105 ILCS 5/34-18.88 new

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Carol Ammons**HB 01237 (Continued)**

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

New Act

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Carol Ammons**HB 01607 (Continued)**

Creates the Commission on Eliminating Food Deserts Act. Establishes the Commission on Eliminating Food Deserts in the Office of the Lieutenant Governor for the purpose of reviewing the effectiveness of current State-led efforts to eliminate food deserts in Illinois and advising the General Assembly on policy, funding, initiatives, and best practices for the elimination of food deserts in Illinois. Describes the membership of the Commission. Provides that the Commission shall convene at the call of the chairperson and meet as frequently as necessary to carry out its duties. Provides that the Office of the Lieutenant Governor shall provide administrative and other support to the Commission. Provides that commissioners shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose. Provides that the Commission shall submit a report to the Governor and the General Assembly on or before January 1, 2027, with annual addenda thereafter. Provides that the Act is repealed and the Commission is dissolved if 90% of food deserts in this State have been eliminated, with certain requirements. Defines terms.

House Committee Amendment No. 1

In provisions concerning the Commission on Eliminating Food Deserts, adds a commissioner who is a representative of labor organizations, appointed by the Governor, to members of the Commission.

House Floor Amendment No. 2

Provides that the Director of Commerce and Economic Opportunity or the Director's designee serves on the Commission as an ex officio, nonvoting, advisory member.

House Floor Amendment No. 3

Provides that the Commission on Eliminating Food Deserts is established in the Department of Public Health (rather than the Office of the Lieutenant Governor), and that the Department of Public Health (rather than the Office of the Lieutenant Governor) shall provide support to the Commission. Replaces the Lieutenant Governor or the Lieutenant Governor's designee as chairperson on the Commission with the Director of Public Health or the Director's designee as chairperson. Adds the Director of Aging or the Director's designee to the Commission.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Retitles the Act as the Task Force on Eliminating Food Deserts Act (rather than the Commission on Eliminating Food Deserts Act), and makes corresponding changes throughout the Act. Changes the date of the submission of the report by the Task Force to January 1, 2028 (rather than January 1, 2027). Deletes provisions regarding the submission of an addendum noting the percentage of food deserts in the State that have been eliminated since the submission of the report, and deletes provisions that trigger repeal if 90% of food deserts have been eliminated. Provides that the Act is repealed and the Task Force is dissolved upon the submission of the report by the Task Force, with certain filing requirements.

Rep. Carol Ammons

Acknowledges and condemns the historical injustice associated with the original creation of the Benin Bronzes, the subsequent British acquisition and distribution of the relics, and the current possession of the Benin Bronzes by museums and collectors who are unwilling to share the relics with the heirs of the enslaved people who paid for them with their lives and the heirs of the Benin Kingdom slave traders. Urges the following steps be taken in regard to the Benin Bronzes: (1) an official request for the return and sharing of the Benin Bronzes, (2) the establishment of the Repatriation Committee, (3) the formation of an inventory and comprehensive documentation, (4) the development of a decision-making process, (5) the development of a sharing framework, (6) the collection of resale royalties, (7) the allocation of adequate resources from museum exhibit, loan, and resale royalty fees, (8) the initiation of programs and initiatives to bring heirs of the enslaved and the Benin Kingdom together for healing and reconciliation, and (9) the cooperation of heirs. Urges all nations, stakeholder museums, and collectors to support and adhere to this resolution, recognizing the importance of equitable sharing, redress, and healing in the context of the Benin Bronzes.

Makes corresponding changes in the Freedom of Information Act and the Illinois Vehicle Code. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Effective January 1, 2027, except provisions regarding procurement and rulemaking are effective immediately.

House Committee Amendment No. 1

Adds reference to:

625 ILCS 5/11-605.1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Changes the term "automatic traffic control system" to "work zone speed safety camera system". Changes the name of the Program from the Highway Work Zone Speed Control Program to the Highway Work Zone Safety Speed Control Program. Removes language providing that information collected under the Program must be destroyed not later than 2 years after the date the information is collected. Further amends the Illinois Vehicle Code. Provides that highway construction or maintenance speed zone special speed limit signs must state that higher fines apply (rather than state the amount of the minimum fine) for a violation. Changes the effective date of the date to immediate, except that the repeal of the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act is effective January 1, 2027.

Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning non-emergency transportation services for medical assistance recipients, removes a requirement that facilities complete a Physician Certification Statement prior to ordering non-emergency transportation services for a patient. Instead, requires the Department of Healthcare and Family Services to develop, subject to federal approval, a Uniform Non-Emergency Transportation Certification Form (form) for non-emergency transportation. Provides that the form shall be the only form used by and required of all facilities, physicians, transportation providers, and transportation brokers whenever a patient or person covered by the medical assistance program is being transported from a facility or personal residence and requires non-emergency transportation. Makes corresponding changes to the Nursing Home Care Act and the Hospital Licensing Act. Further amends the Medical Assistance Article with a provision authorizing transportation brokers to use a network of independent driver providers for the delivery of covered transportation services. Provides that transportation brokers and participating independent driver providers shall be subject to the same driver credentialing and licensing standards and provider registration requirements as transportation network companies (TNC) and TNC drivers enrolled in the Impact Medicaid Program Advanced Cloud Technology system. With respect to the Department's Business Enterprise Program requirements for Medicaid managed care organizations (MCO), requires each MCO to submit only one Letter of Intent that consolidates and sets forth all pending transportation services from all BEP-certified transportation providers contracted with the MCO. Requires the Department to permit a MCO's transportation broker to attest to the accuracy of all claims for services provided by a contracted transportation provider.

Amends the Uniform Electronic Transactions Act. In provisions regarding the acceptance and distribution of electronic records and electronic signatures by governmental agencies, provides that, to the extent that a governmental agency uses electronic records and electronic signatures, the governmental agency (rather than the Department of Innovation and Technology and the Secretary of State) may specify (rather than shall adopt rules specifying) the required format and attributes of the electronic records and electronic signatures and the specific processes and procedures governing their use. 20 ILCS 2605/2605-53

Amends the Illinois State Police Law. Provides that, beginning January 1, 2026, all 9-1-1 telecommunicators who provide dispatch for emergency medical conditions shall be required to be trained, utilizing the most current nationally recognized emergency cardiovascular care guidelines, in high-quality telecommunicator cardiopulmonary resuscitation (T-CPR). Defines telecommunicator cardiopulmonary resuscitation for the purposes of the provisions.

House Committee Amendment No. 1

Adds reference to:
 210 ILCS 50/3.70

In the Illinois State Police Law, removes provisions requiring the Office of the Statewide 9-1-1 Administrator, in consultation with the Statewide 9-1-1 Advisory Board, to develop comprehensive guidelines for training and adopt rules and minimum standards for continuing education on emergency medical dispatch. Amends the Emergency Medical Services (EMS) Systems Act. Requires an emergency medical dispatcher to complete a training course in telecommunicator cardiopulmonary resuscitation (T-CPR) in accordance with rules adopted by the Illinois Department of Public Health. Requires each emergency medical dispatcher to provide prearrival instructions and telecommunicator cardiopulmonary resuscitation (T-CPR) in compliance with protocols selected and approved by the system's EMS medical director and approved by the Department (rather than provide prearrival instructions in compliance with protocols selected and approved by the system's EMS medical director and approved by the Department).

HB 01697 (Continued)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Provides that on or before September 1, 2026 and each September 1 thereafter, payments submitted in provisions concerning pharmacy benefit manager licensure requirements shall be based on the number of covered individuals reported to the Department in specified provisions of the Illinois Insurance Code. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

Removes language providing that moneys deposited into the Prescription Drug Affordability Fund shall be used to pay the expenses of the Department of Insurance.

