4 Section 5. The Illinois Vehicle Code is amended by adding
5 Chapter 7a as follows:

6 (625 ILCS 5/Ch. 7a heading new)

7 CHAPTER 7a. CONFIDENCE IN FIREARM PROTECTION LAW

8 (625 ILCS 5/7a-101 new)

9 Sec. 7a-101. Findings and purpose. The General Assembly
10 finds that the timely surrender of a firearm, firearm parts, a
11 Firearm Owner's Identification Card, and a concealed carry
12 license when the person is subject to an order of protection is
13 necessary to maintain public safety but, more importantly, the
14 safety of an individual, adult or minor, protected by the
15 order of protection. Further, the General Assembly finds that
16 the State has a compelling interest in ensuring that an
17 individual prohibited from possessing firearms because the
18 individual is subject to an order of protection demonstrates
19 responsibility, including firearm responsibility, in order to
20 safely own and operate a motor vehicle. These sanctions compel
21 compliance with the Firearm Owners Identification Card Act and
22 provide additional avenues to enforce compliance.

1 To this end, the Secretary of State is authorized to
2 establish systems to suspend driver's licenses for failure to
3 comply with the requirements of the Firearm Owners
4 Identification Card Act concerning orders of protection. The
5 Secretary of State is also authorized to establish a system to
6 suspend an individual's ability to register or renew a
7 registration for a motor vehicle of the first division or a
8 motor vehicle of the second division registered at not more
9 than 8,000 pounds for failure to comply with the requirements
10 of the Firearm Owners Identification Card Act concerning
11 orders of protection.

12 (625 ILCS 5/7a-102 new)

13 Sec. 7a-102. Suspension of driving and registration
14 privileges for noncompliance of the Firearm Owners
15 Identification Card Act related to orders of protection.

16 (a) The Secretary of State shall suspend the driver's
17 license issued to an individual upon receiving an
18 authenticated report provided for in subsection (a) of Section
19 7a-103 that the individual has failed to comply with Section
20 9.5 of the Firearm Owners Identification Card Act after
21 suspension or revocation of the individual's Firearm Owner's
22 Identification Card under Section 8.2 of the Firearm Owners
23 Identification Card Act. Upon receipt of the report, the
24 Secretary of State shall enter the suspension and
25 disqualification to the individual's driving record and the

1 suspension and disqualification shall be effective on the 61st
2 day following the date of notice under Section 7a-105.

3 (b) The Secretary of State shall suspend the individual's
4 ability to register or renew registration for a motor vehicle
5 of the first division or a motor vehicle of the second division
6 registered at not more than 8,000 pounds upon receiving an
7 authenticated report provided for in subsection (b) of Section
8 7a-103 that the individual has failed to comply with Section
9 9.5 of the Firearm Owners Identification Card Act after
10 suspension or revocation of the individual's Firearm Owner's
11 Identification Card under Section 8.2 of the Firearm Owners
12 Identification Card Act. Upon receipt of the report, the
13 Secretary of State shall enter the suspension and
14 disqualification to the individual's driving record and the
15 suspension and disqualification shall be effective on the 61st
16 day following the date of notice under Section 7a-105.

17 (625 ILCS 5/7a-103 new)

18 Sec. 7a-103. Illinois State Police to report noncompliance
19 of the Firearm Owners Identification Card Act concerning
20 orders of protection.

21 (a) The Illinois State Police shall forward to the
22 Secretary of State, on a form prescribed by the Secretary of
23 State, an authenticated document certifying the requirements
24 have been met to suspend the issued driver's license of the
25 individual no more than 7 days after the suspension or

1 revocation of the individual's Firearm Owner's Identification
2 Card under Section 8.2 of the Firearm Owners Identification
3 Card Act.

4 (b) The Illinois State Police shall forward to the
5 Secretary of State, on a form prescribed by the Secretary of
6 State, an authenticated document certifying the requirements
7 have been met to suspend the individual's ability to register
8 or renew registration for a motor vehicle of the first
9 division or a motor vehicle of the second division registered
10 at not more than 8,000 pounds no more than 7 days after the
11 suspension or revocation of the individual's Firearm Owner's
12 Identification Card under Section 8.2 of the Firearm Owners
13 Identification Card Act.

5 (b) The suspension of an individual's ability to register
6 or renew registration on a motor vehicle of the first division
7 or a motor vehicle of the second division registered at not

9 effect unless and until the Secretary of State receives
10 authenticated documentation that the individual is in
11 compliance with the requirements of Section 9.5 of the Firearm
12 Owners Identification Card Act. The Illinois State Police
13 shall immediately report the individual's compliance with the
14 requirements of Section 9.5 of the Firearm Owners
15 Identification Card Act to the Secretary of State, on a form
