LRB104 03526 AAS 25362 a

1 AMENDMENT TO SENATE BILL 1325

2 AMENDMENT NO. _____. Amend Senate Bill 1325 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Dental Practice Act is amended by
5 changing Sections 6 and 8.1 as follows:

6 (225 ILCS 25/6) (from Ch. 111, par. 2306)

7 (Section scheduled to be repealed on January 1, 2026)

8 Sec. 6. Board of Dentistry; report Dentistry~~—report~~ by
9 majority required. There is created a Board of Dentistry, to
10 be composed of 13 persons designated from time to time by the
11 Secretary, as follows:

12 (1) 10 members who ~~Eleven persons, 8 of whom~~ have been
13 dentists for a period of 5 years or more, at least one of
14 whom holds a permit to administer moderate sedation, and
15 at least one of whom holds a permit to administer deep
16 sedation and general anesthesia;

1 (2) 2 members who ~~of whom~~ have been dental hygienists
2 for a period of 5 years or more¹⁷ and

3 (3) one public member.

4 None of the members shall be an officer, dean, assistant
5 dean, or associate dean of a dental college or dental
6 department of an institute of learning, nor shall any member
7 be the program director of any dental hygiene program. A board
8 member who holds a faculty position in a dental school or
9 dental hygiene program shall not participate in the
10 examination of applicants for licenses from that school or
11 program. The dental hygienists shall not participate in the
12 examination of applicants for licenses to practice dentistry.
13 The public member shall not participate in the examination of
14 applicants for licenses to practice dentistry or dental
15 hygiene. The board shall annually elect a chairman and
16 vice-chairman who shall be dentists.

17 Terms for all members shall be for 4 years. Partial terms
18 over 2 years in length shall be considered as full terms. A
19 member may be reappointed for a successive term, but no member
20 shall serve more than 2 full terms in his or her lifetime.

21 The membership of the Board shall include only residents
22 from various geographic areas of this State and shall include
23 at least some graduates from various institutions of dental
24 education in this State.

25 In making appointments to the Board the Secretary shall
26 give due consideration to recommendations by organizations of

1 the dental profession in Illinois, including the Illinois
2 State Dental Society and Illinois Dental Hygienists
3 Association, and shall promptly give due notice to such
4 organizations of any vacancy in the membership of the Board.
5 The Secretary may terminate the appointment of any member for
6 cause which in the opinion of the Secretary reasonably
7 justifies such termination.

8 A vacancy in the membership of the Board shall not impair
9 the right of a quorum to exercise all the rights and perform
10 all the duties of the Board. Any action to be taken by the
11 Board under this Act may be authorized by resolution at any
12 regular or special meeting, and each such resolution shall
13 take effect immediately. The Board shall meet at least
14 quarterly.

15 The members of the Board shall each receive as
16 compensation a reasonable sum as determined by the Secretary
17 for each day actually engaged in the duties of the office, and
18 all legitimate and necessary expense incurred in attending the
19 meetings of the Board.

20 Members of the Board shall be immune from suit in any
21 action based upon any disciplinary proceedings or other
22 activities performed in good faith as members of the Board.

24 (225 ILCS 25/8.1) (from Ch. 111, par. 2308.1)

25 (Section scheduled to be repealed on January 1, 2026)

1 Sec. 8.1. Permit for the administration of anesthesia and
2 sedation.

3 (a) No licensed dentist shall administer general
4 anesthesia, deep sedation, or moderate sedation without first
5 applying for and obtaining a permit for such purpose from the
6 Department. The Department shall issue such permit only after
7 ascertaining that the applicant possesses the minimum
8 qualifications necessary to protect public safety. A person
9 with a dental degree who administers anesthesia, deep
10 sedation, or moderate sedation in an approved hospital
11 training program under the supervision of either a licensed
12 dentist holding such permit or a physician licensed to
13 practice medicine in all its branches shall not be required to
14 obtain such permit.

15 (b) The minimum requirements for a permit to administer
16 moderate sedation issued after the effective date of this
17 amendatory Act of the 103rd General Assembly shall include the
18 completion of a minimum of 75 hours of didactic and supervised
19 clinical study in either:

20 (1) a dental specialty program that is accredited by
21 the ~~an~~ American Dental Association Commission on Dental
22 Accreditation and that includes training and documentation
23 in moderate sedation techniques ~~accredited dental~~
24 ~~specialty program~~, a general practice residency, or an
25 advanced education in general dentistry residency that
26 includes training and documentation in moderate sedation