New Act

Creates the Patient Access to Pharmacy Protection Act. Defines terms. Provides that no person, including a pharmaceutical manufacturer, may deny, restrict, prohibit, condition, or otherwise interfere with, either directly or indirectly, the acquisition of a 340B drug by, or delivery of a 340B drug to, a 340B covered entity or a 340B contract pharmacy authorized to receive 340B drugs on behalf of the 340B covered entity unless such receipt is prohibited by federal law. Provides that no person, including a pharmaceutical manufacturer, may impose any restriction on the ability of a 340B covered entity to contract with or designate a 340B contract pharmacy including restrictions relating to the number, location, ownership, or type of 340B contract pharmacy. Provides that no person, including a pharmaceutical manufacturer, may require or compel a 340B covered entity or 340B contract pharmacy to submit or otherwise provide ingredient cost or pricing data pertinent to 340B drugs unless required by State or federal law; institute requirements in any way relating to how a 340B covered entity manages its inventory of 340B drugs that are not required by a State or federal agency, including requirements relating to the frequency or scope of audits of inventory management systems of a 340B covered entity or a 340B contract pharmacy; or submit data or information that is not required by State or federal law as a condition for a 340B covered entity, its 340B contract pharmacy, or a location otherwise authorized by a 340B covered entity to receive 340B drugs. Sets forth provisions concerning enforcement of this Act; preemption of this Act; and severability of this Act. Effective immediately.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Amends the Illinois Insurance Code. Requires a group or individual policy of accident and health insurance or a managed care plan to provide coverage for at least one early egg allergen introduction dietary supplement and one early peanut allergen introduction dietary supplement. Provides that the required coverage shall be provided at no cost to a covered individual, including deductible payments and cost-sharing amounts charged once a deductible is met. Except as otherwise provided, nothing in the provisions prevents the operation of such a policy provision as a deductible, coinsurance, allowable charge limitation, coordination of benefits, or a provision restricting coverage to services by a licensed, certified, or carrier-approved provider or facility. Provides that the required coverage does not apply to accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care, disability income, or other limited benefit health insurance policies, and that the cost-sharing limitation does not apply to a catastrophic health plan to the extent the cost-sharing limitation would cause the plan to fail to be treated as a catastrophic plan under federal law. Provides that the cost-sharing limitation does not apply to a high deductible health plan to the extent this cost-sharing limitation would cause the plan to fail to be treated as a high deductible health plan under specified provisions of the Internal Revenue Code. Provides that, if the cost-sharing limitation would result in an enrollee becoming ineligible for a health savings account under federal law, the cost-sharing limitation only applies to a qualified high deductible health plan after the enrollee's deductible has been met. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage under those provisions.

In the provisions concerning medication abortion availability on campus, removes the requirement that a public institution of higher education that dispenses medication abortion from the university pharmacy enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Makes a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that each public institution of higher education with student health services shall provide enrolled students with access to one or more health care professionals whose scopes of practice collectively include prescribing and dispensing contraception to patients in the State or include prescribing medication abortion to patients in the State (rather than to health care professionals authorized under State law to prescribe contraception or medication abortion). Makes changes concerning the provision of services. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall make available, on the public institution of higher education's student health services' website, information on how students can access medication contraception on campus. Provides that the public institution of higher education shall make medication abortion available at a physical location on campus and enrolled students shall be able to access medication abortion at either a pharmacy on campus, the student health center via a health care professional licensed to dispense medication abortion, or another physical location on campus where students access other similar medications. Makes grammatical changes. Effective immediately.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

House Floor Amendment No. 2

Provides that the Act does not apply to a receivership if the receiver is appointed under the Nursing Home Care Act.

Amends the Telephone Solicitations Act. Provides that no person shall solicit the sale of goods or services in the State through automatic dialing, the use of an auto dialer, or the use of a computer program designed to mimic a human operator, unless the person being contacted has expressly consented to be contacted in this manner. Provides that, if a person has previously consented to be contacted in the manner otherwise prohibited, the consent shall only be valid for a period of one year and the person shall be allowed to withdraw that consent at any time in the same manner that the consent was given. Provides that a person to whom consent has been given shall not sell, give, transfer, or assign that consent to another person. Provides for exemptions to the provision. Provides that the provisions shall not apply to calls or alerts: (1) made by a not-for-profit organization that is exempt from taxation under Section 501 of the Internal Revenue Code; (2) made by a health care provider, office, and facility licensed in the State; or (3) made by a public utility or telecommunications carrier in the State. Defines "automatic dialing and announcing" and "existing business relationship". Makes other changes.

from Ch. 23, par. 5-5.12

Effective on January 1, 2027.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

625 ILCS 5/3-400

from Ch. 95 1/2, par. 3-400

625 ILCS 5/11-612

625 ILCS 7/Act rep.

Creates the Highway Work Zone Safety Act. Requires the Department of Transportation, in coordination with the Illinois State Police, to establish the Highway Work Zone Speed Control Program for the purposes of enforcing the speed limits established for construction or maintenance speed zones. Requires the Illinois State Police, in conjunction with the Department of Transportation and the Illinois State Toll Highway Authority, to set up and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits. Allows the Department of Transportation or the Illinois State Police to employ automated traffic control system operators to operate automated traffic control systems in construction or maintenance speed zones. Provides, with exceptions, that information and photographs or recorded images collected under the Program are not discoverable by court order as evidence in a proceeding. Requires information and photographs or recorded images collected under the Program to be destroyed not later than 2 years after the date the information and photographs or recorded images are collected. Provides that information and photographs or recorded images collected under the Program are the exclusive property of the State and not the property of the manufacturer or vendor of the automated traffic control system. Prohibits the use of a photograph or recorded image obtained through the use of an automated traffic control system for the purpose of enforcing a traffic offense. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit commits a civil law violation that is punishable by a minimum fine of \$100 and a maximum fine of \$200. Grants rulemaking authority to the Department of Transportation to implement and administer the Act. Makes other changes. Makes corresponding changes in the Freedom of Information Act and the Illinois Vehicle Code. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Effective January 1, 2027, except provisions regarding procurement and rulemaking are effective immediately.

House Committee Amendment No. 1

Adds reference to:

625 ILCS 5/11-605.1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Changes the term "automatic traffic control system" to "work zone speed safety camera system". Changes the name of the Program from the Highway Work Zone Speed Control Program to the Highway Work Zone Safety Speed Control Program. Removes language providing that information collected under the Program must be destroyed not later than 2 years after the date the information is collected. Further amends the Illinois Vehicle Code. Provides that highway construction or maintenance speed zone special speed limit signs must state that higher fines apply (rather than state the amount of the minimum fine) for a violation. Changes the effective date of the date to immediate, except that the repeal of the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act is effective January 1, 2027.

House Floor Amendment No. 3

Amends the Children with Disabilities Article of the School Code. With respect to impartial due process hearings, provides that no mediation agreement, resolution agreement, or settlement agreement may include, as a condition of settlement, that a parent, a student (if at least 18 years of age or emancipated), or the designated representative of a student who is at least 18 years of age prospectively waive a free, appropriate public education or prospectively waive the right to assert claims for the nonimplementation of a free, appropriate public education. Provides that, by no later than the beginning of a student's third year of high school or by the student's 16th birthday, whichever occurs first, the transition planning process must include a consideration of whether the student is a candidate for graduation. Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

110 ILCS 58/40

Amends the Mental Health Early Action on Campus Act. Provides that the expert panel designated by the board of trustees to develop and implement policies and procedures shall be comprised of at least 2 administrators, 2 members of faculty, and one mental health professional. Requires each public college or university to provide at least 3 on-site licensed clinical professional counselors or licensed clinical social workers.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning local partnerships, provides that each public college or university shall provide at least 3 licensed mental health professionals (instead of 3 on-site licensed clinical professional counselors or licensed clinical social workers) or less than 3 if the benchmark ratio falls under 3. Provides that the mental health professionals must be employed by the public college or university. Provides that service hours for the mental health professionals should be informed by campus utilization data and may include in-person and telehealth modalities to ensure access to the mental health professionals. Removes language requiring the professionals to be available on weekdays from 10 a.m. to 6 p.m. excluding holidays.

