HOUSE RESOLUTION

The following resolution was offered and placed in the Committee on Rules.

HOUSE RESOLUTION 1146

Offered by Representative Madigan:

WHEREAS, Reliable, clean, and affordable electricity is vital to Illinois' economic growth, jobs, and the overall interests of its citizens; and

WHEREAS, Illinois' nuclear power plants provide over half of the State's total electricity generation and are licensed to generate affordable electricity for Illinois families and businesses for decades into the future; and

WHEREAS, Nuclear energy was a prime contributor to Illinois having the eighth lowest average price of electricity in the United States in 2013, and the State's low-cost energy resources give it a significant advantage for attracting and retaining businesses of all kinds and provide reliable electricity to Illinois families; and

WHEREAS, The premature closure of nuclear power plants could increase prices for families and businesses; and

WHEREAS, Illinois' nuclear power plants provide over 92% of Illinois' emissions-free and carbon-free electric generation and are the only greenhouse gas (GHG) free source of predictable, non-intermittent, and reliable electric generation; and

WHEREAS, Illinois' nuclear power plants produce enough electricity to power 4 cities the size of the City of Chicago, 24 hours a day, 365 days a year; and

WHEREAS, Illinois' nuclear power plants are an enormous economic engine for the State, employing more than 5,300 workers across 43 counties in high-paying jobs that average 36% above local wage rates, with a total direct payroll in Illinois of \$550 million a year; and

WHEREAS, Every year, the State's nuclear power plants employ an additional 1,300 temporary employees periodically throughout the year, which reflects an additional total annual payroll of over \$200 million; and

WHEREAS, The economic activity generated by the 6 Illinois nuclear power plants supports more than 13,000 additional jobs across virtually every sector of the State's economy, resulting in hundreds of millions of dollars in expenditures at thousands of local and State businesses; and

WHEREAS, The State's nuclear power plants contribute nearly \$130 million to local property taxes, which are used to fund school districts and other community projects, and these plants also pay over \$26 million in Illinois payroll taxes and \$22 million in payments to the Illinois Emergency Management Agency; and

WHEREAS, According to the United States Department of Energy's Energy Information Administration, Illinois' investment in nuclear, wind, and solar clean energy resources makes it the nation's top producer of emissions-free electricity; and

WHEREAS, On June 25, 2013, the President of the United States ordered the United States Environmental Protection Agency to propose GHG regulations for existing power plants by no later than June 1, 2014 and to finalize those regulations by no later than June 1, 2015; and

WHEREAS, Illinois and all other states will be required to submit compliance plans to meet the new federal requirements by June 1, 2016; and

WHEREAS, Nuclear energy has played a substantial role in the achievement of GHG emission reduction goals to date, and continued operation of Illinois nuclear power plants is vital to Illinois' ability to economically meet new federal regulations and provides an essential counterbalance to emissions from carbon-emitting generating plants, thereby allowing the State to maximize its fossil fuel advantage and achieve average GHG emission rate requirements; and

WHEREAS, Various industry analysts and consultants, academic analyses and studies, and market publications have concluded that some Illinois nuclear power plants, like others around the country, are at risk of premature shutdown due to a variety of electric transmission and economic factors as well as the failure of competitive wholesale markets and energy policy to recognize nuclear power for its reliability and clean energy attributes; the premature shutdown of one or more of these valuable assets will most likely cause economic, social, reliability, and environmental harm to Illinois families and businesses; and

WHEREAS, The United States Department of Energy, grid operators, and the Federal Energy Regulatory Commission commissioners have cautioned that the premature shutdown of nuclear power plants could jeopardize both the nation's electric reliability and the ability to address climate change; and

WHEREAS, In November 2013, 4 of the world's preeminent climate and energy scientists, Dr. Ken Caldeira of the Carnegie Institution for Science, Dr. Kerry Emanuel of the Massachusetts Institute of Technology, Dr. James Hansen of Columbia University, and Dr. Tom Wigley of the National Center for Atmospheric Research, released an open letter calling on world leaders to support nuclear energy, concluding that "in the real world there is no credible path to climate stabilization that does not include a substantial role for nuclear power"; and

WHEREAS, Closing even a few nuclear power plants could make achieving State and national carbon reduction goals difficult or impossible; after the January 2012 shutdown of a nuclear power plant in California, the state's carbon dioxide output increased by 35% in the first year, according to the California Air Resources Board, and increased generation costs in the state by about \$369 million, equivalent to a 15% increase in total generation costs, during the 12 months following the January 2012 shutdown, according to a working paper issued by the Energy Institute at Haas; and

WHEREAS, Germany embarked upon an energy policy that was designed to eliminate reliance upon nuclear power and, at the same time, reduce GHG emissions; however, with the dramatic reduction of reliance upon nuclear power in Germany, GHG emissions are rising, not falling, while electricity costs have skyrocketed; and

