9 Section 10. The Hearing Instrument Consumer Protection Act
10 is amended by changing Sections 8 and 9.5 as follows:

11 (225 ILCS 50/8) (from Ch. 111, par. 7408)

12 (Section scheduled to be repealed on January 1, 2026)

13 Sec. 8. Applicant qualifications; examination.

14 (a) In order to protect persons who are deaf or hard of
15 hearing, the Department shall authorize or shall conduct an
16 appropriate examination, which may be the International
17 Hearing Society's licensure examination, for persons who
18 dispense, test, select, recommend, fit, or service hearing
19 aids. The frequency of holding these examinations shall be
20 determined by the Department by rule. Those who successfully
21 pass such an examination shall be issued a license as a hearing
22 instrument dispenser, which shall be effective for a 2-year
23 period.

24 (b) Applicants shall be:

- 1 (1) at least 18 years of age;
- 2 (2) of good moral character;
- 3 (3) the holder of an associate's degree or the
- 4 equivalent;
- 5 (4) free of contagious or infectious disease; and
- 6 (5) a citizen or person lawfully present in the United
- 7 States.

8 Felony convictions of the applicant and findings against
9 the applicant involving matters set forth in Sections 17 and
10 18 shall be considered in determining moral character, but
11 such a conviction or finding shall not make an applicant
12 ineligible to register for examination.

13 (c) Prior to engaging in the practice of prescribing,
14 fitting, dispensing, or servicing hearing aids, an applicant
15 shall demonstrate, by means of written and practical
16 examinations, that such person is qualified to practice the
17 testing, selecting, recommending, fitting, selling, or
18 servicing of hearing aids as defined in this Act. An applicant
19 must obtain a license within 12 months after passing either
20 the written or practical examination, whichever is passed
21 first, or must take and pass those examinations again in order
22 to be eligible to receive a license. An applicant may take the
23 written examination no more than 4 times in any consecutive
24 12-month period.

25 The Department shall, by rule, determine the conditions
26 under which an individual is examined.

1 (d) Proof of having met the minimum requirements of
2 continuing education as determined by the Board shall be
3 required of all license renewals. Pursuant to rule, the
4 continuing education requirements may, upon petition to the
5 Board, be waived in whole or in part if the hearing instrument
6 dispenser can demonstrate that he or she served in the Coast
7 Guard or Armed Forces, had an extreme hardship, or obtained
8 his or her license by examination or endorsement within the
9 preceding renewal period.

10 (e) Persons applying for an initial license must
11 demonstrate having earned, at a minimum, an associate degree
12 or its equivalent from an accredited institution of higher
13 education that is recognized by the U.S. Department of
14 Education or that meets the U.S. Department of Education
15 equivalency as determined through a National Association of
16 Credential Evaluation Services (NACES) member, and meet the
17 other requirements of this Section. In addition, the applicant
18 must demonstrate the successful completion of (1) 12 semester
19 hours or 18 quarter hours of academic undergraduate course
20 work in an accredited institution consisting of 3 semester
21 hours of anatomy and physiology of the hearing mechanism, 3
22 semester hours of hearing science, 3 semester hours of
23 introduction to audiology, and 3 semester hours of aural
24 rehabilitation, or the quarter hour equivalent or (2) an
25 equivalent program as determined by the Department that is
26 consistent with the scope of practice of a hearing instrument

1 dispenser as defined in Section 3 of this Act. Persons
2 licensed before January 1, 2003 who have a valid license on
3 that date may have their license renewed without meeting the
4 requirements of this subsection.

16 (b) A trainee shall perform the functions of a hearing

21 responsible for all of the work that is performed by the
