Amends the Illinois Vehicle Code. Allows a person to request an informal hearing regarding a suspension, revocation, or denial of the issuance of a license, permit, registration, or certificate of title at a Secretary of State driver services facility. Provides that if a person is convicted of a specified offense and the use of alcohol or other drugs is stated as an element of the offense, the Secretary may issue to the person a restricted driving permit granting the privilege of driving a motor vehicle 6 days per week, 12 hours per day within a 200-mile radius of the person's residence for any legal purpose. In provisions regarding the mandatory revocation of a license or permit, the discretionary authority to suspend or revoke a license or permit, and the period of suspension, provides that some convictions may be based on a similar out-of-state offense or similar offense committed on a military installation. Amends the Program of All-Inclusive Care for the Elderly Act. Provides that to ensure that organizations contracted to implement the Program of All-Inclusive Care for the Elderly (PACE) program meet the needs of PACE participants, the Department of Healthcare and Family Services shall reform the rate-setting methodology for the PACE program by establishing a blended rate structure based on a 30% Home and Community-Based Services and 70% Skilled Nursing Facility case-mix which is a more accurate proportion of the comparable population expected to reside in an institution or the community if not enrolled in PACE. Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Defines "domestic violence".

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

705 ILCS 405/2-18

Adds reference to:

325 ILCS 5/3

from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. HOUSE COMMITTEE AMENDMENT NO. 1

Adds reference to:

755 ILCS 5/11a-26 new

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates

the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

Amends the General Provisions Article of the Illinois Pension Code. Provides that the amendatory Act may be referred to as the Fossil Fuel Divestment Act. With regard to the retirement systems established under the General Assembly, State Employees, State Universities, Downstate Teachers, or Judges Article of the Code and the Illinois State Board of Investment, prohibits direct investment of any additional pension assets in the stocks, securities, or other obligations of any fossil fuel company or any subsidiary, affiliate, or parent of a fossil fuel company. Provides that each board of trustees of a pension system shall ensure the pension system does not make further indirect investments unless, upon exercising due diligence, the board of trustees is satisfied that the investment vehicle is unlikely to have more than 2% of its assets invested in fossil fuel companies. Requires pension system trustees to identify the pension system's holdings, whether directly or indirectly invested, including private investments. Requires pension system trustees to identify holdings that are invested in the stocks, securities, equities, fixed income, corporate bonds, prime commercial paper, or other obligations of fossil fuel companies. Requires pension systems to, in accordance with sound investment criteria and consistent with fiduciary obligations, divest any fossil fuel holdings, which must be completed by January 1, 2030. Requires pension systems to adopt an update to their written investment policies if necessary. Requires each pension system to disclose the analytic methods used, if any, in determining the climate-related financial risks posed by its fossil fuel investments (both publicly traded and private investments) and the results of the analysis. Sets forth provisions concerning definitions, de minimis exposure to fossil fuel securities, and annual reporting. Effective immediately.

New Act

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal

to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

750 ILCS 60/220	from Ch. 40, par. 2312-20

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

Adds reference to:

725 ILCS 5/112A-11.5

750 ILCS 60/201

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion

and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

Amends the Board of Higher Education Act, various Acts relating to the governance of public universities in Illinois, and the Higher Education Student Assistance Act. Requires the Board of Higher Education to establish a pathway program in which any public high school student in this State who graduates in the top 10% of the student's graduating class or meets other standardized thresholds is guaranteed admission to at least one public university. Requires the Board to submit an annual report to the General Assembly (and make the report publicly available) that includes, with respect to public universities: (1) how many in-state residents were admitted in the prior academic year compared to the number of out-of-state residents that were admitted; (2) the tuition trends for students who are residents of this State; and (3) how many university graduates continue to reside within this State following graduation. With respect to each academic program of a public university that has a limited capacity to admit students due to a high demand for admission to the program, provides that at least 70% of the students admitted to the program must be residents of this State. Beginning with the 2027-2028 academic year, prohibits the governing board of each public university from increasing its in-state tuition rate for a given academic year by a percentage that exceeds the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the Bureau of Labor Statistics of the United States Department of Labor for the 12 months ending on the previous December 31. Requires the Illinois Student Assistance Commission to establish a workforce incentive program in which a student who enrolls in a high-need field at an institution of higher learning may receive a grant to reduce tuition costs or loan forgiveness if the student commits to working in this State for at least 3 after graduation. Provides that under the program, a student from an underserved region of this State may also receive additional admission and tuition support from the Commission.

New Act

Creates the Prohibition on Anticompetitive Pharmaceutical Practices Act. Provides that, except as specified, a court before which the Attorney General brings an action under the Act shall presume that a resolution agreement that ends a dispute over an alleged infringement of a patent, or a violation of other protection for a protected drug, has anticompetitive effects and is a violation of the Act if, as part of or in connection with the resolution agreement, an alleged infringer: (1) receives an item of value; or (2) agrees to limit or stop researching, developing, manufacturing, marketing, or selling a competing drug. Provides that a resolution agreement does not violate the Act and a party to the resolution agreement may overcome the presumption of anticompetition if the party, by a preponderance of evidence, can demonstrate that: (1) the item of value that the alleged infringer received is fair and reasonable compensation solely for other goods or services that the claimant promised to provide to the alleged infringer; or (2) the agreement has directly generated procompetitive benefits within the relevant market and the procompetitive benefits of the resolution agreement favor competition to the extent that the procompetitive benefits materially outweigh the anticompetitive effects of the resolution agreement. Sets forth provisions concerning penalties and enforcement of the Act by the Attorney General. Provides that the Act applies to resolution agreements: (1) that are negotiated, completed, or entered into within the State on or after the effective date of this Act; (2) where the dispute arose out of or was substantially related to pharmaceutical sales that were made within the State; or (3) where a party to the resolution agreement is an entity registered to conduct business within the State.
