5 to this subsection (r).

6 (s) The Agency shall have authority to take whatever
7 preventive or corrective action is necessary or appropriate,
8 including but not limited to expenditure of monies
9 appropriated from the Build Illinois Bond Fund for removal or
10 remedial action, whenever any hazardous substance or pesticide
11 is released or there is a substantial threat of such a release
12 into the environment. The State, the Director, and any State
13 employee shall be indemnified for any damages or injury
14 arising out of or resulting from any action taken under this
15 subsection. The Director of the Agency is authorized to enter

17 out the Agency's duties under this subsection.

18 (t) The Agency shall have authority to distribute grants,
19 subject to appropriation by the General Assembly, to units of
20 local government for financing and construction of wastewater

9 subsection (s).

10 (x) (1) The Agency shall have authority to distribute
11 grants, subject to appropriation by the General Assembly, to
12 units of local government for financing and construction of
13 public water supply facilities. With respect to all monies

16 with rules promulgated by the Agency. Such rules shall include
17 a requirement for a local match of 30% of the total project
18 cost for projects funded through such grants.

19 (2) The Agency shall not terminate a grant to a unit of
20 local government for the financing and construction of public
21 water supply facilities unless and until the Agency adopts
22 rules that set forth precise and complete standards, pursuant

4 precise and complete standards, pursuant to Section 5-20 of
5 the Illinois Administrative Procedure Act, for making such
6 determinations. The Agency shall not issue a stop-work order
7 in relation to such grants unless and until the Agency adopts

9 the Illinois Administrative Procedure Act, for determining
10 whether to issue a stop-work order.

11 (y) The Agency shall have authority to release any person
12 from further responsibility for preventive or corrective
