LRB104 09144 RLC 23732 a

1 AMENDMENT TO HOUSE BILL 2589

2 AMENDMENT NO. _____. Amend House Bill 2589 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Hypodermic Syringes and Needles Act is
5 amended by changing Section 2 as follows:

6 (720 ILCS 635/2) (from Ch. 38, par. 22-51)

7 Sec. 2. Sale of hypodermic syringes and needles.

8 (a) Except as provided in subsection (b), no syringe,
9 needle or instrument shall be delivered or sold to, or
10 exchanged with, any person except a registered pharmacist,
11 physician, dentist, veterinarian, registered embalmer,
12 manufacturer or dealer in embalming supplies, wholesale
13 druggist, manufacturing pharmacist, industrial user, a nurse
14 upon the written order of a physician or dentist, the holder of
15 a permit issued under Section 5 of this Act, a registered
16 chiropodist, or an employee of an incorporated hospital upon

1 the written order of its superintendent or officer in
2 immediate charge; provided that the provisions of this Act
3 shall not prohibit the sale, possession or use of hypodermic
4 syringes or hypodermic needles for treatment of livestock or
5 poultry by the owner or keeper thereof or a person engaged in
6 chemical, clinical, pharmaceutical or other scientific
7 research, or a staff person, volunteer, or participant in a
8 needle or hypodermic syringe access program.

9 (b) A pharmacist may sell up to 100 sterile hypodermic
10 syringes or needles to a person who is at least 18 years of
11 age. A syringe or needle sold under this subsection (b) must be
12 stored at a pharmacy and in a manner that limits access to the
13 syringes or needles to pharmacists employed at the pharmacy
14 and any persons designated by the pharmacists. A syringe or
15 needle sold at a pharmacy under this subsection (b) may be sold
16 only from the pharmacy department of the pharmacy.

17 (c) If the pharmacy has sterile hypodermic syringes or
18 needles in stock, a pharmacist, based on the pharmacist's
19 professional and clinical judgment, shall sell sterile
20 hypodermic syringes or needles to any qualifying individual
21 when sterile hypodermic syringes or needles are required for
22 the proper utilization or administration of medications,
23 including any counseling or referrals to relevant healthcare
24 services.
