VOLUME 29, NO. 8

COMMISSION ON GOVERNMENT FORECASTING AND ACCOUNTABILITY

AUGUST 2020

Agriculture and Food Research Initiative: Foundational and Applied Science (CFDA No. 10.310)

Purpose: To fund research-only, extension-only, and integrated research, education, and/or extension projects in six priority areas.

Eligibility: State agriculture experiment stations; colleges and universities; university research foundations; other research foundations; federal agencies; national laboratories; private organizations or corporations; individuals; and groups of one or more of the above entities.

Funding: \$290 million.

Deadline: 7/29/2021.

Contact: (202) 401-5048, electronic@nifa.usda.gov.

Choice Neighborhood Planning Grants NOFA (CFDA No. 14.892)

Purpose: To develop and implement comprehensive neighborhood revitalization plans that focus on three core goals of housing, people, and neighborhood.

Eligibility: Native American tribal governments; public, state, and private institutions of higher education; state, county, special district, city, or township governments; and nonprofits with 501(c)(3) status with the IRS (other than institutions of higher education).

Funding: \$5 million; awards of up to \$450,000.

Deadline: 9/14/2020.

Contact: Choiceneighborhoods@hud.gov.

Computer and Information Science and Engineering (CISE): Core Programs (CFDA No. 47.070)

Purpose: To support research and development projects in computing, communications, information science and engineering, and advanced cyberinfrastructure, through four core programs.

Eligibility: Academic institutions on behalf of faculty; and nonprofit, non-academic organizations and independent museums, including observatories, research laboratories, professional societies, and similar organizations.

Funding: \$280 million.

Deadline: 11/12/2020.

Contact: Grantsgovsupport@nsf.gov.

Healthy Tomorrows Partnership for Children Program (HTPCP) (CFDA No. 93.110)

Purpose: To establish community-based programs and models of care that build on existing community resources, in order to improve the health of infants, children, adolescents, and families in rural and underserved areas.

Eligibility: Public or private nonprofits, including faith- and community-based organizations, and Native American tribes and tribal organizations.

Funding: \$500,000, awards of up to \$50,000.

Deadline: 10/6/2020.

Contact: Madhavi Reddy, (301) 443-0754, mreddy@hrs.gov.

Laura Bush 21st Century Library Program (2021) (CFDA No. 45.313)

Purpose: To enhance the training and professional development of library and archive professionals; assist with developing faculty and library leaders; and support recruiting, educating, and retaining new personnel, in order to develop a diverse librarian workforce.

Eligibility: State or local governments or private nonprofits that are either: (1) a library or library parent organization; (2) an academic or administrative unit (such as a graduate school of library science at an institution of higher education); (3) a digital library that makes library materials publicly available and provides library services; (4) a library organization that is an official agency of a state or other governmental unit; (5) a library consortium; or (6) a permanent library association.

Funding: \$8 million; awards between \$50,000 and \$1 million.

Deadline: 10/2/2020.

Contact: Jill Connors-Joyner, (202) 653-4791, jconnors-joyner@imls.gov; or Sarah Fuller, (202) 653-4783, sfuller@imls.gov.

Forecasting and Accountability
802 Stratton Building
Springfield, Illinois 62706

National Leadership Grants for Libraries (2021) (CFDA No. 45.312)

Purpose: To improve the quality of library and archival services by advancing theory and practice, such as developing new tools, models, and practices or aiding in collaborative approaches.

Eligibility: State or local governments or private nonprofits that are either: (1) a library or library parent organization; (2) an academic or administrative unit (such as a graduate school of library science at an institution of higher education); (3) a digital library that makes library materials publicly available and provides library services; (4) a library organization that is an official agency of a state or other governmental unit; (5) a library consortium; or (6) a permanent library association.

Funding: \$9 million; awards between \$50,000 and \$1 million.

Deadline: 10/2/2020.

Contact: Jill Connors-Joyner, (202) 653-4791, jconnors-joyner@imls.gov; or Sarah Fuller, (202) 653-4783, sfuller@imls.gov.

NEA Arts & Artifacts Domestic Indemnity Program, FY 2021 (CFDA No. 45.201)

Purpose: To help cover the costs of insuring works of art and artifacts owned by U.S. institutions while on exhibition, up to specified amounts.

Eligibility: Native American tribal governments and organizations; public, state, and private institutions of higher education; state, county, special district, city, or township governments; nonprofits with 501(c)(3) status with the IRS (other than institutions of higher education); and independent school districts.

Funding: Not specified; awards between \$10,000 and \$100,000.

Deadline: 12/14/2020.

Contact: Webmgr@arts.gov.

Service Area Competition (CFDA No. 93.224)

Purpose: To provide primary health care services to medically underserved communities by ensuring continued access through the Health Center Program.

Eligibility: Public or private nonprofits, including faith- and community-based organizations, and Native American tribes and tribal organizations.

Funding: \$6 million.

Deadline: 9/14/2020.

Contact: (301) 594-4300, BPHCSAC@hrs.gov.

Strengthening Community Colleges Training Grants (CFDA No. 17.261)

Purpose: To increase collaboration between community colleges, employers, and public workforce development systems in order to offer career training to eligible potential workers, meet the skill development needs of employers, and address COVID-19 related challenges.

Eligibility: Community colleges in partnership with one or more workforce development systems and employer partners.

Funding: \$40 million, awards of up to \$5 million.

Deadline: 10/8/2020.

Contact: Steven A. Canger, canger.steven.a@dol.gov.

Supporting Equitable Development and Environmental Justice in Brownfield Communities, FY 2021 (CFDA No. 66.814)

Purpose: To provide technical assistance to communities on how to integrate environmental justice and equitable development when developing solutions to brownfield cleanup and revitalization challenges.

Eligibility: Local governments; land clearance authorities; regional councils or groups of local governments; state redevelopment agencies; states, Native American tribes; nonprofits with 501(c)(3) status with the IRS; limited liability corporations with all managing members or general partners being 501(c)(3) exempt; qualified community development entities; and other specified nonprofit organizations.

Funding: \$600,000.

Deadline: 9/19/2020.

Contact: Elyse Sutkus, (202) 564-2858, sutkus.elyse@epa.gov.
