1 AMENDMENT TO SENATE BILL 2858

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 2858, AS AMENDED,  
3 by replacing everything after the enacting clause with the  
4 following:

5 "Section 5. The Illinois Vehicle Code is amended by  
6 changing Section 3-421 as follows:

7 (625 ILCS 5/3-421) (from Ch. 95 1/2, par. 3-421)

8 Sec. 3-421. Right of reassignment.

9 (a) Every natural person shall have the right of  
10 reassignment of the license number issued to him during the  
11 current registration plate or digital registration plate term,  
12 for the ensuing registration plate or digital registration  
13 plate term, provided his or her application for reassignment  
14 is received in the Office of the Secretary of State on or  
15 before September 30 of the final year of the registration  
16 plate or digital registration plate term as to a vehicle

1 registered on a calendar year, and on or before March 31 as to  
2 a vehicle registered on a fiscal year. The right of  
3 reassignment shall apply to every natural person under the  
4 staggered registration system provided the application for  
5 reassignment is received in the Office of the Secretary of  
6 State by the 1st day of the month immediately preceding the  
7 applicant's month of expiration.

8 In addition, every natural person shall have the right of  
9 reassignment of the license number issued to him for a  
10 two-year registration, for the ensuing two-year period. Where  
11 the two-year period is for two calendar years, the application  
12 for reassignment must be received by the Secretary of State on  
13 or before September 30th of the year preceding commencement of  
14 the two-year period. Where the two-year period is for two  
15 fiscal years commencing on July 1, the application for  
16 reassignment must be received by the Secretary of State on or  
17 before April 30th immediately preceding commencement of the  
18 two-year period.

19 The right of reassignment authorized under this Section  
20 shall include the transfer of registration plates from one  
21 vehicle owner to another vehicle owner, as long as the  
22 transferor and transferee of such plates complete all forms  
23 and submit all applicable fees as required by the Secretary of  
24 State and this Code for the transfer of registration to a  
25 vehicle that is titled in the name of the transferee. However,  
26 the transfer authorized under this paragraph shall not apply

1 to registration plates which, by their nature, the transferee  
2 would not be eligible to receive. No vehicle owner may  
3 transfer registration plates under this paragraph by selling  
4 the license number issued to the vehicle owner.

5 (b) Notwithstanding the above provision, the Secretary of  
6 State shall, subject to the existing right of reassignment,  
7 have the authority to designate new specific combinations of  
8 numerical, alpha-numerical, and numerical-alpha licenses for  
9 vehicles registered on a calendar year or on a fiscal year,  
10 whether the license be issued for one or more years. The new  
11 combinations so specified shall not be subject to the right of  
12 reassignment, and no right of reassignment thereto may at any  
13 future time be acquired.

14 (c) If a person has a registration plate in his or her name  
15 and seeks to reassign the registration plate to his or her  
16 spouse, the Secretary shall waive any transfer fee or vanity  
17 or personalized registration plate fee upon both spouses  
18 signing a form authorizing the reassignment of registration.

19 (c-1) If a person who has a registration plate in his or  
20 her name seeks to reassign the registration plate to his or her  
21 child, the Secretary shall waive any transfer fee or vanity or  
22 personalized registration plate fee.
