PRESIDENT:

14. Senator Kenneth Hall.

15. SENATOR KENNETH HALL:

16. Thank you, Mr. President, members of the Senate, House Bill 515,  
17. amends the School Code. In Section on State Aid to schools, permits  
18. up to ten hours (now five days) to be used for in-service training and  
19. still have the days counted as days of pupil attendance. The bill  
20. was amended to conform to Senator Shapiro, and I understand he's  
21. now pleased with it, so I would ask your most favorable support.

22. PRESIDENT:

23. Any further discussion? Question is shall House Bill 515, pass?  
24. Those in favor will vote Aye. Opposed Nay. The voting is open.  
25. Have all voted who wish? Take the record. On this question the Ayes  
26. are 39, the Nays are 4, with none Voting Present. House Bill 515,  
27. having received the constitutional majority is declared passed. House  
28. Bill 516, Senator Lemke. Read the bill.

2. SENATOR LEMKE:  
3. Can we have 517, also, considered together or...  
4. PRESIDENT:  
5. No, we have to take them one at a time, Senator.  
6. SENATOR LEMKE:  
7. One at a time?  
8. PRESIDENT:  
9. Yes Sir. You can explain them together but, we will take two  
10. roll calls.  
11. SENATOR LEMKE:  
12. 516, amends the Workmen's Compensation Act.  
13. PRESIDENT:  
14. One minute, Senator. For what purpose does Senator Graham rise?  
15. SENATOR GRAHAM:  
16. I...I think that we had talked to Senator Lemke, about this,  
17. some of our people had, and we wanted to consider some amendments and  
18. if he would take that from the record...have you had a chance to see  
19. the amendments, Senator?  
20. PRESIDENT:  
21. Senator Lemke.  
22. SENATOR LEMKE:  
23. It's the same amendment we had in committees, it's the same amend-  
24. ments we had....  
25. SENATOR GRAHAM:  
26. I don't really know...would you...  
27. SENATOR LEMKE:  
28. It's an amendment by the, Illinois Manufacture Association, to  
29. put standards in, and there's no place in the Act, I don't think I'm  
30. going to bring it back. I think we just leave it like it is.  
31. PRESIDENT:  
32. Senator Graham.  
33. SENATOR GRAHAM:

1. You...did agree to bring it back, did you not, Senator?

9. Senator Knuppel.
10. SENATOR KNUPPEL:
11. In committee there was some debate about the amount of fee that
12. should be charged in this bill. This decreases the fees substantially
13. and in compliance with the...what appears to be the reasonable fee in
14. Iowa and Missouri and I move the adoption of amendment, I think it's
15. No. 1. No. 1? To ...
16. PRESIDENT:

22. Board of Review to receive an extra three hundred dollars, from the  
23. State upon receiving their Certified Illinois Assessing Officer's  
24. School. What this does, it's an incentive to get Board of Review

27. extends...state group life insurance benefits to employees, who retired  
28. before 1966.. They are eligible for insurance programs, extending or  
29. renewing after the effective date. It has a clause in there, to solve  
30. the problem adverse selection, by requiring dependents to...submit  
31. evidence of insurability, to obtain dependent coverage. I ask a  
32. favorable roll call.

