18. GOVERNOR THOMPSON:
19. Members of the Senate, while the roll call is being
tallied, I'm going to recognize for a brief moment, Senator
21. SENATOR NIMROD:
22. Thank you, your Excellency. Ladies and Gentlemen of the
Senate, while we're waiting for the tally on a point of
personal privilege, I would like us to be able to meet some
special guests that are with us today, Mr. Olaf Borvers who is twenty-nine and is from Latvia. He was confined and put in prison camp there and simply for putting...filling out a questionnaire in the area.

And he is accompanied today with the pastor from the Chicago Latvian Zion Lutheran Church, Mr. Willis Varsburg and Tedis Vehrens. The Tedis Vehrens has been very closely associated with Representative Pullen and they are visiting here with us today, Governor, and I would ask if you might be able to introduce them to the Senate...

Ladies and Gentlemen of the Senate.

GOVERNOR THOMPSON:

Senator Nimrod, in response to your request it is my privilege to introduce Mr. Borvers to members of the Senate and to the guests in the gallery. He is a young Latvian refugee who is visiting this country and touring the midwest and will be available over here to the left for the next several moments and perhaps some of the Senators might find it interesting to speak with him briefly during roll calls and he will be available to your guests as well. Thank you, Senator Nimrod. Yes, Sir.

SENIOR NIMROD:

Yes, your Excellency. One comment I might make that might add a little color. His visit to Springfield today, of course, he has with him a film that we'll make arrangements to be available to be seen, but, he's trying to fulfill a life-long ambition and I understand that our President...former President Abraham Lincoln is one of the idols of...one that they look up to in Latvia and he has come here to pray at the tomb of Abraham Lincoln and that's to fulfill a life-long ambition and I think we certainly should be grateful and honored that a person of this nature would come to us.
GOVERNOR THOMPSON: Well, I can say, speaking in my Executive capacity rather than in my legislative capacity on behalf of the people of Illinois, we certainly welcome him to Illinois and... and are glad to be able to help fulfill that life-long dream of his. Results of the third roll call are

Senator Hynes, 19 votes. Senator Shapiro, 19 votes.
Senator Bruce, 8 votes. Senator Washington, 1 vote.

No candidate having received a constitutional majority of thirty votes, the clerk is directed to call the roll again.

ACTING SECRETARY: (Mr. Fernandes)

5. GOVERNOR THOMPSON: 
6. Results of the roll call are Senator Hynes, 19 votes. Senator Shapiro, 18 votes. Senator Bruce, 9 votes. Senator Washington 4 votes. No candidate having received a constitution majority of thirty votes, the clerk is directed to call the roll again. 
7. ACTING SECRETARY: (MR. FERNANDES) 
The results of the roll call are as follows:

4. Rhoads votes Shapiro. Rock. Rock votes Hynes. Roe,
8. Wooten. Wooten votes Bruce.
9. GOVERNOR THOMPSON;
10. The clerk is directed to call the roll again.
11. ACTING SECRETARY: (MR. FERNANDES)
The results of the roll call are as follows: Senator Hynes 19 votes. Senator Shapiro, 19 votes. Senator Bruce, 9 votes. Senator Washington, 3 votes. No candidate having received the constitutional majority of thirty votes, the clerk is directed to call the roll again. Senator Grotberg.

