1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by adding Section  
5 2-3.206 as follows:

6 (105 ILCS 5/2-3.206 new)

7 Sec. 2-3.206. Major school-event-scheduling guidance. As  
8 used in this Section, "major school event" includes, but is  
9 not limited to, tests, special projects, special events,  
10 special activities, schoolwide events, or extracurricular  
11 activities that would be difficult to make up.

12 The State Board of Education, through consultation with  
13 stakeholders, shall identify days during the year when there  
14 may be a portion of the student body absent or unable to  
15 participate in a major school event due to cultural,  
16 religious, or other observances.

17 By February 1 of each year, the State Board of Education  
18 shall prominently post on its website and distribute to each  
19 school district a nonexhaustive list of the corresponding days  
20 and dates of potential cultural, religious, or other  
21 observances for, at a minimum, the upcoming school year as a  
22 resource for making major school-event-scheduling decisions,  
23 encouraging school districts not to schedule a major school

1 event on those days.

2 The list shall include a statement indicating that the  
3 list is only for scheduling purposes and does not affect a  
4 student's right to be excused from attendance because of the  
5 observance of a religious holiday pursuant to Section 26-2b of  
6 this Code, regardless of whether the religious holiday appears  
7 on the list.

8 Upon the distribution of the list, the State Board of  
9 Education shall also inform school districts that a school  
10 district may include additional days and dates based on  
11 community feedback or demographics.

12 The State Board of Education shall additionally distribute  
13 the list by February 1 each year to regional offices of  
14 education, the Department of Early Childhood, the Board of  
15 Higher Education, the Illinois High School Association, and  
16 other relevant associations or entities as determined by the  
17 State Board of Education.

19 becoming law.
