

SB3627

104TH GENERAL ASSEMBLY

State of Illinois

2025 and 2026

SB3627

Introduced 2/5/2026, by Sen. Sara Feigenholtz

SYNOPSIS AS INTRODUCED:

20 ILCS 2705/631 new

Amends the Department of Transportation Law of the Civil Administrative Code of Illinois. Requires the Department of Transportation to accept a request for proposal for a quick-build infrastructure as an alternative for an infrastructure project. Provides that an accepted quick-build infrastructure may include a cycle lane segregator or other temporary infrastructure solution. Sets forth cycle lane segregator specifications.

LRB104 19781 LNS 33231 b

A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Department of Transportation Law of the
5 Civil Administrative Code of Illinois is amended by adding
6 Section 631 as follows:

7 (20 ILCS 2705/631 new)

8 Sec. 631. Quick-build infrastructure. The Department shall
9 accept a request for proposal for a quick-build infrastructure
10 as an alternative for an infrastructure project.

11 A quick-build infrastructure accepted under this Section
12 may include a cycle lane segregator or other temporary
13 infrastructure solution. A cycle lane segregator shall have
14 the following specifications: a height of 5 centimeters, 9
15 centimeters, or 13 centimeters; flexible cushions that absorb
16 on impact; reflective strips that provide high visibility
17 during both day and night; and highly durable.

18 As used in this Section, "cycle lane segregator" means a
19 device intended to prevent a vehicle from entering a cycle
20 lane that is bolted into the ground and spaced out so that
21 cyclists can enter or exit the cycle lane as needed.