Senate Committee Amendment No. 1

Provides that each public college or university shall provide at least 3 licensed mental health professionals or, if the benchmark ratio falls under 3, at least the number of licensed mental health professionals required by the benchmark ratio (rather than providing an exception requiring each public college or university to provide at least 3 licensed mental health professionals or less than 3 if the benchmark ratio falls under 3). Removes language requiring the mental health professionals to be employed by the public college or university. Provides instead that the mental health professional may be provided either in (i) a part-time, on-campus capacity or (ii) a full-time, on- or off-campus capacity.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that, no later than 45 days after a youth in care is removed from the youth's home and placed in the temporary custody or guardianship of the Department of Children and Family Services, and every year thereafter, a youth in care shall receive mental health prevention and wellness screenings unless the youth in care is (1) less than 6 months of age; (2) 12 years of age or older and does not consent to receiving mental health services; or (3) already being treated by a mental health clinician. Provides that, if the required screening results in a recommendation of mental health care for the youth, the youth's caseworker shall coordinate the delivery of mental health care and related services recommended for the youth. Specifies that, if the youth in care is covered under the State's Medicaid managed care program, the managed care plan shall ensure that the youth has access to a mental health provider who will begin serving the youth within 30 days after receipt of the referral from the screening and who satisfies certain availability and proximity requirements. Requires the Department of Children and Family Services and the Department of Healthcare and Family Services to ensure that any managed care plan that is in effect, amended, delivered, issued, or renewed on or after January 1, 2026 will require managed care organizations to meet these obligations if the managed care plan serves youth in care under the State's Medicaid managed care program. Specifies that any mental health care and related services provided to the youth shall be in addition to any other care or services the youth receives from the youth's primary care provider. Grants the Department of Children and Family Services rulemaking powers to implement these provisions, including the power to adopt rules to promote a holistic and proactive approach to the provision of mental health care for youth in care. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. Replaces various references to "sexual assault" with "acute sexual assault". Deletes the definition of "prepubescent sexual assault survivor". Changes provisions regarding hospitals located in counties with a population of less than 1,000,000 and within a 20-mile radius of a 4-year public university with respect to a sexual assault treatment plan approved by the Department of Public Health. Makes changes in various provisions concerning plans of correction and penalties for hospitals that commit specified violations of the Act. In provisions regarding requirements for medical forensic services, provides that the provisions of the Act are not intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital or approved pediatric health care facility with a nonacute complaint of sexual assault if there is a compelling reason for evidence collection, or upon the request of the survivor. Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to "sexual assault survivors" to references to "acute sexual assault survivors". In provisions regarding minimum requirements for medical forensic services provided to sexual assault survivors by hospitals and approved pediatric health care facilities, provides that nothing in those provisions is intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital, treatment hospital with approved pediatric transfer, or approved pediatric health care facility with a nonacute complaint of sexual assault according to the qualified medical provider's clinical discretion based on best practices for indications for evidence collection. Makes changes to provisions regarding continuing education and competency to remain on the Qualified Medical Provider List. Allows for virtual or telephonic consultation in providing certain information. Adds references to approved pediatric health care facilities. Provides that medical forensic services shall be provided with the consent of the sexual assault survivor, with certain requirements. Makes changes to provisions regarding a sexual assault services voucher. In provisions regarding written consent to the release of sexual assault evidence for testing, provides for an agent acting under a health care power of attorney, and provides that, if a parent, guardian, or health care power of attorney is unwilling to release sexual assault evidence, then a State's Attorney or the Attorney General may petition the court to authorize its release. Merges provisions regarding complaints with provisions regarding penalties and further provides for procedures, warnings, and civil penalties (rather than a petty offense, with certain requirements). Provides that fines shall be deposited into the Sexual Assault Survivor Treatment Regulation Fund. Makes changes to provisions regarding the Sexual Assault Nurse Examiner Program. Provides for a qualified medical provider list. Describes Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications. Defines terms. Makes other changes. Provides that provisions regarding the qualified medical provider list and Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications are effective January 1, 2026. Makes conforming changes in the State Finance Act.

Requires a holder who holds property presumed abandoned to hold the property in trust for the benefit of the State Treasurer on behalf of the owner from and after the date the property is presumed abandoned. Requires that the State Treasurer provide written notice to a State agency and the Governor's Office of Management and Budget of property presumed to be abandoned and allegedly owned by the State agency before it can be escheated to the State's General Revenue Fund if the property remains unclaimed after one year. Creates authority for the Secretary of the Department of Financial and Professional Regulation to order a regulated person under the Act to immediately report and remit property subject to the Act if the Secretary determines that the action is necessary to protect the interest of an owner. New Act

Creates the Local Accessory Dwelling Unit Act. Provides that a unit of local government may not prohibit the building or usage of accessory dwelling units in the unit of local government. Provides that a unit of local government may provide reasonable regulations relating to the size and location of accessory dwelling units similar to other accessory structures unless a regulation would have the effect of prohibiting accessory dwelling units. Provides that, for the purposes of the Act, a regulation is considered to have the effect of prohibiting an accessory dwelling unit if it: (1) explicitly disallows the construction of accessory dwelling units; (2) imposes fees other than building permit review; (3) applies standards that would render such units inconsistent with other local land use laws; (4) imposes design, bulk, and density standards that would physically preclude the project; (5) requires off-street parking spaces; or (6) requires corrections of nonconformities of the principal dwelling unit. Provides that that a unit of local government shall approve or deny an application for a permit to create or serve an accessory dwelling unit by right and without discretionary review. Requires the unit of local government to either approve or deny the application to create or serve an accessory dwelling unit within 60 days from the date the unit of local government receives a completed application if there is an existing single-family or multi-family dwelling on the lot. Provides that, if the unit of local government has not approved or denied the completed application within 60 days, then the application shall be deemed approved unless the Act provides for additional time. Provides that, if a unit of local government denies an application for an accessory dwelling unit, then the unit of local government shall return a full set of comments to the applicant in writing with a list of items that are defective or deficient and a description of how the application can be remedied by the applicant. Provides that a unit of local government shall not deny an application for a permit to create an accessory dwelling unit due to the correction of nonconforming zoning conditions, building code violations, or unpermitted structures that do not present a threat to public health and safety and are not affected by the construction of the accessory dwelling unit. Defines terms. Limits home rule powers.

Calls on President Trump to unfreeze all promised funding for a Red Line train extension on Chicago's South Side. Failing to release the promised funding, condemns President Trump's actions as motivated by spite, counter to the cause of a fairer and more economically strong Illinois, and in direct opposition to his purported goal of "making America great". Expresses support for transit for historically underserved communities and the rights of diverse contractors.

HB 01302 (Continued)

Amends the Criminal Code of 2012. Deletes a provision that timely notice to a retail mercantile establishment that is a victim of retail theft, organized retail crime, financial institution fraud, or looting shall include 7 days' notice of any court proceedings. Amends the Code of Criminal Procedure of 1963. Provides that a law enforcement officer may not refuse to complete a written report as required by the Protective Orders Article of the Code on any ground. Provides that a law enforcement officer shall not discourage or attempt to discourage a victim from filing a police report concerning an incident of abuse. Provides for the vacation of a conviction (rather than only prostitution convictions) if the defendant was a victim of human trafficking. Provides that the determination of the motion shall be by a preponderance of the evidence. Provides that evidence demonstrating the defendant's status as a victim of trafficking at the time of the offense shall create a rebuttable presumption that the defendant was a victim of human trafficking at the time of the offense. Provides that, regardless of whether the court grants a motion to vacate the sentence, it may permit the defendant to file an expedited petition for expungement or sealing under the Criminal Identification Act to be heard whenever possible before the same judge to whom the motion to vacate his or her conviction was presented upon 30 days' notice to those entitled to notification of expungement or sealing proceedings. Amends the Sexual Assault Incident Procedure Act. Provides that a law enforcement officer shall not discourage or attempt to discourage a victim from filing a police report concerning sexual assault or sexual abuse. Amends the Illinois Domestic Violence Act of 1986 to make conforming changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. In the amendatory changes to the Code of Criminal Procedure of 1963, deletes provision that a law enforcement officer may not refuse to complete a written report as required by the provision on any ground. In the amendatory changes to the Code of Criminal Procedure of 1963 concerning a motion to vacate a conviction for an offense committed as a result of the defendant having been a human trafficking victim, deletes provision that evidence demonstrating the defendant's status as a victim of human trafficking at the time of the offense shall create a rebuttable presumption that the defendant was a victim of human trafficking at the time of the offense and provides that with the exception of the expedited notice period and timeline for hearing, any petition to seal or expunge records shall be governed entirely by the provisions of the Criminal Identification Act. In the amendatory provisions of the Illinois Domestic Violence Act of 1986 concerning the written report by a law enforcement officer investigating an alleged incident of abuse, neglect, or exploitation between family or household members, provides that no law enforcement officer may refuse to complete a written report for a bona fide allegation (rather than any allegation) as required by the provision on any ground.

