

SB2702

104TH GENERAL ASSEMBLY

State of Illinois

2025 and 2026

SB2702

Introduced 10/14/2025, by Sen. Jil Tracy

SYNOPSIS AS INTRODUCED:

410 ILCS 635/8

from Ch. 56 1/2, par. 2208

Amends the Grade A Pasteurized Milk and Milk Products Act. Provides for an exception from the pasteurization requirement for milk produced in accordance with Department of Public Health rules if the milk is sold or distributed directly to the final consumer (1) on the premises of the dairy farm where it was produced or (2) at an off-farm location or through delivery, provided that the producer holds a raw milk permit issued by the Department and complies with all sanitary, labeling, recordkeeping, and transportation requirements established by the Department to ensure consumer safety.

A BILL FOR

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Grade A Pasteurized Milk and Milk Products
5 Act is amended by changing Section 8 as follows:

6 (410 ILCS 635/8) (from Ch. 56 1/2, par. 2208)

7 Sec. 8. After the effective date of this Act, no person
8 shall sell or distribute, offer to sell or distribute any milk
9 or milk product for human use or consumption unless such milk
10 or milk product has been pasteurized and has been produced and
11 processed in accordance with rules and regulations promulgated
12 by the Department.

13 The term "sell or distribute for use or consumption" means
14 to sell or distribute to a person for human use or consumption
15 and not for processing or resale in any form.

16 The pasteurization requirement of this Section shall not
17 be applicable to milk produced in accordance with Department
18 rules and regulations if: ~~sold or distributed on the premises~~
19 ~~of the dairy farm~~

20 (1) the milk is sold or distributed directly to the
21 final consumer on the premises of the dairy farm where it
22 was produced; or

23 (2) the milk is sold or distributed directly to the

1 final consumer at an off-farm location or through
2 delivery, provided that the producer holds a raw milk
3 permit issued by the Department and complies with all
4 sanitary, labeling, recordkeeping, and transportation
5 requirements established by the Department to ensure
6 consumer safety.
