PRESIDENT ROCK:

Senator Demuzio, on Floor Amendment No. 1.

SENATOR DEMUZIO:

Thank you, Mr. President. There was some discussion in committee with respect to the fact that when we go to the election of the State Board of Elections, that there was no provision for minorities. And so therefore, we have added, by virtue of Amendment No. 1, two appointees to be of...to be minorities. One of those would have to be a Hispanic. And that is basically all this amendment does, with the exception that it phases...it phases them in beginning in 1990. I would move for the adoption of Amendment No. 1.

PRESIDENT ROCK:

All right. Senator Demuzio has moved the adoption of...Amendment No. 1 to Senate Bill 648. Discussion? Senator Dudycz.

SENATOR DUDYCYZ:

Thank you, Mr....Thank you, Mr. President. Just a question of the sponsor.

PRESIDENT ROCK:

Indicates he will yield, Senator Dudycz.

SENATOR DUDYCYZ:

Senator Demuzio, is a...a woman included in this minority list? Or is it just Hispanic?

PRESIDENT ROCK:

Senator Demuzio.

SENATOR DEMUZIO:

Senator Dudycz, we...we don't make any mention with respect to...I mean, gender in...in the...in the amendment. We simply say that the two members appointed by the Governor shall be of the same racial minority origin, and at least one of the two members shall be of Hispanic origin. I would assume that the Governor would take that into consideration, once those two appointees are his.

PRESIDENT ROCK:

Senator Dudycz.

SENATOR DUDYCYZ:

Well, Senator, is there anywhere mentioned that one of the appointed members, whether it be the twenty-two already or...or the additional two, be a woman? You're specifying that two of them shall be minorities, and I just would like to have it clarified, your intent, if one of those minorities would be a...a woman.

PRESIDENT ROCK:

Senator Demuzio.

SENATOR DEMUZIO:

Well, are...I didn't know that women were considered to be minorities. Senator Dudycz, I've already answered the question, and that is that there is no specific language in this amendment that would require the Governor to appoint a woman, only that it be two of...of...two minorities, one of which minorities would be Hispanic. I would assume that the Governor would take that into consideration whenever he makes his appointees. With respect to the other, the elected members, we don't require that there be an elected female or elected male. It's simply an election.

PRESIDENT ROCK:

Senator Dudycz.

SENATOR DUDYCYZ:

Well, Senator, well if your not requiring that one of the members be a...a woman, why are you requiring...you're not requiring the gender, you're requiring the race. Under our...our laws in the State, don't we include on all the minority set-asides programs that the women be included?

PRESIDENT ROCK:

Senator Demuzio.

SENATOR DEMUZIO:

Well, Senator Dudycz, with all due respect to you, sir, if you had been in committee and made that request, we probably would have had some discussion with respect to that. This amendment is being offered by virtue of the...questions that were raised in that committee. I don't have any feelings in the negative with respect to a woman being required to be appointed. Perhaps, during the process, we could talk about that, and if there's language changes that you are suggesting, perhaps, I'd be more than amicable to...to...to hear your views and see your language.

PRESIDENT ROCK:

Further discussion? Senator Keats.

STATE OF ILLINOIS

SENATOR KEATS:

Is...is this similar to the usual list of subcommittees and special interest groups on the National Democrat Committee? If it is, I've noticed you have excluded both the gay and lesbian task force and the left-handed paperhangers task force. I think the PLO has been left out. And if you truly were fair, as your usual committee bylaws would go, you'd have Sister Boom-Boom on the board, too. I am deeply offended that you have left these groups out, and will remember this on 3rd Reading.

PRESIDENT ROCK:

Further discussion? Senator D'Arco.

SENATOR D'ARCO:

Thank you, Mr. President. All kidding aside. There...there are women on the State Board of Election now. And, if we go to an elected State Board...right...there are women...there are women on the State Board of...of Education now. Excuse me. I'm sorry. There are women on the State Board of Education now. And if we go to an elected State Board, there is only one Hispanic appointed to the Board now. The fear is that in an elected system, no Hispanic would be elected. Therefore, there is one on the Board now; an Hispanic would be excluded. There are women on the Board now, and in an elected system, women will be represented on the Board. All we're doing here is saying at least leave one Hispanic on the State Board of Education.

PRESIDENT ROCK:

Further discussion? Senator del Valle.

SENATOR DEL VALLE:

By going...thank you, Mr. President. It is extremely important that we ensure that if we're going to change the system by which State Board members are selected, that we ensure that Hispanics have representation on that Board. It is the fastest growing population within the public educational system, and so I don't

want to make light of the need to ensure adequate representation on that Board. And I fully support this amendment.

