1 AMENDMENT TO SENATE BILL 3268

2 AMENDMENT NO. _____. Amend Senate Bill 3268 on page 2,
3 line 19, by inserting after "documents." the following:

4 "If a residential automatic solar permitting platform is (1)
5 incapable of assessing permitting parameters that a
6 municipality or county requires as of the effective date of
7 this Act for in-person inspections; or (2) is so cost
8 prohibitive that it would impose a significant financial
9 hardship on the county or municipality, then the county or
10 municipality is excused from adopting the residential
11 automatic solar permitting platform."
