

1 AN ACT concerning property.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Downstate Forest Preserve District Act is
5 amended by changing Sections 3a, 3c, 3d, and 12 as follows:

6 (70 ILCS 805/3a) (from Ch. 96 1/2, par. 6305)

7 Sec. 3a. Except as otherwise provided in this Section, and
8 except as provided in Section 3c, 3d, and 3.5, the affairs of
9 the district shall be managed by a board of commissioners
10 consisting of 5 commissioners, who shall be appointed by the
11 presiding officer of the county board of the county in which
12 such forest preserve district is situated, with the advice and
13 consent of such county board. The first appointment shall be
14 made within 90 days and not sooner than 60 days after such
15 forest preserve district has been organized as provided
16 herein. Each member of such board so appointed shall be a legal
17 voter in such district. The first commissioners shall be
18 appointed to hold office for terms of one, 2, 3, 4, and 5
19 years, and until June 30 thereafter, respectively, as
20 determined and fixed by lot. Thereafter, successor
21 commissioners shall be appointed in the same manner no later
22 than the first day of the month in which the term of a
23 commissioner expires. Except as provided in Section 3c and 3d,

1 a vacancy occurring otherwise than by expiration of term shall
2 be filled for the unexpired term by appointment of a
3 commissioner by the county board chairman with the advice and
4 consent of the members of the county board. In the one district
5 in existence on July 1, 1977, that is managed by an appointed
6 board of commissioners, the incumbent 5 commissioners shall
7 complete their respective terms as originally prescribed in
8 this Act. However, upon the expiration of the terms of 2 of the
9 incumbent commissioners on January 1, 1978, they or their
10 successors shall be appointed to hold office for terms of 3 and
11 5 years, and until June 30 thereafter, respectively, as
12 determined and fixed by lot. Furthermore, upon the expiration
13 of the terms of the remaining incumbent commissioners on
14 January 1, 1980, they or their successors shall be appointed
15 to hold office for terms of 2, 4, and 5 years, and until June
16 30 thereafter, respectively, as determined and fixed by lot.
17 Thereafter, each successor commissioner shall be appointed for
18 a term of 5 years. Each member of the board before entering
19 upon the duties of the ~~his~~ office shall take the oath
20 prescribed by the constitution. From the time of the
21 appointment of the first board of commissioners, such forest
22 preserve district shall be construed in all courts to be a body
23 corporate and politic by the name and style determined as
24 aforesaid and by such name may sue and be sued, contract and be
25 contracted with, acquire and hold real and personal estate
26 necessary for its corporate purposes and adopt a seal and

1 alter the same at its pleasure.

2 In case the boundaries of a district are co-extensive with
3 the boundaries of any county, city, village, incorporated town
4 or sanitary district, the corporate authorities of such county
5 (until the commissioners elected under Section 3c and 3d take
6 office), city, village, incorporated town or sanitary district
7 shall have and exercise the powers and privileges and perform
8 the duties and functions of the commissioners provided for in
9 this Act and in that case no commissioner shall be appointed
10 for that district. The corporate authorities, other than
11 members of a county board in counties under township
12 organization having a population of less than 3,000,000 and
13 members of a county board in a county not under township
14 organization who were elected prior to July 1, 1965, shall act
15 without any other pay than that already provided by law. The
16 members of a county board of a county under township
17 organization and members of a county board of a county not
18 under township organization who were elected prior to July 1,
19 1965, who also act as commissioners of a forest preserve
20 district in counties having a population of less than
21 3,000,000 may receive for their services as commissioners of a
22 forest preserve district a per diem fee to be fixed by such
23 board, but not to exceed \$36 per day, which shall be in full
24 for all services rendered on such day, or an annual salary to
25 be fixed by such board, but not to exceed \$3,000, plus mileage
26 expenses at a rate not more than the amount allowed for members