PRESIDENT ROCK:

Further discussion? Senator Jones.

SENATOR JONES:

Yes. Thank you, Mr. President. Will the sponsor yield?

PRESIDENT ROCK:

Indicates he will yield, Senator Jones.

SENATOR JONES:

Senator, what does this amendment actually do?

PRESIDENT ROCK:

Senator Demuzio.

SENATOR DEMUZIO:

Well, thank you, Mr. President. Do...do you have a number of other speakers that are...that are lit up there? I mean, I had no idea that this was going to be of such controversy. Let me...let me just explain, Senator Jones, if I might again, that just...the question was raised in committee that when you go to an elected State Board of Education, there is no guarantee that there will be any minorities on...on that...on that committee. Now, it's done by congressional district, so there will be some minorities that will be elected, but in order to guarantee that...that there...that there are, there was...it was raised in committee that we allow the Governor to at least appoint two members that would be considered...appointed by the governor, two shall be of the same...same racial minority origin, one of them specifying that they be Hispanic. And that's what this amendment does.

PRESIDENT ROCK:

Senate Bill 789.

(Secretary reads title of bill)

2nd Reading of the bill. No committee amendments.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Any amendments from the Floor?

SECRETARY HAWKER:

Senator D'Arco offers Floor Amendment No. 1.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator D'Arco.

SENATOR D'ARCO:

Thank you, Mr. President. This bill would amend the Campaign Disclosure Act, but in committee there were certain provisions that some of the Members did not agree with, so we're removing some of those provisions. One provision deletes the need to include disclosure of fund raising materials. That provision will not be removed; it will still be required on a campaign disclosure -- on the literature for campaign disclosure. The other provision would provide a -- permit a complaint against a person other than the chairman or treasurer of a political committee. That provision will also not be deleted, so the only two people you can sue - file a complaint against - would be a chairman and a treasurer. And I would move to adopt Amendment No. 1.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Is there discussion? Senator D'Arco's moved the adoption of Committee Amendment -- I beg your pardon -- of Amendment No. 1 to Senate Bill 789. Is there discussion? Senator Weaver.

SENATOR WEAVER:

Thank you, Mr. President. Senator D'Arco, I didn't quite get the gist of what this amendment is doing. Can you give us a brief -- a little clearer explanation?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator D'Arco.

SENATOR D'ARCO:

Thank you. Right now, the only people you can file a complaint against for -- for a violation of the Campaign Disclosure Act of a political committee, is the chairman or the treasurer of that committee. You can't file a complaint against somebody other than those two people, who may be involved in the distribution of the literature, but is not listed as the campaign treasurer or chairman. The original provision of the bill provided that you would be allowed to file a complaint against a person other than the campaign treasurer or campaign chairman, if he was involved in a violation. The committee felt -- to leave it the way it was, and not allow someone to file a complaint against that person, other than those two I mentioned.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator Weaver.

SENATOR WEAVER:

Well, by this amendment, you're saying that one could file a complaint against a campaign worker for anything?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator D'Arco.

SENATOR D'ARCO:

The original bill said that. The amendment puts it back to the old law.

PRESIDING OFFICER: (SENATOR DEMUZIO)

All right. Further discussion? If not, Senator D'Arco's moved the adoption of Amendment No. 1 -- I'm sorry. Further discussion? It's very difficult for me to see the lights up here, so if we get moving too rapidly, just get up and say so. Senator Lechowicz.

SENATOR LECHOWICZ:

Thank you, Mr. President and Ladies and Gentlemen of the

Senate. I raised a question in the committee, and I just want Senator Weaver to know that basically the bill, as originally introduced, could apply to anybody who made a contribution to your campaign fund. The bill as amended, such as we're discussing now, reverted back to the old law that your campaign treasurer, or the person that you designate to be responsible for it, would receive that inquiry. And I strongly encourage that we adopt this amendment.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? If not, Senator D'Arco's moved the adoption of Amendment No. 1 to Senate Bill 789. Those in favor will indicate by saying Aye. Opposed, Nay. The Ayes have it. Amendment No. 1 is adopted. Further amendments?

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator D'Arco.

SENATOR D'ARCO:

Thank you, Mr. Chairman -- Mr. President. This amendment would delete language that attempted to clarify the law that an uninsured motorist coverage must cover only compensatory damages. This would eliminate the word "compensatory" and simply say "damages." And I would move to adopt Amendment No. 1.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Senator D'Arco.

