

## 104TH GENERAL ASSEMBLY

### State of Illinois

2025 and 2026

HB5258

Introduced 2/10/2026, by Rep. Camille Y. Lilly

#### SYNOPSIS AS INTRODUCED:

30 ILCS 105/5.945  
305 ILCS 75/185-5  
305 ILCS 75/185-15  
305 ILCS 75/185-20 rep.  
305 ILCS 75/185-25 rep.

Amends the Medicaid Technical Assistance Act. Requires the Medicaid Technical Assistance Center to collaborate with public and private partners throughout the State to identify, establish, and maintain best practices necessary for health providers to ensure their capacity to participate in the Illinois Medical Assistance Program (rather than ensure their capacity to participate in HealthChoice Illinois or YouthCare). Requires the Medicaid Technical Assistance Center to promote equitable delivery systems, remaining committed to the principle that all Medicaid recipients have accessible and equitable physical and mental health care services. Removes provisions concerning the Medicaid Technical Assistance Center's administration of network adequacy reports, and instead requires the Medicaid Technical Assistance Center to administer a network requirement plan. Provides that by using reports and data provided by the Department of Healthcare and Family Service's External Quality Review Organization on network adequacy, provider service deserts, and health care disparities by race and ethnicity, the Medicaid Technical Assistance Center shall propose for Department review and approval an annual plan for recruiting providers to participate in the Illinois Medical Assistance Program and report on outcomes of its recruitment efforts to the Department for continuous improvement. Repeals a provision requiring the Department to maximize federal financial participation for any moneys appropriated to the Department for the Medicaid Technical Assistance Center and to deposit all federal financial participation funds into the Medicaid Technical Assistance Center Fund. Repeals a provision creating the Medicaid Technical Assistance Center Fund. Amends the State Finance Act. Provides for the dissolution of the Medicaid Technical Assistance Center Fund on July 1, 2026, or as soon thereafter as practical, after the transfer of all remaining funds into the Healthcare Provider Relief Fund. Effective July 1, 2026.

1 AN ACT concerning public aid.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The State Finance Act is amended by changing  
5 Section 5.945 as follows:

6 (30 ILCS 105/5.945)

7 Sec. 5.945. The Medicaid Technical Assistance Center Fund.  
8 Notwithstanding any other provision of law, in addition to any  
9 other transfers that may be provided by law, on July 1, 2026,  
10 or as soon thereafter as practical, the State Comptroller  
11 shall direct, and the State Treasurer shall transfer the  
12 remaining balance from the Medicaid Technical Assistance  
13 Center Fund into the Healthcare Provider Relief Fund. Upon  
14 completion of the transfers, the Medicaid Technical Assistance  
15 Center Fund is dissolved, and any future deposits due to that  
16 Fund and any outstanding obligations or liabilities of that  
17 Fund pass to the Healthcare Provider Relief Fund.

6 (305 ILCS 75/185-15)

7 Sec. 185-15. Collaboration. The Medicaid Technical  
8 Assistance Center shall collaborate with public and private  
9 partners throughout the State to identify, establish, and  
10 maintain best practices necessary for health providers to  
11 ensure their capacity to participate in the Illinois Medical  
12 Assistance Program. The Medicaid Technical Assistance Center  
13 shall promote equitable delivery systems, remaining committed  
14 to the principle that all Medicaid recipients have accessible  
15 and equitable physical and mental health care services  
16 ~~HealthChoice Illinois or YouthCare~~. The Medicaid Technical  
17 Assistance Center shall administer the following:

18 (1) Outreach and engagement: The Medicaid Technical  
19 Assistance Center shall undertake efforts to identify and  
20 engage community-based providers offering services to  
21 customers funded by the Department, including, but not  
22 limited to, behavioral health services and ~~or~~ services  
23 addressing the social determinants of health, especially  
24 those predominantly serving communities of color or those  
25 operating within or near service deserts, for the purpose

1 of offering training and technical assistance to them  
2 through the Medicaid Technical Assistance Center. Outreach  
3 and engagement services may be subcontracted.

4 (2) Trainings: The Medicaid Technical Assistance  
5 Center shall create and administer ongoing trainings for  
6 health care providers. Trainings may be subcontracted. The  
7 Medicaid Technical Assistance Center shall provide  
8 in-person and web-based trainings. In-person training  
9 shall be conducted throughout the State. All trainings  
10 must be free of charge. The Medicaid Technical Assistance  
11 Center shall administer post-training surveys and  
12 incorporate feedback. Training content and delivery must  
13 be reflective of Illinois providers' varying levels of  
14 readiness, resources, and client populations.

15 (3) Web-based resources: The Medicaid Technical  
16 Assistance Center shall maintain an independent, easy to  
17 navigate, and up-to-date website that includes, but is not  
18 limited to: recorded training archives, a training  
19 calendar, provider resources and tools, up-to-date  
20 explanations of Department and managed care organization  
21 guidance, a running database of frequently asked questions  
22 and contact information for key staff members of the  
23 Department, managed care organizations, and the Medicaid  
24 Technical Assistance Center.

25 (4) Learning collaboratives: The Medicaid Technical  
26 Assistance Center shall host regional learning

1 collaboratives that will supplement the Medicaid Technical  
2 Assistance Center training curriculum to bring together  
3 groups of stakeholders to share issues and best practices,  
4 and to escalate issues. Leadership of the Department and  
5 managed care organizations shall attend learning  
6 collaboratives on a quarterly basis.

7 (5) Network recruitment plan: Using reports and data  
8 provided by the Department's External Quality Review  
9 Organization on adequacy reports: The Medicaid Technical  
10 Assistance Center shall publicly release a report on  
11 Medicaid provider network adequacy, within the first 3  
12 years of implementation and annually thereafter. The  
13 reports shall identify provider service deserts, and  
14 health care disparities by race and ethnicity, the  
15 Medicaid Technical Assistance Center shall propose for  
16 Department review and approval an annual plan for  
17 recruiting providers to participate in the Illinois  
18 Medical Assistance Program and report on outcomes of its  
19 recruitment efforts to the Department for continuous  
20 improvement. Recruitment plans shall prioritize efforts to  
21 bolster access in provider service deserts and in  
22 communities experiencing health care disparities by race  
23 and ethnicity, with a special focus on behavioral health  
24 services and services that address social determinants of  
25 health.

26 (6) Equitable delivery system: The Medicaid Technical

1 Assistance Center is committed to the principle that all  
2 Medicaid recipients have accessible and equitable physical  
3 and mental health care services. All providers served  
4 through the Medicaid Technical Assistance Center shall  
5 deliver services notwithstanding the patient's race,  
6 color, gender, gender identity, age, ancestry, marital  
7 status, military status, religion, national origin,  
8 disability status, sexual orientation, order of protection  
9 status, as defined under Section 1-103 of the Illinois  
10 Human Rights Act, or immigration status.
