HOW TO USE THIS INDEX

In order to get maximum usage from this index, the researcher should keep the following guidelines in mind:

1. Coverage is limited to the 92nd General Assembly Senate floor debates (January 10, 2001-January 7, 2003)
2. Reference is by bill number only. Citations to Public Acts, which are given in the Illinois Compiled Statutes and in other sources, can be converted by bill numbers by consulting the appropriate Public Act as it appears in the session laws. Those who need access to debate by subject or sponsor should check the indices in the Legislative Synopsis and Digest for reference to pertinent bill numbers. Resolutions and joint resolutions are listed at the end of the Senate and House bills.
3. The purpose of this index is to lead the user to discussion of legislative intent or reasons for particular activity, and not to serve as a record of all action. This means that there are no references to stages in the bills' progress which did not involve debate. Many bills, for example, are not amended on second reading. The Clerk indicates that there are floor amendments, is informed that there are none, and the bill is moved to third reading. There will be no citation to second reading debate on such bills since the floor proceedings contain no more information than the House journal or the Legislative Synopsis and Digest. Some bills were put on a consent calendar and passed in a single roll call without separate discussion; these will not have citations to debate on third reading (final passage stage). Nonconcurrences are often adopted without debate and will therefore not be indexed.
4. Within the limitations of the preceding guidelines, debate was indexed or all House and Senate bills where it existed.

TO LOCATE DEBATE FOR A BILL

1. Consult the bill number index. If there are entries under the bill, they will refer to date and pages. It may be necessary to consult the index on Special Sessions to obtain all entries for a bill.
2. Turn to the "Conversion Table: Legislative Day to Date" in order to convert date to legislative day number.

Debates for special sessions are in date order (not special session order) at the end of all regular session days.