SENATOR D'ARCO:

Well, "compensatory" means "money damages". To be honest with you, it really doesn't mean much to exclude the word "compensatory" or to leave it in.

PRESIDING OFFICER: (SENATOR DEMUZIO)

Further discussion? If not, Senator D'Arco has moved the adoption of Committee Amendment No. 1. I beg your pardon. Senator D'Arco.

Thank you, Mr. President, Ladies and Gentlemen of the Senate. This would delete everything after the enacting clause. I received a call from the -- request from the Circuit Clerks in Illinois. Then what this amendment would do, it -- it's specifically for the Circuit Clerks, effective January 1st of 1990, would require a Circuit Clerk shall complete a minimum of thirty hours of training approved by the Illinois Local Governmental Enforcement Officers Training Board within twenty-four months of taking office. Requires fifteen hours of training thereafter annually, allows for a court education fee of not less than one dollar nor more than three dollars to be determined by the local county board. The fee would be paid at the time of the filing and the first pleading - paper or other appearance. Exempts from the -- exempts vehicle code violations -- that's not applicable. Establishes a special fund entitled Circuit Clerk's Education Fund. It's patterned after the Court

Automation Fee and it's supported by the Circuit Clerks' Association. I would move adoption of Amendment No. 1.

SENATOR HAWKINSON:

Thank you, Mr. President. Will the sponsor yield for a question?

PRESIDENT ROCK:

He indicates he will yield, Senator Hawkinson.

SENATOR HAWKINSON:

In the -- in the past, in some downstate judicial circuits that have multi-counties, we have placed fees that have a range like this, and the dispute has arisen as to whether the county board can actually set the fee, or whether that fee has to be approved by the chief judge of the circuit. In our circuit, in a comparable fee, for example, the ruling has been that the chief judge has set it so that it's a uniform filing fee throughout the circuit. Is there any language in this amendment to determine whether the chief judge can make a uniform fee, or whether the county board is -- boards can set individual fees?

PRESIDENT ROCK:

Senator Demuzio.

SENATOR DEMUZIO:

Senator Hawkinson, it is my understanding that the county board is the determining agency. As a matter of fact, it says to defray such expenses, the clerk of the court shall charge and collect a court education fee of not less than one dollar or no more than three dollars, as determined by the county board, to be paid at the time of the first filing pleading or whatever.

SENATOR LECHOWICZ:

Does that mean that the county board then would have to -- would not be able to set any fees in excess of what is available in this amendment, and will this provide that Aurie Pucinski will have to go to school?

PRESIDENT ROCK:

Senator Demuzio.

Senator Demuzio, are there any penalties under that continuing mandative education for the circuit clerk? What happens if they don't do it? Can they be removed from office, or are there just no penalties in that?

PRESIDENT ROCK:

Senator Demuzio.

SENATOR DEMUZIO:

Senator, this is simply permissive. We are not mandating in anything in here. It's up to the discretion of the county board if they want to do this.

PRESIDENT ROCK:

Further discussion? Senator Fawell.

SENATOR FAWELL:

Thank you very much. Will the sponsor yield for a question?

SENATOR FAWELL:

I, as minority spokesman, just been handed a copy of this amendment, and it says, "effective January 1st, 1990 all newly elected or appointed clerks of the circuit court shall complete a minimum of thirty hours of professional training." It doesn't sound very permissive to me.

Senator Demuzio.

SENATOR DEMUZIO:

The Gentleman asked me with respect to the fee system, and the fee system is, in fact, permissive. It simply suggests that if the county board wants to charge a fee of one to three dollars, they may do so. Now with respect to the education - that is mandatory, yes.

PRESIDENT ROCK:

Senator Fawell.

SENATOR FAWELL:

It says to defray such expenses, the clerk of the court shall charge and collect the court education fee of not less than one dollar or more than three dollars, as determined by the county board. It doesn't -- it doesn't say may.

PRESIDENT ROCK:

All right. Further discussion? Senator Welch.

SENATOR WELCH:

Question of the sponsor. Senator Demuzio you are willing to exempt Cook County. Would you be willing to exempt all counties under a hundred and fifty thousand? Because my counties don't want to be in this program.

PRESIDENT ROCK:

Senator Demuzio.