33. PRESIDENT:

1. Senator Harris:

2. SENATOR HARRIS: .

3. Mr. President, I think the membership should be aware of the cost,  
4. of this bill. Now, in 1972, the Department of Personnel, had a survey  
5. made and a independent actuarial firm, developed cost of a million two  
6. hundred thousand. In the intervening period of time, of course, some  
7. of these annuitants the...the...attrition for them is significant, many  
8. of them, of course, are quite elderly, but the cost factor, as of today,  
9. between 72 and now, is somewhere in the neighborhood of seven-hundred  
10. and fifty thousand to possibly as much as, eight hundred thousand. It's  
11. difficult to calculate this precisely. Back at the time in 1960...no,  
12. in 70, when we enacted the new and broad, State employee benefits pro-  
13. gram, the cut off date was determined to be that date when the passage  
14. of the original State Employee Group Insurance Program, for health  
15. benefits, which dates back several years, I think...lets see, I'm not  
16. sure...of the original date of our program of benefits, but that was  
17. the cut off date used in the enactment of our bill in 1970. Now, if we  
18. pick up these people and of course, there's an argument that can be  
19. made, that they're deserving, but the fact is, that this will be a de-  
20. parture from what has been the program for a good many years now, and  
21. the cost is probably, a minimum of seven-hundred and fifty thousand  
22. dollars. I think the membership should be mindful of the cost of this  
23. program, when they cast their vote.

24. PRESIDENT:

25. Any further discussion? Senator Bruce.

26. SENATOR BRUCE:

27. Yes, as Chairman of the State Employee Group Insurance Commission,  
28. I would have to also, alert the members the fact is, Senator Harris'  
29. figures are probably low, given the fact, that when we first computed  
30. the figures we were paying, fifteen dollars and sixty-three cents per  
31. month, per employee. We are now running over thirty-seven dollars a  
32. month, and I would think, that...that computation would mean the  
33. figures would be doubled, what he thought. We...Charles Claybaugh,

1. brought this bill in for us, we worked with him in the past, we included  
2. certain people, we excluded those. The cut off point we've always de-  
3. termined as when we began the program in its initial...inception, the  
4. problem is, if we keep backing this up, there is no real justifiable  
5. cut off date, and it just means we are insuring those who've retired,  
6. of many, many years ago, at this point.

7. PRESIDENT:

8. Any further discussion? Request is, to take the bill from the  
9. record. House Bill 703, Senator Howard Mohr. And 4. Senate Bill...  
10. House Bill 806, Senator Davidson. Read the bill.

11. SECRETARY:

12. House Bill 806.

13. (Secretary reads title of bill)

14. 3rd reading of the bill

15. PRESIDENT:

16. Senator Davidson.

17. SENATOR DAVIDSON:

18. Mr. President, members of the Senate, this bill was put in by  
19. Representative J. David Jones and others, for the Illinois Public  
20. Airport Officials' Association, and this removes the fifteen dollar  
21. limit on expenses they can pay when they travel. Now, whenever  
22. someone from Rockford, or Chicago, or otherwise comes down to  
23. Springfield for a meeting, or go to anywhere, they can only receive  
24. fifteen dollars a day. These people are serving for a token fee,  
25. of a hundred and fifty dollars a month. They refused to ask for an  
26. increase in their salary 'cause, we asked them that question. All  
27. they want to do is have their expenses reimbursed, and I know of  
28. no opposition to the bill, appreciate favorable roll call.

29. PRESIDENT:

30. Any further discussion? Question is shall House Bill 806, pass?  
31. Those in favor will vote Aye. Opposed Nay. The voting is open. Have all  
32. voted who wish? Take the record. On this question the Ayes are 43,  
33. the Nays are none, with none Voting Present. House Bill 806, having

1. received a constitutional majority, is declared passed. House Bill  
2. 813, Senator Schaffer. Read the bill.
3. SECRETARY:  
4. House Bill 813.  
5. (Secretary reads title of bill)  
6. 3rd reading of the bill.
7. PRESIDENT:  
8. Senator Schaffer.
9. SENATOR SCHAFFER:  
10. This is a Bee bill. This bill would simply prohibit manufacturers  
11. of imitation honey, or honey that is not honey, to use the term, honey.  
12. Some of you who are honey fans, Senator Bruce, for instance, is a honey  
13. fan,...Senator Vadalabene, is a honey fan, know that the imitation honey  
14. people are well on their way to knocking out the natural honey industry  
15. in this State, and a...this would simply provide that, you can't say  
16. something's honey, unless it's honey.
17. PRESIDENT:  
18. Any further sweet, discussion? Senator Nudelman.
19. SENATOR NUDELMAN:  
20. Would the sponsor yield for a question?
21. PRESIDENT:  
22. He indicates he will.
23. SENATOR NUDELMAN:  
24. The synopsis says, you can't use imitation honey, is that...  
25. as a label marking, is that correct, or incorrect?
26. PRESIDENT:  
27. Senator Schaffer.
28. SENATOR SCHAFFER:  
29. That's...that's correct, you can't imply that something is  
30. honey, unless it's honey.
31. PRESIDENT:  
32. Senator Nudelman.
33. SENATOR NUDELMAN:

1. Saying something is an imitation, is not an implication that...  
2. it's real thing, I think specifically, it says it's not the real thing.

3. PRESIDENT:

4. Senator Schaffer.

5. SENATOR SCHAFFER:

6. Well, Senator, the problem is, that they print the word, honey, in  
7. about a ten point type, and the word, imitation, you can barely read,  
8. and that's the...real thrust of the bill. They do have the word, im-  
9. itation, on, but their labeling practices...you get...you're all the  
10. way home before you realize you have something that isn't actually honey.

11. PRESIDENT:

12. Senator Nudelman.

13. SENATOR NUDELMAN:

14. If the label word, imitation, was as large as the word, honey,  
15. would that be okay?

16. PRESIDENT:

17. Senator Schaffer.

18. SENATOR SCHAFFER:

19. Well, I think...yeah...as far as I'm concerned it would be, but  
20. ...I just think that the...you know, I marvel at our friends in the  
21. cigarette industry, how they get around that...labeling thing...very  
22. cleverly, and I think any way we try to word it, we're going to...I  
23. think...I just think the...best thing is to not let people even use  
24. the word, honey, unless they're actually dealing with honey.

25. PRESIDENT:

26. Senator Nudelman.

27. SENATOR NUDELMAN:

28. What would you suggest Senator Schaffer, for labeling imitation  
29. honey?

30. PRESIDENT:

31. Senator Schaffer.

32. SENATOR SCHAFFER:

33. Call it, Sweet-O.

1. PRESIDENT:

2. Senator Bruce.

3. SENATOR BRUCE:

4. Yes, I...I rise in support of this bill. I would tell you I,  
5. first of all, have a conflict of interest. My Father is a bee  
6. keeper, and the Southern Illinois Bee Keepers' Association, along  
7. with Representative Wadell, with the Northern Illinois  
8. Bee Keepers' Association, put this bill in. The problem is, I  
9. understand, that...bee...honey that originates in Wisconsin, is  
10. coming across into, Illinois, with sugared water added to it.  
11. I would just tell, Senator Nudelman, we don't put on margarine,  
12. imitation butter. If they want to devise another name for honey,  
13. that is not honey, let them think up a name. Honey is  
14. created wholly and solely by bees. There is not an imitation honey.  
15. All this says, is to the bee keepers of this State, if you...if you...  
16. create honey and market it, it must be honey. It is a substantial  
17. trade within this State. We are one of the larger bee States in  
18. the United States, and all they want to do is have protection of  
19. their product. They don't want to compete with, Wisconsin, where  
20. they add water and sugar, to honey, and...it is not. It's an  
21. adulterated product, that just says this is honey, it's honey, if  
22. you want something else, call it something else.

23. PRESIDENT:

24. Senator Buzbee.

25. SENATOR BUZBEE:

26. Mr. President, I feel like that, I ought to get involved in the  
27. discussion of this bill, but since...I have nothing to add, I'm  
28. going to take the sting out of it, and I'm going to vote for the  
29. bill.