Amends the Illinois Insurance Code. Requires any pharmacy benefit manager or health insurer to provide notice of a change in prescription drug coverage or pricing, including instructions on appeals and exceptions, to beneficiaries of health plans in the State who would be affected by the change. Provides that any pharmacy benefit manager or health insurer must, on or before July 30, 2026, submit to the Department for approval a plan by which beneficiaries may appeal, or request an exception to, a contemplated change in coverage. Provides that this process must allow beneficiaries to present evidence for their appeal or exception. Provides that if the Department of Insurance determines that the processes for requesting appeals or exceptions are insufficient, or do not adequately rely on medical necessity, the Department shall set forth required changes to the process within 90 days of receipt. Provides that if the pharmacy benefit manager or health insurer disputes the changes, a hearing may be requested within 10 days after receipt of the changes, and the Department shall enter a final written decision within 5 days of the hearing.

Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Requires a parent-teacher advisory committee to develop policy guideline procedures to establish and maintain a reciprocal reporting system between the school district and local law enforcement agencies regarding both criminal and civil offenses (rather than only criminal offenses) committed by students. Provides that school personnel (rather than a school district) may not refer a truant, chronic truant, or truant minor to any other local public entity, school resource officer, or peace officer (rather than only to any other local public entity) for that local public entity, school resource officer, or peace officer to issue the child a fine or fee as punishment for truancy. Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offense of child pornography to child sexual abuse material. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent" and changes the definition of "family member" to include a sibling and an accused who has resided in the household for at least 3 (rather than 6) months. Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony. Provides that a defendant, in order to commit grooming, must be 5 years or more older than the groomed child, or hold a position of trust, authority, or supervision in relation to the child at the time of the offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Restores various references to "child pornography" in the bill.

House Floor Amendment No. 2

In the amendatory changes to the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, defines "unable to give knowing consent" as including, but not being limited to, when the victim was asleep, unconscious, or unaware of the nature of the act (rather than surprised) such that the victim could not give voluntary and knowing agreement to the sexual act.

Requires the school district and community college district to designate a liaison and begin negotiations to reach a partnership agreement no later than 60 calendar days after the initial request. Provides that the course content, course delivery, and course rigor evaluation shall be completed within the same school year that the course is taught. Provides that prior to offering dual credit coursework with any postsecondary institution other than a community college, a school district shall first negotiate with the designated liaison of the school district's local community district to seek a partnership agreement with the community college district. Prohibits the school district from entering into a contract with an out-of-state postsecondary institution on or after the effective date of the amendatory Act until the school district has demonstrated to the Illinois Community College Board that the school district has taken appropriate steps to consider the listing of in-state postsecondary institutions and provides a rationale as to why the course can be provided only by an out-of-state postsecondary institution. Creates the Dual Credit Committee. Provides that the academic credentials required to be a fully qualified instructor shall include either a master's degree in the discipline to be taught or a master's degree in any other discipline and a minimum of, but not more than, 18 graduate hours in the discipline to be taught. Requires, 5 years after the effective date of the amendatory Act, the Illinois Community College Board to conduct a study concerning the impact of the changes made by the amendatory Act. Provides that the study shall be submitted to the General Assembly and the Governor by October 1, 2030 and published on the Illinois Community College Board's website. Makes other changes. Amends the Abused and Neglected Child Reporting Act. Sets forth certain protections that must be provided to the parent or guardian of a child at the center of an abuse or neglect investigation whenever the Department of Children and Family Services refers a child to a medical professional. Defines "medical professional". Provides that the medical professional must explain to the parent or guardian of the child, whenever the medical professional has direct contact with the child or the family of the child, that the medical professional is involved for the purpose of providing an opinion to the Department regarding whether the child's injury or condition is suspicious for child maltreatment. Provides that, in any investigation where a medical professional is providing a medical opinion to the Department, the Department shall inform the parent or guardian of the child at the center of an investigation: (i) of the right to request and receive a copy of the medical professional's opinion, including the basis for the opinion, and a copy of any written report the medical professional has provided to the Department; (ii) of the right to obtain, at the parent's or guardian's own expense, and submit to the Department a second medical opinion for consideration in the investigation at any time prior to the conclusion of the investigation; (iii) that any second medical opinion submitted to the Department prior to the Department rendering a final determination in the investigation will be considered as inculpatory or exculpatory evidence; and (iv) of the Department's time frames for the investigative process. Requires the Department to annually prepare and make available on the Department's Reports and Statistics webpage a report on the number of children or families referred by the Department to a medical professional as part of an investigation of abuse or neglect by the Department. New Act

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Mary Beth Canty**HB 03312 (Continued)**

Creates the Utility Data Access Act. Requires the Illinois Commerce Commission to enact the following procedures: (1) a utility shall retain all consumption data for a period of not less than 2 years; (2) a qualified utility shall retain monthly consumption data used for billing for a period of not less than 15 years; (3) a utility shall honor an account holder's request to transmit the account holder's covered usage data held by the utility to any entity designated by the account holder; (4) a qualified data recipient with respect to a qualified building or qualified property may request that a qualified utility provide aggregated usage data for the qualified building or qualified property; (5) a utility shall deliver requested data on a schedule set by the Commission; and (6) the account holder request process and utility delivery of requested data shall be convenient and secure. Establishes requirements for: the Commission's participation in a stakeholder process; the form and timeline in which covered usage data is provided to the data recipient; entry of data into the benchmarking tool; and the provision of covered usage data to recipients upon account holder authorization. Provides that, except in cases where the utility has not followed processes established by the Act or the utility is grossly negligent, the utility shall be held harmless for third-party misuse of data shared under the Act and no cause of action may be initiated against the utility for such subsequent misuse. Provides that prior to filing for cost recovery, a qualified utility must first demonstrate good faith efforts to secure federal, State, or other relevant funding options. Sets forth provisions regarding funding for the Commission to carry out its responsibilities under the Act and the Commission selecting and engaging outside consultants with experience in benchmarking and utility data access. States findings. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning utility data access, provides that the Illinois Commerce Commission shall enact procedures whereby a qualified utility shall retain, for a period of not less than 7 years, monthly consumption data that reflects consumption that occurred in or after 2022 and that was used for billing (rather than a qualified utility shall retain monthly consumption data used for billing for a period of not less than 15 years). Provides that a qualified utility shall retain, for a period of not less than 15 years, monthly consumption data that reflects consumption that occurred in or after 2028 and that was used for billing. Provides that the account holder request process and utility delivery of requested data shall be convenient and secure, and, at the Commission's direction, requests to the utility may be submitted exclusively through an online portal (rather than only the request process shall be convenient and secure). Provides that data recipients may request and receive timely revisions correcting erroneous utility data. Removes provisions concerning the stakeholder process. Provides that, for any covered usage data that a utility provides to a data recipient must be available to be requested online, except that a nonqualified utility may provide only paper request forms upon a showing of hardship (rather than the covered usage data must be available to be requested online and in printable paper form). Makes other changes.