1 of the county board of such county, as fixed by the board, for
2 each mile necessarily traveled in attending meetings of the
3 board of such district, plus any expense incurred while, or in
4 connection with, carrying out the business of such district
5 outside the boundaries of such district, payable from the
6 forest preserve district treasury. The president of the Board
7 of Commissioners of the Forest Preserve District in counties
8 of less than 3 million may receive in lieu of a per diem fee an
9 annual salary to be fixed by such board. No Forest Preserve
10 Commissioner shall file for a per diem payment for services
11 rendered on the same day for which the commissioner ~~he~~ filed
12 for a per diem payment as a county supervisor. When the county
13 board also acts as such commissioners, a member of the county
14 board of a county under township organization and a member of
15 the county board of a county not under township organization,
16 who is elected prior to July 1, 1965 may, with the permission
17 of the county board, work alone as such a commissioner and be
18 paid in the usual manner.

19 Unless otherwise qualified, the term "board", when used in
20 this Act, means the board of commissioners of any forest
21 preserve district, or the corporate authorities of any county,
22 city, village, incorporated town, or sanitary district, when
23 acting as the governing body of a forest preserve district.

1 Sec. 3c. Elected board of commissioners in certain
2 counties. If the boundaries of a district are co-extensive
3 with the boundaries of a county having a population of more
4 than 800,000 but less than 3,000,000, all commissioners of the
5 forest preserve district shall be elected from the number of
6 districts as determined by the forest preserve district board
7 of commissioners. Such a forest preserve district is a
8 separate and distinct legal entity, and its board members are
9 elected separate and apart from the elected county
10 commissioners. Upon its formation, or as a result of decennial
11 reapportionment, such a forest preserve district shall adopt a
12 district map determining the boundary lines of each district.
13 That map shall be adjusted and reapportioned subject to the
14 same decennial reapportionment process stated in Section 3c-1.
15 No more than one commissioner shall be elected from each
16 district. At their first meeting after election in 2022 and at
17 their first meeting after election next following each
18 subsequent decennial reapportionment of the county under
19 Section 3c-1, the elected commissioners shall publicly, by
20 lot, divide themselves into 2 groups, as equal in size as
21 possible. Commissioners from the first group shall serve for
22 terms of 2, 4, and 4 years, and commissioners from the second
23 group shall serve terms of 4, 4, and 2 years. The president of
24 the board of commissioners of the forest preserve district
25 shall be elected by the voters of the county, rather than by
26 the commissioners. The president shall be a resident of the

1 county and shall be elected throughout the county for a 4-year
2 term without having been first elected as commissioner of the
3 forest preserve district. Each commissioner shall be a
4 resident of the forest preserve board district from which the
5 commissioner ~~he or she~~ was elected not later than the date of
6 the commencement of the term of office. The term of office for
7 the president and commissioners elected under this Section
8 shall commence on the first Monday of the month following the
9 month of election. Neither a commissioner nor the president of
10 the board of commissioners of that forest preserve district
11 shall serve simultaneously as member or chairman of the county
12 board. No person shall seek election to both the forest
13 preserve commission and the county board at the same election,
14 nor shall they be eligible to hold both offices at the same
15 time. The president, with the advice and consent of the board
16 of commissioners shall appoint a secretary, treasurer, and
17 such other officers as deemed necessary by the board of
18 commissioners, which officers need not be members of the board
19 of commissioners. The president shall have the powers and
20 duties as specified in Section 12 of this Act.

21 Candidates for president and commissioner shall be
22 candidates of established political parties.

23 If a vacancy in the office of president or commissioner
24 occurs, other than by expiration of the president's or
25 commissioner's term, the forest preserve district board of
26 commissioners shall declare that a vacancy exists and

