1 AMENDMENT TO HOUSE BILL 4702

2 AMENDMENT NO. _____. Amend House Bill 4702 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the
5 Diaper Labeling Act.

6 Section 5. Purpose. The purpose of this Act is to protect
7 adults, parents, and small children who may be allergic to
8 ingredients that may be present in diapers.

9 Section 10. Definitions. In this Act:

10 "Diaper" means a type of garment or product inserted into
11 a garment for the purpose of absorbing feces and urine to
12 prevent soiling of outer clothing or the external environment
13 without the use of a toilet. "Diaper" includes either
14 disposable or reusable products.

15 "Ingredient" means an intentionally added substance

1 present in a diaper.

2 Section 15. Diaper ingredient list. No later than 18
3 months after the effective date of this Act, each package or
4 box containing diapers sold in this State shall contain a
5 plain and conspicuous printed list of all ingredients in order
6 of predominance, except that ingredients present at one
7 percent or less may be listed in any order. The list shall
8 either be printed on the package or box or affixed to the
9 package or box. When an ingredient qualifies as confidential
10 or a trade secret under applicable law, the manufacturer may
11 list the common or functional name in place of the specific
12 chemical identity. A product manufactured prior to the
13 effective date of this Act that does not comply with the
14 requirements of this Act may be sold, distributed, or
15 otherwise made available for sale in this State until existing
16 inventory is depleted.

17 Section 20. Other labeling requirements. The requirements
18 of this Act shall apply in addition to any other labeling
19 requirements established under any other law.

20 Section 25. Enforcement; penalties. A person who sells or
21 distributes diapers in this State in violation of Section 15
22 of this Act is subject to a civil penalty of 1% of the person's
23 total annual in-State sales of diapers not to exceed \$1,000

1 per package or box. The State's Attorney of the county where
2 the violation occurred or the Attorney General may enforce
3 this Act by bringing a civil action to collect civil penalties
4 and by seeking an injunction to prevent any activity in
5 violation of this Act."