House Democrat Sponsor Synopsis Report

Representative Mary Beth Canty**HB 03564 (Continued)**

Replaces everything after the enacting clause. Amends the Landlord and Tenant Act. Adds provisions concerning rental fee transparency by requiring all non-optional fees, regardless of whether they are one-time fees or recurring fees, to be explicitly contained on the first page of a lease agreement. Provides that a tenant shall not be liable for payment of any fee that is not explicitly contained on the first page of the lease agreement. Requires a landlord to disclose in the lease agreement or unit listing whether utilities are included in the rent. Prohibits certain fees including: (i) a fee for a rental application or background check in excess of \$50, with some exceptions; (ii) a fee or fine for modification or renewal of a lease agreement; (iii) a fee or fine for after-hours requests for maintenance service; (iv) a fee or fine for pest abatement or removal where the tenant has in no way contributed to the infestation; and other fees. Limits the concurrent exercise of home rule powers if inconsistent with the provisions of the amendatory Act. Provides that the amendatory Act applies to all lease agreements for residential rental property entered into after the effective date of the amendatory Act; and that a landlord may not rename a fee or charge to avoid application of the Act. Creates a civil action for any person alleging a violation of the rental fee transparency and fee ban provisions under the amendatory Act. Effective July 1, 2026.

Senate Floor Amendment No. 8

Provides that non-optional fees must be disclosed in a clear and conspicuous manner in a listing of residential property or in an accompanying weblink at the time of the listing. Prohibits the imposition of a fee or fine ancillary to the application fee at the time of the application that is intended to duplicate the costs of tenant screening or to include costs unrelated to tenant screening but may not be construed to limit the ability of the landlord to charge an application fee to cover the costs of tenant screening.

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. HB 02374 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to "sexual assault survivors" to references to "acute sexual assault survivors". In provisions regarding minimum requirements for medical forensic services provided to sexual assault survivors by hospitals and approved pediatric health care facilities, provides that nothing in those provisions is intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital, treatment hospital with approved pediatric transfer, or approved pediatric health care facility with a nonacute complaint of sexual assault according to the qualified medical provider's clinical discretion based on best practices for indications for evidence collection. Makes changes to provisions regarding continuing education and competency to remain on the Qualified Medical Provider List. Allows for virtual or telephonic consultation in providing certain information. Adds references to approved pediatric health care facilities. Provides that medical forensic services shall be provided with the consent of the sexual assault survivor, with certain requirements. Makes changes to provisions regarding a sexual assault services voucher. In provisions regarding written consent to the release of sexual assault evidence for testing, provides for an agent acting under a health care power of attorney, and provides that, if a parent, guardian, or health care power of attorney is unwilling to release sexual assault evidence, then a State's Attorney or the Attorney General may petition the court to authorize its release. Merges provisions regarding complaints with provisions regarding penalties and further provides for procedures, warnings, and civil penalties (rather than a petty offense, with certain requirements). Provides that fines shall be deposited into the Sexual Assault Survivor Treatment Regulation Fund. Makes changes to provisions regarding the Sexual Assault Nurse Examiner Program. Provides for a qualified medical provider list. Describes Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications. Defines terms. Makes other changes. Provides that provisions regarding the qualified medical provider list and Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications are effective January 1, 2026. Makes conforming changes in the State Finance Act.

Requires a trustee to maintain, for a minimum of 7 years after the termination of the trust, a copy of the governing trust instrument under which the trustee was authorized to act at the time the trust terminated. Amends the Revised Uniform Unclaimed Property Act. Provides that property held in an account or plan, including a health savings account, that qualifies for tax deferral under the United States income tax law, is presumed abandoned 20 years after the account was opened. Requires State agencies to report final compensation due a State employee to the Treasurer's Office as unclaimed property if the employee dies while employed. Requires a holder who holds property presumed abandoned to hold the property in trust for the benefit of the State Treasurer on behalf of the owner from and after the date the property is presumed abandoned. Requires that the State Treasurer provide written notice to a State agency and the Governor's Office of Management and Budget of property presumed to be abandoned and allegedly owned by the State agency before it can be escheated to the State's General Revenue Fund if the property remains unclaimed after one year. Creates authority for the Secretary of the Department of Financial and Professional Regulation to order a regulated person under the Act to immediately report and remit property subject to the Act if the Secretary determines that the action is necessary to protect the interest of an owner. Establishes a procedure regulating agreements between an owner or apparent owner and a finder to locate or recover property held by the State Treasurer. Requires a finder to be licensed by the State Treasurer and creates qualifications to be so licensed. Makes definitions. Makes other changes. The Treasurer is authorized to adopt rules as necessary to implement the Act. Effective immediately.

Makes the changes to the licensing of a finder effective January 1, 2026. Provides that if the State Treasurer reasonably believes that the apparent owner of property presumed abandoned held under this Act is a State agency as defined in the Illinois State Auditing Act, the State Treasurer may give written notice to the chief executive officer of such State agency and the Governor's Office of Management and Budget. Requires that, before the termination of a trust, a trustee must conduct a reasonable search for any trust property that has been reported and remitted to a State unclaimed property administrator. Provides that, in the tenth year after the opening of an account holding property covered by the Act for which the apparent owner has not, within the previous 3 years, indicated interest under the Act and that is not otherwise presumed abandoned, the holder shall attempt to contact the apparent owner in a manner substantially similar to the notice required by the Act. Requires the State Treasurer to adopt rules to implement the Act. HB 02584 (Continued)

Amends the Prior Authorization Reform Act and the Illinois Public Aid Code. Provides that a health insurance issuer, the fee-for-service medical assistance program, and a Medicaid managed care organization may not require prior authorization for the following prescription drug types and their therapeutic equivalents approved by the United States Food and Drug Administration: human immunodeficiency virus pre-exposure prophylaxis and post-exposure prophylaxis medication or human immunodeficiency virus treatment medication. Effective January 1, 2027.

House Committee Amendment No. 1

Adds reference to:

215 ILCS 5/356z.60

Adds reference to:

305 ILCS 5/5-5.12

from Ch. 23, par. 5-5.12

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Illinois Public Aid Code. In provisions concerning utilization controls, removes provisions concerning drugs for the treatment of HIV or AIDS. Amends the Illinois Insurance Code to include pre-PrEP HIV screening, sexually transmitted infection screening, kidney function analysis, routine laboratory testing, and routine provider visits as covered follow-up services in provisions requiring an individual or group policy of accident and health insurance to provide coverage for all abortifacients, hormonal therapy medication, human immunodeficiency virus pre-exposure prophylaxis, and post-exposure prophylaxis drugs approved by the United States Food and Drug Administration, and follow-up services related to that coverage. Effective on January 1, 2027.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

HB 02733 (Continued)

Amends the Administration Article of the Illinois Public Aid Code. Provides that subject to appropriation and any necessary federal waivers or approvals, the Department of Human Services shall develop and implement a transitional benefits program for Temporary Assistance for Needy Families (TANF) and the Supplemental Nutrition Assistance Program (SNAP) that is designed in such a way that a TANF or SNAP beneficiary will not experience an immediate loss of benefits should the beneficiary's income exceed the maximum allowable income under the TANF or SNAP program. Provides that the transitional benefits offered shall gradually step down the beneficiary's monthly benefit proportionate to the increase in the beneficiary's income. Sets forth monthly benefits amounts based on monthly household income. Requires beneficiaries to comply with TANF and SNAP work requirements. Provides that, subject to appropriation, the Department shall implement, by July 1, 2026, a program to allow recipients to receive transitional child care benefits without the requirement that such recipients first be eligible for full child care benefits. Provides that transitional child care benefits shall be determined on a sliding scale for recipients with household incomes in excess of the eligibility level for full benefits. Sets forth the sliding benefit schedule for the program. Requires the Department to track the number of participants in the program and issue an annual report to the General Assembly by September 1, 2027 and by September 1 each year thereafter, detailing the effectiveness of the program in encouraging recipients to secure employment earning an income greater than the maximum wage eligible for the full child care benefit. Requires the Department to pursue all necessary waivers from the federal government to implement the program. Provides that upon federal approval, the Department shall limit any initial application for the SNAP, TANF, or the Child Care Assistance Program to a one-page form that is easily accessible on the Department's website. Provides that persons participating in TANF, SNAP, or the Child Care Assistance Program who are required to complete a periodic eligibility review form, may submit such form as an attachment to their Illinois income tax return. Requires the Department of Human Services and the Department of Revenue to adopt rules. Effective immediately.