1 notification of the vacancy shall be given to the county
2 central committee of each established political party within 3
3 business days after the occurrence of the vacancy. If the
4 vacancy occurs in the office of forest preserve district
5 commissioner, the president of the board of commissioners
6 shall, within 60 days after the date of the vacancy, with the
7 advice and consent of other commissioners then serving,
8 appoint a person to serve for the remainder of the unexpired
9 term. The appointee shall be affiliated with the same
10 political party as the commissioner in whose office the
11 vacancy occurred and be a resident of such district. If a
12 vacancy in the office of president occurs, other than by
13 expiration of the president's term, the remaining members of
14 the board of commissioners shall, within 60 days after the
15 vacancy, appoint one of the commissioners to serve as
16 president for the remainder of the unexpired term. In that
17 case, the office of the commissioner who is appointed to serve
18 as president shall be deemed vacant and shall be filled within
19 60 days by appointment of the president with the advice and
20 consent of the other forest preserve district commissioners.
21 The commissioner who is appointed to fill a vacancy in the
22 office of president shall be affiliated with the same
23 political party as the person who occupied the office of
24 president prior to the vacancy. A person appointed to fill a
25 vacancy in the office of president or commissioner shall
26 establish the appointee's ~~his or her~~ party affiliation by the

1 appointee's ~~his or her~~ record of voting in primary elections
2 or by holding or having held an office in an established
3 political party organization before the appointment. If the
4 appointee has not voted in a party primary election or is not
5 holding or has not held an office in an established political
6 party organization before the appointment, the appointee shall
7 establish the appointee's ~~his or her~~ political party
8 affiliation by the appointee's ~~his or her~~ record of
9 participating in an established political party's nomination
10 or election caucus. If, however, more than 28 months remain in
11 the unexpired term of a commissioner or the president, the
12 appointment shall be until the next general election, at which
13 time the vacated office of commissioner or president shall be
14 filled by election for the remainder of the term.
15 Notwithstanding any law to the contrary, if a vacancy occurs
16 after the last day provided in Section 7-12 of the Election
17 Code for filing nomination papers for the office of president
18 of a forest preserve district where that office is elected as
19 provided for in this Section, or as set forth in Section 7-61
20 of the Election Code, a vacancy in nomination shall be filled
21 by the passage of a resolution by the nominating committee of
22 the affected political party within the time periods specified
23 in the Election Code. The nominating committee shall consist
24 of the chairman of the county central committee and the
25 township chairmen of the affected political party. All other
26 vacancies in nomination shall be filled in accordance with the

1 provisions of the Election Code.

2 The president and commissioners elected under this Section
3 may be reimbursed for their reasonable expenses actually
4 incurred in performing their official duties under this Act in
5 accordance with the provisions of Section 3a. The
6 reimbursement paid under this Section shall be paid by the
7 forest preserve district.

8 Compensation for the president and the forest preserve
9 commissioners elected under this Section shall be established
10 by the board of commissioners of the forest preserve district.

11 This Section does not apply to a forest preserve district
12 created under Section 18.5 of the Conservation District Act.

14 (70 ILCS 805/3d)

15 Sec. 3d. Elected board of commissioners in certain other
16 counties. If the boundaries of a district are co-extensive
17 with the boundaries of a county having a population of more
18 than 200,000 but less than 800,000, bordering the State of
19 Wisconsin but not adjoining any county with a population of
20 over 2,000,000, all commissioners of the forest preserve
21 district shall be elected at large by the voters of the county,
22 beginning with the general election held in 2010 and each
23 succeeding general election. Nomination of candidates for the
24 office of commissioner at the initial and each succeeding
25 election shall be made by petition signed in the aggregate for

1 each candidate by not less than 100 qualified voters of the
2 forest preserve district. Seven commissioners shall be
3 elected, with candidates receiving the highest,
4 second-highest, and third-highest number of votes being
5 elected for 6-year terms. Candidates receiving the
6 fourth-highest and fifth-highest number of votes shall be
7 elected for 4-year terms. Candidates receiving the
8 sixth-highest and seventh-highest number of votes shall be
9 elected for 2-year terms. Thereafter, each commissioner shall
10 be elected for a 6-year term.

11 After each general election, the forest preserve district
12 commissioners shall elect a president from among their members
13 for a 2-year term.

14 Each commissioner shall be a resident of the county from
15 which the commissioner ~~he or she~~ was elected no later than the
16 date of the commencement of the term of office. The term of
17 office for the president and commissioners elected under this
18 Section shall commence on the first Monday of the month
19 following the month of election.