SENATOR DEMUZIO:

Well, it's my understanding your counties do want to be in this bill, and that's why I am carrying this amendment. It is for the circuit clerks of Illinois. Now if there is some additional problems with this, why don't we just take it out of the record, and perhaps we can communicate with all the circuit clerks to determine whether or not this is something that they all want. So let's just take it out of the record, and we'll ask Senator

SENATOR BERMAN:

Thank you, Madam President. Committee Amendment No. 1 amends the bill so as to allow the Director of Insurance to suspend a certificate of authority for up to six months, as opposed to the present thirty days, and deletes the last line of the new language in Senate Bill 1288. out some differences. Has anything happened in that connection since committee meeting?

PRESIDING OFFICER: (SENATOR COLLINS)

PRESIDING OFFICER: (SENATOR COLLINS)

Senator Berman.

SENATOR BERMAN:

Certainly. The -- their concern is that if we increase the penalty up to six months -- some of the companies - rightly so - say if you get a dictatorial director for the slightest infringement, and I said give me language so we that we make the penalty fit the crime, so to speak, and I am happy to respond that way.

SENATOR NETSCH:

Thank you, Mr. President. Senate Bill 24 deals with a September primary. The amendment has three provisions. The first deals with the voting hours to be authorized for the every-four-year election, when the two-party people are electing delegates and other matters relating to the national convention. The committee requested that I put into effect exactly the same voting hours as prevail with respect to a general election. That is the first part of the amendment. The second two parts are provisions which were requested by the State Board of Elections. Both of them deal with time frames. One is the period of time during which a marked primary list is to be made available to county chairmen. That is changed from sixty days to thirty days, given the fact that we're dealing with a shorter time frame to begin with. The second has to do with the time at which judicial candidates who are seeking retention must file their statement to

STATE OF ILLINOIS
86th GENERAL ASSEMBLY

that effect, and that time frame also has been reduced to reflect the fact that we are dealing with, again, a shorter time frame. Both of those provisions were requested by the State Board of Elections. I would move the adoption of Amendment No. 1 to Senate Bill 24.

PRESIDING OFFICER: (SENATOR LUFT)

Senator Netsch, you mentioned in the first part of your amendment, you referred to the voting hours being authorized. What are the voting hours you are referring to?

PRESIDING OFFICER: (SENATOR LUFT)

I am sorry -- Senator Netsch.

SENATOR NETSCH:

Thank you. In the original bill, I provided for different voting hours for the -- in effect, the special election that would be held every four years, at which we elect delegates to national nominating conventions. The Members of the Election Committee did not like that provision. They felt - and I really didn't argue with them at all about this - that we ought to have exactly the same voting hours as we currently have, which is 7:00 a.m. -- no, 6:00 a.m. to 7:00 p.m. So I have made that uniform for every part of the law.

Thank you, Mr. President. This is an amendment that we discussed in Committee and agreed to put on the bill, which will limit the effect of the bill so that there will still be full pre-sentence reports in certain kinds of cases involving marital abuse. 2nd Reading of the bill. The Committee on Judiciary offers Committee Amendment No. 1.

PRESIDENT ROCK:

Senator Collins, on Committee Amendment No. 1.

SENATOR COLLINS:

Yes, thank you, Mr. President. Committee Amendment No. 1 is an attempt to satisfy some concerns from the Illinois State Bar Association. It -- with the bill, it deletes the provision of the bill that dealt with what they considered denied the courts enough discretion in dealing with marital property to be used for the payment of nonfamily debts, and I move for its adoption.

PRESIDENT ROCK:

Senator Collins offers Amendment No. 2.

PRESIDENT ROCK:

Senator Collins, on Amendment No. 2.

SENATOR COLLINS:

Thank you, Mr. President. Amendment No. -- Floor Amendment No. -- Committee -- Amendment No. 2 is an attempt to address some of the concerns raised by Senator Hawkinson in the committee. He wanted a more clear definition of a family debt, and what we did, we took case law and drafted an amendment from case law to satisfy his concerns, and it is my understanding that this amendment clarifies his concern with the bill. And I move for its adoption.

PRESIDENT ROCK:

Senator Collins has moved the adoption of Amendment No. 2 to Senate Bill 129. Discussion? Senator Zito.

SENATOR ZITO:

Thank you, Mr. President. I would renew my question. I apologize for asking a question on the wrong amendment. But I need an example. I don't quite understand the language in this amendment.

SENATOR COLLINS:

...(machine cutoff)...Again, what this amendment is attempting to do is to provide for a definition of family expense, and what it does it use existing case law, because there is no definition of a family expense.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Zito.