30. PRESIDENT:

31. So you're buzz beeing around again, are you? Buzz bee. Any  
32. further discussion? Question is shall House Bill 813, pass? Those  
✓33. in favor vote Aye. Opposed Nay. The voting is open. Have all

1. voted who wish? Take the record. On this question the Ayes are  
2. 44, the Nays are 2, with none Voting Present. House Bill 813,  
3. having received a constitutional majority, is declared passed.  
4. House Bill 828, Senator Soper. Read the bill.

5. SECRETARY:

6. House...House Bill 828.

7. (Secretary reads title of bill)

8. 3rd reading of the bill.

9. PRESIDENT:

10. Senator Soper.

11. SENATOR SOPER:

12. Mr. President, members of the Senate, the...

13. PRESIDENT:

14. Just a minute, Senator. Now, let's have some order. Could we  
15. have some order, hold your voices down. Senator Soper.

16. SENATOR SOPER:

17. ...The synopsis is partially right, except that...this does not  
18. establish a service charge for the...late payment of your utility  
19. bills. It just changes the nomenclature from penalty, to service charge,  
20. because the IRS, allows a deduction on your income tax, if it's  
21. a service charge and not on a penalty charge. This affects small  
22. businesses and people who...fail to pay their utility bills and...  
23. can...deduct their utility bills from their operation, like farmers,  
24. and other people who have a small business, and...they would  
25. have to eliminate the penalty charge from the...from the...from  
26. the total bill. This establishes one bill, the penalty is taken out  
27. and it's called a service charge.

28. PRESIDENT:

29. Any further discussion? Senator Bruce.

30. SENATOR BRUCE:

31. Yes, would the sponsor yield to a question?

32. PRESIDENT:

33. He indicates he will.

1 SENATOR BRUCE:

2 I...the Commerce Commission has made rulings relative to service  
3 charges in the fact that, those are in fact interest, and they  
4 would have to be shown under the Consumer Credit Act,...in bold  
5 letters. Would this...does this bill have anything by...of saying,  
6 that they can charge and it is not interest?

7 PRESIDENT:

8 Senator Soper.

9 SENATOR SOPER:

10 No, this is just a late payment that's allowed, allowed utility  
11 companies, when...when you fail to pay...for instance, you get a bill  
12 and it says if paid by the fifteenth, you pay so much, if you pay by  
13 after the fifteenth, then that's the...that's what they call the penalty.  
14 So, now we're making it a service charge. So, that it can be deducted  
15 from the...IRS.

16 PRESIDENT:

17 Any further discussion? Senator Kenneth Hall. Senator Kenneth  
18 Hall. Your mike's dead. Try Senator Egan's mike.

19 SENATOR KENNETH HALL:

20 Will the sponsor yield to a question?

21 PRESIDENT:

22 He indicates he will.

23 SENATOR KENNETH HALL:

24 Senator Soper, I...want to get this clear in my mind. In my  
25 area, Illinois Power sends out bills and in there it says, a certain  
26 amount that you pay before a certain date. Now, if you don't pay  
27 it on that date you pay much more, after a later date. They're  
28 already doing this, now, are they doing this...in other words, have  
29 they been doing this illegal all the time?

30 PRESIDENT:

31 Senator Soper.

32 SENATOR SOPER:

33 ...Senator, I just explained it.

34 SENATOR KENNETH HALL:

1. Well, I didn't hear it.

2. SENATOR SOPER:

3. They call...it's charges of penalty after a certain date.  
4. But...now, it would be called a service charge so, that you could  
5. deduct it from your income tax, doesn't make any difference in  
6. the bill.

7. PRESIDENT:

8. Any further discussion? Question is, shall House Bill 828,  
9. pass? Those in favor will vote Aye. Opposed Nay. The voting is  
10. open. Have all voted who wish? Take the record. On this  
11. question the Ayes are 37, the Nays are none, with 4 Voting  
12. Present. House Bill 828, having received a constitutional  
13. majority, is declared passed. House Bill 856, Senator Knuppel.  
14. House Bill 972, Senator Savickas.

