SUBPART D: CONTENTS OF CAAPP APPLICATIONS

**Section 270.407 Startup (Repealed)**

~~A request to exceed the standards or limitations of Subchapter c of Chapter I of the Board's Air Pollution regulations (35 Ill. Adm. Code 212 et seq.) during startup of an emission unit, if desired, must be contained in the CAAPP application and shall include at a minimum a description of the startup procedure, the duration and frequency of such startups, the types and quantities of emissions during startup and the applicant's efforts to minimize any such startup emissions, duration of individual startups and frequency of startups, and all calculations used to determine the above information. In no event shall permission be given to operate during startup where such startup would result in an exceedance of the ambient air quality standard. The Agency may grant permission to operate during startup in accordance with 35 Ill. Adm. Code 201.262.~~

**Section 270.408 Malfunction or Breakdown (Repealed)**

~~A request to continue to operate an emission unit in excess of the standards or limitations of Subchapter c of Chapter I of the Board's Air Pollution regulations (35 Ill. Adm. Code 212 et seq.) during a malfunction or breakdown of the emission unit or related air pollution control equipment, if desired, must be contained in the CAAPP application and shall include, at a minimum, a detailed explanation of why such continued operation will be necessary; the nature of any anticipated malfunction or breakdown; emission points and quantities of emissions which will occur during such continued operation; the anticipated length of time during which such operation will continue; all measures, such as use of off shift labor or equipment, which will be taken to minimize the quantity of air contaminant emissions and length of time during which such operation will continue; and the calculations used to determine the above information. The Agency may grant permission to operate during a malfunction or breakdown in accordance with 35 Ill. Adm. Code 201.262.~~