WHEREAS, It is of the highest importance that the State of Illinois preserve its existing clean energy resources as a means of complying with federal laws, keeping electricity costs stable and affordable, ensuring grid reliability, and continuing its national leadership in the generation of reliable and clean energy; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the Federal Energy Regulatory Commission, PJM Interconnection, LLC, and the Mid-Continent Independent Systems Operator to expeditiously adopt market rules and policies, including transmission expansion rules and policies, that will ensure the continued operation of the existing fleet of nuclear power plants in Illinois; and be it further

RESOLVED, That we urge the United States Environmental Protection Agency (EPA) to immediately adopt rules that treat low-carbon resources, like nuclear power plants, equally, regardless of age or fuel source; provide flexibility to the State; and require actions to secure the continued operations at Illinois' nuclear power plants as a compliance mechanism to meet any new federal GHG regulations and, further, to adopt rules that allow the State to offset and balance emissions from fossil fuel electric generation with emissions-free nuclear generation; and be it further

RESOLVED, That we urge the appropriate State agencies to review these impending rules in order to adopt policies to take advantage of this State's leadership in clean energy production, to continue to provide thousands of high-paying direct and indirect jobs across Illinois, to support hundreds of millions of dollars of economic activity for the Illinois economy, to encourage continued investment in these assets, to provide jobs for the building trades and others, and to provide a strong tax base for local communities throughout Illinois; and be it further

RESOLVED, That in order to take advantage of Illinois' clean energy advantage and to position the State to become a hub of clean energy production for other states, we must further examine existing policies regarding the transmission of electricity to other states; and be it further

RESOLVED, That we urge the Illinois Commerce Commission to prepare a report examining the State's and grid operators' ability to expand transmissions to allow Illinois to transport clean electricity to other parts of the nation, as well as any legislative impediments, and the impact on residential, commercial, and industrial electric rates from the premature closure of Illinois' nuclear power plants; and be it further

RESOLVED, That we urge the Illinois Power Agency to prepare a report showing how the premature closure of existing nuclear power plants in Illinois will affect reliability and capacity for the Midwest region; and be it further

RESOLVED, That we urge the Illinois Environmental Protection Agency to prepare a report showing how the premature closure of existing nuclear power plants in Illinois will affect the societal cost of increased GHG emissions based upon the EPA's published societal cost of GHG; and be it further

RESOLVED, That we urge the Department of Commerce and Economic Opportunity to prepare a report showing how the premature closure of existing nuclear power plants in Illinois will affect jobs and the economic climate in the affected areas; and be it further

RESOLVED, That we urge the findings in those reports to include potential market-based solutions that will ensure that the premature closure of these nuclear power plants does not occur and that the dire consequences to the economy, jobs, and the environment are averted; and be it further

RESOLVED, That we urge the findings from those reports to be presented to the General Assembly and the Governor between November 15, 2014 and adjournment sine die of the 98th General Assembly for consideration and appropriate action; and be it further

RESOLVED, That suitable copies of this resolution be delivered to Governor Pat Quinn; the Illinois Congressional delegation; Administrator of the United States Environmental Protection Agency, Gina McCarthy; Acting Chairman of the Federal Energy Regulatory Commission, Cheryl LaFleur; Secretary of the United States Department of Energy, Ernest Moniz; President and Chief Executive Officer of PJM Interconnection, LLC, Terry Boston; and President and Chief Executive Officer of the Mid-Continent Independent Systems Operator, John Bear.

AGREED RESOLUTIONS

The following resolutions were offered and placed on the Calendar on the order of Agreed Resolutions.

HOUSE RESOLUTION 1140

Offered by Representative Brady:
 Congratulates Dr. Gary C. Niehaus on his retirement as the superintendent of Mclean County Unified School District 5.

HOUSE RESOLUTION 1141

Offered by Representative Brady:
 Congratulates Lynette Mehall on her retirement as principal at Kingsley Junior High School in Mclean County Unified School District 5.

HOUSE RESOLUTION 1142

Offered by Representative Madigan:
 Commends the American Heart Association for its efforts to save lives through education and training and thanks the Association and its volunteers for providing CPR and AED training for General Assembly employees.

HOUSE RESOLUTION 1143

Offered by Representative Crespo:
 Congratulates Elgin High School teacher Deb Perryman on receiving the 2014 Environmental Educator of the Year award from the Environmental Education Association of Illinois.

HOUSE RESOLUTIONS 1140, 1141, 1142 and 1143 were taken up for consideration.
 Representative Currie moved the adoption of the agreed resolutions.
 The motion prevailed and the agreed resolutions were adopted.

E - Denotes Excused Absence

At the hour of 3:04 o'clock p.m., the House reconvened perfunctory session.

HOUSE RESOLUTION

The following resolution was offered and placed in the Committee on Rules.