HB 03352 (Continued)

Amends the Collection Agency Act. Provides that a debtor is not liable for any coerced debt, as defined in the Act, and may assert that they have incurred a coerced debt by providing to a collection agency an oral or written Statement of Coerced Debt, as specified. Sets forth provisions concerning notice of coerced debt to a collection agency; duties of a collection agency upon receiving an incomplete statement of coerced debt; affirmative defenses in collection actions or arbitration; civil liability; protections from perpetrators of coerced debt; restrictions on waivers; and liability of collection agencies for violations of the Act. Provides that, upon receiving the debtor's complete statement of coerced debt and specified supporting information, a collection agency shall review and consider all the information received from the debtor as well as any other information available in the collection agency's file or from the creditor related to the alleged coerced debt within 90 days after receipt of the statement of coerced debt. Requires a collection agency, within 5 days after receipt of the complete statement of coerced debt and supporting information, to cease any pre-judgment attempts to collect the coerced debt from the debtor, including refraining from filing any lawsuit or arbitration to collect the coerced debt, and notify any consumer reporting agency to which the collection agency or creditor furnished adverse information about the debtor that the debtor disputes the adverse information. Establishes additional requirements for a collection agency that reviews a statement of coerced debt. Provides that, within 180 days after the effective date of the Act, the Department of Financial and Professional Regulation may design and publish a model coerced debt and third party written verification form in English and any other language it determines, within its discretion, is the first language of a significant number of consumers in the State. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes to defined terms. Provides that a debtor may assert that the debtor has incurred a coerced debt by providing to a collection agency a written statement (rather than written or oral) of coerced debt. Makes changes to the contents required to be in the statement of coerced debt. Establishes requirements for delivery of the statement of coerced debt. Provides that, if a debtor notifies a collection agency orally that the debt it is pursuing is coerced debt or is partially coerced debt, the collection agency shall notify the debtor orally or in writing, within 14 days (rather than 10 business days) after receiving oral notice, that the debtor's claim must be in writing and refer the debtor to any model statement that is posted by the Department of Financial and Professional Regulation on its website (rather than the model statement). Provides that a debtor shall have 21 days after receipt that the statement is incomplete to respond with the additional information required, and the collection agency may resume collection activities if a complete statement of coerced debt has not been provided by the debtor to the collection agency on or before 30 days after notice of an incomplete statement of coerced debt was provided to the debtor. Provides that a qualified third party who fraudulently certifies that the debtor sought assistance from the qualified third party related to the coerced debt, abuse, exploitation, or human trafficking shall be liable to the collection agency for actual damages, court costs and reasonable attorney's fees. Provides that any statute of limitation that may apply to a debt that is alleged to be coerced debt shall be tolled for the duration of any time period during which the collection agency is temporarily prevented from commencing legal action related to the debt or any portion of the debt. Provides that a debtor who receives a good faith determination, as provided, that the debt or portion of the debt does not constitute coerced debt may not submit a second or subsequent statement of coerced debt to the collection agency for the same debt or portion of the debt prior to any lawsuit or arbitration to collect that debt and the collection agency is not required to respond to the debtor regarding the second or subsequent statement of coerced debt. Makes other changes.

Amends the Community Emergency Services and Support Act. Modifies legislative findings. Provides that appropriate mobile response services must, among other things, subject to the care decisions of the individual receiving care, coordinate transportation for any individual experiencing a mental or behavioral health emergency to the least restrictive setting feasible (rather than provide transportation for any individual experiencing a mental or behavioral health emergency). Provides that adequate mobile mental health relief provider training includes, among other things, training in recognizing and working with people with neurodivergent and developmental disability diagnoses and in the techniques available to help stabilize and connect them to further services and training in the involuntary commitment process, in identification of situations that meet the standards for involuntary commitment, and in cultural competencies and social biases to guard against any group being disproportionately subjected to the involuntary commitment process or the use of the process not warranted under the legal standard for involuntary commitment. Provides that mobile mental health relief providers may only participate in the involuntary commitment process to the extent permitted under the Mental Health and Developmental Disabilities Code. Requires the system for gathering information developed by the Statewide Advisory Committee to determine the number of instances of mobile mental health relief providers initiating petitions for involuntary commitment. Provides that the exemption from civil liability for emergency care provided in the Good Samaritan Act applies to anyone providing care under the Act. Provides that each 9-1-1 public safety answering point and emergency service dispatched through a 9-1-1 public safety answering point must begin coordinating its activities with the mobile mental and behavioral health services established by the Division of Mental Health once all 3 of the following conditions are met, but not later than July 1, 2027 (rather than July 1, 2025). Adds definitions and modifies existing definitions. Effective immediately.

Amends the Name Change Article of the Code of Civil Procedure. Provides that for a petition for name change by a person who is required to register under Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registration Act and not yet pardoned, if the petition alleges that it is sought because of marriage, religious beliefs, status as a victim of trafficking or gender-related identity, the court may grant or deny the petition after making a determination based on certain factors. Provides that any denial of a name change to these individuals must be in writing demonstrating the reasons for the denial. Provides that a person who has been convicted as an adult of a felony offense and whose sentence has not been completed, terminated, or discharged is not permitted to file a petition for a name change unless pardoned for the offense. Provides that the State's Attorney may file an objection to the petition within 30 days of being served if the petitioner has been convicted of and not been pardoned or has a pending case for any of the these enumerated charges: identity theft, aggravated identity theft, felony or misdemeanor criminal sexual abuse if the victim of the offense at the time of its commission is under 18 years of age, felony or misdemeanor sexual exploitation of a child, felony or misdemeanor indecent solicitation of a child, or felony or misdemeanor indecent solicitation of an adult. Provides the same opportunity to object if the petitioner has any pending charge that would require compliance, if convicted, with the Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registry Act. Provides those objections must be in writing, filed with the circuit court clerk, served upon the petitioner, and state with specificity the basis of the objection, including, but not limited to, any evidence of specific intent for requesting the name change and any specific and detailed facts demonstrating that any potential risk to another individual or group would outweigh any potential harm or negative impact to the individual making the request for the name change. Makes other changes.

Amends the Nurse Practice Act. Makes changes to the requirements for a registered professional nursing education program in provisions concerning the establishment of a new program, program policies, faculty members, training and development, the program's curriculum, the program's use of simulation, the accreditation process, approval by the Board of Nursing, and the program closure process. Makes a conforming change. Provides that the Department of Financial and Professional Regulation may, without hearing, rescind the license of any person who obtain a license after completing a program or obtaining credit from a program that does not meet the requirements of the provisions regarding registered professional nursing education programs. In provisions concerning nursing licensure by examination, removes the provision regarding the good standing period for professional nursing programs on probationary status.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires the approval of the Department of Financial and Professional Regulation for certain aspects of nursing education programs. Provides that a nursing education program may not use simulation as a substitute for traditional clinical experience for more than 25% (rather than 50%) of a course's total clinical hours. Provides that programs may seek an exception to the simulation limitation from the Board of Nursing and must follow the requirements set forth in the "Guidelines for the Use of Simulation by Prelicensure Nursing Programs" as published on the Department's website. Provides that if the Department obtains evidence at any time that a registered professional nursing program does not comply with the Act, it may perform an unannounced site visit. Provides that the Department may, without a hearing, rescind the license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing (rather than the license of any person who obtained a license after completing a program or obtaining credit from a program that does not meet the requirements of the amendatory provisions). Sets forth provisions concerning notice and review of a rescission. Provides that a rescission shall not constitute discipline as provided in the Act and shall not be an automatic bar to licensure if the applicant elects to re-apply (rather than shall not constitute discipline as provided in the Act). Provides that the amendatory provisions shall not prevent the Department from considering a rescission during a future regulatory action. Removes provisions concerning what a registered professional nursing education program must do when it loses its national accreditation, when the Board may withdraw its approval of a registered professional nursing education program, the closing of a registered professional nursing education program due to withdrawal of Board approval or due to voluntary closure, and mitigation efforts by a registered professional nursing education program during a declared state of emergency. Makes other changes. Effective July 1, 2026.