15. SECRETARY:

16. House Bill 972.

17. (Secretary reads title of bill)

18. 3rd reading of the bill.

19. PRESIDENT:

20. Senator...Senator Savickas.

21. SENATOR SAVICKAS:

22. Mr. President, members of the Senate, this bill does what the  
23. synopsis says, it changes the...name of the Chicago Sanitary  
24. District...Authority, from Board of Trustees, to Board of Commissioners.  
25. I would appreciate a favorable vote. This is a biggy.

26. PRESIDENT:

27. Any further discussion? Question is, shall House Bill 972,  
28. pass? Those in favor vote Aye. Opposed Nay. The voting is open.  
29. Have all voted who wish? Take the record. On this question the  
30. Ayes are 45, the Nays are none, with none Voting Present.  
31. House Bill 972 having received a constitutional majority, is  
32. declared passed. House Bill 1099, Senator Schaffer. Read the bill.

33. SECRETARY:

34. House Bill 1099.

1. (Secretary reads title of bill)

2. 3rd reading of the bill.

3. PRESIDENT:

4. Senator Schaffer.

5. SENATOR SCHAFFER:

6. This bill would provide that a County Board, if it wanted  
7. to, could in effect, delete the requirement for a...affidavit, a  
8. verified affidavit. Prior to my service in this Chamber, I was  
9. the County Auditor, of McHenry County, and one of the things that  
10. was very disturbing, was the State requirement for a verified and  
11. notarized affidavit on every bill. We find nowadays that many of  
12. the big companies, Xerox, IBM, the counties do business with -  
13. Standard Oil, all the counties...major Corporations that are  
14. computerized, send us a very nice thorough computerized bill, which  
15. is all automated and we have to mail it right back to them to  
16. get a notarized affidavit. I might add this also, causes the  
17. counties to lose some money on discounts, because things like utility  
18. bills, which as you know are computerized, have to be mailed back,  
19. and we lose a week and a half, two weeks in the process. I'll be  
20. happy to answer any questions. It...it is an optional bill, the  
21. counties can continue as they wish, or they can...delete this  
22. requirement.

23. PRESIDENT:

24. Any further discussion? The question is, shall House Bill 1099,  
25. pass? Those in favor will vote Aye. Opposed Nay. The voting is  
26. open. Have all voted who wish? Take the record. On this  
27. question the Ayes are 43, the Nays are 1, with 1 Voting Present.  
28. House Bill 1099, having received a constitutional majority, is  
29. declared passed. Is there leave to go to the order of Secretary's  
30. Desk? Leave is granted. Senate Bill 24, Senator Wooten.

31. SENATOR WOOTEN:

32. Mr. President, I would move that the Senate nonconcur in  
33. the House Amendment to Senate Bill 24. There's simply a small

1. technical error to include language Senator Sommer proposed in an  
2. amendment, and the most expeditious way to address it, is to have a  
3. Conference Committee appointed.

4. PRESIDENT:

5. Any further discussion? Senator Wooten moves that Senate  
6. Bill...that the Senate nonconcur in House Amendment No. 1, to  
7. Senate Bill 24. All in favor will say Aye. Opposed Nay. The Ayes have  
8. it, the motion carries. Conference Committee will be appointed.  
9. House Bills on 1st. Do you have a list there? For what purpose  
10. does Senator Bell rise?

11. SENATOR BELL:

12. Well, I was hopeful we'd still be on bills on the Secretary's  
13. Desk.

14. PRESIDENT:

15. Well, we don't have the time, it's now, ten twenty eight. We  
16. just have a few bills on 1st reading, we'll get that tomorrow, if  
17. you let us know at the beginning of the morning. Is there  
18. a leave to return to House Bills on 1st reading? Senator Vadalabene.

19. SENATOR VADALABENE:

20. 1126 is strictly a name change, if you want to get it off the  
21. Calendar.

22. PRESIDENT:

23. We'll do it first thing in the morning, Senator.