HOUSE JOINT RESOLUTION 99

Offered by Representative Reis:

WHEREAS, It is highly fitting that the Illinois General Assembly pays honor and respect to the truly great individuals who served our country and in doing so have gone above and beyond the call of duty to take part in truly heroic tasks; and

WHEREAS, Christian Frank Schilt was born March 19, 1895 in Richland County; he enlisted in the Marine Corps on June 23, 1917, and, as an enlisted man, he served at Ponta Delgada, in the Azores, with the 1st Marine Aeronautical Company, a seaplane squadron assigned to anti-submarine patrol during World War I; and

WHEREAS, Returning to the United States as a corporal, Christian Schilt entered flight training and was commissioned a second lieutenant on June 10, 1919; in October of that year, he began his first tour of expeditionary duty in Santo Domingo that was followed with an assignment at Port-au-Prince, Haiti the following August; in March of 1921, he was assigned to make an aerial survey and mosaic map of the coast line of the Dominican Republic; in November of 1926, he won second place in the Schneider International Seaplane Race at Norfolk flying a special Curtiss racer at a speed of 231.3 mph (372.2 km/h) over 7 laps of a triangular 50 km course; and

WHEREAS, In November of 1927, now 1st Lieutenant Schilt was ordered to Managua, Nicaragua, where he joined Observation Squadron 7-M; the political climate in Nicaragua had rapidly changed during the summer of 1927 when Augusto C. Sandino and his followers, the Sandinistas, revolted against Nicaragua's Chamorro government; and

WHEREAS, The Sandinistas established their base on the Honduran border of northern Nicaragua; in December of 1927, Sandino with 1000 men ambushed an American Marine detachment of 175 men, killing 8 and wounding 30; the marines fell back to Quilali where the Sandinistas lay siege to the village; with little hope of a breakout, plans were made for an air rescue; the marines in Quilali built a make-shift airstrip by burning and leveling part of the town to expand Quilali's main street from 100 to 500 feet; Observation Squadron 7 modified an O-2U-1 Vought Corsair biplane with landing gear from a DeHavilland DH-4 for the expected hard landings; and

WHEREAS, As if oblivious to the cramped space he was entering, between January 6 and 8, 1928, Lt. Schilt took his Corsair on 10 trips into the embattled village, hauling in 1,400 pounds of medical supplies and evacuating 18 of the wounded Marines; since his O2U had no brakes, the marines on the ground stopped the biplane by grabbing the wings when it touched down; hostile fire on landings and take-offs, plus low-hanging clouds, mountains, and tricky air currents, added to the difficulty of the flights; he was awarded the Medal of Honor for his flying skill combined with personal courage during the rescue of the Quilali Marines; and

WHEREAS, Christian Schilt continued his military career serving in both World War II and Korea; during World War II, he participated in the Guadalcanal campaign, the consolidation of Southern Solomons, and the air defense of Peleliu and Okinawa earning the Legion of Merit with Combat "V", the Distinguished Flying Cross, the Bronze Star with Combat "V" and 4 Air Medals; in Korea, he commanded the 1st U.S. Marine Corps Aircraft Wing from July of 1951 to April of 1952 earning the U.S. Air Force Distinguished Service Medal and his fifth Air Medal; he retired from the Marine Corps on April 1, 1957 when he was promoted to full general; and

WHEREAS, General Schilt passed away on January 8, 1987 at age 91, in Norfolk, Virginia, and was buried with honors in Arlington National Cemetery; and

WHEREAS, On October 21, 2011, a new headquarters building at the Marine Corps Air Station Cherry Point, North Carolina was named in honor of General Schilt as a constant reminder of the example he set; and

WHEREAS, It is highly fitting that the State of Illinois honor the memory and example set by Marine Aviator General Christian F. Schilt; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that we designate the section of U.S. Highway 50 one mile east of Illinois Route 130 to one mile west of Illinois Route 130 at Olney as the "Marine Aviator General Christian F. Schilt Memorial Highway"; and be it further

RESOLVED, That upon completion of any unfinished sections of highway, the Illinois Department of Transportation is requested to erect at suitable locations, consistent with State and federal regulations, appropriate plaques or signs giving notice of the name; and be it further

RESOLVED, That suitable copies of this resolution be presented the family of General Christian F. Schilt, the Secretary of the Illinois Department of Transportation, and the Mayor of Olney.

SENATE RESOLUTION

The following Senate Joint Resolution, received from the Senate, was read by the Clerk and referred to the Committee on Rules: SENATE JOINT RESOLUTION 72 (Bost).

INTRODUCTION AND FIRST READING OF BILLS

The following bills were introduced, read by title a first time, ordered reproduced and placed in the Committee on Rules:

HOUSE BILL 6273. Introduced by Representative Stewart, AN ACT concerning employment.

HOUSE BILL 6274. Introduced by Representative Bost, AN ACT concerning finance.

HOUSE BILL 6275. Introduced by Representative Bost, AN ACT concerning appropriations.

HOUSE BILL 6276. Introduced by Representative Cabello, AN ACT concerning public employee benefits.

At the hour of 3:05 o'clock p.m., the House Perfunctory Session adjourned.
