8 hardships as the Illinois Department shall by rule define, the
9 Illinois Department may provide assistance to alleviate such
10 needs. The Illinois Department shall verify need and determine
11 eligibility for crisis assistance for families already
12 receiving grants from the Illinois Department within 5 working
13 days following application for such assistance and shall
14 determine eligibility for all other families and afford such
15 assistance for families found eligible within such time limits
16 as the Illinois Department shall by rule provide. ~~The Illinois~~
17 ~~Department may, by rule, limit crisis assistance to an~~
18 ~~eligible family to once in any 12 consecutive months. This~~
19 ~~limitation may be made for some or all items of crisis~~
20 ~~assistance.~~

21 The Illinois Department by regulation shall specify the
22 criteria for determining eligibility and the amount and nature
23 of assistance to be provided. Where deprivation of shelter
24 exists or is threatened, the Illinois Department must inform

20 (305 ILCS 5/4-22)

21 Sec. 4-22. Domestic and sexual violence.

22 (a) Findings and policy. The General Assembly finds that
23 it is the policy of the State of Illinois that:

24 (1) no individual or family should be forced to remain
25 in a violent living situation or place themselves or

1 others at risk in order to attain or retain TANF
2 assistance; and

3 (2) no individual or family should be unfairly
4 penalized because past or present domestic or sexual
5 violence or the risk of domestic or sexual violence causes
6 them to fail to comply with TANF program requirements for
7 assistance.

8 ~~The assessment process to develop the personal plan for~~
9 ~~achieving self sufficiency shall include questions that screen~~
10 ~~for domestic and sexual violence issues. If the individual~~
11 ~~indicates that he or she is the victim of domestic or sexual~~
12 ~~violence and indicates a need to address domestic or sexual~~
13 ~~violence issues in order to reach self sufficiency, the plan~~
14 ~~shall take this factor into account in determining the work,~~
15 ~~education, and training activities suitable to the client for~~
16 ~~achieving self sufficiency. In addition, in such a case,~~
17 ~~specific steps needed to directly address the domestic or~~
18 ~~sexual violence issues may also be made part of the plan,~~
19 ~~including referral to an available domestic or sexual violence~~
20 ~~program. The Department shall conduct an individualized~~
21 ~~assessment and grant waivers of program requirements and other~~
22 ~~required activities for victims of domestic violence to the~~
23 ~~fullest extent allowed by 42 U.S.C. 602(a)(7)(A), and shall~~
24 ~~apply the same laws, regulations, and policies to victims of~~
25 ~~sexual violence. The duration of such waivers shall be~~
26 ~~initially determined and subsequently redetermined on a~~

1 ~~case by case basis. There shall be no limitation on the total~~
2 ~~number of months for which waivers under this Section may be~~
3 ~~granted, but continuing eligibility for a waiver shall be~~
4 ~~redetermined no less often than every 6 months.~~

5 (a-5) Definitions. As used in this Section:

6 "Domestic violence" has the meaning ascribed to it in
7 Section 103 of the Illinois Domestic Violence Act of 1986.

8 "Sexual assault" or "sexual violence" means any conduct of
9 an adult or minor child proscribed in Article 11 of the
10 Criminal Code of 2012, except for Sections 11-35, 11-40, and
11 11-45 of the Criminal Code of 2012, including conduct
12 committed by a perpetrator who is a stranger to the victim and
13 conduct by a perpetrator who is known or related by blood or
14 marriage to the victim.

15 (b) In recognition of the reality of domestic or sexual
16 violence for many individuals and families who may need
17 assistance, when making determinations as to an individual's
18 compliance with TANF program requirements, the Department of
19 Human Services shall implement the federal Family Violence
20 Option created under Section 402 of the Personal
21 Responsibility and Work Opportunity Reconciliation Act of
22 1996, (P.L. 104-193), and as set forth in 42 U.S.C. 602(a)(7),
23 including any implementing federal regulations at Part 260,
24 Subtitle B, Chapter II, Title 45 of the Code of Federal
25 Regulations.

