(2) Application for visiting professor permits shall be made to the Department, in writing, on forms prescribed by the Department and shall be accompanied by the required fee established by rule, which shall not be refundable. Any application shall require the information as, in the judgment of the Department, will enable the Department to pass on the qualifications of the applicant.

(5) Persons holding a permit under this Section shall only practice medicine in all of its branches or practice the treatment of human ailments without the use of drugs and without operative surgery in the State of Illinois in their official capacity under their contract within the medical school itself and any affiliated institution in which the permit holder is providing instruction as part of the medical school's educational program and for which the medical school has assumed direct responsibility.

(6) A visiting professor permit shall be valid until the last day of the next physician license renewal period, as set by rule, and may only be renewed for applicants who meet the following requirements:

(i) have obtained the required continuing education hours as set by rule; and

(ii) have paid the fee prescribed for a license under Section 21 of this Act.

For initial renewal, the visiting professor must successfully pass a general competency examination authorized by the Department by rule, unless he or she was issued an initial visiting professor permit on or after January 1, 2007, but prior to July 1, 2007.