Replaces everything after the enacting clause. Amends the Meat and Poultry Inspection Act. In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.".  225 ILCS 65/60-10

Amends the Nurse Practice Act. Provides that one of the criteria that the Board of Nursing shall take into consideration when reviewing a registered professional nurse education program is whether the program satisfies specified criteria in provisions regarding program effectiveness (rather than satisfies the measurement of program effectiveness based on a passage rate of all graduates over the 3 most recent calendar years without reference to first-time test takers). Provides that, in order for a program to obtain initial Department of Financial and Professional Regulation approval and to maintain Department approval, the passage rates of the program's graduating classes on the State-approved licensure exam must meet one of the measurements of program effectiveness (rather than be deemed satisfactory by the Department). Provides that a registered professional nurse education program meeting one of the measurements of program effectiveness shall be deemed in good standing. Provides that the Department may, without hearing, rescind the license of any person who obtained a license or other authorization to practice under the Act based on educational credits received from a registered professional nurse education program that did not meet a set of requirements during the time period when the person obtained the credits. Sets forth requirements for program effectiveness. Effective immediately.

Provides that, beginning with the 2027-2028 academic year, the Board of Higher Education, in collaboration with the Illinois Student Assistance Commission and the State Board of Education, shall develop, in consultation with the University of Illinois at Chicago and the University of Illinois at Urbana-Champaign, a preselection outreach campaign to encourage qualifying State high school juniors and seniors to apply to the University of Illinois at Chicago or the University of Illinois at Urbana-Champaign. In the Public University Direct Admissions Program Act: Removes language that provides that in establishing the direct admission program, the Board of Higher Education, in collaboration with the Illinois Community College Board, shall specifically evaluate the impact on enrollment of low-income students, students of color, first generation college students, students from populations underserved in higher education, and students from rural areas of this State. Provides that students who apply to a public university or community college pursuant to the Act must not be required to pay an application fee by any public university or community college as part of the direct admission program. Changes the terms "student directory information" to "student direct admissions information" and "preselection outreach campaign" to "access and outreach campaign". Makes other changes. Makes conforming changes in the School Code. Adds an immediate effective date.

Senate Floor Amendment No. 4

Makes changes in provisions of the Public University Direct Admission Program Act concerning definitions; the direct admission program; and the access and outreach campaign. Makes changes in provisions of the School Code concerning access to high school campuses and student directory information.

Amends the Nurse Practice Act. Makes changes to the requirements for a registered professional nursing education program in provisions concerning the establishment of a new program, program policies, faculty members, training and development, the program's curriculum, the program's use of simulation, the accreditation process, approval by the Board of Nursing, and the program closure process. Makes a conforming change. Provides that the Department of Financial and Professional Regulation may, without hearing, rescind the license of any person who obtain a license after completing a program or obtaining credit from a program that does not meet the requirements of the provisions regarding registered professional nursing education programs. House Floor Amendment No. 1

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Terra Costa Howard**HB 01807 (Continued)**

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires the approval of the Department of Financial and Professional Regulation for certain aspects of nursing education programs. Provides that a nursing education program may not use simulation as a substitute for traditional clinical experience for more than 25% (rather than 50%) of a course's total clinical hours. Provides that programs may seek an exception to the simulation limitation from the Board of Nursing and must follow the requirements set forth in the "Guidelines for the Use of Simulation by Prelicensure Nursing Programs" as published on the Department's website. Provides that if the Department obtains evidence at any time that a registered professional nursing program does not comply with the Act, it may perform an unannounced site visit. Provides that the Department may, without a hearing, rescind the license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing (rather than the license of any person who obtained a license after completing a program or obtaining credit from a program that does not meet the requirements of the amendatory provisions). Sets forth provisions concerning notice and review of a rescission. Provides that a rescission shall not constitute discipline as provided in the Act and shall not be an automatic bar to licensure if the applicant elects to re-apply (rather than shall not constitute discipline as provided in the Act). Provides that the amendatory provisions shall not prevent the Department from considering a rescission during a future regulatory action. Removes provisions concerning what a registered professional nursing education program must do when it loses its national accreditation, when the Board may withdraw its approval of a registered professional nursing education program, the closing of a registered professional nursing education program due to withdrawal of Board approval or due to voluntary closure, and mitigation efforts by a registered professional nursing education program during a declared state of emergency. Makes other changes. Effective July 1, 2026.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

House Democrat Sponsor Synopsis Report

Representative Terra Costa Howard**HB 02827 (Continued)**

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Homeschool Act: Requires proof of immunization and a health examination or an exemption only for regularly occurring, public-school-sponsored, public-school activities. Requires a homeschool administrator to have a high school diploma or its recognized equivalent at a minimum. Requires the homeschool administrator to provide proof of, among other options, any degree obtained from an institution of higher education. Changes the reporting date for regional offices of education, intermediate service centers, and the Chicago school district from June 30 (beginning in 2027 and every year thereafter) to July 31; changes the reporting date for the State Board of Education from July 31 (previously beginning in 2027, but now beginning in 2028) to February 1; and makes other changes. Provides that nothing in the Act supersedes the Department of Children and Family Services Guardianship Administrator's authority to approve or deny whether a youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator may participate in a homeschool program and that consent must be obtained from the Department of Children and Family Services Guardianship Administrator prior to the Homeschool Declaration Form being submitted for all youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator. In the Freedom of Information Act: Provides that information and records held by any school district (rather than the Chicago school district) containing confidential information about a student, parent, or guardian under the Homeschool Act is exempt from copying and inspection. In the Illinois School Student Records Act: Provides that neither a "student permanent record" nor a "student temporary record" includes a Homeschool Declaration Form or any record that a homeschool administrator submits to a school district for proof of a homeschooled student's immunization and health examination. Provides that student records or information may be released, transferred, disclosed, or otherwise disseminated to the State Board of Education or a school or school district's regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent of schools only for the purposes of transmitting a Homeschool Declaration Form to one of these entities in accordance with the Homeschool Act. Requires a regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent that receives a Homeschool Declaration Form to maintain a copy of the Homeschool Declaration Form for not less than 5 years after receiving the Homeschool Declaration Form. Provides that a public school or school district is not required to maintain a Homeschool Declaration Form or a copy of a Homeschool Declaration Form, but may maintain a copy of a Homeschool Declaration Form as long as the public school or school district abides by all storage requirements and confidentiality requirements. Requires a public school or school district that receives proof of a homeschooled student's immunization and health examination to maintain a copy of those records for not less than 5 years after receipt.