26 (c) In accordance with subsection (b) and Section

1 402(a)(8) of the Social Security Act as amended by the federal
2 Consolidated Appropriations Act, 2022 (P.L. 117-103), the
3 Department shall:

4 (1) evaluate its policy of identifying individuals who
5 are victims of domestic or sexual violence;

6 (2) provide universal notification of the good cause
7 waiver at the time of an individual's initial TANF
8 application;

9 (3) refer individuals who are victims of domestic or
10 sexual violence to counseling, shelter, or other
11 appropriate services; and

15 victims of domestic or sexual violence.

16 (d) Individuals who are victims of domestic or sexual
17 violence may provide documentation or third-party
18 verification, if possible, as evidence of the domestic or
19 sexual violence. If an individual is unable to obtain
20 documentation or third-party verification, then
21 self-attestation shall suffice to establish eligibility for a
22 good cause waiver based upon domestic or sexual violence. The
23 following shall establish eligibility for a good cause waiver:

24 (1) Documentation, including law enforcement records,
25 court records, medical or treatment records, social
26 service records, and child protective service records.

6 provider;

7 (B) a clergy member or religious leader;

13 of the claimant, or any other individual.

14 (3) Self-attestation. If an individual is unable to
15 obtain any of the items of evidence or documentation
16 described in paragraphs (1) and (2), then the individual
17 may self-affirm that he or she cannot safely comply with a
18 TANF program requirement due to domestic or sexual
19 violence.

20 (e) The Department shall create a Family Safety Notice
21 form that:

22 (1) describes domestic and sexual violence;

23 (2) list the waivers available for TANF recipients who
24 are victims of domestic or sexual violence;

25 (3) describes the Department's procedure and appeal
26 process when making a determination as to an individual's

1 eligibility for a good cause waiver;

2 (4) lists the contact information of an available
3 statewide domestic and sexual violence organization; and

4 (5) provides a verification form that:

5 (A) defines a good cause waiver claim;

6 (B) lists acceptable documentation to support a
7 claim of domestic or sexual violence as described in
8 paragraph (1) of subsection (d);

9 (C) describes the entities and individuals
10 permitted to provide third-party verification of
11 domestic or sexual violence as provided in paragraph
12 (2) of subsection (d);

13 (D) explains that the if an individual is unable
14 to obtain any of the documentation or third-party
15 verification described in paragraphs (1) and (2) of
16 subsection (d), the individual may self-affirm that he
17 or she cannot safely comply with a TANF program
18 requirement due to domestic or sexual violence.

19 The Department shall not require an individual applying
20 for or receiving TANF benefits to obtain an order of
21 protection or to leave the alleged abuser in order to obtain a
22 good cause waiver.

23 A good cause waiver determination based on domestic or
24 sexual violence shall be made within 15 calendar days from the
25 date the claim was initiated by the individual.

26 (f) ~~(b)~~ The Illinois Department shall develop and monitor

1 compliance procedures for its employees, contractors, and
2 subcontractors to ensure that any information pertaining to
3 any client who claims to be a past or present victim of
4 domestic violence or an individual at risk of further domestic
5 violence, whether provided by the victim or by a third party,
6 will remain confidential.

7 (g) ~~(e)~~ The Illinois Department shall develop and
8 implement a domestic violence training curriculum for Illinois
9 Department employees who serve applicants for and recipients
10 of aid under this Article. The curriculum shall be designed to
11 better equip those employees to identify and serve domestic
12 violence victims. The Illinois Department may enter into a
13 contract for the development of the curriculum with one or
14 more organizations providing services to domestic violence
15 victims. The Illinois Department shall adopt rules necessary
16 to implement this subsection.

18 implement the amendatory changes made to this Section by this
19 amendatory Act of the 104th General Assembly.

24 for crisis assistance funding under this Section as part of
25 its annual report to the General Assembly. The report shall
26 exclude any personally identifiable information.

2 outlined in Section 8A-7.
