1 AMENDMENT TO HOUSE BILL 5091

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 5091 by replacing  
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the  
5 Permanent Punishments Review Task Force Act.

6 Section 5. Purpose. The purpose of the Permanent  
7 Punishments Review Task Force is to research and analyze  
8 models for periodic evaluation, modification, and, as  
9 appropriate, elimination of statutory permanent punishments  
10 that impact people with criminal records and make  
11 recommendations to the General Assembly regarding adoption of  
12 such models. The work of the Task Force is predicated on the  
13 reality that collateral consequences of a criminal record  
14 often result in continued, and sometimes permanent punishment  
15 of Illinoisans after serving their sentences, that many  
16 statutory permanent punishments are not rooted in data or

1 evidence, and that these permanent punishments hurt, rather  
2 than help, the people and communities they were designed to  
3 protect.

4 Section 10. Definition. As used in this Act:

5 "Permanent punishment" means a penalty or disadvantage  
6 imposed because an individual has a criminal conviction or  
7 other criminal history that is not part of the criminal  
8 sentence. "Permanent punishment" does not include  
9 imprisonment, probation, parole, supervised release,  
10 forfeiture, restitution, fine, assessment, or costs of  
11 prosecution.

12 Section 15. Creation; duties. The Permanent Punishments  
13 Review Task Force is created. The duties of the Task Force  
14 include:

15 (1) researching and analyzing the statutory permanent  
16 punishments under Illinois law;

17 (2) identifying factors and data relevant to  
18 determining whether a permanent punishment should be  
19 modified or eliminated based on available scholarship;

20 (3) identifying or developing models, or both, for  
21 periodic, systematic review of Illinois' permanent  
22 punishments laws; and

23 (4) analyzing such models, including potential funding  
24 requirements, and proposing recommendations to the General

1 Assembly.