1 techniques ~~appropriate for each specialty, or an American~~
2 ~~Dental Association Commission on Dental Accreditation~~
3 ~~accredited~~ a dental anesthesiology residency program
4 accredited by the American Dental Association Commission
5 on Dental Accreditation with ~~and~~ proof of completion of 20
6 individually managed patients utilizing appropriate routes
7 of administration, in which the applicant is the sole
8 provider, which can include, but are not limited to,
9 intravenous, oral, intranasal, or intramuscular or
10 combinations thereof; or

11 (2) a structured course of study provided by an
12 approved continuing education provider that includes
13 training and documentation in moderate sedation, physical
14 evaluation, venipuncture, advanced airway management,
15 technical administration, recognition and management of
16 complications and emergencies and monitoring with
17 additional supervised experience and documentation
18 demonstrating competence in providing moderate sedation
19 utilizing enteral and parenteral routes of administration
20 of medications to competency to 20 individual patient
21 experiences on a 1 to 1 ratio with an instructor, in which
22 the applicant is the sole provider of sedation over a
23 continuous time frame as set by the Department and as
24 provided in the American Dental Association's Guidelines
25 for Teaching Pain Control and Sedation to Dentists and
26 Dental Students.

1 (b-5) The minimum requirements for a permit to administer
2 deep sedation and general anesthesia issued after the
3 effective date of this amendatory Act of the 103rd General
4 Assembly shall include:

5 (1) the completion of a minimum of 2 years of advanced
6 training in anesthesiology beyond the pre-doctoral level
7 in a training program approved by the American Dental
8 Association's Council on Dental Education and Licensure,
9 as outlined in Guidelines for Teaching Pain Control and
10 Sedation to Dentists and Dental Students, as published by
11 the American Dental Association's Council on Dental
12 Education and Licensure;

13 (2) a specialty license in oral and maxillofacial
14 surgery;

15 (3) completion of an accredited oral or maxillofacial
16 surgery residency program; or

17 (4) the completion of an American Dental Association
18 Commission on Dental Accreditation accredited dental
19 anesthesiology residency program.

20 (b-10) The Department may establish, by rule, additional
21 training programs and training requirements consistent with
22 this Section to ensure patient safety in dental offices
23 administering anesthesia, which shall include, but not be
24 limited to the following:

25 (1) (blank);

26 (2) establish the standards for properly equipped

1 dental facilities (other than licensed hospitals and
2 ambulatory surgical treatment centers) in which general
3 anesthesia, deep sedation, or moderate sedation is
4 administered, as necessary to protect public safety;

5 (3) establish minimum requirements for all persons who
6 assist the dentist in the administration of general
7 anesthesia, deep sedation, or moderate sedation, including
8 minimum training requirements for each member of the
9 dental team, monitoring requirements, recordkeeping
10 requirements, and emergency procedures;

11 (4) ensure that the dentist has completed and
12 maintains current certification in advanced cardiac life
13 support or pediatric advanced life support and all persons
14 assisting the dentist or monitoring the administration of
15 general anesthesia, deep sedation, or moderate sedation
16 maintain current certification in Basic Life Support
17 (BLS); and

18 (5) establish continuing education requirements in
19 sedation techniques and airway management for dentists who
20 possess a permit under this Section.

21 The Department shall adopt rules that ensure that a
22 continuing education course designed to meet the permit
23 requirements for moderate sedation training is reviewed and
24 certified by the Department if the course is not accredited by
25 the American Dental Association Commission on Dental
26 Accreditation.

1 When establishing requirements under this Section, the
2 Department shall consider the current American Dental
3 Association guidelines on sedation and general anesthesia, the
4 current "Guidelines for Monitoring and Management of Pediatric
5 Patients During and After Sedation for Diagnostic and
6 Therapeutic Procedures" established by the American Academy of
7 Pediatrics and the American Academy of Pediatric Dentistry,
8 and the current parameters of care and Office Anesthesia
9 Evaluation (OAE) Manual established by the American
10 Association of Oral and Maxillofacial Surgeons.

11 (c) A licensed dentist must hold an appropriate permit
12 issued under this Section in order to perform dentistry while
13 a nurse anesthetist administers moderate sedation, and a valid
14 written collaborative agreement must exist between the dentist
15 and the nurse anesthetist, in accordance with the Nurse
16 Practice Act.

17 A licensed dentist must hold an appropriate permit issued
18 under this Section in order to perform dentistry while a nurse
19 anesthetist administers deep sedation or general anesthesia,
20 and a valid written collaborative agreement must exist between
21 the dentist and the nurse anesthetist, in accordance with the
22 Nurse Practice Act.

23 For the purposes of this subsection (c), "nurse
24 anesthetist" means a licensed certified registered nurse
25 anesthetist who holds a license as an advanced practice
26 registered nurse.