Pension Note (Government Forecasting & Accountability)

HB 2827, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$1,574.16 for implementation. There may also be increased costs to school districts, regional offices of education, and public schools, but those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

Replaces everything after the enacting clause. Creates the Homeschool Act. Requires the notification form to be published in a downloadable and printable format on the Board's website no later than June 1, 2026. Provides that beginning with the 2026-2027 school year, a parent or guardian who homeschooled the parent's or guardian's student shall submit the notification form before September 1 of each year. Provides that a public school or school district shall only retain a copy of the notification form if the homeschool parent or guardian requests that the record be retained by the public school or school district, and if such record is retained, the regional office of education, intermediate service center, or superintendent shall retain the record for not less than 5 years. Provides that there exists a rebuttable presumption that a student is not truant if a homeschool notification form was submitted. Allows a homeschool administrator to have a high school diploma or its recognized equivalent. Provides that consent must be obtained from the Department of Children and Family Services' Guardian Administrator prior to a homeschool notification form being submitted for all youth under the custody and guardianship of the Department. Allows a truant officer to request an educational portfolio as part of a truancy investigation, which must be produced by the homeschool no later than 10 days after the request is made. Allows the State Board of Education to adopt any rules necessary to implement and administer the Act. Makes other changes. 725 ILCS 5/108-15 new

Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that no court shall issue a search warrant that permits police officers to enter a residence without first knocking and announcing their office. Provides that police officers may enter a residence without first knocking and announcing their office in exigent circumstances when entry without notice is necessary to prevent physical injury to police officers or others. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining any child, unless the child presents an immediate threat of physical harm to oneself or another person. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. Makes other changes to the bill.

Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Amends the Veteran Service Organizations State Charter Act. Changes the name of the Act to the Veteran Service Organizations Equal Act. Provides that a veteran service organization shall be considered to have veteran service organization status (rather than shall be considered state chartered) when the organization meets all of the requirements listed in the Act and the organization's application for veteran service organization status (rather than state charter status) has been approved by the Attorney General. Makes corresponding changes throughout the Act. Provides that the Attorney General shall grant veteran service organization status (rather than state charter status) to any organization that has demonstrated that all requirements for obtaining veteran service organization status have been met. Requires a veteran service organization to have annual expenditures that demonstrate that 20% (rather than a majority) of the organization's expenses reflect support for veterans in order to qualify for veteran service organization status. Requires an application for veteran service organization status to include a statement from the organization's Commander, President, or chief executive officer (rather than all officers of the organization) attesting that all requirements for a veteran service organization status have been met. Amends the Consumer Fraud and Deceptive Business Practices Act. Provides that it is an unlawful practice for any person providing veteran or military benefits services to: (i) receive compensation for referring any individual to another person to advise or assist the individual with any veterans' benefits matter; (ii) guarantee, either directly or by implication, a successful outcome or that any individual is certain to receive specific veterans' benefits; (iii) utilize international call centers or data centers for processing veterans' personal information; and (iv) other matters.

Amends the Illinois Lottery Law. Removes a provision that requires the Department of the Lottery to publish each January in the Illinois Register a list of all game-specific rules, play instructions, directives, operations manuals, brochures, or other game-specific publications issued by the Department during the previous year and instructions concerning how the public may obtain copies of these materials from the Department. Provides that written play instructions shall be made available on the Department's public website or by the Department by request (rather than made available through sales agents licensed to sell game tickets or shares). Makes a change in a provision that makes any organization in which specified individuals are to participate in the management or sales of lottery tickets or shares ineligible for any license under the Act. Provides that the State Lottery Fund shall receive from the sale of lottery tickets or shares consisting of the net of commissions and fees representing those expenses that are directly proportionate to the sale of tickets or shares at the agent location and prizes of \$600 or less (rather than less than \$600) which have been validly paid at the agent level. Provides that the Department may pay any prize (rather than prizes up to \$25,000) from funds held by the Department in an account separate and apart from all public moneys of the State. Removes provisions allowing moneys in the account to be deposited by the Department into the Public Treasurers' Investment Pool or used to pay amounts to deferred prize winners. Allows the Department (rather than the State Treasurer with the consent of the Director of the Lottery) to contract with any person or corporation to perform such financial functions, activities, or services in connection with operation of the lottery. Allows, with the consent of the Director, the State Treasurer to act as an agent of the Department to perform the financial functions as the Director may prescribe. Removes language requiring the Director to prepare and send to the State Comptroller vouchers requesting payment from the Deferred Lottery Prize Winners Trust Fund to deferred prize winners. Removes certain deadlines related to private managers. In provisions concerning preaudits by the State Comptroller, removes a limitation that the provisions apply to payments for prizes of \$25,000 or less. Makes other changes.

Removes certain differences based upon county populations. Removes provisions relating to the Public Defender Quality Defense Task Force. from Ch. 111, par. 1701-7

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In provisions concerning applicants with criminal convictions, requires the Department of Financial and Professional Regulation to consider various factors when considering whether a prior conviction is directly related to the ability of an applicant to safely perform the duties, functions, and responsibilities of the position (instead of whether a prior conviction will impair the ability of the applicant to engage in the practice). Removes the requirement that a person who is licensed or registered to engage in any of the professions licensed or registered by the Department be of good moral character. Prohibits the Department from using a vague term in its consideration of a criminal record and decision regarding whether a criminal record is disqualifying for licensure, certification, or registration, including, but not limited to, "good moral character", "moral turpitude", or "character and fitness". Makes other changes. Amends the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985. Provides that no application shall be automatically placed on hold, delayed, denied, or otherwise not processed by the Department because it was submitted by a person who is incarcerated. Provides that when determining the qualifications for a license, the Department shall include practice that is supervised by a licensee while a person is incarcerated.

from Ch. 127, par. 132.401

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative William "Will" Davis

HB 01224 (Continued)

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the amount of any and all draw amounts submitted and approved under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract of the amount of any and all draw amounts submitted and approved under the terms of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes the provisions that amended the State Prompt Payment Act. Provides that "retainage" does not include moneys withheld from grants to entities for capital improvements to non-State property. Provides that, if the contractor or subcontractor has displayed unsatisfactory performance on previous State agency projects resulting in a low performance score or suspension of prequalification, the State agency may apply retainage from the beginning of the project. Provides that, notwithstanding any other provision of law, if a State agency has not withheld retainage from a payment to a contractor on a project, then that contractor may not withhold retainage from a payment to a subcontractor for the same project. Provides that, if a State agency has withheld retainage from a contractor under the Act, then the contractor may withhold retainage from a payment to a subcontractor, but only to the extent that the amount retained from payment to the contractor by the State agency is attributable to a failure on the part of the subcontractor to make satisfactory progress with respect to the subcontractor's contractual obligations. Specifies that the Act's limitations on retainage from subcontracts apply only to subcontracts that are entered into on or after the Act's effective date of the Act in connection with a State construction contract that is subject to the Act. Effective July 1, 2026.

Senate Committee Amendment No. 1

Deletes reference to:

New Act

Deletes reference to:

30 ILCS 540/1

from Ch. 127, par. 132.401

Adds reference to:

30 ILCS 550/1

from Ch. 29, par. 15

Replaces everything after the enacting clause. Amends the Public Construction Bond Act. Provides that, before the completion of 50% of the contract for public works, the State or a local governmental unit, except for the Department of Transportation, may not withhold retainage from any payment to a contractor who furnishes the bond or bond substitute required by the Act in an amount in excess of 10% of any payment made before the date of completion of 50% of the contract for public works. Provides that, when a contract for public works is 50% complete, the State or the local governmental unit, except for the Department of Transportation, shall reduce the retainage so that no more than 5% is held. Allows a State agency, subject to these limitations, to withhold as retainage a portion of the moneys from the payment of a contract that is entered into on or after the effective date of the amendatory Act if and only if the State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made. Requires satisfactory progress to be clearly provided for in the contract between the State agency and the contractor or subcontractor. Provides that retainage may not be used as a substitute for good contract management, and the State agency may not withhold funds without cause. Provides that determinations to retain and the specific amount to be withheld must be made by the State agency on a case-by-case basis based on the performance of milestones under the current contract as provided for in the contract between the State agency and the contractor. Prohibits a contractor from withholding retainage from a subcontractor except to the extent a State agency has withheld retainage from the contractor which is attributable to that subcontractor's subcontract. Defines "retainage". Provides that nothing in the amendatory Act may be construed to modify any provision of the State Prompt Payment Act or the Local Government Prompt Payment Act. Effective June 1, 2027.

Senate Floor Amendment No. 3

Provides that the provision does not apply to the Illinois State Toll Highway Authority.