SENATOR ZITO:

Well, thank you, Mr. President. I appreciate Senator Collins' attempt, but the question was, I -- I would prefer an example of that. I understand what the language says. I don't understand an example. Maybe Senator Hawkinson could expound upon that, since he requested it in committee.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Hawkinson.

SENATOR HAWKINSON:

Thank you, Mr. President. The case that I was shown by staff in which this definition came -- used the example of carpeting, and said that carpeting was a family expense. I share your concern, however, and just to clarify I did request a definition in committee, because the bill had no definition of family expense. I am still troubled, I think, by the vagueness of this case law definition, and -- and certainly do not support the bill necessarily with this on. But it is an improvement over the original bill, which made no attempt at definition.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Zito.

SENATOR ZITO:

Well, Mr. President, I would suggest that perhaps we, you know, hold the bill or hold the amendment. It's just -- I understand what you are trying to do; it just doesn't make too

much sense to me. And until we get stronger language, we may be best advised to hold this. I don't know if other Members share the same concerns I do, but I don't understand that, and don't understand where we can't come up with examples for language.

From five to one.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Welch.

SENATOR WELCH:

Thank you. The reason, Senator Hudson, is this. Individuals have been taking this test, and some of them are scoring within one point of the required number of points to pass. The passing grade is determined usually to be sixty in order to get a job such as at the Caterpillar factory in Aurora. Individuals in my

STATE OF ILLINOIS

county, and I am sure throughout other counties, have been advising my office that when they go in and take the test and they -- they don't get as high a grade as required to get a job, for some reason or other, they have to wait five years. Now these are individuals who have been out of work for a few years. Some of them are in their forties and fifties. It's not like a LSAT test, getting into law school. This is a test that if you don't get a good grade on it, you are basically going to be unemployed for several years, or employed in some menial task. So the idea is that an individual who takes the test and does not do well, could retake the test after a year and apply once again for some of these jobs that require this test, and require a grade on the test.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Any further discussion? Senator Hudson.

Would the Senator yield again, please?

Compensation. The bill dealt with -- came to my committee, because it dealt with the -- basically a situation in LaSalle, where the Superfund Cleanup is taking place. We have had environmental and labor problems both there. I added this amendment that deals with labor to that bill, because I thought it was germane.

SENATOR MAITLAND:

Thank you very much, Mr. President. Senator Brookins, this has been an issue that's been debated off and on for a period of time, I guess, and I guess I want a little better explanation. Do you have any idea what the percentage is here?

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Brookins.

SENATOR BROOKINS:

Yes. The percentage is five percent.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

I don't think that answers the question...

SENATOR BROOKINS:

Wait. Wait. Wait. Correction -- correction on that, Senator Maitland. The Floor amendment takes out the percentage of five percent, and what it does is it -- it gives them an opportunity to raise if they have been in employment of the same person -- incentive bonus like.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Maitland.

SENATOR MAITLAND:

Who makes -- who makes that determination? This is someone

who has been an employee for four years?

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Brookins.

SENATOR BROOKINS:

DORS makes the determination; it's their amendment.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Maitland.

SENATOR MAITLAND:

Thank you, Mr. President. I -- the amendment says that the Department shall annually adjust the annual -- adjust the hourly wage of personnel -- personal care attendants by increasing it for each year that the personal care attendant has been continually employed. So what we are saying is there will be an increase. This doesn't mean there may be. It means there will be an increase. Is that not correct?

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Brookins.

SENATOR BROOKINS:

That's correct.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Does that answer your question, Senator Maitland? Senator Maitland.

SENATOR MAITLAND:

What was the -- what was the purpose of taking the -- why was the change made?

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Brookins.

SENATOR BROOKINS:

The change was made because what is happening is that every so often - every six months, every day, every week - they got different people coming to work. This way they got the same person with continuity -- the same person with the same patient.

SENATOR MAITLAND:

I'd only say, Mr. President, this is a -- totally a departure away from what we -- this may be the way to go. I don't know, but we have no way of knowing what the fiscal impact on this would be, and I think it's a dramatic change in the direction to be dropped on us right here now, and I -- I think I would recommend the Body reject this until we have a better handle on it. You may want to -- you may want to take it out of the record. It may be a good thing to do, Senator. I don't know, but I think -- I am not prepared to vote on it now. I am going to tell you that right now.

PRESIDING OFFICER: (SENATOR LECHOWICZ)

Senator Jones.

SENATOR JONES:

As -- as I indicated to the previous Senator on your side, that question along these lines, staff informed me that is not in there. However, I will bring the bill back to amend it to see that it is included.
