A witness slip will not be submitted until all **REQUIRED** fields are fulfilled.

Key takeaways: ensure the desired position is selected in the dropdown, and CLICK 'Add Position' to place the position. It will move to the 'selected' box. See image below:

**CORRECT:**

The screenshot shows a form titled "Position" with a header "Add your position(s) on the legislative items." Below this are two dropdown menus: "Add Subject Matter" and "Add Position". The "Add Position" dropdown is currently selected. To the right, under "Your Subject Matter Positions:", the text "Tutorial 1 - Opponent" is displayed with a red 'x' icon to its left, indicating it has been successfully added to the list.

**INCORRECT:**

The screenshot shows the same "Position" form. In this case, the "Add Position" dropdown menu is selected and shows "Opponent" as the chosen option. However, the "Add Position" button has not been clicked, and the "Your Subject Matter Positions:" list remains empty.

MAKING ADJUSTMENTS TO POSITIONS BEFORE SUBMITTING/RESUBMITTING: Click the red x to clear the selected position. Select **one or multiple** positions to the witness slip on subject matter/bill. See image below:

The screenshot shows the "Position" form with two items in the "Your Subject Matter Positions:" list: "Tutorial 1 - Opponent" and "Tutorial 2 - Proponent". Each item has a red 'x' icon to its left, indicating that they can be removed from the list.