20 Neither a commissioner nor the president of the board of
21 commissioners shall serve simultaneously in any other elective
22 or appointive office in the county. The president, with the
23 advice and consent of the board of commissioners, shall
24 appoint a secretary, treasurer, and any other officer deemed
25 necessary by the board of commissioners. The officers need not
26 be members of the board of commissioners. The president shall

1 have the powers and duties as set forth in Section 12 of this
2 Act.

3 Candidates for commissioner shall not be candidates of
4 established political parties, but shall be non-partisan.

5 If a vacancy in the office of president or commissioner
6 occurs, other than by expiration of the president's or a
7 commissioner's term, the forest preserve district board of
8 commissioners shall declare that a vacancy exists, and the
9 board of commissioners shall, within 60 days after the date of
10 the vacancy, upon the majority vote of the commissioners then
11 serving, elect a person to serve for the remainder of the
12 unexpired term. If, however, more than 28 months remain in the
13 unexpired term of a commissioner, at the time of appointment,
14 the appointment shall be until the next general election, at
15 which time the vacated office of commissioner shall be filled
16 by election for the remainder of the term. All other vacancies
17 in nomination shall be filled in accordance with the
18 provisions of the Election Code.

19 The president and commissioners elected under this Section
20 shall serve without compensation. The president and
21 commissioners may be reimbursed for their reasonable expenses
22 actually incurred in performing their official duties under
23 this Act in accordance with the provisions of Section 3a. The
24 cost of reimbursement under this Section shall be paid by the
25 forest preserve district.

26 This Section does not apply to a forest preserve district

1 created under Section 18.5 of the Conservation District Act.

4 Sec. 12. The president of the board of any district
5 organized hereunder, shall preside at all meetings of the
6 board, be the executive officer of the district, and be a
7 member of the board. The president ~~He~~ shall sign all
8 ordinances, resolutions and other papers necessary to be
9 signed and shall execute all contracts entered into by the
10 district and perform other duties as may be prescribed by
11 ordinance. The president ~~He~~ may veto any ordinance and any
12 orders, resolutions and actions, or any items therein
13 contained, of the board which provide for the purchase of real
14 estate, or for the construction of improvements within the
15 preserves of the district. Such veto shall be filed with the
16 secretary of the board within 5 days after the passage of the
17 ordinance, order, resolution or action and when so vetoed the
18 ordinance, order, resolution or action or any item therein
19 contained is not effective unless it is again passed by
20 two-thirds vote of all the members of the board. The president
21 may vote in the same manner as the other members of the board.
22 In the temporary absence or inability of the president, the
23 members of the board may elect from their own number a
24 president, pro tem.

25 The "Yeas" and "Nays" shall be taken, and entered on the

1 journal of the board's proceedings, upon the passage of all
2 ordinances and all proposals to create any liability, or for
3 the expenditure or appropriation of money. The concurrence of
4 a majority of all the members elected or appointed to the board
5 is necessary to the passage of any such ordinance or proposal.
6 In all other cases the "Yeas" and "Nays" shall be taken at the
7 request of any member of the board and shall be entered on the
8 journal of the board's proceedings.

18 the marriage. No finding by any court under Section 401 of the
19 Illinois Marriage and Dissolution of Marriage Act shall be
20 admissible or be used as prima facie evidence of a tort in any
21 civil action brought under this Act. An attachment or judgment
22 in an action may be enforced by or against a married person as

2 Sec. 2. Defending in own right or for other. If a married

18 the other and leaves the state, and is absent therefrom for one
19 year, without providing for the maintenance and support of the
20 absent spouse's ~~his or her~~ family, or is imprisoned in the
21 penitentiary, the circuit court in the county where the
22 abandoned spouse or the spouse who is ~~the husband or wife so~~
23 ~~abandoned or,~~ not confined, resides, may, on application by
24 petition, setting forth fully the facts, if the court is

22 they may be sued jointly or separately.

23 (2) No creditor, who has a claim against a spouse or former
24 spouse for an expense incurred by that spouse or former spouse
