SENATOR T. DUNN:

Thank you, Mr. President. Just a reminder that Judiciary will meet at 2:00 p.m., in Room 212, to hear bills that have not been previously heard.

PRESIDENT ROCK:

All right. As a matter of fact, two of the House Bills that were read in today, 7-7-9 and 9-5-5, at the request of Senators Daley and Newhouse, will be -- with leave of the Body, we'll waive the posting requirement, and ask that those bills be heard today in the Judiciary Committee. It -- it has been waived. Generally, yes.

SENATOR RAICA:

If -- if a Member was there was to testify on -- on the bill, and the bill was not heard because of lack of communication, or whatever, does that Member -- does he have to now discharge, or make a Motion to Discharge, that bill from committee?

PRESIDENT ROCK:

Assuming the committee's not meeting again, the answer to that question would be yes.

PRESIDENT ROCK:

State your point, please.

SENATOR WATSON:

I just want to remind the Membership that next Tuesday is our softball game. And we may not be very well prepared at this particular point. We're going to try to have a practice tonight at six o'clock, so -- at the field just West of the Stratton Building about two blocks, where we've practiced before. And also, there will not be shirts provided this year. So those of you who are going to participate, try to bring your shirts from last year. And anyway, we'll -- Tuesday night. And it's from six until eight o'clock. And you all should have got tickets on your desks. We're going to ask each member to contribute ten dollars, as we have in the past, to go to the charity. So we'd like for you to dig into your pocket and write your checks for ten bucks, for the kids. And I would also like to make a motion if I could, Mr. President. I'd like to move to discharge from committee - it was Public Health, Corrections, and Welfare - House Bill 2579. I'd like to make that motion at this particular time. I asked for the bill to be heard today in committee. It was not posted. It was not a part of any agreement that the chairman and I had that it shouldn't be heard. And I think that the legislation ought to be brought out onto the Floor, and the entire Body be given an opportunity to debate the issue. It's House Bill 2579 dealing with - and I don't know if it's appropriate to discuss it at this particular point...

PRESIDENT ROCK:

My suggestion is that you file that Motion in Writing and we will deal with Motions to Discharge. I'm sure that's not the only one that's going to come around. All right. Any further business to come before the Senate? Any announcements? There is, again, a

very heavy committee schedule this afternoon. I would urge the Members to be prompt and attentive, so that we can afford the courtesy to all Members to have their bills heard in a reasonable manner. Further business? Any announcements? If not, Senator Demuzio moves that the Senate stand adjourned until Friday, tomorrow, at the hour of noon. The Senate stands adjourned.