May I be recorded on that roll call before you...
1. Senator, do you wish to be recorded as voting for
2. Senator Shapiro, is that it? So ordered. Thank you,
4. SENATOR WASHINGTON:
5. Governor, point of inquiry. I...I...if I'm not
6. mistaken, the roll call tally on my name was incorrect.
7. Could you call the four off or those off that voted for me?
8. GOVERNOR THOMPSON:
9. I'm informed that Senator Collins is not recorded
10. as voting on the last roll call, Senator Washington, and that
11. accounts for the number of three. Senator Collins, do you
12. wish to cast a vote? For Washington. That brings you up
13. to four, Senator Washington. All right. And good luck.
14. Call the roll.
15. SECRETARY:
Results of the roll call are: Senator Hynes, 19 votes. Senator Shapiro, 20 votes. Senator Bruce, 9 votes. Senator Washington, 4 votes. No candidate having received a constitutional majority of thirty votes, the Clerk is directed to call the roll once more.
7. Shapiro Moore votes Bruce. Netsch votes Bruce.
25. Your Excellency, inasmuch as I'm not actually very pleased about being included in the classification along with Winnie the Pooh and Alice in the...Alice in Wonderland, I'd like to ask that you take my name off that ballot.
26. Governor Thompson.
27. Governor Thompson.
29. Senator Knuppel.
30. If she's elected, she may decline. I don't think she has much chance at that, but nevertheless...nevertheless, I'm serious that I think that Mrs. Hickey is from that right part of the state to...to represent the Democratic party.
31. There's a heck of a lot more Democrats between Litchfield
and Chicago and we've got everybody south of Litchfield
wanting a leadership position here it seems and there's
a-heck of a lot more Democrats between Litchfield and
Chicago than there... than there are south of Litchfield.
She's a woman and there's never been a woman President
of this Body, I... I consider her a very viable candidate,
and if it's necessary to place her name in nomination, I
would. But, I support her. It's my vote, and... and
I want it recorded for Senator Vivian Hickey.
GOVERNOR THOMPSON:
"Senator Hickey, two points. First, in view of that
explanation behind 'the vote', which I take it, does not
place you in the category of at least some of Senator
Knuppel's prior votes, perhaps you might withdraw your
request and secondly, even if you did not, I'm afraid the
Chair would have to rule following established
precedent and Robert's Rules of Order, which we're using
temporarily, that a Senator is entitled to vote for
whomever he please, but I would take that vote as
a mighty fine compliment. Senator.
SENATOR HICKEY:
Thank you, your Excellency. Inasmuch as you have thus
ruled, I will accept your ruling.
GOVERNOR THOMPSON:
Thank you, Senator. The results of the roll call are...
SENATOR VADALABENE:
Thank you, Governor. I want to assure Senator Knuppel
that Madison County is south of Springfield and that I am a
downstate Senator on a Democratic side of the aisle and if we
get the proper leadership in Madison County like we used to
we go heavily Democratic, as you well know. You got fourteen
thousand votes in Madison county and the reason was that we
GOVERNOR THOMPSON:

No, my...my plurality was fourteen thousand votes, Senator.

SENATOR VADALABENE:

Yes, your plurality was fourteen thousand.

GOVERNOR THOMPSON:

I think we had a hell of a lot of leadership in Madison County with all due respect.

SENATOR VADALABENE:

Right on, Governor.

GOVERNOR THOMPSON:

A point of order, Governor.

SENATOR NETSCH:

Go ahead.

SENATOR NETSCH:

Would you cite to me the rule that...that does not permit a member of the Senate to withdraw her name and not have it considered or voted for? It was my understanding and I'm...I'm looking frantically for my rules books right now, that any member who does not choose to have a vote cast for him or her as a nominee has that privilege.

GOVERNOR THOMPSON:

Well, Senator, if you will find such rule, I'll be glad to consider the request. In the meantime, I think the situation is covered by the rule which says that a Senator has the right to cast his vote for whomever he pleases. Senator Graham.
1. I think we could solve this pretty rapidly. If my
memory serves me right, there...to vote upon a candidate
2. their name has to be placed in nomination. Last week Senator
3. Rock did move and the Senate did concur that the nominations
4. be closed. So, come on, Senator Netsch, let's don't get
5. tangled up in law, that's what...that's what he...
6. GOVERNOR THOMPSON:
7. Well, Senator Graham, I recognize that that was Senator
8. Rock's motion that did carry, but the Chair has ruled on a
9. previous occasion during the course of this balloting
10. that a Senator has the right to have his vote recorded for
11. anybody whom he pleases, whether placed in nomination
12. or not, that is covered in Roberts Rules of Orders which we
13. are following. The Clerk will call the roll again.
14. SECRETARY:
1. Merlo votes Hynes. Mitchler. Mitchler votes
14. GOVERNOR THOMPSON:
15. While the roll call is being tallied, I am informed
16. we have two distinguished visitors from a neighboring state.
17. They both happen to be Democratic State Senators and perhaps
18. their presence today will have a beneficent influence.
19. I would like to introduce to this Body, Senator Earnest
20. Krouch from McMinnville, Tennessee and Senator Jim White
21. from Memphis, Tennessee who are sitting in the President's
22. gallery.
23. SECRETARY:
24. Buzbee votes Bruce. Lane votes Hynes.
25. GOVERNOR THOMPSON:
26. I may send Senator Knuppel up to see how they vote.
27. The results of the roll call are as follows, Senator Hynes,
29. Washington, 4. Senator Hickey, 1. No candidate having
30. received a constitutional majority of thirty votes, the Clerk
31. is directed to call the roll again.

33. Senator Shapiro, 20, Senator Bruce, 9, Senator Washington, 4,
Senator Hickey, Senator.

SENATOR:

Parliamentary inquiry, your Excellency. Is it the intention of the Chair to continue the balloting? The reason why I’m asking is some of us may want to order lunch and I don’t know if we should have it on the Floor otherwise.

So, would you please...

GOVERNOR THOMPSON:

It is the intention of the Chair to continue the balloting, Senator.

SENATOR:

Thank you.

GOVERNOR THOMPSON:

Clerk, call the roll again.

SECRETARY:

12. Bruce votes Bruce.

24. SENATOR MORRIS:
25. Thank you, Governor. A point of information. It
26. seems very warm in here and in light of President Carter's
27. urging that we run our thermostats at 65 and as one who comes
28. from northern Illinois and dresses for it, I would like to
29. as a point of information know what the temperature is in here
30. and urge whoever is in charge of this facility to turn the
31. thermostat to 65.
32. GOVERNOR THOMPSON:
33. Senator, I'll try and comply with the first part of
34. your request and take under consideration the second part.

introduction, I notice on the Floor a distinguished visitor
from another branch of government who in keeping with the
tremendous bipartisan support he enjoys from the people
of the State of Illinois, has moved from the Republican
side to the Democratic side. Would you please welcome the
Attorney General of Illinois, Mr. Scott.

GOVERNOR THOMPSON:

Senator Knuppel. Would you put on Senator Knuppel's microphone, please. Senator... Senator, could you get a little closer to the mike, please. All right:

SENATOR KNUPPEL:

I just don't see where there's any change of strength here and maybe somebody thinks they're going to wear somebody out, but I don't really believe so. I... I think that there has to be some movement of this Body and it's not going... it's not going to occur on the Floor of this Senate. . . I feel that... that we should stand in recess for an hour. I'm an old country lawyer and when we're selling real estate we always give the people that might be bidders time to move around and maybe put the parcels together some way. I know we've been doing this for two weeks, but it may take us two months. I think there's deep philosophical differences between the people of this Body and we are dealing the people's business. I don't think we're furthering it here to stay here and punish each other from now till midnight or two o'clock tomorrow morning. It's not going to get the job done, really. So, I at this time, would ask for a recess of an hour, to see if something can be accomplished.

GOVERNOR THOMPSON:

Senator Shapiro.

SENATOR SHAPIRO:

Governor Thompson, Ladies and Gentlemen of Senate, I think if we hang in there and... and do the business of the people, why we can achieve two notable goals. If we keep on calling roll calls by 6:00 p.m., we can very easily surpass the House record of ninety-three roll calls in order to pick a... pick a speaker. And if the other side will just hang in there for two more days, the time limitation will be broken established by the House two years ago. As far as I'm
1. concerned, call the roll, Governor.

2. GOVERNOR THOMPSON: ... ...
